WOULD LIMIT AID PROGRAM OF PRESIDENT

Senate Critics Seek
To Narrow Truman
Policy To Greeks,
Turks

Washington.—(AP)—Senate critics sought anew today to narrow President Truman's doctrine of world-wide aid to free peoples by writing into the Greek-Turkish bill a proclamation against intervention in any other nation's civil strife.

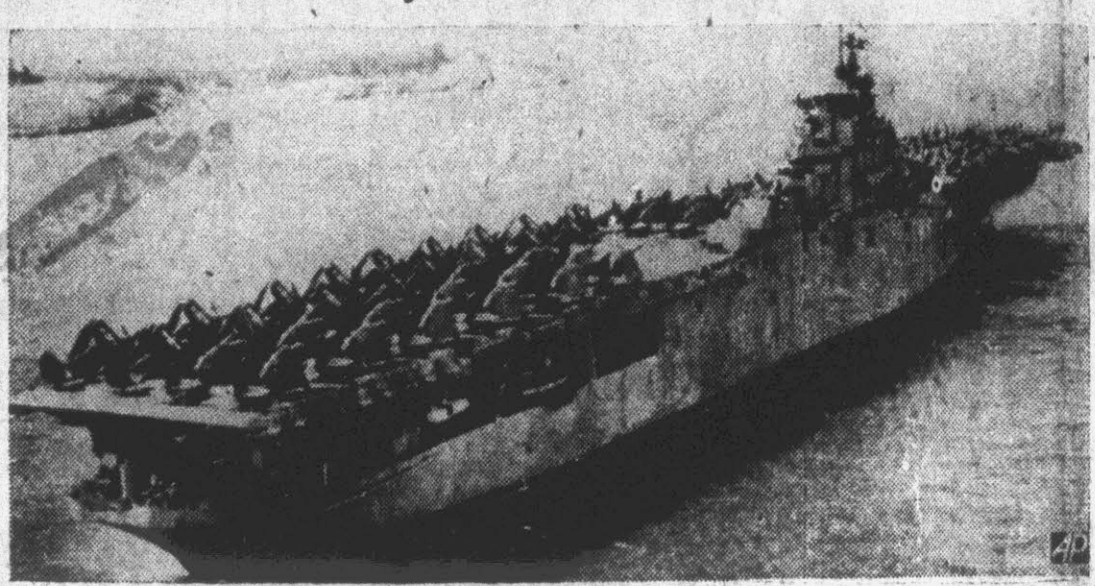

With the Senate expected to start debating the \$400,000,000 stem-communism measure Wednesday, Senator Edwin C. Johnson (I-U. Colo.), spearheaded a drive for just such a non-intervention amendment even though it already has been rejected by the foreign relations committee.

Johnson's proposal would state in effect that the U. S. in extending aid to Greece and Turkey, is not establishing a policy under which it will feel called upon to intervene in the troubles of nations elsewhere. It also would reaffirm American intentions to submit to the United Nations all future disturbances involving world peace.

The Colorado Senator told a re-

U.S. Carrier Leyte Sails For Mediterranean

The U. S. naval carrier Leyte passes the tip of land at Newport, Rhode Island, and heads for the open Atlantic on a historic cruise to the Mediterranean. She will serve as the flagship for an American fleet that will cruise in Mediterranean waters for two months. (AP Wirephoto).

Won't Play Ball

Libon, Portugal.—(AP)—The Spanish pretender, Don Juan, rejected in an ultimatum today Gen. Franco's asserted plan to restore the monarchy.

"All advantages of the monarchy would be destroyed by the formula presented by Franco," Juan said, charging it would "open the door to all domestic quarrels." He declared that Franco's plan for restoration of the monarchy at some indefinite time was "an attack attempted against the very essence of the hereditary monarchy institution."

Thousands Of Coal Miners Remain Idle

Demand Pits Be Made
Safe; Some Mines
Operating At End
Of Mourning Period;
Confusion Grips
Fields

Pittsburgh.—(AP)—Heeding demands of union leaders to stay away from mines until safety conditions improve, about half the nation's 400,000 bituminous miners remained idle today after lapse of the six-day mourning period for the Centralia, Ill., mine tragedy.

The situation was roughly 200,000 miners idle and 200,000 back on the job.

In the vital Pittsburgh production district coal output was 25 per cent of normal.

Production was likewise low in other big coal areas. A comparatively few mines were operating in West Virginia, leading coal producer, which had about 90,000 men idle.

