

Leaf Marketing Body In Session

Flue-Cured Tobacco Marketing Committee Meets; Revised Belt-Lines In Prospect; Selling Dates And Regulations May Not Be Fixed Until Tomorrow

Raleigh, June 24—(AP)—The flue-cured tobacco marketing committee went into session here today to consider opening dates for flue-cured tobacco markets.

After an organizational meeting before noon, at which Fred S. Royser of Henderson was elected as chairman and J. B. Rountree of Lumberton was named secretary, the committee this afternoon began to hear delegations from several market towns of the flue-cured tobacco area which stretches from northern Florida to Virginia.

Former Governor Ehringhaus of Raleigh requested permission to appear and present pleas of Carthage, Aberdeen and Sanford that they be transferred from the North Carolina middle belt to the North and South Carolina border belt.

A delegation from Fuquay-Varina of the middle belt planned to request a transfer to the North Carolina eastern belt or to the border belt.

Several delegations from the old belt of North Carolina and Virginia, including one from Winston-Salem, also planned to appear before the committee.

The 15-member group will serve throughout the coming marketing season as the arbiter of all controversies arising out of regulations concerning sales and it will be authorized to declare sales holidays and to speed up or slow down sales.

It was the first time in the history of the tobacco auction system that a committee representing the planters, buyers and warehousemen had been authorized to set opening dates and fix sales regulations.

In the past the dates have been set by the Tobacco Association of the United States.

The 15-man committee today will set specific opening dates for each of the five flue-cured belts; and outline market regulations regarding the number of daily selling hours, the number of sales to be sold each hour and enforcement methods.

Final decisions are not expected to be reached until tonight or possibly tomorrow.

Although the crop is late, it is expected to total more than a billion pounds this season according to estimates by the N. C. Department of Agriculture.

French Adopt Heavy Tax Bill; Some Protest

Paris, June 24—(AP)—Premier Paul Ramadier's drastic tax bill which will raise prices of such items as bread, milk and cigarettes—was adopted today by the French National Assembly.

The vote was 302 to 241, fifty-nine members abstained.

The measure, which includes administration economies and the suppression of state subsidies, is designed to raise 136,000,000,000 francs (\$1,142,000,000).

A series of strikes protesting the measure broke out in scattered parts of France. About 150,000 coal miners walked out in the nationalized northern coal fields. At Marseille the labor federation ordered a two-hour demonstration strike which threatened to tie up the nation's largest port completely this afternoon.

ago when both former President Hoover and Senator Vandenberg of Michigan warned that the time had come for an accounting.

Vandenberg called for the creation of a council of Democrats and Republicans to study the problem of how far the U.S. could go in rescuing the war-torn countries.

The senator declared bluntly that "if America ever sags, the world's hopes sag with her." Hoover asserted that the U.S. was "over-expanding" its resources and that she could not continue her present rate of gifts and loans "without further evil consequences to our stability."

Now comes President Truman's move in creating three committees of experts to determine the extent to which the United States may "safely and wisely plan" to aid foreign countries. The Chief Executive took cognizance of the fact that

Spending For Peace

Question Arises "What Do We Get Out Of Giving Away More Of Our Depleted Resources To Other Nations?"; War Cost; Safeguard With Dollars

By DEWITT MACKENZIE

Ever since the so-called end of the last war the people of this country, uncomfortably mindful of Uncle Sam's terrific expenditure in money and resources, have been worrying quietly over whether his further adventures in aiding foreign nations have been justified by his remaining wealth.

The estimated cost of conflict to America was some \$330,000,000,000—a staggering figure which represents almost half the total expended by all the allies combined. Of even greater concern was the heavy drain on our national resources like petroleum and iron.

The average citizen has had no gauge by which to judge just what this means to America's economy. He has been wondering whether we have been going beyond our means—whether we have by any chance been endangering our position as the world's leading power. His concern wasn't lessened some ten days

SOVIET USING EX-AMERICAN OIL TANKERS

Ships Built For U.S. Gov't; Petroleum Export Controls Restored

Washington, June 24—(AP)—Chairman Weichel (R-Ohio) said today the House Merchant Marine Committee has learned that Soviet-operated tankers carrying oil from this country to Russia were built for the U.S. Government only a few years ago.

One of them, he said, sailed from California less than two weeks ago with 123,895 barrels of gasoline and 12,500 barrels of oil and two others left earlier this month with 113,000 barrels of oil.

Three more, Weichel told a reporter, are loading in California ports and may depart before export controls are restored on petroleum products effective June 30.

The Commerce Department, announcing reimposition of the controls last night, explained:

"Export control is necessary if the limited domestic supply is to be protected and U.S. petroleum exports are to be used most effectively in the interest of world recovery." The controls were lifted soon after V-J Day. They apply to all nations except Canada.

The government's authority of control exports runs out next Monday midnight, but an extension bill is pending in Congress.

Weichel said the consignor for all six of the tankers on the West Coast is the Amtorg Trading Corporation, Soviet purchasing agency, which bought the oil from several large United States companies.

Although all six have Russian names and are flying the Russian flag, Weichel said, they all formerly had United States names and were

Poland Willing To Join Program

Washington, June 24—(AP)—Poland today announced its willingness to participate in Secretary of State Marshall's proposal that European nations work out a joint economic recovery program with American aid.

Polish Ambassador Jozef Winicki told reporters of this development after calling on Marshall, Special Assistant to Robert.

Poland thus becomes the first of the eastern European countries to express willingness to take part in the Marshall program.

Petrillo To Be Target Of House Investigators

Washington, June 24—(AP)—James C. Petrillo, who got a double rap from the Supreme Court only yesterday, will be a target of a congressional investigation tentatively set for next Monday.

Petrillo, president of the AFL Musicians Union, has been under subpoena for weeks by a House labor subcommittee.

Rep. Nixon (R-Calif.), a committee member, told a reporter:

"We've done a considerable amount of groundwork on the case and have plenty of questions to fire at him about his union's policies and practices."

"We want to ask him about featherbedding, about making an employer hire more musicians than he needs; about his famous welfare fund and how it is being used."

"We are interested in whether he has adopted practices that have had the effect of discouraging the use of new inventions, as in the television and frequency modulation fields."

The subcommittee held off its investigation while waiting for the Supreme Court to rule on the law Congress enacted last year to curb some of Petrillo's operations.

Among other things, the law was designed to prevent Petrillo from forcing broadcasters to hire more workers than they consider necessary. The Supreme Court upheld the law, five to three. It sent the case back to the federal district court in Chicago to determine whether Petrillo has violated it.

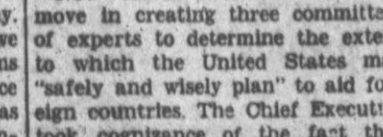

Farmville Will Vote On School Bond Issue

Pitt County Board of Education has approved a request of the Farmville Board of Education for permission to submit to the vote of the people a \$200,000 bond issue for a school improvement program in the white and colored schools of the Farmville district. Also approved by the board was a request to call a vote on a 15 cent supplementary tax to supplement the state standards in the operation of the Farmville city schools.

Both requests have been approved by the County Commissioners and they have been presented to the State Board of Education for action on July 15. The vote will be taken on October 18 following the approval of the State Board.

U.S. Captures World Speed Record

Col. Albert Boyd of Asheville, N. C., attached to the flight test division of the Army Air Forces Material Command, climbs from the Lockheed P-80R, Shooting Star, 11 which he recaptured the world airplane speed record for the United States with an average of 623.8 miles per hour over a three-kilometer course at Muroc, Calif. Below: A close-up of the record-breaking plane, a modified J-8 fighter, which exceeded the mark of 616 miles per hour set by the British in a Gloster Meteor last September 8. (AP Wirephoto)

THIRD PARTY TALK REVIVED BY LABOR LAW

Sen. Pepper Says Movement Given Impetus By Senate Overriding Veto

Washington, June 24—(AP)—Enactment of the Taft-Hartley labor law over President Truman's veto brought disputed predictions today of a third party movement and possible Republican loss of the organized labor vote.

