

Spy Plot Link With Hollywood Awaits Next Phase Of Hearing

Washington, Oct. 31—(AP)—The promised disclosures of a definite link between Hollywood and Russian atom bomb spying must await the next phase of the Red-in-Hollywood investigation.

This will come in "due time," Chairman Thomas (R-NJ) pledged today as his House Committee on Un-American Activities ended two weeks of public hearings with an air of suspense not unlike an old-fashioned serial thriller.

The movie industry claimed meanwhile that the "abrupt termination" of the current inquiry "is a complete vindication of our position."

War Allies Deadlocked Over Jap Reparations

With Exception Of Canada, Each Nation Claims Larger Share Than Others Consider To Be Justified

Washington, Oct. 31—(AP)—An eight-month dispute among the wartime Pacific allies over reparations from Japan was disclosed today as the Philippines had put in a \$4,198,675,244 bill for damage suffered from the invaders.

Lifting some of the secrecy surrounding sessions of the eleven-nation Far Eastern Commission, it was revealed that:

1. With the sole exception of Canada, every one of Japan's World War II foes has claimed a larger share of the reparations pool whose size is yet to be determined than the others consider justified.

2. Only the Philippines put a dollar value on her loss. On a proportionate basis, the other claims—which were only in percentages of the future total pot—would add up to some \$54,000,000,000.

3. China thinks she is entitled to 40 percent of whatever is obtained from Japan under terms of the peace treaty which is yet to be drafted. The United States put in a 20 percent bid. Australia, 20 percent, Britain 25 percent, the Philippines 15 percent, India 12.5 percent, Netherlands and Russia each 12 percent, New Zealand, 2 percent, and Canada, 1.5 percent. Earlier claims were even higher.

4. All added up to 188 percent of the ultimate pool. The Far Eastern Commission has been striving since last February, thus far in vain, for agreement on the manner in which the shares shall be scaled down to the necessary 100 percent.

5. Although the ultimate size of the reparations pool is conjectural, a rule-of-thumb total of some \$14,000,000,000 has been used as a working basis in the efforts to agree on shares.

Four Murderers Die In Prison's Gas Chamber

Raleigh, Oct. 31—(AP)—Four Negro murderers, three of whom killed a prison guard, were gassed to death at Central Prison today in the second largest mass execution in the state's history.

The record was set October 3 when three Negroes and two white men went to their deaths.

J. C. Brooks and Grady Brown, convicted in Henderson County of slaying prison guard George Bowman last March 27, were designated by Warden Hugh Wilson to be the first to die in the two-chair death chamber.

Next were Thurman Munn, who also participated in the guard slaying, and Lester Stanley of Tarboro, who cut his wife's throat with a razor blade and left her to die in bed.

Bowman was killed in a gravel pit.

Reconstruction Of Razed Areas In Maine Planned

Portland, Me., Oct. 31—(AP)—Reconstruction planning hit high gear today as predictions of at least a little more rain reduced the threat of renewed outbreaks of Maine's disastrous forest fires.

Assurance that "the rule book will be thrown out of the window" to expedite building of new homes came from spokesmen for lenders, builders, suppliers and labor.

More than 1,100 homes were consumed in the two weeks' scourge of flames that took 15 lives and cost \$30,000,000.

At a Portland meeting last night, representatives of the building industry were told that many of the burned-out families have roots in fire-ravaged towns, want to stay there and hope to rebuild.

But speakers agreed that there couldn't be much permanent reconstruction until spring.

CUT ITEMS ON WAA MARKET

Armed Services To Increase Military Stock Levels

Washington, Oct. 31—(AP)—The armed services have decided to hang on to some \$5,000,000,000 worth of goods they once planned to dump into the war surplus market.

This decision to increase "military stock levels" was disclosed today by War Assets Administrator Robert M. Littlejohn who also reported that some goods already declared surplus have been withdrawn from public offering.

The withdrawals include clothing and other supplies now being used to relieve distress abroad and at home and to carry out this country's \$42,000,000 Greek-Turkish aid program aimed at stemming Communist advances into southern Europe.

At the Army Department it was said the decision to keep more material does not represent "a new strategic situation" but only a policy change relating to stocks on hand.

The new governor, John Hubert Hall Jr., Portland attorney, elevated from Speaker of the House of Representatives, took over, but many of the state's offices were paralyzed by the triple death.

Creedon Resigns As Expediter

Washington, Oct. 31—(AP)—F. R. Creedon resigned today as national housing expediter.

In a letter of resignation, Creedon advised President Truman that he was leaving the government to take charge of a large construction program in connection with the development of atomic energy. No details were given.

