

BOMB HURLED AT CONSULATE IN JERUSALEM

Explodes In Garden Outside American Building; No Clue To Terrorist

Jerusalem, Oct. 13—(AP)—A woman employee in the American consulate in Jerusalem was slightly injured today by a bomb explosion which blew in upstairs windows of the building and littered the interior with plaster.

Police officials said the bomb had been tossed over the wall of the compound surrounding the consulate and had exploded in a garden outside the building.

The injured woman, who walked from the building holding her handkerchief to a bleeding nose, was identified as Mrs. Ethel Delevy, formerly of Boston, an American citizen employed in the consulate mail room. Consulate officials said she had suffered "only a scratch."

A Palestinian woman, identified only as Mrs. Pielpel, who was employed in the mail room with Mrs. Delevy, was badly shaken and hysterical, but was uninjured.

Consul General Robert Macatee was in conference with the Palestine high commissioner at the government offices when the blast occurred. Other consular officials remained at their posts while the debris was being cleared away.

There was no immediate clue to the identity of the bomb hurler, but observers expressed belief the bombing was intended as reprisal for the United States' decision, announced Saturday in the United Nations, to support proposals for partition of Palestine into separate Jewish and Arab states.

It was the second consulate bombing in Jerusalem within 24 hours. The door of the Polish consulate was blown in yesterday.

State May Have Television Net

Greensboro, N.C., Oct. 13—(AP)—The president of the National Broadcasting System for the N.C. television network in North Carolina and South Carolina by the end of next year.

Niles Trammell of New York told a weekend meeting of top N.B.C. executives at the nearby Sedgwick Inn that the chain hopes to install television service between Richmond and Atlanta by the end of 1948.

GIs Interested In Skirt Length

London, Oct. 13—(AP)—Rep. Margaret Smith (R-Me.), member of the House Armed Services Committee, said today she had asked scores of GIs in Europe what they wanted to know about things back home and their top priority question had been:

"What about those long skirts?" Asked for the GI's reaction, she added:

"They don't like them."

State Fair To Open Tomorrow In Raleigh

Raleigh, N.C., Oct. 13—(AP)—North Carolina's annual State Fair—bigger than ever before—will open tomorrow for a five-day stand.

Hundreds of persons were busy at the fairgrounds today getting exhibits ready to compete for a record-breaking \$25,000 in premiums being offered for the prize-winning products.

Communist Campaign

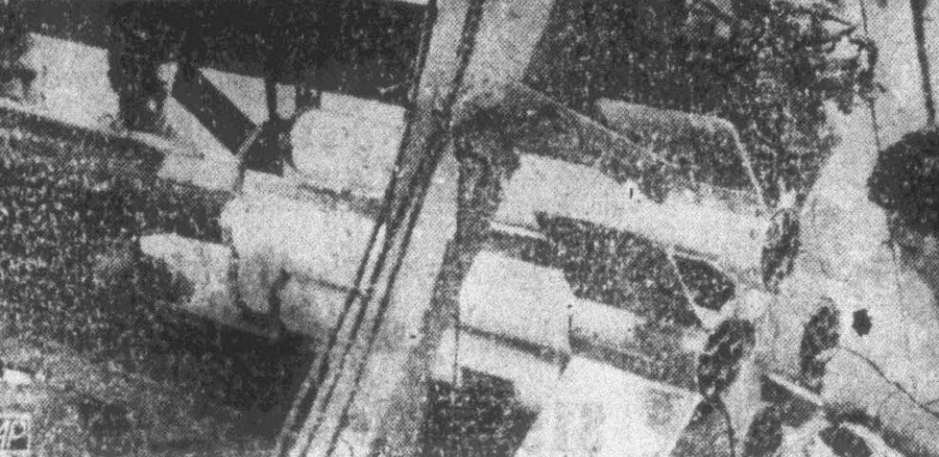

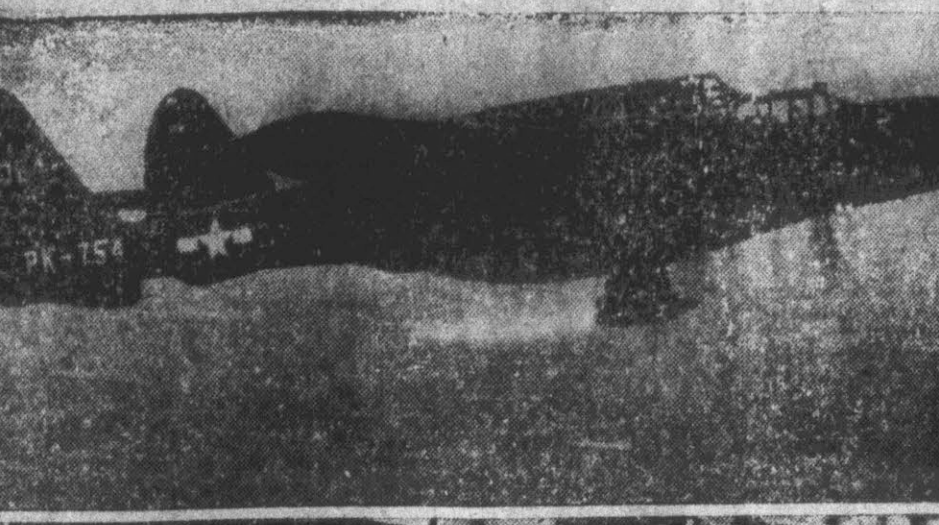

Offensive In Orient, Europe And Latin America Highlighted Last Week's Events; Korean Proposal; Austrian Treaty Bogged Down, And 'Incident In Chile'

By DEWITT MACKENZIE

About a fortnight ago the Soviet Union placed before the joint American-Russian commission on Korea the extraordinary proposal that both nations withdraw their military forces from that strategically situated country and let the Koreans form their own government.

It was a naive suggestion—remission of the famous invitation to the fly to walk into the spider's parlor. The Bolsheviks already were credited with having Sovietized the northern half of Korea which they occupy, and to be prepared to perform a similar task for the southern part under American occupation. This would place the Koreans under Red domination and give Moscow one of the world's most important military bases—this despite the fact that the great powers during the war promised Korea her independence.

Here's Ram Jet Projectile That Flies 1,500 MPH

This P-61 "Black Widow" plane (top) is used at Cleveland, O., as a flying laboratory to test ram jet engine, shown on plane's belly. Such an engine is used to project flying missile, not planes, up to 1,500 miles per hour. The "Black Widow" uses its own engines to attain speed near 400 miles per hour. Then with the plane's gasoline engines still operating, the ram jet is turned on and tested. The jet engine does not power the plane by itself. This is an official NACA photo. Await Statements On Partition Plan

Delegate In Soviet Bloc And Arab Spokesman Believe USSR Will Support Division Of Palestine Into Two Separate States

Lake Success, Oct. 13—(AP)—A leading non-Russian delegate in the Soviet bloc and an Arab spokesman said today that Russia was ready to support the proposed partition of Palestine into separate Jewish and Arab countries.

