Summon Extraordinary Session Of UN To Assuage Arab Body

Lake Success, N. Y., May 7.—(AP)—The United Nations assembly was called into extraordinary plenary session today to offer the Arab higher committee of Palestine formally a hearing before the 55-nation political committee with the same status as the Jewish agency.

The plenary meeting was set for 3 p. m. (EDT) in a committee room here rather than in the assembly hall at Flushing Meadow, where all previous plenary sessions have been held.

The Arab higher committee earlier indicated it would stand on its decision to boycott the debate until it was handed the formal invitation by the assembly itself.

Senate Vote To Settle Future Of Labor Bill

GOP Leaders Likely To Consult Truman On Terms Only If Senate Balloting Shows Veto Could Not Be Overriden

Washington, May 7.—(AP)—Republican leaders left open today the question of talking over labor legislation with President Truman.

The signs are that any GOP willingness to compromise will depend on the margin by which the Senate passes its pending bill.

With Democratic opponents generally conceding defeat, Senator Taft (R-Ohio) led a drive for a final vote Friday on the measure which would outlaw the closed shop, authorize Government injunctions to halt national emergency strikes and curb union practices in a manner critics have called drastic.

A lengthy speech by Senator Morse (R-Ore.), who opposed some features of the bill, seemed likely to put off a showdown until late today or tomorrow on an amendment backed by Taft which would lay down restrictions on industry-wide bargaining by national unions.

While Taft said the opposition to this amendment may make the vote close, he predicted its adoption.

Senator Murray (D-Mont.), who has fought it, agreed that a Republican-Democratic coalition "has the votes" to write this provision and some other Taft-supported amendments into the bill.

J. V. Taylor, chairman Pitt County Agricultural Conservation Association Committee, today cautioned all tobacco growers in Pitt County against over-planting their farm acreage allotments this year.

SOUTH COULD END SHORTAGE

Lawmaker Says Dixie Can Solve Scarcity Of Newsprint

Washington, D. C., May 7.—(AP)—Chairman Clarence Brown (R-O) of a special House investigating committee said today more mills on southern pine lands could go far toward solving the problem of newsprint scarcity.

Present resources are enough to permit the output of 1,500,000 to 2,000,000 tons, Brown told reporters. That is nearly half the American consumption, now fed primarily from Canadian and Newfoundland mills.

If eroded and unused land were planted in pine, and scientific reforestation practiced, the Ohio lawmaker said, all domestic needs could be met—if enough factories were built to process the pine into pulp and paper.

He said there would be at least two great advantages, aside from ending the shortage:

1. America would be independent of outside sources in wartime. 2. The south would be helped from the standpoint of employment and new industry.

RAMADIER HAS SUPPORT FOR OUSTING REDS

Paris, May 7.—(AP)—France's Socialist Party ratified today Premier Paul Ramadier's decision ousting Communists from his coalition Cabinet, thus ending a French Government crisis.

A hastily summoned National Council of the party voted 2,529 to 2,125 to approve the break with the extreme left, an action which may have political repercussions throughout Western Europe.

Ramadier, pleading for the council's endorsement in the hot 12-hour debate which preceded the vote, declared he would feel like a "grave-digger of the republic" if he were forced to resign.

Supporting Ramadier, Leon Blum, a former premier and an elder statesman of the party, declared that "resignation of the Government would be tantamount to denial of the parliamentary regime."

The council's vote was in approval of Ramadier's action last Sunday in revoking the portfolios of five Communist ministers after the Communist Party refused in the National Assembly to join in a vote of confidence in the Government's wage-price freeze program.

Mail Service Will Not Be Cut Says Congressman

Washington, May 7.—(AP)—Senator Bridges (R-NH) charged the Postoffice Department today with a "clar" cut case of brazen propaganda" by apparently circulating word that mail service must be cut because Congress has failed to provide necessary funds.

Asserting that he wanted to nip the report in the bud, the chairman of the Senate Appropriations Committee told newsmen: "The truth is that the Postoffice Department is living way beyond its means and if there is any blame to be made for having insufficient funds it does not rest on Congress (Continued On Page Eight)

Phone Strikers Sign First Contracts In New Strategy

The Federation of telephone workers of the District of Columbia with 4,000 members, accepted a contract providing weekly wage increases of \$2 to \$4. It announced its members will respect picket lines of a traffic union which still is striking.

The bargaining committee for the Telephone Guild of Wisconsin came to terms with the Wisconsin Telephone Company, but details of the agreement were not disclosed pending its submission to the membership tonight for ratification.

The committee negotiated for 7,000 workers. Three communications unions in Wisconsin continue on strike, but the company said the guild had agreed to pass picket lines.

The National Federation of Telephone Workers, which called the cross-country tie-up April 7, dropped efforts last night to reach a national settlement.

Officials of the Bell system and its parent concern, the AT&T, had consistently refused to yield to union insistence on nation-wide bargaining, contending negotiations should be on a local basis because of local factors involved.

The 49-member policy committee of the National Federation of Telephone Workers, which had been in almost daily sessions since March 24, adjourned indefinitely and its members returned home to help bargain out settlements in their own areas.

The most important bargaining conference being held here under government auspices was called into continuous session at 11 a. m. (EST) with conciliators saying agreement was possible any hour. This involves the AT&T's long lines department and the American Union of Telephone Workers, one of the NFTW's 49 affiliates.

