APPROVE PLAN FOR HOSPITAL WITH 90 BEDS

Dr. W. S. Rankin, Head Duke Endowment, Confers With Leaders Here

By CHESTER WALSH The members of the Pitt County Memorial Hospital Committee and representatives of the various civic and commercial organizations, at a meeting at the college yesterday afternoon, voted unanimously to accept the suggestion of Dr. W. S. Rankin, head of the Duke Endowment, that Pitt County plan to make application for a 90-bed modern hospital under the congressional Hill-Burton Act and the State Medical Care Commission Act.

"If Russia Thinks This Is A Declaration Of War, Let Them Make The Most Of It" Says House Foreign Affairs Expert

Washington, May 9—(AP)—The House rejected today a proposal to bar sending of American combat troops to Turkey and Greece as part of the administration's program to curb communism in southeastern Europe.

amendments, and agreed with Rep. Rankin (D-Miss.), that the proposed changes would tie the hands of President Truman in the effort to curb the spread of communism.

A member of the foreign affairs committee, Merrow cried out: "I wonder what we are afraid of. The security of the United States is at stake. There are no longer any frontiers. Stalin and his associates are expanding."

"In Greece, they are ready to take over. I wonder how long we are going to continue to be insulted before we take a firm stand?" Rankin broke in to declare that Russia has more than 200 spies in this country alone.

"If this action," said Merrow, "is going to persuade Russia to fight there is nothing that we can do about it."

Rep. Fulton (R-Pa.), told the House "we had better be tying somebody else's hands instead of our own. If you adopt these amendments you will put handcuffs on our foreign policy."

Supporters of the bill are confident that they have the votes to ward off continuing attacks upon the measure designed to bolster the two Mediterranean countries now against communistic pressures.

The late President's executors made it plain they will not voluntarily permit an unrestricted search of his papers.

Chairman Brewster (R-Me.) told newsmen he will discuss with Burton K. Wheeler, the committee's special counsel, whether to be satisfied with documents which Mr. Truman has told the executors to provide.

As an alternative, Brewster said, the committee could issue a subpoena requiring the Roosevelt estate to give investigators full access to the files. They are packed in 185 cases weighing 40 to 50 tons.

Basil O'Connor, Roosevelt's former law partner and one of the executors, told the committee at a closed session yesterday "if we are subpoenaed, we have to act in accordance with whatever the subpoena requires us to do."

But he added: "We would not voluntarily permit the examination of the papers by anyone, even on the request of the President."

Cherry To Name Horton, Blythe To Party Posts

Raleigh, May 9—(AP)—Governor Cherry said today he would recommend former Lieutenant Governor Wilkins P. Horton of Pittsboro for chairmanship of the North Carolina Democratic executive committee and State Senator Joe L. Blythe of Charlotte as national Democratic committeeman from North Carolina.

The state chairmanship is being vacated by the resignation of William B. Umstead of Durham, now in the U. S. senate.

Orton now is national committeeman and that post will be vacated when he becomes state chairman of the party.

Governor Cherry will make the recommendations to the state Democratic executive committee which meets here this month at a date yet to be fixed.

FRANCO ENDS MAJOR STRIKE

Spanish General Walkout Crushed By Mass Arrests

Bilbao, Spain, May 9—(AP)—Generalissimo Francisco Franco's Government appeared today to have crushed a general strike which virtually immobilized the vital steel industry in this area for eight days—the strongest demonstration by Spanish industrial workers since the Civil War.

Most workers returned to their jobs yesterday, penalized by loss of seniority and wage reductions, and informed sources here said they expected the walkout would be ended completely today.

These informants calculated that 30,000 of an estimated 45,000 workers in steel, heavy machinery, shipbuilding, mines and construction work stayed away from their jobs.

Except for publication of anti-strike decrees in the Bilbao news— (Continued on Page Four)

Greek Cabinet Talking Amnesty

Athens, May 9—(AP)—The Greek Cabinet was summoned today to emergency session today to consider a proposal that amnesty be granted to all guerrillas under the supervision of the United Nations.

Informed sources said a virtual crisis was impending over the issue, since there was known to be serious objection within the government, on the part of strong leaders, against any interference in the internal affairs of the country by the United Nations.

Doing Without Food

British Dietician Says "England Is Dying Of Starvation"; Gov't Disagrees, But Calories Per Day Are Lower Than Required; Effects And Fierce Strain

It isn't easy for a hungry like ours, which never has been hungry on a national scale, to understand just what is meant by the distinguished British dietician, Dr. Franklin Bicknell, when he states in "The Medical Press" that "England is dying of starvation" and that "as a nation we must literally perish" unless food stocks improve.

