

ONE SHIPLOAD OF JEWS LAID TO GERMAN PORT

Disembarkation Started Peacefully But Resistance Brought Violence

Hamburg, Germany, Sept. 8.—(AP)—The British government landed today 1,206 of the Evrosus 1947 Jews, it barred from Palestine, but only after soldiers had clubbed or flailed scores who resisted a loud speaker invitation to step peacefully onto German soil.

Cries of "This is Hitlerism" came from the Jews as they boarded the trains which carried them to the Poppendorf detention camp for future disposition according to nationality.

The Jews disembarked today were from the transport Ocean Vigor, one of three ships on which Britain returned the refugees from Palestine after overtaking their un-certified immigration ship, the Exodus 1947. They have been at sea virtually since they left France for Palestine July 10. The two remaining transports are due to unload tomorrow and Wednesday.

The disembarking began at 6:20 a. m. For almost three hours there was no visible sign of violence as refugees moved down the gangplank. Bearded men, boys, women and slim young girls came ashore, some of them helped by bereted soldiers carrying luggage. The loud-speaker system played jazz. Saturday night is the loneliest night in the week, and other ones.

There was some trouble below the decks, however, and around 9 a. m. it became apparent to reporters held back at dockside vantage points. Recalcitrant men, women and children were dragged and also pushed down the gangplank by soldiers wielding clubs and rubber truncheons or "samckers."

In full view of the correspondents, troops beat the resisting Jews. Many refugees flailed their arms and shouted defiance as they were dumped on the dock, and removed to the Poppendorf train. There were cries against being forced to go to "this land, which is a bloody graveyard of millions of the Jews."

Blonde Had Last Word; One-Way Conversation

New York, Sept. 8.—(AP)—A slender, blue-eyed blonde upheld the honor of her sex today by getting in the last word with a male acquaintance—and it took four radio cars, a police emergency squad and a hook and ladder fire company to make her give up the one-way conversation.

Police said the young woman, who refused to give her name, clambered up a fire escape to talk through a window to a merchant seaman who lived on the upper floor of a five-story apartment building in the midtown area.

Neighbors, believing she intended to jump from the fire escape, called police and firemen. Detectives escorted the young woman to the street. The seaman, who said he did not want to talk to anyone, went back to sleep.

POKE TOO SOON

San Francisco, Sept. 8.—(AP)—These things never pay off.

Observed Police Sgt. Martin Overstreet, demonstrating a slot machine taken in a raid.

He put in a nickel, pulled the handle, hit the jackpot.

Moslem-Hindu Strife

Bloody Disorders Bring Possibility Of Large Scale Civil War That Would Make Chinese War Like Child's Play; Prime Ministers Set Example For Peace

By DEWITT MACKENZIE

The bloody Moslem-Hindu disorders which have been occurring in various parts of the Indian sub-continent, and especially the savage butchery in the great Punjab district of Pakistan, bring us face to face with the dreadful possibility of a large scale civil war among the 400,000,000 of the peninsula.

It should be emphasized that we are speaking of a "possibility." While further bloodshed and destruction must be expected, a general conflagration may well be averted. However, should it eventuate it would be the most terrible of all conflicts—religious and racial strife which knows no bounds. The neighboring Chinese political civil war would be milk and honey by comparison.

Unhappily the groundwork for grievous trouble was laid when the new dominions of Pakistan (Moslem) and India (Hindu) recently were formed as wholly separate states, instead of being united in a federal government. The Moslems, outnumbered three to one by the Hindus, refused to place their futures in the hands of this great and distrusted majority.

So two suspicious and in numerous respects hostile nations were carved out of the peninsula like a jig-saw puzzle. And when this had

Americans Freed From Yugoslav Zone

Two U. S. Army officers and an enlisted man, who were sent into the Yugoslav-occupied zone of Venezia-Giulia to negotiate the release of three other American soldiers, are talking to the prison warden at Gorizia upon their return with the released captives. Left to right: Maj. Tom S. Phair of Hollywood, Calif., the G-2 officer; Capt. Jacob D. Conrad of Lexington, Ky.; Capt. Clifford H. Shea of Randolph, Mass.; T-3 Mila Borish of Denver, Colo.; T-3 Stephen G. Novotny of Uniontown, Pa.; Pfc. Richard L. Donnell of Mattoon, Ill., and Hashino Keiji of Honolulu. The officers charged that they were "literally dragged" across the Morgan line and held for six days. (AP Wirephoto via radio from Rome).

Rougher Relations With Russia Seen

Diplomats Predict Whole Series Of Dramatic Developments In Prospect Before And After UN General Assembly Meeting Opens Next Week

Washington, Sept. 8.—(AP)—Diplomatic officials predicted today that American relations with Russia are likely to enter a new and rougher phase at the United Nations General Assembly session opening in New York next week.

A whole series of dramatic diplomatic developments heightening the Russo-American conflict and bearing vitally upon related problems of the European economic crisis are in prospect before and after Secretary of State Marshall leads the American delegation to the assembly meeting.

Foremost among these will be the Truman Administration's decision on whether to call a special session of Congress to consider a temporary aid fund for Europe. This would be an advance against the billions which the Administration hopes Congress will provide early next year for the long term Marshall recovery program.

State Department experts gave up their weekend holiday to work on the latest facts and figures American officials brought back from the main Paris economic conference seeking to translate the mutual-help idea into concrete terms.

While it has not been emphasized in recent State Department pronouncements on the subject, one of the main considerations in official thinking on the European situation is this: If the United States does not take some measures to help hard-pressed European countries exist until the Marshall Plan can become effective, Russia will take advantage of the resulting political and social upheavals to push communism aggressively in Western Europe.

Thus the intense rivalry between the two great powers is one of the chief elements figuring in the locked door conferences now under way. And it may become more starkly apparent in other events not directly related to the question of a (Continued on Page Six)

Picture Moscow "City Of Peace"

Moscow, Sept. 8.—(AP)—The Soviet Union's press and radio today emphasized Prime Minister Stalin's definition of Moscow as a city to which the world's peace loving peoples and nations might look with hope and inspiration.

Stalin gave such a designation to the Russian capital in a message to Moscow yesterday on the 800th anniversary of the city's founding.

In a front page editorial today Pravda declared that Moscow would grow and prosper to the "rejoicing of our friends abroad."

Beauty Contestant Won Quiz Program

New York, Sept. 8.—(AP)—Miss South Carolina didn't quite win the Miss America contest at Atlantic City, but she did all right.

The 19-year-old Miss Margaret Jean Griffin of (138 Forest St., Spartanburg)—was the grand prize winner in a Professor Quiz program on the ABC network. She won \$140 in cash and a set of automobile tires.

ROVING BANDS CONTINUE KILL

Riots In New Delhi Become Continuous; Dead Uncounted

New Delhi, Sept. 8.—(AP)—The rattle of police gunfire echoed through the streets of this riot-scarred capital today as the death toll among continuously clashing bands of Sikhs, Hindus and Moslems continued to mount far above yesterday's total of 21.

One police official said he had a report that the military killed more than 100 rioters in Old Delhi when—under government order to crush the riots—they opened fire with Tommy guns, automatic rifles and Sten guns.

A pall of smoke hung over sections of the new city where roving mobs had fired buildings, while in other areas the military had its hands full running down rioters and knife-wielding looters who continued to sack homes and shops.

Reporters touring the twin cities could find no central authority checking the death toll. One military officer explained "our job right now is to keep people alive, not worry about counting the dead."

Scattered firing has been going on incessantly since early morning and on several occasions the sound of grenades was identified.

Dutch Continue Meet Resistance

Batavia, Java, Sept. 8.—(AP)—The Netherlands Army today reported sharp and continuing Republican resistance to Dutch clearing sweeps in occupied areas of Java and Sumatra. The communiqué said the Dutch lost seven killed and 12 wounded yesterday.

Twenty clashes against Indonesian units ranging in size up to 200 men were reported in the communiqué, which said the sharpest fighting centered in the oil and coal-rich Palembang region of south Sumatra.

