MOTHER AND TWO CHILDREN BURNED TO DEATH

Three Negroes Succumb To Flames In Dwelling House Fire; Rescuer Hurt

By CHESTER WALSH
A Negro woman and her two small children burned to death last night about 11 o'clock in a fire at their dwelling, First and Cotanche streets.

A preliminary investigation by Fire Chief George Gardner and Police Chief Jim Tanner indicated defective wiring caused the fire, but that belief will be further explored Saturday night when Coroner Griffin H. Rouse holds an inquest at the City Hall at 7:30.

The dead are Mrs. Willie Belle Crutch, 27, widow of Jesse Crutch and her two children, Bobbie Gene 7, and Jessie Juanita, 1 year old. Mrs. Annie Belle Spain, 45, mother and grandmother of the victims, suffered a serious cut on an arm when she tried to break out a window to rescue the victims. She told authorities that when she went to a neighbor's house last night her daughter and children were asleep. When she returned, from her visit she saw the bedroom in which the family was sleeping in flames. When she broke open a window the fire was too hot and she had to retreat.

Firemen found the mother unconscious on the kitchen floor. She was so severely burned that she died at Pitt General Hospital at 5 o'clock this morning. The youngest child, burned to a crisp, was found on the burned bed. The other child was found dead on the floor near

They're On Conference Committee

Senators Joheps H. Ball (left), Republican of Minnesota; Robert A. Taft (center), Republican of Ohio, and Irving M. Ives (right), Republican of New York, meet in the capitol at Washington to discuss legislation after their appointment to a senate-house conference committee to adjust differences between bills passed in the two chambers. Earlier, the senate passed, 68 to 24, its legislation to put stern curbs on labor union activities. (AP Wirephoto)

CIO Reasons

Washington, May 16—(AP)—President Philip Murray said today the CIO rejected the AFL's proposal for labor unity because it would have produced a labor movement "wedded to antiquated concepts and values."

Murray said the CIO believes that a "united labor movement with strength, courage and vision can be fashioned in America—and will continue to work tirelessly for this."

But he contended it could not be accomplished without certain fundamental principles of unionism as practiced by the CIO.

WANTS MEANS SPREAD TRUTH

American Aims Misrepresented Says Sec. Marshall

Washington, May 16—(AP)—Secretary of State Marshall told Congress members today that American aims are misrepresented to a tremendous degree in some foreign countries and that nation must devise some method of spreading the truth.

He asked that Congress "get on with the business" of providing the ways and means by authorizing the State Department to go on with its foreign language broadcasts and circulation abroad of printed information about the United States.

Marshall appeared before the House foreign affairs committee, which is considering legislation to authorize the program. He said he was more generous than the United States, and yet I rather believe "No nation," he told it, "has that no nation has received less credit for that generosity."

"So long as propaganda is engaged in (by other countries) we must take some action," Marshall told the committee.

But he said that he was unalterably opposed to having that action take the form of propaganda.

New Cabinet

Rome, May 16—(AP)—President Enrico De Nicola today assigned Francesco Saverio Nitti, 79-year-old pre-Fascist premier and financial expert the task of forming a new Italian cabinet.

He indicated he would undertake the task but said he would reserve decision on accepting the premiership until he had ascertained whether he could assemble a cabinet—the usual parliamentary procedure.

HUMBER PLAN AGAIN VOTED

Missouri Legislature Is Fifteenth To Give Support

Culminating three years of intensive campaign in behalf of World Federation, embracing every section of state public opinion, Robert Lee Humber today announced that the General Assembly of Missouri has passed a resolution approving the principle of World Federation and requesting the delegation in Congress from Missouri to support and vote for a Congressional resolution approving World Federation, and asking the President of the United States to support the same.

Truman Considers R. F. Allen As Chief For Foreign Relief

Washington, May 16—(AP)—President Truman is said to have under consideration today the appointment of Richard F. Allen, a Red Cross vice chairman, to direct the foreign relief program nearing final Congressional approval.

Influential legislators who declined use of their names said it is their understanding that Allen is being favorably considered as administrative director of the project of supplying food, medicine, clothing, fuel and other necessities to five European countries and China.

A native of Craig, Mo., Allen has been in charge of the Red Cross insular and foreign operations since 1942. He is highly regarded by members of the Senate Foreign Relations Committee and his immediate confirmation could be expected.

Similar confirmation is required for the top directors of the \$400,000,000 Greek-Turkish aid program on which Congress completed legislative action yesterday. It was to be sent formally to the White House today for the President's signature.

and his possible announcement of an over-all head for that program. Meanwhile, Senator Barkley (D-Ky.) reiterated last night that this country cannot consider its aid-to-free-peoples program completed with passage of the Greek-Turkish bill. (Continued on Page Three)

NO REPORT ON COAL MEETING

Negotiations Begin; Lewis And Chairman Are Silent

Washington, May 16—(AP)—John L. Lewis and operators who produce three-fourths of the nation's soft coal began contract negotiations today that may determine whether there will be a nationwide strike this summer.