A United Nations secretariat source said, meanwhile, that Yugoslavia and Britain had scratched themselves from the speakers' list for today in the 57-member Palestine committee of the United Nations assembly.

This would place the Russian policy statement first for delivery in the Palestine committee when it convenes at 3 p. m.

The speakers' list had called for statements from Yugoslavia, Britain, Russia, Haiti, Afghanistan and Saudi Arabia.

The Slav source commenting on the Russian position toward Palestine said the Soviet Union had concluded that partition was the only

New Threats On Life Of Cabinet Member

London, Oct. 13—(AP)—A Foreign Office spokesman said today there had been a revival of threats against the life of Foreign Secretary Ernest Bevin.

The British Press Association said detectives guarding the foreign secretary had been told he "might be attacked by terrorists."

Turkish General At Fort Bragg

Fort Bragg, N.C., Oct. 13—(AP)—General Salih Omurtak, chief of staff of the Turkish armed forces, received a 17-gun salute when he arrived today for an inspection of Fort Bragg. He was accompanied by Brig. Gen. Rustu Erdelhan and Maj. Gen. Saim Onhan.

The band of the 82nd Airborne Division played the national anthems of the United States and Turkey as the group arrived on the first stop of a 9,000-mile tour that will carry them on an inspection of Army and industrial installations throughout the United States.

Premier Begins Austerity Plan

Athens, Oct. 13—(AP)—Premier Themistoklis Sofoulis announced tonight an austere economic program, including a prohibition against the import of all luxury items, to balance the Greek budget.

He called on the Greeks in a radio address to "rally against the threatened tyranny of the minority, serving foreigners," and declared guerrilla operations were slackening in intensity.

Announce Engagement
Elko, S. C., Oct. 13—(AP)—The engagement of Miss Jean Crouch and Gov. J. Strom Thurmond of South Carolina was announced here yesterday.

The announcement by Mr. and Mrs. Horace J. Crouch of Elko, Miss Crouch's parents, said the wedding would take place November 7 at the Executive mansion in

Russians Lose Series Of UN Elections On Balkans

Lake Success, Oct. 13—(AP)—Russia today lost her fight to have the United Nations order immediate withdrawal of American and British troops from Greece. The Russians also lost on a move to have the U. N. lay blame for the Balkan troubles on the United States, Britain and Greece.

The Russian defeat came when the 57-nation political committee of the United Nations assembly rejected the first section of a Soviet resolution which was intended to establish responsibility for the Balkan troubles.

The vote was 39 against and 7 for, with 10 abstentions.

India voted with Soviet Union and the five Soviet bloc countries in favor of the Russian move.

The committee then proceeded to vote paragraph by paragraph on the remainder of the Soviet resolution.

Russia's Andrei Y. Vishinsky denied that the Communist International had been revived and advised British Minister of State Hector McNeill to take something to calm his nerves.

"There is no comintern," Vishinsky declared after McNeill had referred to a possibility that the "Comintern is now back in full force."

Turning to McNeill, Vishinsky shouted: "You have hallucinations. You have nightmares."

"Why don't you take some adrenalin or other medicine to calm your nerves? What are you afraid of?"

Vishinsky said he could assure McNeill that the old Comintern had a much broader membership than the Communist parties from nine nations which recently met secretly in Poland and set up an "information bureau" in Belgrade.

Vishinsky's statement was made in the committee where Britain had charged that Russia's demand for withdrawal of foreign troops from Greece "is no more than a piece of political propaganda."

The British declaration was made by McNeill after hearing Vishinsky and five of Russia's followers attack Britain and the United States for what they called intervention in Greece.

AFL TAX HIKE IS SUPPORTED

Leaders Get Behind Program To Finance "Educational" Work

San Francisco, Oct. 13—(AP)—The AFL leadership got behind a proposal today to collect a million dollars more annually from member unions to finance a far-fung "educational and public relations program."

An increase in the per capita tax on the AFL's 7,600,000 members to three cents apiece was recommended by the 15-man Executive Council and will be acted on by the convention before it adjourns Thursday night. The tax now is two cents a member for the first 200,000 members in a union, and one and one-half cents per member in excess of that number in the bigger unions.

The funds thus raised would supplement special contributions and expenditures in next year's presidential election campaign. That will be different, the AFL's official spokesman said.

Earlier, the council announced it was recommending creation of "Labor's Educational and Political Fund" which appeared to be closely similar to the CIO's Political Action Committee both in organization and objectives.

AFL President William Green said the AFL would not endorse a party as such, but left the way open for formal backing of a presidential candidate under certain circumstances.

Mayor Gives Salary To Nat'l Guard Unit

Asheboro, N.C., Oct. 13—(AP)—Mayor W. C. Lucas has donated his year's salary of \$600 to the Randolph County National Guard unit.

Two guard officers told the City Council \$1,200 was needed to equip an armory and only \$600 was available from emergency funds of the city budget. Mayor Lucas made up the difference.

Fiery Object Explodes In Mexican Mountains

El Paso, Tex., Oct. 13—(AP)—A flaming object which soared over the Texas-Mexico border and crashed near the Zamaquia Mountains of Mexico with a loud explosion and billowing smoke remained a mystery today.

The point of impact was said to be less than 10 miles from where an off-track V-2 rocket crashed south of Juarez May 29.

Public relations officers at the White Sands, N.M., proving grounds said no V-2 rockets have been fired since Oct. 9.

Military officials at air fields and other installations in the southwest said that no guided missiles had been fired yesterday and that no rocket planes were missing from fields in the area.

Two persons claimed to have seen the fiery object and others in the Fabens, Texas, area 28 miles away, heard the explosion.

The explosion occurred at approximately 9:30 a. m. Mexican time (8:30 MST) yesterday.

MARSHALL TO SPEAK BEFORE CIO MEETING

Convention Opens With Note Of International Importance Developing

Boston, Oct. 13—(AP)—A Catholic archbishop today asked the CIO to support such parts of American foreign policy as will provide "food, money, coal, clothing, friendship and faith" for the needy of the world.

This plea—by Archbishop Richard J. Cushing of Boston—opened a CIO convention that is fast taking on international importance.

Secretary of State Marshall was the hottest topic as 600 or more delegates gathered for the first session.

In the midst of an international crisis, the CIO leadership invited Marshall here. He accepted yesterday and will speak Wednesday.

On all sides, this is being interpreted as a slap by the CIO at the Communists—within the CIO and elsewhere—who have been attacking Marshall and American motives in helping Europe.

Archbishop Cushing in his address praised the CIO and organized labor generally.

He said he hopes the CIO with its "great far-reaching prestige" will back the "human war" on hunger and fear abroad. He called for "non-political" aid to "all the needy of the world who turn to us."

All indications are that the CIO convention will endorse just such a non-political program.

Further, leaders in the CIO's right-wing majority are convinced that the invitation, its acceptance and the speech itself would have an important effect on European workers and increase the U.S. government's prestige in labor circles abroad.

According to this view, many European workers will be impressed by the fact that the CIO is friendly to Marshall, who is being denounced in pro-Soviet propaganda.

