Witness Tells Of Meyers' Holdings

President Of Aviation Electric Co. Says Meyers Organized Firm, Had Name Crossed Off Books But Collected Through President's Nominal Salary

Washington, Nov. 17.—(AP)—B. H. Lamarre, president of Aviation Electric Company, testified today that although his salary in 1941 was carried on the company's books at about \$31,000, approximately \$28,000 of this sum was paid to Maj. Gen. Bennett E. Meyers.

Lamarre declared that Meyers put up all the money to organize the firm in late 1939 but that his name was later crossed out of the records. Lamarre testified before the Senate War Investigating Committee which heard last week that the Dayton concern received over a million dollars worth of war business.

Lawrence D. Bell, president of the Bell Aircraft Corp., said he sent \$1,053,000 worth of subcontracts to Aviation Electric at Meyers' suggestion. Meyers, now retired from the Army, was deputy chief of Air Force procurement (purchasing) during the war.

The Senate committee is inquiring into his activities in that post. Individual senators have noted publicly during the hearings that statutes provide penalties up to two years imprisonment for government purchasing officers convicted of dealing with firms in which they have a financial interest.

Lamarre said he removed Meyers' name from the articles of incorporation at Meyers' direction. He had testified earlier that he was brought into the war contract company to "protect" Meyers' financial interest in the company. Lamarre said he had a \$35 a week job and his wife was secretary to Meyers when the Army officer gave him the job with the Dayton concern.

Lamarre said he thought it was some time in 1943 that he removed Meyers' name from the firm's records. Chairman Ferguson (R-Mich.) wanted to know whether Meyers explained why he wanted his name removed.

"I don't recall that he told me exactly why," Lamarre said, "but I had gained the impression from him that in his position in the Army he could not afford to be connected with any company."

Lamarre testified that Meyers put up the \$500 for the original capital investment, although the 500 shares of stock were not issued in his name, and that he later paid bills approximating \$6,000 and received six per cent demand notes in return. He said further that Meyers made the original entries in the firm's books at his home at Wright Field, Dayton, in Lamarre's presence.

Committee Counsel William P. Rogers asked him: "There was no doubt that he (Meyers) was the boss and he owned all the stock?" "That is right," Lamarre said.

CANADA MAKES NEW PROPOSAL ON PALESTINE

Suggest August 1 As Date For Ending Mandate, Giving Independence

Lake Success, Nov. 17.—(AP)—Canada today was reported suggesting next Aug. 1 as the date for termination of the British mandate over Palestine, the withdrawal of British troops and the independence of the proposed new Jewish and Arab countries under the pending plan to partition the Holy Land.

This date, informed quarters said, was put forward by Canada as a compromise to meet difficulties growing out of Britain's declaration last week that she planned to complete the withdrawal of her forces from Palestine by Aug. 1. Under a Soviet-American plan drafted before the British declaration, the mandate would be terminated and British troops would be withdrawn by May 1, and the two proposed countries would become independent by July 1.

The new Canadian proposal was expected to be considered later in the day by a four-nation working group made up of representatives of the U. S., Russia, Canada and Guatemala. Meanwhile, a nine-nation Palestine sub-committee completed a draft report on the boundaries of the proposed Jewish and Arab countries. This sub-committee still has to consider any implementation plan developed by the working group.

The special 57-member U. N. Palestine committee, called upon by Chairman Herbert V. Evatt of Australia to meet twice today, was hopeful of receiving reports from its two sub-committees before the end of the week.

Harrisburg, Pa., Nov. 17.—(AP)—The Friendship Train converged on New York today in three sections, nearing the end of its food-gathering sweep through the heart of America.

Since leaving Los Angeles Nov. 7 with 12 carloads of food for Europe's hungry, the train grew until a division into the three sections became necessary.

One 87-car train moved through New York State yesterday. A second 27-car train passed through Pennsylvania and moved on to New York last night while the third 50-car section reached here—crossing for the first time the path of the Freedom Train.

ALL CENTENARIANS New York, Nov. 17.—(AP)—A child born now can expect to live to be 100 "if he's given proper care in infancy and youth, and if he avails himself of present medical knowledge through his adult years," says Dr. Edward L. Borz, president of the American Medical Association.

A strike of 30,000 coal miners was added to the dock and transportation strike which has crippled Marseille, France's second city. A millers' strike closed some bakeries. Socialist Premier Paul Ramadier was expected to resign as soon as Reynaud secures pledges of 30 assembly votes in order to assure a stronger government to cope with mounting unrest.

About 500 police and soldiers ringed the city hall, where Pierre de Gaulle, brother of Gen. Charles de Gaulle, was elected president of the municipal council today. De Gaulle's new French People's Party recently carried many municipal elections throughout France. Police said the precautions were taken against the possibility that left wing elements might start a riot, as they did last week in Marseille under similar circumstances.

