Solons Drive For Larger Air Force

Air-Minded Senators Take Up Proposals For 70-Group Air Force; Plan Base U. S. Defense On Air Power Despite Administration's Opposition

Washington, April 23—(AP)—Air-minded senators pushed off on a drive today to build America's defenses around a 70-group Air Force despite stiff Administration opposition.

With Chairman Bridges (R-NH) at the controls, the potent Senate Appropriations Committee decided to speed by both a 66-group compromise and the combined draft-UMCT bill being written by the Senate Armed Services Committee.

"I'm for the 70-group plan," Bridges told a reporter in announcing that his committee will open hearings Monday on a measure to start the 70-group plan.

This is the \$3,198,000,000 money bill that passed the House last week by a 343 to 2 vote. Of the total \$322,000,000 was added at the last minute to expand the Air Force by 15 groups more than the Administration itself had proposed.

"We want to move as rapidly as possible," Bridges said. "We've got to hear the evidence from the experts but that should not take long."

Some senators thought Bridges' stress on speed indicated a conflict between him and Chairman Gurney (R-SD) of the armed services group.

But Gurney, who has been sympathetic to Secretary of Defense Forrestal's proposals, said it's not so. "That's all right with me," he told a reporter when informed of Bridges' announcement. Gurney also is a member of the appropriations committee.

"I will listen to all the evidence," he said. "It just depends upon what recommendations we get from the three branches of the armed services."

Bridges said Forrestal will be asked to lead off testimony before his committee.

By calling off the dogs, Bridges rapped out anew at the 70-group demands.

In a speech before the American Newspaper Publishers Association in New York last night he said the emphasis on air power "appears to be popular as an alternative to Universal Military Training and other aspects of a sound, long range program."

Cautioning that an imbalance of the defense system "would impair the usefulness of the whole military establishment," Forrestal added:

"To put it bluntly, the Navy and the Army are just as necessary to the national safety, now and for the foreseeable future, as the Air Force."

As for the 66-group compromise Forrestal offered to Gurney's committee earlier this week, President Truman insisted yesterday it represents no shift in strategy. The Chief Executive told his news conference the new plan was agreed upon by top defense officials and received his approval.

Gurney said he will try to dovetail some of the armed services committee with those of Bridges' group. The Gurney committee met behind closed doors again today to work on details of its overall defense bill.

Communist Army Is Moving South

Peiping, April 23—(AP)—Government sources said today Chinese Communist troops were pouring down from Manchuria in an effort to snip off the National salient in the northeast.

Three divisions were said to have crossed the Great Wall. The southern anchor of the Great Wall at Shanhaiwan was threatened by another Communist brigade. Shanhaiwan is an important rail center on the National supply line to Manchuria.

Disloyalty Is Rare

FBI Check On Federal Employees Discloses Only Few Possible Subversives; Why Checks Are Made; An Example; Working For Gov't Is Privilege, Not Right

Washington, April 23—(AP)—The government's drive to find disloyal federal employees isn't finding many.

More than 1,000,000 of the 1,800,000 government workers have been checked by the Federal Bureau of Investigation.

Less than 1,000 have needed further investigation (the rate is about 70 investigations out of every 100,000 checked).

And many of those who get a complete investigation are found loyal. Others quit their jobs before the investigation is finished.

The FBI decides whether to dig deeper into a worker's loyalty after checking his fingerprints and identity charts against its huge "subversive file," a subversive is defined as "having a tendency to overthrow, upset or destroy."

If a link is found between an employee and the subversive file an investigation starts.

Arab Ruler Asks Joint Action To Hold Palestine

Urges All Arab Nations Send Armies; Prepare For British Departure

Amman, Trans-Jordan, April 23—(AP)—King Abdullah urged all Arab nations to send their armies into Palestine to battle the Jews when the British give up their mandate May 15.

Trans-Jordan's monarch told reporters yesterday the Arab world must act against Zionism—the push for a Jewish homeland in the Holy Land—because "our peace and liberty are at stake."

"I call on all Arab countries," he said. "To join my army in a movement to Palestine to retain the Arab character of that country. x x x"

Abdullah's two-year-old kingdom is just east of Palestine. Some 10,000 of his soldiers—about two-thirds of his Arab Legion—now are in the Holy Land.

He said they will stick to their job of helping British security forces and not start military operations until the mandate ends.