Planes Held Up By Stray Horse

Chicago, Oct. 13—(AP)—A stray horse got off the beam last night and stopped operations at Chicago's municipal airport for 30 minutes.

The horse appeared on the field suddenly, flicked its tail assembly, and without clearance from the control tower, galloped around the busy runways.

Thirty planes were held in the air awaiting an unobstructed runway. Air takeoffs were delayed while a squad car took off—to round up the frisky nag. The chase took a bit of squad car ground-looping before Dobbin finally was brought to halt.

Seven Killed In Farmhouse Fire

Mount Union, Pa., Oct. 13—(AP)—A 29-year-old woman, Mrs. Alberta Ruby, and six of her nine children were killed as a flash fire swept through their small frame farmhouse near here.

Corner James J. B. Shore said the children all perished in the charred wreckage of their home while Mrs. Ruby died several hours after the fire Saturday night.

The blaze apparently started, Short said, as Mrs. Ruby was attempting to start a kitchen stove and a can of kerosene was overturned.

A Quiet Convention

CIO Convention Opening Today Will Be More Or Less A Rubber Stamp Affair, Big Issues Ironed Out Beforehand; The Executive Board And How It Operates

By JAMES MARLOW

Boston, Oct. 13—(AP)—The CIO convention opened here today and will continue all week. But don't expect sensational scenes.

The problems which might have caused a bad rumormongering about themselves beforehand by CIO's top officials.

This may make it seem that the convention itself will be pretty much of a rubber stamp to approve what the top officials have already agreed upon. That's about right.

There'll be some speeches, and maybe arguments, and the delegates from the CIO's 41 unions seem pretty sure to do some things like these:

Vote a blistering criticism of the new Taft-Hartley law and of high prices and perhaps a vote in favor of this country's foreign policy.

That doesn't mean anything will be done at the convention.

Here the CIO may start the wheels rolling to get out a big CIO vote in 1948 to defeat the congressional who voted for the Taft-Hartley Act.

And the convention delegates may vote in favor of bringing back price controls. (That doesn't mean Congress will do it just because the CIO might want it done.)

But why this expected quiet at

Christian Science Service

"Are Sin, Disease and Death real?" was the subject of the lesson-sermon in all Christian Science Churches and Societies on Sunday, October 12.

Golden Text from Psalms 68:20: "He that is our God is the God of salvation; and unto God the Lord along the issues from death."

Among the citations comprising the lesson-sermon were the following from the Bible: "Touching the Almighty, we cannot find him out; he is excellent in power, and in judgement, and in plenty of justice; he will not afflict." (Psalms 27:23). And from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "God is the lawmaker, but He is not the author of barbarous codes. In infinite Life and Love there is no sickness, sin, nor death, and the Scriptures declare that we live, move, and have our being in the infinite God."

Mrs. Marion Haywood Gibson

Gibson-Hobgood
Miss Betsy Hobgood, daughter of Mrs. Archibald Emmitt Hobgood and the late Mr. Hobgood of Greenville, and Marion Haywood Gibson, son of Mr. and Mrs. Francis Duran Gibson, were united in marriage in a candlelight ceremony at the Memorial Baptist Church in Greenville at half after four o'clock Saturday afternoon, October 11.

The Rev. Richard E. Hardaway, pastor of the bride, performed the double ring ceremony.

The church was decorated with baskets of white gladioli, ferns, and white tapers in seven branched candelabra.

Mrs. Norman Wilkerson of Rockingham, cousin of the bride, sang "Through the Years" and "Always." She used "O Perfect Love" as a benediction. The wedding music was played by Mrs. Edwin G. Moor of Durham.

The bride was given in marriage by her uncle, Hugh Sutton Ragsdale, of Greenville. Her wedding gown of white slipper satin was designed with fitted bodice fastened in the back with self-covered buttons, sweetheart neckline, and long fitted sleeves which ended in points over the hands. Her full skirt with a bustle extended into a circular train, and her fingertip veil of imported illusion fell from a coronet of seed pearls. The bride carried a bouquet of white roses showed with lilies of the valley and centered with a purple orchid.

Mrs. J. G. Murphree of Washington, N. C., was her sister's maid of honor, and Miss Frances Hobgood was maid of honor. Mrs. R. J. Alford of Laurinburg and Miss J. Alice Gibson, sister of the bridegroom, were bridesmaids.

The bridal attendants wore identical gowns of ice blue tulle with dropped shoulders, fitted bodices, and full skirts. They had matching tulle ruffled headbands. The maid and matron carried arm bouquets of American Beauty roses, and the bridesmaids carried yellow roses. All of the attendants wore simple strands of pearls.

Dr. Francis D. Gibson, Jr., of Fairmont, was his brother's best man, and ushers were R. J. Alford and Walter Nicholson, Jr., of Laurinburg. Jimmie Pate, Jr., of Gibson, and No. 10 Wilkerson of Rockingham.

The mother of the bride wore a black crepe dress with multi-colored sequin trim on the sleeves, black accessories, and a corsage of red roses. The bridegroom's mother was attired in black trimmed with silver sequins, and her corsage was also red roses.

Following the ceremony Mrs. A. E. Hobgood, Miss Frances Hobgood, and Mr. and Mrs. I. G. Murphree entertained at an informal reception at the Hobgood home for members of the families and out-of-town guests. Mrs. H. S. Ragsdale and Mrs. John E. Carroll greeted the guests. Receiving with the bride were the bride couple, the bridegroom's mother, the bride's attendants, and the best man.

Mr. and Mrs. B. Farley presided at the register, and Mrs. Edwin J. Moore of Durham was in the gift room. Mr. and Mrs. Cecil Bilbro and Mr. and Mrs. Norman Wilkerson served punch from each end of the table in the dining room. Assisting in serving bride cakes, mints, and nuts were Miss Martha Yarborough of Louisville, and Misses Margaret Johnston and Ruth Taylor.

The home was decorated with arrangements of multi-colored dahlias and chrysanthemums and was lighted throughout with tall white tapers.

In the dining room the table was covered with a cutwork cloth and centered with a crystal bowl of white dahlias. The centerpiece was flanked by tall white tapers in three-branched candelabra, and tall white tapers and bowls of white chrysanthemums were used on the buffet and serving table. The mantle was centered with a miniature

bride and bridegroom surrounded by sprays of ferns and white ribbon.

Immediately after the reception the couple left for a wedding trip to New York and through the Shenandoah Valley. For traveling, the bride wore an azure aqua imported gabardine suit. Burmese tan hat trimmed in matching feathers, Burmese tan satin blouse, and reptile bag and shoes. To this outfit she added the orchid from her bridal bouquet and Kolinsky furs.

Mrs. Gibson is the granddaughter of the late Prof. and Mrs. W. H. Ragsdale of Greenville. She was graduated from Greenville high school and East Carolina Teachers College. She taught in High Point for several years and at present is a member of the faculty of the Laurinburg high school.

Mr. Gibson attended Oak Ridge Military Institute and served in the Marine Corps during the war. He is connected with the New York Life Insurance Company in Laurinburg where the couple will be at home.

