LIONS' CLUB ENDORSES AID CITY SCHOOLS

President Vernon Rawles, George Wilkerson, Billy Brown Urge Supplement

A meeting of the Greenville Lions Club last night President Vernon M. Rawles, George Wilkerson and Billy Brown spoke favorably of the proposed supplementing of teachers' salaries by 15 cents on the hundred dollar property valuation. In the course of their speeches urging better support of the schools some interesting points were developed.

Tyson Bilbro was elected president, P. C. Cross, Jr., E. B. Aycock and E. K. Willis vice-presidents, Billy Byrd lion-tamer, J. S. Jones tall-twister, O. L. Alexander secretary and treasurer, and E. W. Harvey, Jr., and Larry Averette, directors. The new officers will be installed June 1.

Nelson Bowden, manager of Hill's store, and Tommy Sellers, assistant manager of the Copeland Motor Company, were induced as members by President O. E. Dowd.

The following members were elected delegates to the annual state convention in Asheville, May 25-27: Tyson Bilbro, O. L. Alexander, Vernon E. Rawles, R. S. Hodges, Jr., J. S. Jones, Jimmy Smith and E. W. Harvey, Jr.

Lion Walter Perry of Concord, a student at the Pre-Conditioning Center for the Blind here, was a guest of the club. Perry was manager of the bus station in Concord before he lost his sight by an accident.

According to information put out by the State Board of Education the Greenville City Schools are at the bottom in comparison with other cities when it comes to supplementing State School Funds.

Observing Home Demonstration Club Week

This week - May 4-10 - was selected to be observed as the second National Home Demonstration Club Week. "Today's Home Builds Tomorrow's World" is the theme that is being used again this year. Emphasis will be on action for tomorrow's world. Although only two years old, National Home Demonstration Club Week will be observed enthusiastically by 56,021 club women in the 28 states belonging to the National Council.

As in 1946, observance activities will feature exhibits and special radio broadcasts. Five Pitt County Home Demonstration clubs are broadcasting over WGTC at 2:30 p. m. These clubs are using the theme, "Today's Home Builds Tomorrow's World." The broadcast schedule is as follows: Monday, Red Oak Club; Tuesday, Farmville Club; Wednesday, Cannon's Club; Thursday, Seven Pines Club, and Friday, Red Banks Club.