NFTW president Joseph Belme said the policy committee's decision to strive separately for new wage agreements with the more than 23 Bell companies was not a step backward but would intensify negotiations.

Greco-Turk Aid Bill Meets Opposition

Washington, May 7.—(AP)—Rep. Richards (D-SC) told the House today that Russia joined the United Nations to defeat its purpose.

"The sooner we realize that Russia did not join U. N. in good faith, the better," he said.

Richards battled against a strong movement in the House to sidetrack the administration's \$400,000,000 Greek-Turkish aid program and turn over to the United Nations the problem of communist pressures on the two Mediterranean countries.

Recalling that opponents have called the aid program "a dagger in the heart of the United Nations," Richards declared: "If there has been a dagger put in the heart of U. N., it has been placed there by Russia. No doubt about it."

He ran down the list of subsidization of U. N. After each, he said, he had organizations formed since crushed and commented: "And Russia refused to join."

From Leroy Johnson (R-Calif.) came much the same argument. He said that Russia has violated solemn agreements; that the Soviet is trying to create chaos, dis-

Senators Seek Pre-War Cotton Export To Nations In Europe

Washington, May 7.—(AP)—Five members of a special Senate Cotton Committee are urging the Government to guarantee that the United States will supply at least as much cotton to Germany and Japan in the future as it did in pre-war years.

Senator Sparkman (D-Ala.) revealed this today in announcing that the senators have been assured only American-grown cotton will be used in the two occupied countries during 1947.

This agreement, Sparkman said in a statement, was made between the cotton committee and representatives of the War, State and Agriculture Departments.

Cotton senators named their committee soon after reports circulated on Capitol Hill that the three government departments were considering the purchase of 1,000,000 bales of foreign cotton for export to Japan and the joint-occupation zones of Germany.

The Alabama senator said he is confident that cotton trade between this country and the two defeated nations will be re-established, with an exportation of 1,125,000 bales to Japan and Germany during the coming cotton year.

Says Lawmaker Used Pressure In Seeking Favors

Washington, May 7.—(AP)—Lever H. Campbell, Jr., wartime chief of Army Ordnance, testified today at the May-Carson war fraud trial that ex-Congressman A. J. May used pressure on him in seeking favors for Garsson war firms.

Campbell, now retired and living in Chicago, made the statement during cross-examination when defense attorneys questioned him closely on his testimony that May, former chairman of the House Military Committee, often called him in behalf of the \$78,000,000 Garsson munitions combine.

The defense has contended that May was only seeking to spur war production in interceding for the Garssons.

Compromise In India

New Viceroy, Lord Mountbatten, Reports Loosely Federated Government For India Is Still Possible Despite Jealousies Of Rulers; The Effort For Accord

The secret of the report to the British Government by Viceroy Lord Mountbatten, regarding progress of plans for Indian independence, has leaked out in London and, to put it cautiously, isn't discouraging.

Informed sources say Mountbatten sees the possibility of the Indian factions uniting on the basis of a three-way partition of the country which would be loosely united under a limited federal government. The viceroy is said to have advised London that the warring Hindus and Moslems of British India, and the princes who rule the states of native India, may agree to a federation if they don't have to sacrifice basic principles.

Raleigh, N. C., May 7.—(AP)—Fate of an appeal by Wall C. Ewing from a manslaughter verdict in connection with the slaying of his wife on March 21, 1946, should be forthcoming from the State Supreme Court on May 21 or thereafter.

H. E. Stacy, counsel for the defense, yesterday offered an impassioned appeal before the high court that if the evidence in the case indicated that Ewing killed his wife, Mrs. Douglas Sutherland Ewing, that it was all purely circumstantial and was not sufficient for the case to have gone to its Cumberland jury.

ivly, bridal wreath and Easter Lilies while lighted white tapers burning in standards of seven branch candelabras shed a lovely glow over the wedding scene.

The bridegroom was attended by John Brinkley, his brother, as best man.

Miss Peggy French of New Bern, sister of the bride, was the bride's maid of honor and her only attendant. Miss French was attired in a lovely black afternoon dress with powder blue elbow length gloves and powder blue feather hat and carried an arm bouquet of red roses and orchids.

The bride was becomingly dressed in a dusty rose crepe afternoon frock with draped skirt with which she wore black elbow length gloves and black straw bonnet and black slippers. She carried an arm bouquet of gardenias and orchids.

Mrs. French, mother of the bride, was dressed in a black afternoon frock and black accessories and a corsage of red carnations.

Mrs. Brinkley, mother of the groom, wore a grey crepe dress with black accessories and a corsage of pink carnations.

Immediately after the ceremony the bride's parents entertained as a reception for the bridal party and wedding guests. The home was thrown ensuite for the occasion. The effectively appointed and decorated three tiered wedding cake topped by a miniature bride and groom was flanked by lighted tapers and rested on an imported Irish linen and lace table cloth. The bride and groom cut the first piece of cake and then the maid-of-honor finished cutting while Mrs. I. S. French, Mrs. L. H. French, Jr. and Miss Estelle Brinkley served the cake and ice cream.

Miss Selma Brinkley, sister of the groom, presided at the bride's book.

Following the ceremony, a reception was held at the home of the bride's parents on West 5th street.

