EDWIN PAULEY TESTIFIES ON GRAIN TRADING

Says Most Of His Holdings "Liquidated"; States President Didn't Know

Washington, Dec. 12 (AP)—Edwin W. Pauley testified today that neither President Truman nor Secretary of Agriculture Anderson could have known when they criticized speculators that Pauley was operating on the commodities market.

Pauley, a special assistant to Secretary of the Army Royal, made the statement before the Senate Appropriations Committee as he testified he is \$100,000 "worse off" because he started selling his holdings in commodity futures after taking over the post last Sept. 3.

Mr. Truman in a radio address Oct. 5 criticized the "greed of speculators who gamble on what may lie ahead in our commodity markets." Later, in laying his 10-point anti-inflation program before Congress, the President asked legislation to regulate speculative trading on the exchanges.

Pauley testified he held "something less than a million dollars" worth of commodities when he took the Army post.

In a statement to the committee he said that he had "liquidated" approximately 90 percent of those commodities, reducing his holdings of grain from 500,000 bushels to approximately 50,000 bushels.

Later he told the senators that he "did rather well" in commodities trading this year.

But he denied, under questioning by Senator Ferguson (R-Mich.), that President Truman could have "conceivably" known of Pauley's activities on Oct. 5 when Mr. Truman declared that the cost of living must not be a football kicked around by gamblers speculating in the market.

"I have no reason to believe that in any conceivable way the President knew that I was in the market," Pauley testified. Earlier he had said that "I dealt in everything I could make a profit in, in the commodity market."

Pauley also testified he has not had any conversation with Secretary Anderson about the grain market. He made this statement when Ferguson asked pointedly if Pauley was in Hawaii last August when Anderson also was there. Pauley admitted that he was but said he did not talk with the secretary about grain.

Ferguson recalled that Anderson, Secretary of Commerce Harriman and Attorney General Clark had been empowered to obtain the names of all persons whose transactions in grain exceeded 30,000 bushels.

Father Of Hitler's Wife On Trial

Fritz Braun, 68-year-old father-in-law of Adolf Hitler, stands in a de-Nazification court at Munich, Germany, and pleads for acquittal. A former school teacher now working as a carpenter, Braun was fined 2,000 marks (\$200) and was placed on probation for a year as a minor offender under the de-Nazification law. (AP Wirephoto).

Washington, Dec. 12 (AP)—The House Labor Committee called on the Justice Department today for prosecution of "offenses in violation of the Le Act, which was designed to restrict the activities of James C. Pettillo's American Federation of Musicians."

In a report criticizing what it called Pettillo's "tyrannical power," the committee recommended also:

1. Consideration by the Justice Department of whether "the monopolistic practices of James C. Pettillo and the American Federation of Musicians are subject to prosecution" under the Sherman Anti-Trust Act.
2. That the Taft-Hartley labor law be amended "so that monopolistic practices by labor unions which are injurious to the public interest shall be forbidden." The committee did not specify how the act should be amended.
3. That it be made illegal for a union to "license an employer to do business."
4. That persons or firms put on union's "unfair" lists be given the right of redress in federal courts.
5. That officers of unions be prohibited from calling strikes or work stoppages, such as Pettillo has threatened in the recording industry on December 31, 1947, until after an election and an affirmative vote of at least a majority of the employees in a plant or an industry.

Taught Arctic Survival Lesson

Washington, Dec. 12 (AP)—The Alaskan air command is teaching its fliers how to survive if forced down in the Arctic by "marooning" them on ice floes for four days.

The pupils at the open-air classrooms are attentive because what they learn may some day mean the difference between life and death, the air force said today.

The airman go through preliminary instructions and lectures at their bases, then are taken out for their stay on the icecaps in groups representing aircraft crews.

The True Nature Of Struggle Between Communist Russia And Western Democracies; Wishful Thinking Has Blinded Some In The Past, But Realization Growing

By DEWITT MACKENZIE

The conflict between Red Russia and the Western democracies is, of course, one of the greatest tragedies of history—or at least that's the way it seems to the present generation which has to endure the consequences—but it would be equally tragic if the world allowed wishful thinking to blind it to the true nature of this struggle.

There still are folks in the United States, and in other democracies, who think that because Russia was our ally in the world war the present clash must be based on misunderstanding. Therefore, they think the difficulty can be cleared up by comradery and concessions toward the Soviet Union.

It would be grand if the problem could be solved so easily! The trouble with such an argument is that it is based on wishes and not on facts. What are the facts which should govern our attitude in this historic clash?

Well, in the first place we must recognize that the Soviet Union was not our ally purely by force of circumstances over which it had no control. Russia signed the non-aggression pact with Hitler willingly and knowing that this would precipitate the world war, and at the same time the two countries partitioned Poland between them.

Furthermore, Nazi Foreign Min-

ister Von Ribbentrop changed for his war crimes by the allies testified at Nuremberg that Moscow also offered to join Germany against the allies, but that the Red price was too high. Then when Hitler became suspicious of a double-cross by Russia, he attacked her and thus forced her to become one of the allies.

Once the war was over, Russia immediately resumed her world revolution for the spread of Communism. The fact that she had armies throughout Eastern Europe enabled her to communize country after country by strong-arm methods. The post-war chaos clouded the full extent of her operations from the Western world. Having brought Eastern Europe under her domination she began reaching in a big way for the West. Hence the present near-revolutions in France and Italy, and Moscow's open warfare on the Marshall Plan.

Russia is making war on the democracies. It's none the less a war because bombers aren't being used. These hostilities have been labeled "cold war," and it is vital for our own security to recognize it for what it is—an attempt to communize the democracies and make them responsible to Moscow. It's plain silly to think that we can halt the

Bitter Replies To Russian Harangue

Big Four Meeting In London Today Reportedly Stormiest Yet Held; Marshall Says Speech Is For "Another Audience"

London, Dec. 12 (AP)—American officials reported tonight Soviet Foreign Minister Molotov had renewed his bitter attacks on the Western powers in the Foreign Ministers Council today and Secretary of State Marshall told him in response:

"It is very difficult to have any respect for the dignity of the Soviet government."

First information on today's reportedly stormy meeting was that Molotov offered no compromise on outstanding issues before the council, but instead lambasted the policies of the Western powers in Germany.

American informants said that British Foreign Secretary Bevin commented to the council, when Molotov had finished, that what had been said was a whole series of insults and complete untruths and that Molotov might at least have the courtesy to thank the other ministers for sitting through such a statement.

Official American informants said Marshall asserted Molotov's statement was made for "quite another purpose" than the problems of Germany and for "quite another audience" than the Council of Foreign Ministers.

British informants described the session as the bitterest to date.

