LEGION RAPS U. N. INACTION; SUBMIT PLAN

Three New Charter Amendments Proposed For "Perpetually Hung Jury"

Washington, July 23—(AP)—Calling the Security Council a "perpetually hung jury," the American Legion today proposed an over-haul of the United Nations Charter to obtain the Big Five veto and set up a "tyranny-proof" world police force.

Climaxing a year of study the Legion's recommendations were forwarded in a letter to each member of Congress with this acknowledgment:

"It may not be possible or expedient to attempt to bring about changes now but we believe they suggest a goal which must be attained in order that the United Nations becomes fully effective."

The veterans organization contended that its recommendations would "lay a solid foundation for the elimination of the atomic threat." It said further they "are indispensable to bring about an adequate substitute for the grim rule of power politics."

Specifically, the Legion proposed three charter amendments designed to:

- 1. Give "more effective representation of the nations" on the Security Council and abolish the veto in cases of aggression "or preparation for aggression."
2. Give the Security Council "adequate powers" to prevent aggressive war by creating iron clad international controls over atomic weapons and all other means of mass destruction.
3. Create a "powerful yet tyranny proof" world police force.

These proposals followed closely an outcropping of congressional resolutions calling for a United Nations Charter revision conference. But while sponsors of these resolutions said they might lead to Russian withdrawal from the U. N., the Legion envisioned a world organization in which Russia, Britain and this country would wield more voting strength than at present.

The Legion suggested revamping the Security Council into a 10-member body—two each from the United States, Britain and Russia, one each from France and China and two selected by the remaining member-states.

Under the Legion plan, any one of the Big Five still would be able to block admission of new U. N. members or the creation of special investigating commissions, unless some question of aggression were involved.

High Meat Prices Said Due To Monopoly Control

Chicago, July 23—(AP)—The CIO United Packinghouse Workers Union, urging a government investigation in connection with the prices of meat, blames high meat prices on "monopoly control of meat exercised by the large packers."

In a statement, the Institute said, "In comparing markups, a fact casually ignored, is that last May the government was paying subsidies at the rate of \$750,000,000 yearly, which subsidies had to be paid for by consumers in the form of taxes. Moreover, the figures with apparent deliberateness, overlooked the fact that last May there was an extensive black market in beef and black market prices were in part reflected in the price actually paid for cattle."

The Institute also said there have been wage increases in the packing industry and costs of materials have advanced sharply.

Science Foundation Congress Votes To Spur Basic Research In Many Fields Through Scholarships, Loans And Grants To Colleges And Organizations; How It Would Work

By JAMES MARLOW

Washington, July 23—(AP)—Just before quitting for 1947, Congress has voted for a national science foundation.

The House and Senate voted for it late yesterday. Now it's up to the president to sign it into law or veto it.

This is the idea behind the foundation:

- 1. To start or help basic research in many fields, such as finding the cause and cure of cancer. (The foundation would not give treatments.) This would be done through government loans or grants to colleges or other organizations to start or carry on research work.
2. To build up the number of scientists, especially by helping educate young people with scientific minds. This would be done through scholarships for young men and women to continue their scientific training. They'd be chosen on ability. This is how the foundation would work:
1. The president would appoint, with the advice of scientists, a top

House Probers Told Officials In Winston-Salem Union "Red"

Washington, July 23—(AP)—Ann Matthews, a House un-American activities committee today that 30 officials of the CIO Tobacco and Agricultural Workers Local 22 at Winston-Salem, N. C. were members of the communist party prior to last January 1.

The committee turned its attention to alleged communist infiltration of the labor movement today. Charges that the Winston-Salem local was dominated by communists were made as it staged a strike at the R. J. Reynolds Tobacco Co. earlier this year.

The witness told the committee she was a member of the communist party for 10 years, resigning last year, and that she had served as secretary of the Winston-Salem local between June, 1945, and January, 1947.

She testified that four other union officers may have been communists and that to her knowledge 19 were not members.

She also told the committee that there is a communist group active at the University of North Carolina at Chapel Hill, headed by Junius Scales, a student. She said she had attended communist party meetings at which Scales was present.

Among union officials she testified were members of the communist party at the time of her employment, was Edwin McCrea, international representative of the Food, Tobacco and Agricultural Workers.

Before the hearing McCrea issued a statement asserting the committee is trying "to break the union."

He declared the House committee "is trying to do something the richest and most powerful member of the tobacco trust could not do."

McCrea said that "all company attempts failed to break the spirit" of the strikers who walked out of the R. J. Reynolds Tobacco Co. in Winston-Salem last May.

Deputy Lambasted In Strongest Personal Attack Ever Made In UN

Lake Success, July 23—(AP)—Soviet Deputy Foreign Minister Gromyko's top deputy in the United Nations was lambasted today in one of the strongest personal attacks ever made in the U. N.

After Alexei N. Krasnikov had delivered a 30-minute speech castigating the western powers for their opposition to the admission of Soviet-supported Albania to the U. N., Britain's Valentine G. Lawford said in measured words:

"It is deplorable that we should be subjected day after day, week after week, month after month to this junk about provocations, lies, noises and repetitions. We are presented to be intelligent officials and not a gathering of illiterates."

"We draw our conclusions from facts and not from slogans. I term the Soviet speech a regrettable offensive production."

Col. W. R. Hodgson of Australia took the floor immediately to declare:

"How glad I am that these meetings are now open to the press. Previously we have had to put up with calculated abuse and distortions of this particular representative of the Soviet Union for a long time."

The United States drafted two questions Monday for Albania that are to be acted upon by the committee. The U. S. asked whether Albania intended to comply with the April recommendation by the Security Council that Britain and

Kravchenko, a former official of the Russian government who soured on the Red regime, said that while he was with the Soviet purchasing commission here several years ago a man named Khimushkin obtained an "enormous" mass of confidential information on the American aviation program and sent it to Moscow.

Similar information was obtained on submarines, Kravchenko said. Later, behind locked doors, he told the committee who was responsible.

Kravchenko, who is seeking American citizenship, went before another House committee today to talk about that. A judiciary subcommittee is considering a bill that would waive some provisions of the naturalization laws so the Russian could become a citizen.

