

Police Enter Headquarters Of Czech Communist Foes

Social Democrats' Building Entered By Bayoneted Force Claiming Assignment As Defense Guard; Trade Unions Demonstrate Solidarity With Reds

Prague, Feb. 24 (AP)—A score of Czechoslovak security police, armed with bayoneted rifles, entered the headquarters of the Social Democratic party late today.

The move of the Communist-directed police was not immediately explained. The Communists are grasping for full control of Czechoslovakia.

The Social Democratic party headquarters is on the busy Příkopy, one of Prague's main shopping streets. About 10 riflemen remained in the offices of the National Socialist party, whose headquarters were seized and searched yesterday. Most of the party secretariat staff was back at work. The police said they were assigned as a defense guard. They said that similar guards were on duty at Communist party headquarters.

Trade unions staged a one-hour strike at noon as a token of their solidarity with the Communists.

Communist Premier Klement Gottwald predicted victory for his party within hours, or days.

Students and professors, mainly of the opposing National Socialist groups, paraded through Prague shouting anti-Communist slogans in front of the Communist party headquarters. Police directed the traffic and did not attempt to interfere. Streets were closed only five minutes during the strike.

"It may be in several hours, but it will certainly be in several days," the Communist premier said last night at a meeting to form an "action committee" for Prague.

Even as he spoke the Communists, emboldened by a split in Social Democrat ranks, pushed for an open showdown. The Social Democratic party has held the balance of power in the nation's four-day-old political crisis.

President Eduard Benes is under heavy pressure to let the Communists reorganize the cabinet with their own men.

Protest Removal Austrian Dock Prior To Treaty

London, Feb. 24 (AP)—The western powers protested today that Russia has removed Austria's biggest floating dock, a move they labeled a threat to Big Four agreement on an Austrian peace treaty.

The protest was lodged in the third session of the foreign ministers' deputies preparing for an Austrian treaty. An Austrian government spokesman said the dock was moved to Hungary from Vienna three days ago on orders of Russian occupation authorities and over the objections of Chancellor Leopold Figl.

Soviet Deputy N. P. Korkotomov pressed for an explanation by the other three deputies, said he had no information on the removal but would try to get it, an American observer reported.

Idaho Senator Quitting Party, Follows Wallace

Washington, Feb. 24 (AP)—Senator Glen Taylor of Idaho has kissed the Democratic party goodbye to become No. 3 man on the Henry A. Wallace ticket.

"I am not leaving the Democratic party," Taylor told a radio audience last night. "Wall Street and the military have taken over."

All the major parties offer, he said, is a choice between a Republican twiddle dum and a democratic twiddle dummer.

Taylor said as far as he is concerned that leaves the third party as the place to fight for the principles in which I believe.

"This is in this to win," the 43-year-old Idahoan told reporters at a news conference after his speech. "I have confidence and faith. I think I'll get to be vice president."

The one-time "crooning cowboy" said he agrees with Wallace that "you've got to believe we can work with Russia—or give up hope and prepare for the end of the world."

"I believe Russia will make peace. She has plenty of territory and material. She doesn't want markets."

If Russia seems to be "trying to spread out," he said, it is because of "fear of the rest of the world."

Wallace, the senator declared, "is the only leader we can put forward who has the confidence of peoples everywhere."

Taylor had harsh words for the Democratic organization. Leaving it, he said, will make him "feel good inside."

"I can come out swinging for the things in which I believe," he said, "without fear of stepping on the prejudices or privileges of some unsavory associate... no Paulseys, no oil, no Wall Street, no generals, no privileged few."

Free Men Are At Bay

Watch The Communist Campaign In Czechoslovakia, Its Prototype Has Happened Before, But Nation Is Last Holdout Against The Kremlin In Eastern Europe

By DEWITT MacKENZIE

Little Czechoslovakia's struggle to escape the Communist net—a valiant but tiny state against the might of Red Russia—presents one of the gripping dramas of this day of tragedies.

It's one whose every move we should watch, for it provides a more open view of Bolshevik methods than we have had in most cases heretofore. We have seen plenty of countries grabbed and crushed, but many of the details were concealed behind the Iron Curtain. Now—for the moment, at least—Czechoslovakia's trial is laid bare.

There's a double reason for watching this struggle closely, because from its inception it has been typical of what we know Communist tactics have been elsewhere. What is happening there could happen in the United States or Canada or Latin America if we don't recognize the danger in time and forestall it. It could happen anywhere you can name, with Bolsheviks avowedly out to conquer the world.

Top American diplomatic authorities in Washington view the political upheaval in Czechoslovakia as part of a plan by Moscow to complete its control of eastern Europe. This proud and intensely independent republic is the last holdout among the small nations in the Soviet zone of domination.

What precipitated the immediate crisis was the resignation of eight anti-Communist ministers from the coalition national front government. President Eduard Benes declined to accept the resignations, declaring that the coalition must continue. The eight ministers insisted that the resignations be accepted and that the Communists be allowed to fill their places, but Benes was adamant.

Gottwald promptly threw his Red machine into high gear. His Ministry of the Interior—a Communist—flung his security police before all government buildings and foreign embassies.

Opposition speech was at least partly stifled. Police arrested notable foes of communism. Police armed with machine-guns seized the

Five Burned To Death In House

Glens Falls, N.Y., Feb. 24 (AP)—Four children and a housekeeper were burned to death today after a frantic mother had fallen from a porch roof in trying to save them from their flaming home about 10 miles west of here.

Mrs. Elizabeth Hack suffered severe burns of the arms, hands, back and face. She was reported in fair condition at Glens Falls Hospital.

A son by a previous marriage, Vernin Dunkley, 10, escaped without injury, apparently by jumping from the porch roof of the small, one and one-half story frame house.

Wallace Testifies On European Aid

Declares Peace Demands New Approach Toward Russia; Asserts 'Wall Street' Turned ERP Into 'Blueprint For War'

Washington, Feb. 24 (AP)—Henry A. Wallace told Congress today peace demands a new approach toward Russia and the first step should be: "Some new faces in the Executive branch of the government."

When he named his second step, the third party Presidential candidate removed any doubt he meant a new face in the White House instead of President Truman's.

He said that step "must be a meeting by the new President and the head of the Russian government."

Wallace testified to the House Foreign Affairs Committee in opposition to the Marshall plan for European recovery. He said "Wall Street monopolists" have twisted it into a plan to make slaves of Europe's people. He called it "a blueprint for war."

Rep. Bolton (R-Ohio) suggested that Wallace's new faces plan may be would "entail possible changes in faces at Russian headquarters."

Wallace remarked that it would be "much more difficult to bring about changes there than in this country."

Says Jerusalem In Grave Danger

Chairman Of UN Palestine Body Says City Must Be Guarded

Lake Success, Feb. 24 (AP)—Dr. Karel Liskicky declared today Jerusalem would be "doomed" unless the United Nations guards the Holy City effectively after Britain leaves.

Dr. Liskicky, chairman of the Palestine Partition Commission, also repeated in a personal appearance before the Security Council the commission's plea for adequate military strength to carry out partition.

The commission chairman touched off the council's historic debate on Palestine with a special plea for the safety of Jerusalem after the British end their mandate in Palestine. This is expected to be about May 15.

He pointed to the "grave danger" existing for the Holy City unless provision is made for its safety and voiced "a cry from my heart: 'Let us forget Jerusalem, lest we forget Jerusalem.'"

Pointing out that the proposed free city of Jerusalem is surrounded on all sides by the projected Arab nation, Liskicky said:

"Without free communication with the outer world and without assured supply of the primary necessities of life, Jerusalem would be doomed even with a United Nations governor at its head."

Chiang Kai-Shek Aide Says U.S. Navy Needed

Nanking, Feb. 24 (AP)—Chiang Kai-Shek is meditating, in a mountain hideout, China's crisis—a crisis as acute as that his naval command declared the U. S. fleet must be used to protect northern ports.

A government official, asked to explain Chiang's long absence in one of the most crucial periods in China's history, replied today:

"The generalissimo thinks best when he is alone and undisturbed. Kuling (the summer capital) offers a perfect opportunity for such meditations."

Chiang and Madam Chiang flew to Kuling two weeks ago. He is conferring with some of his top military leaders. Reports indicate they are planning a new master strategy to defeat the Chinese Communists, whose upsurge has engulfed all but the heart of Manchuria.

In Tsingtao, Adm. Kwei Yung-Ching, commander-in-chief of the Chinese navy, told interviewers:

"It is very important that the American navy remain in Chinese waters as long as we are unable to protect the coast." He noted that Tsingtao—headquarters of the U. S. western Pacific fleet—is strategically very important.

"This is particularly so at the present time because Dairen and Port Arthur (major Manchurian ports) are not yet in our control," he added. Both are occupied by Russia under a 1945 Chinese-Russian treaty. The treaty, Admiral Kwei commented, was "stupid, badly bungled."

(In Shanghai, an American traveler just arrived from Dairen said Russian troops remain there "in large numbers," despite Communist reports they had been withdrawn. The Chinese government of Dairen he described as "nothing more than a puppet of the Russians.")

Peiping dispatches from Manchuria said the Reds had encircled Feng, coal mining center 35 miles southeast of Mukden, but said the government still held the town. Another report said fighting raged in the city's streets.

Reflector Subscription Rate Will Increase March First

Subscribers Will Be Permitted To Renew At Present Rates Between Now And That Date

Beginning March 1 the subscription price for The Daily Reflector will increase to \$8.00 per year for all paid in advance mail subscriptions and subscriptions within the city of Greenville. The present 20 cents per week carrier delivery price will not be affected at this time by the increase. The privilege of renewing for one year at the present rate is extended all subscribers until the new rate goes into effect March 1.

The rate increase is necessary because of greatly increased production costs in every department of the newspaper together with the addition of new features and wider news coverage. The overall increased costs of producing the newspaper are far greater in proportion than the proposed increase in subscription rates but it is the desire of the management to hold subscription prices to the minimum in order to make the paper available to every income group in Pitt County.

Under the new schedule of rates a year's subscription will be \$8.00; six months, \$4.25; three months, \$2.25.

U. S. Prepared To Discuss Enforcing Palestine Peace

Dixie Governors Widen Split In Ranks Of Party

Washington, Feb. 24 (AP)—The civil rights war within Democratic ranks raged unabated today, fired by a new attack of Southern governors on the party's high command.

Four Dixie governors, fresh from a meeting with National Chairman J. Howard McGrath, promised to use "whatever means are necessary" to block President Truman's race equality program.

As a clear indication of what they have in mind, the four declared in a formal statement:

"The Southern states are aroused and the present leadership of the Democratic party will soon realize that the South is no longer 'in the bag.'"

Despite his blast, McGrath appeared to feel that he had made some headway against the southern revolt.

He told a news conference he gained the impression that the meeting "resulted in good understanding." He added that he hopes it will "lessen the split in the party."

During the get-together, McGrath said he for one, appreciates the South's loyalty to the party.

