

U. S. DIVISION PARADES NEAR MORGAN LINE

Military Might Displayed On Yugoslav Border After "Incidents"

Gorizia, Italy, Aug. 20.—(AP)—The U. S. 88th division paraded today in an impressive display of American military might close to the Morgan Line for Tito's Yugoslav soldiers to watch through glasses.

The parade came at a time when American and British relations with Yugoslavia were under fresh strain from incidents, some of which occurred after the review was scheduled.

1. Two sharp official contradictions of Yugoslav versions of recent events in the Venezia Giulia occupation area involving Yugoslav soldiers.

2. The disappearances, presumably into Yugoslavia, late last week of eight British soldiers and seven German prisoners of war who were traveling south of Trieste.

3. The disappearance yesterday of an American transport plane between Vienna and Udine, which reported shortly before its radio went dead that it was flying through tracer bullets and anti-aircraft fire.

At higher levels, moreover, there had been the acrid Yugoslav protest against the beating of two Yugoslav officers here on Aug. 9 and the American reply refuting its contentions.

There also had been the American protest against Yugoslavia's shooting down of another American transport plane on Aug. 9.

In addition, the American and British governments yesterday released the texts of the sharp notes sent the Marshal Tito government accusing Yugoslavia of violating the American-British occupation zone and waging a war of nerves against

Morgan Relieved Of UNRRA Duties

London, Aug. 20.—(AP)—The War Office announced today that Lt. Gen. Sir Frederick Morgan had been released from his duties as UNRRA's chief of displaced persons operation in Germany.

The text of the War Office announcement:

"In connection with the reorganization of UNRRA's displaced persons work in Germany, and in view of the changing situation, the War Office has been informed by Mr. F. H. La Guardia, Director-General of UNRRA, that it is now possible to release Lt. Gen. Sir Frederick Morgan from his duties as chief of the displaced persons operation in Germany. General Morgan is accordingly returning to England."

Morgan's release came after La Guardia had challenged an unnamed "high authoritative source," quoted in press dispatches, to prove a statement that Soviet Russia was using UNRRA as a means of gathering information in Western Allied territory.

Two Die In N. C. Train Accident

Siedman, N. C., Aug. 20.—(AP)—The engineer and brakeman of an Atlantic Coast Line local freight train were killed here about 4 o'clock this morning when the train plowed into a tank car on a siding.

The dead men were identified by Coroner W. C. Davis as George L. Jones of Wilmington, N. C., the engineer, and L. L. Windham of Wilmington, the brakeman.

The train was en route from Wilmington to Fayetteville. Siedman is 11 miles east of Fayetteville.

A negro fireman jumped clear of the wreck and received only cuts and bruises. Davis said the fireman's last name was Gillespie and that he was from Wilson, N. C.

The engine and one car of the freight overturned.

Price Control Board Verdict Due Tonight

After Nine Days Of Searching Study, Board Will Decide Whether Price Ceilings Will Be Returned To Key Items

Washington, Aug. 20.—(AP)—The nation learns tonight whether such major dinner table items as meats, milk and butter are going back under price ceilings.

As the climax of nine days of searching study, the price decontrol board will announce its decision at about 7 p. m. (EST).

The board plans to say whether ceilings will be restored on livestock, dairy products, grains, cotton seed, soy beans and hundreds of products derived from these basic commodities.

At 9 p. m. (EST) the three members will explain in an all-network radio broadcast why they decided as they did.

However, even if the board orders controls re-established on any of the items involved, the new ceilings will not become effective until Friday, OPA Boss Paul Porter announced last night.

"We do not know what the board will decide," Porter said in a statement.

"A little time, therefore, is necessary for business to readjust itself to such recontrol as the board may order and to permit the (OPA) administrator to determine what specific changes in the (price) regulations may be required by the decision of the board."

This means, OPA officials said that if the board orders re-establishment of controls, OPA will defer until Wednesday or Thursday any announcement of what the ceilings will be.

Prior to Porter's action, any controls restored by the board would have become effective tomorrow.

Thus, OPA would have had to follow up the board's announcement immediately with a schedule of ceiling price.

The two-day postponement also will apply, OPA said, in the unlikely event the board fails to make a ruling on one or more of the five categories of commodities.

Italian Peace Claim Challenged By Poles

Italy Would Alter Preamble Of Treaty; Delegates Declare Italian Regime Trying To Escape War Responsibility

Paris, Aug. 20.—(AP)—Poland urged a peace conference committee today to reject as "completely unfounded" an Italian declaration that Italy had been at war with all 21 conference nations, notably Poland, Belgium, the Netherlands and Czechoslovakia.

"Poland was at war with Italy," said a Polish delegate. "Polish soldiers fought in North Africa and Italy. Polish soldiers were killed by Italian bullets. Was this a state of war or a state of peace?"

Belgium, Yugoslavia and the Netherlands likewise challenged the Italian claim, which was presented in a preamble amendment to the preamble of the Italian treaty taken up by the Italian political and territorial committee. Italy suggested that a state in the preamble that Italy was at war "with all" Allied powers be altered to read "some" of the conference nations.

The memorandum suggested also that a sentence saying "Italy under the Fascist regime, became a party to the tripartite pact" be amended to read: "Italy was led by the Fascist regime to become a party to the tripartite pact."

The memorandum criticized the omission of any reference to what it called "the active role played by the Italian people" in overthrowing Mussolini's regime.

It urged the deletion of the phrase "surrender unconditionally" in the preamble's reference to the capitulation of the July 23, 1943, and called for a reference to "Italy's material share in the war against Germany which lasted for 18 months."

No hostility actually occurred between Italy and Poland, Belgium, The Netherlands and Czechoslovakia, the Italian note said, "and the Nationals of those states were never considered in Italy to be enemy aliens."

A Netherlands delegate commented that The Netherlands had declared war on Italy through a note delivered by the Swedish minister in Rome, but that Italy had not accepted the note, holding that "The Netherlands no longer existed."

A Yugoslav delegate said "the spirit of the Italian amendment in general is to eliminate Italian re-

Yugoslav Hostility

AP's Analyst Seeks Reason For Belgrade's Prodding Of A Former Ally; Hints "Incidents" Are An Experiment To Learn How Much U. S. Will Stand For

One of the strange developments of these days of phenomena is the hostility which Yugoslavia has been displaying recently towards America as witness current events.

The United States has sent two blistering notes to the Yugoslav government, charging, among other things, that on July 12 Yugoslav troops illegally entered the allied zone around Trieste and fired without provocation upon American forces investigating their presence.

Washington also emphatically rejects the Yugoslav claim that the United States was responsible for the incident.

Simultaneously with the disclosure of these notes, news came from Trieste that an American transport plane was missing after reporting that it was under tracer bullet and anti-aircraft fire somewhere near the Yugoslav frontier.

Only ten days earlier an American

RURAL HEALTH AIDS NEEDED

Speakers Advocate Farm Research And Health Facilities

Raleigh, Aug. 20.—(AP)—The 39th annual farm and home week continued at N. C. State College today following last night's opening session at which 3,000 farm men and women heard speakers advocate more rural health facilities, increased agricultural research, and better roads.

Thomas J. Pearssall of Rocky Mount, president of the State Farmers convention and scheduled to be the speaker of the House in the 1947 General Assembly, asserted that the most pressing need in rural North Carolina is more hospitals and doctors—now.

Pearssall expressed concern over the low income of North Carolina farmers—\$75 per capita annually compared with a national average of \$800, and advocated increases in agricultural research to improve the situation.

John W. Harrelson, chancellor of N. C. State College, declared that State is rejecting students at the rate of from 15 to 20 a day and said the General Assembly would be asked to double the State College program.

Mrs. A. W. Pearce of Pikeville president of the State Federation of Home Demonstration Clubs, in laying down a program of good health, good schools and good roads said that federal funds should be sought to supplement teachers salaries to prevent trained teachers from leaving the state.

