Re-Writing Labor Laws Hit By CIO

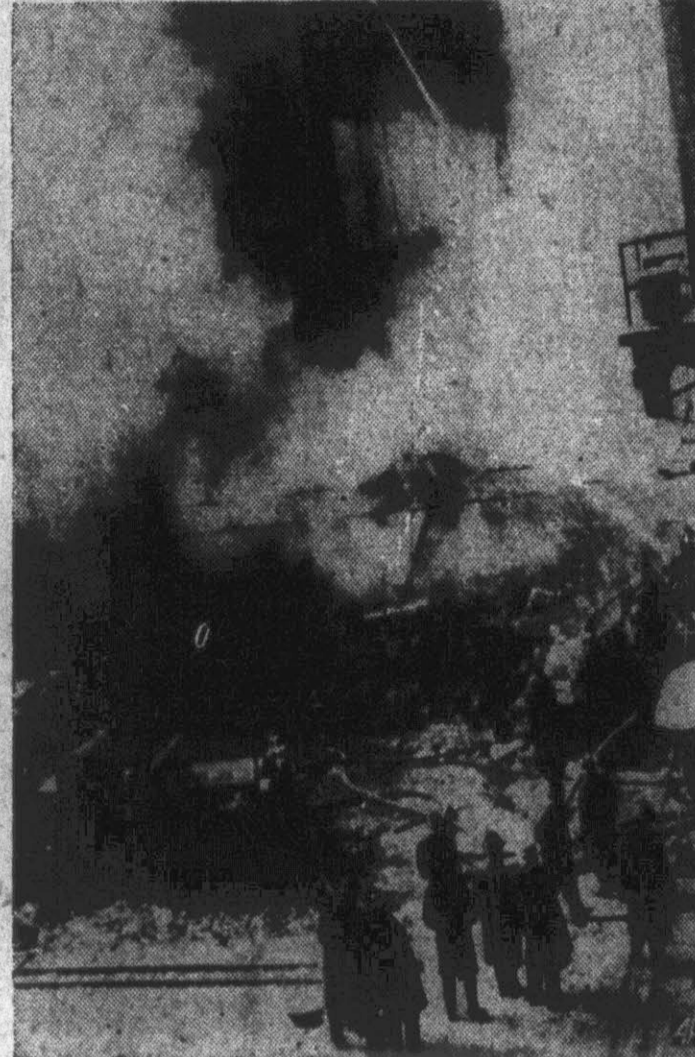

Charge House Labor Committee Members Unable To Write "Fair" Labor Measure; Former Aide To A.F. W. Secretary Of Rail Brotherhood Wants Control For Union Leaders

Washington—(AP)—Van A. Bittner, chairman of the CIO organizing committee, told House labor committee members today their minds were closed and they would "not give labor a fair break." Rep. McCowan (R-Ohio) asked: "You mean our minds are closed and we will not give labor a fair break?" "That's right," Bittner shot back. "That shows how narrow you are," McCowan commented. "There are no labor men on this committee," Bittner replied. "Just a minute!" McCowan exclaimed. "There are men here who have done manual labor. I was a member of two different unions." The exchange came after Bittner had testified opposing any changes in labor laws. McCowan asked him if the Wagner act was "perfect." Bittner said nothing is perfect. McCowan asked him if, therefore, "this committee of 25 men who know very little about labor relations could write a good labor bill."

CHINESE REDS DESTROYED WHEN MAKING DRIVE

Gov't Sources Give Version Of Losses During Major Spring Offensive Changchun—(AP)—The government commander in Manchuria asserted today the Communist offensive against Changchun was smashed, with 5,000 enemy dead on the battlefield and the rest in full retreat. The commander, Gen. Tu Li-ming, told newsmen the blow was so severe that his troops could capture Harbin, the Communist stronghold, within 10 days. He said, however, he had no orders to drive on north. General Tu gave this version of the operations, during which the Communists were known to have pushed to within 12 miles of Changchun, Manchuria's capital and, by Tu's account, the No. 1 objective: "This was the Communists' spring offensive, which had been in the cards for six months. Gen. Lin Piao, Communist commander in Manchuria, had prepared 20 divisions, of which about 15 were committed. Lin told his troops that if they failed to seize the bastion of Tehchew, 52 miles northeast of Changchun, they must return to the north bank of the Sungari river, dividing line of the warring forces. General Lin's troops crossed the Sungari and, while part of the force drove south toward Changchun, the main body was thrown against Tehchew. For seven days, during which the Communists buried 140,000 troops (Continued on Page Four)

Explosion Levels Building, Kills 2

Firemen pour water into the smoldering ruins of a three-story building wrecked by an explosion that killed two persons and injured more than 30 at the corner of Wells and Van Buren streets in the Chicago Loop district. The blast shattered hundreds of windows in buildings within the block. (AP Wirephoto)

NEW VOLCANO IS "MUST" ON TRUMAN TOUR

Paracutin Seen From Air By Presidential Party; Ends Visit Tonight

Mexico City—(AP)—President Truman took off today in the Sacred Cow for a trip around Mexico's great new volcano, Paracutin, near Uruapan, 155 miles east of here. The President's plane circled the field while two planes with newspapermen and photographers were getting ready. Soon took the air within five minutes and the three were off. "The President seemed tireless and eager for his tourist trip to see the sights of Mexico after two days of swift activity in formal affairs with much haphazarding and a multitude of his expansive smiles. Mr. Truman and the captain swaying on the "Missouri Waltz" played repeatedly yesterday at the folk dance festival, the U.S. Embassy reception and in the foreign office last night. More significant than that was the title of "champion of American solidarity" given the President by his host, President Aleman at a formal U.S. Embassy lunch yesterday. The President, hailed by President Miguel Aleman of Mexico last night as "the new champion" of hemispheric solidarity, also arranged for a motor trip to the pyramids of the sun and moon at San Juan Teotihuacan after inspecting Paracutin volcano from the air. He will wind up his official visit tonight at a private dinner with Aleman. Tomorrow he will fly to Waco, Texas, where he is to deliver a 25-minute foreign economic policy speech at Baylor University before returning to Washington tomorrow night. The visit of the two Presidents at a colorful fiesta at the National Stadium yesterday was marred when two persons—a 19-year-old woman and an eight-year-old child—were killed and four hurt in tie (Continued on Page Four)

