TITO GOV'T QUILTS PARIS PEACE TALKS

Officially Withdraw In Protest Shortly Before Conference Ends

Paris, Oct. 15.—(AP)—The Paris Peace Conference ended officially at 5:28 p. m. (11:28 a. m., EST) today after Yugoslavia, in a last minute dramatization of her dissatisfaction with its decisions, formally withdrew from the 21-nation deliberations.

With a rap of his gavel, President-Foreign Minister Georges Bidault of France declared the conference closed, after a brief address in which he reviewed the work accomplished by the delegates since they convened July 29 to write treaties with Italy, Romania, Bulgaria, Hungary and Finland.

Yugoslavia's protest against what she termed "unjust decisions" of the conference majority drew a prompt rebuke from U. S. Secretary of State Byrnes.

Deputy Premier Edvard Kardelj of Yugoslavia, in announcing the Yugoslav decision to withdraw, challenged the decisions of the 21-nation conference on the Italian treaty.

Byrnes, taking the floor after the Yugoslav withdrawal was announced, said the United States would support in the four-power Foreign Ministers Council every decision backed by two-thirds of the peace conference.

The secretary said the American delegation would do so regardless of how it voted itself, and would give "sympathetic consideration" to every other conference decision.

The delegates approved the plenary session reports of all five treaties for Italy, Romania, Bulgaria, Hungary and Finland—within a half hour after the meeting convened.

The Yugoslav delegation, which had contended strongly but without success for the Italian port of Trieste, addressed a letter to the conference chairman, Quo Tai-chi of China, announcing Yugoslavia would not participate in the final approval of the conference decisions and would not associate herself with the recommendations.

Only yesterday, Foreign Minister V. M. Molotov of Russia denounced some of the conference's decisions as "unsatisfactory," suggesting that (Continued on Page Four)

Washington, Oct. 15.—(AP)—The Treasury stands to save well over \$300,000,000 through President Truman's action in ending subsidies on meats along with price controls.

An official of the Reconstruction Finance Corporation, which has been making the payments, said today that it appears only about \$20,000,000 of the \$400,000,000 Congress authorized for that purpose may be used.

Last year, the official said, meat subsidies averaged between 50 and 60 million dollars monthly. He added, however, that since the payments resumed when price controls on meat were reimposed Sept. 1, subsidy claims from packers have averaged only about 20 per cent of last year's.

Washington, Oct. 15.—(AP)—The Paris "Peace" Conference has terminated its labors in a spirit of acrimony and dissension that emphasizes the split between the Russian dominated Slavic bloc and the Western Allies, and threatens to nullify much of the labor which has been expended since the parley opened July 29.

MORE MEAT IN PROSPECT FOR DINNER TABLE

Quality Expected To Be Lower; Slaughterers May Hold Prices Down

By OVID A. MARTIN Associated Press Farm Reporter Washington, Oct. 15.—(AP)—Steaks and roasts should be back on butcher counters within 10 days as a result of President Truman's action in ripping OPA controls off meat today.

There's apt to be more than a little tough, and prices undoubtedly will be sharply above current ceilings.

But whether the flow to market keeps up during the next few weeks and months will depend upon two price factors—the weather and slaughterers' bids.

It is generally agreed there has been a tendency on the part of farmers since price ceilings were reapplied last month to withhold livestock from market in anticipation of larger returns.

The temporary suspension of controls during July and August brought a flood of animals to market and consumers feasted. But now the market movement may be somewhat slower starting than in July.

At that time there was an urgency to sell before controls were slapped back on. There is no such urgency now. Furthermore, livestockmen generally feel that prices will be good for another year at least.

As for the immediately higher prices, the increase naturally will absorb the present government meat subsidy averaging about five cents a pound at retail. There may, however, be a tendency on the part of slaughterers to try to hold increases down, particularly in view of Mr. Truman's assertion that:

"The American people will know where the responsibility rests if profiteering on meat raises prices so high that the average American cannot buy it."

