

CROP SURVEY IS GOOD NEWS TO CONSUMERS

Record Plantings Brighten Hopes For More Produce At Lower Prices

Washington—(AP)—The Agriculture Department handed out cheerful news today to Americans hoping for lower food prices and to war-suffering foreigners who will need large amounts of American food for another year.

A department survey of farmers' planting intentions indicated that growers will continue to produce at record wartime levels. In fact, if farm plans are carried out, the total crop acreage will be larger than in the past two bumper seasons.

A less favorable picture of production plans might well have dashed consumer hopes for price relief and put overseas shortage areas on notice that they could expect less from this country.

Perhaps the brightest spot in the report was a forecast that a record wheat crop of 1,212,000,000 bushels may be grown. This would top last year's record by about 37,000,000 bushels and the 1935-44 average by 30,000,000 bushels.

This wheat crop prospect comes at a time when supplies are dwindling under heavy export demand. Such a crop would permit this country to continue exports at record rates at least until the 1948 harvest.

Another 3,000,000,000-bushel corn crop also appears likely. This grain is needed for producing meats, dairy and poultry products. A crop of the size indicated, which would be about 50,000,000 bushels above the 1946 average, would allow further expansion in livestock production—a step needed to meet demands and to bring somewhat lower prices.

The department report showed that farmers plan to plant a large total acreage than during the past two seasons. The total indicated acreage is remarkably close to goals set by the government.

Crops which may exceed goals include wheat, oats, rice, tobacco, dry beans and peanuts. Those which may fall slightly below goals include corn, barley, flaxseed, sorghum.

Vote Count Of Senators Shows Lillenthal Is In

Washington—(AP)—David E. Lillenthal has the present support of a majority of the Senate, an Associated Press check showed today.

Hence his confirmation as the chairman of the atomic control commission is almost certain unless some senators change their minds during debate.

Of 74 members willing to say how they would vote today on the controversial nomination—a clear majority of the 95 qualified members—said they intend to support the nomination.

Forty-three senators, including Senator Capper (R-Kan.), who had been undecided until today, have announced publicly their support of Lillenthal. Six others said privately they intend to vote "yes" but do not want their names used before they announced their stand in the Senate.

Twenty-five senators are listed as opposed to confirmation.

Twenty-one senators had either not made up their minds or declined to say even privately how they would vote.

Talmadge Quits Governor's Office

Brief case in hand, Herman Talmadge, claimant to the governorship of Georgia, leaves the governor's office in the capital at Atlanta shortly after the state supreme court ruled that Lieut. Gov. M. E. Thompson rightfully succeeds to the governorship. The court held that the election of Talmadge by the state legislature was unconstitutional. (AP Photo)

Acheson Resumes Policy Testimony

Asserts Communist-Dominated Governments Are Dangerous To Security Of United States; Must Back Up Conviction

Washington—(AP)—Under Secretary of State Acheson said today the existence of communist dominated governments anywhere in the world is dangerous to the security of the United States.

Acheson made that reply when Rep. Judd (R-Minn.) asked whether a communist dominated government of China would be a danger to the United States security.

For the second straight day, Acheson testified before the House Foreign Affairs Committee on President Truman's request for authority to use \$400,000,000 plus military advice and materials to help Greece and Turkey resist communist aggression.

Before Judd's question, Acheson said that a communist dominated government in Greece would be considered dangerous to this country's security.

A moment later, he commented that "communist organizations throughout the world appear to act with a high degree of discipline and unanimity which is beyond the probability of coincidence."

Judd had asked whether the state department knew of any communist government in the world that is not Soviet dominated.

At that point, Rep. Merrow (R-NH) interjected that he favored a showdown with the communists.

Reaction In Moscow

Aid To Greece And Turkey No Anti-Soviet Policy; Americans Prefer Friendly Relations But Will Not Be Pushed About; Communism By Force Unwanted

By DEWITT MACKENZIE

Moscow's official reaction to President Truman's Greco-Turkish proposals is said by authoritative sources in the Russian capital to be tending toward the view that the U.S.A. is developing an out-and-out anti-Soviet policy.

It would be unfortunate if such an idea came to prevail in Russia, because there's no foundation for it. To be sure, human nature being what it is, Americans can develop violent antipathies if pushed about. But at this writing the citizens of the United States not only aren't anti-Soviet but would prefer that relations between the two countries be on a friendly basis.

Having said this, however, it's still to make it plain that we do have some entries in our black-book. We are, as Washington has made clear, thumbs-down on communist aggression which wages a world revolution to destroy other forms of government and bring their countries within the Russian fold.

We don't object to communism in Russia, or in any other country that really wants it. We do object to it being thrust down the throats of

Auto Workers Formally Post New Pay And Benefit Demand

Louisville, Ky.—(AP)—The CIO United Auto Workers today formally asked General Motors Corporation for a 23 1-2 cent hourly wage increase for an estimated 225,000 GM production workers.

Union spokesman said the proposed boost would bring the average wage of the company's production workers to \$1.56 1-2 an hour and would cost GM about \$2,115,000 a week.

UAW sources based their computation on reports that GM workers now average \$1.33 an hour. Some other sources set the earnings at \$1.31.

GM was asked to grant the wage increase effective as of March 19.

Walter P. Reuther, UAW president and co-director of the union's GM department, presented the proposals to GM officials at Detroit today by proxy.

Other principal demands the UAW served on GM were:

1. Equal pay for equal work—this involves an equalization fund to be utilized to adjust wage rates based on the principle of equal pay for equal work.

2. Social security—an employer financed retirement program for

GM workers, which shall include death and survivors' benefits; disability benefits in the event of disabling sickness, injury or disease; and hospital, surgical, medical and maternity benefits.

3. Retirement program—establishment of an employer-financed retirement program for General Motors workers to supplement federal social security provisions, which are inadequate both in terms of the eligibility age and benefit amounts.

4. A guaranteed 40-hour work week.

5. Adjustments of the vacation clauses of the present contract (Continued on Page Four)

Auto Workers Formally Post New Pay And Benefit Demand

although the UAW-GM contract provides that no wage increase can be put effect before May 31 without mutual consent of the two parties.