"I don't take the attitude they are with us anyway, so the 'I' with them," he told Gov. J. Strom Thurmond of South Carolina, Ben T. Laney of Arkansas, Beauford Jester of Texas and R. Gregg Cherry of North Carolina.

But McGrath said flatly he will not try to have the President's civil rights program withdrawn from Congress as the governors demanded.

Nor will he agree to return to the two-thirds convention rule, under which the South once held a veto over presidential candidates.

McGrath did, however, adopt a more conciliatory attitude on some points during the hour and a half he spent behind closed doors with the governors.

The national chairman said, for instance, that it is "the farthest thing from the President's mind" to set up an FBI police force to go peeping around into Southern race segregation.

That has been a focal point of Southern objections to Mr. Truman's plea for passage of anti-lynch law, anti-lynching, anti-job discrimination and anti-Jim Crow laws.

The President said he has ordered a civil rights division set up in the Justice Department. Agents are being given special training, he told Congress.

Orders Inquiry

With President Truman in the Caribbean, Feb. 24 (AP)—President Truman today directed the Justice Department, the Council of Economic Advisors and the Commerce Department to make a full inquiry into the increase in steel prices.

The orders went out by radio from the presidential yacht Williamsburg, said Eben Ayers, presidential assistant press secretary. Steel prices were increased about \$5 a ton last week.

"The President has noted with concern the increase in steel prices," Ayers told reporters.

"He has directed all interested agencies of the government to inquire into the basis for the price increase and the consequences of it."

Settle Down To German Problem

Marshall Plan No. 1 Topic At Session Of Western Allies

London, Feb. 24 (AP)—The western powers labored today to devise a delicate formula which would guarantee the maximum German economic contribution to European recovery without giving Germans the means to become a military power again.

Two conflicting problems faced the United States, Great Britain and France as they settled down to work out western Germany's future in conjunction with the Benelux countries, invited during yesterday's opening session.

The Marshall Plan was the No. 1 topic at today's session with the Benelux countries slated to take part tomorrow.

Up for immediate discussion was the question of how big a role Germany would be allowed under the Marshall Plan. France and the Benelux countries, Belgium, the Netherlands and Luxembourg, have served notice that:

1. Reparations must be taken against rebuilding Germany's industrial war potential.

2. Germany's recovery must not be stepped up to a rate faster than that of the neighbors she has twice overrun in one generation.

Recommend Sum On Dam Projects

Ask Over \$10 Millions Allotment For Buggs Island And Philpott Dams

Washington, Feb. 24 (AP)—More than \$10,000,000 was recommended by the House Appropriations committee today for Buggs Island and Philpott Dams in Virginia next year.

The committee approved \$9,000,000 for continuation of work on the \$68,000,000 Buggs Island reservoir on the Roanoke River near the Virginia-North Carolina line. It will protect areas in both states when completed.

This multiple purpose dam is expected to be 13 per cent complete by the end of this fiscal year June 30. It was shown in hearings of the Army Civil Functions subcommittee, made public today.

For the Philpott dam on Smith river near Bassett, Va., the committee recommended \$1,700,000. This \$10,500,000 project is expected to be seven per cent complete by the next fiscal year beginning July 1.

The committee also recommended \$25,000 for Hoskins Creek, Essex County, to provide a channel 10 feet deep to the Rappahannock river.

Apprehend Pair After Wrecking Grammar School

Shreveport, La., Feb. 24 (AP)—An 11-year-old boy and his nine-year-old companion told a juvenile court official they wrecked a grammar school here because they liked "the sound of falling glass."

Their identities were revealed to city officials by the father of the older boy.

Jimmy Valentine, chief probation officer for the juvenile court, said the boys told him they accidentally broke a window at the school Sunday. Then, Valentine added, they broke 149 other windows, entered the school, damaged books, chairs, desks, pictures, and a phonograph, and splattered ink and paint over school records.

Who Uses Form W-2

This Is The Second Of Ten Stories On Who Has To Do What About His Income Tax; The Withholding Statement; Three Different Tax Forms; W-2 The Simplest

By JAMES MARLOW

Washington, Feb. 24 (AP)—This tells you who can use Form W-2, the withholding statement, in filing a 1947 income tax return.

But remember there are three different forms that can be used by different taxpayers. They are:

1. Form W-2. Only people who made under \$5,000 can use this. But not all people who make under that amount can.

It's the simplest to use. There is no tax-filing. You just answer a few questions.

2. The 1040 Short-Form. This, too, can be used only by people with income under \$5,000. Those who can't use Form W-2 can use this.

No tax-filing. Find your tax in a table on the back. Answer a few questions.

3. The 1040 Long-Form. People who had \$5,000 or more income must use this. They can't use the other two. You figure your tax with this.

But the under-\$5,000 people some times use the 1040 Long-Form for special reasons, like getting big deductions for medical expenses.

Form W-2 is the receipt given an

Lays Position Before Security Council; Austin Says United States Ready To Follow Council Decision; Sets Forth Three-Point Program Of Immediate Action

Lake Success, Feb. 24 (AP)—The United States today declared its readiness to consult on creation of an international force for Palestine if the United Nations Security Council voted for such a force.

The United States specified that any U. N. force must be "directed to keeping the peace and not to enforcing partition" of the Holy Land.

The U. S. position on the vital Palestine problem was laid before the Security Council by Chief American delegate Warren R. Austin.

"If the Security Council should decide that it is necessary to use armed force in maintaining international peace in connection with Palestine," Austin said, "the United States would be ready to consult under the charter with a view to such action as may be necessary to maintain international peace."

He declared that such consultation would be necessary in view of the fact that no agreements have yet been reached by U. N. members as to how armed forces should be made available for peace enforcement.

Austin then set forth a three-point program of immediate action. He said:

"Although we do not wish to place specific resolutions before the Council at this early stage of the discussion, my government believes we should have in mind the desirability of the following specific steps which the Council might take at once:

"(A) To accept the tasks which the General Assembly asked the Security Council to accept in its recommendation of November 29, 1947 on Palestine subjects to the authority of the Security Council under the charter;

"(B) To establish a committee of the Council, comprising the five permanent members, to look at once into the question of the peace, through the United Nations, in the light of the situation and to consult with the Palestine commission, the mandatory power and representatives of the principal communities of Palestine concerning the implementation of the General Assembly recommendations;

"(C) To call upon all governments and peoples, particularly in and around Palestine, to take all possible action to prevent or reduce the disorders now occurring in Palestine."

Overrules Move For Non-Suit

Greensboro, Feb. 24 (AP)—Judge Frank M. Armstrong of Troy overruled a motion for nonsuit in the \$20,000 damage action of C. F. Huff of Nonoque, Va., against C. Henry Hotel Corporation, and trial of the case went into its second day.

Defense testimony tended to show Huff had been drinking at the time he fell and broke his left shoulder at the entrance to the men's washroom in the basement of the hotel December 2, 1946. The fall was allegedly due to a broken pipe in a step at the washroom door.

Buildings Wrecked

Fochantas, Ark. Feb. 24 (AP)—Five business buildings were wrecked here this morning by an explosion believed to have been caused by escaping gas.

President 'Burned Up' By Sunshine In Tropics

red burn on the President's face, picked up while driving in the sun around San Juan, St. Thomas and St. Croix. On the last trip yesterday Mr. Truman kept his Panama hat pulled down over his forehead.

He said Gen. Graham was using a special ointment on the burn.

There was no word from the Presidential yacht concerning official reaction to the latest disorders in Palestine.

The President is enroute to the U. S. naval base at Guantanamo, Cuba, where, after a brief inspection tomorrow, he will board his plane, the Sevier Cow, for a trip to the naval submarine base at Key West, Fla. He is due in Guantanamo tomorrow.

He expects to spend nine days in Florida combining work with pleasure. Members of his staff, including Special Counsel Clark M. Clifford, Presidential Assistant John R. Steilman and Fleet Admiral William D. Leahy, and secretaries Matthew J. Connelly and William D. Hassett, are with him.

The Williamsburg, the Presidential yacht, was making better than 14 knots, following a course to the south of Haiti instead of taking the shorter route to Guantanamo, in order to find calmer waters.

Delegate Quits Palestine Body

Lake Success, Feb. 24 (AP)—Senator Vicente J. Francisco, Philippine delegate, said today he had resigned from the United Nations Palestine commission.

Francisco's resignation followed the disclosure last week of growing friction within the five-member commission which has the task of partitioning the Holy Land.

He said he would continue to serve on the commission until his government named a successor.

Birth Announcement
Mr. and Mrs. W. W. Brown announce the birth of a son, Donald Claude, on Saturday, February 14, 1948.

Eastern Star Notice
The Eastern Star is sponsoring a Stanley Products party Wednesday night, February 25, at 8 o'clock in the Masonic Hall.
All members are urged to be present and to bring one or more guests.

Thalian Book Club
Mrs. Dan Wright was hostess to the members of the Thalian Book Club on Tuesday, February 17, at a delightful luncheon meeting at her home on East Fourth Street.
In the absence of the president, Mrs. Ed Waldrop, vice president, presided over a short business meeting. Mrs. B. B. Sugg, Jr., was then introduced as the speaker for the afternoon. Mrs. Sugg read a very interesting and enlightening paper

T-MEN
TOUGH — TENSE!
PITT: THURSDAY-FRIDAY

on "North Carolina Literature." In addition to the writers born in North Carolina she included many from other states who like North Carolina so much that they have made their homes here to do their writing.
Books were exchanged and the meeting was adjourned.
Mrs. Wright had Mrs. Thomas Gucker of Boston, Mass., as her guest.

No Prayer Meeting at the Presbyterian Church
There will be no prayer meeting at the Presbyterian Church Wednesday evening due to the Presbyterian wide meeting of elders and ministers in Rocky Mount.

Notice V. F. W. Members
There will be a business meeting held Thursday night, February 26, 1948, at 7:30 for members of Charles Gray Morgan Post 7032 of Veterans of Foreign Wars. This will be the last meeting of the Blue and Green drive, so be here for the results.
WALTER E. LEWIS, Commander

Christian Church Choir to Meet
The choir of the Eighth Street Christian Church will meet at the church Wednesday at 7:30. It is very important that every member attend.

Greenville Garden Club
The Greenville Garden Club held its regular monthly meeting at the club house on Friday afternoon, February 20, Mrs. W. J. Stell presiding.
Mrs. J. B. Spilman reported that dogwood trees would be planted this spring.
Mrs. H. L. Rivers asked for names of those desiring the services of a tree surgeon.
Mrs. J. H. B. Moore reported on labeling japonicas on the college campus.
"Seeds For Peace" was discussed and the Garden Club voted to give \$7.50 to this.

was discussed and the club voted to make new plans to take care of this.
It was announced that the March meeting would be under the auspices of the Wild Flowers committee of which Mrs. Travis Hooker is chairman.
The radio program, weekly broadcast of the Garden Club, will be given at 1:45 Wednesday.
Following the business the members were invited to the beautifully decorated tea table. Table decorations and refreshments carried out the George Washington's birthday motif with red and white candles and red and white carnations and blue dutch irises and sandwiches cut in the shape of miniature hatchets. Mrs. Sam White was chairman of the hostess committee.
After this, slides were shown of the beautiful Bellingrath Gardens.

