ARMY FORBIDS ASSOCIATION WITH AGENTS

Garsson Expose Prompts New Orders Banning Relations With Contractors

Washington, N. C., Aug. 14.—(AP)—The Garsson combine expose produced fresh new army instructions forbidding officers from "close association, social or otherwise, with contractors, Undersecretary of War Kenneth C. Royall declared today.

In an address prepared for an American Legion Victory Day observance here, Royall stoutly defended the army's overall record in letting war contracts.

But he observed that the "type of close relationship" brought out in the Senate war investigating committee's hearings in Washington last month "should not be countenanced."

"Even if not directly proven to be dishonest, it might well result in undue influence upon government officials," Royall said, adding: "We are issuing additional instructions to make even clearer that this kind of thing must not take place."

The committee heard testimony that Maj. Gen. Alden C. Waitt and other chemical warfare officials attended a wedding in New York of the daughter of Murray Garsson, one of the promoters of the multi-million dollar munitions combine.

Without referring to this testimony or to the Garsson inquiry by name, Royall said the War Department is "investigating these particular cases" to determine to what extent its policy had been violated.

"Both Congress and the people," he said, "favored and encouraged a policy of developing small companies into large enterprises to meet urgent war production demands. But he added:

"This policy does not justify—and never did justify—the letting of contracts without investigation, to totally inexperienced companies, still in the initial processes of organization—as some committee testimony indicates was done in this instance."

Royall contended that although "mistakes have already been discovered" and "others will be discovered," in general American war procurement and purchasing "were the most honest and efficient that this nation, or any other nation, has ever known in time of war."

"When all investigations are completed," he added, "I do not believe that the percentage of frauds and improper actions will affect two percent, or even one per cent of the army's contracts. Only a very small fraction of one per cent will be involved."

Japan Quiet As Army Celebrates V-J Day

Tokyo, Aug. 14.—(AP)—V-J day passed quietly in Japan. There was no show of force.

There was the usual parade. In the imperial palace plaza—possibly the most American marched-on bit of ground in Japan—the Seventh Cavalry Regiment of the First Cavalry Division, which boasts that it first entered Manila and Tokyo, displayed snap and precision for its commander, Brig Gen. William Chase.

Lt. Gen. Robert L. Eichelberger dedicated a new 7,000-foot paved run way at Haneda Airport, which when completed will compare in size and facilities with National Airport, Washington, D. C., and will serve as the main transport terminal for Japan and Korea.

General MacArthur worked as usual although most occupation personnel had a holiday. He will wait until Sept. 2—anniversary of the surrender signing—to issue an occupation statement.

Reviewing The "Peace"

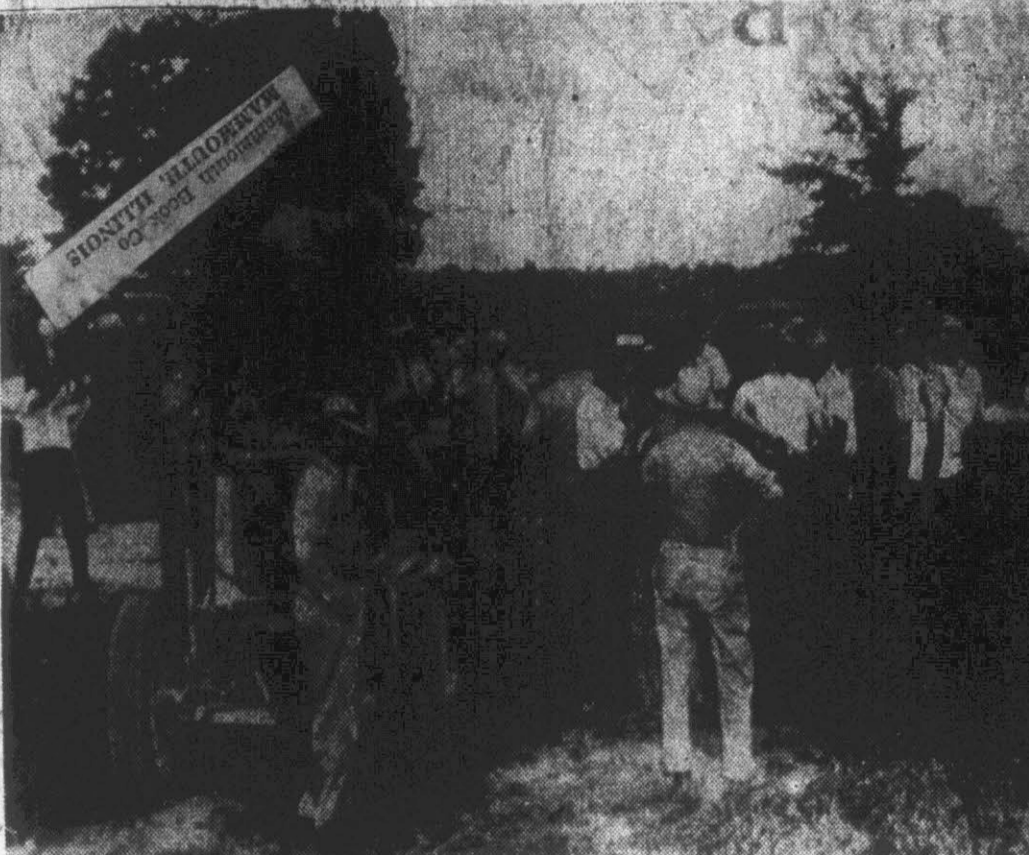

AP's Foreign Affairs Analyst Looks Over The Problems That Have Arisen, Are Yet Unsolved, A Year After The Greatest War In History Ended

By DEWITT MACKENZIE

The greatest war in history ended a year ago today, permitting the surviving nations to turn their full energies toward solution of world problems.

Already the United Nations had been organized, people were aware of the development of a new military power at Los Alamos which seemed to make war an absurdity, and the way of the military aggressor had been proved hard, almost to the point of annihilation. People were going to have peace hereafter, even if they had to fight for it through an international army to enforce international morality.

Ex-GI's Man Commandeered Road Machinery

Residents of Sand Mountain, a community near Scottsboro, Ala., gas up road scraping equipment that they commandeered from the district road headquarters Saturday night, Aug. 10. The Sand Mountain residents, mostly ex-GI's, seized the machinery after their demands for needed road repairs was not met, and ran the work "at their own expense." They have demanded the resignations of Commissioners Dewey Bryant and John Wallace who have been in charge of highways in the Sand Mountain districts. (AP Wirephoto).

