WITNESS SAYS PRESSURE WAS FELT BY WPB

Henry Kaiser Said Among Those Trying To Prevent Plane Cancellation

Washington, Nov. 5.—(AP)—Charles E. Wilson testified today that "outside pressure" was exerted against the War Production Board in 1943 to prevent cancellation of Howard Hughes' contract to build the world's largest flying boat.

Wilson, who headed the wartime aircraft production board, was the first witness at the committee resumed hearings, interrupted last August, into Hughes' \$49,000,000 worth of contracts to build the flying boat and photo reconnaissance planes.

Wilson, who is president of the General Electric company, testified he ordered Hughes' contract for the 200-ton flying boat cancelled in 1943 because "in my best judgment it could not be completed in time to serve the war effort."

The former War Production Board vice-chairman told the committee another factor in his decision to cancel an \$18,000,000 contract for the plane was an acute shortage of manpower on the West Coast where the ship was being built by Hughes.

Subsequently, Wilson's cancellation order was reversed by the late President Roosevelt, who directed that the project go ahead. The big plane has been under construction since and took to the air for the first time last Sunday during a trial taxi run.

Before Wilson took the witness stand, Ferguson said the committee is seeking to determine any "deficiencies in certain procurement procedures" that brought about failure to produce flyable planes for use during the war.

SOVIET PRESS FLAYS BYRNES

Reiterate Claims "Speaking Frankly" Is Call To War

Moscow, Nov. 5.—(AP)—Both the government newspaper Izvestia and the Communist organ Pravda published five-column articles today accusing former Secretary of State James F. Byrnes of "warmongering" in his book "Frankly Speaking."

"If the conditions of the United States are accepted—good; if not war," is the way the Russian publications summarized Byrnes' position.

Pravda commentators Boris Izakov and Yuri Zhukov, reviewing the Byrnes book in dispatches from New York, declared:

"It is not in vain that the English press and many American sources unanimously evaluate the book as a direct call for war against the U. S. R."

"If Byrnes really wants frank talk, he'll get it. Frankly speaking, Byrnes belongs to a group of frank warmongers. And, if one is frank to the bitter end, it's not by chance that his frank challenges to war were published openly in the United States or that just as frank speeches are being pronounced from the Tribune of the United Nations."

"All these are indices of a definite political tendency of the governing circle in the United States." The Pravda writers asserted, however, that "Byrnes' game is up."

Bus Is Fired On Twice In Night

Jackson, Miss., Nov. 5.—(AP)—Officials of the strike-bound Southern Bus Lines, Inc., notified the Mississippi Highway Patrol that one of its buses was fired on twice last night at two far-distant points.

Sam Watts, assistant to the president of the company said he had reported to the patrol that a bus enroute to Meridian was fired on four miles west of Brandon.

Earlier, company officials said, the same bus was struck in the rear by a charge as it was enroute to Jackson from Louisiana.

Kai-shek To Get American Relief

Washington, Nov. 5.—(AP)—The United States will send China \$27,700,000 in emergency supplies—most of them apparently destined for the anti-Communist government of Chiang Kai-shek.

American officials said there is no rule to keep the Chinese Communists from getting a share of the supplies—mostly wheat and rice—but a State Department announcement yesterday said most of the grain will go to the Chinese coastal cities, which are controlled by Chiang's Nationalists.

Demos And GOP Find Plenty To Cheer In Election Results

By the Associated Press A series of party turnovers in majority contests and Kentucky's return to a Democratic administration... out today from Tuesday's off-year election.

The majority elections though buffeted by cross-currents of local issues, were such that both Democrats and Republicans could find something to cheer about.

for anyone trying to discover any trend. At the White House, Presidential Press Secretary Charles G. Ross first declined comment on the election results, but gave an emphatic "no" when asked if the White House was "unhappy" about them.

Doughton Predicts Tax Cutting Will Be Vetoed

Says New Proposal Will Fail Because National Debt, Domestic Needs And Marshall Plan Must Be Met

Washington, Nov. 5.—(AP)—Rep. Doughton (D-NC) predicted today that the renewed Republican attempt to slash income taxes \$4,000-\$7,000 a year will run into another killing presidential veto.