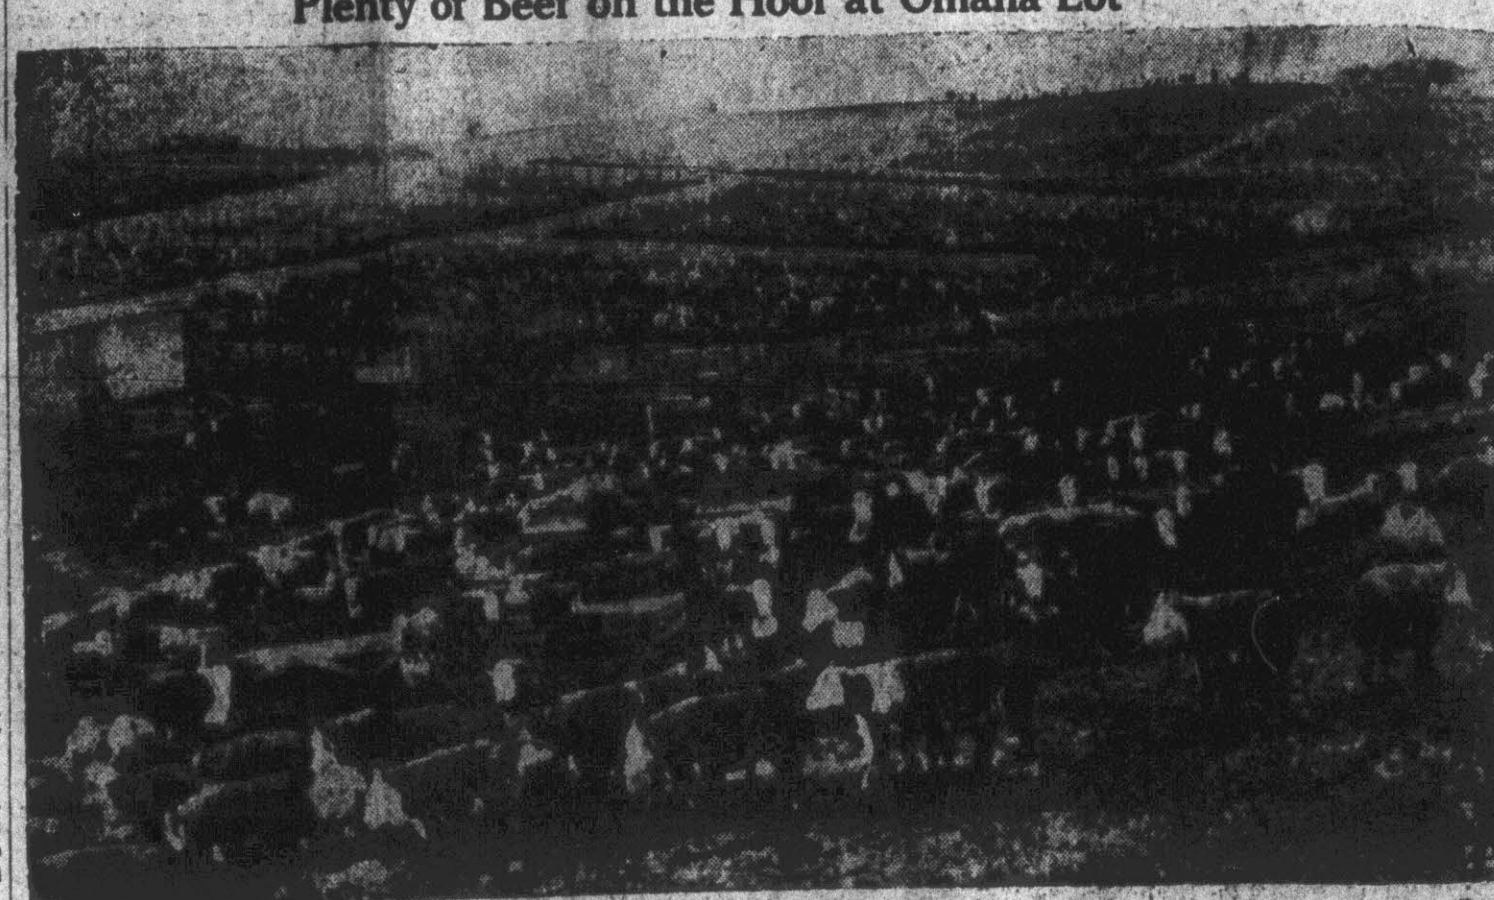

Should that tendency develop, many farmers might well decide to wait awhile before marketing in large volume. Most of those with animals to sell are in a position to wait.

Washington, Oct. 15.—(AP)—The House campaign expenditures committee turned its attention to the AFL today after hearing CIO-PAC testimony that all its operations have been strictly legal.

Chairman Priest (D-Tenn.) told reporters the committee wants to know what, if anything, the AFL is doing to influence voters in the forthcoming congressional elections.

As in the case of the CIO-Political Action Committee, Priest added, the House group has no complaints against the AFL, but it wants to "check into what it is doing and how it operates."

Withdraw Resignations; Will Stick Out To End Of Control

Washington, Oct. 15.—(AP)—Industry members of the Wage Stabilization Board volunteered today to withdraw their resignations and stick out the early end of federal price controls pledged by President Truman.

The offer came from A. Colman Barrett, who told a reporter he was speaking for his colleague, Earl N. Cannon, as well. The two submitted their resignations to Mr. Truman last Wednesday, but the president refused to accept them immediately.

Taking note of the chief executive's promise last night that along with his meat decontrol decision he had ordered a speed-up in the lifting of other governmental restraints, Barrett said:

"I take it the president recognizes the ineffectiveness of the present administration of wage and price controls and is looking forward to quicker liquidation of those controls."

Headquarters said two hundred attackers shouting "Yugoslavia Yells" burned the village of Exhali last night, and that six outlaws died in a two-hour fight at Erivrisi. Evohi is 12 miles north of Kozane and Krievrisi is nearby.

The Yugoslav frontier army post was attacked two nights ago and a nearby village sacked.

Col. Spiros Mandas, Kozane headquarters commandant, said the small Greek army was having great difficulty in checking the influx of Communist agents, arms and propaganda sitting through the rugged frontier country from Yugoslavia and Albania.

Every day we capture Russian arms and Communist literature," he said, "but we know we are only scratching the surface. Our frontiers are too long and too isolated for close security."

Frankfurt, Oct. 15.—(AP)—High American intelligence sources said today that overcrowding, hunger and economic uncertainty might cause "bad unrest" in Germany in the winter.

But, they said, the U. S. Army doesn't expect much Nazi subversive activity. Anti-American resistance, they added, is "at its dullest," though a "careful watch" is being kept on German veteran organizations, termed "the biggest potential threat to our occupation."

Porter Drafts Order Lifting Controls From Livestock; Anderson Approves It; Slaughter Controls Expire Immediately; Truman Speech Signals Early End To Most Wartime Restrictions

Washington, Oct. 15.—(AP)—Government formalities ending price controls on meats went forward swiftly today in the wake of President Truman's decision that decontrol is the "only remedy" for the nationwide shortage.

First to act were OPA Administrator Paul Porter and Secretary of Agriculture Clinton P. Anderson. Porter drafted an order lifting price controls from livestock, meat and other livestock products.

Anderson promptly approved it. A formal proclamation ending the controls was to be issued by Porter later in the day.

Along with the passing of price ceilings on meats, OPA said today that slaughter controls also expire immediately.

Arval Erikson, director of meat enforcement for the pricing agency, told a reporter that the entire slaughter control program had been created by President Truman.

Under this program the government controlled the number of live animals that could be converted into meat by any packer or other slaughterer.

The Chief Executive—to the tune of Democrats' applause and criticism, Republican taunts and industry jubilation—also signaled an earlier end to virtually the whole series of wartime restrictions, except those over rents.

Mr. Truman said the removal of ceilings on items other than meat will be speeded up and this will hasten the end of wage controls.

Sharply reversing his previous stand, the president told the nation the real blame for his action lies at the door of the reckless group of selfish men who, in the hope of gaining political advantage, have encouraged sellers to gamble on the destruction of price control.

Speaking in a nation-wide broadcast last night, three weeks before the congressional elections, President Truman said that OPA and the Agriculture Department would formally scrap the meat price lids today. Their action was all that was required to make the elimination of controls legally effective.

NAZI LEADERS RELIGIOUS IN LAST MOMENTS

Unofficial Reports Hint Hangings To Start At 12:01 A. M. Wednesday

Nuernberg, Oct. 15.—(AP)—Unofficial reports circulated here today that the hangings of the 11 condemned Nazi ringleaders would begin in the Nuernberg prison yard at 12:01 a. m. Wednesday (6:10 p. m. EST Tuesday).

It previously had been expected that the executions would start at dawn, although there had been no official announcement concerning the time.

It is expected that the executions will take about three hours altogether and that a formal announcement of their completion will be forthcoming about 9 a. m. (10 p. m. EST today).

The four power commission had made plain that there will be no official announcement concerning the executions until after the last man has gone to the scaffold.

Reports that the hangings will begin at one minute past midnight tonight were given credence by a Russian colonel and several prison employees.

There has been no information given out concerning the arrangements for the hangings, but if they are to be completed within three hours this probably will mean that more than one scaffold and more than one hangman will be employed.

Briefing officers told correspondents at the regular morning news conference that they had been forbidden to answer any questions concerning the time of the execution or the details of any arrangements for burial.

The only information they would disclose concerned the reactions of the convicted men.

With their last hours of life swiftly running out, 10 of the condemned men—their last appeals having been denied—turned to religion today for solace.

