

President Names Ohioan As New Cabinet Member

Former Ambassador Charles Sawyer Se- lected To Replace W. A. Harriman

Washington, April 22 — (AP) — President Truman today nominated former ambassador Charles Sawyer of Ohio to be Secretary of Commerce.

Presidential Secretary Charles C. Ross said Sawyer's nomination probably will go to the Senate today, along with that of W. Averell Harriman to be "roving ambassador" under the European Recovery Program.

Mr. Truman offered the Commerce post to Sawyer by long distance telephone last night after Harriman agreed to give up that position to take over the ERP job. The 61-year-old Cincinnati lawyer has been a frequent White House caller.

The same administration authorities said Mr. Truman also hopes to decide on a new Secretary of Agriculture before Clinton P. Anderson steps out next month to run for the Democratic senatorial nomination in New Mexico.

They said the President has given no indication whom he has in mind for that cabinet job.

A member of the Cincinnati city council from 1911 to 1915, Sawyer served as lieutenant governor in 1938 and as Democratic National committeeman from 1936 to 1944.

He was ambassador to Belgium in 1944 and 1945. He enlisted in the first World War and was discharged with the rank of major after service with the AEF.

Air Force Plans New Titles For Rating System

Washington, April 22 — (AP) — The air force has chosen titles for its "airmen" to distinguish them from army enlisted personnel.

The new ratings would be authorized under pending legislation.

For warrant officers there would be four grades: chief airman and senior airman, 1st, 2nd and 3rd class. A chief airman would receive pay equivalent to that of a major. It would range down to a 2nd lieutenant's pay for senior airman, 3rd class.

Here is how the air force proposes to re-name the grades for enlisted men: Master sergeant becomes senior air sergeant; technical sergeant, 1st class; staff sergeant, 1st class; sergeant, 1st class; corporal, 1st class; private first class, 1st class; private, 1st class.

Wedding Gifts Joint Property

Decatur, Ill., April 22 — (AP) — Wedding presents, says Circuit Judge Martin E. Northland, are not the sole property of the wife.

Taking issue with some etiquette authorities, Judge Northland denied the claim of Mrs. Edith Greenberg to \$550 worth of wedding presents. She asked them yesterday as she obtained a divorce from William Greenberg, Decatur merchant, on grounds of desertion.

Judge Northland commented that an authority on etiquette said wedding gifts belong to the wife, "but she cannot be accepted as a legal authority." He ruled the \$550 worth of presents belonged to both husband and wife.

What Did Lewis Gain?

It Isn't Certain He Won Anything; What He Lost; Some Figures; Court Fine No Crushing Blow; UMW Boss Turned Down What May Have Been Better Idea

By JAMES MARLOW

Washington, April 22 — (AP) — What did John L. Lewis gain by the coal strike and what was lost?

It isn't certain that Lewis gained anything. He supposedly won a pension for his miners. But now there's a court fight over that.

But what was lost is clear. For the one month in which no miner worked and no coal was dug this happened:

The miners lost about \$106,274,000 in wages.

Their welfare fund lost between \$4,000,000 and \$5,000,000.

Coal not mined—about 52,000,000 tons.

Foresee Request By President On Use Of Troops In Holy Land

Washington, April 22 — (AP) — Administration officials predicted today that President Truman will ask Congress to approve any use of American troops to police Palestine.

This apparently does not rule out the chance that the President might in an extreme emergency, order limited forces into the Holy Land to protect American lives and property.

Marines might be used in that event, although there is no clear indication that this will happen.

Officials are deeply concerned, however, lest Arab-Jewish fighting flare on an even larger scale next month when the British start withdrawing their troops.

Warren R. Austin, American dele-

gate, told the United Nations special assembly session on Palestine Tuesday that the United States is prepared to send troops to the Holy Land to support a trusteeship government on two conditions:

First, other nations must also provide forces; second, Arabs and Jews must agree to a truce.

In Washington this promptly raised question as to the President's authority to use American armed forces. Austin's statement was criticized in the House yesterday as making a commitment in violation of the law giving this government the right to membership in the United Nations.

This law authorized the President to negotiate agreements with other

U.N. members for an international police force. These agreements would then be subject to congressional approval. But the agreements never have been made because of the split between Russia and the western powers.

Administration legal authorities are understood to have advised the White House that nothing in the law prevents the President from using his constitutional powers as director of American foreign policy and commander-in-chief of the armed forces.

The position of the administration therefore is said to be that Mr. Truman has the right to send troops wherever he may consider it in the nation's interest to do so.

Jewish Force Virtually Seizes Port City Haifa

Arab Leaders Sue For
Peace After Heavy
All-Night Fighting;
Haganah Offers
Terms; Deny Massacre
Charges

Haifa, Palestine, April 22 — (AP) — Jews virtually seized control today of Palestine's richest port city of Haifa after heavy all-night fighting.

Arab leaders sued for peace, asking British military authorities to mediate.

"It was a massacre," said one Arab spokesman. "It was another Stalingrad. We were not prepared."

By request of the British, the Jewish military force Haganah issued a cease-fire order shortly after noon.

A Haganah spokesman said terms handed the Arab National Committee included:

Disarmament of all Arab forces and surrender of all arms.

Freedom of movement in all parts of Haifa with an end to sniping and roadblocks.

Delivery of all foreign Arab troops to Haganah for immediate deportation.

Surrender of all German tanks. A 24-hour curfew during which the Arab disarmament would be carried out.

All persons to return to their normal pursuits.

A guarantee that Arabs could carry on their lives and work as free and equal citizens of Haifa and enjoy all municipal services.

The security of Haifa outside British zones to be maintained by Haganah.

Haganah orders to be binding on both Arabs and Jews.

There was every indication from Arab sources that Arab National Committee members still in Haifa will accept the Haganah conditions.

One Arab spokesman declared: "Many women and children in Arab areas were shot as they attempted to flee into the port area."

The port area is controlled by British security forces. A Haganah spokesman denied the accusation.

"Arab casualties were only 10 percent of what he had expected," he said. "As for women and children there just haven't been any such thing. We deny it most emphatically."

Approves Change In Dress Blues

Washington, April 22 — (AP) — Sailors' dress uniforms soon will be minus the famous 13 buttons on the trousers and buttoned cuffs on the jumpers.

Instead new dress blues, which will be issued in a few months, will have conventional-front trousers with hip and slash side pockets. And coat style sleeves will replace the buttoned cuffs.

Secretary of the Navy Sullivan approved the changes, it was announced today.

Russians Urging New Air Control

Recommend Rigid Re-
strictions On Berlin
Air Traffic

Berlin, April 22 — (AP) — A Russian commission recommended rigid new restrictions today on air traffic of the western allies in and out of Berlin.

The six-man commission, set up to investigate a British-Russian plane collision, urged that the Soviet commander, Marshal Vassily D. Sokolovsky:

(1) Require that the Americans, British and French give 24 hours' notice of their flights through corridors over the Russian occupation zone, with "details about the planes and their passengers."

(2) Prohibit those allies from making any corridor flight by night, in clouds, in the stratosphere or under other circumstances "in which the plane cannot be seen from the ground."

The commission said only such "strict regulations" could prevent a repetition of accidents like the April 5 crash here between a British Viking transport and a Soviet Yak-3 fighter. The collision killed 12 Britons, two Americans and the Russian pilot.

He called his committee into another closed-door session today to try to win approval for the air force program and then turn to the equally hot issue of a temporary draft and universal military training.

Forrestal demonstrated by his compromise offer late yesterday that he can switch his strategy.

Previously he had insisted that a strengthened 66-group air force would be enough. Then some of his subordinates—Secretary of Air Symington and a group of air force generals—plunked for the 70-group program. It was rushed through the House as part of a money bill.

