ATOM SECRETS NO MONOPOLY SAYS GROMYKO

Warns U.S. May Get In Unfavorable Position; Urges Outlawing A-Bomb

New York, May 20—(AP)—And A. Gromyko, USSR delegate to the United Nations Security Council, said last night that an atomic weapons monopoly by any one country can be only "of a temporary character" and "in reality, such monopoly is an illusion."

The deputy Soviet foreign minister discussed the United States' apparent atomic "monopoly" and Russia's objection to American proposals for international inspection and control of atomic energy development at the annual dinner of the American Russian Institute.

Gromyko emphasized three points: 1. That prohibition of atomic and mass-destruction weapons must be undertaken promptly by United Nations action.

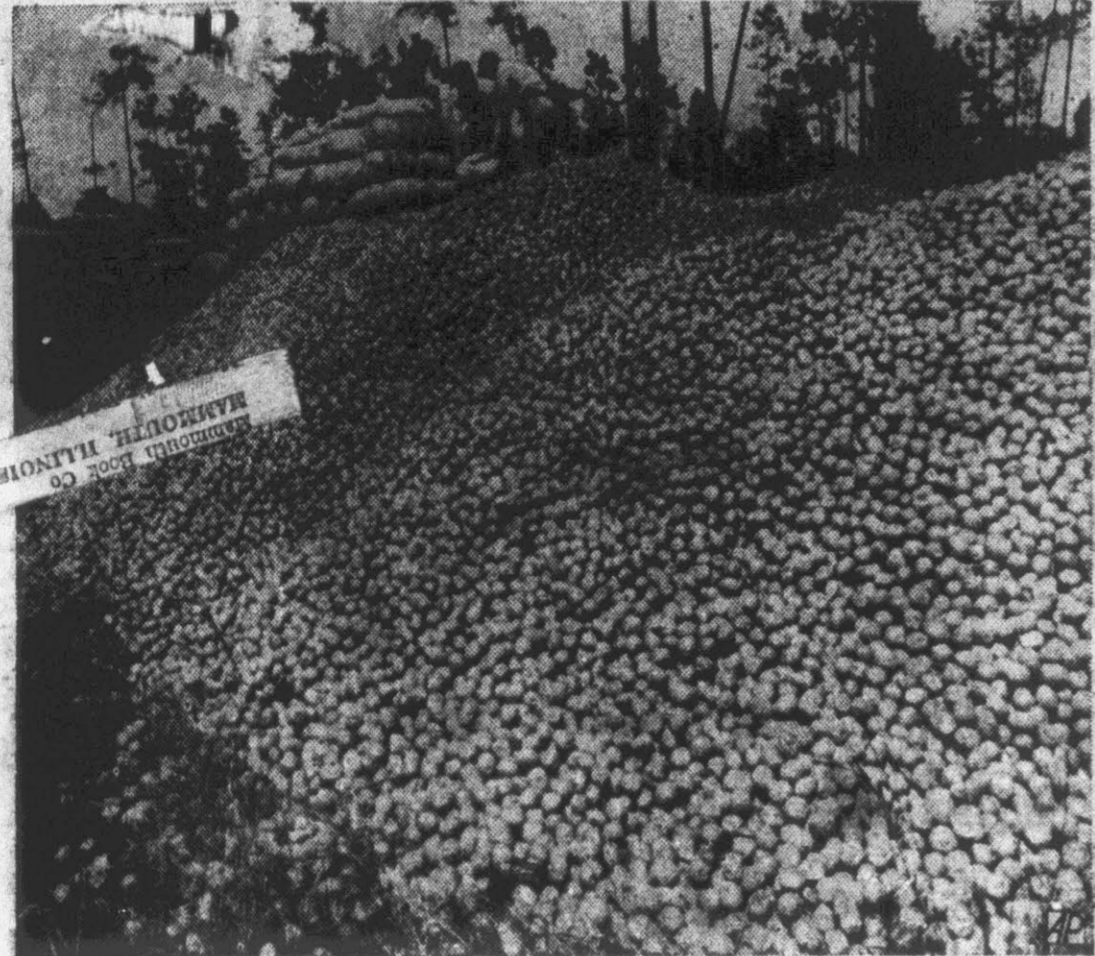

2. That after atomic weapons are outlawed, Russia will agree to international control and inspection limited to assuring development of atomic energy for peaceful purposes only, and must not infringe on the internal economy of the USSR.

3. That this inspection must be limited to assuring development of atomic energy for peaceful purposes only, and must not infringe on the internal economy of the USSR.

Gromyko, saying that perhaps he spoke "too frankly" but that "it is much easier to understand correctly when one speaks frankly," contended that opponents of immediate

Government Dumps Surplus Potatoes

More than 50 tons of surplus potatoes are being dumped by the government near Foley, Ala., because of a glutted market. Checkers for the Production and Marketing Administration stand atop the pile, dumping the spuds into an open field. Kerosene was then poured over the pile to make them unfit for consumption. Shortly after this picture was made the government received an order for 20 carloads of surplus potatoes and called off the dumping program. (AP Photo)

End In Sight

Washington, May 20—(AP)—Secretary Marshall said today he does not foresee any further appropriations for such purposes as the \$100,000,000 Greek-Turkish and the \$350,000,000 foreign relief programs.