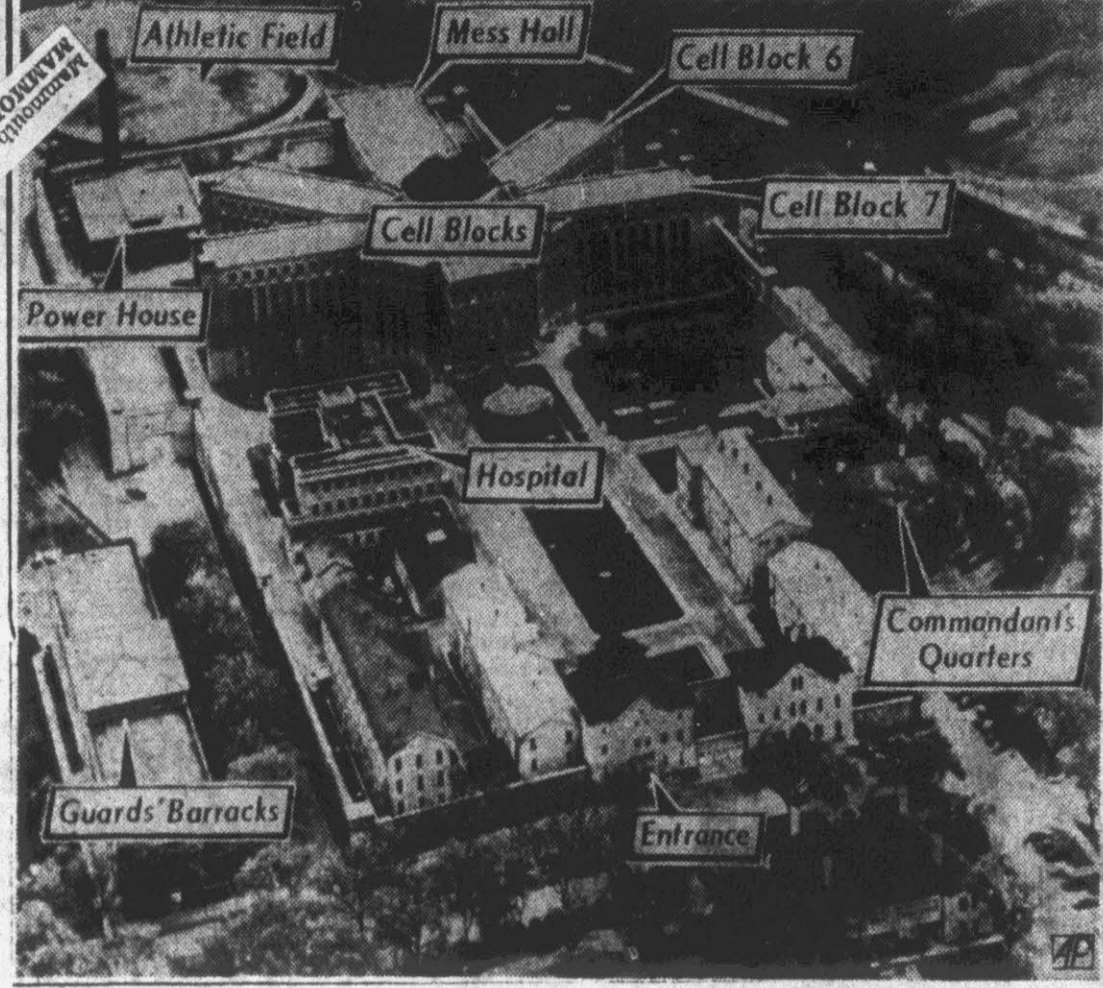

Opinions On Russia

Three Big Papers Ask Same Question On Same Day, "Does Russia Want War?"; All Three Give Same Answer "No"; One Added "Yes" To Class War

By DEWITT MACKENZIE

Editorial minds of three big London newspapers—the News Chronicle (liberal), the Daily Mail (conservative) and the Daily Graphic (conservative)—got to running in the same channel with the result that yesterday these papers appeared simultaneously with articles on the burning question: "Does Russia want war?"

Where Riot Was Quelled At Army Barracks

Various units of the army disciplinary barracks at Fort Leavenworth, Kansas, are identified in this view. A night-long riot was quelled with inmates of cell block 7 surrendring after an ultimatum from the barracks commandant. Inmates of cell block 6—also involved in the disturbance—capitulated later and were removed in small groups. One prisoner was killed and five guards and six prisoners were injured in the disturbance. PHONE PARLEY TRANSFERRED TO ST. LOUIS

Southwestern Bell Co. And Union Leave Washington For Discussions

Washington, May 6—(AP)—The Government today transferred negotiations between the Southwestern Bell Telephone Company and its 42,000 striking workers to St. Louis for "intensive bargaining."

The company has assured the Conciliation Service that it will present a cash wage offer to the union "before the end of the week."

The union they said in a statement, has modified its "rigid wage demands" for a \$12 weekly increase, and the company has withdrawn its insistence on arbitration of the wage issue.

Everett Cotter, attorney for the union, emphasized to reporters that the union consented to return to St. Louis because the Conciliation Service requested the move.

Still going forward in Washington are negotiations involving the American Telephone and Telegraph Company's Long Lines department and its long distance workers embraced in the American Union of Telephone Workers.

There are also conferences between Western Electric Company and its plant and equipment installation employees.

The Southwestern Bell Company requested the withdrawal from Washington, the Government said, because conferences in St. Louis will give management the opportunity for "full and speedy use of

Speedy Ratification Of Balkan Treaties Urged

President And Marshall Describe Action By Congress As Vital To Foreign Policy; Warn Against Backward Steps

Washington, May 6—(AP)—President Truman declared today that early ratification of four pending peace treaties is "vital to our foreign policy."

Secretary of State Marshall read a note to the Senate foreign relations committee, in which Mr. Truman said he concurs wholeheartedly with Marshall and James P. Byrnes, former secretary, in urging speedy ratification of treaties with Italy, Bulgaria, Hungary and Rumania.

"It is vital to our foreign policy that these treaties be promptly ratified," Mr. Truman's note said.

The president wrote that the agreements were results of months of work, adding that "nothing has occurred to render their efforts unwise or unsound."

Arguing that the United States should maintain a consistent policy on such matters, Mr. Truman said "it would be a great misfortune and a blow to this country in world affairs" if the treaties are not ratified.

Marshall himself told the committee that "the world would lose all confidence in our proposals and our leadership" if the Senate fails to ratify the Italian treaty speedily.

Marshall said he believed "the world situation will disintegrate if the United States now takes a backward step away from approval of the Balkan peace treaties.

TRUMAN URGES FIRE DEFENSE

Asks Nation To Organize Against More Disasters

Washington, May 6—(AP)—President Truman asked the nation today to organize its defenses against fire on a country-wide basis in an effort to avoid such spectacular disasters as the recent explosions and blaze in Texas City.