S. C. PREPARES FOR NEW RACE

Incumbent Governor Defeated; Run-Off Slated In September

Columbia, S. C., Aug. 14.—(AP)—J. Strom Thurmond of Edgefield, who campaigned against what he termed "Barnwell rink control" of state government and Dr. James McLeod of Florence, promising "better government for a better South."

Thurmond, with a commanding lead, and McLeod, as a strong runner-up, pushed out nine other gubernatorial candidates including third place governor nominee J. Williams, state liquor store advocate, who was seeking nomination a full term in yesterday's primary election.

William Jennings Bryan, Derr, youthful former state senator from Greenwood, defeated veteran Congressman William Butler Hare of Saluda for renomination in the third district.

Two other opposed congressmen, the fourth district's Joseph R. Bryson of Greenville, and John L. McMillan of Florence, sixth district, apparently won renomination.

George Bell Timmerman, Jr., of Lexington, son of the federal district judge here, and John C. Williams of Spartanburg, former law associate of U. S. Senator Olin D. Johnston, were matched for a second primary runoff in a neck and neck race in that three other men far behind. Less than 200 votes separated Williams, the leader, and Timmerman.

Navy Plans No Draft Call For September

Washington, Aug. 14.—(AP)—Unless the army, the navy plans no call on selective service when drafting is resumed September 1 after a two-month lapse.

Vice Adm. Louis E. Denfeld, chief of naval personnel, reported happily today that "We now have a waiting list of men who want to enter the naval service."

The army already has issued a draft call for 25,000 men next month.

LaFollette Beaten In Wisconsin Race

Concedes Defeat To Opponent; Marks First Time In Over Forty Years Member Of Family Has Not Sat In Senate

By ASSOCIATED PRESS) Senator Robert M. LaFollette, whom Wisconsin voters sent to the U. S. Senate for 21 straight years, conceded defeat today in his effort for another six-year term, as a Republican.

Joseph R. McCarthy, 37-year-old ex-Marine, toppled LaFollette in nearly complete returns from yesterday's Republican primary election.

Returns from 3,085 precincts out of the state's 3,148, gave McCarthy, 203,840 to LaFollette's 197,196 a lead of 6,694. Parry Stearns was third with 29,132.

The outcome means that for the first time in more than 40 years the state will not be represented in the Senate by a LaFollette, father and son.

LaFollette, a 21-year veteran of the senate had turned to the Republican Party in nomination to succeed himself, after 12 years under the Progressive Party banner.

However, the Republican state organization drew its support to McCarthy, former gunner of a Marine dive bomber squadron. McCarthy was elected circuit judge a 30 to become the youngest person ever chosen for such a post in Wisconsin.

The Republican senatorial nominee will be opposed in November by Howard J. McKinney, who was unopposed for the Democratic nomination.

Wisconsin's 83-year-old governor, Walter S. Goodland, like LaFollette ran against the opposition of the state party organization. However Goodland ran far ahead of his two opponents for Republican nomination.

Goodland will be opposed in November by Daniel W. Hoan, former Socialist mayor of Milwaukee. Hoan rolled to an easy victory in his race for the Democratic nomination for governor.

LaFollette, whose Progressive Party organization voted to disavow a year ago last March, had staked his prestige on the outcome of the primary. He said he would not run as an independent if he failed to receive the nomination.

LaFollette was elected as a Republican in 1925 when he ran for the late "Fighting Bob," at the age of 30.

He was reelected in 1928 as a Republican but split with the party early in the New Deal to support much of the Franklin D. Roosevelt administration's program. He won in 1934 and 1940 as a Progressive.

McCarthy called him an isolationist and challenged him to debate the issue, but the senator said he would stand on his record.

Old Third Division Vets Plan 'Welcome'

By AP, Aug. 14.—A "Welcome Home" to the members of the "new" Wildcat division will be staged by World War I veterans of the third division, in Mount Airy, N. C., on August 17-18.

The program for Saturday, August 17, calls for a fiddler's contest and a showing of the War Department's motion pictures of the new Wildcats in action in the Pacific against the Japs. Dancing will follow.

On Sunday, August 18, there will be a meeting in the morning, memorial service, and a dinner in the afternoon.

BRITISH PLAN TO HOLD FIRM IN PALESTINE

Cabinet Reviews Tense Situation; Agrees To Continue Present Policy

London, Aug. 14.—(AP)—The British cabinet heard reports from the chiefs of the army, air force and navy of a tense situation in the Holy Land today and agreed, an authoritative source said, to stick to its present course "however much the position deteriorates."

The three armed services will continue to take "whatever measures are necessary" to implement the government's decision to end unauthorized entry of Jewish refugees into the Holy Land, the informant said.

Three persons were killed and seven wounded at Haifa yesterday when crowds stormed the British military coronet guarding the port while 1,000 immigrants were taken off their ships and put aboard troop transports for shipment to detention camps on the island of Cyprus.

Zionist spokesmen loudly condemned British measures to halt illegal immigration to Palestine where conditions were reported critical in the wake of rioting in Haifa yesterday.

Dispatches from Jerusalem quoted a spokesman for the Jewish agency as saying that the deportation of illegal immigrants to Cyprus had aroused anger throughout the Jewish community and that the British government's efforts to justify the action had only added fuel to the flames.

"Peace in Palestine can never be achieved by such tactics," the spokesman added ominously. In Paris, the Jewish agency executive issued a formal statement.

Easy Credit Hit By Gov't Rules

Washington, Aug. 14.—(AP)—The government took another swing at easy credit today.

It ruled that beginning Sept. 1: 1. Personal loans will have to be paid faster—within 15 months, instead of the 18 allowed now.

2. Anyone buying an auto in the \$1,500-to-\$2,000 price range will have to pay at least one third down, the rest in 15 months, just as he does now on a car selling for less than \$1,500.

The Federal Reserve Board, alarmed by the inflationary potential of a swelling volume of credit decreed the new regulations, even as some lending institutions were stepping up demands for abolition of the board's regulations on the contention that they are hampering recovery.

