SENATE LABOR GROUP STARTS STUDY TODAY

Hearings Scheduled. No Bills Up For Outlawing Vital Plant Strikes

Washington, Jan. 23—(AP)—The Senate Labor Committee starts hearings today (2 p. m., EST), on a tangle of complex labor questions—but not on the question of preventing strikes in essential industries.

Not a single bill has been introduced in the Senate that would outlaw strikes in public utilities or compel unions and employers to settle their disputes short of shutdowns.

On the House side, where hearings may begin next week, several congressmen have introduced bills to prevent economy-crippling strikes by compulsory arbitration, government seizure, or by giving the courts more power over unions.

The Senate committee, opening five weeks of hearings, called first on two of its own members:

Senator James Murray (D-Mont.) and Senator Joseph Ball (R-Minn.). Murray thinks Congress should go slow in changing the labor laws. Ball proposes far-reaching changes. Senator Ferguson (R-Mich.) favors creation of a separate system of labor courts—a form of compulsory arbitration. But he has not finished work on a bill for that purpose. And the Senate committee will consider only bills that have been formally introduced in the Senate.

The main ones so far are:

1. Ball-Taft-Smith bill to set up federal mediation board with power to delay a strike 60 days; to outlaw jurisdictional strikes, organization strikes, secondary boycotts, union-controlled welfare funds, and the check-off system of collecting union dues by payroll deductions; and to require unions to register and make annual financial reports.
2. A resolution by Senator Murray and eight other Senate Democrats to create a 20-man commission that would investigate the whole labor field and recommend legislation.
3. A bill by Senator Wayne Morse (R-Ore.) to abolish the U. S. Conciliation Service and replace it with a federal mediation board outside the Labor Department (not inside the Department as provided in the Ball-Taft-Smith bill).
4. Ball anti-closed shop bill which would outlaw the closed shop and its modifications, the union shop, maintenance of membership.

Woman Arrested For Bank Holdup

Des Moines, Ia., Jan. 23—(AP)—An attractive 35-year-old mother of two teen-age daughters was seized yesterday less than an hour after she staged a daring daylight holdup of a downtown bank using as a weapon a hypodermic syringe filled with a mouthwash.

Police Chief Jack Brophy said the woman, Mrs. Opal Dixon, a waitress, signed a statement admitting the \$2,500 holdup of the Des Moines Bank & Trust Company and also the \$582 armed holdup of the United Bank and Trust Co. in St. Louis last Dec. 28.

Brophy said Mrs. Dixon would be charged with bank robbery under Iowa state law which carries a mandatory life term upon conviction.

Shortly after 1 p. m. a woman black-haired, hatless and wearing a fur coat entered the bank, went to a teller's cage and started 40 customers and 20 employees by shouting: "This is a stickup. This place is covered." Flourishing the syringe, she threatened to "blow this place to pieces."

Teller Rex Cinclo had first placed \$500 in an envelope for the robber but when she protested he placed an additional currency in it and she walked from the bank.

Musician Cleared Of Connection With Slaying

Robert Manley (left), red-headed former army musician has been released from custody by Los Angeles police who say he has been cleared of connection with the slaying of Elizabeth Short (extreme right), 22-year-old girl from Medford, Mass., whose body was found in the Los Angeles vicinity. Manley receives an embrace from his wife, Harriett, just before police booked him on suspicion. (AP Wirephoto).

Legislature Passes On Compromise Pay Plan

Both Houses Unanimously Adopt Committee's Proposal; Bonus Provision Gives Higher Rate Of Interest To Low Pay Brackets

Raleigh, Jan. 23—(AP)—Both houses of the General Assembly today adopted unanimously a compromise proposal embodying payment of an emergency bonus to public school teachers and other state employees.

Members of the conference committee said the compromise contained higher payments to persons in the lower salary brackets than were recommended in a conference report turned down by the House last week.

There were only brief explanations of the new conference report, adoption of which ended a two-week struggle over salary increases for the last six months of the biennium ending June 30.

All 14 of the conferees agreed on the compromise, which differed from the first conference report in the method of payment.

In place of emergency salaries specified in the original bill, which passed the Senate but was turned down by the House, the compromise termed the extra pay to teachers and other state employees an "emergency bonus" for services rendered and to be performed.

The bonus ranges from \$144 for persons making \$1,200 and less annually to 270 for persons making \$2,701 to \$6,600.

Conferees explained to newsmen that the net effect of the compromise was to give a higher rate of pay increase to teachers and other state employees in the lower brackets.

Byrd Helicopter Falls In Pacific

Aboard U.S.S. Mt. Olympus, Little America, Jan. 22—(Delayed)—(AP)—A new helicopter of the Antarctic Expedition crashed into the Pacific Ocean today on a takeoff from the carrier Philippine Sea but all aboard were rescued uninjured, Admiral Cruzen announced.

The helicopter was the third plane lost by this expedition. The first was a PBM Mariner which crashed with three fatalities Dec. 30. The second was a wheeled helicopter from the Pine Island of the eastern group, which was lost Sunday because its motors becameiced. Its two occupants were rescued.

The wheeled helicopter lost today was starting a reconnaissance flight in good weather when it suddenly went upside down from the carrier. Admiral Cruzen said he had no details.

