Winston-Salem Plants Face Partial Shutdown

Water Shortage Approaches Crisis; Water Supply May Be Exhausted By November 21; Army Is Asked For Portable Pipeline

Winston-Salem, Sept. 11—(AP)—This city's half-billion-dollar-a-year industries, including cigarette and hosiery factories, today faced possible partial shutdowns as the city water shortage approached a crisis.

The city official estimated that the entire water supply would be exhausted about November 21 at the present rate of consumption and with normal rainfall.

The city has requested the Third Army headquarters in Atlanta to rush portable pipeline equipment to bring a small emergency supply from South Park Creek, two miles southwest of the city.

The largest water consumers have been asked to meet at City Hall Friday night where a proposal will be considered to shut down industrial and commercial water consumers for part time each week in an effort to avoid complete shutdowns.

An unusual drought this summer led to the water shortage. City officials became worried a month ago when it was noticed that the city lake was going down about an inch a day.

Last week an airplane dropped dry ice on a cloud and a brief rain fell at Meadows, near here, but this added little to the city lake.

Officials said consumers continued to use water at a heavy rate, disregarding both voluntary conservation requests and some emergency ordinances.

PILOT IS FREED Tsingtao, China, Sept. 11—(AP)—Chinese Communist forces have released a marine pilot forced down at Goosepoint, Shantung Province, Aug. 27. He arrived here today unharmed.

Wallace Voices Charges Against Steel Industry

New York Sept. 11—(AP)—Henry A. Wallace said last night that the steel industry's "high command" plans a production drop "that will make a depression inevitable."

Wallace, former vice president of the American Iron and Steel Institute, described in a prepared statement an expansion and improvement program "involving record-breaking peacetime expenditures totaling more than \$1,000,000,000."

Wallace, former vice president who now edits the New Republic magazine, made his remarks during a radio program (MBS) sponsored by the CIO Electrical Workers.

Demonstration Of Tractor Postponed The Greenville Equipment Company today announced postponement of the Farmall Cub tractor demonstration advertised to be held at one o'clock Friday afternoon.

At Least Eight Days Scheduled On Increased Freight Rate Petition Washington, Sept. 11—(AP)—The Interstate Commerce Commission today arranged for at least eight days of further hearings before acting on the railroads' plea for an emergency freight rate increase.

AFL LEADERS TALK MERGER

But Hold Out Little Hope Of Seeing Eye-To-Eye With CIO Chicago, Sept. 11—(AP)—AFL leaders indicated today they would make one more try at bringing about a merger with the CIO, but they held out little hope it would be successful.

President William Green said the 15-man Executive Council, meeting here, would make another statement on the negotiations toward unity which began last winter.

Green said that the AFL and CIO had agreed to work for organic unity when committees for the two organizations met in May. However, the AFL wanted immediate merger on its terms, while the CIO preferred to develop details slowly, while working together for common goals.

The 74-year-old AFL president has kept quiet about his plans for continuing in office, but the word is getting around among council members that he wants to be re-elected at the San Francisco convention, beginning October 6.

Green has been president of the AFL since the death of Samuel Gompers in 1924. A former secretary-treasurer of the United Mine Workers, he was John L. Lewis' candidate for the post, and was instrumental in getting Lewis to bring the mines back to the AFL in January, 1946.

UNIONS IN BUSINESS Detroit, Sept. 11—(AP)—In an effort to absorb some of the pocket-book pinch stemming from the high price of food, two locals of the CIO United Auto Workers have entered the grocery business.

Ford's Highland Park local of 10,800 members started the ball rolling last Saturday by selling \$1,500 of food within a few hours.

Rainfall Eleven and 60 one-hundredths inches of rain fell in the Greenville area the first 10 days of this month, compared to only six and 84 one-hundredths inches during the entire month of September last year.

Shortly before noon today 36 one-hundredths of an inch of rain fell here, making the total rainfall so far this month eleven and 96 one-hundredths inches.

An Immediate Threat Spectre Of A Cold And Hungry Winter For Europe

The European crisis is rapidly worsening and Secretary of State Marshall tells us that temporary aid, which only Congress can authorize, must be provided this year "to meet the immediate threat of intolerable hunger and cold."

Simultaneously London has made an urgent plea that America take over the major portion of Britain's occupation costs in Germany, totaling \$380,000,000 yearly.

These fresh obligations hit the American taxpayer on a raw and very tender spot—his pocketbook. He is spirally concerned in view of the spiraling cost of living in his own country, and is uncomfortably

reminded that the United States spent over \$287,000,000,000 towards "winning" the war. He recalls that the axis powers surrendered in 1945, and he wants to know "what the heck" that's a natural reaction, and it comes hard for your columnist to have to point a fallacy in the idea that World War II really is over.

