

Wedemeyer Backs Arms For Chinese

General Says Dollars Alone Will Not Stop Spread Of Communism; Proposes Economic Aid Abroad Be Backed Up With Military Advisors, Weapons

Washington, March 4—(AP)—Lt. Gen. Albert C. Wedemeyer today proposed military aid for China. "We are going to pay in blood" if proper steps are not taken by America to stop the spread of Communism, Wedemeyer told the House Foreign Affairs Committee.

"I don't think dollars alone will stop the spread of Communism anywhere," the one-time chief of staff to Generalissimo Chiang Kai-shek continued. The Administration has proposed \$570,000,000 aid to China without military help.

He said that economic aid abroad should be backed up with military support. But, Wedemeyer made plain he is talking about military aid and not military participation.

He said military aid means sending competent officers to advise in the use of weapons in a country has been given.

"I don't believe any participation is necessary at this time," he added at the committee hearing on the China aid measures.

Wedemeyer said Communism "is out to destroy everything we hold dear."

"I believe we should give military aid to all countries and all peoples whose policies and economic structures are compatible with our own and who are striving against totalitarian doctrines."

He acknowledged that he and Secretary of State Marshall have "honest differences" about military aid to China.

Wedemeyer said \$300,000,000 "would have helped China immeasurably" two years ago.

"But today," he added, "I don't think I would recommend \$500,000,000 in aid to China unless there were military aid to protect that \$500,000,000."

"This vast movement that has been so successful in Czechoslovakia, and probably in Finland, is sweeping down from the north. We in America intend to put a stop to it, we can't do it by purely economic aid."

The committee asked the general's views because of his long experience in China. During the war he commanded the China theater for a time and was chief of staff to Generalissimo Chiang Kai-shek.

Wedemeyer went to China last summer as President Truman's special representative. But the findings he submitted upon his return have never been made public.

The State Department ruled that to do so might be "actually harmful" to both this country and China.

Rep. Judd (R-Minn.), a member of the House committee, told reporters he is convinced that Wedemeyer's views conflict with those of Secretary of State Marshall.

Marshall himself spent a year in China as Mr. Truman's personal envoy before taking over the cabinet post.

The committee already has learned that the views of Gen. Douglas MacArthur on help for China are at sharp odds with those of Marshall and the President.

ARAB HEAD FOR PALESTINE
Damascus, Syria, March 4—(AP)—Fawzi Bey Al Kaukji, commander of the Arab volunteer army, moved into Palestine this afternoon with a hand-picked headquarters company in full combat equipment.

FIRE ALARM TODAY
The fire department was called to Cooperfield about 9 a. m. today when a short circuit in an electric wire caused a small blaze in the kitchen of the home of Carrie Nobles, colored. Damage was nominal.

Tax Estimate Form
This is Only For People Who Must File An Estimate On Their 1948 Income Tax And Make The First Payment On It; Form 1040ES; Examples; Deductions

By JAMES MARLOW

Washington, March 4—(AP)—This is only for people who by March 15 must:

1. File an estimate on their 1948 income tax.

2. Make the first payment on it.

You'll need Form 1040ES to file your 1948 estimated income tax return.

Some people, depending upon their case, also will need either Form 1040 or the instruction sheet which goes with it, so they can check the tax-table or the tax-rate on the back of them.

Suppose your 1948 income will be \$5,000. You don't have to work out the estimated tax step-by-step. You'll find the tax on your income in the table on the back of Form 1040.

If you're in the \$5,000 or over class, you work out your 1948 estimated tax as you did in making your 1947 return—and find your tax rate in the table on the back of the instruction sheet.

The under \$5,000 people get an allowance of about 10 per cent for deductions for things like charity and medical care. They don't have to claim it. It's already allowed for in the tax table on the back of Form 1040.

So they don't have to worry about deductions, unless they want to claim more than 10 per cent. If they do, they can't use the 1040 tax table. They'll have to work out their tax, claiming the deductions they want.

The \$5,000 or over people automatically can claim a deduction of \$500 when they figure their estimated tax.

If they want to claim more than \$500, they can. But—like any of the under-\$5,000 people who want to claim more than their 10 percent—they'll have to prove them when they file their final return in 1949.

Here's a step-by-step example of how to fill out your estimated 1948 income tax return.

You're married, with two children. Your weekly salary is \$180. For 52 weeks, or one year, that's \$9,360. Subtract your standard \$500 deduction. That leaves \$8,860.

Mihai Declares His Abdication Forced Upon Him

Does Not Feel Bound By Resignation; Says Ministers Gave Him Ultimatum

London, March 4—(AP)—Former King Mihai of Romania said today his abdication was forced upon him and he does not consider himself bound by it.

Mihai sails tomorrow for the United States. He had lunch today with the British royal family at Buckingham Palace, and then issued a statement saying:

"At the present moment it is no longer necessary to insist on the circumstances and causes of certain political events."

"The motives of the profound political changes imposed on the small states of Eastern Europe are already too well known."

"As far as Romania is concerned I want to avail myself of the first possibility personally to confirm the facts as they happened."

"On the morning of Dec. 30, 1947, Mr. Petru Grosse and Gheorghiu-Dea, members of the Romanian cabinet, presented to me the text of the Act of Abdication, urging me to sign it at once. Both of them came to the royal palace after it had been surrounded by armed detachments, informing me that they would hold me responsible for the bloodshed which will follow as a consequence of the instructions already issued by them in case I shall not sign within the time limit."

"This act was imposed on me by force, by a government installed and maintained in power by a foreign country, a government utterly unrepresentative of the will of the Romanian people."

"This government had violated international pledges binding them to respect the political freedom of the Romanian people, had falsified the elections and annihilated the democratic political leaders who enjoyed the confidence of the country."

"The removal of the monarchy constitutes a new act of violence in the policy of the enslavement of Romania. In these conditions I do not consider myself bound, in any way, by this act imposed upon me."

"With unshaken faith in our future, animated by the same devotion and will to work, I will continue to serve the Romanian people with which my destiny is inextricably bound."

Condon wrote Hickenlooper: "I would hope that an investigation by your committee would result in restoring conditions in which men of intelligence would be willing to work for their government and will not be constantly harassed and harried by irresponsible attacks on their character."

He said the issue is larger than appears on the surface. He said there is difficulty in getting able scientists to work for the government. He said that "the whole scientific life of the nation is involved."

Aids said that whether or not he decides to surrender the title, Hariman will send John L. Towne, secretary of the Commerce Loyalty Board, before the committee tomorrow morning.

Poet 'Don Wahn' Killed In Plunge

New York, March 4—(AP)—Philip Stack, 60, who contributed poetry to Walter Winchell's syndicated Broadway column under the pseudonym "Don Wahn," was killed today in a 12-story plunge from a mid-Manhattan apartment building.

Police, listing the death as apparent suicide, said Stack left a note saying he was "incurably ill."

Winchell said Stack submitted his poetry "just for the fun of it." The columnist said one of the poems was to have appeared in the column tomorrow, but was deleted at the last minute because of space demands. It contained an allusion to "A Passage Out of Life."

Blanket Of Snow Is Still Unbroken

Chicago, March 4—(AP)—Cold March winds blew the mercury to below seasonal levels over a wide section of the country today.

"Temperatures were below normal over the central part of the country from the Appalachians to the Rockies. They dipped to below zero near the Canadian border and were near zero in parts of New England."

The extensive blanket of snow remained unbroken from the North and central Rockies eastward across the Great Lakes to New England.

Await Report On Condon's Loyalty

Whether File Will Be Made Public Depends On Sec. Harriman; Some Doubt Of Its Release; Subpoena Served For Papers

Washington, March 4—(AP)—Whether a loyalty report on Dr. Edward U. Condon is to be made public depends today on Secretary of Commerce Harriman.

There is some doubt that Harriman will give it out.

Condon is the Federal Bureau of Standards chief accused by a House un-American Activities subcommittee of associating "knowingly or unknowingly" with suspected Russian spies. The subcommittee also described him as "one of the weakest links in our atomic security."

Some of the government's most secret scientific developments are tested by the bureau.

Condon insists that if it's true he is one of the weakest atomic security links the country can relax because he is "absolutely reliable."

The un-American Activities group served a subpoena yesterday demanding that the Commerce department loyalty board produce all its records on Condon when the committee meets tomorrow morning.

The subpoena was served on John L. Towne, Secretary of the Board, who immediately put the matter in the hands of the Department's head lawyer, Isaac N. P. Stokes.

Even members of the committee say there are precedents for the Department to refuse to submit the records on grounds that (A) they are confidential and (B) it would not be in the public interest.

In any event, the department was taking no action until Harriman checked in today after a vacation in Idaho.

Undersecretary William C. Foster has reported that the Loyalty Board found no reason to believe Condon is disloyal to his country.

And in a statement yesterday, the Federation of American Scientists said the bureau director is the victim of a "deliberate smear." It said Condon has earned the "respect and admiration" of fellow scientists.

Meanwhile, Chairman J. Parnell Thomas (R-N.J.) said his un-American activities committee will make public, if the Commerce Department doesn't, a letter about Condon's loyalty which FBI Director J. Edgar Hoover wrote Harriman last year.

Thomas contends "there has been some misleading information given out that the letter clears Condon of any disloyal activity."

Perjury Penalty Faced U. S. Red

Washington, March 4—(AP)—Convicted of lying when he denied being a Communist, Milwaukee Labor Leader Harold Christoffel today faces a possible 60-year prison term.

Actual sentencing will be delayed, however, until motions for a new trial are argued early next week.

The six-count perjury indictment which Christoffel was found guilty by a federal court jury last night grew out of testimony before the House Labor Committee.

Christoffel told the committee on March 1, 1947, that he was not then and never had been a Communist or had Communist connections.

The jury of eight men and four women was out five hours before returning a verdict of guilty on each of the six counts.

The penalty for perjury in the District of Columbia is two to 10 years on each count.

Christoffel was committed to jail immediately after his conviction. He previously had been at liberty under bond.

Some dozen witnesses testified during the two and a half week trial that Christoffel, former president of the Allis-Chalmers local 248 of the CIO United Auto Workers, frequently associated with high Communist party officials.

Louis F. Budenz, former managing editor of the Communist Daily Worker and presently an associate professor at Fordham University, said flatly that Christoffel was a Communist.