Only Rosenberg refused to see a chaplain or study the Bible. All the others talked to God. Kaitenbrunner received Communion this morning and the others were expected to receive it later in the day.

Goering told prison doctors he had no fear of death and said he intended to try and show dignity until the very last moment. Jodl, one of five Catholics in the group, said it was fundamental that every religion must be based on love.

Frank talked at length about a visit he made to Rome with Hitler and Rudolf Hess and of how he tried to get Hitler and Hess to visit St. Peter's. Seyss-Inquart was said (Continued on Page Four)

Paris, Oct. 15.—(AP)—The Pucan Dreamboat returned to Orly Field today when mechanical trouble developed a few hours after it took off in an effort to break the transatlantic speed record between Paris and New York.

The army's Hawaii-to-Cairo B-29 taxied back on the field at 1:10 p. m. (7:10 a. m. EST), two hours and 45 minutes after taking off. The return followed a message saying that the ship was experiencing mechanical trouble.

Ground crews were on the spot to check the difficulty, the nature of which was not made known at once, thus making it impossible to estimate the length of the delay it would cause.

With Col. C. S. Irvin of St. Paul, Neb., at the controls, the Dreamboat was airborne at 10:25 a. m. (4:25 a. m. EST) for its effort to scrap the present speed record between Paris and New York.

Irvine hoped to hold the B-29's throttles wide open for the entire 3,800-mile trip so as to cover the distance in 11-1/2 hours at a rate of 313 miles per hour.

And Rep. Monroney (D-Okla.) termed the president's action a body blow at inflation control.

The American Meat Institute has hailed the decision, but cautioned that it will not mean much more meat for consumers in the immediate future.

Meat stocks, the institute said, are at a low level and the distribution "pipelines are completely empty."

OPPOSE SPAIN IN HIGH COURT

Four Nations Join To Keep Spain Out Of UN Court

Lake Success, N. Y., Oct. 15.—France and Mexico were reported today to have joined Russia and Poland in opposing Spain's admission to the international court of justice on a non-member basis.

An authoritative source made the disclosure as a question raised by Poland on the court's minutes old request for guidance on the conditions under which non-members may bring a case before the high judicial organ in the Hague.

The reported lineup against Spain was generally the same as that developed last spring on Poland's resolution in the council demanding a general rupture of diplomatic relations between the United Nations and the government of Generalissimo Franco.

Russia at that time vetoed several watered-down versions of the Polish motion on the ground that they were not harsh enough, but the original Spanish case remains on the agenda.

The present question of admitting non-members to the international court had been considered (Continued on Page Four)

Army Returns To Top Grid Rating

New York, Oct. 15.—(AP)—After only a week's absence, Army has returned to the head of the nation's football parade, and Texas has slipped into third place behind Notre Dame.

The country's sports writers, balloting in the Associated Press' weekly poll, were quick to restore Red Blaik's Black Knights, on the basis of their 20-13 victory over Michigan, to the No. 1 ranking they held for two years.

Sixty-three of 139 writers put the Cadets back at the head of the class. Based on a point-scoring system of 10 points for a first-place ballot, nine for a second, eight for a third, and so on, Army collected 1,267 1-2 points.

The Longhorns squeaked through over Oklahoma by the same score that Army did in beating Michigan, Army previously had defeated Oklahoma 21-7, and because of that game the Texas team had declared it aimed to make Army look bad by comparison.

What does all this mean? Meat is a very important part of your living cost. At first, at least, uncontrolled meat prices seem bound to shoot up.

If meat prices rise, the rest of industry will be restless under controls. If peevish about this, what could industry do?

It could hold back from the public the goods it makes until price controls end. Wouldn't that hurt the whole country? Sure.

Mr. Truman cautioned industry not to do anything like that. But he couldn't do anything about it if industry did just that.

So the only way to keep things smooth—now that meat controls are off—is to pull off other controls as fast as possible.

But he just can't wipe out controls all over the lot, with a wave of a wand.

Congress wrote into the OPA law some rules the government must follow on some goods.

For example, on certain items important to American living, price controls must be kept until there is enough of those goods to meet public demand.

PAC Inquiry Took One Day; House Group To Hear Union's Side

Washington, Oct. 15.—(AP)—The House campaign expenditures committee turned its attention to the AFL today after hearing CIO-PAC testimony that all its operations have been strictly legal.

Chairman Priest (D-Tenn.) told reporters the committee wants to know what, if anything, the AFL is doing to influence voters in the forthcoming congressional elections.

As in the case of the CIO-Political Action Committee, Priest added, the House group has no complaints against the AFL, but it wants to "check into what it is doing and how it operates."

The committee spent all day yesterday inquiring into the CIO and the National Citizens PAC's. It still plans to hear spokesmen for the National Association of Manufacturers, American Action, Inc., of Chicago, and the Brotherhood of Railroad Trainmen.

Both Jack Kroll, director of the CIO-PAC, and C. B. Baldwin, executive head of the NCPAC, testified (Continued on Page Four)

Washington, Oct. 15.—(AP)—The Republicans will get their chance tonight to talk "meat politics" in rebuttal to President Truman.

The Columbia Broadcasting System said it has offered its coast-to-coast facilities for a Republican spokesman—still to be designated—to reply to Mr. Truman's address last night. The broadcast is scheduled for 10 to 10:15 p. m. (EST).

CBS said the time had been offered the Republicans before GOP National Chairman Carroll Reece announced he has asked all four major radio networks for the same amount of time granted to Mr. Truman.

Reece asserted the President's talk was obviously political, CBS estimated 44,546,000 adult listeners heard Mr. Truman.

An official at Republican headquarters said that CBS is the only network thus far to offer the time for the GOP speaker. He added that Reece probably would present the GOP views. Reece spoke last night in Columbus and is en route to Washington.

Mrs. Vennie Whitley, 74, died at the home of her daughter, Mrs. Hayward Stalls of near Wallace's store at 2:30 o'clock this morning after about 10 days' illness.

Funeral services will be held at the home of her daughter Wednesday afternoon by the Rev. John P. Hodges, Pentecostal Holiness minister of Beargrass. Burial will be in the Roebuck family cemetery near the home.

Mrs. Whitley was born and spent her entire life in the Oak Grove community.

Surviving are two daughters, Mrs. Hayward Stalls and Miss Leona Whitley of the home; two sons, Jesse Whitley of Grimesland, and Clayton Whitley of the home; 15 grandchildren; a sister, Mrs. L. C. Coward of Hobbgood, and a brother James Whitley of Stokes.

Music Featured Rotary Meeting

By WYATT BROWN
The Greenville Rotary Club had a program of vocal and instrumental solos last night at the regular weekly supper meeting. Mrs. Paul A. Toll, club pianist, presented the program, assisted by Miss Jean Lane, E. F. C. Metz, and Dan Varnholt.