U.S. Moving Into New Position Of Power In Western Germany

Washington, Sept. 11—(AP)—The United States appears today to be moving into a new position of power and leadership in Western Germany as a result of Britain's inability to pay her own way there.

SEEK REMOVAL BALKAN ISSUE

U.S. Works To Take Problem Out Of Security Council's Hands Lake Success, Sept. 11—(AP)—The United States disclosed today that it would seek Security Council action which would enable the general assembly to act on the Balkan problem while still keeping a United Nations interim group on watch in Greece.

A spokesman for the American delegation said the U. S. would propose that the council specifically request the 55-nation assembly to make recommendations for a solution of the Balkan problem.

This would make it unnecessary for the council to drop the question from its agenda—a step which U. N. authorities contend would automatically put an end to the Balkan investigation commission and its subsidiary group now in Greece.

The American spokesman said the U. S. was prepared to offer a resolution to meet the charter requirements. He said, however, that it was not yet clear whether the resolution would provide that the Balkan case be dropped outright.

Bevin's Latest Proposal Is More U.S. Lend Lease

London, Sept. 11—(AP)—British Foreign Secretary Ernest Bevin's latest proposal for solving Europe's economic ills is that the United States revive wartime lend-lease.

In a short talk last night, he recalled his Sept. 3 suggestion that the U. S. redistribute the gold buried at Fort Knox, Ky., where it has stored some \$12,500,000,000 of its \$21,765,907,000 gold supply.

Gov. Cherry Says Philpot Must Return To Prison Raleigh, N.C., Sept. 11—(AP)—Although he has lived as a model citizen in West Virginia since escaping from a North Carolina prison camp in 1934, William Philpot will have to return and serve as a model prisoner before he can hope for a pardon or parole, Governor Cherry has said.

Gov. Clarence Meadows of West Virginia was to receive a delegation of Mingo County citizens at Charleston this morning and hear their request that Philpot be spared from serving the remainder of his prison sentence.

Gov. Meadows, when told that friends of Philpot were seeking a pardon for him, said that Philpot first must return to prison and be promoted to honor grade for good behavior and then he will "be given every consideration for a parole."

The governor added that there was little likelihood that Philpot would be granted a pardon which is usually granted when proof of innocence exists.

Gov. Meadows said that he would like to see Philpot in a party and that the girl friend took his bottle, had a drink and then passed it around, and when it finally was returned, it was empty. That's when Meadows went after a warrant.

The charge was dismissed for "lack of evidence."

Washington, Sept. 11—(AP)—Six senators expressed the opinion today that any formal appeals to Congress for resumption of price controls will fall flat.

Demonstrators Parade In Egypt Against U.N.

Cairo, Sept. 11—(AP)—Egyptian crowds tried to set fire to the British consulate and destroyed the statue of Ferdinand de Lesseps, the French engineer who built the Suez Canal, in violent demonstrations today against the United Nations Security Council's failure to order British troops out of Egypt.

The demonstrators began marching through Port Said soon after news of the Security Council's failure to reach a decision in the British-Egyptian case became known, shouting "Down with the Security Council; down with Britain; long live Egypt and the Suez Canal; long live Russia, Poland and Syria."

Police On Job In ABC Referendum Hickory, N.C., Sept. 11—(AP)—Police will be stationed at each of the six polling places for the Alcoholic Beverage Control referendum here next Monday.

City Attorney Bailey Patrick told the council that rivalry between the two factions on the liquor control issue was increasing and "it is possible that feeling may run high around some of the voting places."

After the rain Wednesday it was expected that the tobacco market would have a lighter sale today than during the last week or two. But it did not turn out that way. Today was clear and some cooler and tobacco rolled in from every direction. Conservative estimates placed the sales at 380,000 pounds. That sounded like selling tobacco and shows that Greenville is the best tobacco market in the state.

Grimesland Faculty Entertained

On Wednesday evening, September 3, 1947, at 7 p. m., the faculty of Grimesland school was entertained at a supper given by the Methodist society of the Methodist Church.

Mr. J. J. Elks welcomed the teachers to the Grimesland commu-

nity, school and church.

A response was made by Mr. Leslie L. Murray, principal in behalf of the faculty. He added our motto, "We shall strive to do our best."

The tables were beautifully decorated with white zinnias and fern.

The supper was served by candlelight.

All members of the faculty are very grateful for the spirit of welcome, cooperation and interest shown by the citizens of Grimesland.

Tropical Storm Is Reported In South Atlantic

Miami, Fla., Sept. 11.—(AP) A severe tropical storm was discovered early today by a ship deep in the south Atlantic—breeding grounds of some of the Western Hemisphere's greatest and worst hurricanes.

