Russian Duplicity Exposed In Revealing Nazi Records

U.S. Uncorks Major Propaganda Blow Against Russia By Baring Soviet-Nazi Deals Outlined In Captured German Documents; 'Voice Of America' Pouring Out Story

Washington, Jan. 22 (AP)—The United States uncorks a major propaganda blow against Russia today by officially revealing a Soviet offer in 1946 to join the German-Italian-Japanese axis at a price Adolf Hitler refused to pay. Already the government's information mouthpiece to the world, the "Voice of America" shortwave radio, is pouring into Russia and the rest of Europe the factual story told in a fat volume of long-secret German Foreign Office records suddenly published by the State Department. The book's 362 pages disclose the minutest details of the two-year Moscow-Berlin honeymoon which began when the man who now rules Russia negotiated a non-aggression pact with Hitler and which ended with Hitler's treacherous attack on the Soviet Union June 22, 1941. It gives the word-by-word deals which led to the 1939 friendship treaty as well as the texts of the ten top secret additions under which Germany and the Soviet Union carved Poland and northeastern Europe into spheres of influence or outright control. And it tells how Premier Stalin demanded, without even getting an answer, a free hand in Finland, a military base near the Dardanelles and a dominant voice in the oil-rich Middle East in return for a four-power axis. The State Department volume was published last night after months of discussion among top officials here as to what disposition should be made of the documents which were captured by American forces when Berlin fell and which Russia fought successfully to exclude from the Nuremberg war crimes trial. Among informed authorities there is no doubt that the publication of this document is the most significant in the light of the intensified propaganda campaign which the Soviet Union has been waging against the United States. These authorities consider it beyond question that the documents would not have been released, so (Continued on Page Eight)

Averette Honored By Local Jaycees

Named 'Young Man Of The Year' For Community Services During 1947; Mayor Boyd In Address At Presentation Exercises

By CHESTER WALSH The Greenville Junior Chamber of Commerce at its meeting at the Old Town Inn last night, named Larry Averette, manager of the Merit Shoe Store, the "young man of the year" for outstanding community service. Clay Burnette was chairman of the committee which arranged for the award. E. B. Burg, Jr., president of the Jaycees presented Mayor Jack Boyd who made the award. The presentation exercises were broadcast over WGTO with Charles Whedbee in charge.

LARRY AVERETTE

Mayor Boyd said he was happy to work with the young men of the city. He paid the following tribute to Larry Averette: "The man the Jaycees are honoring this year has given unselfishly of his off-hours, and he is a salaried man. He has given the hours which a great many would have used for resting or loafing and has devoted them to community service. Larry Averette has assisted with the Community Chest drives, March of Dimes and the Christmas Seal sales for the prevention of tuberculosis. He has served with ability on the Veterans' Housing Commission, which veterans have gotten for World War II veterans about 50 houses. He served as finance officer for the Greenville Post of the American Legion. He is serving on the Board of Directors of the Greenville Lions Club. He served three months during 1947 as commander of the Greenville Post of the Veterans of Foreign Wars, having been in the position for former years. In addition to his war and other services, he is superintendent of the intermediate department of the Memorial Baptist Church."

In concluding, Mayor Boyd said, "I am very happy to make this award to you, Larry Averette, and to assure you that not only the Junior Chamber of Commerce, but all of Greenville honors you for your unselfish service in the community. You have been chosen the 'Young Man of the Year.' A minister, a lawyer, a member of the local government and two professional men composed the committee of judges.

Call Strike In U.S. Zone

Twenty-Four Hour Walkout By Germans Over Food Crisis

Munich, Germany, Jan. 22 (AP)—The Bavarian Trade Union Federation called today for a 24-hour walkout of virtually all workers in Bavaria to begin tonight at midnight. The strike, protesting food shortages, could affect nearly 1,000,000 workers in this American zone state. About 200,000 workers staged a 24-hour strike yesterday in Nuremberg and Cologne. It was the largest walkout in western Germany since last April. The strike call will affect such large cities as Munich, Nuremberg, Augsburg, Regensburg, Wuerzburg and Coburg. Trade union leaders arranged a broadcast to all union members throughout Bavaria, appealing for a strike between midnight Thursday and midnight Friday. American and British authorities took emergency steps to relieve the food crisis, releasing 5,000 tons of imported food to boost the rations of 49,000,000 Germans during the coming month. The strikes of the last two weeks have been directed against fat and meat shortages. Some 30,000 persons took part yesterday in a demonstration in the Nuremberg square once named for Adolf Hitler. They carried signs reading, "We are hungry," "We want a united Germany," or criticizing German and Allied occupation officials of the two zones.

Scrutiny Of Hoover Note Is Pledged

Former President Says Safe U.S. Economy Comes Before Marshall Plan

Washington, Jan. 22 (AP)—The six-point "constructive modification" of the European Recovery Plan proposed by Herbert Hoover to separate "charity from business," brought pledges of careful study today from a trio of senators. The former president declared in a letter to Chairman Vandenberg (R-Mich.) of the Foreign Relations Committee that "we should help to the full extent which does not weaken our own economy." But he cautioned that "the only safe road for us is not to over-export." Furthermore, Hoover said it would be "unwise" to make "even a nominal commitment" to carry out the full four-year Marshall Plan program. And he suggested that the \$5,000,000,000 recommended outlay for the first 15 months of the plan be reduced. Declaring that up to \$3,000,000,000 in food, coal, fertilizers and cotton might be extended as "gifts," Hoover proposed that Congress "define some general principles of distinction between gifts and loans."

To these and other suggestions, three members of the foreign relations group immediately promised "careful consideration." They are Senators Wiley (R-Wis.), George (D-Ga.) and Smith (R-N.J.). Vandenberg has made it a policy not to discuss any proposals made to the committee, and Senator Connally (Tex.), the top Democrat, said he had no immediate comment. Among House Foreign Affairs Committee members Rep. Butler (R-Mass.), author of a controversial plan to administer the program, said he is "gratified" that Hoover agrees with the type of organization Herter proposes. Hoover recommended that the program be administered by a bipartisan commission, as contrasted with the Administration's proposal to set up a single administrative subject to policy decisions by the secretary of state.

Rebuilt Japan May Be Basis Of Far East Aid

Washington, Jan. 22 (AP)—Speculation mounted today that an industrially revived Japan might be made the center of an eventual "Marshall Plan" for the Far East. Some diplomatic authorities said privately they regard this as among the reasons for the newly stated American determination to speed the timing when Japan becomes self-supporting and can "make its proper contribution to the economic rehabilitation" of the world. Just as the United States has committed itself to restoring Western Germany to the point where it can play a major role in the recovery program proposed for 16 other European countries, they saw a parallel in the policy decision laid before the Far Eastern commission late yesterday. Maj. Gen. Frank R. McCoy, American member, told the group the \$350,000,000 a year burden on American taxpayers to sustain Japan's civilian economy must be lifted. He added that this country wants other members of the 11-nation advisory body to know why the army shortly will ask Congress not only to supply bare necessities for the Japanese people but also to provide raw materials, spare parts and other items required for the restoration of "peaceful industries."

Wants Promised List Of Traders

Washington, Jan. 22 (AP)—Senator Ferguson (R-Mich.) said today he has asked Secretary of Agriculture Anderson to hurry up with a promised list of federal and state workers who have been active in the commodity markets. Anderson asked brokerage houses all over the country in December to supply by Jan. 3 the names of all government employees or members of their immediate families who have commodity accounts. He requested complete records by Jan. 11 for delivery to a Senate appropriations subcommittee headed by Ferguson.

Iraqi Protest British Treaty

Baghdad, Iraq, Jan. 22 (AP)—A state official said today that the Iraqi delegation which negotiated the recent British-Iraqi treaty of alliance had been ordered to return immediately. Politicians predicted the cabinet of Prime Minister Sayed Saleh Jaburi now in London would resign. Iraqi leaders meeting with Prince Regent Emir Abdul Ilah said the revised alliance, signed but not yet ratified, "does not guarantee national aspirations and cannot be a useful means to foster Anglo-Iraqi friendship."

Longer Hours For Labor Is Proposed

AFL Chief Suggests 45-Hour Work Week On Overtime Pay Basis As Road To Higher Production And Beating Inflation

Washington, Jan. 22 (AP)—AFL President William Green proposed today management and labor voluntarily set up a 45-hour work week on an overtime pay basis as a means of producing more goods and helping to beat inflation. The 74-year-old labor leader told the Senate Banking Committee that labor could consider the extra work hours if Congress in turn would approve an effective means for halting the price spiral. This would include most of the 10-point anti-inflation program recommended to Congress by President Truman, except standby authority to control wages, Green said in a prepared statement. Green suggested an extra hour of work a day. He told a reporter that this would mean an increase from the present 40 hour work week in most industries to 45 hours, with labor receiving time and one half pay for the extra five hours. "I offer this suggestion as a practical recommendation of the ways in which employers and workers could jointly make a contribution to the anti-inflation fight," Green said in his statement. He estimated that 76,000,000 workers now employed in manufacturing would provide an additional 8,000,000 "man-hours of production per day" under his proposal. "Tonight (7:30) the committee will hold an unusual overtime session in an effort to speed a decision on legislation designed to check inflation. Representatives of the grain industry are listed as witnesses. President Truman has asked for hold-in-reserve power to reimpose wage-price controls and rationing on a selective basis if he considers such a step necessary. The swelling chorus of Republican opposition to Mr. Truman's proposals was joined yesterday by former President Herbert Hoover. The AFL traditionally has opposed peacetime federal controls but Green said in a New Year's statement: "It seems inevitable that some form of government regulation of prices of items which enter into the cost of living, especially food, clothing and rent, will have to be instituted in 1948." He added: "Unless the present economic crisis takes an immediate turn for the better, it will be necessary x x x to clamp government brakes on the uncontrolled price spiral."