And we don't get much help from the British Government's estimate of the situation, which is that despite the admittedly short rations, the country's overall health has been better than before the war because of more equitable distributions of foods. What that means, I take it, is that the folk who used to be very hungry are less hungry now, and those who once were blessed with an abundance have been reduced to the general level. Anyway, the Government emphatically denies that England is starving.

The problem seems to be qualitative rather than quantitative. That is to say, people are getting enough bulk in their tummies without securing the necessary nourishment—fats and so on.

Dr. Bicknell states that the foods available, outside of restaurants, provide a diet of less than 2,100 calories daily. He says the average moderately active man needs 3,000 calories and the average housewife 2,500 calories, daily to provide the energy necessary for a full day's work.

The bad effect of a diet so short in calories is cumulative. "Healthy people can stand it for a time, but when they get it day after day, month after month and year after year, as the Britons have been doing since back in war days, then health suffers. The awful monotony of it is in itself a nerve breaker. Continuation must mean a collapse."

The shortage of foodstuffs in England is due to several causes. For one thing she imports the bulk of her food and there is such a great world shortage now that many countries are running on dangerously low rations. Then Britain, despite her own needs, is spending something like \$300,000,000 this year to help feed the inhabitants of the British occupied zone of Germany.

MOTHERS' DAY PARTY MONDAY

The Daily Reflector and Pitt Theatre will hold their annual Mother's Day party at the Pitt Theatre Monday afternoon, May 12, at which time they will be hosts to all Pitt County mothers 55 years of age or older.

Mrs. Morton's Bakery, Greenville Floral Company and AA Taxi company are cooperating in the party to make it more enjoyable for the mothers who attend.

The doors of the theatre will open at 12:45 p. m. and mothers of the required age will be admitted free until 1:30 p. m.

The picture for the occasion will be "No Leave, No Love" a comedy romance, starring Van Johnson.

Mr. Herring, of the AA Taxi Company will furnish free taxis for mothers who do not have means of transportation to get to the show. Mothers availing themselves of this service will please get their calls in early.

Upon arrival at the theatre the mothers will be presented bouquets through the courtesy of Mrs. Miller, of Greenville Floral Company. A cake for the oldest mother in attendance will be furnished by Mrs. Morton's Bakery.

All mothers of the required age are cordially invited to attend and enjoy the party.

Be sure to fill out the ticket below and present it at the theatre door for admission.

HEX' TACTICS IN COURT FAIL

Colored Conjuror Tries Wares On Judge; Loses Case

By CHESTER WALSH In Civil Superior Court yesterday morning, Judge Luther Hamilton of Morehead City resented having "goof powder" sprinkled around his bench by a reputed "faith healer" to "voodoo" him in favor of a defendant in court, and the Carteret County jurist said with emphasis, His Honor particularly resented the "hexing" tactics after he had last Monday set a precedent in Pitt County Superior Court by having Rev. Robert W. Bradshaw open the court with prayer.

The civil action in which Leroy Moore and his wife, Dora Moore Negro tenants of the Griffon community, were suing Jesse Edwards 55-year-old Negro farmer and "faith healer", for \$669.23 on their part of a crop and \$330 for Edwards' hogs damaging stacked peanuts in a field.

When the trial started Wednesday morning, the courthouse janitor observed a peculiar powder sprinkled on the floor near the judge's bench, jury box and the witness stand. Yesterday morning the janitor caught the Negro "faith healer" sprinkling "goof powder" in the same places to conjure the judge, jury and witnesses, and halted Edwards before Judge Hamilton.

His Honor warned the Negro (Continued on Page Four)

Eisenhower To Appear In Trial

Washington, May 9—(AP)—Gen. Dwight D. Eisenhower, Army Chief of Staff, has been summoned as a defense witness in the war fraud conspiracy trial of former Rep. A. J. May.

Counsel for May disclosed today but indicated to reporters, however, that Eisenhower would not be called to the stand until the defense begins presentation of its case.

Secretary of State George C. Marshall has also been summoned to testify at the trial of the ex-congressman and three others on charges that May accepted bribes to intercede with the War Department on behalf of a wartime munitions firm.

Five Boys Selected To Attend Legion Affair

Billy Williams, Junius Rose, Tommie Diener of Greenville, Joseph Edwards, Winterville, and Jimmie Spain, Route 4, Greenville, have been selected by Post 39 to represent Pitt County at the American Legion Boys' State which will be conducted at the University of North Carolina, Chapel Hill, June 8-15, 1947.

James R. Worsley, chairman of the Post's Boys State Committee, in announcing these awards stated that the policy of the Legion was to select sons of Legionnaires where they met the high requirements for selection. He further stated that the committee's awards were made in cooperation with the principal of Greenville High School, City Superintendent and County Superintendent of Schools.