Molotov's speech was described as occupying an hour. In it, British officials said, he accused the Western authorities in Germany of: Making profits from the sale of coal and timber.

Buying up German firms with Anglo-American capital.

Imposing upon Germany without consulting the people "crippling" financial credits.

Attempting "to perpetuate the division of Germany."

Bevin was quoted by British briefing officers as saying:

"I did not dream we would ever be subjected to the kind of insults and abuse we have had this afternoon."

"All the people of the British Commonwealth," he added, "will resent such abuse."

What was even worse, Bevin added, was that the same statements that have been repeated today.

News Briefs

Raleigh, Dec. 12 (AP)—The Production Marketing Administration announced today that while the preliminary allotment of fine-cured tobacco for North Carolina was \$23,575.2 acres, the revised allotment would be 601,133 acres. The revised acreage is for 1948.

Washington, Dec. 12 (AP)—President Truman was quoted for the first time today as speaking of reelection possibilities.

Dr. J. J. Vallarino, the retiring ambassador from Panama, told White House reporters after bidding goodbye to Mr. Truman that the President had told him we might visit Panama "if I am re-elected."

London, Dec. 12 (AP)—Hopes that a proposed new trade agreement with Soviet Russia might mean the end of bread rationing in England were dashed today by an authoritative source, who said Britain would get no wheat under the pact.

Nanking, Dec. 12 (AP)—Government troops were reported closing in for the kill today against 40,000 Chinese Communists surrounded east of the Peiping-Hankow railroad near the Honan-Hupeh border of central China.

Charlotte, Dec. 12 (AP)—The CIO announced plans today for inaugurating its 1948 political campaign in North Carolina with a state-wide rally to be held in Charlotte February 1.

Washington, Dec. 12 (AP)—The House Labor Committee called on the Justice Department today for prosecution of "offenses in violation of the Le Act, which was designed to restrict the activities of James C. Pettillo's American Federation of Musicians."

October's Death Toll On Highways Is Seventy-Eight

Raleigh, N.C., Dec. 12 (AP)—Seventy-eight persons, including 12 children under 14 years of age, lost their lives on North Carolina highways during October, a State Motor Vehicle Department report showed yesterday.

The death toll was accompanied by injuries to 657 in 1,311 traffic accidents during the month.

Department officials said the October report represents a sharp drop in the number killed in October of last year when 89 were killed in only 918 accidents.

The month's figures brought the year's total to date to 673 killed and 5,158 injured in 9,473 accidents.

Famous Names In Circuit Court

St. Louis, Dec. 12 (AP)—Bearers of famous names enliven the day in the court of Circuit Judge Waldo C. Mayfield.

"Yesterday I sent Thomas Jefferson Campbell to the penitentiary," he said. The day before two defendants were Benjamin Franklin and Ulysses Grant.

"I wonder if any more famous names will come before me today," the judge remarked.

Next defendant: Theodore Roosevelt Means.

Refutes Alleged Irregularities

Boston, Dec. 12 (AP)—At least two of a House subcommittee's allegations of irregularities against the office of Boston Internal Revenue Collector Denis W. Delaney drew replies today, designed to refute the statements made in Washington.

His custodianship of March of Dimes funds of the infantile paralysis foundation was approved and commended by a foundation official and income tax reports reported missing from his office were shown to be in Washington on order of the commissioner of internal revenue.

Solar Show

Washington, Dec. 12 (AP)—A record-breaking solar "explosion" which drew flaming, gaseous material more than a million miles above the sun's surface was reported today by the Carnegie Institution of Washington.

The "titanic solar prominence," which makes the mushrooming cloud from an atom bomb a mere puff by comparison, was photographed at Carnegie's Mt. Wilson Observatory more than a year ago.

ITALIAN RIOT SQUADS CURB MOB STRIKERS

Rome's General Strike Losing Its Grip; Gov't Presses For Settlement

Rome, Dec. 12 (AP)—Jeep-borne police riot squads, swinging clubs, charged surging crowds today in the heart of strike-bound Rome, as throngs chanted the Communist anthem "Red Flag."

Police quickly cleared the crowds, in the Piazza Colonna, from their concentration point below the windows of the Italian foreign office. The crowd gave way, jeering and hooting.

Two Associated Press photographers from the United States, J. Walter Green and Frank Noel, were struck on the head by police clubs, but suffered no serious injury. They continued working after identifying themselves.

Rome's general strike, now in its second day, appeared to have loosened its grip somewhat, despite the determination of the Communist-controlled Chamber of Labor to pursue it to the bitter end. Strong-arm police measures weakened the strikers' effectiveness as Premier Alcide de Gasperi's Christian Democratic government pressed for a settlement.

The Ministry of Interior announced that 28 persons were arrested when demonstrators erected a road block on one of Rome's bridges in the Via Marmata. Another 40 or 50 demonstrators were arrested in the Piazza Colonna.

In the Piazza Risorgimento, near the Vatican walls, police in jeeps charged a throng of demonstrators, breaking one youth's leg and knocking down a woman who was selling black market cigarettes. Rome's black marketeers are not participating in the strike.

Dispatches from Milan said that the stock exchange in that city was invaded again today by demonstrators, compelling it to suspend its session.

In contrast to yesterday's almost complete paralysis of normal commerce, shops, restaurants and small shops opened for business.

Students Fight Stubborn Blaze At Chapel Hill

Chapel Hill, Dec. 12 (AP)—Tar Heel students turned volunteer fire fighters here late yesterday to aid the Chapel Hill and Durham fire departments in subduing a stubborn blaze which destroyed the upper floors of two downtown business buildings here.

Fire Chief P. R. Perry said that without the student help the fire might have spread through an entire half block of joined buildings.

The buildings, owned by the University of North Carolina, housed the university laundry, its utilities office and the Western Union telegraph office. An official estimate of the damage is not yet available.

C. E. Teague, assistant controller of the university, said the two buildings were insured for \$50,000 and their equipment for \$5,000.

No one was injured and all of the utility records and books were recovered. Telegraph service was cut off temporarily.

Another Big Airplane Has Accident Killing Twenty

Memphis, Tenn., Dec. 12 (AP)—An Army C-47 plane burst into flames with a flash seen two miles away and crashed into an open hillside near here shortly after dark last night, killing at least 20 persons and possibly 21.

The big craft slashed through a small wooded area within two miles of the Memphis municipal airport, and twisted into a sage field, scattering bodies and wreckage over a quarter-mile path.

Small trees were torn down. In one, a half-open parachute dangled. Twisted masses of metal hung on other limbs and dotted the ground.

Col. Donald K. Fargo, command-in-chief of the 488th Air Force Base Unit, announced the death toll as 20—with possibly another body in the wreckage.