MAGAZINE EXPLODES
Milan, Italy, March 4—(AP)—A large military power magazine between Argisate and Induno exploded early today. A number of persons were hospitalized with injuries and there was heavy property damage.

Children's Pictures Taken Free For Use By Reflector

The Daily Reflector today announces the forthcoming publication of a series of local children's pictures yet to be taken. Arrangements have been completed with the Wolitz Studios of Des Moines, Iowa, a nationally known firm who specialize in children's photography for newspapers to take the pictures and furnish the engravings.

Expert children's photographers for the studios, with all the necessary equipment for this specialized work, will be here Monday and Tuesday, March 8 and 9. The special studio will be set up at the Woman's Club and will be open from 1 p. m. to 8 p. m.

There is no charge to the parents. There is absolutely no obligation to this invitation. There is no age limit. It is a bonafide in every sense of the word. Parents do not have to be subscribers, nor even readers of this newspaper. Neither are they obligated to purchase pictures after they are taken. Those who want some additional prints may obtain them by arrangement with the studio representative when they select the pose they want printed in the paper. It is entirely up to them.

You will be happy, afterwards, if you let your child or children participate, and very sorry if you don't. The kiddies will have fun and Mother and Dad will be very proud to see their pictures in print later. Many will clip them out and preserve them until junior grows up. The Daily Reflector wants as many pictures as possible, so don't forget the days and date—Monday and Tuesday, March 8 and 9, 1 to 8 p. m.

Here is a suggestion on how to get your child's picture taken promptly. If your last name begins with any of the letters between A and M visit the photographer Monday, March 8; N and Z Tuesday, March 9.

Don't forget, the hours are from 1 p. m. to 8 p. m., and come early. The above suggestion is not compulsory but your cooperation will be appreciated.

Security Council Stuck On Palestine Problems

Lake Success, March 4—(AP)—The Security Council is stuck on what to do about Palestine, and delegates took a 24-hour recess today to do some private talking about the problem.

The official reason given for the one-day adjournment was the illness of Camille Chamoun, special Lebanese representative in the Council. The unofficial reason is that United Nations delegates want more time to try and work something out.

Before the Council adjourned yesterday it became apparent that at least a portion of the American resolution of Palestine partition is headed for defeat. Canada and China joined Belgium and Syria in opposing a section calling upon the

Dixie Demos Get New Support For Change In Party

Rebelling Democrats Receive Setback In Virginia But New Englanders Join

By the Associated Press

Rebelling Dixie Democrats today received a setback in their drive to keep President Truman's name off Southern ballots. But from the north came fresh support for a change in party standard bearers.

Virginia legislators yesterday threw out a bill to bar Mr. Truman's name from the ballot. But they kept another weapon to use against him.

At the same time, three New England Democrats—including Boston's long-time Mayor James M. Curley—urged Gen. Douglas MacArthur as their party's presidential candidate.

Curley, who last Thanksgiving was granted a presidential pardon after serving five months of a 6 to 18 months mail fraud sentence, declared the nation is demanding that Mr. Truman stay out of the race.

He joined former Governors Joseph B. Ely of Massachusetts and Francis P. Murphy of New Hampshire in proposing the supreme anti-Communist nominee.

Ely supported the late Alfred E. Smith in his break with President Franklin D. Roosevelt and backed James A. Farley against Roosevelt at the 1940 Democratic convention.

Murphy was a Republican governor but later was Democratic national committeeman from New Hampshire.

Curley was asked whether he plans to start a move at the Philadelphia convention to substitute MacArthur for Truman.

"I don't think it will be necessary," he replied to a reporter. "The country is doing it now."

MacArthur has been mentioned most frequently as a possible GOP nominee.

In that connection, a campaign committee was organized in New York yesterday "to boom MacArthur to the end that the people demand he be nominated for president."

Arabs Ambushed Hagannah Patrol

Jerusalem, March 4—(AP)—Arabs ambushed a Hagannah patrol near Ramallah today and police reported 17 Jewish militiamen killed.

Arab sources said the patrol was trying to penetrate through the hills to lay mines on the highway when it encountered Arab defenders. A two-hour gunfight resulted. There was no estimate of Arab casualties.

Arabs said the Jewish patrol came from Kalandia settlement, which adjoins the airport where the advance party of the United Nations Commission charged with carrying out Holy Land partition landed yesterday.

The Ramallah road is the only outlet to the north and west of Jerusalem which Arabs have used since the partition vote last November.

British heavy guns roared out in the Holy Land during the night under Britain's new policy of firing initially on Jewish or Arab aggressors.

Two and six inch guns were fired at Arabs attacking a Jewish quarry. The Arabs fled. No casualties were reported.

Three-inch mortar shells scattered an Arab patrol which had blown up a culvert on the road between Jerusalem and Mount Scopus. One Arab was believed killed.

Interim Gov't For East Indies

Batavia, Java, March 4—(AP)—A new interim government for all the Netherlands East Indies will be appointed and installed Monday, it was announced today.

Political negotiations are expected to be resumed through the United Nations Good Offices Commission next week between the Dutch and Republican delegations.

Acting Gov. Gen. H. J. Van Mook plans to go to Bandung for the inauguration of the newly elected chief of State of West Java.

Big Business By Asheville's ABC

Asheville, N.C., March 4—(AP)—Asheville's whisky stores, opened less than three months ago, already have grossed more than \$1,000,000 in sales.

A report by the city's Alcoholic Beverage Control officials yesterday showed that \$338,998.45 worth of whisky was sold in the city's five stores during February.

February's sales, which showed a drop of \$39,219.25 from January, raised the sales since the first stores were opened Dec. 5 to \$1,073,327.56.

Five Nations Open Europe Union Talk

Hint Escape Of Czech Official; Daughter Help

Representatives Meet At Brussels; Benelux Countries Submit Draft Revealing Similarity Of Views On Principles; Hope To Consolidate Western Europe

Brussels, Belgium, March 4—(AP)—Five nations commenced talks today on a suggested Western European union to stem Communist expansion.

Representatives of Great Britain, France, Belgium, the Netherlands and Luxembourg met at the Foreign Affairs Ministry at 10-15, n. (5.05 a. m., EST). The deliberations were closed to the press.

Paul-Henri Spaak, Belgian premier and origin minister, opened the conference formally. He welcomed the delegates to Brussels and said he hoped their discussions would result in the successful conclusion of a five-power agreement.

They were called to study the idea of a treaty and alliance to stop the spread of Communist control, newly installed in Czechoslovakia and feared in Finland.

The delegates were reported to have agreed to proceed with the meeting despite the absence of Gladwyn Jebb, second British delegate. The others all had arrived. Jebb, a deputy to the British foreign secretary, was delayed in London by bad weather.

The Benelux countries submitted a draft agreement at the first session.

"The draft was studied and revealed great similarity of views on the principles discussed by the five powers," a communiqué said.

"The five-power talks were postponed until Friday afternoon to make it possible for the French and British delegates to make a further study of the Benelux proposals."

Britain called the conference in line with Foreign Secretary Ernest Bevin's proposal for "consolidation of western Europe," made in the House of Commons Jan. 22.

France joined her in inviting the low countries to treaty talks. French officials said they "naturally" approved Bevin's proposal.

Experts from the three governments said yesterday they had arrived at a common attitude for the conference. They did not say what it was.

U.S. Undersecretary of State Robert A. Lovett, meanwhile, told a Washington news conference the United States wants any western European union to be strictly European. He said the U.S. would not take part in the Brussels meeting.

Lord Vansittart, chief diplomatic adviser to the Chamberlain government from 1938 to 1941, said in the House of Lords last night Britain should form "the closest union with the United States."

"What Stalin has done recently in Czechoslovakia," he said, "showed clearly that he would run the risk of a European war as recklessly as Hitler, were it not for the restraining factor of American strength."

Britain and France already have a 50-year military alliance under the Dunkerque pact of March, 1947. The low countries are joined in the Benelux customs union, instituted last Jan. 1.

Sixteen Lawyers, Twelve Jurors

Goldsboro, March 4—(AP)—Spectators in Wayne Superior Court gaped today. They saw 16 lawyers appearing in one civil case before 12 jurors.

Suits totaling \$75,750 grew out of the death in a motor vehicle accident of Capt. Lowell N. Douglas, Waco, Texas, in Duplin County, January 12, 1946.

Want Candidate For Bad Check

Wilson, N. C., March 4—(AP)—W. F. Stanley, Sr., of Kinston, an official entry in the race for State Governor, last night was being sought by local police on a warrant charging him with giving a worthless check.

Tom Pappas, a Wilson restaurant owner, appeared before Magistrate M. M. Applewhite and swore out a warrant for Stanley, a former Mayor of Kinston. The warrant charges Stanley with giving Pappas a check of \$25 January 29.

New Solicitor To Be Sworn In

Raleigh, March 4—(AP)—Thad D. Bryson, Jr., Mayor of Bryson City, will take the oath of office here tomorrow as solicitor of the 20th Judicial District.

Governor Cherry yesterday appointed Bryson to succeed Baxter C. Jones, also of Bryson City, who died February 28 after only 18 days in office.

The appointee was born in Bryson City October 15, 1903 a son of Judge T. D. and Amy Black Bryson.

The "Front" In Europe

This 'Cold War' No Mere Conflict Of Ideologies But Military Operations Are In Progress; America's Front Lines Are In Europe; Maneuvers For Advantage

By DEWITT MacKENZIE

The further we go with this "cold war" between the Bolsheviks and the democracies the more apparent it becomes that we are engaged not merely in an ideological conflict but in downright military operations.

Your columnist did reporting and military analysis in both World Wars and can run away from the feeling that he is just "carrying on." Now I don't mean that I think we are on the verge of another global upheaval. I don't believe a shooting war is imminent, although there are enough warlike elements being tossed about individually to produce the "end of the world" if they should combine.

What's happening, however, is that both sides are deliberately maneuvering for strategic military positions. The Reds seek advantage in order to further their cold-war for the spread of Communism, that is, the expansion of the Soviet empire. The democracies are trying to block the Red advance—an advance, by the way, in which the Communists are employing strong-arm methods which border dangerously on the military.

Take yesterday's developments, for example. Secretary of State McNamara—one of the world's outstanding military strategists—and Sec-

Social and Personal

All items for this page received after 10:00 A. M. will be published the following day. Dial 3365 9:00 A. M. to Noon - 1:00 to 4:30 P. M.

