AUTO WORKERS AND GENERAL MOTORS AGREE

Reach Terms That May Set Pattern For Industry's Wage Drive

Detroit.—(AP)—The CIO United Auto Workers settled with General Motors Corp. last night for an 11-1/2 cent basic hourly wage increase, but UAW President Walter P. Reuther said the union had gained "a total economic package well over 15 cents."

The new agreement—being prepared for corporation and union signatures today—was expected to set a pattern for the auto industry's wage drive this year.

Under its terms 220,000 General Motors production workers will get, in addition to the hourly boost, pay for six holidays which the corporation said is equal to an additional 31-2 cents an hour, and new vacation benefits.

This contract means more financially than the union's earlier offer to settle for a flat 15 cents," a tired Reuther declared after the final night negotiating session.

Louis G. Seaton, GM director of labor relations, and Reuther announced that these three points were covered in the pact:

- 1. An 11-1/2 cent hourly increase to take effect as of April 24, subject to ratification by the union on May 3.
2. Six paid holidays for employees with six months seniority on the job.
3. Improved vacation and "call-in-pay" benefits.

Music Festival Draws To Close

Greensboro.—(AP)—With 43 girls glee clubs, 14 boys glee clubs, and 23 mixed choruses trying for honors today, the 28th annual state high school music contest and festival, which has been in session at Woman's college since Tuesday, will come to a close this afternoon.

Over the four day program more than 5,000 North Carolina high school musicians have participated in what H. Hugh Altvater, dean of the school of music of Woman's college, and director of the contest, has described as "one of the finest ever held."

Pair Confess To Sylva Slayings

Sylva, N. C.—(AP)—Sheriff Griffin Middleton announced today that Robert Messer, 21, of Hillsboro, and Earl O'Dear, 24, of Sylva, had admitted beating Mr. and Mrs. Jack Hall to death near here Monday.

Middleton said the two men told of bludgeoning the couple with hammers taken from a blacksmith shop. The hammers were later recovered from a creek.

Robbery was described as the motive for the double slaying, but Middleton said he did not know how much money was obtained. When the body of Hall, a 39-year-old taxi driver, was found, \$387 was found on it.

No Political Retreat

Moscow Talks Deadlocked Because Western Allies Refused To Retreat Any Further; We Are Now Much Closer To Finding Out Kremlin's Future Plans

The Big Four Foreign Ministers Conference, which assembled at Moscow a month and a half ago to frame German and Austrian peace treaties, has collapsed in deadlock and so is being recorded as a failure on major points.

Still, it strikes me that in a broader sense we don't have to take such a pessimistic view. The very deadlock in itself is a mark of vast achievement. It means that the Western Allies have refused to retreat further in face of the Russian political offensive which already has swallowed a large section of Europe.

We had to reach this point sometime, and it's better that it should come now than later. If it would have been better if it had come a lot sooner, for that matter.

President And Cabinet Discuss Phone Strike

No Indication Of Gov't Action; NF-TW Officials Hold Secret Meeting; Union Talks Resume This Afternoon

Washington.—(AP)—President Truman and his Cabinet discussed the nationwide telephone strike today.

There was no indication, however, of prospective government action other than federal conciliators' moves for new union-management negotiations in the 19-day old tie-up.

Secretary of Interior Krug said the "only new thing" is that "they are starting all over again."

He referred to the union-management meetings arranged here by federal conciliators seeking to end the strike.

The first of these meetings, originally set for this morning, was postponed until 3 p.m. (EST) so that union negotiators could have a private huddle first.

The policy committee of the National Federation of Telephone Workers called a session for twelve noon (EST).

Negotiators for the American Telephone and Telegraph Company's Long Lines Division arrived at the Labor Department and talked briefly with Conciliation Director Edgar L. Warren.

The Western Electric Company, employer of about 61,000 of the 340,000 strikers, has agreed to have representatives here tomorrow for the first time to talk with union officials.

This raised the possibility that three sets of negotiations would be going forward simultaneously this weekend. The southwestern Bell Telephone Company, which walked out of conciliation conferences early in the strike, is expected to re-enter conversations tomorrow.

Revival services will begin at the Immanuel Baptist Church next Sunday and will continue through May 4. Services will be held every night except Saturday at 7:30 with preaching by the pastor, J. A. Nelson.

