SNYDER CALLS
FOR BALANCED
U. S. BUDGET

Emphasizes Revenue
Must Be Provided
To Finance Marshall
Aid Program

Washington, Oct. 29 (AP)—Secretary of the Treasury Snyder said today the United States should keep its budget balanced in providing any aid for Europe under the Marshall self-help recovery program.

Snyder said that not only would he like to see Congress provide revenues to cover any such aid costs, but also allow enough margin each year to apply something for reducing the national debt.

For these reasons, the treasury secretary said he is opposed to any change in present taxes until Congress decides how much aid can be provided under the European recovery plan suggested by Secretary of State Marshall.

Snyder told reporters that he is not proposing that costs of the plan necessarily be scaled down to keep it within available budgetary surpluses.

He said that he "wants revenue provided" to cover the cost of the aid—a statement that could be interpreted to mean increasing tax revenues if necessary as well as cutting down aid requests.

The 16 Western European nations who would benefit from the Marshall Plan have reported they will need \$22,400,000,000 in aid for 1948 through 1951, with the U. S. supplying most of it. Aid requirements for next year alone was set at about \$6,000,000,000.

Snyder emphasized that he meant (Continued On Page Eight)

More Movie Witnesses Refuse
Answer Famous '\$64 Question'

Washington, Oct. 29 (AP)—Movie Director Edward Dmytryk joined six other film industry figures today in declining to tell the House committee on Un-American Activities whether he is a communist.

The committee took no immediate action against the 39-year-old Canadian-born director.

It has cited for contempt of Congress the others who refused to answer its questions.

Two were cited this morning and four earlier.

The committee acted against Samuel Ornitz, a writer.

Herbert Biberman, a producer and director.

Called as witnesses in the committee's Reds-in-Hollywood investigation, these figures refused to answer questions. They took the same stand four writers had taken earlier—that the committee had no right to inquire into their affiliations or political beliefs.

The eighth day of the committee's hearings was launched with a statement from Chairman Thomas (R-NJ) that it won't stop until all the communists in Hollywood are exposed," but immediately ran into difficulties.

Before calling Screen Writer Sam Ornitz as the first witness, Thomas prepared a statement in which he referred to powerful influences that he said have sought in every manner to divert this committee from its main course of inquiry.

Ornitz is one of 19 writers and workers represented by Robert W. Kenny, Los Angeles attorney. Four of the 19 already have been cited for contempt for failing to answer committee questions as to whether they are communists.

explosive subjects in the whole civil rights field.

It urged the enactment of federal anti-lynching, anti-poll tax, and fair employment practice laws—three issues which have torn Congress with bitter struggles.

It recommended that Congress and the state legislatures outlaw segregation and discrimination based on race, color, creed, or national origin, in such places as trains, buses, schools, hospitals, theaters, hotels, restaurants, the armed services, and private employment.

It proposed that the states outlaw "restrictive covenants" by which

property owners bind themselves not to sell or lease to "undesirables."

It declared "the time is now" for three reasons: moral, economic, and international.

The committee's view of the international aspect was that "the U. S. is not so strong, the final triumph of the democratic ideal is not so inevitable that we can ignore what the world thinks of us or our record."

But the committee also expressed its concern about Communist and fascist groups and said "it is natural and proper for good citizens to worry about the activities of these groups."

It added:

"Communists and fascists may assert different objectives. This does not obscure the identity of the means which both are willing to use to further themselves."

Both often use the words and symbols of democracy to mask their totalitarian tactics. But their concern for civil rights is always limited to themselves. x x x

CIVIL RIGHTS
BODY AIMS AT
SEGREGATION

Declares Equal Facilities
For Negroes Is
Outstanding American Myth

Washington, Oct. 29 (AP)—Southern segregation is described by the President's Committee on Civil Rights as "one of the outstanding myths of American history."

The committee, which recommended that racial segregation be eliminated from American life, said segregation "has become the cornerstone of the elaborate structure of discrimination against some American citizens."

Theoretically, it added, the system simply duplicates educational, recreational and other public services, "according facilities to the two races which are 'separate but equal.'"

"It is almost always true that while indeed separate, these facilities are far from equal," the report said.

Even if facilities were equal, the committee said, "no argument or rationalization can alter this basic fact: a law which forbids a group of citizens to associate with other citizens in the ordinary course of daily living creates inequality by imposing a caste status on the minority group."

The committee said the separate but equal doctrine has failed in three "important respects":

"First, it is inconsistent with the fundamental equalitarianism of the American way of life in that it marks groups with the brand of inferior status."

"Secondly, where it has been followed, the results have been separate and unequal facilities for minority peoples."