When making the letter public, the White House announced that Tighe E. Woods has been named acting housing expediter.

Leopold Of Belgium

Indications Are That Britain Has Absolved Belgian King Of Any Wrong-Doing In His Surrender To Hitler; Order Of The Garter; Background; Will He Return?

By DEWITT MACKENZIE

England's Princess Elizabeth reportedly will be initiated into the historic Order of the Garter after her marriage next month, and this has resulted in the disclosure that exiled King Leopold of Belgium still is a member of this highest order of British chivalry.

That's by way of being rather sensational news, since it is widely assumed to mean that Britain has absolved Leopold of any wrong-doing in his disastrous surrender of the Belgian Army, and himself, to the invading Germans on that awful day of May 28, 1940. No persons with the slightest stain on his reputation is permitted to remain a member of the Order of the Garter, whose membership of only twenty-five (outside the British royal family) is hand-picked by the King of England.

This being so, it naturally is given to wonder whether the disclosure may presage the recall of Leopold to his throne. However, that is speculative.

Leopold's surrender was one of the great allied tragedies, and came near to ending the war with Hitler as conqueror of the continent. The king's action was branded as traitorous not only by many in England and France but among his own people. Although Leopold was a prisoner

OREGON PLANS BIG FUNERAL

State-Wide Day Of Mourning For Three Top Officials

Salem, Ore., Oct. 31—(AP)—A stunned Oregon slowly prepared today for a funeral in state for its governor and two other top officials, killed in a hunting trip plane crash.

Services were planned for all three in the chamber of the State House of Representatives here Monday at 1:30 p.m. (PST).

The bodies of Governor Earl Snell, Secretary of State Robert S. Farrell, Jr., and State Senate President Marshall Cornett were to be brought here from the mountainous southern Oregon wilderness where their plane crashed Tuesday night. The crash also killed the pilot, Cliff Hogue.

Families of the crash victims also planned individual services. Arrangements have not been completed.

It was the most tragic plane crash in Oregon history.

It will be a state-wide day of mourning. Officials of the state's largest city, Portland, said all offices would be closed. Other cities were following suit. The national and state guards went into mourning and flags throughout the state were at half-mast.

Typhoon Signal Is Raised Over City Of Manila

Manila, Oct. 31—(AP)—Typhoon signal No. 10, indicating imminent danger, was raised over Manila today as a typhoon with 80-mile winds wrought havoc in the central Philippines. The lashing gale heavily damaged two cities, sank one ship and beached three others. One death was reported.

At 4 p.m. (3 a.m. EST) the U.S. Fleet Weather Central Station said the storm was 60 miles east by south of Manila and that it probably would be deflected by mountains into the vicinity of Clark Field, 50 miles north of here.

The first death caused by the typhoon was reported from Mindanao, where a woman passenger drowned in the sinking of the 270-ton Philippines freighter FC277. Two other passengers and the crew of 26 were rescued as the ship went down in Butuan Bay.

Report Tomorrow On Marshall Plan

Council Of Economic Advisers Said To Indicate Program Can Promote, Rather Than Imperil, U.S. Economy

Washington, Oct. 31—(AP)—The Council of Economic Advisers is reported to have notified President Truman that the Marshall Plan can promote, rather than imperil, the stability of the United States economy.

The council will find—said one official familiar with its study—that a multi-billion dollar foreign aid program need not worsen this country's inflationary problem if it is accompanied by some regulatory safeguards.

The report, due for issuance tomorrow night, is the second of three ordered by President Truman to guide the Administration's proposals for foreign assistance.

Its purpose is to determine the impact on U.S. economy of a program of Marshall Plan proportions. In a sister report, Secretary of the Interior Krug last week contended the country is able to support a "considerable" program without serious drain on the nation's physical resources.

The council headed by Dr. Edwin G. Nourse is expected to report that the long-range aid program will intensify price pressures on some commodities—such as grain, some other foods, steel and fertilizers—which already are in world scarcity.

The council's report may include suggestions—if not outright recommendations—on proposed federal controls to prevent such shortages from creating a runaway price situation.

On the other hand, said an official acquainted with the preparation of the document, the Nourse group has concluded that the United States has little choice in the situation, holding that an economic collapse in Europe would have grave repercussions at home.

Considerable space will be devoted in the report, it was learned, to the possible impacts of a failure to provide assistance.

Fuel Oil And Gasoline Demand Over Pipeline Capacity; 'Heatless Days'

New York, Oct. 31—(AP)—Involuntary "heatless days" threaten some homes in the east and Midwest this winter, and drivers may have to shop around for gas to fill the family car.