The Rev. Nelson will also broadcast every morning during the coming week over WGTC at 8:30.

Topic for Sunday morning's sermon will be "Are You Being Honest With God?" based on the text—"Search me, O God." The choir will sing the anthem: "Recessional," by DeKoven, with solo parts sung by Mr. Arthur Fleming.

The subject Sunday night at 7:30 will be "Putting Yourself To The Test," based on the text—"Test yourselves to see if you are in the faith." The ladies of the choir will sing Silcher's "Come Unto Me Ye Weary."

The customary vesper service at 5 o'clock will not be held. However, the young peoples fellowship supper will be at 6 o'clock as usual, and the Youth Fellowship at 6:30.

NEW ELECTION LAW IN OFFING

Revision Of Federal Elections Laws To Be Submitted

Washington.—(AP)—A bipartisan bill redrafting all laws regulating federal elections and making the sky-the-limit on spending in the presidential campaigns will be introduced Monday by Senator Ellender (D-La.).

Ellender said today the measure will have the backing of both Republicans and Democrats on the 1946 Senate campaign expenditures committee which he headed.

It is designed, he added, to wrap into a single package changes advocated by members of both parties as a result of experiences with the Hatch clean politics and corrupt practices acts.

The bill will cover only elections for president, vice president, senator and representative.

Although not yet finished, Ellender said the bill, among other things, will:

- 1. Remove the Hatch act limitation of \$3,000,000 which a political committee can receive or spend in any one calendar year.
2. Repeal of the Hatch act provision limiting an individual to a contribution of not more than \$5,000 in any year.
3. Raise the limits now imposed by the corrupt practices act on spending by candidates for the Senate and House.
4. Require all organizations, regardless of whether they are political, to report campaign receipts and expenditures.

Wallace Winds Up His Tour; Will Talk In U. S.

Paris.—(AP)—Henry A. Wallace declared today that a Jewish resistance movement in Palestine had been necessary to arouse the conscience of the world.

Expressing faith that Britain would solve the Holy Land problem and hope that it would "carry out the original Balfour declaration," the former American vice-president told a news conference that "there can never be peace in the world until justice has been done the Jewish people."

"I sympathize with the British and I deplore terrorism," Wallace said. "I have never believed in force of arms or force of money. But we do have to recognize these facts."

Wallace, rushing through a last busy day before flying tonight to the United States, where he will make a speaking tour next month, dashed from the news conference to a luncheon engagement with Leon Blum, former premier, and a

group of Blum's Socialist party members.

Wallace disclosed that his American tour would include a minimum of 13 speeches. He said he would present there the same views he has expressed in western Europe.

Hollywood.—(AP)—A May speaking engagement for former Vice-President Wallace was tossed right here by Charles R. Stone, manager of the local branch of the State Employment Service.

Stone said over three weeks ago only 350 persons were seeking jobs here, but today there are an estimated 600 persons registered with the local employment office—over half that number, Stone said, have fled for unemployment compensation.

FIVE BRITISH POLICE SLAIN IN TEL AVIV

Bombing May Herald Jewish Underground's "Reign Of Violence"

Jerusalem.—(AP)—Bombs today wrecked a police billet in a suburb of the all-Jewish city of Tel Aviv, leaving five dead and six injured.

A British police inspector and four British constables were killed, it was announced officially.

British troops of the first infantry division, alerted against a "blood for blood" reign of violence threatened by the Jewish underground unit, surrounded Tel Aviv as rescue workers dug in the debris of the billet at Sarona.

All traffic was halted immediately between Tel Aviv and adjacent Jaffa.

In Jerusalem, all incoming and outgoing traffic was stopped by heavily guarded roadblocks as the British checked on an anonymous telephone call—believed a diversionary hoax—that three British officers had been kidnaped.

Rumors persisted throughout the uneasy city that the British, ruling Palestine by mandate, were considering dissolution of the Jewish agency on the ground it had failed to curb Jewish extremists and thus had forfeited the right to speak for the Holy Land's Jewry.

The troops ringing Tel Aviv suggested the possibility of a drastic military crackdown on the Jewish city, in view of the recent warning to Mayor Israel Rokach that such action would follow renewed violence.

