Truman Calls Liberal Forces To Join Democratic Fight

Jefferson - Jackson Day Speech Ignores Challenge In South; Lumps Opponents As Forces Of 'Reactionary Conservatism'; No Compromise By Southerners

Washington, Feb. 20—(AP)—President Truman headed into the 1948 campaign today with a call for the common people to rally around in a battle against "the privileged few."

"This is a year of challenge," Mr. Truman told Democratic party members last night. "I propose that we meet that challenge head on."

In a 30-minute Jefferson-Jackson Day speech the President never did refer directly to the challenge he faces from angry Southerners in his own party.

Nor did he mention directly the threat to Democratic Presidential chances offered by Henry A. Wallace's third party.

But he spoke highly of Thomas Jefferson's attacks against "laws that restricted citizenship." And he said the Democratic party still believes in protecting the rights of "all the groups and individuals in our nation."

Before him as he spoke were a dozen empty seats—paid for and left pointedly empty by Southerners protesting his civil rights program.

Mr. Truman lumped opponents of his legislative program together as the forces of "reactionary conservatism."

He described those who stand against his proposals for improving social security, justice, production, education and housing as "defeatists," "backward-looking" and "men of small vision and faint hearts."

He said the Democrats offer a "parcel of progressive liberalism" and "progressive liberals will rally to the Democratic party."

"They know," he said, "that the Democratic party is their best fighting force for the triumph of worthy goals."

But while the President was making his confident speech the southern revolt within his own party got hotter still.

Senator Byrd (D-Va.) urged in a speech at Richmond that Mr. Truman's civil rights commission had urged a "mass invasion of states' rights."

Southern Congressmen from at least three states called a conference today to organize against the anti-lynch, anti-poll tax and no-color-line proposals.

Rep. Colmer (D-Miss.) predicted about a dozen would attend. A resolution opposing the President's program was ready for adoption.

The group planned to work with Southern Governors in the protest. Senator McCarth of Rhode Island, Democratic National Chairman, told a reporter he will see Governors of five southern states on the matter Monday. He listed the chief executives of South Carolina, Texas, Arkansas, Virginia and Maryland.

Whatever they have to report, McCarth said, will be passed along to Mr. Truman. He promised nothing further.

The President talked twice last night—first impromptu to one session of the Jefferson-Jackson dinner at the Statler hotel and then in a prepared address to the second at the Mayflower.

Directs Drive

LOUIS S. FICKLEN Plans for the 1948 fund raising campaign of the Pitt County Chapter of the American Red Cross which will be held March 8th through March 13th were announced today by John G. Fleming, Pitt County Chapter chairman. Pitt County's quota is set at \$11,119.

Louis Stuart Ficklen, secretary-treasurer of E. B. Ficklen Tobacco Company, member of the board of directors of the Greenville Chamber of Commerce and senior warden of St. Paul's Episcopal Church, will be general chairman of the fund raising campaign.

He described those who stand against his proposals for improving social security, justice, production, education and housing as "defeatists," "backward-looking" and "men of small vision and faint hearts."

He said the Democrats offer a "parcel of progressive liberalism" and "progressive liberals will rally to the Democratic party."

"They know," he said, "that the Democratic party is their best fighting force for the triumph of worthy goals."

But while the President was making his confident speech the southern revolt within his own party got hotter still.

Senator Byrd (D-Va.) urged in a speech at Richmond that Mr. Truman's civil rights commission had urged a "mass invasion of states' rights."

Southern Congressmen from at least three states called a conference today to organize against the anti-lynch, anti-poll tax and no-color-line proposals.

Western Powers Aligned Against Heavy Demands

Insist Austrian Reparations Be Within Country's Ability To Pay

London, Feb. 20—(AP)—The three western powers insisted separately today that big four demands in Austria be kept within the country's ability to pay.

The United States, Great Britain and France made their positions plain at a meeting of deputy foreign ministers. They were seeking, with Russia, a peace formula for the landlocked republic freed from Hitler's Germany.

The deputies sat for two hours trying to sound out each other. American observers said Russia offered no statement on the western powers plan to guard Austrian economy against excessive demands.

Russia has shared payment of \$200,000,000, a big share of Austria's oil and virtual control of shipping on the Danube as her price of settlement.

The informants report that U. S. and British delegates are ready to buck the Soviet demand that Austria pay Russia \$200,000,000 in two years in partial settlement of Soviet claims on former German assets.

These delegates, the informants say, think the bill is too big and the time to pay it too short. They haven't made a counter suggestion.

The French have proposed a two-year plan and then payment of \$100,000,000 in five years.

Diplomatic sources say the Americans and British also have decided to oppose any Soviet try to get extraterritorial rights in Austria by taking over property there and to demand that Russia withdraw her troops from Austria before any treaty is signed. The other three powers also have military personnel in Austria.

Provided Austria is rid of Russian economic control and Russian soldiers, the U. S. is said to be prepared to go a considerable way toward granting Russia's demand for two-thirds of Austria's current oil output and prospecting rights in two-thirds of the undeveloped oil areas.

Chairman Eaton (R-NJ) asked Secretary of State Marshall how to go about bringing MacArthur back from Tokyo.

The Secretary said he did not know whether the request should go to the President or to the Secretary of the Army. MacArthur comes under the Army department.

Eaton then asked Marshall whether he thought the committee should seek MacArthur's advice in person. He put the question this way:

"Do you think we need so big a gun to fire so small a shot?" Marshall said he would prefer "not to express an opinion."

Marshall came before the committee to talk about the proposed \$570,000,000 Chinese aid program.

Marshall had a prepared statement in which he discussed one question Congress members have been raising. This is why does not the aid program call for giving China weapons to use against Communist.

Bonner said he would staunchly support the Southern congressmen in their battle to prevent the Democratic party from including in its 1948 platform the civil rights proposal of the President. Among other things Truman's program includes legislative plans to outlaw anti-lynching laws, and poll tax laws and anti-segregation laws.

STRAINER IN TOWN Philadelphia, Feb. 20—(AP)—There's a 'coon up a tree not a dozen blocks from city hall today.

Residents in the neighborhood called police to bring him down. The tree's too high, the 'coon's too shy, but police hope he'll come down in the sweet by and by.

Czechs In Soviet Net

Parliament Trying To Write New Constitution, But Circumstances Vastly Different From When First Was Written 25 Years Ago; A Real Fight For Life

By DEWITT MacKENZIE

Come February 29th and it will be just 28 years since the constitution of the brand-new republic of Czechoslovakia was adopted by the National Assembly in Prague amidst great rejoicing.

A short time later your correspondent spent several weeks there, and had the honor of being entertained by the president, Dr. Thomas Masaryk, father of his country, in the fine old castle which housed the chief executive. The whole land was proud and happy in its nationhood—for the people are one of the most intensely independent of the freedom-loving folk of Eastern Europe.

Today the little state is caught in the Red net which has been swung about Eastern Europe. Its Parliament is trying to frame a new constitution before another general election is held—but things move slowly and grimly. The Communists hold 38 per cent of the seats in the legislature, and until recently had a working strength of 52 per cent because the Social Dem-

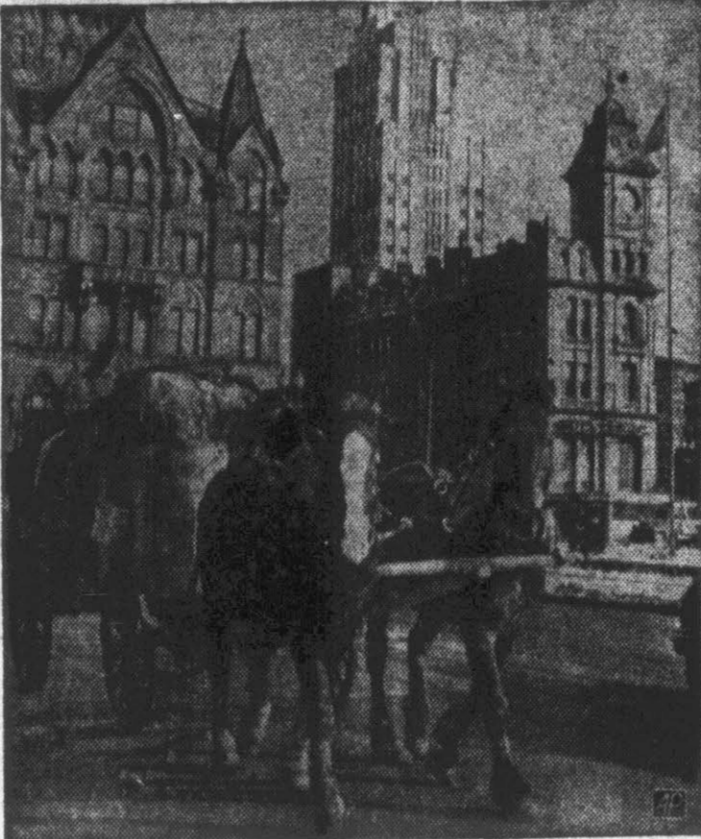

ocrats had been going along with them. Lately, however, the Social Democrats have been lining up more and more with the anti-Communist parties.

The Reds are aiming at a clean-cut majority in the new election without question. A bitter fight is on, and no date has been set for the voting. Charges and counter-charges are being flung back and forth between the Bolsheviks and their opponents.

The Communists claim the right wing parties are plotting a revolution before the election. The right wingers retort that the Reds are trying to do away with Parliament and are using the security police as political servants.

What all this adds up to is that we are witnessing Czechoslovakia's Armageddon as she battles for her independence and her way of life. Thus far Moscow hasn't seen fit to apply the screws to Czechoslovakia in the way she has to some other countries which have been brought (Continued on Page Five)

Arkansas Ho! — In Covered Wagon

Mrs. Arthur Lamear passes through Syracuse, N. Y., in her horse-drawn covered wagon on 1,500-mile overland journey from Bethel, Vermont, to Clarksville, Ark. In the wagon are 11 goats for use in stocking a goat farm she plans to establish in Arkansas. (AP Wire-photo).

Congressmen To Fight Program

Legislators Of 11 Southern States Unite Against Truman

Washington, Feb. 20—(AP)—About fifty Democratic Congressmen from 11 Southern States formally declared war today on President Truman's civil rights program.