Among the out-of-town guests in Greenville for the wedding were Miss Rosalie Covington, Miss Annie Lea Rose, Miss Blanche Thies, Mr. and Mrs. Quinn Covington, Miss Hazelene Smith, and Miss Bernice Eilers of Laurinburg; Miss Dot Hunt, Mr. and Mrs. R. L. Hobgood, Miss Ertly Knott, Miss Peggy Brewer, Mrs. Sophie K. Brewer, Mr. and Mrs. N. A. Hobgood, Miss Scott Hobgood of Kingston; Mr. and Mrs. Cecil Cooke, Miss Martha Caroline Cooke, Cecil Cooke, Jr., Mr. and Mrs. Casper B. Baldwin, Mrs. S. H. Hobgood of Durham; Mrs. Penton Atkins of Charlotte; Mr. and Mrs. Francis D. Gibson, Miss Janice Gibson, Mr. and Mrs. Jack Cooper, Miss Shirley Cooper of Gibson, Miss Martha Yarborough of Louisville, Mr. and Mrs. J. C. Moore of Raleigh; Mr. and Mrs. Mack Rogerson of Bethel, Mr. and Mrs. Alvin M. Hasty of Robersonville, Mr. and Mrs. R. J. Alford of Laurinburg, and Mr. and Mrs. Jimmie Pate and Mr. and Mrs. Dusty Odum of Gibson, Mr. and Mrs. L. F. Penney of Richmond, Va.

Mr. and Mrs. Cecil Bilbro entertained members of the bridal party and families and out-of-town guests at a breakfast at the Airport Inn at 11:30 Saturday morning.

The bridal motif was emphasized in the white and green decorations and with a miniature bride and bridegroom. The bride's place was marked with a corsage of white roses.

Around 35 guests attended the four course breakfast.

Mrs. H. S. Ragsdale and Mrs. John R. Carroll, aunts of the bride, honored the bride couple at a cake cutting following the wedding reception on Friday night. The party was held at the home of Mrs. A. E. Hobgood.

The home was decorated with fuchsia dahlias and white mums. In the dining room the table was covered with a lace cloth and centered with a five branched silver candelabra holding white tapers. The three tiered wedding cake was at one end of the table and was topped by a miniature bride and bridegroom. It was served by Mr. and Mrs. I. G. Murphree. Mr. and Mrs. Cecil Bilbro served punch from a crystal bowl at the other end of the table.

On Thursday afternoon the bride was honored at a bridge party given by Mrs. Carl Womack at her home in Wilson. Arrangements of colorful fall flowers were used.

The hostess served iced drinks soon after the guests arrived. After several progressions of bridge, high score prize was awarded Mrs. Paul Scott, Jr., and second high went to Mrs. J. G. Murphree. The bride was presented a hand painted serving tray and she also received the low score prize.

Mrs. Womack served a salad course, ice tea, and bride cakes.

Mrs. Paul Scott, Jr., was hostess, complimenting Miss Hobgood at a bridge party and surprise kitchen shower at her home here on Tuesday night. Upon arrival guests were served iced drinks.

Many individual prizes were awarded for slams, honors, and individual hands. The high score award went to Miss Jane Smith.

The hostess presented the honoree with a tablecloth, and the guests showered her with kitchen gifts.

Mrs. Scott served ice cream and bride cakes and nuts. Her home was decorated with white and purple dahlias.

Strength FOR THE DAY

Not the Hands But the Works
How can one go about to adjust
a clock which is either losing or
gaining time?

It does no good to move the hands
of the clock either forward or back.
The trouble is not in the hands but
in the works. Sometimes lengthening
or shortening the pendulum may
help. Usually the clock has to be
taken to a skilled workman, who
will go into the works and locate
the cause of the trouble. Perhaps
the clock needs to be cleaned. Or
again, a part has worn out. Or there
may be something the matter with
the mainspring.

In trying to make our characters
better, the same technique holds
good. We waste our time when, in
trying to correct their behavior or
to help others to correct theirs, we
believe every act lies an impulse,
and these impulses have their roots
deep down in our souls. To try to correct
an act without dealing with the
impulse which caused the act is to
waste one's time with the hands
of the clock rather than with the
works of the clock.

Sometimes the works of the clock
need to be cleaned, and that may
be the trouble with our inner lives.
Or perhaps something has worn out
within us which needs to be re-
placed, or perhaps there is some-
thing the matter with the main-
spring, which in human personality
is the soul.

WASHINGTON LETTER

Washington. — It's usually the
French who open the "diplomatic
season" in the Capital with a huge
reception at the embassy on Kalo-
rama Road.

This year, Ambassador and Mme.
Henri Bonnet invited about 1,000
top-drawee capitalists to meet the
Minister of Foreign Affairs, and
France and Mme. Georges Bidault,
but the affair was planned with the
utmost simplicity.

Only light jules, champagne,
and little cakes were served—rather
than the American whiskey, tur-
keys, hams, salads, sandwiches, hot
hors d'oeuvre, and ice cream usual-
ly tossed to the throngs at other
parties hereabouts.

Mme. Bonnet had explained ear-
lier that when they had champagne
they could send dollars back to
France to be spent on the things the
French need.

"When we serve whiskey, the dol-
lars stay in this country," she said.
"So when our guests take a drink
of our champagne they know they
are doing a bit for France."

Mme. Bidault, good-looking and
gracious-mannered, won as much
admiration as her dynamic hus-
band.

The Second Lady of France met
her husband when both were active
in the French underground's Coun-
cil of Resistance. Their marriage
took place shortly after the San-
Francisco United Nations confer-
ence.

Monsieur Bidault was attending
the conference as France's foreign
minister. Mme. Bidault, then Su-
zanne Borel, attended the sessions
as a staff member of the French
legation.