Eastern Ohio mines were closed and a United Mine Workers official expressed belief Ohio's deer mines, employing 15,000 to 16,000 would remain shut until federal re-inspection.

In Illinois, about 17,000 of 20,000 United Mine Workers were idle out almost all of the 11,000 progressive mine workers there worked.

About 50 per cent of Alabama's 20,000 miners returned to work. The mine shutdown was reported almost complete in districts of Kentucky, including Harlan, as well as Tennessee and Virginia. Kentucky's 50,000 UMW miners were idle.

The Pennsylvania Railroad furloughed 1,500 train crewmen on its Pittsburgh division and said additional furloughs were expected.

The division's movement of coal cars dropped from 26,000 a week to an anticipated 4,000.

Police Arrest
Two Negroes
For Bigamy

By CHESTER WALSH

When Greenville police arrested Joe Bright and Warren Tyson, both Negroes, at Annie Perry's rooming house, 1309 Railroad Street, the other night, for investigation in connection with the theft of \$450 from the woman's house, they did not know then that they were apprehending two alleged bigamists.

Police Chief Jim Tanner said today when the officers searched Tyson they found two Georgia marriage licenses with his name on both of them. The licenses showed Tyson had married Christine Ritz December 29, 1945, and Sarah Snell, August 1946. This is a Georgia case Joe Bright was wanted by Kinston police on a bigamy charge. He married Willie Mae Tucker September 6, 1942, then married Matilda Cobb February 17, 1947, in Dallas, S.C.

When an officer asked Bright did he get a divorce from his first wife he said he "couldn't find her."

Civil Service
Deadline Nears

Just ten more days in which to file for an examination for two jobs with the Social Security Administration. Applications are now being accepted by the Field Board of the United States Civil Service Examiners for the positions of Field Assistant and Claims Assistant. Applications must be filed on or before April 17, 1947.

This examination is being held for appointments under the Civil Service regulations to positions in field offices of the Bureau of Old-Age and Survivors Insurance in the States of Maryland, Virginia, North Carolina, West Virginia, and the District of Columbia. These will be key entrance jobs in the social insurance program, involving direct contact with wage earners, their survivors, employers, and the general public. The beginning salary for these positions will be \$2,394 and \$2,644 per year.

Further information may be had at your local postoffice.

CROMYKO RAPS ARMS CONTROL

Will Later Give Reaction
To Truman's
Foreign Policy

Lake Success, N.Y.—(AP)—Soviet Deputy Foreign Minister Andrei A. Gromyko took the floor today to deliver his long-awaited policy speech on world arms reduction before the United Nations commission on conventional armaments.

A Russian delegation spokesman announced Gromyko would speak again later in the day at a Security Council meeting called for 3 p.m. (EST) to hear reaction to President Truman's \$400,000,000 unilateral program to aid Greece and Turkey.

The Soviet delegate opened his arms speech with a long review of previous United States and British statements which held that the world could not hope to disarm until international security had been established.

The Russian delegate then reiterated the Soviet stand that international security must be established.

County Authorizes
Special Election

The Pitt County Board of Commissioners was in regular monthly session at the courthouse today. Chairman Jasper Smith of Bethel presided.

The board approved the petition of the City School Board to order a special election to vote on a tax levied not to exceed 15 per cent, to supplement school teachers' salaries.

The Greenville Board of Aldermen at a meeting last Thursday night approved the special election.

The school trustees and Superintendent H. Rose pointed out that colleges in their GI training were hiring school teachers and paying them more money than the schools.

Several important matters were expected to come up for consideration by the board at the afternoon session.

Extend Defense Lines Against Night Raiders

Tientsin.—(AP)—The Chinese government today ordered evacuation of all residents within 1,000 yards of the Marine ammunition dump at Hsinho, where a surprise communist attack Friday night killed five Americans.

A Marine request to extend U. S. defense lines to that radius was approved.

A Chinese official meanwhile gave the first detailed story of the Red assault as he said Maj. Gen. Samuel Howard, commander of Marines in North China, described it to him.

Two Marines were on guard at the entrance to the sprawling, triangular dump. They were killed in the first Red attack from the dark.

Three other Marines rushed in a jeep to aid their comrades and likewise were killed.

The stored munitions were mostly heavy artillery shells but the raiders loaded some of them on pack animals. They escaped with some shells and blew up some ammunition before they withdrew.

Approximately 80 Marine reinforcements were summoned from Tangku, five miles away. Land mines and a road ambush delayed them and wounded 16, but all are believed recovering.

