POLICE HUNT KIDNAPER AS GIRL ESCAPES

High School Student Breaks Bonds While Man Attempts Collect Ransom

San Diego, Calif., Jan. 22.—(AP)—Kidnaped Alice Dean Divine, popular and pretty 17-year-old Lodi High School student, was back home and unharmed today after the most harrowing 26 hours of her life. Police authorities hunted over the entire West Coast for a man who tried to collect \$10,000 in ransom and gave up in fright.

The 165-pound girl athlete broke out of her bonds in a highway hotel room yesterday afternoon while the kidnaper was away. She telephoned her location to relatives in Sacramento.

State police broadcast an all-points alarm for the arrest of a man they said had used the names of Everett Westcott Stiles of Portland, Ore., and William (Bill) Gilles, identifying him as an agent for an Eastern publishing house.

Alice Dean was held under police guard until last night when she and her father were stationed across the street from a Sacramento bar in a futile effort to capture her abductor. The kidnaper was expected but failed to appear at the bar to collect the ransom.

The father, John Edward Devine, wealthy Lodi grape grower and vice president of the American Fruit Growers Association, had been told in a note the night before to be at the bar at 8 p. m. last night with \$10,000 in \$20 and \$1,000 bills if he wished to see his daughter again.

After waiting nearly an hour beyond the ransom deadline, police and FBI agents decided the kidnaper had been frightened away by newspaper stories and the girl and her father were returned home in a State Highway Patrol automobile.

The girl was whisked into the back door of the Devine home just as her mother, Mrs. Margaret Devine, told a group of newspapermen she had heard nothing of her daughter's whereabouts.

When then, "Oh, Mom, oh, Mom, she's here!"

Alice Dean, rushing into the house, threw herself into her mother's arms with a cry, "Oh, Mother," and then ran upstairs. She was disheveled but apparently unharmed in any way.

Alice Dean disappeared at 7:30 p. m. Monday after leaving a Lodi photographic studio where she had gone to have her picture taken.

Lodi Police Chief Clifford L. Pore said when the girl left the studio the kidnaper placed her in an automobile, bound and gagged her after threatening her life with a knife and a revolver and drove her to the hotel outside Sacramento.

There she was held, trussed on the bed, while the kidnaper stood watch until about noon yesterday when the chief said. When the abductor left, presumably to receive the ransom, Alice Dean effected her escape.

Capone Reported "Much Improved"

Miami Beach, Fla., Jan. 22.—(AP)—Al Capone, fighting a battle with death, was reported as "much improved" today by his physician, who added, however, that he was "definitely not out of danger."

The former king of the underworld suffered a stroke at his palm-fringed estate early yesterday but rallied last night.

Dr. Kenneth Phillips, who has treated Capone for paralysis since 1940, visited the 48-year-old gang lord of prohibition days for 20 minutes this morning. "We would do better to pay the bill, whatever the cost, for that would still be a part of the cost of the war."

The secretary offered no specific proposals but said it is vital that

Capone was unconscious after being stricken about 4 a. m. yesterday and his death was expected momentarily, but last night Dr. Phillips reported that he had regained consciousness and "continues to improve."

GM Hikes Price On Luxury Cars

Detroit, Jan. 22.—(AP)—Price increases in General Motors "luxury" models were described today by company officials as means of meeting cost hikes.

The price boosts affect convertible and station wagon models in the Cadillac, Buick, Oldsmobile and Pontiac lines. The company said, however, that there would be no increases on Chevrolet or any of its "volume" models.

The fact that no price change is being made in Chevrolet, GM's heaviest producer, was interpreted by industry sources as indicating General Motors' acceptance of the implied challenge laid down in the recent reduction of Ford car prices.

House Hands Deficit Problem Over To Justice Department

Washington, Jan. 22.—(AP)—The House leadership handed to Attorney General Tom Clark today the problem of deciding what action should be taken as a result of the \$125,563.73 shortage in the congressional "bank."

The deficit was uncovered by an official audit of the accounts of Kenneth Romney, former sergeant at arms. The findings were sent to Clark by Speaker Martin (R-Mass.), "for possible recovery and whatever action he deems necessary."

The Justice Department said Clark will assign the report to the proper officials some time today. The results of the audit left the

House lawmakers, who use the sergeant at arms office as a bank, facing the prospect of digging into their own pockets to make up at least part of the shortage.

The report submitted by Comptroller General Lindsay Warren and made public by Martin gave this accounting of the missing money: \$22,065 in checks issued by Romney and payable to "cash" but never banked.

\$8,000 in checks signed by H. A. McKenzie, a former employe of the sergeant at arms office, one for \$7,500 not banked and one for \$500 cashed by the Huntington National Bank, Columbus, O., and drawn on the sergeant at arms.

\$64,573.12 in checks of J. H. Smithwick, a Maine member of Congress.

Congressional biographies list John Harris Smithwick as a Democrat who served in the house from Florida from 1919 to 1927, and who was in the real estate business in Fort Myers, Fla., and Washington, D. C.

\$1,375.62 in orders on the sergeant at arms by Camp Pickens, identified in the report only as a "promoter." Some of these orders were signed by Pickens and endorsed by John Foscutt, secretary to former Representative McJully, who was not further identified.

A receipt for \$25,066.48, dated November 14, 1936, and signed by J. J. Mahoney, former bookkeeper for the sergeant at arms, reading: "I, Frank J. Mahoney, have taken from the sergeant at arms office the amount of \$25,066.48."