Three Men Given Road Sentences In Escape Case

By CHESTER WALSH

In Superior Court yesterday Albert P. Blacklock, Clifton Perry and Benjamin G. Smith, charged with conspiracy and aiding and abetting in the escape of two prisoners from the State Prison Camp near Greenville last December 23, tendered through counsel plea of guilty to aiding and abetting in the escape of prisoners, and the court accepted them.

Judge Henry L. Stevens of Warsaw, presiding over the criminal term of court, sentenced Perry to two years on the roads, Smith to 15 months on the roads, and Blacklock to nine months on the roads.

Testimony was that the escape of John Goode and John Pennington from the prison camp was engineered early in the morning while the prisoners were being assembled to board work trucks; that the two convicts entered a passing taxi cab and made their escape. They were captured shortly afterwards.

Hint Strike At Reynolds Plant

Winston-Salem, N.C., April 22 — (AP) — A hint of a strike at the R. J. Reynolds Tobacco Company at the expiration of its contract with Local 22, United Tobacco Workers, PTA-CIO, was contained today in a union-issued statement.

Local 22 claimed that it has filed "formal strike notice" against the Reynolds company, "in accordance with the law." The contract expires at midnight Friday, April 30.

Truman To Speak On West Coast

Washington, April 22 — (AP) — President Truman will speak at commencement exercises at the University of California on June 12.

The White House announced that Mr. Truman accepted today a personal invitation from University president Robert C. Sproul.

Presidential Press secretary Charles G. Ross told reporters that the invitation was extended and accepted in a telephone conversation.

FIND VIOLATION

Washington, April 22 — (AP) — A trial examiner for the National Labor Relations Board today found the International Typographical Union and its Baltimore local 12 guilty of violating the Taft-Hartley Act.

Robt. Humber To Be Give n Public Service Award

International Recognition For Greenville Man And His Federation Plan

By CHESTER WALSH

Robert Lee Humber, scholar, world traveler and author of the World Federation Plan, is to be honored in New York next Tuesday when he will be presented an international award for individual public service.

Carl Van Doren, chairman of the editorial board of World Government News, international magazine which reports the progress of world federation, will award medals to Humber for his World Federation Plan to John Boyd Orr of Great Britain, member of the official secretariat of the United Nations, and to the University of Chicago, for favoring a world constitution.

The international awards are made for (1) the person who has done the most to promote world government; (2) the official member of the United Nations who has contributed the most within the jurisdiction of the United Nations for world government; and (3) to the institution or organization that has contributed the most to world government.

Last year the awards were won by Emory Reeves author of "The Anatomy of Peace," (3,000,000 copies of which were sold), General Romulus of the Philippine Islands, and the New York magazine, for leadership in world government in the United Nations.

Some of the members of the editorial board are Granville Clark, New York attorney; Albert Einstein, renowned scientist; W. T. Holliday of Ohio; Marquis James, famous biographer; Sir E. M. King, member of the British House of Commons; Thomas Mann, Nobel Prize winner in 1929; Vladya Pandit, renowned Indian statesman; Mary Roberts Rhinehart, noted author; Raymond Gram Swing, author and commentator; and Virginia Daines, editor of the Richmond, (Va.) Times-Dispatch.

Robert Lee Humber is to address the state convention of the American Association of University Women at Greenville on Friday.

The distinguished Pitts county is the principal speaker at the Standard Oil Company Executive Club's meeting at the Washington-Duke Hotel in Durham. Saturday night Humber is scheduled to speak at a mass meeting in Philadelphia. Next Tuesday he is to receive the international medal for individual service in his World Federation plan. Next Wednesday he speaks at Dartmouth College, New Hanover, N. H. Next Thursday, he will be the principal speaker on a radio hook-up at Buffalo, N. Y. The next day Humber will be a speaker at the Rhode Island World Peace meeting in Providence, when Emory Reeves and Norman Thomas appear on the program with him.

Stanley's Name Will Be Listed On N.C. Ballots

Raleigh, N. C., April 22 — (AP) — Whether he wants it or not, William F. Stanley's name will be before Democratic voters in the May 29 primary.

So says Raymond Maxwell, Secretary of the State Board of elections. Maxwell made the statement after Stanley announced at Winston yesterday he was withdrawing as a candidate for the Democratic gubernatorial nomination.

Ballots already are printed, Maxwell declared, and it's too late for a withdrawal.

"So far as the board is concerned," Maxwell said, "he remains a candidate. However, he might publish notices requesting voters not to vote for him."

NO DEATHS IN CRASH

Largs, Scotland, April 22 — (AP) — All 20 passengers and crewmen of a British European Airways plane that crashed and burned near Largs last night are safe, BEA announced today.

Disgruntled Reds Claim Intervention In Election

Rome, April 22 — (AP) — Communist Leader Palmiro Togliatti said today his followers "have no intention of using force or violence" to overthrow the anti-Communists who won the Italian election.

He gave this assurance even as he charged that the balloting was influenced by "brutal foreign intervention" in the form of threats of starvation and atomic bombing.

Togliatti's comments, in an interview published in the Communist newspaper L'Unita, were his first public statement on returns from Sunday and Monday's election of Sunday.

The returns have put Premier Alcide de Gasperi's Christian Democrats within reach of an absolute majority in both Houses of the Italian republic's first Parliament, with the Communist-dominated Popular Front a poor second.

Parliament will meet May 8 and two days later will elect the president of the republic, who will pick a premier to set up a government. Italians are assuming de Gasperi will remain premier.

If he does, the new government will be the fifth he has headed. With the Christian Democrats so strong in Parliament, his new one is expected to be free of the political maneuvering that has harassed him in the past.

Lewis Moves To Carry Out Pension Plan; Calls Session

Steel Price Cut

Pittsburgh, April 22 — (AP) — The U. S. Steel Corp. today denied a wage increase demanded by the CIO United Steelworkers and announced price cuts totalling almost \$25,000,000 (M) for its products.

The price cuts are effective May 1.

Philip Murray, president of the CIO and the Steelworkers' Union, asserted the Corporation had denied "a just and much needed wage increase." His statement emphasized, however, that the Union would continue to live up to a non-strike pledge in a two year contract, reopened for wage discussion.

Benjamin F. Fairless, Steel Corporation president, declared the unspecified wage increase had been denied and the price cuts effected "in an effort to halt further advances in living costs."

Chinese Abandon Old Red Capital

Armies Quit Yenan; Anticipate Communist Onslaught

Nanking, April 22 — (AP) — China today gave up the old Communist capital, Yenan, after little more than a year of occupation. The withdrawal caught the nation by surprise.

The government explained that it pulled out of the famous old cave city in North Shensi Province to place its troops more favorably. It anticipates an onslaught of Red Gen. Peng Teh-huai, who has been threatening to carve a gateway into Szechuan Province.

Shensi delegate Sung Min-Yuan told the national assembly the loss of Yenan was unexpected but inevitable. "Politically, the capture of Yenan was a good move," he said. "But militarily it was a great blunder—it exposed the rest of Shensi to the Reds."

Abandonment of Yenan underscored the gravity of the government's position in the northwest.

The government also took note of the serious situation in Manchuria by naming a Manchurian to one of the high posts at Mukden.

Chang Tse-hsiang, an old associate of former warlord Chang Tso-lin, was appointed to the political committee now sharing overall power in Manchuria with Gen. Wei Li-huang.

On the Manchurian fighting front, the outnumbered government garrison at Changchun hung on gamely. National planes pounded Communist supply bases and communications.

Deep Sea Diver Trapped In Mud; Directs Rescue

New York, April 22 — (AP) — Frantic efforts were being made today to free a diver imprisoned in mud at the bottom of New York harbor, who calmly directed the efforts of rescue workers through his speaking tube.

One hour after the diver, Edward Christensen, became caught at least 20 feet below the harbor surface off Staten Island, he told his surface vessel:

"It's getting pretty tough down here."