The explosives which wrecked the orderly room and telephone exchange of the Sarona billet were planted in a mail truck driven by a man in a police uniform, British authorities said.

The driver disappeared. The blast came about 90 minutes after the van was driven through the gate and parked next to the orderly room.

Marshall On Way Home; Is Disappointed By Session

Call For First-Hand Report By Marshall

Legislators Want Answers To Questions On U.S.-Russian Relations; Acheson Reported Ready To Step Down

Washington.—(AP)—Legislators called today for a first hand report on American-Russian relations from Gen. George C. Marshall.

Their call came as the Secretary of State headed home from the Moscow Foreign Ministers Conference to tackle a crowded schedule that may involve picking a replacement for his top assistant.

Reports circulated on Capitol Hill that Dean Acheson, who as undersecretary has shouldered State Department burdens at home since Marshall left Washington more than six weeks ago, has insisted anew that he be relieved of his duties soon to return to private law practice.

If Acheson steps out in the next month or two, Robert Lovett, former Assistant Secretary of War for Air and a close associate of Marshall, is regarded as a possible successor.

Marshall's scheduled return tomorrow is expected to signal completion of arrangements for him to report to the people by radio Sunday or Monday on the four-power conference, which ended yesterday in a deadlock on all major German and Austrian peace treaty issues after 45 days of bickering.

President Truman fended off questions about the Moscow meeting at his news conference yesterday, telling reporters to await Marshall's report.

But members of the Senate Foreign Relations Committee, with four Balkan peace treaties pending before them, indicated they want more detail than they believe Marshall will feel free to provide in any public address.

Specifically, they want background information on American relations with Russia in the light of the Senate-approved proposal to bolster Greece and Turkey against communism with financial and some military assistance. That measure is pending in the House and probably will be passed next week.

Senators Connally (D-Tex.) and George (D-Ga.) said in separate interviews they expect arrangements to be made for Marshall to report to the committee behind closed doors.

Washington.—(AP)—R. Fuller Martin, chairman of the unemployment compensation division of the state employment security commission, said today that unemployment in North Carolina is rising and has been since January.

He said 8,214 persons received unemployment compensation benefits during the first quarter of 1947, whereas 7,144 persons received benefits during the first quarter last year. These figures show a 25 per cent increase.

Martin attributed the unemployment rise to rising prices and said the increase would continue "until prices come down." He said many manufacturing plants over the state had closed due to lack of orders and added that many others had gone on a part time basis.

He said, however, that fewer veterans are receiving benefits for unemployment than last year, adding that this was due to the fact that more veterans were in school.

Martin said areas affected most by unemployment were High Point, Salisbury and Charlotte.

Meanwhile, an unofficial survey here showed that around 3,000 workers in at least 32 North Carolina textile plants and 13 furniture and general products plants have felt the impact of a tightening consumers' market since January 1.

Had Hoped For Agreement On Austria; Clarification Of Issues Termed A N Achievement; Declines To Hazard Guess As To How Long German Issues Will Be Unsettled

Berlin.—(AP)—Secretary of State George Marshall, pausing in Berlin on his way home from the four-power conference in Moscow, reiterated today his disappointment in the results of the Moscow meeting of foreign ministers.

"I had hoped very much we could get an agreement on the Austrian treaty," he said. "I would not attempt to guess when that can now be achieved."

He added, however, that the four foreign ministers—from Britain, France, Russia and the United States—would meet briefly in September during the United Nations assembly sessions in New York and hold their next formal conference at London in November.

Marshall said that a possible meeting of the big three—President Truman, Prime Minister Stalin and Truman Minister Stalin—had not been discussed during his stay in Moscow.

Marshall said the Moscow conference had received a fair draft of an Austrian treaty.

Apparently still fresh after the first leg of his long flight to Washington, the secretary indicated that the mere clarification of the issues blocking allied unity in Germany had been an achievement.

"We brought them into the light," he commented.

He declined comment on whether western Germany would become more unified in the next few months, but declared:

"I do not think the difference of opinion between Russia and the western allies was increased in Moscow. It was clarified. We came to a clear understanding of what were the disagreements."

The secretary indicated satisfaction with the attitude of the delegation from France at Moscow.

