

More Arrests In Squelching Nazis

Cleanup Progressing Smoothly; Hundreds Held; Subversive Group's Headquarters In British Zone; "Secret" Weapon

Berlin.—(AP)—American and British authorities arrested more Germans during the night in squelching a reported nationwide Nazi plot to restore German armed might to "lead the nations of Europe against Russia."

The Nazi captives, including fugitive storm troop officers, claimed to have a secret bacteriological weapon.

A British announcement said the clean-up was progressing smoothly although snow and ice on roads handicapped raiding squads.

American and British intelligence agents were questioning the hundreds arrested, seeking information that would lead to minor plotters in a group overlooked or unknown before the swift raids of Saturday and Sunday before the organization dedicated to a new totalitarian Germany.

American officials said headquarters of the subversive group apparently was in the British zone.

"There was very close liaison between the leaders in the British zone and the 30 high Nazis seized in American territory," one U. S. officer commented.

Those seized in the American zone, arrested at their homes, were found to possess false documents. Some used false names. The American officer said "we will have to break them down fully before we can think of trying them. All are liable to the death penalty as plotters."

United States and British soldiers and intelligence men, striking all over their occupation zones despite a snowstorm and icy roads, yesterday seized once high officers of the

SENATOR HITS LACK OF AID BY UNION MEN

Member Of Labor Committee Says Congress Must "Write Own Ticket"

Washington.—(AP)—Senator Ellender (D-La.) declared today that Congress must "take the bull by the horns and write its own ticket" on labor legislation because union leaders "are not cooperating."

"I have been most disappointed by their showing," said Ellender, a Senate Labor Committee member.

The Louisiana lawmaker told a reporter the committee expected but got no aid from AFL President William Green, CIO Chief Philip Murray and United Auto Workers President Walter Reuther.

They and other union officials sharply assailed most pending legislation in testifying before the committee last week.

"The Senate labor group has more union representatives on tap when it resumes hearings tomorrow. The House Labor Committee delves today in the nearly year-old Allis-Chalmers strike which the company has blamed on Communist influence.

The committee's schedule also calls for testimony from Fred Crawford, president of a Cleveland machinery manufacturing firm which figured in the labor news over the weekend.

The National Labor Relations Board reversed an earlier decision against Crawford's Thompson Prod-

Bus Is Barely Saved From Dive Into River

The front end of a Greyhound passenger bus hangs precariously over the waters of the Nansemond river near Churchland, Va., after crashing through the railing of a bridge. Of the 12 passengers aboard, only one was injured slightly. The bus skidded on the ice-covered pavement when the driver applied brakes to avoid hitting a car abandoned on the bridge. (AP Wirephoto).

KOREAN ARMY SAID TRAINING

General Reports Soviet "Iron Curtain" Is Unimproved

Washington.—(AP)—Lt. Gen. John R. Hodge said today that there appears to be "something to" reports that the Russians are organizing and training Korean troops.

The commander of American occupation forces in southern Korea made this statement to reporters, in response to questions, after a White House conference with President Truman.

He also said that efforts to lift the Russian "iron curtain" in Korea had been unsuccessful.

The general was accompanied to the White House by Secretary of War Robert P. Patterson.

He said he gave President Truman an "overall report" on the situation in Korea.

Asked by reporters how the Russians were cooperating with the Americans, he replied:

"There's no change in the behavior." He said the situation was "no more favorable" today than it has been right along.

"Then the iron curtain still exists?" a reporter asked. The general replied in the affirmative.

Hodge has just returned from Korea for consultations with the war and state department. It was his first trip home in five years.

"Mercy" Flight Ended In Death

San Diego, Calif.—(AP)—Nine coast guardsmen were dead and two severely injured today, victims of a flying boat's crash on a mercy mission near Tijuana, Mex., in which a stricken fisherman they were aiding was also killed.