Petroleum economists said today that record demand for fuel oil and gasoline is proving too much for present pipeline capacity in the Midwest and for oil tankers supplying the East Coast, although both well and refinery productions are at record highs.

They expect demand to go even higher in 1948 and predict the "tight oil supply" situation will last three years. If the Western Hemisphere is called upon to supply Europe under the Marshall Plan, they added, the shortages here will be that much more aggravated.

Service stations in some places are already hanging out "no gas" signs and closing early. Producers began allocating available gasoline supplies among midwest dealers last summer, and the practice spread to the east this fall.

Electric utilities in the Pacific Northwest and in Midwest regions where drought lowered water supplies for hydro-electric plants are worrying because they haven't been assured enough oil yet to run their dynamos at full speed during the winter.

Petroleum company executives admit that some factories operating on fuel oil may have a tight squeeze this winter to maintain present high production schedules.

OFFER FINANCE HOME FOR U.N.

Lending Money For Headquarters Is Up To Congress

Lake Success, Oct. 31—(AP)—The United States has offered—provided Congress approves—to lend the United Nations \$65,000,000 to pay for construction of permanent U.N. headquarters in New York City.

Without such a loan, it was explained, the U.N. probably will not be able to erect a permanent home on Manhattan's East Side for many years because of the dollar shortage prevailing in practically all U. N. member countries.

Warren R. Austin, chief of the U.S. delegation to the U.N., announced yesterday he had informed U.N. Secretary-General Trygve Lie that President Truman was prepared to ask Congress for approval of the loan, which would be without interest. He suggested that negotiation of the loan's terms be opened.

An American delegation spokesman pointed out the construction probably would be done by American contractors, employing American materials and labor, and that dollars are needed for all these.

The loan would be interest-free under the current plan, it was pointed out, because the government felt charging any interest would be unfair in the light of U.N. expenditures in the United States and the fact that the U.S., with U.N. headquarters in New York, is saved the expense of transporting and maintaining delegates abroad.

EMPLOYMENT RECORD

Washington, Oct. 31—(AP)—The Census Bureau reported today that the number of civilians with jobs increased by 332,000 during October to a total of 53,204,000.

"Employment has never been at a higher point except in the summer months of this year when large numbers of seasonal farm workers and students on vacation were in the labor force," the bureau commented.

LEAF MARKETS OPEN MONDAY

Fred Royster Calls Meeting Of All Tobacco Warehousemen

Henderson, N.C., Oct. 31—(AP)—Sales will be resumed on flue-cured tobacco markets Monday after a suspension since last Tuesday caused by England's withdrawal from the markets.

Fred S. Royster, chairman of the Tobacco Marketing Committee, announced the decision to reopen late yesterday after polling members of his committee by telegram.

The committee is composed of 15 members, five representing buyers, five growers, and five warehousemen.

Royster also called a meeting of all tobacco warehousemen for this afternoon to consider procedure to be followed as a result of the Commodity Credit Corporation's entrance into the market to purchase an amount equivalent to that which British buyers would ordinarily have taken.

The market holiday was called as an emergency measure when prices began to slump rapidly because of the retirement of England from the market.

The CCC agreed to purchase up to \$25,000,000 worth of tobacco as a stabilizing measure, thus paving the way for reopening of auction sales.

Another Delay In Hughes' Inquiry

Washington, Oct. 31—(AP)—The Senate investigating committee will delay until next Tuesday or Wednesday the reopening of its public hearings on wartime aviation contracts with Howard Hughes.

The resumption of testimony had been scheduled for Monday but Chairman Brewster (R-Me.) said today his committee's investigation of Arabian oil transactions by some major American companies will not be completed until early next week.

UNNEEDED LOOT London, Oct. 31—(AP)—Thieves broke into a country house owned by the Duchess of Kent and were frightened off last night by a servant. Their only loot: a police whistle.

Ramadier's Position May Require Cabinet Change

Paris, Oct. 31—(AP)—Parliamentarians and even associates of Socialist Premier Paul Ramadier declared today that the present middle-of-the-road French government would have to be reshuffled again soon, despite yesterday's vote of confidence in the National Assembly.

The vote for the government—300 to 280, with 18 abstentions—followed two days of fist-shaking, name-calling debate, but despite the excitement, many deputies appeared more interested in discussions outside the chamber about the possible future makeup of Ramadier's cabinet.

Many deputies expressed belief that the government would have to be shaken up within a month so as to bring in such figures as Leon Blum, former premier and elder statesman of the Socialist party, and Paul Reynaud, an independent rightist who was the last premier before the fall of France.

Ramadier streamlined his cabinet only last week by trimming the number of ministers from 25-12 Socialist, six Popular Republicans, five Radical Socialists, and two independents—to 13: seven Socialists, three Popular Republicans, two Radical Socialists and one independent.