Unless the present fire rate can be reduced, Mr. Truman said, the loss in this country for 1947 alone will be more than \$750,000,000.

"The concerted effort of all our people is needed," he said in an address prepared for the first national fire prevention conference, "in order to make effective the known methods of preventing fires and preventing large losses where fire occurs."

Mr. Truman's speech formally launched the deliberations of the three-day conference. State and local officials as well as private organizations were invited to participate. Maj. Gen. Philip B. Fleming, administrator of the federal works agency, is general chairman.

"The nation has been shocked," the president said, "by a long series of spectacular fires in the last few years—particularly in the last few months—which have resulted in such great loss of life and such widespread misery.

Election

By CHESTER WALSH In yesterday's city primary election, Mayor Jack Boyd led the city...

Solicitor Eli Bloom of City Recorder's Court, was next with 371 votes, and Judge J. W. H. Roberts followed with 365.

Heber Tripp, real estate dealer, won over N. C. Brooks, incumbent, for alderman from the first ward with 96 votes to Brooks' 77.

In the second ward, C. A. Bowen received 86 votes; third ward, W. Z. Morton, 85; fourth ward, W. H. Smith (two-year term), 47, and Robert Moye, (one-year term), 71 votes, and in the fifth ward, Noah G. Raynor received 38 votes.

The only contest in the election was between Brooks and Tripp for alderman from the first ward.

The Board of Aldermen, in session at a canvassing board at the City Hall at noon today, canvassed the ballots and declared all of the candidates elected except Brooks.

The successful candidates will be sworn in at the City Hall at noon on July 1.

Ewing Appeal Is Scheduled To Be Heard Today

Raleigh, N. C., May 6—(AP)—The appeal of Wall I. Ewing of Fayetteville, former state senator, from his conviction in Cumberland Superior Court for manslaughter was scheduled to be heard by the State Supreme Court today.

Ewing was charged with first degree murder in the death last March of his wife, Mrs. Douglas Sutherland Ewing. After a long trial last September he was convicted of manslaughter and sentenced by Judge R. Hunt Parker to 18 to 20 years.

The appeal in the case is based on the contention that Judge R. Hunt Parker was wrong in refusing to grant defense motions for non-suit. The appeal avoids the possibility of the Supreme Court granting a new trial and thus subjecting the defendant to another trial for his life.

Nationalization Of All British Transport Near

London, May 6—(AP)—The Labor Government's drive to nationalize Britain's key industries neared its final goal today with approval by the House of Commons of a measure to bring under public ownership all inland transport—railroads, buses, trucks, subways, street cars and canals.

The bill now goes to the House of Lords, where heated opposition by the overwhelming conservative majority is expected, but rejection of the measure by the upper House would force a constitutional crisis which might further restrict the already limited powers of the Lords.

"If the House of Lords attempt to frustrate the bill," Aneurin Bevan, Laborite Minister of Health, declared, "we shall set their re-

Arab Request For Hearing Revoked

Charge Assembly With Discrimination; Withdraw Plea For Hearing In Holy Land Debate; Egypt Threatens To Retire

Lake Success, N. Y., May 6.—Egypt told the United Nations today that she would withdraw from the current Palestine debates unless the General Assembly placed the Arab higher committee for Palestine on the same footing as the Jewish agency.

This Egyptian announcement came in the midst of these rapid developments: 1. The Arab higher committee charged the assembly with discrimination and announced withdrawal of its request for a hearing in the Holy Land debate.

2. Lester B. Pearson of Canada, chairman of the assembly's 55-nation political committee, suggested that he cable the Arab committee explaining that there had been a misunderstanding and asking the Arab group to reinstate its request.

3. Soviet circles said Russia was determined to challenge a British-American plan which would ex-

clude the big five powers from the proposed U. N. fact-finding committee on Palestine.

4. It appeared likely that the political committee would invite the Arab higher committee to present its views to the U. N. despite the withdrawal of its request.

5. The assembly president, Osvaldo Aranha called the Jewish agency executive in Jerusalem asking it to name witnesses to appear before the committee.

The assembly's 55-nation political committee was ready to act on the Arab's committee's request when Chairman Lester B. Pearson of Canada read a telegram announcing the withdrawal.

The Arab organization protested that its request for hearing had been referred to the political committee for a decision while the request of the Jewish agency for Palestine had been considered by the assembly itself and granted.

Back To Work

Charlotte, N. C., May 6—(AP)—More than half of Southern Bell Telephone Company's 4,700 employees in North Carolina were working today, E. H. Wasson, Carolinas manager, said.