Ms. R. Hogan Gaskins greeted the guests at the front door. Mrs. Curtis B. Haley, Jr., sister of the bride introduced the guests to the reception line which was composed of the bride's parents, the bridal couple, the bridegroom's father and members of the wedding party.

Mr. and Mrs. Hardy Rose of Robertsonville directed the guests to the library where Miss Sidney Davenport, sister of the bride, presided over the reception. From there, Mr. and Mrs. Gus Neville directed guests to the dining room for refreshments. The bride's table was covered with a white lace cloth and was decorated with white tapers and an artistic arrangement of white flowers. Miss Davenport, sister of the bride, Miss Mary Forbes and Miss Pattie Davenport, sister of the bride, served the bride's ice cream cakes, green and white mints and mixed nuts.

Mr. and Mrs. George McRorie presided in the gift room and good-byes were said to Dr. and Mrs. Deane Hundley.

After the reception the bridal couple left for a wedding trip to Southern points. For traveling the bride wore a Navy Gabardine Dressmaker Forstman suit with navy accessories and a touch of pink. Her corsage was an orchid taken from her Bridal Bouquet. On return, Mr. and Mrs. Robertson will be at home in Robertsonville.

The bride is a graduate of East Carolina Teachers College. After graduation she was employed with the State Highway and Public Works Commission, and for the past year has held a secretarial position at Blount-Harvey Company.

The bridegroom attended VMI in Virginia and Business School in Richmond, Va. He served in the Army Air Forces for three and one-half years.

On Friday evening, April 25, prior to the wedding rehearsal for the Robertson - Davenport wedding Mr. and Mrs. Gus Neville of Spring Hope and Dr. and Mrs. Deane Hundley of Wallace entertained at dinner at the Woman's Club. Immediately after the rehearsal, Mr. and Mrs. R. Hogan Gaskins and Mr. and Mrs. P. M. Sutton entertained at the home of Mr. and Mrs. Gaskins at an after-rehearsal party.

Brinkley-Lacey

Mrs. Gretchen French Lacey of New Bern, N. C., became the bride of James Duke Brinkley of Vanceboro, N. C., Saturday evening, March 22nd at 8 p. m. The wedding took place at the home of the bride's parents, Mr. and Mrs. L. H. French, Sr., in Granthams. Rev. J. M. Jallif, Methodist minister, officiated using the double ring ceremony.

The French home, which was lighted by the soft glow of burning tapers, was effectively decorated throughout with a profusion of artistically arranged spring flowers. The vows were spoken before an imported altar in the living room. The arch and altar were formed by

There were approximately 50 guests present. Among the out of town guests were Mr. and Mrs. W. T. French and son of Cherry Point, L. and Mrs. L. S. French of Fort Benning, Ga. and Rev. J. M. Jallif of Newport, N. C., pastor of the bride.

Mrs. Brinkley is a graduate of New Bern high school and received her nursing training at St. Luke's hospital school of nursing of New Bern, N. C., and the Eastern North Carolina Sanatorium in Wilson, N. C. She was a former member of the nursing staff at Pitt General hospital in Greenville, N. C.

Mr. Brinkley attended the F. M. Life school in Vanceboro and was in the U. S. Army spending four years in the Pacific during World War II. He is now employed at the Marine Air Station, Cherry Point. The couple are making their home at 3-J Avon Lane, Havelock, N. C.

Resolutions of Respect

Whereas J. H. Coward has served faithfully as County Accountant and Tax Supervisor of Pitt County from January 1, 1933, to March 31, 1947, and during this period by his unflinching devotion to duty has rendered immeasurable aid and service to this Board and to the County as a whole.

And Whereas by his ability and initiative in the administration of his duties in the County Accountant's office has placed that office in a state of business-like efficiency, that compares favorably with any in the state, and leaving at the time of his death the affairs of his office in perfect condition.

Now be it resolved by the Board of Commissioners of Pitt County that an expression of thanks and gratitude for the service rendered to the County by this faithful public servant and a genuine expression of profound regret at his passing be spread upon the minutes of this meeting, and a copy of this resolution sent to his family, and a copy published in a newspaper circulated throughout the county.

Sans Souci Book Club

The Sans Souci Book Club held one of its most delightful meetings with Mrs. Fred J. Forbes, Sr., on Tuesday afternoon, May 6, at her home on Evans street.

In the absence of the president, Mrs. Frank Wooten, a short business session was presided over by the vice president, Mrs. G. B. W. Hadley. She welcomed our guest for the afternoon, Mrs. Sam Williams.

A profusion of snow balls and other colorful spring flowers made an appropriate setting for the excellent program, "Gardens Here, There, and Everywhere," given by Mrs. J. B. Kittrell. Our speaker spoke of gardens in general, giving particular emphasis to the beautiful gardens of Mexico, the country drenched with the color and smell of flowers. Small wonder that artists revel in Mexico and if they do not take up their residence there, return again and again for inspiration.

Mrs. J. Key Brown very interestingly told of her recent visit to the International Flower Show in New York. These beautiful flowers beyond description came from all the continental floral United Nations demonstrating what beauty, harmony and general good can pro-

End of the Century Club Meets. Mrs. R. J. Slay was hostess to the End of the Century Club Tuesday afternoon at her home on Student street.

Guests for the afternoon were Mrs. Charles Reynolds, Mrs. Dennis Cooke and Mrs. M. L. Wright.