Names of the dead with withheld pending notification of relatives. An Army spokesman said two were believed to be Negroes.

Fargo said the plane was based at Aberdeen, Md., and had made its last stop at El Paso, Texas, yesterday. It was returning from the West Coast.

G. V. White said he saw the plane explode and burst into flames from his home two miles away.

"It wasn't more than two seconds before it hit the ground," he said.

Robert Hall, who lives about two and a half miles from the scene of the crash, said he heard the plane "laboring real loud" and saw "a flash in the sky."

Demo Leadership Losing Hope That Wallace Can Be Kept Within Fold

Washington, Dec. 12 (AP)—The Democratic leadership gave up about its last hope today that Henry A. Wallace could be persuaded not to endanger President Truman's 1948 election prospects by bolting and running on a third party ticket.

A cryptic "That's his privilege" was the report of Senator McGrath (R-I), chairman of the Democratic National Committee, to Wallace's Buffalo N. Y. assertion that if it came to a choice between President Truman and Senator Taft (R-Ohio) he would vote for Taft.

From the Democratic organization standpoint, this put Wallace, former vice president and Roosevelt cabinet member, about as far beyond the pale as he can go without actually announcing that he himself

is going to run as an independent. The Democratic National Committee for months has leveled most of its fire at Taft. A recent party publication contended, for instance, that the Ohio senator represents the body of Republican thinking and ought to be the GOP nominee.

At his Buffalo news conference yesterday, Wallace also mentioned Gov. Thomas E. Dewey of New York, another potential GOP candidate, comparing him with Mr. Truman.

"I hesitate to say whether Dewey is a watered-down version of Truman or the President is a watered-down version of Dewey," he said.

Some Democrats commented privately that if Wallace hadn't already made up his mind to bolt, he hardly would go around making such statements.

Submit Specific Proposals On Anti-Inflation Program

WILL APPROVE STOP-GAP REC FOREIGN AID

Senate-House Committee Agree To Action Immediately Following Passage

Washington, Dec. 12 (AP)—A senate-house conference committee agreed today to authorize a \$150,000,000 advance by the Reconstruction Finance Corporation to begin stopgap relief operations in France, Italy and Austria as soon as congress finally approves foreign aid legislation.

Chairman Eaton (R-N.J.) of the House Foreign Affairs committee told newsmen the conference group did not get around, at its first meeting today, to discussion of the senate and house differences over the total amount of relief.

The senate voted to authorize up to \$507,000,000 aid for the three countries, but the house pared the over-all total to \$500,000,000 and earmarked \$60,000,000 of that for China.

The conferees agreed, Eaton said, to a compromise by which not more than 10 per cent of the total funds could be used to purchase commodities abroad, stipulating that none of these could be bought at a cost higher than that prevailing on the domestic market.

Previously the house had voted to permit 55 per cent of the funds to be used for purchases abroad, with the provision that the cost could not be more than 10 per cent above domestic prices. The senate had provided merely that not more than 25 per cent could be bought abroad.

The New Jersey representative opened a conference with reporters by observing that the senate-house group is "in a mess."

"I think it means, this time, that the distinguished house of representatives got us in," Eaton declared. "The house made a farm bill out of this legislation by insisting on various provisions to protect the price of farm products."

Congressional leaders were shooting for a compromise by Monday.

Vote Merger Of Textile Firms

Greensboro, Dec. 12 (AP)—Stockholders of Proximity Manufacturing Company and of Revolution Cotton Mills voted today on a proposal to merge the two companies as the Cone Mills Corporation, a \$50,000,000 project.

Both Revolution and Proximity are parts of the big Cone textile group.

If approved, the merger would produce an enterprise operating 475,000 spindles and 14,000 looms in 15 spinning and weaving plants.

The authorized capital would be 5,000,000 shares of \$10 par value each.

Decides On New FCC Chairman

Washington, Dec. 12 (AP)—Officials close to President Truman said today he has decided to appoint Wayne Coy, radio director of the Washington Post, as chairman of the Federal Communications Commission.

These officials who declined to be quoted by name, said the nomination of the former Indiana newspaperman and long-time associate of Paul V. McNutt in government service, will be sent to the Senate around the first of the year.

Raps Low Funds For N.C. Health

Raleigh, Dec. 12 (AP)—North Carolina has been penny wise and pound foolish in not spending more for public health work, Dr. Carl V. Reynolds, state health officer, charged last night.

Appearing on a radio broadcast, Dr. Reynolds declared that the state's appropriations for public health are "pitiful and infinitesimal" when compared with those for roads and schools.

Voicing strong approval for the state's good health program, he said the state provided only \$558,434 of the \$5,337,183 spent on public health work in the last year.

January Tax Deadline

One Out Of Every Five Taxpayers Shells Out On Jan. 15, 1948; Deadline For Those Who Haven't Had Full Tax Or Any Tax Withheld From 1947 Wages Or Income

By JAMES MARLOW

Washington, Dec. 12 (AP)—Here's a reminder to taxpayers: Jan. 15, 1948 is a deadline on 1947 income taxes for one out of every five taxpayers.

It's the deadline for those who haven't had the full tax or any tax, withheld from their 1947 wages or income.

In 1947 most people's income was from wages. And most of them had the full 1947 income tax withheld from them.

If you're in that group—the group from which full tax has been withheld—don't worry about January 15. You'll have to make your final return March 15.

But—Jan. 15 is the deadline if it affects you—for filing, changing and paying your declaration of estimated tax for 1947.

(Some people think that deadline is Dec. 15. It isn't. It's Jan. 15.)

Here are the people who must do something about their income tax by Jan. 15:

1. Farmers. In 1947 they have not had to do anything about the tax on their 1947 income. They must do it by Jan. 15, 1948.

By that date they must figure their 1947 income—and the tax on it—and by Jan. 15 pay it in full.

2. Those from whose 1947 income no tax has been withheld, such as

Schwollenbach Spells Out Truman Version Of Economic Cure In Response To Republican Demands; Stresses Wage And Price Controls Are Linked Together

Washington, Dec. 12 (AP)—Specific proposals for price ceilings and roll backs under President Truman's request for standby anti-inflation powers were submitted to Congress today by Secretary of Labor Schwollenbach.

Replying to Republican demands that the Administration spell out its anti-inflation program, Schwollenbach said price controls would be limited to commodities:

1. That basically affect the cost of living and which are essential items.

2. That are basic to the costs of agricultural and industrial production.

3. Essential to effectuation of the foreign policy of the United States.

Moreover, Schwollenbach said a maximum price should be set only when:

1. The commodity is found to be in short supply; 2. Or the price of such commodity has risen unreasonably above the price prevailing in June 1947.

