Compromise ERP Bill Agreed Upon

Final Action On Omnibus Measure In Senate And House Due Before Nightfall; Truman To Get Measure A Full Week Ahead Of Time Table

Washington, April 2—(AP)—A \$6,000,000,000 (B) "package" of American aid for Europe and China was wrapped up for special Congressional delivery to the White House today.

Both Senate and House, barring a major upset, were due to take final action on the omnibus measure before nightfall.

The compromise bill was agreed to unanimously by Senate and House Congress only 15 minutes ahead of the midnight deadline that had to be met to permit passage today.

Approval by the two houses will send the measure to President Truman a full week ahead of the time table laid down by Congressional leaders.

It will bring to an end three months of toil and debate on a foreign aid program marking a new milestone in this country's relations with other nations.

Mr. Truman's swift approval is a foregone conclusion.

The single package measure, containing provisions for both economic and military aid, is designed to send American dollars flowing into world trouble zones to help stem Russian expansion. It provides for:

(A) \$5,000,000,000 (B) for the first 12 months of a 4 1/4 year European recovery program in which 18 western European nations and western Germany will take part on self-help basis.

(C) \$600,000,000 (M) in assistance to China. Of that amount \$300,000,000 is to be used for economic purposes. The remaining \$300,000,000 is set aside for use in any way the Nationalist government of Generalissimo Chiang Kai-Shek sees fit—undoubtedly for military supplies to carry on the civil war against the Chinese.

(D) \$75,000,000 in military aid for Greece and Turkey.

Other provisions of the omnibus bill include \$400,000,000 (M) in military and economic aid to the two strategically located Mediterranean nations, Greece and Turkey, which are currently plagued with civil war.

Turkey is under renewed pressure from Moscow to give the Soviet Union a voice in control of the Dardanelles.

(E) \$60,000,000 for the International Children's Emergency fund set up by the United Nations.

The 10-man Senate-House conference group pluggued away for nearly 14 hours yesterday, with breaks only for lunch and dinner, to compromise differences in separate bills passed by the two chambers.

The Senate group headed by Chairman Vandenberg (R-Mich) of the Foreign Relations committee won two major victories over the House.

One was the four and one-quarter year outline for ERP after the House had insisted on only a one-year scope.

The other was to knock out a section welcoming Spain into the European recovery program.

Steel Industry Prepares For New Shutdowns

Announced Layoffs Due To Coal Famine Will Push Number To 50,000

Pittsburgh, April 2—(AP)—The steel industry, maker of raw materials for most U. S. manufacturers, set itself to take body blows next week. Its only hope: That the soft coal walkout ends quickly.

Already 44 furnaces have been shut down and 13 others will be banded within a few days. Announced layoffs will push the number of idle steelworkers to at least 50,000 within the next six days.

The Tennessee Coal, Iron & Railroad Co., said its Ensley Steel Works will be shut down completely Sunday night. Its closing will trim the Birmingham district's steel production rate from 68 to 45 per cent of capacity. It had been operating at 100 per cent before the mine shutdown.

The number of idle workers, not counting miners, will rise to 10,000 in the Birmingham area. The Ensley Works alone employs 8,000 of whom 2,000 already have been laid off. A total of 10 blast furnaces and 11 open hearths will be idled in the district when T. C. I. completes the Ensley cutback.

At 68 per cent of capacity, Birmingham had estimated its production loss at 22,000 tons of steel ingots per week. The new cut would reduce production to about 35,000 or 40,000 tons.

In the Wheeling Steel Corp., said the coal shortage will make its 14,000 employees idle April 8. The Weirton Steel Co. with plants at Weirton, W. Va., and Steubenville, O., said it will close on the same date, idling 12,000. About 5,000 steel fabricating plant workers in the area will be laid off about the same time.

Other thousands of steelworkers already were idle in New York, Utah and Pennsylvania.

Colorado Fuel and Iron said it has enough coal to operate its Pueblo plant another week; then will have to curtail 50 or 60 percent.

The number of workers idle in all coal related industries today increased to more than 41,000, of whom 32,400 are railroad workers.

Five Train Cars Are Overtaken

Concord, N. C., April 2—(AP)—Five cars of a 73-car northbound Southern railway freight train overturned and a sixth was derailed just outside the Concord station shortly before noon today.

The only person reported slightly injured was conductor O. C. Williams of Greenville, S. C., who was in the caboose at the time of the accident. The caboose overturned as did a tanker and three boxcar refrigerators cars loaded with bananas. One other box car was derailed but did not overturn, blocking southbound traffic.

MacArthur Balks Opposing Warren

Sacramento, Calif., April 2—(AP)—General MacArthur has personally sent note "I do not desire to have my name entered in California primary (for President)" in opposition to Governor Warren.

Secretary of State Frank M. Jordan said today he received the reply in response to one he had sent MacArthur in Tokyo.

The General had previously expressed opposition to a plan by Allen H. Wooster, Los Angeles, to enter his name in the June 1 primary.

ABC On Coal Strike

Two Main Points; Background Of Walkout; What Is Demanded; What Can Be Done To Break The Strike; Does The Taft-Hartley Labor Law Cover This Case?

By JAMES MARLOW

Washington, April 2—(AP)—This is an ABC on John L. Lewis and the coal strike.

There are two main points: 1. The cause of the strike—Lewis and the mine owners can't agree on what miners should get a pension.

2. Stopping the strike—President Truman is trying to figure this out now.

Take the first one: What miners are entitled to a pension? Last July Lewis' coal miners went to work for the mine owners under a contract that was to end next June 30.

In this contract the owners agreed to turn 10 cents from every ton of coal mined into a welfare fund for the miners.

The miners were to get a number of benefits from this fund—it has grown to \$2,000,000 (M) since last July—and one of them was a pension.

From last July till mid-March, 1947, Lewis said the owners argued about who should get a pension. This is what Lewis wanted. "A \$100 a month pension for every man who was 60 years old, had work-

Pitt County Youth Wins Livestock Show Prize

Louis K. Day, President of the Rocky Mount Lions Club, presents trophies to the exhibitors of the grand champions in the 11th annual Eastern Carolina Fat Stock Show at a banquet given by the Lions Club at the Ricks Hotel Wednesday night. Above, Day hands Mack Mills of Farmville a trophy for showing the prize hog, while Douglas Eason of Macesfield, right, winner in the beef cattle show watches. At left is shown Mack Mills and his prize-winning hog. (Photos by courtesy of the Rocky Mount Evening Telegram).

Latin Hopes For U.S. Aid Dimmed

Assistant County Farm Agent Says Triumph In Rocky Mount Will Ultimately Result In Improved County Livestock

Bogota, Colombia, April 2—(AP)—Latin American hopes for large scale United States aid dimmed today following Secretary Marshall's statement that European recovery is the prime U.S. objective.

Marshall's speech to the Pan American conference yesterday left little doubt in the minds of delegates that the United States will be unable to afford blank checks for the economic development of Latin America, although she is willing to do as much as her resources permit.

The American secretary of state told delegates Washington is prepared to increase aid to needy hemisphere neighbors but that the European Recovery Program must take precedence.

He asked Latin American nations to sacrifice some of their demands for aid in the interests of world peace.

Marshall's direct language on the economic phase of the conference came as a surprise to many delegates, who had considered United States aid a primary objective of this ninth international conference of American states.

The secretary of state said the European Recovery Program would help bring more dollars to Latin American producers of prime materials.

He added, however, that there was little chance that the hemisphere nations would receive any increase in the way of steel and heavy machinery, since U.S. producers themselves are short.

He said in view of the burden the European program would place on U.S. taxpayers, Latin American nations would do well to encourage private capital to make investments.

Another Pioneer In Air Force To Retire In July

Washington, April 2—(AP)—Another of the little band of airmen who built American airpower into the mighty weapon it is in World War II is leaving.

Gen. Tooley Spaatz, whose flying experience dates back to the expedition against Pancho Villa in Mexico before World War I, wants to retire.

When he does on July 1, he will join such military aviation pioneers as Gen. Hal Arnold and Lt. Gen. Jimmy Doolittle.

Spaatz, 56, gave no reason for his decision except to say in a letter to air secretary Symington that he feels "the time has arrived for this action."

For a successor President Truman, who announced Spaatz' decision, chose Gen. Hoyt S. Vandenberg, deputy chief since last October and nephew of the Michigan Senator.

German Witness Bouys Hopes Of Accused Traitor

Boston, April 2—(AP)—A German witness testified yesterday that wartime broadcasts of Robert H. Best always were directed against Bolshevism.

The testimony was presented by Werner Plack, a stolid prosecution witness, who said Best considered Communism a world menace and sought a radio job because he wanted to influence fellow Americans.

Best is charged with treason for allegedly broadcasting Nazi propaganda for Radio Berlin during the war.

Pitt 4-H Boys Take Stock Show Honors

Assistant County Farm Agent Says Triumph In Rocky Mount Will Ultimately Result In Improved County Livestock

By CHESTER WALSH Pitt County 4-H Club boys made a wonderful showing at the eleventh annual Fat Stock Show and Sale at Rocky Mount Wednesday and Thursday and won top honors in the beef and swine events. Assistant County Farm Agent W. H. (Bill) Pruden had the highest praise for the young farmers, and said winning at Rocky Mount will result in a forward movement in this county for improving livestock breeds.

Teddie Gray Allen, Farmville 4-H Club, took 4th place with his pen of three fat hogs, lightweight class, with a prize of \$5.

Pitt county 4-H Club boys had a prominent place in the beef cattle events and their animals brought high prices at the sale Thursday afternoon.

Millon Spain of the Belvoir 4-H Club placed seventh in the show, taking a blue ribbon and \$5 for showing a choice calf weighing 1,000 pounds, selling for \$30.50 per hundred, total \$305, to Greenville (Continued on Page Eight)

Russians Reject Blockade Protest

Hint New Moves To Push Allies Out Of Berlin; U.S. Fighter Planes Arrive At Tempelhof; Air Transports Active

Berlin, April 2—(AP)—A score of American planes flew food and passengers into Berlin today and the British moved a freight train to the city despite the advertised Russian blockade of land traffic not submitting to Soviet inspection.

The British reported they had no special trouble in getting their train to the city. The U.S. Army issued orders for movement of a similar train tomorrow.

While the Soviets had announced that all incoming passenger trains and outgoing passenger and freight trains had to be inspected, their regulations on incoming freight were more vague. The Soviet or-

der merely stated that incoming freight trains will be cleared "on the basis of accompanying documents." In the past, commanders of military freight trains operated

by the western powers have presented waybills listing the trains' contents for border patrol.

British authorities said this procedure was followed on their train today, and the Americans prepared to try it tomorrow.

Five U.S. P-47 Thunderbolt fighters landed suddenly at Frankfurt's air take-off point for Berlin. The fighters arrived about six hours after the first emergency passenger C-47 took off from the American base capital for Berlin.

Fighters do not normally land at Frankfurt's Rhein-Main airport, primarily a commercial strip. Air Force officers there first refused to say why the fighters arrived. Afterward they said "it is just a routine practice flight."