District Meeting of Royal and Select Masters

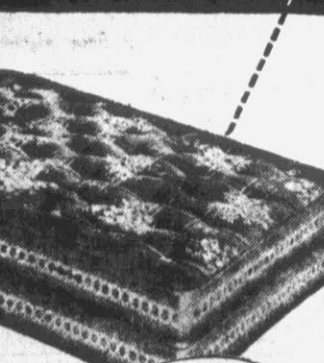

Provincial Grand Master Garrison A. Farson of New Bern, N. C., will convene a district assembly Royal and Select Masters at Greenville on Thursday night, February 26, at 7:30 for the purpose of the regular district business and to confer the degrees of Royal and Select Masters on a class of candidates. Delegates and candidates are expected from several Eastern Carolina councils.

Supper will be served at the Temple at 6:30 by the ladies of the local Eastern Star chapter.

The business session will be the first order of business after which the crack degree team of New Bern will confer the degrees. Twenty-five year certificates will be presented to the following: Lester Jones, F. P. Corbett, C. F. Perkins, W. J. Little, N. C. Brooks, L. R. Whichard, W. P. Overton, H. S. Ragsdale, W. Z. Morton and W. Hill Herne. Past Grand Master and Past Grand Commander of Knights Templar, A. East Illustrations asters Certificate will be presented to A. C. Tadlock.

Greenville Art Gallery
The Greenville Art Gallery now has an exhibit of which it is particularly proud because it is the work of a local artist, Miss Jean Lane, head of the Art Department at E. C. T. C. Many visitors have viewed these paintings and a great interest has been created by two gallery talks given by the artist.
This exhibit is comprised principally of water colors with a few oils, one wood carving, one silk screen print, one stencil and some book cover designs. These all show a variety of subject matter well handled. The silk screen and stencil are children's pieces and one wishes the artist had done more of that type in any medium because of her

40 Years Ago Today

THE DAILY REFLECTOR
February 24, 1908
K. W. Cobb and A. J. Moore spent Sunday in Washington.
A. M. Moseley went to Ayden today.
Mrs. G. E. Harris left this morning for Wilmington.
The river is well outside its banks. The air feels like it is coming off of snow, even if there is none in sight.
The coal dealers are about to run out of fuel, but cold weather is not gone.
The lengthening days now bring the evening in C. L. train in early enough to attract the large Sunday crowds to the depot.

apparent aptitude for such.

Her water colors show a great sense of color combination, arrangement of forms and balance. There is also a feeling for various aspects of nature whether rocks on the Maine coast, a spray of rhododendrons or grey mist dropping from eastern Carolina trees. Generally her technique is modern with at least one arrangement suggestion of Cezanne.

Miss Lane is to be congratulated that she is able to have such a comprehensive show while busily engaged in teaching as many teachers cannot combine the two. The exhibit will continue until March 8.

English Exchange Teacher Talks
Miss Minna Clothier, who is teaching the fifth grade in Tarboro this year, spoke at a joint meeting of the American Association of University Women and the local chapter of Delta Kappa Gamma, on Monday evening, February 23. She talked in a most informal and delightful way of her observations and experiences in North Carolina this year, and went on to explain the English school systems, both state and private. She touched briefly on the difficulties of teaching school in London during the blitz and the flying bomb periods of the war, and told several touching and amusing incidents which occurred then. Miss Clothier went into some detail about rationing and price controls which are still in effect in England. Food, clothing and furniture are still obtained only by coupons, and in very limited quantities. She said that there will be no "new look" in most English women's wardrobes for some time to come, she fears. On the whole, the poor quality of most articles obtainable, discourages anyone in shopping, and there are queues in front of shops whenever there is any sale of "pre-war" goods. Most of the high quality merchandise being made in England now, is for export trade only, and there is a 33 1/3 per cent tax on sporting goods, kitchen utensils, etc., a 50 per cent tax on cosmetics and most drugs; and a tax of 125 per cent on furs and jewels. A pack of 20 cigarettes costs about 68c in England now. A person with an income of 500 pounds (about \$2,000) enjoys 130 pounds free of tax, pays one-third of the next 150 pounds in taxes and one-half of the remaining 250 pounds. Persons with large incomes

pay as much as 98 per cent in taxes.

Following Miss Clothier's talk, the group was invited by Miss Elizabeth Walker, president of the Delta chapter of Delta Kappa Gamma, to a social hour in the alumni office in Austin building, where Miss Clothier continued to answer questions on educational problems.

A brief business session preceded Miss Clothier's talk, with Miss Emma Hooper, president of the local branch of A. A. U. W., presiding. The state president of both organizations were present at the meeting. Dr. Lucille Turner of Delta Kappa Gamma, and Mrs. Robert Lee Hunter of the American Association of University Women.

The two organizations voted to send two letters to congressmen, endorsing the Eaton plan.

Grimesland P. T. A.
The Grimesland Parent-Teachers Association will meet in the school auditorium on Thursday night, February 26, at 7 p. m. The program for the evening will be conducted by Mr. W. E. Little of the Agriculture department and will be on the subject "Visual Education in the Public Schools." All patrons and friends of the school are urged to attend.

Red Oak News

Twenty-two members and visitors were present at the February meeting of circle No. One of Red Oak which was held at the home of Mr. and Mrs. J. T. Manning last Wednesday night.

A warm fire and a cheerful atmosphere greeted the guests as they arrived. The meeting was presided over by the president, Mrs. Ola Kittrell. Mrs. H. R. Allen gave the minute of the last meeting and also gave a very gratifying treasurer's report.

Mrs. William Stocks gave the devotional for the evening and several hymns were enjoyed. One of the members gave a reading and a poem which seemed to be enjoyed by all present.

The meeting will be held at the home of Mr. and Mrs. H. F. May on the 3rd Monday night in March at which time our "unknown friends" will be disclosed and we will draw new names.

Delicious refreshments of jello and whipped cream, nuts and homemade fresh coconut cake were served by the hostess.

Mrs. William May, nee Miss Clara Edwards, is organizing a choir at Red Oak Church. We held the first meeting Saturday night, but due to unfavorable weather there were only a few in attendance. We had about 25 present for choir practice Sunday morning and we will

Visiting Cards
Best Jewelry Co.
"Your Jeweler"

have our next regular choir practice next Friday night, February 27, at 7:30. All who will help in the choir are invited to be with us at that time.

We are looking forward to our fourth "hymn festival" next Sunday afternoon at 3:30 at Reedy Branch Church. We are expecting the choirs from Mt. Pleasant, Bell Arthur, Red Oak, Piney Grove and Reedy Branch to be present and we invite everybody who loves good old-fashioned hymn-singing to come and enjoy this hour of fellowship with us.

Mrs. C. W. Bright, Mrs. H. W. Nobles and Miss Annie May entertained at a miscellaneous shower at Red Oak club center last Friday evening in honor of Mr. and Mrs. William May who were recently married.

The club building was attractively decorated with ivy, greenery and white gladioli. The table was centered with a lovely arrangement of ivy, fern, white narcissus and a miniature bride and groom.

The guests were greeted at the door by the hostesses and registered in the bride's book which was presided over by Mrs. Jack Edwards. Several stunts were enjoyed, one especially, when several men and women modeled the "make believe" wedding clothes of the bride and groom.

In another stunt, believe it or not, Mrs. Travis Crawford and Miss Grace Tripp couldn't find a word to say. A certain talkative lady got most of the "applause."

Many lovely gifts of silver, crystal, china and other useful things were presented to this young couple. We are glad to welcome Mrs. May into the community and we wish for both of them a long and happy married life.

Mr. and Mrs. B. L. Tyson and Allice Leota Edwards attended a youth fellowship club at the Grimesland Methodist Church last Sunday night.

Several people from the neighborhood and other sections of the coun-

ty have said they have been missing this little news from Red Oak. We appreciate that for we thought maybe you were tired of reading about all the things we do out here. But we will try not to let you down any more.

Circle No. 2 met at the home of Miss Grace Tripp Sunday night with several interested members in attendance. After a devotional period and business meeting, Mrs. W. C. Jenkins conducted a Bible Quiz and several other interesting games. Delicious refreshments were served by the hostess.

Misses F. L. Allen, Ola Kittrell, Leon Tyson, Scott Heath and Mr. Credle of Swanquarter went to Suffolk Monday.

Between 1920 and 1939 it is estimated that Americans spent more than \$8 billion as travelers in foreign countries.

More than 100 million fingerprint records are kept by the identification division of the FBI in Washington.

Hundreds Pay Tribute At D.M. Clark Funeral

Final rites for David M. Clark, for the past 21 years solicitor of the Fifth Judicial District, were held in the Jarvis Memorial Methodist Church here at 3:30 Monday afternoon following interment in Greenwood cemetery. Mr. Clark died in a Richmond, Va., hospital early Saturday morning. The services were conducted by Rev. Robert W. Bradshaw, pastor of Jarvis Memorial Church, Dr. Richard E. Hardaway, pastor of Memorial Baptist Church, and Dr. T. M. Orant, former pastor of Jarvis Memorial Church and now District Superintendent of Rocky Mount.

Active pall bearers were the following nephews: Felix W. Graves, Jr., Mebane; Bruce King, Goldsboro; William G. Graves and W. A. Alridge, Burlington; Edward T. Graves, Siler City; Edward, Foye and David Clark, of Mount Airy.

As the body lay in state in the church, surrounded by one of the largest floral tributes ever seen in this city, for two hours before the services, numbers of persons including members of both races passed the open coffin as a mark of respect to the deceased public official. County and city offices were closed during the afternoon for the funeral. The church was filled to overflowing by persons from throughout this section of the state.

Honorary pall bearers headed by members of the State Highway Patrol from the eastern section of the state and local city and county law enforcement-officers, included members of Pitt County Post of the American Legion, members of the legal profession and law enforcement agencies throughout the district and close friends.

Typical of words of praise and

Robt. L. Little Died Yesterday

Robert Lee Little, 74, one of Pitt County's most progressive farmers and outstanding civic leader of the Grimesland community died at 2 p. m., yesterday after a long illness of nearly four years. Mr. Little was an influential leader of Pitt County. Throughout his active life he was vitally interested in cooperation among the agriculturists of the State and better education for all youth.

He was born and reared in the Winterville community of Pitt County. The son of C. L. Little and Susan Little, Mr. Little obtained his early education in the Winterville Academy and at Greenville. From Greenville he entered Wake Forest College and studied until 1903. After leaving Wake Forest Mr. Little returned to Pitt County where he taught in the public schools for several years. In July 26, 1905, he was married to Mamie Virginia Galloway, the daughter of the late W. H. and Susan Little. Soon after his marriage he moved to the Grimesland community where he became engaged in farming.