Islands Economy

Puerto Rico, America's Step-Child, Trying To Build Into An Industrial Economy; Education Program; Dawdling Of New Day; Plebiscite Wanted

Puerto Rico's Governor Jesus T. Piñero says the island territory is looking to its 60,000 war veterans to lead it into an industrial economy. Piñero, visiting in Washington, said in an interview: "We cannot survive on agriculture alone. We are on the verge of beginning a vast vocational education program, starting with our veterans—with the aid of the Veterans Administration and the Department of Education." He pointed out that Puerto Rico suffers from chronic unemployment and said at least two thirds of its people live just above the starvation level. But, he continued: "Our young men were cured of their diseases and well fed in the service, and they have returned with an unusual zest and spirit. Many of them are trying to get their eighth grade diplomas, and we hope to give all a chance to educate and train themselves to the level they desire. We are counting heavily upon their help in our efforts to bring industries to Puerto Rico." The industrialization effort already has started in a modest way, Piñero says. The new enterprises include: A second cement plant, erected by private industry, to supplement government-built plant. A glass factory to manufacture all the bottles it needs for its major product rum. A paper-board factory, manufacturing containers from cane fiber. A shoe factory. A clay products factory. Puerto Rico also has decided to

WRONG MAN IS PICKED UP IN KIDNAP HUNT

Picture Identified By Girl; But Admits Mistake On Seeing Suspect

Los Angeles, Calif., Jan. 23—(AP)—Lodi Police Sergeant Pat Coon told reporters that Alice Dean Devine saw Earl Shelton, 40-year-old San Francisco ex-convict, at a secret meeting early today and said "this is not the man" who kidnaped her Monday night.

Coon said members of the Devine family accompanied Alice Dean to the 2 a. m. (P.S.T.) meeting, which Coon arranged after accompanying Shelton to Lodi from San Francisco last night. Mrs. John Edward Devine, the girl's mother, also declared Shelton was not the man sought, Coon said.

Earlier, the pretty 17-year-old daughter of a wealthy Lodi vineyardist had said Shelton's picture "looked like" the man she had kidnaped and held her for \$10,000 ransom.

Shelton, a photographic and model studio operator and dancing teacher in San Francisco, made the trip voluntarily and appeared with Coon at the interview in police headquarters here.

After the interview Shelton said he was returning to San Francisco. When he heard he was wanted for questioning in the case Shelton (Continued on Page Eight)

GERM WARFARE UNDER WRAPS

Army Stops Talk On Project Still In Laboratory Stage

Washington, Jan. 23—(AP)—The Army, startled by public discussions of germ warfare in recent months, has closed off the whole subject under a "no talk" policy.

While the desire for secrecy is understood to be an important factor in banning further reference to a weapon rated by some scientists as equal to the atomic bomb, some quarters in the Army also have been concerned over what they regard as extravagant statements about research progress.

This attitude is in line with a prevailing school of thought at the Pentagon—that the public is placing too much confidence in "push button warfare" when much of it still is in the laboratory or drawing board stage.

However, instructions which have come from top levels prevent bacteriological warfare experts from explaining their reasons for believing the present status of the weapon is over-rated in the public mind.

The War Department during the last year has officially disclosed some information bearing on its research in germ warfare. This has included the fact that (a) the study has been centered at Camp Detrick, near Frederick, Md., and (b) that both laboratories and a "pilot plant" were built there during the war.

The reference to a "pilot plant" has been assumed to mean that some of the toxic agents had reached the point of development (Continued on Page Eight)

W. Averill Harriman Get Committee Okay

Washington, Jan. 23—(AP)—The Senate Commerce Committee today unanimously approved President Truman's nomination of W. Averill Harriman as Secretary of Commerce, succeeding Henry Wallace.

Chairman White (R-Me.) told reporters Harriman denied before the committee in a closed meeting that there was a conspiracy among railroads to fix rates discriminatory against the West.

Seven Charged With Attempted Bribery

Washington, Jan. 23—(AP)—The FBI announced today the arrest of seven men in New York City and Columbia, S. C., on charges of conspiring to bribe a War Assets Administration official.

FBI Director J. Edgar Hoover said the men tried to bribe the WAA official at Columbia to give them preferential attention in the purchase of nearly \$1,000,000 of steel and women's and men's clothing.

The WAA official, Hoover said, was asked to open bids on surplus goods so the group could submit the right bid. The official, who was not identified, worked with FBI agents on the case, Hoover said.

Thompson Retains Use State Executive Funds

Atlanta, Jan. 23—(AP)—M. E. Thompson announced today he had been recognized as "acting governor of Georgia by the Fulton National Bank of Atlanta which cashed a "without question" the first executive check drawn since he took office.

Thompson said the check, for \$50 for postage and had been presented in person by Phil Landrum, Thompson's secretary of the executive department. It was drawn against approximately \$97,000 which was turned over to Thompson by retiring Governor Ellis Arnall.

Herman Talmadge, rival "governor" by virtue of election by the Georgia General Assembly said yesterday in a news conference he expected to have custody of the executive funds in time to meet his payroll February 1. Thompson today said: "I think the answer is Mr. Talmadge."