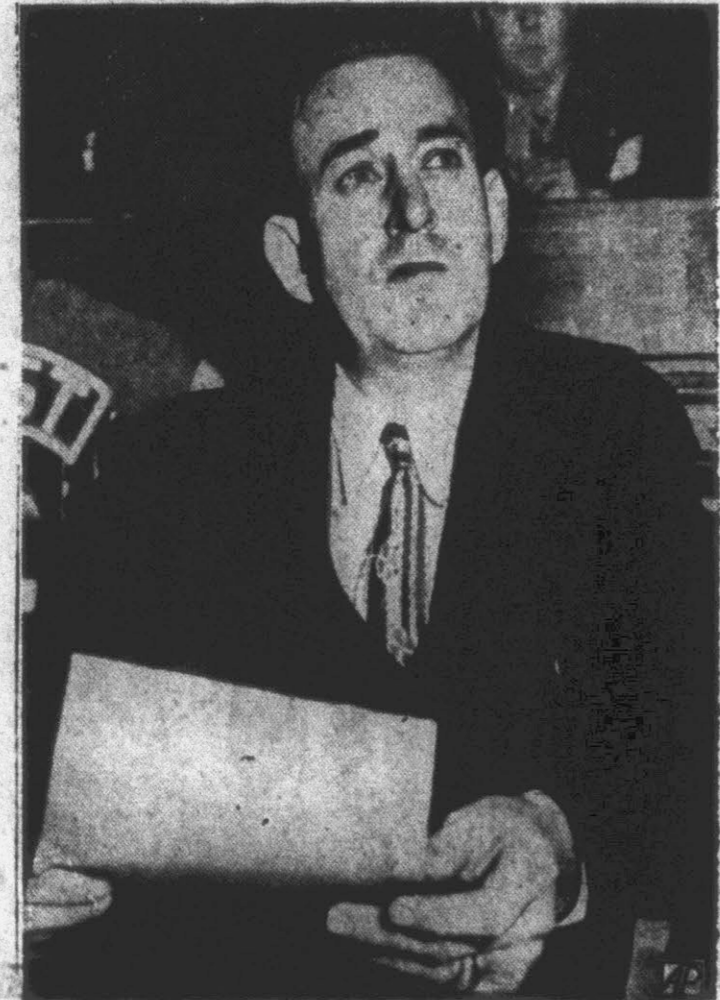

The balance of the shortage—\$4,582.51—was made up of overdrafts of present members of the House. Martin said these will be made good.

The audit report said some of the checks drawn on commercial banks "never had been presented for payment and others had been returned as being uncollectible."

There was no explanation why the sergeant at arms office had not deposited some of the checks in the banks against which they had been drawn, nor why it had not been pressed for payment of those returned as uncollectible.

Romney could not be reached for comment.

Claims Status Recognized

M. E. Thompson, who is battling with Herman Talmadge for the governorship of Georgia, said that Gov. R. Gregg Cherry of North Carolina, president of the Southern Governors Conference recognized him as the official chief executive of Georgia by referring to him for the hearing of an extradition matter on a prisoner, asked to be returned to the State of Georgia on requisition of Governor Arnall before he resigned.

WOULD REVISE FARM SUPPORT

Clinton Anderson Warns Against Over Production In Program

Washington, Jan. 22.—(AP)—Secretary of Agriculture Clinton P. Anderson suggested today that the government's promise to support farm prices be revised to avoid a possible outlay of more than \$2,000,000,000 and wasteful overproduction.

Any changes should be made, he said, only by mutual consent of farmers and the government.

In a statement presented to the House Agriculture Committee, Anderson said the price-support commitment, which runs to the end of 1948, encourages production for a wartime pattern of demand.

"I am not suggesting for an instant," he said, "that we back down from the spirit of the government's commitments to farmers. That would be unthinkable. We would do better to pay the bill, whatever the cost, for that would still be a part of the cost of the war."

The secretary offered no specific proposals but said it is vital that

Immigration Blues

Log-Jam Of Foreign Applicants For Entry Into The U. S. Runs Into Millions; Shipping Bottlenecks And Clerical Difficulties Said Responsible

Washington, Jan. 22.—(AP)—Delays of up to ten years are faced by Europeans seeking to come to this country as immigrants.

That much time may elapse for some before they can hope to obtain passport visas from overworked American consulate staffs.

State Department officials made the estimate today. It was prompted by an Athens report that 100 candidates had registered there for every place on Greece's quota for next year.

Back In Harness

Washington, Jan. 22.—(AP)—Former President Herbert Hoover today accepted an assignment to undertake a survey of food problems in the joint U. S.-British zones of occupied Germany and Austria.

Hoover said he plans to fly to Europe the latter part of next week, if possible, to start his inspection tour.

He announced his acceptance of the task after a conference with Mr. Truman.

THOMPSON HAS OATH UPHELD

Talmadge Group Meets First Defeat In Georgia Senate

Atlanta, Jan. 22.—(AP)—Herman Talmadge's legislative forces sustained their first defeat in the General Assembly today when they failed to expunge from the Senate Journal the oath M. E. Thompson took as acting governor.

The Senate, by a 27-27 tie vote, thereby ordered the Journal to show that when Thompson took the oath as lieutenant governor last Monday he also swore in a surprise move to uphold the constitution in exercising executive powers of state.

The Talmadge group was beaten down today only after the president pro tem William P. Dean of Congress, presiding over the session, ruled that he was entitled to vote and cast it to allow the disputed oath to stand. Dean then ruled that since a tie vote existed the Journal was adopted as read.

This was now clear for Herman Talmadge, if he so desires, to put an issue of who is the real governor before the Supreme Court within 20 days, Attorney General Eugene Cook said today.

The attorney general, who has ruled that the Legislature had no right to elect Talmadge governor, said that Talmadge appointment of Andrew J. Whitehurst of Thomas County as a solicitor general offered an opportunity for a speedy court test.

All that Talmadge has to do, Cook said, is to bring quo warranto proceedings against J. B. Edwards, whom retiring Governor Ellis Arnall appointed to the job. Such an action, Cook said, can be heard in the lower courts within 10 days and appealed to the Supreme Court within another 10 days.

Sugar Controls Extension Seen

Washington, Jan. 22.—(AP)—Chairman August H. Anderson (R-Minn.) predicted today the House Food Shortage Investigating Committee will recommend extension of sugar rationing and price control.

Sugar producers, refiners and handlers have joined the Department of Agriculture in urging that the reins be kept on until there is more improvement in world supply, probably a year from now.

Unless Congress acts, rationing will end April 1 and price ceilings July 1.