Sec. Marshall Leaves For Big Four Moscow Meeting

Gerald Smith At Bilbo's Church

The Rev. Gerald L. K. Smith, (left), head of the Christian Nationalist Crusade, chats with Dr. Geo. G. Long, brother of Louisiana's late Kingfish Huey P. Long, at the dedication of Juniper Grove Baptist church at Poplarville, Miss., sponsored by Senator Theodore G. Bilbo. The senator gave the land for the church and contributed much toward its construction. Speaks at the dedication, Smith described Bilbo as "the most persecuted man in the world." (AP Wirephoto)

Expresses Hope For Austrian Treaty But Says Final Terms For Germany Unlikely To Be Completed; Difficult And Momentous Decisions Ahead

Washington—(AP)—Secretary of State Marshall left today for the Big Four Foreign Ministers Conference in Moscow. The secretary left for the momentous conference expressing hope the foreign ministers could write a peace treaty for Austria. But he said it is "extremely doubtful" that a German treaty could be completed. "We recognize the negotiations at Moscow will be extremely difficult and their consequences momentous," he said in a statement dictated to reporters before his plane took off. Marshall was accompanied by Benjamin B. Cohen, State Department councilor and Charles E. (Chip) Bohlen, Russian expert and interpreter. A second plane carried several top advisors, including John Foster Dulles, Republican foreign affairs expert. Aboard a third plane in the party were eleven news and radio correspondents. Marshall told reporters that deputies of the Big Four foreign ministers already had made progress in drawing up a treaty for Austria, but he said the situation on the German pact is "quite different." Still at issue, he emphasized, are the "great fundamentals" which will serve as a basis for a German treaty draft. "If we are successful in reaching agreements on major fundamental principles I would be very much pleased," he added. In a subsequent statement for newsmen, Marshall said, "We owe a great responsibility to the American people in the endeavor to secure peace." The secretary planned to stop tomorrow in Paris for an overnight visit with President Vincent Auriol of France. This will give him an opportunity to get French views on (Continued on Page Four)

Milk Control Law Is Introduced In Assembly

Measure Is Designed To Give State Health Board Authority To Prepare And Enforce Rules On All Phases Of Milk Production

Raleigh, N. C.—(AP)—A measure to give the state health board authority to prepare and enforce rules and regulations dealing with every phase of milk production was introduced in the Legislature today by Senator Rankin of Gaston. Introduction of the measure followed by about a week a verbal blast by authorities here that some milk being distributed over the state had been watered or otherwise adulterated. Immediately thereafter, the Mecklenburg County grand jury went into action and drew preliminary against a number of milk dealers in that county. Similar probes were under way elsewhere and the state bureau of investigation was probing the matter. The state health board would be authorized to prepare and enforce rules and regulations governing the production, sale, transportation, processing, handling, sampling, examination, grading, labeling, re-grading and distribution of milk products. The issuing and revocation of permits to milk producers, processors and distributors; and the placarding of all establishments where fluid milk and fluid milk products are served or offered for sale. Representatives of the board can make inspections anywhere at any time. The governor would be authorized to appoint a consultative committee composed of one representative each from the N. C. Milk Producers Association; the N. C. Dairy Products Association; the department of animal husbandry school at N. C. state college; the board of agriculture, and one from the public at large. The consultative committee would work with the health board in formulating rules and regulations governing the sanitary control of milk products. Rules and regulations promulgated by the board would be considered as minimum standards, and local governmental and health agencies could adopt more rigid rules. Most milk regulations now are now under the agriculture department.

France Firm On Stand Against United Germany

Berlin—(AP)—France stood firm today in opposition to the establishment of a strong central German government and declared that she regarded as "premature" any consideration of such a proposal at the Big Four foreign ministers meeting which opens Monday in Moscow. "France is of the opinion that Germany should be constituted on a federal basis and that its decentralization should be pushed to the utmost limits," the highest French authorities in this four-power capital asserted in answer to an Associated Press questionnaire submitted on the eve of the Moscow conference. "France sees in this decentralization the only possibility offered for development of a true democratic spirit in Germany." "This question will doubtless be on the Moscow conference agenda," the French added, "but it can be said already that under present conditions France considers the organization of a central German government premature."

U. N. Ready Receive Holy Land Problem

Signs Of Times Britain May Hand Case To Secretary General At Any Moment; Preliminary Steps For Action Are Under Way

Lake Success, N. Y.—(AP)—Great Britain was reported reliably today to be prepared to toss the complicated Palestine case into the lap of the United Nations without further delay. Authoritative sources said Sir Alexander Cadogan, British delegate to the U.N. Security Council, might even hand the case to Secretary General Trygve Lie some time today. "If not today," one high source said, "it certainly will be turned over to the United Nations within the next couple of days. The British want action." At the same time, sources within the British delegation said Britain would accept the appointment of a "fact-finding" commission composed of members of the United Nations to delve into the Holy Land situation. U.N. officials were reported to have taken preliminary steps to expedite an immediate inquiry into the Palestine problem when and if the Big Five powers give the go-ahead. Informed sources said Arkady Sobolev, assistant secretary general in charge of political affairs, already had directed his aides to begin "pulling together basic, factual material." This preparation was started immediately after Lie, in informal talks with representatives of the big powers, advanced a proposal that a U.N. fact-finding commission be set up to study the problem and draft recommendations before the assembly meets in September. (Continued on Page Four)