They met and adopted a resolution pledging "co-operation" with Southern Governors opposing the President's program for anti-lynch, anti-poll tax and anti-segregation legislation.

Rep. Colmer of Mississippi, chairman of the group, said a resolution of opposition to the President's program was adopted.

The Southern met behind closed doors of the House Banking Committee room.

These states were represented: Georgia, Florida, Alabama, Tennessee, Mississippi, Arkansas, Texas, Louisiana, North Carolina, South Carolina and Virginia.

But not the entire membership of each delegation was present. For example, only Rep. Smith was there from Virginia.

The group authorized Colmer to appoint a committee representing (Continued on Page Eight)

Cold Wave Fans Out; Seaboard And Gulf Hit

Chicago, Feb. 20—(AP)—The cold wave which raced across the middle west last night fanned out over the Atlantic seaboard and Gulf states today.

Temperatures below freezing were forecast for tonight as far south as northern sections of Alabama, Mississippi and Louisiana. Forecaster J. M. Porter said Florida appeared to be the only state which would escape the chill blast.

Midnight temperatures of 50 at Boston, 55 at New York and 60 generally along the Atlantic seaboard outward were due to tumble sharply with the arrival of the fast-moving icy blast today. A warning of temperatures around zero was posted for the northern New England area.

'Progressives' Endorse Taylor

Greensboro, N. C., Feb. 20—(AP)—The executive committee of the Progressive party of North Carolina here today unanimously endorsed Senator Glenn Taylor (D-Idaho) as vice presidential candidate on the third party ticket headed by Henry Wallace.

Mary Price, state chairman of the new Progressive party, said Taylor has been notified of the committee's action.

The Idaho Democrat has been prominently mentioned as Wallace's running mate.

Reflector Subscription Rate Will Increase March First

Subscribers Will Be Permitted To Renew At Present Rates Between Now And That Date

Beginning March 1 the subscription price for The Daily Reflector will increase to \$8.00 per year for all paid in advance mail subscriptions and subscriptions within the city of Greenville. The present 20 cents per week carrier delivery price will not be affected at this time by the increase. The privilege of renewing for one year at the present rate is extended all subscribers until the new rate goes into effect March 1.

The rate increase is necessary because of greatly increased production costs in every department of the newspaper together with the addition of new features and wider news coverage. The overall increased costs of producing the newspaper are far greater in proportion than the proposed increase in subscription rates but it is the desire of the management to hold subscription prices to the minimum in order to make the paper available to every income group in Pitt County.

Under the new schedule of rates a year's subscription will be \$8.00; six months, \$4.25; three months \$2.25.

Chief Executive Spells Out Progress Of United Nations

Asserts Russia Openly Forming Gov't In Korea

U.S. Military Source Says Soviets Prepared To Challenge UN Moves

Seoul, Feb. 20—(AP)—A high U. S. military authority said today that the Russians are openly forming a Communist government in North Korea "aimed directly at the United Nations."

"This throws down the gauntlet to the United Nations and indicates the Soviets are prepared to declare a government in North Korea before the United Nations can complete any action here," said the official, who didn't wish to be named.

He was interviewed about a statement by Chairman K. P. S. Menon of the U. N. commission on Korea. Menon said at Lake Success that a news story about a Russian puppet government in North Korea "appears to have caused misunderstanding." The regime "was established before the U. N. commission was thought of and it could not have been set up to render the U. N. impotent," he said.

However, the U. S. military source called attention today to the Feb. 9 broadcast from Pyongyang, Russian occupation headquarters. The radio described establishment of a peoples army, promulgation of a constitution and creation of a flag with a Red Star, hammers and sickles.

The source is the same as that for the Associated Press story Feb. 16, in which he reported the developments in North Korea.

"The Pyongyang radio broadcast 'put the Soviets so far out on a limb they can't get back,' the official said.

Details of the constitution were broadcast from Pyongyang twice on Feb. 10. On Feb. 12, the radio said the North Korean labor party was organizing constituent discussion groups. The document is to be acted upon in the North Korean people's council in mid-March, it added.

"It will be approved, all right," said the American source. "There's no doubt about that. When it is, that will be the completion of a Communist government for North Korea. The rest of the world should know what's going on in North Korea."

Catch Fugitives From N. C. Law

Bainbridge, Ga., Feb. 20—(AP)—Deputy Sheriff R. A. Stephens today reported capture of two fugitives from the North Carolina state prison who were sought in connection with the shooting of a Chattahoochee, Fla., policeman yesterday.

Stephens said the men were captured without a struggle on the outskirts of Bainbridge. The two, one armed, had hitched a ride on a logging truck.

Florida State Attorney W. D. Hopkins identified them as C. E. Scott, 25, and Lawrence L. Pennington, 28.

Harry Bridges Given Ultimatum

Washington, Feb. 20—(AP)—The CIO has ordered Harry Bridges either to disavow Henry Wallace's third party or quit as CIO regional director for northern California, it was learned today.

Bridges is one of the CIO's top leaders on the West Coast. He is president of the International Longshoremen's and Warehousemen's Union.

He recently led a losing fight in the CIO executive council against CIO adoption of a policy opposing Wallace's third-party bid for president and favoring the Marshall Plan for European recovery.

One's Own Problems

This Columnist, Writing On Things That Worry People, Has Learned An Old Truth; A Man's Own Problem Is Bigger Than Anybody's; Examples In His Experience

By JAMES MARLOW

Washington, Feb. 20—(AP)—A man's own problem is mighty big—to him. Bigger than anybody's.

You'd find that out if you wrote for newspapers on things that worry people, like rents or salaries.

You can be meek and mild, writing quiet little pieces, and looking neither to left nor right. . . .

And whom? Sure enough, somebody thinks you're trying to cut his throat or pick his pocket.

The letters come. . . . Here's a gent who wants to knock your ears off. . . . A landlady thinks you're against her and all the landlords.

And you learn a lot from the letters, like relatives you didn't know you had, or the shape of your head.

For example, take salaries. . . . This writer did a piece a few weeks ago on the tough time the government has in trying to keep top-notch men in its service.

The reason: Top pay for most government executives is \$10,000 a year. Many first class men have quit for better pay in private business.

So, the story said, Secretary of Agriculture Anderson told congress-

He Gives Up His U. S. Citizenship

U. S. Military Government officials at Frankfurt, Germany, say Henry Noel (above), 27, former Harvard university student from Princeton, N. J., has renounced his American citizenship to live as a laborer in Germany. He explained he did not believe in citizenship in any one nation but preferred to be a citizen of the entire world. (AP Wirephoto).

Predict Stoppag Law Extension

Senators Believe Further Study Of New Rent Bill Needed

Washington, Feb. 20—(AP)—Senators Flanders (R-Vt.) and Bricker (R-Ohio) predicted today the Senate will vote for a one-year stopgap extension of the present rent control law.

They made this forecast as the Senate called up for debate a bill to continue controls 14 months beyond February 29 with some changes.

The House banking committee already has approved extending the existing law through March. The House itself will vote on this measure next week.

Flanders and Bricker are members of the Senate banking committee which wrote the 14-month bill. Both voted for it, although Bricker says he did so reluctantly.

The O'Leary told a reporter he prefers a month's extension so Congress can take another look at economic conditions before deciding about continuing controls for a longer period.

"Besides, I don't think much of the Senate committee's bill," Bricker said.

He added he is thinking about offering amendments to put back in the bill two provisions knocked out in committee.

One would end rent controls in (Continued on Page Eight)

President Leaves Today For Puerto Rican Visit

Washington, Feb. 20—(AP)—President Truman left by plane at 10:33 a. m. (EST) today on a 15-day trip to Florida, Puerto Rico, the Virgin Islands and Cuba.

His first stop is the Boca Chica Airport near the Key West, Fla., submarine base where he will spend the night. The flight was expected to take about four hours.

row with Puerto Rico's first native-born governor—Jesus T. Pinero—and on Sunday with William H. Hastie, Negro governor of the Virgin Islands.

Both the governors are Mr. Truman's personal appointees. Hastie formerly was dean of the Howard University law school in Washington.

Three Negro reporters were included in the group of newsmen accredited to cover the President's trip from Washington. This was the first assignment of Negroes to a presidential trip of this nature.

The "Sacred Cow" is being used for the trip.

The President's never and faster plane, the "Independence," is undergoing structural changes.

A new pilot, Lt. Col. Francis (French) Williams, took over controls of the "Sacred Cow" for the first time with the President as a passenger.

The President's former pilot, Lt. Col. Henry T. (Hank) Myers, was invited along for the ride and to give his successor a few more pointers.

Myers is leaving the Army soon to take his old job as a pilot for the American Airlines.

Asks Returns Be Filed For Drive

L. E. Murray, of Greensboro, chairman of the Pitt County March of Dimes campaign, today requested that all supporters of the drive who have not yet turned in their collections, do so at their earliest opportunity so that a final report can be made.

Mr. Murray said these returns should be submitted to J. W. Owsen, of the Guaranty Bank and Trust Co.

Administration Seeks Cut GI-Training Costs

Washington, Feb. 20—(AP)—The Administration called today for a \$200,000,000 (M) cut in GI training-for-fun.

The budget bureau asked Congress to rewrite the so-called GI bill of Rights to let the Government weed out hobby-seeking veterans.

A report to the lawmakers pointed critically to courses in such things as flying, dancing, music, photography and horsemanship training by mail.

The GI Bill allows veterans to go to school or take special training at federal expense. Some 4,500,000 have taken advantage of the measure.

President Truman first called for a restudy of the law in his budget message to Congress last month.

Today's budget bureau report was sent to chairman Rogers (R-Mass) of the House Veterans Affairs Committee.

Among "certain weaknesses and deficiencies" in the veteran training program, it listed these:

1. More than 90 per cent of all GI flight training "serves no occupational purpose" and has "no appreciable value" for national defense, although it costs \$257,000,000 (M) a year for the 118,400 enrolled.

2. Schools offering social and ballroom dancing to the "several thousand" veterans enrolled at a cost of more than \$400 each "have frankly stressed" in many instances "the recreational or social aspects." An advertisement was cited. It offered "in a few magic hours" to make veterans "the darling of the stagline."