FLOOD WATERS CAUSE STATE OF EMERGENCY

Reaching Peak In
Michigan; No Additional
Rainfall In
Prospect

By ASSOCIATED PRESS

Floods which forced thousands of persons from their homes into a throw-back on wintry weather over the Easter weekend either were receding or cresting today but with continued "quite cool" temperatures forecast for most of the week ahead.

The Chicago federal weather bureau said no additional rainfall was in prospect for any of the flooded areas but that nothing more than warming tendencies could be expected during the next 24 hours.

In Michigan, hit by its worst flood in history, Flint and Lansing were in a state of emergency as sand-bagging crews built up dams and railroad rights of way against the flood crests expected today.

Three deaths were reported in the wake of gales which leveled telephone communications in many sections of the state.

Three feet of water in the General Motors plant at Flint forced a shutdown of operations and the temporary lay-off of 12,000 workers.

The state's flood and wind damage was estimated at millions of dollars.

Kiwanians Will Attend Banquet

DuPre Rhame, of Furman University, Greenville, S.C., governor of the Carolina Kiwanis District, will deliver the address at the Washington Kiwanis Club's "charter and ladies' night" banquet in Washington tonight at 7 o'clock. Two hundred and fifty guests are expected to attend the banquet.

Lieut.-Gov. Ed E. Raul of Greenville will be master of ceremonies and present the charter to Vice-President Charles Bowers. Presidents of the 10 clubs in Division 7 will attend. Arthur Tripp of Greenville, chairman of arrangements, will present certificates of membership to the 31 members of the recently organized Kiwanis club.

Nearly 25 years ago the Washington Kiwanis Club sponsored the organization of the Greenville club which recently celebrated its 25th anniversary. Several years later, the Washington club surrendered its charter. A quarter of a century afterwards—last February—Greenville under direction of Arthur Tripp assisted in organizing the Washington club. A lot of good-will exists between the City on the Pamlico and Greenville.

Arrest Negro For Shooting Brother

Police late Saturday night arrested Willie Richardson, 19-year-old Negro, for assaulting with a deadly weapon his brother, Edward Richardson, during an argument in Andrew Jenkins' beer parlor. The warrant states that Willie shot his brother with a pistol, the bullet inflicting a slight wound in a leg.

Coast-To-Coast Telephone Walkout Gets Under Way

Taft Says Republicans Will Continue Tax Plan

Terms Truman Assertion "Political Statement"; Sees Political Timing In Promise To Cut Taxes When Practicable

Washington.—(AP)—Senator Taft of Ohio declared today that the Republican controlled Congress will disregard President Truman's political timing and cut both taxes and government expenses this year.

Taft, who heads the Senate Republican policy committee, told a reporter he regards as a purely political statement the president's assertion in his Saturday night Jefferson Day address that the Republicans are headed toward false economy.

The president's budget will be cut, Taft said. Estimated revenues are going to be larger. Taxes can be cut and a large surplus left to apply on the debt, for which the Democrats are suddenly much concerned after 14 years.

"If we don't cut taxes now," the Ohio senator continued, "the spenders will soon find new ways to spend and spend and elect and elect."

Mr. Truman told his audience of Democratic party members he recognized frankly that the present tax burden is too heavy to be considered permanent, adding:

"At a proper time I will support tax reduction and tax readjustment designed to reduce the burden and to adjust the burden to the needs of a peacetime economy."

Taft said this statement indicates to him that Mr. Truman has political timing in mind.

"The president says he recognizes that the present tax burden is too heavy—but the people I Congress must wait until he says the proper time has arrived to cut taxes. Presumably, that will be just before the 1948 campaign when he is running for reelection."

"But the time to adjust the tax burden to the needs of a peacetime economy is now, making that adjustment apply to the third year after the end of the war."

In his speech Mr. Truman told the Republicans to task—without naming them directly—when he said:

"Any substantial reduction of the 1948 federal budget, as submitted to the Congress, must be clearly understood as a venture into false economy."

"River Of Woe"

London.—(AP)—England's "River of Woe," a stream that appears mysteriously and just as mysteriously disappears, is flowing again—for the first time in nine years—to the terror of superstitious folk who believe the river's appearance is a warning of disaster.

Sometimes known as the Catterham "woe water" and sometimes simply as Croydon Bourne, the river last coursed through the Catterham Valley near London in 1938—just before a typhoid epidemic claimed 43 lives in the region.