The former Soviet official told the Un-American Activities Committee that every responsible representative of the Russian government in the United States can be regarded as "economical or political spies."

The Soviet government, he said, is following a foreign policy that is sure to lead to a rupture with the United Nations and then to war.

Asserting that Stalin's death would not remove Russian differences with the Western Democracies, Kravchenko added that they would continue under a successor who probably would be Foreign Minister Molotov.

Washington, July 23—(AP)—The House Committee on Un-American Activities plans to hold over to the Army, Navy and FBI testimony that Soviet agents got secret wartime information on American planes and submarines.

Chairman J. Parnell Thomas (R-N.J.) told reporters of the intention today as the committee switched its general investigation of Communist activities from spying to union infiltration.

U. S. Cancels Relief Program For Poland

Washington, July 23—(AP)—A federal grand jury today indicted Harold Roland Christoffel, Milwaukee CIO leader, on charges that he committed perjury in telling a congressional committee that he was not a member of the Communist party.

Christoffel testified before the House Labor Committee last March 1. He was president of the United Workers Local No. 248 at a time when Allis-Chalmers plants in the Milwaukee area were shut down by a protracted strike.

The Labor Committee was investigating the causes of labor disputes, work stoppages and strikes with particular reference to any influence of subversive groups.

The indictment said that Christoffel, under oath, "categorically denied" any affiliation with Communists or the Communist party.

Nevertheless, the grand jury report said, he "was then a member of the Communist party and had been such member for several years thereto and had worked with the Communist party and with the Communist political association."

Washington, July 23—(AP)—The 82nd Airborne Division at Fort Bragg, N. C. will train 600 officers of the Organized Reserve Corps in two groups of 300 each between July 26 and August 29.

Gen. Jacob L. Devers, Commanding General of the Army Ground Forces, announced yesterday that the first group will be on active duty from July 26 to August 8 and the second from August 16 to 29, and will participate in all phases of airborne training except parachute jumps.

London, July 23—(AP)—The Moscow radio said tonight that Soviet Russia "cannot agree" to accept a United States invitation to join with 11 powers in discussing a Japanese peace treaty Aug. 19 in Washington.

The broadcast, heard here by the Soviet Monitor, said Russia delivered a note to Washington yesterday charging the United States had acted in a "unilateral manner" and declaring that preliminary work on drafting a Japanese treaty should be undertaken by the council of foreign ministers.

Had the plan been vetoed by the Senate well as the House, the various offices would have reverted then to 13 separate agencies in seven departments.

Senator Taft (Ohio), chairman of the Senate Republican policy committee, took the unaccustomed role of an administration supporter when the test came. He told his colleagues the threatened hedge-podge would be "the poorest sort of organization we could possibly have."

While the Senate was giving its assent, a House labor subcommittee announced plans for a cross-country inquiry into the "monopoly, racketeering and restrictive practices" in the building industry.

Why France Objects

American Plans To Raise Germany's Steel Production As Part Of Marshall Plan, Raises French Fears Of New War Potential; Monkey-Wrench From Britain

By DEWITT MACKENZIE

Without agreeing with the French opposition to the American-British project of increasing German steel production in the interest of general European economic recovery, it's easy to understand the reason for the objection.

France subscribes to the Marshall program for economic rehabilitation of Europe. When it comes to Germany, however, Paris is fearful of raising that country's industrial strength to a point where it might once more be a war potential. Distrust of the "Boche" is what motivates the French in this matter—fear that if the Germans are permitted to become strong they will again undertake aggression.

For nearly five years in the first World War the German military machine (largely a product of the Ruhr industries) tore into France until at the finish she, as victor, had suffered far more than Germany, the vanquished. Then came the second attempt of the Ruhr-equipped Boche to enslave her, with such disastrous results that France now is battling for her economic

life, and is fortunate still to be numbered among the Big Five powers.

The answer to the French objection is that the United States and Britain also have had a stomach full of Prussianism and have no thought of allowing Germany to become industrialized again to the point where she might wage war. To ensure this, there is the agreement to keep the country occupied by allied troops until all danger is past.

The hope is that the French government will in due course find itself able to trust the efficacy of this program, especially since it is clear that European rehabilitation is heavily dependent upon German recovery. Meanwhile, the Ruhr program is being held in abeyance by Washington and London, despite their anxiety to get ahead with the job.

Another monkey-wrench has been tossed into the rehabilitation machinery by Britain herself. The Socialist Government has been insisting

Scorched Earth Tactics By Indonesians Destroy Towns

Batavia, Java, July 23—(AP)—Four Java towns were in flames tonight as Indonesian troops retreating on two fronts threatening their capital, adopted scorched earth tactics before a determined Dutch army drive, an Indonesian communique announced.

Salatiga, important town south of Semarang and astride the highway to the Indonesian capital, Jogjakarta, was burning, the communique said. Armor supported Dutch infantry had seized Salatiga and driven beyond it on the route to Jogjakarta.

The Republicans also put the torch to Lawang, 12 miles north of Malang, objective of another drive in East Central Java.

In the west, Soemadang and Tjitelangka, both 20 miles east of Bandung, also were fired, the communique added. It said both towns were leveled.

Another Indonesian bulletin said a Dutch column of 50 armored vehicles, including tanks, was less than 20 miles from the important north coast port of Cheribon. This is the column which has speared more than 35 miles northeast from

Bandoeng since Monday.

In the Batavia area, the Indonesians said, a Dutch motorized column sliced southwest for 30 miles, capturing a number of places.

The Indonesians reported strafing attacks by Dutch planes in central and western Java.

At the same time official Dutch dispatches from Sumatra said irregular Indonesian soldiers of the pro-people's army on the big neighboring island of Sumatra also were applying the tactics. These dispatches said the irregulars burned more than 100 homes before evacuating the town of Arnhemia, a few miles south of Dutch-held Medan. Arnhemia now is in Dutch hands, the dispatches said.

Other Dutch units threatened the Republican capital of Jogjakarta with a two-pronged drive. One Dutch column driving south from Semarang on north central coast took Salatiga, key town on a highway winding 46 mountainous miles to Jogjakarta.