More Idled By Steel Shutdown

Pittsburgh, Pa., Sept. 8.—(AP)—Mounting unemployment threatened in allied industries today as basic steel operations of the Carnegie-Illinois Corporation remained suspended for the fourth consecutive day by a wildcat strike of 1,800 inter-plant railroad workers.

Nearly half of the 35,000 employees of the huge U. S. Steel Corp. subsidiary already are idled by the strike, called by the Pittsburgh locals of the Brotherhoods of Locomotive Engineers and the railroad trainmen.

Picture Moscow "City Of Peace"

Moscow, Sept. 8.—(AP)—The Soviet Union's press and radio today emphasized Prime Minister Stalin's definition of Moscow as a city to which the world's peace loving peoples and nations might look with hope and inspiration.

Beauty Contestant Won Quiz Program

Greenville Area Flood Waters Recede After Saturday's Rain

By CHESTER WALSH
Flood waters receded today from streets and highways in Eastern North Carolina after a cloudburst Saturday night in which a record-breaking fall of 9.47 inches was recorded here.

The torrents drove streams out of their banks and washed out portions of Highway 264 between here and Washington, and resulted in flooding of homes and businesses here and in Washington.

The heaviest fall of 9.64 inches was recorded at the Greenville airport, the Weather Bureau reported, while 8.24 inches fell in downtown Greenville to break a record of 5.81 inches set in 1917 for rainfall here in a 24-hour period.

At Washington, the rain measured 7.5 inches and was the heaviest there since Sept. 3, 1913. Heavy rains were reported by Wilson with 3.71 inches, Rocky Mount with 2.77 and Raleigh with 2.36. At the Raleigh-Durham airport, some 13 miles from Raleigh, only .59 of an inch fell.

The downpour here began at about 11 o'clock Saturday night and halted about 5 a. m. Sunday. The "flash flood" washed out sections of streets causing damage estimated at from \$30,000 to \$35,000, cut off electric power and telephone service in sections of the city, and damaged tobacco in warehouses.

Police Chief Jim Tanner said that police and firemen used a boat to remove a family of three from their home where 18 inches of water had covered the floors. Members of the family were Dewey Page, his invalid mother, Mrs. Alice Page, and her granddaughter.

The water flowed two feet deep in the Gold Leaf Warehouse, damaging some 100,000 pounds of tobacco that awaited today's auction.

FACTS NEEDED ABOUT WORLD

Trygve Lie Says Understanding Impossible Without Statistics

Washington, Sept. 8.—(AP)—Trygve Lie said today international understanding is impossible without a free exchange of facts.

The United Nations Secretary-General was the principal speaker at the opening of the World Statistical Congress, one of seven allied organizations meeting here in the first international statistical conference since 1938.

Fifty-five nations are represented, but Russia is not. Lie made no reference to the Soviet Union's failure to take part in the sessions but said in his prepared address "the task ahead will require the combined efforts of all countries and of all organizations."

"The free exchange of information on economic and social affairs among all the countries in the world is absolutely necessary to economic and social advancement," the U. N. official asserted. "We cannot cure our troubles unless we know in the first place what those troubles are."

"Likewise we cannot achieve international understanding, unless the peoples of the world are given the facts about each other."

New Miss America Has Own Plans For Future

Atlantic City, Sept. 8.—(AP)—A girl who knows what she wants, the new Miss America is building her plans around marriage to a medical student already being greeted as "lucky guy" by his classmates, and the usual stage and screen contracts are going begging.

Tall and brunette, Barbara Jo Walker, 21, of Memphis, Tenn., won the title "Miss America, 1947" Saturday night over 53 girls representing 39 states, 14 cities and Canada. A crowd of 18,468 jammed Convention Hall to see her receive the crown from Marilyn Buford of Los Angeles, Miss America of 1946.

"I do not care much for movies," Miss Walker said yesterday at her first news conference as reigning beauty. "Very few people are successful at it and I do not care to wait around Hollywood for years trying to be successful."

She will receive a \$5,000 scholarship she won. Miss Walker plans to complete her studies at Memphis State College, marry John "Lucky Guy" Hummel, 23-year-old medical student at the University of Tennessee College of Medicine, and then "I want to take my master's degree at a university close to John's hospital."

Then she may become a college instructor in French and English. Before returning to Memphis late this month, the new Miss America will spend 10 days beginning Sunday as a guest of the Mexican government during Mexico's Independence Day celebration in Mexico City.

The basement of the Dixie Warehouse also was flooded and some 50,000 pounds of tobacco temporarily stored there was damaged.

Chief Tanner quoted officials of the Gold Leaf Warehouse as saying that farmers would be paid for their damaged leaf at prices prevailing on today's market.

Highway 264 was covered with water at several points, near Little Creek two miles east of here where about 150 feet of highway was washed out, at Chiock Creek near Grimesland and at Contentnea Creek near Farmville.

W. Vance Baise, chief highway engineer, said at Raleigh that highway crews were working on the washout and expected to have 264

reopened by tonight. Meanwhile, traffic between Greenville and Washington is being routed by Highway 43 to Vanceboro and then over U. S. 17 into Washington.

Baise said that a number of county road bridges were washed out and that county roads in the Greenville-Washington area apparently suffered heavy damage.

A Negro truck driver and passenger narrowly escaped drowning at the washout on Highway 264. The truck crashed through a barricade into 10 feet of water. The passenger jumped clear before the plunge, and the driver escaped from the cab and was pulled from the water by on-lookers.

Kisses Reward "Miss Memphis"

Barbara Jo Walker (center), "Miss Memphis," won the title of "Miss America" at Atlantic City, N. J., and is congratulated with kisses by Georgia Cunningham (left), "Miss Tennessee," and her twin sister, Dorothy Cunningham (right), "Miss Chattanooga."

Watching are Pam Camp (rear left), "Miss Arkansas," and Kitty Bailev (rear right), "Miss Mississippi." (AP Wirephoto).

Gold Leaf Sales

The management of the Gold Leaf Warehouse announced today that tobacco sales scheduled at that warehouse for Wednesday and Friday of this week will be held at the New Carolina Warehouse. The sales will be held on regular schedule.

In the meantime, the results of yesterday's flooding of the Gold Leaf Warehouse floors are being cleared.

TRUMAN SAILS BACK TO DESK

President Homeward Bound; Will Skip Stops In Islands

Aboard USS Missouri, Sept. 8.—(AP)—President Truman is homeward bound aboard the "Missouri" today.

Heartened by the reception accorded him on his good will mission to Brazil and by the signing of the hemisphere defense treaty which he flew 5,200 miles to help dramatize, the chief executive is the picture of a man at peace with the world.

Allowing himself 13 days afloat, Mr. Truman plainly indicated that he considered no developments either at home or abroad urgent enough to require a speedier return to the White House.

This battleship's high speed radio telephone and teletype communications system keeps the president in contact with Washington.

Fleet Admiral William Leahy, the (Continued on Page Five)

ATOM REPORT IS APPROVED

But Poland And Russia Continue Vote In Opposition

Lake Success, Sept. 8.—(AP)—The main sections of the second report of the United Nations atomic energy commission were approved today by a majority of 10 countries in the commission's political committee.

Russia voted against all sections. The vote on five of the six main sections was 10 to 2, with Russia and Poland in the negative.

On the sixth principal part of the report Russia stood alone in opposition to the 10 countries and Poland abstained.

The political committee thus completed action on broad proposals for setting up and operating an international atomic control agency. The delegates have worked steadily at this task since early in 1946.

The composition of the Russian and Polish delegations was shown quickly. (Continued on Page Six)

Back-To-Work In Yorkshire Mines

Barnsley, England, Sept. 8.—(AP)—Mines from 18 strikebound Yorkshire coal pits joined a back-to-work movement today but at least 19 collieries remained closed and nine others were partly affected by Britain's worst labor dispute in three years.

Reporting these figures, the National coal board said there was no estimate of the total number of men still idle.