A North Carolina House veteran, who managed tax legislation when his party controlled Congress, said the new proposal will fail because:

"Unless the Republicans can show that we can meet our domestic needs, pay for foreign relief commitments and pay on the debt, it is my opinion that they cannot override another presidential veto of their tax bill. And there is no way of knowing now, he said, how much eventually will be needed to help pay."

Two attempts to override tax-cut vetoes failed last year. The House sustained the first, making Senate action unnecessary. The House voted to override the second veto of a revised measure, but its sponsors were unable to muster the needed two-thirds majority in the Senate.

Doughton made his statement to reporters after Chairman Knutson (R-Minn.) of the House Ways and Means Committee outlined plans for a double-barreled tax cut—a \$4,000,000 "quickie" slash at the special session which convenes Nov. 17, and more reductions in an overall revision of tax statutes next spring.

Knutson told newsmen the report submitted yesterday by a ten-man citizens' tax study group, calling for tax cuts for all the 48,500,000 individual taxpayers and for corporations as well, "definitely supports" my plan of calling for immediate tax relief.

Engagement Ring Returned Under Law Of Romans

Los Angeles, Nov. 5.—(AP)—Superior Judge Leo Freund reached back nearly 2,000 years to old Roman law—and found it good in California, 1947—in holding that an engagement ring is not the woman's property until marriage.

He ruled that Miss Betty Sinclair, 40, of North Hollywood must return a diamond ring to her former fiance, Russell O. Priebe, 46, real estate man, unless she chooses to pay him \$2,500 instead. The judge said Roman law held that an engagement ring was merely a symbol of truth—if the truth was broken, the ring went back to the donor.

Priebe sued to recover the ring and a \$400 gold brooch and \$2,800 cash. But Judge Freund ruled that Miss Sinclair may keep the cash and brooch.

His widow, telling reporters about the laments: "It is horrible these days to be married to an honest man."

Says Sales Tax Won't Be Ended

Wilmington, N.C., Nov. 5.—(AP)—State Treasurer Charles M. Johnson believes North Carolina "won't ever have to issue any more bonds" but he sees no possibility of the repeal of the state's three per cent sales tax.

Speaking here last night, the candidate for governor explained the need for the sales tax by saying it brings in \$50,000,000 a year in revenue. He added, "They're calling for more money in the schools and in everything" each year.

Burning Bomber Is Safely Landed

Wilbur, Wash., Nov. 5.—(AP)—The pilot and co-pilot of a B-29 landed their burning plane safely in a wheat field yesterday after five other crewmen parachuted from the crippled bomber.

Two of the crew members were injured in their jumps. The other three and the pilot and co-pilot were unhurt.

TOBACCO MEN CONFER TODAY

Grange And Warehousemen Divided Over Acreage Cut

Raleigh, Nov. 5.—(AP)—Conditions affecting domestic consumption and foreign tobacco markets were considered here today by representatives of five southern states.

A group of more than 400 heard Charles E. Gage of Washington, chief of the tobacco division of the U. S. Department of Agriculture, and his chief assistant, James E. Trigg.

Tom Allen of Greensboro read a resolution from the State Grange advocating a program of marketing restrictions to coincide with domestic consumption and foreign sales.

The statement offered "absolute opposition" to an acreage reduction above 25 per cent of the present crop.

Fred Royster of Henderson, president of the Bright Leaf Warehousemen's Association, urged that a 30 per cent acreage reduction should be proclaimed for the 1948 growing season in view of uncertain foreign markets and withdrawal of British buyers.

He added that this figure could be altered as late as next March should this country adopt the Marshall plan and other programs to aid the distressed overseas.

Died Rather Than Buy Food On Black Market

Tokyo, Nov. 5.—(AP)—District Judge Yoshitada Yamaguchi considered himself a man of high principles—so high he could not patronize the black market.

The judge resolved to support his family on his legal salary and his legal rations. He died of tuberculosis and malnutrition.

The story of the struggle between principle and an empty stomach emerged today when his diary was published in the newspapers.

He subsisted on thin soup, giving the legal rations to his family. He even refused food sent from a farming area by his father-in-law, turning it over to his hungry family.