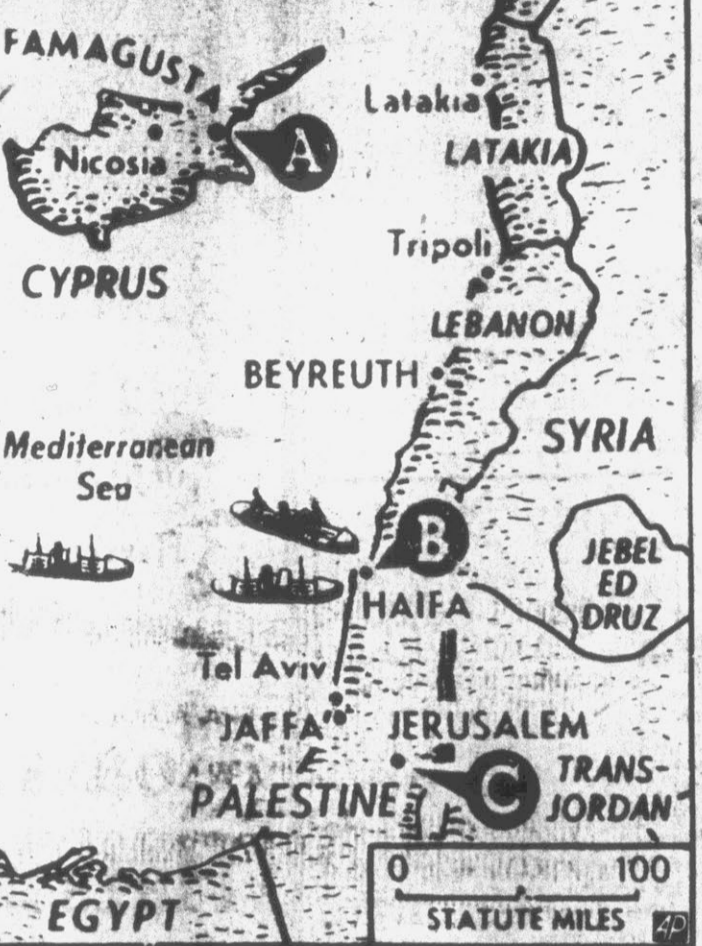

Decreased Air Mail Rates Are Approved

Washington, Aug. 14.—(AP)—President Truman today signed legislation reducing the domestic air mail rate from 8 to 5 cents an ounce, effective October 1.

Simultaneously Postmaster General Hannegan issued an order setting an air mail postage rate of 5 cents an ounce between all U. S. territory and members of the armed forces abroad. The existing rate is 6 cents a half ounce.

Bulgaria Presents Claims To Paris Peace Conference

Troubled Spots In Holy Land

Admits "Shameful Alliance" With Germany; Maintains Army Did Not Fight Against Allies; Soviet Ukraine Delegate In Support; Co-Belligerent Status

By WILLIAM B. KING Paris, Aug. 14.—(AP)—Bulgaria formally presented a claim to the Paris peace conference today for the present Greek territory of western Thrace and was supported by the Soviet Ukraine delegate.

Frankly admitting a "shameful alliance" with Germany during the war, Bulgarian Foreign Minister Georgi Koulishev nevertheless maintained that the Bulgarian army "did not fight on any front against the anti-Hitler coalition."

He asked that his nation be accorded the status of an allied co-belligerent the same as that sought yesterday by Romania, another defeated German satellite.

Western Thrace is a narrow strip of territory along the northern line of the Aegean Sea which gives to Greece a common frontier with Turkey.

Koulishev admitted Bulgaria had declared war on Britain and the United States. (She maintained friendship with Russia.) Koulishev said:

"The Bulgarian army was merely used as an occupation force and not one single soldier fought against Yugoslavia or Greece."

Koulishev presented his nation's plea for a lenient peace in place of Prime Minister Kimon Georgiev, chief of the Bulgarian delegation, who had been scheduled to speak. The switch in spokesmen was announced at the last minute by U. S. Secretary of State Byrnes, serving his third and last day as chairman of the conference under a system of rotation.

After Koulishev finished his appeal, Wincenty Ryznowski, chief of the Polish delegation, delivered a brief commentary on the Bulgarian case in which he expressed belief that Bulgaria deserves an indulgent peace. Poland extends a friendly hand to Bulgaria and asks others to do so, declared Ryznowski.

It was expected that Hungarian Foreign Minister Janos Gyongyosi would make an appeal for basic human rights on behalf of his nation this afternoon.

Koulishev maintained that 32,000 Bulgarian soldiers were killed fighting against the Germans in Serbia, Hungary, Austria and Macedonia, a fact which, he said, had been recognized by Soviet Foreign Minister Stalin in an order of the day.

"This, he declared, "in some measure helped to repair the damage caused by the Hitlerian clique that had power in Bulgaria at the start of the war."

"Istaly 50 he declared, "was the first ally of Hitlerian Germany, but she has been officially described as a 'co-belligerent.' Should the facts that I have given not give Bulgaria the right to be considered as a 'co-belligerent'?"

Liberals Want Vice Presidency In 1948

V-J DAY SEES U. S. HOPEFUL

Anniversary Of Victory Finds Nation Ahead Of Goals

By the Associated Press Without formal pause, the nation joyfully yet prayerfully observed the first anniversary today of victory in World War II.

One year to the day after he proclaimed Japan's unconditional surrender, President Truman asked Americans to dedicate this first "Victory Day" to prayer and high resolve that:

"The cause of justice, freedom, peace and international goodwill shall be advanced with undiminished and unremitting efforts, inspired by the valor of our heroes of the armed services."

While military men and others were paying tribute to the men who fought and died to bring the war to its conclusion, Mr. Truman's reconversion director totaled up the balance sheet to see what a year of peace has meant to the home front.

In a statement last night, John R. Steelman recalled these four objectives of a year ago and outlined the "record of progress we have made."

1. Jobs for all those willing and able to work: "We have reached substantially full employment and have created nearly five million new jobs in the process x x x. Now we face the task of consolidating these gains by ever-increasing production and employment opportunities."

2. A steadily rising standard of living: "The yearly production rate of goods and services for civilian use has increased more than \$30,000,000,000. Total construction and production of some goods has quadrupled. Total income payments to individuals equal or exceed the wartime peak."

3. Stabilization of our economy: "We have successfully avoided the deflation which threatened when war plants closed x x x but inflation remains a constant threat."

4. Increased opportunities for farmers and businessmen: "Almost a quarter of a million new businesses were established in the last half of 1945, and there is every reason to hope that the birth of new businesses will continue at a high rate, x x x Farmers are looking forward to bumper crops, and can sell at good prices all they can grow."

