

Foreign Relief Money Approved

Senate Passes \$350 Million Foreign Relief Program For War-Ravaged Europe And Asia By Vote Of 79-4; Refuses To Go Along With House-Approved Reduction

Washington, May 14.—(AP)—The Senate approved today a \$350,000,000 relief program for war-ravaged countries of Europe and Asia. The vote was 79-4. It passed the measure after first refusing to go along with a House-approved slash of \$150,000,000 in the amount asked by President Truman and the State Department.

Senator Lodge (R-Mass) said today the United States "must not pour money down a rat hole" and must aid only those countries abroad that carry out their commitments.

Asserting "we have defeated the enemy but we have not won the peace," Lodge told the Senate, this nation has "only begun" to learn the lesson of too fast a demobilization after the war.

Often such differences are split which in this case would mean a final bill providing a \$275,000,000 program.

Senator Lodge (R-Mass) said today the United States "must not pour money down a rat hole" and must aid only those countries abroad that carry out their commitments.

Prospects Dim For Comeback

Rome, May 14.—(AP)—Prospects for Alcide de Gasperi, the four Christian Democrat who yesterday resigned his third postwar premiership might head a fourth government were dimmed somewhat today by the violent personal abuse heaped upon him by leftist party organs.

De Gasperi saw Provisional President Enrico de Nicola early today, but there was no indication yet as to whom the president intended to select to head a new Cabinet. He was not expected to make any announcement for about 48 hours.

Schacht Is Shipped To Internment Camp

Stuttgart, May 14.—(AP)—Hjalmar Schacht, former Nazi finance minister and Reichsbank president, was transferred today from a Stuttgart hospital to a Ludwigsburg internment camp, where he must serve the eight year sentence imposed upon him yesterday by a German denazification court.

Lindsay C. Warren

The "Watchdog Of The Treasury" Has Never Received Power To Prevent Wasteful Spending; His Warnings On Present Business And Governmental Trends

By RAY TUCKER

EDITOR'S NOTE: The following story on Controller General Lindsay C. Warren appeared in papers yesterday throughout the nation in Ray Tucker's daily column "The National Whirligig." We have substituted this feature today in place of Dewitt Mackenzie's column because it is felt to be of interest to local readers.

Controller General Lindsay C. Warren delivered a scorching and enlightening lecture on government waste and extravagance before a private group of the nation's business men who attended the annual convention of the Chamber of Commerce of the United States. He blamed his ultra-conservative audience as well as demagogic politicians for the steadily increasing costs at Washington.

The blunt, North Carolina Democrat surprised his listeners when he explained that, although he is generally referred to as the "watchdog of the Treasury," Congress has never given him the authority to eliminate wasteful expenditures in the executive departments.

"I can send the record of illegal payments or transactions to the Attorney General for action," he said. "But I can do nothing about it when I find that a federal agency is spending billions of dollars recklessly, if it is within the law. All I can do in that case is to call it to the attention of Congress in my periodical reports."

Mr. Warren might have added that his warnings merely provoke a few denunciatory speeches on the Senate or House floor. Despite their cries for economy, Congress rarely pursues his tips to crack down on the offending official or department.

The Kitty Hawk fisherman—he keeps it for his penny-pinching prowling by regular visits to his shore cottage near where the Wright brothers first flew—did not spare (Continued on Page Four)

PLANNING FOR UNIFORM MILK REGULATIONS

Agriculture Department Holds Public Meeting Here; Plenty Grade A Milk Now

By CHESTER WALSH

The sixth and final meeting to discuss regulatory plans with milk producers and distributors and consumers, sponsored by the North Carolina Department of Agriculture, held at the City Hall yesterday was attended by Eastern Carolina producers and distributors from Rocky Mount and all the way to Morehead City, and numerous consumers. The meetings are sponsored by the North Carolina Department of Agriculture. Assistant Commissioner D. S. Coltrane presided. About 50 were present.

A plan is under process of development at the Department of Agriculture to adopt minimum definitions, standards, rules and regulations governing the handling and sale of milk products in North Carolina. The General Statutes of North Carolina, 1943, Chapter 106 Article 12, shall apply in the interpretation and the enforcement of these rules and regulations.

Incidentally, the Department of Agriculture is vested with authority to enforce the regulations of the Pure Food and Drug Act, especially in reference to labeling of products in the various public hearings and then draft standard rules and regulations. After the draft is made the rules and regulations will again be submitted to the public for consideration at a meeting of the State Board of Agriculture in Raleigh the latter part of this month. Assistant Commissioner of Agriculture said the regulations will provide the requirements for the various grades of milk, the butter-fat content, define cream and sour cream, skimmed milk, buttermilk, etc. They will specify sanitary precautions at the dairy barns, in transit, and bottling and classifications by distributors. Grade A milk shall contain not less (Continued on Page Four)

Trailer Camp Is Blitz Victim Of Tornadic Winds

Findlay, O., May 14.—(AP)—A trailer camp was in ruins today and 17 of its residents were hospitalized the results of a two-minute tornado that blitzed over the eastern rim of this northern Ohio city yesterday.

The twister smashed 42 trailers and damaged three others slightly. Some victims were buried beneath their wheeled residences, but swift rescue action extricated them. Three of the 17 were injured seriously.

Inside the city, three employees were injured in the collapse of a municipal barn and two women were hurt, one by window glass and the other by a falling tree.