The vessel, identified by the Weather Bureau as the Alakaka, placed the storm about 750 miles east of Martinique, French West Indies. It radioed that it was on the outer edge of the storm and experiencing gale winds but was in no danger. The point is more than 2,000 miles from Miami.

Snow, Sub-Freezing Climate In Rockies

Denver, Sept. 11.—(AP)—Six-inch snows and sub-freezing thermometer readings were reported along the crest of the Rocky Mountains in Colorado and Wyoming today. Big Pine, Wyo., had a low of 21 degrees and at two-mile high Leadville, Colo., the temperature dropped to 26 degrees as an inch of snow fell.

British Miners Vote Return To Work Monday

London, Sept. 11.—(AP)—Strikers in the Grimethorpe, England, coal mine voted unanimously to return to work Monday, breaking the back of a five-week-old unauthorized coal strike that took 60,000 workers out of Yorkshire pits.

Miners elsewhere in the rich coal fields had come out in sympathy with the Grimethorpe workers, cutting Britain's coal production in the midst of an economic crisis in which the fuel was badly needed.

DROWN IN SWAMP

Elizabeth City, N.C., Sept. 11.—(AP)—Four Negro men of the Newland section of Pasquotank County were drowned in the Dismal Swamp canal about 10 miles north of here late yesterday when the small row boat in which five men were crossing the canal overturned. Sheriff M. D. Stevens of Camden County reported.

Economical Meat Stretches Budget

Ground meat, whether it is beef, veal or pork, is an excellent buy these days. Meat loaf and hamburger patties are always welcome if served attractively, but, for a change, your family will enjoy these delicious Swedish meat balls and a Swedish tea ring.

a Rector Recipe

Swedish Meat Balls

Grind together three times
 1/2 lb. beef
 1/2 lb. veal
 1/2 lb. lean pork
 Beat 1 CLEAR BROOK EGG
 Add 1/2 cup milk and pour over
 1/2 cup fine dry bread crumbs. Let stand until softened and
 add to meat along with
 2 tsp. salt
 1/2 tsp. pepper
 1/4 tsp. nutmeg (optional)
 2 tbsps. finely minced onion which has been browned
 in 1/2 tbsps. ADVANCE SHORTENING
 Form into small balls and brown in additional ADVANCE SHORTENING. Add a little hot water, cover, and simmer 10 min. Serves 4.

Budget Menu

Swedish meat balls, American fried potatoes, buttered broccoli, with cantaloupe salad makes an in-season dinner that pleases the budget-minded "cook." Tasty, too! For dessert, peaches and cream fall right in line.

Check Protein in Summer Meals

We eat less during hot weather. A decrease in calories is all right for those who are less active, but nutritionists say that we need as much protein during the summer as in cold weather regardless of activity. So, with light meals we need to be extra careful to supply enough high quality protein for good health. Fortunately,

cold cuts and the less expensive cuts of fresh or smoked meat furnish the same high-quality proteins as the more expensive roasts, steaks and chops do.

Adapt to Fall Weather

When cold days come along and you want to use the oven, double the recipe for Swedish meat balls and bake as a meat loaf (1 1/2 hours at 350° F. is right for baking in a 5 by 9 inch pan). Its zesty flavor fits the day. Baked potatoes with generous amounts of Clear Brook Butter or Wilson's Certified Margarine are a grand accompaniment.

Yours for good eating,
 George Rector

Rowlette-Rives

Bethel, N. C.—Miss Frances Mae Rives, daughter of Mr. and Mrs. Herbert Liles Rives, Sr., of Bethel and Clinton Boyd Rowlette, Jr., son of Mrs. Clinton Boyd Rowlette and the late Mr. Rowlette of Greenville, were united in a formal ceremony at the Bethel Baptist Church on Saturday evening September 6, at eight o'clock, The Rev. L. D. Holt, pastor of the church, officiated.

The church was a scene of marked beauty. The altar was impressive with its background of baskets of white chrysanthemums, tuberoses and asters intermingled with greenery and tall candelabra containing white cathedral candles. Each pew in the church was marked with a candle, tied with a satin bow interspersed with white asters.

A program of nuptial music was presented by Mrs. R. H. Staton of Bethel, pianist, and Miss Geraldine Allgood of Greenville, soloist. The traditional wedding marches were used, Miss Allgood sang "Because" and "I Love Thee." The Lord's Prayer was sung after the benediction.