Grand Jury Indicts Former Legislator From Kentucky

Andrew J. May, Henry And Murry Garsson And Joseph Freeman Charged With Conspiracy To Defraud Government; May Continues Claim Of Innocence, Will Be Ready For Early Trial

Washington, Jan. 23—(AP)—Attorney General Clark announced today the indictment of former Rep. Andrew J. May and three officials of a wartime munitions combine on charges of conspiring to defraud the government.

Clark said those named with May in the indictment returned by a grand jury here, are:

Henry M. Garsson, Murry Garsson and Joseph F. Freeman, all former officers and employees of the Erie Basin Metal Products, Inc., Elgin, Ill., and of Batavia Metal Products, Inc., Batavia, Ill.

He said one count charges that May, wartime chairman of the House military service, "did agree to receive" from these firms "a total of \$5,634,071."

May was defeated in last fall's election after a campaign in which his relations with the Garsson brothers had figured. May at the time had served in Congress since 1939.

The indictment was returned to Chief Justice Bolivar Laws of the Federal District Court.

Clark said that a conviction under the conspiracy statute provides for a maximum of \$10,000 fine and for imprisonment of not more than two years.

The Senate war investigating committee inquired at length last summer into relations between the Garssons and May.

The story goes: The Garssons organized 19 firms into a combine which received more than \$78,000,000 in war contracts. Joseph Freeman was Washington representative for the group.

May actively pressed war department officials to give contracts to the Garsson firms.

The Congress member never testified publicly at the Senate committee's hearings, but acknowledged in public statements that he interceded with the War Department in behalf of the Garsson firms.

He said he never received any payment and was motivated solely by a desire to aid the war effort.

Prestonsburg, Ky., Jan. 23—(AP)—Former Rep. Andrew J. May said in a statement today on his indictment on a charge of conspiracy to defraud the government, "I am not guilty. I have done nothing wrong, and have not violated any law."

The former chairman of the House military committee referred to the indictment of himself and three officials of a war time munitions combine.

First Verdict In Pay Suits Belet

Washington, Jan. 23—(AP)—The Justice Department said today that the famous pay suit of the SAC, Clements (Mich.) Pottery Company's employees should be dismissed unless new evidence gives more substance to their claims.

The Justice Department took its stand in a brief filed with Federal Judge Frank A. Peard, the trial judge whose original finding in favor of the pottery employees was sustained by the Supreme Court. The brief was filed with Judge Peard in New York, where suits are trying cases.

The principle he set forth—and which the Supreme Court upheld—is that workers are entitled under the wage-hour (40-hour week) law to pay for time "controlled" by employers. That means time spent on the company's property in preparing for actual productive work as well as the time spent in productive work itself.

Union In Infancy

Foremen's Association Of America, An Independent Union Which Grew Up During The War, Works For Recognition; Story Of Its Struggle To Live

Washington, Jan. 23—(AP)—An infant but lusty union is fighting for its life on Capitol Hill. While older labor organizations are battling against restrictive legislation, the Foremen's Association of America (FAA)—an independent union which learned to walk during the war—is contending for its very existence.

The foremen's union also may be spanked down by the Supreme Court, which on January 9 heard arguments in the first clear-cut test of this question: Whether supervisory workers should have the same right to be represented by a union as rank and file production workers.

Among the 30-odd measure already introduced in the new Congress dealing with labor several would remove foremen from the mass of employees whose organiza-

GREECE LISTS REPARATIONS FROM GERMANY

Present Note To Big Four Deputies; Big Compensation Demanded

London, Jan. 23—(AP)—Greece sought today to exact "the highest possible level" of reparations payments from Germany for the ruin wrought by the Nazis in the war.

A Greek note was presented to the deputies of the four-power foreign ministers council drafting the German and Austrian treaties. It asked payment "in the shortest possible time" of reparations from current German production, including 500,000 tons of coal annually, and also sought restoration of Greece's pre-war tobacco market in Germany.

The Greek claims were added to those of other victims of Nazi aggression as the deputies faced a showdown on Soviet opposition to an Australian demand for full participation by the smaller nations in drafting the two treaties.

Greece asked for German property in Italy and Austria as part payment, a share of seized German war (Continued on Page Eight)

Taber To Re-Survey Spending Programs

Will Balance Federal Budget "This Year"; Sledge-hammering Tactics Told; Raps Over Staffing Of Government Offices

Washington, Jan. 23—(AP)—Rep. Taber (R-NY), said today he intends to balance the federal budget this year.

Taber, chairman of both the House appropriations and joint Senate-House budget committees, already has disclosed plans to (1) use a sledgehammer on the 1948 budget and (2) re-survey all 1947 spending programs which still are awaiting actual outlays of money.

Today Taber said he will go one step further—by digging into appropriations actually voted by the last Congress. The objective will be to recapture some of the money not yet spent.

The treasury now estimates current year spending at \$42,500,000,000 and revenues at \$40,200,000,000, leaving a deficit of around \$2,200,000,000.

Mr. Truman's \$37,500,000,000 budget for the fiscal year beginning on July 1 calls for the first balanced budget since 1930.

But Taber contends that is too long to wait.