The meeting was called to order by the president, Mrs. J. T. Little, followed by business session. The treasurer reported funds given for Cancer Drive and Mrs. J. L. Fleming informed the club that the book "American Art" purchased honoring Mrs. W. A. Bowen had been placed on the Bowen shelf maintained in the city library.

Mrs. A. D. Frank presented Mrs. Ed Batchelor who gave the club an interesting talk on Radio Personalities. Mrs. Batchelor interspersed her talk with bits of humor creating keener interest on the part of her listeners. Cedric Foster, Kaltenberg and Gabriel Heater with all his gloom and despair, were the outstanding personalities mentioned.

The hostess assisted by Mrs. J. S. Moye served a salad course with coffee, nuts cakes and mints.

Becomes Member of Fraternity. Max W. Willford, Greenville, N. C., freshman at Wake Forest College, became a member of Sigma Phi Epsilon Fraternity last night up on his formal initiation. Willford is a pre-medical student. He became a pledge of the fraternity in October, 1946, and recently served as pledge president. Sigma Phi Epsilon is a national social fraternity and was founded in Richmond, Va., in 1901. The North Carolina Zeta chapter was installed at Wake Forest in 1940.

Antique Show and Tea. The ladies of the Colerain Woman's Club are making preparations to entertain five hundred or more antique lovers when they give their antique show and tea at the community house the afternoon and evening of May 15.

The public is invited. The following antique dealers will have booths and have for sale their choice selections: Mrs. Haywood

Guiton and Mrs. Lillian Goshen of New Bern, N. C., Mrs. Ben Long Fives of Littleton, Mrs. Rodman of Washington, N. C., Mrs. Myrtle Watson of Edenton, Mrs. Lloyd Harrison of Ahoskie, Mrs. Eunice Weeks of Elizabeth City and Mrs. L. D. Perry of Colerain. Others are expected to sign up for booths this week.

In Memoriam of Mother's Day. Memory of Mother, Annie Edwards, who was buried on Mother's Day of the year 1946. One long year has passed on the tenth day, dear. Another sun has set, And still I love and long for you. How can I ever forget. Life is so empty without you. I always loved you so. But God wanted you in Heaven, dear. That's why you had to go. No one knows the silent heartaches. Only those who have loved can tell. The grief I have borne in silence For the one I loved so well. I try to be brave and smile Through my sorrows as I know You would have me do, And wait for the day when in Heaven I can again be with you. Daughter, Mrs. Wesley Smith, Greenville, Route 3.

Elected President of English Club. Louise Mewborn, junior from Hookerton, has been elected president of the English club at East Carolina Teachers college and will direct the activities of the large departmental organization during 1947-1948. Chosen at the same time and for the same term were the following student officers: Josephine Herring of La Grange, vice president; Christine Lilly of Williamston, secretary; Elizabeth Lowe of Pink Hill, treasurer; and Elizabeth Tripp of Greenville and Jean Cox of Stantonburg, reporters. Lois Grigsby of the faculty will be adviser of the English club during the next school year.

Miss Cherry Hostess to Bridge Club. Stokes—Miss Rebecca Cherry was hostess to the Stokes Bridge Club at her home here Thursday evening.

Lovely arrangements of spring flowers were placed throughout the rooms.

During the playing drinks and nuts were served. At the conclusion, the hostess served banana cream pie and iced tea.

High score prize went to Mrs. Gordon L. Clark and low to Mrs. Tracy Barnhill.

Members playing were Mesdames Larry Barnhill, Marvin Barnhill, Tracy Barnhill, H. F. Congleton, Gordon L. Clark, Charles A. Forbes, Sam Gray, Everett Knight, Elmer Parker, Franklin Roebuck, Clifford Whichard and Frances W. VanDyke.

Impressive Commissioning Service. The commissioning service for the new council of the Wesley Foundation was held on Sunday night, May 4, in Jarvis Memorial Methodist Church. This was a meditation-communion and was a very impressive service of worship and consecration.

At the beginning of the service the lights in the sanctuary were turned off. As the organist played "Passion Chorus" from Bach, the invocation reader, four ushers, and the Wesley choir entered bearing lighted candles. The reader took her place within the chancel, the ushers at four tables placed in the aisles. The altar candles were lighted during the invocation. Three meditation speakers, seated in different parts of the sanctuary, led the congregation in meditation, and each in turn knelt at the chancel rail in prayer. As the third speaker knelt, the Good Shepherd window high above the white altar was illuminated.

The pastor, Rev. Robert W. Bradshaw conducted the communion service. Individual communicants went to the chancel, as they felt moved each carrying a small lighted can-

State Sets Big Goal In Old Clothing Drive

Chapel Hill, May 7.—Rev. Henry G. Ruark, state director of overseas relief for the North Carolina Council of Churches, announced today that more than 75 county chairmen have been selected and are now organizing their areas for a drive of "a pound a person" in clothing, bedding and shoes.

The goal of 3,500,000 pounds may well be reached and even topped, he said in a statement issued from the state relief headquarters in Chapel Hill.

"A house to house pickup is the best means of getting materials," Mr. Ruark said. "This is the ideal method; at least twice as much can be obtained as compared to the system of letting individuals bring their donations to central depots." Chairman of the old clothing drive in Greenville is W. F. Young. Members of the Junior Chamber of Commerce are planning to cooperate in the campaign, when on Sunday afternoon they will pick up bundles of clothing that have been prepared during the week.