NMU Strikers Await Answer From Murray

Detroit, Aug. 20.—(AP)—The CIO National Maritime Union today was waiting for a reply from Philip Murray on whether his CIO steelworkers will support the Great Lakes shipping strike.

With the walkout in its sixth day, here was the situation:

The 40-hour week was no longer the battle-cry of the strike, for the union was formally proposed a regular week of 44 hours with overtime pay after that.

More negotiations were in prospect between the strikers and two shipping companies.

The Lake Carriers' Association said at Cleveland that 86 per cent of its fleet of 316 freighters was still moving on the lakes, with 44 ships strike-bound.

Amazing Escape Told By Prison Officials

Doylstown, Pa., Aug. 20.—(AP)—Bucks County prison officials today reported the most amazing escape they ever encountered.

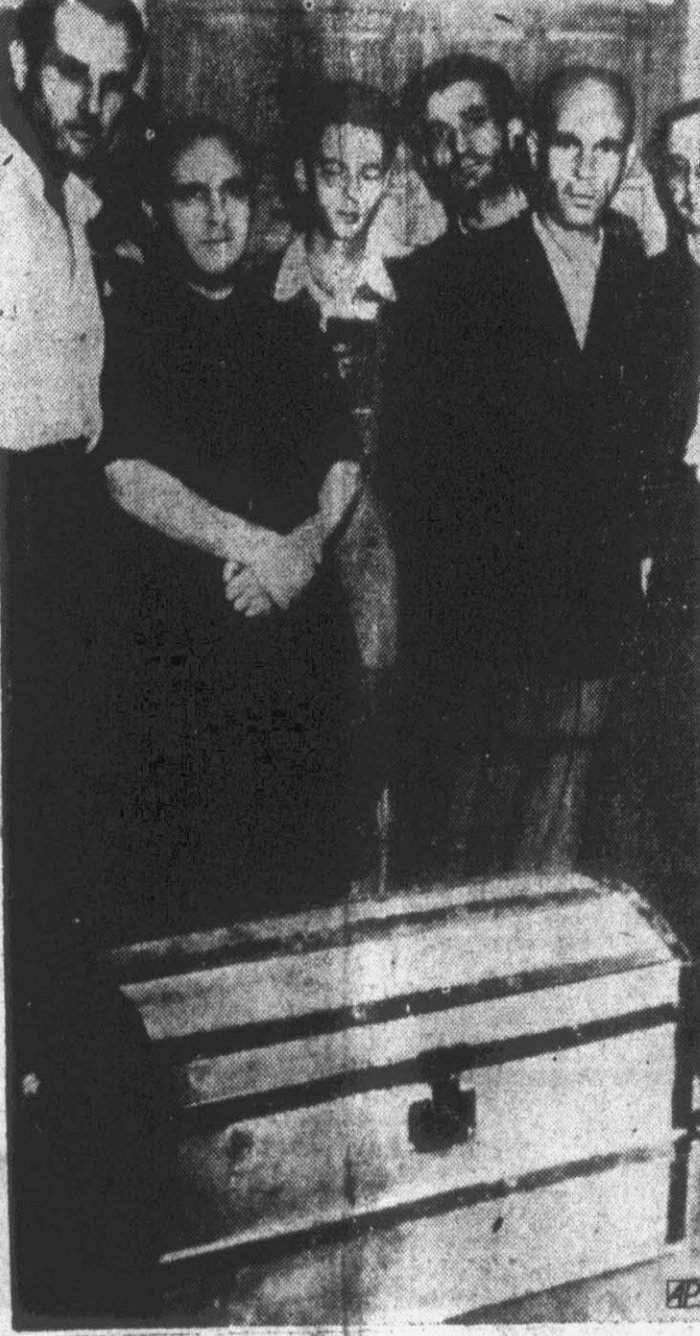

Warden Earl D. Hardy said Robert Henderson, 22-year-old Philadelphia held on a car theft charge apparently used a small piece of steel from an old lock and several short lengths of lumber to:

1. Break out of a solitary confinement cell.

2. Smash through a steel mesh grating.

3. Break the panes from a closely-leaded window.

Mussolini's Body Found

Newsman and police stand behind a trunk containing the long-missing body of Benito Mussolini in a monastery at Pavia, near Milan, Italy, here it was found August 12. The body had been taken from its potter's field grave in Milan last April 22. (AP Wirephoto via radio from Rome).

VETS TO OUST MACHINE RULE

Ex-GP's In Tennessee Plan Clean-Up In County Offices

Copperhill, Tenn., Aug. 20.—(AP)—A veterans' committee, formed in this Polk County stronghold of the potent Burch E. Biggs Democratic political organization, proposed today to "destroy machine rule in this part of Tennessee."

Biggs himself, former sheriff and State legislator, said "I have no comment to make—they've got as much right to organize as anybody."

He pointed out there are several ex-servicemen holding county offices, including his son, Burch, Jr., who is sheriff.

A statement bearing the names of 98 men, "veterans of World War I or World War II or both, and residents of Polk County," also proposed that a convention of ex-GP's be held in Athens, Tenn., on Sept. 2 to pay tribute to McMinn County servicemen for their "restoration of law, order, liberty, justice and democracy in that county." Polk and McMinn are adjoining counties.

The statement added that the convention could nominate veterans to be candidates for State legislative posts from the counties of the Third Congressional District.

"We propose the complete destruction of the Biggs-Couch machine in Polk County," the veterans' statement asserted.

Wiley O. Couch is himself county (Chattanooga) judge. A. H. Talley, (Continued on Page Six)

United States And Britain Opposed To Russian Control Of Dardanelles

Washington, Aug. 20.—(AP)—The United States and Great Britain have decided to meet Russia squarely on the issue of the Dardanelles.

A Foreign Office spokesman in London said France had joined the United States and Britain in expressing to Russia unqualified opposition to Soviet proposals for sharing with Turkey the military control of the straits. A copy of the French note to Russia has been sent to Britain, Turkey, and the United States, he said. An informed government source in London predicted that an international conference, would be called on the Dardanelles this year.

In a cardis on the table gesture this country already has informed Moscow that it is flatly opposed to Soviet demand, for a voice in the military control of that highly important water link between the Mediterranean and the Black Sea.

Furthermore, diplomatic officials who reported this action said Great Britain will take the same step, if she hasn't already done so.

Thus the two big western powers are siding firmly with Turkey, current guardian of the Dardanelles, upon whom Russia has served two

Mobilizing

LONDON, Aug. 20.—(AP)—The Foreign Office declined comment today on a broadcast by the OMS-cow radio asserting that Turkey had mobilized 500,000 men and was constructing air fields under British supervision.

The radio gave as the source of its allegation a "Baghdad message." The nature of this message was not disclosed, and a subsequent broadcast said it was uncertain whether the message came from Baghdad or Beyhouth, Lebanon.

ANGLO EGYPT TALKS DOOMED

Alexandria, Egypt, Aug. 20.—(AP)—Egyptian delegates have rejected unanimously new British proposals concerning revision of the 1936 Anglo-Egyptian treaty, Makram Edeid Pasha, member of the delegation said today.

Britain's proposals previously were reported to include withdrawal of her troops from Egypt in three years as against her previous plan to withdraw in five years. Egypt has been asking that they be evacuated in one year.

Following a 30-minute meeting of the Egyptian delegation today Premier Ismail Sidky Pasha announced: "I submitted to the Egyptian (Continued on Page Five)

Dean Acheson Issues New Protest To Yugoslavians

High Average Prices On Greenville Leaf Market

Today's Sales Expected To Equal Record Opening; Whedbee Says Warehouse Floors To Be Cleared By This Afternoon

The Greenville tobacco market completed its second day of the 1946 selling season today with quality and prices similar to yesterday's opening, when an average of \$54.54 per hundred pounds was made.

Sales Supervisor W. L. Whedbee stated at noon today that all warehouse floors would be cleared this afternoon, and that tobacco brought in tonight and tomorrow morning will be sold during tomorrow's sales.