"I have talked with representatives of many government departments and members of Congress," he said. "Why, over at OPA, they still have 15,000 employees, with 7,500 doing absolutely nothing. There's a sample of what I mean."

"Then there's the commerce department. Anybody can walk over and see. They don't have to take my word for it. A lot of the new units are sitting around doing nothing. There are set-ups in the Social Security administration that need trimming."

Over in the Navy they have some setups where five men are doing what one man should.

"One man I know took a walk through the Pentagon and he said he counted until he got to 65 officers and other (army) employees. He couldn't count five per cent of them working."

"I am finding that these samples represent the usual picture."

Illness Is Fatal For Gen. Geiger, USMC

Washington, Jan. 23—(AP)—Lt. Gen. Roy S. Geiger, former commander of the Fleet Marine Force in the Pacific, died today in Bethesda, Md., Naval Hospital.

Geiger entered the hospital only last Thursday. His illness had been described as inflammation of the veins, with pulmonary complications. Death occurred at 7:30 a. m. (EST).

Marital Mix-Up

Film Actress Laraine Day, who incurred a judge's ire by obtaining a Mexican divorce Tuesday after getting one in California Monday is under court order to show why the California decree should not be set aside. Miss Day, already married to Leo Durocher, has been advised that according to California Law she and Durocher may not live together as man and wife for 12 months even if the intercountry decree is allowed to stand.

Clark said that a conviction under the conspiracy statute provides for a maximum of \$10,000 fine and for imprisonment of not more than two years.

The Senate war investigating committee inquired at length last summer into relations between the Garssons and May.

The story goes: The Garssons organized 19 firms into a combine which received more than \$78,000,000 in war contracts. Joseph Freeman was Washington representative for the group.

Social and Personal

Mrs. W. G. Ward left today for Miami, Fla., to join her sister, Mrs. Milton Cone of Richmond, Va.

Sgt. Jas. B. Morris has returned to the home of his parents, Rev. and Mrs. I. C. Morris, after serving four years and three months in the U. S. army.

S. B. Curran has returned to his home on East Eighth street from Elm General hospital where he has been a patient for about two weeks.

Mrs. Larry Averette, Mrs. Malcolm Williams and Mrs. S. J. Waters left today for Washington, D. C., where they will attend the twenty-first Women's Patriotic Conference on National Defense as delegates from the local V. F. W. Auxiliary.

Club Meets
The Youthful Workers Club will meet Thursday night, January 23, at 7:30, Oak Community House at 7:30. Members please be present.

Attention Salem Alumnae
There will be a luncheon meeting of Salem Alumnae on Wednesday, January 29, at the Episcopal Parish House at 12:30. Dr. and Mrs. Howard E. Rondthaler of Salem College will be the speakers and all Salem girls are urged to attend. Please call Mrs. Joe Moye at 3296 for reservation by Saturday, January 25.

Masonic Notice
There will be a special called communication of Greenville Lodge No. 284, A. F. and A. M. Friday night, January 24th, at 7:30 p. m. for work in the Entered Apprentice degree. All Master Masons, fellowcrafts and Entered Apprentices invited to be present.

L. F. Stokes, Master
A. R. House, Secretary.

Round Table Club
The Round Table Club was entertained by Mrs. John G. Fleming on Tuesday afternoon at the Woman's Club. After a short business session, the program committee presented Mrs. D. H. Conley who talked on "India and the Future." Her discussion and descriptions made the India of today very real to us. Comments as to the future were most interesting and instructive, giving rise to many thought-provoking questions. Several girls recently brought from India, including precious stones, silver spoons, a hand-carved elephant and other things, were displayed.

Interesting items of current news were given by Mrs. J. E. Nobles. After the exchange of books, a delicious sweet course with coffee was served in a typical winter's afternoon setting an open fire, shaded lights, lovely soft music from recordings provided by Mrs. Paul Fitzgerald.

Mrs. Richard Atkinson, of Kenly and Mrs. B. McK. Johnson were welcomed as guests for the afternoon. —Reported.

Social Calendar

THURSDAY
7:30 p. m.—The V. F. W. Post No. 7032 will meet at Pitt County Court House.

8:00 p. m.—Lydia Wooten class of Jarvis Memorial Methodist Church will meet with Mrs. Lyle Leichter, 200 Eastern street.

10:30 a. m.—Service to observe Week of Prayer for women of the Presbyterian Church at the home of Mrs. S. M. Crisp.

7:00 p. m.—The Business and Professional Women's Club will meet at the Woman's Club.

FRIDAY
10:30 a. m.—Service to observe Week of Prayer for women of the Presbyterian Church at the home of Mrs. J. A. Watson.

8:30 p. m.—Kiwanis Club.

Forty Years Ago Today

THE DAILY REFLECTOR

January 23, 1937

There were more frozen pipes this morning. A good way to prevent freezing is to open the faucet and let a small stream run all night.

Meat killed now ought to keep all right. This morning the temperature was down to 18, the lowest of the winter so far.

The water was already low in the river, and the recent hard winds have blown it out until boats can hardly get here.