The bride, given in marriage by her father, wore a gown of candlelight satin, fashioned with a high neckline and a marquise yoke outlined with Belgium lace and seed pearls, giving an off-shoulder effect. Full length vestry sleeves ended in a petal point over the hand. The fitted midriff points in the front and back of the bodice joined the full, gathered skirt with panier hips, which was worn over period hoops and which fell in a sweeping train. Her full length veil of bridal illusion was caught to a coronet of Belgium lace beaded with seed pearls. She carried a prayer book, topped with an orchid and showered with tuberoses and satin streamers.

Mrs. Herbert Liles Rives, Jr., sister-in-law of the bride, was matron of honor. Miss Carol Gregory of Lancaster, South Carolina, was maid of honor. They wore identical gowns in shades of emerald green taffeta, styled with a rounded neckline, cap sleeves, fitted bodice and full skirt with bustle effect at the hipline. They wore hair arrangements of illusion and roses and they carried bouquets of bronze roses.

Bridesmaids were: Miss Janice Roberson, cousin of the bride; Mrs. Van Taylor, Jr., and Miss Sally Jo Gurganus of Bethel; Miss Joyce Nelson of Long Island, New York; Miss Carolyn Rowlette, sister of the

room, of Greenville; and Miss Vautta Steele of Statesville. They wore gowns and head dresses identical to those worn by the matron and maid of honor and they carried bouquets of yellow roses.

Honorary bridesmaids were, Mrs. Bill Soyers of Winston-Salem; Mrs. Roscoe Everett; Miss Frances Tucker Andrews; Miss Betty Smith; Miss Mary Wells Bunting; Mrs. Edward Hemingway; Miss Gretchen Staton and Mrs. Don Carson, Jr., of Bethel.

Tom Rowlette of Greenville, brother of the bridegroom, was best man. Ushers were, Herbert L. Rives, Jr., of Bethel, brother of the bride; Robert Salisbury, Jr., of Hassell; Dail Laughinghouse, Jr.; Richard Stokes, III; Bill Davenport and Bob Harrington of Greenville.

The mother of the bride wore an aqua dinner gown and an orchid corsage.

The mother of the groom was gowned in a dinner dress of natural crepe and she wore an orchid corsage.

Mrs. Rowlette received her education at the Bethel Schools and is a 1947 graduate of Salem College, Winston-Salem, N. C.

Mr. Rowlette attended the Greenville City Schools and following his graduation entered the Marine Corps. At present, he holds a position with the John Planagan Buggy Company of Greenville.

Following the wedding, the parents of the bride entertained at a reception at their home honoring the bridal couple.

The nuptial motif of white was used throughout the spacious house in the artistic arrangements of chrysanthemums, gladiolas, tuberoses, pom-poms and asters interspersed with varieties of southern greenery. In the dining room the table was beautifully appointed with a cover of pineapple linen centered with an arrangement of white roses, pom-poms, and asters, flanked by silver candle holders containing burning white tapers.

Mr. and Mrs. W. H. Manning greeted the guests and introduced them to the receiving line which was composed of the hosts, the bride and groom, the groom's mother and the bridal attendants. Mr. and Mrs. Roscoe Everett served punch in the music room and Mrs. Bill Soyers presided over the Register. Mrs. Charles Francis and Mrs. J. R. Cullifer received in the sun room and Mr. and Mrs. Adrian Gardner invited guests into the dining room. Mrs. Clara Roberson and Mrs. Gertrude Taylor, seated at either end of the table served bridal cakes and ices. The honorary bridesmaids assisted in serving decorated mints and salted nuts. Mr. and Mrs. R. H. Salisbury, Sr., and Mrs. C. A. Gregorv received in the gift room; and Mr. and Mrs. J. L. Gurganus bade the guests good-bye.

Immediately after the reception the bridal couple left for an extended wedding trip to New England and Canada. For traveling the bride wore an original suit of forest green wool crepe with which she used brown accessories and the orchid from her previous hostess. At 10 o'clock, Mr. and Mrs. Rowlette will be at home in Greenville.

Out of town guests for the wedding included Mrs. Julia S. Cherry, Miss Frances Cherry, Mr. and Mrs.

Frank Rives, Miss Mary Earle Wiggins, Miss Gladys Wiggins, Miss Celia Jane Bullock, Mrs. Dwight Thomas, Mr. and Mrs. W. J. Bie-man, Mr. and Mrs. Fred L. Wiggins, Jr., of Tarboro.

Mrs. L. B. Fleming, Mr. and Mrs. R. H. Salisbury, Sr., Mr. and Mrs. E. C. Edmondson, Mr. and Mrs. A. S. Roberson, Jr., Mrs. Paul C. Edmondson of Hassell; Miss Peggy Gray, Miss Mildred Everett, Miss Lula Purvis Gray, Mr. and Mrs. Charles R. Gray, Mrs. Jim Gray, Sr., Mrs. Selma Meadows, Mrs. Sally Pavis, Mrs. I. M. Little, Mrs. R. K. Adkins of Robersonville.

