Airport Formally Given County-City

Million-Dollar Property Acquired Through War Assets Administration; Valuable Facilities Added By Navy Included In Deal; More Equipment To Come

By CHESTER WALSH The United States government, through the Charlotte regional office of the War Assets Administration, on February 24, 1947, formally returned the Pitt-Greenville airport to the county and city.

Upon the surrender of Japan, the city and county officials and representatives of the Chamber of Commerce started negotiations with the U. S. Marine Corps and the Navy Department to have the facility declared surplus to their needs.

This was completed May 8, 1946, and the facility was then placed under the jurisdiction of the War Assets Administration, which the Airport Commission has negotiated with since that time for its final return to the county and city.

Establishment of the Pitt-Greenville Airport was sponsored by the Greenville Junior Chamber of Commerce prior to World War II. At present the airport embraces an area of approximately 700 acres with three paved runways, each 5,000 feet long and 150 feet wide, paralleled by paved taxiways 50 feet wide and equipped with complete water, sewage and electric systems.

The county-city airport represents an outlay of over a million dollars. It is rated as one of the most modern and best equipped airports in North Carolina.

Chairman Buchanan said the War Assets Administration advises that it also expects to transfer other

N. C. ASSEMBLY FLOODED WITH NEW MEASURES

House Sets Record For Session In Number Of Bills Introduced

Raleigh.—(AP)—A measure to change the state primary date from the last Saturday in May to the third Saturday in June was introduced in the legislature today by Rep. Blue of Moore.

Blue said the chief purpose of the bill was to give school teachers and of-age college students an opportunity to vote.

The house set a record for this session in the number of bills introduced, there were 32.

One by Crissman of Guilford, Edwards of Durham and Seymour of Lee would create a state board of practical nurse examiners and have it composed of representatives of the state board of nurse examiners and practical nurses.

A measure calling for a constitutional amendment to eliminate clauses setting debt limitations for the state, local and county governments was sent up by Rep. Whitfield of Pender.

Rep. Umstead of Orange introduced a bill to allow teachers an increment of \$10 for five months for attending summer school for six weeks, and a \$10 a month increment for nine months for those who go to summer school for 12 weeks.

The senate passed a measure to allow corporation directors to decrease capital stock instead of the stockholders, since directors meet more often.

Rep. Vogler of Mecklenburg introduced a bill to set standards of weights and lengths for loaves of

Red Cross Drive In County Starts On March Tenth

E. Hoover Taft, county chairman for the 1947 Red Cross campaign announced today that the campaign would be conducted the week of March 10. He further indicated that the organization in the county was practically complete. John G. Fleming has been appointed chairman of the Greenville district.

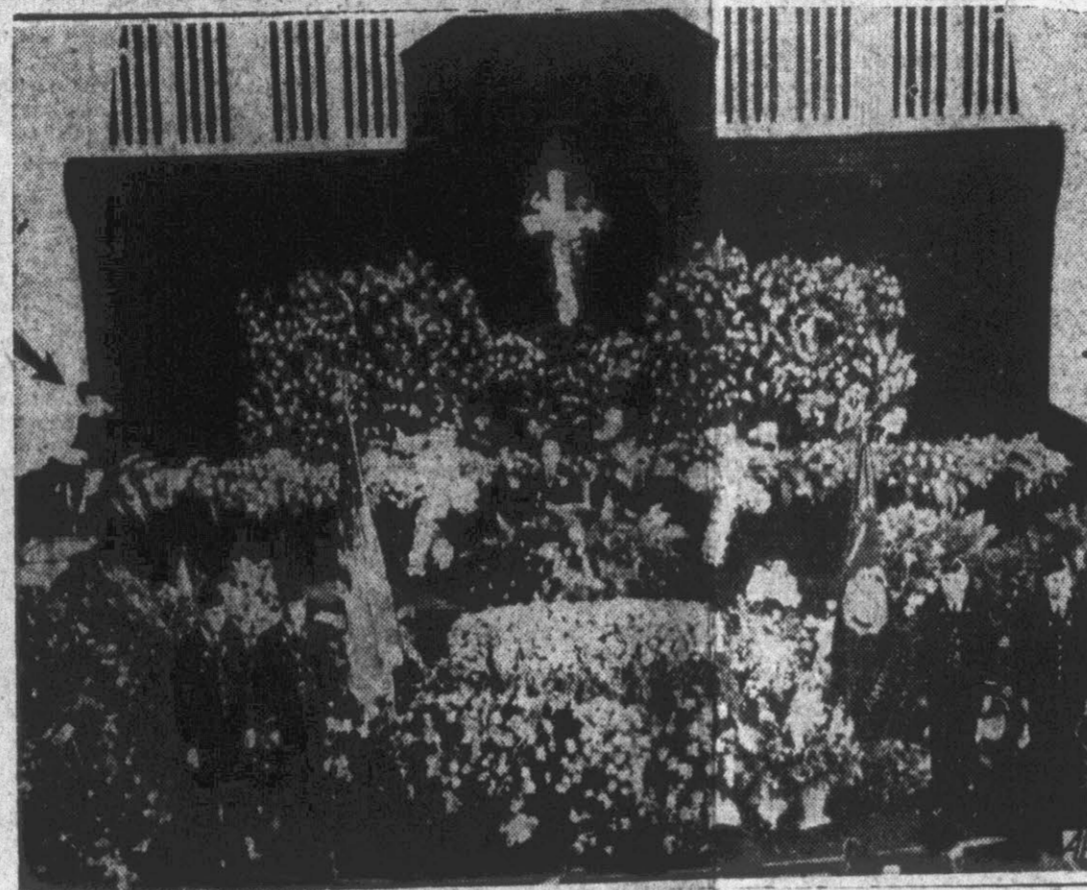

"Mr. Fleming has done excellent jobs in previous campaigns and we are indeed fortunate in having him work with us again this year, Chairman Taft said.