"But they will and they are now in the process of training and preparing for that date," he added.

Abdullah saw Ahmad Sharrabi, Syrian defense minister. Tomorrow he will talk with Iraq's regent Abdul Ilah and the Iraqi chief of staff. Arab leaders here were calm about news of recent Jewish successes in the Palestine warfare. They said, "Wait until May 15."

In Cairo, reliable sources said yesterday as many as 50,000 men from the regular armies of six countries will move into Palestine from three directions May 16 unless United Nations action meanwhile changes the situation.

These soldiers, the informants said, will strike north from Egypt and Saudi Arabia, west from Iraq and Trans-Jordan and south from Syria and Lebanon. They will consist either of regular army units or of army regulars released for Palestine duty.

The sources said Arab leaders are convinced they have underestimated Jewish power and that the Arab volunteer army now in Palestine will not be enough to withstand it.

Bernarr MacFadden Takes A Wife Today

Miami Beach, Fla., April 23—(AP)—Bernarr MacFadden, 79-year-old millionaire physical culturist, takes his third bride today—a 42-year-old grandmother.

MacFadden and Mrs. Jonnie Lee arranged to be married in the community church here at a conventional ceremony performed by the Rev. John Yenches.

Americas Condemn Red Ism In New Resolution

Bogota, Colombia, April 23—(AP)—The Pan American conference unanimously adopted a resolution last night condemning international communism and other forms of totalitarianism.

The resolution recommends that each of the 21 participating nations adopt measures to combat communism.

It was a revised version of a resolution.

Must Hold Line On Inflation Is Official's View

New Orleans, April 23—(AP)—America must hold the line on the inflation front or "endanger not only our private enterprise system but Democratic government in this country as well, undersecretary of the treasury A. L. M. Wiggins said here today.

He spoke at the annual meeting of the American Cotton Manufacturers Association.

Inflation can be kept under control, he said, "provided there is proper restraint on the part of business, of finance, of labor and of government."

Basically, he said, the United States is in a better financial condition now than it was after World War I, and there is little likelihood of a price drop similar to that which occurred between May 1920 and June 1921.

Another report of early transplanting of tobacco came from J. R. Gladson, Chicago farmer, who set out three acres last Friday. Transplanting will get into full swing when the weather warms up.

Gasoline Blast Imperils Town

Flames and smoke erupt in a spectacular mushroom column in an explosion of 10,000 gallons of gasoline at Tolleson, Ariz. The blast spread fire far and wide, and the whole town was threatened for awhile. Twenty-eight persons suffered minor burns. An oil plant, a grocery, and a service station were destroyed. (AP Wirephoto).

See Showdown On Condon Issue

Lawmaker Gives Truman 48 Hours Produce FBI Report

Washington, April 23—(AP)—President Truman's try-and-get-it challenge ran into a congressional threat today to "get tough" over demands for an FBI loyalty report on Dr. Edward W. Condon.

Rep. J. Parnell Thomas (R-NJ) said there will be a showdown if the administration fails to produce the document within 48 hours.

The chairman of the House Un-American Activities committee said that should be a reasonable time for an answer to the house resolution directing the Secretary of Commerce to turn over the letter.

Condon is director of the Federal Bureau of Standards, which handles research on some of the government's top military secrets.

"We are going to be tough in this matter," Thomas told reporters. "There is going to be a showdown."

But when and how was something else again.

The House adopted the resolution yesterday 300 to 29.

At his news conference later, Mr. Truman gave no sign that he would let the FBI letter go to Congress.

In response to a question he referred reporters to what he said President Thomas Jefferson had had to say about a decision by Chief Justice John Marshall.

Mr. Truman said Jefferson had said: "The Chief Justice has made the decision, now let him enforce it."

Later White House Press Secretary Charles G. Ross said the President had meant to attribute the remark to Andrew Jackson, not Jefferson.

lution offered Wednesday by the United States, Peru, Chile and Brazil. Some delegates said the adopted resolution was stronger than the original.

It adopted, it condemns international communism and the methods of violence it employs.

Dardo Regules of Uruguay said: "We combat communism as a regime of violence, but not as the doctrine of a political party. We closed the door to communist violence."

The conference—driving for adjournment April 30—also voted yesterday to create a permanent commission to study a plan for the peaceful abolition of foreign colonies and occupied territories in the Western Hemisphere.