Two of the boys are sponsored by the Pitt County Post Number 39 of the American Legion, one by Vouture 1198 of the Forty and Eight, one by the Pitt County Bar Association, and one by the Elks Club of Greenville.

Boys' State is a fast moving program with every hour needed to be applied to the business of Boys' State, there will be sufficient time allotted for recreation and athletics. Boys attending will have privilege of the new university swimming pool, baseball, soft ball diamonds and tennis courts.

The purpose of Tar Heel Boys' State is to train and inspire the youth of North Carolina in full realization of their responsibilities and to teach them the duties, rights and privileges of citizenship through participation in governmental functions.

SENATE VOTE

Washington, May 9—(AP)—The Senate rejected today a proposal by Senator Bill (R-Min) to permit individual employers to seek injunctions against strikers' pickets and secondary boycotts.

The vote was 62-28. Defeat of the bill amendment to pending labor legislation opened the way for action on a substitute proposal by Senator Taft of Ohio.

Taft proposes that employers be authorized to sue for damages in such cases but would not permit injunctions to be sought by private individuals.

VFW ENDORSES TEACHER AID

Supplement Tax For Higher Teaching Salaries Is Supported

The Veterans of Foreign Wars held their regular business meeting last night at which time Larry Avrette, past commander, spoke on the proposed supplement tax of 15 cents on the hundred dollar valuation to increase teachers salaries here. After many members spoke favorably, the post voted unanimously to endorse the supplement.

According to information of the State Board of Education, the Greenville City Schools are at the bottom in comparison with other cities when it comes to supplementing State School Funds. The citizens of Greenville will have a chance to correct this on May 27 when a special election will be held. A new registration is required in order to vote in this election. If a person registers and does not vote then that is the same as voting against the tax.

Final plans were made for the VFW State Encampment to be held in Beaufort on June 2, 3, 4 and 5. Commander Lewis appointed eight delegates to the encampment and the post voted to pay the expenses of Commander Lewis and Past Commander Larry Avrette to his convention.

Jack Whitley, Donald Cuthrell, and Sam Roberts will represent the post at the First District Convention to be held in Elizabeth City Saturday, May 10. This convention (Continued on Page Eight)

Arrest Man In Nine-Year-Old Murder Mystery

Murphy, N.C., May 9—(AP)—A 52-year-old resident of Brassstown, identified as Roy Sroggs, was in the Cherokee county jail today on a charge of murder in connection with the death of a man nine years ago. Sheriff Frank Crawford reported.

Crawford, who with State Highway Patrolman Charles Galloway arrested Sroggs, said they had acted on the basis of new evidence in the death of Wayne Zimmerman 34, who disappeared July 2, 1938. A skeleton, identified by members of Zimmerman's family as being that of the missing man, was found Dec. 17, 1938.

The arrest was made on a warrant sworn out by J. C. Zimmerman, father of Wayne. Crawford said it was the third time Sroggs has been taken into custody in connection with the case.

Willie Francis Dies On Second Trip To Same Chair Which Failed Before

St. Martinville, La., May 9—(AP)—The State of Louisiana succeeded today in its second attempt to electrocute Willie Francis.

The stuttering 18-year-old Negro, convicted in a holdup killing, died calmly in St. Martin parish jail here today in the state's portable electric chair—the same chair from which he walked away on May 3, 1946, after a loose connection had caused the deadly current to be diverted from his body and into the ground.

RIOTS SPREAD IN SHANGHAI

Inflation-Ridden City Tied Up By Demonstrations

Shanghai, May 9—(AP)—Riots, demonstrations and strikes spread through inflation-plagued Shanghai tonight.

Employees of the Government radio administration threatened to walk out if the Ministry of Communications rejected demands for a 60 percent wage boost to meet skyrocketing prices.

Two thousand bus and tram drivers in the former French concession walked off their jobs to stage a mammoth parade.

More than 15,000 silk workers demonstrated against the Government's freezing of wages at the January level.

As dusk fell, extra police were called to form a cordon around the administration building. An estimated 8,000 students and workers (Continued on Page Eight)

Joins Foes Of Milk Regulation

Greensboro, N.C., May 9—(AP)—Dr. F. K. Harder, Greensboro health officer, has joined opponents to the proposed state-wide milk regulations.

Appearing before the traveling milk committee of the State Department of Agriculture here yesterday, Dr. Harder took the floor repeatedly to maintain that there should be no upward revision of milk controls now embodied in the United States Public Health Service Code.

Milk producers and consumer representatives from throughout the Piedmont section converged at the committee's public hearing to speak their minds on regulations being prepared for submission to the Department of Agriculture.