Chairman Taft also announced that the same publicity committee which served so faithfully and efficiently in the past will again conduct this phase of the campaign.

This committee consists of Charles E. Blair, general chairman; D. J. Whitehead, Jr., press; C. R. McBrayer, advertising; Billie Hodges, radio; W. J. Bundy, speakers bureau; and Heber Tripp, distribution.

The chairman stressed the fact that the Red Cross must carry on to serve in peace as well as in war, and that he felt confident that Pitt County would again meet its quota, as it always has in the past, and that the Red Cross will continue to be "The Mother of Mercy."

Grace Moore Funeral In Flower-Banked Church

In a casket covered with flowers lies the body of Grace Moore, beloved American singer, during funeral services at the First Baptist Church in Chattanooga, Tenn., Feb. 23. Floral tributes cover the entire pulpit and the great choir loft. At left stands Dorothy Kirsten (arrow), Metropolitan Opera star, singing "Ave Maria." In the center, almost obscured among the flowers, is Dr. John A. Huff, pastor of the church, conducting the service. Members of the American Legion stand as an honor guard at right side of the casket. Miss Moore, a native of Tennessee, was killed in an airplane crash at Copenhagen, Denmark, Jan. 16, while on a European concert tour. (AP Wirephoto).

Army-Navy Unification Bill Sent To Congress

Washington.—(AP)—President Truman sent to Congress today the draft of a proposed bill calling for the unification of the armed forces. The legislation would set up a national defense establishment, under a civilian secretary of national defense who would have cabinet rank.

The legislation would bring under the defense establishment equally-important departments of the Army, the Navy and the Air Force.

Each of the three branches of the armed services would have a secretary to direct its activities as an individual unit. The three secretaries—for Army, Navy and Air Force—would turn over to the direction of the Secretary of National Defense.

While all four secretaries would be subject to confirmation by the Senate, the White House said only the Secretary of National Defense would have cabinet rank.

The President, in a letter submitting the proposed legislation, informed Senator Vandenberg (R-Mich.) presiding officer of the Senate, and Speaker Martin (R-Mass.) of the House:

"It is my belief that this suggested legislation accomplishes the desired unification of the services and I heartily recommend its enactment by the Congress."

The draft, entitled "National Security Act of 1947," was completed by Clark M. Clifford, the President's special counsel, after lengthy consultations with the Secretaries of War and Navy and the Joint

ECTC Students Get Time Off On Election Day

Today is election day on the college campus.

The liveliest and most important race is that for president of the Student Cooperative Government association, a three-cornered affair with Fred Martin of Asheville, incumbent; Francis Coizer of Newport News; and Charles Bracken of East Carolina Teachers College, as candidates.

Other positions to be filled include those for several important student government offices, for editor of the student annual, and for college marshals and cheer leaders.

According to custom, students were granted a holiday during the afternoon to conduct the last-minute campaigns and to go to the polls. Votes will be counted during the evening, and announcement of elections will be made tomorrow.

The assembly period for this week was moved from Thursday to Tuesday. The three candidates for the student government presidency addressed their fellow students and outlined their policies and objectives. Joe Williams of Greenville, introducing Fred Martin, and Bernice Jenkins, of Greenville, introducing Francis Coizer, were speakers on the program for the morning.

Those elected will go into office during the spring quarter and will serve during 1947-1948.

SHRINE CLUB ACTIVE HERE

Dr. Dennis H. Cooke Speaks; Plans Spring Ceremonial

By CHESTER WALSH

At the Greenville Shrine Club's supper meeting at the Old Towne Inn last night, Dr. Dennis H. Cooke, president of East Carolina Teachers College, outlined the aims and objectives of the college and reviewed the recent improved program at the institution. He described the expansion plan which will increase the college's physical plant by approximately \$2,000,000. Additions will include a boys' dormitory, increased library facilities and a new gymnasium.

The group discussed at length plans for the Shrine Club's spring ceremonial, with Beaufort, Morehead City and Atlantic Beach as joint hosts, on May 21-22. W. J. Bundy, Greenville attorney and Grand Master of North Carolina Masons, is pontefice of the Shrine Temple, Mystic Shrine, this year.

The Greenville Shrine Club indicated last night that they are "going all out" to take a prominent part in the Shrine's Spring Ceremonial at the resort towns.

One of the outstanding features of local Shrine participation in the Spring Ceremonial will be the sponsoring of the Greenville High School band, under direction of Harold A. McDougle, to participate in the parade on the day of the Shrine's annual parade.

Incidentally, various high school bands that participate in the parade will compete for a \$100 prize.

The Greenville Shrine Club will procure special buses to transport the band to Morehead City, where it will participate in the parade. Members of the band will be guests of the Shrine at a luncheon and an outing at Atlantic Beach in the

Traffic Bureau

House Judiciary Two voted favorably today on bills to set up traffic bureaus in the police departments of Greenville and Farmville.

The proposed legislation is designed to simplify the procedures involved in the handling of minor traffic violations; making it unnecessary to route these small infractions through the police court.

Green declared that the real purpose behind most labor laws proposed in the new Congress "is to destroy unions and wreck collective bargaining."

He contended in a statement prepared for the House labor committee that none of the legislation deals with the causes of industrial unrest that has swept the country since V-J Day. The main cause, Green insisted, was inflation.

The record, which no one can

Belgian Police Fire On Rioting Citizens

Brussels.—(AP)—Belgian police fired machineguns in an effort to break up a demonstration of former war and political prisoners before the Houses of Parliament here today and some of the demonstrators fell in the streets, apparently hit.

Most of the bullets were aimed over the heads of the rioters. Police also used sabers and riflebutts to push back the leaders.

An early check showed 20 persons were injured, struck by swords, clubs and flying bottles.

Scores of persons were trampled. Windows were smashed by the weight of crowds pressing against store fronts. Bottles were hurled toward the triple police lines.

The riots resulted from a demonstration in which more than 50,000 men participated, demanding recognition by the Belgian government to reach a zone in front of the government building where public meetings are prohibited.