Official figures for yesterday's opening sales were 1,684,562 pounds for \$918,768.27, an average of \$54.54 per hundred. The total sum

paid out yesterday set an all-time market record for a single day's operations.

Prices and quality generally were unchanged today as North Carolina's eastern flue-cured tobacco belt entered the second day of its 1946 sales with the floors still heavily loaded.

Much of the tobacco showed the effects of excessive rains during the growing season.

Kinston marked up an official average of \$56.09 a hundred for yesterday's sales. (Continued on Page Six)

Famine And Disease Hang Over Calcutta

TEN SUSPECTS HELD IN JAIL

Posse Re-Forms In Combing Swamp For Negro Brothers

Magee, Miss., Aug. 20.—(AP)—Officers and citizens re-formed a posse today to comb the wild Sullivan Hollow country for three war veterans, last of a group of Negroes being rounded up as an aftermath of the ambush wounding of four white men.

The "orderly processes of law" demanded by the Department of Justice through U. S. Attorney Toxy Hall had been observed during the determined, bloodhounded search.

One segment of the posse, returning to Magee early today, reported being fired at by a lone Negro rifleman perched on a hill overlooking the road to the town. No one was hit. The Negro was neither recognized nor apprehended.

This party brought in two more Negroes—not the ones principally sought—but said they were held only for questioning, raising to 10 the number so held. The Negroes poked nervously with possums asking, "De we get breakfast?"

Jackson, Miss., Aug. 20.—(AP)—Jailer C. M. Herrin said today that Johnny Craft, one of three Negro brothers sought by a posse in connection with the ambushing and shooting of four white men in Smith county, had surrendered to officers in Jackson.

Craft slipped through a heavily-armed posse of several hundred officers and citizens in the Sullivan Hollow area about 60 miles southeast of Jackson yesterday and appeared early today at the Hinos county jail.

The Negro, a war veteran and reputed ringleader in a series of shootings in the two-way racial disturbance in Smith County, was unarmed and unhurt. Craft was in U. S. Marine fatigue clothes. He said he had walked to Jackson from Smith county.

Craft surrendered to C. C. Oorn-dorf, night custodian of the court-house here. He was placed in custody of Sheriff L. M. Gordon of Hinos county and held for questioning by Sheriff Hawkins of Smith County.

Some sections of the market have reopened, but the limited supply of commodities were selling high above normal prices. Eggs, for example were priced at 16 cents apiece.

Well dressed men and women mingled with servants in lines before bakeries which were limiting each customer to one loaf of bread. Smaller bakeries sold out their supplies less than an hour after their bread was offered for sale. Only residents were served meals at hotels.

Health authorities feared disease would be raging before disposal squads could complete the removal of the piles of torn, bloated bodies which littered the streets.

(Continued on Page Four)

Blame Unknown Plane For Crash

Norfolk, Va., Aug. 20.—(AP)—One pilot was reported missing and another parachuted to safety near Cape Henry yesterday after an unidentified plane dived into a formation of four navy one-seater aircraft.

Lieut. M. C. Mason, of San Diego, Calif., baled out after his plane was struck by another in the diamond-shaped formation when he attempted to avoid colliding with the unidentified aircraft. The Virginian pilot, in giving an account of the incident, said the plane disappeared after swooping into the formation of navy craft.

Lieut. Mason fell into the sea but was picked up by a boat of the Virginia Pilot Association, the paper stated. The other navy plane in the collision continued to fly in a northwest direction and efforts to contact the pilot by radio failed. An extensive search was under way for the craft.

The navy planes were attached to Bombing Fighter Squadron 3 based at Oceana.

New Dangers Threaten City's Populace After Riots End In 3,000 Deaths; Police Have Disorders Under Control

Calcutta, Aug. 20.—(AP)—Military and police units, working their way through the blood-stained streets of Calcutta, restored a measure of order today in this weary city where an estimated 3,000 men, women and children were killed in four days of fighting between Hindus and Moslems.

Shaking off the terror and hysteria which had gripped them since last Friday, the more than 2,000,000 inhabitants of the city found they faced the threat of starvation and disease.

Calcutta's food distribution system has been thrown so badly out of gear that many of the poorer residents have been without food for days.

People moved freely through the streets this morning after a quiet night. Obstructions in trolley tracks were being removed and transportation was expected to be resumed shortly.

Some city employes declined to work in the street, in the absence of full protection.

Military police and rescue parties wearing masks, worked to remove decomposed bodies lying in the streets.

Thousands of refugees jammed railway stations.

The soldiers and police were touring the streets not only to prevent fresh outbreaks but also to search for food. Fresh vegetable and fruit stalls in New Market, the largest in the city, were damaged in the disorders.

Some sections of the market have reopened, but the limited supply of commodities were selling high above normal prices. Eggs, for example were priced at 16 cents apiece.

Well dressed men and women mingled with servants in lines before bakeries which were limiting each customer to one loaf of bread. Smaller bakeries sold out their supplies less than an hour after their bread was offered for sale. Only residents were served meals at hotels.

Health authorities feared disease would be raging before disposal squads could complete the removal of the piles of torn, bloated bodies which littered the streets.

Decision For Tonight

Price Ceilings On Food Products Will Be Determined By Decontrol Board Tonight; This Is Background To A Decision That Will Affect All Americans

Washington, Aug. 20.—(AP)—The government's decontrol board tonight will have to decide some things very important to you: Whether to put price ceilings on meat, dairy products, grains, cottonseed, soybeans, and hundreds of items made from these things.

Here's the story, with background up to date.

When OPA did June 30—because President Truman vetoed the bill which Congress passed to continue it another year—all price ceilings ended.

Finally, near the end of July Congress passed another bill to continue OPA. Mr. Truman approved the OPA came back to life.

But it wasn't the same OPA which did June 30. It was weaker. It no longer was supreme boss over prices. For example:

free to place ceilings on non-food items like refrigerators or automobiles. But something new was added.

If an industry—that is, a non-food industry, thought the ceilings should be lifted, it could ask OPA to remove them, giving reasons why. If OPA refused, then the industry could appeal to the decontrol board. If the board saw fit, it could order ceilings removed from the goods of that industry.

This was what was new, the decontrol board. Congress made it the big boss over prices and over OPA. It was to be a three-man board appointed by the President. Mr. Truman appointed these men: Chairman Roy L. Thompson, New Orleans banker and former professor of economics; Daniel W. Bell, Washington banker and former OPA, just as before June 30, was (Continued on Page Four)

British To Ask For Trusteeship

London, Aug. 20.—(AP)—A British government informant said today that E-tain will ask the United Nations Trusteeship Council next month to appoint her sole trustee for Palestine.

The government has decided this step is necessary, the source said, because with the demise of the League of Nations the legal basis of Britain's mandatory rights no longer exist.

He said, however, that Britain would "certainly not" give up her mandate in the Holy Land and had never considered doing so.

Foreign Secretary Ernest Bevin told the United Nations assembly in January that Britain was awaiting the report of the British-American inquiry committee on Palestine before deciding the country's future.

The committee subsequently recommended that Palestine be placed under a trusteeship system and that arrangements be made immediately to allow 100,000 Jews to immigrate.

Social and Personal

Miss Evelyn Bullock has returned to Richmond, Va., to continue her studies at Smith-Massey Business College after a two weeks vacation with her parents, Mr. and Mrs. J. J. Bullock.

Mr. and Mrs. Sam Northrop and family have returned from Wrightsville, where they spent a week.

Mrs. Bertha Parker and daughter, Mrs. C. D. Smith, and her two children are spending a week at Morehead City.

Friends of Marjorie Lewis of Charlotte will regret to learn she will be in Pitt General hospital.

Mrs. P. L. Goodson and Mrs. E. Gene Higgins Kirkpatrick returned yesterday from Asheville, Wainwrightville and Lake Junaluska.

Mrs. O. H. Brown will leave tomorrow for a visit in Washington, D. C. and New York.

