ATLEE MAKES ANTI-RUSSIAN DECLARATION

Sharply Raps Lost Freedom And One-Party Line In East Europe

Barnsley, England, June 21—(AP)—Prime Minister Atlee declared today that "human rights are denied and so-called democratic government is a travesty" in "several countries of Eastern Europe."

"I am concerned that there should be people in this country, and people who profess to be Socialists, who appear to condone things that are done by governments that call themselves left when they would protest vigorously if precisely the same things were done by governments of the right," Atlee said in a speech at a miners' demonstration.

"Freedom of speech, freedom of conscience and personal freedom is the right of the individual whether he is a capitalist or a worker, a conservative, a liberal or Socialist," the premier declared.

"Wherever you find the right of opposition denied, wherever you find such devices as the single list of candidates, wherever you find a government that cannot be removed by the method of the ballot box, there is no true democracy, there is no true freedom."

It was the Socialist premier's most pointed anti-Russian statement since he told the British Trade Union Congress last winter that the Soviet Government was building a "wall of ignorance" between the Russian people and the West.

Observers wondered whether the (Continued on Page 150)

Life Insurance Association Holds Meeting

The Pitt County Association of Life Insurance Underwriters held its monthly meeting yesterday with luncheon at the Olde Towne Inn.

President Jake Hadley after calling the meeting to order, introduced Phil Goodson, who gave a short talk on the benefits offered by membership in the association. He said the association means cooperation of agents and a better understanding among all life insurance agencies.

Secretary Fred Bowen presented Phil Goodson, Ray Phillips and Jake Hadley with awards sent in by the National Association for meritorious work during the past year.

Before adjourning a motion was adopted that Brauford county life insurance agents will be asked to join the association. The next meeting will be held July 18.

SEEKING LION'S SHARE?

Paris, June 21—(AP)—A lion walked into the food and coal rationing office of the town of Epinal yesterday, causing citizens waiting for ration coupons to leave hastily through the windows. Some fainted.

Gendarmes and firemen captured the beast, an escapee from a nearby circus. He didn't get any coupons.

Solidarity In Britain

Bevin's Outspoken Challenge To Aggressive Communism Backed Up By Conservative Party; Clarifies Policy Regarding Russia; Will Not Tolerate Delays

By DEWITT MACKENZIE

This column yesterday called attention to the fact that the current investigation of ownership and control of the British press by England's Socialist regime—launched some time ago amidst an outcry among Communists and fellow travelers for registration of newspapers—has been causing uneasy speculation as to whether this indicates a further leftist tendency by the government.

We now have a sensational clarification of the government's policies in British Foreign Secretary Ernest Bevin's blistering "shirt-sleeve" speech in Commons, telling Russia bluntly what the score of international relations is and in Prime Minister Atlee's pointedly anti-Russian speech before a miners' rally in Barnsley today, in which he declared that "so-called democratic government is a travesty" in "several countries of Eastern Europe."

Bevin—one of the most outspoken of England's major public figures—flatly declared himself against "one-party" government (totalitarian). He said he would regard a conflict between ideologies "but if it is forced upon us we must face it." He didn't believe that in the long run the Western world would

CIO Men Take Petitions To The White House

CIO leaders pose at the door of the White House in Washington with boxes of petitions which they say contain a half million signatures, asking for veto of the Taft-Hartley labor bill. Left to right: John Brophy of Washington, Nathan Cowan of Pittsburgh, Allan S. Haywood of Washington, Thomas Owen of Akron, O., and David McDonald of Pittsburgh. The petitions were received by William Simmons, White House receptionist. (AP Wirephoto).