F. H. A. Exhibit

The Future Homemakers of America chapter of Greenville High School has been displaying a hobby exhibit in the down stairs hall and in the library of the high school for the past week. The committee responsible for planning and setting up the exhibit was made up of Eleanor Haynes, chairman, Teresa Sauced, and Freda Sutton. Sue Lister also contributed to the setting up of the exhibit and displayed her collection of horses. The exhibit in the hall also included the shell collection of Jean Tyson, president of the chapter, the doll collection of Beverly Nelson, and the foreign money collection of Miss Deanie Hickett, English instructor. A knitting hobby showing a hand-knit evening dress, and a travel hobby comprised of a map showing the route taken with snapshots illustrating the places visited formed part of the display in the library. The display in the library also included paintings by Mrs. Strawn, and a collection of books on hobbies.

The F. H. A. has had programs on hobbies at their last two meetings at which time various people told of their different hobbies.

Flag Day

The George B. Singletary Chapter of the U. D. C. annually sponsors a flag sale day on Robert E. Lee's birthday. The money received from these sales is used for benevolent and educational causes.

Due to bad weather last Saturday, flag day will be observed next Saturday, January 25.

The Girl Scouts are glad to have an opportunity to render a service to such a worthy cause by assisting in the sale of the flags. Troop 1 under the leadership of Mrs. W. F. Small and Mrs. Gherman Taylor will have headquarters at Basart Drug Store with Mrs. B. McK. Johnson in charge. Troops 8 and 12 will have headquarters at Basart Drug Store with Mrs. B. McK. Johnson in charge. Troops 8 and 12 will have headquarters at Basart Drug Store with Mrs. B. McK. Johnson in charge. Troops 8 and 12 will have headquarters at Basart Drug Store with Mrs. B. McK. Johnson in charge.

Club Club

The Clio Club met with Mrs. Fred Haar, at her home on Ninth Street Tuesday afternoon.

Mrs. Haar served a delicious salad course with coffee.

Mrs. H. L. Rivers, sponsor and honorary member, met with the club.

Mrs. Aubrey Shackell gave an informative talk on Social Service. She discussed the work of The King's Daughters, and of the County Welfare Department. The King's Daughters, organized in New York City in 1889, was the first organization of its kind devoted to welfare work, which was done at that time by the churches only. Their badge is the Maltese silver-cross, with the letters I.H.N.—In His Name. The original organization had ten members. Now there is a branch of The King's Daughters in almost every country in the world. The North Carolina branch began the work which resulted in the establishment, and control by the state, of the Stonehill Jackson Training School, for boys. They maintain 20 attractive and comfortable homes for old ladies, one at Raleigh and one at Durham. The Greenville circle was organized in 1889. Their present goal is an Old Ladies' Home in Greenville.

The Welfare Office in Greenville said Mrs. Shackell was established in 1919, with one worker; there are now nine. The department is responsible for a large number of different things, involving state, federal, and county funds. Among the duties of the office are supervision of the paroled people in the county, placing of children who have no homes, work at the Center for the Blind, which is supported by county, state and federal funds, certifies permitting mothers to work in public places, and old-age assistance. Old age assistance is at present the office's chief activity. The need for the County Home is not so great since the aged have financial assistance, but it is still needed for some who have no other place to live.

Inter Se Book Club

Dr. Albert Schweitzer, who is often referred to as the greatest man in the world today and one of the greatest Christians of all time, was the subject of Mrs. Sam Underwood's paper before the Inter Se Club at the home of Mrs. F. D. Duncan on Tuesday afternoon.

Factious School Resumes Monday

The Factious School will resume classes next Monday morning, Don H. Conley, county superintendent of schools, announced today. The school was ordered closed last Monday because of making repairs to school buses and the muddy condition of dirt roads. The buses will be running Monday.

Mt. Pleasant News

The Ladies' Aid Society, of Mt. Pleasant Christian Church held its regular meeting Monday afternoon, January 13, in the Community building. Mrs. C. H. Hagen presided.

The Christian Endeavor library now has thirty books which were donated by the members of the Ladies' Aid. These were on display at the meeting.

Remodeling of the Community building was decided upon as the project for the next few months.

A social hour followed the business meeting and refreshments were served.

Attendance at Sunday school, prayer meeting and Christian Endeavor is increasing. In spite of the inclement weather there were 77 present for Sunday school.

New officers have been elected for the adult class. Mr. Clifton Bullock is president, Mrs. Andrew Ross, vice president and Pattie Jenkins, secretary and treasurer.

Mrs. Nina Vainright is now teaching the class formerly taught by Mrs. Wilbur Murphy and Miss Rosa Lancaster is also teaching a class.

New officers have been elected for the Christian Endeavor Society. Billy Ross is president, Mary Lou Vainright, secretary and Howard Bullock, treasurer.

Mr. E. D. Griffin of Greenville was guest speaker at prayer meeting Sunday night. During recent meetings Miss Emily Gayle, Mrs. Luella Stancill and Mr. Lindsey Wilkerson of Greenville, and Mrs. Clifton Bullock have made talks.

Emory Smith Died

Emory Smith of Poplar Branch, N. C., died this morning at 1:30 of a heart attack in a Norfolk, Va. hospital.

Funeral services will be held Saturday at 2:30 p. m. at Twiford's Funeral Home in Elizabeth City.

Surviving are his wife, the former Miss Argent Quinley of Greenville, and two sons, Ralph and Millard.