Lines of mounted police bolstered by gendarmes on foot blocked the massive demonstration as it reached the head of Rue Royale one of the principal avenues of Brussels.

Clubbed their rifles and beat back the surging mass of humanity. No shots were fired in the riots, new

Mt. Etna 'Blows Top', Lava In Flaming Flood

Rome.—(AP)—Italians were reported fleeing today before a massive flow of lava pouring from the crater of Mount Etna after the Sicilian volcano's first notable eruption since 1928, when it destroyed the village of Macati.

Slight manifestations occurred January 30 and Feb. 11 this year. The eruption which began yesterday began reached proportions the seriousness of which could not be fully ascertained at once because of clouds of smoke obscuring observation.

Dispatches from Catania, however, said that after 20 hours of eruption lava had covered an area of about a mile and a half on a front of about 165 yards. The eruption was still continuing.

A Catania dispatch to the Rome newspaper Riformazione said that flashes of flame were first observed at noon Monday on the northern slope of Mount Etna, midway between Mt. Caciatore and Mt. Timpanessa.

Lava began to descend yesterday in a broad front toward Mt. Timpanessa, flowing into the plain of Palommo and then continuing over the Colabasso hill. The lava was threatening the villages of Passo Pisciaro and Randazzo to the north west of Etna.

In its flow toward Passo Pisciaro, the lava met an obstruction which diverted it into the Musumeci valley, which it was reported filling, reaching at some points a depth of more than 600 feet.

Scientists who rushed to the scene and those stationed at the Etna observatory station said the eruption might succeed in filling the entire valley in the course of the day if the flow should continue at its present rate.

The flaming flood was still three miles from Passo Pisciaro at mid-morning but still advancing. Authorities were arranging for evacuation of the alarmed citizens of the town.

Mount Etna is an active volcano (Continued on Page Four)

AFL Boss Willing Change Labor Law

Win. Green Shouts Acceptance Of Minor Revisions To Wagner Act In Exchange With Member Senate Labor Committee

Washington.—(AP)—AFL President William Green told the union labor committee today he is willing to accept a new labor law a requirement that unions make reports of their finances.

In a shouting, red-faced exchange with Rep. Hoffman (R-Mich.), the AFL chief named two or three other labor law proposals toward which he said he had the same attitude.

Hoffman had protested that Green came before the committee simply opposing any changes in existing laws, having no suggestion for improvement.

Finally, Green shouted: "Now what? I'm willing that the Wagner act be changed so that the employer can engage in free speech."

"On financial reports of unions, we're willing."

"If it's a matter of union registration, licensed on a voluntary basis, we have no objections."

Hoffman exclaimed: "Now we are getting somewhere."

Previously Green had said several times he had no suggestions for changes in labor laws, because "I'm not trying to limit or enslave labor."

Green declared that the real purpose behind most labor laws proposed in the new Congress "is to destroy unions and wreck collective bargaining."

He contended in a statement prepared for the House labor committee that none of the legislation deals with the causes of industrial unrest that has swept the country since V-J Day. The main cause, Green insisted, was inflation.

The record, which no one can

Adulteration Of Milk Charged By Grand Jury

Charlotte.—(AP)—The Mecklenburg county grand jury made a presentation in superior court here today charging 18 milk dealers in this vicinity with adulteration of milk and dairy products.

After citing the names of the accused, the presentation alleged that on last November 18 they "did unlawfully sell and offer to sell to the public milk and dairy products after having adulterated same by placing therein water and other foreign substances and did misbrand same."

Hot Spot In Orient

Lt. Gen. Hodge's Report On Korea; Importance Of Geographical Position In Asia; Thumbnail Sketch Of Uncomfortable Situation; Conscriptio

By DEWITT MACKENZIE

Highly disquieting is the report brought up by Lt. Gen. John R. Hodge, commander of U.S. forces in southern Korea, regarding Russian-American relations in that "Oriental hot-spot."

The General, who is back in Washington to make a report of his stewardship, says he has given up trying to negotiate with the Soviet authorities for unification of the country under a provisional government, as provided for under the Moscow agreement of 1945. Negotiations broke down last year over Russian insistence that no Koreans who opposed the Soviet plan for a five year trusteeship over their country should take part in the government. Since then—no soap.

"What further is done is up to someone higher up," says Hodge, after the fashion of a man of few words.

The General further states that the Russian radio has acknowledged Soviet conscription of Koreans into the army in the Muscovite northern zone of occupation. Dr. Syngman Rhee, leader of the South Korean Democratic League, who is in Washington, supplements this

PLEDGE TO U. N. ON MANDATED ISLES BY U. S.

Intent To Administer Bases In Interests Of Peace Expected Today

Lake Success, N. Y.—(AP)—The United States was expected to deliver to the United Nations today a pledge to administer the strategic Japanese-mandated islands in the Pacific in the best interests of international peace and security.

An authoritative source said that Warren R. Austin, U. S. delegate to the U. N. Security Council, would make this promise when he asks the council for approval of an American plan to place the 62 islands under a strategic trusteeship to be administered by the U. S.

In a surprise move, which set the U. N. halls buzzing with speculation about possible motives, Russia gave the plan cordial approval yesterday.

Russia had been expected to side with the British and Australian contention that the U. N. should postpone the whole question of the future of the strategic Marshall, Marianas and Caroline groups until a peace treaty with Japan is written.

A British representative said that in view of the Soviet move his delegation had cabled London for instructions.

Sir Alexander Cadogan, British delegate to the Security Council, said he considered the Japanese-mandate question legal rather than political. He contends that the islands are still legally mandated to Japan.

A member of the U. S. delegation said the U. S. had designated

(Continued on Page Four)

NO NEW PEAK IN FOOD SEEN

Consumer Resistance Said Effective In Holding Line

Washington.—(AP)—The Agricultural Department today discounted talk of a \$1-a-pound pork chop, with an assertion that housewives won't stand for it.