Decisive Weekend In Offing; Will Affect Europe's Future

CHINESE WEAK IN CHANGCHUN

Manchurian Capital Easy Prey To Advancing Red Army

Nanking, June 21—(AP)—The Government was reported today to have virtually abandoned Szeeping, and observers predicted Changchun, Manchurian capital city to the northeast, might fall easy prey to a strong Red assault. Mukden dispatches said 6,000 Chinese Communists were battling Government defenders in downtown Szeeping, vital rail hub midway between Changchun and Mukden. Observers here said Changchun was faced with a shortage of men and munitions. The main burden (Continued on Page Three)

Tarheel Naval Pilot Rescues Downed Flier

Quonset Point, R. I. June 21—(AP)—Lt. Bert A. Hoffman of Salisbury, N. C. landed his single-seat navy float plane in heavy seas yesterday 15 miles south of Nantucket Island and rescued a navy fighter pilot who had floated an hour after ditching his disabled plane.

The naval air station here told last night how Hoffman spent 20 minutes maneuvering alongside Ensign Malcolm Sillars of Boston and took off successfully with the extra load despite a wave which tossed his light ship 30 feet into the air. Hoffman's plane fell off on one wing, but he had gunned it into safe flight just before it was hit, the navy announcement said. Sillars was discharged after being treated at the dispensary here for exposure. Hoffman heard "rescue talk" on his radio just as he was about to take off from this base, got radio clearance and made the rescue.

Russians Must Decide Quickly On Momentous Course Of Planning Economic "One World" In Europe With Britain And France

London, June 21—(AP)—This week-end may bring one of the decisive moments in Europe's tangled history—and the decision lies in the mind of Prime Minister Stalin. His problem: Shall Russia join Britain and France in planning an economic "one world" for Europe, perhaps at the cost of a slipping red grip on middle-European governments, or shall she cast aside the chance to unite Europe and go her own way in her own politico-economic sphere in the East?

British Foreign Secretary Bevin, practiced in grasping the breaks of trade-union warfare, snatched at U. S. Secretary of State Marshall's skeletonized offer of June 5 to help rebuild Europe.

Hastily he called on French Premier Ramadier and French Foreign Minister Bidault. In two days—in Paris last Tuesday and Wednesday—this potent European trio dispatched to Russia a call to join them—and to decide by next Monday whether the Soviet Union will come in.

Russia's officially inspired communist inspired newspaper Pravda greeted Marshall's plan with a single blast and then relapsed into silence. Now the Russian news agency Tass announces that the government is considering the matter. The Russians undoubtedly are on a spot. They must decide quickly on a course as momentous to them as it will be to the rest of Europe.

Local Airport Popular With Air Travelers

By CHESTER WALSH The contractor is making good progress on the new airplane hangar and will complete the job by August 1, Executive Secretary Willard T. Kyzer said today.

The hangar is 80 by 100 feet and has an all-steel frame, aluminum covered roof, masonry walls and reinforced concrete floor. The doors open the full width of the building. A. L. Jarrell & Sons of Salisbury is the contractor.

Paved parking aprons will be built in the front and rear of the hangar and a paved runway will lead to the airfield. Business has picked up considerably at the airport since Barnes Aircraft Service, Inc. leased it and took over the management. The operator services all types of aircraft with oil and gas and has expert mechanics on the job day and night. The field is equipped for night lighting.

In addition to the planes owned by the base operator for training GI students and flights over the city and for charter for long trips, many planes land here every day. C. F. Stimeir, the manager, said a twin-engine Beechcraft plane was here last week for repairs. Standard Oil Company officials who flew here from New York last week to inspect the airport and survey the operating personnel were greatly impressed. The field has three 5,000-foot paved runways. Members of the Airport Commission are L. M. Buchanan of Greenville, chairman; G. H. Pittman of Falkland, vice-chairman; N. C. Brooks of Greenville, and Willard T. Kyzer, executive secretary and treasurer.

TEST VOTE ON GOP NOMINEE

Wisconsin Republicans Cast Straw Vote For '48 Candidate

Madison, Wis. June 21—(AP)—About 2,000 delegates to the Wisconsin Republican state convention today cast straw votes for presidential candidates in a poll regarded by some observers as a key to the 1948 race and by others as meaningless.