To his wife's plea that they sell some personal belongings and buy food on the black market, he replied:

"How can one who judges others do any black marketings?"

Last March extreme malnutrition set in. In August Yamaguchi collapsed. A doctor told him he had tuberculosis. He was taken to the home of his father-in-law but even then he refused to eat anything from the black market.

In mid-October, still clinging to his principles, Judge Yamaguchi died.

His widow, telling reporters about the laments: "It is horrible these days to be married to an honest man."

Special Committee Thinks Cuts Can Be Made; Bird's Eye View Of Problems Involved; Up To Congress; Cost Of Government; Cost Of Marshall Plan; Wait And See

Washington, Nov. 5.—(AP)—This government expects to collect about \$41,000,000,000.

So the cost of running the government dropped from 1947 to 1948. (The amount which is the difference between government costs and money taken in taxes can be used by the government in paying off some of the national debt, which is about \$259,000,000,000.)

"Dangerous"

London, Nov. 5.—(AP)—A congressional committee said today it had been warned by American military officials against attempting to fly into Yugoslavia without visas during its investigation of European conditions "as the plane would probably be shot down."

Chairman Rooney (D-NY) of a House appropriations subcommittee on State Department expenditures reported the warning had come from military officials in Germany after the committee had tried without success to obtain visas to enter Yugoslavia.

LABORITES IN NEW SETBACK

London, Nov. 5.—(AP)—Scottish voters handed Britain's ruling Labor Party another jolting setback in municipal elections yesterday.

With results nearly complete, the Laborites had dropped a net of 65 seats, losing 77 and winning 12 new seats.

They lost control of five councils to their opponents, barely hung on to industrial Glasgow and won the upper hand in two small cities—Mussburgh and Selkirk.

The results continued in a less drastic way, the trend away from socialism markedly demonstrated by a conservative landslide in last weekend's English and Welsh balloting for borough councilmen.

Election campaigning in Scotland was less exciting than south of the border, reaching its peak in Glasgow. There the Laborites lost three seats but clung to a two-vote majority among the 114 elected councilmen.

Secret Files In Official's Desk Are Ransacked

Atlanta, Nov. 5.—(AP)—Highly secret files of names of "many prominent persons" involved in the race-baiting Ku Klux Klan and Columbians were listed by Attorney General Eugene Cook today as among papers rifled from his office by a mysterious intruder.

In addition to these lists, Cook said yesterday, other highly important and confidential papers were either taken or examined, and desks were ransacked.

A third break into his office within the past few months was made last weekend, Cook disclosed, and a check-up showed the Ku Klux Klan and Columbian records were missing.

He added that since suits to revoke the charters of the two organizations had been successful, the data has little further value to the state. The information, however, might be highly valuable to individuals, he said.

Global Fliers In Anchorage, Alaska

Anchorage, Alaska, Nov. 5.—(AP)—The round-the-world fliers, George Truman and Clifford Evans, prepared today for the shortest hop of their world-girdling effort—three miles.

The two former Army fliers, en-thrused by their reception late yesterday on arriving from the fisheries settlement at Naknek, Alaska, planned to fly from Elmendorf Field to Merrill Field, municipal airport here, for servicing of their planes.

They flew the 300 miles here yesterday in their tiny cub planes in three hours, 35 minutes.

Sunday Shows Voted, But There's A Catch

Parryville, Pa., Nov. 5.—(AP)—Residents of this Carbon County community voted 58 to 47 in yesterday's election to permit Sunday movies, a form of entertainment previously prohibited.

There was only one fly in the ointment—Parryville has no theaters.

REQUEST INVESTIGATION

Chicago, Nov. 5.—(AP)—A request for a congressional investigation of grain trading and the grain situation was made today by the nation's three leading grain exchanges.

The request was made in a letter to Sen. Robert Taft (R-Ohio) and Rep. Jesse Wolcott (R-Mich.), co-chairman of the joint committee on the economic report. It was signed by the presidents of the Chicago, Kansas City, and Minneapolis grain exchanges.

Argue Legality Of Carolina's Closed Shop Law

Raleigh, N.C., Nov. 5.—(AP)—Constitutionality of North Carolina's anti-closed shop law was debated before the State Supreme Court today.