SALES LADY Morrisville, Pa., May 9—(AP)—Guild ladies of Morrisville Presbyterian Church were having a rummage sale and Church Custodian Richard Watkins peeled off his new topcoat to help.

But he couldn't find the coat when the sale was over. One of the ladies sheepishly admitted she had sold it.

"Got a good price for it, too," she said.

PHONE UNIONS WON'T CROSS PICKET LINES

Returning Workers Pledged To Honor Those Unions Still On Strike

New York, May 9—(AP)—Groups of long distance telephone employees returning to work following settlement of the long lines phase of the nationwide strike refused today to cross picket lines of other unions still on strike.

"The workers were members of the American Union of Telephone Workers whose 20,000 members from coast to coast were slated to begin returning to work at 6 a. m. in the various time zones across the country, but remained 'pledged to honor the picket lines of any affiliated union.'"

This policy was stated by the A. T. & T. executive board, which last night approved a wage agreement calling for weekly increases generally ranging from 52 to 54. The agreement had been reached in Washington earlier in the day by union negotiators and representatives of the American Telephone and Telegraph Co., parent organization of the Bell System.

In Washington, officials of the National Federation of Telephone Workers, which called the April 7 strike, estimated that about 250,000 of the 287,000 members of NFWW unions who walked out still were on strike. About 50,000 workers not affiliated with the NFWW, but who had joined the strike, have returned to work under wage agreements.

Most of the workers still on strike belong to regional unions which this week began negotiations with various Bell System companies following termination of NFWW efforts to reach a national settlement.

Kinston Police Arrest 'Bogus' Check Flasher

By CHESTER WALSH Arthur L. Cox, 30-year-old white man, who was arrested in Kinston yesterday afternoon for driving without a license on his car and no driver's license, after he wrecked a car there, will be brought back to Greenville for trial for giving a worthless check for \$900 in payment for a car to Lewis W. Herring, owner of the AA Taxi Service here, several days ago. Sheriff Ruel W. Tyson went to Kinston today to bring Cox back.

Authorities said Cox bought a used car from Herring and gave a check for \$900. Herring was told by a Washington bank that Arthur L. Cox did have an account there. When the check went through for collection the bank learned that this Arthur L. Cox, who gave the check, was not the man who had an account there and turned it down.

Police were on the lookout for the man and yesterday were informed by Kinston police that they had him in custody on other charges. After trial for the bad check in Greenville's, Cox will be tried in Martin and Beaufort counties on several warrants.

Arrest Man In Nine-Year-Old Murder Mystery

Washington, May 9—(AP)—Henry Wallace and, once in a while, some others have talked vaguely of a third political party.

The party would be backed, if it came into being, by people dissatisfied with the Democratic and Republican parties.

But there is no sign of that happening soon. There is no movement in that direction. It it happens, putting the party together won't be easy.

A number of third parties in this country have arisen and faded. To be successful, a third party would need:

- 1. Good leadership. 2. A program to attract voters from the Democrats and Republicans. There's no such program now. 3. An organization capable of competing with the Democrats and Republicans in getting-out votes. This really would be tough. An example of what a third party would be up against is made pretty clear in the May issue of the Atlantic Magazine. In that magazine is a very cold-blooded piece of practical politics by Edward J. Flynn, called "bosses and machines." Flynn, friend of the late Pres-

There was another tremendous rain here Wednesday evening.

## Girl Scout News

Troop 12 with their leader met at the Rotary Club Wednesday afternoon and went to Dickinson Avenue to visit the Pepsi Cola bottling plant. A member of the firm conducted the Scouts all through the plant. They saw the huge vats where the syrup was mixed to be placed in the bottles with the carbonated water. They were interested in how the bottles were washed, sterilized, filled, capped, and the method used to thoroughly mix the liquid in each bottle. Probably the most enjoyable part of the trip was climbing the construction building of Pepsi Cola. It was given complimentary admission. It will be a trip long remembered.

Sixteen girls from troop 1, Mrs. B. Lee's troop, will spend the week-end at Camp Hardee. The acting executive secretary will accompany them, and the S. out office will be closed Friday afternoon and Saturday morning.

Traditional colonial dresses with hoop skirts set the festive spirit for Greensboro College's annual May Day procession and coronation Saturday afternoon, May 3. On the sides of the May Queen Janice Whitley of Durham, are shown her attendants and their escorts. With Miss Whitley are her maid of honor, Jane Massey of Greenville; crown bearer, Beepy Woodard of Princeton; flower girl, Cindy Underwood of Greensboro; and trainbearers, William McGinty of Charlotte and Susie McNeely of Greensboro. Class attendants were Carolyn Ellerbe of Rock-

## Elks Elect New Members To Lodge

At a meeting of Greenville's Lodge No. 1645, Benevolent and Protective Order of Elks, last night three new members were elected. They are R. Hans Scheller, brother of Felix and manager of the Greenville Full Fashioned Hosiery Mill; Herman L. Norris, manager of the Elks Club; and Joseph D. Exum, tobacconist with the Imperial Tobacco Company. They will be initiated at a lodge meeting on Thursday, May 22. A free barbecue supper will be served at 6:30 that night. Judge Albin Dunn, exalted ruler, announced.