He said that at noon 2,574 workers—union and supervisory—were on the job, almost 55 per cent of the total force.

Almost 1,000 members of the striking Southern Federation of Telephone Workers have returned since yesterday morning in the state, he added.

NEW TRY FOR UMW CONTRACT

Data On Southern Coal Production To Be Given

Washington, May 6—(AP)—The government, armed with new data on southern coal production, summoned mine operators and union leaders for another try at a contract get-together today.

Coal Mines Administrator N. H. Colliason called the meeting, third within a week, for 10:30 a. m. (EST) at the Interior Department's conference room. John L. Lewis, following through, ordered the United Mine Workers policy committee into session at 3 p. m.

Since short-lived conferences last Tuesday and Wednesday, Colliason—at Lewis' urging—has been gathering information about production and ownership of southern mines, and the attitude of individual southern operators toward bargaining with the UMW on an industry-wide basis.

The Southern Coal Operators Association broke up last week's conferences with a flat refusal to join other producing groups in dickering with Lewis over next year's contract.

Southern mines, in general, are farther from markets, the association said. It added that other factors—such as varying freight rates and competition pressure from other sources of fuel and energy—make it impossible for the Southern owners to agree to concessions that northern producers might approve.

COMPROMISES ON U. S. RADIO

State Dept. Service May Get Part Appropriation

Washington, May 6—(AP)—A compromise that would give the State Department \$10,000,000 for its "Voice of America" broadcasts to Russia and other European countries was in the wind today.

It grew out of a meeting attended by Secretary of State Marshall, Chairman Taber (R-NY) of the House Appropriations Committee and other congressional leaders.

Marshall called the session after the refusal of Taber's committee to approve a single penny of the \$31,381,220 the Department asked for its cultural relations program.

While neither Taber nor others who attended yesterday's meeting would discuss what, if any, agreements were reached, there were reliable reports that a \$10,000,000 appropriation for foreign broadcasting has been agreed upon tentatively.

It would be contingent upon passage of a bill giving legal status to the program and upon acceptance of these conditions outlined by Taber in a statement: "1. That it be loyal beyond question. "2. That the whole State Department pull in one direction. "3. That the service be put on a business basis."

HOUSE PUSHES GREEK-TURKEY RELIEF BILL

Marshall Stresses Urgency; Move To Sidetrack Action Voted Down

Washington, May 6—(AP)—House leaders beat down efforts to sidetrack the \$400,000,000 Greek-Turkish aid program today and bolstered a drive for passage with a plea from Secretary Marshall that it is a "matter of great urgency."

Rep. Eaton (R-NJ), leading the fight for the measure, read to the House a letter from Marshall in which the Secretary of State said his views on the legislation had been made "more positive" by the Moscow meeting of the Foreign Ministers' Council.

Marshall also termed the program a "positive policy" and one "in our own interests and in the interests of peace."

That apparently was an indirect reply to Harold Stassen, former Minnesota Governor and Presidential candidate, who on yesterday called the policy a "negative" one.

An effort to sidetrack the measure collapsed.

The decision came on a standing vote of 168 to 22, by which the House accepted its rules committee's recommendations fixing nine hours for debate and procedure leaving the measure wide open for amendments from the floor.

The vote failed to offer an indication of the comparative strength of those for and against the bill. A number who have gone on record against the bill voted to permit its consideration now.

Kesselring Gets Death Sentence For War Crimes

Venice, May 6—(AP)—A British military court today sentenced Field Marshal Albert Kesselring, former supreme German commander in chief in Italy, to death by shooting after convicting him of war crimes against the Italian people.

Although invited by Judge Advocate C. L. Stirling to plead for clemency, Kesselring's counsel, Dr. Hans Laternser, refused to do so.

He said Kesselring had defended "the ideas for which he stood, not his person. He expressly asked me not to address the court any further."

Kesselring was convicted on two counts, one of them accusing him of responsibility for the Ardennes Caves massacre in which 335 Italians died in reprisal for the killing of 32 German police troops.

Jaycees To Pick Up Old Clothing

Members of the Greenville Junior Chamber of Commerce will collect bundles of old clothing from the local townships beginning at 2 p. m. Sunday, May 11.

As a part of the statewide drive for clothing, bedding and shoes for overseas relief, Chairman W. F. Young appealed to every person in Greenville to give these items generously. With the North Carolina general campaign running from April 20 to May 11, the local drive has been set for May 5 to May 11.

PANAMA DEFENSE PACT

United States proposed to Panama yesterday a new agreement for defense of the Canal providing for continued use of military bases on territory of the Republic of Panama.