3. A survey of photography training courses shows them of "little or no value for truly vocational purposes." In one city where job opportunities in the field were "virtually non-existent," 280 veterans

'STUDENTS FOR WALLACE' New York, Feb. 20—(AP)—A national "students-for-Wallace" committee has been formed with the aim of bringing "to the polls the 1,250,000 students eligible to vote in '48."

40 Years Ago Today

THE DAILY REFLECTOR
February 20, 1908

The river and the moon are both full.

The board of aldermen met in response to call Wednesday night, for purpose of purchasing paving brick and considering the relative merits of Dickinson avenue and Evans street, as to which should be paved. Assurance was given on good authority that a substantial amount would be contributed should the Forbestown route be decided on.

Athenium Book Club Meeting
Mrs. J. B. Cummings was hostess to the members of the Athenium Book Club on Tuesday at a delightful luncheon meeting at her home on East Third Street.

Mrs. Cummings introduced her speaker, Mrs. E. W. Harvey, who gave a most enjoyable and entertaining talk on "Milady's Styles, Past and Present." To add emphasis to the speaker's subject Mrs. W. L. Harrington modeled the wedding attire of her mother. As she did a "Gypsy Rose Lee," the club members were astounded at the number of garments that were required for proper dress just a generation ago. Comparing the styles of the early part of the century with the present "new look" Mrs. Harvey revealed that this year's wardrobe would include many pieces of apparel and accessories that passed into the discard decades ago.

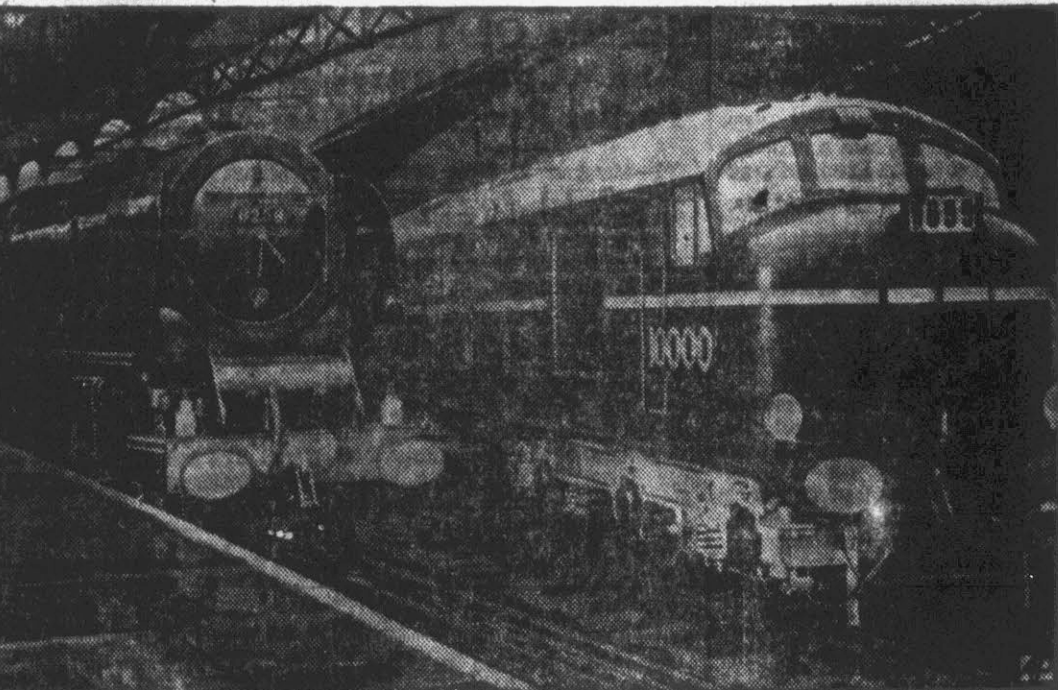

In the absence of the president, Mrs. J. Knott Proctor presided over a short business session at which time members answered the roll call with current events. Books were exchanged and a motion was made for adjournment.—Reported.

DRUMMER BOY — Jon Oden, 2, bangs drum and Birger Hellsroin of ship's band plays as boy arrived in New York aboard the Drottningholm from visiting grandparents in Sweden.

WINTER IN MORAVIA — Scene from grounds of Spielberg park looking across deep snow to St. Peter's church spires in center of the Moravian capital of Brunná, Czechoslovakia.

OLD AND NEW — A railroad steam engine (left) stands at Darby, England, beside No. 10,000, the first diesel-electric locomotive built for high speed service in Britain.

Design Easter Hats To Dispel New Look's 'Aging Effect'

By FLORENCE MILLS

Paris—Easter bonnets this spring are going to be enchanting contraptions of straw and frippery especially created by Paris hat designers to dispel the rather aging effect of the "new look" dresses.

They can be worn with ease by older women and at the same time they will make the young look youthful to an extreme.

Many of the models are of expensive silks, satins and gypstyppe scarves set on hand-shaped wired buckram mounts. But the majority are of Milan, Florentine or exotic Bakus straws blocked into a variety of shapes which lend themselves excellently to mass production.

Varieties of the pancake and cloche, Breton sailor and bunberet, toque and tricorne are explored to the full but each shape is generally incidental to the trimming which mainly takes the limelight.

The angle at which hats are worn is very important. Most of them sit straight on the head in exactly the same place you would set a book were you trying to balance it. Others are slightly tilted to the side-front.

Card of Thanks

We wish to thank our many friends for the words and acts of kindness, the cards and flowers sent during the sickness and death of Mrs. L. A. Randolph.
MRS. ROSA BRILEY AND FAMILY

First Presbyterian Church

Sunday morning at 11 o'clock the pastor will preach a youth sermon on the subject: "God Has a Plan For Your Life." Sunday will be Youth Day in the Church.

Miss Martha Stribbling has been secured as the director of religious education and student worker for our church. Miss Stribbling is a graduate of Winthrop College, Rock Hill, S. C., and is a member of the graduating class of the General Assembly's Training School, Richmond, Va. Her home is in Clemson, S. C. She will begin her work with us the first of June.

Attend Washington Meeting

William J. Bundy, past grand master of North Carolina Masons and Potentate of Sudan Temple, Mystic Shriners, and Mrs. Bundy, will go to Washington, D. C., next Monday, where Mr. Bundy is to attend the national conference of Masonic Grand Masters at the Statler Hotel. The conference will last four days.

HOT FLASHES?

Spring Fashions Promise Change In Ladies Suits

By DOBOTHY ROE

Associated Press Fashion Editor
You might as well face it—that good old suit that saw you through the war just isn't going to do for this spring.

Whether or not you hanker for the new look, you're going to feel pretty silly in the same old man-tailored suit, with its skimpy kick-pleat skirt and the line still showing where you let the hem down last fall. If the material is still good, cut it down for Susie or save it for country weekends. It may be sad but it's undeniably true that suits are different this spring.

There are three major silhouettes—all of them as different from the main-tailored classic of the last five years as ingenious designers can make them.

First is the brief-jacketed, flared-skirted style with the nipped-in waistline and the subtly rounded hips. This seems the odds-on favorite, especially for the young. Sometimes it has a peplum jacket, sometimes a waist-length bell-hop affair and sometimes a fitted bolero.

Next is the long-jacketed, straight skirted silhouette. This also plays up feminine curves in skillful fitting about the waist and hips, often adds a cape collar. The skirt is considerably longer, tight and probably slit at the sides.

Third is the loose wraparound jacket, worn with either a flared or straight skirt. This is the one you clutch on one hip and it's likely to have rounded shoulder lines and a 1915 look.

You pay your money and you take your choice. One of the three styles is almost sure to be flattering; if you're fussy about fit, line and proportion. And after you've tried it on, you're going to become more reconciled to that hard-fought new look.

Choir Practices

The Junior Choir of Immanuel Baptist Church will rehearse Saturday morning at 10 o'clock at the church.

The melody choir will rehearse at 10:45 a. m. on Saturday.

Increased rubber plantings, especially in the Dutch East Indies, induced by \$1.33-a-pound rubber in 1925 contributed to lower prices which brought spot rubber as low as three cents a pound in the depression '30s.

In 1914, only 10 per cent of the dye consumed in the United States was produced in this country.

An expert tea taster can identify between 1,500 and 1,600 different teas, telling where each was grown, what variety it is, what season of the year it was picked, how it was processed, what it should cost and how it should be blended.

More Flavor per Cup.
More Cups per Pound.

Movie Figures Again Top List Money Makers

Washington, Feb. 20—(AP)—Two Hollywood singing stars outrank all songless performers on a new treasury list of big money makers dominated by movie people.

Film executive Louis B. Mayer—as usual—made more than any of the actors and actresses.

Deanna (really Edna Mae) Durbin, who drew \$262,875, and Dennis Morgan (really Stanley Morner), with \$261,000, struck it richer than luscious Lana Turner and he-man Clark Gable on the new tabulation.

Mayer, who has been topping these money earners lists for most of the last decade, was No. 1 again with \$502,871, paid him by Loew's Inc. during the 12 months ended August, 1945.

Miss Durbin's and Morgan's earnings were for 12 month periods ended in late 1945.

Singer Durbin ranked No. 2 on the list and singer Morgan No. 4.

Movie producer Walter Wanger placed third with \$262,900. The movies accounted for more than two thirds of the 195 persons listed.

Gable, drawing \$229,687 for a 12-month period ended with October, 1945, and Miss Turner \$226,000 for the same period, could do no better than 10th and 12th places.

Another movie man who combined acting and directing, Robert Montgomery, was in 11th with \$226,333.

The best anyone outside the movies could do was a tie for sixth. It went to business executives Andrew Jergens and Joseph D. Nelson of the Andrew Jergens Company (Cincinnati). They got \$265,000 apiece.

The list covered only pay reported by specific corporations, not necessarily total income.

Sentenced To 18 Months On Tax Evasion Charge

Raleigh, N.C., Feb. 20—(AP)—James B. Perkinson, 47, of Fayetteville today was under sentence of 18 months in federal prison on charges of income tax evasion and failure to pay excise taxes.