While carrying on his farming operations Mr. Little became an officer and the state's most active supporter in the Farmer's Union. When the Farm Bureau was established he devoted his full strength in promoting its growth. While being affiliated with farm organizations Mr. Little took time out for educational progress in the county. He

tribute expressed by hundreds are the following excerpts from three of the telegrams:

"x x x We are comforted in the thought that his patriotic services and unselfish labors will stand as a lasting memorial to his industry, skill and ability."—Walter P. Stacey (Chief Justice, North Carolina Supreme Court.)

"x x x Dave Clark was an able public servant and performed his duties as solicitor in a most efficient manner."—R. Gregg Cherry (Governor of North Carolina.)

"x x x He made a notable record as solicitor and in other public positions and his death is a great loss to North Carolina."—J. M. Broughton (former Governor of North Carolina.)

Mr. Clark's survivors include his wife, the former Miss Myrtle Brogdon, a son David M. Clark, Jr., student at Wake Forest College, a daughter Miss Catherine Clark, of this city, and a sister Mrs. Felix Graves Sr. of Mebane.

Immediate relatives here for the funeral were Mr. and Mrs. Felix W. Graves Sr. and Mr. and Mrs. Felix Graves Jr., of Mebane, and Mrs. Bruce King, of Goldsboro; William G. Graves and W. A. Alridge, of Burlington; Edward T. Graves, Siler City; Mrs. Burr Patchell, Wake Forest; Mrs. A. L. Clark, and Messrs. Edward, Lillington, Foye and David Clark, Mount Airy, and Miss Nettie Brogdon, Jacksonville, Fla.

Cardinal Warns Against Voting For Communism

Milan, Italy, Feb. 24.—(AP)—Roman Catholics of Milan have been warned by their cardinal that a vote for Communism is illicit.

Alfredo Delfonso Cardinal Schuster, the Archbishop of Milan, issued the warning in a pastoral letter published Sunday.

At the same time, he directed the priests of his archdiocese, which includes the heavily leftist regions of Milan, the nation's industrial capital, to deprive Communists of absolution.

"It is gravely illicit," his letter said, "for all the faithful to give their own votes to candidates or to a ticket which is manifestly contrary to the church or to the application of Christian religious and moral principles in public life."

Cases Tried In Police Court

The following cases were disposed of in Police Court yesterday:

Driving while drunk: Charley Briley, \$100 and costs and driver's license ordered revoked for a year. Drunk: Edgar Cope, \$15; Elbert Whitehurst, 30 days on the roads; Ernest Jenkins, colored, \$15; Robert H. Harrington, colored, 30 days on the roads; Tom Williams, colored, \$15; Samuel A. Harris, \$15.

Violating liquor laws: Robert B. Watson, six months at County Home. Breaking, entering and larceny: Johnny B. Taylor, colored, probable cause, bound over to Superior Court, bond, \$1,000.

Assault with a deadly weapon: Minnie Hardy, \$15.

Assault: Pate Wooten, \$15.

Reckless driving: Charles Dickens, \$20.

J. E. Whitehurst Died In Florida

Mr. J. E. (Ed) Whitehurst, 77, died at his home at Leesburg, Fla., this morning at 5 o'clock. Funeral services and burial will be in Greenville at a time to be announced later.

Mr. Whitehurst was born near Lees. He was a farmer. He had lived in the Greenville and Beluel communities until he went to Florida about three years ago. He was a member of the Methodist Church.

Surviving are his wife, Mrs. Cary Moore Whitehurst; a son, L. A. (Pinkie) Whitehurst of Greenville, and two daughters, Mrs. J. E. Davis of Fredericksburg, Va., and Mrs. Mary A. Crandall of Washington, D. C.; one grandson, Parlin Crandall of Washington D. C., and three brothers, L. F. and D. C. Whitehurst of Hobgood and G. V. Whitehurst of Robertsonville.

SHORTHAND INVENTOR DIES
New York, Feb. 24.—(AP)—John Robert Gregg, 80-year-old inventor of the shorthand system that bears his name, died yesterday. He was a former president of the National Arts Club.

Free Men . . .

(Continued From Page One)
headquarters of the anti-Communist Czech National Socialist Party. Czechoslovakians to all intents were confined to the country by a Ministry of Interior order requiring new visas on passports.

In short, Czechoslovakia was transformed into what amounted to a police state. Appropos of this it should be noted that this was made possible by the fact that the Communists hold the Ministry of the Interior, which controls the police. In taking over a state one of the first things the Communists always reach for is this ministry.

The big questions now are: Will the Russians dare challenge world opinion by using force to take over this small, thirty-year-old republic? If the Bolsheviks do use force, will the people fight? Or if the citizens have the determination to fight, will they have the strength? This is a crucial moment for the future of free men.

Biggs T. Cannon Dies In Hospital

Biggs Thomas Cannon, 65, well known tobacco warehouseman, died at Rex Hospital, Raleigh, this morning at 1:30 o'clock. He was injured in a fall at the Dixie Warehouse on February 12 and had been critically ill since that time.

Funeral services will be conducted at the home, 113 Paris Avenue, Thursday afternoon at 3 o'clock by Rev. J. A. Nelson, pastor of Immanuel Baptist Church, assisted by Rev. A. Hartwell Campbell of Dunn, a former pastor. Burial will be in Greenwood Cemetery.

Mr. Cannon was born and reared near Ayden. He came to Greenville in 1926 to live. He had been engaged in the tobacco business the past 43 years. He was a senior member of B. T. Cannon & Sons, operators of the Dixie and Cannon's warehouses. For the past two years he had operated an auctioneering school in Greenville. He was a member of the Greenville Tobacco Board of Trade and the Immanuel Baptist Church.

Surviving are his wife, the former Phoebe Jackson of near Ayden, to whom he was married in 1904; a daughter, Mrs. Carlton Dail, and two sons, William and Tom J. Cannon, all of Greenville; five grandchildren, Alvin L. and Biggs Thomas Cannon II, Della Raye Dail, Alice Mae and Billy Cannon, all of Greenville; three brothers, Richard, Roland and Thad Cannon, all of Ayden; and four sisters, Mrs. Sudie Manning, Mrs. Claude Cannon, Mrs. Sudie Smith and Mrs. Charlie Stokes, all of Ayden.

Declares State Was Partly Responsible For Embezzlement

Charlotte, Feb. 24.—(AP)—A four-month suspended sentence was passed out here yesterday to a former drivers license examiner charged with embezzlement after the prosecutor had deplored the low salary paid him by the state.

Solicitor Basil Whitener asserted the state was partly responsible for actions of Roland W. Myrick, the examiner, who was charged with misappropriating state funds paid him by license applicants.

"How could the state expect a man to support himself, his family and care for emergencies, such as happened to Myrick when sickness suddenly developed, on \$150 a month?" Whitener asked the court.

DIES ON BIRTHDAY
Gettysburg, Pa., Feb. 24.—(AP)—George Washington White died on Washington's birthday.

White, a resident of nearby Littlestown, was born 86 years ago on Washington's birthday.

In Peru are great walls built by the Incas in which there is no mortar, but with stones fitted so closely that a knife blade cannot be inserted between them.

IT'S NO FUN to drive with POOR LIGHTS

Don't put up with dim, misadjusted lights—when you can enjoy driving with bright, properly focused lights—it costs no more in battery power. Our new Bear Headlight Tester is a scientific instrument that quickly tells how strong your bulbs are—whether they are in focus and what adjustments are necessary to obtain proper lights for safe, comfortable driving.

You'll be amazed at the difference a few simple adjustments can make in your headlights. This new tester gives an accurate test — no guesswork. It checks and double checks all adjustments. We guarantee the service. Stop in for a free check-up today.

Strength FOR THE DAY

THE PERENNIAL QUERY
If a man die, shall he live again? This question has been asked through the ages. It has haunted the human mind. Long before the Christian religion got started, high-minded men in all parts of the world were making this query. The Egyptians had a very confident belief about immortality. The Greek philosophers several centuries before Christ was born dilated much on this theme. Through the centuries men of much learning and little have reflected at length on this vital matter.

Common sense tells us that God would hardly go to the pains to create human life only to wipe it out after a few brief years. Also the whole of human life and institutions appears to be characterized by incompleteness. Something is needed beyond the reaches of our restricted world to finish what is here begun. Man hungers for immortality, and since there is a natural hunger there must be something provided somewhere in the universe to satisfy that hunger.

But religion goes beyond philosophy. Reason makes immortality plausible, but does not prove it. In fact, such a belief cannot be proved in the mathematical sense. It must be accepted on faith, and when it is so accepted, it proves itself amid the experiences of life. For the philosopher immortality is a hope; for the man of faith, it is a living reality.

OBJECT LESSON

There was an object lesson in highway safety recently, when roads were covered with ice and snow. There were no traffic accidents in Pitt County resulting in death or serious injury.

Motorists knew that roads and streets were in their most dangerous condition, but accidents of any kind were almost non-existent.

The reason is plain: Drivers were more cautious than usual.

Sane driving should not be limited to only a few days of the year, it can be an everyday affair.

SCIENTISTS KNOW!
Who are known today as "The League of Frightened men"?

They are the atomic scientists, the men who brought the atomic bomb into the world, the men who above all others comprehend the true significance of the destructive weapon.

These scientists today argue that our hopes for survival, if nothing else, should make us demand and get adequate international controls of atomic energy.

Because of their dread for the future, scientists have striven to educate the public on the catastrophe, or possible millenium which, figuratively speaking, is just around the corner.

Many of them have taken their crusade out of the laboratory and into a new field, that of public affairs. The strange spectacle of scientists in politics has earned for them another nickname, "The Reluctant Lobby."

The National Committee on Atomic Information lists three ways in which the individual can help prevent atomic war:

(1) Inform yourself, study reasons for the scientists' conclusions that there is no

lasting secret, no security in defense or superior strength, and that there must be world control;

(2) Talk the problem over, through discussion with friends clarify your own thoughts;

(3) Try to understand the viewpoints of other nations, work to win not arguments but agreements.

It's up to you.

WASHINGTON LETTER
By JANE EADS

Washington — Vernon Lawson Clark, who has been handling one of the biggest jobs in the government — the task of getting a nation of spenders to save. And he doesn't get paid for it.

Heading the Treasury Department's new "security loan" drive to "fight inflation," Mr. Clark donates his services to Uncle Sam.

An official of a Des Moines cabinet veneer wood company, he has been guiding the peace-time selling of bonds since Jan. 1, 1946, when he was appointed national director of the U. S. Savings Bonds Division. Close to \$7,000,000 worth of bonds were bought last year.

The new drive, an intensification of the usual bond sale efforts, revives some wartime bond selling campaign techniques. It is one of the measures President Truman listed in his anti-inflation proposals to Congress last November.

These are the same bonds, purchasable at the same rates as Americans bought during the war and after.

Mr. Clark says he felt the call to serve the government a challenge that no public-spirited American could refuse to accept.

"We are a nation of spenders. We

want to have everything we want. Yet everyone wants security," he says.

Goals for the drive are to be set at a conference here March 18-20 which will be attended by leaders of volunteer savings bonds salesmen and saleswomen to be mustered over the nation.