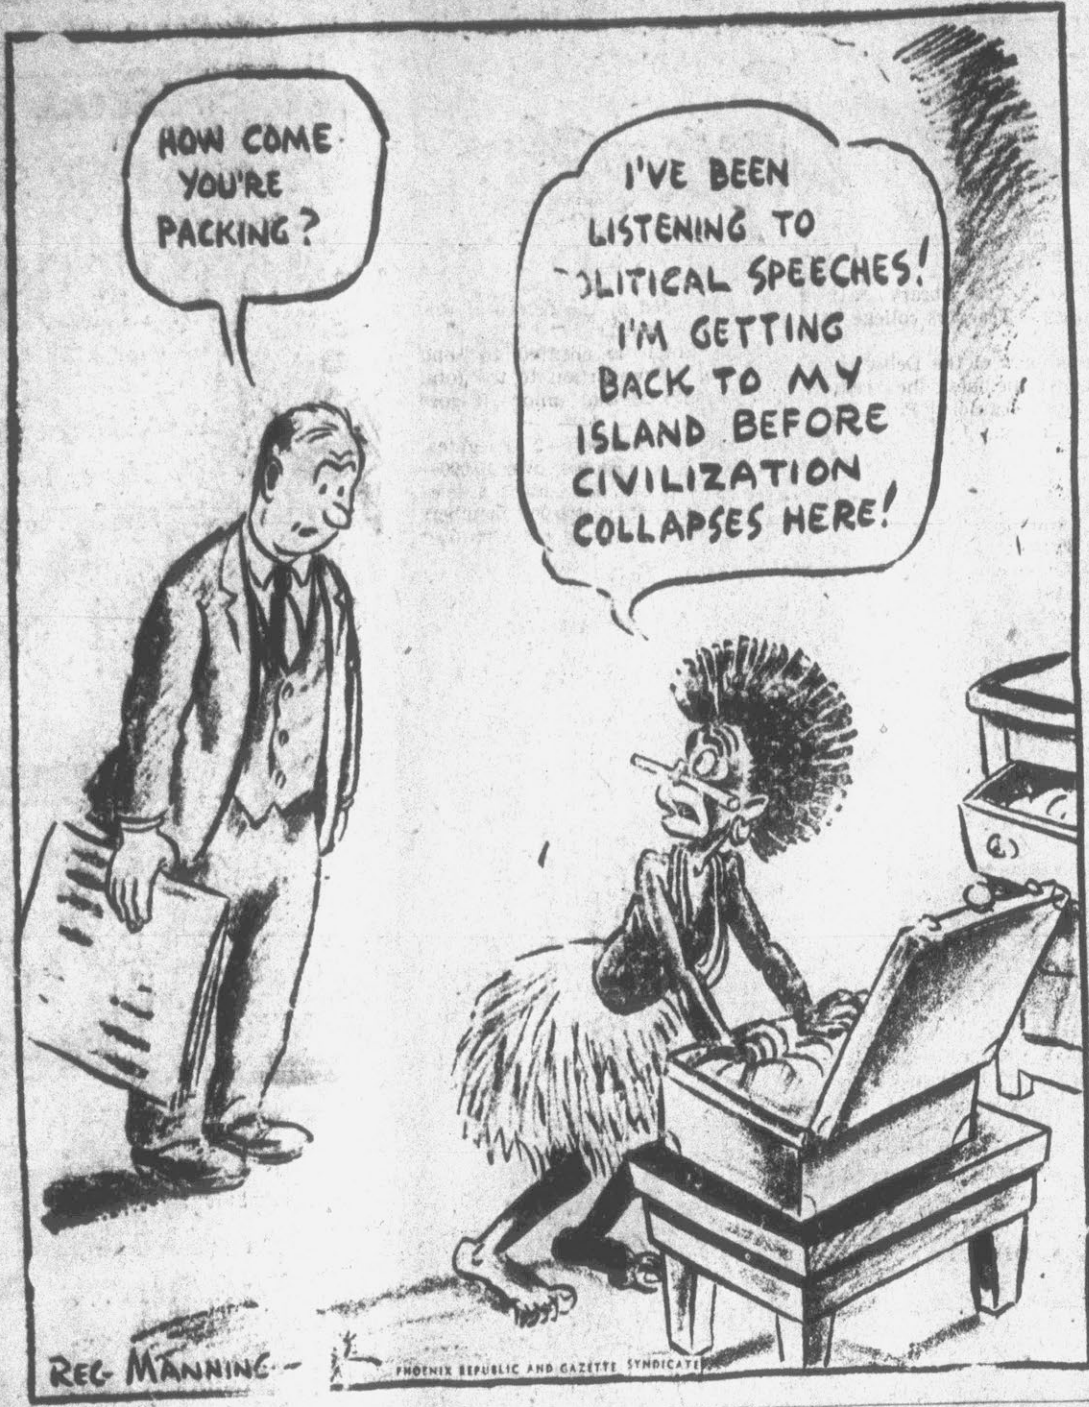

This brilliant French woman has
the distinction of being the first
and only woman admitted to her
country's diplomatic service. After
passing a stiff examination in 1936,
she gradually worked up to the po-
sition of counselor of embassy at
Paris.

The capital's highest ranking gov-
ernment officials, led by a acting
Secretary of State Lovett, and leading
Congressmen, diplomats, and Su-
preme Court justices, filed into the
red-carpeted embassy to greet the
Bidaults. Mrs. Bidault and her
hostesses smiled pleasantly, the am-
bassador and minister bowed in
courtesy fashion and kissed the la-
dies' hands as they passed down
the receiving line.

The minister gave his most en-
thusiastic greetings to former Sec-
retary of State James P. Byrnes,
who dropped in to say "hello" and
talk about "old times."

Among the early arrivals at the
function was Mrs. Woodrow Wilson,
who came with former Secretary of
Commerce and Mrs. Jesse Jones.
Justice and Mrs. Robert Jackson,
Justice and Mrs. Harold H. Burton,
as well as the Attorney General

The Little Savage

and Mrs. Tom Clark, and the Sec-
retary of Agriculture and Mrs. Clin-
ton Anderson, were also on hand.

Winterville P.T.A.

The Winterville P.T.A. held its
first meeting of the year Tuesday
night, October 7, in the school au-
ditorium. The meeting opened with
group singing of "The Star Spangled
Banner," after which the P.T.A. col-
lect was read in unison. Mr. G. D.
Cox led the devotion.

The president, Mrs. Alec Evans,
read the five objectives of P.T.A. and
urged members to keep the
objectives in mind throughout the
year. Outstanding among committee
reports was Mrs. J. O. Edwards' re-
port from the membership commit-
tee giving a total of 221 paid mem-
bers. Mrs. White's sixth and sev-
enth grade and Miss Alva Taylor's
eleventh grade won attendance
prizes of \$5.00 each for having the
greatest percentage of parents and
friends present. Mr. J. E. Hoyle pre-
sented the "National Parent Teach-
er" magazine, giving excerpts from
a current issue, and urged that
each family subscribe to it. Mrs.
J. D. McArthur gave a brief outline
of the programs as planned for the
year. The recommendation from the
executive committee to make im-
provement and maintenance of the
school libraries the main project for
the year was endorsed by the group.

A musical program of songs and
toy orchestra numbers by the ele-
mentary grades was given under the
direction of Miss Sara Brown,
fourth grade teacher.

Mr. John T. Biggers, principal,
made a financial report for the
year. He also explained the
new report card system which is
being inaugurated this year. The
outstanding feature of Mr. Biggers'
talk was his presentation of the
need for improvements and repairs
to the elementary and high school
buildings and new equipment for
both buildings. He then introduced
D. H. Conley, county superintendent,
who gave a brief account of the
expenditures of the Winterville
school district for the past 30 years
and urged the support of the pro-
posed bond issue of \$65,000, which
is to be voted upon on October 25.
Mr. Conley stated that nearly all
the indebtedness of the district has

been paid and that Winterville,
Falkland and Grifton have the low-
est school tax rate in the county,
ten cents per hundred dollars. He
said the proposed bond issue would
not be burdensome, since the road
bonds have been retired.

At the conclusion of the meeting
a social period was held in the high
school library. Punch and cookies
were served from an attractively
appointed table by Mrs. J. T. Big-
gers, Mrs. Vernon Cox, and Mrs. J.
D. McArthur.