Earlier appearances were recorded during the great plague of 1665 and during the first World War, when each of the stream's three "births" preceded allied military reverses.

ASKS DIVISION OF RESOURCES

Senator Proposes Understanding Over Middle East

Washington.—(AP)—Senator Fulbright (D-Ark.) proposed today that the U. S. negotiate with Russia for an equitable disposition among nations of middle eastern resources without giving the Soviets political domination.

Fulbright announced to the Senate his support of President Truman's program to furnish \$400,000,000 financial and limited military aid to Greece and Turkey. He said it is a positive and definite move to stop a technique of aggression directed from Moscow.

Asserting that Russia has won domination over smaller nations with a total of 60,000,000 population by a combination of the red army and the infiltration of her secret police," Fulbright told his colleagues:

"I do not think Russia will go to war in the near future to enforce this policy, but she is prepared to bring the full force of her economic and propaganda power to bear on the issue."

Police Active During March

By CHESTER WALSH

Greenville police during March made 134 arrests, answered 248 calls, made 140 investigations, investigated 152 complaints and 19 accidents and found 10 doors of business places open at night. Police Jim Tanner's monthly report to the Board of Aldermen stated.

Fifteen persons were arrested for driving while drunk; 17 for speeding; 4 for reckless driving; 1 for having illegal license on car, and 1 for not having a driver's license and 2 for crashing red lights.

Other arrests: 45 persons for being drunk; 1 for violating the liquor law; 7 for assault; 6 for assault with a deadly weapon, one with intent to kill; 1 for breaking and entering; 3 for carrying concealed weapons; two for failure to pay tax; 4 for persons for other authorities; 6 for gambling; 4 for larceny; 1 for operating a gambling house and 2 capases were issues, the report showed.

Long-Distance Telephone Operations Over Nation Cut To Twenty Percent Of Normal; Supervisory Employees Provide Emergency Service; 340,000 Workers Strike

By ASSOCIATED PRESS

Long distance telephone operations throughout the nation were cut to 20 per cent of normal today a few hours later union telephone employees began a coast-to-coast strike, the American Telephone and Telegraph Company announced.

The report, based on a survey of 14 cities in mid-morning, was issued in New York City, where center of the communications world. The strike began at 6 o'clock.

Still unaffected were dial telephones, which serve about 60 per cent of the nation's telephone users, eased wire service to press, radio, and teletypewriter operations.

Supervisory employees stepped in to provide emergency service where long distance and local services were affected.

An estimated 340,000 workers, demanding \$12 a week pay increases and other contract changes, made walkout nationwide at 9 a. m. (EST) when employees of the Pacific Telephone and Telegraph Company quit in Los Angeles.

The strike, first nationwide telephone walkout in American history, began in the East shortly before 6 a. m.—EST—the official deadline—and spread westward for three hours as the deadline time marched across the nation.

President Joseph A. Beine of the National Federation of Telephone Workers (Ind.), officially announced the strike was on at 5:55 a. m. (EST).

The large urban areas of the East and Midwest were hardest hit. Although New England was comparatively free of the strike.

The dial systems remained in operation and company spokesmen declared such phones could operate for a long time without maintenance work.

The American Telephone and Telegraph Company said there are 31,000,000 telephones in service in the U. S., of which 18,000,000 are dial.

Of this total, 25,700,000 are in the Bell system. The remainder (Continued on Page Four)

Durham Business Section Is Hard Hit By Blaze

Durham, N. C.—(AP)—Durham's most destructive fire in three years gutted hotel No. 3 yesterday as well as a sandwich shop, photography studio, valet shop, wine shop and a cafe in the downtown business section.

Three firemen were injured in fighting the flames, which Fire Chief Cosmo Cox said, caused about \$100,000 worth of damage and the fire could have originated in the kitchen of the cafe or in the rear of the valet shop.

Sim Sagrants of Norristown, Pa., and Vincent Calliouri of Bridgeport, Conn., were overcome by smoke, but after treatment were released from Durham hospital.

Brooks Baruffi, hotel night clerk who was on duty, said: "I had smelled gas or something for two days and I had made at least four checks of the entire hotel but had found no gas or chemical. The blaze flashed in three rooms on the second floor at the same time."

Supervisory employees in some cities planned to sleep and eat in telephone company buildings, so they would not have to cross the picket lines.

Act Now, Or Later?

