RAGING RIVER THREATENS TO SURPASS PEAK

Des Moines River Still Rising; Iowa Towns Flooded; Residents Leave

Keosauqua, Iowa, June 16.—(AP)—The flood swollen Des Moines river threatened today to surpass its highest peak since 1903, as a stage of 25.1 feet was recorded with the river still rising.

The 25.1 level was even with the crest of last week's flood, the second highest in history. In 1903 the river reached a peak of 25.3 feet.

The flood inundated the entire business district of this town of 1,000 population to depths ranging from four to nine feet, Major Norwood Teal said. The telephone office was isolated, and operators were taken to their posts by boat.

The telephone office at Bonaparte about 10 miles downstream from Keosauqua, had three feet of water in it. The switchboard and the operators' chairs had been elevated above the flood.

Only a small part of the residential area was flooded, and all residents had been evacuated before the flood struck, Teal said.

Keosauqua, like Ottumwa, was hit for the second time in eight days by a near-record flood.

At Ottumwa, meanwhile, residents were watching the high water recede slowly. S. E. Decker at the Des Moines Weather Station, said the flood would abate much slower than that of last week. He said it would take the river six days to return to its banks.

Flood workers were keeping a close watch on the power plant and the water works, both of which were knocked out last week.

The Red Cross and the Salvation Army were feeding most of the 10,000 persons left homeless by the flood in Ottumwa.

JUDGE RULES WALLACE CAN TALK TONIGHT

Refuses To Bar Speaker From Washington Amphitheater As Petitioner

Washington, June 16.—(AP)—Federal Justice James M. Proctor refused today to bar Henry A. Wallace from speaking at the government-owned Watergate amphitheater here tonight.

The judge rejected a petition from the American Anti-Communism Association, headed by Rep. O'Konski (R-Wis.), that he order Secretary of the Interior J. A. Krug to deny Wallace use of the Watergate.

Krug's department has jurisdiction over the Watergate, an outdoor theater in park lands near the Lincoln Memorial.

"These matters do not fall within the judicial realm," Justice Proctor commented in dismissing the petition.

O'Konski left the court building with a declaration to reporters that he would take the matter up in Congress.

"I am going to tell the membership of Congress that until our government takes a truly anti-Communist stand here at home, that we in Congress should refuse to appropriate any money to fight Communism abroad," he said.

Wallace, who is crusading against the Truman foreign policy, is expected to discuss his views on peace and perhaps also clarify his position in the 1948 presidential campaign.

Pres. Truman Vetoes Income Tax Reduction Legislation

Seamen Stop Work But Assert Not "Striking"

Stage Sitdown On "No Contract, No Work" Policy; Threaten Paralysis Of American Shipping On East And West Coasts

New York, June 16.—(AP)—CIO seamen "sat down" today under a union "no contract, no work" policy which threatened complete paralysis of American flag ships on all U. S. coasts.

Although no pickets showed up on piers, the work stoppage ordered by National Maritime Union President Joseph Curran went into effect shortly after the expiration of contracts at midnight yesterday, immobilizing hundreds of ships.

The unions were insistent that no strike had been called but that the men would not work without a contract. The seamen were ordered to remain on board ships "as long as possible" and a union spokesman said that if they were ordered off, a "lockout" would be in effect.

Union port agents said 150 ships were affected in New York harbor, 40 in Philadelphia, 40 in Baltimore.

four in Boston and one in Portland, Me. A Ho. 1000, approximately 1,000 men quit work shortly after the midnight deadline and in Seattle, 12,000 Puget Sound waterfront workers were ordered to quit their jobs.

On the west coast, contract extension was agreed on by shipowners and the CIO ship clerks, checkers and supercargoes, an affiliate of the longshoremen, and tentative meetings were scheduled for later in the day with the cooks and stewards and the ACA.

A west coast CIO maritime committee spokesman, however, said that similar to the east coast pact.

Declares Bill Offers "The Wrong Kind Of Tax Reduction At The Wrong Time"; Labels Action "Unsafe"; Congress Will Vote On Overriding Veto But See Little Hope In Senate

Washington, June 16.—(AP)—President Truman vetoed today the \$4,000,000,000 tax reduction bill, virtually killing any possibility of a cut in income taxes this year.

The Republican-dominated Congress will vote on whether to pass the bill over the veto, but backers of the legislation conceded they saw no chance for success.

It requires a two-thirds vote to enact a law over the President's disapproval.

Leaders said that can be mustered in the House, which will vote tomorrow, but not in the Senate.

In a message to Congress, Mr. Truman said the bill "offers dubious, ill-considered, and risky benefits at the expense of a sound tax policy and is, from the standpoint of government finances, unsafe."

The President declared it offers "the wrong kind of tax reduction at the wrong time." He added: "Proposals for tax reduction must

be examined in the light of sound and carefully related fiscal and economic policies. Unless they are consistent with the demands of such policies, they should not be approved."

It was the second time in history that a President has vetoed a tax bill—and the first time one providing a tax cut has been vetoed.

President Franklin D. Roosevelt vetoed a tax bill in 1944.

The bill President Truman vetoed provided for reductions ranging from 10.5 to 30 percent in individual income taxes, beginning July 1.

He told the Congress members the time for tax reduction "will come when general inflationary pressures have ceased and the structure of prices is on a more stable basis than now prevails."

"How long it will take for this point to be reached is impossible to predict," Mr. Truman said. "Clearly it has not been reached as yet. A reduction now would add to, rather than correct, maladjustments in the economic structure."

The President also cited this nation's "great responsibilities for international relief and rehabilitation that have an important bearing on our efforts to secure lasting peace."

Arguing against cutting taxes while the debt is high, the President asserted: "A time of high employment and high prices, wages, and profits, such as the present, calls for a surplus in government revenue over expenditures and the application of all or much of this surplus to the reduction of the public debt."

He continued: "Continuing public confidence in government finances depends upon such a policy. If the government does not reduce the public debt during most active and inflationary periods, there is little prospect of material reduction at any time, and the country would, as a result, be in a poorer position to extend support to the economy should a subsequent deflationary period develop."