Preceded by a hailstorm which dropped stones described as about one and three quarters inches in diameter, the tornado dipped into the trailer camp from the southwest. Two minutes later, the funnel-shaped wind mass had sped northeastward.

WAGE OFFERS REVIVE HOPE

The ACEW, a nationwide union of 20,000 installation workers, and the Western Electric employees association, representing 22,000 workers in 21 plants, are involved in the talks. Western Electric is a major unit in the Bell telephone system.

The company made its first wage offer to the ACEW last night and the union modified its demands. Although neither offer was accepted it appeared that the negotiators were closer together than at any time since the walkout began.

S. P. Schwartz, labor relations manager for Western Electric's installation division, said the company offer was as follows: Increases ranging from \$2.40 to \$3.20 a week plus an average of \$1.03 in "special" payments, totaling \$3.43 to \$4.23 a week depending on the region involved.

Eight Freight Cars Derailed Near Charlotte

Charlotte, N.C., May 14.—(AP)—Eight Southern Railway freight cars were derailed today four miles west of Charlotte on the Gastonia road, completely blocking traffic on the double-tracked main line.

Three partially demolished cars were astride the southbound track. A diesel-engine northbound freight, about 85 cars long, became uncoupled 15 cars from the caboose.

Wrecked cars, which apparently proceeded about 200 feet after the first was derailed, included six box-cars, a tank car and a flat car. Wheels of the wrecked cars were scattered along both sides of the right of way.

The derailment occurred at 10 a.m.

Babies Bound For Europe

Three babies bound for Europe are weighed in at La Guardia Field in New York before their mothers took them aboard an airliner bound for Berlin. The babies and their mothers are enroute to join their fathers and husbands who are with the armed forces in Germany. (AP Wirephoto).

Arabs Open Last-Ditch Fight In UN Assembly

Russia Recommends Creation Of Dual Arab-Jewish State; Ask British Mandate Be Terminated; Review Past Failures

New York, May 14.—(AP)—Soviet Russia today delivered a vigorous attack on Britain's administration of Palestine and demanded immediate termination of the League of Nations mandate.

As one possible solution of the Holy Land problem, Russia recommended creation of a dual Arab-Jewish state.

The Soviet position was set forth by Deputy Minister Gromyko as the extraordinary session of the United Nations Assembly moved toward final action creating an 11-nation Palestine inquiry commission.

He said British Foreign Secretary Bevin had admitted failure of the mandate as a solution to the Palestine problem and that several commissions had arrived at the same conclusion.

Gromyko said discussions before the assembly had shown that the present situation in Palestine was a threat to peace.

He criticized Britain's efforts to maintain order in the Holy Land by military force and declared British troops were the enemy of both the Jews and Arabs.

Gromyko's long speech in Russian followed the opening of a last-ditch Arab-country fight in the assembly for immediate independence of Palestine.

It was a foregone conclusion that the assembly would approve plans for an 11-nation inquiry commission adopted yesterday by the 55-member nations meeting at Lake Success as the political committee.

These plans gave the inquiry group a free hand to consider the independence question on the same basis as all other possible solutions of the Holy Land problem.

Company And Union Closer Together In Negotiations

Washington, May 14.—(AP)—Government conciliators called union and Western Electric company officials back into session today with renewed hope of settling a strike that began April 7.

New wage offers by both sides were described as "a turning point in our negotiations" by Ernest Weaver, president of the Association of Communication Equipment Workers.

The ACEW, a nationwide union of 20,000 installation workers, and the Western Electric employees association, representing 22,000 workers in 21 plants, are involved in the talks.

The company made its first wage offer to the ACEW last night and the union modified its demands. Although neither offer was accepted it appeared that the negotiators were closer together than at any time since the walkout began.

S. P. Schwartz, labor relations manager for Western Electric's installation division, said the company offer was as follows: Increases ranging from \$2.40 to \$3.20 a week plus an average of \$1.03 in "special" payments, totaling \$3.43 to \$4.23 a week depending on the region involved.

CHAMBER OF COMMERCE IN ACTION NOW

Directors Move To Maintain City's Progress - Support School Tax Levy

The board of directors of the Greenville Chamber of Commerce Monday night took action on a number of matters of importance to the development of Greenville. Included were, endorsement of the 15-cent levy to increase salaries of teachers in the city school system; appointment of an industrial relations committee; appointment of a city-wide army advisory committee; confirmation of action of the Transportation Committee in its protest of removal of passenger trains on the Norfolk Southern Railroad; support of the application of the Carolina Coach Company for permission to operate through buses from Wilmington to Norfolk via Greenville; joint appeal of the Chamber and Airport Commission of the decision of the Civil Aeronautics Board in not designating Greenville for air service; and permitting the use of the chamber's offices the week of May 19 through 24 as headquarters for the Naval Reserve. President John B. Webb Jr. presided.

In endorsing the school tax levy the directors urged all citizens to vote its adoption on May 27, in order that Greenville may maintain the type of schools needed and thereby hold the city's position as the educational center of the coastal section of North Carolina, which cannot be done unless additional money is provided to employ trained teachers.