Mr. E. E. Mahry is recuperating from a recent illness at his home, 1106 Colonial Avenue.

Mr. and Mrs. John W. Tyson have recently moved to their new home at 1504 Myrtle Avenue.

Birth Announcement
Mr. and Mrs. Heber Charles Cannon, of Bethel, announce the birth of a daughter, Sue Ellen on March 3 in Pitt General Hospital. Mrs. Cannon was formerly Miss Sue Watson of Bethel.

Book Exchange Club Meets
Bethel—Mrs. Katie Foreman entertained the members of the Book Exchange Club Thursday afternoon at the home of Mrs. Sam Dewar with Mrs. Dewar presiding. After the books were exchanged and a short business discussion Mrs. Dewar gave a very interesting talk on Payne College, which is an interracial college.

The hostess served a delicious salad, cherry pie, sandwiches and coffee.

Member of May Queen's Court
Sweet Briar, Va.—Mary Rose Crisp, Greenville, is among the 21 newly-elected members of the May Queen's court at Sweet Briar College as a result of the voting by each of the four classes. She will participate in the festivities on Saturday, May 1, when Bess Pratt, Huntsville, Ala., is crowned May Queen.

Other North Carolina girls elected to the May court are Mary Sommers Booth, Charlotte and Betty White Johnson, Raleigh.

Miss Crisp, a sophomore, is the daughter of Dr. and Mrs. Sellers Mark Crisp, 1200 East 5th Street.

Revival Services
Revival services will begin at the Pentecostal Holiness Church of Bethel, N. C., on March 7, and will continue for two weeks through March 21. The Rev. Harvey E. Johnson is the invited minister and will speak each evening at 7:30 o'clock. A cordial welcome is extended to all the public to attend these services.

NORTHSIDE 777

SOCIAL CALENDAR

FRIDAY

10:00 a. m.—Week of Prayer observed in Memorial Baptist Church.

3:00 p. m.—Founders' Day exercises sponsored by the Alumni Association of East Carolina Teachers College and given in the Austin auditorium with Dr. John D. Messick and Robert Lee Humber as speakers.

6:30 p. m.—Kiwanis Club.

7:00 p. m.—General meeting of the Woman's Club, Mrs. Henry Highsmith, guest speaker.

8:00 p. m.—Concert presented in the Austin auditorium by the department of music at East Carolina Teachers College in honor of Dr. John D. Messick's inauguration as president of the college. The public is invited.

Notice Club Women

Those who have not made reservations for dinner tomorrow night at 7 o'clock, when Mrs. J. Henry Highsmith will be our guest speaker, and find they can go, please call Mrs. Vance Perkins. Anyone interested in "Youth Conservation" work and cannot attend dinner but would like to hear Mrs. Highsmith, come at 7:30.

Home From Manila

John Elbert Mobley, who has been associated with the Engineers Department, Manila, Philippines, for the past two years, has been transferred to Anchorage, Alaska. He is visiting his mother, Mrs. R. Mobley, and daughter, Miss Betty Mobley, while in the states he will visit friends in Washington, D. C., Florida and Nevada.

Mr. Mobley has been with the Engineers Department for the past 18 years. During 1945 he was associated with atom bomb projects in Oak Ridge, Tenn., and New Mexico.

His wife, the former Christina O'Bett, will follow him at a later date. She is a teacher of English and Home Economics in Manila High School, Manila, Philippines.

Mr. Mobley is a graduate of the Greenville High School, class of '26.

Revival Services

Revival services will begin at the Sheldene Pentecostal Holiness Church Monday night, March 8th. The Rev. H. M. Pope of Clinton, N. C., is the invited speaker. Services will begin each evening at 7:15 o'clock. Everyone is invited to attend.

Service League Meets

The Service League held its regular monthly meeting Monday morning at 10:30 in the Sheppard Memorial Library with Mrs. H. L. Ormond presiding. Mrs. Tyson Bilbro, vice president, recognized the provisional members who have completed the four month requirement of volunteer services and are now eligible to become active members and expressed the League's pleasure in having them share their time and talents in the joy of service to the community.

In the absence of the finance chairman, Mrs. J. H. Thomas gave her report which revealed that the sale of cook books continues with several orders coming from distant states; and that an excellent sum was raised by the group who had charge of the Ellington shelf during February. A new group with Mrs. K. B. Pace as chairman was appointed to serve in March.

The Greenville Emergency Charity Fund Committee, with Mrs. W. S. Bost as chairman, reported that during the recent severe weather the committee had worked in close cooperation with the Welfare Department in alleviating hunger and cold.

Mrs. R. C. Stokes, Jr., gave a financial report on the Laughing-house hospital bed fund and stated that the bed had been in use for 12 days during the month.

The layette chairman, Mrs. David Evans, said that a layette had been provided for a mother, who is expecting her 12th child. This brings to a total of six layettes placed this year.

Members were reminded that the American Red Cross drive, on which many have volunteered to serve, would be held March 11 and 12.

Announce Birth and Death of Son

Mr. and Mrs. Rufus Whitley of Flemings Cross Roads community announce the birth and death of a son at Dr. Smith's clinic Thursday, March 4.

Mrs. Whitley was formerly Miss Gladys Bullock of Greenville. Burial services were held at Bethel cemetery, Bethel, at 11 a. m. Thursday.

Birth Announcement

Mr. and Mrs. Hayward McLawhorn, of Winterville, announce the birth of a daughter, Sophia Stroud, in Pitt General Hospital on Wednesday, March 3.

To Celebrate Golden Anniversary

Mr. and Mrs. L. T. Respass, 201 Cotanche street, will celebrate their golden wedding anniversary on Sunday, March 7.

Friends of the family are invited to open house from 3 to 5 o'clock.

Class Meeting

The Calvary Church of Immigrants Baptist Church will meet tonight at 8 o'clock with Miss Annie Shields Van Dyke.

40 Years Ago Today

THE DAILY REFLECTOR

March 4, 1908
Alderman George Woodward says baseball enthusiasm is above par here, and Greenville bids fair to have a strong team and be in the Eastern circuit the coming season. The meeting of the trustees of the East Carolina Teachers Training school on Tuesday will be for the purpose of organization and for consideration of the preliminary matters necessary to determine the number, location and character of the buildings to be erected.

Chatham Book Club
Mrs. L. A. Bendall was hostess to the Chatham Book Club on Tuesday, March 3.

The club was delightfully entertained by three music students of E. C. T. C. Mr. Rufus Browning's selection on the piano was "A Novellette" by Schuman. Mr. Bob Mays sang "Invictus" and "Russia Was Her Name." He was accompanied by Mr. Leon Fleming.

A brief sketch of the life of James Melton was given by Mrs. N. B. Beard and several records by this noted artist were played.

Mrs. Bendall served coffee and cake assisted by Mrs. Shotwell and Mrs. Lanier. Guests of the club were Mrs. Glenn, Mrs. M. T. Simpson and Mrs. D. W. Swope.

The Round Table Meets

Mrs. D. L. Moore was hostess to The Ladies of the Round Table Tuesday afternoon at her home on East Fifth street with 21 members present. Our outgoing president presided over a brief business session.

She called on Mrs. H. J. McGinnis, chairman of the nominating committee for the coming year: President, Mrs. E. R. Browning; first vice president, Mrs. E. E. Rawl; second vice president, Mrs. J. E. Winslow; recording secretary, Mrs. Charles Horne; corresponding secretary, Mrs. H. H. Duncan; treasurer, Mrs. Royce Hunsucker.

The slate was unanimously accepted and a rising vote of thanks given the committee for presenting such a fine corps of officers. Mrs. D. S. Spain, Jr., chairman of the new program committee, presented Mrs. Jake Higgs who had the paper for the afternoon.

Continuing the study of North Carolina, Mrs. Higgs told of some of the prominent families of the state. This was most interesting and was enjoyed by every one present. Mrs. John Karsnak gave the news after which the books were passed. The club was glad to have Mrs. Roland Heath as a guest for the afternoon.

Mrs. Moore, assisted by her young daughter, Catherine, Mrs. Heath and Mrs. Walter Taylor, served a most delicious sweet course with coffee. Reported.

Coronation Ball at Ayden

The Ayden High School Council is sponsoring the annual coronation ball at the high school gymnasium Saturday night, March 6, at 8:30. Billy Weaver's orchestra will provide the music. Advance tickets are on sale now for single 75 cents and couple \$1.25 and can be bought from any council member. Door prices are \$1.00 and \$1.50. The king and queen will be announced and crowned that night. Come one, come all.

Masonic Notice

A Special Communication of Greenville Lodge No. 284 A. F. & A. M. will be held Friday night at 7:30 in the Masonic Temple. There will be work in the Master Mason Degree. Visiting Master Masons are cordially invited.

W. HERMAN HARDEE, Master
A. R. HOUSE, Secretary.

'Vienna' Singers Are Praised By Director Music Department

An exceptionally fine performance was given last night in the Wright auditorium of East Carolina Teachers College by a quintet of young American singers presenting a concert "A Night in Old Vienna." The program was sponsored by the college entertainment committee and was attended by a large and enthusiastic audience.

Dr. Rudolph R. Willmann, director of the music department at the college, and Mrs. Willmann, president of the Greenville music club, have commented on the performance as follows:

"The vocal quintet with Paul Breisch as musical director, demonstrated mastery of the Viennese style in music ranging from 18th century Mozart to 20th century Viennese songs. All of the characteristics of Viennese music—lively style, dynamic contrasts, rhythmic fluctuations, gaiety and flowing melodic line—were embodied in the group's performance. Costumes and character portrayals during the first half of the program added to the general effectiveness of the performance."

"Mr. Breisch brought from Vienna not only technical mastery of its music but also a true understanding of its subtleties and emotional content. The singers gave consistently fine performances in solos and ensemble. One of the high points in ensemble singing was reached in the finale to Rosalinda."

Negro Singers Give Music Club Program

A program of songs was presented on Tuesday evening, March 2, before the Music Education Club of East Carolina Teachers College by two students at the Epps High School for Negroes in the city.

Accompanied at the piano by their teacher, Mrs. W. H. Davenport, Jeon Johnson, soprano, and Doris Lynch, contralto, presented a group of songs, including popular numbers, spirituals, and selections from the classics.

Birth Announcement

Mr. and Mrs. Thomas J. Haddock of Ayden, Route 2, announce the birth of a son, Thomas Joyner, II, February 29, 1948. Mrs. Haddock is the former Miss Gertrude Venters.