Senator Pepper (D-Fla.) told a reporter he thinks "tremendous impetus" was given the fledgling third party movement by the Senate's 68 to 25 vote yesterday smothering Mr. Truman's veto.

"Political history has been written here," Pepper declared. "Congress has done more than Henry Wallace ever did to give lift to a third party."

"We have seen a demonstration that neither party can muster a majority in Congress for liberal proposals."

"Nobody but intellectual liberals has been interested in a third party up to now, but if the working people feel that their rights aren't going to be protected they may make a third party movement a vital affair."

Pepper, one of 22 Democrats who voted to sustain the President's veto, said he will remain a Democrat in any event.

Senator Byrd (D-Va.), one of the 20 Democrats who cast their ballots against the veto, said he thinks the President has succeeded in making at least the Administration's part of the Democratic party the labor party for 1948.

Byrd, who had urged the President to sign the bill, noted that Mr. Truman pulled only a slim majority of the Senate Democrats along with him on the issue. The President got only minority support from his own party when the House overrode the veto last Friday by a vote of 331 to 83.

The field tabulation of the Democratic Party's vote on the bill, as reported on reports from the CMA, operators and union sources, indicated: 54,000; West Virginia, 20,000; Illinois, 2,500; Alabama, 17,000; Virginia, 2,500; Ohio, 5,000; Indiana, 3,000.

The walkouts beginning in Alabama last night shortly after the Senate nullified President Truman's veto on the union curbing act, swiftly gathered momentum in the coal pits today—a scant three days before the miners start their summer vacation.

Big steel plants in the Pittsburgh area were shut out. The Carnegie-Illinois Steel Corp., U. S. Steel subsidiary, was getting only 25 per cent production from its coal mines. The Jones & Laughlin Steel Corporation reported all its mines closed.

So far, no stoppages were reported in the anthracite mines of eastern Pennsylvania.

The walkouts apparently a spontaneous protest against passage of the labor bill, came at a time when wage negotiations between John L. Lewis, president of the AFL-United Mine Workers' 450,000 members, and the mine operators had been broken off pending final disposition of the bill.

Meanwhile, the miners had prepared to begin a 10-day vacation.

DAMAGE SUIT PUSH-BUTTON WAR FAR OFF

Collis Lewis Jr. Asks \$1,450 From Board Of Education

Raleigh, June 24—(AP)—A suit in which \$1,450 is asked for the loss of two fingers by Collis Lewis, Jr., in a manual training class has been filed against the State Board of Education in Pitt County, Attorney General Harry McMullan announced today.

McMullan said that an act of the 1947 General Assembly authorized the Board of Education to compensate the boy's claim and to compensate him up to \$1,450 for the injury which he suffered at the Bethel School in March, 1945. After an investigation the Board denied the claim, he said.

The attorney general said that the State is filing a demurrer asking that the suit be dismissed or the ground that the Board of Education cannot be sued.

Dr. Vannevar Bush Says Today's Weapons Not Yet Obsolete

Washington, June 24—(AP)—Dr. Vannevar Bush said today that talk of push button warfare is harming the country.

He told the House expenditures committee that anyone who expects a precise 5,000-mile missile would believe in Santa Claus, adding:

"If we got into war tomorrow, it would be a tough, rough slugfest match like the one we just got out of."

He said America would use the weapons it had at the end of the last war, plus some new developments of the last two years.

Bush, who heads the government's research and scientific program established during the war, testified in favor of a bill to unify the armed forces under a single command.

Swollen Missouri Still Rising; New Record Expected

Omaha, June 24—(AP)—The swollen Missouri River neared a record level in southeast Nebraska today as it attempted to absorb the overflow from tributaries still spreading their destruction upstream.

At Rulo in southeast Nebraska "Big Muddy" reached 20.65 at 8 a. m. (GMT) today, only 31 of a foot below the all-time record 20.96 set June 15. New crests on tributaries were expected to boost the figure to a new record.

In Iowa, towns along the lower Raccoon and Des Moines Rivers—including Des Moines, Ottumwa, and Van Meter—braced themselves for higher water today. Fort Dodge, Ia., lost its power and water supply as the upper Des Moines River inundated the power plant.

In northeast Nebraska, a crest on the Elkhorn River was expected to

Escaped Convict Is Re-Captured

Pitt County law enforcement officers last night captured Benny Whitley, escaped convict from the Cumberland County prison who was serving time for larceny of an automobile.

The arrest was made in the Shermere community about 8:30 by Deputy Sheriffs Manning and Jackson, and ABC Officers Ward, Taylor and Manning.

Whitley has been turned over to Pitt County officials and will be returned to the Cumberland County prison.

Brand New Labor Law Has Stormy Protest By Miners

Soft Coal Miners Walkout By The Thousands; Several Hundred Mines Closed Down; Eight States Affected; Big Steel Firms Hard Hit By Reduced Coal Supply

Pittsburgh, June 24—(AP)—Amid a storm of protests of "Let the senators mine the coal," miners by the thousands today joined a walkout protesting long passage of the Taft-Hartley labor bill. Early this afternoon field reports indicated nearly 40 per cent of the nation's 400,000 continuous miners had quit work.

More than 155,000 men were idle, closing several hundred mines in eight states. The coal mines administration reported the coal loss was 25,000 tons alone in Pennsylvania, mighty workshop of coal and steel.

The field tabulation of the Democratic Party's vote on the bill, as reported on reports from the CMA, operators and union sources, indicated: 54,000; West Virginia, 20,000; Illinois, 2,500; Alabama, 17,000; Virginia, 2,500; Ohio, 5,000; Indiana, 3,000.

Psychiatrists Assert Chandler A Paranoiac

Boston, June 24—(AP)—Douglas Chandler, charged with treason in allegedly broadcasting Nazi propaganda from Germany, was classified today as a "paranoiac" by two defense psychiatrists.

Dr. Edward A. Strecker, chairman of the Department of Psychiatry at University of Pennsylvania, said the defendant suffered from a "chronic form of insanity, and Dr. Kenneth J. Tiltonson, Boston psychiatrist, testified he had "fixed and systematized delusions."

A third psychiatrist, Dr. John Adams Abbott, quoted the defendant as saying he expected to be acquitted and heard he would be poisoned upon release.

Dr. Abbott said the former Baltimore writer asked him who would protect his chief counsel, Claude B. Cross, and himself from Jews after the trial.

Dr. Strecker, a consulting psychiatrist for the secretaries of war and the navy, told Federal Judge Fran-

ces W. Ford and a 14-man jury yesterday that Chandler was suffering from delusions of persecution and grandeur.

He said the defendant's reasoning was irrevocably closed to argument or logic in connection with his false beliefs. He quoted Chandler as saying there was an international plot of Jews to dominate and exterminate all Gentile civilization so that eventually every Jew would have Gentile slaves.

Dr. Tiltonson testified he did not

The New Labor Law

How It Affects You If You Are Unemployed And Not A Member Of A Union; Something About Preferential Hiring, Union Shops, Closed Shops And You

By JAMES MARLOW

Washington, June 24—(AP)—What does the new labor law mean to you if you're not a member of a union but are looking for a job?

Nothing at all, of course, if you get a job where there is no union. But suppose there is a union where you go job-hunting. What then? That depends upon the kind of contract the boss there has with the union.

There is a thing called "preferential hiring."

That's where a boss can hire non-union men but must give first choice to a union man, if one is available.

Most lawyers think the new law forbids this. They're not positive. So the subject of preferential hiring may have to be fought out in court.

For the time being, therefore, if you look for a job where there's "preferential hiring," the union

Author Attacked

Co-Author Of Smith-Connelly Labor Act Proposes Plant-Seizure Provisions Of Law Be Extended To Permit President To Cope With Threatening "National Disaster"

Washington, June 24—(AP)—Rep. Smith (D-Va.) co-author of the Smith-Connelly war labor disputes act, proposed in the House today that the plant seizure provisions of the law, which expire July 30, be extended one year.

This action is necessary, Smith declared, as a precaution against a national disaster if a crippling coal strike is called.

The Taft-Hartley bill passed by Congress over President Truman's veto might not take care of a coal strike, he said.