On Sumatra, the Dutch dispatches said, damage of at least \$200,000 was caused when Indonesians poured gasoline on Arnhemia's homes and fired them. The town's police instructor barricaded himself and his men in the police barracks and fought off the Indonesian irregulars who sought to burn the barracks building, the dispatches added.

Recreation News

Last week in spite of the showers the attendance was not depressed. The attendance at Third Street was 378, West Greenville 472, Fourteenth and Charles 196, Cotanche 871. Around 500 attended the fair on Wednesday afternoon. The total attendance on the playgrounds last week was 1917. The attendance at our new play area has increased since the new equipment was added. We now have four new swings, two seesaws, a small slide, a ping pong table, badminton, sand box and two horseshoe pits. Due to wet weather Mr. Mallison has not been able to level the baseball diamond. Due to delay in connecting the water pipe Mrs. Smith has been providing the water for the children.

Miss Tynhall Honored
Mrs. James Briley, Miss Dorothy Rawls and Miss Edith Nisbet entertained at a floating shower on last Friday evening at the home of Miss Rawls, honoring Miss Gladys Tynhall, bride-elect of August.

The home was decorated with colorful arrangements of summer flowers. Miss Tynhall was presented a corsage of white carnations and an honor gift of six lead tea glasses in her selected pattern of crystal.
Callers were invited to the dining room where ice cream with cake and nuts was served.

Lewis-Cherry
Miss Elsie Cherry daughter of Mr. and Mrs. George E. Cherry of Pactivolus, and Mr. Guilford Vance Lewis of Roanoke Rapids, son of the late Mr. and Mrs. Fitzhugh Lewis of Middlesex, were married on Saturday, July 5th, at 5 o'clock in the afternoon in the Baptist Church in Pactivolus. The Rev. Robert W. Bradshaw, pastor of the Jarvis Memorial Methodist Church in Greenville, officiated, using the double ring ceremony.

Wedding music was rendered prior to the ceremony by Miss Elizabeth Lane of Farmville, pianist. Just before the entrance of the bride party, Mrs. Aetha Miller of Roanoke Rapids, soloist, sang "Always" and "O Perfect Love." Traditional wedding marches were used and "Chaise de Lune" was softly played during the ceremony.

The church was most beautifully decorated with native pins, ivy and magnolia branches forming an effective background for the white candelabra and standards of white gladioli and baby's breath. Burning candles added radiance and beauty to the setting.

The bride, given in marriage by her father, wore a formal gown of all-over embroidered lace over satin. The bouffant skirt and train flowed from the bodice with tunic effect. The long sleeves were close-fitting and the neckline of bateau design. Her fingertip veil of illusion fell from a head band of lace, trimmed with seed pearls and orange blossoms. Her only ornament was a gold watch worn on a chain belonging to her paternal grandmother. She carried a white prayer book topped with bride's roses and showered with orange blossoms.

Mrs. George Cherry, mother of the bride, was matron of honor. She wore a floor-length gown of blue lace and marquisette with a shoulder corsage of yellow roses.

Bridesmaids were Mrs. Thomas Browning, sister of the bridegroom, and Mrs. Edward F. Switzer, sister of the bride. Mrs. Browning wore a floor-length gown of orchid marquisette with deep-ruffled full skirt. She carried an arm bouquet of yellow roses tied with yellow satin ribbon. Mrs. Switzer was gowned in a lovely shade of pastel green, fashioned along the same lines as that of Mrs. Browning, and carried an arm bouquet of red roses. Both wore matching flowers in their hair.

Mr. Max Lewis, of Roanoke Rapids, brother of the groom, was best man. Ushers were Thomas B. Browning, Roanoke Rapids, Edward F. Switzer, Pactivolus, Thad B. Weston, Henderson, and J. P. Cherry of Kinston.

The bride received her education at East Carolina Teachers College and has for the past few years been teaching in Roanoke Rapids. The groom, upon his discharge from the Navy, has made his home in Roanoke Rapids, where the couple will reside. He is connected with the Virginia-Carolina Power Co.

Following the reception held in the Pactivolus Club House the couple left for a wedding trip to western North Carolina. For travel the bride changed to a white tailored Palm Beach suit with black accessories. Her corsage was of roses from her prayer book.

Out-of-town guests attending the wedding included: Mrs. Lela Burke of La Grange, Misses Alice and Ann Burke of Washington, D.C., Mr. and Mrs. Millard Weston Henderson, Mr. and Mrs. R. M. Jackson, Raleigh, Mrs. Chas. Switzer and son, Fred Chicago, Miss Martha Rob Cherry, Hobgood, Miss Iris Davis, Stantonbury, Mrs. Cliff Howard La Grange, Miss Hazel Carver, Roxboro, Mr. and Mrs. Guy Cherry, Kinston, Mr. and Mrs. Joe Remke, Cincinnati, O., Mr. and Mrs. J. B. Gurley, Roanoke Rapids, Mr. and Mrs. G. W. Purnell, Henderson, Mrs. Bob Mitchell, Yanceyville, Mrs. Max Lewis, Mr. and Mrs. Sam Young of Roanoke Rapids, Mr. and Mrs. Brown, Middlesex, Mr. Billie Black and Mr. Francis Donelson of Washington.

Mrs. A. B. Reeves III of Rocky Point, N. C., who before her marriage on Sunday, June 22, in the Rocky Point Methodist Church was Miss Mary Ellen Moseley, daughter of Mr. Frank Moseley of Greenville and Mrs. A. E. Mathis of Wilmington. Mr. Reeves is the son of Mr. and Mrs. A. B. Reeves, Jr., of Burgaw.

D.C.
Immediately after the wedding, Mr. and Mrs. G. E. Cherry, parents of the bride, held a reception in the Pactivolus club building. The large recreation room was effectively decorated with pines, ivy, white candelabra and tall baskets of white gladioli.

