

BOARD TURNS DOWN REQUEST MOVIE HOUSES

Picture Shows Must
Close During Church
Hours Sundays; Had
Busy Session

By CHESTER WALSH
The Board of Aldermen in session at the City Hall last night rejected a petition of the Pitt Theater and other movie houses to allow the theaters to operate during church services on Sunday nights. Attorneys Frank Wooten and Louis W. Gaylord, Jr., and Miss Pattie Fraze of the Blind Center appeared for the motion picture interests.

The aldermen ordered the theaters closed from 6 to 8 o'clock on Sunday nights about a year ago upon request of the Greenville Ministerial Association and church leaders. Mayor Jack Boyd presided.

Millade residents requested the city to provide some drainage in that section. The matter was referred to the Street Committee.

The board rejected an application of a cafe on Dickinson Avenue to operate a public address system in front of the place. There is a city ordinance forbidding playing of such instruments continuously.

Milton M. White petitioned the board to change the zoning and fire districts to eliminate unnecessary hardships. This was referred to the Fire Committee.

The aldermen passed a resolution last night authorizing a new map of the city, including new territory annexed by legislative act, when the city limits were extended last July 1. The resolution also provides for correctly numbering all houses and business places and placing name plates at intersections. This matter has been under consideration some time. Police Chief Jim Tanner recommended this shortly after he came to Greenville.

The city is planning to install two-hour parking meters on Fifth Street from the City Hall to Evans Street. Many physicians have offices in the State Bank Building and numerous persons requested the two-hour meters for the convenience of those visiting the doctors.

The board gave the Salvation Army permission to place a small lot at Five Points and Evans Street to carry on their drive for Christmas funds. It also agreed to pay one-half the cost of repairing the armory roof and authorized repairing the roof of the grandstand at the ball park. Authority was granted the N.C. Highway Safety Division to pave a small strip of roadway near the fire tower in West Greenville for testing motor vehicles. The board hired Mrs. Susie Ragdale as tax lister.

A delegation from North Greenville requested the board to include an area bordering the Bethel Highway in the Fleming's Crossroads community in the fire district to safeguard a business district.

The Board of Aldermen approved a map of a subdivision in the Elm Street extension area, submitted by Reynolds May and E. Hoover Tift.

Report Cause Of DC-6 Accidents

Washington, Dec. 5—(AP)—The series of fires which caused the grounding of all DC-6 airliners has been blamed by an industry-government committee on the overflow of gasoline from fuel tanks into the cabin heating system.

This finding represents the first step in the process of putting the giant four engine aircraft back into service, possibly early next month.

Recruits Start Training;
Casualties Mount In Holy Land

Jerusalem, Dec. 5—(AP)—Fires swept out of control in an Arab attack on all-Jewish Tel Aviv tonight as the week's deaths in communal fighting in the Middle East passed the 100 mark.

By the Associated Press
Arabs, inflamed by the impending partition of Palestine, attacked the Jews twice today in Tel Aviv and the resulting combat raked to 44 the number slain in four riotous days in the Holy Land.

The dead were 23 Arabs and 21 Jews. Hundreds were wounded. Damage in Jerusalem alone was estimated by Hebrew papers at more than \$4,000,000.

Angered Arabs demonstrated again in Egypt and Lebanon, two of the seven Arab countries whose representatives will confer Monday in Cairo on means of "defending and liberating" Palestine, which the United Nations voted to cut into Jewish and Arab nations. The British are to abandon their League of Nations mandate next year.

Recruits for an Arab expeditionary force started basic training on grounds of Syrian schools. Money donations and volunteers poured in. Some 50,000 demonstrators met in the center of the Lebanese capital of Beirut protesting the partition decision. Arab sources said 3,900 men and 53 women from Lebanon had volunteered to fight partition.

Club-wielding police were unable to disperse demonstrators in Cairo, despite a government prohibition against such manifestations. Moslem brotherhood leaders later called off the demonstration.

JOINT MEETING GOP MEMBERS

Senate, House Policy
Groups To Work On
Inflation Issues

Washington, Dec. 5—(AP)—The Senate Republican Policy Committee decided today to attempt to work out with House members a GOP anti-inflation program which may call for voluntary allocation of scarce cost of living items.

Chairman Taft (R-Ohio) told a news conference that a meeting of Senate and House leaders will be held next week to determine whether "two or three" anti-inflation measures can be pushed to final passage in the special session of Congress.