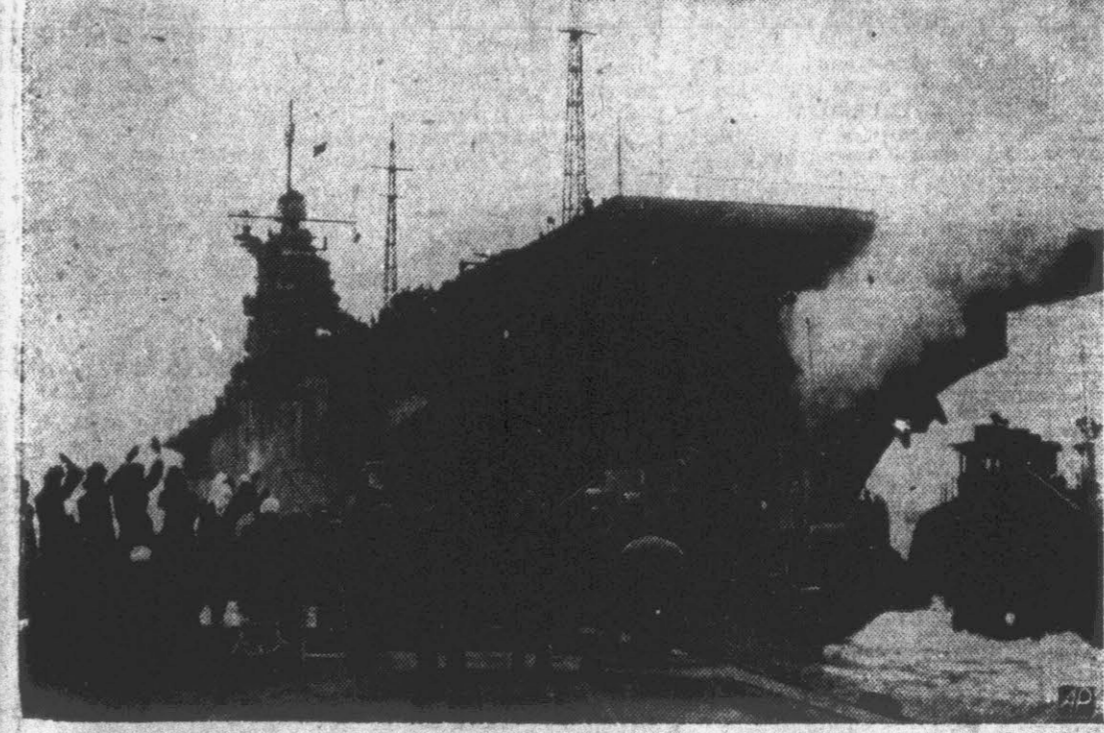

Representatives of the Agriculture Department and the sugar industry told this committee yesterday the ration probably will be increased this year by 10 pounds per person from 25 pounds to 35—and that industry will be permitted to use 80 per cent as much as in 1941 instead of 60 per cent.

Continue Hunt For Two Missing Youths

Rocky Mount, N. C., Jan. 22.—(AP)—The death toll from the plunge of an automobile into Swift Creek near here Monday night remained at three today as Nash County authorities continued their search for two youths who were feared to have drowned also.

The missing youths, Omega Baker, of Whitaker, Route 2, and Ben E. Harris, of Tarboro, were last reported seen with three other boys whose bodies were recovered yesterday from the flood-swollen creek.

GUARANTY HAS RECORD YEAR

Holds 46th Annual Meeting; Directors Are Re-Elected

Guaranty Bank & Trust Company, established in 1901 and operating branches in Belhaven, Bethel, Greenville, Hamilton, Elizabeth City, Robersonville, Snow Hill, Vanceboro, Washington and Williamston, in Eastern Carolina held its 46th annual meeting in Sheppard Memorial Library yesterday.

Prior to the meeting the bank entertained at luncheon 48 of its officers, directors, branch cashiers and their board managers at the Rotary Building.

W. H. Woolard, president, presided and called on Mr. J. S. Ficklen, chairman of the board, who addressed the meeting. Mr. Ficklen made timely and pertinent remarks in reference to pertinent remarks in agricultural products and commodities, at the same time expressing enthusiastic optimism for the future of the bank under the leadership of its officers, directors and board managers. His remarks contained a word of caution to the officers to be ever on the alert for changing conditions.

President Woolard reported to the stockholders that during the year the common capital of the bank had been increased from \$300,000 to \$500,000, and that 31 percent in earnings had been made during 1946, the same percentage as was made in 1945 on the lower capital. He reported that the deposit totals of the year's end were the same as the 1945 year end, although there was a drop of \$4,500,000 in Government deposits, which meant there had been an increase of \$4,500,000 in individual and corporate deposits.

He stated that the bank had been aggressive in seeking good agricultural, real estate, collateral and other loans, and had continued its conservative investment in Government securities with average maturity of less than 3 years. He advised that the preferred stock of the bank had been retired during the year, and that the West End branch was under construction on Dickinson Avenue with hopes of being ready for business at a comparatively early date.

The report of J. H. Waldrop, vice-president and cashier, showed that the bank had earned and paid a 10 percent cash dividend during the year and added \$89,000 to the undivided profit account, in addition to ample provision for income taxes and other reserve accounts.

Mr. J. H. Moye, trust officer, reported a substantial increase in the assets of the trust department which are not reflected in the bank

Axis Sally Is Again Arrested In Germany

Frankfurt, Germany, Jan. 22.—U. S. army intelligence officers today said Edith Gillars, better known as "Axis Sally," was re-arrested here today on orders of the Department of Justice in Washington.

The American woman, who originally was arrested for pro-Nazi broadcasts during the war, was released recently.

Bandit Business No Good For Amateur

Oakland, Calif., Jan. 22.—(AP)—James R. Cruz, 27, was no great shake at the bandit business, he told an Alameda County judge yesterday placed him on five year probation.

"I tried to hold up two women. They laughed at me," Cruz explained. Then, his story went, he hitched a ride with a motorist, who when confronted with a gun promptly drove his automobile into a telephone pole.

Cruz fled and later gave himself up.