Guests were welcomed at the door by Miss Iris Davis of Stantonbury, and Mrs. R. M. Jackson of Raleigh. Mrs. C. J. Satterthwaite introduced them to the receiving line, composed of members of the wedding party. Miss Martha Rob Cherry of Hobgood presided at the punch bowl, assisted by Mrs. Cliff Howard of La Grange and Miss Hazel Carver of Roxboro. The bride's table was centered with a three-tiered wedding cake, topped with a miniature bride and groom and was served by Mrs. E. R. Burke of La Grange. Lovely arrangements of candles and white gladioli were placed about the table. Assisting in serving ice cream, mints and salted nuts were Mrs. Guy Cherry, Kinston, Mrs. M. W. Weston, Henderson, Mrs. W. F. Little and Mrs. J. A. Chauncey, Pactivolus.

Misses Alice and Ann Burke of Washington, D. C., cousins of the bride, presided at the bride's book. In leaving, guests were bid goodbye by Mrs. J. B. Gurley, Roanoke Rapids, and Mrs. Paul Davenport, Jr., Pactivolus.

Misses Ellen Barnhill and Lillian Weatherington presided as hostesses in the gift room at the home of the bride. Following the Lewis-Cherry wedding rehearsal Friday evening, July 4th, Mr. and Mrs. E. F. Switzer and Mrs. Charles Switzer of Chicago honored the bride and groom at a cake-cutting. The affair took place in the Pactivolus club house. Gladioli in pastel shades were used in decoration against a background of pines.

In addition to the three-tiered wedding cake on the bride's table was a large reflector at either end on which was placed a unique arrangement of lighted white candles in attractive glass holders. At the opposite end of the large room a white damask cloth-covered table bore the initials "E" and "G" which were drawn out with personalized match boxes carrying the names George-Cherry-Lewis. These were given as favors to the guests. Following tradition the first slice of wedding cake was cut by the bride and groom together, after which guests were served by Mrs. E. R. Burke. Ice cream, mints and salted nuts were served by Mrs. Clifton Howard and Miss Ellen Barnhill.

Guests included members of the bridal party, friends and out-of-town guests of both families. Upon their return from their wedding trip, Mr. and Mrs. Guilford

V. Lewis were entertained at dinner Saturday evening, July 12th, by Mr. and Mrs. C. J. Satterthwaite at their home in Pactivolus. In addition to Mr. and Mrs. Lewis and the host and hostess, guests included Mr. and Mrs. George Cherry, Mr. and Mrs. E. F. Switzer and Mr. and Mrs. J. J. Satterthwaite and Mrs. E. R. Burke.

On Saturday morning, July 5th, prior to their marriage, Mr. and Mrs. Lewis were entertained at a wedding breakfast in the Magnolia Room of the Proctor Hotel, given by Mr. and Mrs. Guy T. Cherry, Mr. J. P. Cherry of Kinston, and Mr. and Mrs. R. M. Jackson of Raleigh. A three-course breakfast was served to about 45 guests. A toast was made to the bride, after which she was presented a hand-painted tray and a set of china service plates, gifts from the hosts and hostesses.

On Thursday afternoon, July 3rd, Mrs. Lewis was honored at a tea and shower given by Mrs. Edward Mooring of Jacksonville, at the home of her mother, Mrs. A. R. Barnhill.

Guests were greeted at the door by Mrs. Mooring and Mrs. Barnhill. Upon her arrival the honoree was presented a corsage of red carnations. After all guests had arrived, Mrs. Mooring invited them into the dining room where punch, party sandwiches, bride's cakes and nuts were attractively placed on a lace-covered table. Miss Ellen Barnhill served punch from a cut-glass bowl. Guests were then seated in the living room where the bride-elect was presented many beautiful and useful gifts, among which was a dinner knife in her chosen pattern given by the hostess.

Mixed summer flowers were attractively arranged throughout the home.

Invited guests included the honoree, Misses Sidney and Pattie Davenport, Florence Dudley, Ellen and Aldine Barnhill, Mesdames J. B. Barnhill, T. M. Grimes, L. P. Dudley, Winslow Webb, Rosecoe Barnhill, W. F. Little, J. P. Davenport, Jr., J. P. Davenport, Sr., Bob Mitchell, R. M. Jackson, John Overton, James Davenport, W. E. Tripp, Paul Edwards, E. F. Switzer, C. J. Satterthwaite, J. J. Satterthwaite, M. W. Weston, George Cherry, Cliff Howard, E. R. Burke and Mrs. Charles F. Switzer.

Honoring Miss Elsie Cherry, bride of July 5th, Mr. and Mrs. Paul Davenport, Jr. entertained at a buffet supper on Thursday evening, July 3rd. Their home was attractively decorated with several arrangements of gladioli.

The first course consisting of grapefruit sections with mint ice, was served in the living room, after which guests were invited into the dining room where the main course of seafood was served buffet-style.

Guests included Miss Cherry, Mr. and Mrs. George Cherry, Mr. and Mrs. E. F. Switzer, Mrs. Charles Switzer, Fred Switzer of East Chicago, Ind., Mr. and Mrs. R. M. Jackson of Raleigh, Mrs. M. W. Weston, Henderson, Mrs. E. R. Burke LaGrange, Mrs. Cliff Howard, LaGrange and Mr. James Davenport. Mr. and Mrs. Davenport remembered the honoree with a crystal sandwich platter.

Tucker-Boyce

Friday evening, July 11, at 8 o'clock Miss Myra Hollowell Boyce, daughter of Mr. and Mrs. James N. Boyce of Tyler, and William Wayne Tucker, son of Mr. and Mrs. J. Herman Tucker of Chocod, were married in a most impressive candle-light ceremony in the Center Hill Baptist Church. The Rev. W. C. Francis, pastor of the bride, officiated, using the double ring ceremony. Arrangements of palm and tall baskets of white gladioli and cathedral candles in arched candelabra formed a background for the ceremony.

Part of the ceremony Miss Rachel Lee, pianist of Newton Grove, rendered a program of nuptial music. Bill Harriet of Edenton sang "Because" and "Always." The traditional wedding marches were used. "To a Wild Rose" was played during the ceremony. "The Lord's Prayer" was sung as a benediction.