Birth Announcement

Mr. and Mrs. Bennie Brown Nobles of Fort Lauderdale, Fla., announce the birth of a son, Anthony Brown, on March 2, in Pitt General Hospital.

Choir Meeting

News Experts To Advise Military

Washington, March 4—(AP)—A panel of news experts will tell the armed forces soon whether some form of voluntary censorship is feasible in peacetime.

A group of 22 representatives of newspapers, wire services, magazines, radio and newsreels conferred with Secretary of Defense Forrestal yesterday.

An eight-man committee was formed to study the problems which the defense chief outlined. The committee will report within 30 days.

Forrestal told the newsmen that there exists a "serious problem" of preventing information which might endanger the United States from reaching "any potential enemy."

He said there are two aspects to the general problem: 1. Tightening up "leaks" of information within the armed forces themselves; 2. Assumption by the press of responsibility for "voluntarily refraining from publishing information detrimental to our national security."

Skunk Wanted

Oklahoma City, March 4—(AP)—You can stick up your nose at a skunk, but Mr. and Mrs. Bruce Norman have found that lot of people like the little animals for pets.

That is, after certain precautions are taken.

The Normans were awakened the other morning by a skunk playing happily on their bed covers. After a hectic few minutes they finally realized the skunk had been de-odorized.

So far, several hundred persons have claimed the skunk. One man telegraphed from Los Angeles the pet had hopped out of his car while he was driving through Oklahoma City.

Forrestal offered what he said was a suggestion by newspaper friends as "one possible solution." It was this: to establish both a security advisory council of six men from among the group which met with him yesterday and an information advisory unit. This latter unit would operate within the national military establishment but would be made up of civilians "insofar as practicable."

Pitt County To Represent State Radio Broadcast

Pitt County has been selected to represent the state of North Carolina on the new network radio program, "R.F.D. America," S. C. Winchester, county agent for the State College Extension Service, announced today.

The new farm quiz show which selects its contestants from farm men and women, is broadcast over the 405 stations of the Mutual Broadcasting System on Thursday nights at 9:30, and contestants each week come from a different state. All the North Carolina contestants will be chosen from Pitt County.

T. W. Lewellen, advance man for the program, will arrive in Greenville, Monday, March 8, to start interviewing farm men and women of the county. Eight, probably six men and two women, will be selected to appear on an elimination program which will be held in the county.

The eight contestants will be divided into two teams and a competition held between the teams. Three of the participants will be chosen to appear on the network program at a later date, and will be invited to be guests of the program for a three-day visit to Chicago, ending with the network broadcast originating from the Chicago studios. On the other two nights they will be taken to the theater and to a famous Chicago restaurant for dinner and the show.

Valuable prizes are given on the network program and even the losers are sure of winning something, because as each loser is eliminated, he receives an award of considerable value as a consolation prize.

The United States oil industry is now refining more than 5,200,000 barrels of crude oil per day compared to the average of the peak wartime year of 1945 of 4,711,000 barrels per day, and to the pre-war average of 3,861,000 barrels per day in 1941.

Music Composed Especially For ECTC Inaugural

Special music composed for the academic procession to be held during the inauguration exercises for Dr. John D. Messick as president of East Carolina Teachers College on Saturday morning, March 6, will be played by the college band.

The composition, entitled "Processional," was composed by Dr. Rudolph R. Willmann, director of music at the college. It is in the traditional processional form and opens with characteristic rhythmic figures found in many other works of the type. In its harmonic structure, character, and style of arrangement for the band, it is contemporary music. The number will have its premier performance by the college band during the inauguration exercises.

Dr. Willmann has been commissioned to write a number of compositions and arrangements for special occasions. Among these are a composition entitled "A Symphonic Movement" done for the Santa Barbara, California, State College Brass Choir; the official song for an international convention of Lutheran Young People's Societies; the "Call to Worship" for the rally meeting at an international convention of the Lutheran Church; and the arrangement of the "Mignon" Overture by Thomas for a 100 piece marimba band and "Dutch National Anthem" for band, both used at A Century of Progress Exposition in Chicago.

Elect J. Hardaway To Phi Beta Kappa

Wake Forest, Mar. 4—Twenty-one seniors at Wake Forest College were elected this week into Phi Beta Kappa, highest national scholastic fraternity. Formal induction ceremonies will be held sometime in April.

The new members include John S. Hardaway, of Greenville.

Speaker Claims N.C. Schools Are Deteriorating

Charlotte, N.C., March 4—(AP)—A National Education Association representative declared here last night that he knows of "no state which treats its well-prepared teachers so poorly" as North Carolina.

The speaker, Dr. Ralph McDonald,

is a former candidate for governor of North Carolina.

He told a Mecklenburg County teachers meeting that "the deterioration of North Carolina public schools is growing worse every day, while the state treasury is fairly bulging with money."

North Carolina, he asserted, is collecting \$40,000,000 a year in excess of the total budgeted appropriations from its general fund. Yet, he declared, "no state has reduced its support of schools to such an extent" as North Carolina.

Dear Friend:

We in the Hotpoint Institute know you will enjoy your new "Two-Zone" Refrigerator. It is really two appliances in one . . . a refrigerator for fresh foods and a freezer for below-freezing storage. There are new adventures and thrills in store for you, and, as time goes by, you will appreciate your "Two-Zone" Refrigerator more and more.

Experience in our own kitchens and laboratories and in many homes over the country proves that Hotpoint refrigerators represent the best. They are designed to serve as able kitchen partners. They keep food fresh, delicious, and nutritious. They aid in preparing new meal-time delicacies and save extra hours of food buying. All this is combined with a beauty of design and convenience of arrangement that makes a Hotpoint refrigerator a satisfaction to own.

Now on display.

Cordially yours,

Now...once again it's Red Cross Time!

Out of human suffering the Red Cross was born:

At the scenes of human suffering the Red Cross takes its place.

Emergency is its call to service. The unpredictable disaster—the uncontrollable flood and raging fire, the stealthy epidemic—when these strike, your Red Cross quickly reaches the victims, to comfort, sustain and restore.

The Red Cross must be prepared to spring instantly into action any time, anywhere.

And the Red Cross will be ready. It will be ready because your generous dollars always have made possible its merciful work.

For the sake of the unsuspecting thousands who will be stricken this year . . . for the sake of those destined for injury and anguish . . . the Red Cross now turns to you.

It's March — and Red Cross time. This is the annual appeal the Red Cross makes so that your humanity may be spread throughout the coming year, among all — irrespective of race, color or creed.

You'll help again, won't you?

IT'S YOUR RED CROSS...KEEP IT GOING

+ Give Generously!

Strength FOR THE DAY

MAKE THE BEST OUT OF BLOTS
The incident in the life of John Ruskin whereby he transformed a blot on a piece of linen into a beautiful design is well known. Apparently the blot was ruined, but Ruskin, taking the blot made it the center of a design which proved to be artistic and decorative.

It is the old story of starting from where we are, bad as that may be, making the best of a bad situation and finding something very beautiful to be made out of it. The worst situation humanity ever knew anything about was the crucifixion of the one perfect Man, yet this blot on the world's life has been transformed into something of the most momentous spiritual consequences.

Every one of us has had some blot on his happiness, which it seemed could be nothing but a permanent source of grief, yet very often the blots have become the center of a design which in the end brought much happiness. The resolute souls are those who will not accept blots as blots, and give up in despair. When their happiness is destroyed, they start forth with to make the unhappy circumstances the basis of a new start in life. They use the blot as the starting point for a new design.

FUTURE CITIZENS

If local parents have ever felt concerned over the future of the "younger generation," they can relax now and feel reassured by the display of qualities, that go into good citizenship, during the recent county basketball tournament.

THIS NEWSPAPER To Publish Pictures of LOCAL CHILDREN

Pictures of the children of this community are to be published in this newspaper as a special tribute to our young citizens. Tomorrow the responsibility for world destiny will rest heavily upon their shoulders. As Americans, they will meet those responsibilities without faltering. Among them, in the years to come will be many with fame and fortune. But, just as they are right now... with the dawn of a greater tomorrow in their fresh young faces... we, the publishers want a picture of these future professional men and women, teachers, scientists and, who knows, perhaps a future president of this great country. We want to publish these pictures in a forthcoming special feature. So, Mother and Dad, we will need your cooperation to help make this event a colorful and inspiring exhibit!

Arrangements have been made with The Wolz Studios, nationally known children's photographers, to take the pictures for us at the time and place given below. All you have to do is bring your children as our guests. There is no charge or obligation. However, all children must be accompanied by one parent or other guardian.

You do not have to be a subscriber to this newspaper and you do not need to purchase photographs, although you may do so if you wish. Just bring your children down and have the picture taken. Later you will be shown proofs from which you select the pose you prefer having printed in the paper. The pictures will be published at a later date. It is as simple as that!

You can clip these pictures from the paper and thus obtain a memento of childhood which will become a treasured keepsake and memory record for both you and your children when they grow up. Fathers and other relatives in the Armed Forces get a real thrill when they receive the hometown paper containing pictures of the beloved little faces they know so well.

Here is a tip on how to get your child's picture taken promptly. Those with last names beginning with letters from A to M should come Monday, March 8, while those with last names beginning with the remaining letters of the alphabet should come Tuesday, March 9.

The above suggestion is not compulsory but your cooperation will be appreciated.

Below is the time and place to have your children's pictures taken without cost. Woman's Club, Monday and Tuesday, March 8 and 9, 1 to 3 p. m.

The Runaway

The youngsters were bouncing with good health, and showed teamwork, sportsmanship and lots of the never-say-die spirit; and all those things are a part of good citizenship.

They are living in a Golden Age, wherein they receive training in both their mental and physical selves. Educators today believe more than ever, that a clear mind requires good physical health; and athletic activities are being encouraged in the smallest of schools.

Parents can help in this endeavor by taking an interest in the school which their children attend, and encourage their sons and daughters by attending athletic events with them.

Self-reliance is a great thing, and sports bring it out in the growing boy or girl less painfully than in later experiences. Kids like to

show their parents they can hold their own with their equals, and will do their best when the eyes of a parent are on them.

Our school systems are doing wonderful work in this field, but the results would be even greater if parents lent more support.

WASHINGTON LETTER

By JANE EADS

Washington—Fort Washington, 12 miles down the Potomac, is the oldest fort standing today that was built in the defense of the nation's capital.