At Grimthorpe Colliery, origin of the strike, 2,500 miners began their fifth week of strike today. At the peak of the walkout last week a total of 60,000 men participated in the work stoppage.

Kuomintang May Undergo "Purge"

Nanking, Sept. 8.—(AP)—Generalissimo Chiang Kai-shek's political party, which rules China, already is studying formal complaints preparatory to a purge of disloyal or corrupt members, a high official said today. He predicted the purge would include some top-bracket party and government leaders.

The Kuomintang (Government Party) Central Executive Committee is arranging five plenary sessions to study charges from local party units against various individuals, this source explained.

Parents And Schools

Millions Of Children Are Going To School For First Time This Month, How They Make Out Depends On Their Family; Things A Parent Can Do In Preparation

By MAX HALL

Washington, Sept. 8.—(AP)—Millions of little people are going to school this month.

Does that mean the parents have no further responsibility? It does not. Let's see what the parents can do to help.

First, some figures: The U. S. Office of Education believes about 32,070,000 youngsters will attend schools and colleges—a new record. About 22,620,000 will be in elementary schools. About 2,450,000 of these are six-year-olds, entering the first grade.

W.M. GREEN TO URGE SIGNING OF AFFIDAVITS

Will Recommend All AFL Officers Sign NLRB's Non-Communist Affidavits

Chicago, Sept. 8.—(AP)—AFL President William Green said today he would recommend that all officers of the AFL sign non-Communist affidavits in order to use facilities of the National Labor Relations Board under the Taft-Hartley Act.

Green's statement to reporters, at the start of a crucial session of the AFL's powerful Executive Council, was the first official word on what the federation policy under new labor-management law would be.

The 74-year-old president of the AFL predicted that the council members unanimously would vote to go along "reluctantly" with his recommended policy.

On the 15-member Executive Council is John L. Lewis, head of the United Mine Workers and 13th vice president of the AFL, whose official publication, the United Mine Workers Journal, has attacked the required affidavits.

Nevertheless, Lewis was non-committal on his attitude as he entered the council meeting. He grinned when newsmen told him of Green's declaration.

The CIO has delayed until its Boston convention Oct. 13 any decision on whether to sign the affidavits.

Without these affidavits, from the top officers of the AFL and CIO, no member union or local will have any standing as a union before the NLRB under an interpretation of the Taft-Hartley Act by the board's general counsel, Robert N. Denham.

Should the AFL officers clear the way for all their member unions to use the board, therefore, they would have the CIO at a serious disadvantage in bargaining elections.

Social and Personal

Mrs. Isaac Jackson Edwards Jr.

40 Years Ago

THE DAILY REFLECTOR
September 8, 1907
J. Bert James, James Evans and Thurman Moore left Sunday for the University of Chapel Hill.
Mrs. G. B. King of Washington, D. C. is visiting relatives here.
J. P. Davenport returned Sunday evening from Baltimore where he has been purchasing fall stock.
Mrs. W. B. James returned Sunday evening from Baltimore.
The town was in darkness for about an hour early Saturday night, owing to a temporary break down at the electric light station.

Mrs. Key Brown, Miss Rosalie Taylor, Mrs. Connor Merritt, Mrs. Cary Warren, Mr. and Mrs. Grady Bell, Mr. and Mrs. William Bundy, Mr. and Mrs. Clayton Hilton, Miss Louise Dixon of Elm City, and Miss Margaret Fleming of Raleigh, presided at the register and Mr. and Mrs. Guy Evans said good-byes.

After the reception Mr. and Mrs. Edwards left on a wedding trip to New Orleans. For travelling the bride wore a suit of wedding wine with black accessories and an orchid lifted from her wedding bouquet.

The bridal couple will be at home in Chapel Hill after September fifteenth.

Following the wedding rehearsal on Thursday evening, Mr. and Mrs. Isaac Jackson Edwards, entertained at a cake-cutting in their home on Elm Street. Guests were greeted by Mr. and Mrs. Edwards and invited to the punch table where Miss Helen Edwards presided. The bridal table was covered with a Queen Anne's lace cloth and centered with a bowl of white asters and fever few. After the bride and bridegroom had cut the first slice from the three tiered wedding cake, Mrs. John G. Fleming, mother of the bride, served the cake and Mrs. Mabel Minges served bridal lees.

U. D. C. to Meet
The George B. Singletary chapter, United Daughters of the Confederacy will meet Thursday afternoon at 3:30 with Mrs. K. B. Pace.

7:00 p. m.—The Greenville Business and Professional Women's Club will meet at the Woman's Club.

7:30 p. m.—There will be a supper meeting for members of the VFW in hall above Carter's Printery. Members are urged to be present.

Miss Rachel Brooks left Friday to join the faculty of the Goldsboro school where she will teach foreign languages in the high school.

Johnnie Fasciano left Saturday for his home in New York to spend a week.

Friends of Julius Boyd Edwards will regret to learn that he is in Pitt General hospital suffering from a leg injury.

Mr. and Mrs. Ronald Slav of New York are visiting relatives here.

Mrs. Kemp Honored

Mrs. Alton Clapp entertained at a floating shower at her home on Friday evening honoring Mrs. Ronald Kemp, a recent bride.

The home was decorated with mixed garden flowers and refreshments were served from a table centered with a bouquet of white asters and fever few flanked by white tapers.

Mrs. Kemp was presented by the hostess a corsage of asters and a gift of china in her selected pattern.

Assisting Mrs. Clapp were Mrs. Edna Jenkins, Mrs. Delma Culbreth, Miss Ramona Gray and Mrs. Ed Tavares.

About thirty-five guests called during the evening.

Adams-Rogerson

Chapel Hill, Sept. 6.—In a formal service in the Chapel of the Cross Episcopal Church, Miss Kathryn Trechey Rogerson, daughter of Mr. and Mrs. Livingston Rogerson of Chapel Hill, became the bride of William Hinton Adams, son of Mrs. Katherine Hinton Adams of Greenville, N. C., at 8 p. m. tonight.

The Rev. David W. Yates, rector of the church, officiated.

White asters pompons and gladiolus were in the altar vases and seven-branch candelabra lit the sanctuary. Mrs. P. H. Epps played a group of organ selections prior to the ceremony as well as the traditional wedding marches.

The bride entered the church on the arm of her father, who gave her in marriage. Her gown of pale pinkish satin was fashioned with a bertha of chantilly lace edged and fagotted in the satin, making cap sleeves; and coming down in a point in front, the body of the dress being in princess-style with gathered fullness at either side. She wore long lace mitts banded at the top in the satin and on her head holding the full-length veil was a coronet of the lace and satin. Over the prayer book she carried a cluster of white phalaenopsis tied with white ribbons.

Miss Sawocky Phipps was maid-of-honor and her dress was gold faille made with butterfly sleeves, that neck, an amber jeweled belt and the skirt draped at the sides giving a bouffant effect. Miss Joyce Hinson, Miss Caroline House and Miss Elizabeth Scofield of Jacksonville, Fla. were the bridesmaids. Their dresses were identical to that of Miss Phipps and all four attendants carried tallman roses, swansons and wright fern tied with moss green satin ribbon.

Mr. Adams had as his best man

John Bryant Kittrell Jr. of Greenville, and the ushers were William Keenan Rand Jr., William Beason McCutcheon Jr., Samuel Royster Greene Jr., all of Durham, and Jack Tuney Hamilton of Smithfield.

Mrs. Rogerson chose an aqua crepe dinner dress for her daughter's wedding and wore a tri-colored tulle hat of aqua, pink and rose. Her long gloves matched her dress, and her corsage was of pink sweetheart roses.

The groom's mother wore a fuschia crepe dinner dress with matching hat and gloves and a white orchid corsage.

Following the service Mr. and Mrs. Rogerson entertained for the young couple with a reception at the Carolina Inn.