Requests Seal Sale Returns

Dr. N. Thos. Ennett, Pitt County Seal Sale chairman, said that in going over his records he found that there are quite a number of persons who were mailed seals and who have not yet responded.

This is not only true in Greenville but in other seal sale districts of the county.

Within a few days a reminder postcard will be sent out all over the county, but it is hoped that the delinquents who see this notice will respond promptly and save the Pitt County Tuberculosis Association the expense of an individual follow-up notice, he said. He feels sure that the failure of persons to make returns was due to an oversight during the Christmas rush.

Washington was denied the only personal request he ever made of Congress—his original commission as Commander-in-Chief of the army.

TRADE BODY ACTIVE GROUP

Chamber Of Commerce On Alert For Section's Welfare

At the last meeting for the fiscal year of the Chamber of Commerce, the board of directors heard a report from the Membership Committee, showing that 49 new members had been added within the last three months; determined upon future action in cooperation with other chambers throughout the blue-ribbon tobacco area to obtain sufficient blue iron for the 1947 crop; heard a report from the Transportation Committee to the N. C. Aeronautics Commission for more adequate North-South air

service through the state; authorized the Civic Affairs Committee to study the zoning ordinance, and endorsed changes in the Fair Labor Standards Act of 1938 as submitted by the U. S. Chamber of Commerce in its referendum to its member organizations.

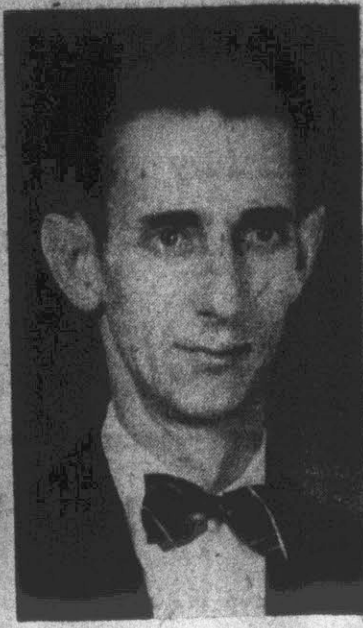

As the result of action by the Carolina Shippers' Association, the Greenville Chamber of Commerce and other chambers of commerce in the area, the I.C.C. suspended on December 11 to July 12, 1947, increases in freight rates of approximately 25 per cent on over 800 commodities used in the area. A hearing will be held by an examiner of the I.C.C. in Greenville on February 11, at which time the carriers will attempt to justify the increases sought, which, if successful, will add to the areas freight bill approximately \$20,000 per month. A recent nation-wide increase of 17.6 per cent had been granted effective January 1, and the increase now pending, if granted, will be added to that increase, and will also affect water freight rates.

Recommendations to the N. C.

Will Open New Clothing Store Here Tomorrow

R. L. PATE

NELSON I. BOWDEN

G. C. MUNDEN

Final arrangements were being made this afternoon for the opening of the Hill's Store at 316 Evans street in Greenville tomorrow morning. The Greenville store is the fourth in the Hill's group which is operated by Gower C. Munden and Robert L. Pate of New Bern. Nelson I. Bowden of New Bern will be manager of the local store.

Hill's will be a men's apparel shop, carrying nationally advertised lines of quality men's clothing. The interior of the new store was planned by Raymond Fuson, New Bern architect, and is a fine ex-

ample of the modern style. Because of the critical material situation, it was not possible to complete the front before the opening. However, when available, the front will be finished in glass and an attractive electric sign placed over the entrance.

Opening tomorrow, Hill's will feature a complete line of men's furnishings and suits, though the amount of the stock will not be up to the level ordinarily maintained due to scarcities of merchandise. The owners state that commitments from the manufacturers indicate that ample stocks in all depart-

ments will be available in the early fall.

The Hill's organization was established in 1910 by Horace M. Hill and was operated by him until his death in 1932. Mr. Pate and Mr. Munden formed a partnership in 1933 and have operated the firm to the present time. Mr. Nelson I.

Bowden, native of New Bern and former manager of the New Bern store will manage the new shop opening in Greenville. Mr. Bowden has been connected with the Hill's organization for a number of years and has 18 years' experience in the men's wear field.

numerous charges of breaking and entering and larceny, was sentenced to from four to five years in State Prison on the first two counts. James Henry Garris, 21, Negro charged with assault with a deadly weapon with intent to kill, pleaded nolo contendere. Judge Burney gave him 18 months on the roads, and suspended sentence on condition that he pay \$100 to Robert L. Smith, Negro, the prosecuting witness, for a hospital bill.

BURGLAR GETS LIFE PENALTY

Laurie D. Taylor, Jr., "One-Man Crime Wave," To Prison

By CHESTER WALSH
In Superior Court yesterday Judge John J. Burney of Wilmington sentenced Laurie D. Taylor, Jr., 18-year-old white youth, to life imprisonment on six charges of burglary. Taylor was charged with first degree burglary. He pleaded guilty to charges of second degree burglary on Tuesday.

Police had described Taylor as a "one-man crime wave" during the first week of January, when six homes were burglarized. Authorities were baffled for a time. Finally, a cigarette case found in Taylor's possession provided a clue which led to his arrest and a search of his home here. Police found much of the loot there.