Ramadier said that shakeup, on Oct. 23, was undertaken because: "We realized that it was necessary in this hour to give the government the possibility of rapid decision and

Choice Between Higher Taxes--More Inflation

Washington, Oct. 31—(AP)—Although the Taft-Hartley law and high prices have figured in some races, politicians look for new 1948 "trends" in next Tuesday's off-year state and municipal elections.

An apparently close contest for the Kentucky governorship, now held by a Republican as the result of a 1945 upset, holds prime interest from a national standpoint.

There also will be a six-way Democratic race for the Senate seat of the late Theodore G. Bilbo in Mississippi, three special House elections to fill vacancies in Ohio, Indiana, and New York, veterans' bonus referenda in Ohio and New York, and scores of county and municipal elections.

A fourth congressional race will be filled in Massachusetts Nov. 18.

The House seats at stake Tuesday were held by Republicans in Ohio's 4th and Indiana's 10th districts, and by a Democrat in New York's 14th. The Massachusetts 9th district seat was held by a Republican. No upsets in these districts are expected by leaders of either party.

Prayer for judgment was continued in the case of Henry M. Phifer, driving a car after his driver's license was revoked, and he was ordered to pay court costs.

The case against John B. Denison for trespass, was not pressed.

Ballentine Has Improvement Plan

Winston-Salem, N.C., Oct. 31—(AP)—Lt. Gov. L. Y. Ballentine advocates a seven-point program for the improvement of North Carolina.

Appearing before the Wilsonian Democratic Club here last night, Ballentine declined to comment on reports that he will be a candidate for governor next year.

Sugar Brokers See No Reason For Price Hike

New York, Oct. 31—(AP)—Sugar brokers here see no reason why the expiration of price controls at midnight tonight should cause much change in what a five-punt pack-age will cost the housewife tomorrow.

They differ, however, as to price trends next year.

Some believe a world surplus of sugar is in store in 1948. They cite the expectations of a huge crop in Cuba, the rapid restoration of the war-damaged Philippines sugar industry, and the recovery of central European beet sugar areas.

Others think demand also will advance. They believe the Marshall Plan will cause large shipments to Europe, since the calorie value of sugar is high. They say sugar is cheaper for 100,000 calories than is wheat at present grain prices.

Dr. D. A. Fitzgerald, secretary-general of the International Emergency Food Council, predicts next year's world surplus may be 1,000,000 tons.

Daniel L. Dyer, partner of B. W. Dyer & Co., New York sugar brokers, says his company is banking on advancing sugar prices next year because of the indicated need for Europe and other sections that are short of food.

Sugar brokers say the industry has been feeling a drop in prices when control ends at midnight tonight, but that this was prevented by housewives who started hoarding, thereby keeping supply closer to demand.

"Eat Less, And Live Longer"

San Francisco, Oct. 31—(AP)—Two and one-half square meals a day instead of three would help lengthen the useful life of millions of Americans two internationally known heart specialists say.

for this end to concentrate authority in a smaller number of hands. Authoritative sources close to the government, however, said the reorganization was intended to exclude any ministers with possible leanings toward Gen. Charles de Gaulle, whose Rally of the French People scored heavily in the recent French municipal elections.

Still, many political observers feel that a further reshuffling of the cabinet will be necessary because the center position upon which Ramadier is trying to base his government—somewhere between the extremes of communism and De Gaulle—is too violently opposed to his economic policies of tight price and business controls.

At the same time, Senator O'Mahoney (D-Vyo.) called for a new excess profits law as one approach to the twin problem of curbing high prices at home while working out a multi-billion-dollar European recovery program.

A Republican leadership decision on whether to press a third tax reduction bill at the November 17 session was delayed, meanwhile, by the illness of Rep. Knutson (R-Minn.).

Knutson, chairman of the tax-writing House Ways and Means Committee had been scheduled to introduce a bill with Senator O'Neil (Ohio) head of the Senate's GOP Policy Committee, on the Minnesota's previously announced determination to make a top priority issue before Congress.

Taft also favors lower income levies, but he declined to forecast at a news conference yesterday just when the lawmakers might get around to a reduction bill.

Crawford, however, asserted that it no longer is a question of cutting taxes but of hiking them.

The Michigan Republican said he voted for the two bills President Truman vetoed last session because he expected government spending to be curtailed sharply.

Since then, however, he added in an interview, "the Senate and House Appropriations Committee have shown they don't know how to cut budgets." The European economic crisis has developed and all signs point to greater defense needs.

THE DAILY REFLECTOR
October 31, 1907
Quail on toast will be the next thing in order.