"Finally, it has kept people apart despite incontrovertible evidence that an environment favorable to group rights is fostered whenever groups are permitted to live and work together."

"There is no adequate defense of segregation."

Some Rationing?

Washington, Oct. 29 (AP)—Republican Senator Buck said today restoration of rationing on a limited scale "might be feasible" to help Europe, but no price control.

Truman Civil Rights Group
Submits Recommendations

Committee Proposes Racial Segregation Be Wiped Out
'Now'; Urges Enactment Of Federal Anti-Lynching, Anti-Poll Tax And 'Fair Employment' Laws

Washington, Oct. 29 (AP)—A committee appointed by President Truman proposed today that racial segregation be wiped out of American life "now."

Mr. Truman's Committee on Civil Rights, headed by President Charles E. Wilson of the General Electric Company, made 35 recommendations on explosive subjects in the whole civil rights field.

It urged the enactment of federal anti-lynching, anti-poll tax, and fair employment practice laws—three issues which have torn Congress with bitter struggles.

It recommended that Congress and the state legislatures outlaw segregation and discrimination based on race, color, creed, or national origin, in such places as trains, buses, schools, hospitals, theaters, hotels, restaurants, the armed services, and private employment.

It proposed that the states outlaw "restrictive covenants" by which

property owners bind themselves not to sell or lease to "undesirables."

It declared "the time is now" for three reasons: moral, economic, and international.

The committee's view of the international aspect was that "the U. S. is not so strong, the final triumph of the democratic ideal is not so inevitable that we can ignore what the world thinks of us or our record."

But the committee also expressed its concern about Communist and fascist groups and said "it is natural and proper for good citizens to worry about the activities of these groups."

Consider Increasing U. S.
Army Experts In Greece

Military Mission Found Inadequate For Job;
No Thought Now Of Sending Troops;
Would Speed Up Work Undertaken

Washington, Oct. 29 (AP)—Government officials are considering an increase in the American military mission in Greece as a means of helping the Greek army prepare for a cleanup offensive against the Communist guerrilla forces.

Authorities said the present mission, totaling 40 officers and men, now appears to be too small to do an adequate job. The mission's assignment has been to help the Greek forces assemble United States equipment being furnished them under the "Truman Doctrine" aid program and to train the Greeks in the use of this equipment.

These authorities flatly denied, however, that there is any thought now of sending American troops to

Greece or of having any American officers participate in Greek combat operations, as was reported from some European capitals last week-end.

The belief here is rather that an increase in the military mission would simply speed up the work already undertaken and give the Greeks a morale boost in launching the offensive, probably some time this winter.

An offensive is considered essential to bring the guerrilla fighting under control and restore to Greece the minimum political stability which officials say is necessary to enable the nation to undertake an effective recovery program.

In a sense this estimate of the situation, which is now the predominant official view, recognizes the failure of a theory widely held here earlier in the year. That was that if a liberal Greek government could be persuaded to offer an amnesty to members of the guerrilla movement, the guerrilla forces would disintegrate and only the Communist core would remain.

LEAF MARKETS
CLOSED TODAY

Royster In Washington
Discussing Date
For Re-Opening

Raleigh, N. C., Oct. 29 (AP)—Five-cured tobacco markets in North Carolina and Virginia were closed today in observance of the first day of a sales suspension brought about by Great Britain's ban on tobacco imports.

Although the indefinite sales holiday was less than 24 hours old, Fred S. Royster of Henderson, N. C., head of the Tobacco Marketing Committee, was in Washington to confer with Agriculture Department officials on a date for resuming sales.

Next Monday has been advanced as a tentative reopening date.

As sales were brought to a close yesterday irregular prices prevailed on the four operating belts, one of which, the border, officially ended its 1947 season.

The Eastern North Carolina belt saw most leaf grades climb \$1 to \$5 per hundred pounds, while cutters, lugs and nondescript fell \$1 to \$2. Prices dropped for most grades on old belt, with declines generally of \$1 to \$3. Although fair lemon leaf dropped \$5.

Export leaf grades fluctuated on the middle belt, with both gains and losses ranging up to \$3.

RAIN DAMPENS
MAINE WOODS

Mother Nature Beats
Rainmakers To The
Punch In Fire Areas

Portland, Me., Oct. 29 (AP)—Mother Nature beat hopeful human rainmakers to the punch today by wetting drought-parched woodlands while dry-ice laden planes waited to take off in an effort to produce showers to end devastating forest fires in Maine.

Gentle rainfall ended at least temporarily the menace of new fires on the heels of old which have blotted out entire villages, cost 19 lives and \$32,000,000 property loss in New England.