Mr. Clark estimates some 6,000,000 men, women and youths will make up the volunteer forces. He urges Americans to:

1. Invest in payroll savings, buying the security bonds on the installment plan at the place where they work; and (2) sign up at their banks for regular systematic bond purchases from their checking accounts.

A handsome man in his early 60s, with keen grey eyes and a sunny smile, Mr. Clark was born in Selma, Neb., brought up and educated at Des Moines. He worked in the advertising departments of Des Moines newspapers, later sold flour and finally got into the lumber business.

He is a widower with one son, Robert V. Clark. He lives in a Tudor style home surrounded by 50 acres on the outskirts of Des Moines. Here, rather than his friends come to see him than go places to see them. He's an enthusiastic tennis player, likes bridge but says he'd rather not talk about his game.

Women IN THE CHURCH
By Mary Fowler

To enlist in churches and Sunday schools the thousands of boys and girls in Minnesota's rural areas who were not receiving religious training, and to train teachers for these and other children, the Minnesota Council of Churches, aided by the Minnesota Council of Church Women, began a campaign three years ago. Two trained workers, Mrs. August Beck and Miss Frances Myers, as a result are now actively engaged in helping community leaders, school officials, and churchmen organize and teach the young people. Their work has not been confined to Sun-

day schools; they have started vocational schools, craft classes, recreational units, and even have inspired the reopening of closed churches.

A growing literary figure in the Chinese Literary Renaissance, which began in the 1920s and has taken new life in the post-war years, is a young Christian woman, Wangying Hsien (Mrs. Wen-tao Wu) whose writings include poetry, novels, short stories and articles. Mrs. Wu, a native of Foochow, was educated at Yenching Woman's College, Peking, where she became a Christian, and at Wellesley College. She began writing and publishing verse when a freshman at Yenching, and the volume and quality of her work has grown steadily. She writes under the pen-name of "Ping Hsien" (Ice Heart). In 1941, Mrs. Wu was elected a member of the People's Political Council. Her husband is in government service.

Miss Mildred Paine, of Albion, N. Y., who before the recent war carried on a social service work among the scavengers on the outskirts of Tokyo, Japan, in the name of the Methodist Church of which she is a missionary, is now back in Japan in similar service to women and children. In Taura, a suburb of Yokosuka, she carries on the Christian Social Center in what was once a navy officers' club. Miss Paine has a "flourishing Sunday school, an educational service for children, a sewing class (which is making dresses for children out of what was formerly Japanese naval flags), a group making repairs for relief, and an English night school. Plans are under way to add a troop of Boy Scouts, some boys' clubs, and a youth meeting.

Haiti, with 3,000,000 people, is said to be the most densely populated independent nation in the world.

NOTICE OF SALE OF LAND BY TRUSTEE
Under and by virtue of the power of sale contained in that certain Deed of Trust executed by Roy Ross and wife, Virginia Ross, to W. W. Lee, Trustee, dated the 16th day of September, 1946, and recorded in Book T-24, at page 477, in the Office of the Register of Deeds of Pitt County, North Carolina, default having been made in the payment of the indebtedness thereby secured, the undersigned Trustee will offer for sale at public auction to the highest bidder for cash at the Court House door in Greenville, Pitt County, North Carolina, at 12:00 o'clock, Noon, on Wednesday, March 17, 1948, the property conveyed in said Deed of Trust, described as follows: Beginning at a stake on the south side of Douglas Street, 229.9 feet westerly of the southern intersection of Douglas Street and Vance Street, said stake being the northeast corner of the James E. Wilson lot; thence in an easterly direction along the southern property line of Douglas Street 38 feet; thence in a southerly direction and parallel with the house on the lot herein conveyed and along the Dock Brown line 93 feet, more or less, to the southern boundary line of Lot No. 4; thence in a westerly direction along the southern boundary of Lots Nos. 4 and 5, 37.4 feet to the James E. Wilson corner; thence along the said James E. Wilson line North 13 East 93.9 feet to the southern property line of Douglas Street, and the point of beginning, and being a part of Lots Nos. 4 and 5 in Block 'K' of the Cherry View Subdivision, as shown on map prepared by Henry L. Rivers and recorded in Map

Book No. 2 at page 148, of the Pitt County Registry, and being a part of the property conveyed by E. Hoover Taft, Jr., et al., by deed dated January 21, 1946, and recorded in Book G-24, page 368, of the Pitt County Registry, and being the identical property conveyed to Roy Ross by S. Reynolds May and wife, by Deed dated September 27, 1946.

This sale will be made subject to all outstanding taxes and municipal assessments.

This the 16th day of February, 1948.

W. W. LEE, Trustee
J. B. James, Attorney
Feb. 18-17w-4wks

NOTICE
In The Superior Court
North Carolina
Pitt County
Blanche Bell Robertson
Vs.
Isiah Robertson

The above named defendant, Isiah Robertson, will take notice that an action entitled as above has been commenced in the Superior Court of Pitt County, North Carolina, by the plaintiff to secure an absolute divorce from the defendant upon the ground that plaintiff and defendant have lived separate and apart for more than two years next preceding the bringing of this action; and the defendant will further take notice that he is required to appear at the office of the Clerk of the Superior Court of Pitt County, in the courthouse in Greenville, North Carolina, not later than twenty days after February 21, 1948, the last date of publication hereof, and answer or demur to the complaint in said action, or the plaintiff will apply to the Court for the relief demanded in said complaint.

This 30th day of January, 1948.

H. L. LEWIS, Jr., Asst. Clerk
Superior Court.
William J. Bundy,
Attorney for Plaintiff.
Jan. 31-17w-4wks.

NOTICE OF COMMISSIONER'S SALE OF TIMBER AND FARM LANDS
Pursuant to the authority vested in the undersigned Commissioner by an order duly signed and entered on January 16, 1948, by Honorable D. T. House, Jr., Clerk of the Superior Court of Pitt County in a certain special proceeding pending in said court entitled, "Guaranty Bank and Trust Company, Guardian of the Estate of Beaman A. Boyd, Vs. Florence E. Boyd and others," the same being S. P. No. 4903 on the Docket of said Court, the undersigned commissioner, will on Wednesday, February 25, 1948, at 12 o'clock, Noon, at the courthouse door in Pitt County, N. C., offer for sale and sell to the highest bidder for cash, subject to confirmation by the Court, the following described timber and lands, to wit:

1. All of the standing timber of every kind and character of the class of 18 inches or more in diameter when measured 12 inches above the general level of the ground, now standing and being on the tracts of land hereinafter described in this notice, with a term of three years granted to the purchaser in which to cut and remove said timber from said land, and the right of ingress and egress thereto upon the roads through said land.

2. (a). That certain tract of land situated in Greenville Township, Pitt County, N. C. lying on the North side of Tar River, beginning at a cypress corner of the Elisha Briley land, and running S. 7 W. 36 poles and 17 links, thence N. 89 1-2 West 4 poles and 17 links to the canal, thence with said canal S. 15 E. 13 poles, thence S. E. 24 poles and 10 links, thence S. 30 1-2 E. 25 poles to the canal bridge on the road, thence with the road N. 23 1-2 degrees 144 poles to the fork of the road, thence with the other road N. 60 W. 26 3-4 poles to Elisha Briley's line, thence with his line S. 3 3-4 W. 50 poles to an oak stump, thence N. 87 1-2 W. 54 poles to the beginning, containing 26 acres, more or less, and being a part of the land described in deed from Wright Jones to Boston N. Boyd and wife, Mary G. Boyd, dated January 14, 1932, and recorded in Book B-19 at page 138, Pitt County Registry.

The tobacco allotment for the year 1947, 9.7 acres.

The timber as described on said

page 138, Pitt County Registry.

(b). That certain tract of land in said County and State and beginning at a corner of Lot No. 3 of the J. W. Fleming land division on the road, and running with said lot to House's line, thence S. 53 1-2 E. 18 poles to House's corner, thence S. 26 3-4 E. 26 poles to a stake in House's line, thence S. 21 W. to Kenneth Fleming's corner, thence with his line S. 33 1-4 W. 64 poles to the road, thence with the road to the beginning, containing 60 acres, more or less, and being a part of the land described in deed from Wright Jones and Bettie Jones to Boston N. Boyd and wife, Mary G. Boyd, dated January 14, 1932, and recorded in Book B-19 at page 138, Pitt County Registry.

(c). That certain tract of land in said County and State, lying on the South side of the road and beginning at the corner of Lot No. 3 and running with said lot to David Fleming's line, thence with his line to a stake N. 14 E. on the road, thence with the road to the beginning, containing 22 1-3 acres, more or less, and being a part of the land described in deed from Wright Jones and Bettie Jones to Boston N. Boyd and wife, Mary G. Boyd, on January 14, 1932, and recorded in Book B-19 at page 138, Pitt County Registry.

The tobacco allotment for the year 1947, 9.7 acres.

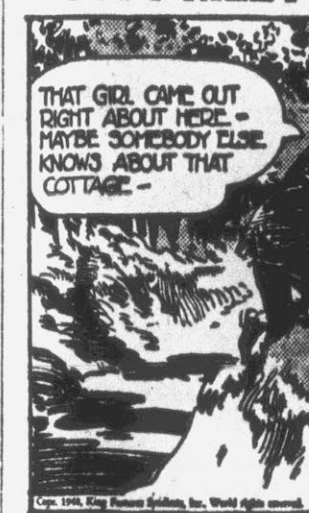

The timber as described on said

Louisiana Rivals Reach Showdown At The Polls

New Orleans, Feb. 24—(AP)—Both sides predicted victory today as one of Louisiana's bitterest political feuds reached a showdown at the polls.

Rival candidates for governor in a Democratic runoff primary election are Sam Jones, leader of the state's reform forces, and Earl K. Long, who has the support of the followers of his late brother, Senator Huey P. Long.

About 600,000 party members are expected to vote. The winner is assured of victory in the routine general election next April.

It is the second head-on clash between the two former governors. Jones won out in 1940 when Long opposed him with the Louisiana scandals still fresh in the minds of the electorate. Long had succeeded to the governorship upon the resignation of Richard W. Leche. No charges were brought against Long personally but the old Huey Long organization was reeling from the impact of the prosecutions.

Today, Jones is fighting an uphill battle. Long led him by 120,000 votes in a preliminary election Jan. 20 when he polled more than 41-1/2 percent of the total vote. He missed a majority by 109,400 ballots and the second primary campaign has been directed largely at the 229,323 voters who supported the two eliminated office-seekers—Judge Robert F. Kennon and U.S. Rep. Jimmy Morrison.

The campaign was enlivened by charges of income tax fraud. In Washington a rules committee recommended an investigation but action by the House in advance of today's election was blocked.

Fire Threatened London's Tea

London, Feb. 24—(AP)—London had a pretty bad scare last night. Fire threatened the city's tea.

A blaze was reported in a dock-side warehouse which an official said held all of London's tea ration. Twenty fire trucks responded and firemen throughout the city were ordered to stand by. They saved the tea.

241 MENTAL PATIENTS TO BE SWAPPED FOR 200

Geneva—(AP)—The International Refugee Organisation announces that arrangements have been completed for the exchange of 241 Polish mental patients in the British zone of Germany for 200 German mental patients in Poland.