Receiving guests at the door were Mr. and Mrs. R. B. House Mrs. J. Merritt Lear introduced the guests to the receiving line composed of the mothers of the bride and groom and the wedding party. Mrs. William D. Carmichael Jr. presided at the bride's register, and Mr. and Mrs. L. J. Phipps directed guests to the punch tables. Mrs. Marvin Stacy and Miss Mable Mallett poured punch and assisted in serving were Mrs. Shipp C. Sanders, Miss Frances Kittrell, Miss Elizabeth Kittrell, Miss Margaret Carmichael, Miss Mary Sue Durham, Miss Betsey Ann Bowman and Miss Janis Smith.

Mrs. Adams changed to a grey wool suit and grey hat with alligator accessories for the wedding trip to unannounced points. She wore the corsage of phalaenopsis lifted from her bouquet.

Edwards-Fleming

In a candlelight ceremony, the wedding of Miss Rachel Dixon Fleming, daughter of Mr. and Mrs. John Giles Fleming of Greenville, to Isaac Jackson Edwards, Jr. son of Mr. and Mrs. Isaac Edwards of Greenville, was solemnized at five o'clock Friday afternoon, September fifth, in the Jarvis Memorial Methodist Church. The Rev. Robert W. Bradshaw, pastor of the bride and bridegroom, officiated using the double ring ceremony.

A program of musical music was rendered by Mrs. Elie B. Tolson, organist, and Mrs. Norman Wilkerson, soloist. The church was decorated with ferns and baskets of white gladiolus and flanked by burning tapers in seven-branched candelabra.

The bride, given in marriage by her father, wore a gown of white slipper satin fashioned with high neckline and a yoke of imported lace edged with a ruffle of satin. The fitted bodice ended in a point in front and was edged with a ruffle of satin. The full skirt, featuring wide insertions of lace matching that of the yoke, terminated in a circular train. Her veil of illusion fell from a tiara of seed pearls. The bride carried a colonial bouquet of white roses, showered with tuberoses and centered with a purple throated white orchid.

Mrs. Mabel Eugene Minges of Greenville, sister of the bridegroom, was matron of honor. She wore a gown of ice-green marquisette with fitted bodice fashioned with bustle and full skirt ending in a short train. She carried a colonial bouquet of Better Times roses. Mrs. Clyde Kimbell Brown of Great Lakes, Illinois, and Miss Jane Massey of Greenville were bridesmaids. They wore dresses identical to that of the matron of honor and matching ruffled headresses and carried colonial bouquets of pink asters.

Isaac Jackson Edwards, father of the bridegroom, was best man. John Dixon Fleming and Robert Henry Fleming, brothers of the bride, Sweeney Pickett Johnson, and Midshipman William Westfall Lee, Jr., U. S. N. of Greenville were ushers. Mrs. Mabel Eugene Minges, sister of the bride, wore a gown dress with a corsage of Better Times roses. Mrs. Edwards, mother of the bridegroom, wore a cocoa dress with a corsage of Tallman roses.

Mrs. Edwards was graduated from the Woman's College of the University of North Carolina with the degree of Bachelor of Science. Since graduation she has held a position with Dan River Mills, Danville, Virginia, as a textile designer.

The bridegroom is a member of the Junior class at the University of North Carolina and the Phi Gamma Delta social fraternity. He is studying Business Administration. He served thirty-nine months in the army and gained the rank of First Lieutenant in the Quartermaster Corps.

Immediately following the ceremony the bride's parents entertained at a reception at the Woman's Club. Guests were greeted by Mr. and Mrs. William Foster Young and invited by Mr. and Mrs. Roland Farley to the punch bowl, presided over by Mr. and Mrs. Charles Howard, Jr. Miss Josie Barnes White and Mr. Ed Rawl, Jr. Mrs. J. H. B. Moore introduced the guests to the receiving line composed of Mr. and Mrs. Fleming, Mr. and Mrs. Edwards, the bridal couple and Mr. and Mrs. William Matthews, the bride's maternal grandparents, of Elm City. Mrs. Andrew Moore di-

rected the guests to the bridal table covered with an Italian cut-work and lace cloth centered with an arrangement of white asters, tuberoses, and chrysanthemums, flanked by white tapers in silver candelabra entwined with southern smilax. Miss Helen Edwards, sister of the bridegroom, and Mrs. Campbell Lewis, aunt of the bride of Rutland, Vermont, served bridal lees and cakes, nuts and mints, assisted by Mrs. Milo Smith, Misses Margaret Johnston, Margaret Lee Duke, Evelyn Glenn, Joyce Corbett, Peggy Rose Smith, Alice Ruth Bundy, and Margaret McIver Cole of Raleigh. A second receiving line was composed of the bridal party. Others receiving were Mr. and Mrs. F. W. A. Mills, Mr. and Mrs. Nat Harrison, Dr. and Mrs. Moulton Massey, Mrs. Walter Taylor, Mr. and Mrs. John Carrington, Mrs. R. E. Corbett, Jr.

Sidelights On Saturday Night's Record Rainfall

By CHESTER WALSH

The Greenville area had nearly 10 inches of rain between midnight Saturday and dawn Sunday—9.74 inches, to be exact—and that's more than two months' supply during six hours.

The average rainfall last year was 49.77 inches. Mrs. C. E. Maiden, observer here for the U.S. Department of Commerce, reported. She said this rainfall was the heaviest since records have been kept here—1837.

Mrs. B. T. Clark, river observer here for the U.S. Engineers, said Tar River, which averages from three to four feet, had risen to the ten-foot, four-inch level since the rains early Sunday. The river is not expected to do much flooding, since most of the heavy rainfall was in this area and east of here, toward Washington and Vanceboro. Rain upstate was nominal.

The reporter covering the flood story in the Greenville area owes much to the fine cooperation given him by Chief Jim Tanner and the police department, and Cpl. John Laws and members of the State Highway Patrol.

Incidentally, a freakish feature of the early Sunday deluge was the peculiar, twisting wind which accompanied it. The rain came from every direction, a newspaperman who was in circulation during the blow observed. Businessmen and householders today praised the telephone company for speedy restoration of service.

Shortly after the torrential rain early Sunday, Manager W. W. Aycock, of the Carolina Telephone and Telegraph Company, had already assembled emergency crews for repairs on crippled telephone lines. The telephone crews were among the first to be out in the storm to restore communications. Unofficially, there were about 500 phones temporarily out of commission.

Pitt County Chapter of the American Red Cross, in cooperation with the Service League and other civil agencies, will aid in relief and rehabilitation of the Dewey Paze family, whose home on the outskirts of the city, was flooded and considerably damaged Sunday morning. It is the policy of the Red Cross not to declare an emergency unless as many as five families are involved in a disaster. Mrs. Walter L. Taylor, local secretary, said. But, the Red Cross always does its part—in one case or a thousand.

Incidentally, one outstanding act of heroism was observed on 10th Street and the bridge entering Rock Springs, in the eastern part of the city, Sunday morning, when Eugene Woodard, Jr., 1303 Chestnut Street, small boy on a bicycle, was washed overboard by the water tumbling over the highway at from five to seven miles an hour. His bicycle was washed into the woods. Harry Der-

Social and Personal

Christian Science Service

"Man" was the subject of the lesson-sermon in all Christian Science Churches and Societies on Sunday, September 7.

The Golden Text: Genesis 1:26. "God said, Let us make man in our image, after our likeness."

Among the citations comprising the lesson-sermon were the following from the Bible: "But now thus saith the Lord that created thee, O Jacob, and he that formed thee, O Israel, Fear not; for I have redeemed thee, I have called thee by thy name; thou art mine. This people have I formed for myself; they shall shew forth my praise" (Isaiah 43:1, 2). And from "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Immortal man was and is God's image or idea, even the infinite expression of infinite Mind, and immortal man is co-existent and co-eternal with that mind." (Page 336).

Notice V. F. W. Members

There will be a supper meeting held Thursday night, September 11, at 7:30 for members of the Charles Gray Morgan Post 7032 of V. F. W. You are urged to be present as business that affects the entire membership will be discussed. Walter E. Lewis, Commander.

FEATURE KIWANIS MEETING.