Looking to the future, Secretary of the Navy Forrestal declared: "We must firmly resolve to keep ourselves strong for the tests of the future until the United Nations is an accomplished fact."

Meantime, he called for constant striving toward international unity and understanding, which, he added, "must rest on the free exchange of information" to "dissolve the mists of prejudice."

Teaching Standards Called Big Handicap

Raleigh, N. C., Aug. 14.—(AP)—North Carolina school children "will be permanently handicapped" by the poor standards now required of teachers in the state's public schools, the classroom teachers department of the North Carolina Education Association charged at the conclusion of a two-day meeting here yesterday.

Asserting that "conditions which could be condoned under the guise of war emergency are no longer excusable," the teachers demanded that emergency measures allowing holders of low-rated or temporary certificates to teach should now be abolished.

Divided Authority And Lack Of Supervision Paves Way For Dishonest Employers To Make Use Of On-The-Job Training Program To Obtain Low Cost Labor

By JAMES MARLOW

By ROWLA D. EVANS, JR. (For James Marlow) Washington, Aug. 14.—(AP)—Bill Smith left a \$150 a month job to go into the army. After his discharge three years later he returned to his old job.

Meanwhile his employer got himself approved to give on-the-job training under the GI Bill of Rights. He persuaded Bill to sign up for four years of training.

Bill soon discovered his employer was paying him only \$60 a month and he wondered why. His employer told him the GI Bill subsistence allowance of \$90 a month (Bill had a wife) plus \$90 a month wages would total \$180 a month, which was what Bill was making when he went to war.

Most employers no doubt are using the program honestly, but what Bill's employer did is what hundreds are doing. Such employers are using the veterans as cheap labor. In effect, GI Bill job-training pro-

Greenville Leaf Market Will Open Next Monday

By CHESTER WALSH

When the Greenville tobacco market opens next Monday, August 19, farmers will find that the "Best Tobacco Market in the State" has 2 large warehouses with the best auctioneers and sales forces in the business, and eight factories exclusively devoted to the sale and processing of tobacco, and that all of the important tobacco buying companies of the world are represented on the Greenville market. Sales Supervisor Will Whedbee said today.

The Greenville tobacco market uses the "time" system for selling tobacco at the warehouses. There are no delays for the growers. A farmer can tell to the exact minute when and where his tobacco will be sold. There is no loss from damaged tobacco due to delay in selling the leaf.

Under direction of the Greenville Tobacco Board of Trade, the 12 big warehouses are providing for the farmers the best selling arrangements. The warehouses are owned by tobaccoists who are specialists and widely known for their personal and courteous service to farmers who sell their leaf in Greenville. Farmers who sell their tobacco in Greenville are personal guests of the warehousemen and they are accorded the most friendly service given by any tobacco market. The Greenville warehousemen have made this market great by their cooperation all the way up the line from the growers to the buying companies.

Another thing that brings hundreds of farmers to Greenville every

Stokes—Miss Carolyn Stokes, bride-elect, was complimented at bridge Tuesday night, August 6, by Mrs. Marvin Barnhill, Mrs. L. H. Roberson and Mrs. Gordon Clark at the home of Mrs. Robeson.

The home throughout was decorated with mixed summer flowers and the honoree was presented a corsage of pink gladiolus.

During the evening, the guests were served a cool drink and at the conclusion of three progressions the hostesses served a salad plate, assisted by Mrs. Charlie James.

Mrs. Everett Knight was the winner of high score and Miss Stokes received low score.

Miss Stokes received gifts of china and crystal in her chosen pattern from the hostesses.

Separated From Air Service
Lt. Comdr. John David Bridgers was separated from the naval air service on August 10 in Jacksonville, Fla., following 5½ years of service.

PROOF

Dallas, Aug. 14—(AP)—Mail carrier L. P. Wilson complained that he had been bitten by a duck at a residence here and said the bite raised a welt on his leg.

A skeptical newspaper reporter went with Wilson to the home. There was the duck, standing guard on the porch. The reporter approached—and the angry duck chased him out of the yard. Then the duck bit Wilson again.

Receives Honorable Discharge
Walter R. Tripp, S-1-c, son of Mr. and Mrs. W. R. Tripp of Stokes, was honorably discharged from the navy at the separation center in New Orleans, La., on August 2. He enlisted in the navy on November 7, 1944.

The public is cordially invited to share in this service, which will be held at 8 o'clock in the Ellington Bible Class room.

Mooring-Barnhill

Miss Catherine Lee Barnhill, daughter of Mr. and Mrs. Arthur A. Barnhill of Greenville, and Lieutenant Edward C. Mooring, son of Mrs. Robert Mooring, Sr., and the late Mr. Mooring of La Grange, were married on August 9 at 8 p. m. in the Jarvis Memorial Methodist Church. The Reverend R. W. Bradshaw, pastor, officiated. A program of nuptial music was rendered by Mrs. Paul Davenport, Sr., organist. Mr. Linwood Gurganus and his sister, Miss Sally Jo Gurganus, cousins of the bride sang, "Through the Years," and "The Lord's Prayer."

The bride, given in marriage by her father, wore a wedding gown of slipper satin fashioned with a high neckline and long sleeves ending with a point over her hands. The bodice had a yoke of imported marquisette edged in a drop shoulder effect of satin. From the waist line flowed a bouffant skirt falling into a long court train. She wore a finger tip veil of imported illusion which hung from a tiara of seed pearls. She carried a prayer book centered with white orchids and showered with stепенotis. Her only ornament was a strand of pearls, a gift of the bridegroom.

Miss Ellen Barnhill of Greenville, sister of the bride, was maid of honor. Her dress was of pink satin fashioned identically to that of the bride. She carried a colonial bouquet of lavender asters tied with matching ribbon. Bridesmaids were Misses Evelyn Mooring of La Grange, Geraldine Kearney of Snow Hill, Elise Cherry of Pactolus and Mrs. Roscoe Barnhill of Greenville. They wore identical dresses of pink and blue marquisette fashioned with fitted waists and full gathered skirts. They carried colonial bouquets of mixed asters. Honorary bridesmaids were Misses Aldine Barnhill, Wilma Cozart, Annie Ruth Tucker of Greenville, and Marion White of Hertford.

Robert Mooring, Jr., of La Grange, was his brother's best man. Ushers were Robert Kinsey, Pully Corbin, Vernon Mooring, Jr. of La Grange, and Roscoe Barnhill of Greenville, brother of the bride.