The secretary told a news conference, however, that he is not prepared to say what may be required in the future.

Marshall added that while the State Department does not plan any further requests for foreign funds, the War Department soon will ask more money for expenses in the overseas zones, including \$78,000,000 for Korea.

Trial Of Accused Mob Goes Into Final Phase

Greenville, S. C., May 20—(AP)—Defense counsel appealed to a Greenville county jury today to acquit 28 white men who are accused of lynching a negro, and assailed "northern interference" with the suggestion that the Democratic National administration hoped "to get votes in the north in a crucial election" by prosecuting southerners.

The defendants, most of them Greenville taxi drivers, chewed gum and chucked from time to time as counsel referred to the negro lynching. Willie Earle, and at one point likened him to "a mad dog" that should have been killed.

Appealing to the jury, gray-haired defense attorney Benjamin Bolt declared it had in its keeping "lives of 28 men, and not only that—you have in keeping the happiness of their little children." That responsibility, he said, was not with the defense, or the prosecution, or the court.

"Nor, thank God, with the F. B. I." At the outset, the court warned defense counsel they could not plead "justification, mitigation or excuse" for the brutal lynch-murder.

But defense attorney John B. Culbertson shouted "Willie Earle is dead and I wish more like him were dead."

NO TIME FOR HEALTH BILL

Washington, May 20—(AP)—Senator Taft (R-Ohio) said today the Republican-controlled Senate has no place on its 1947 schedule for the "long and bitter battle" that would be required to pass a federal health bill.

This rejection by the GOP Policy Committee chairman of President Truman's appeal for "immediate attention to the development and enactment of national health and disability insurance programs" was accompanied, however, by a promise of early hearings on the question.

Taft said the Labor Committee which he heads, will start listening to testimony on health needs in a few days.

Senator Murray (D-Mont.) announced he planned to introduce a bill today to carry out most of the suggestions made by the President in a message to Congress yesterday.

Communists Cut Changchun Rails

Nanking, May 20—(AP)—Chinese Communists acted decisively in two sectors of China's civil war today to cut off Government reinforcements for Changchun, besieged capital of Manchuria.

Nationalist dispatches reported that Red troops cut the Peiping-Mukden railway south of the Great Wall, blocking movement of Government military trains to Manchuria over this important line.

Other reports acknowledged the loss of Kung chuling, railtown 30 miles southwest of Changchun, and said it would halt the flow of train-borne Government reinforcements going to the relief of hard-pressed Changchun.

ABC Officers Raid Still And Arrest Negro

Pitt County ABC Officers J. M. Ward, C. T. Manning and Alcohol Tax Unit Agent L. B. Smithwick raided an illicit whiskey distillery in the Maple Cypress section of Craven County, near the Pitt County line, yesterday morning and arrested Jim Bert Gardner of Fort Barnwell after an exciting chase through woods.

The still, a 100-gallon copper outfit, was in operation. It had just been fired up for the day's operation.

The officers destroyed the outfit and 500 gallons of molasses and cornmeal mash and a fermenter of 1,500 gallons capacity.

Gardner was given a preliminary hearing before U.S. Commissioner Matilda Gardner in New Bern. He was bound over to the October term of U.S. District Court under \$300 bond.

Study Higher Rate Requests

Raleigh, N.C., May 20—(AP)—The State Utilities Commission had under consideration today requests for higher rates from the Western Union Telegraph Company and the Carolina Telephone and Telegraph Company.

At hearings held yesterday, Western Union asked for an increase on nine percent in its intrastate rate at an estimated cost of \$28,000 to its North Carolina customers.

The telephone company, which has headquarters in Tarboro, asked for a boost of about 25 per cent in its exchange rates. It estimated the increase would increase its income by \$28,000 a year.

ICC CANCELS FREIGHT RATE ORDER NO. 548

Carolina Shippers Association To Appeal Case, President Kittrell Said

In an order issued April 24, 1947, Division 3, the Interstate Commerce Commission has decided against the Carolina Shippers' Association in the case known as I. and S. Docket No. 5448, involving the cancellation of depressed freight rates which were put into effect in 1931 to Eastern North Carolina points from and to Norfolk and Newport News, Va., Baltimore, Md., and certain other cities.

The order which was received by President J. B. Kittrell and Secretary-Treasurer Willard T. Kyzer of the Carolina Shippers' Association is:

"It is ordered that the corrected order heretofore entered in this proceeding, suspending the operation of said schedules, be and it is hereby vacated and set aside as of May 29, 1947, and that this proceeding be discontinued."

The order further states that Division 3 of the commission has found the schedules under suspension just and reasonable.

President Kittrell said that in November, 1946, the Norfolk Southern Railroad Company, supported by other carriers, including water carriers, petitioned the Interstate Commerce Commission for permission to cancel depressed rates which were put into effect in 1931 to meet rates charged by water carriers and motor truck carriers. The Carolina Shippers' Association, on November 29, 1946, protested this action, which was to become effective on December 12, 1946, and as a result of the protest, the rates were suspended until July 12, 1947.