Tax Solution To Back Pay Suits

SENATE PROBE BOARD VOTED

Democrats Lose In Show Of Strength; Committee To Continue

Washington, Jan. 22.—(AP)—The Senate overrode Democratic objections today and voted to continue its special war investigating committee until Jan. 31, 1948.

Approval on a 49 to 43 vote of a resolution extending the life of the inquiry group marked a clear-cut victory by the controlling Republican majority over the Democrats.

The latter had contended that the special committees violate the spirit of the congressional reorganization act. Republicans disputed this.

Earlier the Senate had rejected a move to turn the investigating authority over to the standing expenditures committee.

Democrats, in the minority for the first session in 14 years, put everything into today's test. Party chiefs looked to it for an indication whether they may be able to break into Republican ranks on other big issues in the future.

The Democrats started with a numerical handicap of 44 members to the Republicans' 51. But they calculated that if they could swing five or six Republicans to their side, in a favorable attendance situation, they might pull through.

Republican Senators Tobey of New Hampshire, Aiken of Vermont, and Cooper of Kentucky attended.

Convict Marine In Peiping Trial

Peiping, Jan. 22.—(AP)—Marine Cpl. William G. Pierson was convicted by a N. S. naval court today of raping a 19-year-old Chinese girl but will not learn the penalty for some time.

After announcing its verdict, the seven man court adjourned to deliberate on the sentence. It will not be announced until passed upon by Maj. Gen. Samuel L. Howard, commander of U. S. Marines in North China. Life imprisonment is the maximum.

Pierson, 23, who had sat stoically through four days of testimony and argument but did not testify, blushed at the verdict. Then his face turned a bright red.

Recognition Of Spitsbergen As A Valuable Military Base; Defense Moves By U. S. And Russia In Arctic Wastes; Background Of Island Now In News

Spitsbergen, main island of the Svalbard group toward which Moscow is making passes, had been operating as an organized community for only 17 years when the Russians first began to covet it.

That was during the first World War, when the last czar wanted to buy out the private Norwegian coal owners, who had gone in along with British and American developers after 1900. The only objective then for a Russia which was only slightly interested in the northern shipping routes, was the nine to ten billion tons of coal which are estimated to lie beneath the frozen surface.

Now Spitsbergen, which became a legal entity for the first time in 1921 by a treaty under which the world powers accepted Norwegian sovereignty, reflects the impact of world affairs from several facets.

Soviet Russia first asked Norway to cede parts of Spitsbergen in 1944

Treasury Rules Back Wage Claims Under Portal To Portal Suits May Be Charged Against Taxes For Years Involved; Navy Faces Staggering Liability

Washington, Jan. 22.—(AP)—The treasury ruled today that employers who have to pay back wage claims under portal to portal suits may charge the payments off against taxes for the years involved.

Since corporate taxes are considerably higher through 1945 because the excess profits tax was then in effect, the ruling means much higher refunds than would be the case if the deductions were taken from current tax rates.

The excess profits tax is a net levy of 85.1-2 per cent on corporate earnings above the 400,000 average.

The regular income tax for corporations through 1945 was 40 per cent. Effective with 1936 earnings, corporations pay a regular rate of 38 per cent and an excess profits tax.

The treasury ruling was announced by Secretary Snyder as a Senate judiciary subcommittee continues hearings on legislation to void or limit back pay portal suits.

Assistant Secretary of the Navy W. John Kenney told the subcommittee the navy faces a possible \$720,000,000 liability for portal pay claims under its wartime cost-plus fee contracts.

In addition, he said, the possibility of a substantial liability arises from another type of contract the has defied efforts to estimate. He referred to fixed price contracts with clauses covering increases in labor costs.

Undersecretary of Commerce William C. Foster testified that portal pay suits may force millions out of business even if full amount claimed is not allowed.

"Most of the suits are filed for a figure far beyond the highest anticipations of recovery by the employees," Foster said, expressing belief that in many cases the courts will find the amount claimed "entirely unreasonable."

War Department officials said yesterday that army cost-plus contracts might entail a loss up to \$500,000,000 if back pay claims do prove successful.

Kenney said it was staggering to conceive of the task which would

SENATE GROUP ASK MARSHALL GIVE POLICIES

Foreign Relations Committee Emphasizes Desire To Cooperate

Washington, Jan. 22.—(AP)—Secretary of State George C. Marshall has been invited to give the Senate Foreign Relations Committee a comprehensive outline of his views on American foreign policy.

But Chairman Vandenberg (R-Mich.) extended the invitation in such a way, it was learned today, as to emphasize the committee's desire to cooperate fully with the new cabinet officer in the conduct of his work.

Marshall was asked to appear at his own convenience and some committee members said it would be all right if he did not find it convenient to testify until after the Big Four foreign ministers' meeting at Moscow. The general assumption is that Marshall will attend the Moscow meeting, even though he left the question open temporarily.

He buckled down to his first full day's work at his big mahogany desk in the State Department with praise still being heard from both Republican and Democratic members of Congress for his expressed determination to run the nation's foreign affairs on a non-political basis.

The statement Marshall issued shortly before he took the oath in President Truman's office yesterday was widely interpreted as not only removing the general from the list of 1948 presidential possibilities, but also indicating policy even further away from partisan politics.

Senator Bridges (R-N.H.), called Marshall's declaration a strong and wise statement.

Rep. Hallett of Indiana, House Republican floor leader, said Marshall's announcement is calculated to strengthen his hand in the great task before him.

Senator Connally (D-Tex.), former chairman of the foreign relations committee, declared the general's statement will strengthen his position as secretary of state and give added impetus to his wonderful character and reputation.

Federal Workers Exceed Ceiling

Washington, Jan. 22.—(AP)—A Senate committee seeking to whittle the federal payrolls was aroused today by word that there will be tens of thousands more government workers next July 1 than the 1,111,120 limit decreed by Congress.

As a starter in its search for possible economies, the Senate Civil Service Committee called in officials of the Indian Affairs Bureau to explain why it needs nearly 12,000 employees to care for some 300,000 Indian wards of the government.