Maximum prices lower than the highest price prevailing between June 11 and June 18, 1947, may be established under Schwollenbach's proposals to make allowances for decreased costs or market declines.

Schwollenbach sent the price control provisions to Chairman Wolcott (R-Mich.) of the House Banking Committee, with a note saying he will submit in a day or two specific language for such wage controls regarded as necessary to accompany price ceilings.

Schwollenbach described his outline as his "personal recommendations." At the White House, later after a cabinet meeting, he said wage and price controls "are tied together" and it will be "extremely difficult to do anything on wages unless action is taken on the control of prices."

On the other side of the capitol, the Senate Republican Policy Committee drew up a long-range anti-inflation program pegged to voluntary action. Chairman Taft (R-O.) declined to disclose details until House GOP leaders and a conference of all Republican senators have had a chance to look it over.

Taft said, however, that it would include three of four points embraced in the House committee-approved bill drafted by Wolcott, which the Republicans have offered for passage at the special session as a substitute for the Administration's program.

In addition to Schwollenbach's price control recommendations, Secretary of Commerce Harriman has submitted to a Senate committee specific legislative proposals for priority and allocation controls.

However, the Administration's plan faced strong opposition from Republican leaders. Chairman Aiken (R-Conn.) of the House Rules Committee told reporters the GOP substitute bill will be presented in the House Monday on "take it or leave it" basis that would bar any amendments to include the Truman proposals.

APPEAL TO JEWRY

Atlantic City, N. J., Dec. 12 (AP)—American Jewry was asked today to provide \$283,150,000 for aid to Palestine in 1948, a sum that would embark \$28,000,000 for the purchase of arms to equip a Jewish army of "tens of thousands of men."

Defense minister Ahmad Sharrabi of Syria voiced in Cairo Arab determination to fight against creation of a Jewish state, saying all Palestine would become a battlefield with the Arabs "going into a blood bath to cleanse themselves."

Bevin pleaded that the situation in Palestine not be aggravated "and thus make more difficult the task that is to be seen through." He expressed hope that a plan for an end to strife in the Holy Land would be weighed "in great Britain, New York and outside" as well as in Palestine itself.

HELPS YOU WHEN LOSS OCCURS

WHEN you suffer a loss, your insurance agent is your most valuable friend. He appreciates your particular problems. He understands the meaning of "value" as used in your policy, for example. He can interpret the intent of the policy. He helps you fulfill the necessary formal requirements of the companies involved in the loss. In presenting your claim, he knows what should be done and how to do it.

Your agent, in other words, is the vital link between you and the insurance companies. He is the on-the-spot counselor and advisor who can relieve you of many important details. He can reduce the amount of time required in the loss settlement. He can be an important factor in speeding the company's check to you.

Bethel H. D. Club

The Bethel Home Demonstration Club held its annual Christmas meeting in the home of Mrs. F. C. James Wednesday, December 10. Old officers, Mrs. Dennis Hardy, Mrs. R. N. Simmons, Mrs. K. B. Edmondson, new officers, Mrs. G. R. Whitehurst, Mrs. R. B. Edmondson and Mrs. A. L. Whitely were hostesses at a buffet luncheon.

Christmas greens and berries were used throughout the house. The living room mantel was beautifully decorated with pine and holly. The dining table was covered with a white linen cloth centered with a bowl of white cedar and berries hung with Christmas balls, flanked with branched candelabra at either side.

Members and guests were welcomed by Mrs. F. C. James. Mrs. A. L. Whitely pinned a Christmas corsage on everyone and directed them to the register.

Mrs. W. R. Bullock gave the invocation after which Mrs. G. R. Whitehurst directed guests and members to the dining room where a turkey dinner was served.

Miss Jennie Manning, violinist, rendered music.

Members and guests exchanged Christmas gifts.

Guests were Miss Verna B. Lowery, assistant Home Demonstration Agent of Greenville, Miss Jennie Manning, Mrs. J. A. Manning of Bethel, Mrs. Jerry James and Mrs. Mayhew Whitehurst of Williamston.

Thirty-four members were present. Goodbyes were said by the hostesses and Mrs. F. C. James.

Wesley Foundation Christmas Service

The Wesley Foundation of East Carolina Teachers College held its annual Christmas service in Jarvis Memorial Methodist Church on Sunday, December 7, at 7:30 p. m.

The service began with a program of Christmas music by the Wesley choir, under the leadership of Rodney Roberts of Greenville and Nina Abernethy of Rocky Mount, organist. Soloists were Norma Faye Hooper, Elizabeth City; Mary Wallace Foye, Pollockville; Robert A. May, Jr., Hopewell.

A drama of the birth and life of Jesus by Robert S. Steele was presented by the Wesley Foundation Players. This was the story of how the Greek physician, Luke, obtained the information for the writing of his Gospel. In the cast of characters were: Narrator, Claude B. West, Jr., Greenville; David, John Causey, Greenville; Sarah, Mildred Cakes, Hookerton; and Bill, Torrance, Waw. Slides were used in the drama and Roland Braswell of Goldsboro operated the projector and was also in charge of stage setting. Sam Strickland and Ellis Bedsworth of Greenville were in charge of lighting; Ophelia Kirven, of Sumter, S. C. of costumes; and A. E. Manning of Williamston, of make-up.

After the dramatic service, members of the choir, vested in mahogany colored robes, acted as acolytes and set up the altar for the impressive candlelight Communion. Red candles on the altar and in the alcoves of the sanctuary furnished the only light for this service. A colored slide of Da Vinci's "The Last Supper" was kept on the screen above the altar during the entire service.

An offering was received at the door as the congregation left the sanctuary. This will be used by the Wesley Foundation to send a Christmas package to a German student and his family and also for relief of a family in Greenville.

Party Honoring Miss White

Gifts of linen were presented to Miss Josie Barnes White, bride-elect, by the guests at a party given by Mrs. E. G. Flanagan and Mrs. T. L. Wagner on Wednesday afternoon at their home on Evans street. A beautiful green quilted satin linen box containing the gifts was presented by Miss Patsy Flanagan. For the occasion she wore a pink evening dress.

The hall, sun room, drawing room and living room were decorated with varied arrangements of white chrysanthemums. The table in the dining room, from which a delicious buffet luncheon was served by Mesdames J. J. White, E. E. Rawl and W. W. Lee, was centered with a miniature bride complete with bridal bouquet.

The hostesses remembered Miss White with flat silver in her pattern and presented Miss Alyce Ruth Bundy, also a bride-elect of December a gift of China.

Hostesses to U. D. C.

The George B. Singletary Chapter of U. D. C. held its regular monthly meeting at the home of Mrs. F. E. Wells with Mrs. J. H. Randolph as assistant hostess.