Attorney General Harry McMullan argued in a brief submitted to the court that the law, enacted by the 1947 legislature, is constitutional because the legislature has the power to regulate relations between employers and employees where the public interest is involved.

Defendants in two test cases which were brought in Buncombe County contended that the law violates state and federal constitutions in that it intrudes upon the individual's freedom of contract.

In one of the cases an employer was charged with forcing an employee to belong to a labor union as a condition of employment and in the other an employer and union officials were charged with entering into a closed shop contract.

Pay Tribute To John G. Winant In Last Rites

Concord N.H., Nov. 5.—(AP)—Men in high places and the humble gathered here today for the funeral of John G. Winant, wartime ambassador to Great Britain and three governor of New Hampshire, who shot himself to death Monday in what friends described as "a sudden crackup."

Simplicity was the theme of the services at St. Paul's Protestant Episcopal Church, where the Rt. Rev. John T. Dallas, bishop of New Hampshire, officiated.

As the hour for the funeral drew near, hundreds of telegrams continued to arrive at the family home from all parts of the world.

They included expressions of sympathy from President Truman, King George, Queen Elizabeth and Queen Mother Mary of England.

Czech Cabinet In Special Session

Prague, Czechoslovakia, Nov. 5.—(AP)—Czechoslovakia's coalition cabinet, jammed in a Communist-led crisis, was summoned today to special session today in an effort to patch up a widening rift between the right and left.

Many predicted that President Edouard Benes, the nation's venerated elder statesman, would appear before the cabinet to make a personal appeal that the differences be compromised.

RED ANNIVERSARY

Moscow, Nov. 5.—(AP)—Red banners, strings of electric lights and huge portraits of Soviet leaders blossomed out all over Moscow today as the Russian capital prepared to celebrate the 30th anniversary of the Bolshevik revolution on Friday.

Heavy Vote In Asheville As Wets Win Majority

Asheville, N.C., Nov. 5.—(AP)—City officials today turned their attention to the mechanics of setting up legal whisky stores following their endorsement yesterday in a city-wide referendum.

The heaviest vote in the city's history—14,985 ballots—was recorded on the controversial issue. ABC proponents carried the election with a majority of 2,709, complete but unofficial returns showed.

Only five of the city's 24 precincts voted against legal sales which had drawn the support of the city's two daily newspapers, the Citizen and the Times, and a citizens committee headed by business and professional men.

Asheville thus will become the second Western North Carolina city with ABC stores. They were established early this fall in Charlotte following a victory by wet forces in a Mecklenburg County election. Voters of Rowan and Alleghany Counties and of the city of Hickory rejected them earlier this year.

Asheville was enabled to vote independently of Buncombe County by special legislation enacted in the closing hours of the 1947 General Assembly.

Long Overdue Treaty

Meeting Of Big Four Foreign Ministers This Month Will Be Clue As To Whether Collaboration With Russian Bloc Can Be Accomplished; Outlook Is Sombre

The Council of Big Four Foreign Ministers, due to meet in London this month to frame a long overdue German treaty, will give up what may be the final clue we need to determine whether there is any possibility of collaboration between the warring Russian bloc and the democracies.

The disposition of Germany's tangled affairs is the crux of continental Europe's political and economic rehabilitation. If the Big Four ministers—Marshall of the U.S.A., Bidault of France, Bevin of Britain and Molotov of Russia—can't agree on a pact now, then prospect of further collaboration on any line is very thin indeed.

Here it may be said that the cup of hope for success in the London parley isn't overflowing in any circle. Apropos of this situation the U.S. has made a new foreign policy statement accusing Russia of failing to cooperate in efforts to establish peace. The document blames the Soviet Union for failure of the United Nations "to grasp the fruits of peace and victory." It says the Soviets have failed to make good on wartime commitments for demilitarization and reconstruction of Germany, and are mainly interested in getting maximum reparations from Germany and in setting up a

Hold Luncheon Honoring Mrs. J. Blair Buck

Friday was a red letter day in the history of the Greenville Woman's Club. At 12:30, in the club house, a luncheon was enjoyed by representatives of all twenty-one clubs of the Fifteenth District, three state officers, three district officers, and five state chairmen of departmental work of North Carolina Federation of Women's Clubs. This luncheon was honoring Mrs. J. Blair Buck, general federation president.