A special and entertaining feature of the Kiwanis Club's weekly supper meeting last Friday night when ECTC President John D. Messick was crowned "King for a Night," was the singing of several songs by Mrs. Robert D. Whichard, Jr. with Leon Fleming, Jr. as accompanist at the piano. Vice-President Nathan C. (Jefferson Standard) Brooks, said.

by Greensboro youth and a former camp lifeguard, left a stalled car, partly disrobed and rescued the youngster. Derby and Murray Cooke, son of Dr. Dennis H. Cooke, were weekend guests of Mr. and Mrs. J. Herbert Waldrop. Mr. and Mrs. June Rose took the lad to their home to dry his clothes and then took him home.

Many basements in the city were flooded by the torrential downpour Sunday morning. Many motors in basements were damaged and heating plants in numerous parts of the city were drowned out.

Paul Harper, Negro truck driver for D. C. Whitehurst of Greenville, was none the worse for the plunge through a 10-foot washout two miles east of here on the Grimesland highway Sunday morning. Harper was rescued. A passenger jumped before the vehicle became amphibian. The truck was to be salvaged later.

Dirt roads in the area were generally mired up, and here and there, from paved highways could be seen stalled cars, either trying to get in or out, marooned in the muddy water. An airplane passenger said creeks and drainage ditches were overflowing.

Contentment Creek was reported to have been flowing over the highway and traffic from Greenville there was being detoured on the Falkland highway to Bruce, thence by way of Highway 121 to Farmville.

A new Plymouth car owned by Paul Nethercutt, Greenville fireman, was badly wrecked when it plunged into a ditch near Ayden Sunday morning. The driver was not hurt.

The State Highway and Public Works Commission was doing yeoman service repairing washouts. Highway patrolmen, Greenville policemen and firemen also did 24-hour service at the weekend. Telephone emergency crews, Utilities Commission workers, and street department forces were doing good work.

Inventories of damage to roads, highways and streets were gradually coming in today, and in the final checked the damage will be extensive, it was unofficially stated here today.

DANCE TICKETS.

All persons who have unsold advance tickets for the Miss Shrine dance next Friday night are requested to turn them in at a special meeting at the Masonic Temple Thursday night at 8 o'clock. All tickets not sold are to be accounted for at that time.

CIVIL SUPERIOR COURT.

Judge W. C. Harris of Raleigh is presiding over a one-week civil term of Superior Court here. Numerous divorce actions are on the calendar for hearing.

While Singing

By CHESTER WALSH

Police arrested Johnnie Weldon, 49-year-old Negro janitor of Immanuel Baptist Church, Sunday afternoon and charged him with larceny of about \$25 or \$30 from choir members' pocketbooks while religious services were being conducted and the choir was singing.

Police said Weldon took different amounts from the pocketbooks. When taken in custody, the officers found two \$5 bills in the heel of a shoe and miscellaneous change in his pockets.

Chief Jim Tanner said Weldon had served four terms on the roads for larceny.

The alleged thief made his deductions while choir members were making their offerings.

BIG LOSS DUE RAIL WALKOUT

Wildcat Strike Blocks Production Of Needed Steel

Pittsburgh, Pa., Sept. 6—(AP)—New efforts were made today to settle a wildcat rail strike which Carnegie-Illinois Steel Corporation said is causing loss of enough steel to make 8,000 automobiles a day.

Settlement attempts were spearheaded by representatives of two railroad brotherhoods dispatched from Cleveland in an effort to get the 1,800 operating employees of the union railroad back on the job. The railroad transports materials to and from big Pittsburgh mills of the steel firm.

The railroaders, who struck yesterday, are members of the Brotherhood of Railroad Trainmen and Brotherhood of Locomotive Engineers. The strike was called unauthorized by both the National Mediation Board at Washington and A. F. Whitney of Cleveland, president of the BRT.

The workers were reported to be seeking a 50-cent an hour wage boost, four weeks vacations for 20-year men and other contract changes.

While railroad brotherhood representatives conferred with officials of the union railroad for six hours last night, Carnegie-Illinois quickly scaled its basic operations down to zero point. Mills employing 35,000 were affected.

C. R. Cox, president of the steel corporation, said in a statement the walkout is causing loss of about 16,000 tons of finished steel daily—equivalent to the amount of steel, he said, is needed for 800,000 automobiles.

Strength FOR THE DAY

COST OF CHARACTER
We talk a great deal about the
necessity for self-improvement, but
the last thing in the world we are
willing to do to bring this about is
to change ourselves. We will do
anything but that. We will adopt a
new philosophy, pay out plenty of
money for expert advice, and join
any movement for human better-
ment which does not require that
we change our accustomed way of
living, renounce our prejudices
give up our favorite aversions.

In India one sometimes sees holy
men subjecting themselves to start-
ling and annoying inconveniences
in order to bring about what they
regard as the perfection of their
lives. A man on a long pilgrimage
will stretch himself on the ground,
stand up, and again stretch him-
self on the ground and continue
this sometimes for hundreds of
miles. But the people who do this
are very often noted for their as-
perity, their hateful ways, their in-
trospection. They appear to be giv-
ing up much to gain an ideal, but
one thing they do not give up is
not change.

Ask anything of me in the pro-
cess of self-improvement is the
pleas most of us make, but do not
ask me to give up my mean spirit,
my evil temper, my envy toward
prosperity, and my keen appetite
for certain indulgences. To ask this
is to ask too much.

WASHINGTON LETTER

By JANE EADS
Washington—Guillermo Espinosa,
slight, sensitive conductor of the
National Symphonic Orchestra of
Bogota, Colombia, has come to town
with a comprehensive idea for pro-
moting the music of the Americas
on an international scale.

Espinosa is passionately hanker-
ing to organize periodic festivals
such as the famed Salzburg af-
fairs in Austria and the festivals at
Besenreuth.

None of the American republics,
he believes, is better able to do the
job of sponsoring an American festi-
val of great proportions than the
United States.

He suggests that Washington be
the festival city. He says that vari-
ous musical conventions already
have decided that the capital of
the United States should also be-
come the capital of music for this
part of the world.

His unique natural and architectu-
ral beauty, he feels, lend them-
selves especially as a setting for
American music. The festivals could
be held with great advantage along
about Cherry Blossom time. Another
advantage lies in the fact that all
the countries which would partici-
pate in the festivals have their dip-
lomatic representatives here.

Espinosa, himself a pianist of
note, has traveled for more than
12 years and appeared in all the
leading capitals of the world. He
was a conductor for six years in
Berlin. He has studied the festival
project from the smallest organiza-
tional detail.

He suggests the American organiza-
tion be in the nature of a non-pro-
fit society and that it be called
"Musical Festivals of the Americas."
It is his idea that a Pan American
prize be awarded at each festival
for artists of the Americas who have
most distinguished themselves in
the two years prior to the date of
the festival.

He proposes that there be one
prize each for composer, orchestra
conductor, educator, pianist, violi-
nist, wind instrumentalist, singer,
and composer of Pan American im-
portance. The prizes, he says, should
be in cash and be awarded following
the rules observed in the presenta-
tion of the Nobel prize. Only artists
born in the Americas, or those who
have been naturalized and have
lived at least 10 years in an Ameri-
can country, would be entitled to
the award.

Espinosa proposes that folklore
programs also be organized and
presented in connection with the
festivals. Among other activities of
the society would be the making of
musical recordings and films of each
festival program.

He suggests an honorary com-
mittee of presidents of each of the

my refrigerator and advised me to
have the voltage checked by a volt
meter. The voltage was measured
in March 1947. Our voltage was
increased considerably on Easter
Monday of this year. Since then,
as you know, there has been trou-
ble at the electric plant contin-
uously it seems.

I've talked with others who seem
to experience the same difficulties.

So, if by your editorials, you can
get anything accomplished, more
power to you.

Mrs. G. H. Roebuck

PUBLIC FORUM

Discussing Problems Of Interest
To This Community. In All Cases
Names Must Accompany Any
Communication.