The Grand Lodge of Elks will hold its annual convention in Portland, Ore., the latter part of June. Judge Dunn was elected a delegate from the Greenville lodge.

## Strength FOR THE DAY

By EARL L. DOUGLAS

**THE IRREPRESSIBLE VOICE**  
A completely contented person is a rarity. Almost everyone allows his eyes to wander restlessly along the horizon or over his neighbor's fields, wishing that something he sees in the distance might be his.

In our blindness we think the things of this world would satisfy us. One thinks, "If I could only blot out my wasted years and recover my youth and begin life over again, I would ask nothing more." Another says, "When I reach a position of influence and honor, when I get that office, I shall rest on my laurels and be content." And many a one imagines, "When I have made my fortune, when I reach the hundred thousand dollar or million dollar mark I shall stop and be satisfied."

But in all these thoughts men are deceiving themselves. No sooner do they obtain these things than they want something more. Often the more of them a man has, the more restless and dissatisfied he is. Such attainments feed the lower nature but not the higher nature. They do not reach the deepest needs for life—forgiveness for sin, comfort in sorrow, faith and guidance in the presence of the mystery in which we are enveloped. They do not satisfy the religious nature of man. They leave out God. The immortal part of us may have its voice stifled in the rush of business and the whirl of pleasure, but there are times when it cannot be hushed and will cry out.

## WASHINGTON LETTER

### EAST MEETS WEST AT BUFFET TABLE IN INDIAN AFFAIR

By JANE EADS  
Washington—East rubbed elbows with West and nudged for a place at the buffet table as more than 800 persons gathered to welcome slight, silver-haired Asaf Ali, India's first ambassador to the United States.

Pretty dark-eyed women in colorful flaring saris, and turbaned, bearded gentlemen mingled with business-suited official Washington and their ladies in feathered and flower-laden spring hats in the great ballroom of the Mayflower Hotel.

The party was given by the Indian National Committee for India's Freedom. The receiving line was almost as long as the buffet table, which stretched from here to there. A fountain at one end of the room bubbled a golden fruit punch, and in a far corner was a bar where manhattans, martinis and daiquiris were served.

The ambassador wore his native "a-hkan" costume—a knee-length, buttoned black tunic over tight white trousers—bowed to each guest with great distinction and conversed in beautiful English.

In the receiving line, besides Dr. Anup Singh, secretary of the committee, were two Indian women representatives to the UN. One, in an exquisite dull blue sari with gold threaded border, was Mrs. Hansa Mehta, delegate to the Human Rights Social and Economic Council of the UN. The other, in a sari of pale ivory and gold, was Mrs. Hamid Ali, delegate on the status of Indian women.

No less picturesquely garbed was Mrs. Ali's husband, in wadded robes of the same color as his wife's richly embroidered in gray, and a tall black headdress.

Youngest guest at the party was doll-like, two-year-old Ajit Grewal, nonchalantly surveying the throng from his perch on his father's left arm. Mr. A. S. Grewal is deputy educational liaison officer at the embassy.

There were a number of Sikhs in the throng. They all wore different colored turbans and boasted fine black beards. One beard was up-swept and lightly tucked-in like an upside-down page-boy hair-do.

Ambassador Asaf Ali was born in Delhi in 1888. He was educated in Delhi and at Lincoln's Inn, London, where lawyers are trained. In 1935

and, in 1945 he was elected by the joint votes of both Hindus and Muslims to the central legislative assembly in Delhi.

Like Gandhi and Nehru, he has spent considerable time in prison as a civil resister. He is a student of Urdu, the literary language of India and one of the higher forms of Hindustani.

Asked when his wife, who is equally famed as an Indian leader, would join him, Asaf Ali smiled broadly and said:

"That's the \$54 question."

ore for a third political party, if the AFL and CIO wanted one.

If those 15 million workers backed a third party, and each could command one other vote, that could be a total of 30 million votes.

If you don't think that would be a tremendous force in an election just remember that only about 32 million voters in this country cast a ballot in the 1946 congressional elections.

Meanwhile, any talk of a third party is just talk, and vague talk at that.

overcome the country's economic crisis. The people are being asked to tighten their belts in order to save this money.