Mr. L. F. Edwards, Misses Dorothy Jean and Carrie Dail Edwards spent Sunday at White Lake.

Mrs. L. F. Edwards and children Harold and Sylvia, have returned home after spending the week-end at White Lake.

Tammy Moore and Phil Goodson, Jr. spent the week-end at Lake Junaluska.

Miss Kettie Tunstall and Miss Marjorie Ruth Tunstall have returned to Atlantic Beach after spending a week at home.

Mr. and Mrs. William H. Brown of Asheville who have been visiting Mr. Brown's aunt, Mrs. Wiley Brown, have returned home.

Mr. J. L. Kilgo is quite sick in Pitt General hospital.

Mrs. Sterling Hudson, of Chapel Hill is visiting her parents, Mr. and Mrs. J. L. Kilgo.

Mrs. Emily Moye Hadley has returned from Blowing Rock and Banner Elk, N. C.

Mrs. O. A. Boatwright and Mrs. R. B. Rose, of Richmond, Mrs. C. B. Barbour of Raleigh and Mrs. N. C. Crutchfield and Buddy Crutchfield of Dallas Texas are guests of Mr. and Mrs. G. E. Staples.

Li and Mrs. F. K. Tomlinson of Santa Ana Calif. are visiting Mrs. Tomlinson's parents, Mr. and Mrs. J. S. Willard.

Mr. and Mrs. J. J. Stauffer, Miss Dot Stauffer and Jake Stauffer, Jr. have returned from a buying and pleasure trip to New York.

Mr. and Mrs. Charles W. Davis have returned from a week's visit with relatives in Morehead and Beaufort.

Miss Maude D. Dameron is visiting relatives in Beaufort and Morehead City.

A Letter From Mrs. Edwards Claude D. Tunstall, General Agent Continental Casualty Co. Greenville, N. C.

Dear Sir: Your company check for \$155.00 received and I wish to thank you for promptness and satisfactory settlement.

I find it easier to pay out a small amount regularly for protection against sickness and accident expense, and it is a pleasure for me to endorse your policy to anyone who does not have this protection.

Sincerely yours, (Mrs.) Myrtle Edwards, 203 Paris Ave.

Card of Thanks We wish to thank our many friends and relatives for their thoughtfulness and kindness during the illness and death of our dear father. The beautiful floral tributes and lovely cards will be sweet remembrances in our hearts.

MR. and MRS. TOM FORREST Birth Announcement Mr. and Mrs. R. M. Dilda of Fountain announce the birth of a son Friday, August 16, in Woodard-Herring hospital, Wilson.

Birth Announcement Mr. and Mrs. J. Melvin Whitford announce the birth of a son, David Thomas, on August 17, in Pitt General hospital.

Reports to Fort Sam Houston Pvt. Carl T. Reid, 109 Eighth Street, Greenville, North Carolina, has reported to the Medical Department Enlisted Technician's school, Brooke Army Medical Center, Fort Sam Houston, Texas, to pursue a surgical technician's course.

The purpose of this course is to prepare enlisted personnel of the Medical Department as surgical technicians so that they may assist medical officers in rendering treatment to the sick and wounded.

V. F. W. to Meet Members of the Veterans of Foreign Wars, their wives, mothers and sisters will meet Thursday night at the armory at 7:30 for a barbecue supper.

Cut of town guests will be Mrs. E. P. Hyman of Roanoke Rapids, N. C. Junior Vice President of the Ladies' Auxiliary to the Veterans of Foreign Wars of North Carolina; Mr. J. C. Latta, deputy chief of staff and wife of Elizabeth City, N. C.

Members who have not returned their cards and desire to come, please call 3333.

W. C. T. U. Notes A united temperance campaign supported by 1500 Protestant churches has been inaugurated in Wisconsin. Two hundred sixty-five church members from eleven denominations will cooperate to combat the increasing use of intoxicating liquor.

6:30 p. m. Kiwanis Club.

leader, blamed broker, names, juvenile delinquency, crime and automobile accidents on the harmful use of Alcohol.

The voters of three dry counties in Kentucky, Trimble, Letcher and Scott, recently dropped an atom bomb on two wet arguments of the liquor traffic — the state chestnut prohibition not prohibiting and the returning servicemen voting act.

After being dry for three years, four counties were petitioned by the former liquor keepers to vote again to determine whether the citizens wanted their counties to remain dry or to return to the open saloon. By large majorities they voted to maintain their dry status. Kentucky dry forces have held the line, have added more territory and have defeated two well planned attempts to nullify the state's county unit local option law.

Members of the Workshop on Alcohol problems at the Young Woman's Auxiliary (Southern Baptist Convention) camp at Ridgecrest, North Carolina, made the following recommendation of goals for the coming year:

1. At least once a year every member of the church be exposed to an alcohol education study course.

2. Special training courses be provided for leaders of all church departments.

3. An alcohol education library be collected for every church.

4. A bulletin board be maintained with timely suggestions for action.

5. A letter from every church be sent immediately to the president of the United States and to the secretary of Agriculture asking that no grain be allocated for any alcoholic beverage while there are hungry people in Europe and Asia.

6. Every member of the youth and adult departments of the church keep informed about legislation relating to alcoholic beverages and write members of Congress and the state legislature at least once a month while these bodies are in session.

7. When new liquor licenses are to be granted, or old liquor licenses are to be renewed, representatives from youth and adult departments of the church be present and register protests.

8. Individual letters from young people be written to movie and radio stars, requesting them not to appear in pictures or on programs where any reference is made to drinking or where drinking scenes are used.

The North Carolina Youth Temperance Council, encompassing held at Mars Hill college, June 17th to 21st, had an enrollment of sixty-six. Thirty-seven councillors were awarded certificates.

A return to national prohibition was called for by the delegates to the meeting of the New York East conference (Methodist) after Frederick C. Allen, chairman of the Board of Temperance, had revealed that more than \$7,000,000,000 was spent for liquor against \$10,000,000 for church purposes last year. "Eventually," said Mr. Allen, "a

Forty Years Ago Today

THE DAILY REFLECTOR August 20, 1906

A. J. Moore went to Ayden Sunday.

John Ivey Smith spent Sunday in Tarboro.

Mrs. F. C. Harding returned this morning from a visit to Grifton.

Mrs. W. B. Wilson left this morning for a visit to Asheville.

E. H. Taft left this morning for Baltimore.

Sumperings are ripening. Don't hold your money. Pay what you owe and enable other people to pay what they owe.

With large tobacco breaks and prices high, more money ought to get in circulation.

Entertain at Buffet Dinner Mr. and Mrs. W. J. Bundy entertained at a buffet dinner on Sunday honoring their out of town guests who were here for the week-end.

The home was attractively decorated with dahlia's of variegated colors.

Miss Alice Ruth Bundy assisted her mother in serving a three course dinner.

The out-of-town guests included Mr. and Mrs. Clarence Parker and Mr. and Mrs. Everett Burgess of Elizabeth City, Mr. and Mrs. Harvey Smith, Mr. Owen Lemon and Miss Calvin of Beaufort, Mr. and Mrs. Allison, "Izzy" Campen and Mr. Dick Baer of Edenton, Mr. and Mrs. Truman Miller of Raleigh, Mr. and Mrs. Ray Phillips of Washington, Miss Bess Lemon of Washington, D. C. and Mrs. Freda Baer of Ohio. Other guests were Mr. and Mrs. Hinton Best, Mr. and Mrs. Audrey Haskell, Mr. and Mrs. Howard Moye.

Federal law purposing to eliminate alcoholic liquor can be the only effective solution."

Patrick-Hardee Miss Jewel Avon Hardee, daughter of Mr. and Mrs. Joseph B. Hardee of Greenville and Mr. Loyd Courtney Patrick, Jr., son of Mr. and Mrs. Loyd Courtney Patrick, Sr. of Grifton, were united in marriage in a private home ceremony on Saturday night at 7 o'clock at the home of the groom in Grifton.