Six-man committees representing Lewis' United Mine Workers and the operators conferred for two hours, then recessed until next Tuesday at 1:30 p. m. EST without

He Was Pinned In Wreck 5 Days

Ernest Kenneth Steele, 26, oil refinery worker, is comforted by his wife in a hospital at Richmond, C. if., after his rescue from the wreckage of his automobile in which he was trapped for five days. The car crashed into a 35-foot gully less than 150 feet from a busy highway, and left him helpless with his mangled right arm caught between the door and the side of the overturned auto. Steele yelled for help throughout the long days and nights but nobody saw nor heard him until two power company linemen, stringing wires thru Franklin Canyon, found him. (AP Wirephoto)

RUSSIA POSES NEW QUESTION

Gromyko Answer To Palestine Problem Found Incomplete

New York, May 16—(AP)—Soviet Russia's casily-worded declaration for a dual, democratic Arab-Jewish state in Palestine stood out today as the puzzle of the United Nations special assembly on the Holy Land question.

Delegates from nations scattered around the globe noted with satisfaction that Russia had tipped her hand even a little bit on the Palestine problem. But they asked: How does Russia propose that such a dual, democratic state work?

Andrei A. Gromyko, Soviet deputy foreign minister, in his surprise talk, did not clear up that point. But he did say that if the animosities between Jew and Arab were such that this state could not live, then Russia felt it would be necessary to consider dividing Palestine into two states, one Jewish and one Arab.

These are points which the 11-nation commission of inquiry finally set up yesterday by the assembly just before it adjourned, must consider. Arrangements were made for the commission to meet at Lake Success May 26.

EIGHT ACCUSE ONE IN COURT

Men In Lynch Mob "Put Finger" On Roosevelt C. Hurd, Sr.

Greenville, S. C., May 16—(AP)—The prosecution told a Greenville County jury today how lynchers beat a dying Negro with gun-buts, and then blasted his head into a pulp with a 12-gauge shotgun as he lay on a frozen roadside, last Feb. 17.

Prosecutor Robert T. Ashmore read to the jury a statement by Johnnie William, 27-year-old taxi-driver, made shortly after his arrest. William, who acknowledged a third-grade education, said he saw Negro Willie Earle shoot three times by a bully cab dispatcher Roosevelt Carlos Hurd, Sr.

William thus became the eighth of 31 defendants in the mass-murder. (Continued on Page Six)

BIG BOMBERS DEMONSTRATE AAF RECOVERY

Superfort Armada Displays Comeback After Days Of Demobilization

New York, May 16—(AP)—An armada of 101 B-29s, representing the heaviest bomber striking force ever assembled in air review in the United States, roared over New York today in two waves.

A storm over Mississippi forced a number of planes enroute from Tucson, Ariz., to land at MacDill Field, Tampa, Fla., while one wing of 33 planes was 15 minutes late in passing over the "target" area of New York.

General George C. Kenny, commander of the army air forces strategic air command, who led the full dress training review of the nation's heavy bomber strength, announced the delays when he landed at LaGuardia Field and commented: "It was pretty good, but we could improve on the show."

The first wave of 68 Superfortresses streaked over New York at 11:31 a. m. (EST) after a rendezvous at Cape May, N. J., the second wave of 33 B-29s followed 15 minutes later in the training flight which General Kenny named "operation pacific."

Reasons for the long range mission over the eastern cities as officially stated were several, including:

To improve combat efficiency of the SAC.

To find out if it is now ready to assemble in formation perhaps as many as 440 Superfortresses comprising a "unified striking force" capable of going anywhere in the world and dropping anything. Intended to demonstrate to the nation's civilian atomic bomb.

people that the air force is recovering, even if slowly, from demobilization days.

Senate G. O. P. Leaders Will Bring Up Tax Bill

Decide To Make Attempt Next Week Despite Demo Drive To Delay Action; Some Few Republicans Back Demo Move

Washington, May 16—(AP)—Senate Republican leaders decided today they will try to bring up the \$4,000,000,000 tax reduction bill next week despite a Democratic drive with some GOP support, to delay action.

Chairman Millikin (R-Ohio) of the tax writing finance committee told reporters after a conference of 39 Republican senators that he is confident he can put over a motion Monday to bring the bill before the Senate.

Democrats are expected to counter with a proposal to delay consideration until June 10. They are reported to have mustered all but one of their members—Senator O. Daniel of Texas—behind the delaying motion.

On the other hand, several Republicans oppose taking up tax legislation at this time. Senator Morse (R-Ore) told a newsman he announced in the closed meeting of GOP members that he would not be bound in advance to support Millikin's proposal. He

DOOR IS OPEN FOR APPROVAL

GOP Senators Say President May Yet OK Labor Bill

Washington, May 16—(AP)—Republican Senators Taft (Ohio) and Ives (NY) said today President Truman's stand pat position on his own labor law recommendations still leaves the door open for White House approval of the Senate union curb bill.