Reynaud, who was busy this morning conferring with various political leaders, is expected to overcome the difficulties of establishing a majority in the National Assembly by basing his government as widely as possible.

Begin Probe Educational Work In N. C.

Gov. Cherry Addresses Group; All Phases Of Schooling To Be Studied

Raleigh, N. C., Nov. 17.—(AP)—The North Carolina Education Commission, appointed to make a thorough study of the state's educational structure with recommendations to the 1949 legislature, received its official send-off today from Governor Cherry and Chairman R. Grady Rankin of Gastonia.

The governor, addressing the assembly of approximately 250 persons, including members of the 15 committees, said that he did not know of a more important task in the state, and he pledged his official and personal assistance in the study.

Rankin reviewed the slow progress of education in North Carolina, described the many problems that have confronted it over the years, and how the state finally took over responsibility for a nine-month, 12th grade school system. He suggested that local units and boards of education retain complete interest, in the school work and not be inclined to pass all problems to the governmental seat at Raleigh.

All phases of primary and high school education will be studied by the various committees. Executive Secretary W. H. Plemons cautioned committee members not to talk too much about their work but to channel all information and findings through his and the commission's office.

Begin Inquiry Into Restaurant Explosion Today

Nampa, Idaho, Nov. 17.—(AP)—An investigation was scheduled to begin today to determine the cause of an explosion which ripped apart a restaurant-tavern building here Saturday night, killing five and injuring 50.

The Nampa City Council and the police and fire departments were prepared to launch the investigation of the disaster which earlier had been tentatively attributed by Fire Chief L. T. Lessinger to an explosion of a gas range in the restaurant.

Late yesterday, 26 persons remained in Nampa hospitals after eight victims were released during the day.

Bonner Resigns

Washington, Nov. 17.—(AP)—Speaker Martin announced today to resign as a member of the House Committee on Un-American Activities.

No reason was given for the resignation. Bonner was not immediately available for comment.

Congress Planning Little Aid Debate

Mild UN Action

New York, Nov. 17.—(AP)—The United Nations Assembly was expected today to take another slap at Franco Spain without ordering any positive action against the Falangist regime.

Soviet hopes that the U. N. would adopt such measures as economic sanctions faded last week when the 51-nation political committee refused to accept a Polish resolution. The assembly was ready instead to approve the final committee version, which merely reiterated the moral condemnation of the government of Hitler's wartime friend and repeats the U. N. 1946 appeal for members to withdraw ambassadors and ministers from Madrid. All the 57 nations except Argentina have complied.

The reaffirmation resolution passed the committee 29 to 6, with 20 countries—including the United States—abstaining.

ROYAL HOUSES CROWD LONDON

Great Assemblage Of European Royalty Awaits Wedding

London, Nov. 17.—(AP)—The greatest assembly of European royalty since the 1837 coronation of King George VI was in London today for the first of a series of brilliant social events preceding Princess Elizabeth's wedding to Lieutenant Philip Mountbatten Thursday.

Most of the 27 members of current and former royal houses expected to attend the wedding already have arrived. With them came thousands of commoners, crowding into already jammed London hotels.

One thousand guests were invited to today's party at St. James' Palace, officially listed as the first of the wedding week functions.

Tonight there will be a state dinner at Buckingham Palace, followed by a dance for 150 guests.

Scotland Yard assigned special details to guard the coming and going of no less than four visiting kings and six visiting queens.

Police said Westminster Abbey would be searched by special branch detectives Wednesday night, then sealed until the ceremony.

A full dress rehearsal, witnessed by the queen and princesses from a window as the procession left the palace, was staged yesterday along streets lined with thousands who braved freezing weather and a bitterly cold wind to watch the pageantry.

Inflation Already Here And Getting Worse Says President In Giving Ten-Point Program Of "Drastic Measures"; Repeats \$597 Million Interim Aid Plea For European Nations

Washington, Nov. 17.—(AP)—President Truman asked Congress today to restore authority for rationing important consumer goods and imposing wage ceilings once more. The Chief Executive handed his combined program for helping Europe and fighting inflation to the special session of Congress as it met to consider those two allied problems.

The President laid down a ten-point program of what he called "drastic measures" to halt the tide of rising prices. While urging continued voluntary attempts to combat inflation, Mr. Truman proposed that Congress legislate to:

1. Authorize "consumer rationing on products in short supply which basically affect the cost of living." 2. Authorize "price ceilings on products in short supply which basically affect the cost of living or industrial production and to authorize such wage ceilings as are essential to maintain the necessary price ceilings."

3. "Extend and strengthen rent control." 4. Authorize allocation and inventory control of scarce, cost of living commodities.

5. Authorize regulation of speculative trading on commodity exchanges. 6. Restore consumer credit controls and restrain inflationary bank credit.

7. Extend and strengthen export controls. 8. Continue authority to allocate transportation facilities and equipment. 9. Provide measures to induce livestock and poultry marketing so as to obtain the most efficient use of grain.