It stands on the site of a still older fort that guarded the river approaches to the new capital city in the War of 1812.

It has been unused for some years, but now the government plans to open it to the public as a historical museum and convert its surrounding 300 acres into a recreation park complete with tennis courts, a golf course and baseball and softball diamonds.

George Washington recommended that a fort be built on the site as early as 1794, six years before the capital was moved here from Philadelphia. The property was part of the Maryland plantation of Washington's friend, Thomas Digges. It is just across the river from Mt. Vernon, Washington's home.

The first fort was built in 1808 but was blown up in August 1814 when the British advanced on Washington. That's the time they set fire to the White House.

The War Department decided that the old star-shaped structure should

be replaced at once with a stronger defense. Maj. Pierre L'Enfant, designer of the capital city, was commissioned to design and superintend construction of the new fort in September.

Acting Secretary of War James Monroe sent him to Fort Washington Sept. 8 to examine the old work and make a report on its condition. Sept. 20 Monroe ordered 50 men and 15 or 20 wheelbarrows to the site.

Later in the year a prepared plan was requested of the major. He made various promises but failed to come through with a plan. He had already started work on the new fort and the War Department was anxious to find out what was cooking.

Sept. 6, 1815, a letter addressed to L'Enfant by the War Department advised him that he couldn't be continued in the service of the United States. A Lieutenant Colonel Armstrong was sent to superintend the work until its completion in 1824.

L'Enfant, engineer and architect, was born in Paris in 1754 and served as an officer in the French colonial troops. His enthusiasm for the American cause brought him in 1777 to this country, where he volunteered at his own expense to join the Continental Army.

L'Enfant's plan for the city of

Washington was accepted, and he was employed in March 1791 to direct the work. But his "untoward disposition," as Washington put it, knocked him out of the supervising job in March 1792, though his plan in general was followed.

The designing of Fort Washington was the last project Major L'Enfant was commissioned to do for the government. He died penniless and disappointed June 14, 1825, on the Digges Plantation and was buried there. His body was later removed to Arlington National Cemetery, where a monument was erected to him by Congress.

Though no attack was ever made against it, Fort Washington was manned during the years. In 1940 it was transferred to the National Park Service. It is under that service's jurisdiction now, although after Pearl Harbor the War Department used the fort as an adjunct general's school.

The Park Service expects to put in a small exhibit this summer and have a man on duty at the fort.

Nostradamus was the assumed name of Michel de Notredame, French astrologer and author of rhymed prophecies who died in 1566.

Astonished Pair Witness Suicide

Woodland, Calif., March 3—(AP)—Two men sitting on the bank of the Sacramento River watched in astonishment yesterday as another man walked calmly into the river and drowned.

Henry Biets and Dan Hunter told a Yolo sheriff's deputy a man in working clothes exchanged cheerful hellos with them, walked into the river shoulder deep, paused, waved goodbye, and then continued walking until he disappeared beneath the water.

The body was recovered about a half hour later.

A member of the oak species grows in the western Mediterranean area yields cork.

Farmers' Income Took A Beating With Price Cuts

Chicago, March 4.—(AP)—The farmer's income today is getting a lower income from several important items than he did a year ago.

How the farmer's income took a wallop in the recent slash of market values was revealed in a comparison of prices yesterday with March 3, 1947. Such important items as wheat, hogs and cotton were lower.

The hog top at Chicago a year ago was \$29.50 a hundred pounds. Yesterday the best price was \$24.25. This decline has developed despite a smaller number of hogs.

Farmers are doing a little better with cattle. As an example, good steers and yearlings which brought \$21.00 to \$24.00 at South St. Paul, Minn., a year ago are now bringing \$23.50 to \$26.30.

In the big Kansas City cash market, wheat which sold no lower than \$2.54 1-2 a bushel on March 3, 1947, was down to as low as \$2.44 1-4 yesterday.

But the feed grains—corn and oats—are much higher than last March. This is not as much a help to farmers as it might appear. He doesn't have much feed grains—a result of last year's short corn crop.

A grade of corn which brought \$1.62 a bushel a year ago at Chicago was worth \$2.36 1-2 yesterday. In Minneapolis, oats which sold for 86 to 89 cents on March 3, 1947, brought \$1.26 1-4 to \$1.29 1-4 yesterday.

Potatoes are another good item. The lowly potato was so weak at times last year it required government price support. Idaho Russett Burbank potatoes sold at \$5.65 to \$5.90 at Chicago yesterday against \$3.45 to \$3.50 last year.

Scott Announces Campaign Aide

Raleigh, N.C., March 4.—(AP)—Kerr Scott announced today that James M. Caldwell, Concord lawyer, has joined his gubernatorial campaign headquarters as assistant manager.

Caldwell served 18 years as assistant of the North Carolina Department of the American Legion. He was mentioned as a candidate for Congress in the Ninth District, but withdrew his name from consideration when Rep. R. L. Doughton decided to stand for reelection.

Scott, who has announced that he will serve as his own campaign manager, said that Caldwell would be in charge of state campaign headquarters here for the present.

KING—Upon the good will of King Ibn Saud, Saudi Arabia's warrior monarch, depend U. S. rights to multi-billion dollar oil pool and bomber base near Russia's back door.

McCabe Is Given Week For Reply

Washington, March 4.—(AP)—Senators today gave Thomas B. McCabe a week to answer charges of mismanaging surplus war sales in China.

On his reply may hinge his appointment to the Federal Reserve Board of Governors. President Truman has said if the nomination is approved McCabe will replace Mariner S. Eccles as chairman.

Senator Tobey (R-NH), chairman of the Senate Banking Committee, refused to disclose his plans for a possible companion inquiry into Eccles' demotion to the vice chairmanship.

But he said the committee will "follow through" on what he termed

"a rather nauseating" account of the disposal of surplus war goods in China.

McCabe directed the sale of these goods from 1944 to 1946. He is now president of the Scott Paper Company, of Chester, Pa., and chairman of the Federal Reserve Bank of Philadelphia.

Senator Bricker (R-Ohio) said yesterday's testimony by a Senate investigator presented "a rather sordid picture." But he told a reporter he is reserving judgment until he has heard McCabe's explanation.

McCabe himself had no comment on the testimony except to say that he does not recall having ordered, as Tobey charged, the destruction of eleven B-25 bombers which had been sold to the Chinese without authorization.

A child 12 years old requires about twice as many calories in his diet as a child three years old.

Memorial Baptist Church To Commence Revival On Sunday

The Memorial Baptist Church, Fourth and Greene Streets, will hold a revival meeting beginning Sunday, March 14th, and running through Sunday March 21st.

The visiting minister in this series of meetings will be the Rev. Frank E. Morris, pastor of the First Baptist Church of Gaffney, South Carolina. Mr. Morris is well known in Greenville and Pitt County, having formerly been pastor at Winterville. Some years ago he went to the pastorate of the Leigh Street Baptist Church of Richmond, Va., only recently resigning this charge to become pastor of the church in Gaffney, S.C. A year or so ago he held a meeting in Greenville with the Immanuel Baptist Church. His many friends in this section will be glad of an opportunity of hearing him again.

He will preach his first sermon at the Memorial Church on Monday, March 8th, at 7:30 o'clock and each night thereafter at the same hour. The music in the meeting will be under the direction of Mr. A. E. Lynch, director of music of Campbell College, with Leon Fleming, Jr. as organist.

A cordial invitation is extended by the Memorial Church to the people of Greenville and of Pitt County to attend these services.

Red Cross Speakers For Radio Scheduled

Red Cross speakers, scheduled for radio broadcasts over station WGTC in behalf of the 1948 fund campaign, have been announced and will be as follows:

Rev. E. G. Cole of Winterville, at noon today; Mrs. J. Paul Davenport of Pactolus, at 6:30 p.m. Friday; T. K. Fountain of Falkland,

12 noon Saturday; Robert Lee Humber of Greenville, 8:45 p.m. Sunday; John G. Fleming and L. S. Picklen of Greenville, 8 p.m. Monday.

China is believed to have been the birthplace of the orange plant. The river Jordan flows into the Dead Sea.

Bethel Invitational Tournament Slated To Open Monday Night

Eight Teams Participating; Four Games Scheduled For Opening Round; Cash Awards And Trophies To Be Given

By BERT MOYE
The Bethel Class B Invitational Basketball tournament will get under way on Monday night, March 9th, at 8:30 o'clock, in the Bethel gymnasium with eight teams in the eastern part of the state participating. The tournament, which is composed only of boys' teams, will have the following representatives: Ayden, Farmville, Walsenburg, Snow Hill, Robersonville, Vanceboro, South Edgecombe and Bethel High quints.

Four games are on tap for Monday night when Ayden and Walsenburg will open the tourney at 8:30 o'clock. At 7:30 the Bethel quint, who is the top seeded team in the tourney, will meet South Edgecombe High; at 8:30 the Vanceboro High, third seeded team, will meet the Farmville lads; and the final game of the night at 9:30 will see the second seeded Robersonville boys playing the Snow Hill boys of Greene County.

In the semi-finals play on Tuesday night, March 9th, the winner of the Farmville-Vanceboro game will play the winner of the Robersonville-Snow Hill game at 7:30 p. m., and at 8:30 the winner of the Ayden-Walsenburg game will meet the winner of the Bethel-South Edgecombe game.

The finals will take place on Wednesday night, to be preceded by a consolation game between the two runners-up, starting at 7:30 o'clock.

Cash awards will be given to the winners of the first four places and trophies will also be given to the champion and runner-up team.

First In Twelve Preliminaries In Swim Meet Will Open Tomorrow

Spokane, Wash., March 3—(AP) Bobby Riggs ended a losing streak by outdistancing Big Jack Kramer to win their 41st professional tennis match 2-6, 9-7, 6-3.

It was Riggs' first win in 12 matches. The score now stands 25 for Kramer to Riggs' 16.

Chapel Hill, March 4—(AP)—It'll look like a state meet when preliminaries begin here tomorrow afternoon in the Southern Conference swimming championships. The favored teams are North Carolina, N.C. State and Duke. Finals will be held Saturday afternoon.

North Carolina's Blue Dolphins will be after their 16th consecutive title. They won their 36th straight victory in dual competition by drowning N.C. State 55-20 yesterday at Raleigh.