He listed measures to extend export controls, regulate trading on the grain exchanges and to curb installment buying in this category. The Ohio senator said there was discussion by the policy group of a proposed bill under which government would take the lead in attempts to bring about voluntary agreements in industry to allocate scarce critical products as steel.

He said this measure would have to contain a clause exempting participating businesses from the Anti-Trust Act, as well as provision for government funds to conduct a campaign.

New NAM Chief Says Production Price Solution

New York, Dec. 5—(AP)—Morris Sayre of Montclair, N.J., newly elected president of the National Association of Manufacturers, today urged greater productivity at no greater cost as the nearest thing toward short-time answer to the price situation.

"I don't believe any of us are working as hard as we can or ought to under the circumstances," he said at his first news conference after election to the NAM presidency. "It would be a wonderful thing if labor would increase its work week," said Sayre, who rose from a boiler washer to president of the Corn Products Refining Company. "We could use a lot of the New England Puritan precepts," he said. "This is the time for work. There is too much feather-bedding in this country."

Plans To Revise Own Labor Law

Washington, Dec. 5—(AP)—Rep. Harley (R-N.J.), co-author of the Taft-Hartley Act, declared today there is a "public clamor" for labor law changes "and it is the duty of Congress to do something about it." As a first step in that direction, Harley said the House Labor Committee which he heads will open hearings early next month on ways to (a) curb industry-wide strikes and (b) prevent so-called "make work" practices.

For The Record

Endicott, N. Y., Dec. 5—(AP)—This entry, author unidentified, appears on the Endicott police blotter: "Man called to denounce a dog on Robble Avenue. This dog samples pedestrians who pass by the premises and is hated and feared by all and sundry. Complainant who wished to remain anonymous vowed he would cause the offending canine to rapidly become extinct if redemptions didn't halt its depredations."

ORDERS PROBE SCHOOL ORDER

New York's Mayor
Directs Inquiry In
Religious Carol Ban

New York, Dec. 5—(AP)—Mayor William O'Dwyer has directed an investigation of an assistant superintendent of schools' order that pupils of 23 Brooklyn schools may not observe the Christmas season in their classrooms with the traditional religious carols and symbols.

Assistant Superintendent Isaac Bidersee ordered yesterday that such observances of the season as Santa Claus are approved, but that "Christmas carols with reference to the nativity may not be sung, nor may decorations include religious symbols of any faith" in schools under his charge.

The mayor's announcement of an inquiry followed a sharp protest of the order by the New York State Council of the Knights of Columbus. Dr. William J. Joseph, superintendent of schools, said the incident was based on a "misunderstanding." Bidersee, meanwhile, explained he directed the principals of his schools to avoid religious expressions, including such carols as "Hark, the Herald Angels Sing." He added: "I will not back down from this."

Women's Clubs Head In Havana

Havana, Dec. 5—(AP)—A delegation of American women headed by Mrs. J. L. Blair Buck of Richmond, Va., president of the General Federation of Women's Clubs, today concluded a two-day forum on current affairs held in conjunction with Havana women's groups.

China's Rice-Producing Area Again Threatened

(Editor's Note: John Roderick, Associated Press correspondent in Shanghai, is visiting Kuikiang, new Government military headquarters 300 miles southwest of Nanking. The headquarters was set up to meet the threat to central China raised by the raids of Communist Gen. Liu Pocheng. This is his first report from that civil war front.)

By JOHN RODERICK
Kuikiang, China, Dec. 5—(AP)—One-eyed Gen. Liu Pocheng's Communist raiders—supposedly "annihilated" by the Government three months ago—now threaten central China's rich rice-growing area. This once-seized porcelain center, formerly guarded by a lone artillery regiment whose last thought was of war, offers proof of the deadly seriousness with which the Government is taking the cocky Communist leader they often reported as dead. Gen. Pai Chung-hsi, the nation's top-ranking military man as minister of national defense, set up his headquarters here five days ago.

The nucleus of these forces are Government troops who engaged Liu in Shantung Province before the wily Red strategist broke through the Government's Yellow River cordon several months ago.