The 10 lives were crushed out as the two-engine PBM Mariner, returning from a 1,400-mile round trip to sea, struck near the top of a 700-foot high mesa late Saturday night. It bounded to the top, scattering bodies and blazing wreckage over a wide area.

Before crashing, the plane had circled San Diego bay, unable to land. Its last radio message at 10:36 p. m. (PST) said it was "letting down off the Coronado islands in a dense fog."

Von Papen Gets Prison Term In German Court

Nuernberg.—(AP)—Franz von Papen, ace of Adolf Hitler's diplomatic corps, was sentenced by a German denazification court today to serve eight years at hard labor.

Sentence was imposed by the seven-man court after it had found the former Reichschancellor and ambassador guilty as a "major offender" who helped Hitler to power and stayed with the Nazi regime to the end.

The court also ordered von Papen's personal fortune confiscated.

Von Papen was acquitted of war crimes charges only last October by the international military tribunal which sentenced Hermann Goering and 10 other Nazi leaders to death following a history-making trial here.

The one-time Nazi diplomat now is 68 and has hardening of the arteries. The court's sentence was regarded as tantamount to a life term.

Von Papen's confiscated property includes centuries-old estates in both the French and British zones of Germany. Von Papen was barred from entering both zones after his acquittal at the war-crimes trial and was forced to remain in the U. S. zone.

At the denazification trial, he protested that he had been motivated by a desire not to help Hitler but to help Germany. He insisted that after the fuhrer came to power, he like all others was helpless to intervene.

Von Papen said that he had opposed the union of Austria with Germany when he was ambassador to Austria and had worked for peace as ambassador to Turkey.

The court, however, ruled that his possession of a gold Nazi party badge, however honorary, and lack of evidence of any break with Hitler were enough to justify his conviction.

The judges said that von Papen would be given credit for time he served as a prisoner of the international military (war crimes) tribunal. This will take one year and five months off his eight years in a labor camp.

POLAND WANTS COURT REPORT

British - Albanian Issue On Security Council's Agenda

Lake Success, N. Y.—(AP)—A Polish delegate said today the United Nations Security Council should refer Great Britain's mine laying charges against Albania to the International Court of Justice.

Poland's stand, disclosed as the council prepared to resume debate (3 p. m. EST), was viewed as an indication that Soviet Delegate Andrei Gromyko would plump for the court idea. Poland has voted with Russia consistently on major issues before the council.

Dr. Julius Katz-Suchy, alternate Polish delegate, said his country would introduce a resolution to send the case to the Hague court if such a step was not taken formally by some other nation.

The United States was reported undecided on its position, but was inclined to favor appointment of a sub-committee to consider details of the complaint before voting on whether the council should handle the question or toss it to the court.

Australia was said to be ready to go along with this tentative American proposal.

Great Britain gave up her vote as a complaining party but was ready to argue firmly for council action on its charges that Albania had committed "a crime against humanity."

COMMITTEE IN SENATE VOTES ON PAY SUITS

Judiciary Group Approves Bill Outlawing Nearly All Portal Claims

Washington.—(AP)—The Senate Judiciary Committee today approved by 9 to 3 vote legislation outlawing nearly all portal to portal pay claims.

Chairman Wiley (R-Wis.) told reporters the committee approved "substantially the same bill" which a Judiciary sub-committee voted for last week.

He listed these major changes: 1. The bill now includes a two-year statute of limitation, rather than the three-year limitation voted by the sub-committee. This provision still becomes operative only if the Supreme Court should void provisions outlawing all existing and future portal claims except those covered by contract or custom.

2. Under the revised version, suits may be filed either by individual employees or by a worker acting on behalf of a group of fellow employees. This does not permit suits by unions.

As in the case of the first change, these suits would be recognized only if the high court knocks out the "null and void" provision.

The bill was approved by 9 to 3 vote. (Continued on Page Four)

Conversation

Goldsboro, N. C.—(AP)—John L. Lewis yielded the last word to a lady who recognized him at lunch Saturday in a hotel here.