The Weather Bureau said light rainfall would be general in the state and would continue to fall on parched woodlands well into tomorrow.

The rain was the first to fall in the state since Sept. 22, except for short traces in Portland, Calais and a few other sections. The last rain in southwestern Maine, where the racing flames wreaked the greatest damage, was on Oct. 8.

Since August 1, only two inches of rain has fallen on this area, compared with a normal of 8.90 inches.

The rain—a fall of at least several days is needed to end fire danger—came as Navy scientists planned an attempt to extinguish the fires with man-made rain—by sowing cloud formations with dry ice.

PARISIAN REDS
STAGE BRAWL

Many Injured In
Street-Fighting Between
Communists,
Police

Paris, Oct. 29 (AP)—Unofficial counts of the number injured in last night's bloody, head-cracking street fight between Communists and Paris police ranged today from 40 to 300.

The riotous street brawling, the first major political street battle in Paris since the bitter conflicts of 1936, occurred only a few hours after Premier Paul Ramadier opened his government's fight for life in the National Assembly, summoned into special session to deal with France's vexing political and economic problems.

Communists estimated to number about 35,000 responded to a call in their newspaper L'Humanite to break up an anti-Communist meeting in the Place d'Etienne, sponsored by former Senator Gustave Guethart.

They besieged the meeting place and broke through three police lines and a wooden barricade before police drove them off. The meeting, attended by about 1,500 persons was held and ended early today.

Estimates of the number injured ranged in the Paris press to as high as 150 on each side. An official police statement said eight officers had been hurt.

The assembly, which yesterday heard Ramadier attack both the Communists and Gen. Charles de Gaulle, was in recess until tomorrow, when it was expected a vote of confidence would be taken.

Farm Bureau President
Tells Of All-Out Effort

"Britain's ban on American tobacco imports rocked every element of the five-cured industry, but for the farmer himself the crisis proved beyond doubt that unless farmers are fully organized they can never hope to overcome such emergencies when they arise," Dr. M. T. Frizzelle, county farm bureau president, declared today.

As soon as the ban was announced, Dr. Frizzelle pointed out, "the North Carolina Farm Bureau and the American Farm Bureau moved quickly to pave the way for resumption of British buying."

T. Hicks, Walstonburg, North Carolina Farm Bureau Tobacco Committee chairman, went to Washington immediately to meet with U. S. and British government officials in an effort to protect the interests of the many farmers who still had huge amounts of tobacco un sold.

"R. Flake Shaw, executive vice-president of the North Carolina Farm Bureau, conferred with Washington and state officials by phone and kept in touch with the American Farm Bureau headquarters constantly. In short, the entire machinery of the state and National Farm Bureaus was geared to action to help five-cured growers to avert a catastrophe."

Dr. Frizzelle said that the all-out efforts of the Farm Bureau to restore British tobacco buying through the Commodity Credit Corporation or a similar agency emphasize the seriousness of the situation. The suddenness of the British action makes more clear than ever the need for organized strength among farmers at all times. Dr. Frizzelle said, adding that the current campaign for 100,000 Farm Bureau members in North Carolina provides the means for such organization.

"The British order to stop buying American tobacco for 'an indefinite period' is believed by agricultural

leaders to mean the import ban will last until the Marshall plan for aid to 16 Western European countries is put into effect unless a plan is developed to finance their tobacco purchases in this country," Dr. Frizzelle said. "This assumption is based on the fact that the 16 countries, including the United Kingdom, have already announced import requirements for the next four years, the period covered by the plan."

In the next year, Dr. Frizzelle said, the Marshall plan nations report they will need to import more than 2,000,000 tons of meat; over 1,000,000 tons of fresh and canned fruits, and almost 200,000 tons of tobacco. They also say, he added, that they will require imports during the same period of some 20,000,000 tons of grain; 2,545,000 tons of oil and fats, including butter and the oil content of oilseeds; and 2,062,000 tons of oil cake, including the cake content of oilseeds.

The adoption of the Marshall plan would enable American farmers to stabilize their production," Dr. Frizzelle said, "but if the farmers of this nation are to fit into the economic picture of the future as they should, they must be organized solidly. The adoption of a sound long-range farm program that will serve to give the farmer his rightful place in our general economy depends upon organization."

"Farmers of America have strength that has by no means been fully tapped, and they can incorporate that strength into action that will insure their future if they will work together."

The present Farm Bureau membership drive in the state gives North Carolina farmers an ideal means of getting together as they meet Dr. Frizzelle declared. Their success in the years to come, he said, is wholly dependent upon the action they take during this critical period.

