Petrillo To Make 'Deal' On Schools

Czar Of Musicians Union Will Meet With Educators Over School Children's Musical Radio Broadcasts

Washington, July 8.—(AP)—James C. Petrillo agreed today to work out a deal with educators to permit school children to make musical broadcasts by radio.

Petrillo told Rep. Kearns (R-Pa.), chairman of a House labor subcommittee, that he would be glad to meet with school authorities "any time" to work out an arrangement. The subcommittee is investigating what Kearns called "abuses" by the American Federation of Musicians (AFM), of which Petrillo is president.

Petrillo contended that the 1946 Lea Act prohibits union interference with broadcasts by school children but he agreed the union and educators should reach a better solution.

"I'm willing to meet at any time, any place, to work out a deal that is fair both to the school children and to the professional musicians," Petrillo said.

He said however that he is opposed to permitting radio stations to commercialize school children's broadcasts. He insisted, too, that he will continue to fight anything tending to deprive professional union members of their bread and butter.

The subcommittee is considering possible new legislation to curb Petrillo's activities. Kearns, a music teacher himself and a member of the union, said he sympathized with some of the union's problems. "After all," Petrillo laughed, "if I weren't for the Chicago schools, I never would have been a musician myself."

WILL SOON DECIDE ON FCC CANDIDATE

Washington, July 8.—(AP)—Chairman Brewster (R-Me) said today a Senate commerce subcommittee probably will decide this week whether to recommend confirmation of Rep. Robert F. Jones (R-Ohio) as a member of the Federal Communications Commission.

Jones flatly denied last yesterday for the second time testimony to the subcommittee that he joined the Black Legion in 1938.

MINERAL WEALTH IN CAROLINAS STUDIED

Gaffney, S. C., July 8.—(AP)—A government survey of mineral resources in the 25-mile area between here and Kings Mountain, N. C., was underway today.

Geologists, headed by E. C. Van Horn of the Tennessee Valley Authority, have established headquarters here. He said the survey will continue until the middle of September. Iron, tin, monazite and gold have been found in the area in the past.

Wilmington Joins Parade Of 'We Saw A Saucer' Claimants

Wilmington, July 8.—(AP)—Five persons in or near Wilmington reported to the Wilmington News that they had witnessed flying saucers at the same time last Tuesday night at 9:30 o'clock. The discs were seen, they said, between Wilmington and Carolina Beach, 13 miles.

They are Mrs. C. J. Bantagman, Mrs. W. H. Pemberton, Mrs. Elmo Fountain, Rodney Breese and Elizabeth Beasley.

All said the object was traveling at a high rate of speed and was unusually bright with an orange tint.

America's "flying saucer" jag reeled on today. Stiff necks and goggle eyes were the order of the day. Sky watching was a new profession.

North Carolina joined the disc parade.

For the first time the discs were reported whirling through the atmosphere over Asheville in Western North Carolina and over Greensboro and Raleigh in the north central portion.

Tabulators quickly figured. Forty three states had joined the disc brigade since the objects first were reported June 25.

Explanations. Take your choice. They were radio controlled flying missiles sent aloft by U.S. military scientists. Or they were merely light reflected on wing tanks of jet-propelled planes. Or