First, Miss Lane sang two solos, "Still of the Night" and "When Irish Eyes Are Smiling," accompanied at the piano by Mrs. Toll. Next, Mr. Metz, accompanied at the piano by Mrs. Toll, rendered two violin solos, "Valse Duet" and "From the Canebrake." Following the violin solos, Mrs. Toll did a piano solo, a Chopin prelude. Concluding the set program of music was Dan Varnholt's two tenor solos, "Hills of Home" and "A Lonesome Day."

As an encore Mrs. Toll played the Chopin valse in D Flat Major and Miss Lane repeated "When Irish Eyes Are Smiling," with the Rotarians joining in the chorus.

Dr. H. G. Haney was a guest of the club last night and Dr. Grady Dixon of Ayden was a visiting Rotarian. President Judson Blount reported that last week's meeting had 100 per cent attendance.

Teco Echo Off Press And in Circulation

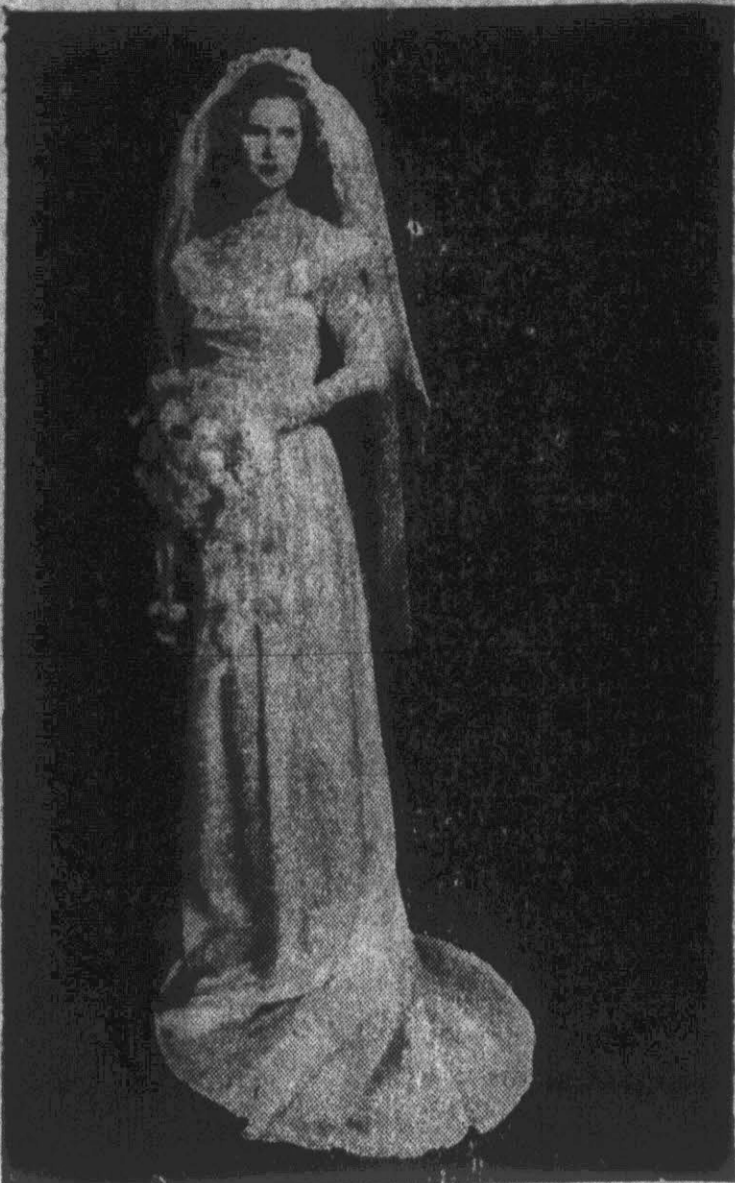

The first issue for the school year of the "Teco Echo," student newspaper at East Carolina Teachers College, has just come from the press and has been issued to students, faculty members, and alumni of the college. The first issue is dedicated to the freshman class at the college. The paper, a four-page bi-weekly, is supported by the Student Cooperative Government Association and draws its reporters from student organizations on the campus.

REVIVAL AT GRIMESLAND.

A revival is being held at the Grimesland Christian Church this week. Services are held each night at 7:30. The revival will close next Sunday. The public is invited.

Mrs. Fred Allen Brewer

Miss Marguerite Hudson, daughter of Mr. and Mrs. Howell Ashley Hudson, of Greenville, and Fred Allen Brewer of Houlton, Maine, and Washington, D. C., son of Bert L. Brewer and the late Mrs. Brewer of Houlton, Maine, were married Saturday evening at eight o'clock in Jarvis Memorial Methodist Church in Greenville, N. C. The Rev. Robert W. Bradshaw officiated at a double ring ceremony.

Arrangements of palms, fern, southern smilax, seven branch candelabra holding white tapers and baskets of white gladioli decorated the church.

Mrs. G. B. W. Hadley presented a program of nuptial music consisting of "Still as Night" by Carl Bohm, "Venetian Love Song" by Ethelbert Nevin and "Romance" by A. Rebinstein. Miss Elizabeth Bridgers, soloist, sang "Because" and "Through the Years." During the ceremony Mrs. Hadley played "Serenade" by Franz Schubert, Miss Bridgers sang "O Perfect Love" as the benediction. The traditional wedding marches were used.

Randolph Embry of Washington, D. C., acted as best man. Ushers were James T. Hudson, brother of the bride, Hubert Brown, cousin of

the bride, R. V. Keel and W. L. Whedbee of Greenville.

Miss Mary Emma Hudson was her sister's maid of honor, Mrs. Charles T. Hudson, sister-in-law of the bride, served as dame of honor. Bridesmaids were Misses Doris Brown, cousin of the bride and Jean Rush, all of Greenville. Their dresses were designed similar to that of the bride with Miss Hudson wearing net over blue satin and Mrs. Hudson net over pink satin.

They both carried nosegays of pink roses. The bridesmaids' dresses were identical to those worn by the maid and dame of honor and they carried nosegays of pink carnations. Junior honorary bridesmaids were Misses Jane Tucker and Sue Arden Tucker, cousins of the bride.

The bride, given in marriage by her brother, Charles T. Hudson, wore a gown of white slipper satin made with basque bodice, a yoke of illusion was finished with old fashioned lace, long sleeves ending in calla lily points over the hands and a skirt which extended into a court train. The finger tip veil of bridal illusion fell from a halo of seed pearls and she carried a bouquet of white carnations centered with a purple orchid.

Mrs. Hudson, mother of the bride,

wore a gown of blue net and black velvet. Her corsage was of red roses.

Mrs. Brewer received her education in the city schools and East Carolina Teachers College. For the past year she has been employed by the State Bank and Trust Company.

Mr. Brewer received his education in the schools of Houlton, Maine. He served with the armed forces overseas in the Fourth Marine Division for about two years. At the present he is employed in Washington, D. C.