But police who reported his conversation said he remained calm and was directing another diver who was trying to free him. His air lines remained intact.

Jet Fighters To Give Exhibition

Camp Lejeune, N.C., April 22 — (AP) — Jet planes of the Marine Air Force will race at 600 miles an hour in a special exhibition here tomorrow.

Twenty-four phantom jets of Marine Fighter Squadron 122, will put on the speed performance. It will climax a visit by Gen. Clifton D. Cates, commandant of the Marine Corps. Gen. Cates, starting a three-day visit here, will review more than 5,000 troops of the Second Marine Division.

Lake Success, April 22 — (AP) — France called on the United Nations today for urgent action to safeguard Jerusalem and its holy relics.

Pass Measure

Washington, April 22 — (AP) — The Senate today passed the Taft-Hartley-Wagner long range housing bill designed to spur home building in America. Passage was by a voice vote.

The Senate passed the bill after adding a \$258,500,000 farm housing program.

By a voice vote, the Senate adopted an amendment by Senators Young (R-ND) and Russell (D-Ga) providing for federal subsidies and loans to farmers.

Increasing Move In Coal Area To Go Back To Work

Most Of 400,000 Coal
Diggers Expected To
Be On Job By Week's
End

Pittsburgh, April 22 — (AP) — An increasing back-to-work movement among idle soft coal miners today gave promise that most of the 400,000 members of the United Mine Workers would be back on the job by week's end.

UMW district presidents, using telephone, telegraph, radio and newspaper stories, sped the word to all miners that their chieftain, John L. Lewis, has asked them to return.

Throughout the nation, union locals met and voted to go back to work. Still others scheduled meetings for today.

Miners, although still resentful about the \$142,000 fines imposed on Lewis and the union by the federal court Tuesday, apparently had decided to end their long walk-out.

About 125,000 were at work yesterday and union officials promised many thousands more would enter the pits today.

Strike-hardened District 4 in western Pennsylvania reported all its mines working and about 21,000 of its 22,000 miners on the job. This area, comprising Greene and Fayette Counties, is heavily dotted with captive (steel company-owned) mines.

Other Pennsylvania areas expected anywhere from 75 to 90 percent of their miners to be on the job today.

District UMW presidents in West Virginia waged a strong campaign to return 92,000 idle members. Only 20,000 of the state's coal diggers worked yesterday.

At Fairmont, W.Va., UMW District 31 President Cecil J. Urbanak took to the air waves to tell his followers "any delay on the part of the miners to comply will be damaging to John L. Lewis and to the cause of the United Mine Workers."

Union officials said they expected full production in Ohio today.

Conferees Move Back To Bogota For Final Days

Bogota, Colombia, April 22 — (AP) — The Pan American conference, tentatively scheduled to close April 30, moves back to the national capital today amid efforts to reach an agreement on the colonial question.

The United States differed with three Latin American nations yesterday in debate on an Argentine resolution demanding that outside countries give up their colonies in the Western Hemisphere. Secretary of State George C. Marshall expressed the U. S. view, opposing the resolution.

A committee was appointed to draw up a resolution acceptable to all the 21 delegations to the ninth International Conference of American States.

Walkout By Coal Miners In France

Lille, France, April 22 — (AP) — One hundred and thirty thousand miners were reported on strike today in France's northern coal fields.

Production is virtually at a standstill, the French news agency said.

The walkout began yesterday in pits near Sallaumines, where 14 miners were killed in a blast Monday, and was in protest against alleged lack of safety devices in the mines.

Big Lift For Morale

Democracies Mightily Encouraged By Results Of Italian Election; Reactions To Outcome; History Of Communism Is Story Of Force, Trickery; What Is Next?

By DeWITT MacKENZIE

The victory of the anti-Communist forces in the Italian national election is giving a mighty lift to morale among the democracies in their fight against totalitarian communism.

This is particularly true of western Europe, across portions of which the shadow of communism has been striking heavily. The reaction has been immediate and enthusiastic.

The London Daily Express says the election is "the latest and most spectacular phase of the swing to the right which is now at work over western Europe," and continues to sum up the situation thus:

"Marshall Aid played a big part x x x but even if there had been no Marshall Aid, (Premier) De Gasperi's (Christian Democratic) party would still have won. They would have won because Italy was asked to choose between the democratic outlook of the west and the authoritarian communism of the east."

From Jacob Kaiser, head of the Christian Democrats in Berlin, comes a somewhat similar view. He declares that the similar vote in the election "confirms that no popula-

Meeting Of Miners' Welfare Fund Trustees Summoned; Mine Owners' Repre- sentative Asks Lew- is, Bridges Be Held Liable For Money Spent From Fund

Washington, April 22 — (AP) — John L. Lewis moved today to put his \$100 a month miners' pension plan into effect—despite blunt notice that he may have to foot the bill himself.

The mine union boss called a late afternoon meeting (4:30 p.m., EST) of the three-trustee board responsible for administering the still-un tapped \$32,000,000 miners' welfare fund.

The purpose of the session presumably was to consider default rules for paying \$100 monthly pensions to miners 62 or older. Such payments were agreed upon in principle by two of the three trustees, Lewis, representing the union, and Senator Styles Bridges (R-NH), the neutral member.

Extra Van Horn, the third trustee representing the coal mine owners, filed suit yesterday asking that Lewis and Bridges be held personally liable for any money spent from the fund on the Lewis-Bridges pact terms.

Van Horn said the plan is illegal under the Taft-Hartley Labor Act for two main reasons:

1. Bridges never had any legal right to vote on how the money is to be spent, because the law says the employer representative is the one to do the agreeing—and Van Horn disagreed to the Lewis-Bridges plan.

2. The reason he disagreed to it was that it would pay pensions to miners for whom no contributions have been made to the fund. He said this, too

New Officers Of Wesley Foundation Hold Spring Retreat

The annual Spring Retreat for the newly elected officers of the Wesley Foundation of East Carolina Teachers College was held at Island Shores on Pamlico Sound the week-end of April 17-18. The Retreat was conducted by Miss Mamie Ghandier, director of the Wesley Foundation, and was held to prepare the members of the Wesley Foundation Council for their responsibility as Christian leaders on the campus and to promote a spirit of fellowship among the members.

Mrs. J. H. Rose, chairman of the local committee for the Methodist Student Center, and Miss Ann Asakew, assistant director of the Wesley Players, and several members of last year's Wesley Foundation Council were guests at the Retreat.

Dr. John D. Messick and the Rev. Robert W. Bradshaw were guests on Saturday evening and led discussions on "The Student in the Church" and "The Christian Student on the Campus." Other discussions, led by Miss Ghandier, were on evaluation of the year's program, emphasis of the program for the coming year, and opportunities and responsibilities of student Christian leadership. On Saturday evening vespers were held on the pier.

Officers of the Wesley Foundation who attended the Retreat were: president, Sammie Lee Jones; Wilmington; vice president, William Durham, Rocky Mount; secretary, Mildred Cakes, Hookerton; treasurer, Sam Strickland, Greenville; chairman of commissions: worship, Rachel Floyd Orum; world Christian community, Evelyn Kornekay, Seven Springs; social, Roland Braswell, Goldsboro; church relations, James Ratledge, Advance; public relations, Claude B. West, Jr., Greenville; drama, Helen Winslow, Goldsboro; music, Mary Wallace Foy, Pollockville; deputations, Ellis Bedsforth, Greenville; persons, Lol Carrowan, Raleigh; and Graham Davis, Littleton; town students, Junius Rose, Greenville. Members of this year's council who attended included Marion Purton, Bethel; Gordon Davis, Beaufort; William Sutton, New Ber; Joan Oppelt, Greenville; and Ophelia Kirven, Sumter, S. C.

Mrs. Herbert Waldrop and Mrs. F. A. Jordan gave the use of their cottages for the Retreat. Transportation to and from Island Shores in cars was furnished by Dr. Messick, Mr. Bradshaw, John Heath, Jack Johnson, and Dr. J. L. Oppelt.