The proposed agreement announced by the State Department calls for a joint United States-Panama administration of its terms. Officials said that the actual administration of the bases themselves would be worked out in further negotiations with Panama.

Church Workers In State-Wide Meeting Here

On Wednesday, May 7, at 9:30 a. m., the Woman's Auxiliary of the Pentecostal Holiness Church of Greenville will be hosts to the annual convention of Woman's Auxiliaries of the North Carolina Conference of the Pentecostal Holiness Church.

Each local auxiliary will be represented by their president and delegate, and will give a verbal report of their year's work and progress. During this convention the state officers for the year will be elected, and will be presided over by the General Auxiliary President Mrs. J. W. Berry, wife of the pastor of the Wilson Pentecostal Holiness Church and former pastor of the Greenville church. Mrs. Berry has the supervision of all auxiliaries through the entire Pentecostal Holiness Church.

There will be a devotional hour at 11:00 a. m., with the Rev. L. C. Synan of Hopewell, Va., as guest speaker. The Rev. Mr. Synan is a very interesting and inspirational speaker, and the public is invited to attend all of this convention. A picnic lunch will be served by the local auxiliary and church.

Arrangements for this convention are being made by Mrs. Harvey Merris, State President and wife of the pastor of the Tarboro church. Mrs. Hutch Ward, president of the local auxiliary, and Mrs. Ralph R. Johnson, local pastor's wife and state secretary-treasurer of the convention.

On Winning Friends

Struggle Going On Over State Department's Information And Cultural Program; Opponents Believe Sending Food And Supplies Abroad Is Best Approach

By MAX HALL

Washington, May 6—(AP)—A struggle is going on here now over the State Department's information and cultural program.

This struggle, between the Department and Congress, may seem pretty remote from your daily life. But the program tries to make friends and influence people abroad by telling them what we're like and what we want in the world.

It does this in several ways: by radio broadcasts, by movies, by books, by pictures, by news, by general information.

This is being done at a time when communism abroad is strong and may grow stronger among war-wrecked countries.

"The problem comes down to this: 1. Is sending food and other relief abroad enough to win friends for us? Some congressmen think this is plenty. 2. Or, should we also keep other people informed about us and our intentions? The State Department thinks this is needed, too.

In the current fiscal year which ends June 30, the State Department will have spent about \$19,000,000 on this program.

To carry on the program for the fiscal year beginning July 1, the Department has asked for \$31,000,000. This request was turned over to a subcommittee of the House appropriations committee.

This subcommittee, since Republicans control Congress, was dominated by Republicans, and they have promised to cut government expenses.

State Department officials were called in by the subcommittee to explain why they thought the program should be continued at all.

William Benton, assistant secretary of state in charge of the program, argued: "If we are going to send food, or if we are going to send military men, we must explain to the people that receive them and to other peoples throughout the world, what our motives are and what we are after."

But Rep. Karl Stefan, Nebraska Republican and chairman of the subcommittee, gave this view: "I want to stop the growth of communism's every bit as much as the State Department wants to do it. My choice of weapon in this war of ideology is food. Not farfare."

Stefan's subcommittee decided the whole program should be wiped out. It recommended this to the full House which must vote on it. But George G. Marshall, secretary of state, wants the program (Continued on Page Four)

introduced Mrs. Claudia Hurt of Raleigh, district representative of the N. C. Tubercular Association. Mrs. Hurt explained in detail the case finding program and offered the assistance of the state tubercular workers when the ground work is completed for the league to sponsor a county wide check of this dread disease.

Mr. J. H. Rose was present for the report by Mrs. Hurt and was called on to explain the school board election. The members were urged to register at once for this special election and remind others to do so.

Mrs. R. C. Stokes reported taking care of the hospitalization of three patients by the use of the Laughinghouse Bed fund.

Letters were read from the directors of the Pitt General hospital thanking the league for the many hours of volunteer work given and telling the great need the Laughinghouse Bed had filled by giving comfort and alleviating pain to many men, women and children both white and colored.

Mrs. Little reported approximately \$200 was realized from the bride's tournament recently held and thanked everyone who contributed in any way to the success of the party—the firms who donated, the patrons, the newspaper and the radio station.

Mrs. W. L. Harrington, chairman of nominations, read the report of the committee. Mrs. Tyson Bilbro, 2nd vice president to succeed Mrs. Wyatt Brown; Mrs. Charles Flanagan, treasurer to succeed Mrs. J. B. Cummings.

The last meeting of the year will be held at Red Oak Community building May 28 at 11:45 o'clock with a luncheon meeting.