Out-of-state competition is expected mainly from V.M.I., Washington and Lee, and Clemson.

Five individual defending champions will be on hand. They are: Bill Kelly of N.C. State in the 220 and 100 free style; Jerry Cook of North Carolina, 200 breaststroke; Norman Spier, Jr., of North Carolina, 150 backstroke and diving; Bill Adams of Duke, 440 freestyle, and Bill Ward, of N.C. State, 50 yard freestyle.

Has Confidence In Yogi Berra

St. Petersburg, Fla., March 4—(AP)—Manager Bucky Harris of the New York Yankees is figuring on Yogi Berra as his No. 1 catcher this year in spite of the rookie's miserable showing in the World Series.

"Berra got a number of bad breaks in that series," Harris said as he outlined a campaign to teach his pitchers to learn to hold runners on the base. Working with the pitchers is Burleigh Grimes. Other catchers on the roster include Gus Niarhos, up from Kansas City, and Ralph Houk, Sherman Lollar, Charlie Silveira and Henry Polles.

No "Joe Louis" In Golden Gloves

New York, March 4—(AP)—The search for "the new Joe Louis" still continues after the Eastern Golden Glove finals. The New York tournament of champions produced only one knockout in 24 semi-final and final amateur bouts.

Only Johnny Saxton of New York's Salem Crescent A.C. was able to dump his man for keeps. The victim was Luis Ortiz of Puerto Rico in a 135-pound semi-final that stole the show last night at Madison Square Garden. Saxton later clinched the title by outpointing Bob Rosengart of Buffalo.

The sellout crowd of 17,926 noted only a slight facial resemblance between New York's Coley Wallace, the newly-crowned heavyweight king, and Mr. Louis. Wallace scrambled through to victory without any show of devastating punching power.

In fact, Wallace almost was upset Monday afternoon in the first round when he just edged out Rocco Marcegiano of Lowell, Mass. In last night's double header program he took another close one from Buffalo's Terry Tague to reach the finals. His last bout resulted in an easy win over Bob Baker of Pittsburgh.

Harry Walker Says Phils Know What He Wants

New York, March 4—(AP)—Harry Walker admits there aren't many dollars between him and another year with the Philadelphia Phils. But for the present the 1947 National League batting king is staying at his Leeds, Ala. home, looking after his hardware business and building a couple houses.

"They understand what I want," said the outfielder, "and any move is up to them."

Phil President Bob Carpenter said recently he had given Walker his final offer on a test-drive or leave-it basis. Walker said he hadn't heard a word from the Phils since a conference a month ago.

The younger half of the Walker brothers appears in no hurry to make a deal. He said yesterday he planned to do a little fishing "and then I'll probably start working out some."

Leo's Rookies Are 'Best Yet'

Cludad Trujillo, Dominican Republic, March 4—(AP)—The new men in the Brooklyn Dodger camp "are the best young rookies I've ever had," says Manager Leo Durocher. He took in the whole list and declared that every one was a good ball player. "This could very easily be the best team we've ever had," declared Leo. He was particularly high on Preston Ward, a 20-year-old first baseman, about which he said: "All I know is what I see and I do know he can hit a ball 11 miles. He can run like a gazelle and has a great arm."

Makes Bid For Red Sox Berth

Sarasota, Fla., March 4—(AP)—Johnny Ostrowski, up from Los Angeles, is making a bid for the third base job with the Boston Red Sox. He's had the hot corner much to himself the first two days of practice and has shown to advantage. Ostrowski is 28 and hit .292 in 173 games in the Coast League last season. His chief competition probably will come from Johnny Pesky or Vern Stephens, depending on which of them is picked for shortstop.

Lambert Trophy To Penn State

State College, Pa., March 4—(AP)—The August V. Lambert Trophy was presented last night to Penn State's 1947 unbeaten football team. The trophy, replacing the one retired by Army, is symbolical of Eastern football supremacy. Penn State, undefeated in the regular season, tied Southern Methodist, 13-13, in the Cotton Bowl game at Dallas, Texas, on last New Year's Day.

William And Mary Earns 'Reward' Will Play State

Durham, N. C., March 4—(AP)—William and Mary's scrappy Indians who turned in the first upset in the Southern Conference basketball tournament last night by trimming Wake Forest's favored deacons, 61-56, will be "rewarded" tonight by playing defending champion N. C. State. The Virginians take on the 77-point-a-game Wolfpack in the 7:30 night opener, with Duke, 63-48 winner over South Carolina last night, engaging George Washington at 9.

These games will follow a pair of afternoon tussles. Early action gets under way at 2:15, Virginia Tech engaging North Carolina and Davidson battling Maryland at 4 o'clock.

Both William and Mary and South Carolina staged sizzling comebacks in last night's opening contest, but only the Indians could make theirs stick for a victory.

William and Mary, after having nothing better than a tie score on three occasions, went ahead for the first time with less than five minutes to go and was home winging thereafter.

The youthful, comparatively small Virginians won the crowd over with their stirring uphill battle. Wake Forest, shaking off an 11-all tie, had moved to a 23-11 lead and, although pressed somewhat splurged again midway in the last half to hold an apparently safe 34-46 lead.

Then came the fireworks. In 55 seconds William and Mary had four baskets and tied the score at 44-44. The driving, pressing underdogs suddenly rose up and swept the dropping deacons right off their feet. There was no stopping the inspired W. and M. crew now. The flustered Wake Forest team completed its collapse with numerous errors and the first upset of the competition was in the record books.

South Carolina, trailing 30-14, with less than six minutes of the first half to play and center Al Adams chained to the bench with four personal fouls, appeared in a bad way in the nightcap against Duke.

Then the gamecocks dug in, poured 16 points through the nets to two for the Devils, sparked by Adams' replacement, freshman Jimmy Slaughter, to cut the deficit to 32-30 at the half.

Slaughter and Cy Szekacs each whipped through a hoop to put South Carolina ahead at the start of the second half, but after a brief point exchange, Duke again took command and sailed home easily.

Racing's Great Twenty Grand Dies Suddenly

Lexington, Ky., March 4—(AP)—Twenty Grand, speedy bay colt whose racing triumphs included the 1931 Kentucky Derby, is dead.

The son of imported St. Germans-Bonus died yesterday at nearby Greener farm. Death was caused by a twisted intestine. He was buried near the grave of his dam.

Twenty-Grand's winning time of 2:01 5/5 in the 1931 Derby stood for ten years, and remains as the second best on record for the mile and one-quarter racing classic.

The great whirlwind shaved 2-3 of a second from Twenty-Grand's Derby record in 1941. Both packed 126 pounds.

Twenty Grand was in the money 20 times, earning \$261,790. His record included 14 victories, four seconds and two thirds.

In an average year before World War II, U. S. transport systems carried about 600 billion ton miles of inter-city freight.

County Agent Warns About Blue Mold; Treat Plants Early

Blue mold has been reported to be present on plant beds in Georgia. This should be a reminder to the farmers of Pitt County, to start making preparations to treat their plant beds this spring for control of the disease.

Fernox was the most popular fungicide that was used in this section for Blue Mold control last year. This fungicide can be used as either a spray or dust.

Growers who plan to spray their plant beds should be equipped with a sprayer which develops at least 150 pounds of pressure; 25 to 30 feet of pressure hose; and an 8-to 10-foot spray rod extension. If the grower plans to dust, he should have a crank type dust.

Either treatment is a preventative rather than a cure, and should begin before Blue Mold appears in the plant bed. Make first application when the plants are about the size of a dime. The plants should be treated twice each week until the plants are ready for transplanting in the field.

Vitamin A is essential to maintain the cell structure of the body.

'Babe' Applies

San Francisco, March 4—(AP)—Mrs. George (Babe Didrikson) Zaharias, world's greatest woman player, has made formal written application to the United States Golf Association in hopes of competing in the forthcoming National Open championship.

The tournament will be held at Los Angeles in June.

The long hitting "Babe" who won the British and American Amateur titles before turning professional last year, has received no reply as yet to her request. It is assumed the letter, mailed some time ago, has been received at U. S. G. A. headquarters in New York.

Dyer Depending On New Pitchers

St. Petersburg, Fla., March 4—(AP)—It is not often that a manager goes out on the limb and predicts major league stardom for one of his rookies, not to mention two.

But in freshmen pitchers Clarence Beers and Al Papal, Pilot Eddie Dyer of the St. Louis Cardinals thinks he has two sure-fire big winners in the making.

In fact, Dyer is depending a great deal upon these two Texas league graduates. Openly concerned over his hurling crew, Dyer is banking heavily on these two right-handers to make good.

Eddie feels that the collapse of his chunkers was the chief reason for the Cards' failure to overtake the Brooklyn Dodgers last year. With Harry Brecheen still balking at terms, and Howie Pollet and George Munger not yet fully recovered from operations they underwent during the winter, Dyer plans to give Beers and Papal lots of attention.

"Beers and Papal are wonderful prospects," Dyer said. "I intend to give them every chance in the world. If I make the right decision on them, they might hurt us to the pennant. On the other hand, if I act too hastily, we could be hurt beyond repair."

Neither is a callow youth, as far as freshmen are concerned. Beers is 29 and has been in professional baseball since 1936.

This is his first big league trial. Papal is one year younger and has been in baseball since 1940.

Each had a sensational season with Houston last year.

County Agent Warns About Blue Mold; Treat Plants Early

Blue mold has been reported to be present on plant beds in Georgia. This should be a reminder to the farmers of Pitt County, to start making preparations to treat their plant beds this spring for control of the disease.

Fernox was the most popular fungicide that was used in this section for Blue Mold control last year. This fungicide can be used as either a spray or dust.

Growers who plan to spray their plant beds should be equipped with a sprayer which develops at least 150 pounds of pressure; 25 to 30 feet of pressure hose; and an 8-to 10-foot spray rod extension. If the grower plans to dust, he should have a crank type dust.

Either treatment is a preventative rather than a cure, and should begin before Blue Mold appears in the plant bed. Make first application when the plants are about the size of a dime. The plants should be treated twice each week until the plants are ready for transplanting in the field.

Vitamin A is essential to maintain the cell structure of the body.

Lesnevich, Fox To Fight Friday

New York, March 4—(AP)—Is Blackjack Billy Fox as good a fighter as his record indicates?

Old Gus is putting his light heavyweight championship on the line against Fox in a bout scheduled for 15 rounds. It probably won't go more than ten.