10. Allow the Agriculture Department to expand a program for encouraging conservation practices and authorize measures intended to step up foreign food production.

Mr. Truman addressed Congress in person at a time when, he said, "the future of the free nations of Europe hangs in the balance" and "the future of our own economy is in jeopardy."

He repeated the Administration's bid for \$597,000,000 of interim aid to Italy, France and Austria through next March. But here at home, he said, inflation is an "ominous threat" to prosperity. It no longer can be treated as "a vague condition we may encounter in the future," he admonished.

Inflation already is here "to an alarming degree" and it is "getting worse," he declared. Accordingly, the President set forth his program to combat it by three types of measures.

(1) To relieve monetary pressures. (2) To channel scarce goods into more essential uses. (3) To deal directly with specific high prices.

Elaborating on his proposals for authority to restore rationing and price controls, the President said "such measures should be permissible on vital commodities in short supply that basically affect the cost of living."

Food, clothing, fuel and rent, he said, are the basic elements in living costs. In addition, he said, the legislation he wants from Congress should be broad enough to allow imposition of price ceilings on scarce vital commodities basically affecting industrial output.

SEC. OF LABOR RAPS CRITICS 40-HOUR WEEK

Cabinet Officer Prepares Testimony; Advocates 75-Cent Hourly Minimum

Washington, Nov. 17.—(AP)—Secretary of Labor Schwelbenbach called upon Congress today to support all suggestions for tampering with the 40-hour week provision of the wage and hour act.

The cabinet officer also urged quick action to hike the present 40-cent an hour minimum wage to 75 cents.

His testimony was prepared for a House labor subcommittee which has been studying proposals for changes in the nine-year-old statute covering workers whose output crosses state lines.

Noting that the law sought to establish a 40-hour work week as a normal schedule by requiring time and one-half premium payments for all time worked after 40 hours, Schwelbenbach told the committee: "Some persons are now urging either that the overtime provisions be repealed outright or be made ineffective by making the time and one-half apply either to the minimum wage or to any rate agreed to by the employer and the employee."

"At the beginning of our defense program there were arguments similar to those now being advanced, that the overtime requirements would hinder production. Events clearly disproved these assertions."

"With a present labor force over ten million larger than the wartime force, we certainly can achieve full production without sacrificing this basic standard of our labor legislation." Should the time come when a serious unemployment again may threaten our economic structure, we shall be grateful for a law which will serve to prevent the anxiety of men walking the streets begging for work while other workers are being forced to work long and burdensome hours."

Hoey Predicts Brief Session

Shelby, N. C., Nov. 17.—(AP)—The special session of Congress which opened today will last a little more than a month, predicts Sen. Clyde R. Hoey, North Carolina Democrat.

Just before leaving for Washington, Hoey said he believed the special session would clear pressing matters in time to allow congressmen to return home shortly before Christmas.

Paris, Nov. 17.—(AP)—Twenty-five Communist members walked out of the City Council tonight after it elected Pierre de Gaulle to its presidency. The Communists said they would not work with "vichyites."

This action came amid these other developments in the French political crisis: 1. Soviet Ambassador Alexander Gogonolov made "vigorous protest" to the government against a raid on a Soviet reparations camp, from which French police removed a mother and three children. 2. Former Premier Paul Reynaud.

Emergency Session Of Congress Expected To End Before Christmas; Priority Items To Be Considered; It Can And Must Work Fast; The Regular Session

By JAMES MARLOW

Washington, Nov. 17.—(AP)—Here is an ABC on Congress which starts doing business again today.

This is an emergency session and should end before Christmas. The regular 1949 session opens Jan. 5.

The problems facing the emergency session and the regular session are different.

At this emergency session Congress will consider just a few things, leave other, bigger ones for the regular session.

Italy Strengthens Police In Face Of New Disorders

Rome, Nov. 17.—(AP)—The Italian government, plagued by widespread political disorders that have claimed 40 lives in the past week, moved swiftly today to strengthen the national police force and announced it was prepared to "deal energetically with any assault on democracy."

Mario Scelba, minister of the interior, disclosed the strength of the carabinieri was being increased from 65,000 to 75,000 men and said that all security forces were being overhauled and tightened.

Scelba's statement coincided with a new blast against Premier Alcide de Gasperi's Christian Democrat government by Communist Leader Palmiro Togliatti, who declared in a speech at Milan that the government was toying to "foreigners" and "allied to the neo-fascists."

"All who think to recreate fascism in Italy must take into account the organized force of labor," Togliatti said.

"Naturally," he added, "the Italian situation is linked to the international situation, where there is accentuated the contrast between democratic, progressive social forces and the most reactionary imperialistic groups."

Seven Big Ammunition Warehouses Near Yokohama Explode; Fire Rages

Ikego, Japan, Nov. 17.—(AP)—Seven big warehouses packed with ammunition exploded at the U. S. Fifth Army supply base here today, sending flames and shrapnel high into the air.