The question was raised by Chairman Langer (R-ND) after hearing testimony yesterday by Civil Service Commissioner Arthur S. Fleming that loopholes left by Congress itself are to blame for failure of its proposed payroll "ceiling" to stay put.

Anzio Cost Told By Nazi General

Marburg, Germany, Jan. 22.—(AP)—Field Marshal Albert Kesselring says he lost 40,000 German troops in his bitter failure to drive American and British forces from the Anzio beachhead in the bloody battle which began just three years ago today.

"Anzio was the enemy's epic of bravery, just as ruined Cassino was ours," said the former German commander in chief in Italy in a special prison camp interview revealing briefly the hectic Anzio campaign which started at 2 a. m. Jan. 22, 1944.

Sixty-one year old Kesselring, haggard of face, but firm of tone, was questioned by the Associated Press on the eve of his scheduled transfer to Venice to stand trial before a British war crimes court.

"Isms" Probers In Business Again

Washington, Jan. 22.—(AP)—The House committee to investigate un-American activities reopens for business today under GOP management.

In control of the committee for the first time, the Republicans are talking of ferreting out whatever Communist or other subversive elements may be at work in:

The Federal Government, the movie industry, labor unions, the fields of national defense and atomic energy; schools and colleges.

It is up to the committee to decide what would come first and how soon. But today's meeting was largely for purposes of getting acquainted and filling some gaps on the staff.

Social and Personal

Mr. and Mrs. J. R. Askew and Miss Ruth left today to spend some time in Miami, Florida.

Mr. and Mrs. Frank Usery are spending several weeks in Florida. Their present address is 835 Fourth Avenue, Gainesville, Fla.

Mr. and Mrs. Charlie Fye are in Melbourne, Florida, for an extended stay.

Edwards-Coe

Miss Ads Kathryn Coor, daughter of Mr. and Mrs. Charlie E. Coor of Goldsboro, became the bride of James Harrell Edwards, son of Mr. and Mrs. James J. Edwards of Ayden, in a candlelight ceremony solemnized at the Ebenezer Methodist Church near Goldsboro on January 18. Rev. W. C. Wilson officiated, using the double ring ceremony. Mrs. James Hearne Robinson of Smithfield, pianist, and Misses Mary Louise Jeffries and Elizabeth Coor of Goldsboro, sister of the bride, soloists, presented a program of wedding music prior to the ceremony. The traditional wedding marches were used.

The bride, given in marriage by her father, wore a gown of white silk, fashioned with sweetheart neckline and long sleeves ending in points over the hands. The full skirt ended in a long train. Her veil of illusion fell from a Juliet cap of aged pearls. Her bouquet was of white roses centered with a white orchid.

The matron of honor, Mrs. H. M. Morris, Jr., of Kinston, wore a gown pink net and taffeta and carried a arm bouquet of carnations and roses. The bridesmaids were Misses Virginia Smith of Charlotte, Mattie Grace Alderman, Clinton, Ruby Rose Ellis, Goldsboro and Mary Helen Vinson, Clayton. Their dresses, made like that of the matron of honor, were of blue net and taffeta. They carried bouquets of pink roses and snapdragons.

Ushers were Wiley Ray Hardee and Otis Stokes of Ayden, Roy Page Gaskins, Grimesland, and George Loren Edwards, Durham, James J. Mills of Greenville, brother-in-law of the groom, served as best man.

The mother of the bride wore a dress of dark crepe with a corsage of red roses. The mother of the groom wore a aqua crepe model with a corsage of roses.

Following the wedding, the couple left for a trip to northern points, after which they will be at home in Wilson, where the groom will resume his work at Atlantic Christian College. For traveling the bride wore a suit of blue gabardine with winter white accessories. Her corsage was the orchid lifted from the bridal bouquet.

Mrs. Edwards is a graduate of Atlantic Christian College, Wilson. Since her graduation she has taught in Johnston and Franklin counties, worked as secretary to the Centenary Methodist Church in Smithfield, and was employed one summer with the Bank of Wayne in Goldsboro.

Mr. Edwards attended Atlantic Christian College and served two years as engineer with the Merchant Marines.

Forty Years Ago Today

THE DAILY REFLECTOR

January 22, 1936

The government ginner's report issued today places the cotton ginned up to and including the 16th, at 12,167,000 bales.

This morning had a snowy feeling.

This is the glorious season when a cent's worth of flowers cost a dollar.

The "short change" artists are in the city and merchants will go well to look out for them.

At 1 o'clock to the members. Following the luncheon Mrs. W. G. Norman gave an interesting and enlightening talk on "Old Homes of North Carolina." Mrs. Norman also showed many lovely pictures of old homes in North Carolina which made all native Carolinians proud of their state. After books were exchanged the meeting adjourned.

Eastern Star More than fifty members of the Eastern Star were present at their regular meeting last night for the official visit of Mrs. Florence Lewis and Dr. J. Frank Duke, district deputy grand matron and grand patron.

Mrs. Daisy Whitehurst, worthy matron, and Mr. T. A. Etheridge, worthy patron, presided over the meeting.

Mrs. Lewis made a splendid and instructive talk on the exemplification of the work and also made a report on the accomplishments of the district this year. She closed her speech with an appropriate poem which covered the teachings of the order. Mrs. Godfrey Oakley then presented Mrs. Lewis with a gift on behalf of the chapter.

Dr. Duke made an inspiring talk, bringing a real message on the meaning of the Order and stressing in detail the obligation of each member. He pointed out the worthwhile achievements in the Eastern Star and Masonic Home and Oxford Orphanage which are a source of pride to all members. Mr. A. T. House presented Dr. Duke with a gift from the chapter.

The chapter was honored to have Mrs. Maude Baynor Foy of Kinston, grand representative of Grand Chapter of North Carolina, also present. Mrs. Foy made a short talk, commending the deputies on their work this year. She was presented with a gift from the chapter by Mrs. Ruland Overton.

Mrs. Frank Duke of Washington was also a guest at the meeting.

At the conclusion of the meeting delicious refreshments were served.