Mr. Truman told his news conference yesterday that he is sticking with the four points he outlined to Congress in his State of the Union message last January.

This was in reply to a question whether he thinks there should be labor legislation beyond the provisions of the anti-portal pay bill he approved earlier this week.

Taft, chairman of the Senate's GOP Policy and Labor Committee, told a reporter "there is nothing inconsistent in the Senate bill with the things the President recommended." He added:

"Of course he didn't recommend as much. But the things in the bill move in the same direction as he recommended."

Balkan Problem Comes To Fore

Lake Success, N. Y., May 16—(AP)—The United Nations switched from Palestine to the Balkans today in its never-ending angle with the world's political problems.

The 11-nation Security Council, thrust into the background for three weeks by the General Assembly's special session of the Holy Land was called to meet today to resume discussions on the Greek case.

Before the delegates was a Russian resolution demanding that the powers of an interim investigating group now in the Balkans be curtailed sharply.

East N. C. Press Association Holds Meeting

Goldboro, N. C., May 16—(AP)—Discussions of how to attract more industries to the eastern part of the state, shortage of newsprint and allied subjects were scheduled to hold prime spots on the agenda of the Eastern Carolina Press Association in its meeting here tonight and tomorrow.

President Henry Beik of Goldboro estimated the meeting, which formally gets under way tomorrow would attract approximately 75 delegates.

Principal speakers tomorrow include Paul Kelly, assistant director of the State Department of Conservation and Development, and Leon S. Dure, executive news editor of the Winston-Salem Journal-Sentinel.

D. J. Whichard of Greenville, vice president of the association, will be in charge of the day's program.

Collected Clothing For War Sufferers

W. F. (Red) Young today made the following report of the recent clothing collecting drive for peoples of war-ravaged countries under auspices of the Greenville Council of Churches.

With the assistance of Bostic Sugg and J. A. Collins and Son trucks and drivers, 3,800 pounds of old clothing was collected. Greenville's quota was 1,500 pounds. Mr. Young also expressed thanks to the Boy Scouts and Young's Mercantile Company's employees for their help. The Reflector and radio station and especially the generous people of the city for their contributions.

South East Airlines In Request For Hearing

Charlotte, N. C., May 16—(AP)—President William Teague of South East Airlines, based at Charlotte, said today he had filed with the Civil Aeronautics Board applications for rehearing of the South-eastern states case in which the CAB recently denied the company permission to operate a route in North Carolina and four interstate routes.

The North Carolina route would include Rockingham-Hamlet, Lumberton, Gastonia, Elizabeth City, Wilson, Greenville, Washington and Hickory, "all of which are points served by South East Airlines and not certified to any other local or feeder airline."

Mayor Proclaims "Operation Naval Reserve" Week; Named Chairman

Mayor J. H. Boyd, Jr. has today proclaimed to the people of Greenville that next week, beginning May 18th and ending May 25th, shall be "Operation Naval Reserve" Week and May 25th shall be designated as "Naval Reserve Day."

The mayor has accepted the post of Honorary Chairman of "Operation Naval Reserve" and earnestly endorses the Operation and its purposes.

"Operation Naval Reserve" is designed as a measure to increase the membership throughout the country in the Organized Reserve and the Volunteer Reserve. Since Greenville Naval Reservists have not yet completed arrangements for the establishment of a Naval Reserve Organized unit it is understood that the program of next week will center entirely around the Volunteer Naval Reserve.

The Volunteer Naval Reserve is open to Americans between the ages of 17 and 40, whether veterans of any other regular service or non-veterans. However, applicants under 18 must obtain parental consent. Membership in this organization is entirely voluntary and one may resign at any time. Members are not required to be active, attend meetings or go on cruises. Nevertheless, Volunteer Reservists may go on naval cruises of two weeks each year if they so elect and it is emphasized that the training cruises are extremely interesting

and educational. In addition to the many trades an American youth might beneficially learn aboard ship, he is also receiving the invaluable experience of travel to foreign lands.

Veterans of World War II are eligible for the Volunteer Reserve and any veteran in joining retains all benefits and privileges under the GI Bill of Rights.

Another feature of the Volunteer Reserve, particularly interesting to the World War II veteran, is that an enlisted man may join with the same rate he held when discharged. The man not only will retain his former rate but his time spent in the Volunteer Reserve counts toward the Navy's pay increases of five per cent for every three years of belonging.

A person who enrolls in the Volunteer Reserve is by no means enlisting himself for any active duty except in the event a national emergency or in case war is declared. The enrollment carries with it no binding restrictions except to serve in the Navy under the above mentioned conditions.