"The feeling was that the situation with the French has improved," he said.

He declined to hazard a guess as to how long it would take to settle the key German issues, which include reparations.

"These critical questions must be reconciled," Marshall said. "The question is, how long can Europe endure while we are struggling with their problems."

Washington.—(AP)—The Senate, by two successive five-vote margins, stamped its okay on Gordon R. Clapp as chairman of the Tennessee Valley Authority late yesterday.

In a surprising last-minute show of strength, Republican opponents of the nomination rallied behind Senator McKellar (D-Tenn.) to pile up 31 votes against confirmation to Clapp for the 41-year-old nominee.

Then, on the motion of Senator Tobey (R-N.H.), the Senate took a second vote to remove the possibility of any effort to reconsider. The Tobey motion passed 35 to 30.

Thirteen Republicans joined 23 Democrats to clinch confirmation for Clapp. Five Democrats and 24 Republicans backed Tennessee Senators McKellar and Stewart, Democrats, in opposing the nomination.

### Harris-Cannon

Miss Edna Mae Cannon, daughter of Mr. and Mrs. P. H. Cannon of this city, and Durward Harris, son of Mr. Willie P. Harris and the late Mrs. Harris, of Warrenton, N. C., were married Saturday, April 19th, at eight o'clock in the Eighth Street Christian Church. Dr. H. G. Haney officiated using the double ring ceremony. The vows were spoken before a background of Oregon fern and similar, interspersed with tall Cathedral candles in pedestal branched candelabra, and floor baskets of white gladioli and snapdragons.

The wedding music was rendered by Mrs. Agnes Settle, organist, and Mrs. Harper Holliday, of Richmond, Va., sang, "I Love Thee," by Gries, and "Bessie," by Harriet.

The bride, given in marriage by her father, wore a gown of white flapper satin made with a marquisette yoke, outlined with embroidery and seed pearls. Her fingertip veil of illusion fell from a coronet of seed pearls.

She carried a white prayer book topped with white baby orchids and showered with lilies of the valley. Her only ornament was a single strand of pearls, a gift of the bridegroom.

Miss Eloise Warren attended the bride as maid of honor. Her gown was of pink taffeta with a marquisette yoke. She carried a colonial bouquet of pink roses, tied with matching ribbon.

The bridesmaids were Miss Aleese Harris, of Warrenton, sister of the groom, Miss Grace Holliday of Richmond, Va., Miss Dell Smith of Kingston, cousin of the bride, and Miss Mary Elizabeth Austin of Greenville. Their gowns were of aqua taffeta, identical with that of maid of honor. Their colonial bouquets were of pink carnations tied with matching satin ribbon.

Frank Jones was best man. The groomsmen were John Lautares, Charles Alfred Forbes, John A. Forbes, and Mayhew Pope.

The bride's mother wore a dinner gown of aqua crepe and a corsage of orchids. Mrs. P. G. Waller of Cambridge, Md., cousin of the groom, wore a dinner gown of black and white and a corsage of orchids.

The bride is a graduate of Greenville high school and of Smithfield-Massey Business College of Richmond, Va. For the past year she has held a position with E. B. Ficklen Tobacco Company of Greenville. The bridegroom received his education in the Warrenton city schools and is now employed as manager of Colonial Stores, Inc. in Greenville.

Immediately after the ceremony the bride's parents entertained at a reception at their home. The bride's table, covered with a lace cloth was centered with a floral arrangement of white tulips and carnations and fern, flanked with white tapers in crystal holders.

After the bridal couple cut the first slice a three tiered wedding cake, topped with a miniature bride and groom was served from one end of the table by Mrs. L. B. Tucker, while Miss Sadie Greene of Wilson, aunt of the bride served lime-ice punch from the other. Bridal mints and nuts were also served. Arrangements of spring flowers and ivy were used throughout the house.

Mrs. Marjorie Phillips greeted the guests and introduced them to the receiving line composed of the hosts, the bridal couple and members of the wedding party. Mrs. Frank Dudley directed the guests to the dining room.

Mrs. Frank Little, Jr., presided at the registry. Mrs. Bert Smith, aunt of the bride, said good-bye.