Perkinson, a former Sunday school teacher and civic leader, pleaded guilty to the charges in federal court here yesterday. Judge Don Gilliam sentenced him to 18 months on each of 11 counts of failure to pay excise taxes and four counts of income tax evasion. He ordered that the sentences run concurrently.

The government charged that in the period 1941-44, Perkinson paid income tax of \$3,618.83 on a reported income of \$22,098.41, while he should have paid a tax of \$26,306.94 on a net income of \$133,082.

Declares Women May Be Drafted

Fort Benning, Ga., Feb. 20—(AP)—American women may be drafted in any future global war, Maj. Gen. John W. Devine said here yesterday.

"It's possible, we almost came to that in the last war," Devine, Army Ground Force training chief, added.

The General, here on a two day tour of Fort Benning, said a peacetime draft of women depends on the "international situation and scientific development."

Survey To Number Houses And Name Streets In City

J. J. Farlow, Raleigh engineer, is now making a survey of Greenville for properly numbering the streets and the numbering of every building and vacant lot in the city limits.

Mayor Jack Boyd said today. This will include the new additions, Ellendale, Fleming's Crossroads, South Greenville and East Greenville.

There is a Washington avenue and a Washington street in Greenville. There are many dwellings with the same numbers, it has been pointed out, and the administration's plan is to correctly name and number streets and buildings and install street signs.

Banquet, Ceremonial To Be Held Feb. 27

The official visit of Sojourner T. L. Bunker, supreme watchman of shepherds, Charlotte, N. C., will be made Friday night, February 27, at 7 o'clock.

At that time there will be several other supreme guests, and a ceremonial will be held.

The banquet honoring supreme watchman of shepherds will be held at the Masonic Temple at 6:15. Cards for reservations are asked to be returned immediately.

School Congress To Hear Humber

Tomorrow at 10 o'clock in the municipal court room, Robert Lee Humber, eminent local citizen and Rhodes scholar, will address a joint session of the Appalachian District Student Congress.

Schools with chapters of the National Forensic League registered this morning and the first session began at 1:30 with Frederick Brooks as president pro tem of the senate and Shelley Beard as speaker of the house.

The Greenville High Forensic club has attended congresses in Tallahassee and Asheville, but this is the first time that Greenville has played host to an assemblage of the N. F. L. schools.

Other North Carolina schools will register at 9 o'clock tomorrow morning.

Mr. Koenigsberger felt that one more evening of waiting for Mr. Dimmer to play; of watching him lean over and peer at the cards on the table, then squint at his hand and fumble for a card would drive him mad.

Everyone owes it to himself and to his friends to see clearly and quickly at the card table. Special glasses for bridge—smart, becoming, and designed particularly to give maximum efficiency and comfort at the card table—have been requested by many of our patients.

ance in Superior Court the week of March 22 and was released from jail.

SUPERIOR COURT TERMS

A one-week civil term of Superior Court will be held here the week of March 15.

A one-week criminal term will be held the week of March 22. Judge Henry L. Stevens of Warsaw will preside.

Dewey Brooks Gives Bond Shooting Case

Dewey Brooks, middle-age storekeeper on the Washington highway near the port terminal, who is charged with assaulting with a deadly weapon with intent to kill Mrs. Leona Stanley, Indian woman who lives in a tent near Brooks' store, last Tuesday night, has waived preliminary hearing.

He provided bond for his appearance.

Strength FOR THE DAY

THE CHURCH A SURE ANCHOR
A church official went on occasion to see one of the great industrial executives of this country. During their conversation the executive opened one of the drawers of his desk in which some hundreds of cards were filed. One large section of cards were filed under the caption "Church." This man who presided over an industrial empire considered it his duty to give considerable of his time and effort to church work.

How different this man from that crowd of noisy little men who are always ready to tell you what's wrong with the church and why they never attend its services. There is a variety of practical man today who scorns the church. "Of course," he says, "I believe in a higher power. I am no atheist, but I have no use for a lot of impractical preachers nor for the way they conduct their churches or the doctrines they preach."

Now the ministry is open to criticism the same as any other group. No one knows so much about the failings of the church as do clergymen. But that the church is the world's only hope is the conviction of all people today who do sound thinking. The world is not going to drift out of its present difficulties. The gospel of Christ is the only sure anchor for a distressed humanity.

TRUCK TERMINAL
Small communities are relying more and more upon truck transportation for the shipping of goods to and from their places of business. Where the great freight trains have been responsible for the growth and development of big cities, trucking lines are performing the same service for communities not enjoying railroad facilities.

Experience taught the railroads the necessity of a freight warehouse, or terminal, and some communities have profited by following their example and providing freight terminals for truck lines. The step was logical, and simplified many of the problems they otherwise

would have faced.

From time to time, local business men have discussed the need for a locally-operated truck-freight warehouse or terminal. There are many reasons why such a terminal would be of benefit to the trucking people as well as to our own citizens.

The three principal arguments for a trucking terminal here are:

(1) It would relieve much of the traffic congestion on business streets.

(2) It would quicken freight service by these vans.

(3) It would reduce costs for shippers, freight lines and the town itself.

The proposal as appears outlined, would entail a warehouse to receive freight shipments, and a few small trucks to distribute shipments to their consignees.

All in all, the suggestion of a freight-truck terminal is worth the careful consideration of those business men who depend so much on truck lines to bring their goods to the Greenville market.

WASHINGTON LETTER
By JANE EADS

Washington—Last spring, Mrs. L. H. Renfrow, wife of an Army colonel stationed here, sent 80,000 yards of new materials to Greece to be

made into clothing for children. The material was shipped for Mrs. Renfrow by the Near East Foundation. It was culled by her from the private stocks of American friends all over the country when yard goods were unavailable in wholesale markets.

Dresses for girls and pants and shirts for boys were cut in the Athens workrooms of the Near East Foundation. Greek women made them. They were promised one garment for their own children for every two others they turned out.

Some 20,000 garments were sent to children in the far-away inaccessible mountain areas—Kefissia, Bakassaki Agrinion, Distomo, Komitisa, Kalavryta and Florina—where the

Foundation maintains child care centers. They were also distributed to working boys' and girls' centers and crippled children's homes in Athens.

Now Mrs. Renfrow is about to tour the country with 30 "thank you" dolls made from left-over scraps. They are typical of the areas in which they were made. They were sent to Mrs. Renfrow by the women as tokens of their appreciation.

Greece is so destitute and materials that most of the dolls are made out of blocks of wood and wire baling from packing cases, or modeled out of paper. But, from shepherd girl to great lady, the figures are portrait likenesses, ac-

According to Mrs. Renfrow. Among the collection is a portrait doll of Queen Amalia, who during the war organized the young college women of Greece into welfare organizations to aid the orphaned, the sick and the homeless.

The purpose of the tour, Mrs. Renfrow says, is to show tangible evidence of the gratitude of the women of Greece to the women of this country and to promote an understanding of the continued need of the people of the stricken nation. Cooperating in the effort are schools and colleges, junior chambers of commerce, Rotary Clubs and churches.

After shipping the fabric to Greece Mrs. Renfrow flew over to help see the project through. She was gone two months and visited seven countries. She was impressed by the stamina and "never-die" spirit of women in all the countries suffering the hardships of war.

Mrs. Renfrow's husband served in World Wars I and II. Her sons, Robert and Richard, served in World War II. Richard, a lieutenant, is still in service at Ft. Sill, Okla.

HARD TO GET A WAR OUT OF YOUR SYSTEM
Pittsburgh—(AP)—Joseph Cafardi, a construction foreman, hopes the last relic of World War I has been taken from him.

In 1915, while serving in the Italian Army, he was wounded. Thirty-one years later he began to limp and a physician removed some shrapnel from his hip. A few weeks ago he began to limp again and a physician found some more shrapnel.

AN ORDINANCE AUTHORIZING \$3,000 WATER BONDS
Be it ordained by the Board of Aldermen of the Town of Winterville:

Section 1. That the Town of Winterville issue its bonds, pursuant to The Municipal Finance Act, 1921, as amended, in an amount not exceeding \$3,000 for the purpose of ex-

tending the water works system of said Town, including the installation of a new water pump.

Section 2. That a tax sufficient to pay the principal and interest of said bonds shall be annually levied and collected.

Section 3. That a statement of the debt of the Town has been filed with the clerk and is open to public inspection.

Section 4. That this ordinance shall take effect when approved by the voters of the Town at an election provided by law.

The foregoing ordinance was passed on the 10th day of February, 1948, and was first published on the 18th day of February, 1948.

Any action or proceeding questioning the validity of said ordinance must be commenced within thirty days after its first publication.

J. L. ROLLINS, Town Clerk and Treasurer.

N.C. Congressmen Join Fight Over Civil Rights

Washington, Feb. 20—(AP)—North Carolina congressmen today asked other Southern legislators to fight proposed civil rights legislation "to the finish."

In a meeting yesterday the Tar Heels adopted a resolution pledging opposition to enactment of racial legislation, which, they maintained, is unconstitutional.

They said they'd cooperate with a Southern governors committee coming here tomorrow to "talk over" the racial issue with national Democratic leaders.

And they warned national Democratic leaders against putting anything into the 1948 party platform that "would jeopardize its success in the South."

Earlier this week South Carolina congressmen took the lead in passage of a resolution to oppose President Truman's proposals for anti-lynching, anti-segregation and Fair Employment Practices Commission laws.

The Alabama members of Congress also went on record as a unit opposing such legislation.

Sails Frail Yawl Alone To Hawaii

Hilo, Hawaii, Feb. 20—(AP)—A 68-year-old California mining engineer—alone and without a radio—sailed a frail backyard built yawl to this port from San Francisco.

He is Eugene S. Sheffield, Sr. He arrived at dusk Wednesday after a voyage of about 5,000 miles. The airline distance is 1,900, but Sheffield sailed far south to avoid wintry gales.

It took him 82 days. The yawl, Peggy, is 39 feet long.

"Nobody but a crazy man would sail the Pacific in January," said Sheffield today. "But on beautiful days, when the sea was bluer than the Mediterranean and seahawks and flying fish were all around, I wouldn't have missed it. It was enchantment."

The voyage fulfilled an ambition of eight years—since he laid the Peggy's keel in his backyard at Napa. The war interrupted construction but in 1945 he moved the craft to Vallejo and completed the job.