To the Editor:

Your editorial in the Sept. 3rd
issue of your paper was most timely
and spoke for a number of us folks
in the rural areas who have been
most greatly inconvenienced by the
frequent periods when, without
warning of any kind, all electric
current is turned off.

We have no cafes, cafeterias, cor-
ner drug stores, nor even fancy gro-
cery stores at which we could quick-
ly, in these emergencies, pro-
duce ready prepared food for our
families. We can get bread and
other staple groceries.

Then, too, due to the low voltage
we are forced to operate on, I've
been unable to cook a biscuit this
summer, because when the oven of
the stove is on, between 11 and 12
o'clock during the day, the refrig-
erator motor will not run satisfac-
torily. Rather than cut off the re-
frigerator, I use rolls. The refrig-
erator motor (compressor) has been
weakened by low voltage over a
long period of time. It's almost
impossible to secure a new refrig-
erator. An electrician told me a
year ago that it was probably low
voltage causing the trouble with

Moslem-Hindu . . .

(Continued from Page One)
ing molded into a unified nation.
That thought is inspired by a hope-
ful and dramatic development.

As the storm of wrath swept the
Punjab, Pandit Jawaharal Nehru
and Liaquat Ali Khan, respectively
prime ministers of India and Paki-
stan, joined hands in an effort to
restore peace. They toured the Pun-
jab together and, with their min-
isters and provincial governors, held
a joint meeting in Lahore—a pivotal
point in the turmoil. This once
proud capital of the Punjab, with
its population of half a million, was
partly in ruins and murder and
looting was proceeding in the
streets.

In that setting the two prime
ministers and their associates pledg-
ed themselves to strive for peace.
In that pledge lies hope.

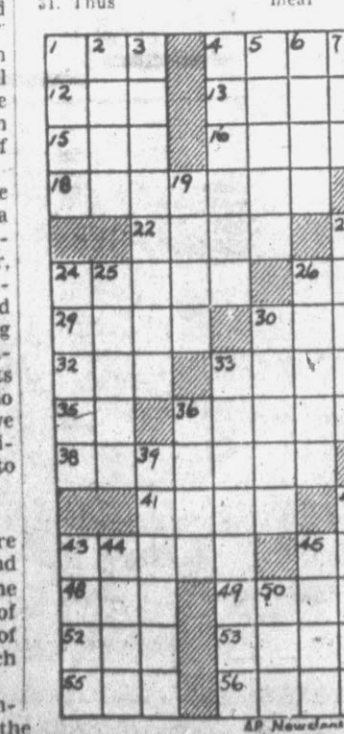

There is no magic aim for the
Indian hills. Many close observers
believe that the greatest move to-
wards unity would be for the two
dominions to join in a federal gov-
ernment which could speak for all
sections of the population, and
which would have common machinery
with which to handle emergencies.
Short of this it would seem that it
may be necessary to uproot the vast
minorities from their present homes
and reestablish them among their
own kind—a herculean task and one
which wouldn't bring complete
peace at the best. Only a united
government can succeed.

More than 2,000,000 persons live
in Mexico City, the capital of Mex-
ico.

Agriculturists To Map Corn Yield In State

By S. C. WINCHESTER
Pitt County Agriculture Extension
Agents have an attractive certifi-
cate for you if your corn yield is
good enough.

An attractive certificate printed
in yellow and black and signed by
Dr. L. D. Baver, director of North
Carolina Experiment Station, Dr.
I. O. Schaub, director of North Car-
olina Extension Service, and your
County Agent is available to all
farmers producing one hundred
(100) bushels or more corn per
acre in 1947. You automatically be-
come a member of the one hundred
bushel club. Associate members, or
those producing seventy-five to one
hundred (75-100) bushels per acre
will be presented with an Associate
Certificate, also signed by Dr. Baver
and Dr. Schaub.

Producers who have high-yield-
ing corn should secure from the
County Agent's office a special form
for estimating corn yields. Every-
one who thinks his corn yield will
be as much as seventy-five bushels on
an acre is urged to secure this spe-
cial estimating form and check his
corn yield before October 15.

A special map of North Carolina
will be prepared when yield esti-

An era of great mechanical inven-

IF STOMACH BALKS DUE TO GAS AND BLOAT

Help Get Food Digested to
Relieve Yourself of This
Nervous Distress

Do you feel all puffed-up and miserable
after every meal, taste sour, bitter food?
If so, here is how you may get blessed
relief in helping your stomach do the
ob—It should be doing—in the diges-
tion of its food.

Everytime food enters the stomach a
"stomachic" gastric juice must flow normally to
break-up certain food particles; else the
food may ferment. Sour food, acid diges-
tion and gas frequently cause a mor-
bid, touchy, fretful, peevish, nervous
condition, loss of appetite, underweight,
restless sleep, weakness.

To get real relief you must increase
the flow of this vital gastric juice. Medi-
cal authorities, in independent labora-
tory tests on human stomachs, have by
positive proof shown that SSS Tonic is
maximally effective in increasing this
flow when it is too little or scanty due
to a non-organic stomach disturbance.
This is due to the SSS Tonic formula
which contains special and potent ac-
tivating ingredients.

Also, SSS Tonic helps build-up non-
organic, weak, watery blood in nutri-
tional anemia—so with a good flow of
this gastric digestive juice, plus rich re-
d-blooded you should eat better, sleep better,
feel better, work better, play better.

Avoid punishing yourself with over-
doses of soda and other alkalis to
counteract gas and bloating when what
you so dearly need is SSS Tonic to help
you digest food for body strength and
repair. Don't wait! Join the host of
happy people SSS Tonic has helped.
Millions of bottles sold. Get a bottle of
SSS Tonic from your drug store today.
SSS Tonic helps Build Sturdy Health.

mates are all in showing by coun-
ties, the number of members (one
hundred bushels or more) and the
number of associate members (sev-

ORDINANCE EXTENDING THE FIRE LIMITS OF THE CITY OF GREENVILLE

The Board of Aldermen of the
City of Greenville do ordain:
Section 1. That pursuant to the
provisions of Section 160-124 of the
General Statutes of North Carolina
(1943), the fire limits of the City
of Greenville are hereby extended so
as to include within the fire limits
heretofore established and defined
the following additional territory:
(a) Beginning at a point in the
western right of way of the At-
lantic Coast Line Railroad and
Grande Avenue, and running thence
with Grande Avenue to Pamlico
Avenue; thence northwardly with
the western property line of Pamlico
Avenue to its intersection with Bon-
ner's Lane; thence continuing the
same course northwardly to the
southern side of Fifth Street; thence
with the southern property line of
Fifth Street eastwardly to Albemarle
Avenue; thence crossing Albemarle

Avenue, the same course, to the
western right of way line of the At-
lantic Coast Line Railroad; thence
southwardly with the western right
of way line of said railroad to the
beginning.

(b) Beginning at the northwest
corner of the intersection of Con-
tentnea Street and Fifth Street and
running thence northwardly with
the western property line of Con-
tentnea Street 150 feet; thence
westwardly and 150 feet distant
from the northern property line of
Fifth Street at all points to the
present western boundary line of
the City of Greenville; thence south-
wardly with the City of Greenville
boundary line 150 feet to the north-
ern property line of Fifth Street;
thence eastwardly with the northern
boundary line of Fifth Street to the
western property line of Nash
Street; thence southwardly the same
course as the western line of Nash
Street to a point on the South side
of Fifth Street and 150 feet distant
from the southern property line
thereof; thence eastwardly and 150
feet distant at all points from the
southern property line of Fifth
Street to the western property line
of Contentnea Street; thence north-
wardly with the western property
line of Contentnea Street to the be-
ginning.

Section 2. This ordinance shall be
in full force and effect from and af-
ter its adoption.
Adopted September 4, 1947.
J. H. BOYD, JR., Mayor of the
City of Greenville.

Grassland Fires Cost \$2 Million

Pierre, S.D., Sept. 8—(AP)—Cost of prairie fire which swept over about 600 square miles of central South Dakota farm and grasslands Friday was estimated today by bankers and farmers at more than \$2,000,000.