The meeting was opened with the ritual led by the president, Mrs. Wells, followed by the singing of "The Old North State" and the salute to the flag.

In the absence of the secretary, Mrs. E. W. Harvey, Mrs. Ernest L. Willard read the minutes of the last meeting.

Mrs. J. G. Lautares gave the treasurer's report. She also read a note of thanks from the U. D. C. Conference home for the Thanksgiving check.

There were quite a few items of business which were taken up following the meeting.

December 12, 1907

Mr. and Mrs. C. B. Mayo and Miss Bertha Patrick went to Bethel Wednesday to attend the Forbes-Mayo carriage.

C. B. West and little son went to Rocky Mount today.

The Christmas dance on December 26 promises to be the most delightful dance given in Greenville in many years. Among the ladies asked to chaperone are: Mesdames R. J. Cobb, J. L. Hassell, Stuart Carr, J. R. Moyer, W. B. Brown, George Woodward, R. C. Flanagan, E. B. Ficklen, W. B. Wilson, C. B. Mayo and B. W. Moseley. All those wanting American Beauty roses and carnations for the dance can get them, as it is not against the order of the dance. The old custom of the Columbian Club established here years ago that you could have flowers for Christmas German but not any other dance.

Following which Mrs. Ed Moore gave a most interesting account of her visit to the Cycloorama building in Grant's Park, Atlanta, which building houses the famous panorama painting of the "Battle of Atlanta."

Mrs. Ed Wells gave a splendid and informative program on "Customs of Christmas of the Old South." She brought out customs of the old plantations which have been handed down to the present generation. She told of letters which had been received from soldiers at Christmas time during the War Between the States. Mrs. Wells closed with a

beautiful poem which brought out old southern Christmas customs. Delicious refreshments carrying out the Christmas motif were served.

Entertain at Christmas Dinner

Students living in the Home Management House at East Carolina Teachers College entertained at a Christmas dinner on Thursday, December 4, at 6:30. A delicious five course dinner was served.

The guests were Dr. and Mrs. John D. Messick, Dr. and Mrs. J. K. Long, Dr. and Mrs. A. D. Frank, Dr. and Mrs. Charles Reynolds, Dr. Lu-

cile Turner, Miss Annie L. Morton and Miss Mary D. Foidexter.

Miss Nell Perry of Louisville was hostess and Miss Mary Humphrey of Kinross acted as host.

Others in the Home Management House this quarter who assisted in entertaining are Miss Frances Bass of Wilmington, Miss Louise Cavinness of Fuquay Springs, Miss Maud Bivins of Graham, Miss Della Evans of Hertford, Miss Juanita Herring of Goldsboro, Miss Emily Roberson of Farmville and Mrs. Peggy Adams Tatarski of Reidsville.

Training School P. T. A.

The Training School P. T. A. met December 10 for their regular meeting. The meeting was opened by singing one stanza of "O Little Little Town of Bethlehem."

Mrs. William Taft presented Miss Martha Cammack and the Training School Glee Club who gave a lovely Christmas program. They were accompanied at the piano by Mrs. Rudolph Willmann. The following numbers were beautifully rendered: "There's a Song in the Air," "Angels We Have Heard on High," "O Come All Ye Faithful," "While Shepherds Watch Their Flocks by Night," "Italian Carol, Gesù Bambino," "The Friendly Beast," "Carol of Birds," "Lo How a Rose Ere Blooming," and "Silent Night."

After the program the minutes were read by the secretary, Mrs. Royce Hunsucker, and the treasurer, Mrs. Janie Simmons, gave her report.

Miss Redwine announced that 14 members registered for a pre-school study course. The matter was discussed and other members were interested in study courses for school age and adolescence.

Speaker Wednesday
At Smyrna Schools

Dr. J. L. Oppelt, director of student teaching and placement at East Carolina Teachers College, was the guest of the Smyrna schools on Wednesday, December 10, and spoke twice before students during his visit.

Addressing an assembly of all students on the junior and senior high school levels, Dr. Oppelt discussed the school as a builder of character and the opportunity offered the teacher to train future citizens in the ideals of democracy. Later, using the topic "The Seven Rs," he spoke to a selected group of students on character traits desirable both in pupils and in teachers, such as honesty, humility and helpfulness.

Strength FOR THE DAY

WHY BE ORTHODOX?
Heterodoxy is the style. We live
in an age of revolt. Scientists have
found so many ancient assumptions
to be untrue that the natural
inference drawn from this discovery
of new truth is that practically
everything people believed in times
past has been mistaken.
But is this true? The Greeks
were mighty thinkers, and even in
the field of science many things
which today have been demonstrated
by experiment were foreseen by
men living almost 2500 years ago.
In the realm of abstract thinking,
this is even more true. In the field
of religion, modern man has de-
cidedly not enlarged the field of
thought established by his fore-
bears. There are no theologians to-
day who compare with Augustine,
Thomas Aquinas or Calvin. The
apostle writers still hold a place
wholly unimpugned by modern

Meets all your requirements!

To be of the utmost usefulness, a car must be capable of doing many things. And owners say that Pontiac is the greatest "all-purpose" car being built today.

It is big and beautiful—which means that it can be driven anywhere, even on the most formal occasions, with pride and confidence.

It is rugged, strong and dependable—which means it can be put to the hardest daily usage, with a minimum of upkeep expense.

It is safe, comfortable and easy to handle—which means it is an ideal car for touring and long distance driving.

And it is remarkably economical. In fact, all things considered, no car is easier on the pocketbook of the owner.

Since you can get this amazing combination of virtues in a single automobile—it is something you ought to consider in your next car.

DUE TO OUR UNFILLED ORDERS ON HAND, you may experience some delay in getting a new Pontiac. Place your order now to avoid further delay. In the meantime, let us keep your present car operating at top efficiency.

Time is HENRY J. TAYLOR on the air twice weekly.

THE CYCLONE RECOVER FOR A TOUCHDOWN

Christmas Shopping In Full Swing; 10 Days Left

By CHESTER WALSH
Christmas holiday shopping now is getting into full swing and there are only ten more shopping days before the Yuletide festivities begin. The street decorations are the most attractive Greenville has had since before the war. The stores and other business places are appropriately decorated.

The Salvation Army has its "house by the side of the road" at Five Points soliciting funds with which to provide Christmas cheer for destitute persons and families. Church, civic, fraternal and other groups are planning to play Santa Claus in deserving cases and the King's Daughters will distribute toys to children Christmas.

Plans are being made for group

singing Christmas carols on the courthouse portico Monday night, December 22, and it is hoped Miss Ona Shindler's High School boys and girls will participate.