"I am afraid," Smith said, "that the impression has gone out over the country that the Taft-Hartley law is going to stop all strikes and cure all ills we have suffered in the last few years."

"But the bill does not take care of all the ills.

"If in the next 10 days the nation is confronted with a coal strike, then you're going to have the same thing that brought about the seizure of the coal mines and the operation by the government."

The government has been operating the pits under the Smith-Connelly act since they were seized during a strike in May, 1946. It was under government operation that John L. Lewis, United Mine Workers president, waged his supreme court fight against a federal contempt citation.

Smith spoke as thousands of soft coal miners deserted the pits in a spreading walkout attributed to enactment of the Taft-Hartley law.

The Virginian told the House that under the Taft-Hartley law a walkout of such proportions as to endanger the national health or safety

(Continued on Page Four)

Liquor Buying Is Dropping Off

Washington, June 24—(AP)—The Distilled Spirits Institute reported today that Americans drank 30 per cent less Whiskey, Gin, Rum and Brandy during the first four months of this year than they did in the same months of 1946.

The institute attributed the drop principally to "Consumer Resistance to prices which have not been substantially reduced since the war."

(Continued on Page Four)

Tideland Ruling May Invalidate Coastal Patrol

Raleigh, N.C., June 24—(AP)—An opinion of the U. S. Supreme Court giving the federal government ownership of submerged oil lands of the California coast "more than likely" invalidated a resolution of the 1947 General Assembly which set the state's eastern border at one Marine League—about three miles—from the low water mark of the Atlantic Ocean, Attorney General Harry McMullan said today.

McMullan said that although no oil has been discovered in North Carolina's coastal waters there are valuable fishing grounds off the coast and that the state has patrolling these waters and enforcing its commercial fishing regulations out to the three mile limit.

The state's right to patrol these waters may possibly be affected under the Supreme Court decision, McMullan said.

Rep. Landis Pushes Anti-Tax Bill

Washington, June 24—(AP)—Partly to get even with Southern Democrats who helped kill their tax bill, the Republican leadership today crammed an anti-poll tax bill into the House schedule for passage this session.

Chairman Lecompte (R-Iowa) of the House Administration Committee got the bill through GOP leaders. He told a reporter hearings will begin next week and a bill will be approved in plenty of time for House action before Congress quits around the end of July.

Two Republican chiefs who asked that their names not be used said the bill definitely will be passed.

Republicans traditionally have gone along with the idea of outlawing payment of poll taxes as a requirement for voting in federal elections.

But Rep. Landis (R-Ind.) said there is something else behind the plan now.

"Since some of the Southerners opposed us on taxes, the idea is to put 'em on the spot," he told newsmen. "And if the Senate had not overridden the labor bill veto, we probably would have got out an anti-lynching bill."

It was by a two vote margin that the House upheld President Truman's tax veto and killed the GOP's \$4,000,000,000 reduction in the bill last week. And of the six Democrats who supported the bill originally but switched to Mr. Truman's side on the veto vote, five are from the South.

Again Predict Economic Crisis

Moscow, June 24—(AP)—Persistent Russian assertions that the United States is heading toward another depression were reiterated today in a lengthy Pravda article by Soviet Economist M. Marjulin.

Describing the current high prices in America "a monstrous robbery," Marjulin asserted that appeals to manufacturers to "come to their senses and carry out voluntarily the reduction of prices" had fallen on deaf ears.

He declared that the U.S. Government did not "dare" adopt regulatory measures against "the will of the owners" and said this was speeding the "approaching economic crisis in the U.S.A."

THE DAILY REFLECTOR June 24, 1907

The Norfolk and Southern railroad has completed its line of new road between Greenville and Washington, and the first train was run over it Monday.

Work is progressing rapidly on a temporary building on the south side of Ninth street to be used until the handsome depot between Ninth street and Dickinson Avenue can be erected.

Moonlight nights in June are the ones that give the farmers a hustle after tobacco flies.

The best potatoes are now bringing only about \$1.50 per barrel.

Miss Bunting Entertained at Bridge Bethel—Mrs. W. J. Smith, Mrs. J. M. Butterworth, Jr. and Mrs. K. E. Manning entertained at a dessert bridge Friday evening for Miss Dot Bunting, bride-elect, at Mrs. Manning's home.

White bridal flowers were artistically arranged throughout the house. The hostesses presented Miss Bunting a corsage of white gladioli, and Mrs. Cecil Whitehurst, a recent bride, was presented a corsage of white gladioli.

Each guest's place was marked with a gardenia corsage tied with green ribbon, and the bridge tables were centered with burning tapers when the guests arrived. The bride's table was centered with bride and groom tapers.

A delicious ice course with nuts was served and during the progressions, a fruit punch.

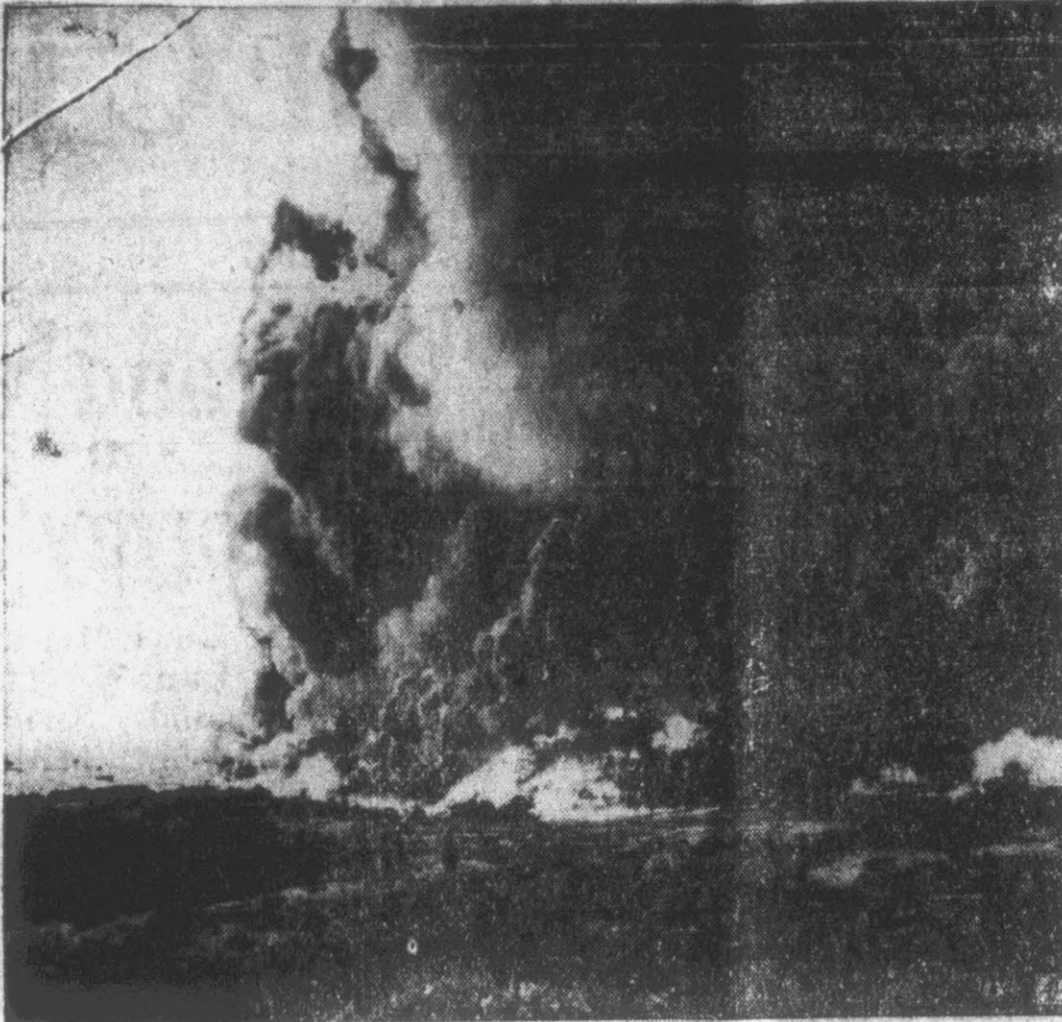

Prizes were awarded Mrs. Robert Davis and Mrs. Herbert Rives, Jr. The hostesses presented Miss Bunting gifts in her chosen pattern of silver, and Mrs. Whitehurst was honored with a gift of crystal.