But beyond this general argument against any tax cut now, Mr. Truman specifically criticized the measure Congress sent him.

He said it reduces taxes "in the high income brackets to a grossly disproportionate extent" and declared a good bill "would give a greater proportion of relief to the low income group."

Legionnaires' Convention Gets Under Way Today

Carolina Beach, N.C., June 15.—(AP)—With preliminary festivities out of the way, the annual convention of the North Carolina Department of the American Legion got under way formally here today.

Several thousand Legionnaires, gathered for the annual meeting, heard Commander William York of Greensboro call the convention to order and an address of welcome by Superior Court Judge John J. Burney. Governor Cherry was scheduled to speak at the opening session.

At a beauty pageant yesterday, Sarah Coble, 21, of Monroe, was chosen Miss North Carolina American Legion. Helen Ann West, 20, of Warsaw placed second and Lucia Earla Jones, 18, of Fayetteville, third in the beauty contest.

Clarence E. Smith of Raleigh was unopposed as grand chief de gare at a meeting of the 40 and 8 Legion honor organization.

PUSH INQUIRY OF ACCIDENT

Common Grave For Dead Suggested; Bodies Mutilated

Leesburg, Va., June 16.—(AP)—A common grave was proposed today for 13 victims of the Friday the 13th air disaster as investigators pressed a four-day inquiry into the crash that killed 50 persons.

With 37 bodies identified, authorities said the prospect for singling out the others "seems remote."

Dr. William K. Kester, Leesburg county coroner, last night telegraphed the families of persons known to have been aboard the Capital Airlines plane suggesting a mass burial for the unidentified at noon today.

The task of carrying the bodies of the 47 passengers and three crew members out of the treacherous wilderness in the Blue Ridge Mountains near Keys Gap, W. Va., was completed yesterday under sunny skies after a day and night of drenching rain. They were laid in rows in a little chapel set up as an emergency morgue here.

One airline official said that while more than 100 searchers had collected

RENT CONTROL BILL IS NEXT

Truman Gets Measure This Week; If Vetoes, No Ceilings

Washington, June 16.—(AP)—If President Truman vetoes the rent control bill which Congress expects to send him this week there probably will be no federal ceilings at all after June 30, Senator Sparkman (D-Ala.) said today.

Sparkman is the ranking senate Democrat on the House-Senate conference committee which reached final accord last week on legislation to extend rent controls on through next Feb. 29. The committee compromise was listed tentatively for House action today.

Sparkman told a reporter he is not proud of the committee's handiwork, but that it appears to be that or nothing.

"The Republican leadership has given us no understanding that they would not consider another bill if the president vetoes this one," he said, "and I doubt that we could pass a much better bill anyway."

Sparkman and other Democrats have been particularly critical of provisions which (1) permit a rent increase of up to 15 percent where landlord and tenant agree on a lease to carry through 1948, and (2) scrap all government restrictions over construction except recreational and amusement buildings.

Mexican Village Is Wiped Out

Agua Calientes, Mexico, June 16.—(AP)—About forty families are missing and all may have been killed in a dawn flood that swept from two broken dams yesterday and wiped out the village of Viudas de Oriente, 25 miles from here.

Fourteen bodies have been recovered and rescue workers said it seemed unlikely that there could have been many, if any, survivors.

The waters from Tullillo and Alcatraz dams hit the village at about 4:00 a.m. Sunday when the little population was asleep. The great mass of water created a vast lake as much as seven feet deep in places.

Legion Installs New Officers Tuesday Night

Pitt County Post No. 39, American Legion, will install new officers at the regular June meeting at the armory Tuesday night at 7 o'clock. First Vice-Commander T. K. Fountain will preside for Commander Tom Wilson, who is out of the city. Supper will be served by Mess Officer Amos Hudson.

The following delegates from the Greenville post are attending the American Legion convention at Carolina Beach this week: J. H. Moyer, June H. Rose, W. C. Eagles, S. R. Peel, Herman M. Lawhorn, Jack Edwards, Arthur B. Corey, Alfred Kennedy, Walter Cherry, James S. Jenkins, Paul A. Scott, John Timberlake, W. C. Garner and Miss A. Jordan and others.

Miss Alyce Ruth Bundy, the Greenville post's beauty queen candidate, daughter of William J. (Dick) and Mrs. Bundy, left with her mother and Mr. and Mrs. J. Howard Moyer Sunday morning for Carolina Beach.

Merchants Hold Meet At Raleigh

Raleigh, N.C., June 16.—(AP)—Merchants gathered here today from every section of the state for the 45th annual convention of the North Carolina Merchants Association.

The program for the opening session called for addresses by Gordon K. Creighton, assistant general manager of the National Retail Dry Goods Association on "Distribution's Challenge to Retailers," and by Vernon Scott, president of the National Tax Equality Association on "Your Tax Favored Competitor—The CO-OPs."

Members of the Greenville Merchants Association attending the convention are W. L. Harrington, L. B. Garris, Charles E. and Mrs. Blair, Curtis Perkins and Curtis Perkins, Jr., Judson H. Blount, L. A. Stroud, H. L. and Mrs. Ormond, Bruce Baker, Mrs. Clara Gwyn, Cora S. Powell, executive secretary, and others.

President John W. Glover will go to the convention tomorrow.

Majority Of Crops In Yadkin Valley Destroyed By Sudden Flood Waters

North Wilkesboro, N.C., June 16.—(AP)—Yadkin valley farmers who last week were worried about a severe drought today surveyed the wreckage of a flash flood which totally destroyed most crops.

Record rainfalls of up to 8-12 inches in the valley Friday night and Saturday sent the Yadkin on a rampage through Wilkes and Surry Counties.

The river went eight feet over bank at North Wilkesboro and almost 20 feet above normal at Elkin.

No immediate estimate of the damage was available but as flood waters receded it was evident that most crops in the rich valley had been ruined.

Delays Decision On Labor Bill

Washington, June 16.—(AP)—Press Secretary Charles G. Ross indicated today that President Truman may not act on the Taft-Hartley labor union bill until shortly before the Friday midnight deadline.