The general public continues to take it on the chin without much complaint, but the drawn faces bespeak the fierce strain. One of the worst aspects of the situation is that this austerity crusade is likely to continue for several years. That being so, the prospects look very grim indeed in light of Dr. Bicknell's pronouncement.

The organization of the demonstration and strike was attributed generally to the Spanish National Front.

The Basque Government in exile in Paris estimated the number of strikers at 50,000 and charged last night that Spanish police had arrested 6,000 of them. It said Spanish prisons were so full that Franco's men were using a bull ring as a jail.

Our prayer for the week: Lord, purify our hearts from pride lest we destroy that for which we have fought and sow the seeds of another whirlwind. Help us to seek justice in this war torn world, justice for those who have transgressed and justice for ourselves. Comfort those who sorrow, strengthen the weak, lend a path to the wandering and give friendship and love to the lonely.

### High School's Softball League Has Tight Race After Thursday Games

Billy White's White Sox defeated the Blue Devils yesterday by the score of 10 to 4. By virtue of this win and the Wolves' loss to the Bears, the Sox moved into a tie with the Wolves for first place. Dave Clark's Bears defeat of the Wolves enabled them to move within a game of the leaders.

In the Junior League, Billy Jordan's Kilroys continued to dominate things with a sound thrashing of the Flies by the score of 22 to 2. In the other game in the Junior League the Red Devils won 17 to 9. In the Wolves-Bear game, the Bears outplayed the losers in the field and hit at opportune times. Dennis Cooke, with a single, double and triple and Rex Guthrie, Dave Clark, Hugh Hardee and James with two hits each led the Bears. Willie Lewis, with two singles and two doubles and McLawhorn with three singles led the hitting for the losers.

The Blue Devils went down before the improving White Sox by the score of 10 to 4. "Yo Yo" Jordan and Sam Northrup got three hits each for the winners. Joe Ailgood with a double and Allen with

two singles led the losers at bat. Captain Billy Jordan's Kilroys overpowered the Flies in 22 to 2. Ed Hill, with three doubles and a single, Paul Conway, with a homer, double and single and Saied and Jordan with three singles each led the hitting for the winners. Bobby Flye got a double and single and Lewis Clark a triple for the losers.

In the fourth game the Bobcats came from behind in the sixth to score five runs to take the lead only to have the Red Devils to score seven times in their last inning to win 16 to 9. Bobby Williams with three doubles and two singles and Hallet Clark with two triples and two singles led the attack for the winners. Bobby Bradshaw with a triple and two singles and Jack Neilson, Roberson and Carawan with two hits each led to the losers.

### DIAMOND DUST

By BERT MOYE

Gus Rogers, who was sent up here by Smithfield of the Tobacco State League for a try out by the Greenies, was returned to that club yesterday.

Tony Mendillo, who asked for his release from the Greenies that he might join the Roanoke Rapids Jays, has been released to that club.