House Majority Leader Halleck, (R-Ind.) in a keynote address prepared for delivery, declared the "country has had enough of 'high tax Harry' and 'his abuse of the presidential veto power to thwart the demands of the people'."

Delegates registering for the convention were handed ballots listing the names of 11 prominent Republicans and were asked to check their first three choices. Newspapers supervised the balloting and an accounting firm will complete the tabulation tomorrow.

Some political writers termed the poll "significant," declaring that Wisconsin is a key GOP state. The late Wendell Wilkie's defeat in the 1944 Wisconsin presidential primary, when he failed to win a single delegate and withdrew from the race, has been cited as an example of "significance" of Wisconsin politics.

Employees Given Unique Holiday

Washington, June 21—(AP)—Some 2,850 employees of the Maritime Commission embarked today on a ten-day, involuntary "holiday" without pay.

Vice Admiral W. W. Smith, the commission chairman, blamed Rep. Taber (R-NY) and Comptroller General Lindsay Warren. Taber, chairman of the house appropriations committee, said it was Smith's own fault.

Smith said the mass "furlough" was due to lack of money in the administrative fund and a bookkeeping tie-up which prevents paying the employees out of another fund. There is "ample" money in the reserve fleet fund, he said, but Taber and Warren wouldn't okay transfer of money from one to the other.

Babson Discusses Company Earnings

Babson Park, Mass., June 20—This is no time to make forecasts as to business in 1948. Personally, I think it will be better than most people predict; but when it comes to net earnings, after taxes, I fear they will aggregate less in 1948 than in 1947. The year 1947 should see the tops for such net earnings for most of the large corporations. With the public pressing from above for lower prices, with labor and taxes pressing from below causing higher costs, the net earnings of most companies are sure to shrink. Commodities are beginning to crack due to competition. Only parity legislation is holding 'em firm prices at the present time. Even the farmers themselves know that their present honeymoon will some day be over. Moreover, wages have not yet stabilized. Certain groups are entitled to further increases and will get them; but workers' efficiency will soon begin to improve. When we know some idle man is waiting for our job, we will speed up and give a dollar of work for a dollar received.

INDIA READIES SECOND STEP IN PARTITION

Heavy Rioting In Punjab Province On Eve Of Legislative Action

New Delhi, June 21—(AP)—With the first solid step toward partition of India already taken in Calcutta, preparations for taking the second step next Monday in the Punjab were made today amid continuing warfare there between Hindu-Sikh allies and the predominating Moslems.

Yesterday Bengal's provincial legislature voted to separate the province's Hindu and Moslem majority areas so that they might join Hindustan and Pakistan respectively. The Punjab, in which the problem is complicated by a military Sikh minority demand its own homeland, will convene its legislature Monday to make a decision on a similar question.

These are preliminaries under the plan of Viceroy Lord Mountbatten providing machinery for setting up in India Moslem and Hindu majority states which are scheduled to become British Commonwealth dominions about August 15.

Lucknow, India, June 21—(AP)—District police headquarters said today 50 persons were killed and scores injured in fighting between landlords and tenants in a village near Lucknow, capital of united provinces.

A 24-hour curfew was imposed. The situation was reported under control this morning.

Helsinki And Oslo Chosen For Olympic Games

Stockholm, June 21—(AP)—Avery Brundage, head of the American delegation to the International Olympic Committee meeting here, announced today that the committee had selected Helsinki, Finland, and Oslo, Norway, as the sites for the 1952 Olympic games.

The selection was made at a closed meeting of the committee this morning, Brundage said.

"In view of the fact that Helsinki was given the Olympics in 1940 and prepared for them, is not unusual to expect they would have a favorable reception of their renewed bid."

"The U. S. cannot expect to have the Olympics too often. Oslo has bid for the winter Olympics more than 10 years and it is natural that the winter games will be held there, with the summer games in Helsinki."