FUNDS DRIVE NEARLY READY

Red Cross Campaign To Start Tuesday, March 11; Appointments

The campaign for raising funds in the Red Cross membership drive is about ready to start. John G. Fleming, chapter chairman, is again this year heading the Greenville district. The overall quota for the county is \$12,000. E. Hoover Taft is county chairman. The Special Gifts Committee under Joseph S. Moye, chairman, will start its solicitation Tuesday, March 11, with a breakfast at the Olive Town Inn. Mr. Moye is getting everything in readiness for an efficient and speedy campaign. To assist Mr. Moye, he has secured the services of Willard T. Kizer, who will handle the out-of-town branch firms solicitation. The Jaycees under Dr. Herbert Hadley, chairman, will solicit the business district. The members of the Service League under Mrs. Hunter Irving, chairman, are again helping with the solicitation of the residential section. The general solicitation for the (Continued on Page Four)

Heir Apparent

London—(AP)—N. A. Bulganin has been appointed deputy prime minister of Russia, the Moscow Radio announced tonight. Bulganin, a General of the Soviet Army, took over Prime Minister Stalin's portfolio as Minister of the Russian Armed Forces Monday. His new appointment put him in the No. 2 spot in Russia's political hierarchy and possibly marked him as heir apparent for the aging Stalin's job.

SCHEDULE FOR G. I. BENEFITS

VA Office Lists Time Limits For Veterans Benefits, Rights

The Veterans Administration Contact Office in Greenville listed today the varying time limits on veterans benefits and a schedule for the information of veterans dependents. To obtain veterans' rights and benefits the following time limits must be observed: Within ten days after discharge: Report to draft board, required by law, except members of Reserve. Within 90 days after discharge: Apply for former job. Within 2 years after discharge or end of war, whichever is later: Secure readjustment allowance. Within 4 years after discharge or end of war: Begin education. Within 8 years after taking out National Service Life Insurance, if term policy is dated prior to January 1, 1946: Convert insurance. Within 9 years after end of war: Education must be completed. Within 10 years after end of war: Apply for Veterans Administration Loan Guarantee. Within 15 years after discharge: Request review of discharge. Before death: Apply for disability pension. Within 2 years after death: Dependents apply to Veterans Administration for burial benefits. Death within 3 years after date of discharge for other than war-connected causes: Dependents apply for Social Security benefits. "The end of the war" is a date yet to be decided by Congress or (Continued on Page Four)

N. Y. Cotton Exchange Re-Opens; Strike Ends

New York—(AP)—A wage agreement boosting weekly salaries \$6 to \$25 and giving clerical workers a bonus when daily trading exceeds \$250,000 permitted the reopening today of the New York Cotton Exchange after a one-day strike. The exchange, where \$45,000,000 worth of cotton frequently changes hands daily, was struck by 50 maintenance employees and 59 to 60 clerical employes an hour before opening time yesterday. Engineers and firemen refused to cross the picket lines, and more than 600 members of the Seafarers International Union (AFL) joined the picket lines. Arthur S. Meyer, chairman of the New York State Mediation Board, announced shortly before midnight that exchange officials had reached an agreement with Local 205, Office Employees International Union (AFL). Later, John Cole, vice president of the local, announced terms of the settlement. Cole said a new contract, retroactive to last Monday and expiring Jan. 31, 1948, provided wage increases running from \$6 a week for clerical women to \$25 for supervisors. These, he said, represented increases of about 20 per cent as against the unions' original demand for 30 per cent. In addition, clerical workers will receive "profit sharing compensation" when daily trading exceeds \$250,000. For the first 25,000 bales or fraction traded above that level, the clerical salaries will go up two per cent, plus one per cent more for each additional 25,000 bales or fraction, Cole said. Among other points won by the union were a five-day 40-hour week plus overtime, instead of the present six-day 40-hour week, free group insurance and the writing of job classifications into the contract.

Would Establish Newsprint Quota

Washington—(AP)—The CIO today called for reestablishment of wartime controls over newsprint to cope with a severe shortage. Thomas B. Wright, chairman of the newsprint division of the CIO committee on publication, told a reporter he would carry the appeal to a senate small business subcommittee which is studying the problem. "When controls went off a year ago we made a formal protest," Wright said. "We said prices would go up and the small publishers wouldn't be able to get enough, while the big ones would hog it. Both happened."

Rioting Returns To Indian City

Lahore, India—(AP)—Sikhs and Hindus fought Moslems in the old walled section of this capital city of the Punjab again today and the two-day death roll mounted to at least 25. Troops helped Lahore police, who fired on the rioters several times, in efforts to restore order. Shops were set afire in the Lahore bullion market. Rioters and the police were reported to have exchanged fire in another sector. A bank in the old city was reported unofficially to have been looted. Home Secretary A. A. MacDonnell, said police picked up 12 bodies by mid-afternoon, in addition to the 13 found yesterday.

Snows Besiege Eastern States In Renewed Fury

By ASSOCIATED PRESS

Towns in Pennsylvania and upstate New York were isolated and many rural schools were closed by a three-day siege of snowstorms that swept the Great Lakes basin and appeared today to be moving into the north Atlantic. As much as 40 inches of snow fell in some areas during the storm, which was blamed for 17 deaths—eight in New York state, six in Pennsylvania and three in New England. Eight Buffalo skiers, marooned near Honeye Falls, N. Y., received food supplies by parachute. The Niagara Falls (NY) Gazette used a helicopter for deliveries to rural subscribers. A day and a half later, a pullman train carrying 154 passengers finally reached Watertown, N. Y., last night behind three locomotives and a rotary plow. The tie-up of transportation to upstate New York had cut off milk deliveries for many communities, and curtailment of the New York City supply was threatened. Six-foot snowdrifts clogged cut gas for industrial use by 50 per cent. (Continued on Page Four)

Lilenthal Vote Is Due Friday

Washington—(AP)—Chairman Hickenlooper (R-Iowa) said today the Senate Atomic Energy Committee probably will vote on Friday whether to confirm the nomination of David E. Lilenthal as chairman of the Atomic Energy Commission. He said members still wanted to talk over several important matters with Lilenthal, the four other nominees to the commission and Carroll Wilson, the general manager, and would hold another session with them today if Senate business permitted. The committee had a two and a half hour closed door meeting with the six men yesterday. There is a chance, Hickenlooper said, that the committee may vote on the nominations tomorrow, but it is more likely the decision will be postponed until the following day.