Ross told reporters, awaiting Mr. Truman's message on the income tax bill, that there would be no action on the labor legislation until after the President's return from a speaking engagement at Princeton university tomorrow.

Asked if action might be withheld until just before the deadline Friday, Ross replied, "possibly."

Air Crash Insurance

Airlines Insure Lives Of Their Passengers; The Cost; How Much Do Survivors Get? Planes Are Insured Too; Crashes Expensive To Insurance People

By JAMES MARLOW

Washington, June 16.—(AP)—What about air crash victims? Do the big commercial airlines insure their passengers against injury or death?

Yes. They insure their passengers and their planes and carry insurance against damage done by the planes to property or the public.

How much insurance on passengers? Probably an average of \$30,000 per passenger.

This doesn't mean an injured person, or his relatives if he's killed, can collect that much or that little.

In one case, a settlement might be reached out of court with an insurance company.

In another a victim or his survivors might sue for far more than the insurance company was willing to settle for out of court.

The information here comes from government officials and representatives of insurance companies and airlines.

Always forcing survivors to sue isn't smart. Court suits cost money. If an insurance company could save money by settling out of court it would.

The cost of an airline to insure its passengers: That varies. It would be something like this: Say an airline takes out \$50,000 insurance on each passenger at

Hoover Sees Limit To Gifts And Loans

Warns Productivity May Be Affected By Strain; Former President Emerging As Top Consultant Of GOP Congressmen

Washington, June 16.—(AP)—Former President Herbert Hoover is emerging as one of the top economic counselors of congressional Republicans in a seldom-parallel popularity comeback that may give him a growing role in helping shape future American foreign policy.

The former Republican President's carefully worded warning last night that the United States cannot continue for long its huge burden of foreign gifts and loans without impairing this country's own productivity found ready agreement among GOP leaders in Congress, as well as many Democrats.

Significantly, it also produced a flurry of suggestions that Hoover be called before congressional committees and other groups for what has come to be regarded as expert testimony on the chaotic conditions in Europe and the economic impact at home of American efforts to right them.

Chairman Taft (R-Ohio) told a reporter the Senate-Economic Committee certainly will want to hear from Hoover when it begins its scheduled investigation

DEVERS CALLS FOR TRAINING

Legionnaires Hear General Speak On Need For UMT

Carolina Beach, N.C., June 16.—(AP)—Gen. Jacob L. Devers, commander of the Army Ground Forces, today told the North Carolina American Legion convention that universal military training is necessary for the security of the United States.

He quoted the recent report of the President's advisory commission on universal military training that such preparedness "is the only alternative to a huge and expensive professional military establishment for the maintenance of essential security."

He pointed out that the report of the commission was similar to resolutions passed at national conventions of the Legion from 1919 through 1946. He said Gen. Marshall, wartime chief of staff and now secretary of state, concurs in the conclusion that universal military training is necessary.

The general declared "it all boils down to this. If you live on a street which boasts a bully, you have two

Most Important International Developments In A Fortnight Revolve Around Events In Europe; Marshall's Plan; Hungarian Coup; Pres. Truman's Statement

By DEWITT McCARENZIE

The best news in world affairs during the fortnight's absence of your correspondent from this column was U.S. Secretary of State Marshall's announcement of a plan for the economic regeneration of Europe, "to permit the emergence of political and social conditions in which free institutions can exist."

The most disturbing development of that period was the consolidation of the communistic coup which destroyed the democratic government chosen by the people of Hungary and substituted a Red regime. Moscow denies having had a hand in this—but what difference? The plot was carried out in the presence of a Russian army of occupation, and Hungary has become a part of the vast Soviet political empire.

There is a close relation between these two events, for while General Marshall's program may not be a direct corollary to the Hungarian upheaval, yet his aim is to build a dike against the Red flood which has swallowed so much of Europe already. His plan of reconstruction

calls for the cooperation of all European nations which are willing to participate, with America taking a large hand.

Last week in Ottawa President Truman pinned the American contribution down closely and significantly. He said "we intend to support those who are determined to govern themselves in their own way and who honor the right of others to do likewise." In short, the American policy of aiding nations against communist aggression—announced during the height of the Greco-Turkish crisis—is being supplemented by the new economic proposal which is aimed at saving Western Europe from being engulfed against its will.

A vastly important aspect of the economic program is that it calls for coordinated international effort. As General Marshall said, it "must not be on a piecemeal basis as various crisis develop." America proposes to get at the seat of the miliary rather than continue to

Hostesses at Tea

Mrs. M. B. Massey and Miss Jane Massey entertained informally at tea on Thursday afternoon at 4:30 at their home on East Fifth street honoring Miss Edna Munford, whose marriage to Mr. Sidney Johnson took place on Saturday, June 14, in Jarvis Memorial Methodist Church.

Out flowers were used to decorate the home throughout. Miss Mary Ann Duncan greeted the callers and introduced them to the receiving line. Receiving with the hostesses and their home guests were Mrs. H. R. Munford and Misses Elizabeth Bridges and Christine Hellen, brides-elect.

The tea table was covered with a cut work and lace cloth. One end of the table held an all white arrangement of larkspur, fever few and carnations. White tapers burned at either side of the floral arrangement. Seated at the opposite end of the table Mrs. B. McKay Johnson poured punch. Miss Rachel Fleming assisted in serving chicken salad sandwiches, beaten biscuits with ham, a variety of open faced sandwiches, macaroons, mints and nuts.

The hostesses presented Miss Munford, Miss Hellen and Miss Bridges, corsages of gladioli and baby's breath and as honor gifts remembered Miss Munford with a silver bowl, Miss Bridges with a cream soup in her pattern of china and Miss Hellen with goblets in her selected pattern of crystal.

About 45 members of the younger set called during the hour.

Lautares-Adams

Miss Dahlia Woodward Adams, daughter of Elder and Mrs. T. Floyd Adams of Willow Springs, and John Lautares, Jr., son of Mr. and Mrs. John G. Lautares of Greenville, were married in a garden ceremony on Friday, June 14, at 6 o'clock at the home of the bride's father.