Chairman Of Washington Utilities Expresses Thanks For Local Help

Paul M. Waters, chairman of the Washington Municipal Electric and Water Department Commission expressed his department's appreciation to J. H. Blount, chairman of the Greenville Utilities Commission, for assistance rendered in Washington's recent breakdown in its utilities system. "We wish to express to you, and through you to your public utilities, our heartfelt thanks in helping us in our recent power difficulties," wrote Mr. Waters. "Mr. Swartz and Mr. Flye have been most cooperative and have gone out of their way to render us every possible assistance. Actually Mr. Swartz made a trip to Washington and offered his personal services."

"SUBVERSIVE" LIST FARICAL SAYS THOMAS

Chairman Of Un-American Probers
Says Clark's List Far From Complete

Washington, Dec. 5—(AP)—Chairman J. Parnell Thomas (R-N.J.) of the House Committee on Un-American Activities today described as "utterly farcical" the list of some 80 organizations labeled by Attorney General Clark as subversive or otherwise suspect.

"If the attorney general can't do any better than this," Thomas told a reporter, "the committee on Un-American activities, will supply a list that will put him to shame. There are hundreds of communist and communist front organizations alone."

Clark got out his list last night. It named, among others, the Communist Party the German-American Bund, the Ku Klux Klan, Columbians, American Youth Congress, American Youth for Democracy, the Civil Rights Congress, the Joint Anti-Fascist Refugee Committee and the now disbanded Hollywood Writers Mobilization for Defense.

The list is to be used in checking on the loyalty of government workers. It was relayed to heads of all government agencies by Seth W. Richardson, chairman of the administration's loyalty review board. The attorney general said the list is not "complete or final" and may be expanded as investigations warrant the addition of other organizations.

In a letter to Richardson transmitting the list, Clark said that as President Truman has pointed out, "it is entirely possible" that many persons belonging to such organizations may be loyal to this country; that "membership" in, affiliation with or sympathetic association with any organization designated is simply one piece of evidence which may or may not be helpful in arriving at a conclusion as to the action which is to be taken in a particular case."

"We must be satisfied that reasonable grounds exist for concluding that an individual is disloyal," the attorney general said. "That must be the guide."

Discuss Cuts In Potato Quotas

Washington, Dec. 5—(AP)—A proposed 10 per cent reduction in 1948 potato acreage quotas for North Carolina was discussed here today.

Members of Congress, North Carolina farmers and officials of the Department of Agriculture considered whether the Tar Heel State's phenomenal increase in average per acre potato production should be a factor in determining the proposed 8 per cent reduction.

Representative Herbert C. Bonner of Washington, N.C., arranged today's meeting. He said that despite the fact that increased production, the proposed acreage reduction is unfair, in view of the 1947 increases-over-quota granted certain over states.

In recent weeks, thousands of smart-looking troops, many American equipped, have moved through the area. They were sent here to meet Liu's forces, which are estimated to number 100,000 men.

General Pai, who is considered an able strategist, is known to have fidgeted at his desk in Nanking while his chief of staff, Gen. Chen Cheng, was doing things on a grand scale in Manchuria.

Central China gives Pai his own show. There seems little question that the battle for the rice-producing area, which embraces Hankow, soon will rival in scope and intensity the fighting in North China.

While Liu lurks in the Tai Pieh Mountains less than 100 miles north of here, Pai is building up formidable offensive forces.

The nucleus of these forces are Government troops who engaged Liu in Shantung Province before the wily Red strategist broke through the Government's Yellow River cordon several months ago.

Continuing, the Washington Commission chairman noted the "invaluable help" of equipment obtained from the Greenville Utilities and stated "You have enabled us to resume operations days earlier than it would have been possible had we not obtained this equipment from you."

Gov't Employees In France On Walkout

Power Stoppage Cripples Paris Industry; Upper Chamber Of Assembly Summoned To Ratify Anti-Strike Legislation

BULLETIN

Paris, Dec. 5—(AP)—The minister of interior announced to the National Assembly tonight he had authorized French police to fire on mobs. Communist deputies shouted "assassins!"

Paris, Dec. 5—(AP)—The French government, harried by crippling, Communist-baited work stoppages, ran head-on into another strike today when government employees began walking off the job. The first immediate effect was to blackout electric power, halting factories, stopping the subways and choking off communications. Sailors and mobile guards moved into the power houses at once and got some of the generators going again, but Paris remained badly crippled.

The Council of the Republic, the upper chamber of France's legislature, was summoned to ratify the drastic anti-strike, anti-sabotage legislation passed yesterday by the National Assembly, the lower house. The new law is aimed at breaking strikes which have idled more than 2,000,000 workers for almost three weeks.