A complete surprise for everyone was "A Queen for a Day" contest, arranged by Mrs. Cora Powell, executive secretary of the Merchants Association, assisted by Mr. Charles Whedbee of station WGTC. The contestants were: Mrs. Vance Perkins, Mrs. Arthur Corey, and Mrs. J. Blair Buck. Mrs. Buck was made "Queen" and received many gifts, all of them being made in North Carolina, and chiefly in Greenville, and the eastern section of the state. For her luncheon address to club leaders Mrs. Buck confined herself to the two major fields of activity for her three years' administration:

International Relations and Youth Conservation. She briefly outlined to the groups how all of their club activities can be related to these two fields.

Immediately after lunch all the guests left the club house for the Memorial Baptist Church, where they were joined by several hundred other club women of Greenville and eastern Carolina. Representatives of the Home Demonstration Clubs of Pkt County and the Nurses Association, which is affiliated with the North Carolina Federation of Women's Clubs, were special guests at the meeting.

Mrs. Vance Perkins, president of the Greenville Woman's Club, presided and introduced Rev. Richard E. Hardaway, who gave the invocation. Mr. Dan Vornholt presented his college singers. They delighted everyone with their rendition of "Cheribim" by Tschakowsky. Mrs. Ed M. Anderson, first vice president of North Carolina Federation of Women's Clubs, brought greetings from the state president, who could not attend, and introduced the

speaker, Mrs. J. Blair Buck.

Mrs. Buck told of her recent trip to Europe as a member of the American delegation to "The Women's World Fellowship." An interesting sidelight of the trip was the wedding present she carried to England for Princess Elizabeth from the club women of America. Mrs. Buck told impressively of the many important women she met in England who are so ably serving their country in political and economic fields. She stated that "food" is the chief topic of conversation in England as elsewhere. Food is very scarce in England, but there is no black market there, the rich and poor share equally. In France food is available for those who raise it and for those who can buy in the black market, but the middle class—the backbone of France—is slowly starving to death. Like conditions exist in key countries of Western Europe.

Mrs. Buck read the resolution passed by representatives of fifty countries at the meeting of "The Women's World Fellowship." She stressed that women everywhere are interested in world peace and the women from the countries that served as battlefields in the last two wars are determined that concentration camps and other such inhuman treatment must be abolished, and that every person, regardless of race, creed or political affiliations, shall be given individual rights.

Mrs. Buck is serving on Mr. Luckman's Citizens Committee, and is especially interested in conserving food. She said, "Food is our strongest weapon in the fight for freedom throughout the world. It is a living token of friendship from us to our neighbors across the sea." She said the success of the food conservation plan lies largely with the women of America, and urged that everyone cooperate with the Luckman program.

Mrs. Buck possesses an unusual degree of all the attributes for leadership, a forceful personality, a brilliant mind, a winning friendliness and a warm humanity. She stirred her audience.

At the conclusion of her address Mrs. Jesse Moye of Farmville, the president of the Fifteenth District, thanked Mrs. Buck for her splendid address, and thanked the Greenville Woman's Club for inviting the Fifteenth District to participate in the day's activities.

Mrs. Perkins invited everyone present to the tea, honoring Mrs. Buck and other officials.

Mrs. Ed M. Brown of Murfreesboro, 2nd vice president of the North Carolina Federation, led the congregation in saying the Collect before the dismissal. The following members of the Junior Woman's Club of Greenville acted as ushers: Mesdames Ray MacKenzie, Richard Weeks, W. H. Pruden, Carl McKinney, and Charles Marston.

Service League Welcomes New Members
The regular November meeting of the Service League was held Monday morning at the Sheppard Memorial Library with ten new members in attendance. They are: Mrs. Bryan Brown, Mrs. George Clark, Jr., Mrs. Holly Van Dyke, Mrs. Charles Gaskins, Mrs. David Hardee, Mrs. Jake Hadley, Mrs. Howard Moye, Mrs. Jack Nobles, Mrs. Ed Williford and Mrs. Burney Warren, Jr.