Following the reception Mr. and Mrs. Brewer left for a wedding trip after which they will make their home at 636 Eye St., N. E., Washington, D. C. For traveling Mrs. Brewer wore a black gabardine suit with white blouse, hat and gloves and black suede shoes and bag. She wore an orchid corsage taken from her bridal bouquet.

Among the out of town guests were Mr. and Mrs. Randolph Embry, Mr. and Mrs. Charles Embry, Mr. Paul Lauder and Miss Betty Osbourn of Washington, D. C., Mr. and Mrs. Wells Tillery of Roanoke Rapids, N. C., Mrs. Alice Tyson of Oak City, N. C., Mrs. Rudolph Whitely of Roseboro, N. C., and Mrs. Roger Bell of Cherry Point.

Immediately following the ceremony Mr. and Mrs. H. A. Hudson entertained at a reception at the home of Mrs. J. C. Galloway on East Fourth Street.

Mrs. Galloway and her son, J. C. Galloway, Jr., assisted Mrs. Hudson in greeting the guests at the door, where they were introduced to the receiving line composed of the bride and groom and the wedding party.

Mrs. Arthur B. Corey directed the guests to the dining room where they were served bridal cakes, nuts, mints and lime punch by Mrs. Nannie Brown, Mrs. Robert Lewis and Mrs. Joe Gallagher. Mrs. J. C. Galloway, Jr., presided at the brides register. The good-byes were said by Mrs. W. G. Rush and Mrs. W. A. Hudson.

On Friday evening following the rehearsal, Mr. and Mrs. A. L. Tucker entertained at their home on Eastern Street at a cake cutting in

Police Make Awards For 'Safe Driving'

J. B. Kittrell and Mrs. John Warner were the winners of the "safe driving certificates" during the broadcast of the "Driver of the Week" program over radio station WGTC last Sunday night. Neither of the winners ever had an automobile accident while driving. The program is presented each Sunday night at 8:45 and it is sponsored by the Police Department.

Chief Jim Tanner said a secret committee selects a man and a woman driver for the special awards each week.

Next week is "Child Accident Prevention Week."

Dr. Cooke Speaks Before Teachers

Four R's are the essentials of public elementary school education, said Dr. Dennis H. Cooke, president

of East Carolina Teachers College, speaking before teachers of Roanoke Rapids on Monday evening, October 14, at a meeting of the local unit of the North Carolina Education Association.

The three R's of reading, writing, and arithmetic, traditional school subjects, are not enough,

stated the educator. To these must be added a fourth R: "a knowledge of and expertise in using the fundamental principles of human relationships that have been clearly demonstrated and agreed upon by psychologists." Dr. Cooke emphasized that, while basic experiences and activities, which have been

stressed in many modern curricula, are helpful and important to pupils, they are secondary in value to the four R's, fundamental learnings which must be taught if the racial heritage is to be preserved.

Calling the elementary school "the people's college," Dr. Cooke pointed out that only in the school is the child now likely to learn the four R's. The home and the church no longer can be relied upon to impart the four fundamental learnings to the child. The school must fit him to meet the demands of child and adult life by helping him master the four R's.

N. C. State Fair Has Big Formal Opening

Raleigh, N. C., Oct. 15—(AP)—Thousands of persons thronged the exhibit halls, the grandstand and the midway of the N. S. State Fair today following the formal opening by Governor Cherry of the 86th annual exhibition.

It is the first State Fair in several years because the annual exhibit was suspended during the war period.

Fair officials predicted that nearly 500,000 persons would attend the fair which will remain open through Saturday.

Judging of entries for prizes totaling nearly \$20,000 began today.

Negro Left Direct Clue For Officers

Charley Jones, Negro ex-serviceman, left a convincing clue behind him when he allegedly stole a camera from the car of Wonderful J. Blackwell, Negro, last Friday, police said today. Jones dropped his army discharge papers on the seat of the car. Officers Johnny Mobley and McLeod arrested him later. He will be tried in Police Court Friday.

Ab Jenkins Will Try To Set Speed Record

Salt Lake City, Oct. 15—(AP)—Tire and fuel crews were instructed to join mechanics today at the Bonneville Salt Flats course on which Ab Jenkins will attempt to

set new automobile speed records in an assault that may last from dawn Friday until dawn Saturday.

Jenkins, former mayor of Salt Lake City who currently holds virtually all world's land speed records for distances greater than 50 miles, said his new racing car, the lightweight "Mobile Special," arrived at the race course 120 miles west of Salt Lake City last night.

Strength FOR THE DAY

By EARL L. DOUGLAS

AN ANCIENT MESSAGE TO MODERN NEEDS

The night before his crucifixion, Jesus declared that it was expedient that he go away.

How could this be? Could the world afford to lose out of its life such a rich soul? We catch the significance of his statement when we begin to ponder the fact that his return to a spiritual state made it possible for him to minister to men everywhere in all ages. The ascension made Christ available to the race and to all periods of time, as the incarnation had made him available to a little group in Palestine during a short period of world history. St. Paul tells us that Jesus "ascended up far above all heavens, that he might fill all things." In his last discourse with his disciples, Jesus told them that he was going away to prepare a place for them, and that afterward he would come again and receive them, unto himself, that where he was there might his disciples be also. Matthew's Gospel ends with the declaration of Jesus to his disciples, "Lo, I am with you always, even unto the end of the world."

We are to be supported with the realization not only that Christ is still alive, but that his going away makes it possible for him to be as near to us as he was to his disciples. The ascension was not a far-distant occurrence which has no practical significance for modern man. It is intended to comfort and assure our hearts with the realization that Christ still lives and is near to everyone who trusts him.

tant things while they're scarce would send prices up.)
So, getting rid of a host of controls will take a little time.
But where do wage controls figure in all this?

Right now the government has OPA to control prices and the Wage Stabilization Board to control wages. OPA and WSB, together, are supposed to keep wages and prices in line. This is how:

1. You, an employer, can raise your workers' wages as much as you wish—without any government permission—if you don't want to use the wage increase as an excuse for asking OPA to let you raise prices on the things you sell.
2. If you do wish to use a wage increase as an excuse for raising prices, first you must get an okay from WSB. If WSB says okay, then you can ask OPA to let you raise prices.

the conference it was enough for the American delegate to vote and another 12 or 13 were assured." He said the Americans sought "definite decision regardless of whether they were correct as long as they pleased this group."

U. S. Senator Arthur H. Vandenberg proceeded Molotov with a speech which spurred the Soviet foreign minister's anger. The senator demanded without success that Russia's \$300,000,000 reparations bill against Finland be cut to \$200,000,000 on the ground that the larger amount was too much for the little country to pay. He also took exception to remarks in previous speeches in which "the motives of the United States in this matter have been attacked." He then declared bluntly:

"Mr. President, the United States delegation will leave its motives to the verdict of history in connection with the winning of the war and the writing of a just peace. We decline to plead as defendants among allies to whom we have given every ounce of cooperation in blood and treasure of which a great nation is capable. But we shall continue to speak for the American conception of justice and fair play."