Headquarters for "Operation Naval Reserve" Week will be in the office of the Chamber of Commerce at Five Points. Someone will be there all day, every day, May 18th through May 25th, to answer any questions. Signing up can be done in less than five minutes.

Ex-Communist Steals Show In Hollywood Probe

Los Angeles, May 16—(AP)—With a Russian ex-Communist popping up suddenly in mid-investigation, the probe by a house subcommittee on un-American activities in Hollywood took on aspects of a movie spy thriller story.

The subcommittee's inquiry hit a dramatic peak with the entry of Viktor A. Kravchenko, former Soviet official who renounced Communism in 1944.

Kravchenko's statements to the committee were not disclosed but Chairman J. Parnell Thomas (R-N. J.) said that the Russian, who left the Soviet purchasing commission in Washington to write the book "I Chose Freedom," was under subpoena to appear June 26 in Washington.

Police Force Resigns; Street Cleaners Fill In

Forest City, N. C., May 16—(AP)—Street cleaners—filling the roles of emergency policemen—patrolled the streets of this Western North Carolina town today following the sudden resignation of the entire six-man police force.

Tendering their resignations to the newly-elected town council last night, the policemen told council members they could not cooperate with Melvin Harris, who had just been named chief following his resignation from that post two months ago.

All resignations, with the exception of that of Chief Kennedy, were accepted immediately. Board members told Kennedy they would give him time to consider the matter further.

Employees of the Sanitary and Public Works Department took over police duties immediately after the council session and were ordered to remain on the job until other arrangements can be made.

Community Property

Ten States Recognize Community Property Law In Figuring Income Taxes; Married Couples In These States Pay Less Income Tax Than Couples In 38 States

By JAMES MARLOW

Washington, May 16—Married couples in 10 states pay lower federal income taxes than couples in the other 38.

That's because couples in those 10-called community property states—can divide their income to get a lower tax rate. Here's how:

Papa makes \$10,000 a year, mama makes nothing. At income tax time mama claims half the \$10,000 as her income.

So each pays tax on only \$5,000 instead of papa paying tax on \$10,000. This makes the total tax on the family smaller.

This is unfair to couples in the other 38 states where they can't split their income. In those states each must claim what he makes as his own.

Congress talks now of giving couples in those 38 states the same break those in the 10 get. Don't expect it this year. Maybe next year.

These are the 10 community property states: Arizona, Idaho, California, Nevada, Louisiana, New Mexico, Washington, Texas, Oklahoma and Oregon.

This is how couples in 38 states get stuck for higher taxes than couples in the other 10.

Jones, married, with two children, lives in Texas, a community property state. His net 1946 income after expenses was \$10,000.

His wife claimed \$5,000 as hers. Jones and his wife filed separate returns, each paying tax on \$5,000. Total tax: \$1,178.

But here's Smith, married, with two children, living in New York which is not a community property state.

Like Jones, Smith's net income was \$10,000. His wife couldn't claim any of it. He had to pay tax on his \$10,000 income.

Smith's tax was \$1,862, or 66% more than Jones' tax.

Right after World War I the government's internal revenue bureau, which collects taxes, challenged the community property laws.

The Supreme Court upheld the laws.

It found those laws went back to French and Spanish days in this country and had not been cooked up to get cheaper taxes.

Losing out with the court, the revenue bureau asked Congress by law to force community property state couples to lump their income in one return. Congress wouldn't do it.

Social and Personal

Mrs. A. C. Tadlock, Dick Bundy, David M. Willford, R. C. Duffin, T. I. Moore, and G. S. Whitehurst attended the funeral of Mrs. S. E. Warren in Wilson Wednesday afternoon. Mrs. Warren was the sister of Mrs. C. T. Munford of this city.

Mrs. Pattie Forbes is very ill at the home of her daughter, Mrs. Elizabeth Graves, in Washington, N. C.

Mr. and Mrs. Al Bell of New Hope were dinner guests of Mrs. W. L. Batchelor last evening.

Swamp Woman's Auxiliary The Gum Swamp Woman's Auxiliary held its regular monthly meeting Wednesday afternoon in the home of Mrs. Ola Ray Clark. After the devotional period we studied our lesson for the month which was "Calling Christ in the Home." Mrs. W. K. Clark, Jr., Mrs. R. M. Manning and Mrs. J. T. Dupree discussed the topics, "Exalting Christ in Our Local Communities, To Our Neighbors, and To the Foreigners in Our Midst," respectively.

Those enjoying the evening were: Mrs. C. D. Clark, Mrs. W. K. Clark, Jr., and daughter, Dianne, Mrs. L. A. Clark and daughter, Linda Lou, Mrs. E. F. Clark, Jr., Mrs. John Moore, Mrs. C. M. Moore, Mrs. H. A. Moore, Mrs. Milton Scott, Mrs. Carl Scott, Mrs. Solomon Scott, Mrs. R. M. Manning, Mrs. A. L. Morris, Miss Reba Morris, Mrs. Jimmy Smith and daughter, Faye, Mrs. Lonnie Hardee, Mrs. J. T. Dupree, Mrs. R. S. Polard and sons, R. S., Jr., and Kenneth, Mrs. J. H. Ward, Mrs. H. L. Lewis, Mrs. Ben Harris, Mrs. Lester Allen, Mrs. F. A. Roberson and daughter, Grenda Kay, and Alton Ray Clark.