Members of the Wesley Foundation Council who received the commission: president, Gordon Davis, Beaufort; vice president, Marion Burton, Bethel; secretary, Rayonell Bailey, Wailstonburg; treasurer, Sam Strickland, Greenville; chairmen of commissioners: Ophelia Kirren, Sumter, S. C.; Bill Sutton, New Bern; Doris Teachey, Kinston; Carl Kinlaw, Groveland, Fla.; Sammie Lee Jones, Wilmington; Joann Oppelt, Greenville; Lola Beacham, Washington, N. C.; Rodney Roberts, and Ruth Taylor, Greenville.

Invocation reader, Kay Mann, Middletown; ushers: Patsy Pridgen, Elm City; Loraine Davis, Arcola; Frances Lewis, Farmville; Mildred Oakes, Hookerton. Meditation speakers: Hubert Bergeron, Spring Hope; Bernard York, Williamston; Charles Williams.

Choir: June Brandenburg, Warrenton; Rachel Floyd, Orrum; Lois Ross, Washington, D. C.; Merian Martin, Conway; Carol Gore, Clarendon; Harper Darden, Greenville. Organist, Mrs. P. A. Toll; violinist, Mr. E. P. C. Metz.

The meditation-communion service was written by James Warren of Greenville. It has been accepted for publication by the International Journal of Religious Education and will appear in the spring of next year.

President To Make Mother's Day Visit

Washington, May 7.—(AP)—President Truman is planning to fly to Grandview, Mo., to visit his 94-year-old mother, Mrs. Martha Truman on Mother's Day.

Although definite arrangements have not been announced, the tentative schedule calls for the President to leave at dawn Sunday and return later in the day.

Strength FOR THE DAY
 By EARL L. DOUGLAS

THE HAPPY HEART
 A woman past 70 years of age was recently persuaded to leave her home and enter a hospital where she could receive adequate care. For years she had lived in what appeared to everyone to be poverty. She had no furnace in her home, no electric light, and very little plumbing. To the eyes of the neighborhood, her house was a place of squalor and disorder.

Yet everyone knew that her philosophy of life was something indeed to be envied. She talked continually about her happiness. She said that her life had been full of so many blessings that she would not know how to go about numbering them. With everybody along her street pitying her, she never indulged in the least self-pity. Although everyone called her unfortunate, she called herself richly blessed.

There is a type of person in the world who could not be made happy by any good fortune. There is another type that could not be made unhappy by any misfortune. The difference between them is an inner difference. Utterly alone, this poverty-stricken old lady lived a life of complete contentment.

Perhaps she was brave, or perhaps she never expected much and was satisfied therefore when she got little. The chances are, however, that behind her contentment was a well-established faith. She felt herself to be part of a universe managed by an all-powerful God who never mistakes and who takes care of his creatures.

NATIONAL PORTRAIT GALLERY CATHEES MORE CANDIDATES

By JANE EADS
 Washington—The idea of setting up a national portrait gallery of Americans in the capital has been endorsed by the National Commission of Fine Arts for more than 20 years.

First public mention of the plan was made in 1943, when some eligible portraits from the collection of the National Gallery of Art were shown in a special exhibition.

Only recently the subject came up again. The gallery's director, David E. Finley, announced the gallery has accepted and holds as custodian some 27 portraits of historical personages which have been donated for installation in a national portrait gallery. It is as and when they are available.

Unlike the Hall of Fame for Great Americans on the campus of New York University, where candidates must have been dead 25 years, there is indication the new gallery would venerate the living as well as those of the past.

Announcement has been made that one of the portraits donated anonymously for the proposed gallery is a portrait of Gen. Dwight D. Eisenhower by Thomas E. Stephens.

A spokesman for the National Commission of Fine Arts says that, whereas the Hall of Fame's honored Americans are chosen by three-fifths of the Hall's Committee of Electors, portraits for the proposed gallery would be more freely accepted.

The gallery, according to this spokesman, would accept life masks of leading Americans, portraits, busts and sculptures. Whether it would accept photographs is a question.

Various art critics around town point out that this question assumes increasing importance as far as the contemporary great among American history-makers is concerned. They also express the opinion that they know of no portrait of Abraham Lincoln that equals an expressive likeness that was published in the Lorant book or shown in the Meserve collection.

Some of the photographs made of the late President Roosevelt are considered excellent by art officials in Washington.

Judge Roberts Sends Woman To State Prison

By CHESTER WALSH

Rotarians Hear J. L. Fleming

By WYATT BROWN
 At their regular meeting Monday night, Rotarians heard James L. Fleming, member of the East Carolina Teachers College faculty voice his plea that Americans not close their minds with superficial impressions of other nations, but to look beneath the surface or hold an open mind.

Illustrating his theme, Mr. Fleming exhibited a Berlin-published magazine distributed in France during the war to prejudice the French against the U.S. The pictures were taken from American magazines but were provided with texts tending to interpret and explain the pictures in such a way as to disgust the French people with America.

Rev. J. B. Early of Aviden, and Carl Short of New Bern were the two visiting Rotarians at the meeting. The program was presented by Howard McGinnis, chairman of the International Service Committee.