POLES WATCH
ON FRONTIER

Keep 35,000 From
Missing; Blame
For Ills

Warsaw, Poland, Oct. 29 (AP)—Premier Jozef Cyrankiewicz told the Polish Parliament today that frontier guards had prevented 35,000 persons from illegally leaving the country this year but that opposition leader Stanislaw Mikolajczyk had managed to flee.

The premier said nothing, however, to clarify how Mikolajczyk, the leader of the Polish Peasant Party, had made his way out of the country or his present whereabouts.

Previously there had been speculation in some quarters that Mikolajczyk might have been apprehended while attempting to cross the border. The opposition leader, who apparently fled Poland in fear of his life, had not been definitely located since he dropped out of sight 10 days ago with a party of seven friends.

Cyrankiewicz declared that Mikolajczyk fled after all his hopes of "foreign intervention" in Poland had vanished.

Cyrankiewicz also told Parliament that Mikolajczyk's exit from the Polish political scene would clear the atmosphere and promote the efforts of what he described as the "democratic parties" in striving for peace and prosperity for the Polish people.

Commenting on his strange disappearance, a member of Parliament and head of the opposition Polish Peasant Party, the newspapers unanimously blamed him for everything wrong in Poland—from the drought to intolerable living conditions.

Charge Romanian
Sought U. S. Aid

Bucharest, Romania, Oct. 29 (AP)—A military tribunal indictment accused Dr. Iuliu Maniu, aged leader of the opposition National Peasant Party, today of conspiring with U. S. representatives and striving to bring about foreign intervention in Romania.

Eighteen of Maniu's associates also were on trial. They had been under arrest since summer but charges were not specified until today. (The United States had protested twice to Romania about the arrests.)

Hughes' Inquiry
To Open Monday

Washington, Oct. 29 (AP)—A subdued start appears in prospect for Monday's reopening of the sensational congressional inquiry into Howard Hughes' wartime airplane contracts.

In fixing the date for the second set of public hearings by his Senate War Investigating Subcommittee, Chairman Ferguson (R-Mich.) declined to say whether either Hughes or the Hollywood millionaire's free-spirited public relations man, John W. Meyer, will be present at the outset.

Kindness Paid
Big Dividends

Union Center, Wis., Oct. 29 (AP)—Rich dividends—\$10,000—will be paid to 7-year-old Ronny Markee for his kindness to Mrs. Effie McNamara, the elderly neighbor woman for whom he ran errands.

Mrs. McNamara's will, filed in Vernon County Court at Viroqua yesterday, disclosed she divided her \$22,000 estate in half, one share going to Ronny and the other to the caretaker at the McNamara home.

DEMOS ELECT
NEW CHAIRMAN

Washington, Oct. 29 (AP)—Senator J. H. McGrath of Rhode Island was unanimously elected today as the new chairman of the Democratic National Committee. He succeeds Postmaster General Robert E. Hannegan who resigned the post because of ill health.

The committee, apparently bent on selecting Philadelphia for its 1948 national convention later in the day, received Hannegan's resignation with regret. Hannegan formally submitted the resignation, announced weeks ago, after virtually calling on President Truman to run for election in 1948 and attacking the Republican leadership in the last Congress.

McGrath, who will be 44 next month, is a former U. S. solicitor general and governor of his state. In accepting the post, he lauded Mr. Truman's work. He said:

"With much of the world living in fear, and discouragement, Harry S. Truman has become a great inspiration of confidence. He has grasped the reins of world leadership, he has spread the spirit of neighborliness and good will among nations that are composed of men of good will. He is the beacon light to which democratic countries look for guidance into the harbors of peace and security."

Social and Personal

Mrs. J. C. Evans, 114 W. Eighth street, is in Pitt General hospital where she underwent a minor operation Monday.

Mr. Raymond T. Rogerson, member of the Greenville police force, is ill at his home, 312 Summit street.

Mr. S. G. Wilkerson is at Pitt General hospital for treatment.

American Legion Auxiliary Executive Board

The executive board of the American Legion Auxiliary will meet Thursday night at 7:30 at the home of Mrs. W. R. Jones, 518 E. Ninth street.

Birth Announcement

Mr. and Mrs. Miller Griffin announce the birth of a daughter, Sylvia Gail, on Saturday, October 25, in Pitt General hospital.

Mrs. Griffin is the former Miss Doris Hawkins of Greenville.

Special Masonic Meeting

Greenville Lodge No. 284, A. F. & A. M., is called to meet Thursday night, October 30, at 7:30, for work in the Fellow Craft degree.

All local brethren and visiting Master Masons are invited to be present. Fellowcrafts will be admitted.