Underground

Belgrade, Yugoslavia—(AP)—Shortwave radio listeners have been astounded the past two days by a strong Serbian voice of opposition to Premier Marshal Tito's regime, calling for "king and country."

The illegal broadcasts apparently originate inside Tito's Yugoslavia, where all regular radio stations and newspapers are controlled by the government.

From the nature of the broadcasts it is apparent the radio is operated by underground remnants of Gen. Draza Mihailovic's Chetniks. Mihailovic has been executed.

CONCILIATION SERVICE HURT

Financial Props Cut Away By Appropriation Reduction

Washington—(AP)—The House appropriations committee voted today to knock the financial props from under the U. S. Conciliation Service by refusing pay for director Edgar E. Warren and a number of top aides.

Committee action was a result of a long feud between Warren and Rep. Keefe (R-Wis.) the action highlighted a \$35,780 bill to finance the labor department and the federal security agency for the year starting July 1.

The measure will be debated in the House next week.

Keefe is chairman of the subcommittee which drafted the bill. He has accused Warren of having been affiliated in the past with communist inspired fronts and of having advocated the right of government workers to strike.

The conciliation chief denied all knowledge of any communist sponsorship of the groups when he joined them and told the committee he has changed his mind about the right of federal workers to strike.

In addition to his blow to the conciliation service, the measure will cut the salaries of several other federal employees.

Ford Lowers Car Price In Canada

Windsor, Ont.—(AP)—The Ford Motor Company of Canada, Limited, announced today that a \$35 reduction in the retail delivered prices of all Ford, Monarch and Mercury passenger cars and trucks will become effective throughout Canada Saturday morning.

The announcement followed by little more than two months a similar one by the Ford general offices in Dearborn, Mich., affecting United States buyers. Those price cuts, announced Jan. 15, ranged from \$15 to \$50 on the company's Ford models only, the first reductions in the auto industry.

Ford of Canada, through its single plant at Windsor, turned out 30,367 vehicles in 1946, its best year since 1929. The Monarch car is produced exclusively in the plant for market in Canada.

First Day Of Spring Gets Fresh, Warm Welcome From Weatherman

Chicago—(AP)—Spring arrived officially today (at 6:13:22 a. m. EST) and the nation had a fresh, warm welcome for the first season of the year.

Generally fair weather prevailed over virtually the entire country the U.S. Weather Bureau reported. However, cloudy weather and light snow covered an area comprising Wisconsin and Illinois eastward into Ohio. Temperatures generally were moderate and near or slightly below the seasonal normal.

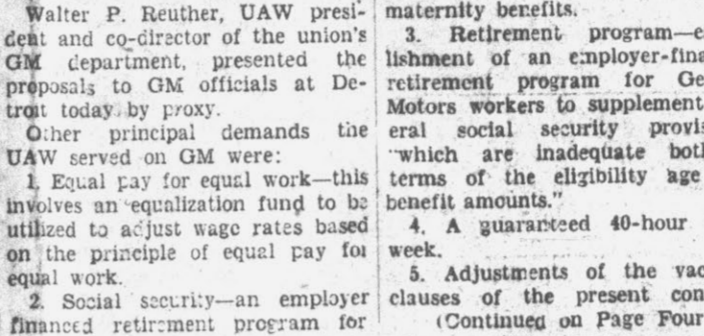

But the departing winter will be remembered in many sections of the country as generally disagreeable.

It started off mildly enough, with almost balmy weather in December except for a frigid spell between Christmas and New Year's Day. In January things got so freakish that much of the nation was uncertain whether to wear earmuffs or straw hats.

Winter dodgers who went to balmy Florida got nipped by Jack Frost. Even Miami shivered in sub-freezing temperatures more than once.

Plane Saves Two Adrift At Sea

After being adrift in the Gulf of Mexico for 11 days, W. Horace Blanchard of Newport News, Va., and Charles King of Hampton, Va., are landed at Tampa, Fla., by an army amphibian plane which rescued them from their helples 22-foot boat. King is being helped down the ladder. Blanchard stands at top, awaiting his turn to descend. (AP Wirephoto)

Health Program Is Heard By Congress

Washington—(AP)—North Carolina's health program is before Congress through testimony of Kay Kyser, famous orchestra leader and native Tar Heel—as a national model.

Kyser's testimony, made public today with introduction of appropriations bills for the Labor Department and Federal Security Agency, was given to a closed session of a House subcommittee considering funds for operation of the two agencies during the year starting July 1.

The orchestra leader said he became interested in his state's health program when, on a visit home, he found state leaders in "a very low state of mind" because they felt that a good health plan

was needed. He said he had been in the state for 10 years and had seen the health program develop from a small group of people to a state-wide organization.

Ready To Discuss Germany's Govm't

Secretaries Marshall And Bevin Propose Federalization Of Germany With Structure Similar To That Of United States

Moscow—(AP)—U. S. Secretary Marshall called on the council of foreign ministers today to set plans for the creation of a German government in motion at once and both he and Britain's Ernest Bevin presented programs for the organization of a federalized German nation.

The council, in a brief session agreed to invite representatives of the Austrian government here immediately for discussion of the Austrian peace treaty.

V. M. Molotov, Soviet Foreign Minister, said he already had assured Foreign Minister Karl Gruber of Austria, that visas would be issued for the Austrians assigned to come to Moscow.

The action on Austria came after Marshall had urged the council to break the Austrian treaty impasse on what constitutes German assets in that country and had expressed hope that the treaty would be completed in the Moscow meeting.

Bevin laid before the council a six-step plan for the creation of a federalized government structure intended to make Germany a self-governing, democratic state.

How far the British and American ideas will go in agreeing with Soviet and French ideas for Germany was not at once clear. Molotov and French Foreign Minister Bidault will introduce their plans tomorrow.

First, he said, there should be establishment of a provisional German government composed of the heads of the governments of the now existing states and Landers including Berlin, and clothed with necessary powers to create central administrative agencies.

Second, Marshall called for a drafting and acceptance of a constitution which shall be German in origin and which shall be consistent with democratic principles and the centralization of government authority.