Late in the day air force headquarters at Wiesbaden blacked out all information on the American air lifeline to Berlin, and in Frankfurt Army headquarters said it could give no information to the press.

Col. Sergei Tulpanov, the Soviet military administration's information chief, asserted that "what we have decided on border and traffic controls will remain in force." These controls, instituted early yesterday with less than 24 hours notice, claim (Continued on Page Eight)

London, April 2—(AP)—British served notice today she intends to stay in Berlin regardless of what happens to the Allied Control Commission.

"We have just as much right to remain in Berlin as in our own zone," a foreign office spokesman told a news conference.

Wisconsin Race Three-Way Bout

Dewey, Stassen And MacArthur Tossing Verbal Punches

Milwaukee, April 2—(AP)—Gov. Thomas E. Dewey staked his chances for Wisconsin presidential backing today on a program of blasting Communism but keeping the peace.

As the turn of politics sent New Dealer Chester Bowles scurrying from President Truman's camp, the three-way bout for Wisconsin's 27 GOP nominating votes reached an infighting stage before Tuesday's primary.

Dewey led off with a sharp flurry of punches at Mr. Truman's "wobbling" foreign policies.

The New York governor aimed a right at Gen. Douglas MacArthur's "military genius" — which Dewey said isn't enough to win the cold war with Moscow.

He let go a left hook at Harold E. Stassen's "inexperience" in dealing with Communism.

Stassen countered with a roundhouse claim that he will get the support of 14 of Wisconsin's delegates.

He suggested MacArthur and Dewey backers might be ganging up on him. By inference he left them to divide the delegation minority.

MacArthur's counter-attack was handled by Rep. A. L. Miller (R-Nebr.) and Phil LaFollette, former Wisconsin governor running as a MacArthur delegate.

Miller told a boost-MacArthur banquet here last night the country needs a president "who Red Joe in Moscow fears and respects."

Were Fired Upon Without Warning Declare Marines

Tsingtao, China, April 2—(AP)—Four U.S. Marines released by the Chinese Communists after three months captivity said today they were fired upon without warning by the Reds.

Cpl. William L. Pollard of Fort Worth, Tex., said the fifth Leatherneck in the Christmas duck hunting party fell mortally wounded in the first blast.

Released at the coastal city of Haiyang north of here yesterday the four Marines said in an interview they did not know the Chinese they saw Christmas day were Communists.

"We thought they were Nationalist troops, so we waved our hats and hollered 'Meikuo' (American Marines)," said Pollard.

"Then they opened fire point blank at us from about 200 yards," Pollard said the Marines did not return the Communists' fire.

Aid For Schools Is Up To House

Washington, April 2—(AP)—Whether the government will give \$300,000,000 in federal school aid to the states next year depends on the House.

The Senate approved such a measure late yesterday, 58 to 22, after a week's debate.

President Vetoes Tax Cut Measure

Tobacco Union Attacks Truman In Italian Note

Italian Workers Told Invasion Threatens; U.S. Policy Is Condemned

Winston-Salem, N.C., April 2—(AP)—Spokesmen for Local 22, United Tobacco Workers, CIO, said today a message had been sent to Italian workers condemning President Truman.

Robert C. Black and J. Henry Minor, co-chairmen, said the Union, which is an affiliate of the Food, Tobacco, Agricultural and Allied Workers Union of America, adopted the statement to Italian workers at a meeting this week.

The local claims to represent 10,000 workers.

"The President of our nation has called for the power to invade your country with armed forces and take over the government if the Italian people in the elections of April 18 vote against the remnants of Fascism and reaction who are being supported by American big business interests."

"We know that this demand has not been made by Truman for the good of the Italian workers. President Truman is the leader and spokesman of an American administration which is attempting to deal death blows to the free trade unions of America. When he asks for power to invade Italy and cancel the results of our elections, we know the purpose will be to put in power those who will crush the free trade unions of Italy. x x x

"We support your right to a free choice in free elections. We condemn the efforts of an American administration which is attempting to deal death blows to the free trade unions of America. When he asks for power to invade Italy and cancel the results of our elections, we know the purpose will be to put in power those who will crush the free trade unions of Italy. x x x

"We are workers in the tobacco factories of our nation's South. Those who make profit out of low wages here by dignity and hate have kept alive the shameful remnants of human slavery and race prejudice in our land. x x x

"The threat to invade Italy if the Italians vote against an anti-labor government is a violation of civil rights. It is an open show of military force against working people in the interests of money and privilege. It is a crime against international decency. x x x

War Clauses On Company Bids For Contracts

Raleigh, April 2—(AP)—The State Board of Awards was scheduled to act today on bids—which had war clauses attached—on 600 to 1,000 school bus bodies and chassis.

The clauses provide that the companies will not be responsible for fulfilling contracts in the event of war or the commandeering of materials by the Federal government.

Director C. C. Brown of the State Department of Education's Division of Transportation said the clauses are the first to appear in school bus bids since the war ended.

Brown also said he had been advised by the school bus manufacturers that bus bodies and chassis might become scarce in the future if the Marshall plan and the possible stepping up of the armament program go into effect.

SENTENCED TO DIE Raleigh, N.C., April 2—(AP)—Woodrow Dingle, 26, Negro tenant farmer, was sentenced to death by Judge John J. Burney in Wake Superior Court today for murdering his wife. Dingle was convicted late yesterday by a jury which deliberated about an hour.

COTTON CONFERENCE Manchester, England, April 2—(AP)—An Anglo-American cotton textile industry conference, seeking to revive the pre-war volume of international trade in cotton, opened in Manchester today.

The Russian Challenge

A Daring And Dangerous Move In Decreasing Traffic Control Of Allies' Movements To And From Berlin; Motive Behind The Act; War Of Nerves Is Stepping Up

By DeWITT MacKENZIE

Russia has made a daring—and dangerous—move in decreasing pre-emptive and obnoxious inspection of American, British and French railway trains bound for Berlin, which lies inside the Soviet zone of occupation.

By taking this drastic step the Muscovites have, of course, made a direct challenge to the other three allies. It is a sort of schoolyard boy's "I-dare-you-knock-the-chip-off-my-shoulder" affair.

The purpose of this move, as viewed by authoritative sources in Washington and Berlin, is to create a situation calculated to force the Western powers out of the German capital, which has been in joint occupation ever since the war. The Bolsheviks if successful would thus have complete possession of the rich eastern portion of the Reich, including its capital, which not only is the hub of European transportation but is the apple of the German eye.

The reaction of the Western Allies was what the Russians must have anticipated refusal to submit to such inspection. However, Gen. Lucius D. Clay, the two-star-

American military governor, put after his refusal an exclamation point which the Reds scarcely could have expected. The general announced, without fuss or feathers, that the Americans would use airplanes to carry passengers and freight into Berlin to the U.S.-controlled Tempelhof Airfield.

That very neatly puts it up to the Russians to declare their intentions. They now must take the initiative. So far as one can see, the only way they could prevent the Americans and other Western Allies from employing airplanes would be to use anti-aircraft guns—an act of war.

It certainly would be stretching the imagination to believe that the Reds intend to perpetrate an outright act of war against any of the allies. There is no indication that Russia wants war, though she intends to grab all she can short of embarking on armed aggression.

Wesley Philathea Class Meets  
The Wesley Philathea class of Jarvis Memorial Methodist Church met Monday night at 8 o'clock at the home of Mrs. Wiley Brown. The assisting hostesses were Mrs. L. C. Powell, Mrs. J. R. Barker, Mrs. C. T. Munford, Mrs. R. M. Zahniser and Mrs. Chloë White. Mrs. V. P. Scoville, president, presided. Mr. Wyatt Brown led the devotional. The secretary called the roll and collected the dues. After the business a social hour was enjoyed. Several games were played. The hostesses served cream cake, mints and nuts, after which we adjourned.—Reported.

### N.C. Art Exhibit Will Be Shown In Art Festival

The 1947 Annual North Carolina Artists Exhibition will be shown in Greenville as a feature of the Community Art Festival assembled by the N. C. State Art Society for its annual meeting in December. The 68 paintings in this show were selected by an eminent jury from 123 works submitted. Oil, watercolor, prints, drawings and sculpture are included in the selection—with subjects ranging from primitives to highly skilled moderns.

The 68 works in the exhibit represent 50 artists and 34 towns, the towns being: Asheville, Chapel Hill, Durham, Elizabeth City, Greenville, Greensboro, High Point, Housontonville, Lumberton, Morehead City, Murfreesboro, Plymouth, Raleigh, Red Springs, Reidsville, Rocky Mount, Wilmington and Winston-Salem in North Carolina—Out of State: Boston, Providence, R. I., New York City, Washington D. C. and Atlanta, Ga. The names of artists and their paintings will appear on catalogue during the Festival.

Six paintings in the show were awarded \$1,000 and awards were given as follows: "Mending Nets," Claude Howell of Wilmington; "Gentle," Ben F. Williams of Lumberton; "Mill Ends, Earl Mueller, Duke University, "Morass," Jenn Rembert, Chapel Hill; "Mountain Corn," Mary Leath Thomas, Athens, Ga.; "Autumn" Elizabeth Hamrick Mack, High Point—All six of the prize winners will be in the show in Greenville.

The Community Fine Arts Festival will open on Thursday April 8 and continue through Sunday April 11. Exhibits will be placed in the Gallery on second floor of Sheppard Memorial Library, on the main floor of the library, in store windows in business section of the town and in the Greenville Woman's Club.

The public is invited to see the exhibits and to attend the seven programs which will be given during the four-day period—all exhibits and programs are free.

Methodist Study Course  
A study class on the theme, "We the Peoples of the United Nations," will be held for the Woman's Society of Christian Service of Jarvis Memorial Methodist Church, in the Ellington class room, April 6, 7, 8 and 9th from 10 to 11:30 a. m.

The topics to be presented are: Tuesday—"The Search for Peace and Security."

Wednesday—"Present International Problems."

Thursday—"The Work of the United Nations Organization to Date."

Friday—"Future World Peace." Dr. A. D. Frank, Miss Laura Rose, Dr. Paul Toll and Dr. W. E. Marshall, faculty members of the Social Studies Department of East Carolina Teachers College will give the lectures and lead the discussions.

The public is cordially invited to attend the class sessions.

Immanuel Baptist Circles  
The circles of Immanuel Baptist Church will meet Monday afternoon, April 5, at 3:30, in the following homes.

Claude Wilson circle with Mrs. Bert Greene.  
Nettie Patrick circle with Mrs. W. S. Stafford.  
Julia Meadows circle with Mrs. Charles Wilkerson.

The Business Woman's circle meets on Tuesday night, April 6, at 8 o'clock with Mrs. Arlene Davis, Mrs. Rosa Stokes, co-hostess.

8:30 p. m.—Kiwanis Club.  
8:00 p. m.—Whittemore and Lowe, young American duopianists, will appear in a concert in the Wright auditorium of East Carolina Teachers college and will present a program of both popular music and the classics. The concert is sponsored by the college Entertainment committee as the first number to be offered during the spring quarter.