The Civil Aeronautics Board, in its decision handed down April 8 as a result of a hearing held at Sedgewick Inn in June, 1945, even though the examiners recommended (Continued on Page Six)

Germans Plead For Relief From Hunger

By the Associated Press

Hungry Germans in the American zone were reported shifting from stolid resignation to an "ugly mood of bitter resentment," and the situation in the British zone was described in London as gloomy and difficult as occupation authorities tackled the rising German food crisis today.

American observers found increased antagonism being expressed openly against the United States and the American Military Government. AMG officials said they sensed that the American zone's German political leaders had "little hope in the future."

As British Foreign Secretary Ernest Bevin met with his top advisers, an appeal went out from the British zone to former President Herbert Hoover, telling him that the industrial Ruhr valley was threatened with chaos and an "Unless energetic help comes soon there will be no German men ready to assume political jobs," the British-licensed Telegraph quoted Dr. Rudolf Amelunxen, minister-president of North Rhein-Westphalia as telling Hoover in the message "Then chaos will threaten the Ruhr area in the heart of Europe."

Begging for help, Amelunxen told Hoover "it is a matter of saving millions from starvation."

Robert A. Lovett Is Formally Nominated

Washington, May 14.—(AP)—President Truman today formally nominated Robert A. Lovett to be Undersecretary of State.

Lovett, a New York banker and former assistant secretary of war, will take over the office when Dean Acheson leaves June 30 to return to private law practice.

New Soil Mold Promises Cure For Influenza Report Bacteriologists

Philadelphia, May 14.—(AP)—A green and black soil mold that shows promise of furnishing a drug remedy for influenza was announced to the Society of American Bacteriologists here today.

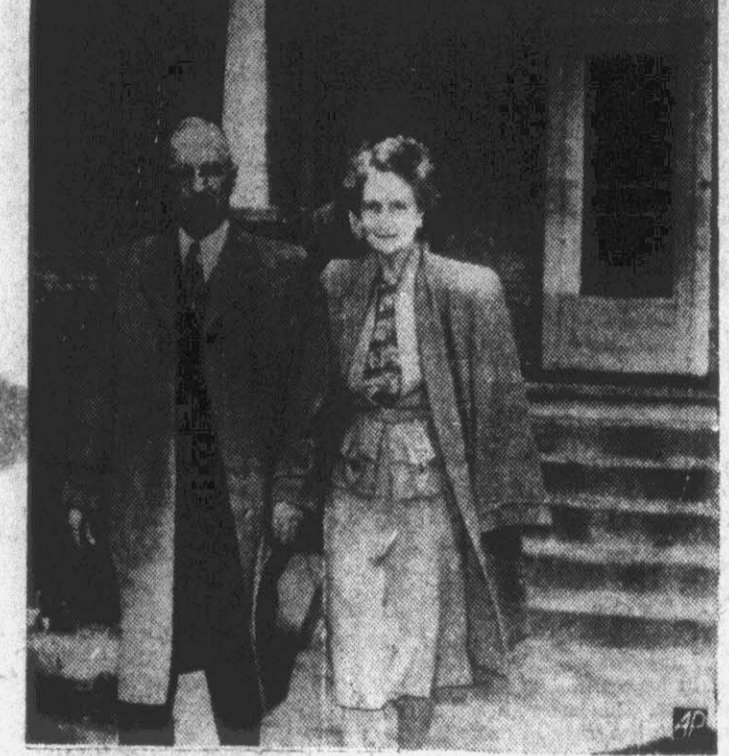

There are vaccines for flu, but no drugs that specifically cure it. The mold shows some specific curative effect on chicken embryos and mice with influenza. It has not been tried on humans.

The report was made by Doctors A. J. Liebman, D. Perlestein and G. A. Snyder, of Schenley Distillers Corporation, Larchmont, N.Y.

The stuff that inhibits the virus that causes flu came from a bit of earth. Just where the earth came from the authors of the report said they did not know. It was one of numerous samples of soil from all over the world. Since the penicillin

Pres. Truman Signs Law Banning Portal Pay Suits

Truman On Mother's Day Visit

President Truman, accompanied by his sister, Miss Mary Jane Truman, leaves the home of their mother, Mrs. Martha E. Truman, 94, at Grandview, Mo., after the President paid a Mother's Day visit. (AP Wirephoto).

Issues Warning

Frankfurt, Germany, May 14 (AP)—Gen. Lucius D. Clay declared today that agitators would be jailed if they attempted to capitalize politically on the desperate German food crisis.

He said he had heard reports that the Communist Party was attempting to develop strikes in the United States' occupation zone.

INFLUENCE OF LABOR EBGING

Unions' Hold In Congress At Lowest Point In Decade

Washington, May 14.—(AP)—Organized labor's influence with Congress stands at its lowest point in more than a decade today.

There are strong indications that stern curbs on union activity may be written into law even over a possible Presidential veto.

The 68 to 24 vote by which the Senate yesterday approved its bill providing for extensive regulation of organized labor's activities almost exactly matched the percentage by which the House on April 17 voted a much more stringent measure.

In the House, opponents cast 25.8 per cent of the 308 to 107 vote. In the Senate, they registered 36 per cent.

This core of support, representing only about one fourth of the membership of the two Houses marks a sharp decline from the days when unions could stop in one House or the other almost any legislation they regarded as punitive.

Falling in that, they could muster the needed support to sustain a veto. This was demonstrated when the House failed 11 months ago to override President Truman's veto of the Case labor disputes bill.