"Aren't you John L. Lewis?" she asked, going to his table.

"Yes," he answered. "Do you want me to prove it?"

"No," she said. "I thought I recognized you from your picture."

"You have very keen perception," said the man with the twinkling eyebrows.

"What are you doing in this part of the country?" she asked.

"I'm eating my lunch."

"Well, I hope you'll do the country better than you've been doing us," she offered.

Silence. "I'm glad to have met you," she said.

More silence. So she returned to her group of ladies where there was no silence from then on.

NOMINEE HAS GOOD SUPPORT

Unofficial Poll Indicates Lilienthal Will Win Approval

Washington.—(AP)—A senate poll showed today that David E. Lilienthal needs to win over only eight of 23 undecided senators in order to take out confirmation as chairman of the atomic energy commission.

An Associated Press check over the week-end of all but four of the chamber's 95 members listed 40 in favor of President Truman's embattled nominee and 28 opposed.

If a full membership were on hand when the issue comes to a vote, 48 "yes" would be necessary for confirmation.

With the senate atomic committee ready to open its fifth and final week of hearings, two members declared that Lilienthal and his co-nominees will "have no trouble" winning a favorable report from the committee.

Senator McMahon (D-Conn.), only member of the nine-man committee who has publicly predicted confirmation, was joined by another member who asked that his name not be used.

"There is no question about a favorable report to the senate and it should come this week," this senator told a reporter.

The AP poll showed that 68 senators have made up their minds, although only 38 were willing to state their stand publicly now—22 in favor and 16 opposed. Of 30 who agreed to confide their position without being named, 18 are favorable and 12 opposed.

Novelist Grace Hill Dies At Eighty-One

Philadelphia.—(AP)—Grace Livingston Hill, whose 79 published books made her one of America's most prolific novelists, is dead at 81.

With her 80th birthday partly completed, the novelist author died yesterday at her home in suburban Swarthmore after a six-months illness. She had "suffered a general breakdown due to her advanced age and to her having worked hard," the family said.

'Last Chance' To Cut Budget Says Sen. Ferguson

Washington.—(AP)—Senator Ferguson (R-Mich.) declared today that if Congress doesn't cut out "shapeless duplication, overlapping of functions and waste of taxpayers' money" now it will never do it.

In an address prepared for resumption of Senate debate at noon (EST), on a proposal to pledge a \$6,000,000,000 cut in President Truman's \$37,500,000,000 budget, the Michigan senator said it now costs the American people "more to be governed than it does to eat."

That, Ferguson asserted, is one reason he is supporting the House-approved economy promise instead of a \$4,500,000,000 reduction pledge offered by Senator Millikin (R-Colo.).

Advocates of the Millikin proposal have contended it would leave the Army and Navy relatively free from reductions in their aggregate \$11,200,000,000 allotment. They say indications point to a maximum slash of \$750,000,000 for the two services if defenders can hold the line at that point.

Church Dedication Is Planned By Bilbo

Poplarville, Miss.—(AP)—Sen. Theodore O. Bilbo, recuperating from his recent mouth operation, has planned an all-day program for the formal dedication next Sunday of the \$75,000 Juniper Grove Baptist Church, which he helped to build.

Bilbo announced that the church had been paid for, and that he will present the deed of the nearby parsonage to the board of deacons.

Committee For Economic Development Outlines Formula For Industrial Peace; Comprehensive Setup Includes More Power For Federal Mediation Service

By STERLING F. GREEN

Washington.—(AP)—The committee for economic development, outlining its formula for industrial peace, today proposed a compulsory 10-day period of mediation before any strike, lockout or strike vote.

The planning organization said Congress should provide a greatly strengthened federal mediation service along with such a law and it should require that all strikes or lockouts be approved by a majority of union members voting in secret, supervised elections.

The committee's statement on collective bargaining; how to make it work was released by Paul G. Hoffman, president of the Studebaker corporation, and Eric Johnston, president of the Motion pictures association of America.