A hearing was held before examiners of the Interstate Commerce

NAVY BUDGET BEFORE HOUSE

Major Opposition To Come When Bill Goes To Senate

Washington, May 20—(AP)—The \$3,469,761,100 Navy appropriation bill, cut 11 per cent below budget estimates, moved onto the House floor today as some Republicans called for deeper slashes in Army and Agriculture Department funds.

Although they professed no fear of being unable to uphold an appropriations committee recommendation for the \$1,775,190,300 Navy reduction, Republican leaders set aside three days for debate on the bill.

Self-styled "big Navy" advocates decided in advance to make their main fight when the bill reaches the Senate.

"I know the cards are stacked against us," Rep. Sheppard (D-Calif.) told reporters. "They have the votes and intend to use them. We're hoping the Senate will restore at least part of the cuts."

Sheppard said he believes the recommended reduction "is endangering the Navy" and said he opposes heavy cuts "until the Russian picture is settled."

Both Sheppard and Rep. Plumley (R-Vt.), chairman of the subcommittee, agreed that proposed cuts may force the dismissal of about 125,000 of the Navy's 340,000 civilian personnel, including shipyard workers.

Sheppard contended that many of the dismissed workers would have to be replaced by uniformed personnel, thereby weakening the Navy's military strength.

Book-Mobile For Pitt Is Sponsored By Greenville Tobacco Trade Board

W. L. Whedbee, Supervisor of the Greenville Tobacco Board of Trade, announced today that a special call meeting of the Greenville Tobacco Board of Trade had voted unanimously to sponsor a book-mobile or traveling library for the people of Pitt County outside of Greenville.

Before adjourning, approximately one thousand dollars was raised by voluntary subscriptions from the various members of the Greenville Tobacco Board of Trade. This will pay one-half of the purchase price of the book-mobile.

The President of the Tobacco Board of Trade, Mr. W. S. Bost, appointed the following committee to contact the civic organizations and citizens of Greenville to raise the other one-half of the purchase price. W. S. Bost, chairman, Guy V. Smith, James T. Keel, A. C. Ruffin and W. L. Whedbee.

J. H. Rose, representing the Board of Trustees of the Sheppard Memorial Library, appeared before the Greenville Tobacco Board of Trade in behalf of this project. He stated that the Board of County Commis-

sioners of Pitt County had agreed to furnish the money for the operation and maintenance of the book-mobile for the next 12 months. This includes the salary of a trained librarian, who will operate the bookmobile.

Mr. G. H. Pittman, member of the Board of County Commissioners and a member of the Board of Trustees of the Sheppard Memorial Library, informed the library trustees last week of the action of the County Commissioners.

The book-mobile, or traveling library, is designed primarily to carry books to the citizens of Pitt County outside of Greenville. It will operate on regular stated schedule serving all of the consolidated school centers, trading centers of the county and other towns in Pitt County. The citizens of any area will always know when the bookmobile will arrive and where it will be stationed. This information will be given out over the radio and thru the newspapers and churches and thru the public schools when they are in operation.

Balkan Countries Said Defying UN

Soviet Satellite States Accused By U.S. For Refusal To Cooperate With Border Watch Group In Northern Greece

Lake Success, N.Y., May 20—(AP)—The United States today accused three Soviet satellite states in the Balkans of defying the authority of the United Nations by refusal to cooperate with a U.N. border watch group posted in northern Greece.

Deferring to Albania, Yugoslavia and Bulgaria, U.S. Deputy Delegate Herschel V. Johnson said "it is entirely inadmissible for the Security Council to accept their refusal to cooperate."

He told the council that by doing so, the three placed themselves in a position of "defiance" to the U.N. Johnson opposed a Russian proposal to curtail the powers of the frontier investigators, contending such a step would "paralyze the subsidiary group."

The American statement came after Greece charged that Albanian, Yugoslav and Bulgarian liaison officers with the border commission engaged at Athens in "interferences designed to aid those who would bring Greece by forceful means into the Communist camp."

Greek Ambassador Vassili Dendramis made the accusation before the Security Council in response to a Russian demand that the U.N. Balkan border watch group move its headquarters to Athens from Sa-

lonika, near the troubled frontier. Dendramis said his government had protested unsuccessfully against what he called "the abuse by the liaison officers and agents of the disputant countries of their privileged status."

Dendramis also opposed a Soviet proposal for sharp curtailment of the powers of the interim border investigators. Russia would restrict further inquiries to specific cases assigned by the council.

Another Balkan state—Yugoslavia—assailed the validity of the commission last week.

The United States and Britain planned to oppose the Soviet move, which would limit the investigators to specific council-drafted assignments, move them away from Salonika in the frontier region southward to Athens, and put a strict limit on the life of the group.

Clear View Of Total Eclipse For Scientists

Bocaiuva, Brazil, May 20—(AP)—A total eclipse of the sun occurred here today in clear weather, which promised success for the preparations of a large group of American scientists gathered on a wooded plateau at Bocaiuva to witness the phenomenon.

The eclipse began about 8:22:36 a.m. became total at 9:34:48, remained in totality, three minutes and 48 seconds, and continued in partiality until 11:03:36. The times (all two hours ahead of Eastern Standard Time) are subject to official confirmation.