Only immediate families were present. The Rev. R. E. Walston, Methodist minister heard the vows, using the single ring ceremony. Quantities of late summer flowers decorated the home. The couple, unattended, stood before the west window in the living room for the vows. The bride wore a tailored aqua gabardine suit with black accessories and a corsage of red roses at her shoulder. She was educated in the Greenville city schools.

The bridegroom is a veteran of three years service in the European theater of operation. After a wedding trip to unannounced points the couple will make their home in Grifton with the groom's parents.

Following the wedding a buffet supper was given for the wedding party and out of town guests. Mr. and Mrs. Wilbur Holland and Miss Esther Hardee assisted in serving. The central table was covered with a beautiful lace cloth and centered with an arrangement of summer flowers in pastel shades.

Commands NAS Athletic Division Alameda, Calif.—Lieut. Ben L. Harris recently assumed command of the NAS Athletic Division. In his new capacity Mr. Harris will have charge of all station athletic activities.

He has been connected with the Athletic Department since January, 1946.

Lieutenant Harris reported to Alameda after a distinguished war service record, including over two years overseas duty.

The general athletic director shipped overseas 1 January 1943 to aid in the establishment of the first airship squadron outside the boundaries of the United States. Based at Trinidad, Squadron 51, fought to make our lifelines to Europe safe from the marauding German "U-Boats." He also spent time on the "Bauxite Run" with a lighter-than-air squadron in both British and Dutch Guiana, before returning "stateside" early in 1944.

Back overseas in November, 1944, he served with distinction as administrative officer at Blimp Headquarters Squadron Four, Santa Cruz, Brazil. Here he was a member of the Santa Cruz baseball and basketball teams.

Always on the move, the efficient and popular officer was next ordered

Mt. Pleasant News

Mt. Pleasant Christian Sunday school will hold its annual picnic Wednesday afternoon August 21 at Croatan on the Neuse river a few miles below New Bern. A truck, driven by Billy Forbes, will be at the church Wednesday afternoon to furnish transportation for all who do not have a way to go. All who have any available space in their cars for extra passengers are asked to meet at the church also. Everyone is asked to bring a well-filled lunch basket. Swimming will be enjoyed and dressing rooms are available.

The contest which was conducted by the adult Sunday school class closed August 4 with the ladies decidedly winners over the men. The men have their heads together planning what form of entertainment they will provide for the ladies. The date and place will be announced later. All members and visitors during the contest are invited.

At church services August 4, a very impressive program was presented in honor of the returned servicemen of Mt. Pleasant communi-

ty, by the pastor, R. L. Topping. The stars were taken from the service flag and presented to the boys present by Mrs. J. J. Jenkins. Those receiving stars were Herbert Armstrong, Frank Briley, Daniel Jordan, David Mayo, Rufus Mayo, A. C. Roland, Jr. and Henry Speight, Jr. The remaining stars will be presented to the boys who were not present for the services.

After church dinner was served and was enjoyed by several hundred members and visitors. Revival services will begin at Mt. Pleasant Christian Church Monday night, August 23, at 8 o'clock. Members are urged to attend and visitors are always welcomed. Come and enjoy a good hour of fellowship each night during the week. All the young people are invited to join the choir and enjoy a half hour of singing.

The Ladies' Aid society met Monday afternoon, August 12, at the community building. New officers for the coming year were elected: Mrs. C. H. Hagan, president; Mrs. Andrew Ross, vice-president; Mrs. G. W. Stell, secretary and Mrs. J. Harvey Briley, treasurer.

During the business meeting it was decided that the birthday money be placed in a separate fund and be used to entertain those members whose birthday comes during the month.

A clean-up committee will be chosen each month to clean and place flowers in the church.

Refreshments were served by the hostesses, Mrs. F. A. McLawhorn and Mrs. G. W. Stell.

Coming to NAS, Alameda in the first month of 1946, Lieut. Harris was assigned to the athletic department, where he immediately proved to be one of the most popular and efficient officers on the station.

While his present plans are indefinite, it is probable that he will return to civilian life in the near future. If so both officers and men at Alameda will miss his friendship and able leadership.

Lieut. Harris is the son of Mrs. J. O. Harris, of 403 Holly Street, Greenville, North Carolina.

BELL ARTHUR NEWS

Mr. and Mrs. Cashwell and children, Dickie and Susan, of Tarboro, moved into the principal's apartment last week. The community welcomes the Cashwells and wishes for them a happy and successful school year.

Miss Annie Whitford, a member of last year's faculty, was a visitor here one day last week. Miss Whitford will be in Winterville this year.

Mr. and Mrs. J. Perry and little daughter, Sandra, left last Wednesday to visit Mrs. Perry's sister-in-law in Michigan.

Messrs. Earl Hemby, Roy Nichols and son, Le Roy, spent a few days last week in Portsmouth, Va., with Alfred Earl Hemby.

Miss Margaret Hemby enjoyed several days at White Lake last week.

Mr. and Mrs. Earl Flake have recently moved to Farmville.

Mrs. Bruce Strickland and children, Vivian Ann and Bruce, Jr., visited relatives in New Bern last week.

Mr. and Mrs. Mark H. Smith and family returned Sunday from a week's trip in western North Carolina.

Mr. and Mrs. J. E. Koeger and children and Miss Annie McArthur and Little Misses Laura and Lillian McArthur were Morehead visitors Saturday.

The Missionary Society met Saturday afternoon with Mesdames Verna and Kyrus Crawford with Mrs. Earl Flake, president, presiding. Mrs. G. T. Tyson and Mrs. Josie McArthur led the program discussion. During the social hour the hostesses served iced drinks, chicken salad sandwiches, salted nuts and choice candies.

The writer of this column wishes to make two corrections in connection with the Taylor - Strickland wedding. The bride's sister was Mrs. Harry Smith of Kelly and not Mrs. Kelly Smith of Beulaville; and Lawrence Tyson sang instead of Herschel Tyson.

TIT FOR TAT

Chicago, Aug. 20.—(AP)—Mrs. Clara Klip, 24, waited in line five hours to get three pairs of nylons.

But when her estranged husband, Frank, 28, left home he took the pair she was wearing by force and picked up the other two pair on his way out. Mrs. Klip told Judge Joseph Sabath.

Mr. and Mrs. Jesse Moye of Farmville were here Friday afternoon.

S. L. Dilda of Fountain visited his sister a short while Friday.

Mrs. Fannie Willoughby returned to her daughters, Mrs. Roy Nichols, Saturday after spending a week with her daughter, Mrs. Carrie Perry.

Mrs. W. J. Perry and little daughter, Sandra, left last Wednesday to visit Mrs. Perry's sister-in-law in Michigan.

Messrs. Earl Hemby, Roy Nichols and son, Le Roy, spent a few days last week in Portsmouth, Va., with Alfred Earl Hemby.

R. G. Bland Agent For Fire Control

R. G. Bland, agent for the Red Comet automatic fire control equipment in this section, has opened a store at 812 Clark Street, next to the Greenville Machine Works. The Red Comet equipment, Mr. Bland said, will stop fires in all buildings, including tobacco barns. Demonstrations of its effectiveness will be made from time to time.

The Red Comet is easily installed and may be placed in homes, garages, pack houses, offices or elsewhere.

HAPPY DAYS KIWANIS MEET

President Ed Rawl Host At Camp To Officers-Directors

By CHESTER WALSH

It's an old Kiwanis custom for different officers and directors of the Greenville Club to entertain the officers and directors at monthly business meetings with a supper either at a home or elsewhere. President Ed E. Rawl was host at the August meeting and entertained them over the last weekend at the Carolina Sales Corporation's Kelvinator Camp, 18 miles below Washington, on Pamlico River. The twelve Kiwanis officials began assembling at the riverside resort camp, a spacious and well appointed club house, is ideally located. President Ed Rawl presided at the banquet Saturday night at 8 o'clock. The meeting marked the review of some of the finest administrative work achieved by the Kiwanians in many years.