OIL MAN—Michael L. Benedum (above), 78, noted for his oil wildcatting, has announced a new venture—drilling in the Gulf of Mexico, off Texas, from huge floats.

\$7 Millions In Notes Permitted Power Company

Raleigh, N. C., Feb. 24—(AP)—The State Utilities Commission yesterday gave the Carolina Power and Light Company permission to issue \$7,000,000 in notes to pay outstanding bank loans and help finance a three-year expansion program.

The company obtained permission to issue \$7,000,000 in 10-year promissory notes to the Equitable Life Assurance Society of the United States.

The company said this will enable it to pay the \$2,500,000 balance of its outstanding bank loans when they mature April 15 and to finance in part a \$25,000,000 expansion program which started last year.

This year's expansion will include: A 120,000-horsepower steam generating plant near Lumberton; a 125,000-volt line from Raleigh to Roxboro; and general improvements throughout company territory.

Formally Leave National Party

Ridgeland, S. C., Feb. 24—(AP)—Jasper county Democrats were formally outside the National party today following action last night by a special county Democratic convention.

The convention's more than 1,500 men and women, jamming the high school auditorium, unanimously approved the withdrawal resolution presented by the county executive committee.

Only four members of the convention expressed opposition to the resolution, presented by executive committee Chairman H. Klugh Purdy, which scored the National party stand on President Truman's civil rights proposals.

Earlier yesterday, the Dorchester county Democratic executive committee had made a similar recommendation for withdrawal "along with other southern states" from the National party. The Dorchester group also recommended that southern states cast their electoral college votes for some man of southern "political faith."

Greenwood county Democrats last week-end, however, calling for less drastic action, decided to keep the fight within the party and send unpledged delegates to the National Democratic convention.

Grange Leaders Ask Continuance Of Farm Program

Greensboro, N.C., Feb. 24—(AP)—Officials of the North Carolina Grange yesterday called on the federal government to continue the present farm price support program through 1949.

"We must have some safeguards to prevent price collapse if farmers are to produce an abundance," Grange Master Harry B. Caldwell of Greensboro declared.

Members of the Grange's executive committee also asked the secretary of agriculture to prepare an analysis of the flue-cured tobacco situation.

Caldwell announced the Grange convention this year would be held at Wilson Oct. 27-28.

Duke Professor Raps Pressure Groups In Gov't

Chapel Hill, N.C., Feb. 24—(AP)—A Duke University professor yesterday denounced pressure groups in politics which he said "too often get the people to vote for what they want rather than for what is good for the people."

Dr. Robert S. Rankin, Duke political science professor, told the first annual conference of the Junior executives and employees of the N. C. Building and Loan League that "there is something lacking in the American political life x x x."

He declared "we need a new political philosophy. We need more philosophical thinking and statesmanship in our politics."

Teachers Strike In Minneapolis

Minneapolis, Feb. 24—(AP)—Minneapolis public school teachers struck today for higher pay and a full school year.

The strike was called by the AFL Teachers Federation which represents about half the city's 2,200 public school teachers.

Pickets were posted before some schools shortly before the 8 a.m. (CST) strike hour. No attempt was made to hold classes. The city's 94 elementary, junior high, and high schools have a total enrollment of 65,000.

Brothers Claim Soaring Record

Inglewood, Calif., Feb. 24—(AP)—Henry Meyers and Herman Stiglmeier claimed a new American glider plane soaring record today, 12 hours, 52 minutes.

Previous record for a two-place glider was 10 hours, nine minutes. They went aloft in a Navy glider at 9:15 a.m. yesterday. Aided by offshore winds, they soared over the ocean and coastal hills up to altitudes of 6,000 feet. They finally landed at 10:05 p.m.

They are twin brothers, Meyers having legally changed his name.

Ernie Pyle Is Honored By GIs

Tokyo, Feb. 24—(AP)—The memory of Ernie Pyle, war correspondent killed in action beside the GIs he

Warmer Forecast

By the Associated Press. Light rains and temperatures just under freezing were the order of the day for much of North Carolina today.

Along the coast, however, and over most of South Carolina it was from five to 10 degrees warmer and cloudy with no rain.

The Weather Bureau forecast a continuation of the light drizzle through the morning with an early afternoon warmup putting temperatures near 40 and heavier rains. The rain will continue tonight and tomorrow, with little danger of freezing. Temperatures tomorrow will be somewhat warmer.

loved, was honored tonight. It was the second anniversary of the founding of the Ernie Pyle theater, big G. I. entertainment center here. Brig. Gen. Paul B. Kelly, special

service officer, praised Pyle's spirit under fire. Addressing 3,000 occupation personnel in the big theater, Kelly declared "he knew more of the brutal facts of war than almost any soldier and he died in harness."

Who Uses . . .

(Continued From Page One) from most of it but you had more than \$100 income—of any kind—from which no tax was withheld.

In that case you can't use Form W-2. But so long as your total income was under \$5,000, use the 1040 Short-Form.

Husbands and wives can make a joint return on Form W-2:

1. If their combined income, from which tax was regularly withheld was under \$5,000.

2. And if any additional income—

as \$5,000 or more but individually less than \$5,000.

Then file separate returns on Form W-2 or a joint return on the 1040 Long Form which, as noted, is for income of \$5,000 or more.

They can not file a joint return if their combined income was \$5,000 or more, on the 1040 Short-Form which is for income less than \$5,000.

Husbands and wives can not file separately on Form W-2 in the 12 community property states of Arizona, California, Idaho, Louisiana, Nevada, New Mexico, Oklahoma, Texas, Washington, Michigan, Nebraska and Oregon.

But in those states they can file separately on the 1040 Short-Form

What if their combined income

if their individual salaries were under \$5,000.

Everyone using Form W-2 is automatically allowed, before his income is taxed, a 10 per cent deduction for things like medical expenses and charitable contributions.

So, in using Form W-2, you don't list deductions. You get that 10

per cent allowance without asking. If your actual deductions ran more than 10 per cent, you'll lose money by using Form W-2.

Use, instead, the 1040 Long-Form where you'll have to itemize your deductions but can take full credit for them.

Tomorrow: How to use Form W-2

Plan Formation New Golf League

Six members of the East Carolina Golf Association have withdrawn to form a new league to be known as the Coastal Golf Association. It was announced following an organizational meeting held in the Hotel Kinston in Kinston recently.

Representatives from Farmville, Plymouth, Kinston, Greenville, New Bern and Smithfield met to draw up a charter and elect the following officers and directors: Simon Moye, Jr., Greenville, president; British Long, Kinston, vice-president; Dave Mosier, Greenville, secretary-treasurer and the directors, Ode Taylor, Farmville; Abbott Morris, Plymouth; Chick Raspberry, Kinston; Fred Hussey, New Bern; Dave Mosier, Greenville; and H. H. McCormack, Smithfield.

President Moye announced that the matches will begin March 10th and continue on each Wednesday thereafter through May 12th and the championship matches will be played May 22nd and 23rd.

Grimesland And Farmville Girls Teams Survive Opening Play In Pitt Play-Off

Ayden's boys defeated Arthur 30-24, here tonight in the Pitt County Basketball tournament. The Arthur team was leading 12-11, at the half, but the Ayden team jumped into the lead midway the period and was never headed. Edward Cox led the winners, with 22 points. William Stokes was high for Arthur with nine points.

In the girls' game Grimesland took a 13-10 win over Belvoir. Belvoir was leading, 8-2 at the half but couldn't halt a determined rally by the Grimesland sextet in the second half. With the score tied 10-10 and one minute remaining in the game, Frankie Edwards got a field goal to clinch the victory for Grimesland. Joe Ann Callaway added a free toss to account for the final point. Edwards and Galloway paced the attack with six points each. Lou Mayo got six for the losers.

Winterville boys trounced Chidod 50-19, in the opening game of the tournament. The winners were leading 27-15 at the half. Thomas Castille led the Winterville attack with 17 points. Lloyd Fornes was high for Chidod, with eight points.

Farmville girls stopped Stokes, 27-3 in a one-sided game. The Stokes sextet got only one point during the first half, while the Farmville girls were collecting 17. Joyce and Faye Corbett sisters on the Farmville team, got 10 and eight points, respectively for the winners. Betty Warren scored two of Stokes three points.

Grifton's boys trounced Grimesland, 22-16 in the final game on tonight's program. Alton Jones collected 14 points for the winners, and Albert Jackson got six for Grimesland.

Thirty-Five Knockouts In Golden Gloves

Chicago, Feb. 24—(AP)—The big boys take over the 21st Golden Gloves Tournament at Chicago Stadium tonight with a knockout pattern well established by the little guys last night.

Thirty-five knockouts were produced last night as the four lighter weight divisions—flyweight, bantamweight, featherweight and lightweight—were trimmed to quarter-final size for Wednesday night's windup of the current three-night competition.

Another four and a half hours of shugging is scheduled in three rings tonight as approximately 120 bouts reduce the field of heavyweights, light heavies, middleweights, and welterweights to eight survivors in each class.

Finals of the tourney which pulled an original field of 304 fighters from 800 cities and towns in 31 states will be held at the stadium March 5.

DIAMOND DUST

By BERT MOYE

Dear Diamond Dust Readers—This column today is being written to the many baseball fans who last season were readers of this daily column appearing in The Daily Reflector to inform you readers that this column will not appear in the daily paper this season. At a meeting of the directors of the club held in the City Hall Saturday morning the directors brought forth many changes and among them they elected some one else official scorer for the club this season. This automatically means that I have no official capacity with the club as heretofore, with the exception that I shall file reports to The News and Observer on all home game of the Greensies. May I thank you readers for the many kind expressions given me on handling this column throughout the baseball season last year and wish for my successor, Sam Northrup, Jr., all the luck in the world in his new position as official scorer.

Among other matters taken up at the director's meeting Saturday morning was the appointment of a committee to confer or appear before the Board of Aldermen in regards to getting the local ball park in playing condition for the coming season. A talk with Mr. Bob Doty, club president and business manager of the club, in a conversation following the meeting gave the following information at the present time on some of the prospects of the local club for the coming season. Of last year's players who have been given their outright releases are Larry Balwin, Billy Anderson, Hank Rainwater, Arthur Jacobs Bobby Fare and Al Jarvis . . . President Doty said that contracts had been sent to the following Greensies on last year's roster but as yet has not had the returned contracts as follows—Joe Alamo, Jerry Chitty, Garland Little, Ordie Timm, Jack Bomer, Marvin Mauney, Charlie Chute and Paul Simmons, Tommy Lee, pitcher and outfielder of last season, has been released and the Kinston Eagles for Bob Cohen, a Kinston outfielder last year—the amount involved in the transaction was not divulged . . . Willie Mauney, outfielder and catcher for the Greensies last season, has been released and has signed a contract with the Concord Club in the N. C. State League . . . Billy Lynch, Greeneie second sacker has been sold to Geneva of the Alabama State League . . . Signed to Greeneie contracts for tryouts from the Bartow Baseball School, which closed on last Saturday are rookies George Crouch, second baseman; Luis Arroyo, left-handed pitcher; Augustin Medina, pitcher; Vernon Black, catcher; Donald Reo, infielder; and Kermit Schmidt, pitcher . . . Tom Schobbe, a limited service player, has signed for an infield position . . . Manager Doty stated that he had many exhibition tilts scheduled prior to the opening of the regular schedule, one of which will be with the University of North Carolina at the local park . . . A full list of the Greenville exhibition tilts will be announced through the columns of this paper at a latter date . . . Here and There—A representative of the Boston Braves last week trying to make preparation to place one of their Class B farm teams here to hold their Spring training. Just what will result is not known at the present time . . . The Greensies will hold their Spring training at Bartow, Fla., starting around the 22nd of March and will return to Greenville on the 14th of April accompanied by Playing-Manager Phebus and President Doty . . . A new scoreboard will be erected at the ball park and will be the only one of its kind in the entire state . . . It will be operated electrically from the press box . . . It is understood by the writer of this column that Radio Station W. G. T. C., is planning to broadcast all the home games and those games to be played away from home.