Taylor had served a term in Florida for larceny. He also had served time for being a deserter from the Navy. At the time of his arrest he was under Federal Court parole for forging government checks in Florida. Police Jim Tanner testified.

George Washington White, Negro, of the Whitehurst station section of Pitt County, drew from three to five years after being convicted of manslaughter in the death of John Henry White, Negro. George White allegedly hit John White on the head with a lantern during a crap game.

In the case of David Ellis, Negro, charged with secret assault, prayer for judgment was continued two years, and he paid costs. James Henry Barrett, 17-year-old Negro youth, who pleaded guilty to

judgment was continued in the case of Joe Speight, charged with larceny. The case again against Jesse Garney, charged with larceny, was not pressed with leave.

Judge Burney adjourned court yesterday afternoon until Friday morning. Court officials and attorneys yes-

terday praised the Wilmington jurist for his prompt dispatch of the court's business. Two capital cases have been disposed of this week and more than a score of other cases have been tried. Judge Burney will preside over a special term of criminal Superior Court here next week. Solicitor Dave M. Clark said

Public Hearing On Extension Of City

The Board of Aldermen in special session at the City Hall last night, fixed Monday night, February 3, at 7:30 o'clock, as the date for a public hearing at the City Hall on the proposal to extend the city limits and incorporate Hillsdale, Greenville, and East Fifth street extension to Maplewood cemetery. Citizens are invited to attend the hearing and discuss it. Mayor Jack Boyd said.

The Aldermen rejected a petition of Fleming brothers, sons of A. E. Fleming of Grimesland, for a permit to erect a super-market on the Charles Laughinghouse property, 403 West Fifth street. The house on this property burned some time ago. The city's joining ordinance has that section mapped as a residential section.

Extension Of Rent Controls Endorsed

Washington, Jan. 22—(AP)—The United States Conference of Mayors today urged that Congress extend "adequate and fair" rent control and begin a new public housing program.

The present rent control law expires July 1.

TOO FAT? Get SLIMMER this vitamin candy way

Have a more slender, graceful figure. No exercising. No laxatives. No drugs. With the simple AYDS Vitamin Candy Reducing Plan you don't cut out any meals, starches, potatoes, meats or when you enjoy delicious (vitamin fortified) AYDS candy before meals. Absolutely harmless.

In clinical tests conducted by medical doctors, more than 100 persons lost 10 to 15 lbs. average in a few weeks with AYDS Vitamin Candy Reducing Plan.

30-day supply of AYDS only \$2.99. If not satisfied with results, MONEY BACK on very first box. Please see your doctor.

BISSETTE'S
DRUG STORE

Closing their three-day session here, the 35c mayor also endorsed by resolution the creation of labor-management committees in every city which would seek to solve local labor disputes before they "grow into strikes."

Must Have Permit For Burning Brush

County Fire Warden N. S. Tyson today called attention to the state law which prohibits the burning of brush or igniting any material in any area of woodland under the protection of the State Forest Service, or within 500 feet of any such protected area between February 1 and June 1, or between October 1 and November 30, without first obtaining a permit from the state forester or any of his authorized agents. No charge is made for issuing permits. This section of the law does not apply to that concerning dwelling house. Any person starting brush fires

without first obtaining a permit from a forest warden, upon trial, may be deemed guilty of a misdemeanor and fined \$50 or imprisoned for 30 days.

Permits may be obtained from the following persons: N. S. Tyson, county fire warden; Wilbur Garris and B. B. Basden, Ayden; Police Chief Jim Buck, Winterville; James J. Edwards, Stokesport; W. C. Spencer, Black Jack; W. H. Sutton, Grimesland; W. J. Taylor, Bethel; A. J. Moore, Fountain; J. H. Bundy, Farmville; G. S. Elks, Ballard's Cross Roads; J. Henry Whitehurst, Falkland; county jail, Greenville and the North Carolina Fire Tower.

RUB ON MUSTEROLE

TAX NOTICE

Pursuant to Section 1403 of the Machinery Act of North Carolina, a Penalty of 1 per cent will be added to all unpaid taxes for 1946, after February 1, 1947. Also a penalty of 2 per cent will be added for the month of March. After April 1st in addition to the 2 per cent accumulated penalty will be added to one-half of 1 per cent per month.

NOTICE OF SALE OF SCHOOL HOUSE SITE

Under and by virtue of the authority contained in G. S. 115-86 of North Carolina, and pursuant to a resolution of the Pitt County Board of Education, the undersigned will offer for sale and sell at public auction, before the courthouse door in Pitt County, Greenville, North Carolina, on Saturday, the 23rd day of January, 1947, at twelve o'clock noon the following lands, said lands being no longer needed for school purposes:

That certain 3.66-acre site in Belvoir Township, Pitt County, North Carolina, known as "Piney Grove" school, containing, more or less, and being bounded on the west by the County road leading from Belvoir to Perry Hill, by way of Robert Hollands, on the north, east and south by the lands of Thad Thigpen.

The purchaser will be required to deposit ten per cent. of the bid on day of sale to show good faith. This the 21st day of December, 1946.