Carolians In Foreign Service

Washington, June 21—(AP)—New foreign service assignments announced by the State Department yesterday include:

William B. Cobb, Jr., 611 East Walnut street, Goldsboro, N. C., third secretary and vice consul at Havana.

Stuart Blow, Washington, N. C., assigned to Calcutta, India, as vice consul.

Thomas S. Campen, Goldsboro, N. C., acting commercial attaché at Lima, Peru, designated commercial attaché.

Five Generations Attended Wedding

Newport, R. I. June 21—(AP)—A spry 71-year-old great-grandmother was Baltimore bound today on a honeymoon with a 72-year-old Navy draughtsman.

The happy couple—the former Mrs. Louise Beyer and Allen C. Smith—left with the blessings of her wide-eyed five-year-old great-granddaughter, Celestine Schaefer, and her own 87-year-old mother, Mrs. Alice Carr.

Foes Of Labor Bill Tie Up Senate; No Vote In Sight

Grieving Father Kills Children

Chris Russell (right), restaurant operator at Miami, Fla., told police he killed his two children, Peggy (left) and Johnny Christo, 6, with a baseball bat in their home, and then shot and wounded two neighbors, Mr. and Mrs. Walter L. Wolfe. He said he acted because the Wolfe's regarded him as an unfit father and had sought to have the children placed in a home. (AP Wirephoto).

Veto Supporters Keep Upper House In Session Nearly 24 Hours; Effort Will Be Made To Reach Agreement For Monday Vote; White House Gets Telegrams

Washington, June 21—(AP)—Frazzled senators still were far from agreement today on fixing a time for a vote on President Truman's veto of the Taft-Hartley labor control bill. An end to their all-day, all-night wrangling was nowhere in sight after nearly 24 hours of continuous session.

As a small band of veto supporters continued their desperate effort to delay a final judgment until next week, Senate Republican leader White of Maine said an effort will be made to reach an agreement for a vote Monday.

This announcement came after White conceded it would be virtually impossible to force a vote any time today on the veto which the House easily overrode yesterday almost immediately after it had arrived from the White House.

Senator Morse (R-Ore), one of the group determined to delay a vote until the nation has time to react to Mr. Truman's radio address of last night supporting his veto message, still held the floor as the Senate approached its 24th hour of continuous session.

There was no opportunity for the Republican leaders, dead set in their hopes of overriding the veto and making the bill law, to dicker for a vote Monday until Morse quit talking.

There was a possible chance that once Morse gave up the Senate might agree finally on White's proposal to vote Monday and go home for much needed rest.

Senator Pepper (D-Fla.) like Morse, an opponent of the bill earlier had tried a similar move, but the Republicans, aided by a number of Democrats, smashed the effort, 50 to 14. Opponents have been holding out to prevent a vote before Tuesday at the earliest.

The White House said several hundred telegrams have been received in response to Mr. Truman's veto message and his radio address of last night.

Eben Ayers, assistant press secretary, told reporters the ratio was about 5 to 1 in support of the president's stand.

Pepper was joined by Senators Taylor (D-Idaho) and Kilgore (D-WVa.) in a talk test that Senator Russell (D-Ga.), who intends to vote to override the veto, described as a filibuster.

Senator Morse (R-Ore) then took up the fight to keep the Senate from voting before next week. That announced purpose was to delay action until the country can react to the president's veto, which they will support.

Fire Destroys Cotton Supply

Le Havre, France, June 21—(AP)—More than 5,000 bales of cotton, much of it from the United States, were destroyed today in a fire that raged for eight hours despite land and sea fire-fighting efforts.

Cause of the fire, in one of the docks warehouses, was not determined immediately. A similar amount of cotton was destroyed in a like fire several months ago.