Income Tax Cut Bill Reaches Senate Floor

Washington, May 14.—(AP)—The \$4,000,000,000 income tax cut bill reached the Senate today, clearing the way for action on the measure, probably next week.

Chairman Millikin (R-Colo.) of the finance committee, which approved with some changes the bill passed by the House, formally reported the legislation to the Senate.

Under present plans, it is to be called up for consideration next week. However, there has been growing support for a Democratic proposal to delay action until the Senate and House have agreed on budget cuts.

The House voted to slash President Truman's \$37,500,000,000 budget for the fiscal year starting July 1 by \$6,000,000,000. The Senate approved a cut of only \$4,500,000,000, with a provision that at least \$2,600,000,000 of any surplus be applied to the public debt.

Notes "Defects" In Measure And Asks Congress To Remedy Them; Includes New Request For Increase Of Minimum Wage; Urges Business To Reduce Prices

Washington, May 14.—(AP)—President Truman signed into law today legislation banning portal pay suits and sent Congress a fresh request that it raise the minimum wage to 65 cents an hour.

In a message to the legislators, the president:

1. Emphasized that he was signing the portal bill because he believed in "the interest of economic stability" that both business and the government be relieved of the potential liability for billions of dollars. But he said there were defects in the measure and asked that Congress remedy them.

2. Asked again that Congress raise the statutory minimum wage from 40 to 65 cents an hour.

3. In effect, prodded business to reach wage agreements with workers and reduce prices.

Mr. Truman said that with uncertainty over the portal claims removed "current wage negotiations can proceed more readily to a satisfactory conclusion and businessmen will be able to plan with assurance for full production and price reductions."

"This," he added, "will be of real value to labor and management in the maintenance of a continued high level of employment."

More than \$6,000,000,000 in suits were filed by unions for portal pay claims, but many of them have been withdrawn since the Key case, brought by pottery workers at Mt. Clemens, Mich., was dismissed in Federal Circuit Court at the request of the union.

The suits sought pay for time workers spent preparing for work. Some made claims for such things as changing clothes. Others were for sharpening tools and similar activities.

Mr. Truman said he understood that section 2 of the act relating to existing portal claims was not intended "to invalidate all other existing claims." He added in explanation:

"The plain language of section 2 of the act preserves minimum wage and overtime compensation claims based upon activities which were compensable in any amount under contract, custom or practice."

Unexploded Bomb Found; Thirty Persons Held

Jerusalem, May 14.—(AP)—Thirty persons were detained for questioning today after an unexploded bomb, camouflaged with netting and leaves, was found in a tree fork near the Military Courts Building in Jerusalem.

Police said the bomb contained 67 sticks of gelignite and 15 pounds of rivets, and had two electric detonators connected to about 20 yards of wire.

The explosives were uncovered by a police patrol about 100 yards from the building, which is situated in a street often used by military trucks to transfer prisoners to and from court.

The 30 persons detained for questioning all were rounded up in the vicinity.

Labor Bill Outlook

Weeks Of Compromise Ahead Between House And Senate To Work Out Final Measure; Final Outcome Uncertain If President Vetoes Legislation; Outline

By JAMES MARLOW

Washington, May 14.—(AP)—Will President Truman veto the labor bill? Can Congress re-pass it into law over his veto? Don't bet either way.

The House, several weeks ago, and the Senate, yesterday, passed separate bills to restrict labor unions.

The House bill is tougher than the Senate's. Both are tougher than the restrictions on unions Mr. Truman asked Congress for.

But these separate bills won't go to Mr. Truman to sign into law or veto. He'll get a single, compromise bill made up of parts of both bills.

That compromise bill will be worked out by a special joint committee of both Houses. They may take weeks to work out the compromise.

Meantime labor unions will scream for a veto, many businessmen will protest against one. All of which means plenty of pressure.

Say Mr. Truman vetoes the compromise bill. Will Congress have

enough votes to re-pass it into law over the veto? No one can answer that now.

Passage of any bill needs only a simple majority vote of both Houses. This doesn't mean a majority of total membership but only of those voting.

But to re-pass a vetoed bill into law, both Houses must approve with a two-thirds vote of those voting, far harder to get than a simple majority.

But both Houses were so anxious to restrict unions that they passed their separate bills overwhelmingly. They went far beyond majority votes.

Both passed their bills by better than two-thirds not only of those voting but of total membership.

Thus it might seem they could ram through a better-than-two-thirds vote to re-pass a vetoed compromise bill. Not necessarily.

The House probably would do it. Any compromise bill seems sure to (Continued on Page Four)

The King's Daughters Meet
The Patient Circle of The King's Daughters was delightfully entertained at the home of Mrs. Hortense Moyer on Tuesday night, May 13. The meeting was opened by repeating the prayer of The King's Daughters in unison.

A most inspiring devotional was given by Mrs. T. A. Person, who read as her scripture lesson Luke's Gospel, giving a review of the life of Luke.

The president, Mrs. Aubrey Shackell, presided over the business session at which time the minutes of the previous meeting were read, treasurer's report given, and a report from the Emergency committee on local welfare cases handled for the past month.

Mrs. C. M. Richardson, a visitor of the circle and a member of The King's Daughters of Benning, Vermont, told of some of the activities of their club.