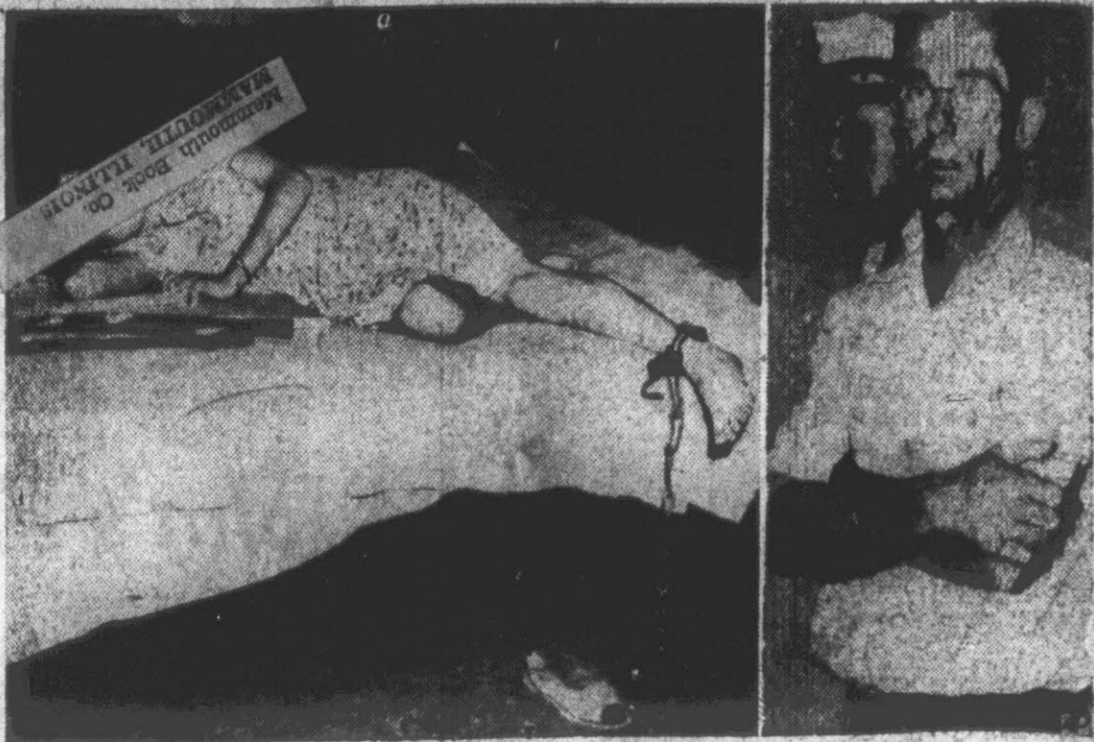

No one knew for sure. The World Inventors Congress posted \$1,000 for delivery of a flying disc to the exhibition which opens in Los Angeles on July 11.

Could they be spotted by radar? A spokesman for the Army Air Forces said in Washington that no attempt had been made to spot the spinning, whirling, stationary discs because there was not enough evidence to blanket the nation.

LI Col. Harry W. Schaefer of the Wisconsin Civil Air Patrol announced in Milwaukee his group planned a series of mass flights in hopes of learning something about the flying object.

Searching for an answer, Caspar W. Coombs, the patent commissioner, said he did not think any of his 3,000,000 patents on file in his office held the explanation to the saucers.

Girl Found Chained; Father Held

Police found Geraldine Massengill (left), chained to a bedpost at her home in Knoxville, Tenn., July 3 on her 16th birthday, and Police Chief Joe Kinsey said the girl tearfully told him her father did it to keep her at home. The girl's father (right) admitted the charges. Chief Kinsey said adding that he had arrested Massengill, 50-year-old part-time preacher and paper hanger, and his third wife. They were charged with felonious neglect and assault, and bond was set by Judge M. B. Webster at \$1,000 for each of them. (AP Photos.)

Some Nations In Red Orbit Will Attend Paris Session

Paris, July 8.—(AP)—Indications mounted today that some nations within the Soviet orbit would attend the Paris conference on the Marshall aid to Europe program, said a dispatch from Prague quoted Czechoslovakian sources as suggesting Russia herself might try to back into the talks.

A Sofia dispatch quoted an authoritative source as saying "probably Bulgaria will participate" in the conference, which opens in Paris Saturday.

Despite a Moscow radio report that Yugoslavia had rejected the British-French invitation to participate, observers in Belgrade said the Yugoslavs still had not replied, and probably would not do so before Thursday—the deadline for an answer.

Czechoslovakia formally announced her acceptance of the invitation today.

A dispatch from Prague quoted a source close to the government as speculating that the Soviet Union herself might send a representative to the conference.

In Rome, Communist leaders in statements over the weekend declared that Italian communism was not unalterably opposed to participation in the Marshall plan.

The Austrian cabinet also accepted the invitation today.

In London, British Foreign Secretary Ernest Bevin said the Mar-

Grange And AFL Study Price Cuts

Grange Suggests Labor And Industry Agree On Program Of Wages And Profits Ceiling For Lower Prices

Washington, July 8.—(AP)—The National Grange suggested today that labor and major industrial firms agree on a program of voluntary ceilings on wages and profits as a step toward lower prices.

The farm organization made this proposal as the American Federation of Labor declared that "the feast and famine policy of industry" has pushed prices and profits to the brink of an economic recession.

The Grange and the AFL laid down their views in separate statements prepared for the joint congressional committee on the economic report. This report is studying suggestions on how to prevent boom and bust swings of the nation's economy.