Russian-Iran Case In UN May Be Reopened

HEAVY LOSSES TO WIND, HAIL

Wake, Chatham And Wayne Suffer Some Crop Damage

Raleigh, June 21—(AP)—High winds accompanied by heavy rain and hail struck in Wake, Chatham and Wayne counties of eastern North Carolina last night, causing more than \$100,000 loss in tobacco and corn crops and property damage.

No one and not a six-mile area a mile and one half wide along the Wake-Chatham line. Here it leveled several buildings and caused extensive crop loss. Two hours later wind, hail and rain struck a three-mile area in Brodgen and Indian Springs townships, Wayne county.

A cow was a norm and nothing else when the wind demolished a barn of cattle on the Emmett Holland farm in Chatham.

On the Hollis Barker farm in (Continued on Page Four)

American Aid To Iran To Block Communist Expansion Raises Speculation Of Soviet Counter-Move In Security Council

Lake Success, June 21—(AP)—American financial aid to Iran to block communist expansion at the very borders of the Soviet Union raised speculation here today that Russia might reopen the Russian-Iranian case in the United Nations Security Council.

Some U. N. delegates suggested that Russia would use the Security Council to protest a \$25,000,000 American surplus property credit to Iran, granted for the same purpose as the aid to Greece and Turkey—to block communist expansion.

This view was based on a precedent set by Russia several weeks ago. At that time Soviet deputy Foreign Minister Gromyko requested and was granted a special meeting of the Security Council on the pending Greek case. He used the session to attack the \$400,000,000 American aid program to Turkey and Greece.

Delegates pointed out that Russia could take a similar step regarding expansion of the Truman Doctrine to include Iran. Although the Russians withdrew their troops from Iran's Azerbaijan, (Continued on Page Three)

Senate Finance Group To Hike Navy Allotment

Washington, June 21—(AP)—Members of the senate appropriations committee have decided to recommend a \$177,000,000 hike in housing voted new funds for the navy during July 1.

The house had pared \$370,000,000 of the navy's spending estimate of around \$4,033,000,000.

Chairman Saltonstall (R-Mass.) of the senate appropriations subcommittee which reviewed the house action said the recommended restoration of funds would permit the navy to keep 43,000 officers, instead of 42,000 and 395,000 enlisted men instead of 355,000.

Other increases compared with the totals possible under the house bill, he said, would include 265 major combatant ships fully manned and 28 with reduced crews against 249 and 26, and 5,793 aircraft against 5,541.

Italian Gov't Survives Vote

Rome, June 21—(AP)—Premier Alcide De Gasperi's fourth government—the first to exclude Communists and Socialists since the liberation of Italy—won a vote of confidence from the Italian Constituent Assembly today by a 43-vote majority.

Umberto Terracini, Communist president of the Assembly, announced that of 509 deputies present, 274 voted in favor of the government, 231 against it, and four abstained.

Are You Confused

If Congress, With Months Of Study And Debate, Can't Agree With Mr. Truman, Who Has Expert Advisors, On Taxes And Labor—How Can We Understand?

By JAMES MARLOW

Washington, June 21—(AP)—This week made the little guy, any little guy trying to make up his mind on what's what, feel all scrambled in his head.

That tax bill. That labor bill. Now you see them, now you don't. Congress worked for months on a bill to cut his taxes and, when, this week the President vetoed it.

Congress couldn't re-pass it over the veto and—there it was. Dead. No tax cut for him in 1947.

He told himself he wasn't paying so much about no tax cut. But what got his head all twisted on the inside was this:

Congress said this is a good time to cut taxes. The President said it isn't. Who's right? The President or Congress?

The little guy, being a little guy, wouldn't know. If those big men, in Congress and the White House, couldn't agree, how could a little guy tell?

He shook his head. He shook it twice because, when, right behind the tax bill the President vetoed the labor bill.

The Republicans pushed it thru. The bill was intended to put curbs on labor unions.

When the President vetoed it, the House re-passed it right over the veto. Then it was up to the Senate to do the same. If it was to become law.