The marriage was performed in a setting of summer flowers. The large arch through which the bride entered, the arch was decorated with ivy and magnolia blossoms. The low, arched arches on either side of the garden, through which the bride and attendants were ushered, were covered with running red roses. Two chains of ivy and flowers led to the lower end of the garden. A white trellis which formed the background for the altar, was faced with ivy interspersed with magnolia blossoms. The altar was flanked with all white flowers and candelabra.

Wedding music was furnished by B. P. Williams, soloist, and B. B. Turner, pianist.

The bride, given in marriage by her brother, James D. Adams, wore a gown of original design, made of duchess slipper satin with sweetheart neckline. The long sleeves were outlined with venice lace and ended in points over the hands. A fitted bodice had a peplum of the same lace and the full skirt fell from a bustle back of satin. Her fingertip veil fell from a heart-shaped tiara of seed pearls. Her only ornament was a string of pearls, and her bouquet was of bride's roses showered with lilies of the valley and centered with white orchids with purple throats.

Miss Mary Lynn Peedin of Willow Springs was maid of honor. She wore a bouffant dress of Nile green with lace off shoulder bodice, and bouffant skirt with tiers of net ruffles falling to a slight train at the back. She wore a matching Nile green open-crown hat and carried an arm bouquet of cascade bouquet of mixed summer flowers tied with contrasting net and ribbon.

The bridesmaids were Mrs. Roderick D. Adams of Varina; Misses Daphne Adams of Willow Springs; Maxine Pleasant of Windsor; and Charlotte Matthews of Raleigh. The bride attendants wore identical bouffant dresses in maize and peach shades with full skirts and tiers of net ruffles. They wore matching hats and carried bouquets

Ten more foreigners who came here to work on the railroad construction but failed to comply with their contract after arrival, were placed in jail here Saturday afternoon. It does not take long confinement to get them to make up their minds to go to work.

Peaches are fairly plentiful but grade low in quality.

Greenville Heights park is already becoming a popular place for a Sunday afternoon walk. Considerable work has been done on the property.

of mixed summer flowers tied with contrasting net and ribbon.

Honorary bridesmaids were Misses Julia Fleming and Hepsie Lane Uley of Fugate Springs; Myrtle Peedin, Rachel Pleasant, Louise Caviness and Tilley Eakes of East Carolina Teachers College in Greenville; Doris Honeycutt, Blanche Osburn, and Mary Young of Angier; Sarah Hunter of Lexington; Winifred Stephenson and Mrs. James D. Adams of Willow Springs; Mrs. Sam Allen Yancy, Jr. of Varina; and Miss Gladys Lee Fish of Raleigh.

Pollyanna Woodward, daughter of Mr. and Mrs. J. R. Woodward of Willow Springs, and Martha Copeland, daughter of Harlow Copeland of Raleigh, cousins of the bride, were flower girls. They wore orchid and maize dresses made similar to those of the bridesmaids and carried baskets of pastel flowers.

Tilley Adams, daughter of Mr. and Mrs. James D. Adams of Willow Springs, and Jennie Adams, daughter of Mr. and Mrs. J. Carl Adams of Willow Springs, niece and cousin of the bride were the miniature bride and bridegroom, and were dressed identical to the bride and bridegroom.

John G. Lautares, father of the bridegroom, was best man, and ushers were Ford McGowan and Joe Smith, Jr., of Greenville; Roderick D. Adams of Varina; and Woodrow Pruitt of Emporia, Va.

Mrs. Adams, mother of the bride, wore a street-length dress of pink net and a corsage of orchids. Mrs. Lautares, mother of the bridegroom, wore an aqua dress and a corsage of lilies.

Immediately following the wedding, the parents of the bride entertained at a reception in the garden for the bridal couple, members of the wedding party, and friends. Mr. and Mrs. J. R. Woodward introduced the guests to the receiving line, composed of members of the wedding party.

The table, covered with an imported Irish lace cloth, was centered with a crystal bowl holding arrangements of bride's white roses.

The two punch bowls were surrounded with ivy studded with white roses. Bridal cakes, mints, and nuts were served by the honorary bridesmaids, and punch was poured by Mrs. James D. Adams and Mrs. J. L. Marcam. Miss Mary Young and Thomas Adams, Jr., directed guests into the gift room, and Miss Blanche Osburn presided over the bride's book. Goodbyes were said to Mr. and Mrs. Sam Allen Yancy, Jr.

Immediately after the reception, the bride couple left on a wedding trip to New York. For traveling the bride wore a white palm beach suit, green hat and accessories and the groom wore her bride's bouquet.

Mrs. Lautares is a graduate of Fugate Springs High School and East Carolina Teachers College.

Mr. Lautares graduated from Greenville High School and served four years in the U. S. Army. He is connected with the firm Lautares Brothers Jewelry Store in Greenville.

Out-of-town guests included Mrs. Ella C. Jefferson of Fountain; Mr. and Mrs. S. L. Windham of Aberdeen; Joe Smith, Jr., and Ford McGowan of Greenville; Mr. and Mrs. J. L. Marcam, and Mr. and Mrs. Ernest Edwards of Raleigh; Mr. and Mrs. Coy Sexton of Varina; Mr. and Mrs. Hassel Martin of Smithville; Dr. and Mrs. C. R. Young, and Mary Young of Angier; and Woodrow Pruitt of Emporia, Va.

Mrs. J. L. Marcam and Mrs. Coy Sexton entertained at an after-reception party Wednesday evening at the Woman's Club honoring the bride couple.

Guests were greeted in the lobby by the hostesses.

Mrs. T. Floyd Adams, mother of the bride-elect, served the three-tiered wedding cake. The bride couple cut the first slice with a silver cake knife tied with white satin ribbon.

Mrs. J. R. Woodward, aunt of the bride, poured punch.

Bridal ices were served by Miss Jimmie Rene Matthews. Mints and nuts were served by Misses Martha Nell Copeland and Pollyanna Woodward.