Teachers Enjoy Banquet; Elect New Officers

By CHESTER WALSH
The Pitt County Unit of the North Carolina Education Association at a banquet at the Woman's Club last night elected Mrs. Beecher Flanagan of Winterville president and Fodie Hodges of Belvoir vice-president. Mrs. Edna Earle-Baker, the retiring president, presided. Nearly 200 persons were present. J. T. Biggers, principal of the Winterville High School, welcomed them. Dr. Paul E. Jones of Farmville responded. Many of the guests were given special recognition.

Bill Bloom, widely known theatrical producer, entertained with a dissertation on "How Newspapers Should Write Up Weddings," and used Don H. Conley's and Mrs. Conley's wedding, years ago, as an illustration.

Sam Bundy, principal of the Farmville High School, in his own inimitable way made one of the famous Bundy after-dinner speeches. Miss Norma Hooper, soprano soloist, sang two numbers, "The Desert Song" and "When Day Is Over," with Miss Elizabeth Drake as accompanist. Robert May sang "Without A Song" and "When I Have Sung My Song." Miss Drake played Gershwin's "Prelude in C Major."

Mrs. J. M. Horton was chairman of the Nominating Committee.

Numerous prizes were presented to the guests. Following a fellowship period, there was dancing.

A. A. U. W. Sends Good Will Boxes
The local branch of the American Association of University Women has followed up the project adopted by the State Workshop in Greenville last October, through a committee headed by Miss Alma Brown, chairman, and Miss Alice Wooten, corresponding secretary. The project was the furtherance of friendship and cooperation between branches of the International Federation of University Women, in France and groups of A. A. U. W. members in North Carolina, through correspondence and the sending of boxes of needed articles to France. Three such boxes, containing canned and dried foods, sugar, coffee, tea, cocoa, sewing materials and writing materials have been sent this year.

Letters have been received from two teachers, one from Metz, and one from St. Die, and one librarian from Troyes, France, expressing gratitude for the packages they have received. Two boxes of clothing are being prepared for two needy French students, one in Troyes and one in Metz. These are to be sent in the near future.

Central Zone Meeting
The Central Zone of the New Bern District of the Methodist Woman's Society of Christian Service will meet in Jarvis Memorial Church Friday morning at 10:00 o'clock. Many of the district officers and several conference officers will take part in the program. Ladies from the following churches and charges will be represented: Ayden, Winterville, Grimesland charge, Greenville, Grifton, Hookerton, Kingston station, La Grange charge, Pink Hill charge and Watkinsonburg charge.

Miss King and Mr. White Honored At Dinner
Mr. and Mrs. Samuel Tilden White climaxed a series of social affairs given recently honoring their grandson, Samuel Tilden White II, and his fiancée, Miss Colleen King of Clinton, anticipating their marriage Saturday of this week, when they gave an elaborate dinner and cake cutting at their palatial home on West Seventh street. The house was beautifully decorated with arrangements of white snapdragons, gladioli, narcissi, and lilies of the valley centered with pink roses.

On arrival the guests were greeted by Mr. and Mrs. Charles Alexander White, parents of the prospective

Greenville Girl Wins Radio Prize; WGTC Will Present Award

Miss Nell Brown Lee, ten year old daughter of Attorney and Mrs. Raleigh B. Lee of Greenville has been notified that she has won a very handsome prize in a recent nationwide contest to select a name for Tom Mix's dog. Little Miss Lee submitted the name "Flash" and while this did not win the grand prize, the judges were so impressed they decided to award her a special prize.

The award is a brand-new all-aluminum bicycle which is completely equipped with head light and tail light, an accurate speedometer, a siren and a radio which fits into the handlebars and is powerful enough to pick up most of the stations in Eastern North Carolina. The bicycle also has fire and theft insurance for a full year.

WGTC has set aside a special program for the presentation of this prize to little Miss Lee. On Friday afternoon at five o'clock the bicycle, completely assembled and ready to ride, will be given to its winner in the studios and over the air.

groom, and presented to the honorees and hosts. The guests arrived early in the evening and enjoyed Mrs. Harvey Ward's delightful playing on her accordion which engendered a spirit of gaiety and singing. Just prior to going in to dinner Mrs. Helen White Hawes and Mr. William Henry White directed the guests to the rear hall where Misses Helen Hawes and Lou Winstead served fruit cocktails. In the spirit of the occasion Mrs. Ward led the guests to the dining room playing wedding music.

The dinner table was covered with an imported lace cloth and was decorated with a white center piece

composed of varied white flowers with lilies of the valley predominating.

Upon being served by Mrs. J. L. Fleming and Mrs. J. E. White, seated at either end of the banquet table and assisted by Miss Barbara White and Master Charlie White, the guests found their place cards on tables arranged throughout the spacious first floor rooms.

After completing the main course the guests gathered in the dining room again, and there was much merriment in the cutting of the huge multi-tiered wedding cake. Ice cream in the shape of wedding bells was served.

Later in the evening, to the surprise of the bride and bridegroom-elect, everyone returned to the dining room where one end of the table was laden with trousseau and wedding gifts from the host and hostess.

Around ninety guests enjoyed the hospitality of the Whites.

Prison Escape Case Hearing

By CHESTER WALSH

In Superior Court yesterday Albert F. Bialock, Clifton Perry and Benjamin Smith were on trial on charges of aiding and abetting in the escape of two convicts from the State Prison Camp near the city, last December 23. The escape was engineered early in the morning when the convicts were being transported to their work on the highways. A taxicab passed the prison camp while the prisoners were waiting to board trucks. Testimony was that John Goode, serving time for participating in the Ayden Pickle Factory robbery nearly two years ago, and John Penninger, an up-state convict, entered the taxicab and were driven away. They were captured shortly afterwards.

The following cases were disposed of Tuesday: Sam T. German pleaded guilty to having liquor for sale. Prayer for judgment was continued for two years on condition that he remain of good behavior, not have any liquor in his possession and pay 100 and costs.

Joseph H. Farmer who pleaded guilty to having liquor for sale, was given a year on the roads. He was allowed to post \$1,000 bond now and start his sentence May 15.

J. D. Stocks, charged with larceny, pleaded guilty to forcible trespass. Prayer for judgment was continued for two years on good behavior and he was to pay costs.

Joseph R. Williamson, charged with larceny, pleaded guilty to forcible trespass. Prayer for judgment was continued for two years on good behavior and he was to pay costs.

A capias was issued for Burney Mills, charged with non-support.

Jessie King was not guilty of illegal parking.

A non-suit was ordered in the case against Wyatt M. Williams, who was charged with driving drunk.

In the case of Wyatt M. Williams and Fountain Harrington, charged with having non-tax liquor for sale, a plea of guilty of possession was entered. Prayer for judgment was continued for two years as to Williams for two years on good behavior and he was fined \$25 and costs. As to Harrington, prayer for judgment was continued for two years on good behavior, and he was to pay costs.

'Follies' Scheduled To Go On Tour In Eastern N.C. Towns

Jack Hedgepeth of Rocky Mount, president of the Veterans club of East Carolina Teachers College, has announced that the "Follies of 1948," sponsored by the organization and presented at the college in two successful performances early in April will go on tour in eastern North Carolina. The production will be given in Ayden today in Ahoskie on Tuesday, April 27, and at Kinston on Monday, May 3. Performances in the three towns will be sponsored by local civic organizations—the Ayden Lions Club, the Ahoskie Junior Chamber of Commerce, and the Kinston Kiwanis Club.

Wiesbaden, Germany, April 22 (AP)—A fleet of American Superfortresses based in Germany staged a mock raid today on Port Said, at the mouth of the Suez Canal.