L. F. STOKES, Master

A. R. ROUSE, Secretary

Mid-Week Prayer Service

Mid-week prayer service will be held Wednesday evening at 7:30 in the Ellington Bible class room of Jarvis Memorial Methodist Church. There will be a continuation of the study of "Great Prayers of the Bible" by the pastor.

Pledge Fraternity

Marcel B. Humber and James W. Lee, of Greenville, became pledges of the Sigma Epsilon fraternity at Wake Forest College, Monday night, October 20. Humber and Lee are both pursuing a general course and are freshmen.

Sigma Phi Epsilon is a national social fraternity and was founded in Richmond, Va. in 1921. The N. C. Zeta chapter was installed at Wake Forest in 1940.

Governor Hinson

Mr. and Mrs. James Adam Hinson of Virginia Beach, announce the marriage of their daughter, Miss Janet Hinson, to John Governor, USN, son of Mr. and Mrs. Jack Governor, of Baltimore, Md. The wedding took place October 24 at the Virginia Beach Methodist Church with the Rev. Robert E. Forrest, pastor, performing the double ring ceremony.

Charles L. Millard sang "Because" accompanied by Mrs. Norman Etheridge, organist.

The bride wore a brown suit with matching accessories and a corsage of Tallman roses.

Her sister, Miss Tillie Gray Hinson, was her only attendant. She wore an aqua suit with brown accessories and a corsage of bronze pom-pom chrysanthemums.

Arthur Rizes served as the groom's best man.

Mrs. Hinson, mother of the bride, wore a print crepe dress with black accessories and a corsage of white chrysanthemums.

A reception at the home of the bride followed the ceremony.

The out-of-town guests were Mr. and Mrs. Wade Brown of Smithfield, N. C., maternal grandparents of the bride; Mr. and Mrs. W. M. Pollard

of Greenville, N. C.; Mr. and Mrs. O. B. Gardner of Danville; Mr. and Mrs. Charles Schwab of Washington, D. C., and Mrs. W. H. Hinson of Greenville, N. C., grandmother of the bride.

After the reception, the bride couple left on a wedding trip to the mountains of North Carolina and Tennessee. For traveling the bride wore a white gabardine suit, with brown and green accessories. She wore Kolinsky furs and a corsage of orchids from her bridal bouquet.

Mrs. Corey is a graduate of Stokes High School and attended East Carolina Teachers College in Greenville. She is a graduate of Stokes High School and attended State College prior to entering the Merchant Marine.

Misses Leslie and Sylvia Corey and Mr. Allan Corey honored Miss Janell Whitehurst and Mr. John Lloyd Corey at a luncheon at the Air Port Inn on Saturday, October 25.

The tables were artistically decorated with ivy, centered with carnations, mums, and fern. The place of the bride couple was marked with a miniature bride and groom. Miss Whitehurst was presented a corsage of white roses.

Coca colas and ritz were served during the play and at the conclusion a sweet course was served.

On Saturday evening, October 11, Mr. and Mrs. Linwood Gurganus, Jr., entertained Miss Janell Whitehurst and Mr. John Lloyd Corey, their wedding party and a number of friends at the Rotary house in Bethel. Lighted jack-o-lanterns and other Halloween motifs were used throughout. A delicious dinner was served buffet style to around fifty guests, after which a number of games were played under the direction of Mrs. Clarence Barnhill. Miss Whitehurst was presented a corsage of yellow roses and a gift of china.

On Sunday evening, October 19, Mr. and Mrs. Andrew Carrigan entertained at a buffet dinner at their home in Greenville in honor of Miss Janell Whitehurst and Mr. John L. Corey, Jr.

Guest of Luncheon

Dr. John D. Messick, president of East Carolina Teachers college, was the guest of the Laymen's League of the Eastern North Carolina Diocese at a meeting held in the Episcopal parish house in Washington, N. C., last night.

Corey-Whitehurst

Miss Janell Whitehurst, daughter of Mr. and Mrs. B. M. Whitehurst of Stokes, and John Lloyd Corey, Jr., son of Mr. and Mrs. J. L. Corey of Robersonville, were married in a candlelight ceremony Sunday afternoon, October 26, at five o'clock in the Sweet Gum Grove Baptist Church near Stokes. Rev. R. N. Hinnant, pastor of the bride, officiated, using the double ring ceremony.

The wedding music was rendered by Miss Jean Fleming of Dunn, pianist, and Linwood Gurganus of Bethel, sang "Because," "Always" and "The Lord's Prayer."

The bride who was given in marriage by her father, wore a wedding gown of bridal satin and chantilly lace. The fitted bodice was made of lace and buttoned down the center back with miniature satin-covered buttons. Lace ruffles, edged with satin, outlined the yoke and neckline. The long sleeves ended in cala lipe points over the hands, and the full skirt extended into a court train. Her full length veil of illusion fell from a coronet of chantilly lace. She carried a bouquet of bride's roses centered with an orchid and showered with lilies of the valley.