Thirty-three guests were entertained.

Hosts to Members of Stroud Family

Mr. and Mrs. Clay Stroud of Ayden were hosts to members of the Stroud family at a picnic luncheon on Wednesday at the community hut in Ayden. Guests, numbering about 120, consisted chiefly of the children and grandchildren of the late Mr. Wm. Stroud of Lenoir county. Preceding the serving of a delectable luncheon, special recognition was given several of the guests, who spoke briefly. Honored guests

The ancient Sumerians traded with people as far away as the river Indus.

RUBBER DUMP AFIRE—A burning rubber dump at Surrey, England, sends a billowing column of black smoke over London. The dump caught fire as an early summer heat wave sent temperatures soaring into the nineties.

Woman's Club Installs Officers—The Greenville Woman's Club installed the following officers at the June meeting:

President, Mrs. Vance Perkins; first vice president, Mrs. Arthur Corey; second vice president, Mrs. Dink James; recording secretary, Mrs. Lee H. Moore; corresponding secretary, Mrs. Arthur Denton; treasurer, Mrs. J. E. Phelps; reporter, Mrs. P. E. Wells; historian, Mrs. Sam White; chairman of Garden Club, Mrs. W. J. Steil; chairman of Literature Department, Mrs. Lucella Stanel; chairman of American Home Department, Mrs. C. E. Oakley.

Junior Woman's Club: President, Mrs. W. H. Pruden; sponsor, Mrs. J. B. Spilman.

Woman's Club Committees—Program—Mrs. Dink James, Mrs. Arthur Corey, Mrs. C. E. Oakley, Mrs. W. J. Steil, Mrs. W. H. Pruden, Mrs. Youth Conservation—Mrs. W. H. Tatt, chairman.

Houses and Hospitality—Mrs. N. C. Brooks, chairman. Public Welfare—Mrs. D. H. Conley, chairman; Mrs. F. P. Brooks, Mrs. J. L. Winstead, Mrs. Jim Evans, Mrs. H. R. Phillips.

Education—Mrs. Howard Mims, American Citizenship—Mrs. Dan Vornholt. Legislation—Mrs. M. K. Blount. Art—Mrs. J. H. B. Moore. International Relations—Mrs. G. M. Renfro. Music—Mrs. J. L. Fleming. Trustees—Mrs. J. H. B. Moore, chairman; Mrs. Key Brown, Mrs. R. L. Humber.

Moye-Cherry—Miss Rebecca Jane Cherry, daughter of Mr. and Mrs. L. Q. Cherry of Stokes, was married to Robert Neal Moye, son of Mr. and Mrs. P. A. Moye, of Norfolk, Va., in a candle-light ceremony on June 20th in the Stokes Methodist Church. The Rev. Sidney Boone, pastor of the bride, officiated. The double ring ceremony was used.

A program of wedding music was presented by Miss Wanda Tyndall of Pink Hill, pianist, and Miss Betty Lou Worthington of Ayden soloist.

The bride, given in marriage by her father, wore a wedding gown of white duchess satin, fashioned with a fitted bodice round embroidered net yoke falling in a deep point outlined with ruffles, long sleeves ending in cala Lily points. The skirt, with a deep point in front outlined with ruffles which formed a short bustle in the back, ended

in a long circular train. Her fingertip veil of French illusion was attached to a sweetheart cap of lace trimmed with clusters of orange blossoms. She carried a white prayer book topped with a white orchid, showered with stephanotis and satin streamers.

Mrs. Gordon L. Clark, cousin of the bride, who was matron of honor, was fitted in a yellow taffeta gown fashioned after that of the bride. She carried a bouquet of red roses and matching ribbon.

Bridesmaids, Mrs. Anthony Venters of Silver Springs, Maryland, and Mrs. Mildred Griggs of Point Harbor wore gowns of blue taffeta made identically to that of the matron of honor and carried bouquets of pink roses and matching ribbons. Miss Edith Briley of Raleigh, and Miss Helen Fay Porter of Grimesland wore gowns of pink taffeta and carried bouquets of yellow roses and matching ribbons.

The matron of honor and bridesmaids wore open crown picture hats of taffeta and net and net gloves. Honorary bridesmaids were Misses Hilda Grissom of Henderson, Jean Fleming of Dunn, Mercedes Jean of Jamesville, Mercedes Rudolph Whitehurst of Goldsboro, Elton Worley of Princeton and David Seagrave of Washington. They wore evening gowns in pastel shades and corsages of glamelias.

Gordon L. Clark, cousin of the bride, was best man. Ushers were William Cherry, brother of the bride, L. A. Whitehurst, cousin of the bride, Warren and Guy Forbes of Norfolk, Virginia.

The brides mother wore a afternoon dress of navy and a corsage of red roses. The bridegroom's mother was dressed in blue and wore a corsage of red roses.

Mrs. Frances Van Dyke was wedding director.

Following the ceremony, Mr. and Mrs. Cherry entertained at a reception in the home of Mrs. W. B. Roebuck, grandmother of the bride, honoring the bride party, close friends and out of town guests. The home was decorated with white flowers, greenery and white tapers. Guests were greeted at the door by Mr. Hassell Gurganus and Mrs. H. D. Gurganus and Mr. and Mrs. John I. Gray introduced them to the receiving line composed of the parents of the bride couple, the bride and bridegroom and the bride's attendants. Mr. and Mrs. J. B. Congleton invited the guests into the punch room where Mrs. W. F. Stokes and Miss Kate Roebuck presided at the punch bowl and poured lime juice punch.

Mr. B. F. Fleming and Mrs. Florence L. Congleton invited the guests

into the dining room where the table was covered with a lace cloth and centered with a crystal bowl flanked by white flowers in a arrangement of white tapers in crystal candelabra. Mrs. G. H. Roebuck and Mrs. Herman Welleumann, aunts of the bride, served bridal ice and bridal cakes. The honorary bridesmaids assisted in serving mints and nuts.

Mrs. Jerome Perkins presided at the brides register and Mrs. Frances Van Dyke received in the gift room. Goodbyes were said to Mr. and Mrs. David Seagrave.

After the reception the bride couple left for a trip to New York and Canada. For traveling the bride wore a navy bolero suit with red and white accessories and the orchid from her bridal bouquet.

Mrs. Moye attended East Carolina Teachers College and taught in Stokes school the past year.

Mr. Moye attended William and Mary college and now holds a position at the Norfolk Naval Base.

Mrs. Ebel R. Clark entertained the wedding party at a buffet supper

on Thursday evening prior to the rehearsal, after which Mr. and Mrs. Cherry, parents of the bride, entertained the wedding party and a few additional guests at a cake cutting.

On the wedding day Miss Virginia Conleton entertained Miss Cherry and her attendants at a luncheon.

To some 16 million Siamese, Si-am is known as Muang Thai, meaning "Land of the Free."