Mrs. Lyman Ormond, president, opened the meeting with a word of greeting after which Mrs. K. B. Pace extended them a warm welcome on behalf of the League. Mrs. Jake Hadley, speaking for the provisional members, graciously responded and expressed their eagerness and desire to be a part of a local organization dedicated to rendering service to the community. Mrs. Ormond then issued an invitation to a coffee hour to be given by the board in their honor at her home on Friday, November 7, at 11 o'clock.

Mrs. J. T. Little, finance chairman, thanked those who had worked for the past two weeks preparing the first print of the League Cook Book and asked that all members be ready to give as much time as possible when the printing is completed and the book is ready to be assembled. The cook book which will go on sale around Thanksgiving will have about 150 pages of tempting recipes and will sell for

\$1.25. They will make attractive and useful Christmas gifts.

The layette chairman, Mrs. David Evans, reported that three layettes had been placed during the month of October. And since the funds for replenishing the layette supply is limited she again urged that any members or friends of the League who have baby clothes they wish to dispose of to contact her. These will be mended and laundered and put to good use.

The workers at the Thrift Shop are being kept busy these days helping Mrs. M. T. Simpson, chairman and Mrs. W. L. Whedbee, co-chairman, get everything in readiness for the annual Pitt County T. B. Seal Sale which will be held soon. Mrs. John Adams who is in charge of mailing the T. B. Seal and Bond letters asked for volunteers to come to the Thrift Shop and assist in this work.

Mrs. Walter Harrington representing the League on the Greenville Recreational Committee said that the armory had been secured again this year for the boys basketball teams and that the 14th Street playground would be cleaned and leveled and kept open for use.

After other routine committee reports were given and several important announcements were made, the League voted to endorse President Truman's Food Conservation program.

The meeting was brought to a close with the reading of these appropriate lines by the president: "The world is like a mirror Reflecting what you do. If you face it smiling, It smiles right back at you."

Practical Nurses to Meet
The Practical Nurses Association will meet at the home of Mrs. Cliff Rhodus on Thursday night, November 6, at 8 o'clock. Those not having transportation call Mrs. Lucille Jenkins or Mrs. Elba Lee Rowe. Mrs. J. R. Jenkins, president.

Speaks in Morehead City

Dr. J. L. Opelet, director of student teaching and placement at East Carolina Teachers college, will be the guest of the public schools of Morehead City on Thursday, November 6, and will make two addresses during the day.

Miss Lambie Entertains

Miss Ruth Lambie, director of the Nursery School at East Carolina Teachers college, entertained the nine seniors who are assisting her in the work there at a party on Monday evening. Part of the evening was devoted to instruction and practice in finger-painting, a form of art popular among children. Those present were: Mary Elizabeth Ellis of Washington, Nell Perry of Louisville, Annie Ruth Sealey of Orrum, Alma English of Willard, Kathleen Floyd of Cerro Gordo, Anne Atkinson of Elizabethtown, Joyce Robinson of Spring Hope, Margaret Dickens of Fuquay Springs, and Jeann Brown of Hilton Village, Va.

Bridge Tournament

On November 13th the American Home Department of the Woman's Club will sponsor a bridge and set-back tournament at the Woman's Club. Both men and women may make their reservations by calling the chairman of the department, Mrs. C. E. Oakley, at 4369 or Mrs. J. Hicks Corey at 2363.

The American Home Department is anxious to make this tournament a successful project, the proceeds of which will be used to buy a piano

for the club.

The club building is a center for civic activities and a new piano will be enjoyed not only by club members but also by all groups who meet from time to time at the Woman's Club.

Serving as chairman of committees are: Mrs. J. Hicks Corey, general chairman; Mrs. Harvey Ward, prizes; Mrs. J. E. Phelps, tables; Mrs. Ed Ricks, cards and tallies; Mrs. J. A. Watson, decorations; Mrs. Dink James, refreshments; and Mrs. H. W. Mims, publicity.