The bride entered the church with her father, by whom she was given in marriage. She wore a wedding gown of white bridal satin with scalloped lace buttons down the back with tiny buttons. The deep marquisette yoke was embroidered with a floral design of braid and sea pearls which extended over the shoulders into the long sleeves that ended in points over the hands. The full skirt, worn over a hoop, ended in a sweeping train. Her fingertip veil of illusion was arranged from a coronet of pearlized orange blossoms. She carried a prayer book covered with a white orchid, showered with stephanotis.

Mrs. Emmette E. Parker of Sunday, sister of the bride, was matron of honor and wore a gown of yellow marquisette over taffeta designed with fitted bodice, caped sleeves and full skirt with peplum. A nosegay of yellow roses and blue painted gaisies.

Miss Aloa Rowland, of Henderson, was maid of honor. She wore a gown of pink marquisette over taffeta, with fitted bodice and three-tiered skirt. She carried a silver brided ring arrangement with blue painted gladioli.

The bridesmaids were Miss Jean Tucker, sister of the groom, and Mrs. Amos Sexton of Greenville. They wore identical gowns of blue marquisette over taffeta with fitted bodice, caped sleeves and full skirt. They carried nosegays of yellow roses tied with cerise satin ribbon. All the attendants wore matching handbags with shoulder length veils.

Master Jackie Boyce, nephew of the bride, was ring bearer and carried the rings in the heart of a lily on a satin pillow.

Honorary bridesmaids were Misses Clara Bond and Marj Windburn Evans of Edenton, Mrs. Bruce Cozart, sister of the groom of Greenville, and Misses Irene, Viola and Janice Byrum.

The groom had as his best man his father, Lusher, who is Cameron Boyce, brother of the bride, Bruce Cozart, Mitchell White and Milton Cozart, all of Greenville.

Miss Boyce, mother of the bride, wore a gown of aqua crepe and a corsage of red roses.

Mrs. Tucker, mother of the groom, wore a gown of grey crepe and a corsage of red roses.

Immediately following the ceremony there was a reception at the home of the bride. After the reception, the couple left for a wedding trip to the western part of the state. For traveling the ladies wore a white sack-like suit with brown and white accessories and the orchid corsage as a prayer book.

Mrs. Tucker graduated from East Carolina Teachers College and for the past year taught math and science at the Bethel high school.

Mr. Tucker is studying pre-dental at East Carolina Teachers College.

Prior to the wedding the bride was entertained at a number of parties, a shower at the home of Mrs. W. O. Boyce, a tea given by Mrs. Mary Winborn Evans and a luncheon given by Mrs. Elliott Belch and Mrs. Medlin Belch.

After the rehearsal on Thursday night Mrs. Cameron Boyce entertained the bridal party and a few friends at a cake cutting.

Strength FOR THE DAY

HONEST ACCORDING TO LIGHTS

A politician was recently found guilty of a crime and sentenced to prison. As he stepped from freedom into servitude he made a statement bitterly denouncing those who criticize the big city bosses. These men, he said, are utterly misunderstood. They are fine citizens devoted to their country and to the welfare of their fellows.

Few people realized that they were probably reading the statement of a man who was quite sincere. The trouble was that he had false standards; of right and wrong. According to his lights and the lights of many of his cronies, he was doing a fine piece of work every day for his country by rulling his fellow citizens with a high hand and buying their basic liberties with a bribe of benevolence.

These city bosses appear to most of us to be a distinct menace to the life of our country. It is true that they often rid communities of certain vices, but allow other vices to come in which are as bad or worse than the evils expelled. They corrupt justice, institute and cultivate dishonesty in elections, and do everything to make moral standards low. They are certainly not helpful citizens according to the standards of most of us.

It is necessary when a man expresses a moral judgment to inquire concerning his standards. And let us always remember that behind all variations of moral standards is a true standard of right, sound in essence and universal in scope.

WASHINGTON LETTER

By JANE EADS

Washington — Republican and Democratic leaders report an increasing interest in politics among young people all over the nation.

The Young Republican National Federation, which is holding its national convention this June in Milwaukee, claims a membership of 750,000, with clubs in every state and territory.

The Young Democratic Clubs of America, claiming a membership of 300,000 has launched a drive to enroll 1,000,000 more.

Though 21 is the voting age in every state but Oregon, where those of 18 may go to the polls, 18-year-olds everywhere are joining up. They say they can do the leg work, help at the polls on election time, do the typing, filing and clipping in the offices, chaffing for their elders.

More than 50 percent of the young people of voting age stayed away from the polls in 1946, but leaders of both parties say a surprising interest in politics has been stirring within the youthful ranks since last February.

Veterans represent a large portion of the young politicians. They are interested mostly in housing, the economic situation and education.

Though many American Youth For Democracy groups are springing up on numerous college campuses, the youthful Democrats and Republicans believe they have the stronger forces.

John Becker, of Port Chester, N. Y., is president of the Young Republican National Federation. He was also one of the organizers and founders of the New York State Young Republican Clubs and president of this from 1940 to 1942, when he enlisted in the Army.

He got out of the Army in December 1945, a Captain wearing three battle stars, the bronze medal and the Belgian fourragere.

Joe Carr of Nashville, Tennessee's Secretary of State, is national president of the Young Democratic Clubs, but Bill Rhodes, of Urbana, O., executive director, is the man on the job in Washington.

Rhodes, now 34, has been active in politics since he was 21. He was sales director in 14 southeastern states for a large food importing concern until 1940 when he went into the Army. He served in North Africa, Sicily, Italy, Germany, Austria and France.

the way is lagging badly, whereas the United States has urged that this be deferred so that the German people themselves may have an opportunity to decide whether there shall be socialization.

This argument is spotlighted by a rather melodramatic turn. British Minister of Labor Isaacs announced yesterday that government compulsion would be applied in Britain, if necessary, to force the introduction of staggered working hours in industry in order to avert another fuel crisis next winter. He again appealed for the voluntary introduction of night work—an appeal thus far ignored by the great majority of industries and trade unions.

The British Press Association said fines up to \$2,000, or a year's imprisonment, or both, might be imposed for failure to adopt staggered hours under the compulsory system. In view of this development one wonders whether Britain may decide not to press for socialization in Germany, pending a more satisfactory adjustment of the socialist program at home.