Pitt County Board of Education
By W. H. Woolard, Chairman
S. O. Worthington, Attorney
Dec. 27-1946-wks.

Our Number One Need

1

GOOD HEALTH

Men, Women Over 40

Don't Be Weak, Old

Feel Peppy, Years Younger

Take Oxyres. Contains tonic of iron needed after 40—by bodies weak, old solely because lacking iron. Get regular \$1.00 size now only 98¢! Try Oxyres Tonic Tablets to feel peppy, young, and happy. Also contain vitamin B1, calcium. For sale at all drug stores everywhere.

TONIGHT . . .

Relieve Misereries of Her Cold

as she sleeps!

When you rub soothing, warming VapoRub on her cold-irritated throat, chest and back at bedtime, it starts to work instantly. Then, while she sleeps, VapoRub's special relieving action keeps on working for hours. Often by morning most misery of cold is gone. **VICKS** VapoRub. Try it tonight.

Band Clinic . . .

(Continued from Page One)
formers will have an opportunity of practicing selections to be used in the state contest-festival to be held in the spring. A special period has been set aside for the reading of music for small brass and woodwind instruments.

Social events during the clinic will include a dance for visitors given by the band and the choir of East Carolina Teachers College and a reception given by the college department of music for visiting band directors and their wives.

According to Dr. Gilbert this year's clinic will be the largest and most carefully planned program to be presented in several seasons.

Pirates Continue Winning Streak By Close Decision

Nose Out St. Helena College 44-43; Contest Is 12th Straight Victory For Locals; Everton Clinches Game By Technicality

By BILL STUBLEN
Staving off a last minute drive, the East Carolina Teachers College basketball team nosed out St. Helena College from Norfolk last night, 44-43, in the Wright gym. The Pirates held a nine-point lead nearly throughout the game and were out front, 28-19, at intermission.

Towards the last of the game the Bucs' ball handling, which had not been up to par all night, seemed to get worse; and, at the official's intermission, the Norfolk team had narrowed the score down to 41-37 in favor of ECTC. Rookie Freeman of St. Helena started off the four-minute period by tossing in a field goal, and Larry James of ECTC dropped in a foul shot to make the score 42-19. However, Bill Phelan racked up another field goal for St. Helena to bring them within one point of the lead. Then Phelan ade good on a foul shot, but the foot of one of his teammates was over the line and the referee ruled the shot no good. At this time, three St. Helena players ran over to argue with Referee Cameron but forgot to call time out. Jack Everton, Pirate center, took advantage of this and scored a crisp shot on a pass from Moye to clinch the game. Freeman came back with a nook shot to score again for St. Helena, but ECTC froze the ball for the remaining time of the game to protect their 44-43 lead.

Charlie Moye, Pirate first string center, edged out St. Helena's Freeman for scoring honors 20-18 to spark the Pirate's offense.

In the preliminary game, the intramural All Stars lost a 25-18 decision to the ECTC "B" team.

quints in "K-town" tomorrow night. Two victories would be sweet revenge for the pair of contests that they dropped to the Red Devils here January 7.

The Varsity Phantoms because of their Tuesday night upset loss to Edenton, are thought by many to be out of the running for the conference championship. However, a victory over the powerful Kinston quint would spring them back into the race. The Phantoms were very much dejected because of their loss to Edenton last Tuesday night and consequently are psychologically set to top the Devils.

The Farleymen have been working on a defense recently to stop the passing game of the Devils.

Coach Farley will probably start his usual lineup of Glynn Perkins at center; Henry Turner and Cletas Jackson at forwards; and Jimmy Cox and Billie White at guards.

The Juniors will square off in a preliminary contest beginning at 7 p. m. The Juniors will be attempting to extend a 3-game winning streak.

The Baby Phantoms will probably start Sam Northrop at center; Joe Allegood and Howard Proctor at forwards; and John Farley or Bobby Fleming and Joe Sawyer at guards.

a hot potato and will break in about two weeks.

He gave no clues even to rank and file committee members, as to what he has in mind.

Germ Warfare . . .

(Continued from Page One)
where they were ready for mass production if ever needed.

In general, the program has been two-fold: (1) To perfect means of combatting mass attack on the U. S. with poison ware and (2) to devise means of retaliation.

Wrong Man . . .

(Continued from Page One)
rushed to San Francisco police headquarters last night armed with alibis for his time Monday night when Alice Dean disappeared.

Police then checked some of the 30 models who, Shelton said, were taking a dancing lesson from him in San Francisco Monday evening and indicated he was not implicated.

Alice Dean disappeared after she had gone to a photographic studio.

Can't Sit!

PIN-WORMS CAUSE FIDGETING AND THAT ANWFUL ITCH

One of the warning signs of Pin-Worms is a nagging rectal itch which often causes fidgeting and broken sleep, and may lead to even more serious distress.

It is no longer necessary to put up with the trouble caused by Pin-Worms, because science has at last found a way to lick these stubborn pests easily and safely.

Get JAYNE'S P-W at the first sign of Pin-Worms. P-W is a medically sound treatment based on an officially recognized drug element which has proved very effective in dealing with this ugly infection. The small P-W tablets act in a special way to destroy Pin-Worms. P-W means Pin-Worm relief!