Judge J. W. H. Roberts, chairman of the Underprivileged Child Committee, reported on granting of scholarships at East Carolina Teachers College to a boy and a girl. The trust fund was provided from money derived from the Kiwanis minstrel shows. A committee was appointed to make arrangements for the celebration of the Greenville Kiwanis Club's silver anniversary in October. The club was chartered in 1921.

Reports of the club's activities, especially among young people, re-

Mack Briley Died Monday Afternoon

Mack J. Briley, 79, died at his home at Fleming's Cross Roads near here, Monday afternoon at 5 o'clock after several weeks' illness. Funeral services were held from the home this afternoon at 4:30 o'clock, conducted by the Rev. D. W. Alexander, Free Will Baptist minister of Bethel. Burial was in Parker's Chapel, Free Will Baptist Church.

Mr. Briley was first married to Lula Leggett of Pitt County. She died in 1922. Surviving this union are nine sons, Johnny, Earl, Edgar, Jenness, Lyman, Dallas, Eugene and Leland Briley, all of Greenville, and Clifton Briley of the home; three daughters, Lula Mae and Louise Briley of Greenville, and Mrs. F. B. Whitaker of Newport News, Va. Mr. Briley was later married to Mrs. Ellen Roberson of Connetot, who survives, with a daughter, Myrtle Briley of the home. Also surviving are three stepchildren, Allen Roberson of Norfolk, Va.; Mrs. Jasper Harrell of Macesfield, and Heber Roberson of the home; 19 grand children and two sisters, Mrs. Fannie Hoyte of Norfolk, Va., and Etta Briley of Durham.

prayer for judgment continued; another charge, breaking and entering, was amended to trespass, for this 30 days in jail, suspended on payment of \$15.

Soeodng: Leslie E. Evans, \$15. Disorderly conduct: Ollie Lane Butts, 30 days in jail, suspended on payment of \$20; Charlie Stafford, judgment suspended on payment of costs.

Carlton Morris was not guilty of disorderly conduct and assault. Larceny: Festus Jenkins, two cases, one not prosed; not guilty in other case.

Driving under influence of liquor: Walter Avery, guilty, appealed to Superior Court.

Reckless driving and improper brakes: Robert Oden, paid court costs and repaired Joe Fussell's car.

Pepsi-Cola Company, Long Island City, N. Y.
Franchised Bottler: Pepsi-Cola Bottling Company of Greenville

Cases Tried Friday In Recorder's Court

The following cases were tried in Police Court last Friday:

Drunk: Oscar N. Purroy, Jesse Barrett, colored, Joe Pate, each paid \$15; William H. Dancy (and disorderly), \$15.

Trespass: Robert Taylor, colored.

revealed that the Kiwanians are essaying with good results the role of the "Good Samaritan." The club now has 77 members and a waiting list.

During the year Greenville was given special recognition by the appointment of President Rawl to an important place during the Atlantic City Convention, and on a Standing Committee by Kiwanis International. The Greenville club also has been given special recognition for organizing the Farmville club and assisting in organizing the Kinston club.

The weekend meeting of the directors was an outstanding event socially and recreationally. The Kelvinator Camp on the river "has everything." No summer resort hotel could provide a more pleasant habitation or finer cuisine in the dining room. There was speed-boating, fishing, swimming, music, good cheer and typical Kiwanis fellowship, and, of course, singing. Delmonicos in New York never provided a better breakfast than the Kelvinator Camp.

The Kiwanis Club officers are President Ed E. Rawl, Past President Dr. J. M. Barrett, Vice-President Eli Bloom, Secretary Treasurer David C. Moore, Jr., Directors are H. G. Haney, John D. Hice, William H. Taft, W. Arthur Tripp, Odell C. Calhoun, David A. Evans, Judge J. W. H. Roberts, and Guy V. Smith. Guess were Public Relations Chairman Chester Walsh, W. Glenn Scott and "Colonel" Edger H. Williford.

RUPTURED?

SEE THE DOBBS TRUSS
BULBLESS — BELTLESS — STRAPLESS

It is designed to hold the muscles together with a soft CONCAVE PAD. It presses the body in but two places, keeping the rupture closed while working, lifting, walking.

Sanitary, wear when bathing. Nature teaches you not to force a bulb, ball or any convex pad in the rupture thus spreading the muscles farther apart. Circulation is important, too.

Colored News

In memory of our dear mother, Mrs. Dora Little who left us August 20, 1944.

Today is sad remembrance
And many sad regrets,
A day we shall remember,
When all other forget's.

For down the ages now
Her journey on earth is done
The Pilgrim church pursues her way
Until her crown is won.

The story of the past
Comes up before her view,
How well it seems to suit her still,
Old and yet ever new.
—Steven Little and Family

SELF REGULATION

Our Responsibility

The sole aim of the United States Brewers Foundation is that the sale of beer in North Carolina shall conform to the highest plane of social responsibility and law observance.

Toward this end, a definite program of education and self-regulation within the industry, and in full cooperation with law enforcement agencies, has been in operation for more than seven years.

Field men regularly check on the places where beer is sold. Where necessary, the state director warns an operator concerning certain corrections that must be made. In such cases, most retailers respond quickly. As to the few who do not, steps are taken to eliminate them.

All branches of the brewing industry are pledged to the maintenance of wholesome conditions wherever beer is sold.

Strength FOR THE DAY

By EARL L. DOUGLAS

MORALITY AND RELATIVISM

The twentieth century has seen a gradual undermining of basic morality by the relativist and pragmatic concepts of right and wrong. According to these concepts, the morality of an act is determined by its consequence, not by an inherent quality of its own. Thus, for instance, if an act leads to unfavorable social results, or unhappiness, it is wrong. Conversely, if it produces the opposite effect, it is right. Also, since people and social conditions vary in different ages and situations, the same act may be right for some people and wrong for others, or right in one generation and wrong in another.

These ideas constitute a futile attempt to decide eternal human problems with our own limited intelligence. The Gospels are to a large extent a divine answer to these same problems which the present-day philosophers are struggling with, made on the basis of an infinite intelligence. No one is qualified to decide on questions of morals unless he has a complete understanding of human nature, and our philosophers would not be so presumptuous as to claim such an understanding. There is only one "person" who truly understands human nature, and He is the one who created it—God.

We should not be deceived by the glittering rationalizations of the relativists. They are trying to reopen basic questions long ago decided by God.

WASHINGTON LETTER

HIGHEST CIRCLES
By JANE EADS

Washington—To become a member of the capital's most "uppity" social group—the 664 Club—you first have to take your shoes off.

Standing in your stocking feet, or barefoot, you have to check in with the measuring rod at a good six feet, four inches in height if you are a man. If you are a woman, six feet will make you eligible.

The 664 Club was organized here in 1942 by two girl six-footers from California who came to work for the government. There's a similar club in California that boasts something like 300 members.

The Washington club at the time of its inception had about 30 members. It sort of folded for a while because most of its cloud-kissing boys and girls went to war or moved away. A membership campaign is now under way to get a new group together.

The club is purely social and usually meets at the home of one of its members. Dancing is the chief entertainment and fruit punch is served. Dues are 50 cents a month.

Tallest member of the club is its president, William E. Miller, who has a clearance of six feet, five and a half inches.

Miss Ruth von Brandt, recording secretary, who works at Marine Corps headquarters, says members like the club because "they have more in common" with folks their own height than with others.

This story comes from a U. S. consul who was in Spain at the time of the invasion of North Africa.

He had heard of American fliers landing on Spanish soil and was anxious to help them. One day he received a phone call that an American plane was in difficulties near the town where he was stationed and was going to make a forced landing.

The consul jumped into his car and tore out to find the fliers were being brought in by the authorities. He rushed up to offer his services, telling the young men he was an American official. They met him with a stony silence.

The boys had been well briefed about Nazi agents. They were suspicious of the stranger who appeared so promptly and was so eager to be helpful.