Eastern Star Notice There will be a called meeting of the Eastern Star tonight at 8 o'clock for the purpose of conferring degrees only. All members are urged to be present. Bride-Elect Honored Bethel—Miss Dot Bunting, bride-elect, was honored at a bridge party Saturday evening when Mrs. Robert P. Michaels, Jr., of Durham, and Mrs. F. Curtis Martin entertained at Mrs. F. C. Martin's home. All-white arrangement of lilies, gladioli, larkspur and magnolias were used throughout the house and trailing ivy graced the mantel in one room. The hostesses presented Miss Bunting a corsage of white gladioli on a white satin horse-shoe. Mrs. Cecil Whitehurst, a recent bride, and Miss Frances Mae Hives, bride-elect, were presented corsages of white carnations. Prizes were awarded Mrs. Herbert Rives and Mrs. Cecil Whitehurst. Girls in white patterns of china and crystal were presented Miss Bunting, while Mrs. Whitehurst and Mrs. Rives were also honored with crystal and stationery, respectively. Coca-colas were served during progressions and a dessert course with mints and nuts was served afterwards. On each plate was a sterling wedding band tied with white satin ribbon as a favor for hopees and guests. Twenty-six guests were entertained. Recreation News A new playground at corner of 84th and Charles streets will be opened at 10 a. m. Thursday, June 26. This property has been loaned to the Recreation Commission by Mr. J. H. Blount, Mr. M. K. Blount and Mr. P. L. Blount. The supervisor is Mrs. W. G. Smith, Jr., a student at Wake Forest, a major in physical education. The hours are as follows: Monday through Friday, 10 a. m. to 12 m., 3 p. m. to 6 p. m. and Saturday morning from 10 a. m. to 12 m. The attendance at the three playgrounds increased for the week of June 16th to 21st as follows: Cotanche 418, average 92. West Greenville 340, average 77. Third Street, 485, average 108. This included baseball teams. Watch the paper for an announcement about the fair to be held at Cotanche park in July. ### Kindergarten Has Wonderful Recital

By CHESTER WALSH

The appreciative audience of parents at Mrs. C. D. Smith's Kindergarten recital at Third Street School on June 19th witnessed a reproduction of a typical fairyland when the diminutive juvenile actors and actresses displayed unusual histrionic talent. Many in the audience recalled the saying, "Make me a child again, just for tonight, and were generous with their applause.

The stage was a fairyland. The program opened with the children in costume in the garden. Canelia Ann Hodges was the queen. Joan Eagles, Marietta Northrop, Dale Stroud and Jap Tripp were the children. They expressed a wish to mingle with the characters in the "Mother Goose" legends. A wish was gratified when the characters appeared.

Dale Stroud was Little Boy Blue. Goldie Starling was Goldie Locks. Catharine Moore was Bobby Shaftoe's Girl. Tommy Cannon was Humpty Dumpty. Jap Tripp and Ann Pollard were Jack and Jill, and Jap Tripp was Little Tommy Tucker. Marietta Northrop was Mary Had a Little Lamb. Joyce Lee Jackson was Lucy Locket. Joanne Eagles was Little Bo-Peep. Frances Moseley was Little Miss Muffet, and Dick Weeks was Jack Be Nimble.

### Seven Marriage Licenses Issued

During the past week only seven marriage licenses were issued by the office of the register of deeds. It is the lowest number of licenses issued during a week in the past month. Licenses were issued to the following people:

Clyde R. Tyndall and Luna Worthington of Ayden; Herschell Francis Smuggs of Winston-Salem and Christine Tyson Hellen of Greenville; Douglas M. Harris and Lilly Davenport, of Ayden; Henry A. Andrews and Kathleen Stokes of Greenville RFD 1.

Licenses issued to colored: William Hester and Adell Smith of New York City; William Baker and Carrie Thompson of Kingston; Jack Jones of Fountain and Daisy Johnson of Farmville.

It took some 50,000 Chinese laborers six months to replace 1,900 miles of the Canton-Hankow railroad damaged by war.

### Musical Evening For Rotarians

By WYATT BROWN

Hymn singing, playing and solos, together with comments was the unique program of sacred music presented to the Rotary Club last night with Rotarian June Rose leading. Mrs. P. A. Toll did the playing and accompanying of the group singing. Johnnie Overton led the group singing of hymns. Rose gave a running comment on each hymn sung or played on the piano and closed the program with a solo of the Lord's Prayer.

Guests of the club were Dr. E. R. Browning, J. B. Kittrell, Jr., Roy Martin, Jr., and Ben Irons Panama City. Visiting Rotarians were Ed Nash Warren and Jesse Moyer of the Farmville Club and Anson Sawyer of the Ayden Club.

President Judson Bourne, who presided, told of the club's reception of a letter of thanks from Camp Hauke for the cleanup job the Rotarians did at the Girl Scout camp recently. President Blount will close his term as president of the Rotary Club next Monday night and new officers will be installed.

## Strength FOR THE DAY

**FACING LIFE AS IT IS**  
There is a type of religion being offered people today which attempts to cover up the crises of life. Everything is rosy for the adherents of these religious views. Suggestions are offered whereby one may sidestep most of the hard blows of life, turn bombshells into bouquets, and above everything avert the eyes from anything unpleasant or tragic.

Christianity as encountered in the Bible is realistic in its approach to life and holds that life is a conflict, that there is much pain and tragedy in life, that some of it can be avoided but that much of it has to be endured. When the crises of life arise, it counsels men to face them. Everything that happens to us has a lesson for us if we will only learn it.

In his temptation in the wilderness, our Lord was urged by Satan to take the easy route to popular acclaim and acceptance. He was urged to cast himself down from the pinnacle of the temple. If he did so and was unhurt, men would marvel at the miracle and accept him. But his triumph would be spiritually barren. He chose instead the way of the cross which, because the universe is made as it is, always has been and always will be the only true way to spiritual victory.

The cross stands for a crisis which God faces, and which He bids us face. The road to real life is not the road of escape.

## WASHINGTON LETTER

By JANE EADS  
Washington—Discovery that the names of some 20,000 soldiers and sailors have not been included in the official list of those who served in the American Revolution has caused a stir in D.A.R. circles.

If the records are certified, officials of the Daughters of the American Revolution here say many thousands more women throughout the nation will be eligible to join the national society.

Mrs. Herbert E. McQuestion, state regent, discovered the names were omitted in volumes published by the Commonwealth of Massachusetts.

Chief source for service records of Massachusetts men who participated in the revolution, and whose descendants now are to be found in every state of the union, consists of 17 volumes published in 1896.

Work on the records was begun in September, 1891, by making a card index to all names found on the muster rolls, pay rolls and other documents in the office of the Secretary of the Commonwealth.

When announcement of the proposed publication of the records was made, towns, cities and individuals promptly turned over muster rolls, pay rolls and other papers in their possession pertaining to the Revolutionary War.

The records were published in 1896. However, Mrs. McQuestion points out that since that date, other rolls have been added to the collection on file. Approximately 30,000 service records have been indexed.

Recently a check of the individual records in these files was made against the records in the published volumes. Then it was found that about two-thirds, or 20,000 of the records in the added rolls, were not included in the "official" published records.

Action to remedy this situation is being "respectfully requested" of Governor Robert F. Bradford of Massachusetts, both branches of the Massachusetts legislature and the Secretary of the Commonwealth.

"Descendants of Massachusetts patriots, regardless of present place of residence," says the D.A.R., "can help to hasten publication of these records by communicating with the Massachusetts state departments and officials, expressing interest in their immediate publication."

Efforts to secure publication of the names in the official list proves successful, the D.A.R. feels a new and immense field for research will be opened to historians, genealogists and scholars.

## Duel In The Sun

## Spending . . .

(Continued from Page One)  
This is "a matter of grave concern to every American."

So in due course we shall hear the specialists' verdict on our economic status. And presumably our policy of foreign aid will be made to fit this verdict—a seven league stride in the right direction.

Still, with all that, there will remain a correlated question which a lot of folk are going to want answered. That is, just what are America's obligations, assuming that she is financially able to continue aid?

U.S. Assistant Secretary of State Willard Thorp recently stated that this country already had spent about \$9,000,000,000 in an effort to bring about European recovery and that about \$4,000,000,000 more had been made available. And Benjamin V. Cohen, State Department counselor, said that from \$15,000,000,000 to \$24,000,000,000 would be needed from America and other countries during the next three or four years to prevent starvation and "the danger of dictatorship."

"These days whenever several people are gathered together to discuss the state of the nation you generally will hear someone raise the query whether the United States is extending altruism to the point where the country is becoming 'Sania Claus' to the whole world. The questioner wants to know if this is necessary."

Well, that's an inquiry which cannot be answered without getting down to specifics: cases of altruism. However, broadly speaking we must recognize that while America's foreign aid is impelled by a desire to help others, it also is an investment in peace and security for the Western hemisphere.

We are expending, and must expect to continue to expend, large sums as insurance against another conflict, against the spread of totalitarian dictatorships and against a continuation of the foreign economic chaos which adversely affects the whole world. We can't just pitch our tent in a pleasant, secluded valley and live by ourselves.