Historic Debate Opens This Week In Senate On U. S. Aid For Greece And Turkey; Waking Up To Reality; Stopping Communism Easier Now Than In Future

By JAMES MARLOW

Washington.—(AP)—Bitter, historic debate begins this week in the Senate on United States aid for Greece and Turkey.

The Senate seems sure to approve this American adventure which is a new foreign policy. Simply stated, it is this: To stop the spread of communism where we can and as we can, starting now. The reality behind the move at this time, brushing aside all vague words and double-talk, comes down to this:

1. We have the atom bomb now and we're the strongest nation now. By acting now, we may be able to stop the spread of communism.

2. Russia, lacking the bomb and still suffering from World War II, may not feel strong enough to oppose us vigorously right now.

3. If communism spreads and Russia grows stronger, developing her own bomb, it may be too late for us to act later.

In short: Do we act now when we can or wait until perhaps we can't?

President Truman, who says "we must take a positive stand," has asked Congress to vote \$400,000,000 for Greece and Turkey.

Both countries have asked us for help although both countries are a long way from having the kind of democracy we have.

But Turkey, with a big army, is prepared to resist pressure from Russia. Greek Communists are trying to overthrow the Greek government.

Our money and military supplies will help the Greek government crush its Communists and the Turks stand up against Russia.

If Greece goes Communist and Turkey yields to Russian pressure, Russia will dominate eastern Europe and the Mediterranean and the Middle East.

Mr. Truman and our statement who have to deal with Russia, have not hit directly at Russia in so many words.

But Senator George, Georgia Democrat, can afford to be more (Continued on Page Four)

Bevin Reports Nothing Accomplished In Parley

Four Weeks In Moscow Fruitless; Still Deliberating First Item On Agenda; Molotov Again Raises China Issue

Moscow.—(AP)—Britain's Ernest Bevin told the foreign ministers council tonight "we have been here for four weeks and have accomplished absolutely nothing."

Bevin's utterance came after three hours of a fruitless meeting dealing with a provisional government for Germany. Bevin said:

"I have read all the reports and there has not been a single item of agreement in the committee reports of any importance, nor any agreement in the foreign ministers council itself."

An official British spokesman commenting on the day's session said that, "without any degree of exaggeration, I can say that absolutely nothing was accomplished."

Bevin pointed out during the session that the council still was deliberating the first item on the agenda, agreed upon at New York. Bevin said that the single item had grown into seven separate items and that, in addition, the foreign ministers had requested several other reports since the Moscow sessions started.

Bevin said the result was that the

Chamber Commerce Directors To Meet

The Chamber of Commerce directors will hold their April meeting Friday night, April 11, at 8 o'clock. President John B. Webb, Jr. will preside.

Important business matters to be considered include fixing of the next budget and arranging a program of activities for the coming year. Executive Secretary Willard T. Kyzer said today.

DeGaulle Speaks Out

Shows Signs Of Leaving Retirement To Fight Communist Grip On France; Asserts Sympathy With America's Stand Against Tyranny; Has Strong Position

By DEWITT MACKENZIE

General Charles de Gaulle, who recently has been showing marked signs of hitting the return-trail for the political leadership of France yesterday made a pronouncement of solidarity with America in terms which will be widely interpreted as subscribing to President Truman's policy of aiding countries whose independence is threatened by communist aggression.

If that's what the general has in mind, it's a highly important development. It would mean that he is throwing down the gauntlet to the French Communists who are straining every nerve to take over the government of France and are his chief opposition. His strength lies in the powerful middle-of-the-road Popular Republican Movement—which polls about the same number of votes as the Communists—and in the more conservative groups.

General de Gaulle made his declaration at Strasbourg in the course of a speech paying tribute to American soldiers who died to help, liberate his country. It is interesting that the night before President Truman reaffirmed his new foreign policy in his Jefferson Day address.

Yesterday de Gaulle declared his country would stand beside the United States against any new tyranny.

"It is a fact," he said, "that this young nation (the United States) like our elderly country, has shown not only love for its own liberty but still more, a respect for that of others. . . . It is a fact that each time in the world that justice finds herself assaulted, a loud alarm at once awakens the French and American consciences. Our two democracies have always found the same and powerful inspiration when they have had to defend threatened liberties."

Now of course de Gaulle may not have been responding to President Truman's Washington address. However, there's no mistaking the Frenchman's pledge to stand with America against any new tyranny (Continued on Page Four)

EDISON BACKS COOPERATIVE

Inventor's Son Donates Million Dollars In Unique Plan

West Orange, N.J.—(AP)—Theodore M. Edison, 38-year-old engineering physicist son of Thomas Alva Edison, made the first press statement of his life today—announcement of his gift of more than \$1,250,000 to a mutual association to be owned by employees of the Edison Industries.