Skyrocketing hog prices merely reflect a seasonal decline in marketable animals, said Charles L. Hurlin, department livestock price specialist.

And he told a reporter he expects consumer resistance—which means housewives with their dander up—to force a downturn in those prices soon.

Department economists held to their contention that food price levels reached their post-war peak last October, after most government controls were removed.

"It is possible that prices during the first half of the year may hold their own, or increase very slightly," said James P. Cavin, farm and good price economist. "But we see no possibility of their climbing back to anywhere near the peak of last October."

Some foods already have declined in cost since the first of the year, and further decreases are expected. In this class are fluid milk, butter, cheese, evaporated milk, dry milk, eggs, poultry, fresh and frozen fish, fresh and processed vegetables, and canned fruits.

All About Form W-2

This Is The Withholding Statement Which May Be Used By Employers, Under Some Conditions, In Paying Income Taxes Which Are Due March 15th

By JAMES MARLOW

Editor's Note: This is the third of 12 stories explaining who must do what about his income tax return.

Washington.—(AP)—Who can use Form W-2, the Withholding Statement, in making his 1946 income tax return?

Form W-2 in the receipt given an employer by his boss for the tax withheld from his wages or salary in 1946.

Full tax is supposed to have been withheld from all regular wages and salaries up to \$5,000.

You can use Form W-2 if your income was under \$5,000 and came entirely from wages or salary from which the tax was withheld.

But—suppose, in addition to your regular wages or salary, you had income from which no tax was withheld.

You, too, can use Form W-2 but only if the additional income was up to more than \$100 and came from interest, dividends, or wages from which no tax was withheld, provided the total income still was under \$5,000.

You could not use Form W-2 in addition to regular wages or salary—you had any income from "things like rent, professional fees, or annuities, no matter how small.

In such a case—any income at all from rents, or professional fees, or annuities—you use the 1040 Short-Form. If your total income was under \$5,000.

(Anyone with \$5,000 or more income, from any source, must use the 1040 Long-Form.)

What of husbands and wives? Can they make a combined return on Form W-2; yes—

1. If their combined income, from which tax was regularly withheld, was under \$5,000.

2. And if any additional income— from interest, dividends, or wages from which tax was not withheld— was no more than \$100, and the total income for both was under \$5,000.

You could file separate returns on Form W-2, but not a joint one, since the combined income was \$5,000 or more.

Or—you could file a joint return on the 1040 Long-Form, which is (Continued on Page Four)

Social and Personal

Mrs. Lydia Corbett, 109 Albemarle avenue, is ill in Pitt General hospital.

Mrs. Sudie Corey is in Pitt General hospital for treatment.

Mr. Daniel Saleed is in New York buying spring and summer merchandise for Saleed's Dry Goods Co.

Mrs. C. T. Cox, of Woodland, is visiting Mrs. Daniel Saleed.

Mrs. Green Honored at Luncheon
On Friday, February 21st, preceding its regular monthly meeting, the Greenville Garden Club entertained at lunch at the Woman's Club, honoring Mrs. Charlotte Hilton Green of Raleigh.

On arriving at 1 p. m. the ladies were shown into the parlors of the clubhouse where the lunch tables were set. The rooms were very attractive, bright fires burned; each room was decorated with red tulips and white narcissus, the tables were covered with small blue vases carrying flags of the U. S.

The chairman of the Garden Club, Mrs. Vance Perkins, had arranged a delicious two course luncheon which was thoroughly enjoyed by all present.

The regular Garden Club meeting was called to order by the chairman, Mrs. Perkins at 3:30. There was a large attendance. The auditorium was attractively decorated with an arrangement of yellow jonquils on the speakers desk and only a spring flowers about the room.

Mrs. J. L. Savage opened the meeting by reading the club's poem, "Whoever Makes a Garden."

The secretary read an appeal from the Finnish relief asking that this club cooperate with them in furnishing seed to the stricken Finnish nation. There was a motion made and carried that the Garden Club donate ten packages of seed and, say individual members wishing to contribute would contact Mrs. Stiel, the club's treasurer, Mrs. J. B. Spilman, chairman of city planning and projects, reported that the Athenian Book Club had donated one dogwood tree to be planted on the grounds of the municipal building. The A. A. U. W. gave five trees to beautify the grounds of the white red colored schools of Greenville.

The meeting at this point was turned over to the program chairman, Mrs. Emmet, who introduced the speaker for the afternoon, Mrs. Charlotte Hilton Green of Raleigh.

Mrs. Emmet stated "Mrs. Green is the author of two books, 'Birds of the South' and 'Trees of the South'. She is an outstanding authority on wildlife, and her column, 'Out of Doors in North Carolina', has appeared in the Raleigh News and Observer for 13 years." Birds have been the subject of study by Mrs. Green for years, and she gave her audience the benefit of her years of research and observation by telling them of the habits and individual characteristics of many birds. She also had beautiful colored pictures of the particular birds she described, thus helping one identify a bird by its coloring.

Mrs. Green told how we might entice the birds to our gardens and how we are to feed and protect them. It was the consensus that Mrs. Green's talk was one of the best and most informative the Garden Club has had, and the club looks forward to having her again at some future time.—Reported.

Mid-Week prayer service
Mid-week prayer service will be held Wednesday evening at 7:30 o'clock in the Ellington Bible class room. Sponsors for the mid-week prayer service this week will be members of the ladies' classes in the Sunday school.

Dies in Jefferson City
Word has been received here of the death Tuesday night of Mrs. D. P. Jenkins of Jefferson City, Mo. Funeral services will be held in Jefferson City Thursday morning at 10 o'clock. Burial will be in Lawrenceburg, Tenn., Friday at 3 o'clock.

Mrs. Jenkins was the wife of Don Jenkins of Mrs. and Mrs. J. J. Jenkins of Greenville.