The 57th annual King's Daughters and Sons Convention was held in Concord in May and a report was given by Mrs. Aubrey Shackell, who was in attendance. She reported an excellent program, with Mrs. Geo. Davis, state president of the South Carolina Branch, Orangeburg, S. C., as one of the outstanding speakers.

The Greenville King's Daughters are honored to have two of their members, Mrs. Hortense Moyer and Mrs. Richard Williams, receive the salutation of 50 years membership. They are the only two in the state of North Carolina to be so honored.

The June meeting will be held at the home of Mrs. Lizzie Winstead, with Mrs. Margaret Scales and Mrs. Richard Williams as joint hostesses.

Mrs. Z. A. Rochelle, state president of The King's Daughters, and Mrs. T. W. Young, past president, both of Durham, N. C., will be guests at this meeting.

Following adjournment, delicious refreshments were served by the hostesses.

MRS. LARRY AVERETTE,
MRS. D. J. WHIGHAM,
Committee

New Members Initiated
Twelve new members were initiated into the Phi Sigma chapter of Sigma Alpha, honorary foreign language fraternity, at East Carolina Teachers college at a special ceremony conducted on Tuesday evening.

Chosen because of high scholastic records in the department of foreign languages at the college, the following students became members of the society: Arthur Jarnhill of Beaufort, Margaret Bickel of Plymouth, Milton Fields of Scotland Neck, George Jackson of Concord, Christine Lilly of Williamston, Mary Mills of Aurora, Alan Stoddard of Greenville, Peggy Steed and Deems Wiggs of Warsaw and Daniel Hunt, Julian Knott, and Frank Yeung of Oxford.

Officiating at the initiation were Ruby Lee Bordeaux of Kelly, recently elected president of the organization; Mary Andrews Wainchard of Greenville, the retiring president; and the following fraternity members: Mary Taylor of New Bern, Helen Jennette of Raleigh, Frances Daniels of Midway Park, Patricia Lyon of Ayden, and Jean Cox of Stantonburg.

Marguerite Austin and James L. Fleming are faculty sponsors of the local chapter of Sigma Pi Alpha.

End of the Century Club
The End of the Century Book Club will meet with Mrs. J. T. Little Thursday afternoon at 1 o'clock.

E. C. T. C. Alumni Officers Elected
At the recent meeting, May 9, of the Greenville chapter of the East Carolina Teachers College Alumni Association, Z. W. Frazell headed the slate of officers as submitted by Miss Ruth White, chairman of the nominating committee. Other officers elected were the following: Mrs. Dorothy Lewis, vice president; and Miss Grace Smith, secretary-treasurer.

Mrs. Junius H. Rose, guest speaker, was presented by Mrs. Thornton Meeks, the president. Mrs. Rose gave highlights on the life of the North Carolina poet, John Charles McNeill. She read from two collections of the writer's poems—one book, according to Mrs. Rose, expresses in dialect the philosophy of the Negro.

Frazell, manager of College Stores, received his B. S. in commerce and mathematics in 1943. After his discharge from the Navy he returned to his home in Richlands, where he and Bernice Jenkins helped to organize the Onslow County Chapter of East Carolina alumni.

Hostesses for the meeting were Miss Christine Johnston, Mrs. Ruth Garner, and Mrs. Susie W. Webb. Serving on the nominating committee with Mrs. White were Mrs. George A. Clark and Mrs. Janie Jackson Simmons.

Rose Hill News

Here is your reporter for the League of Rose Hill, trying to tell you of some happenings of the community.

We have been getting out in the world to see a few things. Today, May 4, we took a trip to the town of Edenton. It is a very historical place and there are a lot of very interesting places to see and visit. I'll try to relate a small bit of the trip.

We went on cars and there were 30 of us going. We left Rose Hill about 8 o'clock this morning and we went to Edenton our guide, Mrs. Tyree Buck, carried us to a church for Sunday school. It was a large country church and a very pretty one indeed.

After Sunday school, we went to the fish hatchery to spread our lunch. When we had finished eating we went back into Edenton and began to tour the town. We had a very nice lady to volunteer and guide us around.

Our first place of interest was the court house. It is the oldest in North Carolina, being built in 1767. We went in the court room and then in-

UNUSUAL INSTRUCTION

Oklahoma City, May 14—(AP)—Scout car officers were pondering these instructions from the chief today: "In case you're involved in an accident, call a policeman."

Those who took the trip were; Mr. and Mrs. Junior Lee Dail, the Wilsons—Joe, Guy, Snodie, Bobbie, Loyd and Lindy; Holden Laughinghouse, Eugene Haddock, Mr. and Mrs. Elton (Sam) McLawhorn, Pat Stanley, Barbara Ann Smith Peggy Adams, Mary Rose McLawhorn, Shirley Bright, Mary Louise Haddock, Margie and Kitty Davenport, Nina Lou Page, Mr. and Mrs. Alvin Cox, Myra Stanley, Bill Loftin, Tink

Then we went into the St. John's Episcopal Church. There we were told the history of the church by the rector, H. B. Gilmer. He was a very interesting speaker. He showed us the silver communion set and the minutes of the church which were kept when the church was first started.

Our last place of interest was the Cupola House. Here we saw some famous old things of the olden days. Books, swords, a piano, china and costumes that were shown throughout the house.

We were at last on our way home after a wonderful day in Edenton.