The fire, which broke out at midnight, raged out of control to night.

Cause of the blast was not determined immediately.

At nearby Yokohama, U. S. Eighth Army headquarters reported later tonight seven Americans and four Japanese were injured, one seriously. Most were nicked by flying shrapnel. The Army said it believed all personnel had been accounted for. One of the Americans was hurt seriously when the ambulance he was driving plunged off a 25-foot embankment.

Explosions were decreasing. Some 450 First Cavalry soldiers were making headway against brush fires which had threatened other warehouses and caves filled with explosives.

Some 200 personnel, including 90 Americans, are attached to the dump, which is 35 miles southwest of Tokyo. There are approximately 35 warehouses in the dump area. It covers ten square miles. Eighteen caves also hold ammunition. Altogether, about 30,000 tons of ammunition, ransoms, from rifle bullets to 155-mm shells, is stored here.

WANTED MEN ARE TRAPPED

Pair Barricaded In Farmhouse, Hold Children Hostage

Neillsville, Wis., Nov. 17.—(AP)—Clark County Sheriff Ray Kutsche reported by radio at 12:30 p. m. (CST) today that both desperados sought on the hysterical story of rape and murder told by a 19-year-old girl were barricaded in an outlying farmhouse with several children as hostages.

The two, identified earlier by Dane County District Attorney Edwin Wilkie as Robert Winslow, 23, and Buford Sennett, 22, both former convicts, were surrounded by officers in the farm home of Peter Pamputis and declared their intention to "shoot it out" with police.

At Madison, meanwhile, Federal Court Commissioner J. J. McManamy issued warrants charging violation of the Dyer Act for both Sennett and Winslow, at the request of the Federal Bureau of Investigation.

Asst. U. S. Attorney James E. Doyle said the warrants were based on transportation of a stolen automobile across state lines, in this case from Galena, Ill., to Hillsboro. A general alarm was broadcast for the two after a 19-year-old University of Michigan co-ed told Madison police of a wild automobile ride last Friday night in which her brother-in-law, a University of Wisconsin medical student, was shot to death and she was raped repeatedly.

Vishinsky Sees U.S. Opinion Favoring War Against Russia

New York, Nov. 17.—(AP)—Andre X. Vishinsky says he has observed a "frenzied" upsurge of opinion favoring war with Russia, and that American policies in Germany apparently are aimed at "preserving the remnants of fascism" so that Germany "can be directed against Russia."

The Soviet deputy foreign minister and chief Russian delegate to the United Nations, addressing a dinner given by the National Council of Soviet-American Friendship last night, renewed his "war-mongering" charges, and declared: "I have been here for two and a half months and I saw with my own eyes and heard with my own ears that there is a frenzied ideological upsurge of public opinion in favor of war with the Soviet Union."

Under such conditions and activities, the work of the Council of American-Soviet Friendship becomes even more significant.

Discussing his charge that American policy seems to be directed toward pitting Germany against Russia, Vishinsky said John Foster Dulles, U. S. delegate to the U. N. Assembly, was referring to this when he told the assembly recently that the United States would not "retreat to Potsdam."

A Two-Front Affair

War Between Communism And Democracy In Europe And Asia; China's Place In The Struggle; First General Election; Korea Linked To Asia's Plight

By DEWITT MACKENZIE

Far Eastern developments continue to remind us forcefully that the war between communism and democracy is a two-front affair.

The European conflict naturally is of more immediate importance to the Western world. But in the long run we are likely to find that the outcome of the struggle is quite as dependent on Asia as on Europe.

Anyways, this much is clear: The democracies could triumph in the West and still lose the global decision through failure in the Orient. That's a definite danger.

China is the key to the situation. Her affiliations are with the Western democracies, but she is across the world from them and is fighting an uphill battle for her very life. We are wont to think of her in terms of her mighty size and geographical importance, which gave her a place among the Big Five nations of the world, and yet she hasn't the strength to live up to that proud title because she is torn by civil war and is shattered economically.

Agree On Four Principal Items

London, Nov. 17.—(AP)—Deputy foreign ministers of the United States, Russia, Great Britain and France agreed today on four items for the agenda of the Big Four conference opening Nov. 25 to write German and Austrian peace treaties.

The items are Austria, the form and scope of a provisional political organization for Germany, economic principles, and the procedure for preparing a peace treaty.

Fred Hampson, chief of the Associated Press in China, says observers believe Generalissimo Chiang Kai-shek's government should be able to pull through the winter economically and militarily without important outside aid. Yet these same observers warn that Chiang's regime soon

er or later will come to a dead end unless foreign help is enormously greater than any now in sight.

The generalissimo's China is growing weaker economically. The government is said to be throwing 80 per cent of its expenditures into the war against the Chinese Communists, leaving little for rehabilitation of the stricken country.