Greatest loss was in hay which had been counted upon to feed the 25,000 head of cattle in the area through the winter. Value of stacked hay destroyed was estimated at \$800,000, an equal amount was burned in the fields.

LUNCH HOUR—Gregory Peck, bewigged for his role of a dignified English judge in a new movie, gets a typical American quick lunch tray of sandwiches and coffee in paper cups during a pause on the set.

Petrillo To Talk With Networks

Chicago, Sept. 8—(AP)—Representatives of four major radio networks planned to discuss with James C. Petrillo today his order of Aug. 20 banning duplication of music on standard and FM stations.

Shortly after the president of the American Federation of Musicians (AFM) invoked the ban, the network presidents telegraphed a protest contending that the order would "seriously retard the development of FM broadcasting."

Truman Sails . . .

(Continued from Page One)

president's personal chief of staff, is aboard ship along with other top ranking White House aides with the exception of Special Counsel Clark M. Clifford. Clifford left Rio by plane for Washington yesterday.

While visits to both San Juan, Porto Rico, and the Virgin Islands had been considered possibilities for this voyage, Secretary of Press Charles Ross told newsmen that Mr. Truman has decided to make those trips later.

A lot for your money

A phone call costs so little—and think of the time it saves! It represents a lot of service for a few cents.

A checking account also gives you plenty of value received for the little it costs. For example: A checking account will be a bill-paying messenger, a bookkeeper, a policeman guarding your funds, and a witness prepared to prove payment of your bills.

For orderly finances, safety and convenience—open a checking account with us.

Women IN THE CHURCH

Miss Margaret E. Forsyth, a former professor at Columbia University and now director of foreign work of the National Young Women's Christian Association, is on a four-month visitation and study of Y.W.C.A. centers in Europe and Asia, laying plans for a reconstruction and advance program of the organization's service to women overseas. She will visit Germany, Switzerland, Poland, Portugal, Italy, France and Egypt, several sections of the Near East, and areas of Burma, India, China and the Philippines. Accompanying Miss Forsyth is Miss Dorothy McConnell, of the Methodist Board of Missions, who is gathering editorial and illustrative material on Christian missions, especially among the women, in these same lands.

Eight alumnae of Hwa Nan College—famous woman's college of the Methodist Church in Foochow, China—are now in the United States on "Crusade scholarships" provided by the Methodist Church, and taking post-graduate studies "the better to fit themselves for service to their nation." They have a wide range of interests. Miss Edna Tsai and Miss Bessie Su are majoring in child welfare; Miss Helen Ho is specializing in mathematics; Miss Lois Hwang is studying rural sociology; second education is the interest of the Misses Fidelia Ling, Ivy Chou, and Hilda Chang; Miss Sarah Hung is a major in higher education. They are enrolled in four universities.

The women of Christian churches throughout America have again been appealed to by Dr. Arnold B. Vaughn, secretary for India for Church World Service, to contribute powdered milk, grains, and other food necessities to help relieve a new famine situation that is devastating parts of India and which may last well into 1948. Apparently the famine is caused by poor crops, drought, lack of a world market for exchange of goods and the generally disturbed political situation. The famine is spotty and widespread: in the Northwest Frontier Provinces, in Bombay, in Central Provinces, and in Madras. The National Christian Council of India is supervising the distribution of relief supplies sent from American churches through Church World Service.

Roving Bands . . .

(Continued From Page One) special session. Within the next three days, diplomatic officials predict, the United States and Britain will formally announce a plan to boost coal production in Germany's Ruhr mines as a means of promoting both European recovery and German economic revival. The plan is expected to give the Germans themselves much greater responsibility in the operation of the mines and to give the United States a more powerful voice in their general management.

Atom Report . . .

(Continued From Page One) ly when the first section was approved by the 10 to 2 decision. It was the first time the two delegates had formally voted against an atomic report. The first section, on the operational atomic control agency, was amended 17 times before final approval but the changes merely were technical. There were no Polish amendments on this section.

Funeral Today For Victim Fall

Funeral services for Robert Lee Strickland, 30, carpenter of Bell Arthur, who died at Pitt General Hospital Friday night of injuries sustained when he fell 50 feet from the roof of the new electric power plant building here, were held at Bell Arthur Free Will Baptist Church this afternoon at 3 o'clock. Burial was in the family cemetery. James Grimsley, 18, who fell at the same time, is slightly improved at the hospital. Surviving Mr. Strickland are his wife and six children, Annie Carroll, Rose Marie, Mavis, Doris Mae, Robert Luther, and Kenneth Ray. Mr. Strickland had four brothers, William Strickland of Bell Arthur, Henry Strickland of near Greenville; Joe Strickland of Walstonburg; Harold Strickland of Greenville; four sisters, Mrs. Bertina Up-ton of Holland, Va. Mrs. Helen Tribben of Newport News, Va., Mrs. Margaret Babis of Hampton, Va., and Mrs. Nan Harris of Greenville.

Woman Indicted For Perjury In Phillips Trial

Lillington, N.C., Sept. 5—(AP)—The Harnett County grand jury today indicted Mrs. Willie Hayes, sister of Charlie Phillips, for perjury in connection with her testimony in Phillips' recent second trial for wife-murder. Phillips had been convicted of the slaying of his wife and was on death row in State Prison in Raleigh when a purported suicide note allegedly written by his wife was produced by Phillips' defense counsel. This brought about a second trial, at which Phillips was again convicted and sentenced to die in the gas chamber. Solicitor Jack Hooks charged that Phillips and Mrs. Hayes conspired in having the note written in an attempt to defeat justice.

City Has Jobs For Men Willing To Work

By CHESTER WALSH Householders and eating places and places where food is sold could do a lot to help to maintain good health in the community if they would heed the advice of City Street Supt. Clyde Mallison about garbage. He has asked that garbage be placed in covered containers; that trash and other debris be put in another receptacle. And yet, when the faithful garbage collecting crews go onto well-kept premises and at some stores and eating places, they find the garbage cans overloaded and spilling on the ground. These men collecting garbage are working under State Public Health Laws. They are doing their part. They now ask the public to do likewise. Labor shortage has seriously handicapped the street department in its work. Temporary prosperity was given as one reason why laborers turn down jobs. Supt. Mallison reminded today that placing of garbage in open containers draws flies and other vermin—rats and dogs. He reminded that garbage when placed in cans is already souring and rotting. "All we want is cooperation of the public and the necessary number of men to collect the garbage," Mallison said today. About 60 per cent of Mexico's population is of mixed Indian and European descent.

Parents And . . .
(Continued From Page One) example, much wrangling over what clothes to wear, and so on can be avoided by "pre-night planning," that is, laying out the clothes at night and having it understood just what is to be worn.
4. Build up an impregnable sense of "security" in the child by love

and kindness, so that the child will not fear to come home with problems, and will know positively that whatever happens, the parents will continue to love and stand behind him.
Modern educators say this "security" is a vital contribution of the home toward the education of the child.
A good school can develop "adequacy" by promoting the child's particular talents and skills, but the school has no substitute for inner security.

TWO DISMISSED
Kansas City, Sept. 5—(AP)—Charges against two of five defendants in a federal trial investigating alleged vote fraud in the 1946 Kansas City primary election were dismissed yesterday by Judge Albert A. Ridge on the grounds that no case had been presented against them.

BEER—The Beverage of Moderation

Let's Take A Look at the Brewers Foundation

Question: What is the chief function of the North Carolina Committee of the Foundation?

Answer: To see to it that beer and ale are retailed under conditions in keeping with the strict demands of public opinion and the high standards of the brewing industry itself.

Question: How are the Committee's aims accomplished?

Answer: Field men visit beer outlets regularly. If undesirable conditions are found, dealers are advised. Most dealers want to cooperate and welcome suggested improvements.

Question: Suppose these suggestions are not carried out?

Answer: The retailer is reported to the licensing authority having jurisdiction, with a request that his license be revoked or suspended.