Bride-Elect Entertained

Red Oak Community Center presented a beautiful scene last Saturday evening when Miss Joy Tyson entertained a large number of young people in honor of her sister, Miss Bette Sue Tyson, who will be wed to Mr. Elvy Forrest, June 7th.

As the guests entered the building they felt as if they were entering a beautiful garden. Small green trees and branches and other greenery were used as a background. Huge baskets of spiraea, weigela and other garden flowers were also used. A white throne placed in front of an archway flanked on each side by a little white picket fence and deep

ter of the garden was a beautiful May pole with multi-colored streamers.

As soon as the guests arrived they immediately chose Bette Sue and Elvy to reign over the festivities as King and Queen. They took their places on the throne and each couple came up to them and wished them good luck. After this many old fashioned games were enjoyed.

Among them were the Grand March, Jolly is the Miller, Rock 'Dat Cymbalin', Steal Your Partner, "Harry" and an apple and an egg contest were also enjoyed.

From a well covered in white and entwined with flowers, delicious lemonade was served by the hostess and Mesdames Perrane Tyson and Bernice Causey served sandwiches and party cakes. Everyone was then invited to the wishing well where they were given a favor containing a fortune. The honoree was presented a gift in her pattern of silver.

At a late hour the guests departed after having spent a most enjoyable evening.

Dr. Haney Preaching In Robersonville

Dr. H. Glenn Haney, pastor of Eighth Street Christian Church, is conducting a series of evangelistic meetings at the First Christian Church of Robersonville each evening this week at 8 o'clock. An augmented choir is rendering a special program of gospel songs.

Rev. J. M. Perry, pastor of the church, invites the public to attend the services.

Cosmetologists Are Organized In East

At a meeting held in Washington last Wednesday the Eastern Carolina Cosmetologists Association was organized by delegates from Washington, Greenville, Belhaven, Winterville, Chocowinity and Grimesland. Mrs. Louise McKinney of Greenville was elected president, Gladys Clark of Belhaven and Margaret McKinley of Washington, vice presidents, Lee Hart of Greenville secretary, and Louise Thomas of Chocowinity, treasurer.

The purpose of the association is to promote the best interests of the

much to the development of the world as the large ones have and their integrity must be preserved. Though the United States is the most powerful nation in the world today it cannot survive by power alone. We can have no permanent peace until we renounce the sovereignty of power and recognize the sovereignty of principles.

The afternoon's program was in charge of the International Relations department of which Mrs. L. A. Stroud is chairman. Mrs. Stroud introduced Mr. Humber as a man with a message, a man who grows greater as the years go by.

During the business session which was presided over by Mrs. W. H. Woolard the club voted unanimously to endorse the special election which is being held on May 27 for the purpose of levying an additional tax to increase school teachers' salaries.

Hostesses for the afternoon arranged a most attractive tea table. The center piece was a May Day scene in which the figures were dressed to represent people of the United Nations. Delicious punch, cheese, biscuits, cookies and salted nuts were served.

Small nations feel insecure and disheartened, realizing that at the present time power is sovereign and that the principles for which they fought are illusions. Every little country has a place in the sun and each nation must have an authentic status" said the speaker. "The small nations have contributed as

Episcopal Church Here To Observe Hundredth Year As Parish May 7

St. Paul's Episcopal Church will be observing her one hundredth year as an Episcopal Parish in Greenville tomorrow and many interested friends from in town and out of town are expected to join with the members of the parish in commemorating the day that will mark the beginning of the second century of the parish in this community.

A celebration of Holy Communion is scheduled at 10 a.m., with special intercessions being offered for the day; and in the afternoon, a Service of Holy Baptism has been scheduled for 4 p.m.

In the evening the Sacred Rite of Confirmation will be administered to a group of adults and young people, by the Rt. Rev. Thomas H. Wright, Bishop of the Diocese of East Carolina, in a service that will begin at 8 p.m. in the church, and the Bishop will also preach at this service.

Following the evening service, a reception will be held in the Parish House of the church, during which time those who have been communicants of the local parish for fifty years or more will be honored.

St. Paul's Church has had an interesting history during the past one hundred years, and much of this was recalled by the Rt. Rev. hairdressing and cosmetological profession and to advocate high standards. The association will meet at stated times in the Eastern Carolina towns holding memberships.

Charles E. Smith Died Ayden Monday

Ayden.—Charles Edward Smith 73, died Monday night following a lingering illness. Funeral services were conducted from the home this afternoon at 3 o'clock by the Rev. W. A. Brunson of Ayden. Burial was in the Ayden cemetery. Surviving are three daughters, Burdine Smith, J. T. Lester, both of Ayden, and Mrs. E. C. Crawford of Durham; five sons, Charles Gray Smith, R. Paul Smith, and Marvin E. Smith, all of Ayden, David S. Smith of Balboa, C. Z., and Melton B. Smith of Gatun Lake, C. Z.; one brother, David H. Smith of Ayden; two sisters, Mrs. J. D. Wilson of Greenville and Mrs. Sam Wilson of Greensboro; 15 grandchildren.