Hoffman is chairman of CED and Johnston headed the special committee which drafted the report. CED is made up mainly of business men and educators, although its trustees include some government officials such as under secretary of state Will Clayton and under secretary of Commerce William C. Foster.

The report also suggested a remedy for jurisdictional strikes, a ban on secondary boycotts and equalization of the rights of management and unions under the Wagner act.

In addition, the planning group proposed a permanent national labor-management council to advise the government on industrial relations.

CED recommendations are based on the premise that the general public has a vested interest in industrial peace, that labor disputes are no longer the sole concern of management and labor, and that in consequence the public through government has an obvious right to impose rules upon both management and labor which will promote peaceful bargaining," the report said.

It suggested these ground rules for collective bargaining:

1. That the present U. S. Conciliation service be transformed into a national mediation service with new status, new functions, new dignity and more money.

2. That the Wagner act be amended to exclude supervisors from employe status, to require unions as well as employes to bargain, and to afford freedom of speech to industry, as well as labor.

3. That all contract provide compulsory arbitration.

4. That jurisdictional disputes be referred for settlement to a referee chosen by the national labor relations board.

5. That the strike vote procedure be as well as the referee's decision in inter-union squabbles be enforceable by injunction suits in federal courts.

6. That forceful picketing—that which bars entrance to or exit from a plant—be outlawed, along with secondary boycotts under which OED said, "a union may set up a wall around a city of millions of citizens shutting out particular goods."

U.S. Propaganda Broadcasts Get Poor Reception

Moscow.—(AP)—The "Voice of America," the radio beamed to Russia by the United States State Department via Munich, appeared to be yelling itself hoarse across the windy steppes with little effect.

A number of Russians, interviewed after the first week of operation expressed these opinions:

1. Reception is very poor.

2. The programs are too high brow.

3. There is considerable amateurishness.

4. The broadcasts are dull and uninteresting at times.

5. They do not sound American. Such Russians as have heard the program must be very few, because the broadcasts are so difficult to pick up. There is a great amount of interference from other radio stations and from code transmitters. The program fades badly.

Bail Set For Thirty Men In Lynch Gang

Pickens, S. C.—(AP)—Judge Geo. B. Greene today set bail at \$2,500 for all but one of the 31 men charged with murder in connection with the alleged lynching of Willie Earl last Monday.

The 31st man, Earl Martin, of Greenville, who was named in the murder warrant but who has not been served with it because of his absence in New York City on a business trip, was not included in the request for bail.

Some Britons Back In Reopened Plants

Coldest Day Of The Winter Sees One Million Workers Returning To Industries; Thick Fog Hampers

London.—(AP)—A million workers returned to reopened plants in the Midlands today on this coldest day of the winter, which gave icy notice that the critical coal shortage still was unsolved.

Another 4,000,000 remained idle. Plants were reopened in only eight of the 38 counties which the labor government had shut down two weeks ago.

A pea soup fog blacked out London and large areas of England, delaying coal shipments and putting heavier strains on the short coal and waning gas supplies.

Moreton-in-the-Marsh in the Cotswolds of Southern England reported a night temperature of two degrees below zero, lowest in the British Isles in 29 years and about 34 degrees below normal. London had a 14 degree minimum, coldest since February, 1929. Forecasters said the cold wave would continue several days.

Frozen switches interfered with rail shipments from mines but more lives were cleared of snow. Coal trains were given priority. An official of a London gas company, which depends on coal in making the fuel, said "we are very anxious. If the fog spreads in the Thames, as first reports show it is, it will seriously affect the arrival of supplies."

Now of the million workers returning to chilled factories expected to work full time until the weather breaks and coal stocks are restored to normal.

The ministry of fuel and power called for a 10 per cent reduction in coal consumption by gas companies and warned domestic users of further cuts in service, probably equaling the five-hour restrictions on the use of electricity.