Albert S. Goss, master of the Grange, told the committee:

"If labor and industry in a number of America's largest industrial concerns would agree upon a program in which a ceiling would be placed on wages, and a ceiling on industrial profits, with all margins above such ceilings divided between labor, industrial ownership and the public in the form of lower prices—with a major part of the saving going toward reduction in price—inflationary spiral would soon be put in reverse."

Matthew Woll, an AFL vice president, expounded his organization's views. He said:

"The AFL is convinced that the least and famine policy of American industry which in general has allowed prices and profits to climb to such unprecedented heights that consumer buying power is dangerously lagging, will inevitably lead to economic recession unless corrective action is taken immediately."

Flying Disc?

Coast Guardsman Frank Ryman reported he photographed a mysterious "flying disc" similar to those reported seen by hundreds of persons in 28 states in the past few days. Ryman says he thinks the object is the white dot indicated by an arrow. This picture is enlarged about 20 times from its original size. (AP Wirephoto.)

Every flue-cured tobacco grower in Pitt County, whether landlord, tenant or share-cropper, was urged today by J. V. Taylor, chairman of the Pitt County Triple A committee, to vote in the tobacco referendum on Saturday, July 12.

The referendum authorized by the last session of the legislature in both North and South Carolina, provides for flue-cured growers to express themselves in regard to an assessment of 10 cents per acre to be used in protecting and developing the export market for tobacco. The money would be administered by a non-profit organization known as Tobacco Associates, Inc.

Taylor quoted from a statement by E. Y. Floyd, secretary of Tobacco Associates, to the effect that:

1. Only tobacco farmers who are engaged in the production of the 1947 crop of flue-cured tobacco will be eligible to vote.

2. Regardless of the number of farms he may have, no grower has more than one vote.

3. The polls will be open from 6:30 a. m. until 6:30 p. m., Saturday, July 12.

4. It will require at least a two-thirds favorable vote to put the program into effect. All eligible producers will cast their ballots in the community in which they live. The polling places will be the same as farmers had in the quota program unless the committee notifies otherwise.

Taylor said that for Pitt County the following polling places will be open:

Ayden (A&B) at Town Hall in Ayden; Beaver Dam at Mack Smith's Store; Belvoir at Dupree Bros. Store; Bethel at Town Hall; Bethel; Carolina at School Building; Stokes; Chocod (A) at Jack Edwards' Office; Simpson; Chocod (B) at Town Hall; Grimesland; Chocod (C) at Spencer's Store; Black Jack; Falkland at Dr. Morrill's Office; Farmville at Carl Tyson's Office; Greenville (A, B, C, D) at Court House; Greenville; Pactolus at School Building; Pactolus; Swift Creek (A) at Quinerly's Store; Quinerly; Swift Creek (B) at Hugh Stokes' Store; and Winterville (A&B) at Town Hall, Winterville.

CASHING OF LEAVE BONDS AWAITS TURN FOR SENATE VOTE

Wilmington, July 8.—(AP)—Reflecting a return to pre-war levels, receipts for North Carolina ports today showed a 20 per cent increase over those of the previous year.

E. C. Sneed, assistant collector of customs, said total state receipts for the year just ending were \$12,240,126.01.

House OK's Procedures On Tax Bill

Income Tax-Slashing Measure Clears First Hurdle; Knutson Calls For Speed; May Act Before Nightfall

Washington, July 8.—(AP)—The House passed today the Republican-backed bill to cut income taxes by \$4,000,000,000 annually for 49,000,000 taxpayers, beginning January 1.

The vote was 302 to 112, or more than the two-thirds majority needed to override a presidential veto.

Washington, July 8.—(AP)—The \$4,000,000,000 income tax-slashing bill cleared its first hurdle today as the House approved procedures barring amendment to the measure.

Rep. Sabath (D-Ill.) shouted "gag rule" as the House adopted by voting a stipulation that the bill must be voted on without changes.

Republicans backing the measure answered that this is the usual procedure for consideration of complicated tax bills.

Rules Committee Chairman Allen (R-Ill.) told the House it should act quickly. He pointed out that the Senate also must consider the legislation and unless there is prompt action it cannot reach President Truman's desk before the week ends.

"This is necessary to give the President 10 days to consider the bill before Congress adjourns," he said. "This will give Congress time to override another veto."

Speaker Martin (R-Mass.) told reporters the measure "will pass by an avalanche of votes" by more than a two-thirds majority necessary to override a possible veto before nightfall.