Meanwhile, while Chiang's forces have achieved sweeping victories in Manchuria, the revolutionists—said in official circles to be aided by the Russians—have captured the vast important government base of Shih-chang in North China, southwest of Peiping. The Chinese Reds also have been successful along the great Yangtze River, and threaten the railway lifeline between South and North China. Should they be able to cut the railroad it would be a major disaster for the Government.

War Between Communism And Democracy In Europe And Asia

China's Place In The Struggle; First General Election; Korea Linked To Asia's Plight

In the midst of all this chaos, China is preparing to hold this week its first general election of history. A National Assembly will be chosen and this will name the country's first constitutionally selected president and vice president. Generalissimo Chiang's Kuomintang party is all powerful and therefore there is no question that his regime will be

The executive board of the Woman's Club will meet Thursday afternoon at 3:30 at the Woman's Club. The president, Mrs. Vance Perkins, requests that every member be present.

Mrs. Alfred Williams III, who before his marriage Saturday evening in Jarvis Memorial Methodist Church, Greenville, N. C., was Miss Lucy Clyde Blount, daughter of Mr. and Mrs. Judson Hassel Blount of Greenville.

Williams-Blount

Saturday evening at 8 o'clock in Jarvis Memorial Methodist Church, Miss Lucy Clyde Blount, daughter of Mr. and Mrs. Judson Hassel Blount, became the bride of Alfred Williams III, son of Mr. and Mrs. Alfred Williams, Jr., of Raleigh. The ceremony was performed by Rev. Robert W. Bradshaw in a setting of white chrysanthemums with a background of woodwardia and cibotium fern.

A program of nuptial music was rendered by Mrs. Paul Toll, organist, and Mr. Jack Metz, soloist. Prior to the ceremony, Mr. Metz sang "Ave Maria" and "The Lord's Prayer."

The bride, given in marriage by her father, wore an ivory satin gown with off-shoulder portrait yoke, long pointed sleeves, and a full skirt made with bustle effect, having at each side accordion pleated panels of chantilly lace and ending in a long court train. The full length veil of illusion was attached to a scarf of heirloom lace and held in cap effect at each side by white baby orchids. The bride carried white phalaenopsis centered with white orchids and showered with stephanotis.

The attendants were Mrs. S. Gilbert Blount, Jr., Providence, R. I. and Mrs. Howard Latham Hodges, Jr., of Greenville, sisters of the bride; Mrs. Marion Blount, II, of Greenville; Mrs. Felix Harvey, III, of Kinston; Miss Frances Glass of Danville, Virginia; and Mrs. John Miller, Jr., of Williamston. They wore dresses of ice blue satin made with hoop skirt and off-shoulder neckline. Their elbow-length gloves were of matching satin and they carried bouquets of Better Times roses, with floor-length streamers. Betsy Williams of Raleigh, sister of the groom, and Nelson Blount of Greenville, cousin of the bride, were junior bridesmaids. Their dresses and bouquets were identical to those of the other attendants.

John Cross Williams of Raleigh was best man for his brother. Other groomsmen were Murray Williams, brother of the groom, Pretlow Winbourne, William Ragland, Phillip Taylor and Sidnor M. White, all of Raleigh, and James S. Ficklen, Jr., and Judson Blount, Jr., of Greenville.

Mrs. Blount, mother of the bride, wore a brocade powder blue dress and had at her shoulder a corsage of orchids. The groom's mother wore a blue satin dinner dress with corsage of orchids.

For traveling, the bride had a becoming suit of champagne cashmere with matching hat, and accessories of brown alligator.

Following the ceremony, the bride's parents entertained at a reception at the Woman's Club.

The bride attended Roberts Beach school at Catonsville, Maryland, Salem Academy at Winston-Salem, and is a graduate of Stephen's College, Columbia, Missouri.

The groom attended Virginia Episcopal school at Lynchburg and was graduated from the University of North Carolina where he was a member of Zeta Psi fraternity. He is now associated with his father in business in Raleigh.

Mrs. Williams was entertained extensively in Greenville prior to the wedding. On Friday evening, Mr. and Mrs. M. K. Blount, with Mr. and Mrs. Leighton Blount, entertained the wedding party and out of town guests at a buffet supper. Following the wedding rehearsal, the wedding party and other guests were complimented with a dance at the Country Club given by Mr. and Mrs. Howard L. Hodges, Jr., Mr. and Mrs. Marion Blount, II, Dr. and Mrs. S. Gilbert Blount, Jr., and Judson Blount, Jr. Saturday at 12 o'clock. Mr. and Mrs. James S. Ficklen and James Ficklen, Jr., were hosts to the out of town guests and wedding party, and at 6 o'clock at the home of Mrs. Key Brown, Mrs. Brown, Mrs. Henry L. Rivers and Mrs. Bert James entertained at a barbecue luncheon.

Honoring Miss Lucy Clyde Blount and Alfred Williams, III, Mr. and Mrs. Marion Blount, Mr. and Mrs. Howard Hodges, Jr., Dr. and Mrs. S. Gilbert Blount, and Mr. Judson Blount, Jr., entertained at a dance at the Country Club Friday evening.