November is always a good month for the merchants and with tobacco selling for a good price the outlook is fine.

With three prosperous banks and many flourishing stores Greenville should not be content with her present poor streets.

Cotton is coming in slowly.

Junior choir of 14 voices will sing "Fairest Lord Jesus" by Willis. Mrs. Howard Bookin will be at the organ. The pastor will speak on the subject "The Music of Life." The young people of the church will have their fellowship supper at 6:15 p. m. Sunday night, followed by Youth Fellowship at 7 o'clock. Evening worship will be at 8 o'clock. We cordially invite you to attend these services.

Study Class at Memorial Baptist Church
The circles of the W. M. S. of Memorial Baptist Church will meet on Monday morning at 10:30 at the church for mission study.

The book to be studied is "That the World May Know" by Dr. W. R. White. Mrs. L. A. Stroud will direct the study. Sandwiches and coffee will be served at 12:30. Following luncheon the circles will meet in the Sunday school rooms for a brief business session.

Honored at Luncheon
On Saturday at 1 o'clock, Miss Jane Hadley entertained at a delightful two-course luncheon at her home on Evans street, honoring Misses Rosamond Van Dyke and Lucy Blount, brides-elect of November.

The rooms in which guests were received were attractively decorated with dahlias and chrysanthemums. Receiving with the hostess and her honor guests were Mrs. J. H. Blount and Mrs. Bruce Hadley. Miss Van Dyke and Miss Blount were presented gifts of crystal in their selected patterns. Forty-five guests were present.

Becomes Member of Sinfonietta
Urbana-Champaign, Ill. Oct. 31.—Robert Oppelt, son of Mr. and Mrs. James L. Oppelt of 308 Lewis St., Greenville, N. C., has been selected as a member of the University of Illinois Sinfonietta, a new organization recently formed under the auspices of the University School of Music.

The Sinfonietta is a small orchestra of highly skilled players, including both faculty members and students. Membership in it is a high honor, since only a few students were chosen from a large number of applicants.

Directed by Professor John M. Kuypers, director of the School of Music, the Sinfonietta will specialize in performing works written for small chamber music orchestras. Its first concert will be given in the near future.

Robert plays the violin and is

junior in the college of fine and applied arts at the University.

Bridge Tournament
Thursday, November 13, at 8 o'clock the American Home Department of the Woman's Club will sponsor a bridge tournament at the Woman's Club. Proceeds will be used to buy a piano for the club.

Primitive Baptist Church
Services at the Primitive Baptist Church in Greenville have been changed from 4th to 1st Sunday in every month. Elder S. B. Denny is the pastor.

Christian Church Announcements
The Eighth Street Church welcomed a large group of new members into its fellowship last Sunday and anticipates an even larger group for the morning service Sunday. At this service the choir under the direction of Mrs. Paul Davenport will sing the anthem "My Creed" by Miriam Fisher, and Dr. Haney, the pastor, will speak on the subject, "The Memory of Mortals."

The state convention of Christian Churches will meet in Asheville this coming week on Wednesday and Thursday, and the Eighth Street Church will have three car loads of delegates in attendance.

The circles of the Woman's Council will meet as follows on this coming Monday: No. 1 at the Blind Center at 3:30; No. 2 with Mrs. J. D. Wilson at 3:30; No. 3 with Mrs. Lee H. Moore at 7:15; No. 4 with Mrs. W. L. Allen at 3:30. Mrs. Nelson Bowden is assisting hostess; the Young Matrons at 8 p. m. with Mrs. James Ray Pittman, Mrs. Jack Whitley and Mrs. Bill Williams assisting. The Guild meets regularly on the second Monday of each month.

The church will conduct an evening of mission study on November 12 at 6:30 at which time a covered dish supper will be served and the following will review chapters in the book entitled "Committed Unto Us" by Lamott: Robert S. Moye, T. I. Wagner, D. W. Brant, Mrs. M. E. Cavendish, Mr. B. B. Sugg, Jr., and Mrs. Louella Stancill.

The C. Y. F. will meet at 6:30 on Sunday evening at which time plans will be made for the young people's portion in the support of the program, a Crusade for a Christian World.

Scoutmasters' Training Course Is Announced

The beginning of a training course for the Scoutmasters of the Greenville district was announced today by Oren E. Dowd, leadership training chairman of the district. The course will consist of four weekly meetings plus an outdoor session. The first meeting will be Monday night, November 3rd, at 7:30 o'clock at the Methodist Church and will continue each Monday night through November 24.