In the dining room the table, covered with a lace cloth, was centered with a silver bowl holding white snapdragons, gladioli, and feverfew, flanked by white candles in silver candelabra.

Wilkerson-Bridgers

The Jarvis Memorial Methodist Church was the scene of a simple yet impressive wedding this morning at ten-thirty o'clock, when Miss Elizabeth Sutton Bridges and Norman Warren Wilkerson were married. An effective arrangement of ribbon grass and magnolias carried out the note of simplicity in the decorations.

Mrs. P. A. Toll, church organist, played "Clair de Lune," "Moonlight Sonata," "Evening Star," and "The Sweetest Story Ever Told." During the ceremony she softly played "To a Wild Rose" and "Leibstraum."

Just before the entrance of the bride party, Miss Mary Blane Justus of Norfolk sang "I Love Thee," by Grieg and Miss Margaret Hines, of Roanoke Rapids, sang "All for You" by Bertram Brown. "O Perfect Love" was used as a duet for the benediction. The wedding march "Lohengrin" was used as a processional and Mendelssohn's March was used as a recessional.

Rev. Robert W. Bradshaw, the bride's pastor, and Rev. A. J. Neilson, pastor of Immanuel Baptist Church, were the officiating ministers. The double ring ceremony was used.

The ushers were Herbert M. Wilkerson, of Greensboro, and George W. Wilkerson, brothers of the groom, David J. Wilkerson III, cousin of the bride, and John D. Bridges, of Durham, brother of the bride.

Mrs. John D. Bridges, of Durham, sister-in-law of the bride, was matron of honor. She wore a cotton dress of jonquil yellow trimmed with Hamburg lace, with off-face hat of white horse hair braid and straw, white slippers and gloves. She carried a nosegay of pink roses.

The bride entered with her father, who gave her in marriage. She wore a tailored suit of honey beige gabardine, a white blouse, and a characteristic picture hat with black streamers. Her accessories were black. She carried a white prayer book with a shower of white ribbons and a white purple-throated orchid and wore a gold bracelet, a gift of the groom. She was met at the altar by the groom with his eldest brother, Edwin M. Wilkerson, of Rochester,

Miss Muriel Lester, one of England's most noted welfare leaders, is on a speaking tour of the United States in the interests of world peace. She is travelling secretary of the International Fellowship of Reconciliation, which includes Protestants, Christians and Jews. Miss Lester, born to wealth at 19 gave up her possessions and went into social work in the slums of London—a work from which grew noted Kingsley Hall. During the war, Miss Lester was imprisoned because her peace talks were considered a hindrance to the war effort. She counts among her friends such leaders as Gagan, Tagore, and Gandhi. She visited the United States in 1937 and in 1939 as a member of "preaching missions."

New York, as best man.

The bride's mother wore a dress of off-white crash with corresponding hat and a corsage of red roses. The groom's mother wore an aqua dress with matching hat and a corsage of pink roses.

The bride is the only daughter of Mr. and Mrs. Samuel Leon Bridges. She was reared and educated in Greenville, having graduated from the city schools and East Carolina Teachers College. For the past two years she has taught public school music in the Harvey school in Kingston.

The groom is the youngest son of Mr. and Mrs. Stephen George Wilkerson. He graduated in the city schools and attended East Carolina Teachers College. He is a graduate of the Cincinnati College of Embalming and is affiliated with the S. G. Wilkerson and Sons Funeral Home.

Immediately following the wedding, Mr. and Mrs. George Wilkerson, Mr. and Mrs. T. M. Mashburn, entertained the wedding party, members of the families and the out-of-town guests informally at the Wilkerson home on East Ninth Street. The home was attractive with varied garden flowers. The guests were received by the hosts and hostesses and the bride party, and were served cooling drinks with delectable accompaniments.

Mr. and Mrs. Wilkerson left soon after the wedding for a week's trip to unannounced points. With her suit the bride wore a small black hat and the orchid from her prayer book.

Among the out-of-town guests here for the wedding were Maj. and Mrs. J. Louis Wilkerson, Governor's Island, N. Y.; Mr. and Mrs. T. M. Mashburn and Herbert Wilkerson, of Greensboro; Mr. and Mrs. Edwin Wilkerson, of Rochester, N. Y.; Miss Betsy Hobgood, of Laurinburg, Miss Sue Murray Thomas, of Beaufort; Miss Margaret Hines, of Roanoke Rapids, and Mrs. John D. Bridges, of Durham, and Mrs. Bertha Gardner of Farmville; Miss Fearon Loftin, Miss Lois Smith, Miss Peggy Brewer, Miss Eugenia Scarborough, Miss Vivian Scarborough, Miss Lucille Kilpatrick, Miss Maude Hooker, Mrs. Charles McCullers, Mrs. Charles Wickam and Mrs. Burrell Temple, all of Kingston.

Women IN THE CHURCH by Mary Fowler

Miss Muriel Lester, one of England's most noted welfare leaders, is on a speaking tour of the United States in the interests of world peace. She is travelling secretary of the International Fellowship of Reconciliation, which includes Protestants, Christians and Jews. Miss Lester, born to wealth at 19 gave up her possessions and went into social work in the slums of London—a work from which grew noted Kingsley Hall. During the war, Miss Lester was imprisoned because her peace talks were considered a hindrance to the war effort. She counts among her friends such leaders as Gagan, Tagore, and Gandhi. She visited the United States in 1937 and in 1939 as a member of "preaching missions."

The United Nations has set up "The International Children's Emergency Fund," under an executive board of 26 representatives of as many states, and with Dr. L. Rajchman, of Poland, as chairman, to help relieve the physical need

of millions of children throughout Europe. The board has appealed to governments, churches, private agencies, and especially organizations of church women, to help provide the means of feeding the children—the greatest mass feeding of people ever undertaken in the child's history. There are 19,000,000 children under 18 years of age—all needing food, and many clothing as well—in Axis-invaded France, Belgium, Luxembourg, Netherlands, Denmark, and Norway; 21,000,000 in Axis-invaded Poland, Czechoslovakia, Yugoslavia, Albania, and Greece; and another 21,000,000 in the UNRRA-assisted countries of Italy, Austria, Hungary and Finland.