The non-stop round trip covered 3,600 miles. U.S. Air Force headquarters said the flight went off without incident. The planes took off shortly before midnight and the first of three groups landed early this afternoon.

duction staff of 100 students including a cast of 80 men and women, will be given, according to present indications, before a sold-out house in Ayden, and indications are that it will meet with an enthusiastic response in Ahoskie and Kinston. After two performances before approximately 1,800 persons on the campus, the Veterans club received more than 15 offers to present their show in various towns of the state. Only three dates could be filled because of limitations of time.

Colonel Carlisle W. Wilson Assigned To New Duties In Japan

Better Weather For Carolinas

By The Associated Press
The weather man promises generally cooler and clearing weather for the Carolinas today and tonight. The Southern States were visited last night by scattered showers. They were heaviest along the coast. The heaviest was at Cape Hatteras, which registered almost half an inch of rain.

tribute to the general welfare of democracy in western Europe.

What this means is well summed up by the London Times, which says the victorious Christian Democrats must now make good their claims "that they can give to Italy by constitutional means an economic and social rebirth that the Communists held out as a sequel to revolution."

That's the answer for Italy—and it's the answer for every country which is threatened with the Red plague.

Strength FOR THE DAY
SINCERITY NOT ALL
Because a man is sincere does not necessarily mean that he is a sound and sane guide for his fellow men.
A man can be sincere and be a bigot. A man can be sincere and be a tyrant. The characteristic of the sincere man is that he has an ideal in which he really believes, but if this ideal is a mistaken one, his service to mankind will be harmful instead of helpful. The word conscience means literally "with knowledge." Conscience, therefore, is that body of knowledge on the basis of which a man makes his moral judgments. The Bible speaks of a good conscience and likewise of an evil conscience. An evil conscience is a set of evil and perverted ideas which a man may sincerely believe to be most expedient, especially for his own selfish welfare.
Nationally and internationally, it is a great misfortune for the peoples of the world when they fall under the domination of sincere but misguided individuals. Many a sincere teacher in school and college has taught something that twisted the minds of his students and led them later into pathways of folly. Sincere but misguided parents can create even more havoc in the lives of their children than political tyrants and mistaken teachers.

WASHINGTON LETTER
By JANE EADS
Washir ton — President Truman, natty in a brown suit and broadly beaming, had a fine time. So did 300 or more other fellows. The President and the others—all dues-paying members of the National Press Club—were celebrating the 40th anniversary of the club's founding. Old-timers in the newspaper profession came from all parts of the country just for the occasion.
One reason President Truman had such a good time was that he didn't have to stand in line and shake hands. The boys invited him to sit in a big divan they'd pulled up close to the stage. Mr. Truman parked himself there and relaxed. The President made a speech and presented silver membership cards to charter members of the club.
The Press Club Chorus, accompanied by the Navy Band, sang an unpublished song, "Missouri, My State" as a tribute to Mr. Truman. It was written by Percy Weirick, composer of "Put on Your Old Gray Bonnet," "Moonlight Bay" and other oldtime favorites. There was all the Bourbon and Scotch one wanted—also kegs of beer. At the buffet table one just started piling up his plate in this order—baked ham, roast beef, corned beef, pigs knuckles and saurkraut, roast turkey. There was a Swiss cheese, three feet in diameter. There were pans of potato salad, celery, carrots, pickled beets, pickled onions, olives, cole slaw and all kinds of bread. There was a rumor that some of the boys went down the line two or three times.
The National Press Club was organized by a group of 32 newsmen in 1908.
The club, which has weathered two wars, a major depression, the "Gas House Gang," the Bar Strike and other institutional vicissitudes, today boasts a membership of 4,000.
During its early days it occupied several different homes. The dream of a National Press Building, with the club established as a home owner instead of a tenant, took form in 1925.
An aggressive building committee, it is recorded in the club's newspaper, the "Goldfish Bowl," secured estimates from architects and contractors and took options on the present site on Fourteenth Street, across from the Willard Hotel, one of the most valuable in the city.
The committee also negotiated the financial arrangements which brought more than 200 newspapers throughout the country into the deal as stockholders in the \$2,850,000 enterprise. The cornerstone of the new building was laid by President Coolidge on April 7, 1926.
Joseph H. Short of the Baltimore Sun is present president of the club.
The chinchilla is a small, gray, hopping member of the rodent family.
NOTICE OF STOCKHOLDERS MEETING

HAUNTED HOLIDAY
By Cameron Dockery
AP Newsfeature
Chapter 21
The sprawling house of Simeon Mannley was silent with the deep death-like stillness of midnight. Presumably the occupants were sleeping.
Vince Bonney, however, lay wondering if he were doomed to become a chronic insomniac. He was horribly aware of the troubled breathing issuing from Dr. Palmer's bed next to him and of each creak and whisper of the old house as the damp west-ther began to affect it. Nor could he forget the ugly significance of a telegram Johnson had received from the Honolulu police.
"Regarding Julia Mannley," it said, "attended University here for two years, majored in English, Civics and Art. Member of Liberal Arts Club, Musical Society, Captain of Women's Archery Team 1 and 2."
Women's Archery Team! That could mean anything or nothing, and he had seen the sardonic glitter in Johnson's eyes as he read the words aloud.
In fancy he penetrated the wall facing him and gazed down at the sleeping girl in the next room. It wasn't hard to visualize Julia, her hair spread out in a golden fan, her lips parted slightly in dreamless sleep. Was it innocent and dreamless though, or the harried hidden nightmare of a clever murderer?
He turned on his left side and a second later was watching the bedroom door swing silently inward as the bulky figure of a man was briefly silhouetted then slipped toward his bed and bent over him. Commander? Bates struggled to hold down a husky whisper.
"Yes. What's the trouble?"
"That Devereaux came in the end room. She's up to something! She's comin' out of her room and I just saw the Chief and Miller headin' down the beach with the dogs. What'll I do?"
"Stay here. Keep an eye on the doctor. I'll follow her. Where's Warner?"
"Downstairs somewhere."
Vince donned his dressing gown and stepped into the hall. Moonlight, mist bedimmed, poured through the leaded panes making cross-barred areas of light on the thick Chinese runner. A silver-haired foot followed by a wispy of pattern. Vince took up the trail. He let Sonia stay well ahead of him. She drifted before him almost a vision but at the junction of the stairs and entry to the pantry a third figure emerged from the shadows. The metal nose of a revolver sought and found the region of Vince's heart.
"What are you doing down here, Commander?"
"Oh it's you, Warner. Vince's voice almost broke with relief. "I'm following Miss Devereaux—she's planning something, it may be a clue."
"But I'm supposed to guard this floor!" Warner protested.
"That's right—just don't let her see you. I'll accept the responsibility if anything goes wrong."
The gun was withdrawn reluctantly and Vince continued down the lower hall. Johnson had taken over Mannley's bedroom for himself and Sonia had slipped into it. The door yawned. She must have seen the investigator leaving. Vince decided to take such a circle of a flashlight was darting over the bedclothes then moved on to make a thorough circuit of the molding and baseboard near the floor. At last it disappeared under the bed and went out completely. Vince heard a frustrated sigh then Sonia left Mannley's room and slipped past the forbidding mural armor into the vast vault of the living room and went to the window overlooking the terrace. Vince lost in admiration of the picture she made stumbled over a footstool and swore.
"Who... who sees there?" Sonia's voice trembled.

VFW Sponsoring Ceremonies For Opening Season

The local VFW Post is sponsoring a ceremonial opening of the 1948 baseball season for Greenville Thursday night at Guy Smith Stadium when the first game of the season will be played.

The Greenville High School band will be on hand, it is believed, and the VFW Post Color Guard will parade across the field. Mayor Jack Boyd will throw the first ball to start the game at 7:45.

Harold Dail, local radio announcer and member of the VFW Post, will be master of ceremonies and will introduce the players so fans may become familiar with each player as the Greenville Manager Bill Phebus.