Florence Furst Paintings

Sixteen paintings showing portraits, landscapes, still life and flowers all the work of Florence Furst will be opened to the public this afternoon in the Community Art Center Gallery in Sheppard Memorial Library.

Mrs. Furst, lives in Freeport, Illinois, surrounded by art objects which have been collected from all over the world and which blend into a pageantry of rare, beautiful and exotic people and things. Her own paintings reflect the wealth of impressions by which she has been favored in life. She has studied in New York, Chicago and Paris and has visited Europe's suggestive nooks and corners.

Mrs. Furst is in Who's Who of American Artists and the Historical Society 1946 Volume; American Library of Color Slides, Art Appreciation Movement and the Artists for Victory, New York. She is a member of many important Art Clubs in America and has exhibited in many of the outstanding galleries of our country.

Her painting called the Crazy Quilt, a portrait of an old Swedish woman making a crazy patch-work quilt has received flattering reviews from the country's best art critics. Another painting widely acclaimed is a still life called "In Conrad's Studio," but whatever Mrs. Furst

Naval Reserve Committee Chairman Named

Stuart Carr, Jr., prominent community and civic leader, has been appointed chairman of the local committee to support Operation Naval Reserve, it was announced today.

Operation Naval Reserve, to be observed on a national scale during the week of May 18 to 25, has as its objective the maintaining—as an instrument for world peace and better citizenship—the potentials of America's victorious sea power.

The task of a local committee organization, to be announced as perfected, will be to acquaint service clubs and other civic groups with the necessity for maintenance of a strong Naval Reserve as an instrument for world peace, and to inform prospective recruits of the many advantages offered them by the new civilian Reserve.

Kiwanis Minstrel At College Tonight

The Kiwanis minstrel show will be presented tonight and tomorrow night at the Austin auditorium, at East Carolina Teachers' College, at 8 o'clock under direction of Eli Bloom, who is the interactor.

Tickets will be on sale at the door. The show is for the benefit of the Kiwanis Underprivileged Child Fund. It is a home talent show, professionally directed, and from observing rehearsals, it's going to be the best minstrel the Kiwanians have presented.

College Paper Is Highly Rated

The Techo Echo, student newspaper at East Carolina Teachers College, was placed in the first class bracket in judging in the Columbia Scholastic Press association contest for newspapers in teachers' colleges, according to information received from New York this week by Bernice Jenkins, Greenville student and editor of the paper.

The paper rated especially high on sports news and coverage, general news coverage, editorial make-up and content, and advertising. Under the section headed "general considerations" the judges' comment was "excellent work."

paints, she paints with a finely developed technique. Her landscapes have atmosphere, charm and beauty and her flower paintings have their own message of beauty and charm.

The curator of the Kenosha Art Museum of Wisconsin writes that in spite of glaring ice, snow and sub-zero weather more than 5,000 people flocked to his museum to see this show.

The public is invited to see this very excellent and charming exhibit at the usual gallery hours of two until six every afternoon except Sunday.

MARRIAGE LICENSES

The register of deeds issued marriage licenses to the following white couples during the past week:

Jesse C. Moore of Ayden and Mamie Lucille Hardy of Greenville.
John W. Williams and Elizabeth Frances Wineberry, both of Greenville.

Walter Barnes, Jr., of Williamson and Verna Mae Elks of Greenville.

Cases Tried In County Court

County Court cases tried Tuesday: Damaging property: Angus Spain, colored, not prosed. Theft: William A. Gird, colored, four months on the roads. Driving while drunk: Leon Hardy, (and no driver's license), transferred to Superior Court for jury trial. William Matthews, \$50 and costs and driver's license revoked for a year.

Abandonment and non-support: Robert Lee Best, colored, defendant, paid back payments; Willie Hall, Jr., colored, six months on the roads, suspended on condition that he pay \$5 a week for support of his child and he is not to move from the county without first notifying the welfare officer; Frank Pully, colored, six months on the roads suspended on condition that he pay \$4 a week for the support of his child and to pay outstanding doctor's bill for child and not to leave Pitt County without first notifying the welfare officer; Melvin Green, colored, adjudged guilty, and his wife waives right to support for herself, six months on the roads suspended on condition that he pay \$2 a week for support of his child and to provide medical attention.

Non-support: Willie L. Newton, colored, not prosed with leave. Sale of whiskey: Jim Hardy, colored, two years on the roads.

Selling beer without a county license and within 100 feet of a public school: James Knox, colored, \$25 costs deducted.

Worthless check: Arthur L. Cox, six months on the roads. Driving drunk: Lonny Council, \$50 and costs, and license revoked for a year.

Defraud: George Moring, colored, not prosed with leave. Speeding: Roger B. Gran, \$25 costs deducted, and lose license 30 days.

Drunk: Melvin Hulon, paid costs; Ollie Page (and disorderly), prosed.

Two's Smart Company

Six is no crowd

Look at it like this:

When you and your best girl roll up in this tidy number, how can folks help saying: "Who's the smart couple in the slick new Buick?"

Or when it's up to you to do the generous thing, what quartet wouldn't be glad to ride with the two of you — in the neatest, freshest bit of automobile styling on the roads today?

Fact is, this trim Buick Sedanet combines topmost smartness and companionability with an amazing amount of room.

Back of its big, Fireball-filled bonnet there's room for six — cloaked in sleek, fade-away lines that suggest a coupe.