Mrs. Andrew Carrigan, aunt of the bride, was matron of honor. She wore a dress of pink taffeta, styled with off-the-shoulder neck line, finished with a ruffle, fitted bodice and full skirt covered with matching net. Her headdress consisted of a Juliet cap from which fell a shoulder length veil. She wore matching net mitts and carried an arm bouquet of pink roses tied with blue and pink ribbon.

The bridesmaids were Misses Sylvia and Leslie Corey of Robersonville, sisters of the bridegroom, Ellen Brown of Stokes, and Lib James of Greenville.

The junior bridesmaids were Misses Mabel Ann Whichard of Norfolk and Gail Barnhill of Greenville. They wore ice blue dresses, mitts and headdresses identical to that worn by the matron of honor and carried bouquets of pink roses, tied with pink ribbon. They wore pearls, gifts of the bride.

Little Miss Jane James, daughter of Mr. and Mrs. Major James of Norfolk, was flower girl. She was dressed identical to the bridesmaids and carried a basket of rose petals. Master Frankie Whichard, son of Mr. and Mrs. Julius Whichard of Greenville, was ring bearer. He wore full dress and carried the rings on a white satin pillow covered with chantilly lace.

Allen Corey, brother of the bridegroom, was best man and ushers were Harvey Whichard, uncle of the bride, and Howard Whitehurst of Greenville. Eric Whichard, Virgil Barnhill and William Francis Tyson of Stokes and Ernest Edelen of Raleigh.

The bride's mother wore a dress of black crepe with black accessories. The bridegroom's mother also wore black crepe with black accessories. Both wore orchid corsages.

Following the ceremony, the bride's parents entertained at a reception at their home for the bride couple, members of the wedding party and friends. The home was beautifully decorated with lighted white tapers, fern, ivy, carnations, mums, and roses.

Guests were greeted by Miss Ilma Kearney and Miss Marion Nobles. Mrs. A. C. Barnhill introduced them to the receiving line which was composed of the bride's mother, the bride couple, the groom's parents and members of the wedding party.

Mrs. Frank Whitehurst, Jr., of Greenville directed the guests into the dining room. The bride's table had as a centerpiece an arrangement of white carnations and mums flanked by burning white tapers.

Mrs. D. N. Nobles presided at the punch bowl and Mrs. L. A. Barnes served bridal cakes, mints, and nuts. Assisting in the dining room were Mrs. John Whichard, Mrs. Brant Tripp, and Mrs. Clarence

Corey entertained their wedding attendants at a barbecue dinner at the home of the bride-elect.

The meal was served buffet style, after which Miss Whitehurst and Mr. Corey presented their wedding attendants gifts.

In compliment to Miss Janell Whitehurst, bride-elect, Mrs. D. N. Nobles, Jr., and Miss Betty Nobles were hostesses at a coca cola hour Saturday morning, October eleventh, at 10:30 o'clock.

They presented their honored guest with a white corsage and a gift of silver in her chosen pattern.

The rooms where the guests were received were decorated with dahlias of various colors. The hostesses, assisted by Mrs. Jesse Bullock, Mrs. Wilbur Briley, Mrs. John E. Whichard, Mrs. D. C. Barnhill, and Miss Linda Bullock served coca colas, party sandwiches, home-made cookies, candies and other party accompaniments to about 35 friends of the bride-elect.

On Friday evening, October 3, Mrs. Clarence Barnhill and Miss Gail Barnhill entertained at a bing party in honor of Miss Janell Whitehurst.

Coca colas and ritz were served during the play and at the conclusion a sweet course was served.

On Saturday evening, October 11, Mr. and Mrs. Linwood Gurganus, Jr., entertained Miss Janell Whitehurst and Mr. John Lloyd Corey, their wedding party and a number of friends at the Rotary house in Bethel. Lighted jack-o-lanterns and other Halloween motifs were used throughout. A delicious dinner was served buffet style to around fifty guests, after which a number of games were played under the direction of Mrs. Clarence Barnhill. Miss Whitehurst was presented a corsage of yellow roses and a gift of china.

On Sunday evening, October 19, Mr. and Mrs. Andrew Carrigan entertained at a buffet dinner at their home in Greenville in honor of Miss Janell Whitehurst and Mr. John L. Corey, Jr.

Strength FOR THE DAY

GREAT MIND COMES TO LIGHT
Religious thinkers the world over
today are being profoundly influ-
enced by the writings of Soren Kirke-
gaard, the Danish theologian who
was at the height of his powers just
100 years ago.