Next Time He'll Escape On Foot

Raleigh, N.C., April 22—(AP)—If Dedell Small tries to escape again from a prison camp, he'll probably stick to foot travel.

Small, a 20-year-old Negro from Cameron, hitchhiked right back to the Harnett County Prison Camp Tuesday night a few hours after escaping.

Trouble was he picked the car of State Prison Inspector Kyle Matthews for a hitch he hoped would speed his getaway.

Lenoir Deputy Is Freed In Slaying

Kinston, N. C. April 22—(AP)—A Lenoir County Deputy Sheriff has been acquitted in the slaying of a prisoner.

A Superior Court jury yesterday found Thomas Harper innocent of a charge of second-degree murder. Harper had been accused of responsibility for the death of Ben Rouse Odham last June 7. He built his defense around a plea of self defense and authority under the law, claiming that Odham resisted arrest.

Rev. Ennis Swindell Died Morehead City

Morehead City—The Rev. Ennis Swindell, 72, died at his home on Evans Street Wednesday afternoon at 4:20 o'clock following a lingering illness. The Rev. Mr. Swindell was born in Hyde County, the son of Winfield Scott Swindell and Nancy Young Swindell. He was married to Laura Wallace of this city to which union was born five children. The deceased was a member of the First Methodist Church of this city, a licensed local minister and until several years ago, when his health became impaired, filled a number of pulpits throughout this church district. He is survived by his widow; four sons, William M. Swindell of Greenville, Edward W. Daniel M. and Richard B. of this city; one daughter, Mrs. Dale Adelle, of Casper, Wyo.; two sisters, Mrs. W. M. Myatt of Raleigh and Mrs. M. H. Willis of this city; and five grandchildren.

The funeral services were conducted from the Methodist Church Thursday afternoon at 3:30.

royalty, the miners loss to the welfare funds was probably \$4,000,000 or more.

The \$1,400,000 fine on the Union is not a crushing blow. How much the Union treasury has now is not known. A year ago it was reported to have \$15,000,000. The Union pays none of its money in strike benefits. As to what Lewis may have gained.

Under the contract with the mine owners, signed last July, Lewis and the miners were supposed to agree on a pension plan for the miners. The money was to come out of the Welfare Fund, paid for by the owners.

Lewis wanted \$100 a month pension for every miner who has reached 60 years of age and worked 20 years in the mines, no matter when he reached 60 or finished his 20 years' work.

The owners said that under the Taft-Hartley Labor Law, passed last July, no one could get the pension who hadn't been working since the contract was signed last July. Finally Lewis accepted a plan suggested by Senator Bridges, New Hampshire Republican.

Under this any miner who finished 20 years work and reached 62 since May 29, 1946, can get a pension.

But Lewis turned down what some people think was a better plan—if he had accepted it there would have been no strike at all—offered months ago.

This was a plan by Thomas E. Murray, New York businessman who, with Lewis, representing the miners, and Ezra Van Horn, representing the owners, made up a three-man board of trustees to decide on a plan.

Murray suggested \$100 a month pension—on a priority basis—for all miners who had reached 60 and completed 20 years work since July 1, 1942.

The Ladies Auxiliary of Sycamore Hill Baptist Church met Sunday, April 18, at the home of Mrs. Sue Harper, 1408 Washington street. The meeting was conducted by Miss S. I. Salter in the absence of the president, Mrs. Catherine Smith.

The meeting was opened with a

NOTICE

An ordinance prohibiting persons from looking upon games and other forms of entertainment where a regular admission fee is charged without paying the regular admission fee, and providing a penalty in relation thereto.

The Board of Aldermen of the City of Greenville do ordain:

Section 1. It shall be unlawful for any person to purposely watch, spy upon, look at, and-or peep upon any lawful game, show, circus, or other form of public entertainment where any fee is charged for admission thereto and where any fence, wall or screen of any kind is provided to enclose such game, show, circus, or other form of entertainment, through, under or over such fence, wall or screen and without first paying the regular admission fee there-to and-or without permission otherwise given such person by the proper officials of such game, show, circus or other form of entertainment.

Section 2. Any person violating the provisions of this ordinance shall be guilty of a misdemeanor and upon conviction by the Court shall be fined \$5.00 for each offense.

Section 3. This ordinance shall be in full force and effect from and after July 1, 1947.

Adopted June 17, 1947.

J. H. BOYD, JR., Mayor

Attest: J. O. Duval, City Clerk.

There are 81 veterans taking the
Veterans' Farmer Training program
course. The class was started two
years ago. The requirements for vet-
eran students are rigid and concern
all phases of farming. Prof. Mobley
said that when the veterans complete
the farmer training course, farming
in Pitt county will progress to a con-
siderable extent.

The course includes the general
farming plan. First of all the vet-
erans are taught to keep accurate
records; can and preserve a stated
quantity of foods; cultivate a home
garden and a home orchard; study
soil testing, establish permanent
pastures; take care of tools and im-
plements; have at least one acre of
winter cover crops; one or more
acres of a cash crop, other than to-
bacco; one acre or more of hybrid
or certified seed corn; have one or
more brood sows and one dairy cow
and at least 25 laying hens, and so
forth.

The Veterans' Farmer Training
Program course has proved its value,

veterans who are taking the farm-
ing training.

FRESH BLOOD
A MUST FOR
FREE ENERGY

Do you feel like you are tied to a drag
everytime you try to do something? If
so, don't let a low blood count hold you
down when you may release vibrant
energy to every muscle, then, call.
Every day—every hour—millions of
tiny red-blood-cells must pour forth
from the marrow of your bones to re-
place those that are worn-out. A low
blood count may affect you in several
ways: no appetite, underweight, no
energy, a run-down condition, lack of
resistance to infection and disease.

To get real relief you must keep up
your blood strength. Medical authorities,
by analysis of the blood, have by po-
sitive proof shown that 888 Tonic is
unusually effective in building up low
blood strength in non-organic nutri-
tional anemia. This is due to the 888
Tonic formula which contains special
and potent activating ingredients.

Also, 888 Tonic helps you enjoy the
food you eat by increasing the gastric
digestive juices when it is non-organic
only too little or scanty—thus the stom-
ach will have little cause to get balky
with gas, bloating and give off that sour
food taste.

Don't wait! Energize your body with
rich, red-blood. Start on 888 Tonic now.
As vigorous blood surges throughout
your whole body, greater firmness and
strength should make you eat better,
sleep better, feel better, work better,
play better, and healthy color glow in
your skin—firm flesh fill out hollow
places. Millions of bottles sold. Get a
bottle from your drug store. 888 Tonic
helps build sturdy health.

CPL Season Opens Tonight; Greenies To Play Tarboro

Arroyo Slated To Start On Mound Says Phebus

Capacity Crowd Expected; Game Time, 7:45; Probable Starting Lineup For Tonight Is Announced

By BERT MOYE

The Greenville Greenies will play the Tarboro Tars in the opening game of the Coastal Plain Baseball League when it opens at Guy Smith Stadium under the arcs tonight at 7:45 o'clock.

Indications at noon today were that a capacity crowd of fans will witness the opening game not only from this immediate territory but fans from other nearby cities.

From pre-season observations, it appears that Manager Bill Phebus has a promising aggregation of ball-players with which to start the season and one that will be in the top bracket when the curtain is brought down on the league season in early September. A look-in at Tarboro gives the impression that Manager Bill Hennons has a team that is going to be in the running.

Luis Arroyo, the little Cuban left-hander, who pitched a brilliant game against the University of North Carolina in a bitter cold night here last Saturday, has been chosen by Manager Bill Phebus to be on the mound for the Greenies when they take to the field against Tarboro tonight.

The probable starting lineup for tonight's opening game for the Greenies is as follows: Ray Phillips, centerfield; Emil Carter, second base; Bob Cohen, right field; Charles Jack Thrusch, first base; Tony Lastres, shortstop; Paul Simmons, catcher; and Luis Arroyo, the pitcher.