Governmental officers were shut down today for Cuba's national feast day. Pequeño told a reporter of the decision to deport Luciano to Italy, whence he came to this country last October.

It was reported authoritatively Saturday that he would be invited to leave the country immediately and that, if he refused, he would be held until April 29, the expiration date of the six-month permit under

Who Files For Taxes?

Every Man, Woman And Child, Married Or Single, Who Had \$500 Or More Income In 1946 Must Meet The March 15 Deadline; Income Tax Information

By JAMES MARLOW

(Editor's Note: This is the first of 12 stories explaining who must do what about filing an income tax return.)

Washington.—(AP)—March 15 is the big income tax deadline for about 50,000,000 people.

Who must file an income tax return by that date? You must, if you had \$500 or more income in 1946.

By you is meant man, woman, child, married or single.

Suppose you had \$500 or more income in 1946 but full tax was withheld from you. Must you file a return anyway? Yes.

This is the final settlement and check-up between you and the government.

It doesn't have a thing to do with any of the tax-cutting talk now going on in Congress. This March 15 settle-up date is for last year's taxes.

If you still owe any tax on 1946 income, you must pay it in full by March 15 when you file your return.

Your return must show what your 1946 income was, how much tax was withheld, if any, and how

Mary Cameron Dixon of Williamston, outstanding student at East Carolina Teachers College, will have a leading role in the annual play presented by the Junior class in the college.

This year the Seniors have joined forces with the Glee Club players of the college to produce John Van Druten's comedy hit, "I Remember Mama." Performances will begin on the evenings of February 28 and March 1.

In "I Remember Mama" Miss Dixon will play Katrin, the youngest daughter in the play. The role is a dual one, for Katrin tells the story for the audience, and then, as a member of the cast, steps into the main scene to take her place among Mama's family. In a charming blend with a vivacious manner, Miss Dixon is well cast in the ingenue of the play.

By CHESTER WALSH

The sun shone in London, England, yesterday for the first time in 22 days, and it snowed in Greenville, the first time this winter.

A light flurry of snow started falling here about 6:20 Sunday night and continued a short time. When the snow started falling, stars were visible in the sky for a short time, then it was cloudy until late in the night.

This morning the sun was shining and the Weather Bureau thermometer registered 21 degrees, 12 below freezing at 8 o'clock.

The coldest day this winter was February 9-14 degrees above zero. Sunday afternoon, strong cold winds sent the thermometer down to 38 shortly before the snowfall.

During his 6:30 Sunday night radio broadcast, Carl Goerch quoted a pilot who landed at the Raleigh-Durham airport as saying it was snowing when his plane left Rich-

Etheridge, who also gave an interesting talk on Russia. Mrs. W. D. Bailey, Community Service Leader, reported she had visited the sick in the Stokes Community. Mrs. A. L. Woolard gave a report on charity work. Mrs. J. B. Congleton gave a financial report of the din-

ner meeting. In January, Mrs. Lydia Barnhill gave helpful hints on poultry.

The hostess served gingerbread, nuts and hot coffee.

On Wednesday, Friday Feb. 12th the Bethel Home Demonstration Club met at the home of Mrs. J. L. Gurganus. Mrs. Dennis Hardee, president, called the meeting to order after which they sang, "Hall, Club Women, Crown Through Service." Mrs. Clayton House, Garden Leader, gave a report. The club voted to give the book, "The Life of Roosevelt," in memory of President Roosevelt, and to give the book "Gracious Lady," in memory of O. Max Gardner, to the library.

After the program, the hostess, Mrs. Gurganus, invited the guests into the dining room, which was beautifully decorated with daffodils and candles. She served chicken salad, party sandwiches, hot rolls potato chips, nuts and hot coffee.