Teachers To Resign Over Pay Rejection

Hawthorne, N. J.—(AP)—Approximately one-third of this borough's 98 teachers have already signified their intentions to resign, Hans Fischer, chairman of the Hawthorne Teachers Association Salary Committee, reported today. The action followed rejection last night of the teachers' demand for a \$500 salary increase. Voters in two referendums have rejected the salary rise demands. The measure would continue rent controls through this year, but take their enforcement from OPA and give it to the National Housing Agency. Republican leaders are aiming at winding up OPA's life June 30. Up in the Senate today is a bill giving it a death sentence then and a \$17,000,000 appropriation with which to close out its activities.

Rental Increase Measure Passes First Committee

Washington—(AP)—Legislation allowing a general 10 percent increase in rents was approved 3 to 2 today by a Senate Banking Subcommittee. Senator Buck (R-Del.), chairman of the subcommittee, told reporters the full banking committee probably will consider the proposal tomorrow. Buck and Republican Senators Cain of Washington and Bricker of Ohio voted for the rent bill while two Democrats opposed it, Sparkman of Alabama and Taylor of Idaho. The measure would continue rent controls through this year, but take their enforcement from OPA and give it to the National Housing Agency. Republican leaders are aiming at winding up OPA's life June 30. Up in the Senate today is a bill giving it a death sentence then and a \$17,000,000 appropriation with which to close out its activities.

Fifty-Year Alliance

Defense Pact Between England And France Of Less Importance Than Projected Economic Treaty Being Written; Influence Of Churchill's Idea For 2 Nations

By DEWITT MACKENZIE

England and France finally have signed their much discussed 50-year alliance in the dramatic setting of immortal Dunkerque but, while the ostensible purposes of the treaty have been cited, there still is ground for much speculation as to just what might grow out of it. We are told that it is designed to provide mutual protection against any future aggression by Germany. Similar accords are proposed with Holland, Belgium, Czechoslovakia and Poland—to encircle Germany with a new entente. Well, the desire for such a safeguard certainly is understandable, although its inauguration isn't particularly pressing in view of the fact that the fatherland is so crippled as to be unable to make war within the fifty year period of the alliance. Of far more immediate practicality is the projected economic pact on which statements of England and France are at work as a supplement to the alliance. Under this pact the economies of the two nations would be integrated—a remarkable and perhaps far-reaching development. I believe it is to this economic

Long-Form 1040

Figuring Your Income Tax On This Form Is Slightly Different This Year; Four Main Steps Involved; An Example; Not Much Time Left Before March 15

By JAMES MARLOW

Editor's note: This is the ninth of 12 stories explaining who must do what about filing his income tax return.

Washington—(AP)—Figuring your income tax on the 1040 Long-Form is a little different from last year. Last year you had to figure separately your normal tax and your surtax and then add them to get the total tax due. This year, for purposes of figuring your tax, the normal tax and the surtax have been combined into one. What you do now can be told simply in four main steps:

1. From your total income, you deduct your expenses.
2. From what's left, you deduct your exemptions.
3. To what's left, you apply the combined normal tax and surtax.
4. Then you deduct 5 percent from the amount of tax. What's left is the full tax you owe.

If your income was \$5,000 or more, you can take the \$500 standard deduction allowed everyone for personal expenses. You don't itemize. If your deductions were more than \$500, you can claim them but must itemize them on Page 3 of the Long-Form. People with less than \$5,000 income—who use the 1040 Long-Form must itemize their deductions on Page 3. They can't take the standard \$500 deduction. Here's how to fill out the Long-Form, using an average person. Before you start, have beside you the government's instruction sheet which goes with the Long-Form. You, married, had two children. Your only 1946 income was \$5,000 salary. Turn to Page 3 of the Long-Form where it says "tax computation."

- Line 1—Write your income, \$5,000. Line 2—Write your standard deduction, \$500. Subtract the \$500 from the \$5,000 and write the result, \$4,500 on Line 3.
- Line 4—Write \$3,500, your total exemptions, since there were three each for yourself, wife, and two children. Subtract that from the (Continued on Page 5)

Social and Personal

Social Calendar

WEDNESDAY
8:00 p. m.—Special meeting of the White Shrine.

THURSDAY
10:45 a. m.—2:00 p. m.—W. M. S. of Immanuel Baptist Church will meet at the church, Miss Emily Poole, guest speaker.

7:00 p. m.—Free basketball games at Armory. Public invited.

Forty Years Ago Today

THE DAILY REFLECTOR
March 5, 1907

An organ recital is something new in Greenville so there is a new treat in store for all. The recital at the Methodist Church Friday night will be devotional and delightful.

It began snowing about 10 o'clock this morning and came down level until noon, enough to make everything white.

Shad are not so rare now except in price. It takes something to eat one of them.

Square Dance
St. John Community House, Friday night, March 7, at 8 o'clock. Sponsored by St. John Home Demonstration Club. Proceeds to go to equip kitchen of Home Demonstration Club House. Admission 50c. Every one is invited.

Chatham Book Club
Mrs. W. D. Tucker entertained the Chatham Book Club on Tuesday afternoon, March 3, at her home on West Fourth Street. The home was most attractive with spring flowers.

After a short business session presided over by Mrs. S. H. Williams, the program was turned over to Mrs. Howard Mims, Spanish teacher of Greenville High school. A group of students from the Spanish class entertained the members by singing in Spanish the Mexican National Anthem and "Cielito Lindo." Following this Elvise Tucker and Joanne Bloom sang "La Golodrina and La Paloma" with Miss Oms Shindler accompanying at the piano. The students all appeared in Mexican costumes.

The book "Mexican Village" by Josephine Nigelli, a native of Monterey, Mexico, was then reviewed by Mrs. Mims. The club is indebted to Mrs. Mims and her Spanish class for this delightful program.