The eclipse was not visible to the naked eye, however, at a similar observation station at Araxa, 275 miles southwest of Bocaiuva, because the sky was cloudy and overcast.

The eclipse was not seen in the northern hemisphere.

Strike Settled

Washington, May 20—(AP)—The Labor Department today announced settlement of the last major dispute in the telephone strike with an 11 1/2 cents-an-hour average wage boost for 20,000 members of the Association of Communication Equipment Workers.

The Western Electric Company, against which the union has been striking for six weeks, announced it will be ready to resume work tomorrow morning.

The agreement, reached in protracted negotiations here, is subject to ratification by the union's membership who handle switchboard installation work in 42 states. Approval is considered a foregone conclusion.

APPROVE TWO PROJECTS FOR SCHOOLS HERE

Merchants' Directors Endorse Teacher Supplement; Approve Training Plan

By CHESTER WALSH The Greenville Merchants Association directors last night unanimously endorsed the special election to be held here on Tuesday, May 27, to permit the citizens to vote their approval of a special tax levy of 15 cents on the hundred dollar property valuation to supplement school teachers' salaries.

City Schools Supt. June H. Rose pointed out that Greenville has the lowest school supplement of any city in Eastern Carolina. In order to keep teachers from being enticed away from the school rooms to commercial business positions, fair and adequate salaries must be provided, he said. The matter was thoroughly discussed and the directors voted in favor of the supplement and urged the citizens to support it.

The directors also unanimously endorsed the plan for a coordinator for the city schools for the 1947-48 term. Superintendent Rose explained the proposed retail training plan under "distributive education," North Carolina Department of Public Instruction. The part-time cooperative program provides opportunity for school students to obtain merchandising experience while attending school.

Vice-President William H. Taft presided for President John W. Glover, who was unable to attend. He called attention to the 45th annual convention of the North Carolina Merchants' Association June 10-11 in Raleigh and said 11 members of the Greenville association have indicated their intention to attend, including Judson H. Blount, vice-president of the state association. Prominent speakers of national and state prominence on the convention program will discuss with authority such subjects as distribution, advertising, credit collection, expansion, employee relations, taxation and other subjects of vital importance to merchants. Vice-President Taft said.

It was announced last night that Executive Secretary Mrs. Cora S. Powell and other Greenville citizens interested in a through motor bus schedule, attended a hearing by the State Utilities Commission in Wilmington on May 8.

Quads Celebrate First Birthday

Reidsville, N. C., May 20—(AP)—The Fultz Negro girl quadruplets celebrated their first birthday Friday.

The youngsters, only living Negro quadruplets, are daughters of a 37-year-old deaf mute, Annie Mae Fultz, and her farmer husband, James Fultz, 54.

The girls, all of whom bear the first name of Mary, weighed only four pounds each at birth but today they scale around 19 pounds each. They gained 15 pounds during their first year.

Training Center At Ft. Bragg To Move

Fayetteville, N. C., May 20—(AP)—The replacement training center at Fort Bragg will be closed and several thousand soldiers moved to RTC installations at Fort Jackson, Columbia, S. C., and Fort Dix, N. J.

The Fort Bragg public information office said the movement will be made between May 28 and July 10.

Bigger And Better

Farms Less Numerous, Fewer Farmers Working The Land, And Yet More Land Now Under Cultivation; Average Net Income For Farmers Up; Statistics

By JAMES MARLOW The average number of farms: 1910-14—6,400,000. 1946—5,900,000.

That drop of 500,000 in the number of farms might make it seem less farmland was being worked. Not so.

Land under cultivation: 1910-14—310,566,000 acres. 1946—345,773,000 acres.

Thus while the number of individual farms dropped and total farmland increased, the size of farms increased.

Average size of farms: 1910-14—138 acres. 1946—194 acres.

But what of the value of the crops farmers produced? Cash receipts for the money farmers got for their products: 1924—\$10,250,000,000. 1946—\$23,900,000,000.

Of the \$23,900,000,000 in cash receipts in 1946, about \$60,000,000 came from government subsidies, or payments of one kind or another.

So, exclusive of how the government helped out, farm cash receipts more than doubled between 1924 and 1946.

Tremendous Job In Big Wheat Harvest

Railroads Girding For Task Unmatched In Peace-Time History; Billion Bushel Wheat Crop To Be Gathered

Chicago, May 20—(AP)—Railroads which soon will start to move the first billion bushel winter wheat crop in the nation's history reported today that their boxcar supply situation was improved over last year.

However, they agreed that transporting such an enormous amount of grain will present a "tough problem."

Within the next 10 days harvesting of this fabulous crop—believed to be the largest any nation ever produced—will start in Texas.

Harvesting will progress northward through Oklahoma, Kansas and Nebraska, and when it is over around mid-July a whopping store of wheat will have been added to the food supply of a world desperately in need of bread.

In this rich agricultural territory railroads now are girding themselves for a job unmatched in peace-time history.

MRS. TRUMAN HOLDING OWN

But President Concerned Over Mother's "Bad Night"

Grandview, Mo., May 20—(AP)—Rallying slightly after a restless night, President Truman's gravely ill mother was described today as "just about holding her own."