Mr. Bill Davenport, Mr. Dail Laughinghouse, Mr. and Mrs. Richard Stokes, III, Mr. Charles Stokes, Mr. and Mrs. Bob Harrington, Miss Jerry Allgood, Mrs. C. B. Rowlette, Sr., Miss Carolyn Rowlette, Mr. and Mrs. Marvin Sess; Miss Tone Bradsher, Mr. and Mrs. W. J. Bundy, Mrs. J. C. Whiteford, Mrs. N. O. VanNortwick, Sr., Miss Kay VanNortwick and Mrs. T. H. Boykin of Greenville.

Mrs. C. Felix Harvey, III, Kingston; Mr. and Mrs. Charles Francis, Nashville; Mr. and Mrs. Adrian Gardner, Fountain; Miss Ruby Move, Maury; Miss Agnes Quinley, Farmville; Miss Margaret Carter, Rocky Mount; Mrs. H. A. Sexton, Jamesville; Mr. and Mrs. Farrell Gray, Miss Nancy Gray, High Point; Mr. and Mrs. John Miller, Jr., Williamston; Miss Vautta Steele, Statesville; Mrs. C. A. Gregorv, Miss Carol Gregorv, Lancaster, S. C.; Miss Joyce Nelson, Long Island, N. Y.; Mrs. G. N. Noble, Trenton; Mr. and Mrs. Bill Sessoms, Williamston.

Following the announcement of her engagement, Mrs. Rowlette has been entertained extensively.

On Friday night, following the wedding rehearsal, Mr. and Mrs. Robert H. Salisbury, Sr., entertained at a cake cutting honoring the bridal party at their home in Hassell.

The home was decorated throughout with mixed flowers and greenery. The dining table was centered with a floral arrangement of asters and pompons flanked with silver candle sticks tied with tulle. At one end of the table was placed the three-tiered wedding cake in an artistic setting of southern smilax and pompons. Seated at either end of the table, Mrs. H. L. Rives, Sr., and Mrs. C. B. Rowlette, Sr., served bridal less, mints and nuts.

On Saturday at one o'clock, Mrs. J. L. Gurganus and Miss Sally Jo Gurganus entertained the Rowlette-Rives wedding party and out of town guests at a luncheon at their home.

On Friday night at seven o'clock, Mr. and Mrs. Herbert Rives, Jr., entertained at a dinner party at the Bethel Hotel in honor of the bridal party and out of town guests.

Friday noon, Mrs. Van Taylor, Jr., entertained at a luncheon at the home of her mother, Mrs. Z. V. Bunting, in honor of the wedding party and out of town guests.

Thursday afternoon from five to six o'clock, Miss Janice Roberson and Miss Joyce Nelson entertained at tea for Miss Rives.

Wednesday morning, Miss Rives was honored by a coca cola party given by Mrs. Edward Hemingway and Miss Betty Smith. Wednesday afternoon, Mrs. Carey Hammond entertained at bridge.

Other social courtesies extended Miss Rives included a tea given by Miss Martha Reade Burton of Rocky Mount; and bridge parties given by Miss Frances Tucker Andrews, Mrs. A. M. McWhorter, Mrs. W. H. Manning and Mrs. Bob Cullifer.

Hostess at Coca Cola Hour—Bethel.—In compliment to Miss Frances Rives, bride-elect of September, Miss Betty Smith and Mrs. E. Hemingway were hostesses at a coca cola hour on Friday morning at 10:30 at the Hemingway residence.

Upon arrival, the honor guest was presented a corsage of white carnations and a gift in her chosen silver pattern.

Mixed summer flowers were used to decorate the home. Miss Smith and Mrs. Hemingway served coca colas and party accompaniments to the guests.

Stokes Bridge Club—Mrs. Larry Barnhill was a most charming hostess Thursday night when she entertained members of the club at her home in Stokes.

The rooms were beautifully decorated with profusions of choice summer flowers.

Mrs. Sam Gray won high score while Mrs. Tracy Barnhill scored low. Others playing were Mesdames Franklin Reebuck, Emer Parker, Gordon Clark, H. T. Conleton, Charles A. Forbes and Clifford Wilchard.

Coca Colas and cookies were enjoyed during the game and later Mrs. Barnhill served a delicious salad plate.

Strength FOR THE DAY

NOTHING IN THE END
Few men have put their country under a greater debt of gratitude than did Aaron Burr during the early years of his career, and few men in all history have more patriotically disappointed the promise of their youth than did he.