The club house was beautifully decorated with greenery, candles and wedding bells. Log fires burning brightly at each end of the club house gave a cheery welcome to guests. Delicious punch and leas with cakes and nuts were served from the bridal table festooned with statix and caught with wedding bells and tiny pom-poms and centered with a basket of white chrysanthemums. The music was furnished by Christine Smith and her orchestra.

Following the wedding Mr. and Mrs. Judson H. Blount entertained at the Woman's Club with a reception honoring Mr. and Mrs. Alfred Williams, III, and their wedding party.

The club house was appropriately decorated for the occasion using in the drawing rooms large baskets of pink chrysanthemums and in the ball room using the bridal motif of green and white. The mantel, back-600 220 600 250" data-label="Text">

ground for the bridal table was a three-tiered wedding cake topped with white lace ball tied with ribbons of the valley, flanked on either side with silver candelabra and baskets of green spun sugar filled with white sugar roses.

From tables at either side of the ball room were served delicious fruit punch, decorated with floating ice roses and French frosted coffee. Throughout the evening hors d'oeuvres of all kinds, salted nuts, decorated cakes were served from artistically decorated trays. Mr. E. C. Metz at the piano, accompanied by the piano by Mr. Jack Metz, furnished delightful music throughout the evening. Receiving with Mr. and Mrs. Blount were the bride and groom, Mr. and Mrs. Alfred Williams, Jr., Mrs. Cross, and the wedding party. Assisting the host and hostess were Mr. and Mrs. M. K. Blount, Mr. and Mrs. Leighton Blount, Mr. and Mrs. J. B. James, Mr. and Mrs. J. Key Brown, Mr. and Mrs. Burke Stancil, Mrs. J. A. Matheson of Greensboro, Mr. and Mrs. George Ross of Raleigh, Mr. and Mrs. H. L. Rivers, Mr. and Mrs. T. White, Mr. and Mrs. W. E. Hooker, Mr. and Mrs. Charles White, Mr. and Mrs. James Ficklen, Mr. and Mrs. James Little, Mrs. M. L. Wright, Mrs. G. B. W. Hadley, Miss Jane Hadley and Mr. and Mrs. B. B. Surg, Sr.

Christian Science Service
"Mortals and Immortals" was the subject of the lesson-sermon in all Christian Science Churches and Societies on Sunday, November 16. The Golden-Text John 12:35. "He that loveth his life shall lose it; and he that hateth his life in this world shall keep it unto life eternal."
Among the citations comprising

You Women Who Suffer HOT FLASHES then FEEL CHILLY!

Are you going through the functional "middle-age" period peculiar to women (38-52 yrs.)? Does this make you suffer from hot flashes, feel so nervous, high-strung, irritable, weak? Then so Lydia E. Pinkham's Vegetable Compound to relieve such symptoms. It's famous for this! Taken regularly — Pinkham's Compound helps build up resistance against such "middle-age" distress. It's what doctors call a uterine sedative. It positively contains no opiates — no habit-forming drugs. It helps nature (you know what we mean). Pinkham's Compound is also a great stomachic tonic!
LYDIA E. PINKHAM'S VEGETABLE COMPOUND

The Lesson-Sermon was the following from the Bible: "For they that are after the flesh do mind the things of the flesh; but they that are after the Spirit the things of the Spirit. For as many as are led by the Spirit of God, they are the sons of God." (Romans 8:5,14). And from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "The offspring of God start not from matter or ephemeral dust. They are in and of Spirit, divine Mind, and so forever continue."
Greenville Chapter O. E. S. will hold a regular meeting in the Masonic Hall, Tuesday night at 8 o'clock. Mr. Sam Bundy of Farmville will be guest speaker.
Plans will be made for the Christmas sale and dinner to be served in the Masonic Hall Friday, November 21, at 11 o'clock.

telephones are atomic too

In this atomic age, we think too often in terms of new advancements in new fields... forgetting the enormous progress made in fields we take for granted. The telephone industry, for example, although held back longer than any other by reconversion delays, has made unheralded progress in its expansion program. In spite of the unprecedented demand for telephone service, we are moving ahead toward our goal of modern service for all who want it.

Tired, "All-in" Listless Feeling Brought To Halt

As Vibrant Energy is Released To Lively Muscle, Fibre, Cell

Do you get up in the mornings still tired, feel drowsy and out all day? Have you checked-up on your blood strength lately? Overwork, undue worry, cold, flu or other illness often wear down the red-blood-cells.

Every day—eve./ hour—millions of tiny red-blood-cells must pour forth from the marrow of your bones to replace those that are worn-out. A low blood count may affect you in several ways: no appetite, underweight, no resistance to infection and disease.