Police opened an investigation of a bombing late last night at the home of Communist Leader Maurice Thorez in suburban Choisy-Le-Roi. A grenade exploded inside the house but Thorez was out of the city and there was only slight damage. No one was hurt.

Today's power failure was the

second in Paris this week. Police cleared sidewalk strikers from six power plants Tuesday morning and got power on after a blackout of several hours caused by a strike of electrical workers.

This morning, the power failed at 8 a.m. (2 a.m. EST) but lights came back on in 45 minutes in some parts of the city in top priority buildings such as radio, telegraph and news wire relay centers. Power lines to major factories apparently remained down, however.

The subway company said at first it had managed to get a few trains running at slow pace only 30 minutes after the shutdown, but later announced that the first trains after the blackout did not move until 9:30 a.m.

LARGE AERIAL SEARCH OPENS

Planes Rove Over Five
Countries Seeking
Trace Of Wreck

Frankfurt, Germany, Dec. 5—(AP)—One of the largest aerial searches in history was made today by 167 U.S. planes roving over 100,000 square miles of five countries seeking an Army transport plane and its 30 occupants lost a week ago.

The planes took advantage of the best flying weather since the C-47 disappeared en route from Pisa, Italy to Frankfurt. They ranged from the British zone of Germany to the Mediterranean and from Paris to Austria. Parts of Switzerland also were scanned.

Hope dwindled that any aboard the lost plane would be alive unless found promptly. Every available craft was sent aloft in an attempt to end the search today, before a bad weather front moves in from the west. Swiss, French and British aircraft helped in the hunt. An Air Force spokesman said probably more than 200 planes in all participated.

The main effort was in the area bounded by Luxembourg, the German towns of Mörbisch and Coblenz and the French city of Strasbourg. In that area, where a possible gasoline signal fire was reported seen two nights ago, 63 planes were in the air.

Wet, cold and hungry, searchers were held back today for rest and regrouping after six days in the snow. An Air Force colonel said: "Those ground patrols just knocked themselves out. They followed up every possible clue."

Moratoriums On Pay, Price Hikes

New York, Dec. 5—(AP)—One-year moratoriums on wage and price increases were urged before the National Association of Manufacturers today by Lewis H. Brown chairman of the Board of the Johns-Manville Corporation.

"Any German government called upon to administer a Germany divided as it is today by the policies of the occupying powers would be a sham and a delusion."

London, Dec. 5—(AP)—Secretary of State Marshall urged the Foreign Ministers Council today to "drop generalities" and "try to find out what each delegation really has in mind" for settling peace terms with Germany.

Marshall attacked Soviet Foreign Minister Molotov's almost daily demands for quick creation of a central German government and declared:

"The Russian government called upon to administer a Germany divided as it is today by the policies of the occupying powers would be a sham and a delusion."

cause for years there's been more money in circulation than there have been goods that can be bought with money.

(We've had inflation here with living costs up 66 per cent over 1939, wages high, and more money around than goods to buy.)

Yos ask: But do Russian workers get paid in cash? Sure. The government decides how much pay they get for a certain job.

And when the country people—the peasants—raise crops, they must turn in a certain percentage, or quota, to the state.

For this they get cash or pay in kind. For example: For 10 sacks of grain a peasant might get 10 pounds of pork.

But he could sell for cash that part of his crop which was over and above the quota he had to sell to the government.

And, being free to sell that extra part of his crop, he could sell it to another peasant on the black market for whatever he thought he could get.

As a means of shopping down inflation the Russian government might, as the rumors said, cut down the value of the ruble. How? The government could say:

"We're issuing a new kind of ruble. Turn in all your old paper rubles for the new kind. After a specified time the old rubles will be worthless."

W. M. S. To Meet Monday
The W. M. S. of Memorial Baptist Church meets Monday afternoon at 3:30 at the church.

Honored at Coffee Hour
In a beautiful candlelight setting, Misses Shirley Warner and Evelyn Foley were hostesses at a coffee on Wednesday afternoon from 4 to 5:30 at the Greenville Country Club honoring Miss Josie Barnes White, bride-elect of December.

The receiving line was composed of Mrs. John Warner, Miss Shirley Warner, Mrs. Jack Foley, Sr., and the honor guest.

Sprays of pine decorated each window in the club room where guests were received and the mantel shelf was banked with pine and red berries.