Sheffield slipped out of the Golden Gate Dec. 27.

He said he sailed about eight hours each day. The remainder of his time he spent cooking, sleeping and "keeping her shipshape."

When he ran into squalls, he hauled down the sail and made himself comfortable below.

"I had nothing to do but loaf along," he said. "I had a good time."

Colder Forecast Is A Reminder Winter Not Over

By The Associated Press

A prediction of colder weather tonight and tomorrow served to remind residents of the Carolinas today that winter is not over.

Occasional light showers also were forecast for both states late today. Spring-like weather of the last two days had caused many Carolinians to hope that the harshest winter in years had ended.

Today's minimum temperature readings illustrated the unseasonably warm weather. Here are the low temperatures for major points in the Carolinas:

Raleigh and Myrtle Beach, 50 degrees; Charlotte 47; Winston-Salem, Charleston and Columbia, 49; Wilmington 51; Greensboro and Spartanburg 48; Asheville 41; and Hatteras 58.

Service Of Worship Appears In Journal

A dramatic service of worship, written by James Warren of Greenville, appears in the February issue of the International Journal of Religious Education. This "Meditation-Communion" was presented in Jarvis Memorial Church by the Methodist students in East Carolina Teachers College, on the occasion of the commissioning of officers of the Wesley Foundation. It was later presented at Lake Junaluska at the Regional Methodist Student Conference. The service has also been used by youth groups over the state.

The International Journal of Religious Education is the official publication of the International Council of Religious Education, which represents 40 Protestant denominations and 31 state councils in North America cooperating in Christian Education, with headquarters in Chicago, Illinois.

Mr. Warren was graduated from the University of North Carolina last June and is now studying for his Master's degree in Dramatic Arts at Northwestern University, Evanston, Illinois.

Grain Rationing Bill Moving Up

Washington, Feb. 20—(AP)—A bill to ration grain to whiskey makers through October 31 advanced a step in the senate today.

The banking committee approved the measure unanimously. It made no change in the bill okayed 4 to 0 by a subcommittee yesterday.

The bill provides that the liquor industry should be allotted no less than 2,500,000 bushels of grain a month.

LOCAL INTEREST IN HOLY LAND—Young Jews of the Montifore section of Jerusalem, which has been under Arab fire from the Old City, watch as two soldiers of the British Warwickshire Regiment check distance with a range finder.

'DOGMOBILE' ON SNOW—Billy and George Leighton, one and three years old, ride in a ski-sled drawn by their year-old boxer, Bessie Boy, at Bangor, Me.

Sets Limit

Washington, Feb. 20—(AP)—Budget Director James E. Webb today limited to 1,097,577 the number of workers the government's executive branch may have during the three months beginning April 1.

This total is 8,954 lower than the January-February-March ceiling.

It does not take in employees of Congress, the courts or any government employees stationed abroad.

Webb noted in a statement that actual employment usually is well below the ceiling. It merely sets a top limit on the number who may be employed at any time within the specified months.

Extreme Cold In Western Europe

London, Feb. 20—(AP)—Southern England, Western Europe and Scandinavia experienced the coldest weather of the winter today.

Cold and snow drove marauding packs of wolves down from the Siles mountains in Southern Italy. In Northern Norway, wolf packs raided cattle herds, causing such losses that military planes were sent out to shoot them down.

The frigid weather will continue and still lower temperatures are in prospect, weather forecasters said.

In the big cities of Germany authorities opened public warming halls. These quickly filled with families from homes unheated because of the fuel shortage.

Paris was covered with snow for the first time this winter.

Elk, cut off from food by the snow wandered into the streets of Norwegian towns and villages.

FORMER OFFICIAL DIES

New York, Feb. 20—(AP)—Robert P. Lamont, 81, secretary of commerce during the Herbert Hoover administration, died yesterday.

Lamont, an engineer and industrialist, had retired some 12 years ago. He was a native of Detroit.

Czechs . . .

(Continued from Page One)

Into the Red fold. How long the Soviet Union will hold its hand remains to be seen, but apparently she prefers to achieve control through the "voice of the public" in "elections."

Well, we have seen "elections" in other countries like Poland, Rumania, Bulgaria and Hungary, and they have brought protests from Western democracies. Once the Communists are in control, the Red mill begins to grind. We had some testimony about that yesterday from Georgi M. Dimitrov, an anti-Communist refugee from Bulgaria, who appeared before the un-American activities sub-committee of the House of Representatives in Washington.

Dimitrov declared that immediately after the Reds seized control in Bulgaria they "killed off without

trial," more than 50,000 natives. He said from 4,000 to 10,000 more were tried in people's courts and 2,000 were sentenced to death and executed in 24 hours. The bulk of the others, he added, have been "rotting and dying" in prisons, concentration camps and slave-labor communities.

What does the future hold for Czechoslovakia which suffered under Hitler and now again is feeling the heavy hand of totalitarianism? All we can say is that there manifestly is a determination on the part of many of her people to fight for their independence. If they don't win now, perhaps some day they will win, for I don't believe you can keep them, or the Poles, or the Hungarians, or the other liberty loving peoples of Eastern Europe in bondage indefinitely.

Someday, somewhere, there will be an upheaval, and then all Hades will break loose. That has been history in Europe—and history repeats itself.

One's Problems . . .

(Continued from Page One)

control under the present law. And it said about 1,500,000 tenants had signed leases agreeing to a 15 per cent boost in their rent but that about 14,000,000 hadn't.

Theorizes On Core Of Earth

New York—Sky and Telescope, the astronomical magazine, reports a theory that the central part of the earth is made of compressed gas. R. B. Borcherds of South Africa is author of the idea.

It substitutes for the long-held belief that beginning at a depth of about 1800 miles, the earth's core is made of nickel-iron.

This iron core was invented to explain the earth's magnetism. Recently mathematics have indicated that the magnetic poles are due simply to the earth's rotation.

That permits other explanations of the earth's core. Borcherds supposes this core to contain the same PLANT NEW EVERBEARING FIGS now and enjoy delicious figs from July to December. Send us only \$4.65 for three Bearing Size Trees Postpaid. We will also send Free Copy 48-page Planting Guide illustrated in full color. Salesmen Wanted. Waynesboro Nurseries, Waynesboro, Virginia.

A COLD JOB IN WINDY CITY — A fireman stands on an ice-covered pumping engine in near-zero weather at Chicago to throw water on a burning warehouse.

Colorful Saga Of American Whaling Running Out; Hunt Is Systematized

substances familiar on the surface and in mines. The proportions of these substances may not be the same in the core, but all of them presumably are there.

He has to account for something that earthquake waves show that seemed to support the iron core theory. At 1,800 miles down the ravine abruptly change. The change is the same as would be made by a quake wave going through nickel-iron.

Borcherds says that temperatures at 1,800 miles down will account equally well for this behavior of earthquake waves. He estimates the pressure at 1,800 miles at about 6,000 tons per square inch. The heat from this pressure he says is about 100,000 Fahrenheit. At earth's center he estimates the pressure at about 25,000 tons a square inch. The heat there he figures at nearly half a million degrees Fahrenheit.

Whatever is down there he says must be gas because of the great heat. It is also so compressed that oxygen is about as heavy as lead and an ounce of hydrogen, that in the air, is reduced to one-thousandth of a cubic foot.

Carolina Dairy An Important Industry Here

By CHESTER WALSH
The Carolina Dairy Products Company's new brick garage service department and refrigeration service plant, now under construction in the ravine on West Third Street, is expected to be completed and ready for occupancy early in the spring. Manager John B. Webb, Jr., said today. The building will be a one-story structure, 60 by 90 feet, and of modern construction. When the excavation for the dairy building was done, the dirt was hauled to the lower part of the valley to level off the wooded area for a playground for the use of Greenville children.

Carolina Dairy Products, Inc., was established here about 12 years ago, and the business has steadily expanded. The company operates three milk producing farms, with 250 cows which are milked daily. They have distribution plants at Kinston, Washington, Greenville and Roanoke Rapids. The Carolina Dairy serves all towns and schools in Pitt county with milk.

Manager Webb said there is not enough milk produced in Pitt County to meet the demand, but the Carolina Dairy is getting supplies of milk from other points which have the highest ratings of the State Board of Health. The Carolina Dairy is complying with all of the requirements of the standard milk ordinances.

The United States petroleum industry employed about 1,500 workers in 1939 and more than a million in 1940.

Elizabeth, N. J.—(AP)—The colorful saga of American whaling is running out in a New Jersey oil port. The S. S. Anglo Norse, a far cry from the tall masted whalers that sailed out of Nantucket, has brought in its annual load of sperm oil.

Its 75,000 barrels of the only sperm oil coming into the United States is worth \$5,000,000. This will mean \$4,000 in shares to each of the Norse seamen who were at sea for 10 months.

The modern whaler is the mother ship to a fleet of seven faster killer boats, 130-foot, 200 tonners which made their own way back to Norway after the whaling was done.

No longer do stout sailormen pull the oars of long boats, as a jman poises in the bow to drive home a harpoon by hand. The killer boats fire 200-pound harpoons, with shrapnel-like charges in the head.

Chief Officer Jacob Knudstad of the Anglo Norse says the expedition worked off the coast of Peru, where sperm whale is found in "families" of two or three and in large "flocks."

"The killer boats," he says, "are supplied to stay away for a week at a time. All that time, a lookout stays in the crow's nest."

When a sperm whale is sighted blowing in the distance, the cry is "blaast," the rough Norse equivalent of "thar she blows."

"Where away," sings the officer on watch.

Dr. R. E. Earp, Of Johnston, Named To Agriculture Board

Raleigh, N. C., Feb. 20—(AP)—Dr. R. E. Earp of Johnston County yesterday was appointed by Governor Cherry to the State Board of Agriculture.

He was named to fill out the unexpired term of the late Lionel Weil of Goldsboro. It runs to May 4, 1949.

A native of Johnston County, Dr. Earp practiced medicine in Pittsburgh for some years. He returned to his home near Selma in 1936 to manage Extensive Farming operations.