Scoutmasters from the local troops as well as the Scoutmasters from Bethel, Bell Arthur and Winterville are expected to attend. Several Scout leaders from Kinston and Farmville are expected to attend

also. Chairman Dowd pointed out that the course is not confined to just Scoutmasters and committeemen, but to anyone who is interested in the Scout movement and wishes to learn more of the Scout program. They are invited to attend one or all of the training sessions.

Assisting Chairman Dowd will be H. B. Mayo, former field Scout executive, Wyatt Brown, W. F. Young, Sherman Parks and Gens. Grimes, present field executive in this area.

litical football, which complicates the situation. One can imagine his feelings as he awaits the outcome, for surely it must constantly be in his mind that he is the son of one of the allied world's great heroes—the late Albert, King of the Belgians, who for four long years in the first World War headed his army in holding a tiny corner of his kingdom against the invading forces of Kaiser Wilhelm.

There still must ring in Leopold's ears the frenzied cheers of the vast throngs who welcomed Albert and the rest of the royal family back to their capital after the war's end. I was in Brussels the day they made their triumphant reentry on horseback, with the king and Queen Elizabeth riding ahead, and young Princes Leopold and Charles, with Princess Marie Jose, following on their ponies.

Leopold can't forget that—nor, one suspects, was he unmindful of this heritage of valor when he felt compelled to surrender in fateful '45.

Pitt Home Demonstration Clubs In 'Achievement Day' Observance Here

Pitt County Federation of Home Demonstration Clubs held their annual Achievement Day on Wednesday, October 29, with approximately 300 guests and members present for the day. The morning program was presided over by Mrs. W. R. Bullock, Pitt County Council president, and was opened with the hymn, "All Hail the Power of Jesus' Name." Mrs. J. Paul Davenport was organist. The devotional was conducted by Mrs. W. O. Grimes of the Bethel Home Demonstration Club. Mrs. Moye Dall of Greenville sang a solo, "My Task." The welcome to guests, speakers and fellow members was given by Mrs. Gentry Porter of the Simpson Club. Mrs. Ralph Carson of the Bethel club responded.

Greetings for the day were given by W. Jasper Smith, chairman of the Pitt County Commissioners; Miss Verna Stanton, assistant to the State Home Agent, S. C. Winchester, Pitt county farm agent, and Mrs. Vance Perkins, president of the Greenville Woman's Club.

Minutes of last year's Achievement Day were read and the roll call of clubs was conducted by Mrs. Brantley Speight, secretary of the County Council. Pierce Home Demonstration Club won the attendance prize of \$2.50 by having the largest percentage of their members present.

Guests for the morning program and luncheon were G. H. Elliott, member of the Pitt County Commissioners; Sam Weeks, W. H. Pruden, assistant farm agents; Mrs. Claude Burney of Ayden; Mrs. Gladys Hardy of Maury; Rev. and Mrs. E. E. Hardaway of Memorial Baptist Church; Dr. M. T. Frizzle, president of the Pitt County Farm Bureau; Oscar Speight, secretary, and treasurer Pitt County Farm Bureau; Mrs. Cora Powell, executive secretary of the Greenville Merchants Association, and Mrs. T. E. Joyner, Sr., of Farmville; Misses Verna Belle Lowery and Lillian Hines, assistant home agents, and Mrs. Ruel W. Tyson, home demonstration secretary.

Reports of the club activities and accomplishments were given by 21 Home Demonstration Clubs in Pitt County. These reports were given in the form of skits, songs, rhymes and narratives. Miss Verna Stanton and Mrs. Vance Perkins acted as judges. The Renston-Nobles Club won first prize of \$2.50 with their report. Honorable recognition went to Bellartur and Red Oak.

Miss Irene Hester, county librarian, gave a report of the Bookmobile that has been purchased for the county and that it would probably be ready for service in November. Mrs. Fred T. Langford, home agent, presented the awards for the day. During the club year book reports are given by the members at their individual clubs from an accredited book list. Members giving as many as three reports are eligible for a book reading certificate. Mrs. Langford presented 29 certificates to Home Demonstration Club members. During the past year Home Demonstration Clubs have had a record attendance at their individual club meetings. Eighty-nine Home Demonstration Club members have had perfect attendance for the past club year. Mrs. Langford presented pins and gavel to these members for these records.

An impressive candle lighting ceremony was given to install new officers. Sixty-eight new officers will take over their duties after Achievement Day. New County Council officers are: Mrs. D. N. Nobles, Jr., president; Mrs. R. B. Starling, vice president; Mrs. Jasper Morgan, secretary, and Mrs. J. Brantley Speight, treasurer. The installation service was concluded by everyone singing "Blest Be the Tie That Binds."