Mrs. W. W. Lee and Mrs. Ed Raul poured coffee from a silver service placed at each end of the table which was centered with an exquisite bowl of white chrysanthemums and gladioli. With the coffee an assortment of Danish pastries, sandwiches and iced cakes were served.

The hostesses presented Miss White gifts of silver. About 175 guests called during the party hours.

Jolly-Dunn
The wedding of Miss Myra Dunn, daughter of Mr. and Mrs. William Alexander Dunn of Bevoir, to Brantly Tiltman Jolly, son of Mrs. W. O. Jolly, Sr. and the late Mr. Jolly of Ayden, was solemnized Saturday afternoon, November 29, in a candlelight ceremony at the Sigma Pi fraternity chapter room, Wake Forest College. The Rev. John Bunn from Morehead City and Wake Forest College, a fraternity brother of the groom, officiated.

The double ring ceremony was performed before an improvised arch covered with ivy, running cedar and white roses. Tapering candelabra and tall baskets of white gladioli completed the decoration. The nuptial music consisted of the traditional wedding march and a rendition of the Lord's Prayer. Paul Moyle of Palm Beach, Florida, and Early Jones of Crew, Virginia, and Wake Forest College, fraternity brothers of the bridegroom, lighted the candles. Fraternity brothers also served as ushers.

The bride wore an original model in a bridal white woolen suit with black accessories. In her hands she carried a white prayer book encased with a white purple-throated orchid showered with satin ribbon and stephanotis.

Miss Myra Dunn of Raleigh, sister of the bride, was dressed in grey and carried a bouquet of pastel sweetpeas and roses.

Wilbur M. Jolly of Louisville, brother of the groom, served as best man.

Mrs. W. O. Jolly, Sr., mother of the groom, wore a dubonnet ensemble and a corsage of white carnations.

The bride received her A. B. degree from East Carolina Teachers College, Greenville, in 1946. She is, at present, teaching in the Ayden High School.

The groom, a war veteran, is an alumnus of Oak Ridge Military Institute and Wake Forest College. At Wake Forest, he held several offices in the Sigma Pi fraternity, was president of the Pan-Hellenic Council, president of the Veterans Club, and a member of the student council.

After the wedding, the couple left

on a wedding trip to Miami Beach, Florida. Upon their return they will be at home in Ayden.

On their wedding eve the couple was entertained at a dinner party by Mr. and Mrs. Wilbur M. Jolly at their home in Louisville. Only personal friends of the couple were present.

Following the wedding rehearsal Friday night, Dr. E. E. Folk, II, of Wake Forest College, Sigma Pi faculty adviser, and Mrs. Folk entertained at a reception in their home in honor of Miss Dunn and Mr. Jolly. The table was covered with a lace cloth and was centered with arrangements of white gladioli flanked by candelabra carrying out the bridal color scheme. Bridal cakes, ice cream, and nuts were served to members of the wedding party and the Sigma Pi fraternity.

Wesleyan Service Guild
The Wesleyan Service Guild of the Jarvis Memorial Methodist Church held their December meeting Monday night, December 4, in the basement of the Methodist Church, where 42 members and guests enjoyed a sumptuous turkey dinner. The guest of honor was Rev. R. W. Bradshaw, the other guests included Mesdames Bradshaw, Frederick Brooks, Sam Underwood, Hannah Page and Miss Mae Briley.

Miss Annie Laurie Askew, president, presided. Mrs. Rosa Herring was recognized for preparing the delicious dinner, and Misses Frances Gross, Thelma Exum, and Mae Briley were recognized for having decorated the room. The decorations of the room and tables gave everyone a spirit of Christmas. We were glad to have Mrs. Cora Powell and Miss Martha Lee Cowell to join our guild and enjoy the fellowship with us.

After all business was transacted, Miss Annie Laurie Askew entertained us with a monologue, "Dorothy Dumb's Christmas Shopping."

Mrs. Herring, assisted by her little nephew, Master "Buddy" Dail, presented gifts from the Christmas tree to each person present. She then presented, for the members of the guild, a life membership to Mrs. Scoville, and from herself she presented a life membership to "Buddy."

Afterwards the group gathered around the piano to sing Christmas songs. Since Master Cecil Turner, who was presented a life membership from his parents, was unable to be present, some of the members visited him at his home on Summit St., where he too could share the Christmas spirit.—Reported.