In conclusion, refreshments were served consisting of cake, nuts and coffee. Mrs. W. E. Tucker and Mrs. Sam Glenn were guests for the afternoon.

J. Henry Glisson Died Near Stokes

J. Henry Glisson, 60, died at his home near Stokes at 10:30 a. m. today following several months' illness. Funeral services will be conducted from the home at 3:30 p. m. Thursday afternoon by the Rev. D. W. Alexander, Free Will Baptist minister of near Bethel. Burial will be in the family cemetery near the home.

He is survived by his wife, Mrs. Dora Glisson; two daughters, Mrs. Allen Carson of Bethel and Mrs. J. D. Gurganus of Robersonville; four sons, J. Arthur Glisson of Norfolk Va.; Bernice G. Glisson of Robersonville, Leonard A. Glisson of Stokes, and Henry C. Glisson of Greenville; 12 grandchildren; one sister, Mrs. Elizabeth Warren of near Stokes, and two brothers, Samuel Glisson of Hasells and Alonzo Glisson of Belvoir, and a stepson, Willie Roebuck of Robersonville.

Mr. Glisson was a member of Sweet Gum Grove Free Will Baptist Church and had spent all his life in the Stokes community.

Red Cross Radio Speeches
Wednesday, March 5, 7:15 to 7:25 p. m. Mr. D. H. Conley, superintendent of public instruction of Pitt County.

Thursday, March 6, 6:45 to 6:55 p. m. Rev. W. H. Howard, pastor Methodist Church of Bethel.

Friday, March 7, 7:15 to 7:25 p. m. Mr. J. Ed. Waldrop, Lieutenant Colonel in World War II.

Saturday, March 8, 7:30 to 7:40 p. m. Mr. E. E. Rawl, vice president of Carolina Sales Corp.

Sunday, March 9, 7:50 to 8:00 p. m. Mr. William J. Buddy, chairman of Speakers Bureau.

American Home Department
Mrs. J. E. Phelps, chairman of the American Home Department of the Woman's Club wishes to announce that its regular monthly meeting scheduled for March 14, has been moved to March 20.

Program Chairman Mrs. Howard Mims has arranged special music and a fashion show by Belk-Tyler. The public is invited.

Thalian Club
One of the most enjoyable meetings of the Thalian Club was held at the home of Mrs. C. B. Bisette on Tuesday at 1 o'clock. The members were graciously welcomed by the hostess into her home, which was beautifully decorated with love-lily de-foddis. Mrs. Bisette, assisted by Mrs. J. L. Horton, served a delicious luncheon, after which there was a short business session and the meeting was turned over to Mrs. L. S. Picklen, who presented the guest speaker, Miss Pat Prase. Miss Prase gave a most interesting talk on "Handling the Young Emotional Child." She brought out the facts that children are natural mimics of their parents and therefore should have good patterns to follow and that hobbies should be provided as outlets for their emotional acts.

At the conclusion of the talk the books were distributed and the meeting adjourned.

Speaks to Art Club
Paul E. Powell, professor of industrial arts at East Carolina Teachers college, spoke before the Art club of the college on last Tuesday evening on the subject of architecture. Powell traced for members the history of architecture by indicating the chief periods and the styles which characterized them.

A series of block prints and drawings by student members of the department was on display at the meeting. Those whose work was exhibited, included James Jarvis of Highsville, Paul Mercedes Ange of Jacksonville, Paul King of St. Paul, Cal. Wray of Greensboro, and Joe Troiman of Greenville.

Science Club Program
Robert Morgan of Lillington and Dorcas Sumrell of Ayden, students at East Carolina Teachers college, presented a program on bird songs before the Science club of the college on last Tuesday evening.

Morgan explained to members how bird songs are recorded. Using a parabolic reflector and a microphone, he demonstrated the making of a sound tract and of a disk. A series of recordings of bird songs was played. Miss Sumrell displayed Kodachrome slides showing various song birds.

Be Quick To Treat Bronchitis

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes.

Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics.

No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. (Adv.)

Mrs. Martha Parker Died At Havelock

Mrs. Martha Parker, 80, widow of the late E. A. Parker, died suddenly at her home at Havelock at 11:00 p. m. today after suffering a heart attack. Funeral services will be held at Wilkerson's Funeral home at 2 p. m. Thursday by the Rev. R. W. Bradshaw, pastor of Jarvis Memorial Methodist Church in Greenville. Burial will be in Greenwood Cemetery.

Mrs. Parker was born and reared in Greene County. She was married in 1888 to E. A. Parker, who died in 1938. During the years of their stay in Greenville, from 1916-1938, Mr. Parker was a commercial photographer. Mrs. Parker lived in Chase City, Va., after the death of her husband until a year ago. Since then she had lived in Havelock.

Surviving are two daughters, Mrs. James D. Bryson of Chase City, Va., and Miss Gretchen H. Parker of Havelock; one son, Richard A. Parker of Kinston; one grandson, R. A. Parker, Jr. of Kinston; two great-grandchildren, and one brother, John B. Taylor of Albuquerque, New Mexico.

Ballet Will Feature Program Of Variety

The program to be offered this evening in the Wright auditorium at the college by the Foxhite Ballet will be varied and entertaining. Numbers to be presented by the group of seven dancers will range from solos, through duets and trios to ensemble numbers. The first number will be the romantic ballet, "Garden Party," with music by Schubert. Others will include a Chinese ribbon dance, "America," "Caucasian Sketches," "Bolero," and the usual contemporary dance entitled "Circus." Music for the dances will be

played on two Steinway pianos by the accomplished young duo-pianists, Victoria Crandall and Moreland Kortkamp. These two gifted young American artists accompanied the Foxhite troupe overseas for their debut tour, and for the past two years have played for them during coast-to-coast tours which have established the reputation of the dancers who will appear here this evening.