Presidential Press Secretary Charles G. Ross said Mrs. Martha E. Truman was carried during the morning to a chair in which she rocked for an hour and a half.

Ross quoted the president's physician, Brig. Gen. Wallace H. Graham as saying the 94-year-old woman thoroughly enjoyed rocking and talking with the president.

The president told reporters as he left his hotel in nearby Kansas City for a before-breakfast walk that Mrs. Martha E. Truman "is all right now, but she had a kind of bad night."

Two Unpleasant Rumors From England Indicate Desperate Game In Trying To Keep Balance Of Power Between Russia And U.S. By Making "Deals"

By DEWITT MACKENZIE

Out of London comes two items of news which, if taken in juxtaposition, demand a pause for serious consideration:

1. Informed British sources say England is preparing to hand over to the United States the responsibility for defense of the Mediterranean and the Middle East, including the Suez Canal.

This doesn't mean Britain's abandonment of her economic and political interest in the Middle East. It merely means that the U.S. defends them.

2. The Sunday Empire News (London) stated that the British Cabinet was considering a Russian offer to trade grain and industrial raw materials for British-made jet planes and technical scientific processes. The newspaper said "the foundation for the gigantic barter was laid by Foreign Secretary Bevin at the Moscow conference."

Another newspaper, the People, said: "Inside tip of diplomatic experts is that Mr. Bevin will pull off a surprise deal with Russia in the next six months. And it may be one that will cause consternation

With Army in Tokyo
With the Eighth Army in Tokyo, Private George Newby of Greenville, North Carolina, is now serving in the famed fighting First Cavalry Division which is on occupation duty in the ten prefectures of the Kanto-Kokama area. The First Cavalry Division fought all the way from Australia in the Pacific campaign of World War II, and was first in Tokyo and also first in Manila.

Overseas since March 1947, Private Newby is serving with Charlie Troop 5th Cavalry as rifleman. Private Newby attended Bell Arthur High School. He entered the army in November 1946 and received his basic training at Fort Lewis, Washington.

His parents, Mr. and Mrs. C. M. Newby, reside at Route 2, Greenville, North Carolina.

District Meeting in Griffon
The district meeting of the Woman's Auxiliary will meet in Griffon May 20th.

Mrs. W. O. S. Sutherland of Wilmington will make an address. Also Mrs. E. F. Moseley of Kinston and Miss Hennie Long of Greenville.

Members from Greenville, Farmville, Ayden, Winterville and St. Johns will attend. Mrs. Eleanor W. Gower of Griffon is President of the district. A luncheon will be served in the Masonic hall.

Garden Club Luncheon Meeting

The Greenville Garden Club held its luncheon meeting in the garden of Mrs. M. K. Blount in Rock Spring. The weather had conspired with the garden to make a beautiful background for the annual affair. A picnic luncheon under the hospitality chairmanship of Mrs. Martin Swartz, was served on the terrace by the hostesses, Mesdames L. B. Garris, K. B. Pace, C. E. Oakley and R. M. Garrett. The flower arrangements were done by Mrs. Key Brown and Mrs. W. J. Stelle. After the luncheon, the program was held in the garden. "Hats of Parade" was the theme of a fashion show presented by the members. The natural flower trimmed hats, which had been done with the artistry of a Lily Dache or John Frederic, were modeled by the members in a revue in the garden.

Another of the features of the program was a series of short talks by members who had visited famous gardens this spring. Mrs. Key Brown gave her idea of the New York flower show, which she attended in March; Mrs. Travis Hooker showed the beauties of the Bellingrath Gardens in Mobile; Mrs. K. B. Pace described the Eagle's Nest Gardens in Clearwater, Fla.; Mrs. J. H. B. Moore told of her visit to the 25th anniversary meeting of the oldest Garden club in Florida; Mrs. J. L. Fleming brought back the romance of Old Natchez and Mrs. S. M. Crisp, who with her husband had vacationed in Virginia during Virginia Garden Week, recaptured for the club, an era in our early beginnings through her description of the historical homes and gardens of the Old Dominion.

The club appreciated the hospitality of Mrs. Blount in lending her home and garden for this special affair which brought to a close the meetings of the Greenville Garden Club for 1946-47.

The Wesleyan Service Guild
Members of the Wesleyan Service Guild, and their guests, enjoyed a social gathering in Jarvis Memorial Methodist church Monday night. After a delicious turkey dinner the members of the Guild and guests were given helpful information about Guild work by Mrs. Fannie Larkin, conference secretary. Mrs. Larkin spoke interestingly on "Never Underestimate the Power of Woman."

"Do what you see fit and remember that God is with you. Do not be overwhelmed with the task before you," stated Mrs. Larkin.

A discussion was held during which time the members had the opportunity to ask questions concerning Guild work.

The members and guests were invited into the Church annex to see "Missions," a one-act play by Hildgarde Flanner which was presented by the Wesley Foundation Players.