The retiring youngest son of the famed inventor—the only photograph of him to appear in newspapers was taken when he was wed in 1925—expressed the aims of "the uniquely constructed association to be:

"The fostering of cooperative ideas that will promote industrial harmony, good will, and friendship and not primarily the securing of maximum cash returns for members through the operation of any particular project."

Edison said, in his booklet announcing the program, that he has received the aid of various union and company officials, among others, in working out plans for launch-

Forty Years Ago Today

THE DAILY REFLECTOR

April 7, 1907

Sunshine was in evidence today.

It is too wet for farmers to work at home and a large number of them were in town today.

The board of aldermen has donated \$100 to aid the Confederate veterans of the county in their next reunion.

Persian lawn was selling from 10 cents to 25 cents per yard and Valenciennes lace and insertions from 5 to 8 cents.

Mr. F. C. Harding will speak at the close of school at Hanrahan on Friday night.

of the executive board of the Woman's Club Wednesday afternoon at 3:30 at the club house. Every member is urged to be present.

White Shrine to Meet
The Greenville White Shrine will hold its regular meeting Wednesday night at 8 o'clock. Every member is requested to be present.

Card of Thanks
We wish to express our deepest appreciation for the many kindnesses and expressions of sympathy shown us during the recent illness and death of our husband and father.

MRS. JOHN H. COWARD and Children.

Entertain at Fish Fry
The Men's Fellowship Club of Meadowbrook Presbyterian Church held its second meeting of the year last Wednesday evening. Mr. C. C. Honeycutt of Greenville prepared a fish fry for the occasion which everyone thoroughly enjoyed. After the supper Cliff Rhodus, president, presided over the introduction of visitors and the business. Dr. R. S. Boyd, pastor of the First Presbyterian Church, gave the devotional. Then Sam Bundy of Farmville took over as main speaker of the evening. The meeting was closed with prayer.

Honored at Shower
On Saturday night, March 29th, Miss Frances Jones and Mrs. Judy Fleming gave a floating miscellaneous shower at the home of Miss Jones honoring Miss Edna Ippock, whose wedding took place Saturday afternoon, April 5th.

A large white ring duplicating Miss Ippock's engagement ring surrounding the punch bowl made a lovely centerpiece for the dining table. Ivy, white candles and white flowers decorated the house. Refreshments consisting of various kinds of open-faced sandwiches, cookies, nuts, mints and punch were served buffet style to approximately 25 guests who called during the evening.

Miss Ippock received many lovely gifts and was presented a blanket by the two hostesses.

BELK-TYLER COMPANY

"The Home of Better Values"

Greenville, North Carolina

By EARL L. DOUGLAS

Few Democrats today are as democratic as our own, in our sense of the word, with truly representative government and freedom for the individual and for business. Given time and nourishment such as we'll give Greece,⁶ they

might move closer to this country's kind of democracy.

Most of the world is impoverished, with people hungry and disorganized.

They are ripe for revolutionary groups, such as Communists, who promise them something better than they have.

By giving help to a country like Greece, this country is buying time in the hope it will get on its feet. But the deep question is:

Is time enough? Is help from us to governments now in power enough? Or will the world swing further left and the revolutionary move on, in spite of what we try to do to stop it?

Grain Market

Chicago, April 7—(AP)—Buying entered the corn pit on an increased scale toward the close of trading today and the yellow cereal spurred for gains extending to around 2 cents at times. Wheat and oats, lower early, also developed late strength.

Wheat closed 3-4¢ higher, May \$2.53-2.53½, corn was 1½-2¢ higher, May \$1.78½-1.79, and oats ½-1 cent higher, May 88.

New York Cotton

New York, April 7—(AP)—Cotton futures opened 90 cents to \$2.40 a bale lower.

Noon prices were \$1.40 to \$1.70 a bale lower than the previous close. May 35.05, July 33.14, and Oct. 30.13. Futures closed 70 cents to \$1.55 a bale lower than the previous close.

Charlie Jones Gets Six Years Storebreaking

By CHESTER WALSH
In Police Court Friday, Judge J. W. H. Roberts found Charlie Jones 20-year-old Negro, guilty of attempting to break and enter a store for robbery and of two charges of breaking and entering and larceny. The court gave Jones two years on the roads in each case. The sentences are to run consecutively—six years altogether.