Ten was all Lesnevich needed last year when he flattened the 22-year-old Negro kayo artist in their first title bout.

It was the first defeat of Fox's budding pro career. Until he ran into Gus' punches, Fox had won all of his 43 pro fights by knockouts. Even if some of his foes were second raters that was some record.

In strict violation of the unwritten rule that you don't go against a champion, the bookmakers had Fox as much as a 1 to 3 favorite hours before the fight.

A flood of Lesnevich money drove the odds down, and by fight time Fox was only favored by 5 to 8.

The Cliffside Park, N.J. veteran made the bookmakers look silly when he gave the Philadelphia youngster a first class drubbing.

For the return fight Lesnevich is a 5 to 9 choice.

Last Night's Scores

By the ASSOCIATED PRESS
Notre Dame 50, Pennsylvania 56
Cornell 75, Colgate 56
Columbia 76, Princeton 50
Dartmouth 56, Harvard 48
LaSalle 78, Gettysburg 62
Delaware 69, Haverford 47
Yale 57, Connecticut 53
Georgetown Univ. 49, Penn State 43
Duke 63, South Carolina 48
William and Mary 61, Wake Forest 56.

Since his meeting with Fox Feb. 28, 1947, the 32-year-old Lesnevich has fought only heavyweights. He knocked out Mello Bettina in 59 seconds, outpointed Tami Mauriello in ten, and then stopped Tami in seven, his fourth successive victory over the Bronx barkeep.

While Gus was busy with the boys, Fox was hustling to build his kayo string. He added several more knockout victims to his posing list, including Artie Lewis, George Kochan and Jake Lamm.

BOXER FINED
Philadelphia, March 4—(AP)—The State Athletic Commission fined Art Swiden, Pittsburgh heavyweight boxer, \$100 and suspended him for 60 days for repeated fouls in a bout with Jackie Cranford, the Pittsburgh Duquesne Guard last Monday.

British Protest Guatemala Acts

Gautemala, Guatemala, March 3 (AP)—A British Diplomatic spokesman said today British will protest the flying of the Guatemalan flag over the British legation here during a demonstration yesterday.

The spokesman said a "vigorous protest" will be made to Guatemala's government, which is currently disputing Britain's claim to British Honduras (Belize).

Thousands of persons demonstrated for more than an hour yesterday and ran up the Guatemalan flag over the legation.

Should Turn Handle On Parking Meters; Tickets Cost Dollar

Some motorists who put coins in parking meters without turning the handle to register the money, and hoping to get extra parking time without paying for it, have been complaining to police that pedestrians turn the handles, causing the coins to register. When an officer passes along he finds that the car is parked overtime and places a ticket on it. The tickets cost a dollar each. The parking meters are a success and they are the means of providing ample parking places in the business district, city officials say.

The trouble right now is that motorists insert pennies or nickels and do not turn the handle. They know that the police frequently check the meters, and motorists figure that when an officer passes along and turns the handle that they will get more parking time—more time than they pay for.

Police are required to give a car a ticket when the meter registers all "red."

Chi Pi Plays Backed By County Educators

The four plays which the Chi Pi Players of East Carolina Teachers College have chosen for their annual production for children in Greenville and Pitt County, are a group of three delightful little dramas by the British poet and dramatist Rose Fyleman and a pantomime arranged by Dr. Lucile H. Charles of the college staff and acted to the tune of music of Delibes' "Coppelia" ballet. Performances are scheduled from today throughout March 9.

The production is being sponsored by the Greenville branch of the American Association of University

Osteopaths On New VA Basis

Washington. — The Veterans Administration today put osteopathic physicians on the same basis as doctors of medicine in its "home town" medical care program.

Dr. Paul B. Magnuson, chief medical director of VA, said veterans receiving treatment away from VA hospitals or clinics now may ask for the services of an osteopath.

KIDNEYS MUST REMOVE EXCESS ACIDS

Help 15 Miles of Kidney Tubes Flush Out Poisonous Waste
When disorder of kidney function permits poisonous matter to remain in your blood, it may cause nagging backache, rheumatic pains, leg pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, headaches and dizziness. Frequent or monthly passages with smarting and burning sometimes show there is something wrong with your kidneys or bladder.

Don't wait! Ask your druggist for Doan's Pills, a stimulant diuretic, used successfully by millions for over 50 years. Doan's give happy relief and will help the 15 miles of kidney tubes flush out the poisonous waste from your blood. Get Doan's Pills.

FORD OWNERS DON'T RISK YOUR VACATION

YOU CAN HELP OVERCOME GAS SHORTAGES NOW

- The cold weather has made heavy drains on oil supplies. Increased fuel oil production means less gasoline for your car this summer. But—if every motorist does his part to help conserve gasoline—the shortage can be overcome!
- One way that you can save on gas is to make sure that your car gives you maximum gasoline mileage. Let your Ford Dealer tune your engine now to maintain that built-in Ford economy.

Our FARM Folks

By MRS. VERONA LEE J. LANGFORD
VERNA BELLE LOWERY
L. MARJORIE SHEARIN
Home Demonstration Agents

A Leader School on "Fashion in Windows" was held in Greenville in the auditorium of the Agriculture Building on Wednesday, February 25, at 2:00 o'clock. Miss Pauline Gordon, specialist in Home Management and House Furnishings conducted this school, which was a joint meeting with the Beaufort

Does Stomach Gas and Bloat Make You Feel Miserable?

If so, here is how you may get blessed relief in freeing your stomach from this nervous distress. It works this way: Everytime food enters the stomach a vital gastric juice must flow normally to break-up certain food particles; else the food may ferment. Sour food, acid indigestion and gas frequently cause a morbid, touchy, fretful, nervous condition, loss of appetite, underweight, restless sleep, weakness. To get real relief you must increase the flow of this vital gastric juice. Medical authorities, in independent laboratory tests on human stomachs, have by positive proof shown that SSS Tonic is amazingly effective in increasing this flow when it is too little or scanty due to a non-organic stomach disturbance. This is due to the SSS Tonic formula which contains special and potent active ingredients. Also, SSS Tonic helps build-up non-organic, weak, watery blood in nutritional anemia—so with a good flow of this gastric digestive juice, plus rich red blood you should eat better, sleep better, feel better, work better, play better. Avoid punishing yourself with over-doses of soda and other alkalizers to counteract gas and bloating when what you so dearly need is SSS Tonic to help you digest food for body strength and repair. Don't wait! Join the host of happy people SSS Tonic has helped. Millions of bottles sold. Get a bottle of SSS Tonic from your drug store today. SSS Tonic helps build sturdy health!

The Rector Kitchens, founded by the late George Rector, serve Wilson & Co. Inc. exclusively. From these kitchens come the recipes, menus, nutritional advice, economy suggestions, and homemaker's hints that you read in Wilson's Weekly Bulletin.

Brown Stew Eases the Budget

Got the budget blues? Then why not serve an old-fashioned brown stew for dinner soon? It's easy on the meat bill, the fuel bill, and the dishwasher. What more could you ask of one dish?

Brown Beef Stew

Brown 1 1/2 lbs. stewing beef in 3 tbs. BAKE-RITE OF ADVANCE SHORTENING
Add 1 tsp. salt
1/2 tsp. pepper
4 cups water
Cover and simmer 1 1/2 hours or until tender.
Add 3 cups diced potatoes
12 small onions
1/2 cup diced carrots
1/2 cup diced turnips
Cover and continue cooking until vegetables are tender. Transfer meat and vegetables to a serving dish. Thicken liquid by stirring in 4 tbs. cornstarch mixed to a smooth paste with a small amount of water. Cook until thickened, stirring constantly.
Add 1 tsp. Wilson's B-V (or more, to suit taste) which has been dissolved in a small amount of the hot mixture. Pour over meat and vegetables, mix carefully, and serve at once. Serves 6.

Glorify the Stew
Glorify the brown stew by serving shamrock salad, hot rolls, and apple crisp with it. You'll save time if you make enough stew for two meals. Serve the leftover stew as meat pie a day or two later. If you need more gravy, add as much water as desired and 1 tsp. B-V per cup of water, thickening it to suit your taste. It's as easy as that.

Shamrock Salad
Arrange 4 unpeeled slices of cucumber on a lettuce leaf to form a square. Fill the center of each salad with a mound of cottage cheese mixed with chopped chives or green pepper. Add a green pepper stem to the shamrock and serve with Wilson's Mayonnaise. It's St. Patrick's Day fare for sure... come March 17th.

The Wilson Label protects your table

County House Furnishings Leaders and Pitt County House Furnishings Leaders

During the demonstration Miss Gordon discussed and showed examples of the different kinds of materials different length, width and type of curtains and draperies. She also showed the different ways of using ruffled curtains and the different kind of curtains for the kitchen. She concluded her demonstration by showing the use of cornices and valances.

There were nine club women and Miss Frances Banks, assistant home demonstration agent from Beaufort County. Thirty-five club women representing 15 clubs in Pitt County that attended this training school.

After the meeting adjourned the members were invited to the tea table where they were served punch by Miss Frances Banks, and Mrs. R. B. Starling, Mrs. Langford, Verna Belle Lowery, Marjorie Shearin, and Mrs. Ruel W. Tyson assisted by serving cookies and crackers.

Pitt County Home Demonstration Clubs continued during last week with the special dinners honoring club members' husbands and guests. Those held last week were as follows.

St. John Club Holds Buffet Supper

About fifty club women, their husbands and children attended a buffet supper, on Monday, Feb. 23 at 6:00 o'clock at the St. John Club House.

The president, Mrs. L. W. Taylor, welcomed the guests.

After the delicious meal, Miss Verna Belle Lowery, Assistant Home Agent and R. Sam Weeks, Assistant Farm Agent, gave the program for the evening. Mrs. W. M. Rouse led the group in singing and quiet games. Mr. E. W. Fleming received a prize for guessing what time the alarm clock would "go off."

The Fountain Club Holds Dinner Meeting

The Fountain Home Demonstration Club celebrated its first anniversary at a dinner meeting on Tuesday night at the Fountain lunch room. The banquet table was centered with large arrangements of fruit and flags. Mrs. C. E. Case, Sr. welcomed the guests. Mrs. Langford welcomed the guests who were: Mrs. Jasper Morgan, Secretary Pitt County Federation of Home Demonstration Clubs, and Mr. Morgan; Mrs. R. B. Starling, Vice President Pitt

MUNITIONS SALESMAN—An Arab boy displays his deadly wares at his stall in Jerusalem's Street of the Cross. A rifle, automatic pistol, hand grenade and boxes of shells are among his stock. Many vendors sell such weapons.