The Bell Arthur Club met in the Home Economics Cottage February 19th. The president, Mrs. J. L. Cashwell, presided. The meeting opened with the singing of "It's a Good Time to Get Together," and reading in unison the club collect. The Poultry Leader, Mrs. O. L. Erwin, gave a report. Mrs. W. L. White gave a report on Russia.

The club members decided to organize and sponsor a Teen-Age Club as their project for this year.

Mrs. W. L. White, Mrs. B. L. Bateman and Mrs. J. B. Nichols were appointed to make plans for the first meeting.

After the business meeting the hostesses, Mrs. W. L. White and Mrs. B. L. Bateman served Waldorf salad, crackers and hot coffee.

The Falkland Home Demonstration Club members held their regular monthly meeting at the home of Mrs. H. L. Brown on February 17th. Mrs. J. T. Baker, president, called the meeting to order, after which the members sang, "It's a

Good Time to Get Together," and "The Star Spangled Banner." Mrs. A. D. Leonard, secretary, read the minutes of the last meeting. Mrs. H. L. Brown, Poultry Leader, gave a report. In the absence of Mrs. W. J. Little, Garden Leader, Mrs. R. B. Tyer and Miss Anna Little gave garden hints. The members discussed ways of raising money for the club. They are to meet on February 24th at the home of Mrs. G. H. Pittman to make further plans.

After the business meeting the hostess, Mrs. H. L. Brown, served party sandwiches, cookies and grape juice.

The Littlefield Home Demonstration Club met in the home of Mrs. Lester Garris with the president, Mrs. J. T. Beddard, Jr. presiding. Leader reports for 1947 were planned for each meeting. Mrs. M. E. Hart reported that the two convalescent members, Mesdames Penny Hart and Lonnie Baldwin, had been remembered with a basket of fruit from the members. The hostess served fruit punch and party cookies. The group then gathered around the piano with Mrs. J. T. Beddard, Jr. pianist, and sang many old favorite songs.

The highlights of the Farmville Club meeting was a report on our international neighbor, Russia, by Mrs. B. R. Fields. The meeting was called to order by Mrs. J. R. Lewis. The "Star Spangled Banner" was sung and the collect was repeated. The president reminded the members that February is the month to plant many vegetables for a spring garden. She named the vegetables and varieties recommended for Eastern Carolina. The hostesses, Mesdames J. H. Bynum and Richard Tugwell, served Valentine salad, crax and hot coffee.

St. John Club had a fine meeting on Monday with 18 members present. Mrs. Glen Price, president, presided and called the meeting to order with the group singing "The Star Spangled Banner." After the business session in which plans were made to complete the kitchen, Mrs. E. W. Fleming spoke briefly on the people of Russia. Mrs. J. R. Moore, Clothing Leader, urged the women to sew more this year in order that the clothing dollars would go further. Mrs. Moore was hostess, also, and served cherry pie topped with whipped cream and hot coffee. An interesting contest on facts about George Washington was conducted by the hostess.

The Simpson Home Demonstration Club met February 12th at the home of Mrs. Fred Edwards and joint hostess, Mrs. Hugh Sunrell,

Jr. at 2:30 p. m. This was the second meeting since the club has been organized. The meeting was called to order by Mrs. Robert Little, club president, followed by singing "The Star Spangled Banner," and repeating the Club Collect. Sixteen members answered to the roll call with the addition of two new members. We were glad to have two visitors from the Red Banks Club, Mrs. Charlie Hardee and Mrs. Hugh Hardee. Miss Jennie Barron read the Club Ethics. All project leaders were appointed at this meeting. Plans were made for club members and husbands supper to be held on March 18th. Mrs. Fred T. Langford, Home Demonstration Agent, gave an interesting demonstration on Housing in Relation to Health Water Systems and Bathrooms.

The members were invited into the dining room where the Valentine motif was carried out. Red jello with whip cream and Valentine cookies were served.