It was testified that Jones' nocturnal prowls were in the neighborhood of the Star Warehouse on Pamlico Avenue. He was found to have entered Pollard's store, Williams' store and the Quality Cleaners' Laundry.

Policeman J. E. Mills caught him in the act of trying to break into Pollard's store several nights ago. The one-man epidemic of storebreakings ceased after Jones' arrest.

Louis D. Barnes, colored, was given 12 months on the roads for larceny of clothing. Allittine Barnes his wife, was given six months on the same charge. Judge Roberts suspended sentence in the woman's case and placed her on probation for two years on payment of \$17.50 costs.

Drunk and disorderly: Beverly L. Patrin and Donald E. McLean, each \$15; Willie Atkinson, colored, (and resisting arrest), \$50.

Assault on a female: William J. Stacy (and profane language), \$40; Roosevelt Carmon, colored, \$15; Drunk: Tobe Freeman, \$15; Charles A. Musselwhite, \$15; K. T. Rowe, colored, \$20; Clarence F. Craft, \$15.

Speeding: Arnie L. Foskey, Bryan Winfield and Mrs. Agnes Barnes each paid \$20; Victor Baker, colored, paid \$20.

Damage to personal property: Jack A. Pearson, colored, \$25.

Leroy Hardy, colored, was not guilty of failing to pay taxi fare.

Noted Tenor To Give Concert On April 20

The Pitt County Training School is presenting Roland Hayes, noted tenor, in concert at the C. M. Eppes High School auditorium Sunday April 20, at 5 p. m.

Roland Hayes has been heard from Maine to California, from northern Canada to Mexico, in the concert halls of Europe and by soldiers on leave from world battle.

Deafened Now Hear With Tiny Single Unit

Science has now made it possible for the deafened to hear faint sounds. It is a hearing device so small that it fits in the hand and enables thousands to enjoy sermons, music and friendly companionship. Accepted by the Council on Physical Medicine of the American Medical Association. This device does not require separate battery pack, battery wire, case or garment to bulge or weigh you down. The tone is clear and powerful. So made that you can adjust it yourself to suit your hearing as your hearing changes. The makers of Bellone, Dept. 5119, 1450 W. 19th St., Chicago 8, Ill., are so proud of their achievement that they get a full demonstration of this remarkable hearing device in your Write Bellone today.

WHY GET UP NIGHTS DUE TO KIDNEYS?

LUSH THEM OUT THIS DOCTOR'S WAY
If you get up nights—have frequent desire to pass your water—but have only scanty passages—yes, and have backache, due to excess acidity in the urine, be glad you're reading this:

Three generations ago Dr. Kilmer, a famous doctor, found hundreds of his patients with this trouble. Painstakingly he made a medicine of 16 herbs, roots, vegetables, balsams—Nature's own way to relief. He called it "Swamp-Root", and millions of grateful men and women have taken it—often with amazing results.

Swamp-Root goes right to work to flush out kidneys... increases flow of urine, helping relieve excess acidity... so the irritated bladder gets a good flushing out, too. Many report getting a good night's sleep after the first few doses. Caution: take as directed.

For free trial supply, send to Dept. T, Kilmer & Co., Inc., Box 1255, Stamford, Conn. Or—get full-sized bottle of Swamp-Root today at your drugstore.

Sports

By the Associated Press
New York—Alvin J. Paris, convicted in January of attempting to bribe two New York Giants professional football players to throw their Dec. 15 championship game with the Chicago Bears, was sentenced today to one year in the City Penitentiary.

Washington—Albert M. Day, director of the Fish and Wildlife Service, said today the North American duck-and-geese population has declined to 54,000,000, the lowest since 1938.

The drop during the past year, Day said, was 26,000,000, the sharpest slump on record. The 1945 duck kill was estimated at 23,000,000.

Palo Alto, Calif.—Denied official sanctions by the Athletic Council, Stanford oarsmen went ahead today with plans to continue crew on their own, without the help of the university.

A spokesman for the oarsmen said races already have been booked for this spring with the University of California and UCLA.

Augusta, Ga.—Jimmy Demaree's name is on the list with those of Byron Nelson and Horton Smith today as a double winner in the annual Masters Golf Tournament here as a result of his two-stroke victory in the 11th playing of the event.

Demaree, an ex-Texan now registered out of Ojai, Calif., jumped into the lead at the start of the 72-hole meet over the 6,800-yard national course last Thursday and was never headed. He posted a one-under par 71, his fourth consecutive sub-par round, in yesterday's final 18 hole to finish with a total of 281.