Mrs. Susan Cox Funeral Tuesday

Mrs. Susan Alice Jackson Cox, 83,
widow of the late A. G. Cox, died at
her home in Winterville Monday
morning at 10 o'clock after a long
illness. The body will remain
at the S. G. Wilkerson & Sons Fu-
neral Home until Tuesday morning
at 10 o'clock, at which time the
body will be carried to the Winterville
Missionary Baptist Church, where
funeral services will be held at
2:30 o'clock by her pastor, the
Rev. E. G. Cole, assisted by the
Rev. W. P. Milne, Baptist minister
of Aulander, N.C., and burial will
be in the Winterville cemetery. Ac-
tive palbearers will be grandsons.

Mrs. Cox was born and reared
in Pitt County and spent most of
her life in the Winterville commu-
nity. She was the last charter member
of her church and was faithful to
the end. Mrs. Cox will be greatly
missed, not only by her family, but
by many devoted friends.

Surviving are three daughters:
Mrs. R. H. Hunsucker of Winterville,
Mrs. Herbert Jenkins, Sr., of
Aulander, and Miss Dora E. Cox of
the home; 15 grandchildren and 13
great grandchildren.

Beware Coughs Following Flu

After the flu is over and gone, the
cough that follows may develop
into chronic bronchitis if neglected.
Creomulsion relieves promptly be-
cause it goes right to the seat of the
trouble to help loosen and expel germ
laden phlegm, and aid nature to
soothe and heal raw, tender, inflamed
bronchial mucous membranes. No
matter how many medicines you

Emergency Operating Schedule To All Electric Consumers:

The Emergency Schedule which was set up, following the burn-
out of our largest generator at the power plant, has made it pos-
sible to supply electric current for refrigeration and other es-
sential needs with as little interruption as possible, notwith-
standing the fact that it is a great inconvenience to be without
complete electric service even for a little while.

Individuals and business houses generally have been very co-
operative; however, there are still a few who could, without be-
ing handicapped, be a great deal more conservative, which
would be a definite advantage to us in trying to spread the short
supply as equitably as possible over the whole system, and we
most earnestly urge everyone to use just as little current as pos-
sible. This is especially important in the evening with darkness
coming earlier each day.

Circuits will be pulled, if neces sary, at the same time or during
the same hourly periods each day, just as nearly as possible;
this provides for no service to be off more than one hour at a
time, and a strict conservation of current will definitely lessen
the out periods.

Repairs by General Electric Company are progressing accord-
ing to schedule and it is expected now that repairs will be com-
pleted by the last week in October, and you may rest assured
that we are just as distressed about the matter as you are, and
that everything possible is being done to restore complete elec-
tric service.

Your full cooperation is requested, urged and appreciated.

SAVE YOURSELF WORK

GOOD PASTURE will save you a lot of work. It is the easiest and cheapest way to feed livestock. Keep your pasture producing high quality feed throughout the season by seeding clovers and legumes well fertilized with mixtures containing enough potash. Clovers and other legumes are heavy feeders on this necessary plant food.

Consult your agricultural adviser regarding soil tests and a fertilizer which will contain the right amount of potash. Write us for free information and literature.

Pitt Farmers Urged To Plan Cotton Crop On Land Idled By Tobacco Cuts

Red Springs, N.C., Oct. 13.—Pitt County farmers were urged this week by George T. Ashford, Red Springs, president of the Carolina Ginners Association, to plan now to plant to cotton some of the 8,853 acres that will be idle next year in Pitt County by reduced flue-cured tobacco allotments.

With an expected 20 percent blanket reduction in flue-cured allotments in 1948, Pitt's tobacco allotment will be reduced from 44,264 acres to approximately 35,411 acres, Ashford said. Tobacco farmers, he added, would be wise to investigate the possibility of taking up a good portion of the reduced acreage with cotton.

Cotton is second only to tobacco as a cash crop in North Carolina, Ashford pointed out. "Inventories of cotton manufacturers are more depleted than in many years," he said, "and cotton can be planted without a complete change in farming operations. We are proud of the improved living standard of our farm people, and we cannot afford to stand by and face a 20 percent reduction in cash income, which will amount to approximately \$4,327,480 for Pitt County at present tobacco prices without making some effort to supplement this income with some other cash crop."

Great efforts are now being exerted by the National Cotton Council to increase research and consumption of American produced cotton, Ashford said. Favorable also to cotton production next year, he added, are the successful experiments with insecticides this past year in controlling the boll weevil and other pests.

Communist . . .

(Continued from Page One)

The deliberations of the United Nations. The point, of course, is that delay is calculated to give Russia a better chance of getting control of Austria, which in turn would bolster communist's hopes in Germany and Italy.

The weekend also saw Bolshevism put on seven-league boots and hop the Atlantic. Yugoslavia announced that it was breaking relations with Chile because of the latter country's

deportation of two Yugoslav diplomats who are alleged to have been fomenting labor strikes in Chile under direction of the Comintern branch established in Belgrade. Marshal Tito's government denied the charge. Apparently Belgrade acted under Russia's instructions in breaking relations, since the Moscow press simultaneously made a violent attack on Chile, which shrugged its diplomatic shoulders. The immediate result of this incident has been to give the Western Hemisphere fresh warning of the extent of the Communist offensive. A high source in the Argentine delegation at the United Nations said it might result in an agreement among Argentina, Chile and Brazil to "effect more positive measures against the Communist threat in Latin America."

Chi Pi Players Plan Production For December

The Chi Pi Players of East Carolina Teachers College will present as their first production for the college year the religious drama "Family Portrait" by Lenore Coffee and William Joyce Cowen. Two performances will be given in the Austin auditorium on the campus on December 5 and 6. If arrangements can be made, a special matinee to usher in the Christmas season will be presented for students in the public schools of Greenville.

Dr. Lucile H. Charles, director of dramatics and member of the English department at the college, will direct the play with the assistance of a group of student members of the Chi Pi organization. Last year she directed at the college three plays successfully presented by the Chi Pi group, one of which "Snow White and the Seven Dwarfs," presented for both white and Negro school children of the city, was a widely publicized community project.

Student officers of the Chi Pi Players, who will assist with the production of "Family Portrait," are Aubrey Rogers of Manteo, Lola Stephenson of Willow Springs, and

Delta Chapter Initiates Five

Delta chapter of Delta Kappa Gamma, national honorary society for women teachers, initiated five new members on Saturday afternoon, and celebrated the tenth birthday of the chapter at a meeting in the parish house of the Greenville Episcopal church. Elizabeth Walker of the library staff at East Carolina Teachers college presided.

New members of the Delta chapter, which includes the eastern counties of Beaufort, Pitt, Hyde, Pamlico, Craven, Jones, and Carteret, are Nell Stallings of East Carolina Teachers college, Emily Burt Person of Tarboro, Mrs. Phoebe Emmons of Washington, N. C., and Frances Lamb and Laura Foley of Greenville.