A record well drilling depth of 16,368 feet was set in California in 1946.

Hold Funeral Today For Star Of Opera

Winter Park, Fla., May 7—(AP)—Funeral services for Mrs. Sidney Homer, who as Madame Louise Hecrer was a leading contralto of the Metropolitan Opera Company for more than two decades, were planned for today in the Rollins College chapel.

Mrs. Homer, who was 76, died of a heart ailment yesterday.

Eastern Star Holds Meeting

Greenville Chapter No. 149 O. E. S. held a regular meeting Tuesday night, May 6.

Mrs. Louise Tadlock, W. M. presided, and all eighteen officers were present. Three members were initiated. Mrs. Blanche Jackson, chairman of the special committee reported that the bingo party held recently in the Masonic Hall was a success financially, and thanked all members and friends who had contributed.

T. A. Etheridge, Jr., P. P. reported that Miss Alys Ray Taylor, Mrs. Emogene Duffin, Mrs. Henrietta Hyde, Mrs. Queenie Clark, J. W. Brown, and A. C. Tadlock had passed their efficiency tests and presented them certificates from the N. C. grand chapter. A letter was read from the W. G. M. Mrs. Reta Henley urging officers and members to make reservations now to attend the annual session of grand chapter which will convene at Pinebluff col-

lege, Salem, June 8-11.
 A. R. House presented Dr. J. Howard Brown of Tarboro, Asso. G. P. who spoke on the Masonic and Eastern Star Home in Greensboro. Dr. Brown has represented the grand lodge of N. C. on the Board of Directors for many years. He gave a very interesting picture of the wonderful care that is provided for the guests there.

There are approximately sixty-five guests and the average age is about 75 years. He explained about the upkeep, the requirements and procedure for admittance, stating too that there is always a waiting list.

He attributed much of the success of the home to the efficient management and personality of Geo. R. Bennett, superintendent.

The home is about thirty-five years old, the only one of its kind in N. C. and is valued at approximately \$475,000.

The grand lodge of N. C. contributes annually three-fifths of the maintenance and the grand chapter two-fifths.

Mrs. Athalia Brown of Tarboro, P. G. M., was introduced and gave a most impressive explanation of some of the symbols of the order and closed with the reading of the poem, "My Father's Vow."

A gift from the chapter was presented by Mrs. Carrie Munford to Dr. and Mrs. Brown.

Light refreshments were served from a beautifully appointed table in the banquet hall.

Negro Home Demonstration News

For many years people gave serious thought to the idea of finding ways of making home life in rural and semi rural communities more enjoyable and comfortable.

As a result of the Home Demonstration program since 1941 clubs were organized in sixteen communities have played a conspicuous part in developing the idea of making homes out of houses. In a broader view, it has drawn the distant persons together, thus causing the barrier between homes to be lifted and progress seen.

Such improvement as better gardens and more gardens with well balanced and attractive meals served daily. During the summer months shelves are filled with canned fruits, vegetables, meats, pickles and preserves. As a result of better nutrition, health among school children has improved which has also improved school attendance.

Many improvements have been made in the appearance of the homes, the interiors have been made more inviting, the yards kept clean, grass and flowers have been planted.

Many garments that for years had been thrown away as useless have been found usable and have been made into very useful articles.

As we celebrate National Home and each monthly lesson a rung in Demonstration Week let each of us the ladder and advancing step by keep in mind our theme "Today's step to improve home and family Homes Build Tomorrow's Home" and living.—Mrs. J. M. Reeves, president let each year represent a ladder of County Council.

Women IN THE CHURCH by Mary Fowler

Miss Margaret Day, of Syracuse, N. Y., director of the Arria Huntington Foundation under the Young Woman's Christian Association...

"The revolution in China was only thirty-six years ago, but we are expected in three or four decades to bring our people from the middle ages to the atomic age..."

Four new buildings have recently been dedicated on the campus of Colegio Americano, noted women's school of the Methodist Church in Porto Alegre, Brazil.

Ballard's X Roads News

The new church building at Ballard's is coming on just fine. The architect who drew the plans for the church was down Friday and said there was a wonderful piece of work being done on that church.

lards Presbyterian Church will meet with Mrs. C. C. Harris on Friday afternoon at 3:30 o'clock. Mrs. J. M. Holgood, the presbyterial president will meet with them. All the ladies of the community are invited to come.

The community extends sympathy to Mrs. J. J. McCoy whose mother died in Kinston last Friday.

ROCKY MOUNT CLAMPS DOWN ON GREENIES

Take 12-2 Win In Attack On Three Hurlers; Maoney Big Gun For Locals

By BERT MOYE

The League-leading Rocky Mount Leafs blasted three Greenville hurlers for fourteen hits to take a 12-2 decision over the Greenies here last night. The loss for the Greenies was their fifth straight and tenth of the current season.

The Leafs scored in all but three of their innings and were helped by their pitcher Chuck Harrison who hurled nine-hit ball which he kept well scattered, and six Greenville errors.

Rex Benton started on the mound for the Greenies and was pulled out in the sixth frame after yielding six hits, seven runs, three bases on balls, hit two batsmen, one strike out, and two sacrifices.

Adrian Hebig went to his rescue in the sixth frame with one out but was taken out after pitching one and two-thirds innings when he was touched for six hits, four runs and one walk.