Tobacco Associates To Meet On March 1

Raleigh, N. C., Feb. 20—(AP)—The first annual membership meeting of Tobacco Associates, Inc., will be held here March 1, President J. B. Hudson announced yesterday. The non-profit corporation, formed a year ago to promote export of flue-cured tobacco, will elect directors for the coming year.

Colored News

Mount Calvary F. W. B. Church, Hudson street, here in the city, will hold its quarterly conference on Friday night, February 20, 1948, beginning at 8 p. m. promptly. All members of this church are urged to please be present as a very important discussion concerning the spring church anniversary will get underway.

On Saturday night, February 21, communion night will be held at Mt. Calvary. All members of this church and others are welcomed to take a part in this service.

Sunday, February 22, ends the quarterly meeting service. Services will be held at 11 a. m., 3 p. m. and at 8 p. m.

The public is cordially invited to worship. A standing invitation awaits you at Mount Calvary. E. M. Porteur, reporter.

York Memorial A. M. E. Zion Church, Rev. P. H. Mumford, pastor. Sunday, 9:45 Sunday school, W. J. Hester, Superintendent.

11 a. m.—Message by the pastor, subject, "How Mercy Is Used as a Divine attribute of God. Music by the Junior Choir."

ADMINISTRATOR'S NOTICE
Having qualified as administrator of the estate of J. T. Evans, deceased, late of Pitt County, North Carolina, this is to notify all persons having claims against the estate of said deceased to exhibit them duly itemized and verified to the undersigned at Greenville, North Carolina, on or before the 18th day of February, 1948, or this notice will be pleaded in bar of their recovery.

All persons indebted to said estate will please make immediate payment.

This the 18th day of February, 1948.

GUARANTY BANK & TRUST COMPANY, Adm. of the Estate of J. T. Evans, deceased. By J. H. Moye, Trust Officer. Harding and Lee, Attys. Feb. 20-17-6wks.

The hour has come for a united effort which requires the best in every member, both spiritual and temporal for the church of your choice, therefore every member is asked to do his full duty.

The balance of the windows have arrived and are ready to be installed. All boards are asked to report at 11 a. m. Sunday.

Remember the church of God is God's saving station, and if this world is to be saved, it must come through the churches.

You will find a cordial welcome at York Memorial.

Arthur's Chapel F. W. B. Church 9:30—Sunday school, L. Monk superintendent.

11 o'clock, sermon by the pastor, Rev. S. Hemby. Subject: "We Must All Stand Before the Bar of Justice."

3 o'clock, Rev. Sister Hattie M. Cobb will officiate. She will be accompanied by her choir and congregation from Cotten's Chapel.

7:30 o'clock, Rev. Hemby will be at Rock Spring for service.

The public is invited to worship with us.

AN ORDINANCE AUTHORIZING \$23,000 BONDS FOR CURBS AND GUTTERS

Be it ordained by the Board of Aldermen of the Town of Winterville:

Section 1. That the Town of Winterville issue its bonds, pursuant to The Municipal Finance Act, 1921, as amended, in an amount not exceeding \$23,000 for the purpose of constructing curbs and gutters in the Town of Winterville, at least one-

half of the cost of which improvements is to be specially assessed.

Section 2. That a tax sufficient to pay the principal and interest of said bonds shall be annually levied and collected.

Section 3. That a statement of the debt of the Town has been filed with the clerk and is open to public inspection.

Section 4. That this ordinance shall take effect when approved by the voters of the Town at an election as provided by law.

The foregoing ordinance was passed on the 10th day of February, 1948, and was first published on the 13th day of February, 1948.

Any action or proceeding questioning the validity of said ordinance must be commenced within thirty days after its first publication.

J. L. ROLLINS, Town Clerk and Treasurer.

Comedy Added To Card Of Athletics Tonight

Comedy has been added to the big boxing and wrestling program which is being staged in the East Carolina Teachers College Gym tonight at eight o'clock. Jack Hedgepeth of Rocky Mount, experienced and man in minstrel in various North Carolina cities will be blindfolded and placed into the ring to give battle to blindfolded Paul T. Upchurch of Raleigh.

Upchurch is also a born comedian and had one of the starring roles in the Veterans Club Minstrel held at the college in 1947. Neither of the boys are new to the boxing game having fought several fights before the war and while in service. Upchurch fought in an exhibition bout at the college in 1947.

The comedy comes when one of the boys happen to touch the referee or ring post and starts swinging his gloves in the thin air, often finding himself on the floor as he hits at the thin air and finds no target.

This bout will be one of the attractions coming before the feature wrestling match pitting "Big Bear" 210 lbs. against able Johnny Finch of Oxford, N. C. In all there will be about one and one-half hours of boxing and wrestling throughout the evening.

Dr. Jorgensen of the E. C. T. C. physical education has extended a blanket invitation to all uniformed boy scouts of Greenville to witness the program free of any charge. Scouts are urged to wear their uniforms however since that is the only way that they may be admitted.

Sets Unofficial Skating Record

Oso, Norway, Feb. 20—(AP)—Delbert Lamb of Milwaukee, Wis., captain of the United States Olympic speed skating team, has set a new unofficial world record for the mile race.

He flashed over the course in two minutes, 29.7 seconds in an exhibition yesterday to crack the 2:37.8 mark set by Claes Thunberg of Finland.

Nine Colleges In Maryland Meet

College Park, Md., Feb. 20—(AP)—Eight colleges, in addition to the host, will send competitors to the first annual University of Maryland invitation indoor track games tomorrow night.

Coach Jim Kehoe announced he had entries from Navy, Virginia, Catholic U., Georgetown, North Carolina, North Carolina State, V.M.I., and V.P.I.

Each institution is limited to three entries in any one event.

West Carolina 57 Atlantic Christian 46

Pro Football Is Hard Work Claims All-American End

Austin, Tex. — Hubert Bechtol, twice All-American end at the University of Texas, says the glamor, the glory and the glittering gold of professional football do not compensate for the bumps and bruises.

Bechtol played with the Baltimore Colts of the All-American Conference last year and was well paid for his efforts. But he doesn't believe the loss of 25 pounds, plus 18 grueling games in four and one-half months, offer a fair return on the dollar.

Bechtol came to Austin to register in the university and complete work toward a degree in business administration. After that he isn't sure he will go back to pro football. He may go into business here.

The big wingman believes the Colts chances of landing Bobby Layne, Texas' fabulous passer, was enhanced by Chicago signing Johnny Lujack, the Notre Dame star.

"That gives the Bears four good quarterbacks," Bechtol figures, "and Bobby probably knows he would be buried far down among the subs on a club with all that talent at his position."

Layne said Bechtol would be about the only convincer he would need to return to the Colts next year. In 1944 and 1945 Bechtol was Layne's favorite passing target.

MILNE IN AAU EVENT

Chapel Hill, N.C., Feb. 20—(AP)—Jack Milne, national cross country champion, and Bob Black, University of North Carolina track stars, are on their way to New York to run in the National AAU Championships. This is to be held at Madison Square Garden Saturday night.

The first commercial consignment of tea to Europe is believed to have reached Holland about 1610.

Moye Leads Locals To Early Lead Which Was Never Relinquished; Rough And Tumble Affair Saw 53 Fouls

By JACK HEDGEPEETH
Displaying their best offensive attack of the year, the E. C. T. C. Pirates downed the favored Elon Christians last night 62-44, in a North State Conference basketball game.

Led by Charlie "Bill" Moye, the Pirates took an early lead which they never relinquished, and they led at half-time 26-14. The Pirates man-to-man defense proved to be very effective in the first half as the Christians were held to three field goals from action. The Pirates ripped in 26 points the first half, while holding the Christians to their three field goals and a flock of charity tosses.

In popping the net for 62 points, the Pirates racked up their highest number of points for a single game this year.

Charlie "Bill" Moye was the big gun in the Pirate win, hitting true on 8 field goals and 4 gratis throws for 20 points. Roger Thrift was good for 12, followed closely by Jack Eberton with 10 and Larry James with 9. Andrews with 11, was best for the losers.

Ben Harrison, Frank Maennle, and Len Bauer, three of the Pirates starting five, fouled out in the rough and tumble affair which saw 53 personal fouls committed.

Elon, victim of the Pirates 31-29 early in the season, never threatened seriously. Winners of 6 out of their last 7 conference games, they were heavily favored. But Coach Porter had his boys ready and they momentarily halted Elon's climb in the North State Conference race.

For the Pirates it was their 5th win against 4 losses with one remaining game to be played with A. C. C. Should the Pirates take A. C. C. then they stand a good chance of being one of the top-seeded teams in the conference tournament to be held in Elkin February 25-26.

Snavely Admits Pro' Discussion

Chapel Hill, N.C., Feb. 20—(AP)—Coach Carl Snavely admits he's discussed the possibility of becoming coach of the Los Angeles Dons of the All-American Football Conference.

The University of North Carolina gridiron mentor likewise asserts he's made no commitment.

In a statement to the press Snavely said: "The Los Angeles Dons and I have had some discussion relative to their coaching position, but no commitment of any kind has been made."

He would say no more on the subject.

McMillin's Move Not Yet Formal

Detroit, Feb. 20—(AP)—Alvin Nugent (Bo) McMillin's much-pondered transfer from Indiana University to the Detroit Lions of the National Football League as general manager and head coach was official today but not entirely formal.

McMillin's acceptance yesterday of a two-year lion contract believed to be for several years at \$30,000 annually remains, by the paper's own terms, "subject to Indiana University's release" of the gray-haired coach from the remaining seven years of his contract there.

Elks Lodge To Initiate Large Group Next Week

By CHESTER WALSH
Greenville Lodge No. 1645, Benevolent and Protective Order of Elks at a meeting last night elected 14 new members. Judge Albion Dunn, the exalted ruler, who presided announced that these candidates for membership and six others elected at a recent meeting, will be initiated at the next regular meeting, Thursday night, February 26.

The members elected last night were Thomas W. Rivers, Lee Folger, Jr., John G. Clark, J. G. Proctor, Dale R. Gidley, Charles O'H. Little, W. Erskine Duff, Tige Gardner, Herbert L. Carter, Charles P. Gaskins, Norman H. Cameron, Harry Seamon, Jr., Ercell S. Webb, and Thomas M. Sellers.