Kirkegaard lived an uneventful
life characterized by considerable
sorrow and disappointment. Being
a man of some means, he could give
himself to his studies.

He died a controversial figure in his

Solution of Yesterday's Puzzle

own nation and was not discovered
by the world until more than two
generations had passed.

Kirkegaard challenged the philo-
sopher Hegel and maintained that
religion is a matter of faith rather
than of reason. He emphasized the
importance of belief and so pre-
sented a new view of religion.
Against rationalism which we ob-
serve in religious thought today,
Kirkegaard believed so completely
in the deity of Christ that religion
for him became the utter submis-
sion of the heart to that Christ who
was and is and for all eternity shall
be the outstanding reality in the
universe. He dwelt much on the ne-
cessity of our regarding ourselves
as contemporaries of Jesus. In an
age when men believed that they
could reduce everything to a few
logical propositions, Kirkegaard
arose to proclaim the complete suf-
ficiency of faith in religious mat-
ters and the necessity of belief.

Hostess at Bridge
Mrs. W. J. Bundy was hostess at
bridge last Wednesday evening,
honoring her house guest, Mrs.
Clarence Parker of Elizabeth City.
Vases of dahlias and other sum-
mers decorated the living room
and sun room where tables were ar-
ranged. At the conclusion of the
games Mrs. Bundy assisted by Mrs.
J. B. Kittrell, Mrs. R. H. Chadwick
and Miss Annie Shields Van Dyke.

Scout Leaders Talk Plans For Scoutmasters

By WYATT BROWN
Scoutmasters and Boy Scout officials met last night with Oren E. Dowd, chairman of the Boy Scout Leadership Training Committee, to complete plans for a course to be given Scoutmasters in Greenville district in November. Mr. Dowd announced that the sessions would meet at 7:30 each Monday night for four Monday nights at the Methodist Church.

PUT YOUR CAR IN CAREFUL HANDS—AND change to Esso Motor Oil Now!

Good care right now will mean a lot to your car this fall and winter. And good care means two things—one is quality products, the other is expert service. And your Esso Dealer gives you both! See him this week; winter's getting close. Have your car's chassis carefully lubricated from front to rear. Let him check and winter-service your battery, radiator, tires. And above all let him drain out old and dirty summer oil and replace it with fresh, winter grade Esso Motor Oil... tough-bodied for cold weather engine protection, free-flowing for quick cold weather starting.

Snyder . . .

(Continued from Page 1)
a "balanced budget" for the entire time the Marshall Plan aid is furnished, and not just for the current fiscal year in which the government is figuring on a surplus of \$4,667,000,000.

Replying to a question about taxes, Snyder said President Truman "will talk about taxes" in his message to the special session of Congress Nov. 17.
Then he added quickly that his reason for saying so is that Mr. Truman "always does" talk about taxes. Snyder added that he has no "inside dope" on what the President plans to say.

Rising Tide . . .

(Continued from Page One)
formation of a united front with other anti-Communist political parties. Meantime Jacques Duclos, French Communist leader, has announced that the Cominform can be joined by any Communist party in the world—including those of the United States and Britain.
Moscow apparently is furious at the flight of Mikolajczyk from a hostile Red regime in Warsaw. The Moscow radio declared that he is a "cowardly fugitive" and a "sworn enemy of the new democratic Poland who was careful to take himself off in time." That expression "take himself off in time" certainly has an ominous ring.
Summary: The tide of resistance against Communist aggression is rising with increasing rapidity.

The Weather . . .

(Continued from Page One)
the four weeks of October it ran on up—60, 62, 69, and 64.
Chicago's average for those five weeks was 63, 62, 68, and 62.
Atlanta: 63, 65, 68, 71, 66.
St. Louis: 60, 63, 69, 74, 68.

Play Thursday

The Ayden High Tornadoes will come to the Gay Smith Stadium on Thursday night, Nov. 6, at 8:00 o'clock to play Wallace High in an important conference game of the newly formed East Central Conference. This conference is composed of eight teams in the coastal plain district.

So far this season the Tornadoes have won 3 and lost 2 against pretty stiff competition. There should be many thrills in the contest.

This will be Ayden's Homecoming Game and the Aydenites are going to make a gala occasion of it.

Philadelphia: 55, 60, 64, 70, 65.
Detroit: 50, 60, 58, 66, 62.
San Antonio: 73, 77, 77, 77, 75.
(Remember, it's supposed to get cooler and cooler at this time of year.)
Pittsburgh: 52, 58, 64, 66, 64.
Des Moines: 55, 66, 63, 68, 57.
Cleveland: 53, 60, 63, 66, 63.
The far western pattern was different. For example, Denver: 66, 59, 60, 45. Los Angeles: 74, 68, 65, 66, 68. Seattle: 62, 59, 56, 53, 52.