Reserve Officers In Important Meeting Here Tuesday Night

By CHESTER WALSH
The Lenoir-Pitt Chapter of the Reserve Officers Association had one of the best meetings of the year at Respass' place, across the river, last night, with Col. Meriwether Lewis, Sr., president. Interesting reports of the Contact Camp for Reserve Officers at Fort Bragg October 2-3 were made by Lt.-Col. W. S. Stafford and Maj. James P. Davenport of Greenville and Lt.-Col. Louis Dupree of Kinston. Following this an open forum developed many interesting points by which reserve officers may be of value to their country in peace as well as in war were developed.

The reserve officers association chapter of Lenoir and Pitt Counties meets at stated times, the meetings alternating between Kinston and Greenville. The next will be held at Hotel Kinston in December. The association is enlarging its sphere of influence and its membership is increasing. There is a standing invitation to reserve officers to join.

In addition to the above named officers present, were Lt.-Col. Theodore K. Fountain of Falkland, Lt.-Col. Ralph M. Giles of Greenville, Capt. George C. Harper of Kinston, Maj. Joe L. Hinson of Kinston, Lt.-Col. James S. Jenkins of Greenville, Maj. Emmett R. (Buck) Wooten of Kinston, 1st Lt. Harold Reginald Gray and 1st Lt. Hilton P. Carson of Stokes, 2nd Lt. William H. Pruden of Greenville, Capt. Jack P. Carey and 1st Lt. Anthony J. Carey, Col. Keith Bowman and Maj. E. B. Marston, Jr., of Kinston and Chester Walsh of Greenville.

W. C. T. U. Notes

Ayden Women will give the W. C. T. U. broadcast in November. Mrs. O. C. Stroud is in charge of these broadcasts. This is to remind you to tune in on WGTC at 5 p. m. each Thursday in November.

KIWANIS PROGRAM

Dr. Raymond T. Moore will have charge of the program at the Kiwanis Club's supper meeting Friday night at 6:30.

Sydney, Australia, claims that its Royal Exchange is the largest wool selling center in the world.

*Fresh Air,
Exercise and
Plenty of Sleep*

Through strenuous playing, and the strength needed in normal development a child expends an enormous amount of energy each day. Therefore, fresh air, plenty of exercise and sleep are of utmost importance.

A balanced diet is also essential for growing children. Consult your family physician, he will assist you in planning a diet that will go a long way in giving your children a healthy and happy start on the road of life.

Appreciation...

To Our Customers:

Repairs to our largest generator, which burned out on September 19th, have been completed and put on the line at 9:40 p. m. Sunday, November 2nd; therefore, it is no longer necessary to curtail your use of electric current.

You have been very cooperative during the emergency, and your fine spirit and willingness to share the burden have given us no little satisfaction during these trying days, when everything possible was being done to restore service to normal.

We deeply regret any inconvenience caused you, and wish to express our sincere appreciation for your fine spirit, your wonderful cooperation and the downright good naturedness with which you shared our trouble, and wish to assure you that it is our desire to provide the very best service obtainable at all times.

Sincerely Yours,

World Unity A "Must" To Pitt Woman Speaker

By WYATT BROWN

With an eloquent and moving ap-
peal for a united world, improve-
ment of friendly relations among all
nations, and the outlawing of war,
Mrs. J. Brooks Tucker, who re-
cently returned from an interna-
tional conference of club women in
Europe, told the Rotarians last night
about some of the things she saw
and heard in Europe. At the outset
she told the Rotarians she planned
to see and hear Europe with her
eyes and ears but she finds her
heart is full for the unfortunate of
Europe. Mrs. Tucker was introduced
by Mrs. Fred Langford.

Mrs. Tucker declared that no one
could attend international confer-
ences, where women of all the world
were thinking together about a bet-
ter world, and not become an ardent
proponent of a united world.

To the question of whether the
peoples of Europe are trying Mrs.
Tucker gave a positive, yes. With
the qualifications that they were

Rowan Homestead, where
Stephen Foster wrote
"My Old Kentucky Home"

At this point she reported what
she as a farm woman saw and
heard in England, Holland and
France. In France she found the
people "dead from the neck up"—
due to torture and fatigue of the
war. The people of England she
found confused—not knowing where
they are going or how they will get
there. Everyone blames the Social-
ist labor government, but Mrs.
Brooks urged closer and further
reading of the newspapers.