Missing At Sea
Mrs. Charles R. Fleming has been notified by the secretary of the Army that her brother, Boatswain Ronald M. Boyd, has been missing at sea since Nov. 24th. He was serving aboard the Army transport, Clarkdale Victory, which went aground and broke up off Hippa Island, near the coast of British Columbia on Nov. 24th.

Farmville Senior Play
Farmville,—"For Pete's Sake," a three act comedy, will be presented by the senior class of Farmville high school December 5 at 8 o'clock in the high school auditorium.

Lying as a fine art certainly calls for a strong head, a stout heart and a good memory, and Peter Pepperdine (Sidney Carway) has all these qualifications. When his over-protected Aunt Sarah (Faye Corbett) in an effort to discipline him, starts on a summer tour of Palestine without him, he vents her mansion, against her expressed desire, to her dearest enemy, Mrs. Clarkson (Lola Grey Kemp). Then he disguises himself as a butler to earn some ready cash.

The remainder of the cast includes: Nadine Clarkson (Jean Baker), Peggy Clarkson (Billie Johnson), Malvina Potts (Dora Mae Barrett), Jasmine Jackson (Margaret Wainwright), Thordayne Murgithrop, (Bruce Tugwell), Bill Brad-

THE DAILY REFLECTOR
December 5, 1907

The board of county commissioners met in regular session on Monday, all members being present.

The usual monthly allowances for papers were made.

L. W. Tucker, sheriff, made his report of having laid off a public road in Chocod township as ordered at the November meeting. S. T. White, treasurer, filed his monthly report.

A petition was presented for a public road to be established in Bethel and Greenville townships, commencing at a point on the road known as Louis Highsmith avenue running southwardly to Alpine road.

shaw (Alan Parker), John Bolivar (Manley Wooten) and Dupont Darby (Raymond Cannon).

Mrs. J. M. Wheelers, Jr., senior teacher, is directing the play. A small admission fee will be charged.

Present Family Portrait Today
Representatives of the speech and dramatics group at East Carolina Teachers College were guests at the Greenville High School today and spoke in several classrooms on the religious drama "Family Portrait," which will be presented in four performances by the Chi Pi Players of the college. Following the performance tonight and Saturday night in the Austin auditorium on the campus, two special matinee performances for children of high school age will be given on Monday and Tuesday of next week. The first will take place at the college and will be for white children of the city and county; the Tuesday matinee will be for Negro children at the Eppes high school.

Much interest is being shown in the Chi Pi production, and educators of the city are cooperating with the college group in making the special performance a success. Superintendent of Schools J. H. Rose and High School Principal O. E. Dowd have cooperated in the enterprise. Mrs. Howard Mims and Mrs. Luther Herring of the High School faculty are in charge of ticket sales at the High School and in the city, respectively. Others who are assisting are Agnes Fullilove, principal of the Third Street School, and Frances Wahl, principal, and Eva Keeter, both of the faculty of the Training School.

Earns Boots and Spurs
Pfc. Leonard R. Culbreth of 1120 Myrtle Ave., Greenville, N. C., has earned the right to wear the "Boots and Wings" of the United States Airborne Troops. He has completed six weeks of combined parachute and glider training at the Infantry School, Fort Benning, Georgia, during which time he made six parachute jumps, the last being a tactical night jump. In the glider course, several special glider flights were made to instruct him in glider warfare.

Pfc. Culbreth is the son of Mrs. W. J. Clark, of 1120 Myrtle Avenue, Greenville, N. C.

Strength FOR THE DAY

As Shakespeare approached the end of his career, Queen Elizabeth died and King James I succeeded her. Shakespeare had made himself famous by the writing of historical plays and by his renowned tragedies. With the coming of James the moral tone of the English court changed. There was now a love of pleasure and a lack of moral responsibility which caused people to have new tastes in the field of drama. Beaumont and Fletcher began to give the people what they wanted a light type of drama involving none of the serious moral questions with which Shakespeare had dealt in his tragedies. These new plays were peppered with a moral lewdness which was in sharp contrast with the exalted beauty of Shakespeare's writings. The Bard of Avon, realizing that public taste had changed, decided that he would turn from tragedy and meet the public demand for a new kind of play. He therefore wrote Cymbeline, which Lord Ten-

We Have the GIFT for Saving You Money!