Third, Marshall said, here should be the assumption of the governmental authority by the central government created by the constitution and by the state authority, recognized by the constitution.

Britain's views on the government structure for Germany were set forth in a 600-word paper.

It called for creation of a two-house Legislature along the lines of the U. S. Senate and House of Representatives, a president without executive powers and strong state rights.

Bevin was the first of the four ministers here to place his ideas on the structure of the German state before the council.

GOP Tax-Slashing Bill Passed By Committee

SENATORS OK RENT CONTROL

No Increase In Legislation; Take Up Administration

Washington—(AP)—A Senate banking subcommittee today unanimously approved legislation continuing rent controls through Feb. 29, 1948, without a general increase.

Chairman Buck (R-Del.) said the subcommittee will decide next on how the rent program will be administered after OPA goes out of business next June 30.

The subcommittee discarded provisions of a previous bill which would have wiped OPA out of the rent picture and handed the control program to the courts.

The new measure authorizes state governors to set up advisory rent committees in each of the 500-odd cities.

Los Angeles—(AP)—Funeral services will be held here tomorrow for Capt. Alden G. Howell, believed to have been the oldest surviving commissioned officer of the Confederate Army.

Howell, a native of Haywood County, North Carolina, died here yesterday. He was 106. He was also declared to be the oldest member of the Masonic Lodge in the United States.

Commander of Company B of the Sixth North Carolina Regiment, Howell was present when Gen. "Stonewall" Jackson was killed.

The bill provides an overall \$3,000,000 slash from the present individual tax collections of about \$18,000,000,000 annually.

Knutson predicted the House will approve the legislation by a comfortable margin, although Democrats on the committee organized their ranks for a last ditch battle.

They met with Democratic floor

House Ways And Means Committee Votes 16-9 On Revised Tax Reduction Measure

Washington—(AP)—The House ways and means committee today approved 16 to 9, the Republican-backed bill to slash income taxes by 30 per cent for the small taxpayers and by 20 per cent for most others.

The legislation thus was headed for the House floor for a showdown next Thursday. The committee vote virtually followed party lines.

Before approving the measure, the committee rejected, 15 to 10, a motion by Rep. Doughton (D-NC) to postpone tax considerations until we know what our foreign and other commitments will be in connection with recent world developments.

The tax cut, under the legislation authorized by ways and means chairman Knutson (R-Minn.) would be effective as of last January 1.

Withholding from wages and salaries under the pay as you go system would be slashed to conform with the tax reduction effective June 1. Taxpayers would get rebates for any overpayments between January and June under the new rates.

Social and Personal

Albert Moore left this morning for Richmond where he will spend several days.

Mr. and Mrs. F. K. Tomlinson are visiting Mrs. Tomlinson's parents, Mr. and Mrs. J. S. Willard on Holly street. After a visit here they will make their home in Cherry Point where Mr. Tomlinson will be stationed.

Mr. and Mrs. M. D. Lassiter have returned from Key West, Fla.

Mrs. Almetta Cooke Brooks of High Point and Reid A. Cooke of Miami are in the city for a short visit to Dr. and Mrs. Dennis H. Cooke at their home on East Fifth Street. Mrs. Brooks is a member of the staff of the High Point Enterprise.

Junius Rose, Jr., is confined to his home with pneumonia.

Mrs. William H. Taft is in Wilmington attending the State convention of the Woman's Society of Christian Service of the Methodist Church.

Friends of Miss Susan Harrington will be glad to learn that she has recovered from her illness.

Mrs. H. D. Zuber of Cornwall-on-the-Hudson, N. Y., arrived last night and the funeral of J. H. Collins, Jr. is the guest of Mr. and Mrs. J. A. Collins, Sr.

Mrs. Lydia Corbett has returned to her home, 109 Albemarle avenue from Pitt General hospital.

Mrs. Sudie D. Corey who has been in Pitt General hospital, has returned to her home on West Second street.

Social Calendar

FRIDAY

5:00 p. m.—The wedding of Miss Peggy Rea and J. B. Tyndall will take place in Jarvis Memorial Methodist Church.

5:45 p. m.—Mrs. A. R. Cannon will entertain at a reception honoring the Tyndall-Rea wedding party.

6:30 p. m.—Kiwanis Club.

These services, Mr. Dan Varnholl, who has charge of the music, plans to have a gospel solo each evening.

Eastern Star Notice

There will be a special meeting of the Eastern Star tonight at 8 p. m. in the new Masonic Temple.

Six new members will receive degrees of the order at this meeting, and all members are urged to be present.

Birth Announcement

Born to Corp and Mrs. Paul J. Worthington, a son, Kenneth Paul February 20, in Pitt General hospital. Mrs. Worthington is the former Miss Louise Williams of this city.

Birth Announcement

Mr. and Mrs. Elmer Williams announce the birth of a daughter, Jud Kay, on Wednesday, March 19, in Pitt General hospital.

Soldier Back From Germany

T-5 I. C. Morris, Jr., who has been in the U. S. Army the past two years, 15 months of the time spent on duty in Germany, has received an honorable discharge. He arrived here yesterday. He is a son of Mr. and Mrs. I. C. Morris of Greenville. The veteran said there was 10 inches of snow on the ground when he left Germany.

Attends State Convention

Miss Emma L. Hooper of East Carolina Teachers College, president of the Greenville branch of the American Association of University Women, is attending the state convention of the organization in Charlotte this week end. Attending also from the Greenville branch are Mrs. Robert Lee Humber, Mrs. D. S. Spain and Miss Martha Cammack.

Immanuel Baptist Church

Rev. J. A. Neilson has returned from a two-weeks visit to Livingston New Jersey, where he was guest minister in a series of special services at the Northfield Baptist Church. His father, Rev. M. Neilson was pastor of this church for several years up to the time of his death in 1937.

Mr. Neilson will speak on Sunday morning on the theme: "Maintaining the Spiritual Glow," and in the afternoon at the Vesper service at 6 o'clock on "The Power of a Look." The Young People of the church are invited to attend the fellowship supper at 6 o'clock, and the Youth Fellowship program at 6:30.