Right away brand new adjustments broke out in the Senate. All this time the Republicans, led by Senator Taft of Ohio, had been saying the bill was good, fair, badly needed, and would make labor peace.

In short, the Republicans said it was just what the doctor ordered. But that's not what President Truman said.

He took the bill apart, limb from limb. He said it was awful, bad, unfair, and would cause labor trouble for years to come.

All this made the little guy feel gloomier than ever, and dumber. Hadn't Congress argued for many months? Shouldn't it know what it was doing?

Yes, but the President had the advice of a lot of labor experts? Shouldn't he and they know what they were doing? (Continued on Page 150)

THE DAILY REFLECTOR

June 21, 1937

Miss Nina Harris gave a party of girl friends a delightful sail Friday afternoon on her father's gasoline launch. They went 8 miles down the river and back and had a merry trip.

We are told that a man from another town, who wants to locate a large ice factory, was in Greenville the other day looking over the situation with that object in view.

Ed Rawl Speaker Kiwanis Meeting

By CHESTER WALSH
Edwin E. Rawl, vice-president of the Carolina Sales Corporation and lieutenant-governor of the Kiwanis Carolinas Kiwanis District, made an interesting talk on "Salesmanship" at the Kiwanis Club's weekly supper meeting last night.

When one member of the Kiwanis quartet failed to appear Tige (Sweepa) Gardner essayed two roles—he sang baritone and basso profundo. He and James Ray Pittman and Aubrey Tilley sang the songs the Kiwanians like to hear.

Judge J. W. H. Roberts of the Underprivileged Child Committee presented to the Kiwanians a worthy boy and girl the club is going to assist to get an education at East Carolina Teachers College.

The chief said "we have less trouble with the boys and girls of Greenville than any of the neighboring places." We have contacted them in the schools and elsewhere and we know they are fine folks.

Kiwanians Going Chicago Saturday

By CHESTER WALSH
The Greenville Kiwanis Club next Saturday will be represented by 12 persons at the Kiwanis International Convention to be held in Chicago June 29-July 3—the largest delegation of any club in the Carolinas Kiwanis District.

Mrs. Edna Bagwell Dies in Hamlet, N.C.
Mrs. Edna Harvey Bagwell, widow of William Bagwell, Jr., died at a hospital in Hamlet Friday at 5:30 p. m. after a brief illness.

Clark's Neck Club: Mrs. Willard Andrews was hostess to the Clark's Neck Club on Wednesday afternoon, June 18. Mrs. W. A. Barrett reviewed the book "You Can Be Happy" by Clara Beranger; the hostess gave an interesting book review of "Toil of the Brave" by Fletcher.

Pierce Club: Pierce Home Demonstration Club held its regular June meeting at the Club House near Ayden. Mesdames George and Ed Humbles were hostesses.

Youthful Workers' Club: On Thursday, June 19, the Youthful Workers' Club held its regular monthly meeting in the Red Oak community building.

Presbyterian Announcements: The church school meets as usual at 9:45 a. m. Friends in the city for the summer are invited to come and enroll.

Chinese Weak: (Continued From Page One) of defense there is in the hands of the new First Army, which has had

Russian-Iran

jan province after an Iranian protest to the Security Council, the Russian-Iranian case was kept on the council's reserved agenda subject to reopening at any time.

But now that the U. S. has announced it would supply Iran with surplus army supplies including light tanks and some combat planes Russia was not expected to remain silent much longer.

Kyzer Is Attending Chapel Hill Meeting

illard T. Kyzer, executive secretary of the Greenville Chamber of Commerce, left today for Chapel Hill to attend the Southeastern Institute for commercial organizations secretaries at the University of North Carolina.

The institute will continue on through next Saturday. Many southern states and Canada will be represented at the meeting.