### Flowers Bloom In Local Gardens

By CHESTER WALSH

West Fifth Street is a wilderness of flowers, and the beauty of the blossoms is enhanced by the greenery of leaves with which Mother Nature is now draping trees and shrubs.

The thoroughfare from J. N. Williams' home on to Elizabeth Street is a flowering avenue of white dogwood trees, flanked by a profusion of white and pink dogwood in the yards.

At the J. N. Williams home the azaleas, pink dogwood and tulips are in full bloom. At the Mrs. E. W. Moseley home, the flowering peach tree, pink and white dogwoods are of almost tropical luxuriance. Mrs. Frank Wilson's Lady Banksia yellow rambler rose drapes the entire eastern side of the house. Her unpruned white dogwood trees and the white provide colors of the rainbow and the azaleas contribute to the floral scene. Mrs. E. B. Ficklen's azaleas are wonderful on the upper terrace, and the pink and white dogwood and tulips blend their colors in a pageant of spring flowers. At the J. S. Ficklen home white and pink dogwood, azaleas and white iris and tulips are lovely.

Words cannot describe the beauty of the flowers. It's worth a long trip to see them and enjoy their beauty and fragrance. Greenville really is the "Garden City."

On East Fourth Street, next to St. Paul's Episcopal Church, Miss Martha Lee Cowell's Lady Banksia yellow rambler rose covers the western side of the house, and she has an old southern garden, with lilacs, lilies-of-the-valley, peace bush, iris, crabapple and other blooming plants.

The tulips are in bloom at Mrs. J. B. Kittrell's home on West Fifth Street, the azaleas are in their glory and a pink dogwood tree form a lacy canopy over them.

A wisteria vine, entwined about a majestic tree at Mrs. Ray Tyson's on West Fourth Street, is beautiful. In contrast to the pink and white dogwood, jonquils and tulips.

Beautiful flowers all over the city are worth a tour of the city.

**Card of Thanks**  
We wish to express our appreciation for the many kind expressions sent us by our friends at the time of the death of Mr. Robinson.  
**MRS. GEO. W. ROBINSON AND FAMILY.**

**Attend Meeting in Bethel**  
Those who attended the W. M. S. Associational meeting in Bethel yesterday from Memorial Baptist Church were Mesdames J. B. Spillman, C. T. Mallison, Nan H. Moore, E. W. Moore, B. McK. Johnson, N. C. Brooks, W. C. T. Briggs, R. D. Whitchard, H. L. Andrews, R. E. Hardaway, Misses Kathleen Whitchard and Gloria Blanton.

**The End of Century Club Meets**  
Mrs. Ed Batchelor was hostess to the End of the Century Club Tuesday afternoon, March 30.

The lovely refreshments served as the members gathered were reminders of the Easter season.

The president, Mrs. J. T. Little, called the meeting to order and transacted a number of business items, cancer campaign, recreation project, art festival and other civic activities. At the close of the business session, the meeting was turned over to the hostess.

Mrs. Batchelor presented Miss Ona Shindler and seven talented, attractive High School students, Allison Hearne, Betty Anne Young, Mary Smith, Frances Bendall, Olive Lytie Batchelor, Emily Rice and Dorothy Stauffer. These gave a splendid program in vocal and piano music. With the lingering notes from these young lovely voices falling on our ears, we could more fully understand Hawies.

"The time is probably not far distant when music will stand revealed perchance as the mightiest of the arts and certainly as the one art peculiarly representative of our modern world." The club will cordially welcome this fine group any time.

Books were exchanged and club adjourned to meet April 13, Book Club Day.—Reported.

The death rate from rheumatic heart disease is higher among Negroes in northern U.S. industrial cities than among white children.

Edward "The Confessor," King of England who died in 1066, was so called because of his reputation for sanctity.

### Motor Inspection Must Also Pass

Raleigh, N.C., April 2.—(AP)—The Motor Vehicles Department's new inspection law requires that, in addition to automobiles and trucks, trailers, motorcycles, scooters and motor bikes must also pass inspection.

Arthur T. Moore, chief of the mechanical inspection division, said today that since the law requires these vehicles to be registered, it also requires that they be inspected for safe mechanical condition.

The small power-driven vehicles must pay the usual \$1 inspection fee. However, farm trailers of less than 2,500 pounds gross weight will be inspected free of charge, according to the law's provisions.

Records show soap was used as early as the eighth century in Italy and Spain, and the 13th century in France.

### 40 Years Ago Today

**THE DAILY REFLECTOR**  
April 2, 1909  
Mr. J. W. Ferrell, one of the directors of the Bank of Robertsonville, went to Robertsonville Thursday to attend a meeting of the board of directors. He tells us that the stockholders were paid a cash dividend of 10 per cent. The bank is two years old and while this is the first dividend it has declared, more than \$6,000 has been placed in surplus.

Getting time for the merchants to adopt early closing in the evening. Those who have potatoes up are uneasy when it feels so near to frost.

About 21 percent of American homes which were wired for electricity had vacuum cleaners in 1925 and about 81 percent had them in 1948.

### South Plagued By Bad Weather; Victims Get Lift

By the Associated Press  
A weather worn South today counted spring tornadoes, flash floods and torrential rains among its latest torments.

A series of tornadoes blasted across south Georgia and part of northern Florida yesterday and left one dead, 11 injured, hundreds of travelers stranded temporarily and widespread damage to communications and property.

A tornado also hit at Hardesville, S.C., while high winds buffeted widely separated points at Savannah, Ga., Mobile, Ala. and Biloxi, Miss.

In brief, the weather was a plague to the South.

Even so, there was one bright spot in the picture, a story of an entire community throwing aside its cares to give a lift to 219 stranded strangers and a corpse.

Though water filled the streets of Donaldsonville in southwest Georgia, the town's residents volunteered to remove all the passengers from the marooned passenger train "Southwind" of the Atlantic Coast Line Railway.

The "Southwind" had been halted in Donaldsonville by the wrecking of a 60-car freight train by a wash-out seven miles west.

All the passengers were carried by automobiles—bus and baggage—to Saffold, Ga., 11 miles to the northwest where they boarded a special ACL train for Montgomery.

The corpse was transported by a Donaldsonville undertaker.

Rising waters gave the Donaldsonville citizens only time enough to return home. The town soon after became completely surrounded by water, and motorboats were operating in the main street.

No comprehensive estimate of the damage was available since the tornadoes struck at nearly a dozen Georgia towns and communities.

### Well Known Woman's Funeral Saturday; Burial Greenwood

Mrs. Lena Thigpen Harrington, 76, died at a Fayetteville hospital at 8 o'clock Thursday night following a long illness.

Funeral services will be conducted at S. G. Wilkinson & Sons' Funeral Home at 10 o'clock Saturday morning by Elder S. B. Denny, Primitive Baptist minister of Wilson, assisted by Rev. R. W. Bradshaw, pastor of Jarvis Memorial Methodist Church.

Burial will be in Greenwood Cemetery. Nephews will serve as active pallbearers.

Mrs. Harrington, daughter of the late James Ashley and Martha Fleming Thigpen, was born and reared in Pitt County near Greenville and spent much of her life here.

Surviving are two granddaughters, Jane and Anne Harrington of Hollywood, Calif.; three sisters, Mrs. Hugh Cobb of Elizabeth, N.J., Mrs. Julius Cobb of Greenville, and Mrs. J. P. Fleming of Williamston; and a brother, James Ashley Thigpen of Florence, S.C.

### Reckless Drivers Endanger Lives On College Campus

By CHESTER WALSH  
Motorists using the driveways of the college campus are endangering human lives and property. Several near-accidents have been reported recently and serious collisions have been narrowly averted by other motorists, not the speeders.

The "motor car race" on the college campus is from Fifth to Eighth Street and from Eighth to Fifth. Many persons who have visited the college grounds while the flowers and shrubs are in bloom have shuddered at the danger from speeding motorists.

Police and State Highway patrolmen have a fine opportunity here to make the college campus safe for pedestrians. College officials, students and others would appreciate it. The campus speed limit is 15 miles an hour. College officials would dislike very much to close the campus.

Figures from the shoe industry show a monthly production of 40,000,000 pairs, or slightly more than 100 million shoes.

### Scottish Rite Group Entertains; Supper And Games Enjoyed

A most delightful evening was enjoyed Wednesday night when the Scottish Rite Bodies of New Bern Consistory No. 3 entertained their wives and guests with a turkey supper, which included all the trimmings. A few jokes on the lighter side and interesting talks on some features of Scottish Rite Masonry were made by James W. Brewer, district Deputy Grand Master of the Fifth Masonic District, was master of ceremonies.

Before beginning supper and while it was being served, the many distinguished guests were introduced. Among them were Charlie A. Seifert, secretary, and George Allie, treasurer, of the Scottish Rite Bodies, Robert L. Pugh, Lecturer of Scottish Rite Work and Senior Grand Steward of the grand lodge of North Carolina, W. J. Bundy, Past Grand Master of the Grand Lodge of North Carolina, and Past Potentate of Sudan Temple, B. B. Sugg, former mayor of Greenville, Herman Joseph, now with the Elmore Cigar Co. and formerly a clown with the Barnum & Bailey Ringling Bros. circus, and other distinguished guests.

During the supper, music was furnished by Clyde Landing's record player and loud speaker. After supper Charlie Seifert told of the coming reunion at New Bern beginning April 13 and ending April 15. He invited all who could attend to come. He promised them a good time. Herman Joseph entertained with jokes and songs, which were enjoyed by all. He was accompanied at the piano by Mrs. Christine Smith. An interesting talk on the purposes of Scottish Rite Masonry was made by Robert L. Pugh. He, being the Lecturer for the Scottish Rite Work, made it the more enjoyable.

The last, but not the least enjoyable, especially for the ladies, was a bingo game.

The master of ceremonies, James W. Brewer, expressed his thanks and those of the Consistory for the large attendance of over 200. He also thanked the Eastern Star for assisting in serving the delightful supper.

The Kiwanis Club will have its weekly supper meeting this evening at 6:30. President N. C. Brooks will preside.

President B. B. Sugg, Jr. presided.

Mount Nebo Lodge No. 39 and Cleopatra Court of Calanthe No. 479 will celebrate their 31st anniversary, Sunday, April 4th at 3 p. m. at Phillips Christian Church on 13th Street at Green.

All members are asked to be at the hall, 300 Albemarle Ave., at 1 p. m. Bus will be at the hall at 2:30 p. m.

With about 15 percent of the world's sheep, Australia produces 25 percent of the world's wool.

### Junior Chamber Of Commerce Active Community Group

The Junior Chamber of Commerce at its supper meeting at the Old Towne Inn last night transacted considerable important business, inducted four new members, heard a report from Bill Pruden that the club had bought a prize-winning 4-H Club boy's hog at the annual Fat Stock Show and Sale at Rocky Mount; discussed plans for increasing the membership to 100, enjoyed a period of fellowship and a nice supper, and heard a report from the board of directors which meets an hour before the supper meeting.

**Strength FOR THE DAY**

FROM LITTLE TO MUCH  
Some years ago when they were building the Coulee Dam, it became necessary to pass a fairly good-sized chain through a long pipe. How was it to be done? The pipe was too small for a man to crawl through and too long for any other means to be employed whereby the chain could be put through.