Lydia Wooten Class Meets

The Lydia Wooten class of the Jarvis Memorial Methodist Church held its regular monthly meeting at the home of Mrs. L. M. Ernest, with Mrs. T. J. Edwards and Mrs. J. C. Wooten assisting.

Mrs. R. W. Davenport, the president presided over the business session during which several items of business were disposed of. Reports of the various committees were made, by Mrs. O. E. Dowd.

At the close of the business the meeting was turned over to Mrs. Wooten who gave a most interesting devotional on music, bringing out the development of the hymn from songs in the Bible, the Psalms, on to the hymn book used in the Methodist Church today. She contrasted the hymns of the various ages, giving the history of several of the most popular and outstanding hymns.

Mrs. Alton Clapp who was in charge of the social hour conducted.

Forty Years Ago Today

THE DAILY REFLECTOR

March 21, 1907

Printing School

Raleigh, N. C., March 20.—The State Board of Education makes official announcement that it will inaugurate a printing school for the location of the Eastern Carolina Teachers' Training School. Proposed site must contain at least 25 acres. Under the act the late general assembly providing for the establishment of the school, the town offering the best incentives including site and appropriation for equipment, will get the institution, however, in the discretion of the State Board of Education. It is understood that the contest is mainly between Elizabeth City, Kinston, Greenville and Washington.

Contests, winners of which were Mrs. Glenn Scott, Mrs. George Barber, and Mrs. J. W. Tyndall.

Ice cream and cookies carrying out the Easter motif, were served by the teachers.

The Clo Book Club

On Tuesday afternoon Mrs. James Tate graciously entertained the members of the Clo Book Club. The home was attractively decorated with spring flowers. Mrs. Moya assisted by Mrs. Charles Forbes, Mrs. Aubrey Shackell, and Mrs. Jake Taylor served a delicious frozen dessert.

Mrs. Aubrey Shackell, in the absence of the president welcomed Mrs. Jake Hadley as a new member into the club and Mrs. Phillip Coleman as a guest for the afternoon. After a short business meeting Mrs. Shackell turned the meeting over to Miss Annis Shields Var Dyke, who gave a most interesting and informative paper on "You World Tomorrow." Her paper consisted of "Our Next Automobile," "The Home of Tomorrow," "New Household Equipment" and "Food and Clothing." At the conclusion of

the paper each member decided she had been born a little too soon—Reported.

Sans Souci Book Club

Mrs. W. L. Best delightfully entertained the Sans Souci Book Club Tuesday afternoon at her home on Evans street.

Attractive arrangements of snapdragons were used on the dining room table and gladol in the living rooms and hall.

The president, Mrs. Frank Wooten, welcomed the guests, Mrs. M. L. Wright, Mrs. W. J. Bundy, Mrs. Hinton Best, and Miss Eunice McGee, and presided over a short business session after which the books were passed.

The meeting as then turned over to Mrs. G. J. Woodward who gave a most interesting program on the origin and history of beds in various countries. Beds, she said, have been used since the earliest recorded history. The Egyptians just discovered the greater comfort to be obtained in warm climates by a free circulation of air under the bed and inscriptions on their monuments indicate they slept on elevated frames resting on ornamental legs reached by short steps. Similar beds were used by the early Chinese.

Later, among the Babylonians, Assyrians, Medes and Persians the luxury beds became notable. These were of stone, wood or metal and were frequently decorated with inlays of ivory and mother of pearl.

The ancient Greek bed also was in an elevated frame, richly decorated in the same manner, and these beds were copied by the Romans.

The Germans of the early Middle Ages placed carpets on the floor or bench against the wall and used them as beds. The 13th century Germans invented the folding bed which served as a couch by day and bed by night. In the 14th century the tester bed made its appearance and has since been the favorite of the English and American people. Some exceedingly elegant mahogany beds were designed by Chippendale, Shearnton and Hepplewhite.

France led Europe in the variety and richness of her beds with rich coverings and gildings. "The Bed of Justice," the one on which the king lay while present in parliament, was

designed by Louis XI and was held to denote, for a number of years, royal power even more than the throne.

Following the program we were invited into the dining room, where Mrs. W. J. Bundy and Mrs. Frank Wooten served from a beautifully appointed table, a delightful salad course with coffee and decorated cakes. They were assisted in serving by Mrs. Mabel Glenn Hamrick, Mrs. Hinton Best and Mrs. S. T. White—Reported.

Doctor's Discovery FOR FLUSHING KIDNEYS

Backache, loss of pep, getting up nights, and headache are often caused by nothing more than improper kidney action due to excess acid in the urine. Kidneys are one of Nature's ways of removing impurities from the blood. And when these impurities back up, trouble may start.

If you have these troubles, give your kidneys and bladder a good flushing out by taking Dr. Kinner's Swamp-Root. It works on the kidneys to flush them out, increasing the flow of urine to help relieve that excess acidity and ease that burning when you pass water, helps that bladder irritation that gets you up nights.

Made of 16 herbs, roots, vegetables, and balsams, Swamp-Root is absolutely non-habit forming. Caution: take as directed.

For free trial supply, send to Dept. Z, Kinner & Co., Inc., Box 1255, Stamford, Conn. Or—get full-sized bottle of Swamp-Root today at your druggist.

Doctor's Discovery FOR FLUSHING KIDNEYS

Backache, loss of pep, getting up nights, and headache are often caused by nothing more than improper kidney action due to excess acid in the urine. Kidneys are one of Nature's ways of removing impurities from the blood. And when these impurities back up, trouble may start.

If you have these troubles, give your kidneys and bladder a good flushing out by taking Dr. Kinner's Swamp-Root. It works on the kidneys to flush them out, increasing the flow of urine to help relieve that excess acidity and ease that burning when you pass water, helps that bladder irritation that gets you up nights.

Made of 16 herbs, roots, vegetables, and balsams, Swamp-Root is absolutely non-habit forming. Caution: take as directed.

For free trial supply, send to Dept. Z, Kinner & Co., Inc., Box 1255, Stamford, Conn. Or—get full-sized bottle of Swamp-Root today at your druggist.