During the Revolutionary War, Burr showed himself to be a brave and resourceful officer. He undertook the most hazardous type of service, going as a spy through the British lines in Canada and securing information which the invading American general very much needed. After this he displayed the greatest courage on a number of occasions.

But Burr had fatal defects of character which brought about his ruin. He was, in the first place, grossly immoral. Alexander Hamilton did everything possible to prevent Burr's rise to power, and in the end Burr challenged Hamilton to a duel, practiced shooting at a target for some weeks before, and killed Hamilton on the first shot. Later Burr was tried for treason, and while he was acquitted his life was nevertheless a dismal and miserable affair to the end.

Burr had everything but sound moral character, which means that in the end he had nothing.

eight as at present.
But it won't be easy to link groups of these stations together.

Radio networks are linked together by ordinary telephone wire, but a television broadcast won't go over an ordinary telephone wire.

One way of doing it is through an expensive coaxial cable. New York and Washington are already linked in this manner. The American Telephone & Telegraph Company now is extending its coaxial cable system to all large cities of the country, but this is a slow process.

For example, A. T. & T. says the coaxial cable between New York and Chicago is expected to be completed by the fall of 1948 and television circuits can be provided over that route shortly thereafter.

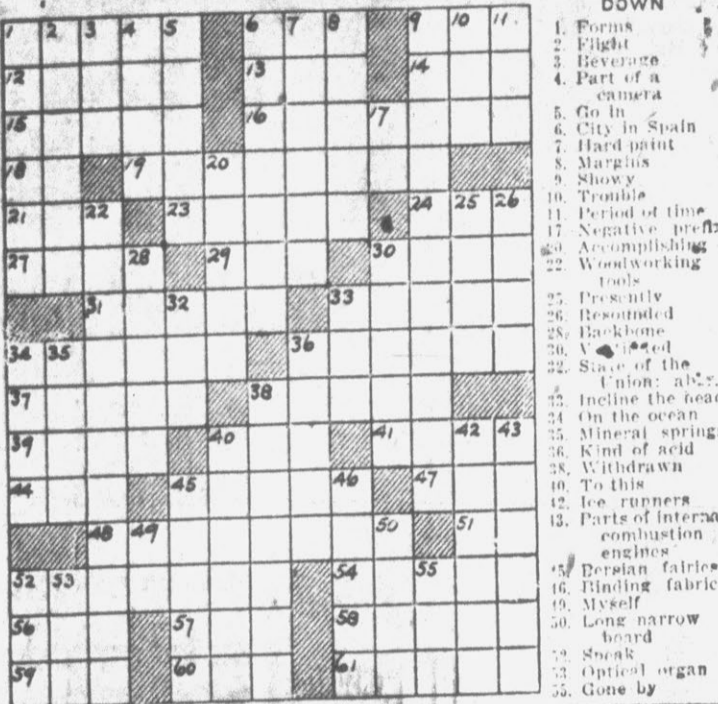

Another means of linking television stations, together is by "radio relay." Under this system transmitting towers are built at intervals to keep passing the broadcast along like a bucket brigade. Such a chain

of towers now operates between New York and Schnectady.

Still another method being tried out is the use of high-flying airplanes to get more distance. The height of television towers determines how far the waves will carry. But a plane circling five miles above the ground, relaying a television program originating on the ground,

is said to give the same effect as a transmitting tower five miles high.

now must be regarded as part and parcel of the obligations of the war which we should like to regard as concluded. And our contribution is not wholly altruism, since the welfare of the United States and the rest of the Western Hemisphere is bound up in the welfare of Eurasia. To put it coldly, if the Eastern Hemisphere should go under economically, the Western Hemisphere could scarcely hope to avoid disaster. Then, too, the crucial battle of the isms is being fought in Europe. The Western Hemisphere's front line is there. Thus we likely shall find the situation less irksome if we reconcile ourselves to the unchangeable fact that we still have a war to finish, and there's nobody who can do it for us. There's some consolation to be had from the knowledge that the present stage of the conflict is vastly cheaper to finance than was the phase of guns. The economic pundits foresee at least four years of struggle to put Europe on its feet, with Britain, France, Italy and Germany as the focal zones for rehabilitation. This quartet represents four of the five great powers of the continent before the war. Upon the greatest power of all America, they now

depend heavily for aid to regain their feet. Almost 20 pounds of coffee per capita was consumed in the United States during 1946.