Announcement was made that the Elks Lodge had bought a page in the Greenville High School Annual, and the members had some nice things to say about the good work being done at the school.

In keeping with a custom of the lodge a free supper will be served the members next week when the new members are initiated.

Mecklenburg Led In Liquor Sales

Raleigh, N. C., Feb. 20—(AP)—Mecklenburg County led the state's wet areas in liquor sales during January, with a figure of \$842,964.85.

Total sales for the month were \$4,166,773.20, the monthly report from the State Alcoholic Beverage Control Board showed.

Second place on the list went to Asheville with \$377,736.75.

FALLING HORSE — Ben Johnson, cowboy film actor from Pawhuska, Okla., demonstrates how to throw a horse. Left: They are ready to go. Center: Up and almost over. Right: Johnson pulls his left foot from the stirrup as fall starts.

"Foul" Night On N. C. Cage Front; 251 Personals

By The Associated Press
Pleasant weather notwithstanding, it was a foul night on the basketball front.

Five contests involving North Carolina teams registered a total of 251 personal fouls.

High Point lived up to its name. It racked up 34 personals to lead in this department. At the same time, High Point garnered 64 points to win the game from Guilford which scored 54 points. Total personal fouls in the game was 61.

The victory tightened High Point's grip on the second-place position in the North State Conference race.

Another rough affair came off at Greenville, N. C., when East Carolina Teachers defeated Elon 62-24. The referee's whistle blew 53 times awarding free tosses to wronged players.

In a Southern Conference game at Clemson, S. C., Wake Forest had to fight the entire distance to win over the Clemson Tigers, 66-69.

A packed house of 3,400 watched the Deacons grab an early lead and then lose it a number of times during the first half. Throughout the second period Clemson remained within striking range but never was able to top the Deacons.

It was nip and tuck at Durham, too, as Duke overcame Virginia 67-48 in a non-conference tilt.

In their fifth game in six nights, the Blue Devils found themselves tied with the Cavaliers at 41-41 near the end of the contest. In one minute and ten seconds they registered nine points to the opposition's nothing and then coasted to the end.

Western North Carolina Teachers led all the way to defeat Atlantic Christian 67 to 46. The victory put WCTC into the North State Basketball tourney and it was their last conference game of the season.

More Accidents Due To Darkness

Raleigh, N.C., Feb. 19—(AP)—Unlighted thoroughfares are charged with 31 per cent of North Carolina's fatal traffic accidents in the latest quarterly report of the State Department of Motor Vehicles.

208 fatal accidents are reported under "darkness—street or highway not lighted," 238 under "daylight," 32 under "dusk" and 11 under "dawn." Only 33 are reported under "darkness—street or highway lighted."

Schools In County Resume Operations

All of the Pitt County schools have resumed classes since the recent heavy snowstorm made dirt roads impassable. Farmville, Ayden and Grifton schools resumed the first of the week; the other schools opened Wednesday.

The rural mail carriers are back on their jobs after a long delay by impassable roads.

KRAMER LEADING

San Francisco, Feb. 19—(AP)—Big Jack Kramer took a four-match lead over Bobby Riggs tonight in their nationwide professional tennis tour, with an 11-9, 6-2 victory at the civic auditorium. Kramer now leads in the series, 18 matches to 14.

Meet Erskine

The ECTC Pirates, fresh from an exciting 62-44 win over Elon last night, play host tomorrow evening to the Erskine Basketball team of Erskine, S. C. in a non-conference battle. It will be the final home game of the year and is scheduled to start at 8 o'clock in the college gym.

In an early season game Erskine defeated the Pirates 45-41 in an overtime tilt.

Louis, Walcott Not Far Apart On Fight Terms

New York, Feb. 20—(AP)—Heavyweight Champion Joe Louis and Jersey Joe Walcott may be nearer a June return battle than it would seem by all the strong language they've been throwing around.

From Jersey Joe's headquarters comes word the Camden, N.J. challenger probably won't let Louis' insistence for a 30-30 percentage clause for a possible third bout stand in the way.

"We'll probably let Louis have the 30-30 split," commented Felix Boccichio, who owns exclusive rights to Walcott's services. "But only because we don't want this fight to slip out of our hands. We know Walcott can beat Louis."

The only hitch this apparently is the cut from the movie proceeds. Walcott wants 30 per cent; he has been offered 22 1-2.

Louis left for London aboard the Queen Mary yesterday where he will conduct a series of exhibitions.

Chicod, Belvoir Split Contests

Chicod and Belvoir girls divided a doubleheader played Wednesday night.

The Belvoir girls opened with a 26-17 victory after leading at the half, 15-10. Hathaway, with 20 points, featured for the winners. Jones took the lead, with 8 points for Chicod.

Chicod boys won over Belvoir, 47-34. Just after half-time, it was a tie 11-11, after which Chicod took the leading pace. Leading scorers for the winners were: Fornes, 15; Gaskins, 11; and Lewis, 13. Leggett led the scoring parade for Belvoir with 8 points.

Arthur plays at Chicod Saturday night.

Beau Jack Tries Again For Title

New York, Feb. 20—(AP)—Beau Jack, twice holder of the lightweight boxing crown, (New York version) goes after his fourth title bout tonight in Madison Square Garden.

The Little Augusta, Ga. Negro meets Terry Young in the toughest test of his latest comeback. It will be Garden fight No. 26 for Jack, who earned his first appearance there by outpointing Young back in 1942.

It's been a year, minus a day, since Jack last fought in New York. And those who saw him knocked out that night by Tony Janiro thought he would never be back.

ALL BUT TWO SIGNED

Boston, Feb. 20—(AP)—The Boston Red Sox today had signed contracts from all but two players, First Baseman Murrel (Jake) Jones and Pitcher Jack Kramer, but the Braves had 11 still dissatisfied about their 1948 salary terms.

3 Conferences Agree On Code

Birmingham, Ala., Feb. 20—(AP)—Three powerful conferences—the Southern, the Southwest, and the Southeast—are in agreement on an interpretation of the NCAA's new code.

Delegates from the three leagues met for five hours yesterday after which Coach Bob Neyland of Tennessee, who presided, handed out a statement reading:

"All representatives agreed to carry back to their conferences a recommendation that aid to any athlete from any source or in any form, be limited to actual institutional expense. This limitation would restrict aid even more than the NCAA code."

The Southern Conference adopted such a stand last week at a meeting in Richmond, Va., and Southwest Conference Commissioner James H. Stewart, who was here for the session, said his conference had approved such last December.

The Southeastern Conference, which recessed its annual December meeting at Biloxi, Miss., pending action by the NCAA at its annual January session, is to resume deliberations here tomorrow.

The grants-in-aid (athletic scholarships) given by several years, through a written contract between the athletes and the institutions, permitted payment of all expenses plus \$10 in cash.

After the session yesterday, various delegates admitted their recommendation would permit an institution to pay all the expenses of the athlete, but would not permit payment of any extra cash.

22 Straight

Scotland Neck, Feb. 19—Bethel High defeated Scotland Neck's Blues in both ends of a basketball bargain bill played here. The visiting girls dumped the local set, 27-23, in the preliminary contest after having posted a 14-8 halftime lead.

The Bethel five rolled to its 22nd straight victory in the nightcap, winning by 43-27. Bethel held a 17-11 halftime edge.

Legion Post Files Suit Against Pitt County Fair Corporation

In Superior Court today, Pitt County Post No. 39 of the American Legion, through its counsel, Judge Allison Dunn, instituted suit against the American Legion Pitt County Agricultural Fair, Inc., of Greenville, and its officers and directors for the appointment of a receiver to take charge of assets, dissolve the fair corporation, and wind up its affairs, including the sale of the Fair Grounds property on the Falkland highway, just west of Greenville. The proceeds from the receivership would be paid over to Pitt County Post No. 39 and Farmville Post No. 151, under the directives of the court, according to their respective interests therein.

Meanwhile, the present officers and directors of the fair would be restrained from any activity in connection with the corporation's affairs, including the disposal of any of its assets.

The hearing on the bill of complaint is scheduled to be held before Judge J. Paul Fritelle in Snow Hill on Saturday, March 6, at 10 a. m.

The suit is the outgrowth of long drawn out controversy between factions in Pitt County Post No. 39 over control and operation of the fair. The proponents of the move for ousting the officers and directors of the fair have charged that said officers and directors have operated the fair according to their own desires and at times, contrary to the wishes of the rank and file of the Legion membership, and that the operators had turned over from year to year such funds as they said the Legion was entitled to, without rendering a full audit and accounting of the fair corporation's affairs.

The operators, on the other hand, have contended that the fair was chartered by them as individuals because the Legion Post could not, and would not, assume any financial responsibility pertaining to the fair. The operators further declare that all profits from the fair since its beginning of operations, with the exception of such funds as have been invested in the purchase of fair grounds and equipment, have been duly turned over to the Pitt County Post No. 39 and Farmville Post No. 151, on the pro rata basis of their interests in the fair, and that no individual officer or director of the fair has profited one cent from its operations; although they have given unlimited time and effort to the success of the venture.

GOT MOST APPLAUSE

Washington, Feb. 20—(AP)—James A. Farley attended the main Democratic Jefferson-Jackson day dinner here last night and got one of the biggest hands for one of the shortest speeches of the evening. He just said he was glad to be there.

GOWN—Actress Barbara Bates wears pearl gray crepe afternoon gown with top of yellow and green floral print.

Meat Packers' Strike Approved

Chicago, Feb. 20—(AP)—Officials of the CIO United Packinghouse Workers of America had Union approval today for a nationwide strike of 100,000 meat packers.

The union, seeking an immediate wage boost of 20 cents an hour, declined, however, to disclose the strike date. Meanwhile, President Ralph Helstein said contract negotiations will continue with Armour and Company, Swift and Co., Cudahy Packing Co., and Wilson and Company.

Arabs Hope For Partition Repeal

Lake Success, N. J.—(AP)—Arab leaders today are reported planning a campaign for repeal of the Palestine partition project by the United Nations assembly.

Well qualified sources said the first Arab tactic here would be an effort to block action in the security council debate starting Tuesday on the request for international military force to carry out partition.