Under your treadle foot, there's all the eager, velvety power your heart desires,

When better automobiles are built **BUICK** will build them

Tune in HENRY J. TAYLOR, Mutual Network, Mondays and Fridays

and each light-stepping wheel rides on its own soft cushion of jar-taming coiled steel.

There's huskiness to level your going-room for arms, heads and legs — lightness of handling you wouldn't think possible in a car so impressive and so sizable.

So come take a look. See, firsthand, why this is America's most wanted automobile.

See too why it's smart to settle your mind on Buick — and get your order in now. You can place yours with or without a car to trade.

ONLY BUICK HAS ALL THESE STAR FEATURES

- ★ AIRFOIL FENDERS ★ FIREBALL POWER
- ★ ACCURATE CYLINDER BORING ★ PERMI-FIRM STEERING
- ★ SILENT ZONE BODY MOUNTINGS ★ BROADWHEELS
- ★ BUICOIL SPRINGING ★ FULL-LENGTH TORQUE-TUBE DRIVE
- ★ FLUTEWEIGHT PISTONS ★ STEPON PARKING BRAKE
- ★ DEFFLEX SEAT CUSHIONS ★ CURL-AROUND BUMBERS
- ★ NINE SMART MODELS ★ BODY BY FISHER

Strength FOR THE DAY

VICTORY IN PRAYER

Belief in prayer has very little to do with orthodoxy or unorthodoxy of belief. People of all shades of belief and in fact of different faiths believe practically the same thing about prayer. Basically, they all believe that there is a God, that He can do certain things for his children, and that He wants to do these things.

Probably the greatest misconception about prayer is the belief that by praying we can change God's will. The only way human petition can change the divine will is by the lifting of one's life to higher levels through prayer and redemption, and so making it possible for God to will for us something vastly better than He could will for us if our hearts remained hard and perverse. The greatest benefit of prayer, however, comes not when we try to change God's will but when we try to discover it. And if we pray as God desires we should, that is the very thing that happens—we discover his will for us. Thereafter we walk with peaceful hearts in pathways of light.

True prayer involves much wrestling, but we should wrestle not in a frantic attempt to persuade God to do what we want, but in a most earnest fashion to find out what God wants us to do. A great saint once wrote, "In his will is our peace." There and only there do we find it.

Romney Said To Blame Associate

Washington, May 14.—(AP)—An FBI agent testified today that Kenneth Romney, former house sergeant at arms, told him that \$25,000 of an alleged \$143,863 shortage in Romney's accounts was used to finance the 1928 campaign of former Rep. Smithwick, Florida Democrat.

Grain Market
Chicago, May 14—(AP)—A short-covering movement got underway in May wheat on the board of trade today following news that the Commodity Credit Corporation had reentered the cash wheat market, taking small quantities of spring wheat in the northwest.
Wheat closed 3 1/2 to 10 cents higher. May \$2.77, corn was 2 1/2-3 1/2 higher. May \$1.73-1.72, and oats 1 1/2-1 1/4 higher. May 93 1/2-94 1/4.

New York Cotton
New York, May 14—(AP)—Cotton futures opened 50 cents a bale lower to 90 cents higher than the previous close.
Noon prices were 45 cents to \$1.50 a bale higher. May 35.95, July 33.82 and Oct. 29.12.

N. Y. Stock Market
New York, May 14—(AP)—Occasional recovery moves failed to carry through in today's stock market and a number of leaders extended their retreat to new low levels.
Dealings held close to Tuesday's pace with total transfers in the neighborhood of 1,200,000 shares.

Foell Shuts Out Bears As Greenies Win 11-0

Mauney Paces 13-Hit With Homer, Double And Two Singles In Six Trips To Plate; Errors Plague New Bern

By BERT MOYE
Johnny Foell put on one of the best pitching exhibitions seen here this season as he hurled the Greenies to a 11-0 triumph over the New Bern Bears here last night.

Foell, getting his second straight win, set the Bears down on two hits—a double by Soufas in the first frame and a single by Kreider in the fourth inning over second base. He got 15 Bears on strikeouts to bring his total for the past two games to 29 and his total for the season to 49. He walked three.

Manager Pare's Greenies, who managed 13 hits off the three Bear hurlers, got Foell enough runs to win in the second frame when they shoved across five markers on three hits, one walk and two Bear errors. Ranweiler led off with a walk, R. Pare reached first on an error and Rogers' infield hit loaded the bases. Foell singled to bring home Ranweiler. Lee hit to shortstop who erred ball with R. Pare scoring and then Willie Mauney homered over the right field wall to bring home Rogers and Lee.

The Greenies returned in the sixth frame and scored three more markers. Lynch led off with a triple. Mauney singled to bring home Lynch. Chute doubled with Mauney coming home on a third baseman error, and Johnny Pare singled to bring in Chute.

Three more runs were added in the eighth frame. Ranweiler reach-

White Sox Lead Softball Race At High School

The White Sox gained undisputed position at the top of the Senior Softball league yesterday by scoring four times in the sixth to win by the score of 9 to 7. This win coming after the Wolves were tied by the cellar dwelling Devils gave the Sox the lead by a few per centage points.