WEATHER NAGS DEACONS TRIM GOLFGING PLAY ETC PIRATES

Goldsboro Takes Lead In Eastern Carolina Golf Association

Wilson—Rain and general bad weather has nagged the play of the Eastern Carolina Golf Association so far this year but at the end of the first month's play Goldsboro took the lead with 2 games won against no losses.

Kinston was second with 4 wins and one loss while Rocky Mount and New Bern were tied for third place. Wilson, due to bad weather has been able to play only one match and lost that one.

The Directors of the Association met Friday and decided to do away with the 18 man maximum rule and simply keep the 12 man minimum regulation.

Matches this week according to the schedule will include Smithfield and Rocky Mount at New Bern; Goldsboro and Plymouth at Wilson and Greenville and Farmville at Kinston. Former rained out matches may be completed in the next week as well.

STANDINGS

	W	L	Pct.
Goldsboro	2	0	1.000

Win Junior Varsity Awards At U.N.C.

Chapel Hill, N.C.—Forty junior varsity awards, not monograms have been voted by the University of North Carolina athletic council to members of the winter sports squads who didn't quite make the varsity but put in the hard licks that helped to make the highly successful varsities click.

The following Greenville boys were included on the list: In freshman basketball, William Childress and Billy I. Harrington; in swimming, David J. Whichard and John S. Whichard.

Giants Display Hitting Powers

Baseball-hungry fans, both colored and white, turned out in full force yesterday afternoon to watch the Greenville Giants swamp Washington by the score of 24-4.

The slugging locals got their start in the first frame, when with two out, third-sacker Anderson led the way with a triple which was pyramided into five runs before the side was retired.

The Greenville squad is under the sponsorship of the American Legion, and five recently returned veterans are holding down positions coming with the bases loaded. Ed-on the team. Manager Dennis Norris, himself a veteran, makes his debut this season as pilot of the Giants.

Today, the team plays in Plymouth; a full schedule is not yet settled but negotiations now under way promise many more contests

AN ORDINANCE PROHIBITING THE LAYING OF ROOFING MATERIALS OF ANY KIND OVER AND UPON ROOFS OF BUILDINGS COVERED WITH WOODEN SHINGLES WITHIN THE CITY OF GREENVILLE.

Whereas, the practice of laying roofing of any kind on the roofs of buildings covered with wooden shingles without first removing the wooden shingles from such roof creates a constant fire hazard and such practice should be prohibited in the interest to the better protection of property from the peril of fire, and the safety of the citizens of the City of Greenville; NOW, THEREFORE,

The Board of Aldermen of the City of Greenville do ordain:

Section 1. It is hereby declared to be a nuisance and unlawful for the owner of any building now in existence, or which may at any time in the future be constructed, altered or repaired, and located within the City of Greenville, and/or any other person, firm or corporation, to apply roofing material of any quality or kind to the roof of any building over and upon any wooden shingle roof thereon without first removing the wooden shingles therefrom.

Section 2. It shall be the duty of the City Building Inspector whenever the provisions of Section 1 hereof have been violated by any person, firm or corporation, to notify the owner of such building of such violation of this ordinance in writing, and it shall then be the duty of the owner of such building to re-construct the roof thereof so that the same shall conform to this ordinance in all respects within ten days after such owner shall receive such notice from the said City Building Inspector.

Section 3. Any person, firm or corporation who shall violate any of the provisions of this ordinance shall be guilty of a misdemeanor, and upon conviction by the Court shall pay a fine of \$25.00, each day the owner of any building, the roof of which has been laid over and upon wooden shingles in violation of this ordinance, shall permit such roof to remain over and upon the wooden shingles in violation of this ordinance, after the ten day period herein prescribed for re-constructing said roof has expired, shall constitute a distinct and separate offense hereunder.

Section 4. All ordinances and clauses of ordinances in conflict with the provisions of this ordinance are hereby repealed.

Section 5. This ordinance shall be in full force and effect from and after its adoption.

J. H. BOYD, JR., Mayor of City of Greenville. Adopted April 3, 1947. J. O. Duval, City Clerk.

TWO MORE
Two more exhibition games were scheduled by the Greenies during the weekend. On Monday, April 21, the Greenies go to Wilmington to play there and on Tuesday, April 22, Wilmington will play here. Wilmington is a member of the Tobacco State League.