Mrs. Jenkins was before her marriage Miss Margaret Simms, White, daughter of Mrs. Jennie White and the late Mr. White of Lawrenceburg, Tenn.

Surviving are her husband, one daughter, Margaret Simms, a twin brother and her mother.

For several years Mrs. Jenkins taught in the public schools of Raleigh.

Back From Kentucky
Billie Branch, well known tobacco auctioneer of Winterville, recently returned from Owensboro, Ky. where he had been on the tobacco market since November 21. He sold for eight warehouses there. Mrs. Branch and their children, Ashley, Doris, Dorothy and Kirby, returned with him. Branch is auctioneer for Kael's warehouse in Greenville.

Birth Announcement
Mr. and Mrs. Hugo Williams announce the birth of a son, James Kenneth in Pitt General hospital on February 20.

Birth Announcement
Mr. and Mrs. Elmer B. Parker, Jr., of Stokes, announce the birth of a son, Elmer Blaney III, February 21, Pitt General hospital. Mrs. Parker is the former Miss Evelyn Ward of Robertsonville.

American Legion Auxiliary
The American Legion Auxiliary Monday, February 24, with Mrs. John Horne.

The president of the Auxiliary, Mrs. J. B. Worsley, presided over the business session. The meeting was opened by a salute to our flag, a prayer by our chaplain, Mrs. W. Brown, followed by the singing of "America," and the reading of the preamble together. Reports of the secretary, treasurer and various committees were heard and discussed.

A motion was passed to give a

Social Calendar

WEDNESDAY
8:00 p. m.—Junior Women's Club meets in the club house.

THURSDAY
7:00 p. m.—B. and P. Women's Club will meet at the Woman's Club, Charles M. Johnson of Raleigh, guest speaker.

7:30 p. m.—The V. F. W. Post No. 7032 will meet in room above Carter's Printery on Cotan Street.

FRIDAY
2:00 p. m.—Class in Mission study at Memorial Baptist Church.

6:30 p. m.—Kiwanis Club.
8:15 p. m.—"I Remember Mama," presented by Chi Pi Players and Senior Class at Austin auditorium.

SATURDAY
8:15 p. m.—"I Remember Mama," presented by Chi Pi Players and Senior Class at Austin auditorium.

donation to a veteran, Edward Lee Simpkins, who has recently lost his home, household furnishings and clothes by fire. Anyone having anything to give would be appreciated.

The poppy sale was discussed and it was decided that our number should be ordered at an early date.

Plans were discussed for the area and district meeting of the American Legion Auxiliary to be held in Greenville on March 25.

Mrs. Frank Taylor read a note of thanks from Mrs. Eunice C. Diener. We were sorry to learn that Mrs. Sudie Corey was absent due to illness. We always miss a good member.

Mrs. Alfred Kennedy, Jr., introduced two new members, Mrs. Amos Hudson and Mrs. J. Sam Fleming.

It was decided that our March 24 meeting be held at the home of Mrs. Paul Scott. Our guest speaker will be Mrs. T. W. Bird, national department president of the American Legion Auxiliary.

At the close of the business session cool drinks and cookies were served. The assisting hostesses were Mrs. J. R. Worsley, Mrs. Bob Whitehead, Jr. and Mrs. G. H. Worsley.—Reported.

Students Visit Reflector
Mrs. S. D. Dewar, teacher of business education and the Commerce club at the Bethel High school, visited the Reflector office yesterday to see how a modern daily newspaper is made. The Commerce club is composed of 10th, 11th and 12th grades. The teacher and students also visited the radio station and East Carolina Teachers College.

Mission Study
There will be a mission study class of Memorial Baptist Church W. M. S. at the church on Friday afternoon at 2 o'clock. The class will be conducted by Mrs. E. B. Beasley, of Fountain, and Mrs. E. Y. Lovelace, of Maeclesfield, both of whom are well known to W. M. S. members in this division. The book used is, "Shining Like the Stars," by Harold E. Dye.

College Club Meeting
The International Relations club of East Carolina Teachers college at the regular meeting for February held on Tuesday evening in the Classroom building, heard a group discussion among student members of the politics, war, record, and future of China.

Jack Kimbrell of Waxhaw, vice president, was in charge of the program, and led the discussion. Others taking part included Gibbon Mc-

Forty Years Ago Today

February 26, 1907

Tuesday night's rain again covered the streets over the cavern near the graded school. It caved every time it rains lately, and the secret of the trouble is hard to locate.

Mrs. W. B. James left this morning for Baltimore.
A nobody is a man who is always boasting of his ancestors.
Snow hill is moving to have a tobacco market in that town.

Keely of Waghaw, Edward Reynolds of Creswell, Nicholas Fokakis of Wilmington; L. M. Willford of Fayetteville and Claude Harris of Kinston.

Veteran students who served in China during the war made contributions of first-hand experiences and observations based on their life in the Far East.

VA Contact Office Closed On Saturday

Effective Saturday, March 1, the Veterans Administration contact office in Greenville will be closed every Saturday and will operate on a 40-hour Monday-through-Friday week.

This announcement was made today by James D. Walters, in charge of the VA office, upon receipt of instructions from the regional VA headquarters in Winston-Salem.

Office hours of the contact office are 8:00 a. m. to 4:30 p. m., Monday through Friday. The office is located in the armory.

Two Will Attend Atlantic City Meet

Dean R. J. Slay of East Carolina Teachers College and Dr. J. L. Oppelt, director of student teaching and placement at the college, will attend a series of educational conferences to be held in Atlantic City from February 23 through

Unveil Portrait Judge Skinner At City Hall

By CHESTER WALSH
Impressive exercises were held in the Municipal Recorder's court room, at the City Hall last Friday at the unveiling of a portrait of Judge Louis Cherry Skinner, United States Navy lieutenant, who lost his life while on duty in the Pacific in March, 1945.

The portrait of the former Greenville jurist was painted by Mrs. Georgia Pearsall Hearne of Greenville.