Says Demos In No Hurry

But Truman Shies Away From Hinting His Own Candidacy

Washington, Jan. 22 (AP)—President Truman said today there undoubtedly will be an announcement by someone seeking the Democratic presidential nomination before the July convention, but he sees no need for hurry about it. He joked with reporters at a news conference about 1948 politics and said a front-porch campaign is probable. Not once, however, did he come out flatly and say he would be the candidate. The political discussion arose when a reporter called attention to the recent announcement of Gov. Thomas D. Dewey's avowed candidacy for the GOP nomination and asked when a Democratic announcement was coming from the head of that party. He joked with reporters at a news conference about 1948 politics and said a front-porch campaign is probable. Not once, however, did he come out flatly and say he would be the candidate. The political discussion arose when a reporter called attention to the recent announcement of Gov. Thomas D. Dewey's avowed candidacy for the GOP nomination and asked when a Democratic announcement was coming from the head of that party.

U.S. Legislators Get Attention In Red Newspapers

Berlin, Jan. 22 (AP)—Russian-controlled German newspapers featured today the statements of two U. S. Congress members advocating that Ruhr strikers be compelled to return to work, either by ayonies or through a "work or starve" policy. The newspapers said these were the "Washington methods of solving" the western Germany food crisis. The remarks were made by Rep. Richards (D-Sc) and Rep. Bolton (R-Ohio) of the House Foreign Affairs Committee. They insisted the Germans should be compelled to work for their own recovery. Most Russian-controlled newspapers wrongfully attributed the "work or starve" suggestion to Secretary of the Army Kenneth Royall. Royall had deprecated the bayonet method and said "We want to do everything we can to make them work—short of force."

UN Commission In Korea Refuses Recognize Split

Seoul, Jan. 22 (AP)—The United Nations Commission on Korea asserted today it does not recognize the division of Korea into American and Russian zones of occupation and, in a radio message to Koreans, added: "We would rather pack up and go home than be idle spectators of a faked election." The commission is here to supervise a nationwide free election and to assist in establishment of self government. The Soviet Ukraine boycotted the commission, raising doubts that it would be admitted to the Russian occupation zone in the North. Dr. K. P. S. Menon of India, commission chairman, announced in a radio broadcast that nine Korean political leaders in both zones, whose views range from extreme left to extreme right, were asked to consult with the commission.

Anti-Lynching Bills

Washington, Jan. 22 (AP)—There's been a lynching in this country every year since 1882. There have been 44 lynchings since 1936. There was one last year. Almost all those lynched have been Negroes. Most lynchings were in the South. From time to time there's been talk in Congress of passing an anti-lynching law to let the federal government, instead of the states, punish lynching. But there's a big difference between talking about such a law and passing one. Even when the House passed it, Southern senators managed to kill it when it came before the Senate for a vote. The last time was in 1935. Right now a subcommittee of the Senate Judiciary Committee is holding hearings on three anti-lynching bills. If it approves one of them and sends it up to the full Senate, the Southerners will try to kill it again. The arguments for and against an anti-lynching law center around the 14th amendment to the U. S. Constitution, Sections 1 and 5. Section 1 says no state shall "deprive any person of life, liberty or property without due process of law; nor deny to any person within its jurisdiction the equal protection of the laws." Lynching deprives a person of due process of law; trial by jury. Section 5 says Congress can pass any laws necessary to be sure that Section 1 works. The main argument against an anti-lynching law is this: It would be unconstitutional by giving the federal government power to interfere in a state's own problems. This argument is based on the 10th amendment to the Constitution which says that the powers not given to the United States by the Constitution belong to the states. The three bills now being considered by the Senate subcommittee were offered by Senator Wagner of (Continued on Page Three)

United Western Europe Is Sought

ERP Impact On Farmers Discussed

Marshall Says Cotton Exports Will Be Large; Tobacco Shipments Included

Atlanta, Ga., Jan. 22 (AP)—Secretary of State Marshall said today that sharing farm machinery and fertilizers with Europe under the proposed recovery program "may cause some hardship for a few American farmers." But he said the sacrifices here will be "insignificant" in comparison with the job to be done. Marshall spoke before the National Cotton Council, delivering an address that was frankly designed to explain the Marshall Plan to agricultural interests. The secretary of state said that scarce items which would have to be shipped to Europe despite need in this country will include small amounts of nitrogen fertilizer, farm machinery and other supplies and equipment necessary to enable Europe to increase its indigenous food supply. Marshall said, too, that the shipments proposed to Europe may tend to hold prices high at home. But he commented that 1948 exports under the Marshall Plan will be less than the 1947 total of exports. He told his cotton-minded audience that "one of the materials most needed is cotton." During the first 15 months of the Marshall program—assuming Congress approves—cotton shipments "are planned to total 3,000,000 bales," Marshall said. The 15 months period would begin April 1, this year and end July 1, 1949. "Shipments for the full four-year Marshall Plan are estimated at more than 10,000,000 bales." Marshall then took up another big Southern cash crop—tobacco—and announced that it "will be shipped to Europe in considerable volume." "It is not as essential as food and clothing, of course," the secretary said, "but even under austere living conditions and rationing it is found advisable to make some concessions to human nature. Tobacco comes within the category of incentive goods. As a practical matter it has been found that the availability of tobacco is an effective stimulus to morale and productivity." TRAPPED! Pittsburgh, Jan. 22 (AP)—Ignoring a picket line, 35 customers walked into two truck bars. Somebody didn't like it—and packed the doors on the outside. Police finally let the customers out. Tonight's program called for an address by J. M. Roberts, Jr., of New York, Associated Press foreign news analyst.

N.C. Newspaper Institute Opens in Charlotte

Chapel Hill, Jan. 22 (AP)—Representatives of newspapers through the state gathered here today for the opening of the 23rd annual North Carolina Newspaper Institute. Dailies and weeklies were represented as the three-day session opened under the auspices of the North Carolina Press Association, the University of North Carolina and Duke University. An afternoon program today brought together members of the North Carolina Associated Press Club comprising the state's 46 newspapers which are members of the Cooperative News Gathering Association. Frank J. Starnel of New York, assistant general manager of the Associated Press, was the speaker. Tonight's program called for an address by J. M. Roberts, Jr., of New York, Associated Press foreign news analyst.

Russia May Be Forced Send Food To Germany

Dresden Soviet occupied Saxony, Jan. 19 (Delayed)—(AP)—A difficult food situation may force the Soviet Union to ship grain into the Russian occupied eastern zone of Germany which is being woven into a so-called Molotov plan of economy for eastern Europe. "Soviet officials think they will have to import grain from the Soviet Union but a final decision has not yet been reached" Maj. Gen. Timofei Dudarov acting military governor for Saxony told the first American correspondents to tour the Russian zone since last June. "As deficiencies in the food supply come up they will be taken care of," the general said. "You can be sure however that if we decide to bring in grain it will not be an outright gift." This is the first time the Russians have spoken of shipping food into their zone. Their army lives mainly on German food, particularly perishables and the American and British licensed press in Berlin have accused the Soviet Union of exporting trainloads of German food eastward. For the first time too the Russians revealed how eastern Germany is being drawn into the Moscow scheme of economy for eastern Europe after turning down cooperation with the Marshall plan for European recovery. To meet a "very bad" situation, raw materials are being drawn not only from Soviet Russia, but also from Poland, Czechoslovakia, Hungary, Bulgaria and Yugoslavia. Russian officials said. Most of the finished products processed from these materials are exported eastward as reparations. The Germans will pay for raw materials because you can be sure we are not engaging in any philanthropic deals," said Maj. Ivan Schinevich, head of the industrial branch of the Soviet military administration's economic division in Thuringia. MISSED LEGACY Pittsburgh, Jan. 22 (AP)—Norman, a blue Persian cat, lost out on a \$5,000 legacy. He died before his mistress, Mrs. Ellen Smith. The widow who died last week, willed the cat \$5,000 and the rest of her estate—another \$5,000—to the cat. Washington Post-Journal.

Sees Prosperity In Next 10 Years

Raleigh, Jan. 22 (AP)—North Carolina industry and agriculture will have their greatest period in history during the next decade, believes former Governor J. M. Broughton, now a candidate for the U. S. Senate. "Amply local capital, a reasonably adequate amount of skilled labor, and an abundance of electric power" are the factors on which he bases this prediction, Broughton said last night at a banquet which concluded the two-day convention of the North Carolina Restaurant Association.

Bus Fire Causes \$750,000 Loss

Chester, Pa., Jan. 22 (AP)—Fire swept through the block-long garage and offices of the Southern Pennsylvania Bus Co. today wrecking 33 buses and causing a loss of \$750,000.

Ordnance Blast Like Earthquake

Savanna, Ill., Jan. 22 (AP)—A violent explosion of 150 tons of anti-tank mines in an underground ammunition dump at the Army's big ordnance depot near here last night shook a wide section of three states and shattered windows in several communities, some 50 miles away. There were no casualties.