The bill would reduce taxes January 1 from 10.5 per cent to 30 per cent for 48,000,000 federal income taxpayers.

It is identical with the one Mr. Truman vetoed June 16, as "the wrong kind of tax reduction at the wrong time"—except that the tax reduction would be effective January 1, 1948, instead of July 1, 1947.

Some Democratic leaders have expressed belief the President also will veto the new tax bill, but there was no indication of his attitude at the White House.

FULL JAIL HOUSE
Winchester, Ill., July 8.—(AP)—Sheriff Randall Killebrew had to go hunting for a prisoner after the Standing Room Only sign was placed at the Scott County jail.

He succeeded in arranging for detention of one prisoner at a hotel with a deputy assigned to guard him.

Winchester, Ill., July 8.—(AP)—Three short-term prisoners escaped today from the Rockingham prison camp and another, also attempting an escape, was shot by a guard and removed to Central Prison Hospital at Raleigh.

Those who escaped were identified by the prison department here as: Say Simpson, 22, sentenced in Rockingham; Earl Elmo Coggins, 28, sentenced in Guilford; and George C. Bentley, also sentenced in Rockingham.

Robert Abbe, 22, sentenced in High Point, was shot.

2. Regardless of the number of farms he may have, no grower has more than one vote.

3. The polls will be open from 6:30 a. m. until 6:30 p. m., Saturday, July 12.

It has been holding hearings for weeks, listening to witnesses talk for and against the bill.

CLAIM VICTORY IN SENATE FOR MERGER OF ARMED SERVICES

Washington, July 8.—(AP)—Republican leaders today claimed certain Senate approval for the plan to unify the army, navy and air forces despite protests that it would create a vast new military empire.

Senator Gurney (R-S.D.), floor manager for the legislation, told a reporter:

"I'm certain we will pass it. Maybe on Wednesday but certainly by Thursday."

Senator Wherry (Neb.), the Republican whip, agreed but added "there may be amendments."

Circus Train Derailed; Elephants Are Assigned To Repairing Tracks

Hubbard, Nebr., July 8.—(AP)—Eight cars of Clyde Beatty's 15-car circus train were derailed in the early-morning darkness today, killing one circus worker and injuring at least six.

The accident occurred on the northeast outskirts of this village as the show was en route to an engagement at Norfolk, Neb.

Beatty himself was one of the first out of the wrecked train. He assigned several of the elephants to dragging away torn ties and rails and pulling in replacements.

His cargo, he said, includes the "largest mixed group of savage jungle-bred male and female tigers I have ever handled." But the animals, most of them in the fore part

of the train which stayed on the tracks, did not escape.

The animals took the accident calmly although some of the 40 lions and tigers roared a bit and the elephants trumpeted as they went about their strange task of dragging rails and ties. About 500 feet of the single-track rail line was torn up.

The eight cars derailed, in the middle of the train, were for the most part carrying baggage, props, the big top canvas, tent poles. Most of the estimated 350 people on the Beatty train were in the end cars which also stayed on the track.

William Antes, publicity director for the circus, estimated damage at "at least \$100,000." This includes the loss from cancelled shows.

NATION TODAY

Washington, July 8.—(AP)—Here is an ABC on the problem of displaced persons.

President Truman yesterday asked Congress for a special law to let some of Europe's displaced persons into this country.

This message was a nudge to Congress which has been talking about such a law but hasn't voted yet.

About 850,000 displaced persons are living in camps in Germany, Italy and Austria. They have something to eat and a place to stay and that's about all.

The camps are run by the American and British armies in their zones of occupation. About 550,000 are in American camps.

These people, uprooted by the war, were made homeless. For various reasons, such as fear, they do not want to return to their own countries.

Are they communists? Mr. Truman said no. He said they're opposed to communism and don't want to return to their homes in communist-controlled areas.

This country has a limit, by law, on the number of people who can

come here in any one year as immigrants. The limit is based on a quota system.

The total quota in any one year is about 154,000. But the number of immigrants coming here in any one year is below the quota total.

The quotas were set up in 1924. The greatest number came from Britain: 65,721 a year. But Britons are not displaced persons.

Mrs. James Van Taylor Jr.