The hostess served delicious refreshments consisting of chicken salad on a lettuce leaf, pickles, ritz, and iced tea.

Wesley Players To Present Play "Mansions," a one-act play by Hildegarde Planner, will be presented by the Wesley Players Sunday at 8 p. m. in the annex of Jarvis Memorial Methodist Church. The play presents the conflict between a proud, aristocratic old aunt, whose religion consists of preparing for "Heaven," and her young niece and nephew, who are eagerly seeking the meaning of life. The end of the quest for the two young people is portrayed in a very dramatic manner at the close of the play. The part of "Aunt Harriet" is played by Lois Beacham, of Washington, N. C.; "Joe," her nephew, by Bernard York, of Williamston, both students at East Carolina Teachers College. "Lydia," sister of "Joe," is played by Anne Askew, of Greenville. The play is directed by Miss Mamie Chandler, director of the Methodist student group.

The Epps High School Choir will sing before the presentation of the play.

Inter Se Book Club The Inter Se Book Club met on Tuesday, May 13th, at the home of Mrs. Tyson Bilbro with Mrs. A. B. Stallworth as hostess. Mrs. B. H. Stanell, president, Mrs. L. M. Buchanan vice president, Mrs. Plato Evans, treasurer, and Mrs. Wyatt Brown, secretary, and Mrs. Wyatt Brown, secretary, the new officers, were installed. After a short business session the meeting was turned over to Mrs. Wyatt Brown, who had charge of the program. She introduced Dr. E. C. Hollar who spoke on the United Nations.

With the admonition to remember in considering the United Nations that it is an "infant" organization, Dr. Hollar proceeded to give a background of international organizations, for the United Nations is not the first such organization. Dr. Hollar said he has reluctantly arrived at the opinion that for any international organization to be successful it must be backed by force, for that is one thing man understands.

Next Dr. Hollar outlined the structure of the United Nations organization, giving a critical estimate of each part. In conclusion he indicated the interim role of the United States in regards to its foreign policy.

A suggestion period followed during which time the hostess served delicious refreshments.

Guests for the afternoon were Mrs. E. C. Hollar, Mrs. Cecil Bilbro and Mrs. Charles Kramer.

Miss Van Dyke Hostess to Clio Club Tuesday, May 13th, Annie Shields Van Dyke entertained the Clio Book Club.

Mrs. Robert Arthur, a member of the club, gave a very delightful and clever original short story—"Double Curve." It was about two young girls' love affair.

Mrs. H. W. Hawes, club president, presided over the business session. The club went on record as supporting the tax levy for the supplement to the city teacher's salary.

Mrs. Zack Van Dyke and Mrs. Bryce Sigmon were guests for the afternoon and assisted Miss Van Dyke in serving a salad course.

Forty Years Ago Today

THE DAILY REFLECTOR May 16, 1907

An immense throng gathered in the opera house Thursday night to witness the first entertainment of the closing exercises of Greenville graded school. Of course everybody feels a keen interest in little children and the part the first grade took in songs, drills and kindergarten games was much enjoyed.

The feature of the evening was the debate by the Grady Debating Society. The query was "Resolved, that foreign immigration would be beneficial to North Carolina." The affirmative was represented by Conrad Lanier and Henry White and the negative by Ben Taylor and James Evans.

The committee rendered its decision on the debate that the negative had won the contest and awarded the medal for best debate to James Evans. The speech of Ben Taylor delighted the audience and he received a great ovation. Superintendent Smith announced that the debating society had offered a medal to the member making the most improvement in debate during the past session. This was awarded to Bruce Hooker.

Recruiters from the New Bern Naval Recruiting Station, who have been located at East Carolina Teachers College for several weeks, report that more than 50 veterans of all branches of the armed services

who are attending the college have enlisted in the New Civilian Naval Reserve.

James Watson, CFC, who is in charge of the work here, reports that the number of students interested in enlistment has been on the increase during the time he has spent in Greenville.

During "Naval Reserve Week" which will be observed in Greenville May 18-23, recruiters will be stationed at the Chamber of Commerce building.

Establish Pickle Brining Factory

A pickle brining plant is Greenville's newest industry. Willard T. Kyzer, executive secretary of the Chamber of Commerce, announces in his monthly bulletin, issued yesterday.

The pickling plant will be located at the intersection of the Bethel and Pactious highways, several miles from here.