Planning Field Day For Boys And Girls

By CHESTER WALSH
Plans are being made to have "Youth Appreciation Day" for the boys and girls of Pitt County in Greenville the last part of July sponsored by Chief Jim Tanner and the police department.

"We believe we have the finest boys and girls of any town in the state, and we want to arrange something in their honor and for their pleasure," Chief Tanner said. Plans include a parade, games and contests and valuable prizes.

The chief said "we have less trouble with the boys and girls of Greenville than any of the neighboring places." We have contacted them in the schools and elsewhere and we know they are fine folks.

Civic clubs and other organizations are going to be asked to cooperate with the police in providing a "field day" for the youngsters of the county.

Solidarity . . .

(Continued on Page Six)
cow Conference of the Big Four foreign ministers to fail in efforts to write the all-important German peace treaty. The Western Allies charged that Russian obstruction was to blame or this failure.

"I spent six weeks in Moscow trying to get a settlement," Bevin told Commons in his speech Thursday night. "I shall not be a party to holding up the economic recovery of Europe x x x."

The British press generally approved of Bevin's call for speed, an exception being the Communist Daily Worker which characterized it as an "ultimatum." Of course obstruction to cause delay has been a favorite Communist weapon in many recent instances where delays in rehabilitation favored the Red.

Bevin's dramatic pronouncement of policy was accompanied by a speech by Anthony Eden, conservative party spokesman, which brought Britain's two major political parties into complete solidarity as regards General Marshall's proposal. Eden charged Russia with flagrant interference with the right of Eastern European nations to govern themselves. Of the American economic program the former British foreign secretary said:

"This offers the possibility of creating a new Europe—it is the second chance that so rarely comes x x x. When rarely this does come, it is in the nature of a miracle."

few replacements of men or equipment since it was transferred to Manchuria from Burma.

Dispatches reported Government capture of two railroad towns south of Haicheng, 90 miles southwest of Mukden, itself beset on three sides by Red forces.

In Shanghai the newspaper Shun Pao reported the suspension of a Mukden daily, Shin Pao, for reporting "the serious military situation in Manchuria" and the fact that shortening of Nationalist defense lines, possibly presaging a general Manchurian withdrawal, was being contemplated."

HOUSE BURGLAR
East Peoria, Ill. June 21—(AP)—Police here are looking for a stolen house.
Earl A. Allen, a railroad brakeman, told police that when he returned from his run a two-story pre-fabricated home he was building had disappeared.

Allen said neighbors told him they saw a man piling parts of the house into a truck but they believed that Allen had decided to change the location of the house.
The house was completely built except for a roof.

# LOCALS DROP ANOTHER GAME IN GOLDSBORO

## Payne Knocks In Winning Run For 3-2 Count; Crucial Game Tonight

**By BERT MOYE**  
Larry Baldwin lost his second straight game last night in Goldsboro as the Goldsboro Bugs edged a 3-2 decision over the Greensies. The win for the Bugs was their fifth over the Greensies this season as against four losses.

Greenville was held scoreless until the eighth frame when they put across two runs to knot the count at two-all. However the Goldsboro Bugs came back in the last half of the eighth to push across a tally to win the game when Lingle walked, stole second and Virgil Payne doubled to bring him home.

Larry Baldwin, who went the route for the Greensies, was touched for seven hits, four of which were for extra bases including a home run by Jack Hussey, the Bugs' first baseman. He struck out one man and walked two men.

Dopkin started on the mound for the Bugs but was forced to retire in the eighth frame during the Greenie rally after pitching seven and two-third innings. Whitehurst relieved him at this period of the game and received credit for the win after holding the Greensies in check.

Greenville was limited to our hits, all of which were singles, and were divided among Willie Mauney, Jack Bomar, Billy Lynch and Baldwin. The Greensies played errorless ball while the Bugs made two miscues which figured in the Greenie scoring.