Taylor-Bunting

At a candlelight ceremony Wednesday July 2 at eight o'clock in the evening in the Bethel Methodist Church, Miss Doris Hadley Bunting, daughter of Mr. and Mrs. Zeb Vance Bunting of Bethel became the bride of Mr. James Van Taylor, Jr., son of Mr. and Mrs. James Van Taylor, Sr., of Bethel. Rev. W. M. Howard, Jr., Methodist minister, officiated, using the double ring ceremony.

Mrs. H. V. Staton of Bethel, aunt of the bride, presented a program of nuptial music. Miss Mary Wells Bunting of Bethel, cousin of the bride, accompanied by the organist, sang "If God Left Only You" and "Because" during the ceremony, and as the benediction, "The Lord's Prayer."

The bride, given in marriage by her father, wore an original gown of ivory duchess satin, fashioned with fitted bodice, high neckline with imported chantilly lace yoke, edged with satin bertha, and a full skirt which extended to a long cathedral train. Her matching lace mitts, outlined with satin, ended in calla lily points over her hands. Her full length veil of imported bridal illusion was caught to a tiara of chantilly lace edged with satin. She carried a cascade bouquet of white orchids, bride's roses, centered with a white orchid, and showered with stephanotis.

The bride's attendants were her sisters, Mrs. A. J. Whitehurst of Bethel and Mrs. G. N. Noble of Trenton as matrons of honor. They wore gowns of Nile green marquisette, styled with drop shoulder neck lines, finished with a ruffle, fitted bodice, and full hooped skirts ending with a slight ruffle train. They carried colonial bouquets of yellow roses tied with matching satin streamers. Their head dresses were shirred Nile green net entwined with yellow rose buds. Their only ornaments were pearls, gifts of the bride.

The bridesmaids were Misses Sallie Joe Gorman of Bethel, Janie James of Bethel and Hartford, Connecticut, Dot Loving of Lillington and Atlanta, Ga., and Mrs. Emerson Smith of Farmville. They wore gowns identical to those of the honor attendants, and carried colonial bouquets of mixed summer flowers, tied with yellow/satin streamers. Their head dresses were shirred Nile green net entwined with mixed summer flowers. They also wore pearls, gifts of the bride.

Master Eugene Carson, Jr., nephew of the groom, was ring bearer. He was dressed in a miniature tulle dress suit, and carried the rings on a white satin pillow, decorated with a white lily. Little Miss Joe Ann Whitehurst, daughter of Mr. and Mrs. R. J. Whitehurst of Bethel, was flower girl. She wore a white marquisette dress, fashioned with ruffled skirt, a bandeau of white rose buds, and carried a miniature bouquet of white flowers showered with white rose buds.

The honorary bridesmaids were Misses Martha Anne Hoyle of Lincoln and Richmond, Jean Sanders of Kinston, Lena Grantham of Stantonsburg, Alice Ruth Bundy of Greenville, Mrs. Dewey Freeman of Elon College, Mrs. John Mason, Jr., of Norfolk, and Misses Frances Tucker Andrews, Frances Mae Rives, Gretchen Staton, Mrs. Don Carson, Jr., Mrs. Roscoe Everett, all of Bethel. They wore pastel evening gowns with yellow nosegays of carnations.

Mr. James Van Taylor, Sr., father of the groom, was best man, and ushers were Messrs. Eugene Carson, A. J. Whitehurst, Don Carson, Jr., Walter Jasper Taylor, Tom Andrews, Jr., all of Bethel, and G. N. Noble of Trenton.

The bride's mother wore a long black tulle dress and an orchid corsage. The bridegroom's mother wore an aqua dinner gown with a corsage of orchids.

Immediately after the ceremony, the parents of the bride entertained at their home at a reception honoring the bridal couple, members of the wedding party, friends, and out-of-town guests. The house was beautifully decorated throughout with white gladiolus, carnations, asters, snapdragons and pastel mixed summer flowers. The bride's table, covered with a linen cut work cloth, was centered with a lovely arrangement of white carnations, snapdragons, candytuft and southern smilax. The centerpiece was flanked by white tapers tied with tulle in silver holders. Ice cream, bridal cakes, nuts, mints and punch were served by the honorary bridesmaids.

Strength FOR THE DAY

CONTINUOUS PERFORMANCE

In a play written by Aristophanes
almost 2400 years ago, occurs one
of the most amazing discourses imagin-
able on communism. Here are some
of the statements.