At the same time throughout the league we will find other opening games as follows: Kinston at New Bern; Wilson at Goldsboro; and Roanoke Rapids at Rocky Mount.

No announcement has come from Manager Bill Hennons of the Tars as to their starting lineup.

Pirates To Play ACC Saturday

Keen rivalry will be the theme of the day Saturday, when the East Carolina Teachers College Pirates invade the campus of Atlantic Christian College to give battle to the North State Conference leaders in a baseball scrap.

Undeatable in six tilts, the Bulldogs would like nothing better than to preserve their record at the expense of the Pirates and at the same time to regain possession of the Bohunk Trophy, an old wooden bucket that has passed between the two schools for years as a token of victory. The Bohunk has been secure at ECTC for more than a year, as the Pirates have not dropped an engagement to the Bulldogs since the latter part of 1946.

The Pirates, as well, could find no victory sweeter than a win over the pace-setting Bulldogs. With a conference record of one win, one tie, and three defeats, Coach Jim Johnson will probably start Pirate Ace Bob "Lefty" McCotter in an effort to hit the winning trail. McCotter, undefeated as a Pirate hurler last year, has two defeats and a tie charged against him this season; but in the 26 innings he has worked he has marked up an earned run average per game of 1.33, struck out 21, and issued only five walks.

In the first encounter between the two clubs last year, McCotter and ACC Ace J. D. Thorne hooked up in a brilliant mound duel, with McCotter getting a thrilling 1-0 decision. McCotter also took the second game 7-5.

New Circuit May Be In Operation

Reading, Pa., April 22—(AP)—A new baseball league will be in operation in Pennsylvania next year if approval is received from the National Association of Professional Baseball Leagues.

The circuit, to be known as the Keystone League with A B classification, was formed here last night. Tentative franchises were granted to Reading, Hazleton, Pottsville, Lebanon and Chester. Bethlehem also was offered a franchise.

Red Rookie ... by Pap

This spring, for the first time in his career in organized baseball, Virgil Stallcup could look forward to clear sailing. And the Red's rookie shortstop has made the most of his opportunity.

Stallcup was signed originally by the Boston Red Sox. He was still the property of Boston when he returned to baseball after 28 months in the Navy. With Roanoke of the Piedmont League Virgil was voted the League's most valuable player. He couldn't see where he had much of a future with the Red Sox as long as they had Johnny Pesky at shortstop. His worries on that score were unnecessary for the Cincinnati Reds

Life Of Another Boxer In Danger

Milwaukee, April 22—(AP)—Jackie Darthard, 19 year old middleweight boxer, who collapsed in the ring last night after a severe beating from Bert Lyell, was in critical condition in Milwaukee County Emergency Hospital today.

A physician at the hospital who asked anonymity said after the Kansas City boxer underwent a brain operation that "if he lives until mid-morning, his chances are good."

Hospital spokesmen said blood clots had been removed from the left side of the young fighter's head between the brain and brain tissues. They reported his condition "critical."

Darthard, who was confined to the operating room for about an hour, was operated upon by Dr. Harry Maxwell, Milwaukee brain specialist. He did not comment on the operation.

Darthard had been brought to the hospital unconscious after he was carried from the ring in a stretcher when he fell from his stool at the end of six rounds of his scheduled 10-round main event bout with Lyell.

Senators Upset Forecasters In Playing Yanks

Washington, April 22—(AP)—One series doesn't make a season, of course. But what the Washington Senators did to the New York Yankees shouldn't happen to a world champion.

The Senators beat the Yanks yesterday, 6-3, to win the opening series, two games to one.

This brings up two questions:

1. Are the Yanks a mite overconfident, and could it be that they may have trouble hitting their stride?
2. Are the Senators—advertised as weak in pitching, weaker in the infield, and weakest in the outfield—an underrated club?

It's too early to tell, but it's not too early to wonder.

For the Yanks, after getting away to a seven-run, season-opening inning, have been surprisingly mild. Sid Hudson threw a five-hitter at the Yanks Tuesday, and little Mickey Haefer followed this up with a competent nine-hitter yesterday.

Just to prove that the Yankees aren't completely out of Yankeeism, one of those nine hits was Joe DiMaggio's tremendous 440-foot smash into the centerfield bleachers.

But look at the other side of the picture.

The Senators got 30 hits in the three games. Among those hits were a four-run homer by Tom McBride and a three-run homer by Gil Coan.

If they keep on like they've started, here are a few Washington rookies to watch out for:

Al Kozar, second baseman, the pride of McKees Rock, Pa., has been to bat 13 times, got six hits, including a double and a triple. Hit .339 with New Orleans last year.

Gil Coan, left field, one of the fastest men in baseball. Has hit .333 against Yank pitching, including a double and a homer.

Locke Repeats In Winning Tourney

Southern Pines, April 22—(AP)—Bobby Locke of Johannesburg, South Africa, held title today to the Carolina Open golf championship, repeating where he started in this country last year.

The rudy-checked Afrikaner noosed out Budini's Johnny Palmer by a single stroke in the 36-hole final, posting a 71-69 for a 271 total over the 72-hole route.

Getting Along

Boston, April 22—(AP)—Connie Mack, 85-year-old manager of the Philadelphia Athletics, never thinks of age as far as he himself is concerned, but he's watching out for son Earle.

Connie is relieving the 55-year-old Earle of first base coaching duties and will keep him on the bench as an adviser.

"After all you must realize that the boy is getting up in years," Connie told sports writers.

So, henceforth the two Macks—father and son—will stay on the A's bench all the time while Utility Infielder Skeeter Webb does the chores on the first base line.

Georgie Abrams Hangs Up Gloves

Chicago, April 22—(AP)—Georgie Abrams, once ranked among the nation's top flight middleweights, today hung up his boxing gloves.

The decision of the 29 year old Washington, D. C., boxer to retire was announced by his manager, Chris Dundee, after Abrams suffered a tenth round technical knockout in the return of major boxing to Chicago rings last night, following the tragic death of Sam Baroudi, Akron, Ohio light heavyweight Feb. 20.

Abrams' conqueror was the rough, tough Estonian, Anton Raadik. He smothered Abrams' early attack and slowly sapped his speed with a terrific body bombardment. The result was a distinct upset since Abrams was rated a favorite, having beaten Raadik a year ago in the Chicago stadium.

Abrams, who began his professional ring career in Baltimore in 1937, has fought the best in the middleweight division. His opponents included Tony Zale, Marcel Cerdan, Billy Soose, Steve Belloise, Teddy Yarosz and Fred Apostoli.

In 1941 Abrams reached the height of his success when he defeated Soose for the third time and received recognition from the New York Athletic Commission as middleweight champion.

Kerr Suspended; Anxious To Get Back Into Lineup

New York, April 22—(AP)—Shortstop Buddy Kerr, under indefinite suspension, says he is anxious to return to the New York Giants' lineup but insists he won't do so until "I know I'm all right."

The infielder was suspended by Manager Mel Ott yesterday because, according to Ott, "he refused to play."

But Kerr said, "I went out to the Polo Grounds and told Mel that I wasn't feeling well and that the doctor advised me to take it easy for a couple of days."

The infielder said that Ott then ordered him to play, and he explained "I couldn't and Mel said, 'Okay, turn

Many Educators Will Meet Here

Dr. Ralph McDonald of Washington, D. C., executive secretary of the National Educational Association will be among the speakers at a two-day conference on teacher recruitment held at East Carolina Teachers College on Friday and Saturday of this week.

Dr. McDonald will make the main address on Saturday morning on the subject "What Has the Teaching Profession to Offer Prospective Teachers?"