Phil Redden pitched the final two innings of the game and allowed one hit and one run of the unearned variety.

Willard Maoney, Greenville center-fielder, was the Greenies' big gun in last night's affray. He hit a triple double and a single in five trips to the plate and drove in the only two runs made by the Greenies.

The Greenville runs came in the third and ninth frames. In the third, Simmons, first man up, walked and with two away Maoney tripled to bring him home. In the ninth frame, Ralph Davis, pinch-hitting for Redden, was walked and later scored on Maoney's double to centerfield.

Score by innings:
Rocky Mount 002 212 401-12
Greenville 001 000 001-2

DIAMOND DUST

By BERT MOYE

Sidelights—Greenville made two double plays in last night's game to bring their total for the season to 11. The first came in the initial frame from R. Pare to Ranweiler and the second one came in the eighth frame from R. Pare to Lynch to Ranweiler. The Leafs had 9 men stranded on bases while the Greenies had an even dozen. Three bases were stolen in the fracas. Webb Munday and Hender-

MOYE TO MEET ALLEN SUNDAY

Tight Match Expected As Championship Play-Off Nears

Simon Moye and Bill Allen will meet for the championship of the Greenville Country Club following their decisive victories yesterday afternoon in the semi-final bracket. Moye defeated Erzell Webb on the thirteenth hole after turning the front side five up and Allen won over Tyson Bilbro five and three.

Allen has won the championship cup on two previous occasions but this will be the first time he has met Moye in the play-off. The match will be played this Sunday with the tee-off time set at eleven o'clock. Champion Moye shot a brilliant 73 yesterday while Allen was playing erratic golf but come Sunday, say the experts, the gallery will see one of the tightest matches on record.

In the other matches played yesterday Dr. J. M. Barrett defeated Howard Waldrop on the eighteenth hole to win the second flight and Herbert Waldrop defeated Billy Morton, three and two, to win the third flight.

shot being the base snatchers. Two sacrifices were made both by the visitors with Webb and Ballentine sharing honors in this division.

Ray Goodman, of Williamston Coastal Plain League Prexy, was among the spectators of last night's game here. He was accompanied by his son, Ray, Jr.

That "experience is the best teacher" was definitely proven in last night's fracas. In the starting lineup for Manager Charlie Munday only one rookie was in action, whereas in the local lineup three rookies were in play—all in the infield.

Bill Kennedy, ex-Rocky Mount star, captured his fifth victory without a loss as the Chattanooga Lookouts were victorious behind him in a recent game.

Merle Blackwell, third sacker of the Greenies last season, has been given his release by the Rocky Mount Leafs and is now holding down the second sack for the Roanoke Rapids Jays. Two other Leafs were released this week—Kimmell a pitcher who has also joined the Jays, and Colombo, shortstop, who has gone to the Goldsboro Bugs.

Swamp Norwood, Eagles' center-fielder, who was for a time with the Greenies, is recuperating from a sort arm caused by a "bean ball" hurled at his left shoulder last Thursday night at Tarboro by Bull Hamons. He is expected to be back in the Eagles' lineup this weekend however.

to May 10, does not include commercial fishing. The season usually closes May 1, but the State Conservation and Development Board extended the season to the 10th because high water in streams had caused fishermen to make very small hauls.

This ruling of the department does not include Tar River, where the season closes June 1. It applies to inland, not commercial fishing Teel said.

A Weak, Run-Down Feeling Is Often A Warning

That The Red-Blood Is Getting Low

If you do not feel like your real self, do not have the urge to be up and doing why not check-up on your blood strength? Look at the palms of your hands, your fingernails, your lips, the lobes of your ears—are they pale and of color?

Every day—every hour—millions of tiny red-blood-cells must pour forth from the marrow of your bones to replace those that are worn-out. A low blood count may affect you in several ways: no appetite, underweight, no energy, a run-down condition, lack of resistance to infection and disease.

To get real relief you must keep up your blood strength. Medical authorities by analysis of the blood, have by positive proof shown that SSS Tonic is amazingly effective in building up low blood strength in non-organic nutritional anemia. This is due to the SSS Tonic formula which contains special and potent activating ingredients.

Also, SSS Tonic helps you enjoy the food you eat by increasing the gastric digestive juice when it is non-organically too little or scanty—thus the stomach will have little cause to get balky with gas, bloating and give off that sour food taste.

Don't wait! Energize your body with rich, red-blood. Start on SSS Tonic now. As vigorous blood surges throughout your whole body, greater freshness and strength should make you eat better, sleep better, feel better, work better, play better, have a healthy color glow in your skin—firm flesh fit out hollow places. Millions of bottles sold. Get a bottle from your drug store. SSS Tonic helps Build Sturdy Health.

Every Line is a look at Tomorrow

You spot it on the highway every time a Buick comes along:

Here you meet the future face-to-face.

Here you see the clean, rich, uncluttered design that marks the swing away from what was to what is going to be.

Here's the sweep and flow of fender line that's called for by a streamlined age—here's the solid, steady look that spells roadability—the broad beam that means room—the massive bonnet that tells of Fireball power aplenty.

Here's grace, here's ability, here's sturdy dependability—all wrapped up in one handsome package that's not merely up-to-the-times but ahead of it.

Here are the good looks that bespeak good works; you hardly have to be told of precisions carried to ten-thousandths of an inch, of materials searched out from the finest to be found.