"I tell you that we are all to share
alike and have everything in commo-
n, instead of one being rich and an-
other poor. I am going to introduce
communism and universal equality.
Everybody's money and land and
anything else he may possess will be
made common property. Then we
shall maintain you all out of the
common stock, with due regard to
economy and thrift. Money won't be
the least use to anyone, because
nobody will be poor. Everybody will
have everything he wants. All you
will have to do is to dress and go out
to dinner in the evening. There
won't be any lawsuits. There will be
no more thieves, for why should
anyone steal what is his own. And
even if a thief does try to strip a
man, he has only to go out and get
another coat, and a better one, from
the public stores. I tell you I am
going to turn the whole city into
one huge house, and break down all
the partitions so that everyone may
have free access to everyone else."

History is the same story told over
again with variations. First the
theme is sung in one key and in an-
other. The scenery is shifted, the
actors appear in different garb
but the play goes on about the same
in every generation.

WASHINGTON LETTER

Washington—When Mrs. Manuel
Quezon came here in 1942 with
her husband, the late president of
the Philippines, she organized the
first in this country of organizations
aiming war relief for families still on
the islands.

The organization worked with the
Red Cross, the USO and other ag-
encies and still carries on relief work
for veterans, war widows and or-
phans of the republic.

Mrs. Juan A. Barretto, wife of the
financial attaché of the Philippine
embassy here, is president of the
Washington group, which has grown to
more than 70 members. Mrs.
Narciso Ramos, wife of the embassy's
minister counselor, is an advisor.

Now the women are working side
by side with the General Federation
of Women's Clubs in a program to
strengthen and further relations be-
tween the American and Philippine
people.

Mrs. Quezon, whose husband died
here in 1944, has returned to Man-
ila, where she is now Chairman of
the Philippine Red Cross. Last year
the first congress of the new repub-
lic passed a law that the widow of
the president be allotted 1,000 pesos,
or \$500 a month for life. Mrs. Que-
zon ordered it to be turned over
regularly for the aid of war widows.

Meanwhile, beautiful Mrs. Man-
uel Roxas, has "loaned" her birthday
to be used each year as a day for
raising funds for the war stricken.

Though Mrs. Quezon and Mrs.
Roxas have these special projects
both are also working to rehabili-
tate the Philippine Federation of
Women's Clubs. In this they are re-
ceiving the help of the American
federation. They hope to rebuild
their club house in Manila soon.

The Nation . . .

(Continued From Page One)
the members of the sub-committee
think the idea is good, they'll tell
the full House so.
Then it's up to the full House to
vote. If the House votes for it,
then it is up to the Senate to vote.
All this will take time and there
isn't much time left. Congress de-
clares to cut for the year before the
end of this month.

Although Stratton suggested 400-
000 displaced persons be allowed in,
Mr. Truman didn't mention any
figure.

Mr. Truman has talked to Con-
gress about this before. So yester-
day's message was another nudg-
e. Stratton and Mr. Truman point
out that, if displaced persons were
allowed in, they'd have to meet the
tests now in effect under the quota
system.

Example: They can't be crimi-
nals, prostitutes, or badly diseased.

Some Nations . . .

(Continued From Page One)
shall proposal might yet make the
greatest contribution to interna-
tional amity. He indicated in an
address that the door still was open
to Russia to join in implementing
the program. Bevin said Marshall's
proposals were purely economic and
that prejudices, "either religious or
ideological" should be ruled out in
the discussions.

Earlier Moscow's press published
Tass dispatches from Paris and Bu-
charest saying that Romania, Yu-
goslavia and Poland probably would
not participate in the conference.
Albanian and Hungarian diplomatic
representatives in London expressed
the opinion that their nations, also,
might stay away.

Lewis . . .

(Continued From Page One)
"One thing about a Republican
Congress," Lewis said, "they stay
baught."

The agreement provided a flat
\$1.20 a day increase in earnings
but Lewis calculated—without ex-
plaining his figures—that it meant
\$3.54 extra a day for each miner.
Presumably he was counting the
miners' equity in increased welfare
fund assessments and other bene-
fits.

He told reporters he would be
chairman of this three-man board
of trustees, which will administer
the large welfare fund of the miners
under the new contract. The royalty
to finance the fund will go up from
five cents a ton on coal to 10 cents
a ton.

Greenies Routed 12-6 By Rocky Mount Leafs

By BERT MOYE

The Rocky Mount Leafs collected ten hits aided by eleven walks off Jerry Chitty and scored an even dozen runs to take a 12-6 victory over the Greenies in Rocky Mount last night. The game was played under the most adverse weather conditions and was delayed for a short period to enable the Rocky Mount club to get the diamond in shape following a heavy rain which visited that section prior to game time.