The bride's mother was gowned in black crepe with a corsage of red roses. The mother of the bridegroom wore a gown of black with a corsage of red roses.

Following the ceremony, the bride's parents and sister entertained at a reception at the Proctor hotel, after which the bride and groom left for a wedding trip to unannounced points. Upon their return they will be at home in Jacksonville, N. C.

Mrs. Mooring was graduated from East Carolina Teachers College in 1945 with the AB degree. For the past year she was a member of the L. Grange school faculty.

Lieutenant Mooring was graduated from the University of North Carolina in 1942 with the BS degree. He is now stationed at Camp Lejeune.

On Thursday evening following the rehearsal of the wedding, Miss Elise Cherry entertained at a cake cutting at her home in Pactolus. The guests were greeted at the door by the hostess and her mother, who invited them into the living room, where Mr. and Mrs. Cecil Satterthwaite presided over the punch bowl and gave each guest a favor of which were green match leaflets with the bride's and bridegroom's names printed in gold on the covers. Then the guests were asked into the dining room where the three tier wedding cake was cut. Mrs. Lena Purke and Miss Gay Burke served bridal cakes, nuts and ice cream which was shaped in hearts and

center scheme of green and white was used throughout the party. The punch was beautifully decorated with summer flowers and green and white tapers banded in ivy.

Strength FOR THE DAY

By RAE L. DOUGLAS

NO ROOT
Many ministers recall with a
feeling of discouragement how
the church has been pushed
down at large a great enthusiasm
He recalls the movements that have
been started and the committees
that have been appointed, and how
everything started off with high
arrogance. Then before long the en-
thusiasm died down. A minister trait
his boys and girls, and they join
the church and attend the service
for a while. Then shortly they are
on the list of the missing, and he
begins to hear that in their social
life they move about with the great-
est satisfaction and enjoyment. If
groups that are dissolute, drunken
and coarse. "Straighten up with it,
they received the word, but when
the sun was risen it was a sorrow
and because it had no root it with-
ered away."

No wagner ministers often ap-
pear narrow-minded in the em-
phasis they lay upon the necessity of
strong belief and the earnestness
with which they beseech men and
women, boys and girls, to keep up
their church attendance, read their
Bibles, and pray. Lives that are
essentially thin never go on into
spiritual fruitfulness. When the sun
is up, quickly the good resolution
of such people wither and die.

WASHINGTON LETTER

**WASH. WIFON BROOKS, NEL-

ACHE**
By JANE EADS
Washington—Donald Nelson non-
grating, brown-eyed, portly head of
the Society of Independent Motion
Picture Producers, formerly the
New Deal's "favorite business man,"
recently turned down an offer from
Upton Sin.

He was proffered the job of War
Assistant Administrator when Lt. Gen
Edmond B. Gregory resigned. It is
just about the first time that Nelson
ever ready to aid the Demo-
cratic Party, has said "no."

He is reported the world's biggest
selling book, Nelson who once
upon a time was president of Sears
Roeback, the huge mail order house
said of the offer:
"The job's too big a headache."
Nelson just doesn't want any
more government jobs. His last was
as chairman of the War Production
Board.

Although he is a famed mem-
orizer, he confided to friends
he didn't want to take on the job
of disposing of billions of dollars
worth of war surplus commodities,
a job from which four able men
have resigned within the past two
years.

Nelson was in Washington after
a visit to New York, where he was
winding up details of publication
of his new book, "Arsenal of De-
mocracy," due to appear on the
bookshelves in September.

With his attractive bride, a
blonde campus queen of George
Washington University in 1939, Nel-
son is living out on the west coast.

part of the disturbed world picture,

The central theme is unity, or

No Blame Fixed Death 2 Persons

At an inquest at the City Hall last night a coroner's jury found that Sweetie Belle Grandle, three-year-old daughter of Mr. and Mrs. Alex Grandle, Route 5, Greenville was killed on the highway near Pachtos Sunday afternoon in an unavoidable accident. It was testified that the child crossed the road into the path of a car driven by Earl W. Thompson, colored, of near Grimesland. She was taken by the driver to a hospital in Washington and died shortly afterwards.

VACANT HOUSE IN THIS CITY

Jail At Municipal Building Empty; First Time In Years

By CHESTER WALSH
A modern and well furnished apartment house in downtown Greenville was empty Tuesday—not a single occupant and nobody seemed to be anxious to occupy the dwelling place. Chief James E. Tanner, the landlord, was happy about the unoccupied apartments, and is not going to advertise the place. With a shortage of houses and apartments in Greenville, it seems a pity that so many rooms are not being used. It does not cost a cent to occupy the apartments. There is a charge for meals, however, at the city jail on the third floor of the City Hall. The jail did not have an occupant last night, the first time in a long while, Police Court Clerk Russell Rogerson said.

Incidentally, Judge Jimmy Roberts had a busy day in Police Court Monday and disposed of a larger docket than at any time since he has been presiding over the municipal court.

Fornication and adultery and trespassing: Willie Oakley and Margie E. Stevens, each paid \$15.

Drunk and disorderly and resisting arrest: Robert Pettus, colored, paid \$40.

Assault and damage to personal property: Carrie Lee Stator, colored, \$15.

Assault with deadly weapon: Oscar Stanall, colored, \$15; Melton Rollins, colored, 30 days on roads; Council Shepard, colored, Zeb D.

Hines, colored, \$50, and paid \$9.99 to Ada Clark for damage to property; Walter Williams, colored, was not guilty. Prosecuting witness, Robert Lee Boyd, taxed with court costs. John Eddy Belcher's case was not pressed.

Assault: Zebbie D. Hines, colored \$13.
Speeding: Rufus L. White, Jr. colored, \$15.
No driver's license: Jack Pitt, Jr. colored, \$15.

Johnnie Williams, colored, two cases, disorderly conduct and assault with deadly weapon, got 60 days on the roads.

Driving while under influence of liquor: De Office Bryant and Charles C. Cayton, each paid \$87.50; George Barfield, colored, paid \$92.50.

Drunk: Ernest Moore, Fred Atkinson, Covey Bellamy, and Henry Daniels, all colored, each paid \$15; Rudolph Thurston, colored (and profane language), \$15; Bettie Lou Higgs, colored, \$20; Johnnie Hennegan, colored, \$15; Jean Meeks, (a man), \$15; Henry Coward, L. W. Parrish and Heber Ross, each paid \$15; Leroy Hardy, colored, \$15.