We spent over three hundred billion dollars to wage war—but we suffered close to a million casualties among our fighting forces. What are a few billions—or many billions, for that matter—invested now in insurance, as compared with the frightful casualties which would be produced by an atomic war? You can't replace human lives with dollars, but you can safeguard with dollars.

## New Labor Law . . .

(Continued from Page One)  
But the new law has something else to say about union shops.

There can be no union shop at all unless a majority of all the workers in the shop—not just those present at voting time—vote for it.

Until now if a minority of the workers were present at voting time a majority of the minority could vote for a union shop and get it.

Suppose you go looking for work where there is a closed shop.

In a closed shop not only must all the workers there be union members but any new worker must be a union member before he's hired.

There are many closed shops now. And the new law permits closed shop contracts now in existence to continue until they expire.

The new law went into effect yesterday, June 23. Under that law employers can sign closed shop agreements with unions between June 23 and Aug. 22, or sixty days after the law went into effect.

But any contract signed between now and Aug. 22 can't continue longer than one year. Then, in that plant, as in all others, a closed shop is outlawed.

So, if you go looking now for a job in a place where there is a closed shop, you can't get a job right now unless you're a union member.

Suppose you're working in a plant where you are a union member and the boss deducts your union dues from your paycheck and turns them over to the union.

This arrangement—It's part of a contract between some bosses and some unions—is called the automatic checkoff of dues.

Until now the individual union member might not have liked that system, but he couldn't do anything about it if it was in the union contract.

It's different under the new law. Now the boss can't deduct your dues from your paycheck unless you tell him to in writing.

(Continued from Page One)  
built in this country during the war years when all shipping construction was for the United States Government.

"As soon as we obtain more information," Weichel said, "I will ask the committee to request maritime commission officials to explain how the Russians got these ships. At the time of our earlier inquiry into failure of Russia to return 95 lend lease vessels, we were given the impression that none of them were tankers."

## River Nears . . .

(Continued from Page Six)  
reach Norfolk tonight. Today it was flooding thousands of acres and tearing away railroad and highway lines near Ewing and Neligh. At Columbus, Neb., where a fourth of the city was under water, emergency centers were set up at the city hall and hospitals to handle hundreds of evacuees. The Loup River at Columbus was three miles wide.

## Damage Suit . . .

(Continued from Page One)  
Schools D. H. Conley said the matter came to the attention of the 21st County Board of Education in November, 1945, when Lewis submitted a letter to the board asking compensation.

In the letter Lewis stated he had voluntarily helped a classmate who was working with a rig saw and during the time he hit his left hand against the saw and the index and middle fingers were cut off. He stated he was not assigned to the work.

The County Board, Conley stated was advised by Attorney General Harry McMullan that neither the State, county nor its agents were liable in the matter, so the County Board of Education, without the authority to make a settlement, referred the matter to the State Board of Education.

## Tie-Up . . .

(Continued from Page One)  
asked at the outset of the strike that production workers pass peacefully through the picket lines but added:

"We now feel it necessary to ask all unions representing Ford Motor Co. employees to respect our picket lines and thereby assist us in drawing our strike to an early and successful conclusion."

## Push-Button . . .

(Continued from Page One)  
binet officer.

Rep. Wilson (R-Tex) remarked that at least one witness has said new weapons are making airplanes obsolete and that the air forces would retard research and development that might put them out of business.

"That just strikes me as funny," Bush replied, raising a cloud of smoke from a briar pipe.

"In your opinion, the large bomber is no more obsolete than the large battleship?" inquired Rep. Dorn (D-SC).

"Of course not," the scientist answered.

## Plant Seizure . . .

(Continued from Page One)  
duty may be enjoined for 60 days, during which a board of inquiry will investigate facts and the workers will be polled on acceptance of their employers' last offer for settlement.

Asserting this is not sufficient time to deal with a coal strike, Mr. Smith said:

"We ought to do something to give the president the additional power he might need to avoid a national disaster."

"He might need this power at a time when Congress is not in session," he added.

The percentage of American families which have five children has been approximately halved since 1920.

## Revived

Washington, June 24.—(AP)—Chairman Knutson (R-Minn) of the House ways and means committee today reintroduced the vetoed bill cutting income taxes \$4,000,000,000 annually. The new version makes the cut effective next January 1 instead of July 1, his year.

Knutson told reporters the action was taken "with the approval of" House speaker Martin (R-Mass) and Republican leader Halleck of Indiana.

However, he said the bill will not be taken up before Congress adjourns, "unless there is sufficient demand for it to put it over. This means a two-thirds majority in both houses."

## Power Cruiser Is Courtroom

Santa Ana, Calif., June 24.—(AP)—The dynamited power cruiser Mary E. became a courtroom today with Louise Overell and her young lover, George Gollum, ready to go aboard for an inspection with the jury that is trying them on charges of murdering her wealthy parents.

By stipulation of the lawyers, the college sweethearts were to be taken to the yacht in the Balboa boat ways after formally pleading innocent in court to the indictment accusing them of killing Mr. and Mrs. Walter E. Overell—Pasadena financiers.

## Chinese Blame Russians For Army's Setback

Nanking, June 24.—(AP)—China today renewed charges of direct Russian military aid to Chinese Communists as the June 30 deadline approached for the United States decision on a requested \$250,000,000 loan to China.

Gen. Chen Chung, army chief of staff who six months ago predicted he would defeat the Communists within three months, asserted the military situation in Manchuria was critical because the Communists were getting "substantial outside help."

He charged that at least 31 Russian advisers were with Chinese Reds attacking Szejingtai, important Manchurian rail center, and "it is now a universally acknowledged fact that Russian-trained Korean Communists are fighting on the side of the Communists in Manchuria."

## ALLIES TO DIVIDE

Tokyo, June 24.—(AP)—Representatives of four victorious allies on Saturday will begin dividing among themselves a portion of what's left of the once third-ranking Japanese navy.

The United States, Russia, Britain and China will draw for four lots of former Japanese combatant ships. Each nation will receive one lot comprising three destroyers and five destroyer escorts.

# SENATE GIVEN NOMINATIONS

## Committee Clears 131 Postmaster Nominees For Approval

Washington, June 24—(AP)—The Senate Civil Service Committee approved 131 postmaster nominations today and sent them to the Senate for confirmation.

More than 800 postmaster nominations have been held up in the committee, while Chairman Langer (R-ND) insisted that the Senate authorize an inquiry by the group to determine whether any political considerations were involved in the appointments.

A \$50,000 appropriation for the investigation was approved a few days ago.

Ten states are represented in the first nominations approved this year, including 43 for California and 26 for Illinois.

Senator Williams (R-De.), a member of the committee, said all the nominations reported were unopposed, adding:

"Those not approved were not necessarily rejected. These were just some of the nominations where no protests had been filed, and this was all we had time to consider today. More will be taken up next Tuesday."

Williams said an investigation will be made in cases which appear to warrant it.

**SUDDEN FLOOD**—A sudden heavy thunderstorm poured water into Bradford, Yorks, England, until the downtown streets looked like this.

### Will Hold Clinic Here On Friday

County Health Officer Dr. S. J. Phillips announced today the State Orthopaedic Clinic will be held in Greenville Friday, June 27.

The clinic takes all types of cripples, both white and colored, free of charge who are unable to afford private treatments. It is desired though not required, that patients be referred by a physician or the Welfare Officer, and that the patient bring such note to the clinic.

County Health Department offices are located at the corner of Third and Greene Streets, Greenville.

### Six Cases Tried In Police Court

Judge J. W. H. Roberts heard six cases in Police Court Monday. Drunk: Jim Freeman, \$20; James E. Burney, colored, \$15; Bruce Stocks, colored, \$15. Careless and reckless driving: Jasper R. Bowen, \$20. Assault with a deadly weapon: Clinton Hicks, colored, six months. Non-support: Henry W. Anderson, ordered to pay \$12.50 weekly for support of his child.

Siam has an area of 200,000 square miles, four times that of New York state.