Mrs. Chandram. Prem Nath Dass, one of India's outstanding Christian women and former president of Methodist's Isabella Thoburn College in Lucknow, is the only woman member of the deputation of the National Christian Council of India now visiting in the United States in the interest of Christian missions.

Mrs. Dass was educated at Phil Beta Kappa honors at Goucher College—an institution now "sister college" of Isabella Thoburn. She is a Ph. D. from Boston University, and an L.L.D. from Goucher.

Christian Science Service

"God the Preserver of Man" was the subject of the lesson-sermon in all Christian Science Churches and Societies on Sunday, June 15.

Golden Text: Psalms 28:7. "The Lord is my strength and my shield; my heart trusted in him, and I am helped."

Among the citations comprising the lesson-sermon were the following from the Bible: "The king shall joy in thy strength, O Lord; ... He asked life of thee, and thou gavest it him, even length of days for ever and ever" (Psalms 21:14). And from "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "The understanding that Life is God, Spirit, lengthens our days by strengthening our trust in the deathless reality of life, its almightiness and immortality." (Page 487).

CAMP HARDEE OPENS SEASON NEXT FRIDAY

Girl Scouts From Two States Enrolled; Efficient Staff; Safety First

By CHESTER WALSH
Camp Hardee, Girl Scout summer camp, on Pamlico River below Chocowinity, will open next Friday.

June 20, with a full quota of campers for the first period. Enrollment for the second period has been completed and there is a long waiting list. There are a few vacancies in the third period of the summer, Mrs. E. L. Henderson, executive secretary, said today.

The pre-camp training period for all staff members will start tomorrow—Tuesday—and continue three days.

Miss Marguerite Whipple of Dayton, O., widely experienced in recreation and camping work, is director of arts and crafts; Miss Vera Williams of Williamston, dietitian and assistant in intermediate unit; Miss Julia Hill of Montreat, waterfront and unit head for intermediate unit; Mrs. E. L. Henderson of Greenville, business manager and director of the story hour; Mrs. J. Knott Proctor of Greenville, unit head for the Brownies; Miss Evelyn Mills of Vanceboro, song leader and

unit head; Miss Josie Keeter of Merry Hill, games and intermediate unit head, and Mrs. L. E. Teasley of Hartwell, Ga., assistant unit head for the Brownies. Minnie McDaniels, one of the best Negro cooks in the state, is in charge of the kitchen.

Greenville Girl Scouts, Inc. owns the land on Pamlico River on which the camp is situated. In 1940, Mr. Henry M. Hardee, native of Pitt County and now a retired businessman of Norfolk, Va., donated \$10,000 to the Girl Scouts for camp buildings as a memorial to his mother. A bronze tablet about this has been placed in the main building and will be unveiled sometime during the summer when Mr. and Mrs. Hardee will be present for the ceremony.

The health and sanitation facilities at Camp Hardee are ideal. Adequate buildings form the site, pure water is plentiful, ideal waterfront facilities with life guards are a feature, and a physician and registered nurse are always available. Campers registered for this summer are from Virginia and North Carolina.

Incidentally, Greenville Rotarians helped to clear up and get the camp in order for the Girl Scouts.

A history of Girl Scouting here and Camp Hardee, written by Dr. Howard McGinnis of East Carolina Teachers College, which appeared in The Daily Reflector May 17, 1947, is an interesting document and is a valuable document.

From where I sit... by Joe Marsh

Industry Looks at Our Town

Maybe you read how a group of industrial experts have decided that the small town is the place for industry—not big cities. Reasons they give are better housing, pleasant living, and more opportunity for wholesome recreation.

As Doc Walters says, that sort of life just naturally sets you up for work the next day... whether it's in office, mill, or field. And Doc should know. He works fourteen hours, but never misses his morning "constitutional" or his evening glass of beer with friends.

From where I sit, any industry could profit from being in a town where wholesome living, temperance, and friendship are the rule.

When Waiting is Necessary

Time often moves too slowly for us. We'd love to speed up the time needed to provide telephone service for everyone still waiting. But, unfortunately, equipment necessary for expanded service has been slow in reaching us. Material shortages and other delays beyond the manufacturers' control have hampered production. Like everyone else, we must wait our turn for new equipment. Meanwhile, we will continue to do the very best we can with what we have.

Charlie Flye Lost Pants In Florida

By CHESTER WALSH

Charles R. Flye, who returned at the weekend with Mrs. Flye from a motor tour of Florida, including Miami Beach, said he lost his pants during a stop at the tourist city of Ocala.

A police dog belonging Rory Mackenzie, well known businessman there, didn't like the looks of the Pitt countian and considerably damaged Flye's pants—so much so that he had to seek shelter.

"That dog worked on the bottom of my pants like a sawmill on a sweetgum log and chewed 'em ragged," he said, "but the canine's owner bought me a new pair and offered me the coat that went with the pants."

The Florida Mackenzie happened to be a brother of Ray Mackenzie, Greenville businessman and airplane pilot, and Flye, after they got acquainted indulged in a little gossip about what's going on there and what's going on here. The Florida Mackenzie offered Flye his dog as a peace offering, but the Flyes—both of them, at the same time, said they had no way of transporting the canine back to North Carolina.

Does Stomach Gas and Bloat Make You Feel Miserable?

If so, here is how you may get blessed relief in freeing your stomach from this nervous distress. It works this way: Everytime food enters the stomach a vital gastric juice must flow normally to break-up certain food particles; else the food may ferment. Sour food, acid indigestion and gas frequently cause a morbid, touchy, fretful, peevish, nervous condition, loss of appetite, underweight, restless sleep, weakness.

To get real relief you must increase the flow of this vital gastric juice. Medical authorities, in independent laboratory tests, on human stomachs, have positive proof shown that SSS Tonic is amazingly effective in increasing this flow when it is too little or scanty due to a non-organic stomach disturbance. This is due to the SSS Tonic formula, which contains special and potent activating ingredients.