Chatham Book Club Mrs. Richard E. Hardaway, guest speaker, at the Tuesday afternoon meeting of the Chatham Book Club reviewed Gladys Schmidt's "David, The King." Mrs. F. A. Bendall, acting program chairman, introduced the speaker.

Mrs. E. R. Conway, Jr., was hostess to the club. Mrs. Sam Glenn, mother of Mrs. N. S. Beard, was a guest. Red berries decorated the Conway home, lending a welcome touch of warmth, gaiety and color. A delicious sweet course with coffee was served prior to the program and business meeting.

A poem, the author's prelude to her book, was Mrs. Hardaway's medium for introducing her subject and creating the attention of the group. To build perspective, the speaker gave a vivid word picture of David, basing her delineation on Biblical references. She chose from the author's portrayal of David's character his relationship with three women, to create interest in her style and to emphasize the human side of David depicted in the book, contrasting it with the usual characterization of David as a man of God.

Mrs. S. H. Williams, president of the club, presided over a short business session, marked by routine procedure and exchange of books.

Square Dance At Ayden A square dance will be held in the Ayden High School gym on Thursday, January 23, at 8 o'clock. The proceeds will go to buy refrigerators for the lunch room.

Future Homemakers Meet Future Homemakers of Winterville entertained the High School enjoyed a supper at the home of her Respers' Saturday night to which the guests were also invited.

Officers of the club are Barbara the hostess and invited into the fire-Dial, president; Ann Worthington, the living room which had a lovely arrangement of early spring flowers; right, secretary, and Annie Bruce. A beautiful luncheon was served. House, treasurer.

Miss Alva Ray Taylor, home economics teacher, is club adviser. There were approximately 40 members and guests present.

No Presbyterian Prayer Service Prayer meeting will not be held in the Presbyterian Church tonight due to the illness of the pastor, Dr. R. S. Boyd.

BELL ARTHUR NEWS

Friends of Mrs. J. B. Nichols will regret to learn that she is still confined to her home. Mrs. Nichols underwent an operation in a Wilson hospital early in December.

Miss Helen Willoughby visited friends in Greensboro last week-end. The January P. T. A. met last Tuesday night with Mrs. G. T. Tyson, program leader, who presented Dr. R. J. Bennett of A. C. College as the speaker of the evening. Miss Edith Tyson rendered two vocal solos. After the program and business a movie was shown with the projector recently purchased by the school.

The March of Dimes drive is under way. Much interest is being manifested throughout the school. Each grade has a goal, and a chairman having each day reports charged on the bulletin board in the main hall. A movie will be shown in the school auditorium January 30 with the total proceeds going for this cause. Make your plans to attend.

The annual Home Demonstration supper for the members, their husbands and guests from the county office was enjoyed in the Home Economics cottage last Wednesday night. A color scheme of pink and green was carried out in the table decorations and throughout the cottage. Arrangements of pink gladioli were lovingly against a background of evergreen; pink burning candles cast a soft delicate glow. The food was delicious. Ask the husbands and guests. Mrs. Langford and Mr. Weeks gave talks on the value of a proper diet. Five members of the club presented a skit portraying the value of vitamin C. Mrs. B. L. Tyson, famous throughout Pitt County for her ability as a recreational leader, had charge of the social hour, which had been looked forward to by the husbands and Methodist minister since last January. Rev. Key Taylor of Wainwright, and Rev. and Mrs. L. E. Bennett were among the guests. Mrs. J. L. Cashwell is president of the local club. Those of the Christian Church

here who attended the state meeting in the interest of promoting "The Crusade for Christ" in Kinston Friday and Friday night were: Mr. and Mrs. P. S. Raspberry, Mesdames W. O. Allen, Pittman Wayne, Robert McArthur, Mr. and Mrs. Marx H. Smith, Rev. and Mrs. L. B. Bennett and son, Bobby, Misses Vonced and Barbara Mozingo, Trilby Lee Smith, Margaret O'Neal, Carolyn Raspberry, Mark Hassell Smith, Durwood Tyson, Fred McLawhorn and LeRoy Nichols, Sunday school superintendent.

The Missionary Society met Saturday at the home of Mrs. Earl Hemby with Mrs. Roy Nichols assisting hostess. Fifteen members and one visitor were present. Mrs. Bruce Strickland in presenting the first study on India was assisted by Mrs. Roy Nichols, Mrs. G. T. Tyson and Mrs. L. B. Bennett. During the social hour the hostesses served a most delectable dessert course.

After scriptural reading, hymns and prayer, old and new business was discussed. Mrs. H. R. Allen, our very efficient secretary-treasurer, read the minutes, called the roll and gave a financial report which made us all feel very good.

At little meetings like this big plans are made. Although we have had it in the back of our minds for many years to attempt an addition to the front of our church we have always hesitated. But after this enthusiastic meeting, we decided that we had too many interested citizens in Pitt County behind us not to proceed, and so we have our plans all made and they will be presented to the church membership soon. This will be the most extensive program in many years and we want every member of our church to have a great part in it. At a later date we will tell you more about it through this column.

We wish to take this opportunity to thank all of you who made this meeting such a success, especially the three musketeers, Minibonin! Thanks a million girls!

After refreshments, the circle adjourned to meet on Monday night after third Sunday.

The Youthful Workers Club will meet Thursday night at the club center at 7:30 o'clock. All young folks of the community are invited to be present.

We are looking forward with a great deal of excitement to our party at the club building Wednesday night, January 22, at 7 o'clock. The weather has cleared up quite a bit, the roads are drying off, we have two new oil heaters, so that we will have a good warm fire and so we are hoping to have a large crowd present.

A supper of chicken salad and plimento sandwiches, no dogs, hot coffee, some of the famous Allen homemade cakes, apple pie with some of that good Kittrell home-made ice cream and for extra dessert some home-made candy made by none other than Mesdames Hodges and Bright.

Mr. and Mrs. L. W. Edwards, Mr. and Mrs. Albion Bright and Mr. and Mrs. Carl Crawford will see that you have a good time playing bingo and there will be other forms of entertainment for those who do not want to play bingo.