Finally it was decided to tie a string around the body of a cat and to encourage the animal, in a number of different ways, to make the trip through the pipe. This she did. After the string was drawn through the pipe, it was easy to draw a piece of small rope, then a piece of larger rope, and finally to draw through the chain.

Every skill is the result of beginning with something simple and working on to something complex. The simple exercises of the child beginning piano lessons grow, after years of toil, into the finished technique of the concert pianist. The awkward drawings of the grade school child become, through persistence, the sure line of the illustrator or the fine artistic production of the portrait painter or the landscape artist.

Here a little, there a little, is the rule of growth. From little to much, working on to strength, from awkwardness to skill — this is the highway, and it is arduous to follow.

**NOT THE DOG'S FAULT, BUT MAN'S**

In recent weeks there has been considerable talk of Greenville going into the dog-catching business, and clamping down on scavengers and strays. There have been a number of incidents which provoked this justifiable attitude.

Dog-lovers have responsibilities for the care of their pets; but too often "man's best friend" finds his owner is unworthy of his affections. Frequently Fido is allowed to go hungry or thirsty; not given proper medical care or a good place to sleep. He has no real home, just an indifferent master.

Why do dogs leave home? Simply because they have not been given the care which a pet requires. It is not their fault that they become strays and nuisances.

We hope that the City Fathers will adopt the idea of a dog-catcher and pound. Not with the thought of persecuting dogs, but when the homeless waifs are segregated from the "owned" dogs, the pet-owners may be penalized when their "best friends" are turned out into the streets.

**NOT BY NECESSITY BUT THROUGH LOGIC**

Tentative opinions and conclusions sometimes backfire; but lately we've thought about a particular blessing which is being brought about in Europe by necessity, and how we, too might benefit in the New World by the use of logic.

Public and private sentiment generally favors the principle of a customs union in Western Europe. It is regarded as the elimination of trade barriers to permit better distribution of necessities and the good things of life to all people.

On this side of the world we have customs barriers on both the northern and south-

ern borders of the United States.

If it is true that the relaxing of these obstacles to trade is beneficial for the peoples of small countries overseas, why does it not also hold true for larger nations like ourselves and our neighbors, Canada and Mexico?

**Open Forum**

**Daily Reflector**  
I am writing this letter in answer to several recent Daily Reflector editorials on Palestine. The decision to partition Palestine has been made with the U.S. and U.S.S.R. agreeing, a rare and fortunate situation. The result of that decision, thus far, has been violence and bloodshed. The Security Council has taken no action to alleviate a situation for which it has been made responsible. It has not acted because it cannot act unless the U.S. and the U.S.S.R. are willing to have it do so. Although on paper both support partition, they have given no indication of agreement as to how the decision should be implemented. Each has preferred not to show the kind of resolute determination to follow through which, in the absence of a real international government, is the only assurance the world has that U.N. decisions will be carried out.

Here then is a major problem faced by the members of an international organization which itself is powerless and must rely on collective action for enforcement of its recommendation, which has not and can never have a police force in a real sense because it is not a government and has no power over individuals. Palestine is, just as all previous cases have been, a problem with which the U.N. is incapable of dealing. It is at the mercy of the interests and motives of its most powerful member states, and it is futile to expect these states to act differently from the way they usually do in an anarchic world. Wouldn't a Revisional Conference of the U.N.,

under article 109 of the Charter, held to give it the authority to make world law, be the only solution to Palestine and all other issues which threaten the security of the world?  
Ralph Fleming, Jr.

**WASHINGTON LETTER**  
By JANE EADS

Washington—An anxiously active Washington hostess, who is in touch with local newspapers frequently with items about herself, never fails to remind newsmen that she is "the socially prominent Mrs. So-and-so." But she is getting a bit bored with life in the nation's capital.

"It's the same old thing. Celebrities are a dime a dozen," she says and adds with a sigh: "Nobody's important, because everybody's important."

Out in the Middle West, where she was also "socially prominent," it used to be that folks bowed and scraped to meet "even a senator." She used to entertain them all in her swank suburban home — the British ambassador, Lord and Lady Whooits, visiting foreigners, royalty. She even gave a garden party for Queen Marie of Romania, and everybody scrounged around trying to get invited.

"Some friends asked me the other day if I was going to entertain here for King Michael of Romania and his mother, Queen Helen," she confided. "Goodness, no! I told them, 'I nearly went broke entertaining the young man's grandmother.'"

Things have changed, alas. Now, especially in Washington, no matter how blue the blood, how high the station, one barely turns a head or lifts an eyebrow as they pass by. "My less-knowing friends sometimes say 'who is that distinguished person? He, or she, looks like somebody important,'" the dowager continued. "I say to my friends, 'That's just another expensive party.'"

Another Washington matron believes that whatever breed, dogs are more interesting than people. Yet, in discussing an approaching dog show, she conceded:

"My dear, the people with poodles are the most glamorous around here."

The lady who made the remark prefers chows, however. "Poodles," she says, "just look at you and seem to say 'Dear goddess, what would you have me do?' And you would exactly what they're going to do next. Quite dull, I should say."

Chows on the other hand, she says, are just like lions—people don't like them because they always out-think people and you never know what they are going to do next. This matron's chow is a pedigreed animal and has a most impressive kennel name. He looks like a lion too. But the matron says he's on the "mushy" side. They call him "Zombie" for that and other reasons.

**Good Pasture Makes Money For Dairy Farmer In Wake**

College Station, Raleigh, April 1.—An 18-acre temporary pasture seeded last fall has proved a profitable investment for W. B. Franks, dairy farmer of Raleigh, Route 4, according to J. I. Reitzel, county agent for the State College Extension Service.

Franks seeded the pasture last fall with 50 pounds of Italian ryegrass and 15 pounds of crimson clover per acre. At the time of seeding he applied 600 pounds per acre of 8-8-8 fertilizer which he mixed on his farm, and this spring he applied about 24 pounds of pure nitrogen per acre.

On March 8 Franks started grazing the pasture with 63 head of cattle which were then producing 130 gallons of milk each day. Twelve days later the cattle had increased their milk production to 178 gallons per day.

**NOTICE TO CONTRACTORS STREET IMPROVEMENTS WINTERVILLE, N. C.**

Sealed proposals for construction of Curb and Gutter in the Town of Winterville, N. C., will be received by the Mayor and Board of Commissioners of the Town of Winterville, N. C., at the Town Hall until 10:00 o'clock A. M., E. S. T., on Tuesday, April 6, 1948, at which time and place they will be publicly opened and read.

The work contemplated will consist of approximately: 9,500 lineal feet of 30" concrete curb and gutter. 200 feet 12" pipe. 200 feet 15" pipe. 200 feet 18" pipe. 8 catch basins with frames, grates, and curb boxes.

Plans, Specifications and Contract Documents are on file with the Town Clerk at the Town Hall, Winterville, N. C.; the office of the Engineer, Greenville, N. C.; the office of the Associated General Contractors, Charlotte, N. C., and Raleigh, N. C.

Copies of plans and specifications may be obtained from the Engineer upon the deposit of \$15.00. Deposit will be refunded to those making bona fide bids to the Town.

Consideration will be given only to bids of contractors who submit evidence showing that they have been licensed under "An Act to Reg-

ulate the Practice of General Contracting," ratified by the General Assembly of North Carolina on March 10, 1925 and as subsequently amended.

A performance bond will be required equal to 100 per cent of the contract price, conditioned upon the faithful performance of the contract and upon the payment of all persons supplying labor and furnishing materials for the construction of the project.

Each proposal shall be accompanied with a deposit of cash or a certified check on some bank or trust company authorized to do business under the laws of the State of North Carolina in an amount equal to not less than five per cent of the proposed, said check to be made to the Town of Winterville, N. C., as a guarantee that a contract will be entered into with the Town within ten days after the award to the bidder and that the required bond will be executed.

In lieu of a certified check or cash for five per cent of the amount of the bid, the bidder may offer a certified check in an amount equal to two per cent and a bid bond in an amount equal to three per cent of the bid, as a guarantee that the contract will be entered into with the Town within ten days after the award to the bidder and that the required bond will be executed.

No proposal may be withdrawn after the scheduled closing time for the receipt of bids for a period of thirty (30) days.

By order of the Mayor and Board of Commissioners of the Town of Winterville, N. C.

DONALD LANGSTON, Mayor  
J. L. ROLLINS, Clerk  
Engineers: Henry L. Rivers and Thomas W. Rivers, Greenville, N. C.  
March 27, April 2.

**NOTICE TO CONTRACTORS ELEVATED STEEL WATER TANK AND TOWER WILLIAMSTON, N. C.**

Sealed proposals for the construction of a 300,000 gallon Elevated Steel Water Tank on a 100 ft. Steel Tower in the Town of Williamston, N. C., will be received by the Mayor and Board of Commissioners of the Town of Williamston, N. C., at the Town Hall until 10:00 o'clock A. M., E. S. T., on Wednesday, the 14th day of April, 1948, at which time and place they will be publicly opened and read.

Specifications and Contract Documents are on file with the Town Clerk at the Town Hall, Williamston, N. C.; the office of the Engineer, Greenville, N. C.; the office of the Associated General Contractors, Charlotte, N. C., and Raleigh, N. C.

Consideration will be given only to bids of contractors who submit evidence showing that they have been licensed under "An Act to Regulate the Practice of General Contracting," ratified by the General Assembly of North Carolina on March 10, 1925, and as subsequently amended.

A performance bond will be required equal to 100 per cent of the contract price, conditioned upon the faithful performance of the contract and upon the payment of all persons supplying labor and furnishing materials for the construction of the project.

Each proposal shall be accompanied with a deposit of cash or a certified check on some bank or trust company authorized to do business under the laws of the State of North Carolina in an amount equal to not less than five per cent of the proposal, said check to be made to the Town of Williamston, N. C., as a guarantee that a contract will be entered into with the Town within ten days after the award to the bidder and that the required bond will be executed.

In lieu of a certified check or cash for five per cent of the amount of the bid, the bidder may offer a certified check in an amount equal to two per cent and a bid bond in an amount equal to three per cent of the bid, as a guarantee that the

contract will be entered into with the Town within ten days after the award to the bidder and that the required bond will be executed.

The Town reserves the right to reject any or all bids or to accept the bid or bids that appear to be to the best interest of the Town.

No proposal may be withdrawn after the scheduled closing time for the receipt of bids for a period of thirty (30) days.

By order of the Mayor and Board of Commissioners of the Town of Williamston, N. C.

R. H. COWEN, Mayor  
DAN C. SHARPE, Clerk

### Boy Scouts Turn Eyes On Outing Here At Airport

All Boy Scouts of the East Carolina Council are turning their eyes toward the Camporee which will be held at the Greenville Airport on April 16-18. Big plans are in the making, and from advance indications, a banner Camporee is in the offing.