Following the reception, Mr. and Mrs. Harris left for a wedding trip to Florida. For travel the bride changed to a suit of light blue gabardine with which she wore black accessories and the orchids from her bridal bouquet.

Upon their return from the wedding trip Mr. and Mrs. Harris will make their home at 405 E. 10th street in Greenville.

Among the out-of-town guests here to attend the wedding were: Mr. and Mrs. Roy McDuffie of Louisville, N. C., Mr. Willie Harris and Miss Ennis Harris of Warrenton, Mrs. P. G. Waller of Cambridge, Md., Mrs. Charles Blount of Richmond, Va., Mrs. Alice Woodward of Greensboro, N. C., Miss Sadie Green of Wilson, Mr. and Mrs. J. H. Hunt of Kingston, Mrs. Sallie Greene of Bethaven, N. C., Mr. and Mrs. Jimmie Greene and Jimmie, Jr. of Norfolk, Va., Mr. and Mrs. Bert Smith of Kingston, N. ## Forty Years Ago Today

THE DAILY REFLECTOR  
April 25, 1907

A trouble Greenville people are having these days is finding laborers to do work wanted. There is plenty of work but a scarcity of laborers.

Roses are in their glory. They are beginning to get the site ready for the new factory building for the John Ficklen Buggy Co. Every day makes new supporters for the bond issue to secure the Eastern Training School for Teachers. By the time the 14 of May comes the man who is against it will find himself in a small minority.

On Friday evening immediately following the wedding rehearsal, Misses Eloise Warren, Grace Holliday, Mary Elizabeth Austin, Aleese Harris and Dell Smith entertained the wedding party, out of town guests and a few intimate friends at a cake cutting at the home of Mr. and Mrs. Edward Austin.

The home was beautifully decorated with mixed spring flowers. The table was covered with a lace cloth and centered with an arrangement of white lilies and bridal wreath. On one end stood a two-tiered wedding cake, topped with a miniature bride and groom. On the other was the punch bowl. Mrs. P. G. Waller, cousin of the groom, presided at the punch bowl and after the bridal couple cut the first slice, Mrs. Preston Cannon, mother of the bride, served the cake. Mints and nuts were also served.

The bridesmaids were Miss Aleese Harris, of Warrenton, sister of the groom, Miss Grace Holliday of Richmond, Va., Miss Dell Smith of Kingston, cousin of the bride, and Miss Mary Elizabeth Austin of Greenville. Their gowns were of aqua taffeta, identical with that of maid of honor. Their colonial bouquets were of pink carnations tied with matching satin ribbon.

Frank Jones was best man. The groomsmen were John Lautares, Charles Alfred Forbes, John A. Forbes, and Mayhew Pope.

The bride's mother wore a dinner gown of aqua crepe and a corsage of orchids. Mrs. P. G. Waller of Cambridge, Md., cousin of the groom, wore a dinner gown of black and white and a corsage of orchids.

The bride is a graduate of Greenville high school and of Smithfield-Massey Business College of Richmond, Va. For the past year she has held a position with E. B. Ficklen Tobacco Company of Greenville. The bridegroom received his education in the Warrenton city schools and is now employed as manager of Colonial Stores, Inc. in Greenville.

Immediately after the ceremony the bride's parents entertained at a reception at their home. The bride's table, covered with a lace cloth was centered with a floral arrangement of white tulips and carnations and fern, flanked with white tapers in crystal holders.

After the bridal couple cut the first slice a three tiered wedding cake, topped with a miniature bride and groom was served from one end of the table by Mrs. L. B. Tucker, while Miss Sadie Greene of Wilson, aunt of the bride served lime-ice punch from the other. Bridal mints and nuts were also served. Arrangements of spring flowers and ivy were used throughout the house.

Mrs. Marjorie Phillips greeted the guests and introduced them to the receiving line composed of the hosts, the bridal couple and members of the wedding party. Mrs. Frank Dudley directed the guests to the dining room.

Mrs. Frank Little, Jr., presided at the registry. Mrs. Bert Smith, aunt of the bride, said good-bye.

Following the reception, Mr. and Mrs. Harris left for a wedding trip to Florida. For travel the bride changed to a suit of light blue gabardine with which she wore black accessories and the orchids from her bridal bouquet.