The Merchants Association again is offering cash prizes for the most attractively decorated and illuminated homes during the holidays. Some homes already have started installing decorations.

For the best decorated home \$25 prize will be given; second best \$15; third, \$10; fourth, \$7.50, and fifth prize, \$5.

Members of the Greenville Garden Club and the Woman's Club will be judges.

Outside decorations and inside decorations which can be seen from the outside will count in the judg-

ing, Executive Secretary Cora S. Powell said today.

Homes participating in the contest should be decorated prior to December 22. The winners will be announced at the singing of Christmas carols at the courthouse the night of December 22.

High School To Give Handel's 'The Messiah'

Chorus Of 130 Voices To Sing Oratorio Sunday Afternoon; Free

By CHESTER WALSH
The Greenville High School Chorus, under the direction of Miss Ona Shindler, with the assistance of local musicians, will present Handel's oratorio, "The Messiah," at the high school auditorium next Sunday afternoon at 5 o'clock. This is the most important program ever undertaken by the high school musical organization, Supt. of Schools June H. Rose said today.

One hundred and thirty high school boys and girls make up the chorus. Mrs. Guy V. Smith and Mrs. Karl V. Gilbert will be accompanists. Miss Jeanne Lane, alto; Ed Parkinson, bass; Prof. Dan Vornholt, tenor, and Miss Helen Beckial, soprano, will assist the chorus.

Superintendent Rose said, "The presentation of Handel's oratorio by the high school chorus is a part of the school's program of character teaching through music, the teaching of enjoyment of the best music of the world, and a Christmas gift on the part of the students to the people of the community."

An effort will be made by the school to seat all who attend. Extra seats will be provided in the balcony. The program will start promptly at 5 o'clock. Those who plan to attend are requested to be in the auditorium before the curtain goes up. The churches of the city are cooperating in the program. Admission is free. The public is invited.

Following is the program:
Processional—"O Come All Ye Faithful."
Scripture and Prayer—Rev. Ralph Johnson, president Greenville Ministerial Association.
Overture from "The Messiah," George Frederick Handel.
Recitative—"Thus Saith the Lord."
Air—"But Who May Abide the Day of His Coming."
Recitative—"Behold a Virgin Shall Conceive."
Air and Chorus—"O That Tallest Good Tidings to Zion."
Chorus—"For Unto Us a Child Is Born."
Pastoral Symphony—Mrs. Smith and Mrs. Gilbert.
Recitative—"There Were Shepherds Abiding in the Field."
Recitative—"And Lo! The Angel of the Lord Came Upon Them."
Recitative—"And the Angel Said Unto Them."
Recitative—"And Suddenly There Was With the Angel."
Chorus—"Glory to God."
Air—"He Shall Feed His Flock."
Air—"Come Unto Him."
Chorus—"Behold the Lamb of God."
Air—"How Beautiful Are the Feet of Them."
Chorus—"Their Sound is Gone Out Into All Lands."
Air—"I Know That My Redeemer Liveth."
Chorus—"Hallelujah."
Choral benediction.

Christmas Concert At College Monday Evening

A Christmas concert in which approximately 100 students will sing will be presented by the department of music at East Carolina Teachers College on Monday evening, December 15, at 8:00 o'clock in the Austin auditorium. Taking part will be a number of music organizations on the campus and several soloists who are students of music at the college. The public is invited to attend.

Joan Oppelt and Mimi Tripp Denton, both of Greenville, and Miriam Harper of Spring Hope will appear as soloists on the program. The College Singers, a group of talented students of voice directed by Dan E. Vornholt of the faculty, will sing three numbers. Members of the group include Mrs. Denton, Miss Oppelt, and Miss Harper; Mary Andrews, Whitchard, Hennie Ruth Whitchard, Leon Fleming and Marilyn Maxwell, all of Greenville; Leslie Romans of Wilmington; William Farrell of Sanford; Alexander E. Livesey of Rocky Mount; and Robert Mays of Hopewell, Va.

Other groups taking part in the program will be the women's chorus directed by Dan E. Vornholt and the college choir, directed by Dr. Karl V. Gilbert.

The brass quartet, a student group directed by Herbert L. Carter, will appear twice on the program. Members are Rodney Roberts and Hogan Gaskins of Greenville, Edward Benson of Rocky Mount, and Robert Gaskins of New Bern.

The program will end with two popular carols sung by students appearing on the program and the audience accompanied by the brass quartet.

Mayor Boyd Speaker Firemen's 'Ladies' Night' Banquet

By CHESTER WALSH
The Greenville fire department was host to the members, wives and sweethearts of its "ladies' night" banquet at headquarters, Fifth and Greene Streets, last night. Chief George Gardner was master of ceremonies.

Mayor Jack Boyd spoke appreciatively of the good work the fire department is doing in Greenville; enumerated the numerous improvements made in recent years, praised the fine spirit of cooperation among the men, and had a good word to say about the cooperative spirit manifested among all municipal departments.

Chief Gardner presented members of the department and special

guests: Clyde Mallison, superintendent of streets; City Clerk J. O. Duval, Police Chief Beauford Drum, Recorder's Court Judge J. W. H. Roberts, Rev. Leonard Topping, new pastor of the First Presbyterian Church; Rev. Jack Nelson, pastor of Immanuel Baptist Church; Rev. Roscoe C. Hauser, rector of St. Paul's Episcopal Church; Captain Lester Jones, State Highway Patrol; Sheriff Ruel W. Tyson; Chamber of Commerce Secretary Willard T. Kyser, J. Key Brown, druggist, and the wives and sweethearts. A period of fellowship followed the program.

KIDNEYS GETTING YOU UP NIGHTS?

If you get up nights—have frequent desire to pass your water—but have only scanty passages—yes, and have backache due to excess acidity in the urine, be glad you're reading this:

Three generations ago Dr. Kilmer, a famous doctor, found hundreds of his patients with this trouble. Painstakingly he made a medicine of 16 herbs, roots, vegetables, balsams—Nature's own way to relief. He called it "Swamp-Root" and millions of grateful men and women have taken it—often with amazing results.

"Swamp-Root" goes right to work to flush out kidneys...increases the flow of urine, helping to relieve excess acidity...so the irritated bladder gets a good flushing out, too. Many report getting a good night's sleep after the first few doses. Caution: take as directed.

For free trial supply, send to Dept. S, Kilmer & Co., Inc., Box 1255, Stamford, Conn. Or—get full-sized bottle of Swamp-Root today at your druggists.

New Faculty Members

DR. PERCY C. SCOTT

A series of articles on new faculty members at East Carolina Teachers College is appearing in the "Teco Echo," student newspaper. Newcomers on the campus who have been presented in the last three issues of the paper are Dr. Martha Pingel of the department of English; Dr. Percy C. Scott, director of the department of mathematics; and Dr. Neptali M. Jorgensen, director of the department of health and physical education. All joined the college faculty during the fall quarter of this year.