Spreading Cold Wave Is Seen Moving Into East

By the ASSOCIATED PRESS Another intense cold wave, direct from the frigid Hudson Bay region, spread over a wide section of the Midwest today. The fresh icy blasts appeared headed for the rest of the eastern half of the country which was chilled by last week's severe weather. Temperatures equalling the sub-zero lows of last week were indicated and the current cold wave was expected to linger through Saturday. Temperatures tumbled to near 30 degrees below zero in the Dakotas, Minnesota and Wisconsin today. The biting cold extended as far south as the lower Missouri and lower Ohio valleys and west into central Nebraska and western South Dakota. The line of sub-zero readings was as far south as Iowa and northern Illinois. Federal Forecaster H. L. Jacobson in Chicago said the current cold wave promises to cover the same general area struck by last week's intense cold, extending across the eastern half of the country and reaching into the south except southern Florida. A moderate and rapidly moving storm has developed along the western edge of the cold air and there was a fresh blanket of snow ranging from one to six inches across western North Dakota, central South Dakota and eastern Nebraska. Rain was reported in the warmer air

Not Yet Understood

Too Many Do Not Yet Comprehend True Nature Of Conflict Between Russia And Western Allies; It Began With Red Revolt, And Victory, In 1917, And Has Continued

By DEWITT MACKENZIE Britain's Socialist Prime Minister, Clement Attlee used just one crisp sentence yesterday in rejecting a proposal in the House of Commons that he organize a meeting with President Truman, Premier Stalin and the heads of other allied states in an effort to prevent further deterioration of the international situation. Said Mr. Attlee: "While I am anxious to take any steps which might lead to improvement of the international situation, I do not feel that a conference of this kind would be likely to advance matters at present." Naturally one looks sympathetically on all legitimate efforts to further peace. However, this proposal by a member of Parliament strikes me (and apparently struck Mr. Attlee) as indicating a misunderstanding of the exact nature of the conflict between Russia and the Western Allies. Since that lack of understanding is widespread it's well that we take a look at it. Why wouldn't such a conference be likely to advance matters at present? Well, the cold fact is that Soviet Russia is in process of waging an offensive against the democracies for the spread of Communism, and hasn't the slightest idea of abandoning it. This column has emphasized that point before, but it

Wants Promised List Of Traders

Washington, Jan. 22 (AP)—Senator Ferguson (R-Mich.) said today he has asked Secretary of Agriculture Anderson to hurry up with a promised list of federal and state workers who have been active in the commodity markets. Anderson asked brokerage houses all over the country in December to supply by Jan. 3 the names of all government employees or members of their immediate families who have commodity accounts. He requested complete records by Jan. 11 for delivery to a Senate appropriations subcommittee headed by Ferguson.

Iraqi Protest British Treaty

Baghdad, Iraq, Jan. 22 (AP)—A state official said today that the Iraqi delegation which negotiated the recent British-Iraqi treaty of alliance had been ordered to return immediately. Politicians predicted the cabinet of Prime Minister Sayed Saleh Jaburi now in London would resign. Iraqi leaders meeting with Prince Regent Emir Abdul Ilah said the revised alliance, signed but not yet ratified, "does not guarantee national aspirations and cannot be a useful means to foster Anglo-Iraqi friendship."

Social and Personal

Mr. and Mrs. J. R. Askew left today for Miami, Fla., where they will spend the remainder of the winter. They were accompanied by Mrs. W. G. Rush and Mrs. Allie Whitehurst, who will stay for a short visit.

Masonic Notice
There will be a special communication of Greenville Lodge No. 284 A. F. & A. M. Friday night at 7:30 for work in the Entered Apprentice Degree. All Entered Apprentices and Master Masons are cordially invited.

Mr. and Mrs. W. J. Bundy left yesterday to attend the Shrine Ceremony in New Bern January 21 and 22.

SOCIAL CALENDAR

THURSDAY
7:30 p. m.—Members of the Charles Gray Morgan Post 7032 Veterans of Foreign Wars meet in V. F. W. Hall on Cotanche street.
8:00 p. m.—Lydia Wooten class of the Methodist Church meets at the home of Mrs. Wooten, 1808 E. Fifth street.
7:45 p. m.—Mrs. W. O. Freeland will present her piano pupils in recital in Sheppard Memorial Library.
FRIDAY
11:00 a. m.—Mrs. John Clark and Mrs. Edgar Willford will honor Miss Frances Spilman, bride-elect, at a coca cola party at the home of Mrs. Clark.
6:30 p. m.—Kiwanis Club.

Birth Announcement
Mr. and Mrs. Burney Warren Manning of Clear Creek Bible School announce the birth of a daughter, Frances Elaine, on January 18, 1948, at Pineville hospital, Pineville, Ky.

Birth Announcement
Mr. and Mrs. Raymond Snyder, of Washington, N. C., announce the birth of a son, Robert Lane, on January 18, in Pitt General hospital. Mrs. Snyder is the former Miss Betty Snedden, of Charleston, S. C., and Scaerdale, N. Y.

Birth Announcement
Dr. and Mrs. Herbert Hadley announce the birth of a daughter, Marcia Ann, on Wednesday, January 21, in Pitt General hospital.

Bake Sale
Bake sale Friday morning at 10:30 at Laureate Jewelry Store, sponsored by St. Edna's chapter of St. Paul's Episcopal Church.

Round Table Club
Mrs. Paul Fitzgerald was hostess to the Round Table club at her home on Fifth Street Tuesday afternoon. Mrs. Sprull Spain, program chairman, presented Mrs. W. C. Vinson who reviewed "The Great and Wide Sea," by R. A. Cocker, winner of the May Flower cup. Delicious refreshments were served by the hostess, assisted by Mrs. White. Guests for the afternoon were Mrs. J. A. Karnek, Mrs. E. C. Hollar, Mrs. Chloé White and Mrs. John Messick.

W. C. T. U. Notes

Nineteen hundred forty-seven was the best year yet for the W. C. T. U. of North Carolina. The number of new members and the net gain in membership was higher than any year in the history of the organization. Whole family memberships are being stressed this year. It is now time to have all renewals for 1947-48 sent to Miss Vera Herring, state treasurer. Anyone who has not renewed may do so within the next few days. It is the purpose of the Greenville Union to not only be a holdfast union but a fruitful union also. If we ever need to strengthen our states it is now. Please do not fail to get your renewal in soon. Call the local treasurer, phone 1980, and tell her of your intention to remain a paid member and subscribe to White Ribbon. At the Baptist State Convention, held in the First Baptist Church of Winston-Salem, last November,

leaders in the various associations of the state were urged to go back to their respective associations and organize the dry forces for a crusade against the liquor traffic. The W. C. T. U. is a globe striding organization. Mrs. S. S. Chitambar is president of the W. C. T. U. in India. She has called upon the people of her country to conserve food because of a threatening famine, and especially cease to use grain for making alcoholic beverages. There are some 600,000 teachers in our nation. If each of these were to give one hour a week to teaching the harmful effects of alcohol, immeasurable good would be accomplished. It is time for something to be done about the evil influence of liquor advertising on the lives of children and youth. Let us make the child our greatest wealth and make challenging responsibility. He should be put above industry and politics and money! The soul of a child is the loveliest flower that grows in the garden of God. Its climb is from weakness to knowledge and power. To the sky from the clay and the cloud. To beauty and sweetness it grows under care. Neglected, 'tis ragged and wild. 'Tis a plant that is tender but wondrously rare. The sweet wistful soul of a child, Be tender, O Gardner, and give it its share Of moisture, of warmth and light, And let it not lack for thy painstaking care To protect it from frost and from blight."

Inter So Book Club
The Inter So Book Club met on Tuesday afternoon in the Guild room of the Episcopal parish house with Mrs. Roscoe Hauser and Mrs. Sam Northrop as acting hostesses. Upon arrival, the guests were served delectable refreshments prepared by the St. Ann's chapter. Mrs. Tyson Billro gave the program for the afternoon on "Her Royal Highness, Princess Elizabeth of England." In fairy tale lingo, Mrs. Billro gave a brief biography of this modern Princess, heiress presumptive to the throne of England.

40 Years Ago Today

THE DAILY REFLECTOR
January 22, 1908
Trade Report
Bradstreet's Saturday will say: Trade in most lines is quiet. Dry goods and shoe dealers are receiving moderate orders for future shipments, produce is in fair demand at satisfactory prices. Tobacco is being marketed in larger amounts and prices continue good, as anticipated the crop is not an average one, lumber continues in little demand. Labor is plentiful. The majority of cotton has been ginned, but much of the crop is still in the hands of the planters. Money is more readily obtained at banks and dealers anticipate better conditions. Collections are not good.

From the day of her birth, April 21, 1926, until the present time the eyes of the world have been upon Princess Elizabeth, for it has been taken for granted that some day she would be Queen of England. The general opinion today is that she will be one of the most popular Queens that England has ever had, for as a result of her understanding and sympathetic attitude toward her people, they all love her dearly. It is said that she will not, perhaps, be a great Queen or an important Queen, but there is every indication that she will be more than her father or his father, a people's sovereign in a people's age. Following a short business session, the meeting was adjourned.

World Student Service Fund Drive Concluded

A joint drive conducted by the YWCA and the YMCA of East Carolina Teachers College for the World Student Service Fund resulted in the collection of \$4927, which will be used to benefit needy students in foreign countries. In charge of the campus campaign were Mildred Oakes of Hookerton, Mae Sheppard of Wilmington, Floyd Collins of Cerro Gordo, and Nicholas Fokakis of Wilmington, chairmen, and the president of the two Y organizations, Jean Bosler of Wilmington and Paul Craver of Lexington.