Upon their return from the wedding trip Mr. and Mrs. Harris will make their home at 405 E. 10th street in Greenville.

Among the out-of-town guests here to attend the wedding were: Mr. and Mrs. Roy McDuffie of Louisville, N. C., Mr. Willie Harris and Miss Ennis Harris of Warrenton, Mrs. P. G. Waller of Cambridge, Md., Mrs. Charles Blount of Richmond, Va., Mrs. Alice Woodward of Greensboro, N. C., Miss Sadie Green of Wilson, Mr. and Mrs. J. H. Hunt of Kingston, Mrs. Sallie Greene of Bethaven, N. C., Mr. and Mrs. Jimmie Greene and Jimmie, Jr. of Norfolk, Va., Mr. and Mrs. Bert Smith of Kingston, N. ## Strength FOR THE DAY

By EARL L. DOUGLAS

### GOLD WHERE WE LEAST SUSPECT IT

John Keats was one of the greatest poets England has produced in her history. He died at the age of 26, leaving behind him a sizable volume of poetry almost unequalled for beauty and poetic insight. He was the son of a livery stable keeper. He apparently had neither background nor any opportunity to become distinguished. Yet today he is classed with a dozen of the greatest literary men who have lived during the past 1,000 years.

He influenced Tennyson, Swinburne, and perhaps even Browning, Shelley and Byron defended him vigorously against carping critics. It is always a mystery to astronomers how new stars appear in the heavens, and it is equally astonishing to the general run of men how genius now and again appears in the most unlikely places. Shakespeare, son of a humble parent, becomes the bard of the ages. Keats writes at top speed, and when he dies of tuberculosis at the age of 26, the world is hailing his greatness.

There is a mystery about life which no one can fathom. We know only part of the infinite capacities with which we are all endowed. Many a person has genius in him without his ever suspecting it. One of the most elevating experiences of life is to discover in our natures a few shining grains of gold amid the mud and granite in which they lie.

## Animal Books For Dog-Killers

Cleveland—(AP)—Four boys accused of burning a dog to death were ordered by a juvenile court judge today to read animal books and to join the YMCA and Boy Scouts.

Judge Harry L. Eastman mentioned "Red, The Story of a Bull Terrier," "Call of the Wild," "Heroes All, More Tales of Dogs," and "How to Raise Your Puppy" as examples of the literature he had in mind.

Juvenile officers said the boys, ranging from seven to 14 tied a terrier dog to a banana stalk and tossed him into a bonfire last month.

## Men Rule Roost On ECTC's Honor Roll

East Carolina Teachers College with a large enrollment of women students, shows more men than women on the honor roll for the past winter quarter. Howard J. McGinnis, registrar, said today. There were 81 men on the list—one more than the women. Only 46.6 per cent of the enrollment for the winter quarter were men, McGinnis said.

### No Retreat . . .

(Continued from Page One)  
will pursue one of two courses: Either she will make concessions in the interest of putting Europe on its feet, or she will keep right on pressing for control of more territory and more peoples.

It would have been a grand thing for peace if the Soviet government could have seen its way to announce to the Big Four conference meeting in its capital that Russia had achieved all the realignment of zones of influence which she considered necessary. That would have created an atmosphere conducive to concessions and agreement, because the only assurance which the Western Allies want is that the Soviet Union has satisfied its ambition for expansion and that it has no designs in the way of world revolution to establish communism.

You perhaps are asking if Russia's silence at this time bodes ill. I don't think it would be wise to try to answer that now. We must recognize that Moscow is suspicious and wants to be satisfied that the Western Allies have no designs inimical to Russia. Let's give the dish a bit more time to cook.

A showdown now will tell both sides how the land lies. If we are to have peace, then we can get ahead with the rehabilitation of the war-devastated countries. If we find that we unhelpfully are headed for war, then we can prepare our defenses.

# TARS ROMP TO WIN, DOWNING LOCALS 13-2

## Dick Fraker Leads Greenies At Bat, Collecting Two For Four

By BERT MOYE  
Manager Johnny Pare's Greenies lost their opening tilt in Tarboro last night to a hard hitting bunch of approximately 2,000 fans, including several hundred Greenville fans.