To get real relief you must keep up your blood strength. Medical authorities, by analysis of the blood, have by positive proof shown that S&S Tonic is amazingly effective in building up your blood strength in non-organic nutritional formula. This is due to the S&S Tonic formula which contains special and potent reinforcing ingredients.

Also, S&S Tonic helps you enjoy the food you eat by increasing the gastric digestive juice which is necessary for healthy assimilation of the food. Each S&S Tonic bottle contains a special "S&S Tonic" which is rich in iron, calcium, phosphorus, and other essential elements. It will save little cause to get balky with gas, flat and bloated and that sour food taste.

Don't wait! Energize your body with rich iron-blood. Start on S&S Tonic now! As vigorous blood circulates throughout your whole body, greater freshness and strength should make you eat better, sleep better, feel better, work better, play better, have a healthy color glow in your skin—fresh fill out hollow places. Millions of bottles sold in bottles from your drug store. Get a bottle today! S&S Tonic is the "S&S Tonic" that builds S&S Tonic.

The Farm Vehicle That Works 12 Months a Year

THE 4-WHEEL-DRIVE UNIVERSAL 'Jeep'

Spreads Its Cost Over More Jobs

No idle seasons for the Universal "Jeep"—it works for you the year 'round. With 4-wheel drive and low speeds from 2 1/2 mph up, the "Jeep" does your tractor work from breaking the ground to harvesting. Shift into 2-wheel drive and you have a vehicle that hauls and tows at highway speeds, with 4-wheel drive to rely on when roads are soft or slippery. The power take-off gives you up to 30 hp on the belt—ample for your power jobs. Let us bring a "Jeep" out to your place and show you how many jobs it will do.

Edward H. Schwarz Died Durham Sunday

Durham, N. C., Nov. 17.—Edward Hoyt Schwarz, Sr., 50, of Durham, died at Watts Hospital Sunday morning at 10:15 o'clock. He had been sick for the past five weeks.

The deceased was born and reared in Danville, the son of Louis Schwarz and Katie Hoyt Schwarz. He received his education in the Danville city schools and at Washington & Lee University.

Mr. Schwarz had been connected with the Imperial Tobacco Company since 1920, during which time he lived in Chase City, Va., Greenville and Oxford, N. C. In 1942 he moved to Durham from Greenville and lived here since.

He was a veteran of World War I, a member of the American Legion, Durham Post No. 7, and Cavalry Methodist Church.

On July 14, 1925 he was married to Miss Helen Mosser, who survives, as do three sons, Edward H. Schwarz, Jr., Frederick M. Schwarz, and Louis J. Schwarz, one daughter, Miss Helen May Schwarz, all of the home; his mother, Mrs. Katie Hoyt Schwarz, one sister, Mrs. Elizabeth S. Herndon; and an aunt, Mrs. Pauline H. Schwarz, all of Danville, Va.

Funeral services will be held Tuesday morning at 11 o'clock at Howerton Bryan Funeral Home. Burial will be in Mountain View Cemetery, Danville, Va.

Mrs. Bertha Gulley Died Of Heart Attack

Mrs. Bertha Edgerton Gulley, widow of O. G. Gulley, died of a heart attack Saturday night at 9:30. Funeral services were conducted at Jarvis Memorial Methodist Church at 3 o'clock this afternoon by the pastor, Rev. Robert W. Bradshaw.

Burial will be in the Guilford College cemetery, Guilford College, at 2 o'clock Tuesday afternoon, with the Rev. Russell Eranson, pastor of the New Garden Friends Meeting of Guilford College, in charge.

Mrs. Gulley was born in Wayne County and spent her youth in Guilford College, where she attended the Guilford schools. She was married to O. G. Gulley of Clayton and lived at Wilmington and Mount Olive before coming to Greenville in 1922. Since Mr. Gulley's death in October, 1945, she had made her home in Lexington and in Greenville. She was a member of the Jarvis Memorial Methodist Church in Greenville.

Surviving are a daughter, Mrs. John E. Raper of Fayetteville; two sons, O. Graham Gulley, Jr., of Tarboro, and William E. Gulley of Chapel Hill; four grandchildren; six sisters, Mrs. John D. Williams of Kinston, Mrs. Charles W. Meade of St. Petersburg, Fla., Mrs. A. L. Couch of Scotsboro, Ala., Mrs. C. F. Shelton of Wilson, and Mrs. C. G. Poindecker of Elkin; and two brothers.

L. H. Edgerton of Guilford and Paul C. Edgerton of Greensboro.

The following will be pallbearers: F. M. Wooten, Jake Hadley, Glenn Brooks, Reid Perkins, Bert Moye, Bob Lang, and Thomas Lawrence, Jr., of Tarboro.

Ernest Williams' Funeral Tomorrow

Ernest Williams, 67, died Sunday afternoon at 3 o'clock at Taylor Hospital in Washington of injuries received when struck by a car at Dudley's Crossroads last Wednesday night.