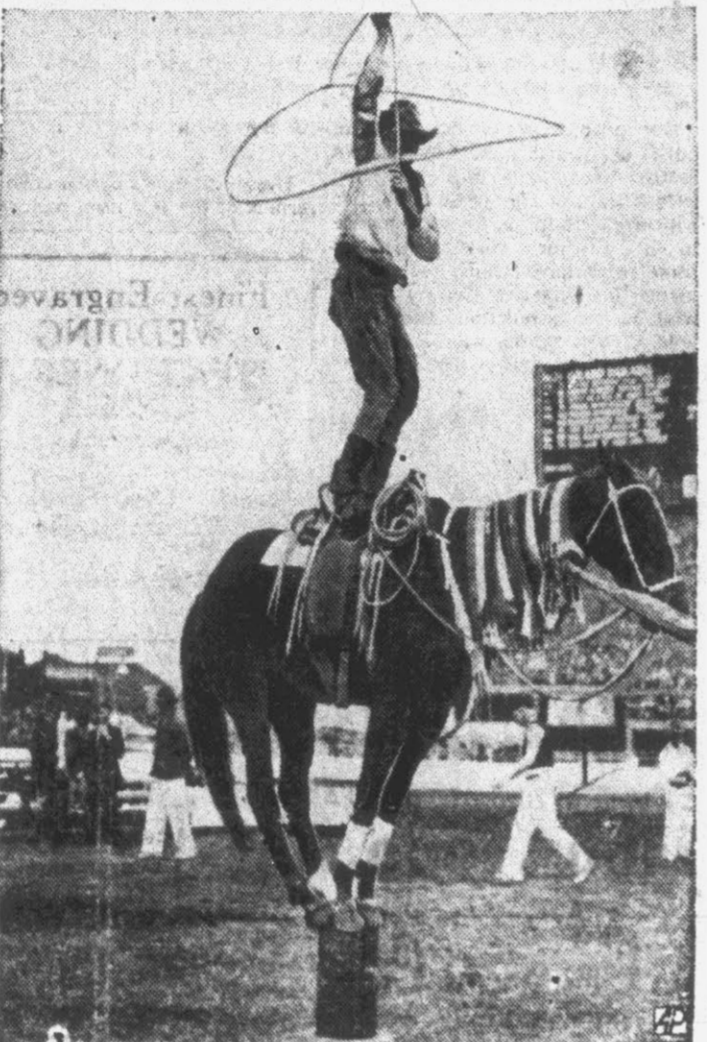

Among the spectators at last night's game in Roanoke Rapids was Verne Blackwell, former Greenie outfielder. Verne was recently hurt in the knee during a game with the Leafs and will be out of action for about a month. He was sitting back of the Greenies' dugout during last night's fracas.

Manager Johnny Pare announced today that Johnny Foell will be on the mound when they tackle the Jays here tonight. Johnny has had hard luck this season and will be out to top his first win after losing three games.

To you fans who like to boo the umpire, it is the request of the scorekeeper that you refrain from doing so at the time he is making an announcement in regard to new players entering the game. It is of utmost importance that the scorer

### WORN OUT FROM GETTING UP NIGHTS?

If you get up nights—have frequent desire to pass your water—yes, and have backache, due to excess acidity in the urine, be glad you're reading this: Three generations ago Dr. Kilmer, a famous doctor, found hundreds of his patients with this trouble. So he made a medicine of 16 herbs, roots, vegetables, balsams. He called it "Swamp-Root." Millions of men and women have taken it—often with amazing results. Swamp-Root goes right to work to flush out kidneys... increases flow of urine, helping relieve excess acidity... so the irritated bladder gets a good flushing out, too. Many report getting a good night's sleep after the first few doses. Caution: take as directed. For free trial supply, send to Dept. R, Kilmer & Co., Inc., Box 1255, Stamford, Conn. ### Mauney Again Leads Greenies At Bat In Seventh Consecutive Loss

By BERT MOYE Timely hitting aided by Greenie errors gave the Roanoke Rapids Jays their second win over the Greenies this season as they took a 6-4 decision in last night's game at Simmons Park in Roanoke Rapids. The loss for the Greenies was their seventh in a row. Four singles, a double, aided by three runs in the fourth frame after scoring in the first and third to give them their victory.

Greenville took a two run lead in the first stanza when Lynch walked, Mauney singled advancing Lynch to third and Mauney going to second on the throw in; Fraker hit to short who threw home to catch Lynch and scored when the Jays' catcher dropped the ball, and Mauney scored when Johnny Pare reached first on a fielder's choice and beat the throw home from second base when Fraker was put out.

After the first frame the Greenies were tied down except in the fourth and eighth innings when they scored one run in each. In the fourth Chute reached second when the Jays' third baseman errored the ball, and scored on Bobby Pare's single. In the seventh frame Bobby Pare reached first on an error, Simmons walked and Rex Benton singled to bring him home.

Joe Alamo, pitching in his fourth game for the Greenies, received credit for the loss, his third of the current season. Joe pitched the first six innings, being taken out in the seventh with none out after the first man up doubled. Alamo was touched for 11 hits, six runs, walked one and struck out three. Rex Benton went into the game at this point and pitched the final two innings allowing one hit, no runs, two strikeouts and two walks. Willard Mauney, Greenies' hard-hitting centerfielder, collected a total of three hits in five trips to the plate and was the only Greenie to get more than one hit. Of the dozen hits by the Jays three were extra

base knocks. Score by innings: Greenville 200 100 010-4 Roanoke Rapids 101 300 10x-6. Corn, tobacco, squash, tomatoes, lima beans, pumpkins and Irish potatoes are native American plants.

### Negro Home Demonstration News

**Pleasant Plain H. D. Club**  
Sixteen members of the Pleasant Plain club met for their first meeting in H. D. work on April 3, at the home of Mrs. Lydia Dixon, vice president of the club. The meeting was opened by singing America The Beautiful and reading the club collect. The roll was called with an additional ten new members joining.

Mrs. Capehart, Home Demonstration agent, demonstrated measuring the happiness in our home which could be done by checking ourselves as parents. As so many times we don't understand our family which in many instances causes unhappy homes.

The hostess served a delicious dessert and drink. The meeting was closed by repeating a "Parent's Prayer" to meet May 1st at the home of Mrs. Mary Williams.

their regular monthly meeting. The meeting was opened by singing "Be Firm, The Corner Where Your Feet Are," led by Mrs. Lena Hunter followed by the Club Collect. Minutes of the last meeting were read and approved—12 members answered to the roll call.