The conference has been planned and organized by Dr. Howard J. McGinnis, director of the Bureau of Field Service at East Carolina Teachers College, and will be attended by educators in the eastern section of the state, including county and city superintendents, principals, teachers, members of boards of education and of Parent-Teacher organizations. Securing good teachers for the public schools and holding them in the profession will be the chief topics under consideration.

A series of round-table conferences, panel discussions, and addresses will make up the program. Leaders of discussion groups will be Dr. Clyde A. Erwin, state superintendent of public instruction; Dr. McGinnis; Dean Leo W. Jenkins of East Carolina; and Dr. J. L. Oppelt, director of student teaching and placement at the college here.

Others who will appear on the program include Dr. John D. Messick, president of East Carolina Teachers College; Phebe Emmons, teacher in the Washington, N. C.,

Six Automobiles Involved In Collisions Here

By CHESTER WALSH

Collisions involving half a dozen automobiles on the approach to the Bethel highway bridge during a heavy rain about 10:30 last night caused a traffic jam which required state highway patrolmen and Greenville police some time to clear. None of the drivers or occupants was injured. One car was badly wrecked and another was damaged.

Police Chief Buford Drum said the best information investigating officers could obtain was something like this: Frank T. Thompson's car ran out of gas and stalled just beyond the bridge. He left his lights on while he went to a service station for gas.

A car driven by Ed Sharpe, colored, in passing the parked car, collided with Ralph Garret, Jr.'s car and turned it over. Garret and Miss Doris Brown were shaken up but not injured. Both cars were damaged. Then a car driven by Alfonso Sharp, colored, collided with one of the cars. To complete the jigsaw highway accidents, a car driven by Wardell Fillingame, and going south, collided with one driven by George F. Boyd of Winterville.

Strangely enough, the parked car, waiting for gas, was not scratched. Police are continuing their investigation.

Lost Energy On US Relief Diet

New York, April 22—(AP)—A husky college student who lived for the past 10 days on a typical overseas food package was only one pound lighter today but "kind of tired."

The student, William Harrington, 25, of Dumont, N.J., yesterday ended an experiment during which he ate only from a food package designed for hungry Europeans.

The package included four pounds of wheat flour, two of ham and bacon, two of margarine, two of sugar, one of chocolate, three-fourths of a pound of coffee, a pound and a half of oatmeal, three-fourths of a pound of rice, and half a pound of cocoa.

The food package, according to SAFE (Save a Friend In Europe, Inc.), which sponsored the test, are designed to supplement European rations.

Harrington, who is over six feet tall and weighs 200 pounds, is a Manhattan College junior.

Phantoms Play Washington Here

Tomorrow night in Guy Smith Stadium at 7:45 the Greenville High School Phantoms will play host to their arch rivals, the Washington High School Pack.

In their last meeting the Pack scored three unearned runs to lick the G-Men 3-2 in an extra inning contest. In that game Glynn Perkins held the Washington outfit to one hit.

Hampered by a lack of experience Greenville has yet to win a game but are showing definite progress with each game. Washington has also been a weaker member of the conference this season.

The Green Men, who will play without the aid of Coach Farley who is laid up with a case of appendicitis, will probably start the following lineup: Hardee at first, Farley at second, Fye or Jordan at short, Allgood at the hot corner and Joyner, Joseph and Bland in the outer garden. Tanner will probably be behind the bat with Perkins or Fye on the mound. Should Perkins start, Fye will play short. Should Fye start, Perkins will be at first while Hardee handles the shortstop duties.

School Principals Meet At Chapel Hill

Chapel Hill, April 22—A summer conference for North Carolina school principals will be held at the University of North Carolina July 28-30, it was announced here today.

Plans for the sessions are being made by the newly elected officers of the North Carolina Principals Association and its planning committee.

O. E. Dowd of Greenville is president of the association; G. L. Edwards of Durham is vice-president and Miss Mildred Moneyhan of Chapel Hill is secretary.

Members of the Conference Planning Committee, who will meet in Chapel Hill May 9 with Prof. Guy B. Phillips to map the program, are N. G. Bryan of Graham, chairman; H. L. Hart of Apex and R. C. White of Rameaux.

It also was announced that the association's Legislative Committee will meet in Raleigh May 15. Members are E. N. Howell of Swannanoa, chairman; W. W. Hartsell of Kannapolis, and H. A. Helms of Raleigh.

Ship's Passengers In Communist Hands

Shanghai, April 20—(AP)—Sah Kuan-Jen, captain of the Chinese steamship Wanli reported today 1,234 of the ship's passengers are held by Chinese Communists. The ship last week ran aground off Communist-held Chongshan on the Shanghai peninsula. One aboard was an American.

The members of the Sophisticated Aces Social Club had their usual meeting Sunday at the home of Mr. Kinley Smith, 210 E. Second street.

The meeting was called to order by the president, Mr. Herbert Whichard then the roll was called by the secretary, Mr. Wilbert Williams, and then business was discussed.

A new member came into the club Sunday, Mr. James Hinton of Greenville.

Mr. Kinley Smith our host served hot spice tea and we were invited to the West End tea room for a buffet dinner which was enjoyed by everyone.

Meeting will be held again at the home of Mr. Joyner Savage, 210 E. Second street, April 25 all members are urged to be present.

American Reported Held By Communists

M-Sgt. Thomas J. Shaw (above) of Winnfield, La., is one of four U.S. Marine fliers reported held by Chinese Communists. They were forced down in a flight over North China, and are said to have been taken into custody by the Chinese Reds April 5. (AP Wirephoto).

Johnson Favors More School Aid

Raleigh, April 22—(AP)—A proposal that the state increase its school appropriations to \$85,000,000 was before the voters today.

State Treasurer Charles M. Johnson, a candidate for the Democratic nomination for governor, made the suggestion in a speech at Albemarle yesterday.

He said that sum is necessary to meet present-day educational demands. "This would undoubtedly assure realization of the salary program that teachers are promoting," he declared.

The state is spending \$58,955,274 on public schools this year.

Kerr Scott, another candidate for governor, told an audience at Jacksonville that the Democratic party is losing ground in rural areas because city-minded state officials have failed to give the farmer equal consideration in government.

"Unless the Democratic party is revitalized," he asserted, "There is real danger to its supremacy in the falling away of its rural constituents."

Former Governor J. M. Broughton, who seeks the Democratic senatorial nomination in opposition to Sen. William B. Umstead, issued a statement commending the North Carolina Dairy Products Association.

New Appeal For Saving On Food

Washington, April 22—(AP)—The government today dropped "meatless Tuesday"—remember it!—but in a new appeal for food conservation called upon people to observe a meatless day of their own choice.

The "meatless Tuesday" campaign was started last fall by a citizens food committee headed by soap manufacturer Charles Luckman.

The new conservation appeal was made by the Agriculture Department, the agency which took over the Luckman committee activities early this year.

The department said there still is need for food saving by both families and public eating places. Proper conservation can do much, it said, to check rising food prices, to help build new food reserves, and to make supplies available for hungry areas abroad.

To help families cooperate, the department is offering for free distribution 2,500,000 copies of a new cook book entitled "Money-saving Main Dishes." It contains 150 recipes which, the department said, point the way for saving perhaps a third in the family meat budget alone.

Advertising At All-Time Record

New York, April 22—(AP)—Advertising in American newspapers hit an all-time high of \$369,000,000 last year.

Richard W. Slocum of the Philadelphia Bulletin told the American Newspaper Publisher's Association yesterday that the 1947 figure exceeded by \$98,000,000 the previous mark set in 1946. The pre-war record of \$260,000,000 was set in 1929. Slocum is chairman of the ANPA Bureau of Advertising's Board of Governors.

The Washington Monument cost \$1,187,710.

N.Y. Cotton

New York, April 22—(AP)—Cotton futures opened 45 cents a bale higher to 35 cents lower. Noon prices were 95 cents to \$1.20 a bale lower than the previous close. May 38.65, July 37.82, October 33.68.