This year's drive ended on last Saturday evening with an annually staged Play Night in the Wright building on the campus. Sixteen college organizations took part. Jean Bosler and Jimmy Fryar, both of Wilmington, were selected by students attending the event as queen and king of Play Night. The Science Club and the Baptist Student Union led other organizations in the amounts raised for the WSSF.

Directors Of Merchant Association Hold Meet

On Wednesday night the directors of the Merchants Association held their regular monthly meeting with President Wm. H. Traft presiding. A yearly report given by Treasurer L. S. Garris showed the finances of the Association to be in good condition.

It was reported that the secretary, Mrs. Powell, met with a group of Eastern N. C. secretaries in an attempt to adopt a uniform advertising agreement through eastern Carolina. The board reviewed the agreement now being used by the Association and gave the secretary instruction as to how to vote for the local Association at a scheduled meeting of secretaries on January 30.

It was brought to the attention that out-of-town residents had received over-time parking tickets on legal holidays. A committee composed of W. L. Allen and D. J. Whitchard, Jr. was appointed to con-

Wetting Rain

An inch and one-half of rain fell here during a 36-hour period beginning Tuesday morning—1.48 inches to be exact the Weather Bureau observer here reported today.

The temperature here dropped to 34 degrees during last night. The thermometer registered 40 degrees at 8 a.m. today.

far with the mayor and the publicity be given the dates that the city will declare holidays for the parking meters.

The Trade Promotion Committee, C. E. Blair, chairman, had met on Wednesday morning and reported the outline of a splendid promotional program for the year.

The probability of a truck terminal for Greenville was discussed in view of the fact that it would speed up the delivery of freight, and prevent the blocking of traffic. The Transportation Committee, H. L. Ormond, chairman, was requested to make an investigation and report at the February meeting.

Resolutions of respect were given for Mr. Clifton H. Edwards, a loyal and faithful member of the Board of Directors of the Merchants Association, who had passed away recently.

Three tentative dates for the Wednesday afternoon holiday closing were voted on by the directors and they will be submitted to the entire membership of the Association for their vote. The votes will be tallied by a committee and the date that the majority vote for will determine the date to start the half-holiday.

C. A. Plyler Resigns Managership Of Belk-Tyler Store

Announcement was made today of the resignation of C. A. Plyler from the management of the Belk-Tyler store. Mr. Plyler informed a representative of the Daily Reflector today that he had decided to join his son, Claude Plyler, Jr., as co-manager of Plyler's Super-Market. Mr. Plyler has a long record in merchandising circles and his connection with his son in the Super-Market will be read with a great deal of interest among his many friends here in Greenville.

DEATH OF INFANT

The two-month-old son of Mrs. Cora Elizabeth Harris colored, found dead in bed yesterday morning at their home on R. B. Tyler's farm, died of natural causes, Pitt County Coroner Griffin H. Rouse said today. The infant had been ill several days.

Doll For Frieda

A real doll for Frieda and the first one she ever had. Children overseas receive playthings for the first time in their lives through the gifts of American people. The drive in Greenville is part of the "Fill a Ship With Friendship" drive being held throughout the state, and is asking for children's toys as well as clothing, shoes, and bedding. The drive will be held in Greenville next Sunday.

ABC Receipts Show Increase Throughout N.C.

Raleigh, N.C., Jan. 22—(AP)—Although sales in "old" ABC counties last month fell below those of December, 1946, customers in four areas where sales were legalized last year bought heavily enough to boost statewide receipts by more than \$1,000,000, the monthly ABC report showed today.

Sales last month climbed to \$5,892,093.70, as against \$4,823,748.90 in December, 1946.

The December figures were down from those for the same month in 1946 in 24 of the 25 counties where stores were operated before 1947.

Mecklenburg County stores, in operation for the third month, led the state, with a total of \$1,265,881.20. Durham was second, with \$549,486.55. Third-place Wake, with \$509,909.51, was the only one of the old counties whose sales last month topped those of December, 1946.

Anti-Lynching . . .

(Continued from Page One) New York, a Democrat, and three Republican senators: Hawkes of New Jersey, Morse of Oregon, and Knowland of California.

Briefly, their bills say this:

1. Anyone helping in a lynching could be fined up to \$10,000 or jailed for 20 years.
2. Any officer who failed to protect a prisoner from a lynch mob could be fined up to \$5,000 or jailed for five years.
3. The next-of-kin of a person lynched could sue the city or town where it happened for as much as \$2,000.

The President's special committee on civil rights—President Truman appointed a committee of 15 civilians in December, 1946, and it reported in October, 1947—has a lot to say on lynchings.

Its report—called "To Secure These Rights"—deals with a number of civil rights violated in this country but, on lynching, it says in part:

"The communities in which lynchings occur tend to condone the crime. Punishment of lynchings is not accepted as the responsibility of state or local governments in these communities. Frequently, state officials participate in the crime, actively or passively. Federal efforts to punish the crime are resisted. . . ."

"The almost complete immunity from punishment enjoyed by lynchings is merely a striking form of the broad and general immunity from punishment enjoyed by whites in many communities for less extreme offenses against Negroes."

"Moreover, lynching is the ultimate threat by which his inferior status is driven home to the Negro. . . ."

"The threat of lynching always hangs over the head of the Southern Negro; the knowledge that a misinterpreted word or action can lead to his death is a dreadful burden."

Steal Safe And Haul It To Country

Police Recover Finance Company's Safe; Sledge Hammer Used On Door

By CHESTER WALSH
Police have recovered a small iron safe stolen from the Greenville Auto Finance Company, 921 Dickinson Avenue, Tuesday night. About \$100 in currency was missing, but valuable papers were intact.

Police making their rounds in the neighborhood Tuesday night about 10:30 found the office door unlocked. The officer went inside to investigate, and then reported to headquarters, which in turn sent a message to the home of Secretary-Treasurer Robert Cohen. The policeman reported that he observed that there was no safe in the office.

Next morning Cohen discovered that the safe had been stolen and reported it to police. Capt. Lester D. Page, identification specialist, was put on the case. Yesterday somebody reported to Sheriff Ruel W. Tyson that a safe was in low-grounds on a road between Belvoir and Fountain. It was the finance company's safe. The robbers had smashed the combination with a sledge hammer to open the door. Police are continuing their investigation.

The Greenville Auto Finance Company was established here recently in Kinchen W. Cobb's building. Lee Folger of Greenville is president; J. Norman McGaskill of Kinston is vice-president; Robert Cohen, Kinston baseball club outfielder, is secretary and treasurer.

Not Yet . . .

(Continued from Page One) and attacked Russia. The war created the European chaos which was exactly suited to the spread of Communism. Even before the conflict ended, Russia was busy establishing Communist governments in Eastern European countries occupied by Soviet troops. As a matter of fact most of the Red advance was achieved by the time peace came. Since then Moscow has been consolidating that ground and laying plans for conquest of Western Europe.

Do you think that the Soviet Union is going to halt her world revolution at this crucial stage? Not by a jug full! She is going to fight the Marshall Plan with everything she has, and not until that plan has succeeded, and made Western Europe safe, will any conference among the Big Four chiefs of state be worth a moment's consideration. As a matter of fact any overtures by the Western democracies now would look like appeasement and would do more harm than good.

So there's the twice-told tale, and if necessary this column will tell it again, because our security depends on recognition of these facts.

DIDN'T HAVE A CHANCE
Carlisle, Pa., Jan. 22—(AP)—This intruder didn't give himself a ghost of a chance.

Not only did he pick a house where 11 state policemen were quartered, but in entering a window upset a stack of dishes and then fled leaving behind his jacket conveniently bearing his name and address. His name was not disclosed.

and R. A. Thompson of Kinston is assistant secretary and treasurer.

Strength FOR THE DAY

LOOK UP, NOT DOWN

If you have ever taken a sight-seeing tour through certain sections of the Rocky Mountains or the Alps, you have no doubt been terrified as you looked over the precipices. The vehicles in which you were riding perhaps skirted the very edge, and you knew that one little miscalculation on the part of the driver would plunge all of your company into death.

Have you noticed how, under such circumstances, most of the passengers of a bus or touring car steadfastly abstain from looking down? And they are right. Nothing is more terrifying than to look down. One could easily walk across a ditch on a two-foot board. The only reason why we cannot walk with equal assurance on a two-foot board ten times above ground is because the vast distance below terrifies us. The only way to keep one's nerve at great altitudes is to keep looking up. All we can think of as we stand on the edge of a precipice is that we might fall over. All we can think of as we stand at the dizzy heights of circumstances is that one misstep would mean catastrophe. So keep looking up under such circumstances, not down.

WASHINGTON LETTER

By JANE EADS
Washington—the silver eagles of a colonel gleam freshly on the shoulders of Emma E. Vogel, who is rounding out 30 years' service with the army.

They were conferred upon her by Maj. Gen. Raymond W. Bliss, the surgeon general, when she was appointed chief of the newly created Women's Medical Specialist Corps (WMSC).

She is one of three women colonels in the Army. The others are Col. Mary G. Phillips, chief of the Army Nurse Corps, and Col. Mary A. Hallaren, chief of the Women's Army Corps.

Col. Vogel is also one of the few women to hold the Legion of Merit award. This she received in World War II for outstanding service in the Army's medical department.

The WMSC combines three once distinct divisions of the Army medical department—dietetics, physical therapy and occupational therapy. Its authorized strength will be approximately one officer of the corps for every 1,000 persons in the total authorized strength of the regular army.