The Greenies scored singletons in the first and sixth frames for their two lone scores.  
In the first inning Bill Lynch reached first on Andrewsh's error, advanced to second on Bobby Pare's infield out, and scored on Dick Fraker's single to right field.

The other lone run of the Greenies came in the sixth frame, when Dick Fraker doubled, advanced to third on Paul Simmons' infield out, and scored when Pete Luke hit to Cavanaugh at short who errored the ball.

The Tars went ahead in their half of the first frame when they tallied twice—Bill Jeffries singled, went to second on Luke's error, to third on Andrewsh's infield out, Komaneky walked, and Gasehouse Parker doubled to bring both Jeffries and Komaneky home.

The Tars really got going in the second frame and put across four more runs, which was enough for them to win the ball game.  
The Tars' biggest scoring spree of the night came in the eighth frame when they put across five runs.

Rex Benton started on the mound for the Greenies and was taken out by Manager Pare in the fourth after one was out and the bases were loaded. During his stay on the mound he allowed six hits, eight runs, walked seven men, struck out four Tars and hit one batsman.

Hank Ranweiler relieved him in the fourth and pitched the balance of the game, being touched for seven hits, five runs, walked one and struck out none.  
Dick Fraker was the only Greenie to get more than one hit against Buddy Rothe, getting a double and a single in four trips to the plate. Charlie Chute and Hank Ranweiler also got a double for the only extra base knocks by the Greenies.

Pacing the Tars' attack was Cavanaugh with two for four, including a triple, and Kreamcheck with two for three, including a double.

# Greenies Playing First Game At Home Tonight

## Meet In Return Match With Tarboro; Foell Much Improved Over Last Year, Expected To Have Little Difficulty

By BERT MOYE

The Greenville Greenies will play their first home game of the Coastal Plain season here tonight at Guy Smith Stadium when they meet the Tarboro Tars in a return game at 7:45 o'clock.

Manager Johnny Pare has selected Johnny Foell, Greenville's ace left hander, to pitch for the locals tonight and despite the bad drubbing handed the Greenies in Tarboro last night, are sure that the tables will be turned in tonight's battle. Johnny, who last year saw action in a total of 33 games, ended the season with twelve wins against eight losses. During his turn on the mound in exhibition games played thus far this season, he has shown far superior form on the mound and should have no trouble in tonight's game.

Manager Bill Hamons of the Tars was undecided as to his starting hurler in tonight's encounter, but indicated that it would either be Pete Clark, a lefthander, or Eddie Neville, a newcomer for the Tars. Clark saw action in 29 games for the Tars last season and had a record of 9 wins against 7 losses for the season.

The probable starting lineups for tonight's game is as follows: Tarboro—Jeffries, cf; Andrewsh, 3b; Komaneky, lf; Parker, 1b; Kreamcheck, rf; Skelton, 2b; Cavanaugh, ss; Hand, c; and Clark or Neville, pitching.

## Prizes For Players

A number of Greenville merchants have made arrangements to give prizes to members of the local ball club at the first home game of the season tonight. Prize winners and the donors will be announced over the stadium's public address system.  
Prizes will be awarded for—the first single, first double, first home run, first base on balls, first stolen base, first run scored and to the pitcher having most strikeouts.  
Also second prizes will be awarded on the above list.

## DIAMOND DUST

By BERT MOYE

Manager Johnny Pare's Greenies showed very clearly to fans last night that they were a bit nervous in their initial game. However, the boys showed up very well and got off two double plays, the first coming in the initial frame from Mendillo to Lynch to Luke, the second coming in the seventh frame when Lynch caught a hard hit ball by Hand to catch Cavanaugh off first base. The Tars made one double play in the eighth frame from Hothe to Cavanaugh to Parker. Seven men were left stranded on the bases by the Greenies, nine for the Tars. Dick Fraker was the only Greenie to drive in a run for the locals. Johnny Pare caught the first three frames while Paul Simmons was behind the plate for the other six innings.

Greenville had several other chances to score in last night's opener, their first chance coming in the second frame when Cate walked, Luke singled, and Chute caught at third when trying to make it from first off Luke's single. Mendillo walked, but Benton struck out and Mauney flew out to first base to retire the side. Another chance to score came in the fourth frame when Chute doubled with