Excellent reports on gardening, home beautification, sewing and poultry were given by members.

Mrs. Capehart, home agent, was with us and gave the lesson on Family Living and a gracious hostess. We feel that we will be blessed to make the improvements as our agent pointed out to us. After the hostess served we repeated a "Parent's Prayer" and the meeting adjourned to meet at the home of Mrs. Pearl Eaker in April. Visitors were Miss C. Spell and Mrs. Greene.

"Snow White" Is Well Received

"Snow White and the Seven Dwarfs," presented by the Chi Pi Players of East Carolina Teachers College twice on the campus yesterday and to be presented tonight at 8 o'clock at C. M. Eppes Negro High School auditorium, won high praise from leaders in education and community organizations of the city and delighted the audience, made up predominantly of Greenville school children.

Sponsored by Greenville Chapter of the American Association of University Women, the play combined the old fair story singing, dancing, scenery designed for the production, and attractive lighting effects. Dr. Lucile Charles of the college faculty, director of the play, was assisted by a large technical staff headed

ed by Hubert Bergeron of Spring Hope and Gordon Davis of Beaufort, student directors.

Humber Speaks Before Students

Robert Lee Humber, widely known for his plan of world federation spoke before students at East Carolina Teachers College at the regular bi-weekly assembly program on Thursday. Pointing out that a new era has been ushered into the world by the use of atomic energy, Humber said that a way to preserve the world order must be found.

Diplomacy, based on voluntary cooperation of nations and manifesting itself in leagues, treaties and international courts, has proved unsatisfactory as a means of gaining peace, he said. World law, backed by adequate force, he presented as a surer way of bringing about a lasting peace in the world.

Seven Big Fellows Play Parts Seven Dwarfs

Members of the Chi Pi Players at East Carolina Teachers College had been paying Mr. Robert Ripley of "Believe It or Not" fame for the seven big fellows shown in the photograph above are the seven dwarfs in their production of "Snow White and the Seven Dwarfs." All veterans of World War II, the "dwarfs" average 22

years in age, 162 pounds in weight and 5 feet, 9 inches in height. Just how they could shrink themselves into proper proportions for their roles was one of the intriguing secrets of the Chi Pi Players.

The show was presented at the college yesterday afternoon and night to large audiences. It will be given at Eppes Negro High School

tonight at 8 o'clock. Tickets will be on sale at the door.

Reading left to right they are: Front row—Bradley Echoff of Washington, Aubrey Rogers of Manteo, and Robert Wheeler of Oxford. Second row—Almuel Cassey of Kingston, Charles Williams of Erwin, Charles Connor of New Bern and William Craft of Greenville.

Riots Spread . . .

(Continued From Page One)  
packed the streets there, plastering placards on walls and on passing automobile. Student rally leaders shouted slogans against high prices and wage restrictions and "the failure of the Government to keep its promises" to provide effective rationing.  
More than a dozen rice riots were reported.

Block Universal Training With "Full Schedule"

Washington, May 9—(AP)—Republican leaders threw up a road block today against action this year on President Truman's plea for universal training legislation.  
Senator Taft of Ohio, chairman of the GOP policy committee, told a reporter he doubts very much that Congress would be able to take up such a controversial subject and still meet the July 1 adjournment deadline on which he has been insisting.

"There are many other matters of more pressing importance that will take up our full time," the Ohio senator said.

Feeling Fine, Engineer Gives Retonga Credit

Mr. E. B. McMillan "After What It Did For Me I Am Recommending It To All My Friends," Declares Veteran Locomotive Man. Tells About His Own Case

Hundreds of railroad men are praising Retonga and among them the latest is Mr. E. B. McMillan, well-known retired locomotive engineer of the N. C. and St. L. Ry., who for 44 years ran between Nashville and Chattanooga.

"After what Retonga did for me I am recommending it to all my friends," declares Mr. McMillan, who resides in the Watauga Apts., on Park Ave., Nashville, Tenn. "For about seven years I was subject to attacks of irregular bowels and after these attacks I felt so weakened that sometimes I could hardly navigate at all. My appetite went back on me and what I did eat did not seem to digest properly. I felt fagged out, restless and out of sorts from head to foot. I spent lots of money on treatments and medicines but seemed to get nowhere.

"Retonga gave me prompt relief after everything else I tried had failed. My appetite returned, food seems to agree with me and I sleep fine every night. I am always ready for a hearty breakfast now, and another day with my friends up town. I feel better than in years, and Retonga deserves the credit."

Why not try this famous medicine? Retonga is intended to relieve distress due to insufficient flow of digestive juices in the stomach, loss of appetite, Vitamin B-1 deficiency and constipation. Accept no substitute. Retonga may be obtained at Bissette's Drug Store.—Adv.