Finally the crew was released, reluctantly on their part, into the consul's care. He took them to the

consulate and proudly pointed to the U. S. insignia over the door. Still the boys were suspicious. Anybody could fake a deal like that, they agreed.

In desperation the consul finally offered to let them look at his files. Nothing doing. Another Nazi trick.

The consul was practically in tears of frustration when his wife walked in with his mid-morning coffee and doughnuts. The boys grinned then and slapped the consul on the back. They knew that no Nazi would go for doughnuts like an American.

The teacher in art appreciation was showing a class of small fry a Botticelli painting of the Madonna and Christ child. She pointed to the infant first.

"Who is this?" she asked one little boy.

"It's the baby Jesus," he replied. "And the woman's the sister."

Yugoslav Hostility

(Continued from Page One) up in various parts of the world?

We may, of course, dismiss as poppycock any idea that Yugoslav sovereignty has been impinged on. However, the Yugoslavs—like most of their Balkan brethren—are tough and they are mighty suspicious, as I have discovered in touring those regions. Therefore we must make allowance for the possibility that Marshal Tito's government, being suspicious, is suffering from the Balkan jitters.

Naturally, too, we can't overlook that strong language and stronger blows could have been exchanged between Yugoslavia and Italy over the Trieste zone. Could it be that Yugoslavia has secrets which she wishes to conceal from prying eyes? The only answer to this is that it obviously is possible, though there is no concrete evidence that Belgrade has anything to hide.

We can wash out one thing, and this is any thought that Yugoslavia is going to "start something" with the Axis. That would be absurd. Since the game in the hands that Belgrade is putting on a show of toughness in an effort to better her position in the Trieste dispute. Direct action again!

One of the most impressive aspects of this situation lies in the fact that Yugoslavia is very much in Russia's pocket. All indications long have been that Marshal Tito constantly seeks Moscow's guidance and would as soon cut off his right arm as go contrary to Soviet wishes. Thus it is interesting to note that Belgrade obviously felt it was not inviting a rebuke from Russia either for attacking our troops in the allied zone at Trieste, or for making a wicked, inexcusable and deliberate attack on a friendly nation's airplane. It remains to be seen whether Tito will receive a caution.

It strikes me as a fair assumption that at least one reason for Tito's hostility is to impress on the United States and the other western allies that outside interference isn't welcomed in the great Slavic bloc of which Yugoslavia is an important unit. It could be, too, that Belgrade is trying to find out—on behalf of the bloc—how much bullying Uncle Sam will stand before getting tough himself.

Tonight's Decision

(Continued from Page One) dersecretary of the treasury; and George H. Mead, Dayton, O., industrialist.

So on non-food items OPA was free to impose ceilings without approval by the board although the board could order them removed. But it was different in the food field. OPA didn't have the same power there.

Congress said that—before midnight, August 20, tonight—there should be no ceilings on meats, dairy products, grains, cottonseed, soybeans and the hundreds of items made from them.

Congress further ordered that by midnight tonight the decontrol board should decide:

1. Whether those foods should continue without ceilings. In that case, OPA could not put ceilings on

them.

2. Whether some or all of them should have ceilings. In that case the board would order ceilings but OPA would decide what the ceilings should be.

(As a further check on OPA's powers, Congress said the Agriculture Department would have to approve any ceilings placed on these foods by OPA after the board had ordered ceilings.)

The board has a third choice; it can keep quiet and not make any decision for or against ceilings on these foods. In that event, OPA under the law automatically would have to place ceilings on them.

But the board is expected to give a decision by 7 p. m. tonight. If it decides on ceilings, OPA says they will be placed on those foods before August 23.

The board, in trying to reach a decision, listened for four days last week to representatives of industry, labor, farmers and consumers speak for or against ceilings. Since then it has been checking with officials of OPA and the Agriculture Department on whether there should be ceilings.

(It will also have to decide—but this will come later—whether there should be ceilings on eggs, poultry, tobacco and petroleum.)

The board in making its decision tonight will have to decide whether: The prices on those foods have got out of hand since June 30 and therefore have to be controlled.

U. S. Division

(Continued from Page One) allies.

Conspicuous for his absence at the parade was Col. Bencie, commander of the detachment of Yugoslav troops in the American-British occupation zone of the Italian northeast area which Yugoslavia covets with Russian support.

It was the 88th division's first parade in its 33 months overseas and its announced purpose was to honor the second battalion of the 351st Infantry for heroic fighting around the town of Capello in Italy from Sept. 22 to Oct. 1, 1944. The 88th division is the major American unit in Venezia Giulia.

A presidential unit citation was presented to the battalion, by Lt. Gen. John C. H. Lee, acting supreme allied commander in the Mediterranean.

Dr. Cooke Speaks ETC Exercises

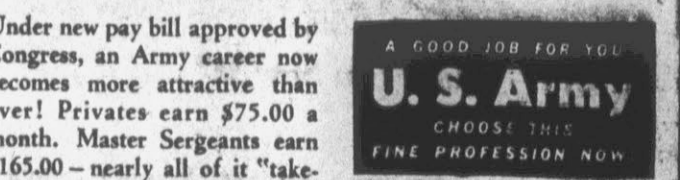

"Building Character as an Investment" is the subject of the address to be delivered by Dr. Dennis H. Cooke, president of East Carolina Teachers College, at the summer commencement exercises to be held at Austin auditorium Friday morning, August 23, at 10 o'clock.

"I extend a cordial invitation to all North Carolinians who can attend these exercises," said Dr. Cooke, "to join us in giving these fine young men and women their send-off in confronting the problems of life, for which they have pebernapi n tg

A musical feature of the program will be two vocal numbers by Donald Perry of Washington, who will be accompanied at the piano by Mrs. Karl V. Gilbert, wife of the director of the department of music of the coll. ege.

Italian Claim

(Continued from Page One) sponsibility in the war from conception with the present regime. This, he said, "is altogether unacceptable." He said Italy was "a major asset for Germany in the war" and that the preamble should be strengthened rather than modified.

Famine, Disease

(Continued from Page One) Distraught refugees by the thousands streamed into rescue and police stations seeking rest and safety. The state government of Bengal said that the bloodiest rioting in the violent history of Calcutta was "definitely under control." The first official report on casualties listed the dead at more than 2,000 unofficial accounts placed the toll at 3,000. So confused and widespread was the fighting that an exact tabulation of casualties may never be made.

NOTICE OF ADMINISTRATION

Having this day qualified as administrator of the estate of Mrs. Mary Ann Stokes, deceased, this is to notify all persons having claims against the estate of said decedent, to exhibit itemized and verified statements of account to the undersigned on or before the 20th day of August, 1946, or this notice will be pleaded in bar of their recovery. All persons indebted to the said estate will please make immediate payment to the administrator.

This the 20th day of August, 1946.
W. K. STOKES, Greenville Rt. 3,

Wm. J. Bundy, Atty.
8-20 and 27.

Milk Mixture for Stomach Ulcers

A recent medical discovery now used by doctors and hospitals everywhere has proven unusually successful in the treatment of stomach ulcers caused by excess acid. It is a harmless preparation yet so effective, in many cases the pains of stomach ulcers disappear almost immediately. Also recommended for gas pains, indigestion, heartburn due to hyperacidity. Sufferers may now try this at home by obtaining a bottle of LURIN from their drug-gist. LURIN contains this new discovery in its purest form. Easy to take. Just mix two teaspoons in a half glass of milk. Costs but little. Must satisfy or money refunded.

Lurin for sale by Bissette's Drug and drug stores everywhere.

from leaving the profession. She said that by good roads "we mean secondary roads so that we will never again be stuck in the mud."

Winterville Boys Made Fine Record

Twenty-six Future Farmers of America boys from the Winterville High School attended the Future Farmer camp at White Lake last week, and from the looks of their record they had a very successful stay.