If you drink beer, please patronize only reputable places.

Grain Market

Chicago, Sept. 8.—(AP)—Wheat prices worked lower in the latter part of the session on the board of trade today after moving over an erratic course during the early trading. At one time wheat was up several cents, but selling developed on news that the government was still out of the flour market. Wheat closed 2 1/2 lower to 3/4 higher, September \$2.64 1/2-3/4, corn was 1/4-1/2 higher, September \$2.53, and oats were unchanged to 1/4 lower, September \$1.15 1/2-3/4. No. 1 yellow sorghams closed at \$3.07 1/2, up 8 cents for the third consecutive session.

New York Cotton

New York, Sept. 8.—(AP)—Cotton futures opened unchanged to 55 cents a bale lower. Noon prices were 95 cents to \$1.45 a bale higher than the previous close. Oct. 31.60, Dec. 31.30 and March 31.22. Futures closed 50 cents to \$1.95 a bale lower than the previous close.

Open	Last	Prv. Cl.

of \$352,500 Hospital Bonds and the levy of taxes therefor and the levy of special taxes for the maintenance, operation and support of a county hospital.

Whereas, a bond order has been finally adopted by this Board authorizing the issuance of \$352,500 bonds for the erection and purchase of a county hospital which said order is to take effect when approved by the voters of the County of Pitt at an election to be called as provided in said County Finance Act, as amended; now therefore:

Section 1. That a special election to be held on the 16th day of September, 1947, there shall be submitted to the voters of the County of Pitt the question of the approval or rejection of the levy of an annual tax of not more than five cents (\$.05) on each One Hundred Dollars (\$100) of assessed valuation of taxable property for the maintenance, operation and support of a county hospital.

Section 2. That at said special election to be held on the 16th day of September, 1947, there shall be submitted to the voters of the County of Pitt the question of the approval or rejection of the levy of an annual tax of not more than five cents (\$.05) on each One Hundred Dollars (\$100) of assessed valuation of taxable property for the maintenance, operation and support of a county hospital.

Section 3. That for said special election, a new registration of the voters of the County of Pitt is hereby ordered, and for such purposes, registration books for said new registration shall be kept open between the hours of 9:00 o'clock A. M. and 6:00 o'clock P. M. on each day (Sundays and Holidays excepted) from the Saturday, the 16th day of August, 1947, up to and including Saturday, the 6th day of September, 1947. On each Saturday during the period of said new registration above set forth the registrars shall attend with their registration books at the voting places for the registration of voters.

Section 4. That all voters residing in the County of Pitt shall register at and shall vote at the polling places for each precinct set out below, which are hereby designated as the polling places for each precinct for said new registration and said special election.

Ayden Precinct—Polling Place:
Town Hall, Ayden.

Greenies Close Season Splitting With Wilson

By BERT MOYE

The Greenies ended their 1947 playing season over in Wilson yesterday afternoon by splitting a twin bill with the Tobacconists to give the Greenies two out of three wins for the weekend series with the Tobs. On Saturday night at the last home game here the Greenies took a 14-7 win, and in Wilson yesterday afternoon they lost the opener 14-4 and came back to win the final game 12-3.

Larry Baldwin registered his 15th win of the season for the Greenies here Saturday night as he kept the eleven hits he gave up well scattered and his teammates came through with 16 bingles good for 14 runs to take a football score of 14-7 against the Tobs. Baldwin this season has lost nine games.

Greenville scored two runs in the first frame on two singles, two walks and a stolen base; scored one run in the third on two singles and a stolen base, scored four runs in the fourth on three singles, a sacrifice,

two walks, two stolen bases, an error and a passed ball; scored what proved to be their winning run in the fifth when M. Mauney singled, went to second on Baldwin's infield out, to third on Lee's infield out and scored when Pitcher Webb let the ball slip out of his hand during a pitch.

The Greenies continued to score after that by tallying five runs in the seventh on four hits, including two doubles, sacrifice, an error, walk and hit batsman. They scored one in the eighth on a single and double.

Wilson's big inning was the fourth when they chalked up four runs on two hits, one of which was Bang's homer over the right field wall to bring in two mates aboard.

In a double-header played in Wilson the Tobs won the opening game 14-4 behind the seven-hit pitching of Rookie Fred Pittman and dropped the nightcap, 12-3, as Manager Ordie Timm hurled shut-out ball after the initial frame.

In the opener the Tobs racked up five runs in the second frame to clinch the victory. The Greenies pushed over six runs in the second inning of the nightcap to win.

DIAMOND DUST

Harry Soufas, New Bern first baseman and utility man, who leads the Coastal Plain circuit in home runs with 26 and in RMI's with 119, has been selected by a poll of the scribes to receive the trophy and savings bonds awarded by the Coastal Plain Sports Writers Association to the most valuable player of the circuit. Bill Kennedy, who set an organized ball strikeout record of 456 for Rocky Mount, won the award last year. President Bob Weirich of the Sports Writers Association presented the trophy and bond to Soufas at the New Bern-Roanoke Rapids game at Roanoke Rapids Sunday.

Chubby Dean, former player of the Greenies, was relieved of his duties as manager of the Mt. Airy baseball club of the Blue Ridge League. It has been announced by officials. The action was taken by the officials last Wednesday immediately after the team lost its play-off opener to Lenoir. "Poor sportsmanship" was given as the reason for the action. Bob Bowman, himself a former major league hurler with the Giants, Cards and Cubs was named to succeed Dean in an effort to win the Blue Ridge League play-offs.

The All-Star team as selected by radio station WCPS of Tarboro among a poll of its listeners the following were chosen: Soufas of New Bern, first base; Collins of Kinston, second base; Tepedino of Kinston, shortstop; Martin of Roanoke Rapids, third base; outfielders, Cohen of Kinston, May of Rocky Mount and Kennedy of Tarboro; catcher, Hand of Tarboro; pitchers, McLawhorn of Kinston and Neville of Tarboro; utility player, Fowler of Rocky Mount; manager, Bill Herring of Goldsboro.

Clyde King, the Brooklyn Dodger hurler and former player with the Goldsboro Bugs, who has just stepped into a starting position lately, had to turn down an offer to play professional basketball this winter because the front office of the Bugs said no. Bill Kennedy, Rocky Mount's strikeout king of 1946, has a 14-2 record for Scranton, best percentage mark in the Eastern League. And he has chalked 110 strikeouts, still far from his 426 of last year but good for Class A ball.

The Coastal Plain League's championship playoffs open Tuesday night in Wilson and Kinston, with the front-running Tobs meeting the New Bern Bears, and the second place Eagles mixing with the Tarboro Tars. Play in the semi-finals will be four out of seven and the teams will alternate fields nightly.

Hostile Greek Parties United Under Sophoulis

Athens, Sept. 8—(AP)—Two traditionally hostile Greek political parties were united today in a new government pledged to crush Communist guerrillas, following the inauguration last night of a liberal-populist cabinet headed by Liberal Themistokles Sophoulis.

Sophoulis was sworn in at the royal palace by Archbishop Damaskinos, former Greek regent, shortly after Constantin Tsaldaris resigned as premier with his short-lived all-populist (royalist) government. The latter will serve in the new cabinet as vice premier and minister of foreign affairs.

The new government was expected to offer an immediate amnesty to all guerrillas provided the uprising ends within a specified time.

Three Democrat Party Workers Are Indicted

Kansas City, Sept. 8—(AP)—Three Democratic party workers stood convicted today of vote fraud charges growing out of the 1946 Kansas City primary election.

A federal court jury returned a guilty verdict late Saturday in the trial of Morris Klein, Henry Burke and Frank L. Hodges. They were the first of 34 persons indicted by a special federal grand jury to stand trial.

Two other defendants, John Melham and William D. Wilson, originally went on trial with the three but their motions for acquittal were sustained last Friday.

Pending the filing of a motion for a new trial, Klein, Burke and Holmes were released on bond. The maximum penalty is 10 years imprisonment or a \$5,000 fine, or both.