Also, SSS Tonic helps build-up non-organic, weak, watery blood in nutritional anemia—so with a good flow of this gastric digestive juice, plus rich red blood you should eat better, sleep better, feel better, work better, play better.

Avoid punishing yourself with over-doses of soda and other alkalies to counteract gas and bloating when what you so dearly need is SSS Tonic to help you digest food for body strength and repair. Don't wait! Join the host of happy people SSS Tonic has helped. Millions of bottles sold. Get a bottle of SSS Tonic from your drug store today. SSS Tonic helps Build Strong Healthy!

Strength FOR THE DAY

NOT ENOUGH ROOT SPREAD

The wet weather has kept us from getting our tomato plants out of the flat and into the garden. The result is that their leaves have begun to turn yellow. This is due to the fact that they have no enough root spread. They are crowded together too closely to get sufficient nourishment from the shallow soil in which they are planted.

Tomato plants are not the only things which become yellow and sour from an insufficient root spread. The human mind can take on the same appearance of blight. Some people's intellectual life never goes beyond chatter and gossip. If they read books at all, they read the cheap and sensational variety.

Some people think only of themselves and their own growth. They do not live in the world where their fellows suffer and experience grief. The disquisitions of such people show deterioration. They grow sour, inhuman, envious, because they do not have enough root spread.

Above all things do the roots of the soul need to spread out into the spacious love and providence of God. Men and women of religious faith have about their characters the freshness of the green bay tree. Those who try to draw their satisfactions from selfishness, indulgence, and cynicism have characters which display unmistakable evidence of deterioration.

Two Weeks . . .

smear salve on isolated spots of Red rash which are merely indications of the nature of the disease.

The Sovietizing of Hungary, Romania and Bulgaria were spots of rash, each of which gave fair warning of the real disease. President Truman took note of this last week-end when he denounced the governments of these countries as oppressors of their people. This was in connection with his signing of the peace treaties with them, along with that for Italy with its non-communist government. He declared that Americans stand beside Italy while her people are rebuilding with their own labors a new democracy and restoring their lost freedoms.

So far as Hungary is concerned, barring a successful revolt by anti-communists it would seem to be lost to Western democracy. Moreover, there is no doubt that only continued occupation of Austria and Germany by Western troops will prevent communization of those important countries.

However, Italy and Western Europe remain to be saved. The two key countries of this area are, of course, France and Italy. The powerful communist parties in both these countries are making a fierce onslaught on the governments in an effort to duplicate the Hungarian coup.

the rate of \$0.0015 per passenger mile. The plane carries 50 passengers 250 miles. That's 12,500 passenger miles.

So, at a cost of \$0.0015 a passenger mile, the cost of the insurance to the airline for that 250 mile trip with 50 passengers would be \$18.75. As to how much airlines insure their planes, that also varies.

The insurance company representative mentioned above said an airline would pay per year in insurance about 3 to 4 per cent of the plane's value. So at 4 per cent on a new \$500,000 plane, an airline may have to pay an insurance company \$20,000 a year.

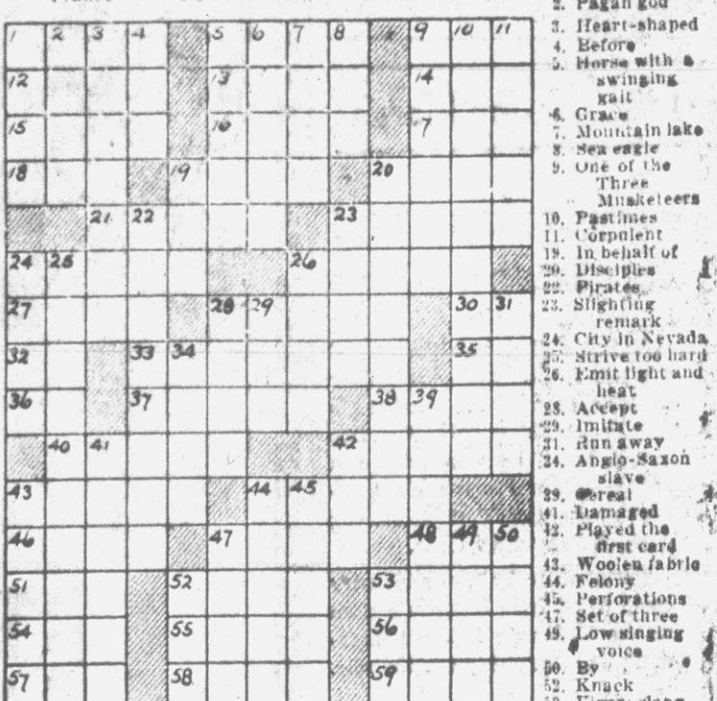

Suppose a \$500,000 plane, carrying 50 passengers, crashed and was destroyed, killing all passengers.

Solution of Saturday's Puzzle

Suppose, too, that the insurance company was able to settle with the survivors of the crash victims at \$10,000 for each of the 50 passengers.

That would be \$500,000 paid out in passenger insurance, plus \$500,000 for the destroyed plane. Total cost to the insurance company: \$1,000,000.

India's Princely States Warned Against Break

New Delhi, June 16—(AP)—India's princely states were warned today that the All-India Congress party, dominant faction in the region which is to be India's biggest new nation, expects them to adhere either to Hindustan or Pakistan when British power lapses in August.

The Hindu-dominated party, which agreed yesterday to the division of India into a Hindu nation—Hindustan—and a Moslem one—Pakistan, also adopted a resolution declaring that the Congress "cannot admit the right of any state of India to declare its independence, and to live in isolation from the rest of India."

This was in answer to a declaration by two of the biggest princely states, Hyderabad and Travancore, that they intend to proclaim their independence after the British leave.

YOUR NEW REGULAR ARMY WANTS YOU TO KNOW HOW VOLUNTEERS ARE SELECTED

Would it surprise you to know that only about 60 out of every 100 volunteers for the new Regular Army can measure up to today's requirements for a soldier?