The second meeting of the Clark's Neck Home Demonstration Club was held on Wednesday afternoon, February 20th, at the home of Mrs. Jack Andrews with 18 women present. Mrs. Charlie Elks, president, presided. "America" was used as the opening song and was followed by the club collect. Five new members were welcomed; they were as follows: Mesdames W. A. Barrett, Ivy Shagston, M. H. Apple, J. N. Grizzard and E. G. Hill. Mrs. Turner Andrews gave a few timely hints on "Gardening." Mrs. Chester Elks gave an interesting talk on "The Religious Beliefs of the Russian People." Mrs. Edgar Latham entertained the group with a game after which the hostess served iced drinks and cookies.

New Club Organized

With ardent interest seventeen ladies of the Fountain community met at the home of Mrs. C. E. Case, Sr. and organized what is to be known as the Fountain Home Demonstration Club, which is the 22nd organized club in Pitt County.

Mrs. Fred T. Langford, Home Agent, called the meeting to order after which the group sang "America" and read together the Club Collect. Mrs. Langford explained the organization and the program of work. She also announced that a Book Review certificate will be awarded to Home Demonstration Club women who read three books from the suggested and approved list and gives a report on each at a club meeting. The Reading List was given to the ladies; they also received Year Books. Miss Verna Belle Lowery, Assistant Home Agent, acted as secretary for the meeting.

The following officers were elected: president, Mrs. J. Cleveland Parker; vice-president, Mrs. C. E.

Case, Sr.; secretary-treasurer, Mrs. David Moore. The Club Project Leaders were also elected.

After the business meeting active games led by Miss Lowery were enjoyed.

The hostesses, Mesdames C. E. Case, Sr. and C. E. Case, Jr., served hot cocoa, party cookies and nuts. The meeting adjourned to meet in March with Mrs. Alton Moore.

The Home Demonstration Club schedule for the remainder of February is as follows:

February 24, Ballards Home Demonstration Club meets with Mrs. A. C. Turnage at 2:30 p. m.

February 24, Cannons Home Demonstration Club meets with Mrs. Arthur Williams at 2:30 p. m.

February 25, Seven Pines Club meets with Mrs. Jasper Morgan at 2:30 p. m.

February 26, Renston-Nobles Home Dem. Club meets with Mrs. A. C. Fletcher at 2:30 p. m.

When Captain Scott made his dash for the South Pole, he took with him, as the doctor and naturalist of the party, Edward Wilson. The physician, whose personality was radiant and who, although he made no great outward show of religion, was inwardly devout, made a profound impression upon all members of the expedition.

WASHINGTON LETTER

A GAL'S MARRIAGE CHANCES DWINDLE DESPITE MORE MEN By JANE EADS Washington—The Women's Bureau reports there are 3,000,000 more women over 14 years of age in the United States than in 1943.

The present population contains about one and two-thirds million fewer single women and nearly three and three-fourths million more married women than in 1940. This, the U. S. Women's Bureau says, is due to very high marriage rates through the entire period from 1940 to 1946 and to an increase in the percent married among adult women over these five years equalled the entire increase in the 50-year period between 1890 and 1940.

half million unemployed for most months since V-J Day, in September 1945. In November 1946 there were about 3,000,000 fewer employed women than in the peak of the war years when more than 19,000,000 were working.

## Phantoms Tangle With Rivals From Washington At EC-TC Gyra; "Game Of The Year" For Local Basketball

If you want a seat while you watch the basketball game tonight you had better be at the Wright gym plenty early, for Washington's Pam Pack promises to draw a crowd that will more than overflow the gymnasium.

The twine bill will get under way at 7:30 with Greenville's Juniors playing host to the younger boys of Washington. The Varsity engagement, which will be the most exciting of the season, will start immediately afterwards.

Greenville, at the present time, has won seven and lost six in conference play. From reports of the games played in Washington Friday night between the two teams, Greenville proved a faster club than their opponents as they scored many of their baskets on an effective fast break, but their giant opponents got just a few too many rebounds.