The spring outing in Greenville will draw an estimated 1500 Boy Scouts from many sections of Eastern North Carolina. J. B. Kittrell of Greenville is arrangements chairman of the event, and Mr. Kittrell has gone all out to make this a memorable occasion for the young boys. Various committees have been designated by Mr. Kittrell to do certain jobs, and these committees are functioning perfectly. Such details as water supply, wood, camp layouts, first aid, emergency medical unit, police protection, lights, and many other necessary arrangements are already taken care of at this time. A group of five doctors, headed by Dr. E. B. Aycock, will be on hand to assist the boys in any way possible. An emergency truck will serve as medical headquarters, and this truck

is fitted with the latest equipment, including an inhalator.

The boys themselves will have a busy slate ahead of them. There are many contests in which patrols will take part. In judging the contests the Camporee officials will rely solely upon the Scout's honor. There are such contests as judging the height of a pole by scout methods, paper bursting race, first aid relay, signaling, table construction, fire making and other pioneer events, chariot race, compass reading, knot tying, and many other features to make the event a gala one.

The theme of the Camporee is patrol leadership. A patrol will consist of from four to eight members and each one will participate as a team. The competition is not between patrols, however, but awards are to be made upon a preconceived standard which the patrols are expected to meet to qualify for the prizes. It is possible for every patrol to come away with blue ribbons. A patrol earning 85 per cent proficiency will get top ranking. Less than 85 percent and more than 70 per cent will entitle a patrol to a red ribbon. All patrol leaders participating who are not disqualified will be allowed to wear the Camporee emblem.

### Two Sentenced In Arms Plot

George W. Rappleyea (left) of New Orleans, and William I. Marsalis (right), president of the Marsalis Construction Company of Gulfport, Miss., pleaded guilty in federal court at Biloxi, Miss., to charges of conspiracy to ship arms and ammunition illegally to British Honduras. Judge Sidney C. Mize sentenced each to serve one year and a day in prison. Marsalis is a former lieutenant colonel in the army. (AP Wirephotos).

### Albright Hurls New Challenge

Raleigh, N.C., April 2—(AP)—R. Mays Albright of Raleigh waited today for his opponents for the Democratic gubernatorial nomination to reply to another challenge to "meet and debate the issues."

Early in his campaign for the Democratic nomination Albright challenged his opponents to debate. He laid down the gauntlet again in a speech at Chapel Hill Wednesday when he and Oscar Barker of Durham spoke at an open forum meeting at Chapel Hill.

Last night Albright made public a letter he said he had mailed to Charles M. Johnson of Raleigh and Kerr Scott of Haw River, proposing that "during the last week of the primary, now eight weeks ahead, the candidates for governor appear together in at least three open meetings to be held in Eastern, Piedmont and Western North Carolina to present their views and answer questions of the public."

Albright remained in his newly-opened headquarters here today while two other gubernatorial candidates continued in the hustings. Johnson spoke at Kenly while farther west Scott had a dinner date with Mooreville's Kiwanians. Scott, meanwhile, was on the record as favoring state aid to cities and counties in building school buildings, for higher teachers salaries, and sick leave and vacation pay for the teachers. He advocated this increased support for public schools in a speech to Winston-Salem Kiwanians yesterday.

On the senatorial front, former Governor J. Melville Broughton, gunning for the seat of William B. Umstead, addressed a dinner gathering of Lions and Rotarians at Red Springs.

### Transport Turns Back As Mental Patients Riot

Bremerhaven, Germany, April 2—(AP)—A riot at sea by 40 soldiers being returned to the United States as mental patients forced an army transport to turn back to this port, army authorities disclosed today.

The group, which was being returned under guard, became violently unruly, the army report said. "Considerable damage was done to furniture in their wards as they attempted to beat their way out," it added.

The army said nobody was hurt. Troops being deployed to the U. S. helped guards quell the rioting. Six of the most violent patients were sent to a mental hospital at Wiesbaden. Other rioters remained aboard under heavy guard.

In 1947, the most frequent cause of death among doctors was coronary heart trouble.

### Chicod FHA Elects Delegates For Meet

The Chicod F. H. A. met March 29, at the home of Peggy Porter. The meeting opened by everyone standing and repeating the club motto. Business was discussed.

Martha Lee Edwards, Doris Arnold and Naomi Rouse were voted to go to the state meeting that will

be held in Raleigh on April 3. Since the historian is supposed to come from Chicod for the county officers, Ruth Whitford, Peggy Porter and Martha Lee Edwards were voted by the club members to run.

After all the business was discussed, Peggy Porter and Hazel Ross served refreshments which were thoroughly enjoyed by all.

Two visitors attended the meeting. Mrs. S. T. Porter was hostess.

**COSTLY NAVY FIRE**

Guam, April 2—(AP)—A fire of undetermined origin gutted the navy's mammoth new cold storage building today.

Officers estimated damage at more than \$1,000,000. The fire raged four hours before it was controlled.

**Auto Inspection Lanes Schedule Eastern Section**

Raleigh, April 2—The Mechanical Inspection Division, Department of Motor Vehicles, has announced a revised schedule for lanes 30 and 33.

Lane 30, which will inspect vehicles in Wayne, Duplin and Jones counties, has added Mount Olive and Wallace to its schedule; and Lane 33, to cover Pitt, Craven and Carter counties, has added Morehead City.

The revised schedule for Lane 30, which has already been to Kenansville and Goldsboro, is as follows: Mount Olive—April 1-8. Trenton—April 10-15. Wallace—April 17-24. Kenansville—April 27-May 11. Goldsboro—May 13-June 3. Mount Olive—June 5-10. Trenton—June 12-19. Wallace—June 22-29.

The schedule for Lane 33, which has already been to Greenville, Beaufort and Morehead City, is as follows: New Bern—March 23-April 18. Greenville—April 20-May 18. Beaufort—May 20-30. Morehead City—June 1-10. New Bern—June 12-29.

George H. Best is supervisor of Lane 30, and Walter Dall is supervisor of Lane 33.

**Daylight Saving Time Scattered**

New York, April 2—(AP)—With the exception of the populous Northeastern states, daylight saving time will be observed only in scattered sections of the nation again this year.

The picture, in general, is much the same as that of last year, although some areas will be adopting the "fast clock" schedule for the first time. A survey indicated that some 60,000,000 of the country's 145,000,000 population already have or will set their clocks forward.

All or most communities in the following states will observe daylight time: Maine, Vermont, New Hampshire, Massachusetts, Rhode Island, Connecticut, New York, New Jersey, Delaware, Pennsylvania, Maryland, Illinois, California and Nevada.

Partial observance is scheduled for Tennessee, West Virginia, Michigan, Missouri, Ohio, Indiana, Virginia, and possibly Florida.

The District of Columbia, a 1947 observer, still is debating the issue. Most areas will do their switching on Sunday, April 25. The lost hour will be regained on Sept. 26, five months later.

### R. E. Hines Aboard 'Topeka'; Is Making Tour Far East Ports

Raymond Earl Hines, USN, son of Mrs. L. Evans of Route 3, Greenville, is serving aboard the light cruiser USS Topeka, flagship of Rear Admiral R. S. Berkey, USN, Commander Support Group, U. S. Naval Forces, Far East, currently making a tour of Korean and Japanese ports. To date the crew members have visited Jinsen, Korea, and Nagasaki, Kagoshima, and Yokosuka, Japan.

The Topeka completed a five-month tour of duty in China as the flagship of Rear Admiral J. H. Carson, USN, Commander Cruiser Division 15, while in Chinese waters, the crew visited Shanghai, Amoy and Tsingtao, China and Keelung, Formosa.

### Ask Damages If Plant Is Closed

New York, April 2—(AP)—A CIO union has filed suit asking \$200,000 daily damages if this city's fur coat and trimming manufacturers carry out plans to close their shops today because of a labor dispute.

The suit was filed in Federal court yesterday by the CIO Furriers joint council.

A spokesman for the employers, the Associated Fur Coat and Trimming Manufacturers, Inc., said last night that despite the union's action many of the member furriers still intended to shut down at the close of business today.

Chapter 4

Simeon Mannley presided over dinner at Kalani like some demigod leading the revelry at a Bacchanalian feast. His laughter boomed the length of the table like tides washing a beach.

When Vince entered the vast shadowed room with its Tudor furnishings he thought only of roast beef and Yorkshire pudding would be appropriate to the setting but he found his appetite equal to the cracked Dungeness crab, the broiled quab and wines accompanying each course. Between mouthfuls he found time too to study the other guests.

The Donovans held his interest. Instinctively he knew they were holding hands beneath the table; it would have been comical if there weren't also something very pathetic about them. The man had the expression of a stray mongrel that has suffered one kick too many.

It was during the grapes glaze that a queer bit of conversation made his eyes and those of the others concentrate only on Sophie Mannley.

He had been telling her about his naval duty and knowing at the same time that she wasn't listening. Then she put out a thin hand to stop him.

"Excuse me Commander, there is something going on at the other end of the table that I must hear. Oh Duke!" she called, "What were you saying?"

Her expression was suddenly intense and demanding, strangely alive.

"Just telling Simeon about a Honolulu newcomer—Eric Branson."

"A—newcomer?"

Duke looked surprised at her interest. "Well he was there about forty-years ago, but not again until last month. Very wealthy, made his money in Canadian wheat, plans to live in the Islands now. Ever know him Sophie?"

Her face had turned the mottled gray of overcooked oatmeal.

"I'm not sure. I thought the Eric Branson I knew was dead."

Sophie's eyes turned to Simeon. The look in them chilled Vince. It was the same look he had seen in the eyes of men along condemned row when they knew there no longer was any hope. A bewildered voiceless accusation.

Simeon Mannley's face reddened. His chair scraped harshly on the waxed floor. "We'll have coffee and liqueurs on the terrace." It was a command.

Only Vince overheard Sophie's voice, lighen with emotion in a whisper.

"Simeon!" she cried. "He said Eric Branson!"

"Come my dear, that all happened years ago. If you insist I'll discuss it with you later. Right now we have guests and you are my hostess."

After almost an hour of conversation Simeon suggested some entertainment.

"Sonia, my dear, you first—one of your clever little songs, please."

Sonia Deveraux arose, her cerise chiffon gown swirling around her hips in unnecessary flattery. "These are leetle Parisian song," she announced.

Duke struck a chord on a Hawaiian guitar he had brought from the game room and Sonia began. Her voice wasn't strong or even very

AP Newsfeatures

good but the song was clever and rhythmic and expressively illustrated with Sonia's long tapering fingers. When an encore was indicated she sang it pointedly at Vince.

He felt blood surge to his face and heard Mannley's low rumbling laugh. "Look out Bonny, when Sonia eyes a man there's hell to pay!"

Sonia made a face at him and sat down and was followed by Duke doing a droll parody on the hula. When they clapped for more he said: "No, the true hula is a beautiful symbolic dance. Are you ready, Princess?"

Vince hadn't seen Julia quietly leave the group. Now she reappeared in a complete hula dancers costume with red begonia blossoms tucked in her wavy hair and flower leis at her neck and wrists. Her hands began weaving in the slow undulating movement of the dance. She was flawless.

He transported Vince quickly to the bayonet tree at Waikiki, the low rushing roll of the surf. He turned his head half expecting to see the outline of Diamond Head in the distance. Instead he saw a face!