Final Meeting of P. T. A. Council

The final meeting of the Pitt County Council of Parents and Teachers for 1946-47 was held in the auditorium of West Greenville school on March 19th at 2 o'clock. Paul Davenport, Jr., president, presided over a short business session.

Miss P. T. A.'s in the county were represented:

Bethel, Bell Arthur, Parkville, Pactious, Third Street and West Greenville.

Best reports given by each P. T. A. president of work done during the year were indicative of splendid interest, cooperation and accomplishments in the local units of Pitt County.

A life membership pin and certificate was to have been presented to our district director, Mrs. Paul Davenport, Sr., by Mrs. W. J. Stell, president of West Greenville P. T. A., but due to illness Mrs. Davenport was absent so this was postponed.

Miss Reba Proctor very kindly made several suggestions as to worthwhile projects which the council might adopt for the coming year, namely: beautification of school grounds and a health program including eye and dental clinics.

There being no further business the meeting was declared adjourned.

Missionary to Speak

Rev. Kenneth Turner, Free Will Baptist national missionary will be at the Greenville Free Will Baptist Church next Sunday morning, March 23rd at 11 o'clock in the interest of mission work. He will have charge of the worship service at that time which will consist of picture slides and lecture pertaining to the work and conditions in the mission fields. The public is cordially invited to attend this special service.

Fashion Show, Bridge Tournament

There will be a fashion show and bridge tournament at the Woman's Club on April 9th, sponsored by the Junior Woman's Club. Make your table reservations now by calling Mrs. Godfrey P. Oakley, telephone 799, or Mrs. Jack Foley, Jr., telephone 38123.

Revival at Black Jack

Rev. Charles J. Sewin will conduct a revival meeting at Hopewell Pentecostal Holiness Church, located at Black Jack, Monday night, March 24. The public is invited to attend.

Presbytery Announcements

At the service Sunday morning, March 23rd Dr. Boyd will speak on the "Qualifications and Duties of Elders and Deacons" and ordain and install the following men: Elders, Mr. C. E. Beatty, Mr. Roy Colburn, Dr. Fred B. Haar, and E. W. Harvey, Jr. Deacons: Carl Pierce, J. D. Rice and F. H. Sugg. Men making the E. M. C. will please report Sunday on all pledges received and plan to finish their lists March 23rd.

Following the Sunday school hour at 3 p. m. Dr. Dan Oaks, Rev. Walter Goodman will preach at 4 p. m.

Evening service: Dr. Boyd will preach at First Church next Sunday night at 7:30 and Rev. Dr. Carl Fitchett, of Davidson, N. C., will come on Monday, March 24th, and will preach every night that week at 7:30 p. m. Every member of the church and the public is invited to attend.

INSURANCE MAN GAINS 20 LBS. TAKING RETONGA

"It Did So Much For Me I Want Others To Benefit By My Experience," States Well-Known Resident. Could Hardly Eat, Sleep Or Work, He States

Mr. M. C. Parker, well-known fire insurance representative of 407 Juno Wesley Ave., College Park, Ga., declares that he could hardly keep going but that, "thanks to Retonga, I regained twenty pounds and I'm now eager to be at work every day."

"I couldn't eat solid foods and even after taking liquids I often felt like I had swallowed burning acid," continued Mr. Parker. "I felt bloated, heartburn tormented me often and gas pressure up against my chest made me feel like I would choke. Nights I often had to walk the floor to get relief and I got so little sleep that mornings it was all I could do to put myself out of bed. My weight dropped off and I could hardly walk a block without resting. Constipation kept me taking strong laxatives, and at times every muscle in my body seemed to ache."

"Retonga brought me wonderful relief from all this distress. Soon I was eating anything I wanted and sleeping restfully. Even constipation is relieved. I have regained twenty pounds and feel fine. Retonga did so much for me I want others to benefit by my experience; it's a grand medicine."

Retonga is intended to relieve distress due to insufficient flow of digestive juices in the stomach, loss of appetite, Vitamin B-1 deficiency and constipation. Accept no substitute. Retonga may be obtained at Bissette's Drug Store.—Adv.

JAYCEES PLAN FOR AIRSHOW

Junior Chamber To Dedicate Airport On March 30

By CHESTER WALSH
The Junior Chamber of Commerce at its supper meeting at the Old Town Inn last night spent considerable time working out plans for the dedication to civilian use of the County-City Airport and air show by Marine and Navy Reserve and civilian planes on Sunday, March 30.

The Marine and Navy planes will come here from Norfolk. Civilian planes from this and several other states are expected to participate. The government planes will stimulate aerial battle tactics in the afternoon. Civilian planes will do some stunting and a parachute jump is scheduled. Tommy Sellers is Jaycee chairman of the Committee on Arrangements.

All members of the Junior Chamber will meet at the City Hall next Tuesday night at 7:30 to complete plans for the ceremony.

The day's festivities will start at 9 o'clock when the Breakfast Club (civilian pilots) have a breakfast meeting at the Airport Inn. The Marine and Navy planes will be open to public inspection, with pilots and ground crewmen standing by to answer questions. A nominal fee will be charged for admission to the airport, Jaycee President Tommy Sellers said.

Dramateers and Black Masquers Present Play
The dramatizers presented "The Happy Journey," a one-act play, Tuesday morning during homeroom period in the auditorium. It was presented during home room period. This play will also be presented in the annual dramatics festival held in Chapel Hill.

New Teacher Arrives
When Mrs. Tripp resigned from teaching school in high school, Mr. R. D. Martin assumed her position as biology and general science teacher. Mr. Martin will teach until the end of school. He has just finished post graduate work at ECU.

Journalists Leave For New York
Ten journalism students left for New York City Wednesday morning to attend the journalistic convention held at Columbia University. Among the students are Betty Anne Young, Sam Northrop, Howard Proctor, Frances Bendall, Dave Clark, Dennis Cooke, Billy Bowen, Shelley Beard, Lucile Laughinghouse and Clarence Tugwell. Mr. Boley Farley and Miss Jessie Belle Lewis were chaperones for the group. These students will return from New York Sunday night.