N. C. Junior Growers Win 5 National Contest Awards

NORTH CAROLINA junior growers were named winners of one sectional and four state awards in the 1947 production-marketing contest of the National Junior Vegetable Growers Association.

Mary Beam

Sectional honors were captured by Mary Beam, 17-year-old daughter of Mr. and Mrs. Claude C. Beam of Bessemer City. As North Carolina's top performer, Mary won \$100 from the \$6,000 in scholarships provided each year by A & P Food Stores to encourage better production and marketing of vegetables by farm youth. Other results announced by Prof. Grant B. Snyder of the University of Massachusetts, adult advisor to the association, included the awarding of the national championship and the top \$500 scholarship to Lewis G. Schaeneman, Jr., 16-year-old grower of East Longmeadow, Mass. Young Miss Beam's winning project covered only one acre of her parents' farm, but she produced a wide assortment of vegetables, with emphasis on sweet potatoes, tomatoes, corn and peas. In both home consumption and sales to retail outlets, Mary realized a total of \$434.50, of which \$269 was net profit. A twelfth-grade student at high school, Mary has been actively engaged in 4-H Club work for the past five years, her demonstrations of farming and canning ability at Gaston County Fairs having earned her numerous prizes and blue ribbon awards. In addition, she has seen service with her school's student council, glee club and dramatic society. Other Minnesota state awards voted by the NJVGA convention for outstanding gardening projects went to Billy B. Cansler, Route 1, Troutman; Johnny Ray Howell of Pikeville; Marie Stevenson, RFD 1, Stony Point; and Mildred H. Terry, Route 2, Durham.

Shelve Plan For UN Cairo Office

Lake Success, Dec. 11—(AP)—The United Nations has shelved plans to establish an information office in Cairo scene of demonstrations against the U.N. decision to partition Palestine.

A high official said the U.N. was completing arrangements to open offices in Moscow Jan. 15 for the dissemination of U.N. public intelligence and measurement of its reaction on the Russian people.

Appropriations for both centers cleared but no action now is being taken to start operations in the Egyptian capital.

Major Leaguers Predict Expansion Is 'Certainty'

New York, Dec. 12—(AP)—The expansion of major league baseball to other territories is a virtual certainty during our lifetime, a high major league official prophesied today.

That prediction took some of the ache out of the hearts of the members of the Pacific Coast League delegation who started their long journey back home with the sad news that once again their request for major league recognition had been rejected by the major leagues. The rejection came yesterday in the form of a resolution that gave

promise of better things to come. In a carefully worded statement by Walter Mulberry, secretary to Commissioner A. B. Chandler, the majors said they recognized the probability of eventual expansion but that there appeared no minor league which was entitled to such classification at present.

The Coast League had requested either unconditional major league status or a rise in classification by increasing the draft price of its players from \$10,000 to \$25,000 and extending the draft eligibility from four to six years.

When informed of the decision, Clarence Rowland, president of the PCL, said, "We'll keep on battling this thing."

Although no announcement was made, the 10-club league proposition was a live subject on the floor of the joint meeting which closed out the three-day major league sessions.

ALL-STAR GAME
High Point, N.C., Dec. 12—(AP)—Two all-star high school football squads, representing the eastern and western sections of the state, will square off here tomorrow in the first annual optimist bowl game.

The squads are composed of 44 players from 25 North Carolina cities.

The first class of pilots to be graduated from West Point completed its work May 31, 1943. West Point had the first program of prescribed intramural athletics in any U.S. university.

Alumni Speaker

James M. Slay, (above), assistant dean of Duke University, will be the principal speaker at a meeting of the Pitt County Duke Alumni Association. This meeting will be held at the Airport Inn, Friday night, December 12, at 7 p.m. Dean Slay is the son of Dr. R. J. Slay, formerly of Greenville. Mr. Smith of the Duke Alumni Office in Durham will also be present at the meeting and will bring some interesting facts concerning the alumni work. There will be a special music program arranged by Mr. J. H. Rose. Part of the business of the meeting will be to elect new officers for the ensuing year. All Duke alumni and their guests are urged to attend and should contact either Hoover Taft or D. T. House Jr.

Inquiry Over Gambling In Grid League

Honolulu, Dec. 12—(AP)—Reported gambling in the Pacific coast professional football league was under investigation by league officials today.

Detective Capt. Eugene Kennedy said "several players" on the Hawaiian Warriors club admitted betting on themselves to win. Kennedy said charges would be filed under a territorial statute making it a misdemeanor to wager on an athletic contest. Kennedy said no bribery was involved.

The Warriors won the Pacific Coast League championship Sunday by defeating the Los Angeles Bulldogs 7 to 6. An exhibition game scheduled for next Sunday was called off when the Warriors' board of directors received reports that some squad members were gambling on games.

The team's general manager, Francis J. Bricker, said all of them denied placing bets on any opposing team. He emphasized that players of the Los Angeles Bulldogs were not involved in any way.

Bricker said the case probably will have to be reviewed by a national professional league commission, because the Pacific Coast League operates under the rules of that organization. The national rules were tightened after a bribery attempt scandal in New York a year ago, on the eve of the title game between the New York Giants and the Chicago Bears.

Tony Pellone To Meet Champion

New York, Dec. 12—(AP)—Ike Williams, the Trenton, N. J., tagger who holds the world lightweight championship ruled a 1 to 2 favorite to whip Tony Pellone, tough New York welterweight, in their ten-round non-title bout tonight at Madison Square Garden.

A crowd of 12,000 is expected to pay around \$60,000 to witness the contest.

Clemson Coach Wants Standard For Scholarships

Roanoke, Va., Dec. 12—(AP)—Head Coach Frank Howard of Clemson College said in an interview today he thought there should be a "standard scholarship for football players so that the boys can go to school where they want to."

"Football players are entitled to their actual college expenses, I think," said Howard who came to Roanoke for the 26th annual Southern Conference convention. "Without football, I couldn't have gotten out of school. A lot of country boys couldn't go if they didn't depend upon football."

"On the other hand," Howard, a former Alabama star, continued, "they are carrying this business of actual buying college football players and paying them salaries too far."

"A lot of the colleges are doing it, and let me tell you that a lot of great coaches wouldn't be so great if they didn't have the boys. Those guys certainly make things rough on everybody else, brother."

"I'd like to see them do something about this recruiting. I'd like to see all schools allow the boys about the same thing and let them go to college where they want to."