Oddly enough last Saturday in Moscow Soviet Minister of Agriculture Benedi demanded that farmers stop taking two hours for lunch and work harder in getting in the grain crop. He criticized some collective farms where he said the farmers had been loafing.

So the socialist states do have their troubles after all. It's an astonishing world we live in these days—or isn't it?

Science . . .

(Continued From Page One) But Congress, although it's voted to create the foundation, hasn't voted money to start it working if the president signs it into law.

It isn't likely to do so this year. So what happens to the foundation if the president signs it into law and there's no money for it to go to work?

He can give it money, say a couple of hundred thousand dollars, out of a special fund. That would help it get up and running now and in 1948.

That would give the foundation time to work out a program and

decide exactly how much money to ask for when Congress returns in 1948.

But the 24-man board, appointed by the president, must be approved by the Senate. What happens when the Senate goes home this week? The president can appoint a temporary board to serve until 1948 when the Senate returns and can vote on the board members.

Last May the Senate voted for the foundation. Then the House voted. But there were differences between what the two houses wanted.

The Senate wanted the director appointed by the president. The House wanted him appointed by the 24-man board.

The Senate voted to let land grant colleges have 25 per cent of all the money the foundation had to spend in any year.

Land grant colleges are schools which the federal government helped set up by giving them land and, every year, government money.

The House didn't want the land grant colleges singled out for special treatment. (There are only 89 land grant colleges but more than 800 other schools of higher learning which could qualify for foundation help.)

The House and Senate set up a special committee to argue over the two points: The director and land grant colleges.

The Senate let the House have its way. The vote by both houses yesterday was the formal agreement on this.

So Congress decided to let the board appoint the director and to keep the land grant colleges from getting special treatment.

North Carolina's Crop Outlook Said Improved Following Recent Rainfall

Raleigh, N.C., July 23—(AP)—Improvement in North Carolina's tobacco crop during the last two weeks along with general crops was reported today by the federal-state crop reporting service in the State Department of Agriculture. All received considerable rainfall. The tobacco crop was described as fair to good, with early harvesting already started in the border and eastern belts. Some farmers

have primed their tobacco two and three times in those belts. Crop-weather correspondents described the corn crop as good to excellent, with unusually large growth. If present prospects continue throughout the season, all previous production records will be broken, the report said. Cotton was described as being fair to good in most sections, with mostly fair being reported in the southern Piedmont, which is the main cotton producing district. Heavy weevil infestation was reported from the coastal counties, while the Piedmont counties reported infestation as light, or usual. Cotton made good growth in recent weeks. Prospects indicate a good peanut crop, although much depends on the weather from now until the end of the season. Farm labor remains scarce and expensive, and there are some complaints of inefficiency among the labor that can be hired, the report said; adding that more farm labor is needed as tobacco burning gets into full swing.

Time to RE-POWER?

Suppose your Buick is crowding the big figures in high mileage. Suppose you don't want to wait for that new one. Here's a happy answer. If your Buick's any model year from 1937 through 1942, you can make it factory-fresh as far as power is concerned with the Buick Power Package. This is all the major assembly of a new Buick

Fireball engine. It puts good-as-new zip and performance into high-mileage cars. Changing over is handled in a single operation—takes less time and often costs less than a really thorough overhaul job. More satisfaction, too, because you'll have a new factory-built engine. Easy payments if you wish. Come in and talk it over.

Part Wool Plaid Pairs

... An Amazing Value!

4½ pounds of warm blanket—and 72" x 84" double-bed size! Yes, all of this for only 4.98! 95% soft, snug, wear-forever cotton, the rest warm pure wool! The chevron plaid design in rose, blue, green or cedar—is really one of the smartest designs we've seen! And every blanket is bound in lustrous rayon satin to match! They were made to Penney's own high standards—then quality tested in our laboratories—to be sure they're the finest values we know of at this price!

NOTICE — NOTICE

55 Hours, 55 minutes is the time it took for all the ice to melt around the blanket. Mr. J. E. Miller of Greenville won the Blanket with a guess of 55 hours, 55 minutes.

Grain Market

Chicago, July 23—(AP)—Renewal of government wheat buying, cool weather in the midwest and reports of poor oats yields combined to produce a strong grain market on the board of trade today. Feed grains showed wider gains than wheat.

Wheat closed 1 1/2% lower to 3/4% higher, the July contract showing the loss and ending at \$2.38 1/2-\$2.39 1/2.

Corn was 1/4% lower to 1% higher July \$2.18-\$2.19. The July oats contract closed on a weird split quotation of \$1.05 to 98 cents. Deferred oats were 1/2 to 1 1/2% higher.

N. Y. Stock Market

New York, July 23—(AP)—Selected industrials today led the stock market on one of its best and most active upswings of the past week although many leaders failed to achieve much progress. Transfers were in the vicinity of 1,100,000 shares.

Lions Club Told Advantages Of Marshall Plan

Dr. A. D. Frank, head of the history department of East Carolina Teachers College, told the Greenville Lions Club, in their regular meeting on Monday night that "many intangible values could come from the Marshall Plan in action, when European nations get together and share their common problems."

Dr. Frank pointed out that certain surplus goods and commodities had already appeared in some European nations, and that when a complete picture had been established for the whole of Europe, then much less aid from the United States would be necessary, when neighboring countries can help those with deficits.

At a recent meeting of the local Lions Club, the new officers for the year were installed, with George Wilkerson acting as master of ceremonies. Tyson Bilbro succeeded Vernon Rawles as president of the club. Other officers installed included:

Dormitory Offices Filled By Election

Dormitory officers left vacant at the end of the first summer session at East Carolina Teachers College were filled by an election held in the respective dormitories last week.

Frances Sutton of Kinston will serve as vice president of Cotten Hall replacing Evelyn Peele of Lewiston. Secretary Jean Boston of Wilmington replaces Georgia King Jenkins of Durham, also for Cotten Hall. Other officers for Cotten Hall are member-at-large Rachel Pleasant of Antlers, Margaret Carr of Wallace, and Jeannette Brumsey of Currituck, who will replace Alta Lawson of Orrum, Barbara Selby of Dudley, and Lynn Raper of Lucama. New officers for Fleming Hall are members-at-large Lucy Glenn Gill of Raleigh, Victoria Korngay of Warsaw, and Vera Hamilton of Sea Level, who will replace Geraldine B. Hagan of Bonlee, Venelope Gaither of Creswell, and Edna Matthews of Gatesville.