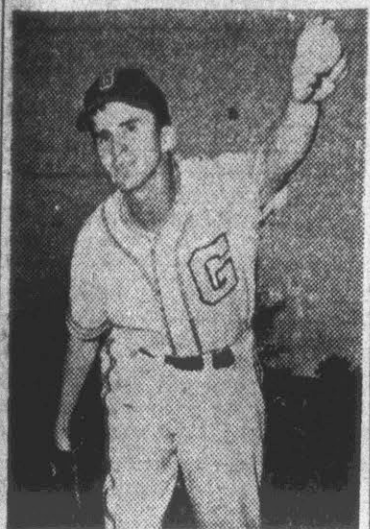

Lee by the terrific hitting of Roscoe Little, who collected a single, two doubles, a triple and a homer, the Blue Devils came very near upsetting the heavy favorite but had to be content with a 14 to 14 tie. It was the best game of the year, each team was hitting the ball to all corners of the lot. The Devils came

ed first on an error, R. Pare walked, Rogers hit to short who threw ball wild to second to catch R. Pare thus loading the bases. A wild pitch by Gilley allowed Ranweiler to score, Foell singled to bring home R. Pare and Lynch singled, scoring Rogers.

Willie Mauney, Greenie leftfielder, paced the 13-hit attack of the Greenies. Bill Lynch, second-sacker, was the other Greenie to get more than one hit, collecting a triple and a single in five trips to the plate.

Score by innings:
New Bern 000 000 000—0
Greenville 050 003 03X—11

Delivery Man

Speed-ball artist Johnny Foell last night delivered the goods and lived up to pre-season expectations when he pitched shut-out ball against the New Bern Bears. Off to a bad start in his early games, Johnny has shown great promise in his last two appearances on the mound.

from behind time and time again to tie the game, scoring at least once in the last five innings.

The Wolves and the White Sox play on Thursday for the league championship, if the Wolves win they will have to play off the tie with the Devils. If the White Sox win they will cop the championship.

Chamber Of . . .

Continued from Page 1
ed that Greenville be designated for air transportation service, failed to include the city in its certificated routes. The Chamber's Transportation Committee and the Airport Commission, on May 7, filed with the CAB an appeal to its decision and a petition for a hearing. Data supporting the appeal and petition showing the need for air transportation, the facilities available for its operation, and the economic status of the community to support and maintain such service, was filed with the board at the same time. Executive Secretary Willard T. Kyzer said.

Members of the Industrial Relations Committee, appointed by the board on recommendation of President J. B. Webb, Jr., are J. H. Blount, L. S. Ficklen, V. C. Grove, C. W. Howard, W. Z. Morton and J. C. Lanier.

The membership of the city-wide Army Advisory Committee, on recommendation of President Webb, is Mayor J. H. Boyd, Jr., June H. Rose, Thomas E. Wilson, James S. Jen-

kins, J. W. Overton, B. S. Hodges Jr., V. C. Fleming, Jr., D. J. Whichard, Jr., Dr. H. J. McGinnis, and John W. Glover. The duties of this committee consist mainly in fostering good army-civilian relations a program being carried out throughout the nation.
Greenville High School students in 1948 will no doubt have a baseball team, which for several reasons was not possible this year, as the result of efforts of a special committee appointed by the Chamber of Commerce Board at its April meeting. L. S. Ficklen, chairman who in his report to the board on May 12, stated that plans are well along for the 1948 season, but could not be perfected for this year.

CHEERFUL NOTE
New York, May 14—(AP)—Chas J. F. Porter borrowed \$312 yesterday from the National City Bank and along with the cash he was handed his note, marked "paid."
The puzzled borrower then learned that his loan included the bill-month dollar loaned by the bank's 21-year-old personal loan department and writing off the loan was the bank's way of celebrating.

TEAMJERKER
Haverford, Pa., May 14—(AP)—A nurse at the home of J. Stanley Reeve was groping in the dark for a flashlight.
She found an object of about the right shape and size and pushed a button—then bang! It was an old tear gas bomb.

IF STOMACH BALKS DUE TO GAS AND BLOAT
Help Get Food Digested to Relieve Yourself of This Nervous Distress
Do you feel all puffed-up and miserable after every meal, taste sour, bitter food? If so, here is how you may get blessed relief in having your stomach do the job—it should be doing—in the digestion of its food.
Everytime food enters the stomach a vital gastric juice must flow normally to break-up certain food particles; else the food may ferment. Sour food, acid indigestion and gas frequently cause a morbid, touchy, fretful, peevish, nervous condition, loss of appetite, underweight, restless sleep, weakness.
To get real relief you must increase the flow of this vital gastric juice. Medical authorities, in independent laboratory tests on human stomachs, have by positive proof shown that SSS Tonic is amazingly effective in increasing this flow when it is too little or scanty due to a non-organic stomach disturbance. This is due to the SSS Tonic formula which contains special and potent acting ingredients.
Also, SSS Tonic helps build-up non-organic, weak, watery blood in nutritional anemia—so with a good flow of this gastric digestive juice, plus rich red-blood you should eat better, sleep better, feel better, work better, play better.
Avoid punishing yourself with over-doses of soda and other alkalis to counteract gas and bloating when what you so dearly need is SSS Tonic to help you digest food for body strength and repair. Don't wait! Join the host of happy people SSS Tonic has helped. Millions of bottles sold. Get a bottle of SSS Tonic from your drug store today. SSS Tonic helps build sturdy health.