Col. Vogel is already in the thick of her job. Right now she is busy

She's Too Fat For Me - - -

Integrating into the new corps qualified applicants for commissions and evaluating the papers of future candidates.

Eventually three officers holding the commission of lieutenant colonel will be selected to head the three branches of the WMSC under Col. Vogel. All three departments will have teaching programs.

Officers of the dietetics division will be responsible for the preparation and serving of food to patients in Army hospitals, will calculate and direct the preparation of special diets. They also will instruct patients in correct food and dietary habits, will requisition food, supplies and kitchen equipment.

Physical therapists will provide massage, exercise, electrotherapy and hydrotherapy treatments to patients on prescription, with special consideration given to rehabilitation of injured patients.

Occupational therapists will supervise instruction in crafts and other activities.

Col. Vogel was one of the first students to take a course in physical therapy. She became the first physical therapist side at Army General Hospital No. 25 in Pittsburgh during World War I. This was followed by her appointment as first supervisor of the training corps of physical therapists at Walter Reed General Hospital in Washington.

Colonel Vogel, born, bred and educated in Minnesota, describes herself as an "outdoor girl." She enjoys swimming, fishing and rowing and chopes her own firewood.

Animal stars earn about \$500 weekly when at work in motion pictures.

Wilson's Weekly Bulletin

FROM THE
Rector Kitchens

The Rector Kitchens, founded by the late George Rector, serve Wilson & Co. Inc. exclusively. From these kitchens come the recipes, menus, nutritional advice, economy suggestions, and housewives' hints that you read in Wilson's Weekly Bulletin.

WITH the passing, late in November, of George Rector, world-famous gourmet and authority on good eating, America added another illustrious name to her list of "immortals."

For the past nine years, from Rector Kitchens, timely meal-planning advice and recipes for good eating "by George Rector" have been published for homemakers in the popular "Wilson's Weekly Bulletin."

Appearing all those years without a break, even during war time with its shortages and food problems, its inspiring and practical helpfulness has made "Wilson's Weekly Bulletin by George Rector" the most widely read food column of its kind.

It is a great pleasure, therefore, to assure our millions of regular readers that both the Rector Kitchens and Wilson's Weekly Bulletin will continue to serve you.

Manned by the same expert staff that worked under Mr. Rector—having his priceless file of recipes, unique notations on seasonings and other data—The Rector Kitchens will continue to counsel on recipes, meal-planning and good things to eat in general in the same interesting manner as heretofore.

This exclusive type of home service will be found each week in "Wilson's Weekly Bulletin from the Rector Kitchens" on the food pages of newspapers across the nation.

We invite you to join the millions of American homemakers who look to it each week for helpful and timely food suggestions.

The Wilson label protects your table.

Many Cases Are Tried High Court

Judge Burney Makes Good Time Reducing Heavy Docket

By CHESTER WALSH
In Superior Court yesterday, Judge John J. Burney of Wilmington sentenced Archie T. Hinson, convicted of four charges of embezzlement, to serve three to five years in State Prison in each case, the sentences to be served concurrently. Prayer for judgment in a worthless check case was continued for one year on good behavior.

Allen Holland, convicted of embezzlement, was given three years in State Prison. Sentence was suspended on condition that he be placed on probation five years and turn over to Harvey Bowen a 1941 Ford car and \$600 in cash and to pay the balance of \$2,100 at the rate of \$300 a year. The court ordered that Holland pay court costs now and report to each January term of Superior Court until the entire sum is paid.

Charlie Stocks, convicted of forgery, was given three to five years in State Prison. James Earl Taylor was given two to three years in State Prison for embezzlement. Hubert E. Harris was not guilty of larceny and hit-run driving.

Robert C. Ward and James E. Forrest were convicted of breaking, entering and larceny. The court gave Ward two years in State Prison in one case and one year in another, the terms to be served concurrently. Forrest was given a year in each case, sentences to be served concurrently. In view of the fact that the youths are under 21, the court suspended judgment and placed both of them on probation for five years.

Willie E. Braxton, up on appeal from a lower court, was fined \$15 and costs for failing to give proper hand signal while driving a car.

In the case of Howard Smith, convicted of being drunk, prayer for judgment was continued for one year.

Wilton D. Spayne, veteran of over seven years in the armed forces, and who saw many months of action in Europe, has come home to Greenville. His honorable discharge shows Spayne originally enlisted in the Army in September, 1940, and was given his final discharge just before Christmas, 1947.

Famous campaigns, already near-forgotten, are listed in his record. The Naples-Pogoria campaign, Rome-Arno campaign, Rhineland campaign, Southern France campaign and the Central European campaign.

Private First Class Wilton D. Spayne served his country well, and he has a bunch of medals to show for it—among them a Purple Heart with an Oak Leaf Cluster—and something else he doesn't talk about very much, a disabled left arm.

Spayne was wounded while in Italy, and was wounded a second time while serving in Germany. "But that's all over now," says Spayne, "I just want to be a civilian again."

It's harder now, though, because despite his size and willingness, Spayne's left arm is nearly useless; and that makes finding a job more difficult.

Pitt Veteran Returns Home

Wilton D. Spayne, veteran of over seven years in the armed forces, and who saw many months of action in Europe, has come home to Greenville. His honorable discharge shows Spayne originally enlisted in the Army in September, 1940, and was given his final discharge just before Christmas, 1947.

Famous campaigns, already near-forgotten, are listed in his record. The Naples-Pogoria campaign, Rome-Arno campaign, Rhineland campaign, Southern France campaign and the Central European campaign.

Private First Class Wilton D. Spayne served his country well, and he has a bunch of medals to show for it—among them a Purple Heart with an Oak Leaf Cluster—and something else he doesn't talk about very much, a disabled left arm.

Spayne was wounded while in Italy, and was wounded a second time while serving in Germany. "But that's all over now," says Spayne, "I just want to be a civilian again."

It's harder now, though, because despite his size and willingness, Spayne's left arm is nearly useless; and that makes finding a job more difficult.

Colored News

York Memorial A. M. E. Zion Church
Rev. P. H. Mumford, pastor.
Sunday, 9:45—Sunday school, W. J. Hester, Superintendent.
11:00 a. m.—Message by the pastor, subject: "The Things God Requires in These Few Days." Music by the junior choir, followed by the emergency rally. We shall expect every member of the church to register in this important effort.
At 1:30 the pastor will preach the funeral of Mrs. Lottie Williams.
At 7:30 there will be a feast of music by the spiritual singers of Farmville, N. C. We kindly invite the general public to all of these services.

The average salinity of Great Salt Lake, Utah, is almost six times greater than that of the ocean.

What To Do For That Sluggish, Down-and-Out Feeling

Remember the time when you could eat like a horse, bubbled with energy, felt happy as a lark? Was it not because you liked to eat—didn't know what indigestion was, felt strong as an ox? As age advances the "old stomach" and the ever-changing blood need help. Now you may again release vibrant energy to every muscle, fibre, cell.

Every day—every hour—millions of tiny red-blood-cells must pour forth from the marrow of your bones to replace those that are worn-out. A low blood count may affect you in several ways: no appetite, underweight, no energy, a run-down condition, lack of resistance to infection and disease.

To get real relief you must keep up your blood strength. Medical authorities, by analysis of the blood, have by positive proof shown that SSS Tonic is amazingly effective in building up low blood strength in non-organic nutritional anemia. This is due to the SSS Tonic formula which contains special and potent activating ingredients.

Also, SSS Tonic helps you enjoy the food you eat by increasing the gastric digestive juice when it is non-organically too little or scanty—thus the stomach will have little cause to get balky with gas, bloating and give off that sour food taste.

Don't wait! Energize your body with rich, red-blood. Start on SSS Tonic now. As vigorous blood surges throughout your whole body, greater freshness and strength should make you eat better, sleep better, feel better, work better, play better, have a healthy color glow in your skin—firm flesh fill out below places. Millions of bottles sold. Get a bottle from your drug store. SSS Tonic helps build sturdy health.

Law Officers Face Charge Of Highway Robbery

Goldsboro, N.C., Jan. 22—(AP)—Two law enforcement officers and a state driving license examiner today faced charges of highway robbery in a case growing out of the arrest of a Goldsboro merchant.

The Wayne County grand jury has returned true bills charging Joe Johnson, Mt. Olive chief of police; Charlie Barwick, Kinston ABC officer; and Bob Ward of Goldsboro, driving license examiner, with robbing Solly Sauls on Jan. 10.

Sauls complained that he was robbed of \$60 after he was arrested on charges of careless and reckless driving.

Johnson denied that he or the officers had taken the man's money.

The chief stated that after Sauls' arrest the man had pleaded to be allowed to give bond. Chief Johnson said that he finally accepted \$30 as bond for Sauls' appearance in court.

Meanwhile at Raleigh, Motor Vehicles Commissioner L. C. Rosser said that Ward was driving license examiner at Hertford, Gatesville and Currituck. Rosser said that he planned to make an investigation and "if there appears anything to it," the case will be brought to trial.

Claim Offensive Against Rebels

Athens, Jan. 22—(AP)—Newspapers reported today a "general offensive" was underway in northern Greece against guerrilla forces.

Elements of six Greek divisions were said to be attacking.

The dispatches were credited to military commanders in the field, but there was no immediate official confirmation.

Greek troops were said to have overrun guerrilla positions around Ardena, eight miles south of the Yugoslav frontier and 60 miles northwest of Salonika.