Do Not Forget

You may have forgotten the order for canned goods that you intended for the hungry people of Europe and Asia. Only a few days remain before the drive closes. It is an opportunity to do something in a little way to relieve a world condition that is full of serious consequences. All that you would need is one look into the home of one of these unfortunates and another word would not be necessary. You would respond generously, even sacrificially.

Pirate Basketeers Down Marines

The Basketeers of East Carolina Teachers College, displaying a fine brand of basketball, defeated the favored Cherry Point Marines here last night 50-42. The game, a thriller all the way, was not decided until the final minute of play, when a sudden spurge enabled the Pirates to capture the win. The game was tied up at half-time with a score of 24-24.

Larry James and Jim Taylor were the leaders in the Pirate attack, dropping 13 points each through the hoop. Charlie Bill Moye with nine and Roger Thrift and Frank Maennle with five each trailed the leaders. Best for the losers was Miller with 11, followed closely by Wasser with 10.

The brilliant floor play of Roger Thrift and Frank Maennle sparked the Pirates to their second win in two starts.

The game was witnessed by a capacity crowd estimated at 1,100 spectators.

Saturday night Coach Howard Porter will take his squad to Goldsboro to meet the All Stars of that city in a return engagement. The Pirates defeated the Goldsboro five last week 50-34.

Mrs. Kirkpatrick To Attend Cancer Meeting In Raleigh

To launch the most comprehensive attack ever waged against cancer in North Carolina, Mrs. Helene Higgs Kirkpatrick, County Commander of the American Cancer Society's Field Army, will meet with other leaders in the fight from over the state in Raleigh today.

The group will lay plans for getting in motion a program of public information about cancer designed to reduce from one-third to one-half the number of deaths the disease causes each year, Mrs. Kirkpatrick said. "The plan calls for the utilization of all resources in the community for disseminating information. Cancer, with its terrific toll, is a community problem. The Pitt County Unit of the American Cancer Society proposes to organize a community attack on this killer. The Raleigh meeting might be called a strategy for Field Army Commanders," Mrs. Kirkpatrick declared.

Pitt County is expected to take a leading part in the public information program.

In Chi Pi Players Production

MARJORIE SELBY
Louise Moore of Roxboro, student at East Carolina Teachers College, will play the leading role of Mary, Mother of Jesus, in the production of "Family Portrait," to be presented by the Chi Pi Players of the college in the Austin building on the evenings of December 5 and 6 at 8:15 o'clock. Miss Moore will have the part made famous by Judith Anderson when the religious drama was first presented in New York. Also in the cast is Marjorie Selby of Goldsboro, who has the part of Mary Cleophas. Two special matinees on Monday and Tuesday will be attended by school children of Pitt County.

UNIVERSITY EMPLOYEE GRATEFUL TO RETONGA

Had Suffered Severe Distress From Pains in The Legs, Indigestion And Weak, Run Down Feeling That Nothing Seemed to Relieve. He states, Retonga A Great And Pleasant Surprise

Happy and grateful men and women from all walks of life continue to come forward with strong praise of Retonga. For instance, Mr. J. D. Jinks, well-known resident of 983-15th St., Knoxville, Tenn., caretaker of buildings and grounds at the University of Tennessee, gratefully declares:

"I am indebted to my wife for having tried Retonga. It promptly relieved her of distress from indigestion and a badly run-down feeling. I was suffering much distress from indigestion, poor appetite, severe pains in my hips, knees, and legs, and sluggish elimination. I was very restless and seldom got a good night's sleep. My appetite was almost completely gone and nothing I ate seemed to agree with me."

"In spite of medicines and treatments I grew worse and the relief Retonga gave me was a great and happy surprise. My appetite is splendid, I eat anything and sleep restfully. The pains are entirely relieved and so is the sluggish elimination. I can work 8 to 12 hours and not feel tired out. It would be hard to praise Retonga enough."

Retonga is intended to relieve distress due to insufficient flow of digestive juices in the stomach, loss of appetite, Vitamin B-1 deficiency and constipation. Accept no substitute. Retonga may be obtained at Bissette's Drug Store—Adv.

Big Crowd Lines Streets To See Santa Parade

By CHESTER WALSH

Crowds estimated at from 10,000 to 12,000 persons lined Evans Street and Dickinson Avenue yesterday afternoon to view the annual Santa Claus parade. Two brass bands, one from the high school and the other from East Carolina Teachers College, provided the music. It was conceded to have been the best Christmas parade ever held here. Children in the parade with their pets attracted much attention.