Argentina, Chile and Guatemala have made territorial claims against Britain.

British Stress Determination To End Mandate

Urge UN Adopt Emergency Measures To Stop Open Warfare In Palestine

Lake Success, April 23—(AP)—Britain urged the United Nations today to adopt emergency measures that would stop open warfare in Palestine.

Arthur Creech-Jones, colonial secretary, told the special Palestine assembly's 58-nation political committee that there was no time now to try to reach a permanent solution to the Holy Land problem.

He repeated that Britain was giving up her mandate rule May 15 and Palestine then would be without a government unless the U.N. acts.

Creech-Jones said that Britain would cooperate to the fullest of her ability in carrying out any stop-gap measure, subject only to the fixed date of Aug. 1 for final withdrawal of British troops.

The United States has abandoned plans to call for a special police force to augment a Palestine truce commission, informed sources said today.

The American delegation was said to be prepared, however, to press for Security Council creation of a United Nations truce commission.

This on-the-spot group, probably with five members, would be charged with enforcing the council's week-old cease-fire order which has been ignored by the Jews and Arabs.

The plan for a police-augmented truce commission has been under serious consideration in the American delegation since it became apparent that the Jews and Arabs would not adhere to the cease-fire directive.

Informants said the new step represented no change in Warren R. Austin's offer of American troops for Palestine duty provided that other UN-selected nations would do likewise. At that time Austin stipulated that those troops would be for the period of truce-trusteeship, presumably remaining until order was established and a government functioning.

The American proposal for trusteeship in the embattled Holy Land was making little headway. It drew no support yesterday in the special assembly's 58-nation political committee. Australia moved formally that the UN stick to partition.

The American proposal for trusteeship in the embattled Holy Land was making little headway. It drew no support yesterday in the special assembly's 58-nation political committee. Australia moved formally that the UN stick to partition.

Air Medals For Members State Civil Air Patrol

Charlotte, April 23—(AP)—Air medals will be presented tonight to 74 pilots of the North Carolina civil air patrol who in wartime flew 60 or more hours on anti-submarine patrol.

Brig. Gen. John P. McConnell of Washington, plans and training officer of the U. S. air force headquarters, will present the medals. Major Norman Young of Charlotte, North Carolina wing information officer, will be toastmaster at the dinner.

Relatives will accept medals awarded three pilots of this wing who lost their lives in service.

Hunt Suspect In Carnival Attack

Lenoir, N.C., April 23—(AP)—W. E. Taylor, 35, was found in a dying condition at a carnival on Lenoir's outskirts this morning. Dr. Shelton Fowler said the man had suffered a skull fracture and a gash on the head.

Lenoir police issued an alarm over police networks for a man known only as "Pee Wee." They said he was widely known in carnival circles. They described "Pee Wee" as a five-foot five-inch man with bushy black hair, with a scarred face. They said he has a wife and child in Columbia, S.C., and might have headed for Spartanburg, Greenville or Jonesville.

State Studying Bid On Gasoline

Raleigh, N. C., April 23—(AP)—The state division of purchase and contract will have to pay 19.75 cents a gallon if it accepts yesterday's lone bid on 20,000,000 gallons of gasoline.

The fuel would supply the state's needs for a year, beginning May 1. Esso Standard Oil Company, which holds the present contract, was the only bidder. The state is paying 17.25 cents a gallon under the present contract.

Grant New Trial With Affidavits

Kinston, N. C., April 23—(AP)—A new trial has been granted Lemuel Parrott, 28, under sentence of death.

Superior Judge John J. Burney granted the new trial after receiving affidavits that a key witness was not at the scene when Kenneth Taylor, Kinston bakery worker, was slain and robbed.

The State Bureau of Investigation presented two statements purportedly signed by Sam Thompson of Goldsboro. The statements said Thompson spent January 31—the fatal date—in North Wilkesboro and Winston-Salem.

Further Penalties Against Lewis, UMW, Are Postponed

Woman Accused Of Selling Babies

Mrs. Marie Chaplin (right), 51, looks at one of several babies which Los Angeles police say were sold by her and another woman after their birth to unmarried mothers. The suspects were booked on suspicion of buying and selling babies. Holding the infant is Rose Galeoto of the district attorney's office. (AP Wirephoto).