ANOTHER LITTLE KYSER
Santa Monica, Calif., Jan. 22—(AP)—Singer Georgia Carroll, wife of band leader Kay Kiser, gave birth to a seven pound, 12-ounce daughter last night. The couple has another 28-month-old daughter.

"Old at 40, 50, 60?"
—Man, You're Crazy
Forget your age! Thousands are peppy at 70. Try "peppy up" with Oxy-Gen. Contains tonic for weak bodies, builds up the body's "peppy" level of energy, which many men and women call "Oxy-Gen." Try Oxy-Gen Today! Tablets for 30 younger feeling every day. Now "get peppy" with Oxy-Gen.

WEAK NERVOUS
cranky every month?
Are you troubled by distress of female functional periodic disturbances? Does this make you feel so tired, high-strung, nervous—at such times? Then so try Lydia E. Pinkham's Vegetable Compound to relieve such symptoms! Pinkham's Compound is made especially for women. It also has what doctors call a stomachic tonic effect! Any druggist.

path in the March of Dimes drive are Frank Hoger of New Rochelle, N.Y., Donald Denny of Burlington, Margaret Wilson of Robertsonville, and Hilda Black and Margie Perry, both of Goldsboro.

Faculty Member Is Student Of Folklore And Presents Talk

Dr. Calvin Claudel, faculty member of the department of foreign languages at East Carolina Teachers College, spoke on Tuesday evening at a meeting of the Phi Sigma chapter of Sigma Pi Alpha national fraternity for French students. Dr. Claudel, who was introduced to members by Ruby Lee Bordeaux of Kelly, president of the fraternity, talked on the subject "The Pool in Folklore."

A Louisianian who joined the college faculty last fall, Dr. Claudel has published a number of articles on folklore. He is a member of the American Folklore society and of the Louisiana Historical society. He studied for several years at the University of North Carolina, from which he received the doctor's degree.

The gall bladder is absent in all common members of the deer family.

NOTICE OF SALE OF PERSONAL PROPERTY

Chandler 'Peace Pipe' Is Cheered By Outlaw Band

Cincinnati, Jan. 22 (AP)— Reports that Baseball Commissioner A. B. Chandler is agreeable to a peace treaty with the reformed Mexican league today cheered a potent band of American players under suspension for attempting to lure of Paqual Pecos two years ago.

An unquestionable source close to Chandler's plush Cincinnati office yesterday termed "obvious" the purpose of current conferences in Mexico City between Walter Mulbry, secretary of baseball, and Alejandro Aguilar Reyes, commissioner of the Mexican league.

Chandler believes, the source said, that peace between the Mexican league and organized baseball would be to the best interest of the sport in general. And the source added, should amicable relations be restored, the outlawed players probably would be welcomed back to organize baseball without having to serve out the rest of their five-year suspensions.

Informed his suspension for "jumping" to the Mexican league in 1942 might be lifted, Mickey Owen, former Brooklyn catcher, said at his home in Willard, Mo.

"I'll be glad to get rid of the stigma of having an outlaw even if I never play again. I'll just sit tight and hope that nothing happens to keep me from being reinstated."

"I've certainly learned my lesson and I'm really not set back into organized baseball," said Big Bill (Shuck) Tanner, 21-year-old fireball right-hander who deserted Montreal of the International League to play for Mexico City.

Jose Paqual, millionaire sportsman and importer, led the raid on American diamond talent in 1944 with sky high-figured contracts. Many players soon quit in disgust, however, with loud complaints about such things as playing field conditions and modes of travel.

Top Track Men Go Into Action Friday Night

Philadelphia, Jan. 22 (AP)— Nearly 700 of the nation's foremost track and field performers, their warm-up tests on the flat Armyory floors completed, go into action tomorrow night on the speedier banked boards in the Philadelphia inquirer's annual meet at Convention Hall.

The athletes go postward in the 90 events for men and three for women. Chief interest however will center in the come-back test of Les McMillen in the mile; the John Borison Memorial 1,000-yard run with New York University's Reggie Pearson the man to beat; the Omering W. Padcock 300 headlined by Williamson's George Ould and Duke's Roger Neighbourgall and the Lawson Robertson two-mile featuring Penna State's nation champion, Curtis Stone.

Big Tackle To Play For Pay

Chapel Hill, Jan. 22 (AP)—The North Carolina Tar Heels will have to fill a 200-pound hole by the time the 1948 football season rolls around. Bill (Bartquake) Smith, hefty tackle from Lexington, N. C., said yesterday he planned to leave school for professional football. Smith, who is on the Chicago Cardinals' draft list, did not name the team with which he expects to play.

American citizens, whether natural born or naturalized, are not subject to the immigration laws.

NOTICE: DISSOLUTION OF CO-PARTNERSHIP

North Carolina
Whereas, at and prior to the death of H. A. Hart, C. B. Garris and H. A. Hart were co-partners, conducting a co-partnership business under the firm name of C. B. Garris and Company, doing a Filling Station and Mercantile business, situated on the West side of the Hardburged Road leading from Ayden to Grifton, N. C. at the junction of the Littlefield Road; and

Whereas, H. A. Hart died during the month of March, 1947, and Sudie P. Hart, widow of H. A. Hart, duly qualified as Administratrix of the estate of H. A. Hart; and whereas Sudie P. Hart, Administratrix of the estate of H. A. Hart, and Edith Gray Johnson and Jesse Kathleen Garris, heirs at law of H. A. Hart have sold to C. B. Garris all of the right, title and interest of the H. A. Hart estate in said co-partnership business of C. B. Garris and Company above referred to; and said C. B. Garris will conduct said business of C. B. Garris and Company and assumes all indebtedness of the former firm of C. B. Garris and Company; and the said C. B. Garris does hereby release and release the estate of H. A. Hart from all indebtedness of the firm of C. B. Garris and Company.

The said Edith Gray Johnson and Jesse Kathleen Garris, heirs at law of H. A. Hart estate do hereby join in this notice for the purpose of giving their consent to the above notice.

This the 19th day of January, 1948.
SUDIE P. HART, Administratrix Estate of H. A. Hart.
EDITH GRAY JOHNSON, Heir at law of H. A. Hart.
JESSE KATHLEEN GARRIS, Heir at law of H. A. Hart.
C. B. GARRIS, Former Partner.

Can't Sit! PIN-WORMS CAUSE FIDGETING AND THAT AWFUL ITCH

One of the annoying signs of Pin-Worms is a nagging rectal itch which often causes bedwetting and broken sleep, and may lead to even more serious diseases. It is no longer necessary to put up with the trouble caused by Pin-Worms, because science has at last found a way to kill these stubborn pests easily and safely. Get JAVIER'S P.W. at the first sign of Pin-Worms. P.W. is a medically sound treatment based on an officially recognized drug element which has proved very effective in dealing with this icky infection. The small P.W. tablets act in a special way to destroy Pin-Worms. P.W. means Pin-Worm relief!

Take Time Out

Richmond, Va., Jan. 22 (AP)—For the second time this week all Southern Conference basketball teams will pass a night of idleness as far as court activity is concerned. The cagers are studying for mid-year examinations.

In the one game played last night South Carolina had little trouble defeating Clemson, 73-54, and taking over fifth place in the circuit standings.

Brooklyn's Grid Team Gets Coach

Brooklyn, Jan. 22 (AP)—Brooklyn's football Dodgers had a new head coach today, Carl Voyles, former mentor at Auburn—and Boss Branch Rickey served notice his boys would be tough in the All-America conference next fall.

"We haven't come into the game to be pushed out," declared Rickey, who recently added the professional grid team to his baseball enterprise.

"We don't have a good team yet. We're out for good players and we'll get them."

Just by way of showing the extent the Dodgers would go, the Brooklyn executive said the club had offered a \$100,000 contract to Charley Conerly, Mississippi's passing ace, and Conerly had turned it down.

"He is going to play with the Giants," Rickey added. "I think he is under a commitment in which he has no choice."

Voyles, who left Auburn at the end of the 1947 season after four years, received a one-year contract as coaching successor to Cliff Battles, who was swept out in the Dodger turnover.

Feller Reported Signing Bonanza Cleveland Pact

Cleveland, Jan. 22 (AP)—Bob Feller started house-hunting today after signing a 1948 contract which Cleveland Indians President Bill Veeck maintained would continue him as baseball's highest paid performer.

As usual, terms of the agreement were not announced, but Veeck said the strikeout king could make as much as last year's \$87,000, and added that "with a phenomenal year he can make a couple of dollars more."

The Tybe president described a "phenomenal year" as a season that would draw about 1,750,000 cash customers.

Feller's base pay is to remain "about the same," a figure estimated at \$40,000, but his bonuses are to begin at a higher attendance mark and cover a wider scale of total paid admissions.

Get Authority To End Service

Raleigh, Jan. 22 (AP)—The Norfolk Southern railroad today had authority to discontinue passenger service entirely.

The railroad yesterday received permission from the North Carolina Utilities Commission and the Virginia State Corporation Commission to discontinue passenger service on its main line from Raleigh to Norfolk.

COACH FOR AUBURN

Auburn, Ala., Jan. 22 (AP)—Auburn's weeks-long search for a head football coach ended today with the naming of Earl M. Brown, Ochsleus College mentor and former Notre Dame star, to the post.

Phantoms In Crucial Tilt

Play Conference Leaders In Kinston Friday Night

Tomorrow night the Phantoms of Greenville High School, currently holding down second spot in the Northeastern Conference standings, travel to Kinston to meet the Red Devils, as yet unbeaten in loop play. The Devils are the only conference team holding a win over the Greens.