Funeral services will be held at the home Tuesday afternoon at 3 o'clock by Rev. J. B. Roberts, Primitive Baptist minister of Farmville. Burial will be in the Williams family cemetery near Cannon's Crossroads. Mr. Williams was born in Pitt county and lived in the cannon's Crossroads' community. He was a farmer.

Surviving are his wife, Mrs. Anne Stokes Williams; two sons, Larry Williams of near Scuffletown and Lorie Williams of New York; three daughters, Mrs. Almata Simons of Norfolk, Va., Mrs. Eldridge Steyon of Atlantic, N. C., and Mrs. DeWitt Waters, Jr., of New York; two brothers, W. D. Williams and D. W. Williams of near Ayden; a sister, Mrs. John Stokes of Ayden; 15 grandchildren and six great grandchildren.

Strength FOR THE DAY

SENSE OF INFERIORITY

It is very hard to endure inferiority, especially if those who are superior to us are a bit nasty about it.

But we might as well get used to it, for we are all inferior to someone in something. I have a friend twenty years older than I who has twice as much physical endurance as I have.

But why get stirred up over matters of this sort? If the people who are superior to us are a bit nasty about it, they are, as a matter of fact, not so superior after all.

Immigrants Are Already Hidden In Palestine

Jerusalem, Nov. 17—(AP)—Jewish sources said today that 185 Jewish immigrants who got by British naval patrols yesterday and washed ashore after beaching their 50-ton launch Aliyah near Nahariya are probably already dressed as workers and housewives and are out in the fields beside Palestinian Jews.

Carolina Is Considered For Possible Bowl Bid

By the Associated Press

A Southern Conference crown will be balanced against a possible bowl bid when Duke and North Carolina clash Saturday in their perennial battle that will climax the 1947 Tar Heel gridiron season and wind up Duke's schedule.

The Blue Devils, twice tied and defeated, are the only Southern Conference team undefeated in conference play. The Tar Heels, after two successive and decisive early season defeats, have begun looking like the champions they were touted to be in pre-season ballyhoo by consecutively whipping first-rate opposition with increasing vigor.

The Orange Bowl committee has revealed that North Carolina is one of five teams, including Virginia, under consideration for a bid to

Shrine Bowl

W. H. Brinkley, vice chairman in charge of tickets for the 11th annual Shrine Bowl Game, to be played in Charlotte, N. C., on December 6, has announced that tickets are now on sale for the general public.

In Greenville, tickets may be purchased from, or contributions made to, Paul A. Scott, local chairman, James W. Brewer or William J. Bundy.

The New Year's classic at Miami, Fla. North Carolina ends its season at Virginia the week after the Duke game.

The rest of the week's home games will give Tar Heel fans slim pickings. Tuesday night Catawba and Guilford play off a postponed game at Greensboro.

Friday night offers Wake Forest against Duquesne at Winston-Salem, and Emory and Henry at WCTC. Duke's "BS" tangle with UNC's Jayvees at Chapel Hill.

Saturday's games see UNC at Duke and in a night affray. Milligan at ETC. N. C. State travels to Virginia and Davidson meets the Citadel to complete the schedules of the state's active teams.

Knife Wielder Given 3 Years On The Roads

By CHESTER WALSH

In Police Court today Judge J. W. H. Roberts found Charlie Mabry, 63-year-old Negro, guilty of assaulting with a deadly weapon (a knife) with intent to kill John Hyman, Negro, and sentenced him to two years on the roads. The court also gave Mabry one year on the roads for assaulting with the same weapon on his son, John Mabry.

Testimony was that Mabry made a vicious attack with a knife on Hyman, slashing with fury at his neck and body which required 32 stitches to close. Part of his victim's coat was in tatters. The attack occurred on Fleming Street early Saturday night. Hyman's wounds were treated at Pitt General Hospital and he was released.

Mabry also was convicted of assaulting with a deadly weapon his son, John Mabry, at the home of Mary Pitts, Negro, shortly afterwards, cutting him on a hand. Judge Roberts warned Mary Pitts that numerous law violations had been committed at her house, and warned, "the next time you come up here I'm going to give you a year in jail." Police testified that her house had a bad reputation. Policemen Peterson and Hill made the arrests.

The Children's Corner

THE CHILDREN'S CORNER — M

This week, celebrates National Children's Book Week, when libraries all over the country will be emphasizing their books for children, and counters in every book store will be featuring the newest and best in juvenile literature.

Shepard Memorial Library has planned some most interesting displays which include many new books just arrived from the publishers, as well as some of the tried and true favorites.

We especially invite those who have never visited the children's room to take time to come in and see it, and to look at the books which are here for the children's delight and learning. The rapid advances which have been made in the art of printing are exemplified most vividly in books for children, for here the artist and the typesetter, for here the artist and the typesetter have free rein for all their most colorful and imaginative work. It would be difficult for any child to resist the magic of books, when introduced to them through the library shelves.—Mrs. R. Hauser, Jr.