Come on out folks and lets make enough money to connect our kitchen with the club building. All of you know how badly that needs to be done. Everybody is invited. Please come.

In spite of inclement weather a nice congregation was present at church services last Sunday. Those that braved the weather and roads were well repaid when they heard the good sermon preached by our pastor and when they saw all the beautiful gladioli and other flowers which had been arranged in the church by Mrs. Jarvis Tripp and Jarvis, Jr. The glads were a gift from Mrs. Tripp's daughter, Grace, who is living in Florida. Grace is one of our most faithful members. Even though she is far away she never forgets Red Oak Church and all her friends back home and we shall never forget her.

Friends of Fenner Leslie Allen will be sorry to learn that he was in a very serious accident last Saturday night. He received injuries about the head and legs when the car in which he was riding ran into a truck on the highway. Several others were hurt also.

Friends of Mrs. Claude Manning will regret to learn that she has been ill.

Circle No. 1 rallied to the cause last Sunday and in spite of a down-pour of rain, muddy roads, etc., eight members, their husbands and one visitor met at "Woodside" the home of Mr. and Mrs. B. L. Tyson at an early hour.

# DIMES MARCH IN FULL SWING

## Ball At ECTC Main Source For Filling Big Local Quota

The March of Dimes of the National Foundation for Infantile Paralysis is a "living memorial" to Franklin D. Roosevelt. Mr. O. E. Dowd, local campaign director of the 1947 March of Dimes, declared today:

The campaign in Greenville is now well under way. Members of the Rotary, Lions, Kiwanis and

Junior Women's Club are selling tickets to the March of Dimes Ball which will be held January 31 from 8:30 to 12 p. m. in the largest building at E.C.T.C. A good orchestra has been secured and the music is promised to please both the younger and elder groups.

Only solicitations of funds for the Cause is being made through the sale of tickets for the Ball. Support of the Infantile Paralysis Foundation could easily mean some local person from being an invalid the remainder of his life, or could even prevent a death.

Pitt County's quota is set at \$4,330 for this year.

Last year the nation saw its second greatest epidemic, with over 24,000 cases reported. In North Carolina, from 1944 to 1946, 1,151 cases were reported, and during that period \$885,576 was spent, \$635,000 coming from other states.

The average cost of treating one

case is over \$1200. A total of \$12,000,000 was spent in the U. S. for this work last year. The children of the city, realizing the need for money in waging this fight, are now devoting considerable effort to raise their share of the goal. Director of the local campaign, O. E. Dowd, in a special appeal, stated: "May we not allow ourselves to be reproached for giving 'too little and too late' if and when an epidemic strikes next summer."

### NOTICE In The Superior Court

North Carolina  
Pitt County  
Bertha Dixon Smith  
Vs.  
Arthur Smith

The defendant Arthur Smith will take notice that an action as above has been commenced in the Superior

Court of Pitt County, North Carolina, to obtain a divorce from the defendant on the grounds of two years separation; and the said defendant will further take notice that he is required to appear at the office of the Clerk of the Superior Court of Pitt County, in the courthouse in Greenville, North Carolina, within 20 days after completion of publication hereof, and answer or demur to the complaint in said action, or the plaintiff will apply to the court for the relief demanded in the complaint.

This the 3rd day of January, 1947.

### Weak, Watery Blood Blamed for Making Men and Women Look and Feel Older THAN THEIR YEARS

How do you feel at the end of a day? Is that old time pep and drive lacking? Have you checked-up on your blood strength lately? Thousands now regaining glowing good looks and vitality through the release of vibrant energy to every muscle, fibre, cell.

Every day—every hour—millions of tiny red-blood-cells must pour forth from the marrow of your bones to replace those that are worn-out. A low blood count may affect you in several ways: no appetite, underweight, no energy, a general run-down condition, lack of resistance to infection and disease.

To get real relief you must keep up your blood strength. Medical authorities, by analysis of the blood, have by positive proof shown that SSS Tonic is amazingly effective in building up low blood strength in non-organic nutritional anemia. This is due to the SSS Tonic formula which contains special and potent activating ingredients.

### Relief At Last For Your Cough

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and all nature to soothe and heal raw, tender, inflamed bronchial mucous membranes.

Creomulsion blends beech wood creosote by special process with other time tested medicines for coughs. It contains no narcotics. No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. (Adv.)

Mr. Walter Aldridge, father of Mrs. Thelma Lawrence, died at 2:10 last night in his home, 807 Queen street, New Bern, N. C.

Funeral arrangements are incomplete.

Reorganization of Home and Foreign Missionary Society A. M. E. Zion.

In the absence of the district president, Mrs. C. M. Spaulding, the district secretary, Mrs. Etta Dupree, of the young women's department reorganized the missionary parent body for 1947. All officers were re-elected with a few new ones made. Before presenting each officer with their goals for the year Mrs. Dupree gave the group a very inspiring talk on what the missionary can do to help further the cause of missions. She asked to let their first steps be to build up a good home mission and then automatically a good foreign mission will follow. She asked that they do all in their power to increase the membership of their society. She urged that they study the

plans carefully and prayerfully for the new year and follow them. Observe the week of prayer. Visit every sick home regardless of who it is. Visit and worship with as many rural churches as possible, regardless of denomination. Raise a little sinking fund to send to annual conference to help some rural preachers who are behind in their reports, and make a round report for foreign missions. After Mrs. Dupree had placed the goals in each missionary's hand that they were to reach during the year, she made a prayer that was very touching as she asked God to be their shepherd and lead them over rough ways and asked for needed strength when he saw the burden was too heavy.

As a lighted candle was placed in each missionary's hand by Mrs. Dupree they softly sang, "A Charge

# EDENTON WINS OVER LOCALS

## Phantoms Drop 23-21 Verdict in Second Conference Defeat

Playing under conditions far from conducive to good basketball, Coach Parley's Phantoms lost a hard-fought 23-21 verdict to Edenton in the second conference loss against the Phantoms.