### Grain Market

Chicago, June 24—(AP)—Corn sold at an all-time high on the board of trade today climbing to \$2.01 1/2 before profit cashing checked the advance. Opening strong the yellow cereal advanced sharply when commercial interests and shorts competed for the light offerings in the July delivery.

At the finish wheat was 1 1/2 to 2 1/2 lower than the previous close. July \$2.17-\$2.16 1/2. Corn was 1/4 higher to 1/2 lower, July \$1.98 1/2-3/4. Oats were unchanged to 1/4 lower, July 97-98.

### Hog Market

Raleigh, June 24—(AP)—(NCDA)—Hog market weaker with top of \$23 at Greenville, Smithfield and Richmond, Va., and \$23.25 at Fayetteville. Rocky Mount steady with \$23.50 top.

### Poultry and Eggs

Raleigh, June 24—(AP)—(NCDA)—A large rimmlau-inif hrdlu—R. C. C. egg market steady, fryers and broilers 32 to 33.

Washington—Egg market steady to firm, grade A large 55 to 58. Live poultry weaker, broilers and fryers 32 to 31.

### New York Cotton

New York, June 24—(AP)—Cotton futures opened 10 to 40 cents a bale higher.

Noon prices were 90 cents to \$1.40 a bale higher than the previous close. July 36.90, Oct. 32.06 and Dec. 31.13.

Futures closed 5 to 65 cents a bale higher than the previous close.

### Colored News

The funeral of Shade Gray will be held Sunday, June 29, at 2 o'clock at Cornerstone Baptist Church.

June 29, at 3 p. m. will be a date and time which the officers, members and friends of Saint Mary's Baptist Church will long remember.

On that date and time, the senior choir will celebrate homecoming day. Christmases, Easters and other holidays bring families and relatives home; so is it true in church life. This homecoming celebration will consist of music which will be designed to challenge the spiritual emotions of those who are present. We are inviting everyone who is not otherwise engaged to come and worship with us. The following senior choirs of various churches will render music for the occasion:

Olive Branch, Triumph, Bell Mount, Hayes Chapel of Factious, Saint John, Stokes, N. C., Gold Point, Conetoe, Wind's Chapel, Riddick's Chapel, A. M. E. Zion senior choir, Bethel, N. C., Saint Mary's Junior choir, Zion Chapel (Free Will Baptist) Ayden, N. C., Sycamore Chapel.

### N. Y. Stock Market

New York, June 24—(AP)—Stocks developed reactionary tendencies today as profit cashing was inspired by the idea that the senate's overriding of the vetoed labor bill had been pretty well discounted market-wise.

Transfers ran to around 1,200 shares.

"THINGS MEN WEAR"

GREENVILLE, NORTH CAROLINA

### Award Diplomas To Graduates Police School

By CHESTER WALSH  
 Tomorrow night at the City Hall at 7 o'clock diplomas will be awarded to five members of the Washington police department and 11 of the Greenville police force who graduated from the Police School of Traffic Enforcement held here recently. The graduates also will receive attendance certificates from the FBI and the N. C. Institute of Government. Police Chief James E. Tanner will preside.

Police Chief John R. Thomas of Rocky Mount, president of the N. C. Police Executives Association, will be the principal speaker. Mayor Jack Boyd of Greenville and Mayor L. S. Swindell of Washington will speak briefly. Rev. Richard E. Hardaway will say the invocation.

Instructors in the Police School of Traffic Enforcement here were: Attorney W. H. Speight, Police Court Judge J. W. H. Roberts, Solicitor Eli Bloom, Superior Court Judge John J. Burney of Wilmington, State Highway Patrol Captain Lester Jones, Chief James E. Tanner and FBI Agent John Green. Washington police graduates: Luther Ward, Logan W. Oden, Joseph R. Tripp, J. Fred Hill and Joseph Satterthwaite.

**FIGHTING FOR THE LEAD** — Entries in a race at Atlantic City track battle for the early lead. Kapok (No. 2) succeeded in taking it, but the eventual winner was Sparkette (No. 6) with Jockey Delucia up.

Greenville police graduates: Jasper L. Mills, Norman F. Little, Rodolph W. Corbett, R. T. Rogerson, Roscoe W. Dennis, Roy W. Harris, Thomas E. Gladson, Jesse Hill, John R. Mobley, Horace B. Drum and William E. Peterson. Similar police schools were held in other parts of the state.

### Terminal Leave Pay Neglected By Some Vets

The local Veterans Service Officer, Arthur B. Corey, gives the information that the Armed Forces Leave Act of 1946 gives the honorably discharged veterans of the armed forces of the United States the right to apply for terminal leave pay for unused enlisted service providing he applies before September 1, 1947, such time being the deadline for filing applications. 14,267,000 men and women veterans are eligible to apply, but to date approximately 5,000,000 of these veterans have not made application for their terminal leave pay and such application must be filed on or before September 1, 1947 or forfeit their right to terminal leave pay. Application blanks may be had at the local Veterans Administration office, the Veterans Service Office at 200 Blount Building or the United States Post Office.

There are still about 35 percent of the normal veterans who have failed to make application, 88 percent of guardians for incompetent veterans and 90 percent of the next of kin of deceased veterans who have failed to file application.

### NOTICE OF SUMMONS

**HOMES FOR AMERICANS**

Maximum housing in a minimum house is achieved in this plan by Elmer Gylleck, architect, 120 1-2 So. Grove Ave., Elgin, Ill. Colonial cottage in style, the house combines an attractive appearance with economy of simple rectangular form. It measures 28x30, providing 840 square feet, and contains 17,600 cubic feet with full basement. These figures can serve as a guide in local cost estimates, which the architect calculates may range from \$7,090 to \$8,000 without land. He calls attention to the large living room and says: "If the dining space is too small, just add a bay window to it." The exterior is white siding. Heat by forced warm air is among the principal specifications.

### New Bern Officials Observe Court Here

The New Bern Police Court, recently organized, which will begin functioning July 1, will be patterned to a great extent after the Greenville Police Court, it is understood.

The New Bern Board of Aldermen recently appointed Lawrence Stith of the Police Court here, and Henry A. Grady, Jr., solicitor. The new judge and solicitor have been here observing Judge J. W. H. Roberts and Solicitor Eli Bloom in action. They were considerably impressed by the smooth and efficient functioning of the court, they said.

Judge Stith is a law partner of Congressman Graham A. Barden of New Bern. Solicitor Grady is a son of retired Superior Court Judge Henry A. Grady of New Bern.

It is estimated that the United States depression in the '30s caused the postponement of about 800,000 marriages.

**ADMINISTRATOR'S NOTICE**  
 Having qualified as administrator of the estate of Herbert L. Mitchell, deceased, late of Pitt County, North Carolina, this is to notify all persons having claims against the estate of the deceased to exhibit same duly itemized and verified with the undersigned administrator at Greenville, N. C., within twelve months from the date hereof or this notice will be pleaded in bar of their recovery. All persons indebted to said estate will please make immediate payment to said administrator.

This the 21st day of May, 1947.  
 GUARANTY BANK AND TRUST COMPANY, Administrator of the estate of Herbert L. Mitchell.

### IF STOMACH BALKS DUE TO GAS AND BLOAT

Help Get Food Digested to Relieve Yourself of This Nervous Distress

Do you feel all puffed-up and miserable after every meal, taste sour, bitter food? If so, here is how you may get blessed relief in helping your stomach do the job—it should be doing—in the digestion of its food.

Everytime food enters the stomach a vital gastric juice must flow normally to break-up certain food particles; else the food may ferment. Sour food, acid indigestion and gas frequently cause a morbid, touchy, fretful, peevish, nervous condition, loss of appetite, underweight, restless sleep, weakness.

To get real relief you must increase the flow of this vital gastric juice. Medical authorities, in independent laboratory tests on human stomachs, have by positive proof shown that SSS Tonic is amazingly effective in increasing this flow when it is too little or scanty due to a non-organic stomach disturbance. This is due to the SSS Tonic formula which contains special and potent acting ingredients.

Also, SSS Tonic helps build-up non-organic, weak, watery blood in nutritional anemia—so with a good flow of this gastric digestive juice, plus rich red-blood you should get better sleep, better, feel better, work better, play better.