Special guests for the dinner were Rev. Robert W. Bradshaw, Mrs. W. N. Davis, New Bern district secretary, Sandra Davis, the Guild's mascot, Mrs. Gurney P. Hood, President of the Woman's Society of Christian Service, of the North Carolina Conference, Miss Charity Holland, president of the Wesleyan Service Guild of Kinston, Mrs. F. P. Brooks, president of the local Woman's Society of Christian Service, Mrs. W. P. Moore and Mrs. Picklen Arthur, members of the local Woman's Society of Christian Service, and Miss Mamie Chandler, Sam Strickland,

Mrs. Feldman is the former Helen Taylor.

Piney Grove News

Well, folks here I am back again. Didn't take me so long to get me news up this time.

We are very glad to learn that Mrs. Chester Worthington has returned to her home from Watts hospital. We sincerely hope that she will soon be able to be out.

Word has been received that Pfc. L. E. Ferrell arrived home last Monday morning from Korea.

Messrs. Marion Worthington and Louis Holloway recently went to Durham to see the Duke gardens.

Mr. William H. Crawford, who has been working in New York is visiting

his parents, Mr. and Mrs. Wiley Crawford.

Mr. Tab Skinner is visiting his sister, Mrs. Frank Manning.

Messrs. H. R. Crawford, Aaron Case and D. K. Newell went to Portsmouth this week for a few days.

Rev. and Mrs. R. N. Hinnant and Doris Faye were dinner guests of Mr. and Mrs. N. S. Tyson last second Sunday.

The Senior Ladies' auxiliary met last Friday evening at the home of Mrs. H. R. Crawford.

The Junior Ladies' Auxiliary met last Monday night at Miss Betty Jean Allen's.

The Youthful Workers' Club will hold its regular monthly meeting Thursday night at 8 o'clock. All members are urged to be present since it will be election night.

There will be a choir practice at Piney Grove Sunday night at 7 o'clock. We urge that all who will come and sing us a choir to be proud of.

We are very sorry to learn of Johnnie Cassick's misfortune. Johnnie was changing a tire when the jack fell and cut off his finger.

If we don't get our Sunday school rooms built soon I just don't know what we'll do. Why last Sunday morning one class went outdoors. We had a total of 136.

Senior students present included Betsy Helen of Greenville, Elaine Forrest of Winterville, Douglas Jones of Farmville, Ruth Joyce Baker and Rheda Mae Bone of Rocky Mount, Lois Howard of Jacksonville, Rebecca Kirkland of Durham, Rosa Alice Lancaster of New Bern, Joseph Lassiter and Stanfield Johnson of Conway, Helen Matthews of Elm City, and Robert B. Mergan of Lillington. Dean R. J. Say of the college was at the presentation for the local committee on enlisting Naval Reserves. He elaborated on who was eligible and on the benefits of enlistment. Also speaking in behalf of the organization was Stuart Carr, chairman of the committee. The Rotary Club has five members who belong to the Reserve: Ty Wagner, Charles Bisette, Bancroft Aoseley, Herbert Hadley and Leon Poebuck.

Guests of the club were Fred Greene, secretary of the N. C. Bankers Association, and D. M. Clark. Visiting Rotarians were John Mey-born of Farmville and W. J. Bullock of Ayden. Wendell Smiley assumed the office of secretary of the Rotary Club last night, succeeding Ed Hester, who resigned from the club and is going to move to Raleigh. It was announced that next Monday is "Father and Son or Daughter Night" for the Rotarians.

Faculty members of the department of mathematics at East Carolina Teachers College entertained in honor of senior students of the department at a dinner at Respass' place near the city last Friday evening.

City Well Represented At Shriners Ceremony

On Thursday May 22, 1947, the Shriners of Sudan Temple will hold their annual ceremonies at Beaufort and Morehead City and Atlantic Beach. This year Greenville has the distinction of having W. J. Bundy as Potentate of Sudan Temple. Bundy is also Immediate Past Grand Master of Masons of North Carolina.

B. B. Sugg is another Greenville citizen who has had outstanding honors conferred upon him by Sudan Temple. He was appointed Orator of Sudan Temple in January of this year.

Approximately four hundred candidates from all over Eastern North Carolina will be initiated on Thursday afternoon at the final ceremony at Atlantic Beach, which will be presided over by Chief of Police Jim Tanner of Greenville as Master of Ceremonies.

A mammoth parade will be held in Morehead City on Thursday May 22 at 11:30 a.m. This parade will be led by Potentate W. J. Bundy and will be several miles in length. It will consist of dozens of bands and numerous gigantic floats. The Greenville High School band will represent Greenville, and will follow immediately after the Sudan band. The Greenville Chamber of Commerce and the Greenville Tobacco Board of Trade have made arrangements for one of the largest and most attractive floats in the parade. Approximately five thousand Shriners and their wives will attend this gala occasion.

Members of the Greenville High School band will leave Greenville on special buses at 8:30 o'clock Thursday morning and upon arrival at Morehead City will be met by a highway patrol escort and shown to the location where they will enter the parade. After the picnic beside the Jefferson Hotel the buses will pick up the band members and carry them to Atlantic Beach for an outing before leaving for the return trip to Greenville around 4:30 o'clock in the afternoon.

Gives Recital

Donald Perry of Washington, student of music at East Carolina Teachers College, will be presented by the department of music at the college in his senior voice recital on Thursday evening, May 22, at 8:00 o'clock.