A double, single, four walks and an error gave the Leafs four runs in the initial frame and from then on the Leafs coasted to an easy win by scoring two in the third, one in the fifth, three in the sixth and one each in the seventh and eighth frames.

Greenie scored two runs in the first frame when Lee singled, Ja-

cobs reached first on May's error at third, with Lee and Jacobs advancing a base on Webb's error at short, and Jack Bomar singled to bring them home. One more run was tallied in the third frame when Howard Jenkins doubled after two men were out and Glenn Jarvis singled to bring him home. The final runs of the Greenies were made in the 7th frame. Willie Mauney led off with a double, advanced to third on a wild pitch and Bomar brought him home on a single and then brother Marvin Mauney parked one over the left field wall to bring home Bomar ahead of him.

Jerry Chitty pitched the first eight innings of the game, allowing eleven walks, 12 hits and striking out four men. The loss for Chitty was his fourth of the season and incidentally he has walked 22 men in the last two games he has pitched. Larry Baldwin went into the game and pitched the final frame striking out one man, walking one and allowing no hits.

Tommy Lee with two singles and a single in five trips to the plate, Jack Bomar with two singles in five trips to the plate and was drove in three of the Greenies' runs and Howard Jenkins with a double and a single in four trips to the plate led the 12-hit attack of the Greenies. The Leafs' 10 hits were pretty well scattered with 10 feet getting more than two hits.

Score by innings:
Greenie 201 000 009 0
Rocky Mount 402 013 111 2

DIAMOND DUST

By BERT MOYE

When the Leafs and the Greenies meet in a double-header at Guy Smith Stadium tonight, Garland Little is scheduled to pitch the opening game, which will be a seven-inning affair, and Larry Baldwin is scheduled to do the hurling in the nine-inning night-cap.

Johnny Pare, former manager of the Greenies, is playing with the Concord club of the North State Class D league as catcher.

A nice purse was donated by the fans to Hank Ranweiler and his bride at last Wednesday night's game here and Hank told your reporter that he wished his wife to thank each one of them individually. But since this is impossible, he asked the writer to state in this column that the bride presents by the fans were very much appreciated.

Paul Simmons, Greenie catcher, who has been on the suspended list for some time with a broken ankle received earlier in the season, has been released by his doctor and he is now working out daily with the Greenies. He is expected to be back in the lineup within the next few days, he said.

Mike Kardash, former skipper of the Tarboro Tars, who retired from the Lancaster Inter-State League club to devote all of his attention to business, has opened a new tavern known as "Mike Kardash's Cafe" in Baltimore, Md.

Reports are to the effect that the Tarboro Tars are trying to get Merle Blackwell from the Roanoke Rapids Jays. It is reported that the Tarboro club officials have offered the Jays two of their players and a cash bonus for the former Greenie infielder.

Bill Averette, who piloted the Kinston Eagles several years ago, has been named manager of the Dunn-Erwin Twins of the Class D Tobacco State League to replace Jack Bell, who was released. Incidentally, Bell was the second pilot to get the ax in the Tobacco State this year.

New Bern officials are very anxious to get Johnny Focil away from the Greenies and it is rumored that they offered the Greenie officials a large bonus together with one of their players for his contract.

W. Greenville's Cardinals won the first game of the second half by pinning a 16 to 6 defeat on the Giants yesterday morning at Third St. Park. The Cards ran up a big lead in the first inning and were never threatened.

Earl Stocks got two singles, a double and homerun to lead the hitting for the day for the winners. Godley with three singles and Faulkner, Whitehurst and Phillips with two singles each helped the Cards to the one sided victory. The Giants got only four hits.

In one of the best played and fastest games of the season, the Senators from W. Greenville won out in a close game with the Tigers of Third St. by the score of 5 to 4. Both teams got only five hits each but the Senators gave Faulkner better support than Jordan received from the Tigers. No player on either team got more than one hit. Claudius Henley starred afield for the winners.

The W. Greenville Lions beat the Dotters to make a clean sweep for the W. Greenville teams yesterday. The game was a free scoring affair with both teams scoring in every inning.

George Sideris, Joe E. Brown and Vernon got two hits each for the losers. Wingate got a single, double and homer to lead the winners. Faulkner, Howell and Phillips got two hits each for the Lions.