The procession moved from the Courthouse to Five Points and thence to the Coast Line Railroad. Both sides of the streets were crowded with spectators. The police received much praise for handling the parade, including so many children, and traffic without serious mishap. The Christmas decorations and electric lights are more attractive than in any previous year. Santa Claus distributed candy to children at the judges' stand at Five Points.

The merchants donated cash and ribbon prizes to the following winning contestants in the parade:

Bicycles: First prize, \$5, Jimmy Piver, Jr.; first, \$5, Mack Sumrell; second, \$2.50, Billy Sermons; second, Ann Hamrick; third, ribbon, Patsy Flanagan; fourth, Josephine Hendrix.

Pets: First, (costume), \$3, Ralph Johnson; second, (bicycle), Joanne Parks; third, (ribbon), Marvin Blount, Jr.; fourth, (ribbon), Lema Rose.

Pony: First, \$7.50, L. T. Hardee, Jr.; second, \$5, Sarah Lee; third, \$2.50, Barbara White; fourth, (ribbon), Etheridge child; fifth, (ribbon), L. T. Hardee.

Buggy, surry or hack: First, \$5, Lee McBrayer; second, \$2.50, J. T. Braxton, Jr.; third, (ribbon), Guy Smith, Jr.; fourth, (ribbon) John Henry Davis, driving J. E. Winslow's buggy.

Mules: First, \$5, W. K. Smith (Col. Archie).

Saddle horse: First, \$5, Hugh Winslow; second, \$5, Frank Craft; third, \$2.50, Regan Jones; fourth, (ribbon), Frances Greene.

Costumes: First, \$5, Donna Irvin; second, (ribbon), George Barber; third, (ribbon), Dail Clapp.

Suggests Coal Field Located In Carolina

Raleigh, N.C., Dec. 5—(AP)—Director R. Bruce Etheridge of the state's Department of Conservation and Development believes North Carolina soon may be listed among coal mining states.

In a radio program last night, Etheridge said that recent investigations have been directed to the possibilities of development of the Deep River fields in Lee and Chatham counties.

NMU Treasury 'Near Destitute'

New York, Dec. 5—(AP)—The CIO Maritime Union, informed by its treasurer that it is virtually "destitute," has ordered a sharp cut in staff personnel in all ports and a 10 per cent reduction in salaries.

NMU Vice-President Jack Lawrence said last night.

Treasurer M. Hedley Stone, in a report on finances published in the organization's paper, The Pilot, described the union's financial condition as "alarming" and declared that unless administrative spending

was cut NMU "would be headed for bankruptcy."

Kinston Plans Giant Bond Vote

Kinston, N.C., Dec. 5—(AP)—Kinston city councilmen today considered a request from a group of local citizens that a \$1,600,000 bond election scheduled for next Tuesday be postponed for 90 days.

The citizens group asked the delay to permit what they termed an impartial survey of power costs by an engineer.

The bonds are proposed to finance improvements in city power and sewer lines.

N.Y. Stock Market

New York, Dec. 5—(AP)—The stock market today suffered one of its sharpest tumbles of the past several months with the high speed ticker tape two minutes late for the first time since mid-October and losses ranging from 1 to 8 points.

General pessimism received the principal blame for liquidation which hit all departments. Transfers expanded to around 1,300,000 shares.

Grain Market

Chicago, Dec. 5—(AP)—Grains suffered a sharp break toward the close of dealings on the board of trade today. Earlier gains were wiped out and losses extending to several cents substituted.

Selling in the grain pits was touched off by an abrupt downturn in securities at New York. Touching off of stop-loss orders accelerated the grain decline.

Wheat closed 2 1/4-4 1/2 lower, December \$3.01, corn was 6 to 7 1/2 lower, December \$2.53-2.54 1/2, oats were 2 1/4-4 1/2 lower, December \$1.23-1.23 1/2, and soybeans were 2 cents lower, March \$3.82.

N.Y. Cotton

New York, Dec. 5—(AP)—Cotton futures opened 5 to 50 cents a bale lower.

Noon prices were unchanged to 60 cents a bale higher than the previous close. Dec. \$5.85, March \$5.95 and May \$5.58.

certain date, the old kind will be no good."

What would that mean? It might mean this:

For every ten-ruble note the government might issue a note equal to only one ruble.

If the Russian people thought that was going to happen it's under-