It was so ghostly that he refused to be startled at first. He had almost accepted it as a wavering reflection on an upstairs window pane when it pressed close to the glass and he saw the flattened nose and dark-shadowed eyes. It was too indistinct to tell whether it was man or child and even as he stared in curious fascination, it vanished.

"Something wrong, Commander?" It was Sophie's harsh whisper.

He laughed guiltily. "I must be having hallucinations—thought I saw a face at that window."

He nodded toward the upper west wing.

"You probably did, one of the servants undoubtedly."

It seemed to him that her reply came too hastily, but of course that was the only explanation there could be and she hadn't seemed at all disturbed. He nodded and turned back to watch Julia's body and wrists go through the last verse of the song. When she clasped her hands and bent her head in the little bow that is the ending of every hula, he joined enthusiastically in the deserved applause.

It was then that he became aware of Luki standing behind him with the tray of empty liquor glasses. The Hawaiian stood transfixed as though rooted to the flagstones and in his liquid eyes was an expression of such longing and melancholy that the naval officer almost submitted to the urge to put out a hand to the Islander and say "Look here old fellow, why so homesick?" You'll be going back again next month."

Perhaps if Vince had spoken it might have altered the nightmarish sequence of events that took possession of Kalani during the next week. And possibly, just possibly, Charles Lukilano might have lived to see again the smooth curved shoreline and dipping palm fronds of his beloved homeland.

### The Russian . . .

(Continued from Page One)

shevists may have some anxiety regarding the nature of allied railway traffic. In any event, General Clay has adroitly handed them the hot end of the poker, and it's now up to them to declare their intentions.

Actually inspection of passengers on many allied trains, passing through Soviet territory to Berlin, has been going on for a long time and has caused much feeling.

The inspections have produced many harsh incidents and actual hardships to people whose credentials weren't approved by the Russians. Such passengers were taken off the trains and forced to return to the British zone—men and women sometimes having to tramp miles. Incidentally, at that time some British trains were held up and robbed by armed men, wearing Russian uniforms but of unidentified nationality.

General Clay's action makes it entirely clear that he isn't going to allow his troops to be forced out of Berlin by cutting of his life line. He got quick backing from the State Department, which reiterated that U.S. forces intended to remain in Berlin.

"We are entitled to conclude, I believe, that while the situation has been rendered more tense and somewhat more inflammable, yet basically it hasn't altered.

Expectation of life at birth among industrial insurance policyholders in the United States reached an all-time high of 66.5 years in 1947, an increase of about one year since 1946.

It has been estimated that Americans put more than ten times as much money into gambling machines in 1941 as they did in 1929.

North Lewis—and his Union, made

### NOTICE OF RESALE BY COMMISSIONER

Under and by virtue of authority contained in that order of resale made by D. T. House, Jr., Clerk of the Superior Court of Pitt County, on the 28th day of February, 1948, in that action pending in the Superior Court of Pitt County entitled "W. C. Whitehurst et als" ex parte, the undersigned commissioner will offer for sale and sell at public auction for cash before the courthouse door in Greenville, Pitt County, North Carolina on Monday, the 12th day of April, 1948, at 12:00 Noon the following described lands to-wit:

That certain lot or parcel of land lying and being in the town of Bethel, Pitt County, North Carolina, and bounded on the north by the lands of the heirs of S. T. Carson, on the east by the land of the heirs of McG. Ford, on the south by the brick store and lot belonging to Mrs. Henrietta Bullock and on the west by Main Street, being the lot formerly owned by S. T. Carson and the same lot which J. H. P. Bryan owned for many years and which was conveyed by W. C. Whitehurst to Athlen Whitehurst, R. D. Whitehurst and Julius Brown by deed recorded in book C-20, at page 332.

This sale is being held for the purpose of partition between the parties of said proceeding.

Bidding will start at \$1128.75. A deposit of 10 per cent will be required on day of sale.

This 26 day of March, 1948.

S. O. WORTHINGTON,  
Commissioner.

### Big Share For North Carolina In School Funds

Washington, April 2—(AP)—North Carolina stands to get the biggest share of any state if the \$300,000,000 (M) Federal aid to education bill becomes law. The Senate passed the bill last night.

North Carolina will receive \$22,325,000 (22 1/2) a year starting July first if the bill becomes law. A similar bill is pending in the House.

Next in line after North Carolina in amount of benefits would be: Alabama \$19,390,000, Texas \$18,675,000 and Georgia \$17,745,000. South Carolina would receive \$13,856,000.

Allotments are based on the number of children and income of each state. North Carolina's fund in the Senate bill amounts to \$23,400 for each child between five and 17 years.

The North Carolina share would be administered by the State Board of Education. The bill sets no specific amount to be put up by individual states but would require a state to spend no less than it spent in the current school year. The bill's purpose is to increase funds for education.

Senator Cooper (R-Ky) in supporting the bill listed North Carolina as having 266 children of school age per 1,000 population against 274 in South Carolina.

### Colored News

Mrs. Mary Apple White, widow of the late Doc Applewhite, died at her home on Pitt Street Extension Tuesday night, March 30, at 12 o'clock after being in poor health for several weeks.

Funeral services will be conducted at the Selva Chapel Church Sunday, April 5, at 2 p. m. by the Rev. John Wilks. Burial will be in the Coopers Field cemetery.

Mrs. Applewhite, daughter of the late Mr. and Mrs. Steven Sims, was born in Wilson County, September 15, 1884. She moved to Greenville about 35 years ago.

Surviving are a daughter, Mrs. Anna White, of the home; a foster son, Rommie Moore White, of New York City; a brother of Middlesex; 2 grandchildren; a son-in-law, and a daughter-in-law of the home and several nieces and nephews.

The Pastor's Aid Club of Sycamore Hill Baptist Church will meet Monday night, April 5, at the home of Mrs. Lucile Acklin, 434 W. 3rd St.

Good Hope F. W. B. Church, 9:30—Sunday school, O. C. Bryant, superintendent.

11 a. m.—Sermon by the pastor, Rev. S. Hemby, "The Christian Love for the House of God."

3 p. m.—Rev. Hemby will officiate at Cotton Chapel, accompanied by Arthur choir, ushers and congregation.

The public is invited to worship with us.

The Matrons' Social Club met Wednesday night, March 31, at the home of Mrs. Gertrude Latham. The meeting was opened with a song. Prayer in unison. Roll call.

The committee of this club reported two unfortunate people were sick with very little food and two small children with no shoes. This club will send a basket of food and shoes for the two children.

After the business meeting Mrs. Latham, the president, served a delicious course in buffet style.

The meeting will be at the home of Mrs. Annie Whitehead, Clark street, April 7.

York Memorial A. M. E. Zion Church, Rev. P. H. Mumford, pastor. Sunday school 9:45, W. J. Hester, superintendent.

10:00 a. m.—Message by the pastor, "The Greatness of the Eternal God." Music by the senior choir.

At 3 p. m. the pastor, choir and members will worship with the sycamore Chapel Baptist Church, six miles on the Bethel highway. The meeting will leave the church at 2 p. m. Come and join the Christian march.

At 5 p. m. there will be a special program at the Eppes school sponsored by Mrs. B. T. Reaves and Mrs. M. S. Phillips. This will be an outstanding program that will claim the attendance of all who will register in the group.

The rally will come to a close April 11. All members will please report to their group leader, before that time. The members of this church joins me in extending the general public a cordial welcome to all of our services.

### All-America Golf Team Features 5 Link Artists

Norfolk, Va., April 2—(AP)—An "All-America" golf team, the first of its type, was named today by the Golf Writers Association of America.

More than 70 members of the Association picked these golfers as the best performers at five particular spots:

- Sammy Sneed, Driver.
- Byron Nelson, Long Iron.
- Jimmy Demaret, Short Iron.
- Gene Sarazen, Trouble Shooter.
- Bobby Locke, Putter.

The poll was conducted to name participants in the first annual \$10,000 Cavalier Specialists Golf Tournament. The unique event is scheduled for April 16, 17 and 18 at the Cavalier Yacht and Country Club. Sneed was a near-unanimous choice of the scribes, but Chick Harbert, winner of the Charlotte, N. C. open; Jimmy Thomson, former Virginia open crown holder; and Lawson Little, former National Amateur title, received some support and finished in that order.

The choice between Nelson and Ben Hogan, Bantam Deller from Texas, in the long iron selection was close with Nelson getting the majority.

Ed Furgol, of Detroit, and Johnny Palmer, of Badin, N. C., followed them.

Demaret, last year's leading money winner, was pushed for the short iron nomination by Lloyd Mangrum, 1946 National open winner and leading money winner of this year. After Mangrum the writers liked Chandler Harper, of Portsmouth, Paul Runyan, former National PGA king came next.

Lew Worsham, 1947 National open titles, was runner-up to Sarazen in the poll. Dick Metz and Bob Hamilton, another former PGA winner, trailed.

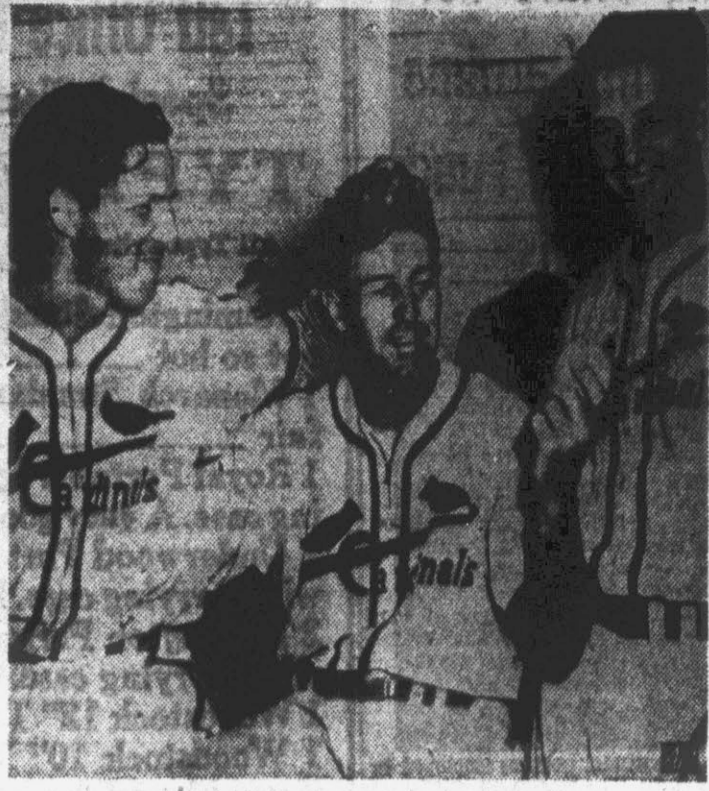

Locke was a heavy choice as a putter, but the veteran Horton Smith, Jim Ferrier, 1947 PGA champ and Herman Keiser picked up several votes apiece.

The nominated players are being invited to play in the specialists meet which will feature an 18-hole team match between picked sides and a 54-hole medal play tournament for all the specialists.