In the only meeting of the season between the two clubs, Kinston walked off the court with a 46-29 victory after being held pretty much in check for three quarters. Since that game the Phantoms have met four opponents, winning over Edenton, Tarboro and Roanoke Rapids and losing to the Wilson Cyclones of the AA conference.

If the locals come off with a win in the coming contest, they will be tied with the Red Devils for top sport in the standings.

The zone defense that Greenville has employed in most of its games so far, has worked against every opponent except Wilson and Kinston. With the exception of the two teams just mentioned, the highest score any club has racked up against the Green five has been 43 points with which the Roanoke Rapids Yellow Jackets have been credited.

Glynn Perkins, who was held to nine points against the Red Men, has, since then, been high scorer in every game that the G-Men have been in, getting from 16 points against Edenton to 24 marks against the Tarboro five.

Under the basket "4" George Minchew has been the big gun in the rebound department. In his last game the tall forward tallied 10 points, mostly on follow-up shots.

Bobby Hodges, center for Kinston's quint, who has been the spark-plug for the conference leader, will have to be held in check if the Greens are to come out on top.

He was responsible for 16 of the 46 points that the Kinstonians made when they played in Greenville.

Kiwanis Directors Outline 1948 Plans At Supper Meeting

Nathan C. Brooks, president of the Kiwanis Club, was host at supper at the Airport Inn last night to the officers and directors of the club at the regular monthly meeting. Reports indicated that the club is in a prosperous condition. Plans were outlined for the underprivileged child committee's activities during the year and for the annual minstrel, which will be held earlier this year. Tom Wilson, director, will entertain in the officers and directors in February.

In addition to President Brooks other officers are Arthur Tripp, vice-president; David C. Moore, Jr., secretary and treasurer; Eli Bloom, immediate past president. Directors are J. Arthur Collins, Tige Gardner, Milo H. Smith, Tom Wilson, W. H. Woolard, Dr. Melvin P. Hoot, Wyatt

Design Program To Integrate Teachers' Work

Four teachers of the Greenville High School gave a panel discussion on student-teaching on Tuesday evening before the faculty of East Carolina Teachers College. This was the second of a series of programs at which greater integration between work at the college and in the public schools as regards the training of teachers was discussed. Staff members of the Training School on the campus presented a program on work in the lower grades at a meeting of the college faculty held in the fall.

O. E. Dowd, principal of the city high school here, who acted as chairman of the panel on last Tuesday, outlined the aims and objectives of a program for student teachers. Others taking part were Albee Strawn, who talked on the values of a guidance program; Mrs. P. W. Picklesimer, whose topic was "The Place of Culture in the Student-Teaching Program"; and Fran-

ces Lamm, who suggested changes in curricula.

President John D. Messick of the college acted as chairman at an informal forum which followed the main speeches and in which members of the college and the high school faculties took part.

More Openings For Duty In 'Stateside' Third Army Posts

A new list of openings for enlistment and direct assignment to units stationed in the Third Army Area has been received by the local U.S. Army and U.S. Air Force Recruiting Sub-Station according to a state-

ment issued today by 1st Lt. George C. Billebury, sub-station commander.

The new list includes over 225 direct assignments to Third Army units at practically all posts, camps, and stations in the Third Army Area. These openings are in the Infantry, Airborne Infantry, Ordnance, Medical Corps, Field Artillery, Signal Corps, Armored Force, Army Service Units, and the 266th Army Band. Most of the openings are at Fort Jackson, Fort Bragg, Fort Benning and Fort McPherson, but some are at the Atlanta Ordnance Depot, Charleston Ordnance Depot, Huntsville Arsenal, Camp Hood, Texas, and Fort Bliss of Texas and Bill of Oklahoma. The latter three are not in the Third Army Area.

These assignments are open to former servicemen only, and are for a wide variety of military occupational specialties.

UMT IN SWITZERLAND IN 24 DAYS SERVICE

Born (AP)— Barring conflict, 1948 compulsory military service in Switzerland will reach a maximum of 24 days per man, the federal council has announced. The council

is stressing air defense. Men are assigned to air-defense units and take 30-day refresher courses.

ON RECEIVING THE NASH 10 POINT AWARD

NASH MOTORS is proud to announce the award of the Nash 10 Point Select Dealer Plaque to this outstanding dealer.

To qualify for this award requires meeting 10 standards which are the highest in the industry today—encompassing every phase of a dealer's service to his customer—sales, service, financial responsibility, business methods and the other qualifications described below.

We invite you to take advantage of these outstanding facilities. Visit their modern service department staffed with factory-trained mechanics.

And in their luxurious showroom, see the outstanding new automobiles of the year—the sensational Nash "600" and the distinguished Nash Ambassador.

You must see the Nash "600" to realize how far into the future this big car takes you today with economy that means 25 to 30 miles on a gallon at moderate highway speed . . . girder-strong unitized body and frame . . . no squeaks, no rattles.

Only Nash offers such headline developments as the Nash Weather Eye Conditioned Air System and the Convertible Double Bed—an added feature.

Drop in and get acquainted with your Nash 10 Point Select Dealer. You'll agree with us they are fine people who do fine work.

THESE 10 POINTS OF ACHIEVEMENT MEAN YOU'LL ENJOY THE FINEST SERVICE AVAILABLE ANYWHERE

- CAPITAL**—Strong financial standing is proof that this outstanding dealership is a sound business organization—ready to meet your automotive requirements today and in the tomorrows to come.
- FLOOR SPACE**—You'll find adequate floor space for your comfort in all departments—new cars, used cars, service, parts and accessories.
- LOCATION**—Located for your convenience . . . easily accessible from all sections of the city.
- IDENTIFICATION**—The approved Nash sign identifies this dealership as the home of fine cars and friendly service. Look for the distinctive Nash sign.
- APPEARANCE**—From the very first glance you'll like the looks of this progressive dealership. It's light, clean, attractive—a place you'll be happy to visit.
- SERVICE**—Bring your car in for any service you need. Here are factory-trained mechanics, modern tools and equipment to provide fast, thorough work on everything from a minor adjustment to a major overhaul on any make car.
- PARTS**—This is your parts headquarters. Complete stocks of factory-built and factory-approved parts and accessories are carried for all Nash models.
- NEW CAR SHOWROOM**—Examine the new Nash "600" and the new Nash Ambassador in the spacious showroom. It's large enough to avoid overcrowding . . . especially designed to permit you to examine these fine cars from every angle.
- USED CAR DISPLAY FACILITIES**—You'll likely find the used car you want at this Nash dealer . . . a good, clean car that will give you many miles of driving pleasure. And you can look it over in comfort in the attractive used car department.
- ACCOUNTING**—All business transactions are properly recorded in the Nash Standard Accounting System. This means not only that the Accounting Department is modern and well organized, but that all transactions with customers will be handled in a businesslike way.

YOU'LL BE AHEAD WITH Nash

Lewis Vividly Rejects Krug's Advisory Offer

Washington, Jan. 22—(AP)—John L. Lewis today turned down an invitation from Secretary of Interior J. A. Krug to serve on a coal industry advisory council. He tossed some stiff verbal punches at Krug in doing so.

The United Mine Workers' boss told Krug in a letter rejecting the invitation:

"I can conceive of nothing more anemic or futile than a coal industry advisory council attempting to give private advice to you.

"You have had such a committee to advise you on oil, and it is to

be fervently hoped that the consumers of coal will be spared the present unhappy fate of the consumers of oil."

Lewis and Krug have been feuding since the coal strike of November, 1946, when Krug and President Truman obtained a court order against a miners' walkout. In the wind-up of that, the UMW was fined \$700,000 for contempt of court and Lewis personally was fined \$10,000.

Krug's invitation for Lewis to serve on a coal advisory council and Lewis' reaction were disclosed when the UMW made public their exchange of correspondence.

"DRONE" CRASHES

Norfolk, Va., Jan. 22—(AP)—A Navy drone, or radio-controlled plane, crashed today in the Atlantic Ocean "close ashore" off Dam Neck, south of Virginia Beach. Coast Guard headquarters reported this afternoon.

Leaf Quotas Are Still Undecided; New Talks Soon

Washington, Jan. 22—(AP)—Whether or not the government will raise its quotas for planting of flue-cured tobacco this year is a subject of varied opinion among congressmen from the tobacco states.

Tobacco state congressmen conferred yesterday with officials of the Agriculture Department on possibilities of changing the announced 28 percent acreage reduction for this year. More discussion is planned between now and March 1, the deadline for any changes in the government order.

Officials of the Agriculture Department indicated there is little chance that farmers will be permitted to plant more than the estimated 910,000 acres allotted for 1948 flue-cured production. North Carolina Senators Umstead and Hoey each expressed the belief that a less drastic reduction in acreage is possible.

Rep. Kerr of North Carolina, however, predicted that many warehousemen and producers would be opposed to any change in the 28 percent acreage reduction order, and that a boost in tobacco production would increase the surplus to a dangerous extent.

Charles Gage, director of the Agriculture Department's Tobacco Section, said that the outlook for exports now is darker than it was last November, and pointed out that the government now has 290,000,000 pounds of flue-cured tobacco from the crops of the past two years combined.

North Carolina Senators Umstead and Hoey each expressed the belief that a less drastic reduction in acreage is possible.