Illegal possession of non-tax whiskey: Charles C. Cayton, \$15.
R. T. Outlier was tried on three charges, for being drunk, 30 days on roads; affray, 30 days, and disorderly conduct and assault, 60 days on the roads—total, four months.

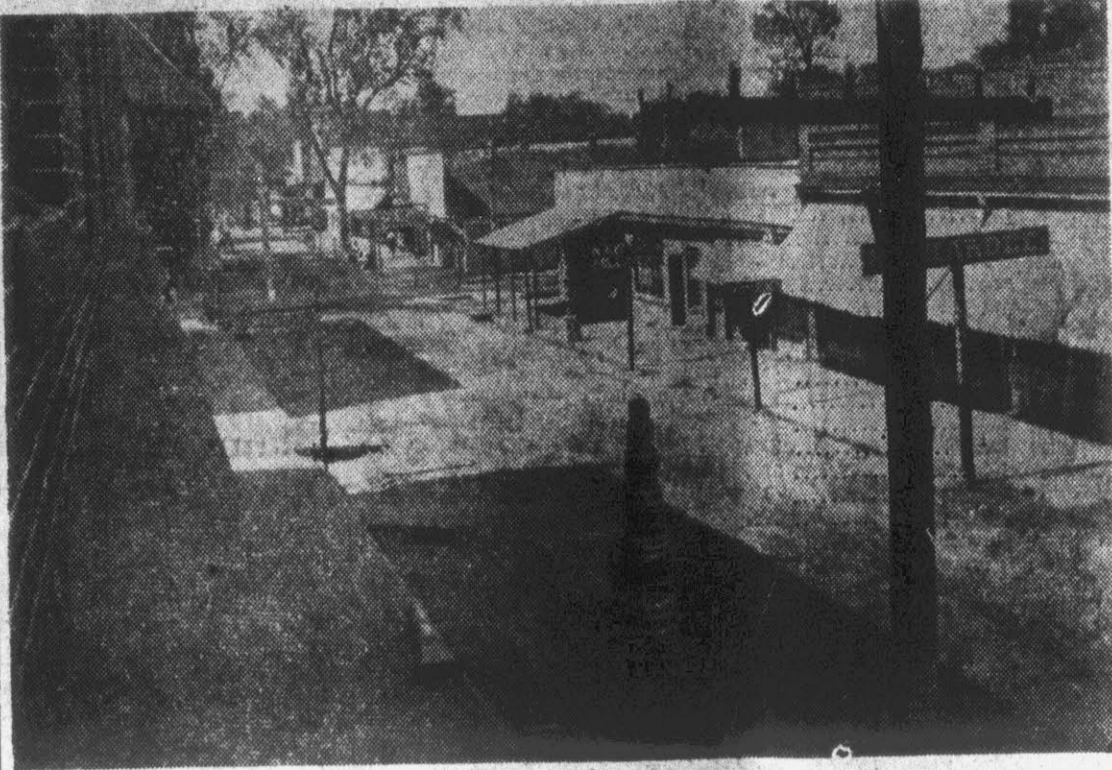

Abandonment of children: Woodrow Taft, colored, placed on probation for 12 months and to pay \$3.50 weekly for support of children and court costs.

Prayer for judgment was continued in the case of Andrew Jenkins, colored, for illegal possession of a pistol. The pistol was ordered confiscated.

Jean Meeks, colored, was not guilty of possessing illegal booze.

Greenville And Tobacco Market Make Progress

The top picture shows a portion of Greenville's business section in 1899 when the Greenville tobacco market was just beginning to suffer growing pains. To many of the old timers the photo will bring back fond memories. The picture was made from the roof of a single story building that covered a portion of the present location of the Proctor Hotel. The two story brick front in the left foreground is the building now occupied by the J. C. Penney Company. The tower of whiskey and beer barrels marks the location of one of the 13 saloons that flourished in Greenville about that time.

In the right foreground is shown the store of H. M. Hardee, now a retired business man of Norfolk and donor of the Greenville Girl Scout Camp, on Pamlico river below Chowanville. Just south of the Hardee store was the mercantile establishment of Brown and Hooker and below that the millinery shop of Miss Alice Carson. The small wood structure with the tin shed on the corner was another saloon and marks the site now occupied by the Blount-Harvey Company. Near the lower end of the second block on the right was S. M. Schultz's brick store that advertised handling everything from snuff and beeswax to furniture and coffins. The Schultz building now houses the Colony Theatre.

The bottom photo by Henry Rarrew shows the present day Greenville business section from Five Points looking North. As the Greenville business district has grown and improved during the 47 years interval so has the tobacco market progressed from the handling of slightly over a million pounds a season to a position of the second largest bright leaf tobacco market in the world handling 70 to 80 million pounds a year.

Employees are efficient and accommodating; the warehouse managers do their best to get the high dollar for every pile of tobacco sold, and that is why Greenville is known as the "Best tobacco market in the state."

The Greenville tobacco market, with its ideally equipped warehouses and modern ridding factories, has sold 79 million pounds of tobacco in a single season. Greenville's tobacco sales during the past two years have increased over 34 per cent. And that's because the warehousemen any buyers give the farmers a fair deal and the highest prices obtainable on any market. The Greenville tobacco market is now equipped to sell two and a half million pounds of tobacco in a single day. The Greenville tobacco market is one of three in the United States which has five sets of buyers, representing all important companies—foreign and domestic. Greenville warehouses contain more than two million square feet of floor space for the auction sale of tobacco.

Following is a list of the Greenville warehouses and the owners and managers:
Empire Warehouse—Harvey Ward.
Keel's Warehouse—R. V. Keel and James Keel.
New Carolina Warehouse—Floyd McGowan.
Centre Brick Warehouse—Dew Lassiter.
Dixie Warehouse—Bigg Cannon, Bill Cannon and Tom Cannon.
McGowan's Warehouses—C. Hugh McGowan.
Morton's Warehouse—W. Z. Morton and W. Z. Morton, Jr.
Harris and Rogers Warehouse—R. E. Rogers, Ed Harris and H. R. Rogers.
Star Warehouse No. 1—F. B. Sugg & Sons and Guy V. Smith.
Star Warehouse No. 2—B. B. Sugg & Sons and Guy V. Smith.
Victory Warehouse—Gus Forbes, O. L. Joyner and Harold Forbes.
Gold Leaf Warehouse—Floyd McGowan and Noah G. Raynor.
Buying companies operating in Greenville are:
American Suppliers, Inc.
Export Leaf Tobacco Company.