Music Festival Held
The annual Music Festival was held Friday morning in the Austin Auditorium at ECU. Many towns from Eastern North Carolina participated in this event. A concert will be given by all the girls tonight at the Austin auditorium when "Improperia," "Sunrise," and "Out of the Silence" will be special songs sung by the music groups.

meeting included reception of three new members, Vernon Tyson, florist; Jack Moye, J. laundry owner and H. E. Gaskins, watch repair service. Dr. Herbert Hadley, Red Cross solicitations chairman, reported on the results of the membership drive.

Baptists To Meet in April At Charlotte

Plans are well under way for the Statewide Baptist Sunday School Convention to be held in the First Baptist Church at Charlotte, April 1-3, inclusive, according to L. L. Morgan of Raleigh, secretary of Sunday School work for the North Carolina Baptist State Convention.

Dutch Seizure Of Cargo Fought By Shipowner

New York.—(AP)—If Dutch seizure of the American freighter Martin Behrman is not rectified, a spokesman for the owner said, "there will be chaos on the high seas and piracy may well become the rule."

The statement was issued late yesterday by Walter Isbrandtsen whose father, Hans Isbrandtsen, is head of Isbrandtsen Company, Inc., which perates the Behrman under charter from the U. S. Maritime Commission.

Strength FOR THE DAY

By EARL L. DOUGLAS

PHYSICAL AND SPIRITUAL BLINDNESS

A trainload of soldiers was being
taken to a military hospital. Among
the men on board was a soldier
who had lost both his eyes in bat-
tle. The train passed through his
home town and stopped for a mo-
ment, and a dozen of his near
relatives were on the platform to
give him a hurried greeting. Those
who watched the scene were stirred
by deep emotion as they heard
these loved ones weep and wail over
this boy who had lost his eyes and
who was condemned to decades of
darkness.

Physical blindness is indescribably
terrifying. What would a man not
give to escape it? Yet spiritual
blindness is much worse, and many
people endure it and contemplate it
in their loved ones with the utmost
complacency. Millions of parents
are doing nothing to train their
children in religion. In many a
home parents sleep until noon on
Sunday and the children, up at
their usual time, spend the morn-
ing in play or in a perusal of the
comic strips. Children must be
taught how to count, how to read,
how to dance, but the things having
to do with the eternal salvation of
their souls are often neglected.

Physical blindness is something
that certain people cannot avoid
but spiritual blindness is something
no one needs to endure, either for
himself or for his loved ones. Vision
of soul is never destroyed until
we destroy it with selfishness, neg-
lect, and other forms of evil.

WASHINGTON LETTER

FIRING DEMOCRATS TURNS OUT TO BE LEO ALLEN'S JOB

Washington—Leo E. Allen, Rep-
ublican congressman from Illin-
ois, a bustling, friendly fellow, is
busier than a bird dog these days.

Not only is he chairman of the
important House Rules Committee,
but he has the headship job of
serving as chairman of the House
Committee on Personnel (formerly
Patronage Committee).

This committee sees to it that
the old adage "to the victors be-
long the spoils" is carried out and
that Republicans take over the jobs
on Capitol Hill that have been fil-
led up to now by Democrats.

Roughly speaking, there are some
500 of these jobs—Capitol police-
men, elevator operators, mail clerks,
carpenters, page boys and so on.
Each Republican congressman has
his own nominee for some job or
other. Allen's problem is to please
everybody.

First thing Allen did when the
80th Congress met was to offer a
rule on the floor of the House to
change the name of the committee
to the Committee on Personnel.

"Sounds better, don't you think?"
he asked.

One of his secretaries said:
"The congressman is not trying
to wave the Bible. He is merely try-
ing to put the committee's dealings
on a business plane."

Already the committee has filled
about 75 jobs. These were vacancies
caused by the resignation of Dem-
ocrats who saw the handwriting on
the wall and got out before they
were asked to.

"They"—and Allen means the
Democrats—"only gave people a
couple of days when they took over
in 1930. We're giving folks about
30 days—time to look around and
get something else. It causes less
hard feelings."

It's an "intricate" job, says Al-
len. Regular requirements govern
each appointment—besides the fact
that an applicant must be a Rep-
ublican.

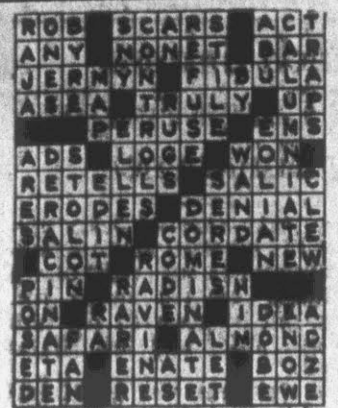

Page boys, for instance, must be
between the ages of 14 and 16 and
must have had an eighth grade
education.

The Rules Committee, of which
Allen also is chairman, is consid-
ered one of the most potent of Con-
gress.

It decides on the order in which
legislation is handled on the floor

and prescribes the conditions under
which it is considered.
Sometimes the committee can
bottle up a proposed measure, in
the committee itself, and it never
does reach the floor. This happened
last year in the attempt to set up
a permanent Fair Employment
Practices Committee.

Southern Democrats, who domi-
nated the committee, kept the bill
from being reported out and so it
never came up for a vote.

Citizens In . . .

(Continued From Page One)
Only two percent of those prac-
tical politicians in the audience
survived the test. What would be
the rating of any ordinary audience
in such a test?

Vanderbilt points out these
things to show widespread lack of
interest in, or distaste for, politics:
In the 1938 congressional elec-
tions, 38,000,000 people voted. In
1942, the middle of the war, only
28,000,000 voted for congressmen.

That 28,000,000 who voted in 1942
were only 54 percent of the voters
in this country eligible to vote.

In a recent national poll 87 per-
cent of the people questioned said
they wouldn't want their sons to
enter politics.

And 50 percent said they didn't
think it possible for a man to enter
politics and remain honest.

Vanderbilt, in part, blames our
educational system for "falling
down on its primary job of train-
ing citizens for their duties of lead-
ing public opinion and developing
wise, efficient political leaders.

"Our college graduates as a class
have not been sustaining the bur-
den of public leadership, either at
the top or the bottom of the polit-
ical ladder.