England presents a picture of
shortages of food and clothes as
well as other items. Part of this
the speaker said is due to England's
terrible drought, and caterpillar
plague which followed.

From Holland came a picture of
hope and rugged independence in
the face of scarcities and hardships
inflicted by occupation and de-
struction by the Germans and a
dry summer. The Dutch ask for no
help other than the international
work with.

Belgium she found to be living a
grasshopper life—not caring too
much about tomorrow. Then France
came in for further relating of de-
tails and the comment that it was
the worst of what was seen.

On the overall picture Mrs. Tuck-
er reports considerable infiltration
of Communism. "We must feed Eu-
rope for our own security. We will
never get paid for it, perhaps. If
we do not feed Europe the Russians
will," observed the speaker.

Mrs. Tucker said the most de-
pressing thing was how everywhere
she went in England, Holland and
France she found the people felt
another war was inevitable in 2 1/2
years and this time with the United
States. And then in closing she made
the very moving appeal that every-
one work for a united world to de-
velop a real concept of a united
world.

Guests of the club were Miss Ma-
dy Harding, Charles Horne, Billie
Horne, Sidney Crane, and Rever-
end Leonard Topping. Visiting Ro-
tarians were Ralph Hardee of the
Ayden Club and Carl Pfau of the
Washington club. At the sugges-
tion of Steve Wilkerson who though
absent due to his being hospitalized
with illness got "Doc" Horne to
have the Rotary club send word to
the Methodist bishop at the annual
Methodist conference in Elizabeth
City this week, to return "Bob"
Bradshaw to the Greenville Metho-
dist Church. This was seconded by
Herbert Waldrop and passed unani-
mously with Waldrop acting as
temporary presiding officer. The
program was presented by Lindsay
Wilkerson, chairman of the pro-
gram committee. "Bob" Bradshaw,
club president, presided.

GHS JAYVEES DOWN KINSTON

Sideris And Alligood Spark Way To Win Over Imps

By SAM NORTROP
A fast moving, hard-hitting Jayvee squad banged their way to a 12-0 victory over the Kinston Juniors last night at Grainer Park. Sparked by "Speedy" Sideris and Joe Alligood, the Baby Phantoms scored in the second and last stanzas in defeating the Imps. Greenville started its first drive late in the first period when Alligood took a punt and ran it back to the Devils' 35. Sideris picked up 19 and then 5 more to place the ball on the 11. After two more tries at the line Alligood passed to Farley on the four for a first down. However, there the drive bogged down and Kinston took over on their own 4.

Howell made 5 in three tries and then booted. Alligood took the kick on the 30 and returned it to the 17. Sideris made 1 and then Alligood faked back and heaved one to Eland on the four. Two plays later Alligood crashed over.

Midway in the fourth period after making four straight first downs, Howell kicked out on the Greenville 32. Sideris hit the middle for 5, 10, 3, and five in four tries to put the ball on the 45. Joyner went to the 30 on a reverse and then Alligood started off tackle. However, finding a big red wall here he skirted his own tight end and dashed down the sidelines for 26 yards down to the 4. Sideris plunged over from there on first down. Greenville kicked off and two plays later the game ended.

Greenville led in first downs 7-6.

tomorrow when they meet the Kinston Midgets. In a previous meeting of the two clubs this year the "Mighty Mites" came out on the long end of a 14-0 score. Both teams employ a diversified attack and a real battle is expected. Game time for this conference till is 4 o'clock and a large gathering of Greenville fans is expected to witness the engagement.

Ayden, Wallace Play Homecoming Game Thursday

Coach Stuart Tripp's Ayden Tornadoes will meet Wallace High Thursday night, Nov. 6, at eight o'clock in Guy Smith Stadium. The contest will be an East Central Conference game. This will be Ayden High School's homecoming game for this year and the Tornadoes enter the stadium with a record of 4 wins and 2 losses for the year. They are in a three-way tie for second place in the East Central Conference, with La Grange holding first place. Thursday's winners will probably clinch second-place position.

Ayden has accounted for 111 points this year as against 68 for their opposition. Wallace holds two victories over Ayden from last year. A sad note came in the Tornadoes' camp when they lost their star tackle, John Clark Noble, who left for Randolph Macon Academy Sunday.