Among other matters taken up at the director's meeting Saturday morning was the appointment of a committee to confer or appear before the Board of Aldermen in regards to getting the local ball park in playing condition for the coming season. A talk with Mr. Bob Doty, club president and business manager of the club, in a conversation following the meeting gave the following information at the present time on some of the prospects of the local club for the coming season. Of last year's players who have been given their outright releases are Larry Balwin, Billy Anderson, Hank Rainwater, Arthur Jacobs Bobby Fare and Al Jarvis . . . President Doty said that contracts had been sent to the following Greensies on last year's roster but as yet has not had the returned contracts as follows—Joe Alamo, Jerry Chitty, Garland Little, Ordie Timm, Jack Bomer, Marvin Mauney, Charlie Chute and Paul Simmons, Tommy Lee, pitcher and outfielder of last season, has been released and the Kinston Eagles for Bob Cohen, a Kinston outfielder last year—the amount involved in the transaction was not divulged . . . Willie Mauney, outfielder and catcher for the Greensies last season, has been released and has signed a contract with the Concord Club in the N. C. State League . . . Billy Lynch, Greeneie second sacker has been sold to Geneva of the Alabama State League . . . Signed to Greeneie contracts for tryouts from the Bartow Baseball School, which closed on last Saturday are rookies George Crouch, second baseman; Luis Arroyo, left-handed pitcher; Augustin Medina, pitcher; Vernon Black, catcher; Donald Reo, infielder; and Kermit Schmidt, pitcher . . . Tom Schobbe, a limited service player, has signed for an infield position . . . Manager Doty stated that he had many exhibition tilts scheduled prior to the opening of the regular schedule, one of which will be with the University of North Carolina at the local park . . . A full list of the Greenville exhibition tilts will be announced through the columns of this paper at a latter date . . . Here and There—A representative of the Boston Braves last week trying to make preparation to place one of their Class B farm teams here to hold their Spring training. Just what will result is not known at the present time . . . The Greensies will hold their Spring training at Bartow, Fla., starting around the 22nd of March and will return to Greenville on the 14th of April accompanied by Playing-Manager Phebus and President Doty . . . A new scoreboard will be erected at the ball park and will be the only one of its kind in the entire state . . . It will be operated electrically from the press box . . . It is understood by the writer of this column that Radio Station W. G. T. C., is planning to broadcast all the home games and those games to be played away from home.

Willie Pep's Foe Said 'Natural' Featherweight

Miami, Fla., Feb. 24—(AP)—The rather common belief that Willie Pep will be defending his featherweight title tonight against a whitelined-down lightweight appears to be slightly incorrect.

Pep takes on Humberto, Sierra of Cuba in a 15-round title bout at the Orange Bowl and Humberto won't have any weight trouble. In most of his previous bouts, Sierra has weighed in the neighborhood of 131 pounds and the story got around that he'd have a hard time making the 127 pound limit without sawing off an arm.

In a checkup yesterday, however, Sierra scaled only 124 1/2 pounds and the local boxing commission physician reported the rangy Cuban appeared to be in the finest condition he ever has attained.

What's more, Sierra's manager, Tommy Detardo, argues that Humberto is a natural featherweight.

SCHOOLBOY ROWE, HOLDOUT
Clearwater, Fla., Feb. 24—(AP)—Lynwood (Schoolboy) Rowe, the Philadelphia Phillies' annual pitching staff holdout, returned his signed contract for the 1948 season.

There's a representative of the Boston Braves last week trying to make preparation to place one of their Class B farm teams here to hold their Spring training. Just what will result is not known at the present time . . . The Greensies will hold their Spring training at Bartow, Fla., starting around the 22nd of March and will return to Greenville on the 14th of April accompanied by Playing-Manager Phebus and President Doty . . . Football Drills In Second Day

Chapel Hill, N. C., Feb. 24—(AP)—Already delayed and curtailed by bad weather earlier this month, North Carolina's winter football drills went into their second day today.

About 60 candidates turned out for yesterday's initial lecture session at which Coach Carl Snavely told them of his decision to turn down the offer of the Professional Los Angeles Dons.

The present drills will last only about a week, with a longer spring session to furnish a real workout.

High Point Tops Conference On Defeating Apps.

By the ASSOCIATED PRESS
High Point College's Panthers, who were resting in sixth place with an in and out record in the North State Conference basketball race a few weeks ago, were perched atop the ladder today.

The High Point club wiped out a seven-point halftime deficit to whip the erstwhile leader, Appalachian, 68-61, last night at Boone.

The victory gave the Panthers a 9-14 record and brought the Apps down to 10-5.

However, High Point won't have much time to rest on its laurels. The Panthers must put their lead on the line tonight at Lenoir Rhyne in the final game of the regular season.

The Lenoir Rhyne Bears, winners of seven of 15 league starts, could give back the lead to idle Appalachian with a victory tonight.

Frank Henry's 22 points paced the High Point barrage against Appalachian, although Jerry Isovitz, who scored only nine points, was the big man of the late flurry that broke a 61-41 tie.

Catawba and Elon wind up at the regular campaign at Salisbury and East Carolina Teachers is at Atlantic Christian in other games tonight.

Catawba will be out to clinch third place and ECTC must win to cement its hold on fourth.

All teams with the exception of ACC have qualified for the three-day tournament opening Thursday at Elkin, but the results of tonight's first will determine the top four seeded clubs.

Elon can squeeze into the select group with a decision over Catawba and an ACC upset over ECTC.

Still In Action

Pittsburgh, Feb. 24—(AP)—Honors Wagner, the man who couldn't quit baseball, celebrated his 74th birthday today by carrying an 18-pound turkey and preparing for his 57th year in the National League.

Close friends of one of the game's greatest shortstops joined him in feasting on the big fowl presented by a Wagner admirer of 50 years standing — oil millionaire Mike Benedum.

Then the "Flying Dutchman," who batted an average of .329 over 21 big league years, finished packing his luggage for a trip to the Hollywood, Cal., training grounds of the Pittsburgh Pirates. At the movie capital, the barrel-chested Buc coach will continue the job of tutoring youngsters he began in 1932.

Stymie Can Rest On Big Earnings

New York, Feb. 24—(AP)—Mrs. Ethel J. Jacobs Stymie, which has earned more money than any other horse in turf history, can finish his winter vacation down in Virginia with the record safe for the time being.

The big seven-year-old chestnut's all-time earnings record of \$816,060 is beyond the reach of any thoroughbred now in training.

For a time it looked as if Calumet Farm's Armed, second high in the money-winning race, might pass Stymie during the winter campaign in Florida.

But with Armed sidelined temporarily and King Rascal's Assault permanently following their poor showings in the Widener at Hialeah Saturday, Stymie has no immediate worries.

Armed's total in the money chase is \$773,700 followed by Assault with \$626,620.

Assault, the 1946 triple crown winner, came to the end of his racing days Saturday. Twice the leading money winner in his battle last season, with Stymie and Armed, Assault injured an ankle in the Widener and has been retired to stud at the age of five.

The seven-year-old Armed will take a rest after finishing fourth in the Widener, just ahead of Assault. Trainer Jimmy Jones says the great gelding can't go on carrying 130 pounds—his and Assault's weight for the Widener.

The language of Egypt under the Ptolemies is still used by Coptic priests in parts of their ritual.

Overweight people are particularly subject to diabetes.

May Suspend Fight Manager

Chicago, Feb. 24—(AP)—Inquiries into the ring death of Sam Baroudi and events leading up to his fatal fight with Cincinnati's Ezzard Charles May bring suspicion to manager Mike Spinelli as a boxing manager.

The Illinois State Athletic Commission has ordered Spinelli to appear March 8 to show cause why he should not be suspended in connection with the 20-year-old Akron, U. Negro's death last Saturday.

The Commission said Baroudi's manager—a New York textile trucker—falsified the age of his fighter as 21. A fighter under 21 is ineligible to compete in bouts of more than six rounds under the Illinois code.

Baroudi was knocked out in the 10th and final round by Charles in their bout at the Chicago Stadium Friday night. He died six hours later of cerebral hemorrhage.

The Commission also intends to question Spinelli on his "conduct" following the fight. The youngster's manager was found at Municipal airport attempting to catch a plane for New York with his fighter's share of the purse three hours after the bout. Baroudi at that time was in a hospital.

Three Pitt Men Sign Up Navy Enlistment

Chief Electrician's Mate W. H. Mitchell, Navy recruiting representative for this area, announces the enlistment last week of three Pitt County men, Heber Guy Braxton, son of Mr. and Mrs. Heber Braxton of Ayden; Linwood Earl Coward, son of Mr. and Mrs. Sam Coward of Ayden; and Walter Briley, son of Mr. and Mrs. Richard Briley of Greenville. These men have already reported to Great Lakes, Ill., to begin training.

They will soon be given a chance to qualify for one of the Navy's many service schools, said Chief Mitchell.

Eniwetok, where new atomic energy experiments are being developed, is 190 miles from Bikini where the first post-war atomic bomb was tested.

Petroleum products were first exported from the United States in 1861, some of them in sailing ships.

It is estimated that England's population was reduced from about four million to about two million in the great plague of the Fourteenth Century.

Ask Court For Early Ruling On Kinston Stadium

Raleigh, Feb. 24—(AP)—The State Supreme Court today was scheduled to consider a request that it speed up action on a case which is blocking construction of a municipal stadium in Kinston.

Attorneys for pro-stadium forces yesterday filed a motion asking the court to advance a hearing on an appeal from a ruling in Lenoir County Superior Court that the city could award contracts for the stadium.

Cases from the Sixth District, which includes Lenoir, are scheduled to be taken up March 23.

The stadium controversy grew out of a temporary restraining order signed by Judge Henry L. Stevens which barred award of contracts for the \$150,000 job. The order was obtained by W. E. Boney for himself and other taxpayers.

Boney's contention was that a law under which Kinston voted bonds for the stadium is unconstitutional.