Avoid punishing yourself with over-doses of soda and other alkalis to counteract gas and bloating when what you so dearly need is SSS Tonic to help you digest food for body strength and repair. Don't wait! Join the host of happy people SSS Tonic has helped. Millions of bottles sold. Get a bottle of SSS Tonic from your drug store today. SSS Tonic helps build sturdy health.

# GREENIES GET 12-2 DEFEAT AGAINST TOBS

## Chitty, Alamo And Mauney Try To Stop Barrage Of Wilson Hits

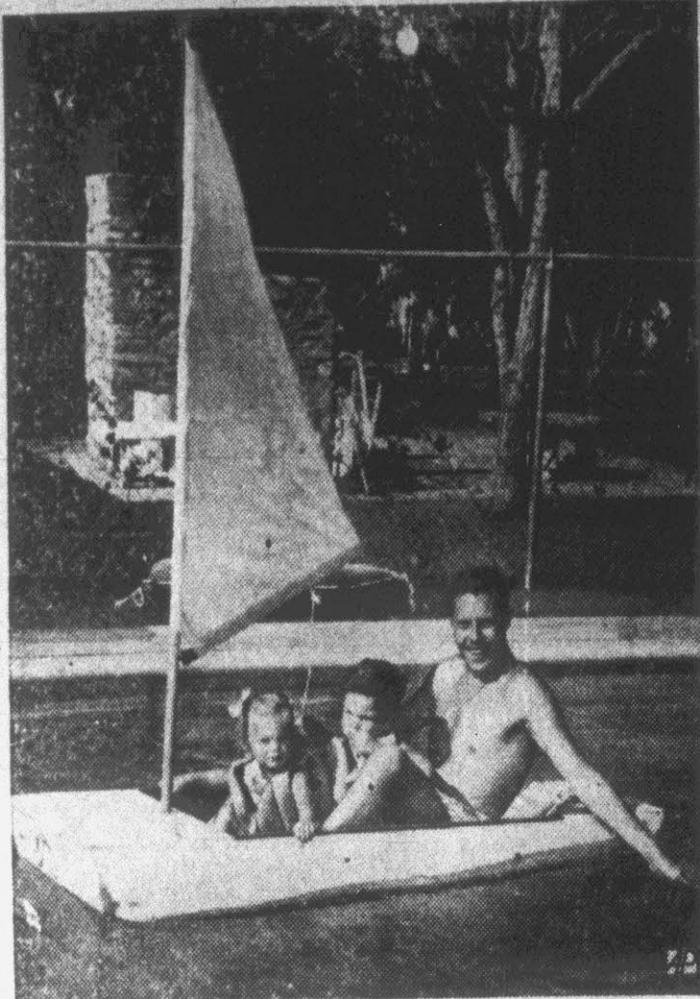

By BERT MOYE  
The Greenville Greenies lost their fifth straight game last night as the Wilson Tobs handed the hapless locals a 12-2 defeat over in Wilson.

Fern Bisette, pitching for the Tobs, completely handcuffed the Greenies so far as hits were concerned and held them to one hit which was Jack Bomar's clean single over in left field in the ninth frame, to rob him of a no-hitter. Wilson scored enough runs to win the game in the second frame when they put across six runs on two hits, three walks and two errors; added one more in the third stanza on a walk and a double; two more in the fourth on a walk, triple and a single; one in the eighth on two singles and an error; and ended their scoring in the eighth when they scored two runs on single, triple, walk and an error.

Greenville put across two runs in the ninth frame when Willie Mauney hit a ball against the right field fence (which was scored by the Wilson official scorer as an error), went to second on the hit, then Tommy Lee walked, Jack Bomar hit out to left field with W. Mauney scoring, and Lee took third when the leftfielder let the ball get away from him and scored on Ranweiler's infield out.

Jerry Chitty started on the mound for the Greenies and pitched one and one-third innings, walking four men, striking out two, allowed one hit and five of the Tobs runs. Joe Alamo relieved him in the second with one man away and pitched four and two-thirds innings, allowed eight hits, walked three, struck out one, allowed four runs. Willie Mauney came in from left field and pitched the remaining two innings, allowing three hits three runs and walked one man.

Score by innings:  
Greenville ..... 060 000 002—2  
Wilson ..... 061 200 12X—12

**SAILING IN POOL**—Singer Dick Haymes' three-year-old daughter, "Pigeon," doesn't seem quite sure about going sailing, even in daddy's pool at Encino, Calif. "Skipper," 5, already is a good swimmer.

### Pare Resigns

At an Executive Board meeting of directors of the Greenville Baseball Club held here this afternoon, Johnny Pare, manager of the Greenville club since the opening of the current season, tendered his resignation to the board to become effective immediately.

Pare said he was resigning for "the best interest of the club and the futile attempts to make replacements on the club for those who have been injured and have left the club."

The directors accepted the resignation and appointed Larry Baldwin, Greenville pitcher, as temporary manager of the club. He will assume his duties at tonight's game.

**RED HOT**—Ewell Blackwell, (above) Cincinnati hurler, joined baseball's no-hit stars with a 6-0 defeat of Boston.

### DIAMOND DUST

By BERT MOYE

Manager Johnny Pare shifted his lineup in last night's game with Wilson by playing Bobby Pare at short and Bill Bomar at third in an effort to fill the gap caused by the absence of Howard Jenkins, the Greenies' regular shortstop. Jenkins at the present time is suffering with a ruptured muscle in his leg and cannot possibly play. It was only through his respect for Manager Pare that he has appeared in the lineups in the past day or so. His leg is as black as the ace of spades and he is being attended by a local physician in an effort to halt the trouble.

Paul Simmons, Greenie catcher, who was hurt in the early part of the season, is seen each afternoon as the team takes its workout wearing a uniform and taking the daily workouts with the boys. He is expected to be in shape to play within a very short time. Just when is not known.

Hank Ranweiler's bride-to-be arrived in the city last night and needless to say it has made Hank a very happy man. The young lady is from Minneapolis and the couple plan to be married on Saturday morning.

### Boys League

The Giants from Third St. won over the Cardinals from W. Greenville Monday morning in a free scoring but close contested game by the score of 16 to 15. The Giants got away to an 8 to 3 lead in the first two innings but in the third the Cards went in the lead by checking in with nine runs. Wildness on the part of both pitchers was responsible for the large score.

Begie Whitehurst with a double and two singles, Charley Day with two singles and McLeod with a double were the hitting leaders for the losers. Virginius Haymes with three singles, and Wiley Gardner and Bobby Watson with two singles each featured for the Giants.

W. Greenville's hard-hitting but loose-fielding Senators lost to the Tigers yesterday, 11 to 8, after giving the Tigers a big lead in the middle innings of the game. The Tigers scored six times in the fourth and were never headed.

Billy Faulkner with a single and a homer, Earl Stocks with two singles, were the leaders for the Senators. Triples by Red Taylor and Claudius Henley and a double by Troy Wilson helped to keep the Senators in the game. Bobby Flye, Fred Joseph and Bobby Odum with two singles each were the leaders for the Tigers.

W. Greenville's Lions continued their winning way yesterday at Third St. by downing the Dodgers behind the three-hit pitching of their ace, Bobby Faulkner. The Lions are now leading the Junior League with five wins and only one loss.

Wingate with three singles and Byrum with two singles did the clotting for the Lions. Roebuck with a triple and single and Sideris

with a single were the only Dodgers to hit safely off Faulkner.

Games for Wednesday  
Giants vs Red Sox, Training School, 10 a.m.  
Tigers vs Greenies, Training School, 2 p.m.  
Dodgers vs Yanks, Training School, 3 p.m.

### Miners Walkout . . .

(Continued from Page One)  
in contract of the UMW and the at Friday midnight, just three days before the expiration of the inter-federal agreement.

One mine company spokesman said it was unlikely a new contract would be signed by July 8, the day the miners are scheduled to end their vacation, and that it was probable here would be some con- fusion in the coal fields then. He said he referred to the miners' long time slogan of "No contract, no work."