Thomas C. Darst, retired Bishop of the Diocese, on a visit to the church last Sunday. The Bishop recalled that when St. Paul's Church was admitted as a parish into the Diocese of North Carolina on May 7, 1847, there were twenty-six communicants, and today there are almost three hundred communicants in the parish. The Bishop also recalled several names that were familiar to many of the older communicants, as persons who had rendered outstanding service to the church and the community during their lifetimes.

The Centennial Committee, composed of the rector of the parish, the Rev. Roscoe C. Hauser, Jr., and F. D. Duncan and Miss Hennie Long as co-chairmen, and J. T. Little and Mrs. E. B. Ficklen, have extended an invitation on behalf of the parish to all of the friends of St. Paul's Church to participate in this observance.

PIPES RAN DRY

Charlotte, N.C., May 6—(AP)—It dried up in a hurry in Charlotte last night.

Several million gallons of water escaped when a bulldozer ripped open a 20-inch water main. Pipes in most sections of the city ran dry. It took about three hours to restore pressure.

Strength FOR THE DAY

By EARL L. DOUGLAS

STABILITY OF BELIEF

The New Testament bids us remember three things about Jesus—he was prophet, priest, and king. As a prophet he taught imperishable truths. As a priest he offered up himself as an eternal sacrifice to God. As a king he established the kingdom of God on earth and continues through the ages his spiritual away beyond the veil.

Raleigh Phone Workers Return

Raleigh, N.C., May 6—(AP)—Striking members of the Raleigh Telephone Workers Union have returned to work, District Manager E. A. Clement said today.
The nearly 400 workers were to have returned to their posts yesterday but delayed action until today for further conferences locally with union leaders.
Governor Chery said he understood the local workers returned to their jobs on the promise of Southern Bell that they would receive any benefits that resulted from the month-old national strike.

From where I sit . . . by Joe Marsh

One Story I Hated to Print

I was kind of unhappy to print that story about Cappy Smith—where he hauled his neighbor into court for planting a windbreak too close to his orchard.
Because that sort of thing is rare in our town. Most of the farmers who plant windbreaks are considerate of their neighbors. By mutual agreement, they plant them at a safe, convenient distance, and we never had to have a law.
From where I sit, it's a little like the brewers' program of Self-Regulation. The brewers ask the folks

who retail beer to keep their taverns clean and law-abiding. The big majority of them are good neighbors, and the brewers ask the licensing authorities to take action against those who aren't.
That's how anything should be handled that affects the good of all. I hope Cappy and his neighbor settle their differences through tolerance and courteous consideration of each other's rights. It's a lot better than a court fight.

New York Cotton New York, May 6—(AP)—Cotton futures opened 70 cents a bale higher to 15 cents lower. Noon prices were 85 cents at \$1.25 a bale higher, May 36.36, July 34.11 and Oct. 29.19. Futures closed 30 cents to \$1.00 a bale higher than the previous close.

Grain Market Chicago, May 6—(AP)—Grain futures rose sharply toward the end of trading today, reacting to a abrupt decline at Minneapolis, which followed a slump there in the cash grain market. At the close wheat was 1/2 to 2/4 lower than the previous close, May \$2.62-\$2.62 1/2. Corn was 1/4 to 1/2 higher, May \$1.62 1/2-1/4. Oats were 1/4 to 1 cent higher, May 91 1/2-1/4.

N. Y. Stock Market New York, May 6—(AP)—Profit cashing halted the recovery swing in today's stock market and leaders were thrown for fractions to better than 3 points before a little short covering and timid buying reduced losses. Transfers for the full proceedings ran to around 800,000.

LOOK OUT FOR PIN-WORMS Recent medical reports reveal that an amazing number of children (and grown-ups too) may be victims of Pin-Worms—often without suspecting what is wrong! And these pests, living inside the human body, can cause real distress. So watch out for the warning signs that may mean Pin-Worms—especially in unsavory rectal itch. Get JATNEY'S P.W. and follow the directions. P.W. is the Pin-Worm treatment developed in the laboratories of Dr. D. James & Son, after years of patient research. The small, easy-to-take P.W. tablets act in a special way to remove Pin-Worms. Ask your druggist: P.W. for Pin-Worms!