County Federation of Home Demonstration Clubs; Mrs. Herman Baker Principal of Fountain School; Mr. and Mrs. Willie Kilbrew, Mr. Winchester and Mrs. Langford were the guest speakers.

Following the program Mrs. Starling entertained the group with many stunts and games. Thirty men and women enjoyed this delightful occasion.

Red Oak And Renston-Nobles Clubs Hold Joint Evening Party

The Red Oak and Renston-Nobles displayed a fine community spirit on Wednesday night, Feb. 25 when these two clubs met together at the Red Oak Club House and honored their husbands and guests at a February party. Mrs. Fenner Allen, president of the Red Oak Club presided and recognized the cohostess club officers, husbands of club members and special guests.

Mrs. Langford, Home Agent, and Mr. S. C. Winchester, Farm Agent, were the speakers on the evening program. They spoke on "More Livable Homes" and "More Diversified Farming." Mrs. Fenner Allen was assisted by Mrs. Jenkins under whose direction the recreation hour was held. The Patriotic games and stunts were enthusiastically entered into by old and young alike. Cherry pie topped with whipped cream and hot coffee was served by club members from a beautifully decorated table. The party adjourned by singing Good Night Ladies.

Stokes Club Meets

On Wednesday night the members of the Stokes Club, their husbands and invited guest met at Respass for their "get together meeting." Mrs. Sackey Gurganus, president gave a hearty "welcome." Mrs. Heber Fleming led the singing and Mrs. Tyree Stokes led the group in games which caused much excitement and was enjoyed by everyone. Miss Lowery, and Mr. Weeks were the guest speakers at the dinner meeting.

Sweet Gum Grove Club Holds Dinner Meeting

The Sweet Gum Grove Home Demonstration Club met at the home of Mr. and Mrs. W. S. Brown in a joint meeting with their husbands. Mrs. John Whichard recognized the following guests: Mr. and Mrs. Sam Weeks; Mr. and Mrs. Linwood Gurganus; Mr. and Mrs. R. H. Griffin, Verna Belle Lowery; Mr. and Mrs. Howard Briley.

Everyone enjoyed the slides on "More Livable Homes." Miss Lowery pointed out the points of emphasis as each slide was shown. Mr. Sam Weeks gave a talk on "Diversified Farming." Both talks were well given and thoroughly enjoyed.

A hatched with a President's name was pinned on each man as he arrived, and a cherry tree with a President's wife's name was pinned on each lady. The men and women found their dinner partners by finding the corresponding name to the one pinned on them. Rev. D. W. Alexander returned thanks after which everyone enjoyed a delicious barbecue dinner. Mr. Loftus Stocks and Miss Beth Briley received the prize for guessing the number of cherries in a bottle. Mr. Linwood Gurganus and Mrs. Howard Briley were runner up for second place winner. Both couples received George Washington Covered Cherries for the prize.

A box of candy was presented Mrs. Lindwood Gurganus for playing the piano so faithfully during the musical games. The meeting ended with

There's nothing like the glow of satisfaction that comes from regular savings. At seven, depositing a small sum . . . at seventy, living on funds built in the past. It's a wonderful life for savers.

Jaycees Sponsor Concert Here By Symphony Group

More than 100,000 children and 50,000 adults heard the North Carolina Symphony orchestra last season. The Junior Chamber of Commerce, sponsoring the appearance of the orchestra here on April 12th in Wright Auditorium at the college will open membership drive Monday March 8.

The orchestra traveled 3,600 miles throughout North Carolina, performing 115 concerts in 58 cities and towns during the 1947 season.

The musicians gave two concerts a day, five days a week for three solid months and received the plaudits of every section of the state.

The tour began with an historic performance before the State Legislature in the State Capital.

The first part of the tour was made by the Little Symphony, of 23 players, who performed in many of the smaller communities that could not finance the Full Symphony.

The children enjoyed the free afternoon concerts so much that many of them returned for the evening program.

Before the appearance of the Orchestra, anticipation among the children is always keen. In Windsor the children shellacked the stage and polished every seat in the hall in preparation for the concert. In Asheville, 7,500 children packed the City Auditorium.

The children are oriented for weeks in advance of the orchestra's appearance by recordings and literature especially prepared for them by Adeline McCall and Maxine Swain of the Junior Division of the Symphony Society.

All performances were conducted by Dr. Benjamin Swain, well known American conductor, who also takes time from his musical duties to speak before civic clubs and other organizations.

More than a score of communities had the opportunity of hearing a symphony orchestra for the first time last season.

This season the orchestra is scheduled for performances in every town where it appeared last year and is to give concerts in 14 additional communities.

4-H CLUB BROADCAST OVER WGTC FRIDAY

Hazel Garris, president of Pitt County Council of 4-H Clubs; Curtis Lee, vice-president; Pauline Robinson of the Bell Arthur Senior Club, and Dalton Rollins of the Sweet Gum Grove club, will broadcast a program over WGTC Friday at 1:45. They will tell of their 4-H achievements. This is "National 4-H Club Week."

Peanuts are an important money crop in nine states of the United States.

AWARD TO LADY READING—The Dowager Marchioness of Reading (right) receives the national achievement award of Chi Omega from Mrs. Franklin Roosevelt at New York. Lady Reading was granted award for "outstanding contribution to the public welfare of her country." She was the organizer of the Women's Voluntary Service in the United Kingdom.

Farm Boys, Girls Observe National 4-H Club Week

College Station, Raleigh, March 4—Setting their thoughts on "Creating Better Homes Today for a More Responsible Citizenship Tomorrow," North Carolina's 106,131 Four-H Club members are busily engaged this week in observance of National 4-H Club Week.

One of the main objectives for the observance of National 4-H Club Week is to make it possible for all 4-H members to become familiar with the 1948 theme and to see that it is emphasized in the 4-H program, says L. R. Harrill, State 4-H Club leader for the State College Extension Service.

Harrill said that club members throughout the state are taking part in special programs and events to acquaint parents and others in every community with what 4-H members are already doing. Many of the clubs are giving special radio broadcasts, others are staging demonstrations, window displays, and posters in an effort to acquaint the general public with the objectives of this growing organization.

With more than 2,000 4-H Clubs in the state, 1948 promises to be the greatest year ever for the young farm boys and girls who make up these clubs. They are continuing to live up to their motto "To Make

Underwood To Head Duke Fund Campaign

Durham—The appointment of Sam B. Underwood, Jr. as chairman of the Duke University Loyalty Fund was announced recently by the Duke Office of Alumni Affairs.

Mr. Underwood heads a committee of 11 Duke graduates who are to conduct a campaign in Greenville and vicinity for contributions to the university's annual giving program.

Serving with Mr. Underwood in the area are Carl P. Pierce, Tyrus I. Wagner, R. A. Nelson, W. Robert Booth, Mrs. H. H. Duncan, Francis L. Lewis, Jr., Jake M. Hadley, Miss Marguerite Z. Austin, J. I. Morgan, Jr., Rev. Robert W. Bradshaw and John H. Adams, Jr.

Red Oak News

Historic Reedy Branch Church was the scene last Sunday afternoon of one of the largest community hymn sings ever held in Pitt County. People from far and near gathered long before the hour to start and the big church auditorium, the largest in rural Pitt county, two large Sunday schools rooms and the aisles were jammed and packed.

The singing was inspiring from the first hymn to the last amen.

Six rural church choirs cooperated to make this such an outstanding gathering. Each choir rendered two special numbers. The Reedy Branch choir, under the direction of Miss Nan Little; the Piney Grove choir, Rev. Lawrence Tyson, director; Mt. Pleasant, under the direction of Miss Pattle Jenkins; the Arthur Christian Church with Mrs. Bruce Strickland; Sweet Gum Grove with Mrs. Hinnant; and the Red Oak choir under the direction of Mrs. William R. May, all rendered outstanding selections.

Miss Nan Little of Reedy Branch, Mr. Williams of Fuquay Springs and Mrs. May of Red Oak each sang a number. The Bennett Quartet from Bell Arthur and a ladies quartet from Mt. Pleasant added much to the enjoyment of the afternoon.

Rev. Woodard, pastor of Reedy Branch, greeted the guests in his own happy way which all enjoyed.

Mr. Norman Coward was master of ceremonies and Mrs. May Ella Hardee was pianist.

Around seven hundred fifty people enjoyed this wonderful fellowship on this fifth Sunday in February.

The next "Hymn Festival" will be held at the Arthur High School on the 5th Sunday in May with Arthur Christian Church as host. Make your plans now to attend.

Mr. and Mrs. B. L. Tyson, Alice Leota Edwards, Jarvis Tripp, Jr., Misses Grace Tripp and Annie May attended a Methodist district program at the Wesley Methodist Church last Sunday night. Young people from five churches gathered together for an inspirational meeting. Mr. Cyrus Johnson of Raleigh was the guest speaker. Mrs. Tyson also appeared on the program.

The youthful Workers Club of Red Oak and Piney Grove are working hard on a play "The Ghost Farm" which they hope to present in the near future.

Miss Adell Kittrell and Mrs. E. T. F. rerson of Nags Head and Mrs. Janie Cox and Mrs. Kittrell of Winterville were guests of Mr. and Mrs. Ola Kittrell Sunday afternoon.

Don't forget choir practice next Friday night, March 5th, at 7:30. Please be present as we will begin practice on our Easter Sunrise Service.

Although barnacles thrive best in warm waters, they can survive long trips to comparatively cold regions.

Napoleon Bonaparte was a descendant of an old Italian family and was a Frenchman only because the Island of Corsica had joined France the year before he was born.

NEVER STANDS IDLE

THE 'Jeep'

THE 4-WHEEL-DRIVE UNIVERSAL "JEEP" works all day, all year... in the field as a tractor... on or off the road for hauling and towing. Comfortable and easy to operate, it lets you stay on the job for hours without becoming exhausted. When work in the field is done, the "Jeep" is ready to tackle almost any other job—hauling produce, perhaps, towing a cattle trailer or helping out in scores of ways. As a mobile power unit, the "Jeep" with power take-off can operate virtually any piece of power-driven farm machinery. Come in and see the "Jeep" now.