A turkey luncheon was served at the Greenville Woman's Club following the morning session. The tables were attractively decorated in green and yellow. Lovely arrangements of Japanese sunflowers, marigolds and chrysanthemums were furnished by Cannon, Littlefield, Renston-Nobles, St. John and Red Oak Home Demonstration Clubs.

Mrs. J. Brooks Tucker, member of Red Banks Home Demonstration Club, was guest speaker. Mrs. Tucker recently returned from the international meeting of the Associated Country Women of the World in Amsterdam, Holland. She gave a report of this meeting and living conditions in the surrounding countries that she visited. She stressed the need of our concern and aid in their dire efforts for reconstruction and existence. Mrs. Tucker was one of five rural women in North Carolina who was chosen as a delegate to the conference.

Mrs. Harvey Ward of Greenville rendered many delightful accordion selections during the luncheon hour. Mrs. B. L. Tyson of the Red Oak Club led some group singing. In conclusion, Mrs. Bullock, retiring president, was given a rousing vote of thanks for her fine leadership and service during the past two years.

Mrs. D. N. Nobles, Jr., incoming president, presided at the luncheon meeting.

Strength FOR THE DAY

DO YOU ENVY THE GENIUS? Someone has said that genius is the power by which one generates in the minds of others an unmanageable enthusiasm. Shakespeare's genius has been keeping men and women enthusiastic through the centuries. Michelangelo and Raphael Wagner had the capacity to stir people's souls regardless of the age in which these people lived. Genius is very often not recognized. Titian gave the little lad Timoteo a quick glance and decided that the youngster would never be anything but a causer. The organist of the cathedral at Vienna dreamed Haydn from the choir when his voice broke, and had it not been for a kindly man who picked up the youngster and encouraged him to go on and make a success

Tortures Of Nervous Indigestion And Weakened, Highstrung Feeling Promptly Relieved And She Feels Fine Again, States Mrs. Lafflen

"About four years ago," continued Mrs. Lafflen, "I began to feel weakened and high strung and my weight dropped from one hundred twenty-nine pounds to ninety-eight. My appetite was very poor and I frequently suffered torture from sour stomach and gas pains, even after a light meal. I slept very poorly. I had to resort to laxatives frequently and I tried many medicines and treatments without adequate relief that I felt almost desperate.

Negro Home Demonstration News

4-H Club News
 With the opening of school, regular monthly 4-H club meetings were resumed in the county with much interest shown by members.
 The demonstrations for September on "Care of Furniture in the Home" and the October lesson on "Lighting for the Farm Home," were given by Miss Lois M. Clay, Negro assistant home agent. The girls felt that these demonstrations and the information they received will aid them in carrying out their projects on "Room Improvement."
 Clubs reorganized and officers elected for 1947-48 were:
Farmville 4-H Club—President Corlene Barfield, vice president Verne Faison, secretary Mildred White, assistant secretary Adella White, treasurer Artelle Dupree, song leaders Mamie Drake and Morline Bryant.
Bethel 4-H Club—President Mattie L. Wiggins, vice president Mary L. Moore, secretary Otella Gaynor, assistant secretary Minnie Norfleet, treasurer Annie Wilkins, song leaders Annie L. Batts and M. B. Barnes.

Calico 4-H Club—President William E. Daniels, vice president William E. Chapman, secretary Barbara Leary, assistant secretary Alice Polard, treasurer Ruth Leary.
Fountain 4-H Club—President Morline James, vice president Alice Marie Vines, secretary Evelyn Pitt, assistant secretary Annie Doris Vines, treasurer Willie Barnes, song leaders, Sarah Newton and Beatrice Reaves.
Pactolus 4-H Club—President Earl Moore, vice president Julius Moye, secretary Verna Ward, assistant secretary Frances Moore, treasurer Morgie Clemons, and song leader, Lula Payton.
Warren Chapel 4-H Club—President Pearl Washington, vice president Dean Evans, secretary Mildred Cradle, assistant secretary Bettie Tyson, treasurer Katie Moye, song leaders Anna Moye and Evelyn Tyson.
Falkland 4-H Club—President Joseph Mills, vice president Hilliot Vines, secretary Ardini McEachin, assistant secretary Gladys Dupree, treasurer Annie Bembry, song leaders Lucy Gorham and Mattie B. Dupree.
Winterville 4-H Club—President Willie J. Bush, vice president Weldon Dixon, secretary Delores Gray, assistant secretary Lucille Taylor, treasurer Clifton Grimes, song leaders Virginia Bush and Shirley Bush.
Ayden 4-H Club—President James McCotter, vice president Edward Smith, secretary Elva Cherry, assistant secretary Hattie Gardner, treasurer Aldonia King, song leaders Pearl Jean King and Rosa Wilkes.
Grifton 4-H Club—President James Bryant, secretary Alma Chapman, assistant secretary Mamie Ruth McLawhorn, treasurer Essie McCotter, song leaders Joe King and Mary Lee Coward.
 The six new 4-H Clubs organized