Molotov retorted that the senator's address "made an unfavorable impression both as to his consistency and his frankness." The Soviet representative proceeded to lash out. That is the unhappy situation as the Big Four transfer their activities to Paris. This final outburst in Paris was no mere flash in

New Sabotage in Power Walkouts

Pittsburgh, Pa., Oct. 15—(AP)—The strikebound Duquesne Light Company announced a high-powered bullet was fired into a large outdoor transformer today, reducing the supply of electricity to the Pittsburgh industrial area.
It was the third instance of sabotage recorded by police in the 22-day-old power strike.
The reduction in electricity forced the Pittsburgh Railways Co. to curtail its already limited trolley service, on which the majority of Pittsburgh workers depend for their transportation. The company had hoped to operate 200 trolleys today, but the number was shaved to about 100 because of the rifle-blasting of the transformer. This was about 12 per cent of the city's normal street car service.
The company said the shooting occurred at its Colfax station near suburban Springdale.
A spokesman for the firm said no one saw the shot fired but that "the bullet went through the transformer."

Public Bear Hunt in Florida Nat'l Forest

Tallahassee, Fla., Oct. 15—(AP)—Part of the vast Apalachicola National Forest will be thrown open for supervised public bear hunts next month—but only "he-men" are being encouraged to participate.
The hunt will be staged over two three-day periods, Nov. 18-20 and Nov. 21-23, and not more than 60 hunters, exclusive of guides, will be allowed in the field.
Besides bear, the hunters may kill as many foxes and wild cats as they like while they are in the forest. Squires said the cats and foxes are abundant in the area.

Recalling that he had vetoed the original price control extension bill to prevent a legalized runaway inflation, and that he had signed the second measure with reluctance, Mr. Truman said:
"I have tried honestly and sincerely to administer this feeble law. From the outset, however, the very forces responsible for the weakening of the law in the Congress have demanded the lifting of even the inadequate controls which the Congress enacted."
"Besides, many members of the Congress and many candidates have pledged themselves to vote for the removal of controls as soon as the new Congress meets."

But favorable fall weather has kept pastures and ranges in unusually good condition for this time of the year. Farmers thus can keep cattle on this grass for at least two more weeks and add more weight with little additional cost. This would tend to boost prices.
On the other hand, should a cold wave move out of the north, heavy marketings would follow immediately.
Looking further ahead, today's removal of price controls may have an adverse affect on the supply of meat next spring and summer. This supply is obtained largely from cattle fattened in corn-belt feed lots during the winter.

The CIO-PAC, he said, endorses no candidates and "has no favorites," but helps local PAC units organized by local unions, to support or defeat candidates whose records the local groups don't like.
As evidence of how effective this cooperation is, Kroll said about 10 incumbent members of Congress already have been defeated after the CIO-PAC went after their political heads.

THE TELEPHONE PUZZLE
If it takes 3 pairs of wires to connect 3 telephones and 12 pairs to connect 6 telephones, how many are needed to connect 12 telephones? The answer is 66! Puzzling, isn't it? As these pairs of wires increase, expensive central office equipment increases in proportion. Each additional telephone means wider service for you without raising your telephone bill. And here's something else. Each additional telephone installed adds to the cost of providing telephone service for you and everyone else.

Milk Mixture for Stomach Ulcers

A recent medical discovery now used by doctors and hospitals everywhere has proven unusually successful in the treatment of stomach ulcers caused from excess acid. It is a harmless preparation yet so effective, in many cases the pains of stomach ulcers disappear almost immediately. Also recommended for gas pains, indigestion, heartburn due to hyperacidity. Sufferers may now try this at home by obtaining a bottle of LURIN from their druggist. LURIN contains this new discovery in its purest form. Easy to take. Just mix two teaspoonsful in a half glass of milk. Costs but little. Must satisfy or money refunded.
Lurin for sale by Bissette's Drug and drug stores everywhere.

From where I sit... by Joe Marsh

Are Returning Veterans "Different"?

During the war you heard a lot about how hard it was going to be for returning veterans to get adjusted to civilian life... how they'd be "different."

Well, plenty of them have returned to our town, and a finer, sturdier bunch you couldn't ask for. Most of them are back at the same jobs... going with the same nice home-town girls (getting married, some of them, and setting up families)... renewing the same old friendships.

Even their amusements are the same. Nothing more exciting than fishing Seward's creek or pitching horseshoes... enjoying an outdoor barbecue with friendly wholesome beer and pleasant talk.

If they've changed at all it's in the direction of maturity and tolerance... tolerance for everything except dictators, and those who would destroy our democratic principles of live and let live. And from where I sit, that's another reason to be proud of them.

Joe Marsh

Grain Market

Chicago, Oct. 15—(AP)—Grain futures prices spurred quickly in early trading today on the most price decontrol news but later reacted to show losses in many cases.

Corn continued to slip towards the end of the session and finished 4 to 5 cents lower than the previous close: January \$1.38. Wheat was 1/2 cent lower, January \$2.80, oats were down 1/2 to 1 1/2 cents, November 65 1/2, and barley was unchanged to 3 cents off, November \$1.43.

New York Cotton

New York, Oct. 15—(AP)—Cotton futures opened 55 cents to \$1.05 a bale higher.

Noon prices were 60 cents a bale lower to 85 cents higher. Oct. 32.55, Dec. 35.48, and March 38.05.

Futures closed \$1.15 a bale to 40 cents higher.

PHANTOMS TO MEET KINSTON

Old Rivals To Clash Friday Night At Guy Smith Stadium

Greenville High's Phantoms, now showing an aggressive spirit in spite of the rough road they have had to travel this season, are hard at work in preparation for the game Friday night at the stadium with their old rivals from Kinston. The young and inexperienced Phantoms have put up a game fight against big odds in practically every game they have played so far. In last week's losing battle with Elizabeth City, the Phantoms, although outweighed and out "aged" battled all the way to the finish and won the respect of the large crowd present.

Coach Farley is hopeful of having his starting team ready for action but it is very doubtful. There have been at least two starters out of action for every game but the first. Jim Lee, the Phantoms' sparkplug, is out with tonsillitis that affected his play in the last game. Dave Clark, who has had leg trouble all year, has not been in uniform for the past week and is definitely out. The remainder of the squad should be in good shape if they recover from bumps and bruises from last Friday's game.

Kinston has one of the strongest teams in the conference and the odds of the game are in their favor but you simply can't tell. All teams in the conference are very evenly matched this year with the exception of Greenville, who is just now suffering from the "speed up" program inaugurated during the war.

The Kinston game Friday night begins a long home stand for the Phantoms. They play at home until they go to Washington in the middle of November.