Any wonder that such a creation is America's most wanted automobile? Any wonder people pass up cars that may be easier to get to wait for a car that's going to stay fresh and new and modern-looking?

The simple fact is that you're buying in the future when you buy any good car today.

Why not settle on the one that most obviously foretells what the future will be—that has the most in it of what is to come?

Buick dealers' showrooms are kept pretty bare of display models by the eagerness of Buick buyers to "take over" the first minute they can.

But you'll be greeted in every one of them with courtesy and sincere interest in getting your Buick at the first minute possible.

Drop in—talk it over—and insure yourself a happy future by placing your order now. We'll take it, with or without a car to trade.

BAPTIST MEET OPENS TODAY

Over 8,000 Delegates And Visitors Expected To Attend

St. Louis, May 7—(AP)—The Southern Baptist Convention, following a theme of "Human Destinies—God's Destiny," opened today with more than 8,000 delegates and visitors expected to attend the sessions which will continue through Sunday.

A pre-convention meeting of 1,000 Baptist pastors yesterday was thrown into an uproar when Dr. J. Frank Norris, Fundamentalist leader of Fort Worth, attempted to gain the floor. He said he desired to question convention President Louie D. Newton of Atlanta concerning his views on Russia.

Dr. M. E. Dodd of Shreveport, La., chairman of the meeting, asked the audience if it desired to hear Norris' questions and there was a thunderous reply of "no." Norris then left the meeting.

The Fort Worth pastor said last week he opposed Newton's re-election on grounds of what he termed Newton's "appeasement attitude toward Russia." Norris' church has not been a member of the Southern Convention for many years.

India . . .

of the All-India Congress (predominantly Hindu) and vice president of the Indian interim government. And it shortly became apparent that a discussion of a possible partition of the country to satisfy Moslem demands was boiling up.

Mahatma Gandhi, spiritual guide of the Hindus and the most powerful individual in all India, also conferred with the new viceroy and sounded the note of compromise. If peace comes to India, there can be no doubt that Gandhi will have played a major part in bringing it about. He even has advocated Jinnah as first president of India's new government, and joined with the Moslem chief in signing an appeal for a cessation of the bloody rioting between the Moslems and Hindus in many parts of the country.

The little mahatma has been taunted in his support of Mountbatten's efforts to bring about accord, and has conferred with the viceroy twice within the past week. On the last occasion Gandhi, while declining to disclose details of the conversation, did deliver a verbal rebuke to the leading All-India newspaper in Delhi—the Hindustan Times—for saying that doubt about the viceroy's motives had come to some members of the Congress. Now it happens that the editor of the Times is Gandhi's own son, Devadas, who is one of India's widely known personalities in his own right.

Reynolds Plant Strike Still On

Winston-Salem, N.C., May 7—(AP)—The strike of the United Tobacco Workers, FTA-CIO Local 22 against the R. J. Reynolds Tobacco Company entered its second week today while conciliators conferred separately with both sides in the dispute.

The union said its primary aims are a 15-cent hourly wage increase and union security. Of the 10,000 maintenance and production workers normally employed by the company, Reynolds said that 5,000 were on strike while the union placed the figure at 8,000.

Edwin K. McCrea, representative of the FTA, assigned to Local 22 said the union plans setting up soup kitchens the latter part of the week.

Opposition forces in the House were throwing their full weight behind a move to shunt the whole issue to the United Nations. And the outcome was in doubt. A similar effort in the Senate failed. Creating Good . . .

(Continued from Page One)
For next year the Department wants \$31,600,000. Congress may let it have only part, or not a dime.

Every week, through short-wave broadcasts in 25 languages, the Department shoots out 400 hours of programs.

These include straight news, features and information about America.

(Last month, officials say, the Department received 25,000 letters in 40 languages asking for more information or special information.)

Documentary films in 20 languages are sent to about 83 countries on such things as making steel or autos or fighting tuberculosis. About 15,000,000 people a month according to the State Department see these films.

The officials say that nowhere do they compete with commercial films but are shown in places like churches and meeting halls abroad. Libraries—attached to American consulates or embassies in 41 countries—have been stocked with 103,000 books, mostly in English.

Eisenhower Says Corps Is Safe

Washington, May 7—(AP)—Gen. Dwight D. Eisenhower, backing legislation to put the armed services under a single Cabinet officer, said today there is no reason for concern that the Army would then swallow up the Marine Corps.

The Army Chief of Staff told the House Expenditures Committee that more than a year ago he proposed a Marine Corps of 50,000 or 60,000 men—about three times its pre-war strength.

He said he was agreeable to any protection for the Marine Corps' future that Congress cared to write into the legislation.

Bridges said that "apparently word has gone out from the Post-office Department to postmasters all over the country instructing them that it is necessary to cut down mail services because of failure of Congress to provide funds. UMW chiefs yesterday. The two sides were called together by the coal mines administration in an attempt to get a contract that would avert a walkout when the government gives up control of the bituminous pits.

The deadline for restoration of the mines to private operation is only 54 days away. The UMW traditionally follows a policy of no contract, no work.

The Southern Association claims to speak for operators producing about one-fourth of the nation's soft coal. It said in a statement that its members are willing to talk contract with the UMW but it wants to negotiate only for those operators for whom the association speaks.