J. Herbert Waldrop presented the portrait in behalf of the donor, James S. Eicklen, and the family of Judge Skinner.

E. Hoover Taft of the Pitt County Bar Association delivered an eloquent memorial address, eulogizing Judge Skinner an outstanding citizen, astute jurist and brave naval officer. The transport plane on which the Pitt county and other naval officers were being transported to another base disappeared and was never heard from.

Judge J. W. H. Roberts presided and formally opened court. Dr. Robert S. Boyd delivered the invocation. Sam B. Underwood, Jr. introduced Mr. Taft. The Rev. Roscoe C. Hauser pronounced the benediction.

Members of Judge Skinner's family, friends and members of the bar attended.

Judge Skinner graduated from the University of North Carolina with an LL.B. degree. He became associated with his uncle, J. B. James, in the practice of law in Greenville. He was appointed judge of the Municipal Recorder's Court and later was elected to the office. He served several years until he

Red Oak News

A spirited contest between the men and women got under way last Sunday at Red Oak when a count of all present showed 30 women present against 35 men. At first it looked like the men were going to be afraid to tackle the women again since they lost in a similar contest last year, but they rallied and said, "We're not afraid of them!" Now, men, if you will just get behind your captain, Joe Tyson, and not only come yourself, but bring someone else with you, there is no reason why you shouldn't have a chance to win. But, ladies, listen! Let's don't give them an inch! Let's get behind our leader, Mrs. Bill Jenkins and win this contest! We can do it! Who will be ahead next Sunday? If you are not already attending Sunday school anywhere, come on out to Red Oak and help these folks out. We need you, you need us!

Little G. I. is dead. He was run over by a car last Sunday. G. I. was nothing but a mongrel, shaggy-haired pup, but he was loved by all the folks in the neighborhood. He was brought from Germany when he was only a month old by one of our returned soldiers, Joe Tyson. G. I. never missed a club meeting, a party nor Sunday school since he came to the neighborhood to live and he made friends with everyone. "He was a little chap with wagging tail.

And dark brown eyes that never quailed, He'd look you through and through, With love unpeachable and true." We miss him so much!

It was bitter cold last Saturday morning at 7:30 but it was not too cold to keep some of our church members from meeting with the contractor to talk over plans for our church improvements. The fact that every person who was asked to attend was present should be an inspiration to the other members of the church to join whole-heartedly

in this movement to make our church more beautiful, more comfortable and more useful. As soon as the plans are completed they will be presented to the whole membership for their approval.

While we are talking about the weather, it was also bitter cold last Thursday night, but about 30 young boys and girls met at the club center for the monthly meeting of the Youthful Workers club. The meeting was presided over by the president, Joe Tyson, and Mrs. Jeanie Cassick read the minutes and called the roll.

This young group will present a Negro minstrel about three weeks from now. A committee will meet at Mrs. B. L. Tyson's Sunday night to work out the program. Everybody who is willing to help in any way with this minstrel is urged to attend at meeting next Wednesday night at 7:30 in the club center.

A program of songs, duets and readings was enjoyed after which a recreational hour was enjoyed followed by refreshments of orange juice, cookies and peanuts.

The Young Women's Aid Society of Reddy Branch Church held an old-fashioned basket-party at the Red Oak club center last Friday evening. A fair-sized crowd attended although it was mighty cold.

The ladies carried twelve beautiful baskets filled to the brim with all sorts of goodies and some of them brought as high as nine dollars. This was the first basket party held around here in a long time and the bidding was very lively. Music, singing, cake walks and games added to the enjoyment of the occasion. These fine young workers presented a gift of money to Mrs. B. L. Tyson to be placed in the building fund at Red Oak.

Do not forget that Circle No. 1 will sponsor a candy sale next Wednesday, February 26th. If you would like some of this delicious homemade candy, place your order at once with Mrs. L. W. Edwards, phone 3789.

Have Parts In "I Remember Mama"

HUBERT BERGERON

Two of the college students who are helping make a success of "I Remember Mama," Broadway comedy hit to be presented by the Senior class and the Chi Pi players of East Carolina Teachers College on Friday and Saturday evenings of this week, are Charles Connor of New Bern and Hubert Bergeron of Spring Hope. Connor, a freshman who entered the college at the beginning of the winter quarter, plays Papa, his first important role in a play. Bergeron, who takes the part of an English actor, has had a wide and varied experience in the theatre. As a member of the 20th Special Services in Europe during the war he was connected with a group organized to provide entertainment for American soldiers abroad. With

CHARLES CONNOR

a group of soldier-actors and 85 American actresses, specially employed by the army, he toured Germany, France, and Austria, giving plays for GIs. His latest appearance was as Lord Loam in the Chi Pi production of Barrie's "The Admirable Crichton."

Falkland News

Mrs. R. B. Tyer and Miss Beatrice Moore left last week for a trip to Florida where they will visit Mr. and Mrs. Howard Tyer and family. They will also visit different points of interest in Florida.

Mrs. T. K. Fountain spent last Friday in Raleigh, where she visited Miss Margaret Jones.

Miss Lucy Cherry Crisp who is now working in Raleigh and Miss Evelyn Lawrence who is attending school at Peace in Raleigh, spent the weekend here with Rev. and Mrs. C. A. Lawrence.

Mrs. Woodrow Wooten spent Tuesday afternoon in Stantonsburg, where she visited Miss Lorraine Moore, a member of the Stantonsburg faculty.

Mrs. Harold Willis and baby Peggy Ann of Elizabethtown returned home Monday after spending a week here with Mrs. C. H. Mayo.

Mr. and Mrs. Carson R. Jones were the guests of Mr. and Mrs. Forrest Mallard in Burgaw last week-end, February 15.

Miss Lorraine Moore spent the week-end here with her parents, Mr. and Mrs. W. J. Moore.

Mr. and Mrs. G. H. Pittman visited Mrs. Alice Cannon in Ayden, N. C., last week end, February 15.