Rep. Kerr of North Carolina, however, predicted that many warehousemen and producers would be opposed to any change in the 28 percent acreage reduction order, and that a boost in tobacco production would increase the surplus to a dangerous extent.

Charles Gage, director of the Agriculture Department's Tobacco Section, said that the outlook for exports now is darker than it was last November, and pointed out that the government now has 290,000,000 pounds of flue-cured tobacco from the crops of the past two years combined.

Cases Tried In Superior Court On Wednesday

By CHESTER WALSH

Numerous cases were disposed of at the afternoon session of Superior Court yesterday. Judge John J. Burney adjourned court until Friday morning.

Lugens Estella Alexander, colored, larceny, not proved with leave.

Howard Edwards, colored, attempting to break and enter, pleaded guilty to trespass, prayer for judgment continued for two years on condition that he pay court costs and be of good behavior.

John Thomas Moore, breaking jail, prayer for judgment continued for a year on condition of good behavior.

Robert C. Ward, breaking, entering and larceny, three charges, was given two years on the roads on each of two counts, and one year on the third charge, the one year to be served concurrently with the other two. James E. Forrest, breaking, entering and larceny, three charges, one year in each of the first two charges, one year on the third, the third year to be served concurrently. The court observed that the two defendants are under 21 and have good records.

D. R. Jones, forgery, two to three years in State prison.

A capias was issued for Hubert Wainwright, charged with driving while drunk, when he was called and failed to answer. A capias was also issued for Oren Tyson, charged with reckless driving, when he was called and failed to answer.

Nims Scott was not guilty of embezzlement.

In the case of Allen Holland, embezzlement, the sentence was changed from three years in State Prison to one year on the roads. He was ordered to turn over to Harvey Bowen a Ford car, \$600 in cash and to pay the balance of \$2,180 at the rate of \$200 a year and to report to each January term of Superior Court until the full amount is paid.

Poultry and Eggs

Raleigh, Jan. 22—(AP)—(NCDA)—Raleigh eggs steady. A large 55; live poultry: Demand for fryers slow, market about steady at 38.

Grain Market

Chicago, Jan. 22—(AP)—Grains encountered heavy liquidation at times on the board of trade today and prices dropped several cents. Most losses were recorded during the forenoon, after which the market held steady but was unable to show sustained rallying power.

Wheat closed 1/4 to 4 cents lower, May \$2.97 1/2, corn was unchanged to 1/4 lower, May \$2.87 1/2, oats were 1/4-2/4 lower, May \$1.28-1.27 1/2, and soybeans were unchanged to 1/4 cent lower March \$4.22.

N.Y. Cotton

New York, Jan. 22—(AP)—Cotton futures opened 90 cents a bale higher to 20 cents lower.

Noon prices were 80 cents to \$1.15 a bale lower than the previous close. March 34.43, May 34.51 and July 33.99.

Futures closed 85 cents to \$1.80 a bale higher than the previous close.

Open	Last	Prev. Cl.
March	34.65	34.94
May	34.70	34.97
July	34.15	34.35
Oct.	31.50	31.75
Dec.	31.20	31.35
March	31.09	31.22

Middling spot 35.79, up 26.

N.Y. Stock Market

New York, Jan. 22—(AP)—Selling dried up to a certain extent in today's stock market with assorted rails and industrials attracting bids, but leaders generally continued their retreat. Transfers ran to around 1,100,000 shares.

Alterations For Carrier 'Midway'

Washington, Jan. 22—(AP)—Vice Admiral Earle W. Mills said today the Navy is pulling its 45,000-ton aircraft carrier Midway out of the Mediterranean for "extensive alterations."

The Midway has been the most powerful war vessel in this sea bordering international trouble spots of the Middle East. It has visited waters "about Greece where the United States is helping the Athens government combat Communist aggression along her borders facing the Soviet zone of influence.

Hog Market

Raleigh, Jan. 22—(AP)—(NCDA)—Hog markets slightly stronger. Top of \$32.50 at Fayetteville and Florence; \$25.25 at Rocky Mount, Clinton, Warsaw, Lumberton and Chadbourn; \$25.00 at Greenville, Smithfield, Mt. Olive, Goldsboro, Washington and Pantego.

Development of sleeping sickness in French Equatorial Africa is believed to have killed six million people in eight years.

Petroleum Board Assembles Today On Fuel Study

Washington, Jan. 22—(AP)—The National Petroleum Council assembled today to explore means for the oil industry to share scarce supplies without running into anti-trust regulations.

The council, composed of 85 leaders in the petroleum industry acting as advisers to the Interior Department, also awaited committee reports on:

1. What the European aid program might do to U.S. oil supplies.
2. What effect a curtailment of gasoline production to increase the winter output of heating oil might have on gasoline supplies next summer.

Max W. Ball, director of the Interior Department's Oil and Gas Division, called the one-day closed session.

Hagana Tells Of Another Attack

Jerusalem, Jan. 22—(AP)—Hagana, Jewish militia, said it attacked the Arab village of Yazur and killed 13 Arabs today after seven Jewish settlement police were slain at a roadblock at the edge of town.

Yazur is about five miles south of Tel Aviv on the main road to Jerusalem. Officials confirmed the Hagana report that seven Jewish settlement police were shot and killed to death and said four others were wounded there. They reported only three of the Arab attackers killed.

Guadalcanal War Dead Exhumed

Honolulu, Jan. 22—(AP)—All American war dead who fell in Guadalcanal's bloody jungle fighting have been exhumed, the army announced as its transport cardinal O'Connell arrived yesterday with 3,358 bodies from Guadalcanal and Australian cemeteries.

The O'Connell will sail for San Francisco about February 3, carrying 2,183 of its southwest Pacific dead plus 723 brought here earlier from other areas.

MANY NEVER SUSPECT CAUSE OF BACKACHES

This Old Treatment Often Brings Happy Relief

When disorder of kidney function permits poisonous matter to remain in your blood, it may cause nagging backache, rheumatic pains, leg pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, headaches and dizziness. Frequent uric acid passages with smarting and burning sometimes shows there is something wrong with your kidneys or bladder.

Don't wait! Ask your druggist for Doan's Pills, a stimulant diuretic, used successfully by millions for over 50 years. Doan's gives happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.

WE YOUR LOCAL CHEVROLET DEALER

and every other Chevrolet dealer in America—are both proud and happy to make the following report to buyers and prospective buyers of Chevrolet products:

Again in 1947, Chevrolet built and sold more cars and more trucks than any other maker in the industry, just as Chevrolet has built and sold more cars and more trucks than any other maker for the total seventeen-year period, dating from January, 1931 to January, 1948—the modern period of motor car history.

Naturally, we as well as the Chevrolet Motor Division of General Motors are deeply grateful for America's outpouring preference for Chevrolet passenger cars and trucks and we are determined to do everything in our power to continue to deserve this preference in the future as in the past.

We want to thank each and every person in this community for his friendship and goodwill for this organization. We solicit and appreciate your patronage. We are doing our level best to prove that, by filling orders for new Chevrolets just as promptly as we can—even under today's trying conditions—and we are deeply and doubly appreciative of the patience and understanding of all our customers who are awaiting deliveries of new Chevrolets.

Needless to say, you buy wisely when you buy the product of the world's largest producers of cars and trucks, for that is the way to maximum dollar value! Rest assured that we'll fill your order for a new Chevrolet just as soon as it is humanly possible to do so. Meanwhile, please let us help to keep your present car or truck in good running condition by bringing it to us for skilled service, now and at regular intervals.

WE YOUR LOCAL CHEVROLET DEALER and every other Chevrolet dealer in America—are both proud and happy to make the following report to buyers and prospective buyers of Chevrolet products:

Again in 1947, Chevrolet built and sold more cars and more trucks than any other maker in the industry, just as Chevrolet has built and sold more cars and more trucks than any other maker for the total seventeen-year period, dating from January, 1931 to January, 1948—the modern period of motor car history.

Naturally, we as well as the Chevrolet Motor Division of General Motors are deeply grateful for America's outpouring preference for Chevrolet passenger cars and trucks and we are determined to do everything in our power to continue to deserve this preference in the future as in the past.

We want to thank each and every person in this community for his friendship and goodwill for this organization. We solicit and appreciate your patronage. We are doing our level best to prove that, by filling orders for new Chevrolets just as promptly as we can—even under today's trying conditions—and we are deeply and doubly appreciative of the patience and understanding of all our customers who are awaiting deliveries of new Chevrolets.

Needless to say, you buy wisely when you buy the product of the world's largest producers of cars and trucks, for that is the way to maximum dollar value! Rest assured that we'll fill your order for a new Chevrolet just as soon as it is humanly possible to do so. Meanwhile, please let us help to keep your present car or truck in good running condition by bringing it to us for skilled service, now and at regular intervals.

of the Dardanelles.

Later, in a note sent to Berlin from Moscow by German Ambassador Count Von Der Schulenburg, Molotov offered to conclude such a pact provided a wider Soviet sphere was guaranteed.

Hitler's government never replied to these proposals. Instead, documents from the German secret files showed that on Dec. 18, 1940, Hitler ordered his armies to prepare "to crush Soviet Russia in a quick campaign even before the conclusion of the war against England."

One of the sources of conflict which eventually seems to have brought Hitler's decision to attack Russia was the issue of who was to dominate the Balkans.

Nevertheless he emphasized British eagerness to cooperate with the Soviets, saying:

"It is madness to think of anything else if we are ever going to have peace.

"But the British government cannot agree to four-power cooperation while one of those four powers continues to impose its political and economic system on the smaller states."