The records of the two teams shape up this way: Greenville has

### The Movies Today

Pitt: "LADIES MAN" Eddie Bracken, Virginia Wells, Spike Jones.

State: "PILOT X" Lendre Andro, John Carroll.

won seven while losing five, has scored 392 points while giving up 365 points. In 12 games Washington has emerged victorious 11 times, they have scored 451 points as compared to 272 for opponents. Greenville has two games to Kingston, two to New Bern, one to Edenton and one to Washington while Washington has lost to Elizabeth City this year, a team which Greenville has beat twice.

Records, however, have little bearing on any game in which the Greens and Pam Pack are opponents and the Greens will be out for sweet revenge for their close defeat of last Friday night in Washington.

Glynn Perkins, center for Greenville, is the highest individual scorer in the Northeastern Conference. He has racked up 182 points in 13 games, and although he was held to six points Friday night, he will be in there tonight to show local fans what stuff he has and endeavor to get in the charmed 200 bracket before the season closes.

Turner is next high for the locals with 82 points. On the other hand, the Washington team does not have a player who has scored as many as 100 points in conference games but Grist, Potts and Ward are steadily approaching that mark.

Greenville Coach Bo Farley will have some new plays up his sleeve when the teams meet tonight. He is counting on Turner and Perkins at forwards, Clark center, and White and Cox at guards as his starting five.

Senior Midgets Trim Kinston In Hard Game

The Senior Midgets came through with a close 30-25 win over Kinston Saturday. At halftime, the scoreboard read, Greenville 18, Kinston 11; at the end of the third quarter the teams were tied at 23 points each.

The third quarter saw the most action of the entire game, with 49 fouls called. The game was exciting throughout as Joe Clark kept the locals in the contest with his one-handed push shots. Bradshaw's rebound-recovery set up a number of field goals. Johnny Aman, Bill Wooten, Eddie Farley, Julian Vainright and Sidney Briley played hard, fast ball for the locals.

Fourth quarter play saw Billy Wooten put Greenville ahead with two field goals and his teammates made his lead good.

Scoring: Greenville — forwards Clark 8, Bradshaw 5, Wooten 4; centers Briley 4, Ormond 2; guards Aman 5, Vainwright 1, Farley 1; Kinston — forwards Stanley 11, Abbott 2; centers Stroud 3, Jones 2; guards Aldridge 5, Cole 2.

Junior Midgets Clinch Contest In Last Quarter

Greenville's Junior Midgets outlasted their Winterville counterparts Saturday to make up a final score of 27-14.

Throughout the first half, both teams fought hard for the decisive lead, but at half-time they were deadlocked at 8-8.

It wasn't until the fourth quarter that the locals ran up their score over the tiring visitors and held their foes to one point for the period.

Karsnak, a long tall lanky center, came through with a fine exhibition of guarding as he held Winterville's scoring ace, Johnny Hooks, to one field goal in the last half.

Leon Moore captured scoring honors with 10 points while Johnny Hooks was best for Winterville with 6. Joe Roland fouled out in the fourth quarter, but played a good ball game on defense and kept the local Midgets in the ball game by breaking up several of Winterville's scoring tries.

Scoring: Greenville — Forwards Cheatman 6, Tucker 7, Moore 10; Guard Higgs 4, Winterville — Forwards, L. Hooks 1, Evans 3; Center J. Hooks 6, Guards Keeter 2 and Brook 2.

If Stomach Gas or Sour Food Taste Robs You of Sleep Here's How You May Help, Whether You Eat 500 Pounds or 2000 Pounds of Food In a Year

You can't feel cheerful, be happy and sleep well, if your stomach is always upset. As age advances the "old stomach" needs more help. The reason is this: Everytime food enters the stomach a vital gastric juice must flow normally to break-up certain food particles; else the food may ferment. Sour food, acid indigestion and gas frequently cause a morbid, touchy, fretful, peevish, nervous condition, loss of appetite, underweight, restless sleep, weakness.