"Yet who can doubt that there is
a greater premium today on other
types of intelligence than on any other
type of brains.

"If a young college graduate x x x
is seeking to do his duty as a citi-
zen by participating actively in polit-
ics, it will be a matter of sheer
good luck if he finds his way
about."

Auto Workers . . .

(Continued From Page 1)
with special emphasis on getting
additional vacation time for re-
turned veterans.

Reuther, in announcing details
of the program, told GM "we regret
the refusal of the corporation to
cooperate with the union in a joint
study of this (retirement program)
problem."

The UAW asked GM to set an
early date for beginning of discus-
sions on the demands.

Health Program . . .

(Continued from Page One)
was doomed to defeat.

He made some suggestions, he
told the committee, and decision
was made to carry the facts to the
people in "every-day language."

"The people of North Carolina
took this simple plan that I pre-
sented to them," Kser said, "and
they themselves carried it out; so
much so that the State of North
Carolina today, I am sure, is health-
conscious to its roots. We have a
bill before our legislature now call-
ing for approximately \$40,000,000
expenditure over the next five years
with one-third of that being our
appropriation."

Kyser said he did not believe in
"giving anybody anything for nothing
if you expect them to respect it."
He expressed an intention to
head a show to tour the counties of

his state this summer, "if they
want me," provided "those counties
get every employe to work one day
for health, provided every employe
will match the pay roll in his case
for health, provided the baseball
team will play an extra game free
for health, we will have every con-
ceivable form of raising money."

Chairman Keefe (R-Wis.) thanked
Kyser "for coming he erand put-
ting into the record this splendid
exposition of this whole situation
that ought to be an inspiration to
any person."

Last April, a Veterans Farmer
Training program was started. At
present 37 students are enrolled in
this program. Two assistant teach-
ers, L. M. Sawyer and L. C. Dall,
are aiding Mobley in the instruction
of these students. Several new text-
books have been purchased, the to-
tal cost amounting to \$231.81. New
equipment and other supplies pur-
chased since last April amounted
to \$2,189.69. This equipment in-
cludes a Rex-o-Graph machine, a
16-mm. film projector, an opaque
projector, a slide film projector, a
12-inch planer and many smaller
items.

Crop Survey . . .

(Continued From Page One)
hums, potatoes, sweet potatoes, soy-
beans, and sugar beets.

Reaction In . . .

(Continued from Page One)
achieved an almost unbelievable
expansion already.

Such a pronouncement could do
more for the cause of peace than
any other move at this time.

Music-Makers . . .

(Continued from Page One)
the fact that they all made ratings
of "1" in the State Contest last
year. Under the rules a school that
makes "1" in the State Contest does
not have to participate in the Dis-
trict Contest. However, the Green-
ville High School chorus will sing
at the concert this evening.

Seventeen schools are participat-
ing in the festival this year and a
number of schools which gave up
music during the war, have now
re-introduced it in their programs.
The festival this year is twice as
large as it was last year.

Senators OK . . .

(Continued From Page One)
areas under rent control.

It also provides for removal of
rent ceilings on new houses, dwell-
ings renting for \$225 or more a
month, accommodations which were
not rented between Feb. 1, 1946,
and Jan. 31, 1947, hotels and motor
courts.

The local advisory committees
would have authority to recom-
mend:

- 1. Removal of rent ceilings on an area basis.
- 2. Special adjustments in "hardship" cases.

Conciliation . . .

(Continued from Page One)
conciliation service, which provides fed-
eral mediators in labor disputes the
committee also cut by nearly 50
per cent the money President Tru-
man asked for the national labor
relations board.

In granting the NLRB only \$4,
033,700 of the \$7,984,000 requested
the committee said it was split over
a suggestion that the board be ab-
olished because it has made no real
contribution to industrial peace.

Hold Rites For Bishop J. Perry

Summerville, S.C. — (AP) — Fu-
neral services were held here to-
day for the Right Rev. James de
Woit Perry, former presiding Bish-
op of the Episcopal Church in
America.

Bishop Perry, 75, died yesterday
of a heart attack while on the way
to attend church. His home was in
Providence, R.I.

Agriculture Is Feature Study At Winterville

The Agriculture Department of
the Winterville High School is mak-
ing many improvements in the way
of instruction and shop facilities.

The first of the year two seniors
from N.C. State College, M. D.
Nobles and J. D. Tripp, went to
Winterville to assist Prof. J. H.
Mobley in the instruction of his
vocational agricultural students
during their six weeks of practice
teaching. They were very successful

in their teaching, using various
methods of visual education and
carrying out a balanced program
of class and shop work, including
field trips. They instructed the stu-
dents in such a beneficial way that
Winterville placed second in the
County Agricultural Seed Judging
Contest and won first place in the
Ritual and Parliamentary Proce-
dure Contest. The Winterville win-
ners will compete with the winners
from 27 other counties in a district
contest in the near future.

In recent weeks many improve-
ments were made in the shop and
classroom. All bulletins have been
filled in boxes and catalogued. Ad-
ditional tool cabinets have been
built and equipped with wood-
working tools. All bookcases have
been sanded and painted and the
books rearranged in them. The shop
and classroom are now in the pro-
cess of being painted.

Many students have started mak-
ing plans for their farm projects for
the coming season. Several boys are
planning a hybrid corn project.
Others have borrowed money from
the bank to purchase purebred gilts.
Still others have bought baby chicks
for their poultry projects.

Rev. O'Ferrall Thompson, rector
of St. Paul's Protestant Episcopal
Church here, officiated at the ser-
vices, assisted by the rector emerit-
us, the Rev. Dr. F. W. Ambler.

The remains will be taken to
Providence where service will be
held at 10 a.m. Monday.

Bishop Perry retired last year as
Bishop of Rhode Island, a post he
had held since 1911. The Perrys had
come to Summerville last Novem-
ber to spend the winter.

Prior to 1850 women were refer-
red to almost exclusively as "fe-
male." The editor of Godey's Lady's
Book campaigned for "women."

Talk Embargo . . .

(Continued on Page Three)
can commitment.

"This failure (of the Russians)
has placed the U. S.-British zone
in an extremely difficult position,"
the statement asserted.)