The Chamber of Commerce several years ago, in cooperation with the county agricultural authorities, participated in a campaign to induce farmers of this section to grow cucumbers. Considerable acreage is annually planted to cucumbers in this county. The pickle brining plant will provide a home market for the early summer money crop when gash is needed, Kyzer said.

Wesley Players To Present Play

"Mansions," a one-act play by Hildegarde Planner, will be presented by the Wesley Players Sunday at 8 p. m. in the annex of Jarvis Memorial Methodist Church. The play presents the conflict between a proud, aristocratic old aunt, whose religion consists of preparing for "Heaven," and her young niece and nephew, who are eagerly seeking the meaning of life. The end of the quest for the two young people is portrayed in a very dramatic manner at the close of the play. The part of "Aunt Harriet" is played by Lois Beacham, of Washington, N. C.; "Joe," her nephew, by Bernard York, of Williamston, both students at East Carolina Teachers College. "Lydia," sister of "Joe," is played by Anne Askew, of Greenville. The play is directed by Miss Mamie Chandler, director of the Methodist student group.

The Epps High School Choir will sing before the presentation of the play.

Inter Se Book Club The Inter Se Book Club met on Tuesday, May 13th, at the home of Mrs. Tyson Bilbro with Mrs. A. B. Stallworth as hostess. Mrs. B. H. Stanell, president, Mrs. L. M. Buchanan vice president, Mrs. Plato Evans, treasurer, and Mrs. Wyatt Brown, secretary, and Mrs. Wyatt Brown, secretary, the new officers, were installed. After a short business session the meeting was turned over to Mrs. Wyatt Brown, who had charge of the program. She introduced Dr. E. C. Hollar who spoke on the United Nations.

With the admonition to remember in considering the United Nations that it is an "infant" organization, Dr. Hollar proceeded to give a background of international organizations, for the United Nations is not the first such organization. Dr. Hollar said he has reluctantly arrived at the opinion that for any international organization to be successful it must be backed by force, for that is one thing man understands.

Next Dr. Hollar outlined the structure of the United Nations organization, giving a critical estimate of each part. In conclusion he indicated the interim role of the United States in regards to its foreign policy.

A suggestion period followed during which time the hostess served delicious refreshments.

Guests for the afternoon were Mrs. E. C. Hollar, Mrs. Cecil Bilbro and Mrs. Charles Kramer.

Miss Van Dyke Hostess to Clio Club Tuesday, May 13th, Annie Shields Van Dyke entertained the Clio Book Club.

Mrs. Robert Arthur, a member of the club, gave a very delightful and clever original short story—"Double Curve." It was about two young girls' love affair.

Mrs. H. W. Hawes, club president, presided over the business session. The club went on record as supporting the tax levy for the supplement to the city teacher's salary.

Mrs. Zack Van Dyke and Mrs. Bryce Sigmon were guests for the afternoon and assisted Miss Van Dyke in serving a salad course.

First Presbyterian Church Dr. and Mrs. R. S. Boyd are visiting their son in Columbus, Ga. In the absence of the pastor, Rev. O. C. Haas of Greenville will preach at the First Presbyterian Church on Sunday morning, May 18th, at 11 o'clock. His subject will be "Our Hindrances to God's Plan."

Judge Dink James will conduct the installation service for the Council of the Westminster Fellowship of College Students at the morning church service, and two anthems will be sung by the High School Chorus under the direction of Miss Ona Shindler. They will sing "Fairest Lord Jesus" by Christiansen and "Were You There?" by Burleigh.

The public is cordially invited.

Ill in Norfolk Hospital Mr. J. A. Ratcliffe, formerly of Greenville and father of Ed Ratcliffe, is critically ill in Norfolk General hospital.

After further investigation this morning, Chief Gardner and Chief Tanner said they were satisfied a defective lamp cord running from an electric receptacle in the hall under the bed short-circuited and started the fire. The wire had been taped at several places. The fire confined to the bedroom, considerably damaged the furniture and the building.

Arthur School Will Have Fine Program

J. L. Cushman, Arthur school principal, has announced plans for the program finals Friday night May 16 at 8 o'clock. The senior class night exercises will include a brief program by the graduates of the eighth as well as the twelfth grade graduates. Sam Bundy of Farmville will present a speech on "The Challenge to Youth," which is the general theme of the seniors' program.

Rev. Z. B. T. Cox of the Farmville Christian Church will preach the baccalaureate sermon Sunday afternoon at 3 o'clock. He will be presented by Rev. L. B. Bennett of the local Christian Church, and Rev. Key Taylor of the local Methodist Church will conduct the devotional.

Tuesday at 11 a. m., the commencement address will be given by Rev. R. S. Hough, pastor of Howard Memorial Presbyterian Church of Tarboro. Rev. Mr. Coats of Farmville will introduce the speaker. Supt. of County Schools Don H. Conley will present the diplomas. Special awards will be made at this time.

Over 50,000 Universal Jeeps' Now at Work on Farms and Ranches!