What To Do For That Sluggish, Down-and-Out Feeling

Remember the time when you could eat like a horse, bubbled-over with energy, felt happy as a lark? Was it not because you liked to eat—didn't know what digestion was, felt strong as an ox? As age advances the "old stomach and the ever-changing blood" need help. Now you may again release vibrant energy to every muscle fibre, cell. Every day—every hour—millions of tiny red-blood-cells must pour forth from the marrow of your bones to replace those that are worn-out. A low blood count may affect you in several ways: no appetite, underweight, no energy, a run-down condition, lack of resistance to infection and disease. To get real relief you must keep up your blood strength. Medical authorities, by analysis of the blood, have by positive proof shown that SSS Tonic is amazingly effective in building up low blood strength in non-organic nutritional anemia. This is due to the SSS Tonic formula which contains special and potent activating ingredients. Also, SSS Tonic helps you have by positive proof shown that SSS Tonic is amazingly effective in building up low blood strength in non-organic nutritional anemia. This is due to the SSS Tonic formula which contains special and potent activating ingredients. Don't wait! Energize your body with rich, red-blood. Start on SSS Tonic now. As vigorous blood surges throughout your whole body, greater freshness and strength should make you eat better, sleep better, feel better, work better, play better, have a healthy color glow in your skin—firm flesh fill out hollow places. National Guard Battery To Be Community Asset

By CHESTER WALSH
Battery C, 680th Field Artillery, North Carolina National Guard, stationed in Greenville, reports continued enlistments and invites young men of Pitt County to join. The rate of pay ranges from \$2.50 to \$5.50 for each drill, which will be held once a week. Members of the battery will receive regular army pay for summer encampments.

Capt. James B. Tyndall is the commanding officer. First Lieut. Clay Burnette is executive officer and Sherman Parks is first sergeant. They are World War II veterans.

These officers are at the Greenville armory each night from 7:30 to 10 o'clock and Saturday afternoons to give information and enlist members. The officers are hoping that the members of the newly-organized National Guard battery will be from all parts of the county.

Present plans provide for special recreation features. The American Legion and Veterans of Foreign Wars and other organizations have endorsed the battery. Business and professional men favor the organization and it is understood that leaders in Greenville, Farmville, Ayden and other towns in the county are going to lend their support to completing organization of the battery.

WOMEN who feel NERVOUS

Caused by functional "middle-age" changes. Do you suffer from nervousness, irritability, clammy feelings—due to the functional "middle-age" period peculiar to women (38-52 years)? Reconciliation Between Miller Couple Effected

Lumberton, N.C., July 22—(AP)—Mrs. Mary Ellen Miller, free on \$15,000 bond on a charge of hiring a Negro farmhand to kill her husband, was on a "second honeymoon" today, according to Sheriff W. C. Britt.

Britt said David Miller, 26, the husband, had travelled to a private hospital near Asheville, where his wife was recovering from a breakdown following the charge, effected a reconciliation, and left for an undisclosed resort "somewhere on the Atlantic Coast."

However, despite their making up, District Solicitor P. Ertel Carlyle said he plans to prosecute Mrs. Miller on a felonious assault charge. The trial is scheduled for the week of Aug. 11 in Robeson Superior Court. Mrs. Miller allegedly told Britt she had hired Fred Wiggins to kill her husband as he lay sleeping at their farm home. The Negro allegedly fired a pistol at Miller's head from close range, but the victim arose and chased the Negro, even though badly wounded.

Two Beers Ask Name Be Changed By Court

Denver, July 22—(AP)—Robert C. Beers and his wife Laure, saying they "strongly disapprove of the drinking of the alcoholic beverages," petitioned district court yesterday for permission to change their name to Bartell.

Their attorney's petition said the Beers "are from time-to-time engag-

ed in the public avocation of temperance and the abstinence from the drinking of alcoholic beverages, and their present names are a subject of ridicule and unpleasantness.

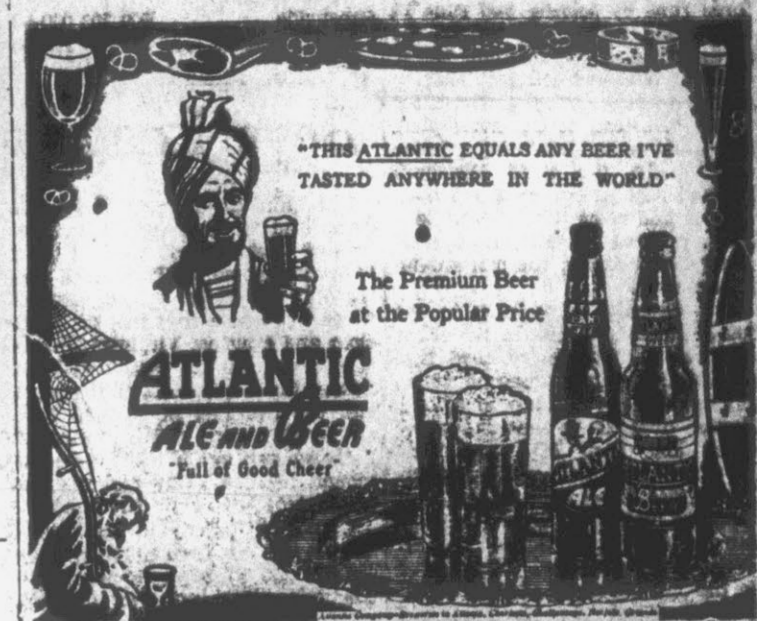

weather-plagued corn crop at 2-770,850,000 bushels on the basis of July 15 conditions.

This estimate compares with 2-612,000,000 bushels previously forecast on the basis of July 1 conditions, with last year's record of 3,287,927,000 and with a ten-year (1938-45) average of 2,639,102,000.