The Arab line would be to contend that partition is illegal. Added to this now would be the argument that the scheme has been proved unworkable by violence in Palestine following the assembly's November 29 partition decision.

The Arabs thus hope for reconsideration of the whole partition plan by the 57-nation assembly, in special session if necessary. They are reported willing to consider a compromise alternative there.

Meanwhile there were these other developments:

- Secretary of State George C. Marshall summoned Chief American Delegate Warren R. Austin to Washington Monday for consultations. Austin is expected to tell the security council on Tuesday whether the American government favors armed enforcement of partition.
- Partition supporters received a setback when China revealed that she intended to continue to abstain on partition voting.
- Iraq boycotted the trusteeship council, which is discussing the partition plan as it would affect internationalized Jerusalem.

Rescue Effort Is Fatal For Two

New York, Feb. 20—(AP)—A fuel company worker's efforts to save a schoolboy failed last night as both died under 20 tons of coal cascading into the hopper of a Brooklyn coal yard.

The youth was Timothy Schempp, 13, and the man who died with him was Jack Apollo, 33. Both lived in Brooklyn.

Apollo was working in the yard when he saw the boy perched atop a load of coal about to be dumped from a railroad car into the mouth of the hopper. Apollo scrambled up on the car. But at that instant the load was released it disappeared into the pit with a roar, carrying Apollo and the boy with it. Death was due to suffocation.

No Prosecution Against Father

Wilson, N. C., Feb. 20—(AP)—A former Army captain who was jailed here Wednesday and charged with abducting his 20-month-old daughter was free today after authorities announced there would be no prosecution of the case.

Recorder's court judge Charles B. McClean late yesterday not pressed the charge after members of the mother's family refused to prosecute. The action brought the immediate release of Eugene Carr, 31-year-old West Point graduate who maintained that he had merely taken the 20-month-old girl for an automobile ride.

Boy, 12, On Trial For Death Of Pal

Chin in hand, 12-year-old Howard Lang waits for developments in his trial at Chicago on a charge that he murdered his seven-year-old playmate, Lonnie Felick. The youthful defendant is accused of stabbing his chum and bashing his head with a stone in a suburban forest last October. (AP Wirephoto).

Second Death Is Uncovered Soon After Shooting

Fayetteville, N. C., Feb. 20—(AP)—The body of Troy Bunnells, 50-year-old deaf mute, was found today beside a swamp, little more than 24 hours after his estranged wife, also a deaf mute, was shot and killed.

The body, penetrated by a shotgun lead, lay near a 12-gauge, single-barrel shotgun.

Mrs. Letta Belle Bunnells was slain yesterday morning as she left her nearby Hope Mills home for work, and Sheriff N. H. McGeachy immediately started a hunt for the husband. Corner Joe W. Pinkston quoted neighbors as saying they saw a man with a shotgun run from the scene.

Both the man and his wife had been employed at Hope Mills. Pinkston said they had been separated about three months.

Silence Cloaks Report On High Point College

High Point, N. C., Feb. 20—(AP)—Silence today cloaked a report on the administration of High Point College which followed a faculty row at the Methodist institution last fall.

The report, made yesterday by the University Senate of the Methodist General Board of Education, was handed to the college's trustees who declined to comment on its contents.

Before the report would contain recommendations only because charges in the Academic structure may be made only by the Board of Trustees.

Dr. Morris Troyer of Syracuse University, who headed the three-man committee making the survey, said merely that the report looked toward "full accreditation" of the school.

Ban Oil Exports Without License

Washington, Feb. 20—(AP)—The Commerce Department today banned export of crude oil without a license to any foreign country except Canada.

It was the first peacetime imposition of license controls on crude oil. It was also the second action in as many days to bolster scarce supplies of fuel at home by squeezing foreign receivers.

The controls allow the commerce department to say how much crude oil can be shipped out of the country and to whom.

Down on the amount of petroleum products it will permit to be shipped abroad.

Put Republican On 'Honor Roll'

Washington, Feb. 20—(AP)—By a slip of the tongue, President Truman put a famous Republican in the ranks of Democratic party heroes last night.

It came at the windup of Mr. Truman's Jackson-Jefferson Dog dinner speech here. His prepared text ended with a sentence that the politics of Jefferson, Jackson, Wilson and Roosevelt were good enough for him.

Policeman Nabs Robber At Scene

By CHESTER WALSH

Policeman Jesse Mills, known to the law-breaking element as the "Greyhound" because of his fleetness of foot, caught Johnny B. Taylor, 18-year-old Negro youth, in the Quality Cleaners' dry cleaning plant, 305 Albemarle avenue, about 3:30 a. m. today, with an armful of clothing and ready to make his departure. Taylor is charged with breaking, entering and larceny.

Chief Beauford Drum said Officer Mills had been trailing Taylor for some time and lost him for a time. Checking the stores, Mills spotted the nocturnal prowler in the dry cleaning plant and saw him gathering up several suits of clothes. The officer said Taylor had entered the building through a ventilating fan shaft. He was waiting for the intruder when he unbolted the back door and started out. The officer said Taylor dropped his loot and walked right into his arms. He didn't get a chance to run, Mills said.

Makes Up Menu For First Meal When Fast Ends

Chicago, Feb. 20—(AP)—Mrs. Ruth Berbes, who has had nothing but bread, milk and gingerale since Feb. 12 in a fast protesting the high cost of living, today made out the menu for her first full meal in two weeks.

The 22-year-old housewife will end her two-week fast next Thursday. She decided the order she will give a restaurant waitress:

A large rare steak, big peas, French fried potatoes, salad, coffee and cheesecake.

A physician who checked her over today, said she can go through a second week without endangering her health. He advised her to forego the diet after that, however.

Foe Of Klan Is Fired From Job

Lakeview, Ga., Feb. 20—(AP)—Coach Walter Bowland of Lakeview High School said today he had been "fired because I am in opposition to the Ku Klux Klan." Principal John Burks has resigned.

Bowland announced some time ago that he had been warned "to leave town or be tarred and feathered." He said he had been informed by Burks that the school's board of trustees voted last night to discharge him, effective tomorrow.

The trustees declined to comment.

Dry Leader Bids Again For Seat

Lexington, N. C., Feb. 20—(AP)—One of North Carolina's dry leaders is making another bid for the State legislature.

L. A. Martin, Lexington lawyer and director of the Allied Church League of North Carolina, announced yesterday he is seeking the Democratic nomination for the House of Representatives seat now held by Republican J. Eugene Snyder.

Martin represented Davidson county in the House in 1927. He served in the Senate in 1929 and 1937.

Bureau Reports 131 Criminals Executed In U.S. During 1946

Washington, Feb. 20—(AP)—The Census Bureau reported today that 131 convicted criminals were executed in the United States in 1946. Of these, 107 died for murder; 21 for rape.

Nearly half of all executions were in five Southern states: Georgia 16, North Carolina 13, Virginia, Alabama and Mississippi 9 each.

There were 84 Negroes executed, 46 whites, one Indian. Only one of those to die was a woman, a Negro executed in Pennsylvania.

Hog Market

Raleigh, Feb. 20—(AP)—(NCDA)—Hog markets steady with tops of 22.00 at Fayetteville, 21.75 at Rocky Mount, Greenville, Smithfield, Mount Olive, Goldsboro, Washington, Clinton, Warsaw, Lumberton, Chadbourn and 22.75 at Richmond.

Grain Market

Chicago, Feb. 20—(AP)—All grains slumped on the board of trade today. Selling pressure was heavy at times and wheat dropped as much as 6 cents before staging a rally in the last half hour of dealings. Corn and oats followed the action of wheat.

Wheat closed 2 1/4-4% lower, May \$2.33 1/4-1/2, corn was 1 1/2-2% lower, May \$2.09 1/2-1/4, oats were 1 cent to 1 1/2 lower, May \$1.04 1/2-1.05 1/2, and soybeans were 1 to 7 cents lower, March \$3.33.

Shorter Week

Syva, N. C., Feb. 20—(AP)—Syva school children will go to school only three days a week for the remainder of the season, but they'll be eight-hour days. This arrangement was made necessary after Superior Court Judge F. Donald Phillips ordered the Syva elementary school building padlocked. He signed the padlock order when the grand jury reported the building unfit and unsafe for use. The grand jury said falling plaster in the brick building, which housed 550 children, rendered it a menace. It previously had been condemned.

Poultry and Eggs

Raleigh, Feb. 20—(AP)—(NCDA)—Raleigh egg and poultry markets steady; U. S. grade A large 53 to 54; fryers and broilers 35.

N. Y. Cotton

New York, Feb. 20—(AP)—Cotton futures opened 45 to 70 cents a bale higher.

Noon prices were 40 to 90 cents a bale lower than the previous close. March 31.65, May 31.90 and July 31.41.

Cotton futures fluctuated over a fairly wide range in nervous dealings today.

Futures closed 75 cents to \$1.10 a bale higher than the previous close.

Month	Open	Last	Prv. Cl.
March	31.93	31.97	31.82
May	32.20	32.27	32.08
July	31.61	31.72	31.51
Oct.	29.39	29.48	29.30
Dec.	20.09	20.18	20.00
March	28.93	28.99	28.80

Middling spot \$3.07, up 15.

N. Y. Stock Market

New York, Feb. 20—(AP)—Stocks generally stumbled in today's market without being given much of a push. Transfers for the five hours ran to around 750,000 shares.

Czech Cabinet . . .

(Continued from Page One)

Czechoslovakia changed her mind about participating in the original Marshall Plan talks in Paris last June after her high officials were summoned to Moscow.

The Social Democratic party appeared to be sticking to its new policy of opposing the Communists wherever one-party domination is the issue. The Social Democrats have been giving the Communists the margin they needed to carry out their long-range program, but they decided last night to break away.

The Social Democrats decided to support the Czechoslovak National Socialist party, the Catholic People's party and the Slovak Democrats on broad issues where Com-

unist domination is threatened.

Rep. Clark (D-N.C.), author of the resolution adopted at the meeting, was the only member of his state's delegation present.

"My chief interest was to keep the conference from going haywire and from doing anything harmful to the Democratic party," he told reporters later.

Clark said the resolution will remain open for others to sign until next Thursday.