Winterville took the weekly honors, by scoring more points (194) than any other school present. The way these points were scored was by taking first place in the following events: Soft Ball, Volley Ball, Water Ball, Horse Shoe, Shuffle Board, Ping Pong, and second place in swimming. Additional points were made by being present for roll call each morning and having a good conduct record. Various boys were put on the different committees and participated in the games. Playing against them were about 340 boys from schools throughout the state.

Runner-up to Winterville was Stokes with 145 points, and third was Contentnea with 131 points.

The 194 points taken by Winterville haven't been topped this year and with only one more week remaining for the camp to be open chances look pretty good for Winterville to take the yearly banner.

The boys were directed by Mr. J. H. Mobley, Agricultural teacher at Winterville, while there.

Guests were Mrs. J. Z. Mobley and Mayor W. L. Hunsucker, of Winterville, and family.

Falkland Nine Wins Over Water & Lights

The Falkland All-Stars had little trouble defeating the Greenville Water & Lights team at Thirti St. Park Sunday afternoon. The All-Stars scored once in the first, and three times in the third frame—from then on they had the game on ice, finally defeating Water & Lights by the score of 8-3.

Gaynor of the All-Stars, pitched a brand of ball that was hard to beat, retiring the first four batters and the next two by assists. The Water and Lights team were only able to push three fly-balls out of the infield and they were easily taken care of by the outfielders for put-outs.

The Falkland boys are taking all comers. They have won 23 games and lost 3. Among the teams going down to defeat before the All-Stars are Farmville, Flemings Cross Roads, Walstonburg, Greenville Water & Lights, Belyoir, South Edgecombe and Conetoe.

Any nearby team desiring a game may write to the Falkland All-Stars care of W. W. Wooten, Falkland N. C.

Greenies Defeat Wilsonites 6-5

After trailing Wilson for six innings, the Greenies made a four-run come-back in the seventh to take a 6-5 decision over the Tobaccoists.

Trailing 2-2 at the end of the sixth, the Greenville rally got underway with singles by Ranweiler, Parise and Lee. Carlson was walked and Blackwell singled in the winning runs.

Ranweiler opened on the mound for Greenville, and held the Wilsonites to scattered hits. Wilson threatened in the eighth, bringing in one run, but Alamo relieved Ranweiler and pitched no-hit ball the rest of the way.

The Greenies play a return match with Wilson here in Guy Smith Stadium tonight; game starts at 7:45.

BEWARE OF PIN-WORMS

Recent medical reports reveal that an amazing number of children and grown-ups may be victims of Pin-Worms—often without suspecting what is wrong!

Watch out for the warning signs that may mean Pin-Worms in your child or yourself—especially the tormenting, embarrassing rectal itch. Because now you can and should do something about it. After centuries of distress caused by Pin-Worms, a highly effective way to deal with them has been made possible. It is based on the medically recognized drug called gentian violet.

This special drug is the vital ingredient in P-W, the Pin-Worm tablets developed in the laboratories of Dr. D. Jayne & Son. P-W tablets are small and easy to take, and they act in a special way to remove Pin-Worms.

So if you suspect this ugly infection, ask your druggist for JAYNE'S P-W and follow the directions. Satisfaction guaranteed or your money back.

It's easy to remember: P-W for Pin-Worms!

SERVING YOU THROUGH SCIENCE

It's a stronger tire
It's a safer tire
It's the newest

U.S. ROYAL!

You get all the features that have long made the name "U.S. Royal" famous—plus the advantage of special rayon cord construction* to make your driving extra safe, trouble-free and luxurious.

Nine years ago when "U.S." first marketed a rayon cord tire it was proven that although rayon-built tires are lighter, they are also stronger and safer.

That's because this super-strength rayon "U.S." uses, runs many degrees cooler...cuts down destructive inner heat...adds thousands of miles to tire life...and gives you far greater protection against blow-outs.

And of course in this newest U.S. Royal you get many other safety features, too—the famous Royal block tread for smooth riding—perfect balance for easy steering and parking.

The fact is that U.S. Royals are every bit as modern as the fine cars on which they are standard equipment—every bit as fine as the quality name they've built up over the last thirty years—every bit as good value for your money as U.S. Royals have always been.

See these great new tires today at your U. S. Tire Dealer's—find out how soon you can be riding on rayon-built U. S. Royals!

*Federal Government regulations restrict all rayon construction to sizes 6.50 and larger

VFW Starts Statewide Program Of Expansion

"Unity and Action" will be the theme of the Veterans of Foreign Wars in North Carolina during the coming year, State Commander James M. Hayes, Jr. of Winston-Salem, declared in announcing a broad program of activity and expansion for overseas veterans.

"The Veterans of Foreign Wars is going to walk in faith with those who died that we might live," Commander Hayes said. "The former servicemen who worked together in the armed forces and fought to preserve our American way of life in time of war are going to remain united to work and fight for the peace and rights they have earned."

Pitt County's Charles Gray Morgan Post No. 7032 is joining with the 131 other VFW posts in North Carolina in a drive to bring every eligible overseas veteran in the state into membership in the Veterans of Foreign Wars, Post Commander Larry Averette added.

"As the fastest growing veterans organization in North Carolina, the Veterans of Foreign Wars has expanded from a total of 55 posts and 4,838 members on July 1, 1945, to a total of 132 posts and 17,460 members on August 15, 1946," Commander Averette said. "The Pitt County post of the VFW has kept

pace with this tremendous growth in the state as a whole, having grown from no members in 1945 to its present 290 today.

"In keeping with this expansion in membership, the North Carolina Department of VFW has enlarged its service to veterans through the operation of a full-time service office with a staff of four persons in the Regional Office of the Veterans Administration in Winston-Salem to file and expedite the handling of claims for all veterans whether members of a VFW post or not. In addition, the state department sponsors the sale of poppies in posts throughout the state with the proceeds being used for the relief of needy and disabled veterans and for the maintenance of the VFW home for widows and orphans of deceased members at Easton Rapids, Michigan.

"This is the only home maintained by a veterans' organization for needy families of its deceased members.

"The recent annual encampment of the state department placed the organization on record as favoring a state bonus for North Carolina veterans, and legislation to achieve this goal is scheduled to be introduced in the next general assembly in January, 1947, with the support of the VFW."

Divisional Kiwanis Meeting Swansboro

A delegation from the Greenville Kiwanis Club will go to Swansboro next Friday to attend a divisional Kiwanis meeting of clubs from Kinston, Goldsboro, Farmville, Wilson, Wilmington, Jacksonville and Swansboro. Carolina's Kiwanis District Governor, Jasper Hicks, Henderson banker, will be the speaker at the banquet.

Greenville Kiwanians who plan to attend are requested to notify Secretary Dave Moore, Jr., at J. A. Collins & Son's furniture store, not later than Thursday morning.

Leaf Market . . .

(Continued From Page One) Yesterday's sales of 1,484,864 pounds and indications were that 1.1-2 million pounds would be sold today.

Goldsboro, which sold more than 300,000 pounds yesterday, expected today's average to be about \$53, or about that of yesterday.

Prices at Rocky Mount today remained about the same as yesterday, when 1,183,454 pounds averaged \$54.15. That market expected to sell about a half million pounds today.

Price trends were reported unchanged at Wilson, which sold 1-

577,608 pounds yesterday for \$53.90. There was a fair quantity of nondescript grades on the floors there.

The U. S. and N. C. departments of agriculture estimated the opening day's average price at \$51, compared with \$42.53 per hundred at last year's opening.

Stronger demand was noted for practically all grades, with increases over last year's prices ranging from \$3 to \$18 per hundred.

Meanwhile, on the North Carolina border belt prices were steady to slightly stronger.

Medium and lower quality leaf prices continued regular but most grades of leaf, lug and priming groups were up from \$1 to \$6 per hundred.

Vets To Oust . . .

(Continued From Page One) a spokesman for the veterans' group, said it was understood that Couch, along with Biggs, attended a political rally of the Paul Cantrell organization in McMinn County prior to the Aug. 1 election in which ex-GI candidates swept the boards for county offices.