Only the top 60% of American youth—mentally, morally and physically—can pass the rigid tests.

There are reasons for this which your Army wants you to know:

- 1 The men we send overseas must represent you to millions of people who are struggling towards democracy. They must be typical of our best.
- 2 The truly modern Army requires a far higher type of soldier than ever before. The wide use of scientific material and the broad program of research necessitate a superior man. Your Army must lead the world in the caliber of its men if it is to provide adequate defense in the atomic age.

These are reasons why Army enlistment standards today are higher than ever before—why your new

Regular Army, although comparatively small in size—is performing its world-wide duties well.

In Japan, for example, ours is the smallest occupation force per capita in world history—yet there is no record of greater achievement in such a short space of time.

If you can measure up to these standards, you will find enlistment in the new Regular Army a good career. You will live and work with friends whom you will value always. You will have opportunity for travel and high adventure, and a chance to qualify for Officer Candidate Schools and Technical Schools. Above all, you will have the deep satisfaction of doing an important job for your country.

Ask at any U. S. Army Recruiting Station about the many opportunities open to men who volunteer for three years.

ROCKY MOUNT HAS VICTORY OVER LOCALS

Leafs Score Winning
Run In Eighth For 4-3
Win; Only 7 Hits
Off Alamo

By BERT MOYE

The Rocky Mount Leafs edged a 4-3 victory over the hapless Greensies here yesterday afternoon in a pitchers' duel between Joe Alamo and Gudger. The win for the Leafs was their first in the past four games.

Musial's single, Blackwell's sacrifice and Herb May's timely single produced the winning run for the Leafs in the eighth inning after the score had been knotted at three-all in the sixth frame.

The Leafs scored two in the fourth stanza when Musial reached first on Bill Bomar's error, went to second on Blackwell's infield out and Fowler singled to bring home Musial. Fowler scored second, then came home on Balentine's single.

The Greensies matched these two runs in their half of the fourth when Lee and Jenkins walked. Chute sacrificed, Johnny Pare singled, scoring Lee and Jenkins scored on Jack Bomar's hit to short, forcing out Johnny Pare at second but too late to make a double play of it.

Rocky Mount then scored in the sixth when Fowler singled, May walked, and Fowler scored from second when Johnny Pare threw wild to first in an effort to catch May off first.

The scoring for the Greensies ended in the sixth when Jack Bomar doubled and Bobby Pare singled to bring him home.

Joe Alamo, who went the entire route for the Greensies, was touched for seven hits, only one for an extra base knock, allowed four runs, two of which were unearned, walked two and struck out four. It was Joe's sixth loss of the season as against five wins thus far.

Jack Bomar led the Greensies' seven-hit attack with a double and two singles in four trips to the plate. Dave Fowler got a double and two singles to lead the Leafs' attack.

DIAMOND DUST

By BERT MOYE

The Greensies had their fourth rainout game of the season Saturday night in a game scheduled at Rocky Mount. The Greensies were forced to make the trip over there but upon arrival were greeted by a hard shower. This game will be played in Rocky Mount as a double-header on Tuesday, July 1st.

Sidelights: Jack Bomar stole the show here in yesterday's game with the Leafs by collecting a double and two singles in four trips to the plate, batted in a Greensies run, and stole two bases. Bobby Pare also got a stolen base. Six Greensies were left on bases and five Leafs were stranded. Each club executed a double play in the affair. The Greensies, pulling one in the fifth after Rhodes had reached first on a single, and Pitcher Gudger hit to a fly to Joe Alamo who heaved the ball to Jack Bomar who was covering first at the time. The Leafs' double play came in the first frame when Lee had reached first on an error and Jenkins hit to short who caught Lee at second and Jenkins at first.

The Greensies play four home games this week, meeting the New Bern Bears here tonight, Kinston on Thursday night, Goldsboro Saturday night, and Wilson here on next Sunday afternoon.

Larry Baldwin will do the hurling for the Greensies tonight when they meet New Bern at Guy Smith Stadium. Larry will be out for his seventh straight victory of the season.

Charlie Chute, Greensies' right fielder, has left for his home in Maine to attend to some business matters. It is not known whether he will return or not.

Phil Redden has been given his release by the local club. Phil left for his home about ten days ago when he was called home on account of sickness in the family.

All-Stars Down Mt. Olive, 9-4

Greenville's Legion All-Stars chalked up another victory yesterday afternoon as they topped the Black Sox at Mt. Olive, 9-4.

Manager Price praised Pitcher Overton's efforts as the hurler struck out fifteen of Mt. Olive's best batters. Much credit was also given to right fielder Teel.

The Legion Stars will play in Wilson, Sunday, June 22.

LOCAL TALENT TEAM WINNING

Meadowbrook Ball
Club Chalks Up Nine
Victories To One
Loss

The Meadowbrook Tigers, a "country team" of home talent, have been meeting all comers in the local baseball world during the past ten weeks and to date can boast of nine wins to only one defeat.

The club, under the management of J. C. Pollard, downed a strong Bethel team Sunday, 5-3, and are scheduled to play Bethel again at

Bethel School on June 22. On July 4, the Tigers will play at Bethel.

The Meadowbrook team had a record of eight consecutive victories when their string was broken by a team at the Prison Camp, 5-1.

In previous encounters, the prison camp north of Greenville, had been numbered among the victims of the Tigers, falling 4-3 and 10-6 in hard played games. Tucker's team fell, 9-5, after a 13-inning struggle. Belvoir slipped twice, 8-7 and 9-8 and the Washington Highway Devils have been dropped 9-8 and 5-4. A team from Stokes was downed 1-0.

Listed on the roster of the Meadowbrook Club are: Bruce Nichols, B. M. Taylor, Elbert Pollard, John Windom, Jessie Hardee, George Hardee, R. T. Jolly, Red Ross, Carl Morris, Jr., Roscoe Little, A. G. Warren, Fred Collins, Arthur Hassel, Stien Whitehead, J. C. Pollard, Curtis Bullock and Ed Smith.