The prospective reduction from last year was said to reflect one of the most adverse planting seasons on record—a season of excessive rain and floods and cool weather.

Roanoke Rapids Downs Greenies By 8-3 Score

By BERT MOYE

The Roanoke Rapids Jays took their seventh win of the season over the Greenies last night in their own backyard with an 8-3 win behind the six-hit hurling of Glenn Titus as he registered his ninth win of the season.

The Jays went out in front by three runs by scoring two runs in the second frame and one in the third. In the second Meyer walked, Winstead singled, Skelton singled to bring home Meyer. Titus forced Winstead at the home plate and Rudden doubled to bring home Skelton. In the third Blackwell reached first on Posavec's bad throw to first and came home when Gonzalez doubled to left field with Ramweller bobbing the ball around for an error.

The Greenies came back in the fourth frame and knotted the count at three-all. Posavec reached first on Rudden's error at second which enabled him to advance to second. Bomar doubled to bring Posavec home and then Manager Timm hit over the left field wall--approximately 345 feet--to bring in Bomar ahead of him. This ended the scoring for the night.

The Jays scored their winning run in the fifth on three successive singles by Blackwell, Gonzalez and Meyer; then iced the game with three more runs in the sixth on three singles; and added another in the seventh on Meyer's double and Skelton's single.

Jerry Chitty started on the mound for the Greenies and was sent to the showers in the sixth frame with one man out after yielding 122 hits seven runs, one walk and striking out four. Billy Anderson, who went into the game at this point with two men on bases, allowed three and one run. The loss for Chitty was

his seventh of the season. Manager Timm led the six-hit attack of the Greenies with a single double and a homer for a perfect night at the bat. The fifteen hit, gathered by the Jays were equally divided among their players with every man on the club getting at one hit and included three doubles.

Boys League

The Third St. Giants added a full game lead to their top position by beating their closest rival 11 to 2 yesterday morning. This game was the only one of the season between these two teams that has not been close and exciting. Virginius Haymes, pitching for the Giants, had the Sox at his mercy most of the game and the five hits he allowed were all singles and widely scattered.

Doug Morgan was ineffective on the mound for the losers and was replaced by Robertson in the fourth.

Larry Flye, Bobby Lee and Haymes with two hits each were the leaders for the winners. No player on the losing team got over one hit.

The Greenies from the Training School ran roughshod over the Tigers from Training School yesterday 14 to 4. The Greenies had two big innings to sew up the game. John Farley, on the mound for the Greenies, allowed only four hits and struck out ten men. Leading hitters for the winners were Howard Proctor and Dickie Gray with three hits each. Eddie Tanner, Joe Allgood and Eddie Farley got two hits each. Bobby Odum was the only Tiger to hit safely twice.

The Yankees hit hard and often to trip the Dodgers 16 to 6 yesterday at Third St. Park. The Yanks scored in every inning to take the lead in the Junior League. Charley White with a single, double and triple and Redd, Hudson, Johnson and Folger with two hits each led the attack for the Yanks. Cox and Brown with two hits each led for the losers.

DIAMOND DUST

By BERT MOYE

Sidelights: Johnny Posavec who made his debut with the Greenies at shortstop last night showed real signs of being a hustler as he was always on the alert... Greenies had good chance to score in the sixth frame when with the base-loaded were unable to get a man across... two double plays were executed by the Greenies last night Larry Baldwin who has been holding down the second sack formerly played shortstop position before turning pitcher... attendance at last night's game as announced over the loudspeaker system was 1,914 paid admissions...

Danville, Virginia, of the Carolina League has purchased infielder Hal Grossman from Kinston... Bert Gotsman pitcher, formally with Burlington, has been released to Kinston Eagles. He joins Lefty Eoff another ex-Bee... Fem Bissette and Lefty Monk Webb have "jumped" the Wilson club, allegedly for higher salaries in the Albermarle semi-pro circuit... The Goldsboro Bugs have signed Jacob Allen Pearce ex-Wake Forest College pitcher. Pearce started the season with Raleigh in the Carolina League and then went to the New Bern Bears... Curt Salyer, Bug's second sacker, has been optioned to Warsaw of the Tobacco State League.

Southpaw Bill Kennedy suffered his first loss after a month of pitching duties with the Scranton Miners. The former Rocky Mount pitcher had won six games in a row since being traded to the Eastern League club. When Kennedy entered the Miner's lineup, the club was in deep fifth place and on the downgrade. Now it is in fourth place and not too far away from first to catch the league leaders.

All-Stars Lose 8-1 To Norfolk Visitors

Greenville's Legion All-Stars lost to the Norfolk Royals, 8-1, last night before an estimated 500 spectators at Guy Smith Stadium.

The contest was close during the first seven innings as the locals held the powerful visiting team to a 2-1 score. In the eighth frame, Norfolk broke the flood-gates and poured through six runs for the final tally of the night.

Muzzle-Loaders On Target Range

Waynesville, N. C., July 23—(AP)—There was shooting atop Pie-Top mountain in these parts today but it was all of a peaceful nature with Sheriff R. V. Welch looking on.

The occasion was the second annual shooting match at Cataloochee

Ranch and the firing was being done with are-old muzzle-loaders and muskets.

Scores of contestants were on hand early to practice drawing beads on targets in anticipation of the beef quarters which Tom Alexander, owner of the ranch, offered winners in the various divisions.

Joint Services Show Tolerance

Aurora, N. C., July 23—(AP)—Members of white and negro churches in this section of Eastern Carolina have held joint services and have assisted one another in church building programs in a practical demonstration of racial tolerance.

Mrs. M. A. Paul, Jr., director of children's work in Campbell's Creek Church near here, has reported.

The joint services should serve to counter "opinion that racial tension is common in this southern state," Mrs. Paul said.

Orthopedic Clinic To Be Held Friday

The State Orthopedic Clinic will be held Friday, July 25, from 12:30 to 4 p. m., in Greenville.

This clinic takes all types of cripples, both white and colored, free of charge who are unable to afford private treatment.

Dr. Hugh A. Thompson, Orthopedist, Raleigh conducts the clinic. Pitt County Health Dept. offices are located at the corner of 3rd and Greene Streets, Greenville.