A report from Minden, headquar-
ters of the British-American eco-
nomic control group for the two
western zones, said an embargo on
all shipments of pig iron, steel and
standard iron and steel products to
the Russian zone had been ordered
effective today.

Acheson . . .

(Continued on Page Three)
He added:

"Mr. Stalin and his associates
won't stop their program of ag-
gressive expansion until the U. S.
takes a firm stand."
Merrow asked whether the U. S.
would be abandoning its world
leadership by denying aid to Greece
and Turkey.

Acheson replied: "If the U. S.
will not accede to the requests made

on it there will be a strong con-
viction throughout the world that
a great deal of our professions are
merely words."

Rept. Mundt remarked: "The
reason why, fundamentally we are
being asked to go into Turkey is
that at least in the opinion of the
Turks—their Soviet neighbor—is
conducting a war of nerves as re-
gards the ((Dardanelles)) straits
and along the border.

"Is that a fair statement?"
Acheson: "I would rather con-
tent myself with the statement that
what has happened has convinced
the Turks that they must keep their
army mobilized."

leader Sam Rayburn as the Republi-
can controlled committee went in-
to session.

Rayburn told newsmen following
the Democrats' meeting that they
felt the entire matter of tax reduc-
tion should be deferred until Con-
gress has a better idea of the na-
tion's fiscal situation and how
much money will be appropriated.

Mr. Tobacco Farmer

On Tuesday March 25th on the H. W. Brown farm 2 miles from Bethel on Greenville Highway, Manning Supply Co. of Bethel will demonstrate the latest and best method of curing tobacco. These curers are of the best quality — silent in operation and simple. Anyone can operate them. Don't take something that will do the job just one year; get something lasting.

We have had other makes of curers but we are very glad to have this method of curer to show you, as they have proven so safe and silent and economical and no headaches to follow.

Manning Supply Co. will have a representative on hand to explain in detail the features of these curers. Be there Tuesday March 25th 1947 all day long.

New York—(AP)—If Coach Nat Holman remembers what he told his City College squad between the halves last night, the Beavers will be hard to handle when they collide with Holy Cross tomorrow night for the Eastern Regional Basketball Championship of the National Collegiate Athletic Association.

The Beavers trailed Wisconsin's big nine champions by ten points when they went to their Madison Square Garden dressing room at half time last night in the second game of the eastern semi-finals.

What Holman told his players will remain a secret known only to those in the room. But for Wisconsin it had a devastating effect.

The Beavers came back from their lecture with enough fire and dash to more than match Wisconsin's pell-mell brand of basketball.

They tied the score in five minutes and sped reluctantly to a 70-56 triumph over the big nine titleholders, bagging 43 points in those last torrid 20 minutes while holding the Badgers to 19.

A partisan crowd of 18,472 nearly raised the roof while watching the home club's spectacular comeback after seeing Holy Cross eliminate Navy with a 55-47 victory which also was popular, since most of the Crusaders hail from the New York area.

Joe Mullaney and George Kattan were the big guns of a Holy Cross attack which clicked for the full 40 minutes, whereas Navy blew hot and cold. There was little to choose between these two teams except the consistent accuracy of the crusaders.

The Middies blew a nine-point lead in the last five minutes of the first half, which ended with Holy Cross holding a 29-27 margin. Navy matched the crusaders shot for shot in the first ten minutes after the intermission, but the Middies then went seven minutes without hitting a field goal. By that time it was 48-39 for Holy Cross and the Navy team which won 16 of its 17 regular season games couldn't catch up.

Star Hurlers In Pitching Duel

Lakeland, Fla.—(AP)—American League fans faced the pleasant prospect today of witnessing several hair-raising hurling duels between the two greatest pitchers in baseball—Hal Newhouser of Detroit and Bob Feller of Cleveland.

This became evident when Newhouser, the game's premier southpaw, declared he was prepared to clash with Feller, baseball's number one righthander, as often as his regular pitching turn called for.

President Bill Vecek of Cleveland never one to overlook a good thing especially when it means filling the

Smokey Says: "I GIVE MY PLEDGE AS AN AMERICAN TO SAVE AND FAITHFULLY TO DEFEND THE NATURAL RESOURCES OF MY COUNTRY—ITS SOIL AND MINERALS—ITS FORESTS, WATERS AND WILDLIFE."

Dr. Cooke Talks Before Alumni

Dr. Dennis H. Cooke, president of East Carolina Teachers College, spoke on the progress and policies of the college at a meeting of the Onslow County chapter of the Alumni association held at Pine Lodge in Jacksonville on last Wednesday evening.

Mrs. Cleopatra M. Ward, president of the Onslow County chapter, presided and introduced Dr. Cooke. Mrs. Ralph Reid of Richlands and Mrs. Ruth Garner of Greenville, East Carolina alumni secretary, also appeared on the program.

Walcott In Bid For Louis' Title

Paterson, N. J.—(AP)—Jersey Joe Walcott had his bid in today for a shot at Joe Louis' heavyweight title, even though Louis' managers previously had written him off as a possible challenger.

Louis has announced he will make the 24th defense of ringdom's prize on June 26 in Yankee Stadium, and his managers have indicated they prefer as an opponent the winner of the April 17 bout in London between British Champion Bruce Woodcock and American Heavyweight Joe Baksli.

However, the National Boxing Association officially recognizes Walcott's challenge. Abe J. Greene NBA president, announced here last night. Greene said the NBA will accept Walcott as a "proper challenger" because "he is among the top contenders for the title."

ball park, has already said that he would ask Manager Lou Boudreau to pitch Feller against Newhouser whenever it could be arranged.

FIRE LOSSES IN U.S. AT ALL-TIME HIGH! YES, fire losses last year were at an all-time high. And one of the most tragic aspects of this situation is that many property owners do not realize until the fire is over that they were woefully under-insured. Consider your own home. If it were destroyed by fire, would your present insurance cover the loss—or would you have to dig into your own pocket for a good many thousands of dollars? Remember, building costs are much higher today than before the war. So check up, and be safe—see this agency today. Moseley Bros. Inc. Dial 3070, Greenville, N. C.