Mobilization Study Given To Congress

Taft Questions Stassen Claims Points To Own "Liberalism" In Ohio Campaign Address

Cleveland, April 23—(AP)—Sen. Robert A. Taft and Harold E. Stassen opened another round today in their campaign for Ohio presidential support.

Stassen, seeking 33 of the state's 53 delegates to the Republican National convention, planned talks in the industrial centers of Akron and Canton.

Taft, halting his state tour for the time being, was to return to Cleveland for conferences and two radio appearances.

Both candidates, eyeing the state's May 4 primary, have spent the past two days campaigning in Ohio.

In an address before approximately 750 in Steubenville last night, the Ohio senator again referred to Stassen's contention that he is more liberal than Taft.

"I've been interested to learn that Stassen considers himself more liberal than I am," Taft said. He then asked Stassen to state his position on socialism, medicine, federal aid in education and "certain public housing in slum clearance measures."

Asserting that Sen. McCarthy (R-Wis.) had "delayed" public housing, Taft asked:

"Are these groups supporting McCarthy also supporting Taft? Does Stassen have any better plan?"

Jewish Militia Captures Two More Arab Villages

Jerusalem, April 23—(AP)—Jewish militia units occupied two more Arab villages in the rocky Judean hills today, Jewish sources reported.

Jews said their Haganah troops moved into Shufat, on the Jerusalem-Ramallah road, and Beit Iksa, between that highway and the Jerusalem-Tel Aviv highway.

Beit Iksa is one of three Arab villages the Jews attacked during morning operations. The others were Biddu and Nebi Samuel, also in a strategic area of the Judean hills.

Haifa, where the Jewish militia Haganah defeated the Arabs yesterday, was reported quiet overnight. Only sporadic firing was heard today. Life in the Mediterranean port city gradually was returning to normal.

Girl Accused Of Murdering Baby

Charlotte, N.C., April 23—(AP)—A girl just out of high school who police said gave birth to a son in the bathroom of her home here has been charged with stabbing the infant to death.

Police Chief Frank N. Littlejohn said a murder warrant was taken last night against 18-year-old Barbara Ann Deming. She is in a hospital.

FINAL REQUEST
London, April 23—(AP)—William Ayling's funeral procession stopped at a country pub yesterday and the mourners piled in for a round of beers.

One of his last wishes was that they should have a final snicker—on a hat's breath of conquering Europe.

Judge Goldsborough Accepts Government Recommendation That Civil Contempt Sentence Be Put Off Indefinitely; Soft Coal Miners Back In Pits

Washington, April 23—(AP)—Judge T. Alan Goldsborough today postponed indefinitely any further contempt penalty against John L. Lewis and the United Mine Workers union.

Goldsborough accepted a government recommendation that he impose no further punishment at this time.

Assistant Attorney General Graham Morrison said no useful purpose could be accomplished by new fines against Lewis and the union now.

Morrison told Goldsborough that 85 percent or more of the soft coal miners have returned to work.

Therefore, he said he moved that a civil contempt sentence be put off "indefinitely." The judge agreed.

Morrison said "the government is quite happy" over the back-to-work movement in the coal fields.

The government attorney indicated that the Justice Department might renew its contempt charge if there is a resumption of the walk-out.

Goldsborough has issued an injunction under the Taft-Hartley Labor Act. This injunction, or court order, forbids continuance or renewal of the strike on grounds it would threaten the national health and safety.

Pittsburgh, April 23—(AP)—Soft coal miners received warmly today word that a civil contempt sentence against their union and John L. Lewis had been postponed.

"That makes everybody feel good," said Frank Hughes, president of United Mine workers district 3 at Greensburg, Pa.

Michael Honus, district 4 secretary-treasurer in the Uniontown coal and coke region, commented: "I think it was a wise decision because I don't believe John L. Lewis was guilty. All of our men are working now. This should end it."

James Phillips, recording secretary of a mine local at Muse, Pa., which was one of the first to quit work in the pension drive and among the last to return, commented:

"Good. That's fine." Virtually all of the 400,000 bituminous UMW miners were back, except in cases where there was no immediate work. The Western Pennsylvania Coal Operators Association, representing some of the biggest producers, expected 95 percent production today.

Expresses Hope Cooperation Will Bring Prosperity

Washington, April 23—(AP)—President Truman expressed hope today that European cooperation with American assistance will bring prosperity and "increasing hope of peace."

In a message made public by the White House, the President told Prince Charles of Belgium:

"Your visit to this country emphasized the particularly close ties which bind together our two nations."