NEWS

SUFFERERS OF STOMACH AILMENTS, WEAK KIDNEYS, RHEUMATIC PAINS, ARTHRITIS, NEURITIS

And other disorders, such as Headaches, Indigestion, Acid, Toxins, Hoarseness, Weak Back, Frequent Rising at Night, Lumbago, Leg Pains, Lack of Vitality and Energy, Poor Appetite, may be greatly relieved by the help of a Natural Remedy—**GEO-MINERAL.**

Drugless Health! NO MATTER how long you have been suffering from stomach, kidney and rheumatic ailments, and what drugs you have tried before, you can, now, hope for relief if you take **GEO-MINERAL.** With your eyes SEE the results seven days after you start taking it.

DRUGGISTS, Chemists cannot make GEO-MINERAL. It comes from the earth—Nature's laboratory. Contains NO drugs, NO alcohol, NO oil. ONLY nature's minerals—the oldest, most reliable remedy for rheumatism, arthritis, kidney and stomach ailments.

Wonder Minerals FOR THOUSANDS of years sufferers, on advice of doctors, go to mineral springs to get cure, or relief. The late President Roosevelt used to go to Mineral Springs in Georgia. He was helped or would not have gone there twice a year.

WE HAVE all heard of the "miraculous springs of Lourdes, France, and famous Thionville in ancient Greece, where, according to legend, Hercules, the God of eternal strength and youth, drank his waters and basked to be forever young.

IF YOU ARE a sufferer, and can not go to the mineral springs, try **GEO-MINERAL, which contains a blend of the same minerals that can be found at the world's best mineral springs. The minerals in it may work miracles.**

Amazing Results WATCH your eliminations from your bowels two or three days after you start using **GEO-MINERAL.** The waste, black as coal, will break away and you will SEE IT! Also examine your urine. You may see impurities—poisonous waste—coming out of your kidneys, and feel the relief. Be sure to watch for all this to realize its priceless value.

GEO-MINERAL is not a medicine, and does not interfere with the foods in the intestines. It acts down to the roots, cleaning and purifying, throwing away poisons—gas, toxins and bloating. Not like physics, oils and cathartics do, but in a Natural, harmless, safe way.

WHEN the poisons are out of the system, and the kidneys are pure, when the gas, acids and toxins, that cause acid conditions in the blood, are gone, we begin to feel the rheumatism and arthritis leaving us, and Nature starting to complete the recovery.

Our Guarantee WE URGE you to try **GEO-MINERAL.** Come to this drug store NOW and get one bottle. Use it seven days. If you are not 100 per cent satisfied, we will refund your money in full. TRY IT! It may be the remedy you NEED! . . . and making the best investment for your health. It may do wonders for you—make you feel, eat, sleep, work and enjoy life better.

SPASTIC CONSTIPATION—Pin-ching down of the descending colon. This condition often caused by over use of harsh cathartics, physics. **GEO-MINERAL** Retail Price 1 Bottle \$1.10 6 Bottles \$6.00

ECTC Frosh To Meet Rocky Mount; Hard Game Expected

By JACK HEDGEPEETH
Hardened by three days of heavy work against the Varsity, the ECTC frosh took it easy today in preparation for their season's opener against the Rocky Mount "Blackbirds" there Friday night at 8 o'clock.

With rain forcing the squad indoors for the morning session, Coach Howard Porter ran his charges through a two-hour signal and defensive drill, brushing up the rough spots that appeared in yesterday's scrimmage.

Sparking the JV's in scrimmage have been Johnny Smith, quarterback, and Ike Davis, half-back. Smith, a 165-pounder from Portsmouth, Va. is a heat runner and possesses a clever hand for passing, while Davis has shown skill in broken-field running.

A boy who may cause Rocky Mount a lot of trouble is left-end Sam Stell, of Tarboro. Stell stands at 6 ft. 2 inches, and manages to pull in anything within finger-tip distance.

Led by Don McKenzie, a 200-pound tackle from Roanoke Rapids, the JV's forward wall averages around 185, with the heaviest man in the backfield tipping the scales at 188.

Coach Porter warned his "Baby Pirates" that the Rocky Mount tilt would be the toughest of the year and that they must play heads-up ball all the way against the Eastern Conference school to get a win.

Plyler's Boasts 6,498 Square Feet Of Floor Space And Special Self-Service Furnishings

Plyler's Super Market, the most complete and most modern self-service super market in Eastern North Carolina, will have its formal opening tomorrow morning at 8:30. The market, located at 205-07 Evans Street, is furnished throughout with the latest available equipment for shoppers' convenience and for the handling of large amounts of name brand foods, meats and produce.

The locally owned and operated giant food store will be managed by L. L. Plyler with Claude A. Plyler, Jr., both of Greenville, as assistant manager. Manager Plyler has had some six years' experience in super market and food wholesale business, being connected with the Katner supermarket of Salisbury for several years, and also super markets in Kannapolis and Albemarle. For two years Plyler was with Thomas and Howard wholesale company. Before coming to Greenville he served 23 months with the army in Germany.