Perry, a lyric tenor, is well-known throughout this section as a singer. During the past year he has appeared a number of times on the East Carolina Radio Hour, presented weekly by the college over the Tobacco Network. He has sung before civic organizations of the city of Greenville and in various of the local churches.

When in 1943 the department of music at the college presented the opera "Martha," Perry had the tenor lead and appeared in the role of Lionel. This year he took part in minstrels presented by the Veterans Club of East Carolina and by the Kiwanis Club of Greenville. Before going into service, Perry appeared in two joint recitals presented at the college.

Strength FOR THE DAY

A GREAT MODERN NEED
The minister used to be called the
person, which in the English of by-
gone days meant the person of sig-
nificance in the community. A hun-
dred or a hundred and fifty years
ago the minister was, in almost ev-
ery community in this country, the
most highly educated and best in-
formed man.

That time has now passed, not be-
cause the ministry has deteriorated
but because there are many people
in every town and village who know
as much as the preacher knows, if
not more. This means that if the
preacher is going to hold the at-
tention of those who hear him, he
must speak about the things on
which he and he only is an author-
ity, namely, the way of God with
his creatures. When he tries to
speak on anything else he may be
sure that there are others who
know vastly more than he does.

People do not come to church to-
day to be entertained. They can be
much better entertained by people
for whom entertaining is a busi-
ness. Neither do they come to
church to be informed on matters
social, economic, or political. The
shelves are full of books on these
subjects, and the air is full of lec-
tures for anyone who cares to turn
on the radio.

Those who attend church today
want the preacher to tell them
about God. The telling must be ef-
fectively done, and, above all else,
the messenger must, in delivering
his message, convey the impression
that he believes what he says.

FIRE ALARM TODAY

The fire department was called to
Fourteenth Street and the Nor-
folk Southern Railroad tracks
when a small dwelling house roof
caught fire from sparks from a
chimney. Slight damage was done.

Wheat Harvest . . .

(Continued From Page One)
Explaining that the Association
of American Railroads had ordered
Eastern lines to supply 777 cars a
day to Western roads, the Santa Fe
said, "The Eastern lines have been
co-operating better than last year
and we have stored some cars in
the grain territory. Last year we
had none stored."

An indication of the increase in
cars which will be needed was sup-
plied by the Rock Island, which
estimated it would move 37,000 car-
loads of grain between June 1 and
August 23 compared with 22,279 car-
loads last year.

Trial . . .

(Continued from Page One)
dared "you confine yourself to my
ruling (against racial issues) or I'll
stop you from arguing to the jury."
Solicitor Samuel Watt, summing
up for the state told the jury "the
truth in this case shines brighter
than the brightest star" and added:
"It is only my duty to help you find
the truth, and it is your duty to
seek diligently."

Speaking of "these most damnable
and most heinous" crime of which
the 28 are accused, Watt told the
jury: "You are not responsible for
their plight they have chosen the
road they follow."

Commission in the City Hall at
Greenville on February 11, 1947 at
which time protesters presented
evidence supporting their action.
These protesters included shippers
and receivers of freight from a num-
ber of communities in the area af-
fected. Secretary Kyser said:

While Division 3 of the Interstate
Commerce Commission has ruled
against the protesters, an appeal
will be taken before the entire In-
terstate Commerce Commission by
the Carolina Shippers' Association,
through its counsel, President Kit-
tred said. The suspension, even
though it may be vacated on May

FROM WHERE I SIT - BY JOE MARSH
Broccoli in Dress Clothes
It was Bill Watson's idea - a
local Cooperative Packaging Asso-
ciation. The farmers just bring
their produce to a converted ice
plant, put it on a belt, and it comes
out neatly wrapped in cellophane.
Naturally, it looks a whole lot
better and more appetizing in the
store. And the farmers share in
the expense and management of
the Association, which is paying
off in better business.
Because how you show your pro-
duct is as important as its quality.
Take a popular beverage like this.

It's not only important that it's
pure and wholesome - but it should
be sold in surroundings that are
clean, attractive, law-abiding.
That's why the brewers have
their Self-Regulation program.
When a brewer isn't a credit to the
community, the brewers go right
to the owner and ask him to clean
up his place. From where I sit,
that's right in line with the mod-
ern trend of better service to con-
sumers.

Anniversary Of Mecklenburg Declaration
Charlotte, N. C., May 20 (AP) -

Greenies And Kinston Divide Double Header

Foell Wins Pitching Duel In First Game As Locals Win 2-1; Rex Benton Hit Hard As Eagles Win Second Round 10-5

By BERT MOYE
The Greenville Greenies and the Kinston Eagles split a twin bill here last night with the Greenies taking the opener 2-1 and the Eagles taking the nightcap 10-5.

First Game
Johnny Foell pitched five hit ball in gaining his third win for the Greenies and bested Lefty Gaudin in a pitcher's duel.

Greenville was unable to get a hit until the fifth frame when Bonar Lee led off with a double and came home on Luke's single.

The winning run was made in the seventh when Manager Johnny Pace led off with a double and came home on Tepedino's wild throw to first on a ball hit by Luke.