E. B. Ficklen Tobacco Company.
Greenville Tobacco Company.
Liggett and Myers Tobacco Company.
Imperial Tobacco Company, Ltd.
R. J. Reynolds Tobacco Company.
Person-Garrett Tobacco Company.
One of the outstanding characteristics of the Greenville tobacco market is the fine spirit of cooperation among the owners and operators of the 12 big warehouses and the buying companies.
Greenville has an active and cooperative organization known as the Greenville Tobacco Warehousemen's Association, which consistently helps to maintain the high standards of the market. Its officers are: Guy V. Smith, president; H. R. Rogers, vice-president, and Noah G. Raynor, secretary-treasurer.
The Greenville Tobacco Board of Trade is responsible for the efficient operation of the market. A. C. Ruffin is president; W. Z. Morton is vice-president, and Will Whedbee is secretary and sales supervisor for the Greenville tobacco market.

Incidentally, the farmers who sell their tobacco in the Greenville market know in advance that their tobacco will be "graded to the buying companies on the auction warehouse floors in the best possible condition, and with ever alert warehousemen always present on the sales floors to protect the farmers' interests and to help get for them the highest possible prices for their tobacco. This is one of the reasons why farmers from a score of counties sell their leaf in Greenville.

The Chamber of Commerce and Merchants Association and other local agencies always cooperate with the Tobacco Board of Trade in every way to maintain the market's slogan: "Highest prices for the farmers; all courtesies to them and their families."
Grade your tobacco carefully, remove all strips or other debris, use the bunches neatly and carefully, and you will get more money for it, the warehousemen advise. Sell tobacco in Greenville and be happy and satisfied. Do your shopping and trading in Greenville, where you receive high value for your money and the most courteous and accommodating service and attention.

sent messages of congratulation to General MacArthur in Tokyo.
There and throughout Japan, the people of that conquered nation shared a seemingly common belief that they are better off than any place they would be a year ago.
MacArthur himself withheld a summary of the first year of his stewardship for the September 2 anniversary of the actual surrender ceremony aboard the battleship Missouri.
But in an order to his troops, the supreme commander said today is more than a day of victory.

Tired, "All-In"—Listless Feeling Brought To Halt

As Vibrant Energy is Released To Every Muscle, Fibre, Cell
Do you get up in the mornings still tired, feel down-and-out all day? Have you checked-up on your blood strength lately? Overwork, undue worry, cold, flu or other illness often wears down the red-blood-cells—every hour—millions of tiny red-blood-cells must pour forth from the marrow of your bones to replace those that are worn-out. A low blood count may affect you in several ways: no appetite, underweight, no energy, a run-down condition, lack of resistance to infection and disease.
To get real relief you must keep up your blood strength. Medical authorities, by analysis of the blood, have by positive proof shown that SSS Tonic is amazingly effective in building up low blood strength in non-organic nutritional anemia. This is due to the SSS Tonic formula which contains special and potent activating ingredients.
Also, SSS Tonic helps you enjoy the food you eat by increasing the gastric digestive juice when it is non-organically too little or scanty—thus the stomach will have little cause to get balky with gas, bloating and give off that sour food taste.
Don't wait! Energize your body with rich, red-blood. Start on SSS Tonic now. As vigorous blood surges throughout your whole body, greater freshness and strength should make you eat better, sleep better, feel better, work better, play better, have a healthy color glow in your skin—firm flesh fill out hollow places. Millions of bottles sold. Get a bottle from your drug store. SSS Tonic helps Build Sturdy Health.

"It is," he said, "one of the things on which we bow our heads in extreme humility and thank God that we, of democratic faith, have demonstrated to the world that peace can be gained and kept by governments established from and by the common people."

Florida, Georgia, and Mississippi. If controls are reinstated, Hughes said, the price reductions "could bankrupt most of the crushers."
Thomas Linder, Georgia Commissioner of Agriculture, called attention at decontrol hearings to reports that the board is "surrounded by former OPA officials" and that "arrangements" have been made as to what the board will decide.
Linder, who testified against applying price ceilings to cottonseed, said these rumors are "what the board will carry out the President's wishes."

Superior Court To Convene August 19

Judge Quey T. Nimmo of Fayetteville will convene a week's civil term of Superior Court here next Monday morning at 10 o'clock, incidentally, Monday is the day the Greenville tobacco market opens the season, and farmers will be busy marketing their crops.

Judge Nimmo will preside over a criminal term of court the week of August 19. An unusually heavy docket will confront the Cumberland County jurist.

"UNBLOCK" your DIGESTIVE TRACT

And Stop Dosing Your Stomach With Soda and Alkalizers
Don't expect to get real relief from headache, sour stomach, gas and bad breath by taking soda and other alkalizers if the true cause of your trouble is constipation.
In this case, your real trouble is not in the stomach at all. But in the intestinal tract where 80% of your food is digested. And when the lower part gets blocked food may fail to digest properly.
What you want for real relief is something to "unblock" your lower intestinal tract. Something to clean it out effectively—help nature get back on her feet.
Get Carter's Pills right now. Take them as directed. They gently and effectively "unblock" your digestive tract. This permits all 80% of Nature's own digestive juices to mix better with your food.
You get genuine relief from indigestion as you can feel really good again.
Get Carter's Pills at any drugstore—25¢. "Unblock" your intestinal tract for real relief from indigestion.

N. Y. Stock Market

New York, Aug. 14—(AP)—The stock market today put on a somewhat spotty celebration of the first anniversary of World War victory and, while some favorites made good headway, numerous leaders faltered.

Assorted rails, industrials and utilities pushed up fractions to more than 2 points in a fairly fast first hour with low-quoted issues coming out in sizable blocks. After midday the pace slowed to a crawl. Extreme advances were reduced or cancelled in most cases with losses well distributed near the close. Transfers dwindled to around 800,000 shares.

Rotarians Enjoy Two Able Talks

By WYATT BROWN

The Rotarians had two subjects presented for their consideration Monday night at their weekly meeting. First, Howard Moyer, trust officer at the Guaranty Bank and Trust Company, discussed the services and functions of the trust department of a bank. Then Jack Edwards, Jr., called to the attention of the Rotarians the need of a "place" for young people to meet for recreation.