Mrs. Humber Is Lions' Speaker

The Lions Club enjoyed an informative talk by Mrs. Robert Lee Humber on the activities of the Woman's Club. The speaker vividly drew on her excellent choice of words in "painting" an impressive picture of the work the Woman's Club on a local, county, state, national and international scale. Mrs. Humber pointed out that the Woman's Club was organized in 1917 and has had an unusual growth since its inception. The club is not a commercial enterprise, but rather, it exists for the sole purpose of doing all it can to make our city a better place in which to live.

Richard Weeks was inducted as the "cub" Lion by Past President Godfrey Oakley.

Guests of the club included Dr. E. R. Browning, Jack Nelson, Jr., and Junior Lion Bobby Brody.

Billy Byrd won the attendance prize.

Vice-President Tyson Bilbro presided in the absence of President Vernon E. Rawls.

ECTC Service Flag Is Formally Retired

With appropriate ceremony, the service flag of East Carolina Teachers College was retired on Tuesday of this week at a service held in the Austin auditorium at noon. During the war years, the flag hung in the corridor of the Austin building as a record of students and alumni in service. When retired, the flag indicated 909 blue stars and 26 gold stars.

Dr. A. D. Frank, faculty member and veteran of World War I, made a short talk at the service. Joe Williams and Henry Harris of Greenville, representing the Veterans Club of the college, formally removed the flag. "Recall," "Taps" and "Retreat" were sounded on the bugle by Maurice Bunch of Edenton. William Whiteley, Greenville student, recited a short prayer and Dan E. Vornholt of the faculty sang the National Anthem.

Many Spectators At E.C.T.C. Program

Approximately 500 spectators were on hand last night to see the demonstration staged in the Wright gymnasium by the department of physical education of East Carolina Teachers College.

The program opened with a grand march of student participants with music by the 50-piece college band, directed by Herbert Carter. Numbers which followed included exhibition dances, tumbling, boxing, stunt relays, and gymnastics of various types.

One of the most popular numbers was the tap dance "Dobbin" by Sue Lanier of Lillington and Mary Andrews Whichard of Greenville dressed in a humorous horse costume and accompanied by the band playing "The Old Gray Mare." Tom Davis of Conway, Nel Marie Webster of Leaksville, Vera Scott Harris of Seaboard, and Jimmy Smith of Greenville were others who took part in the dances.

The demonstration was the fourth annual event of the kind staged by the physical education department of the college, of which Dr. Frederick P. Brooks is director. Those in charge of the program were Nell Stallings, Thursa Steed, Jimmy Johnson, Howard Porter and

John Cameron, faculty members of the department.

Sam Bundy Was Guest Speaker

Sam Bundy of Farmville, past governor of the Carolina Kiwanis District, featured the program at the Washington Kiwanis Club's weekly supper meeting at Saleby's restaurant in Washington Monday night. N. C. Vice President Nathan C. Brooks of the Greenville club, introduced the speaker. Incidentally, Bundy is one of the most entertaining after-dinner speakers in these parts. Washington President Moya Harrington presided.

The club now has 34 members and is growing. Charles Bowers is vice president. Roland Modlin is secretary-treasurer. Miss Elva Bunch is pianist. The new club was organized a month ago under sponsorship of the Greenville Kiwanis Club.

The Greenville club is providing the programs there for 13 weeks.

Called Conference

There will be a short but important conference of the Greenville Free Will Baptist Church, March 5th, at 7:30 p. m. It is important that all members be present.

Strength FOR THE DAY

By EARL L. DOUGLAS

ONLY GOD AND THE ANGELS

Does it make any difference, when all is said and done, whether people agree with us or disagree, whether they praise us or criticize us, whether they curse us or seek to cultivate our friendship?

None whatsoever, although it is hard to see things that way when the air is full of the clamor of battle or when the landscape is dark and frigid with hostility. Bacon once said, "In the drama of human life only God and the angels are spectators." The writer of the Epistle to the Hebrews says, "Seeing that we are compassed about with so great a cloud of witnesses, let us lay aside every weight and the sin which doth so easily beset us, and let us run with patience the race that is set before us, looking unto Jesus the author and finisher of our faith."

It is interesting at times to reflect on what may be going on in the unseen world about us. We can imagine personalities vibrant with life carrying on an existence very close to us and being saddened or excited by what they observe in our decisions and actions. Do we fail, betray, compromise? Do we resist evil, behave generously, forgive our enemies? The eyes of a multitude may be fixed upon our actions, and we and the things we do may be receiving a continual appraisal which might well make us wince.

It is hard to remember God and the angels when the mind is filled with trouble and when the life is bruised with frustration. But only God and the angels count in the long run.

WASHINGTON LETTER

THE GIRLS ARE WEARING NYLONS IN ALASKA THIS WINTER
By JANE EADS

Washington—Up near Anchorage, in the snow-blanketed Chugach where it's 30 below zero and women are as rare as Georgia peaches, the girls wear nylon stockings and a meal is appraised for its quantity.

At the Fire Lake Lodge, with a silver bar and a 16-by-16 dance floor, folks are invited to dine in their fishing, picnic or working clothes and the food is "custom cooked."

Steaks (New York cut) weigh a pound, cost \$3.50. Lobsters "selected and shipped from the Atlantic ocean under insured refrigeration," weigh three-fourths of a pound and cost \$3. Good old milk-fed chickens, home fried, weigh a pound and cost \$3.50 per person.

In nearby streams and ponds you can cut a hole in the ice and with salmon eggs for bait catch Dolly Varden trout and silver salmon.

All this is information brought back by Clarke Beach, Associated Press correspondent who just made a flying trip up there to inspect the Army's "Task Force Frigid."

Jane Ickes, titian-haired wife of Harold Ickes, former secretary of the interior, decided several years ago that she didn't look well in hats. So she just stopped wearing 'em.

Tall, Junoesque and young, Mrs. Ickes wears her "crowning glory" in braids wrapped high around her beautifully-shaped head. She owns but two hats—one for traveling, one for church.

"I look awful in hats," she says, "so what's the use of wearing anything that is unbecoming?"