The Eagles were held scoreless until the ninth when they started a rally but were halted after scoring one run when Foell struck out two Eagles in a row and the third man went out on an infield out.

Score by innings:
Kinston..... 000 000 001-1
Greenville..... 000 010 10x-2

Second Game
In the second game the Eagles pounded on Rex Benton for eight hits and six runs to gain a lead which they never relinquished.

Their scoring attack was featured by Ellis' homer in the second and Winkie's homer in the third. Their winning run came in the fifth frame when Winkie singled, stole second and scored on Ellis' single.

Greenville scored in the third on Lynch's single, walks by Mauney and Chute and Bonar's single brought two home, scored a singleton in the fourth when Benton singled. Lee walked, a wild pitch advanced Benton to third and Mauney flew out to right field with Benton scoring on the out.

Their final two runs came in the fifth frame when Luke singled Yeagle sacrificed, Ranweiler, pinch-hitting for Benton, doubled to bring home Luke and Lee singled to score Ranweiler.

Bill Lynch with two for three and Tommy Lee with two for four led the Greenies' eight-hit attack.

Score by innings:
Kinston..... 221 014 0-10
Greenville..... 002 120 0-5

UMW And Mine Operators Try Contract Talks

Washington, May 20—(AP)—John L. Lewis and mine operators representing 75 percent of the nation's soft coal output resume contract talks today.

Lewis gave no hint in advance of the meeting whether he would present his contract terms immediately.

The operators and the president of the United Mine Workers met briefly last Friday, but recessed their wage-hour discussions until today to allow Lewis to consult with his 200 man policy committee.

This committee met yesterday. There was no inkling of what was decided about the two most pressing matters:

(A) The nature of demands for a contract to replace the present government agreement expiring June 30.

(B) When and how to begin negotiations with the Southern Coal Producers Association.

Railroads Argue Against Georgia Anti-Trust Suit

Washington, May 20—(AP)—Twenty railroad defendants argued today before a Supreme Court special master that Georgia's anti-trust freight rate case should be dismissed "because the evidence is not sufficient to sustain the complaint."

The railroads insisted that they be heard on their motion to dismiss before Georgia begins arguments on merits of the case. The motion was made several months ago.

Special Master Lloyd K. Garrison, former chief of the War Labor Board, did not indicate when he might rule on the dismissal motion. Twelve of the railroads serve

DIAMOND DUST

By BERT MOYE

Johnny Foell struck out ten men in last night's opener to bring his total for the season to 59. His record to date is three wins against three losses.

Catcher Clay Croom was sent off the playing field by Umpire Hudson during the final stages of last night's game for too much argument on one of his decisions.

Willie Mauney stole two bases in the first game and Lynch and Bonar-Pare did the base stealing in the second game last night.

To the gentleman—if he can be called such—who sent your reporter an anonymous letter through the mail yesterday asking the following question: "What with a no good team who gets the money away? I kindly refer him to our secretary and treasurer. I am not connected with the ball club with the exception of official scorer and reporter."

McLeod will die Friday in the gas chamber at Central Prison.

Vote Frauds In Kansas City Are Charged By Jury

Kansas City, May 20—(AP)—The Jackson county grand jury today returned indictments against 26 more persons on charges related to alleged vote frauds in last August's primary election here.

Almost simultaneously in Washington, Senator Kem (R-Mo) introduced a resolution calling for an investigation of what he termed attorney general Tom Clark's failure to act on alleged irregularities in Missouri's fifth congressional district primary last year.

In that primary, Enos Axtell, endorsed by President Truman and backed by the Pengergast organization here, defeated Rep. Roger C. Slaughter by 2,771 votes, according to the official count. Albert L. Reeves, Jr., Republican, defeated Axtell in the general election.

Washington, May 20—(AP)—The House foreign affairs subcommittee today approved legislation to establish an office of information and educational exchange in the State Department.

Under terms of the bill, the office—with several restrictions—will be directed to carry on an information program. Funds for the program were eliminated last week by the House on the ground there now exists no specific authorization for operation.

Washington, May 20—(AP)—Former Rep. Andrew J. May testified today at his war fraud trial that he purposely represented himself as the owner of a lumber company in Kentucky to avoid trouble.

The wartime head of the House

Military Committee told the jury that munitions makers Henry and Murray Garson, his co-defendants on bribe conspiracy charges, actually owned the Cumberland Lumber Co., at Prestonsburg, Ky.

ECTC Admitted To North State Conference

High Point, May 19—(AP)—East Carolina Teachers College of Greenville today was granted conditional membership in the North State Conference.

ECTC will become a full-fledged member of the conference after one year. If it meets all of the loop's requirements.

Dr. Carl L. Adams, chairman of the athletic committee at East Carolina, presented the school's request for admission.

Other schools in the conference are High Point College, Elon, Lenoir-Rhyne, Catawba, Western Carolina Teachers, Appalachian, Guilford and Atlantic Christian.

The conference decided not to begin fall football practice until September 1. The schools began practice August 17 last year.

The Messick sportsmanship trophy, awarded annually by Dr. J. D. Messick, former dean of Elon College, for the best sportsmanship in the conference was won for the second year in a row by Lenoir-Rhyne.