Dr. Messick On Special Program Student Assembly

Students at East Carolina Teachers College enjoyed on Thursday morning a specially scheduled assembly period in the Wright auditorium, at which a Christmas program including music suitable to the season and a talk by President John D. Messick were the chief attractions. Approximately 1200 stu-

dents were present. Dr. Messick discussed the ideal of world peace and stressed the importance of individual effort in bringing about a better world order. The spirit of love for one's fellowman, a chief message of the Christian faith, should guard men, he said, against intolerance and act as a powerful incentive toward international understanding. Dr. Messick was introduced by Dan E. Vornholt, chairman of the assembly committee, who acted as director of the program.

The college band, made up of forty-six students and directed by Herbert L. Carter of the department of music, played a group of selections, including numbers from Handel's "Messiah" and a special arrangement of "White Christmas." The brass quartet, of which the members are Edward Benson of Rocky Mount, Hogan Gaskins and Rodney Roberts of Greenville, and Robert Gaskins of New Bern, accompanied the students in group singing of Christmas carols.

Davidson Bids For Conference Honors Tonight

By the Associated Press
Davidson makes its bid for Southern Conference basketball honors tonight, meeting the Washington and Lee Generals in Charlotte. A victory would give the Wildcats temporary possession of first place in the conference.

North Carolina plays Hanes Hosiery at Winston-Salem in the only other major action in the state tonight.

Western Carolina Teachers defeated Erskine's Flying Fleet, 40 to 31, at Due West last night.

Wake Forest had its hands full of soldiers but finally downed the 82nd Airborne Division at Ft. Bragg, 70 to 61. The Army used only two substitutes.

Lenoir-Rhyne evened its pre-season series with the Chatham Blunketeers last night by downing the independent club, 59 to 57, at Hickory.

Conerly-Poole Combination Is Called Greatest

New York, Dec. 12—(AP)—The National Collegiate Athletic Bureau today wrote down Charlie Conerly and Barney Poole of Mississippi as the greatest collegiate football "battery" in modern history.

Never before, recited the bureau, did the same school provide the champion in both classifications, and never before did both set all-time records.

Conerly set a new record in pass completions with 13 out of 23 attempts, to smash the old mark of 114 set by Wilson "Bud" Schwenk of Washington University (St. Louis) in 1941. His completion percentage of 57.1 percent erased the all-time record of 55.7 by Dave O'Brien of Texas Christian in 1938 for passers throwing 150 or more.

Poole's 52 catches rubbed out Henry Stanton's mark of 50 for Arizona in 1941 and his eight touchdown passes caught were high for the year.

Dunkirk on the English channel was fortified by the count of Flanders in the 10th Century.

Win, Lose Or Draw, Louis Is Going To Quit

New York, Dec. 12—(AP)—Joe Louis, who almost a year ago remarked he wanted to retire in 1948, was on record today as saying he plans to call it quits after his return match with Jersey Joe Walcott.

"Lose, win or draw, the fight with Walcott in June is my last," the heavyweight champion told a Bronx Home News reporter in an interview in his suite in an upper Manhattan hotel.

Louis expressed confidence, however, that he would knock out Walcott the next time.

"I'll be in better shape the next time," Louis declared, adding that he was "very, very weak" in the bout a week ago when he won a disputed split decision.

Shaw University President Makes Address BSA Interracial Meeting

By CHESTER WALSH
Dr. Robert P. Daniel, president of Shaw University and a member of the National Council, Boy Scouts of America, delivered an inspiring address at the second annual divisional inter-racial meeting of East Carolina Council, Boy Scouts of America, at C. M. Epps Negro High School here last night.

Boy Scout Executive John B. Hackney of Wilson made a gratifying report. P. S. Jones of Washington presided. Boy Scout Ira Daves of New Bern, who attended the Boy Scout World Jamboree in Paris last summer, was a special guest. Grati-

fying progress is being made in inter-racial activities, it was stated.

Others participating on the program were:

Rev. T. L. Bynum of New Bern, Epps Negro High School Glee Club, directed by Mrs. W. H. Davenport; welcome, by W. H. Davenport, principal of the school; M. M. Daniels; W. C. Hart, field Scout executive; John B. Hackney of Wilson, scout executive of East Carolina Council, Boy Scouts of America; N. M. Schaum, council president; Colon W. McLean, council president-elect; C. Are Responsible For Christmas Seal Sale Education Program

Citizens of Pitt county are being educated on the work of the local Tuberculosis Association through the publicity program directed by Mrs. Tom Rivers and Mrs. Jack Horton, members of the Service League of Greenville.

For their speakers forum they arranged for radio talks by Dr. S. J. Phillips, Dr. P. P. Brooks, Dr. Fred Irons and Dr. C. B. Aycock. These talks are full of information on facts about tuberculosis and its control. Through the cooperation of Mrs. J. H. Rose three short plays entitled "The Most Important Christmas Gift," "The Lucky Christmas," and "A Reason for Rejoicing" were presented by her students over the radio this week. The radio station is supplementing this program by special transcriptions and spot announcements arranged for the Tuberculosis Association.

Ministers throughout Greenville and Pitt county have assisted by making announcements concerning the Annual Christmas Seal Sale. Merchants and other business concerns have given their support by displaying attractive posters and package inserts furnished by the association.

CHRISTMAS TABLEAUX AT PRESBYTERIAN CHURCH

A Christmas tableaux depicting scenes of the Nativity will be presented again this year on the porch of the First Presbyterian Church, Fifth and Pitt Streets on Tuesday, Wednesday and Thursday nights of next week from 7:30 until 9:30. Rev. Leonard Topping is pastor of the church.

Wrong Question

Baltimore, Dec. 12—(AP)—"Anything else?" was apparently the wrong question to ask the well-dressed customer who purchased a fifth of rye from Samuel Orman, 41-year-old liquor dealer.

The man answered, "Yes, I want your money," produced a pistol, and made off with approximately \$150.

Independent Garage Owners At Meeting

The White Chevrolet Company was host at a turkey supper to nearly 50 independent garage owners and managers of this area at the Airport Inn Wednesday night. Billy Norman presided. G. W. Newsome, assistant parts and accessories sales manager for the Charlotte zone of the Chevrolet Division of General Motors, spoke about Chevrolet discounts and stated that they have been increased. Other speakers were Frank O'Steen of Washington, district manager of this area for the Chevrolet Division, and J. F. Westbrook of New Bern, parts and accessories representative for Chevrolet in this area. The meeting was entirely informal and decidedly interesting to independent garage owners.

Claims Truman Is 'Not Competent'

Washington, Dec. 12—(AP)—Gov. Thomas E. Dewey of New York told a gathering of Republican House members last night that President Truman is "not competent to use the powers that have been given him" in his handling of domestic affairs.

Grain Market