Mrs. Woodrow Wooten was in Stantonsburg Friday on business.

Everyone is invited to a Bible study Thursday afternoon beginning at 5 o'clock at the Falkland school lunch room. You are asked to bring a picnic basket. Supper will be served and following that the Bible

study will be conducted. Please come. I'm sure you will find it very beneficial.

Members of the Falkland Presbyterian Church are asked to please be present Sunday morning, March 2, for a congregational meeting to be held following church services at 11 a. m.

N.C. Assembly . . .

(Continued from Page One) bread. A one-pound loaf would have a maximum length of 1 1/2 inches; and 1 1/2 pounds, 2 pounds and 2 1/2 pound loaves, 15 inches.

Rep. Clifton of Sampson sent up a measure to allow 10 per cent of the voters to petition for a school district, and the county board of elections would have authority to order a special election for issuance of bonds for that district.

Rep. Mull sent up a bill to make the anti-hasty marriage law, now in effect in 14 eastern counties, state-wide and applicable to residents as well as non-residents. A 48-hour waiting period is prescribed.

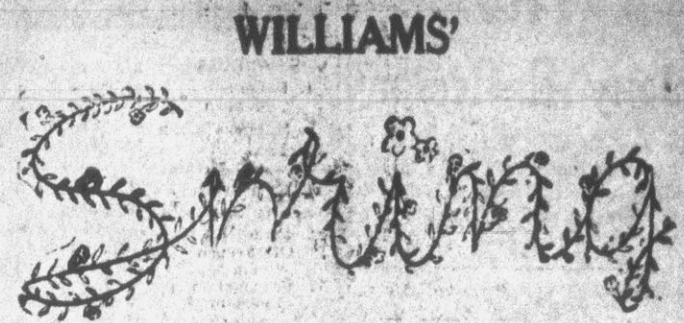

Rep. Worthington told the house he had learned that tobacco quotas could not be reduced after announced by the secretary of agriculture, so his joint resolution calling for a 10 per cent reduction in the bright leaf crop was sent to the agriculture committee, where it probably will die.

Quickly Relieves Distress of Sneezing, Stuffy Head Colds

A little Va-tro-nol up each nostril promptly relieves sniffling, stuffy distress of head colds—makes breathing easier.

Also helps prevent many colds from developing if used in time. Try it! You'll like it! Follow directions in package.

What To Do For That Sluggish, Down-and-Out Feeling

Remember the time when you could eat like a horse, bubbled-over with energy, felt happy as a lark? Was it not because you liked to eat—didn't know what indigestion was, felt strong as an ox? As age advances the "old stomach and the ever-changing blood" need help. Now you may again release vibrant energy to every muscle, fibre, cell. Every day—every hour—millions of tiny red-blood-cells must pour forth from the marrow of your bones to replace those that are worn-out. A low blood count may affect you in several ways: no appetite, underweight, no energy, a run-down condition, lack of resistance to infection and disease. To get real relief you must keep up your blood strength. Medical authorities, by analysis of the blood, have by positive proof shown that SSS Tonic is amazingly effective in building up low blood strength in non-organic nutritional anemia. This is due to the SSS Tonic formula which contains special and potent activating ingredients. Also, SSS Tonic helps you enjoy the food you eat by increasing the gastric digestive juice when it is non-organically too little or scanty—thus the stomach will have little cause to get balky with gas, bloating and give off that sour food taste. Don't wait! Energize your body with rich, red-blood. Start on SSS Tonic now. As vigorous blood surges throughout your whole body, greater freshness and strength should make you eat better, sleep better, feel better, work better, play better, have a healthy color glow in your skin—firm flesh fill out hollow places. Millions of bottles sold. Get a bottle from your drug store. SSS Tonic helps Build Sturdy Health.

Mr. Overseas Veteran

Haven't you forgotten something?

You were part of the forces that fought and won the greatest war in history. (The same thing could have been said to the men who came back after World War I.)

Don't leave the job undone. Do as hundreds of thousands of your former comrades are doing: Join the V.F.W. This time, by united effort, let's make the peace permanent!

JOIN your V.F.W. post TODAY

Attend the meeting Thursday Night, February 27th, at 7:30, in room above Carter's Printery on Cotanche Street.

Attlee Supports Bevin Statement London. — (AP) — A government source said today that Foreign Secretary Ernest Bevin had the full support of Prime Minister Attlee in his declaration to the house of commons yesterday that President Truman, by urging admission of 100,000 Jews to the Holy Land last fall, had shattered British prospects of settling the Palestine problem.

Bevin's disclosures to parliament, this informant said, were made because the time had come to be frank and to counter "undeserved parliamentary criticism" for failing to negotiate a Palestine settlement. In addition, he added, Bevin wanted the U. S. government to realize the international responsibilities involved in the Holy Land.

Colored News Mrs. Lena W. Cherry spent the day in Grimesland Sunday. While there she attended St. Mornical Baptist church. Before the sermon we were honored with a fine talk by Mr. O. A. DuPree, principal of the Pitt County Training school, on "Christian Stewardship."

Mrs. Cherry was remembered by many of the people of Grimesland from her early teaching career there. She made an expression after which a solo was rendered by Miss Daisy Stevenson, a senior at the Training school.

The pastor, Rev. Branch, delivered a wonderful sermon on "Christian Faith."

Mrs. Cherry was dinner guest of Miss Vivian Dudley. Other guests present were Mr. M. W. Rountree and Mrs. Lillian W. Hardy.

Greenville Youth Wins High Honor
 T-4 George Lee Jenkins, Jr., ambitious Negro youth, son of Mr. and Mrs. George L. Jenkins of Greenville, now with the army of occupation in Japan, recently won a prize for writing an essay on the late

George Washington Carver, noted Negro educator and scientist. The essay was read at the dedication of West Camp at Tuskegee Institute. Young Jenkins graduated from Eppes Negro High School in Greenville. He later attended Howard University, Washington, D. C. while in the U.S. Army, and then went to Japan.