"The Best Tobacco Market In The State"

**BUILT BY BETTER SERVICE
AND HIGHER PRICES**

Fifty-five years ago a group of pioneer tobacconists built Greenville's first warehouse. It was small compared to this market's present-day structures, but the men who built it had foresight and vision. They knew better service and higher prices would bring more tobacco to Greenville, just as fast as the production of this money crop increased in Eastern Carolina. They were right... because of better service and higher prices Greenville's market has grown and expanded until today Greenville is a world famous tobacco center.

Greenies Bat Out 8-2 Win Over Rocky Mount

By DAVE CLARK

Tommy Lee gave the Greenville Greenies a much needed shot in the arm here last night as he pitched them to an 8-2 victory over Manager Harry Soufas' third place Rocky Mount Rocks.

Lee had a scintillating three hit shut out in his grasp as the ninth frame opened only to have one error, a single, a walk, an outfield fly, and another single account for two runs to spoil a perfect row of goose eggs for Rocky Mount.

Lee's teammates gave him more than enough support afield and at the plate last night as they played one of their smoothest games of the season. Only Carlson's bad throw in the ninth spoiled a perfect record in the field.

The Greenies climbed all over the Rocky Mount chunker, Chuck Harrison, for twelve base knocks, including three doubles and Joe Parise's booming homer over the rightfield fence. Harrison very definitely had a bad night, but it was not because he didn't have his

stuff, it was just that the Greenville bats were full of base hits. Harrison struck out nine Greenies as compared to Lee's record of three whiffs.

Joe Parise had a big night at the plate as he got four of Greenville's twelve hits, including a homer with two on the sacks, two doubles and a single.

Vernie Blackwell had an unusual amount of traffic in centerfield last night as eight of the thirty two Rocks to face Lee hit fly balls to him. He handled the flies perfectly, although he fumbled a ground ball in the ninth but was not charged with an error.

Greenville scored twice in the first frame on Carlson's single, Vernie Blackwell's double, and Manager Virgil Payne's single. They put the clincher across, however, in the fifth when Lee walked, went to third on Parise's double, and came home on Merle Blackwell's single.

Greenville plays in Rocky Mount tonight and comes back here on

Thursday for a contest with New Bern.

Doctor of the Wightman cup, recently won by the U.S. team for the 12th time out of 23 tries, she has arranged for movies of next week's Longwood National doubles to be taken at her own expense.

She will then ship the films to a number of girls' schools in England, "where tennis has suffered extremely during the war."

Though this year's sun-kissed team of California and Florida girls made a clean sweep at Wimbledon, the beaten English stars felt no resentment, she reported.

Nine Highlight Football Season

Richmond, Va., Aug. 14—(AP)—The first Southern conference football practice won't be held until Thursday when South Carolina and Wake Forest begin the pigskin grind but steadily nine conference stars are being boomed as all-America prospects.

The nine: Clemson's Ralph Jenkins, center; and Henry Walker, an end, who once played for Virginia.

North Carolina State's Howard "Touchdown" Turner, triple-threat halfback.

North Carolina's Charlie Justice the former Bainbridge navy star halfback.

William and Mary's Knox Ramsey, a tackle, and Robert Steckroth, an end from Hazelton, Pa.

Virginia Tech's Ross Orr and John Maskas, of Monesson, Pa., both tackles.

Maryland's Tommy Mont, quarterback.

PAULETTE GODDARD FEATURED AT PITT

Transformed into an enchantress by Judith Anderson, Paulette takes the leading role in "The Diary of a Chambermaid," opening Thursday at the Pitt.

forest wardens' school in New Bern this week.

Rev. Howard James is in New York attending a conference for religious leaders at Union Seminary and Columbia University. He traveled by plane from Norfolk to New York. He will fill his pulpit at Red Oak Sunday and his subject will be, "Come, Let us worship." Miss Mimi Tripp will render a solo, "The Holy City." Sunday school will begin at 10 o'clock and church services at 11 o'clock. You are invited to attend these services.

Reedy Branch News

The Young Woman's Auxiliary met at the home of Mrs. Viola Davenport on Monday evening, August 5, at 8 o'clock. The meeting was called to order and opened with a prayer, followed by a hymn. Minutes of the last meeting were read and the roll called. After the old and new business was taken care of the group heard the reports of the vice presidents.

Although several of the members were absent, there was a good attendance and also several visitors, among whom were Rev. M. A. Woodward and Rev. Phillip Woodard, both favoring the group with a short talk.

After the meeting the group was served with delightful refreshments by the hostesses, Mrs. Viola Davenport and Mrs. Rebecca Davenport. The auxiliary will meet again Monday evening at eight o'clock, September 2 with Mrs. Thurmar Vincent and Mrs. Roxie Dudley as hostesses. Visitors and new members are always welcome, including es-

pecially the young ladies from the Sunshine class.

The Sunshine class of Reedy Branch Sunday school met at the church on Thursday night, August 8, for the purpose of preparing a program for services on the night of August 18. Songs for the choir, special, and poems were practiced. Following the practicing, the class was served with delicious refreshments by the teacher, Mrs. Walter James.

MOTORIZED BED

Los Angeles, Aug. 14—(AP)—Plane-maker Howard Hughes, critically injured July 7 in an airplane crash, didn't like his hospital bed so he called in plane engineers to design a "tailor-made," equipped with hot and cold running water.

The motorized bed, on which he now is resting at the home of a friend, is built in six sections and is operated by 30 electric motors. Push-button adjustments relieved him ease his pain considerably during this week.

BOYS LEAGUE BASEBALL

The Indians from W. Greenville won their second straight game yesterday at the stadium. They scored ten times in the fifth inning and walked the Cardinals from the Training School by the score of 13 to 2. Errors accounted for some of the scoring by the Indians but they also were hitting the ball all over the lot. McKinney, Connor and Whitebark with three hits each knocked in most of the runs for the winners. Joe Rowland with three hits was the only Card to get more than one hit.

Third Street's Tigers won another tough one from the Eastend Yankees at Third St. Park yesterday by the score of 8 to 5. The Yanks out-hit the Tigers but errors were the deciding factor. The Yankees had numerous opportunities but failure to hit in the pinch cost them their chance.

Bobby Williams with a single and two doubles, Winton Hill with a double and triple and Bobby Flye with two singles were the leading hitters for the Tigers. Earl Stockes with three hits and House, Ayers and Billy Brady with two each paced the losers.