It was an uphill battle all the way for Greenville, as Edenton, favored by superior height and a slipper floor, took an early 9 to 2 lead. The Phantoms got started better, by halftime, the Pitt boys had evened it up by bringing the score to 10-10.

In the second half, the Phantoms ahead 17 to 16 at one

point and then lost the lead again. Then with about one minute to play, the Greenies forged to a 21 to 20 margin, only to have an Edenton player steal the ball and dribble up the floor for a shot which he missed, but a teammate just behind him followed it for the basket that won the game. Edenton added another free throw which was superfluous but made the score 23 to 21.

Henry Turner was high man for the Greenies with eight points.

## Eppes Quints In Double Victory

Eppes High scored a twin win over Goldsboro High (Dillard) here last night. Eppes girls won by 22-7 and Eppes boys won 33-20.

Julia Calhoun, Molly Harris and A. Grimes held the Dillard girls in check for only one free throw during the first half, while Captain E. Chitry, Mattie Forbes and Mary Harris pulled in 14 points. Coach Grimes used his entire squad in the contest which marked the return of Mary Harris to the squad after an illness.

Clach Murrill's boys, seeking revenge for a football defeat, caught up with the fast-breaking team from Goldsboro. Dillard led Eppes during the first quarter but were unable to hold their lead. J. B. Taft, Jr. led his teammates in the scoring with 17 points while Capt. Davis Hill or H. Johnson, Clemons and Streeter showed exceptional form.

Eppes' next home game will be with Williston High of Wilmington next Tuesday night at 7:30 in the Eppes gymnasium, in what is generally considered the prize contest of the season.

# PIRATES PLAY HERE TONIGHT

Close Game Seen As E.C.T.C. Tries For Twelfth Straight Win

By BILL STUBLEN

The East Carolina Teachers College basketball team will take the floor tonight in hopes of making it two straight over St. Helena Division of William and Mary College. The Pirates will also be seeking their 12th straight win of the season. Coach Jimmy Howard of St. Helena is putting his hopes on Rocky Noble of New Jersey and Marvin Blauberman of Brooklyn, who are the leading scorers of the team.

In the first meeting of the two teams, ECTC barely won out in the last minute on a field goal by Jim Taylor. The feature game which starts at 8 p. m. will be preceded at 7 o'clock by a preliminary game.

Probable starting lineups are as follows:

St. Helena	R.F.	ECTC
Freeman	L.F.	Taylor
Glauberman	C.	James
Duval	R.G.	Moye
Noble	L.G.	D. Jones
Poythress		Clarke

# N.C. Basketball

By the Associated Press

The University of North Carolina and Appalachian State Teachers gained victories last night in Tar Heel college basketball battles while Western Carolina Teachers were downed by an independent quint.

The University's White Phantoms, off to a slow start, caught fire in the second half to roll over Virginia, 63-38, at Chapel Hill. Ahead only 18-17 at halftime, Carolina started clicking behind accurate shooting by John Dillon and Jim White, who tied with 14 points each for the night's high spot. It was Carolina's seventh victory in 10 starts.

At Elkin, Appalachian's Teachers won their ninth triumph in 14 appearances, against the Chatham Blanketeers, 45-44. The Mountaineers held a 28-21 lead at intermission and then withstood a late rush by the Blanketeers in the final minutes.

Phenomenal firing by the Asheville Bombers carried them to a one-sided triumph over Western Carolina at Asheville, 83-22. Working better than in any previous appearance, the Bombers took advantage of a weakness in the catamount passing to score many of their points.

# City Recreation Board Effective

The winter program of the Greenville Recreation Commission is now in full swing three nights each week at the armory: Monday, Wednesday and Thursday nights from 7:30 to 10 p. m.

A variety of sports are being enjoyed by the young men of the city. Basketball, volleyball, badminton and shuffleboard are on the current program. If there is a demand for other team sports, the commission is reported ready to include them in the activities.

The program is not designed wholly for the experienced player; interested beginners who would like to learn have been invited to attend for training in any sport available.

The commission has given full approval for the formation of a city basketball league if there is a desire by any firms or organizations within the city to form teams. The director of the recreation program announced that he would be glad to confer with persons interested in a league on any of the three nights the armory is open.

# Leo And Laraine Back From Trip

Hollywood, Jan. 22—(AP)—The Durochers—Lappy Leo and lovely Laraine—were back today from border points, where she obtained a Mexican divorce and they joined in a Texas marriage, but they had a date with an irate California judge who warned they'd better not try living together for the time being.

Their romance reached something of a climax at Municipal Airport last night when the Brooklyn baseball manager and his bride, better known as Actress Laraine Day, disembarked from a transport plane and at least equalled the local honeymoon sprint record in the 20-yard dash to a waiting station wagon.

Later, said Justice Dockweiler, Leo phoned and asked him if it would be all right for Miss Day to return to Los Angeles.

"The jurist said he told him it would be perfectly all right, adding that as long as they don't live together there will be no bigamy prosecution."

# TRUSS EXPERTS COMING TO GREENVILLE

The Rice Rupture Service Experts, personal representatives of William S. Rice, Inc., Adams, N. Y., will be at the Proctor Hotel, Greenville, N. Car., Friday, January 24.

Every ruptured person should take advantage of this great opportunity.

The Rice Method for Reducible Rupture Control is known the world over. You can now see this Method demonstrated and have a Rice Appliance fitted to you. Absolutely no charge unless you are satisfied to keep the Outfit after having the Appliance adjusted and you see how perfectly and comfortably it holds. No harsh, deep-pressing springs; nothing to gouge the flesh and make you sore.

Wear this Appliance for a full thirty day trial and if you are not perfectly satisfied at the end of that time, return it.

Thousands have reported entire satisfaction through using the Rice Appliance. Why suffer the burden of reducible rupture worry if there is a chance to be free from it? Anyway, it will cost you nothing to come in and learn all about the Rice Method and the wonderful opportunity for help it offers. Just ask at hotel desk for the Rice Representatives and they will do the rest. Hours are 10 to 12 a. m., 2 to 5 p. m. or 7 to 9 evenings.

Don't miss this great opportunity to see these Experts.