A birthday dinner at which ten years of accomplishment of the Delta chapter were reviewed followed the initiation ceremony. Dr. Lucile Turner of East Carolina Teachers college, president of the society and founder of the Delta chapter, was among those honored during the program.

Others taking part, charter members of the chapter, included four retired teachers—Mamie E. Jenkins of Bayview and Kate Lewis of Greenville, former members of the college faculty here; Annie Perkins of Farmville; and Mrs. Luther Herring of Greenville. Also appearing on the program were Elizabeth Hyman, Frances Wahl, Dora Coates and Emma L. Hooper of the college faculty and Oona Chandler of the Greenville high school.

Catherine Dexter of Richlands. The cast and production staff will be announced in a few days.

Quiet Convention . . .

(Continued from Page One)

to settle them quietly instead of letting them pop wide open, publicly, on the convention floor. (The executive board meets every year before the convention opens to try to smooth the convention's way.) For example:

Last week the board settled a bitter fight between two CIO unions and thus avoided the bitterness and maybe damage to the CIO which might have come if the delegates to the convention took up the fight on the floor this week.

This isn't all the executive board does. It set up committees to whip into shape the problems the board members think the CIO convention delegates should vote on.

I isn't hard to understand how this is done: Since the board is made up of officers from CIO's 41 unions, those officers are in a pretty good spot to

get the delegates from their own unions to go along with them when it comes time to vote on the floor for something the board has agreed upon.

President Murray is thus a guiding force in keeping peace and quiet within the CIO by arranging things before convention time so there will be peace.

Delegates, of course, can get up on the convention floor to vote as they please. But, if the executive board has agreed beforehand on something, the few delegates who shout defiance are likely to be steam-rollered by the delegates who follow the board.

Each union is entitled to send delegates in proportion to the total membership in that union. It goes like this:

For 5,000 members—2 delegates; over 5,000—3 delegates; over 10,000—4 delegates; and so on up to 8 delegates for the first 100,000 members and 1 delegate for each 50,000 over 100,000.

Sharks Haunted Couple Adrift In Gulf Of Mexico

Mobile, Ala., Oct. 13—(AP)—After drifting eight days aboard a small boat in the gulf of Mexico, Ed Van Buren, 53, retired photographic supply dealer, and his wife, 47, of St. Petersburg, Fla., made port here yesterday lean and hungry and with a great dislike for sharks.

"That's all we thought about," said Van Buren, "sharks. They used to swim around the boat waiting. There was a big one in particular that used to turn on his side and look me right in the eye. Yes, I'm going back and kill me some sharks."

Their motor went dead and for the couple set out October 2 from eight days they drifted with only Sneed Island, Fla., to St. Petersburg's millstore of food, water and other in their 40-foot boat, Nancy II, for supplies.

Weekend Surprise Was Wake Forest's Victory

By the Associated Press
Duke's unbeaten, but once-tied, Blue Devils return to Southern Conference competition Saturday against unbeaten and untied Maryland, while battered North Carolina invades William and Mary for a "do or die" contest.

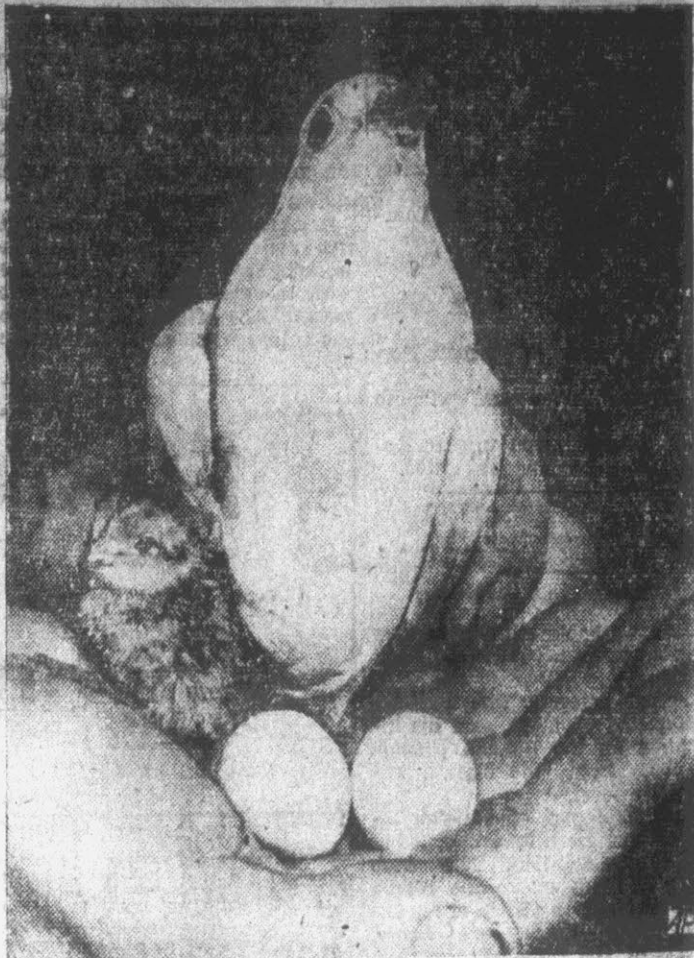

Wake Forest's Demon Deacons, gaining offensive strength every week, take on winless George Washington, and North Carolina State plays host Saturday night to a weak Florida team.

The big noise in the weekend's football activity was the almost complete collapse of the Tar Heels against the Deacons at Chapel Hill. Wake Forest won the affair, 19 to 7, and completely outclassed North Carolina at Winston-Salem.

Carolina in every department except punting. Duke was held to a 14-14 tie by a Navy touchdown in the last 10 seconds of play at Baltimore, N.C. State showed to its best advantage of the season in blanking Clemson, 18 to 0.

North Carolina, "mothered by Texas and humiliated by Wake Forest, almost has to whip William and Mary's Indians if the Tar Heels are going to salvage any of their highly regarded pre-season reputation.

The coming weekend will also provide the showdown in the North State Conference when defending champion Catawba and unbeaten and completely outclassed North Carolina tangle at Winston-Salem.

DOVE HATCHES QUAIL—A baby quail, newly hatched, nestles against a ringneck dove which nested on the quail eggs at the home of Stanley Sitta in Berwyn, Ill. Two other quail eggs from nest are shown.

Salem Saturday night. Catawba, beaten only by VMI, ran its consecutive scoring string to 70 games in whipping Western Carolina, 44 to 0, last Saturday night.

Appalachian won its third straight conference game, a 22-0 decision over Lenoir-Rhyne.

In other games last weekend High Point defeated Atlantic Christian, 33 to 0; Davidson came from behind to nip Wofford, 12 to 7; Elon edged out East Carolina Teachers, 7 to 0; and Guilford dropped a 7-6 decision to Randolph Macon.

Funeral services were held from Farmville Funeral Home Sunday at 3 p.m., conducted by the Rev. Henry Blow, Jr., Holiness minister of Black Creek. Burial was in Hollywood Cemetery here.