The two teams play a return game here at Guy Smith Stadium tonight which will be a crucial game for the Greensies as at the present time they are out in front of the Bugs in sixth place by a lone game. Should Goldsboro win this game tonight the two teams would be tied for sixth place in league standings.

**Score by innings:**  
Greenville ..... 000 000 020—2  
Goldsboro ..... 000 100 11x—3

# DIAMOND DUST

According to the latest figures released by the league statistician and which include all games played through June 15th, four Greensies continue to hit in the 300 class. Willie Mauney, with a 370 percentage, stands fourth in individual batting in the Coastal Plain League. He has been to bat 189 times, collected 70 hits to gain this position. Roy Kennedy of Tarboro at the present time is leading the league, having been to bat 155 times, with 64 hits for a 413 percentage. Other Greensies in the 300 class are Charlie Chute, who has been at bat 197 times for 62 hits for a 315 percentage; Tommy Lee, 147 times at bat with 46 hits for a 313 percentage; and Jack Bomar who has a 304 percentage. Other Greensies listed in this week's tabulation are: Hank Ranweiler, 33 hits in 118 trips to the plate for a 280 percentage; Johnny Faye, 34 hits in 129 trips at bat for a 264 percentage; Bobby Faye, 52 hits in 203 trips at bat for a 256 percentage; Howard Jenkins, 22 hits in 89 trips to the plate for a 247 percentage; and Bill Lynch, 47 hits in 193 trips to the plate for a 242 percentage.

Among the league leaders Willie Mauney continues in second place in the number of triples with 10, being topped only by Roy Kennedy of Tarboro, with an even dozen. Charlie Chute is in second place in the number of homers with eight, while Gashouse Parker of Tarboro is in first position with 12.

In the strikeout division Johnny Foell is in second place, with 104, while Sam McLawhorn of Kinston takes first place with 106. Incidentally, Johnny struck out eight men in his last game pitched on Tuesday at New Bern to bring his total for the season to 112.

In team batting the Greensies **LADIES! WE HAVE WAXING MACHINES** for rent, also paste wax, liquid wax, paste cleaner, liquid cleaner, brooms, brushes, mops, mop wringers, minute mops, wax applicators. Globe Hardware Co. (Formerly Baker and Davis).

# GOODMON WILL STAY ON JOB

## CPL Officials Talk President Out Of Resignation

Coastal Plain League directors like their president, although he may not like his job.

Ray Goodmon of Williamston, president of the Class D circuit since 1939, yesterday tendered his resignation to the officials, because of conditions in the league which, he said, were "intolerable insofar as I am concerned."

However, the directors and managers of the teams flatly turned down the resignation, and pledged support and cooperation of Goodmon's administration. So Goodmon will continue as president until the end of the season.

Goodmon listed as reasons for his tendering his resignation: protests, counter-protests, appeals and continual wrangling by managers and club presidents over decisions, hot-club throwing incidents, verbal assaults on umpires and players, and lack of sufficient protection.

League directors and managers said they would do all possible to eliminate the above troubles.

The directors also approved of raising the protest fee from \$25 to \$125, and directed that \$25 must be posted by a manager at the time of the protest with the head umpire—the remaining \$100 is to be paid if the protest goes through league channels.

southwestern Wake, a garage was blown against the residence. On the Al Lawrence farm in Wake the roofs of several buildings were blown off. The roof of a tobacco barn was blown off at Bonsal, Wake county. A tree was blown on top of the kitchen and back porch of the N. B. Bass home in Brogden township, but the eight members of the family escaped injury. Roofs of a tobacco barn and curing house on the farm also were blown off.

dropped down to fourth place among the other eight clubs in the league after holding down third position during the past two weeks. The Greenville club at the present time is hitting at a clip of 276 percentage. Tarboro continues to lead all other clubs with 295 percentage. In team fielding the Greensies dropped to sixth place with a 932 percentage as compared with last week when they held fifth place with 938. Tarboro continues to lead all other clubs in the league with 954 percentage.