Assistant Manager Claude Plyler, Jr. is a graduate of Greenville high school and a veteran of naval service. He attended the University of North Carolina before transferring to ECTC where he is completing work on his degree in commerce.

The new super market which contains 6,498 square feet of floor space is furnished with firwood fixtures in natural finishes, has a 38 foot meat display counter, a 30 foot self-service fresh vegetable and produce counter, and is lighted throughout with fluorescent lights. The plant also has two large cold storage lockers for meats and for produce. In the rear of the store there is ample parking space for customers. There will be entrances from the back as well as the front of the store, and check-out cashiers at both exits. There will be entrances to the parking lot from Second St. and Cotanche St. by Scott's Cleaners. After January 1 additional parking space will be available beside the store on a lot facing Evans Street.

The store will be operated on a self-service basis except for certain portions of the meat department. There will be five cashiers to check out customers after purchases have been made.

Included in the super market's complete furnishing are modern rest rooms for both white and colored. For the past few days representatives of the leading name brand foods have been at Plyler's arranging attractive displays of their respective products for the opening.

Wilson, Kinston Win First Tilts

By the Associated Press
Wilson and Kinston were the winners as playoffs in the Coastal Plain League began last night.

Lefty Grant Eoff limited Tarboro to three hits and struck out 15 as Kinston defeated the Tars 5-1.

Wilson took a 3-1 victory over New Bern as Lefty Monk Webb received excellent fielding support from his teammates. New Bern out-hit the Tobs, 7-6.

Tribe Of Red Men To Observe 45th Year

The local Tribe of Red Men will celebrate their 45th anniversary on Friday night Sept. 12th.

There will be a meeting in the Lodge Room at 7:30 p.m. after which the membership will go to Clark's across the river where they will have refreshments.

Beginning at 9:30 p.m. will be a thirty-minute broadcast over WGTC, featuring outstanding quartets.

During the period this Tribe has been recognized in the Great Council by having furnished three Great Sachems and several appointed Great Chiefs.

At present the Tribe has a membership of about 200.

NCEA MEETING ON WEDNESDAY

Superintendent Of Elizabeth City Schools New President

Joe McCracken, superintendent of the Elizabeth City Schools, was elevated from the vice-presidency to president of the Northeastern Athletic Conference at their annual meeting held here last night at Respass. He succeeds Mr. O. E. Dowd, principal of the Roanoke High School, who served as president during the past year.

Other officers elected were Joe Talley, principal of the Roanoke Rapids High School, who was elevated from the office of secretary and treasurer to the vice-presidency, and Joe Korngay, principal of the Washington schools, who was named secretary and treasurer of the organization.

The meeting, which was in the form of a dinner meeting, was presided over by Mr. O. E. Dowd, the retiring president, who opened the meeting and who immediately turned the meeting over to Mr. McCracken upon his being named president.

The conference, which is composed of the following towns in Eastern North Carolina—Elizabeth City, Kinston, New Bern, Edenton, Roanoke Rapids, Tarboro, Washington and Greenville—had representatives from each town in attendance and discussed at length the plans for the coming football season and also plans for basketball and baseball.

The proposed constitution as drawn up by the Rules Committee of which Frank Mock of Kinston was president, was adopted by the members after undergoing several changes in the wording of the text and the adding of several amendments. The constitution as adopted was divided into eight parts—the Organization, Regulations, Penalties for violation of eligibility rules, Officials, Championships, Tournaments, Committees and Amendments.

The members voted unanimously to hold the annual Northeastern Conference basketball tournament again this year at East Carolina Teachers College and the basketball tournament committee will name the date in the near future. Mr. Walter Jones of Farmville, director of the Eastern Carolina Officials Association spoke briefly to the members in regard to the football plans for the coming season in regard to the various rules and the naming of officials for the coming conference games.

MANY NEVER SUSPECT CAUSE OF BACKACHES

This Old Treatment Often Brings Happy Relief

Many sufferers relieve nagging backache quickly, once they discover that the real cause of their trouble may be tired kidneys. The kidneys are Nature's chief way of taking the excess acids and waste out of the blood. They help most people pass about 3 pints a day. When disorder of kidney function permits poisonous matter to remain in your blood, it may cause nagging backache, rheumatic pains, leg pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, headaches and dizziness. Frequent or scanty passages with smarting and burning sometimes shows there is something wrong with your kidneys or bladder.

Don't wait! Ask your druggist for Doan's Pills, a stimulant diuretic used successfully by millions for over 60 years. Doan's give happy relief and will help the 16 miles of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.