THE 'JEEP' DOES MORE JOBS—

- Pulls plows, discs, harrows, and other farm implements.
- Hauls loads to 1200 lbs. on or off the road.
- Tows loads to 2½ tons at highway speeds.
- Power take-off delivers to 30 hp on the belt.
- Powers mowers, sprayers—other shaft-driven equipment.
- Works the year 'round!

The Universal "Jeep" has proved its value in the best test of all—round-the-year use on thousands of farms and ranches.

The "Jeep" is the all-around vehicle farmers needed—always ready for hauling, towing, field work and powering equipment. With 2- and 4-wheel drive (6 speeds forward, 2 reverse) and power take-off, the "Jeep" has power and versatility to handle almost any farm job. It is a paying investment. Come in now and inspect it.

Strength FOR THE DAY

FIREPROOF AND FOOLPROOF
The late J. P. Morgan used to have an expression which he dimmed into the ears of his associates in times of crisis: "It always stops raining."

Of course at the height of the storm it seems as if it would never stop. Bad as conditions are in the world today, we know that some day they will right themselves and the peoples of the world will go on probably into centuries of peace and prosperity. In 1865 it seemed as if the world was helpless in Napoleon's grasp. In 1815 he was languishing on St. Helena.

Oliver Wendell Holmes said God wouldn't have given everybody access to the matchbox if He hadn't known that the universe is fireproof. Within certain limits, we can do in this world about as we please. This gives a vast number of unsocially minded people opportunity to wreak havoc among their fellows, and progress consists in devising ways and means for restraining such persons, whether they be pickpockets or world rulers. But neither these nor any group of people can ever destroy the world. It is fireproof, and better still, it is foolproof. Those who play with matches are frequently burned to death and involve others in tragic circumstances. But the building doesn't burn down. God in his infinite wisdom has made it fireproof.

Parasites . . .
(Continued on Page Four)
a startling amount of food is being withheld by Germans from the normal channels of distribution.

Eleven Percent . . .
(Contd., ed from Page One)
for new planes.

The total new appropriations amounting to \$3,135,481,100 compared with \$4,222,781,951 this year. While the committee did not expressly order a reduction of 43,000 in Navy and Marine Corps strength, members interpreted the action as likely to have that result. Chairman Taber told reporters "some reductions will be necessary."

The extent to which they will be made, he added, will depend on economies the Navy can effect in its own ununiformed organization. For instance, he said, "they can cut down on the number of high-paid officers and keep more enlisted men, while if they keep the officers, they will have to cut down on the enlisted personnel."

An even stiffer reduction, 25 per cent, was recommended in the pay allowances for civilian naval employees. Complaining that "it is not at all pleased" by the "tremendous increase" in the number of civilian employees since 1929, the committee directed the Navy to start paring the civilian rolls at once.

Tax Bill . . .

(Continued From Page One)
said Senator Donnell (R-Mo) made the same announcement.
Previously Senators Aiken (R-Vt) and Wilson (R-Iowa) had urged delay in action on taxes until major appropriations bills are passed and Congress knows how much government expenses will be in the fiscal year beginning July 1.

No Report . . .

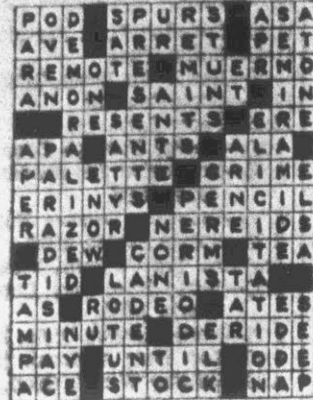

(Continued From Page One)
any report on their talks.
Lewis, head of the union delegation, brushed aside reporters questions as the initial meeting broke up, telling them the conferring chairman, Ezra Vanhorn of Cleveland, would make all announcements.
Van Horn said he had no statement whatever to make.
There was no indication whether Lewis had submitted his contract demands, still not publicly disclosed.

Tune Up Chum, It's Spring

LOOK at those buds bursting. Listen to the birds sing. It's great to feel spring in the air. And along comes the urge to get rolling on the road again.

So how's that Buick of yours? It's time to get it all trim and lively and ready to go places. There's that muck and dirt to get out of the radiator to have a cool-running engine. And fresh clean lubricants to put in the joints for a smooth quiet ride. And a tune-up to get you all the pent-up power that Fireball straight-eight.

How about it? Want a real Buick job done? Buick care's our specialty, you know. Buick Engineered Parts are here. Together with Buick tools and Buick know-how. And that all adds up to good Buick car care.

Drive in—or give us a ring. We'll put the feel of spring in your car for you.

As Long As It LASTS!

Let's Talk Sense About Food Prices

In all the talk about lower prices, don't forget this:

Day in and day out, no retailer does a better job of keeping prices down than your food merchant. No food merchant does a better job than A&P.