Tourney Opens Thursday

Northeastern Conference Play-Offs At College Gym

Four Games Scheduled Tomorrow Evening; Washington Pam Pack Slight Favorite; Semi-Finals Slated For Friday; Greenville Meets Tarboro In First Pairings

The independent Northeastern Athletic Conference begins what should be a red hot basketball tournament tomorrow night in the ECTC gym with all eight teams in the league competing. Four games will be played tomorrow night with the first contest slated to start at six o'clock.

With the first four seeded teams of almost equal caliber, the tournament winner is just about anybody's guess. Washington, however is given first seeding on the basis of its superior season's record. Kinston is ranked next, followed by New Bern and Greenville in that order.

After four teams are eliminated tomorrow, the semi-finals will be held on Friday night. The finals will be held Saturday evening.

Pairings for tomorrow are as follows: New Bern plays Roanoke Rapids at six o'clock, Edenton takes on Washington at seven, Kinston tangles with Elizabeth City at eight, and Greenville meets Tarboro at nine o'clock, topping off the evening's play.

Although Washington holds the conference title officially, competition will be keen for the tourney championship, and Washington is by no means a heavy favorite, since Kinston, New Bern and Greenville all have potent attacks which are capable of pulling an upset at any time.

Trophies to be presented the winner and runner-up in the tournament are currently on display in the window of Lautares Jewelry Store.

Rally In Last Quarter Won Contest For Pack

By SPYRIDON SIDERIS
 A rally in the last quarter gave the Washington Pam Pack a 26-23 win over the Green Phantoms of Greenville Monday night in a contest held in the Wright Gym of ECTC before a large and noisy crowd.

The Greensies took the lead at the beginning of the game on a lightning fast break and played a slow freeze throughout the entire contest. Using the slow freeze the Phantoms were able to hold the Pam Pack's score down, while they themselves shot only when an easy crisp or close shot was in the offing.

Dave Clark, Greenville's center did a good job of stopping Freddy Potts, the Pam Pack's 6 foot, 5 inch forward, limiting the tall boy to 3 points. Dave was also getting more rebounds than the tall Pam Packer. Billy White and Jimmy Cox worked the slow freeze well, setting up plays on which Glynn Perkins scored. Henry Turner, Greenville forward, was always where the opposition least expected him, and intercepted many passes.

Greenville scored on the center tap when Billy White, guard, chopped in a field goal. Washington knotted the count when Al Phelps made good two free throws. Glynn Perkins put the Phantoms ahead with a crisp shot. Then two successive baskets by Ward gave the Pam Pack a 6-4 lead. A foul shot by Potts chopped through, but the tall boy had stepped over the foul line. Jimmy Cox, the Greensies' youngest player, put Greenville ahead 7-6 with a gratis throw and a field goal. Perkins dropped in a crisp and Clark made two foul shots to put the Greensies ahead 11-6. Washington's Ward dropped in a free throw, but Billy White counter-

Indians Scored Triple Victory

Bethel—The Bethel Indians defeated the Tarboro High School boys here Monday night to the tune of 33-23, bringing the local squad's record for the season to twenty-seven wins out of twenty-nine starts.

Earl Keel led the scoring for Bethel with 14 points; White, with 8 points, was high for Tarboro.

The Bethel girls scooped a hard-fought victory from the Tarboro girls with the final score reading 19-15. Crisp led the scoring for Bethel with 13 points.

The Bethel "B" squad rode roughshod over the Tarboro Junior Varsity and turned in a 33-14 victory. The "B" team remains unbeaten this season. H. Tetterton led the locals in the point-making department with 14 points. W. Keel was second with 9 points to his credit.

ern Conference Tournament to be held February 27-March 1 may see the Greensies upset everyone's expectations and come out on top themselves.

Play-Off Opens At Eppes School

A Class B contest between Middleton High girls of the Roanoke Center will meet the Ayden girls of the Tidewater Center in the opening contest. Following this contest the Seaboard boys of the B division will meet the Ayden boys in the final game of the afternoon.

Eppes High of Greenville will take on Browly High of Scotland Neck in the A division. Eppes girls will meet Browly girls in the first game of the night and the final game will be played between Eppes and Browly boys.

These two games will mark the opening play-off for the State title. Games will be played in different sections of the state Thursday night in order to determine the semi final play-off. The winners in each division will play in the semi-final next week.

Browly High and Seaboard represent the Roanoke division. Greenville (Eppes) and Ayden represent the Tidewater division.

Arthur High In Double Victory

Bell Arthur—Arthur High scored a double victory over South Edgecombe in a high school basketball doubleheader Monday.

The local girls checked in with a one-sided score, 34-23, and the boys followed up with a 37-34 win in the second game. J. Crawford scored 13 points to pace the Arthur sextet with Tolson best for the losers with 14 points.

In the second game, K. Sutton and W. Stocks accounted for 13 points each for Arthur; Pitt, with 16, was high man for the losers with Lamb next in line racking up 7 points.

Cheerleaders for Arthur High were reported as particularly effective in bolstering their teams throughout the doubleheader.

Hot Spot . . .

(Continued from Page One)
 in the Far East. The nation controlling Korea would have a key position.

If you will glance at your maps you will see readily enough what I mean. So far as China and Russia are concerned, Korea is an invaluable base for defense or offense. Its value to Japan when she was on the war-path is self evident. It is equally clear that Uncle Sam and Britain, with their great Oriental interests, want to see Korea established as an independent state.

As things stand, the country is divided in halves, with Russia occupying the northern portion and America the southern. The line of demarcation is the 38th parallel, and this imaginary boundary is so tightly guarded by the Russians that it is like a Chinese wall.

Now look at that map again and note how Korea shields Russia's great Siberian port of Vladivostok, and the Manchurian ports of Dalren and Port Arthur in which Moscow is so deeply interested. Strongly held with military forces, it is natural defense for the Soviet Union.