FRESH BLOOD A MUST FOR FREE ENERGY

Do you feel like you are tied to a drag every time you try to do something? If so, don't let a low blood count hold you down when you may release vibrant energy to every muscle, fibre, cell.
Every day—every hour—millions of tiny red-blood-cells must pour forth from the marrow of your bones to replace those that are worn-out. A low blood count may affect you in several ways: no appetite, underweight, no energy, a run-down condition, lack of resistance to infection and disease.
To get real relief you must keep up your blood strength. Medical authorities, by analysis of the blood, have by positive proof shown that SSS Tonic is amazingly effective in building up low blood strength in non-organic nutritional anemia. This is due to the SSS Tonic formula which contains special and potent activating ingredients.
Also, SSS Tonic helps you enjoy the food you eat by increasing the gastric digestive juice when it is non-organically too little or scanty—thus the stomach will have little cause to get balky with gas, bloating and give off that sour food taste.
Don't wait! Energize your body with rich, red-blood. Start on SSS Tonic now. As vigorous blood surges throughout your whole body, greater freshness and strength should make you eat better, sleep better, feel better, work better, play better, have a healthy color glow in your skin—firm flesh fill out hollow places. Millions of bottles sold. Get a bottle from your drug store. SSS Tonic helps Build Sturdy Health.

now have ended the fall fire season in the far west, except in Utah and California, where moderate fire hazards exist but no serious fires. Forests in the Great Lakes and Central States were in serious danger but the rains came Saturday and things are looking good.

In the southern Appalachian region, from Maryland down to Georgia, and from the Carolinas across into Tennessee, "the fall fire season has begun." The hazards so far are only moderate, and no serious fires are reported.

Relief At Last For Your Cough

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated, and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes.
Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics.
No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. (Adv.)

NEWS

Stomach Ailments, Weak Kidneys, Rheumatic Pains, Arthritis, Neuritis
and other complaints such as Headaches, Nervousness, Acids, Toxins, Bloating, Lack of Vitality and Energy, Poor Appetite, Dizzy Spells.

Drugless Health
IF YOU ARE a sufferer of these ailments, try GEO-MINERAL. You may be astounded at the results. You need not guess—you will see facts. GEO-MINERAL comes from the earth—Nature's Laboratory. Contains NO dope, NO alcohol, NO oil. ONLY Nature's minerals, the oldest, most reliable remedy for rheumatism, arthritis, kidney and stomach ailments.

GEO-MINERAL will enrich your blood, help to make you strong, full of pep, life and energy. Lack of minerals in the blood causes anemia, headaches, nervousness. Minerals generate mental brilliancy, give sparkling eyes, red cheeks, fight disease, build up health.

Wonder Minerals
RHEUMATISM, arthritis are dreadful diseases. Acid condition in the blood is often their cause. What could be the remedy? For thousands of years, minerals have been used to relieve the pain of these ills. Doctors send people to mineral springs to find cure or relief. The late President Roosevelt used to go to Warm Springs in Georgia. He was helped or would not have gone there twice a year. YEAR after year, people rush to mineral springs to drink and bathe in their miraculous water. We have all heard of the wondrous springs of Lourdes, France, and famous Thronion in ancient Greece where, according to legend, Hercules, the god of eternal strength and youth, drank its waters and bathed to be forever young.

Amazing Results
GEO-MINERAL contains minerals you get at the world's best springs. Watch your eliminations from your bowels a day or two after using it. The waste, black as the color of your shoes, will start to break away, and you will SEE it! Also examine your urine. You may see impurities—poisonous waste—coming out of your kidneys, relieving you. And then realize the priceless value of GEO-MINERAL.

GEO-MINERAL is not a physic and does not interfere with the foods in the stomach. It cleans and purifies the intestines, thoroughly relieving gas, toxins, acids, and bloating. After these poisons are out of the system and the kidneys purified, we begin to feel the arthritis and rheumatism leaving, and Nature starting to complete the recovery.

We Guarantee
WE URGE everyone to try GEO-MINERAL. Do not hesitate one moment. Come to this drug store now. Get one bottle. Use it one week. If you are not 100 per cent satisfied, we will refund your money.
REGARDLESS of how long you have been suffering, and how many medicines you have tried before, GEO-MINERAL may be the remedy you need!
TRY it today! It may do wonder for you—and be the best investment for your health. Make you feel, eat, sleep, work and enjoy life better.
GEO-MINERAL Retail Price 1 Bottle \$1.10, 6 Bottles \$6.00