"I send my hearty good wishes for the continued peace and prosperity of Belgium and my hope that European cooperation with American assistance will be effective in bringing prosperity and increasing hope of peace to the other cooperating countries."

Strength Of The West

W. Averell Harriman Says Russian Strength Overemphasized And Weakness Of West Europe Emphasized; Regards Communism As Greater Menace Than Hitler

By DeWITT MacKENZIE

William Averell Harriman, newly appointed roving Ambassador under the European recovery program, says there has been overemphasis on Russian strength and western European weakness.

The former American Ambassador to Moscow, who recently told a Congressional committee that the Soviet Union is a "greater menace than Hitler was," holds that if the U. S. A. can get Europe back on its feet, there will be no need to fear pressures from the East. He is confident the Marshall plan will succeed.

The belief that a strong western Europe will be a bulwark against Communist aggression is, of course, the basis of the Marshall plan. And there certainly is much to encourage the hope of success—notably the smashing defeat of the bolsheviks in the Italian National elections.

However, we shall make a terrible mistake if we let optimism loosen our fears of bolshevism. As Mr. Harriman has truly observed, it's a "greater menace than Hitler was." And the Nazi dictator was within a hat's breath of conquering Europe.

40 Years Ago Today

THE DAILY REFLECTOR

Transplanting tobacco is the order of the day now and it has been right much of a job as it had to be watered.

Corn is coming up nicely, cotton is coming up some, that is some of the first that was planted, but there has not been very much planted yet in this section.

Incidental to the work of digging the Panama Canal the engineers are preparing to pick up a village that was so unfortunate as to establish itself in the path of progress.

He Elks, Mary Louise Knox, Donald Hatchel, Lucy Pearl Keel, Jimmy Morris, Horace Scott, Dalton Williams, Ellis Conney, Joyce Mayo, Charity Harrel, Robert Briley. During the short business session which followed the nominating committee presented these nominations for P. T. A. officers for next year: President, Mrs. C. G. Garren-ton; vice president, Mrs. Dennis Hardy; secretary-treasurer, Mrs. O. M. Burton.

The president asked everyone to adjourn to the lunch room, where a social hour with punch, nuts and sandwiches were enjoyed.

Wesley Philathea Class The Wesley Philathea class of the Methodist Church meets Monday night at 8 o'clock with Mrs. Hill Horne. Assisting hostesses will be Mesdames W. C. Vincent, E. L. Willard, T. A. Person and Miss Sally Cowell.

Roman soldiers took part of their pay in salt.

SOCIAL CALENDAR

THURSDAY

7:00 p. m.—Regular meeting of Greenville Shrine club at Airport Inn.

8:00 p. m.—Lydia Wooten class of the Methodist Church meets at the home of Mrs. Nannie Brown.

8:30 p. m.—Greenville Woman's Club High School speaking contest and United Nations panel.

FRIDAY

6:30 p. m.—Kiwanis Club.

6:30 p. m.—Covered dish supper and mission study at Eighth Street Christian Church.

SATURDAY

8:15 p. m.—Sons Soud Book Club meets at the home of Mrs. J. B. James. Mrs. W. I. Wooten, Mrs. J. H. Blount and Mrs. J. T. Cheatham, co-hostesses.

Fashion and Melody Revue

Thursday, April 23, 1948 at 8 p. m. To be held at the Austin Auditorium—R. C. T. C. For benefit of Community Recreation Center Fund.

Sponsored by Business and Professional Club of Greenville. Costumes and Model by the Diana Shops. Admission 50c.

Training School P. T. A.

The Training School P. T. A. met Wednesday evening at 8 o'clock in the Training school auditorium. The meeting was opened with the singing of "America." The Lord's Prayer was repeated in unison.

Mrs. Parkinson, the president, read the poem "Ten Commandments For Parents." Mrs. Hunter Irving gave the secretary's report.

Miss Ann Redwine, who was a guest speaker on the program of the State P. T. A. Convention, held in Raleigh last week, gave a splendid report on the convention.

Miss Christine Johnston presented the slate of officers: President, Mrs. R. P. Rogers; vice president, Mrs. James Jenkins; secretary, Mrs. Royce Hunsucker; treasurer, Mrs. Robert Lang; corresponding secretary, Mrs. Lee Folger.