Mrs. Joseph O'Mahoney, wife of Wyoming's Democratic Senator, spoke for official wives at the Woman's Democratic Club's luncheon honoring Mrs. Truman. She said: "An official's wife must always be prepared for the unexpected, whether it is unexpected guests for dinner, unexpected defeat or victory at the polls."

Mrs. O'Mahoney wrote editorials for Wyoming papers during the last campaign, as well as radio scripts for various speakers. Since 1938 she has been writing a Washington letter for eight newspapers.

The senator's lady said that the

Fountain Ruritans Sponsor 4-H Club

The Fountain Ruritan Club through its Agricultural Committee, has purchased a purebred Duro gilt for use in a pig chain for the Fountain 4-H Club.

The gilt was given to Jack Rose, a 13-year-old 4-H Club member. In taking the pig, Jack has agreed to return one good gilt from each of his first two litters to the Ruritan Club. The Ruritan Club will keep the chain going by placing these pigs with other deserving 4-H members.

Each boy agrees to the following conditions: (1) Breed to a purebred Duro; (2) keep up registration papers; (3) use good swine management practices as recommended by the Pitt county agent's office.

In this manner it will take but a few years to get some good stock hogs in the Fountain community.

Vandals Turn In Three False Fire Alarms

By CHESTER WALSH

Three false fire alarms were turned in in succession shortly before last midnight.

The first came from box 323, Mill and center streets; the second, box 322, West 14th street and Coast Line Railroad-Blount Fertilizer factory, and the third, box 224, West 14th and Greene streets.

Police in a radio cruising car stopped two young men in a car near the alarm box at West 14th and Greene streets just as that alarm was sent in. They told police they did not see anybody.

Incidentally, Chief Jim Tanner today described the turning in of false fire alarms as one of the most depraved and criminal acts of vandalism.

He pointed out that more firemen in the United States are killed en route to and from fire alarms than in burning buildings. The chief said the swift movement of the heavy fire fighting equipment is always dangerous when there is a fire, but calling out the apparatus as a lark is equally dangerous to life and property.

Volunteer firemen were especially resentful of the false fire alarms. They are doing some investigating on their own hook and the police are working on a strong clue. It was stated that the same Pontiac automobile, with two men in it, was seen in the vicinity of each alarm box when it was sounded. All three boxes are in the southern part of the city.

Sec. Marshall . . .

many issues involving the future of Germany.

From Paris, he arranged to go to Berlin for a conference with U.S. occupation authorities. He is scheduled to stay there Friday night and possibly Saturday.

This would put him in Moscow one day ahead of the first formal meeting with the foreign ministers of France, Russia and Great Britain next Monday.

With the problem of peace terms for Germany and Austria demanding his immediate attention at the Big Four Foreign Ministers Conference, Marshall left for President Truman the momentous foreign policy decision on how far America shall go in upholding nations it believes are peace-loving and intend to follow the democratic way of life.

War-broken Greece presented the immediate test — whether to pit American dollars against Russian communism now that Britain no longer is able to bolster that country's tottering regime.

Alliance . . .

(Continued from Page One)

the German onslaught. Churchill made this unprecedented offer "with the object of assisting France and supporting her to the utmost in the hours of stress through which she was passing, as also in the hope of encouraging the French government to continue their resistance."

The following day the answer—indirect but categorical—was heard over the French radio in the voice of old Marshal Petain who announced that France must give up the fight. "The battle," he said "has ceased during the night."

There the Churchill proposal rested. But it was not forgotten, and there have been prominent people in both countries who have clung to the hope that a union in part might be effected. I gathered from British sources that we now are seeing the influence of the Churchill idea at work.

**Dodgers Beaten
In Exhibition**

Caracas, Venezuela.—(AP)—The New York Yankees spotted the Brooklyn Dodgers four runs in three innings last night and then swarmed all over the Brooks to chalk up a 17-6 triumph in an exhibition baseball game.
Playing before 10,000 fans, the Yanks staged their heaviest offensive of the spring training season with Pitehers Rex Barney, John Van Cuyk and Erving Pallos of the Brooks taking the pounding.
Barney entered the game with a 4-2 lead and after giving up the tying runs in the fourth frame, he was shelled from the hill along with Van Cuyk in the fifth inning when the Yanks scored seven runs.

**COMPILE BOOK
ON CPL TEAMS**

**Coastal Plain Players
And Records;
Greenie Greats In-
cluded**

Of interest to Greenville fans is the announcement that the 1947 Coastal Plain League Record Book first in loop history, is now off the press, and will go on sale shortly on all newsstands.

Published by the Owen G. Dunn Company of New Bern, the volume is a handy, well bound one. Its 168 pages cover the loop from its very beginning, and the individual batting, pitching, and fielding averages of more than a thousand ball players are included.

Bunn Hearn, baseball coach at the University of North Carolina wrote the foreword, and the book is dedicated to the late Anthony J. McKeelin, managing editor of the Raleigh News and Observer.

Four baseball cartoons drawn by the world famous Walt Disney add to the volume's attractiveness, as do 64 photographs of various Coastal Plain favorites. Robert W. Crooke of the National Baseball Hall of Fame at Cooperstown has requested permission to put a copy of the book on permanent display there.

Greenville fans will be pleased over the fact that photographs in the publication include Verne Blackwell, Wayne Ambler, Ace Parker, Ty Wagner, Pete Naktensis Chubby Dean, George Barley, and David Smith.

The book required months of preparation, and was compiled by J. Gaskill McDaniel, league statistician.

Form 1040 . . .

(Continued from Page One)

\$7,500 on Line 3 and write the result, \$5,500, on Line 5.

(That \$5,500 is your taxable income. It's the income you have left after subtracting your deductions and exemptions from your total \$8,000 income.)

Turn to the instruction sheet, to the tax table on the bottom of Page 4. Your taxable \$5,500 will be in the line where it says "over \$4,000 but not over \$6,000."