SIXTEEN LEFT IN CUP MATCH

Local Golfers In Close Play For President's Handicap Tourney

The second round of The President's "Handicap" Tournament which is being played on the links of the Greenville Golf and Country Club, and which has been in progress all the past week, was closed Sunday, October 13th.

The original field of sixty-four players has now been reduced to sixteen. These sixteen players will match during this week for top honors, and their matches will have to be played on or before Sunday, October 20th.

There has been much interest in this match, and the players have shown fine spirit, several matches have had to go additional holes, and only a very few have been forfeited. The play will continue until November 11th, when the champion will be suitably rewarded and his name engraved on the beautiful cup which is always on display at the Club. The winners and losers of the matches this week are:

Ercel Webb defeated Bill Allen by default; Dr. Barret defeated Dr. Masse; Geo. Montgomery defeated Herbert Waldrop; Reynolds May defeated Boyd Moore; Bill Taft defeated Dr. Billy Brown.

Bruce Baker defeated Hunter B. Keck; Billy Morton defeated Jack Edwards; Dr. Glenn Haney defeated Bitts Ruffin; Bob Smithson defeated Lyman Ormond by default.

DeRock Vincent defeated Mo Blount; Joe Taft defeated Aubrey Tilley; Bert James defeated Red Corbett; Rev. Bob Bradshaw defeated James Ray Pittman; Dink James, Gentry Galloway, match conceded, both forfeitures to winner next round.

Dick Stokes III defeated Claude Plyler by default; and Sherwood Robertson defeated Charles Wheeler.

Eppes High To Play New Bern

Eppes Negro High School football squad had a tough practice yesterday preparing for their contest Thursday night.

The Eppes High boys worked on mistakes which kept them from winning an important game with Wilson. Most of the time was spent with the linemen who appeared to be too slow in the offense. A short scrimmage climaxed the drill. Only two of the backs and one of the ends missed out on the drills.

New Bern plans to give Greenville a big celebration Thursday night at Guy Smith Stadium by bringing their band and student body. This will be Eppes' last home game until November.

Unbeaten Deacons Face N. C. Wolfpack Saturday

By the Associated Press
The undefeated Wake Forest Deacons have their work cut out for them this week as they map strategy for their Southern Conference clash Saturday with North Carolina State's rampaging Wolfpack at Wake Forest.

The State eleven is perched atop the conference standings with three consecutive victories against worthy foes. Their latest triumph was a 25-10-0 decision over Davidson Saturday night.

Heid scoreless during the first half, the Wolfpack found its stride after the second kickoff and then cut its attack wide open in the final quarter.

Wake forest has also won three in a row, from Boston College, Georgetown and Clemson, with the Tigers their most recent victims, 19 to 6.

Duke, which finally hit the victory column with a 21-6 decision over Navy, entertains the red hot Richmond Spiders in Durham while the University of North Carolina travels to Baltimore to take on the Middies.

The Tarheels showed good form in whipping Maryland, 33 to 0, at Chapel Hill Saturday.

in a contest which should definitely establish the caliber of the unbeaten Mountaineers. Catawba is undefeated in North State Conference competition, but dropped one extra-curricular encounter to VPI.

Catawba whipped Wofford, 46 to 0, and Appalachian edged out High Point, 10 to 6, Saturday.

In other games last weekend, Guilford blanked Randolph Macon, 25 to 0; Lenoir-Rhyne defeated Atlantic Christian, 25 to 0; Western Carolina won from Hiwassee, 28 to 0; Elon triumphed over East Carolina 13 to 0; Mars Hill whipped Gardner-Webb, 21 to 6, and Brevard beat Lees-McRae, 6 to 0.

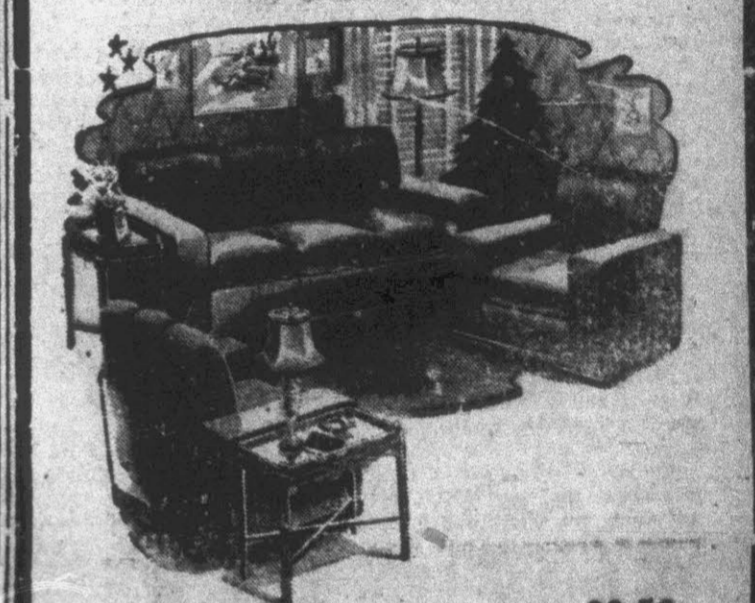

This week's schedule:
Friday—Elon at Newberry (N); Campbell at Atlantic Christian (N); Lenoir-Rhyne at High Point (N); Saturday—Millsaps at Western Carolina (N); Richmond at Dixie; Guilford at Wofford; North Carolina State at Wake Forest; Franklin at East Carolina; North Carolina vs. Navy at Baltimore; Catawba vs. Appalachian at Winston-Salem; Davidson at VMI.

N. C. Labor Laws Affects Minors

Raleigh, Oct. 15.—All children under 16 years of age are legally required to attend school until their sixteenth birthday, Superintendent Erwin stated. "This provision of the School Attendance Law makes the requirement of that statute complementary to the provisions of the North Carolina Child Labor Law."

Labor Commissioner Shuford pointed out that under the Child Labor Law no minor under 16 years of age may work while school is in session.

"Outside school hours, minors under 16 may work for not more than eight hours a day at approved non-manufacturing occupations, provided their employment is non-hazardous and is not in an establishment where alcoholic liquors are sold for consumption on the premises."

Shuford stated that employers who plan to hire a minor under 18 years of age must secure an employment certificate from the County Welfare Superintendent before, not after, the minor begins working, in order to comply with the Child Labor Law.

Under the School Attendance Law, as amended by the 1945 Gen-

eral Assembly, all children are required to attend school until their sixteenth birthday, Superintendent Erwin stated. "This provision of the School Attendance Law makes the requirement of that statute complementary to the provisions of the North Carolina Child Labor Law."

Extension Service Studies Barn Fires

College Station, Raleigh, Oct. 15.—Tobacco barn fires have been unusually large this year and the State College Extension Service is now making a survey in an effort to determine the causes of the fires and what measures can be taken to reduce them in the future.