Because of British export restrictions rubber prices jumped from 10 cents a pound in 1920 to \$1.23 a pound in 1925.

It does what no car ever did

UNDER the broad bonnet of this fashion-plate beauty is an engineering triumph as sensational as it's simple.

For this is the Buick Roadmaster with Dynaflo Drive,* and here for the first time in any car the power plant does what gears used to do.

Here is America's first car that permits you to glide swiftly forward, accelerate, surge up hills, slow down, stop, start off all over again — without any gearshifting, even automatic.

In a handful of seconds you get from standstill to highway speed with ski-run smoothness unmarred by halt, lag or hesitation. In a normal day's driving through city and country you do nothing but accelerate, brake and steer.

You never touch a clutch pedal — there is none. You never shift a gear — no gears ever shift anywhere in the car.

You just sit like a king on a big soft cushion — start the engine — set a lever — step on the gas treadle — and go!

How come this near-miracle motoring? How come there's no gearshifting — either manual or automatic?

Only in Dynaflo Drive has the principle of the oil pump and turbine been fully developed for an automobile transmission.

Only here does smooth-flowing oil replace sliding gears as a means of changing the engine's driving force to meet the needs of starting, accelerating, cruising.

Only here do you move forward in a single, uninterrupted sweep of power entirely free of the usual steps through low, second and high gears.

And with this close-to-magic driving you have positive control under all conditions — an anchor-firm parking lock — cushioned going which can never overload or stall the engine.

Big news? But naturally!

So why delay visiting us? Come learn

more about Dynaflo — and see if this single feature alone of the new Buick's 30-odd new advances isn't crowning reason for getting an order in right now.

*Optional at extra cost on Roadmaster models.

Judge Stands On Trial Criticism

Westover Air Force Base, Mass. (AP)—Judge Charles F. Wennerstrum today stood pat on his criticism of the German war crimes trials as failing to "attain objectivity aloof from vindictiveness" and offered to match his loyalty to the United States against that of an Army General who accused him of "subversive" talk.

Wennerstrum, a Justice of the Iowa Supreme Court, arrived here by plane from Nuernberg, where he presided at the trial of 10 German Commanders for war crimes including the killing of hostages.

Big-Gen. Telford Taylor, Chief American prosecutor in Germany, had charged the interview given by Wennerstrum just before leaving was "subversive of the interests and policies of the United States."

Taking issue with Taylor's assertion this interview—given a Chicago Tribune reporter—would be "used by all the worst elements in Germany against the best," Judge Wennerstrum said he felt instead it "might be helpful in bringing the Germans to think as people do in a Democracy."

Two Justices who sat with Wennerstrum in Nuernberg accompanied him home—Edward F. Carter of the Nebraska Supreme Court and George J. Burke, General Counsel for the University of Michigan.

They told newsmen they felt the trial had been "well thought out" and "tried fairly." They sidestepped the Wennerstrum-Taylor clash.

Multi-Million Dollar Cemetery Plan Outlined

Washington, Feb. 24—(AP)—A multi-million dollar cemetery program to honor World War II dead was outlined to Congress today.

The House Appropriations Committee approved work on 30 national cemeteries in this country and establishment of new burial grounds in Hawaii and Puerto Rico.

The money was part of the \$606,084,768 annual appropriation for non-military activities of the War Department. The total was \$131,542,888—or about 18 per cent—below President Truman's budget estimates.

For the development of the 30 national cemeteries already in existence in the country, the committee recommended the full budget request of \$6,269,153. This includes \$2,997,888 to buy tombstones.

A small space in Jerusalem contains what are among the most sacred spots for Jews, Moslems and Christians.

N.Y. Cotton

New York, Feb. 24—(AP)—Cotton futures opened unchanged to 65 cents a bale lower.

Noon prices were 70 cents to \$3.25 a bale higher than the previous close. March \$2.68, and July \$2.04.

Hog Market

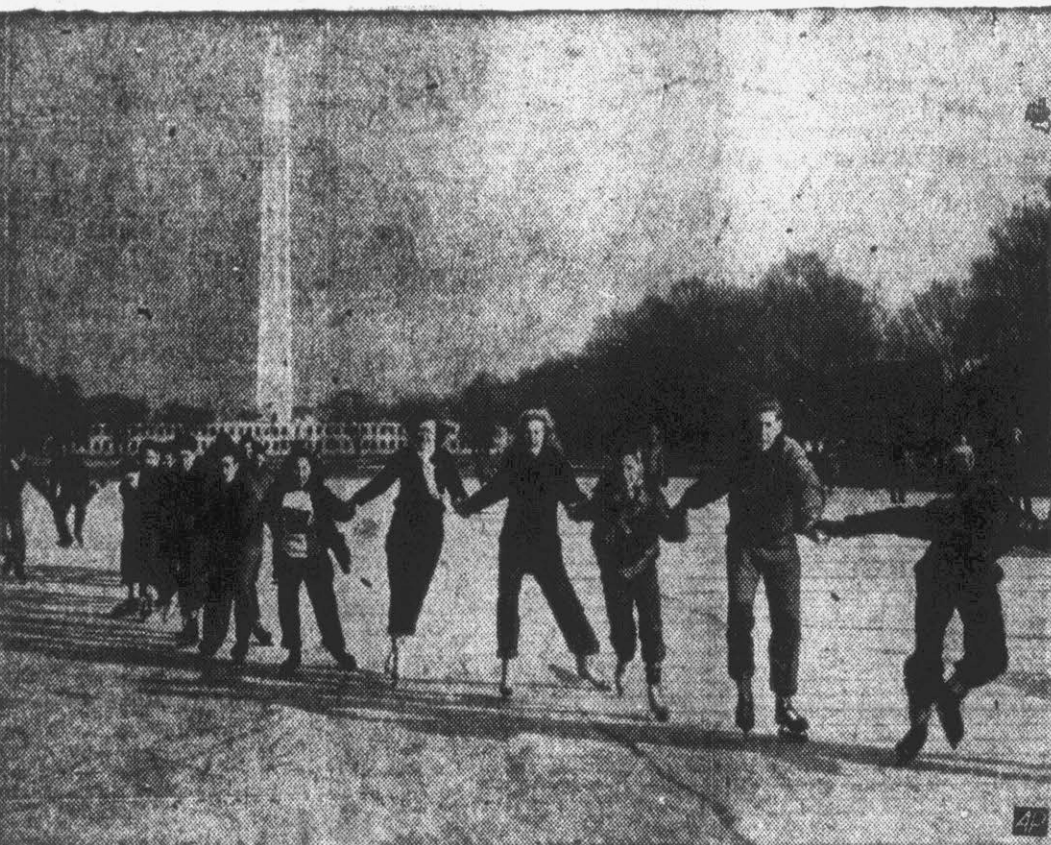

Raleigh, Feb. 24—(AP)—(NCDA)—Hog prices weaker. Tops of \$20.75 at Fayetteville and Richmond, \$20.50 at Rocky Mount, Greenville, Smithfield, Mt. Olive, Goldsboro, Washington, Pantego, Clinton, Lumberton and Chadbourn.

Poultry and Eggs

Raleigh, Feb. 24—(AP)—(NCDA)—Raleigh egg market steady to slightly stronger. A large \$4. Fryers and broilers steady at 35.

WALKING ISN'T CROWDED—Cologne, Germany, folk walk to work after tramway operators struck, asking for more food. Spire of Cologne cathedral is in background.

CRACKING WHIP AT CAPITAL—A group of ice skaters play crack the whip on frozen pool in front of Washington Monument (background) at Washington, D. C.

NEW YORK WINTER—Manhattan streets were cleared a few days after the record New York snow of 1947, but this was the scene in outlying Queens two weeks later.

Educators See Crisis Unless Increase Outlay

Atlantic City, N.J., Feb. 24—(AP)—One of America's leading educators said today that unless the American people are prepared to spend at least \$8,000,000,000 annually "we shall have a crisis in education."

Dr. Herold C. Hunt, superintendent of schools, Chicago, Ill., and president of the American Association of School Administrators, said in an interview:

"Although these proposed increases would lift the nation's expenditures for education to nearly three times the present total, the amount as a whole, as well as the several items in it, seems both reasonable and conservative in relation to the educational improvements needed."

He is here for the annual convention of the association.

Dr. Hunt declared the \$3,000,000,000 now being spent on education is inadequate. He proposed that the United States spend in line with the recommendations for adequate financial support, outlined in the association's 26th yearbook, an additional \$5,000,000,000 for the following purposes:

1. For young children an additional yearly expenditure of \$400,000,000.
2. For secondary education an additional annual outlay of \$1,050,000,000.
3. For higher and adult education, \$450,000,000 more annually.
4. For exceptional children an increase of \$150,000,000 annually.
5. For new services, activities, devices, and procedures and for needed salary increase each year at least \$1,500,000,000 more.
6. For teacher education \$200,000,000 more.
7. For housing and permanent equipment, an additional annual expenditure of \$1,250,000,000.

Dr. Hunt declared teacher shortages, the large crop of war babies, the condition of our school buildings, the substandard and unmet needs of teachers and pupils all point to the fact that "if we don't get the \$8,000,000,000, the educational system will deteriorate still further."

Opens Thursday

The annual N. E. A. C. basketball tournament starts at the college in the Wright building Thursday evening at 6:30 P.M. This is expected to be the hardest fought, and best of any of the events ever held. There are six teams out of the eight entered who are capable of winning the tournament. Washington plays Tarboro in the opening game at 6:30 P.M., Greenville takes on the many Roanoke Rapids five at 7:45 P.M. New Bern and Elizabeth City fight it out at 9:00 and Kinston and Edenton close out the first night of play in the final game.

Large crowds are expected from all the represented towns.

If Stomach Gas or Sour Food Taste Robs You of Sleep

Here's How You May Help, Whether You Eat 500 Pounds or 2000 Pounds of Food In a Year

You can't feel cheerful, be happy and sleep well, if your stomach is always upset. As age advances the "old stomach" needs more help. The reason is this: Everytime food enters the stomach a vital gastric juice must flow normally to break-up certain food particles; else the food may ferment. Sour food, acid indigestion and gas frequently cause a morbid, touchy, fretful, nervous, nervous condition, loss of appetite, underweight, restless sleep, weakness.

To get real relief you must increase the flow of this vital gastric juice. Medical authorities, in independent laboratory tests on human stomachs, have by positive proof shown that SSS Tonic is amazingly effective in increasing this flow when it is too little or scanty due to a non-organic stomach disturbance. This is due to the SSS Tonic formula which contains very special and potent activating ingredients.

Also, SSS Tonic helps build-up non-organic, weak, watery blood in nutritional anemia—so with a good flow of this gastric digestive juice, plus rich red blood you should eat better, sleep better, feel better, work better, play better. Avoid punishing yourself with over-eat of acids and other alkalis to counteract gas and bloating when what you so dearly need is SSS Tonic to help you digest food for body strength and repair. Don't wait! Join the host of happy people SSS Tonic has helped millions of bottles sold. Get a bottle of SSS Tonic from your drug store today. SSS Tonic helps Build Sturdy Health.