PIRATES LOOK GOOD IN LOSS TO ELON TEAM

Show Improvement In Holding Highly Touted Foes To 7-0 Score

By JACK HEDGEFETH

In a game sparked by the defensive play of both teams, the Elon Christians defeated the East Carolina Pirates 7-0 Saturday evening. It was the third conference tilt of the season for the local eleven and gives them a record of one win and two losses in conference play.

In losing, the Pirates continued to show improvement by holding the highly favored Christians to one touchdown. Several times the rugged ECTC line threw up a stonewall defense, just when it seemed the Christians would score again.

The game was played on a wet and soggy field, which accounted for the defensive play of both teams.

Taking advantage of an ECTC miscue on their own forty yard line, the invaders scored early in the first quarter. Bill Darby, ECTC halfback, went into punt formation on 4th down on his own 40-yard line. The pass from center was low and Elon took over as Darby was forced to run. Lou Savini went for seven yards on an end run and Jim Murry picked up three yards over center. With

the ball on the Pirates' 30 yard line, Savini broke through the line, found the way clear and galloped the distance into paydirt. Jim Huyett converted from placement and Elon led 7-0, which was the game. In the final quarter, Elon drove to the 4 yard line with first and goal to go, but the Pirates' line stiffened and held.

The Bucs threatened in the fourth when Stanley Peel recovered on Elon's 38 yard line. A series of line plunges netted four yards, and then Roger Thrift hit Jack Davis with a pass for 12 more and a first down on the 22 yard line. Elon held for four downs and took over as another Thrift-to-Davis pass fell incomplete by inches in the end zone.

Highlights of the game came in the first quarter when Bill Darby, Pirates' back, quick-kicked 71 yards, and was forced out of action.

Both teams substituted frequently. Outstanding for the Pirates were Backs Allen Berry and Henry Borneman; Ends Sam Stell and Stanley Peel; Tackles John Wyatt and Center Buck Wilson. For the Christians Lou Savini and Hugert Braxton, backs; and Lineman Claude Gentry and Arnold Melvin starred.

AMERICA'S GREATEST POSTWAR MOTOR CAR VALUES! The KAISER and the FRAZER

—AND THE LUXURIOUS NEW FRAZER MANHATTAN

KAISER

READ WHAT TYPICAL KAISER AND FRAZER OWNERS SAY ABOUT THE VALUES THEY GET FOR THEIR MONEY

Exceptional Gas Mileage—"My Frazer has performed beautifully in the mountains. On exact test it delivers over 18 miles per gallon on mountain driving."—From a Greensburg, Pa., Manufacturer.

Ease of Control—"My Kaiser is the easiest car to handle that I have ever driven—and I have given it some pretty hard tests in snow and mud."—From an Inkster, Mich., Factory Worker.

Amazing Performance—"I average about 2,000 miles a month, mostly in the lumber country where the roads are plenty rough and rugged. The performance of my Frazer has not only satisfied me—it has amazed me."—From a Los Angeles, Cal., Lumberman.

Comfort—"For riding comfort, roominess, visibility in driving, ease of handling, and pick-up, my Kaiser is better than any car I have ever owned or driven. I have driven it 6,000 miles."—From a S. Hadley Falls, Mass., Architect.

Quality Construction—"Having been a fleet truck operator for 15 years, I feel qualified to say that the component parts in my Frazer are the best to be obtained. Car can't be beat for comfort and smooth handling. It's a pleasure to highly recommend it to interested prospects who ask me about it almost every day."—From a Greensboro, N. C., Wholesaler.

Dependability—"I have driven my Kaiser 16,000 miles in just 16 weeks with practically no

time out. It is my most important piece of equipment in traveling eleven southern states."—From a Dallas, Tex., Salesman.

Economy—"I now have 13,024 miles on my Frazer. I have the nicest riding car I ever owned and as for economy—well, I get as high as 25 miles to the gallon with the overdrive!"—From an Ida Grove, Ia., Real Estate Man.

Service—"Just returned from a 3,498-mile trip through Tenn., No. Carolina, So. Carolina, Ga., Fla., Ala., and La., and found Kaiser Frazer dealers everywhere courteous, efficient and happy to have us stop—although we really did not need service. Thanks to our Kaiser, we had a perfect trip."—From a Stuttgart, Ark., Housewife.

The famous emblems pictured here identify two automobiles that are America's greatest postwar motor car values! You will see them everywhere because there are now more than 95,000 KAISER and FRAZER owners—and every month an additional 14,000 to 15,000 smart people who know values, snap up Willow Run's current production.

It is not surprising that Kaiser-Frazer has never yet been able to build enough KAISER and FRAZER cars to fill the demand. For the word has spread that these cars are priced "right"—that nowhere else can you find such postwar value! Take a look at what our owners say they are getting for their new car dollars! Some of their voluntary statements are in the lower left-hand corner of this ad. These quotations are typical of thousands just like them on file at the factory.

If you are interested in the best possible investment of your personal transportation money come and see these cars! Drive either one! Then you be the judge. You will say that you never enjoyed such a ride before—in any car at any price! And—another nice thing—Willow Run is producing 3 cars every 2 minutes. We are getting our share and are delivering now!

Both cars are serviced with genuine factory parts—wherever you go—by one of the four largest automobile dealer organizations in the world.

RAT CAMPAIGN STARTS SOON

Wednesday Morning Set For Opening Of Rat-Killing Program

City and health officials today reminded Greenville residents and operators of business establishments that a rat baiting program will commence early Wednesday morning, October 15.

It was emphasized that to make this program effective all garbage and other waste matter from residences and business establishments must be cleaned up or kept under cover. (There is a city ordinance providing that all such establishments use metal, covered garbage cans, and keep the cans clean.)

For those residences and business places having rat infestations on the extreme outlying sections of town, the prepared bait may be obtained at the city garage, on Third Street, near the railroad.

The baiting crew will concentrate its efforts in the business section of the city where the infestation is greatest. The bait used is not harmful to dogs, cats or other pets, and is lethal to rodents only.

This program is costing the city several hundred dollars, and is being pushed at a time when all available labor is in great demand on other city maintenance work, it was pointed out; and the cooperation of all citizens will be appreciated.

Deafened People May Now Hear Clearly

Science has now made it possible for the deafened to hear faint sounds. It is a hearing device so small that it fits in the hand and enables thousands to enjoy sermons, music and friendly companionship. Accented by the Council on Physical Medicine of the American Medical Association. This device does not require separate battery pack, battery wire, case or garment to bulge or weigh you down. The tone is clear and powerful. So made that you can adjust it yourself to suit your hearing as your hearing changes. The makers of Belone, Dept. 6, 1450 West 19th St., Chicago 8, Ill., are so proud of their achievement that they will gladly send free descriptive booklet and explain how you may get a full demonstration of this remarkable hearing device in your own home without risking a penny. The Slav delegate, who declined to be quoted by name, said his information on the Russian position had come from "the highest authoritative level."

A similar report on Russian intentions was given by a member of an Arab delegation. The Arab spokesman said that while Russia would support partition her endorsement would not be as strong as that of the United States. The U. S. statement was made last Saturday.