In Johnston County, for example, the farm agents report that the loss from burned barns and tobacco will total more than \$100,000. They estimate that about 100 barns have been burned.

In a study of 35 barns burned they found that 18 were fired with oil, 16 with wood, and 1 with a coal stoker.

According to the farmers, the chief reasons for the fires was the faulty installation of equipment and the falling of leaves and sticks on the hot flues.

W. H. Hoyt, assistant county agent, said that fuel consumption was particularly high in the tobacco barns this year. He attributed the excessive amount of fuel to such conditions as over-crowded barns,

generally high humidity, and large tobacco leaves and stems.

"With well constructed barns, good ventilation, and careful hanging of tobacco in the barns, fuel consumption can be reduced," he stated.

Plan Horse Show At Washington

The Washington Boots and Saddle Club will hold its Semi-Annual Fall Horse Show at the Cowell-Blount Farm, Sunday, October 20, at 1:30 p. m. in Washington, N. C., on Route 264 just east of the city, one afternoon only. The show will be divided in the following classes:

Five-Gaited Division, Walking Horse Division, Roadster Division, Three-Gaited Division, Fine Harness Division, Road Hack and Jumpers Division, Pony Race, Children's Horsemanship and Open Pleasure Horses.

Entries are coming in from all over Eastern North Carolina and Southeastern Virginia. The show will start promptly at 1:30 p. m.

Cardinals: Musial walked. Pesky took Slaughter's foul fly. Kur-

giola rolled out, Doerr to York. No runs, no hits, no errors, one left.

FIFTH INNING.
Red Sox: Moore made a spectacular backhanded running catch of Higgins' bizzing liner which was headed for the left center field wall. It was by far the best fielding play of the series. H. Wagner fouled out to Kurowski. Ferris bounded out to Dickson to Mucial.

No runs, no hits, no errors, none left.

Cardinals: Walker singled into centerfield. Marion sacrificed, York throwing to Doerr at first for the out. Dickson dumped a double over third scoring Walker to put the Cardinals ahead, 2 to 1. Schoendienst smashed a liner over second for a single, scoring Dickson. Moore singled into center sending Schoendienst to second. Joe Dobson, winner of the fifth game of the series, went in to pitch for the Red Sox. Musial bounced out, Doerr to York, advancing both runners. Slaughter was passed, filling the bases. Higgins backed up for Kurowski's bounce and whipped to Doerr at second to force Slaughter.

Two runs, 4 hits, no errors, 3 left.

SIXTH INNING.
Red Sox: Moses bunted out to Musial. Pesky lined out. Dickson gave his first walk when he passed DIMaggio on five pitches. Williams sent a skyscraper to right field that Slaughter caught.

No runs, no hits, no errors, 1 left.

Cards: Garagiola struck out, Walker walked on four straight pitches. Doerr threw out Marion, Walker taking second. Dickson received a great hand from the crowd as he came to bat and hit the first pitch on one bounce to Doerr, twi-

out to short right field to catch Williams' towering fly close to the foul line.

Two runs, 3 hits, no errors, 1 left. Cardinals: Culberson replaced DIMaggio in center. Roy Partee went behind the bat, and Bob Klinger went to the mound for the Red Sox. It was announced that DIMaggio had pulled a muscle in his leg while running out his double in the top of the eighth inning. Enos Slaughter took a ball, then reached out and slapped a single over second base. Kurowski attempted to sacrifice but bunted a pop fly which Klinger caught, and Slaughter had to scamper back to first. Williams loped back to the left field wall to get under and catch Rices' long high fly. Walker doubled over Pesky's head and Slaughter continued around third and he scored ahead of the relay from Culberson to Pesky to Partee. Apparently never dreaming that Slaughter would slide or would try for home, Pesky hesitated with the ball long enough for Slaughter to slide past his frenzied delayed throw to the plate. Walker was credited with a run batted in. Earl Johnson, a southpaw, replaced Klinger on the mound for the Red Sox. Harion was purposely passed. Brecheen bounced out—Doerr to York.

One run, 2 hits, no errors, 2 left.

NINTH INNING
Red Sox: York bounced a single past Kurowski into left field. Paul Campbell ran for York. Doerr dropped a single into short left. Higgins stopped at second. Higgins attempted to sacrifice but forced Doerr at second, Kurowski to Marion. The shortstop's attempt for a double play barely missed while Campbell advanced to third. Doerr apparently still bothered by the injury suffered in his collision with Moses earlier in the game, limped off the field. Partee fouled to Musial near the boxes between first and home and the runners were forced to hold their bases. Tom McBride, a right-handed hitter, batted for Johnson. McBride rolled to Schoendienst who fielded the ball near second base and tossed underhand to Marion forcing Higgins at second to end the game and the series.

No runs, two hits, no errors, two left.

Cardinals: Schoendienst missed a three and two pitch to become Dobson's second strikeout victim. Doerr collided with Moses going after Moore's fly in short right field but held on to the ball for the out. Doerr limped around for several moments, apparently having suffered a spike wound in his collision with Moses but stayed in the game. Dobson's knock down of Musial's hot smash.

Musial's hot smash for an easy out. No runs, no hits, no errors, none left.

EIGHTH INNING.
Red Sox: Rip Russell, a right-handed hitter, batted for H. Wagner, who went hitless in 13 official times at bat in the series. Russell took a ball, then lined a single over second base to center. It was Russell's second successful pinch-hit appearance. Harry Brecheen and George Munger, a left hander and right hander, respectively, began to warm up for the Cardinals. George Metkovich, a left handed hitter, batted for Dobson. Metkovich doubled down the left field foul line and Russell slow rounding second, had to hold up at third. Brecheen, who won two of the three cardinal games, replaced Dickson on the mound. Apparently unheeding Umpire Hubbard's call, the left hander had to be personally escorted by the umpire from the bullpen. Bob Klinger, a right hander, and Johnson started warming up in the Red Sox bullpen. Brecheen struck out Moses on three pitches as Moses watched a screwball cut the outside corner for the third strike. Slaughter came in fast to catch Pesky's low liner and held the runners on their bases with a throw to the infield which was cut off by Musial. Howie Pollet, a southpaw, joined Munger in the Cardinal bullpen. DIMaggio doubled off the right centerfield wall scoring Russell and Metkovich, tying the score at 3-3. DIMaggio twisted his right ankle rounding first base and Leon Culberson was sent in to run for him.

Chicago, Oct. 15.—(AP)—Charles R. Goessel, 26, owner of a dog kennel in suburban Midlothian, seeking a divorce in Superior Court, commented that it's harder to teach obedience to a woman than it is to a dog.

Judge Peter Schwaba, without comment, granted the divorce asked by Goessel from his wife, Anna, on grounds of desertion.

"Now I can go back and stay with the dogs and be happy," Goessel said.