U.S. domestic airlines had about 800 planes in operation in 1946 compared with a pre-war high of 350.

Because of the war, less than 375 miles of U.S. federal aid highways were started in 1943 compared with

### Dickson Pitches A No-Hitter

Murry Dickson (center), St. Louis Cardinal pitcher, holds the last ball he threw in a no-hit game he hurled against the New York Yankees in St. Petersburg, Fla., Tuesday. With him are Stan Musial (left) who caught John Lindell's fly to center field to end the game, and Del Rice (center) who caught part of the game for Dickson. The Cardinals won 7 to 0. (AP Wirephoto).

### Play Here On Sunday

The Evansville Braves, who are holding their spring training at Guy Smith stadium under the leadership of Manager Bob Coleman, a former manager of the Boston Braves, will open their series of exhibition games here on Sunday afternoon when they meet the Hartford, Conn. club of the Eastern League. Game time is 2:30 o'clock.

### Kramer Extends Lead Over Riggs

Champaign, Ill., April 2—(AP)—The victory score today was 42 for Jack Kramer to 17 for Bobby Riggs in their current nationwide professional tennis tour. Stopping off here last night at the University of Illinois fieldhouse, Kramer defeated Riggs, 6-1, 6-3, for his 42nd victory of the 55-match series. Tomorrow night they will meet in Chicago Stadium for match No. 60.

### Leo Says Banta Is Good Prospect

Vero Beach, Fla., April 2—(AP)—Leo Durocher took a pencil and marked a large X opposite a name on the glossy roster of his Brooklyn Dodgers.

"There," he said, "is a fellow who could become the bell cow of our staff. Don't limit him to No. 5 or even No. 2. He might even become our best pitcher."

The fellow whose name he marked was Jack Banta, a tall thin right-hander from Hutchinson, Kan. Last year Banta won 15 and lost 5 for Montreal. Now he is believed ripe for major league pitching.

Last time out against the Montreal club he pitched seven no-hit, no-run innings. He walked only three men. Control is an important factor because lack of it has kept him in the minors longer than he should have been.

Banta was signed by Scout Bert Wells for the Dodgers out of the American Legion banks in Kansas. In 1944 his first year, he pitched at Newport News, Va., Olean, N.Y., and Montreal. For the next three years it was Montreal with part of a season at St. Paul in 1946.

Last year he threw seven shutouts in the International, hurling one stretch of 29 consecutive scoreless innings during which he allowed only eight hits.

### Mangrum Is Top Money Winner

Chicago, April 2—(AP)—Winner of three major golf tourneys this year, little Lloyd Mangrum today remained the leading money winner in the Professional Golfers' Association winter circuit with total earnings of \$11,455.

In 43 rounds from Jan. 1st to March 28th, Mangrum has taken 2,978 strokes for an average score of 69.25. The winner of the Bing Crosby, Rio Grande and Greensboro Opens has compiled the handsome earned stroke average of 63.85.

### Senators' Squad Is Trimmed Down

Orlando, Fla., April 2—(AP)—The Washington Senators' squad was trimmed down to 31 players today with at least three pitchers, an outfielder and an infielder still due for tickets back to the minors. Manager Joe Kuhel sent four men back to farm clubs yesterday. Pitchers Vernon Curtis and Scott Cary and Outfielder Dean Stafford went to Chattanooga in the Southern Association and Second Baseman Carl Ermer went back to Charlotte in the Tri-State League where he finished the season as manager last year.

### Athletics Break Training Camp

West Palm Beach, Fla., April 2—(AP)—The Philadelphia Athletics break camp and head home today with a full schedule of exhibition games on route.

The A's meet Washington Saturday and Sunday at Orlando, Fla. Then they have stopovers scheduled at Moultrie, Ga., Birmingham, Atlanta, Lexington, N.C., Martinsville, Va., and Baltimore.

### 'State, Or None' Says Coach Case

Raleigh, N.C., April 2—(AP)—Apparently it's North Carolina State or private business for Wolfpeck basketball coach Everett Case.

The head man of the State cagers said last night that if "I don't stay at State I doubt if I'll stay in coaching."

He has been considering offers from Purdue and UCLA and said he had until April 15 to decide on both.

Touching on the reported impending resignation of Athletic Director John L. Von Glahn, Case said that retention of Von Glahn would have "definite bearing" on his own decision.

Case said that Von Glahn never in any way interfered with the activities of his department and that he "always had a free hand." However, he said, that "things in the department in general haven't always run smoothly."

"I'd prefer to remain at State, because changes always have their complications," he added.

He stressed that he would not take the athletic directorship "under any circumstances, either temporarily or on a permanent basis."

Case has been in favor of re-vamping the entire State athletic department to operate it on a major league basis in view of the national prominence Wolfpeck basketball teams have gained in two years under his direction.

### Gus Lesnevich In Exhibition Bout

Kansas City, April 2—(AP)—Gus Lesnevich, world's light heavyweight boxing champion, makes his first appearance in a Kansas City ring tonight in a four-round exhibition with Dave Watson of Omaha, Nebr.

The Lesnevich exhibition will precede a 10-round feature matching Jackie Darthard, 18-year-old Kansas City middleweight contender, and Dave Clark, Cincinnati.

It has been estimated that gambling machines took more American money in depression 1933 than in prosperous 1929.

### Cubs Have Nucleus Good Ball Club, But That's All

By BOB MYERS (P) Newsfeatures

Los Angeles—The Chicago Cubs have the nucleus of a good ball club. The only trouble is that it seems destined to remain a nucleus, which is not enough to excite the Cub following much less claim into the upper division this year.

Jolly Cholly Grimm has the makings of a good hitting outfield, and his catching is good enough, but his infield is beset with trouble, and his pitching is surrounded by a large question mark.

The 1947 Cubs finished sixth, 25 games behind Brooklyn, but all hope is not gone on the north side. Given a wee bit of luck, and a boost from some unsuspected source, the grim Grimms could finish fifth this season. Chicago's array of outfielders could be most effective. Phil Cavarretta, the perennial, hit .314 last year and seems as good as ever. Andy Pafke should improve on his .302, and there is still hope, as always, that Bill Nicholson will become the old time terror with a bat in his hands. Nick, a fine defensive man with a good arm, hit only .244 last year, but Cub fans were high this spring off the fact that he got back in swatting trim late (too late) last year, and in the final month drove in around 40 runs, as compared to the 35 driven in previously during the more heated stages of the campaign.

Peanuts Lowrey can be counted on for good stick work, too, but the Californian may have to shift over to third, where a problem, and much traffic, exists, to plug up the gaping hole caused by the absence of Stanley Hack.

Two newcomers must be considered, and Grimm is considering both with some satisfaction. One is Clarence Maddern, whose .322 and long hitting virtually won the pennant for Los Angeles in the Coast League last year. The other is Hal Jeffcoat, who batted .346 with Nashville in the Southern Association. Jeffcoat, a well built young man from Gloucester, Mass., has impressed the club in spring training.

The catching: Clyde McCullough, Bob Scheffing and probably a good looking rookie, Al Walker, a .331 batter from Nashville.

The infield—well, that is still an old Cub \$64 question. Eddie Waitkus at first, and veterans Don Johnson and Ray Mack at second, but short and third present grave situations. The club can get by with Lennie Merullo, or try with rookie Ray Smalley from Des Moines or maybe some one else. The third base job offers either Henry Schenz, Lowrey, Maddern or Ransom Jackson, the latter possibly a year off but not bad, despite no previous pro experience.

If Cliff Chambers, a 34-9 winner from Los Angeles, can make the grade after an unimpressive tryout last year, he'll help the pitching considerably. Russ Meyer looks very good this spring, while the club may find good use for veterans Jess Dobson as a relief hurler, a chore he executed with marked distinction with Los Angeles in 1947. From the way things went a year ago, with Hank Paul Erickson and Hank Borowy in ten doldrums, and Johnny Schmitz, whose 13-18 record isn't as bad as it looks, just so-so, a good relief man may be invaluable.

### Dick Button On To Capture New Skate Title

By the Associated Press

Chicago (N) 8 St. Louis (A) 6 Brooklyn (N) 9 Montreal (IL) 2 New York (N) 6 Pittsburgh (N) 5 Boston (N) 4 St. Louis (N) 3 (10 innings) New York (A) 10 Philadelphia (N) 1 Boston (A) 4 Louisville (AA) 3 Cleveland (A) 6 Chicago (A) 1 Philadelphia (A) 3 Toronto (IL) 2

points to determine the champion. And Button is considered tops in that department, too.

Government estimates indicate that the U.S. food supply is sufficient to provide 3,400 calories per capita at the retail level.

In the tomb of King Tutankhamen were found jars of cold cream still fragrant after 3,000 years.

*New proof of*  
**PONTIAC**  
*Leadership!...*

*A Product of General Motors*

**Lowest-priced car with GM Hydra-Matic Drive**

Over the years, Pontiac has consistently proved a leader in bringing finer and finer quality to buyers of lower-priced cars. More than a hundred engineering "firsts" have been credited to the Pontiac engineering division.

And now comes the crowning achievement in Pontiac's efforts to bring the finest available quality to buyers in the lower-price fields.

For the 1948 Pontiac offers, as optional\* equipment on all models, the General Motors Hydra-Matic Drive. Never before has a car priced so low been made available with this phenomenal contribution to driving ease and safety.

Obviously, you should now drive a Pontiac for every reason. You should drive it for beauty—for comfort—for safety—for economy—and for dependability. . . you should drive it for luxury of performance that is unsurpassed! For with General Motors Hydra-Matic, you just relax and drive. The clutch pedal is gone—and the gears shift themselves. It is truly a revelation.

Yes, for all the reasons there are, you should drive a Pontiac.

New 1948 models are now on display and among them is a car precisely suited to your needs. You are cordially invited to inspect them.

### N. C. Legislator Would Base Tax Cut On Needs

Washington, April 2—(AP)—Rep. Deane (D-NC) said today taxes should be cut only as much as government costs can be reduced.

Deane, who voted against the \$4,800,000,000 income tax cut bill told the House "the prospects ahead are not pleasant." He asserted his vote "to sustain the President's veto was not a party vote."

In a statement prepared for House delivery he also said:

"We should think clearly and plan carefully and not make an effort to garner votes. Reducing taxes at a time when we are confronted with so many unknowns and when budgetary surplus and debt reduction are so plainly in the public interest, does not make for financial or world security."

"Let's not forget," he said, "that in prewar days, selective service passed the house by one vote. It is not easy to prepare for an emergency."

"I contend we even now face an emergency when at any hour we may be told by our military leaders we cannot hold certain areas in occupied Germany."

Containing budget needs have increased since President Truman requested \$39,700,000,000 for next year, Deane said "cost of bringing the strength of our armed forces

### Coal Action Tomorrow

Washington, April 2—(AP)—The Truman Administration was reported today about decided to seek a court order to stop the 19-day coal strike.

Giving weight to these reports from top government officials was the decision of Attorney General Tom Clark to pass up an out-of-town date and stay in the capital because of the strike situation.