Right across from that bracket you see that the tax on the first \$4,000 of your taxable \$5,500 is \$840 plus 26 percent of the remaining \$1,500, or \$390.

Adding the \$390 to the \$840, you write the total tax, \$1,230, on Line 6; Page 4 of the Long-Form. But that isn't the tax you have to pay. There's another step.

You take 5 percent of that \$1,230—it's \$61.50—and write the \$61.50 on Line 7. Subtract the \$61.50 from the \$1,230 on Line 6 and write the result, \$1,168.50, on Line 8.

That \$1,168.50 is your total tax the tax you must pay. But there are a few more steps.

During 1946 you had had some raises which brought your total salary to \$8,000. Those raises upset the total tax you had figured—at the beginning of 1946—you'd owe for the whole year.

Your boss in 1946 had withheld \$800 in taxes from your salary. And in 1946 you had paid in quarterly installments \$100 in the full tax you estimated, back at the beginning of 1946, you'd owe for the year.

So in 1946 you had paid the government \$1,000 in taxes—\$800 withheld and \$100 in estimated payments—but now you find your full tax, because of the raises, is \$1,168.50.

So turn to Page 1 of the Long-Form and on Line 7 you enter your total tax, \$1,168.50. Under that, on the proper lines, you write the \$900 tax withheld from you and the \$100 estimated tax you paid.

Subtracting that \$1,000 tax already paid from the full tax, \$1,168.50, you write \$168.50, the tax still owed, on Line 9.

You must pay that \$168.50 in full when you file your return, in person or by mail.

You're through except for answering the rest of the very simple questions on Page 1. Keep a duplicate copy of the return, in case you have to refer to it some time.

(Thursday: Questions about husband and wife filing.)

**Does Stomach
Gas and Bloat
Make You Feel
Miserable?**

If so, here is how you may get blessed relief in freeing your stomach from this nervous distress. It works this way: Everytime food enters the stomach a vital gastric juice must flow normally to break-up certain food particles; else the food may ferment. Sour food, acid indigestion and gas frequently cause a morbid, touchy, fretful, peevish, nervous condition, loss of appetite, underweight, restless sleep, weakness.
To get real relief you must increase the flow of this vital gastric juice. Medical authorities, in independent laboratory tests on human stomachs, have by positive proof shown that SSS Tonic is amazingly effective in increasing this flow when it is too little or scanty due to a non-organic stomach disturbance. This is due to the SSS Tonic formula which contains special and potent activating ingredients.
Also, SSS Tonic helps build-up non-organic, weak, watery blood in nutritional anemia—so with a good flow of this gastric digestive juice, plus rich red-blood you should eat better, sleep better, feel better, work better, play better.
Avoid punishing yourself with over-doses of soda and other alkalis to counteract gas and bloating. No matter how so dearly you need SSS Tonic to help you digest food for body strength and health. Don't wait! Join the host of happy people SSS Tonic has helped. Millions of bottles sold. Get a bottle of SSS Tonic from your drug store today. SSS Tonic is a pure and sturdy health-

**Jersey Jolter
Given Decision
Over Elmer Ray**

Miami, Fla.—(AP)—New Jersey's Joe Walcott had an eye cocked today toward Joe Louis and the world heavyweight boxing crown.
The veteran Jersey puncher scored a 10-round decision over Elmer (Violent) Ray last night in the first all-Negro fight card ever held in the Orange Bowl, and immediately set his sights on worthier prey.

A crowd of 8,077 saw the Jersey jolter knock Ray down in the first, third and fourth rounds and successfully shoulder aside a last-round flurry by the Hastings, Fla. slugger.

Ray, winner by knockouts in 50 of his last 51 fights, bounced to his feet before the count began each time he was floored, but was unable to weather the storm of hard wallops tossed at him by the Camden, N. J. puncher.
Walcott weighed 192 1-2; Ray 194 3-4.

DELAYED ACTION

Kelso, Wash.—(AP)—Motorcycle Patrolman Marvin Bishop congratulated himself on escaping from a traffic accident without injury.

Then he went to bed and dreamed about the accident. He threw up an arm, toppled over a bedside lamp and lost a tooth when the lamp fell on him.

**"UNBLOCK"
your
DIGESTIVE TRACT**

And Stop Dosing Your Stomach
With Soda and Alkalizers

Don't expect to get real relief from headache, sour stomach, gas and bad breath by taking soda and other alkalizers if the true cause of your trouble is constipation.
In this case, your real trouble is not in the stomach at all. But in the intestinal tract where 80% of your food is digested. And when the lower part gets blocked food may fail to digest properly.

What you want for real relief is something to "unblock" your lower intestinal tract. Something to clean it out effectively—help Nature get back on her feet.
Get Carter's Pills right now. Take as directed. They gently and effectively "unblock" your digestive tract. This permits all 5 of Nature's own digestive juices to mix better with your food. You get genuine relief from indigestion so you can feel really good again. Buy Carter's Pills today. "Unblock" your intestinal tract for real relief from indigestion.

**Dodds To Run In Mile
And Two-Mile Events**

New York.—(AP)—Unbeaten in 17 races on the boards since 1943, Gil Dodds of Boston will run in both the mile and two-mile events in the Knights of Columbus events at Madison Square Garden Saturday night, meet Director John J. Downing announced.
He is scheduled to run the mile at 10 p. m. and will return to the boards an hour and five minutes later for the two-mile.

**CPL Players Can't
Argue With Umpire**

Rocky Mount, N. C.—(AP)—Directors of the Coastal Plains Baseball League have taken action to

The Movies Today

PHI: "THE SECRET HEART,"
Claudette Colbert, Walter Pidgeon.

State: Eddie Dean's "GOLDEN WEST REVUE" on stage 7:15-9:15

prohibit players' arguments with umpires and to prevent gambling and drinking in ball parks of the loop.

Meeting here last night, the group directed that only club managers be permitted to question decisions by the umpires. Club owners were directed to provide adequate police protection to enforce the anti-gambling and drunken action.