We would like you to understand two important things about A&P's price situation:

Our net profit during the past five years has averaged only about 1 cent on each dollar of sales. If we were to operate our business without any profit at all, this 1 cent would amount to a saving of less than 4 cents a day on the entire food bill of the average American family.

We sincerely believe that A&P has the lowest cost of distribution of any retail business in the world. When you spend \$1.00 in an A&P store, you get 86 cents worth of food and only about 14 cents goes to meet all expenses - wages, taxes, rent, light, heat and the hundreds of other expenses incidental to the stocking and operating of a modern food store - including our very small profit.

Obviously there is little "fat" in such a price structure. Our operating costs and profits are already cut close to the bone.

Merchants generally have reduced prices on many items on which they were overstocked. In recent weeks we have reduced prices on hundreds of such items. That is common merchandising practice and has no relation to a general or permanent price reduction.

While many food prices have already been lowered we must recognize that no substantial general reduction in retail food prices is possible until the cost of food to the retailer is reduced.

As any housewife knows, A&P's business has been built on the policy of selling quality food at the lowest practical price every day.

We pledge to our customers strict adherence to that policy. We will continue to lower our prices as fast as reductions in costs to us and economies in our operations permit.

Greenies Win In Ninth Inning Attack By 6-5

Foell Singles In Last Frame To Drive In Needed Run; Locals Staged Uphill Fight To Take 3rd Straight

By BERT MOYE
Johnny Foell's timely single in the ninth frame with one away to score Willie Mauney who had reached second on a single and a wild pitch, provided the winning run for the Greenies as they defeated the Goldsboro Bugs 6-5 here last night to run their current win streak to three games.

Trailing by four runs as they came up to the bat in the eighth frame, the Greenies put across four runs on three singles, a walk and an error to knot the count at 5-all. Tommy Lee led off with a single. Mauney singled, Chute walked leading bases, Johnny Pare, pinch-hitting for brother Bobby, hit the ball to short who threw to second to catch Chute with ball being error by Salver, Goldsboro's second sacker, enabling Lee and Mauney to score and then Rogers singled to

Twelfth Inning Single Earns 5-4 Victory For Locals

Junior Hayes' single to center field in the last of the twelfth inning scored Larry James with the winning run, as the East Carolina Pirates defeated the Cherry Point Marines 5-4 yesterday on the college diamond.

The game was nip and tuck all the way, as the Pirates had to come from behind three times for the win. With the score 3-all in the tenth, the Marines put together two hits and an infield out to go ahead 4-3. The Pirates came right back in their half to tie the score as Hayes walked, stole second, and came home on Jessie Boyd's hit to center.

Bob "Lefty" McCotter relieved Monette, starting ETC hurler, in the sixth inning, and turned in a sparkling performance for his fourth win against no defeats. McCotter allowed but two hits and one run in his seven-inning stint.

Penn went the full distance for the losers and was touched for nine safe blows.

Yesterday's contest was the last game of the season for Coach John Cameron's Pirates, who finished the season with 11 wins against 7 setbacks.

States to initiate the procedure which will lead to the establishment of a World Federation.
In the debate in the Senate and House of Representatives, it was brought out that the atomic bomb now made World Government inevitable if civilization was to endure; there was no military defense against the atomic bomb it was asserted, and that therefore mankind's only hope was a political defense. An authority capable of exacting and enforcing order by law on a world level was declared both indispensable and urgent.

Missouri thus became the fifteenth state to pass the resolution, which was originally adopted by the General Assembly of North Carolina in March, 1941.

BUSINESS MAN GIVES RETONGA STRONG PRAISE

He Had Been On A Strict Diet So Long Friend Was Astonished When He Ate Big Meals

Has Plenty Of Strength And Pep Now, Declares Carolina Cotton Man And World Traveler

Among the hundreds of well known business and professional men praising Retonga is Mr. Horace H. Lann, widely known textile engineer, Mason and world traveler, who resides at the Mecklenberg Hotel, Charlotte, N.C. Mr. Lanni has outfitted textile mills all over the world. Discussing his happy experience with Retonga he declares:

"During the past couple of years I had no appetite and had to be extremely careful of my diet. I suffered severe gas pains after meals and any kind of vegetable or fruit juice seemed almost like poison to my system. Constipation was so bad I had to rely solely on laxatives. I seemed full of toxic poisons and felt so weakened and run down I had to force myself to keep on the go.

"After vainly trying numerous medicines the relief Retonga gave me is almost unbelievable. Recently I went into the hotel dining room so hungry I actually ate two regular meals. I had been on a strict diet so long the manager came over to see what was happening. The constipation and toxic, tired-out feeling are relieved, too, and I have plenty of strength and pep. In my book Retonga is a world beater."

Retonga is intended to relieve distress due to insufficient flow of vital digestive juices in the stomach, loss of appetite, Vitamin B-11 deficiency and constipation. Thousands praise it. Retonga may be obtained at Bissette's Drug Store. —Adv.