and officers are:
Highsmith 4-H Club—President Virginia Jenkins, vice president Addie Walker, secretary Marie Stokes, assistant secretary Lillie Mae Council, treasurer Walter Clayton Council and song leaders Annie Mae Cox and Smithy Dickens.
Moyes Chapel 4-H Club—President Mary Collins, vice president Carrie Joyce Gorham, secretary Emma Jean Fields, assistant secretary Levi Suggs, treasurer Mack Dupree, song leaders Louise Sugg and Bettie Brown.
Jones 4-H Club—President David Close, vice president Wiley Williams, secretary Margaret Griffin, assistant secretary Susie Moore, treasurer Eunice Anderson and song leader Lucille Moore.
Clark's Neck 4-H Club—President Arlester Gorham, vice president James Tetterton, secretary Lindora Dickens, assistant secretary Lottie Mae Gorham, treasurer Mildred Tetterton, song leaders Inell Tetterton and Marie Moore.

Plane Wreckage Found In Alaska; Fear 18 Killed
 Ketchikan, Alaska, Oct. 31—(AP)—Wreckage of the Pan American World Airways clipper that crashed Sunday with 18 persons aboard was sighted today on an Annette Island mountainside.
 Wesley Monson, son of Pilot Alf M. Monson of the crashed airliner, said he flew over the wreckage and "apparently all had been killed instantly."
 He said there was no question about the wrecked plane's identification. The plane was partially burned.

Buck-Harris
 "What's in a name?" was a topic of discussion among lawyers and court officials during a recess in Superior Court yesterday after Judge Buck Harris of Raleigh had sentenced a man named Buck and another named Harris to prison terms.
 The Wake County jurist sentenced E. L. Buck to three to eight years in State Prison for forging numerous payroll checks of the Atlantic and East Carolina Railroad. He followed up by giving Robert Harris a year on the roads for driving a car while drunk and after his driver's license had been revoked.
 The crash was against 3,600-foot high Tangas Mountain, highest point on the island off the rugged and irregular southeastern Alaska coast. It is six miles east of the Annette Island airfield.

Second Payroll Robbery Similar To Yesterday's
 Boston, Oct. 31—(AP)—Four gunmen escaped with a \$20,000 payroll today after holding up the paymaster of the American Sugar Refinery in South Boston.
 The quartet, using cloth sacks as masks, were armed with a sawed-off shotgun and pistols and were clad in rough work clothes and welders' helmets.
 Investigation showed the registration plate on the robbers' car had been stolen from an automobile in the back bay.
 The hold-up came close on the heels of a \$108,000 payroll robbery yesterday at the Sturtevant Division of the Westinghouse Electric Corporation in Hyde Park and the two crimes bore considerable similarity.

Four Big Unions Apparently To Ignore Deadline
 Washington, Oct. 31—(AP)—Four of the nation's most powerful labor unions give every sign of ignoring today's deadline for gaining legal status before the reorganized national labor relations board.
 The Taft-Hartley act requires unions to submit financial reports as well as affidavits from officers disavowing communism. And this under NLRB rules is the last day of compliance.
 While many others rushed to get under the wire in time to save pending cases from dismissal, these four unions appeared to be in a holdout.

Judge Buck Harris Is Good Samaritan
 By CHESTER WALSH
 In Superior Court Tuesday Judge W. C. (Buck) Harris of Raleigh essayed the role of the "Good Samaritan" in a case of unusual human interest. Mrs. Teresa McCall, 54-year-old woman of Baltimore, was up on appeal from a Police Court sentence of six months in State Prison for illegal begging. Testimony in the lower court was that she was begging on the streets for her "blind father," and it was developed that her father was not blind and died some years ago.
 The woman's husband came here when he learned of his wife's plight. He told Judge Harris that her mind "was not right" and that if he would let her off he would take her back home in Baltimore. The affection manifested by the elderly couple in court was touching. The judge sympathized and suspended a six-month prison sentence and the husband paid the court costs.

Do your children "play rough" on Hallowe'en?
 You could be sued, you know

 Innocently, you or your family may be the cause of harm to others. Your Insurance Agent knows these accidents do happen — he's expert at suggesting the right kind of Liability insurance. He's a local man, so you know he'll be there . . . to see that you are quickly provided with expert legal defense when needed — and that prompt settlement is made of every just claim against you.