Greenville Loses In Ninth Inning Attack

Johnny (Strike-Out) Foell Holds Wilson Scoreless To Dramatic Ninth When Tobs Break Loose To Win 4-1

By BERT MOYE

Johnny Foell, Greenies' ace left-hander, and Lefty Monk Webb, of the second-place Tobs, hooked up in a pitchers' battle at Guy Smith Stadium here last night with Webb coming out on top, 4-1, after his teammates rallied for four runs in their half of the ninth frame after one man was away.

Greenville was held scoreless until the sixth frame when they put across their lone tally on Mauney's single. Bobby Pare's sacrifice, and Dick Fraker's timely single to bring home Mauney.

The loss for Johnny Foell was his second of the season but it can be truthfully said that it was a moral victory. Time and time again Johnny bore down to halt the Tobs' scoring when seriously threatened by them, only to weaken in the ninth frame when they collected three of their nine hits. He struck out a total of 10 Tobs and struck them out when a hit would have meant a run.

In the first frame Dickens and Rehm, the first two men up, singled, Coyle flew out to Foell and then Johnny got his first two strikeouts to stop this rally. In the third frame the Tobs were in scoring position again when they loaded the bases only to pop out and retire the side without scoring. In the fifth the first two batters singled but Foell bore down and struck out the next three batsmen in order. In the sixth Johnny struck out the first two Tobs, a walk and a

'Snow White And Seven Dwarfs' Here Thursday

By CHESTER WALSH

"Snow White and the Seven Dwarfs," to be presented on May 8 and 9 by the Chi Pi players of East Carolina Teachers College as a special attraction for school children of Greenville, is something of a community project and is arousing much interest among adults and children of the city.

According to present indications a large audience of young people will be on hand for the afternoon and evening performances in the Austin auditorium Thursday. Several civic clubs and the Elks have provided tickets so that all children in the schools will be able to attend one performance. On May 9 the play will be given at Eppes Negro High School.

The play is being sponsored by the American Association of University Women of the city. The AAUW made the production possible by underwriting the expenses and encouraging the college players to use their talents for the benefit of children. Several years ago the AAUW sponsored the delightful production, "Little Black Sambo," by the Chi Pi players with Tom Rowlett of Greenville as the star.

"Snow White and the Seven Dwarfs" is a play suited to the tastes of young people. Supt. J. H. Rose of the city schools, Principal Frances Wahl of the Training School, County Supt. of Schools Don H. Cunley are lending encouragement and support to the college players. Emma L. Hooper, president of the local AAUW, calls special attention to the version of the popular fairy tale which is being used. "It is a charming presentation of the story," she says, "and one that children will love." Jessie Brahm White's dramatization is the one chosen for the college production.

Heading the cast are a number of Greenville students at the college: Hennie Ruth Whichard and Tom Rowlette play Princess Snow White and Prince Florimond. Elizabeth Tripp has the role of Queen Brangamar, who is jealous of the little princess. A comic element will be added by Virgil Clark as Sir Dandiprat Bombas, court chamberlain. Robert Musselwhite will have the part of Berthold, the kind-hearted huntsman.

"Borrowed" for the cast from the Training School will be Wayne Smiley and Bobbie Browning. Wayne won his laurels as an actor by appearing in the recent Chi Pi production of "I Remember Mama." In "Snow White" Bobbie will appear for the first time with the Chi Pi players.

Directing the production is Dr. Lucile Charles of the college faculty.

More Fishing

Rep. Frank Kilpatrick announced today that the Division of Game and Inland Fisheries has granted his request that the fishing season for shad and herring in inland waters be extended to May 10.

The season for catching these fish expired on May 1, but because of high waters it was recognized that comparatively few were caught, and it was for this reason the time limit was extended.

Police Capture Robbers, Find Stolen Autos

By CHESTER WALSH

The Greenville police department always active, put in some good work during the past several days. They arrested two Negroes on charges of burglary for the New Bern police; arrested a white youth for larceny of a bicycle in Greene County and recovered the wheel; they recovered here an automobile stolen in Maysville last Friday, and recovered another car that was stolen in Greenville last Friday night.

Police had a tip that Carl Aldridge, 25, and Victor Fisher, 18, both Negroes, who were wanted by New Bern police for burglary, were in the city trying to dispose of stolen loot. Chief Jim Tanner, Detective M. E. Corbett, Officers Johnny Mobley, J. L. Mills and R. W. Corbett and Sgt. Lester D. Page surrounded a house on Ford street and rounded up both men. Some cigarettes and other loot stolen from an A. & P. Store in New Bern was recovered. Police Chief Ed Ballanga of New Bern took the prisoners back to New Bern for trial there.