Action was expected tomorrow when Mr. Truman returns to Washington from his trip to Williamsburg, Va. Clark evidently wants to be on hand to receive the possible presidential order to get out a court injunction under the Taft-Hartley law.

The White House said there would be no action today.

up to the level set by Congress and for halting deteriorating trends in our military strength will require expenditures of probably \$2,000,000,000 or more. Our surplus for 1949 will be less than \$2,000,000,000. This is an appallingly slim margin of safety in a world of uncertainties.

"The only basis on which it would appear sound to make any tax cuts at present would be if the amount of the cut could actually be saved by a reduction in governmental expenses. As a member of an economy-minded Congress, I will continue to support continued reductions in unnecessary government expenses."

**ALDERMEN APPOINT TILLEY**

The Board of Aldermen last night appointed Aubrey Tilley assistant city tax collector to succeed Glenn W. Brooks, who recently resigned to go to New York. Tilley assumed his new duties at the City Hall this morning. Other applicants for the place were Earl Kittrell and Johnston Dees.

U.S. officials estimate that 90 per cent of U.S. World War II dead in foreign countries will be permanently buried in foreign cemeteries.

### Eighteen Finish Work In Quarter

Eighteen students completed their work for degrees at East Carolina Teachers College at the close of the winter quarter, according to information from the office of Dr. J. K. Long, registrar. All but one of the students are North Carolinians. Eleven were candidates for the B. S. degree, which is awarded to those trained as teachers; five for the A. B., or liberal arts, degree; and two, for the master of arts degree in education. The students will be awarded their degrees and receive their diplomas at the regular commencement exercises in June.

Mrs. Myrtle Brogden Clark of Greenville and Lewis H. Swindell of Washington completed the requirements for the master's degree in education.

The candidates for the B. S. degree, with the subjects in which they specialized at the college are Edith Bowles, Greenville, commerce and social science; Ella Mae Cashwell, Saxapahaw, English and French; Francis Colner, Newport News, Va., history and English; Mary Louise Piliyaw, Roseboro, home economics and social science; Frances Gardner, Pikeville, grammar grade work; Ruth Krank, Poplar Branch, English and history; Louise J. Moore, Roxboro, commerce and social science; Billie Perry, Louisville, home economics and science; Patsy Pridden, Elm City, mathematics and physical education; Barbara Selby Dudley, English and history; and Mary Andrews Whichard, Greenville, Spanish and commerce.

Those completing the liberal arts course and receiving the A. B. degree are: Frances Sutton Bailey, Kinston, physical education and social science; Adrian Brown, Greenville, history and science; Mimi Tripp Denton, Greenville, music and English; Joseph W. Hines, Washington, mathematics and social science; and James A. Little, Winterville, science and physical education.

### James E. Collins Files For Alderman

James E. Collins, retail grocer at 404 East Ninth street and who lives at 114 West Ninth street, has filed with the Board of Elections for member of the Board of Aldermen from the Fourth Ward.

Collins was the first to announce candidacy for a city office in the spring primary election.

### Pitt 4-H . . .

(Continued from Page One)

Livestock Sales.

Curtis Lee, Pactolus 4-H Club, took a red ribbon, calf weighing 760 pounds and selling for \$29.50 per hundred, for a total of \$224.20, selling to Pepsi Cola Co., in Rocky Mount.

Robert Thomas, Belvoir Junior 4-H Club, took a red ribbon, calf weighing 765 pounds for \$29.75 per hundred, for a total of \$227.50, bought by Greenville Livestock Sales.

Kenneth Randolph, Belvoir 4-H Club, took a white ribbon, \$25 pound calf, selling for \$30 per hundred. Total of \$247.50 to Greenville Junior Chamber of Commerce.

Sigbe Dilda, Fountain 4-H Club, white ribbon, 870 pound calf selling for \$29.75, total of \$258.83 to Greenville Rotary Club.

In addition to these prizes, and prices, Kenneth Randolph took first prize for showmanship, winning \$15 in cash. Robert Thomas, a 12-year-old club member from Belvoir Junior Club, showing for the first time, took third prize in showmanship for \$5.

Forty-two calves shown in the show, excluding the grand champion and reserve champion, which sold for \$75 per hundred and \$34 per hundred respectively averaged \$28.58 per hundred. Pitt county calves, due to excellent backing by local organizations, sold their calves for an average of \$29.90 per hundred.

### Russians . . .

(Continued from Page One)

for the Russians the right to inspect passengers and freight moving by rail and highway through the established corridors in the Soviet zone to and from the city of Berlin.

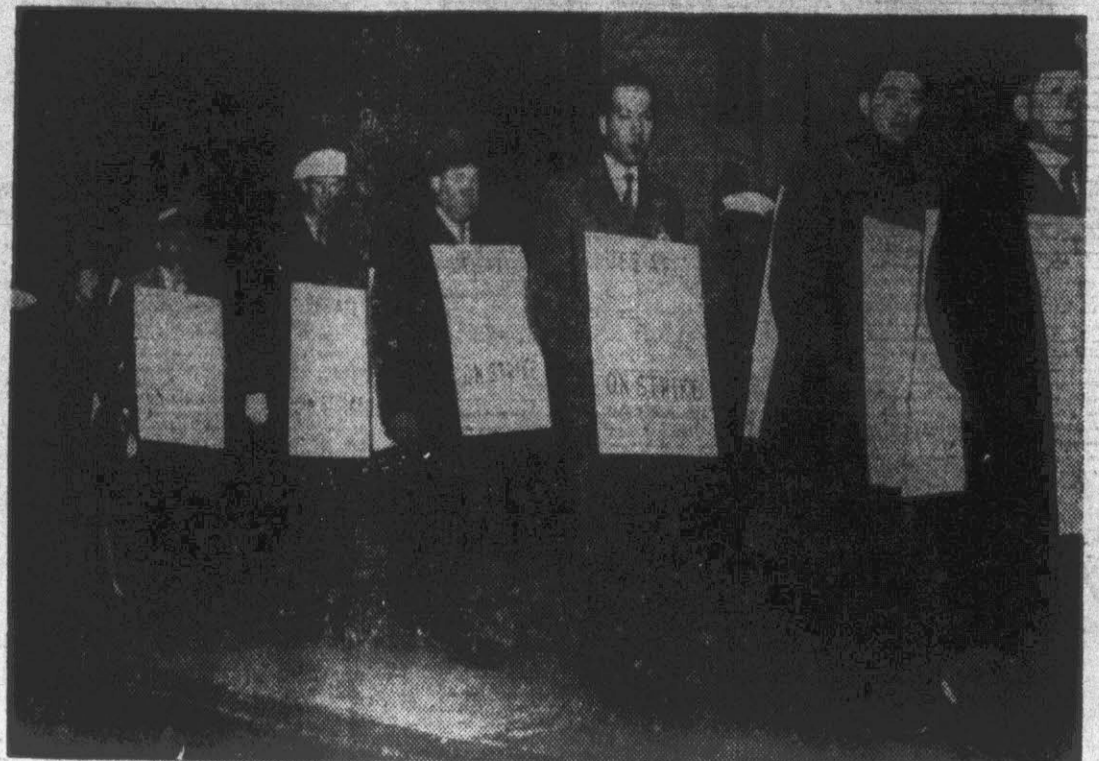

Tulpanov made his statement, the first official Soviet response to the western protests, in a speech to the Communist-sponsored Socialist Unity party at Halle. His speech was published prominently in all Russian-controlled newspapers.

The bitterness of Tulpanov's remarks against what he called the evil influences of "American and British plunderers and imperialists" was taken here as an indication the Russians may be planning even more forceful measures to get the westerners out.

The official Soviet newspaper Tsogliche said the Russian measures are designed to prevent the export of Berlin's industrial assets to the west, and added:

"If the present restrictions prove insufficient, we will be forced to enact sharper measures."

### Stock Exchange Picketed In Workers' Strike

Pickets parade before the New York Stock Exchange building in a strike of financial workers employed by the Stock Exchange, the New York Curb Exchange, and several member firms. The lines were reinforced by members of sailors' and seamen's unions. Brokers entered the exchanges, however, and trading went on at about the normal pace. (AP Wirephoto).

### Tuck And Truman Sees Return Of Meet In Virginia Oleo Tax Fight

Williamsburg, Va., April 2—(AP)—President Truman and his Democratic political foe, Governor William M. Tuck, shook hands and exchanged brief greetings today when they met at the college of William and Mary.

"Mr. President, how are you sir, I'm certainly glad to see you, sir," the Governor said as Mr. Truman arrived at the college campus for Canadian-American day ceremonies.

"I'm glad to see you, too," the President replied, shaking the Governor's hand. Then, he turned to greet others here for the occasion.

His trip to Virginia by Presidential yacht held up by a Potomac River fog, the President disembarked at Dahlgren and drove 113 miles to Williamsburg.

The meeting of the Governor and the President aroused unusual interest at a ceremony arranged primarily to honor Prime Minister W. L. Mackenzie King of Canada.

Tuck is leader of the Southern Democratic revolt against the President's nomination for a four-year term because of the latter's civil rights proposals.

He was not among the welcoming party that met the President, Mrs. Truman and Margaret on a highway near the edge of the city. He told reporters, however, that since he came in from Richmond and the President from Washington "this looked like the best place to meet."

### Fruitless Hunt For Lost Plane

Charlotte, N.C., April 2—(AP)—An airplane with two Durham, N. C., men aboard still was missing today after ten days of intensive search.

The pair, Dan E. Bryan, 44, a veteran pilot, and Phillip Pearson, a GI aviation trainee, left Durham March 23. They haven't been heard from since.

Their Cessna 140, silver with red trim, left Durham for Monroe, La., with a refueling stop at Gainesville, Ga., in the flight plan.

Three American Presidents died on July 4—John Adams, Thomas Jefferson and James Monroe.

### Superior Court Here Week Of April 12th

Judge Henry L. Stevens of Warsaw will preside over a one week criminal term of Superior Court here the week of April 12.

The next Superior Court will be a civil term to be held the week of May 3, the judge to be assigned.

A two-weeks' civil term of court will be held here beginning May 17.

### Hog Market

Raleigh, April 2—(AP)—(NCDA)—Hog prices steady at \$20 at Fayetteville, Florence, S. C., and Richmond, Va.; slightly weaker at \$19.75 at Clinton, Warsaw, Lumberton and Chadburn; weaker at \$19.50 at Washington, Jacksonville, Goldsboro, Smithfield, Mt. Olive, Greenville, New Bern and Rocky Mount.

### N.Y. Cotton

New York, April 2—(AP)—Cotton futures opened 25 cents to \$1.35 a bale higher.

Noon prices were 20 to 90 cents a bale higher than the previous close. May 35.70, July 35.00, and Oct. 32.18.

### Poultry and Eggs

Raleigh, April 2—(AP)—(NCDA)—Eggs steady. A large 43-44; fryers and broilers steady at 38 to Mostly 40.

### Warlick Named District Judge

Washington, April 2—(AP)—President Truman today nominated Wilson Warlick to be a federal judge for the Western District of North Carolina.

If the nomination is confirmed by the Senate, Warlick will succeed Judge E. Yates Webb, who retired.