Mrs. Parkinson introduced Dr. J. D. Messick, speaker of the evening, who spoke on "New Trends in Education."

At the close of the meeting the Hospitality committee served punch and cookies from a lovely appointed table. Those serving were Mrs. M. P. Hoot, Mrs. Howard Moye, Mrs. Arthur Tripp and Mrs. Tom Henderson.

Fire-side Club Meets

Tuesday evening at 8 o'clock the Fire-side Club of the Eighth Street Christian Church met in the home of Mr. and Mrs. Ty Wagner.

The president, Mrs. Plato Evans, presided. The minutes of last meeting were read by the secretary, Mrs. Guy Forrest. Mrs. Evans gave an interesting review of the program given during the year and pointed out just how they tie in with the family life. She stressed that the members strive to live Christian lives each day in order that the child may have a good foundation.

Dr. Haney gave a few very good remarks about the approaching family week in May, closing with prayer. A very interesting and entertaining program followed.

Mrs. Knox sang, "Home-coming," assisted at the piano by Mrs. Spruill Spain. Then came a most inspiring talk by Mrs. Bloxton. She spoke on "The Christian Home."

Mrs. Bloxton is head of the Economics Department at E. C. T. C. During the social hour that followed Mr. Wagner directed several games that were enjoyed by all. Delicious refreshments were served by the host and hostess, assisted by Mr. and Mrs. John Adams, Mr. and Mrs. David Evans and Mr. and Mrs. Plato Evans.

Twenty-One Pitt Students Taking Part In Wake Forest Activities

Wake Forest, April 23—The twenty-one students from Pitt County at Wake Forest College are contributing much to campus life and are taking an active part in the college's wide and varied extra-curricular program.

Eleven of these students hail from Greenville. They are David M. Clark, James W. Lee, and Beverly M. Nelson, freshmen; Marcel B. Humber, sophomore; William D. Keck and Thomas E. Langley, juniors; John S. Hardaway, senior; Meredith E. Cavendish, William E. Craft and William G. Smith, first year law students, and Harold H. Reddick, unclassified. From Farmville are Charles C. Davis, freshman, and Janie Lee Kemp, Milton C. Williamson, John R. Willis, and Thomas W. Willis, juniors.

Jesse I. Haddock, freshman, and William R. Cox and Joseph T. Liverman, juniors, are from Winterville; Guy K. Eagles, senior, is from Fountain, and Benjamin F. Strickland, junior, is from Bell Arthur.

Clark, Cox, Davis, Hardaway, Keck, Langley, and Liverman all made the honor roll for the past semester. Clark is also vice president of the freshman class, is a member of the Methodist Student Fellowship, religious organization, and is on the sports staff of Old Gold and Black, college weekly newspaper. Davis is a member of the Oulom Ministerial Conference, prominent religious organization. Hardaway is an associate editor of The Howler, college yearbook, is a member of Phi Beta Kappa, highest national scholastic fraternity, and is a member of Sigma Phi Epsilon, social fraternity. Humber is in the Little Symphony Orchestra, and Liverman is a member of Lambda Pi, new honorary biological fraternity.

Miss Kemp is a member of the Philomathean Society, well known literary and debating organization over 100 years old, and is a member of the Christian Service Group, religious organization. Nelson is also a member of the Christian Service Group, is a reporter for the Religious Education Club, and is the group captain of the Howard Union, a branch organization of Baptist Training Union, a religious organization.

Reddick is vice president of the Pan Hellenic Council, governing body of all social fraternities, is on the rules committee and is the Kappa Sigma social fraternity representative to the Council. Smith made the Scholastic Honors List of the Law School during the past semester.

Cavendish, Cox, Craft, Eagles, Haddock, Hardaway, Keck, Langley, Smith and Willis are all veterans. Hardaway, Humber, Keck, Langley, Liverman, Williamson and Willis are planning careers in medicine; Cavendish, Clark, Craft and Smith, in law; Haddock and Strickland, in business; Davis, in the ministry; Eagles, in dentistry and Cox, in manufacturing. Miss Kemp is planning to become an educational director; Reddick, a salesman; Willis, a city manager, and Lee is taking the regular course leading to a Bachelor's Degree.

Most Wake Forest graduates have entered the fields of law, ministry, medicine, teaching and journalism, although a good many have gone into business, dentistry, and engineering.

The present enrollment of Wake Forest, the oldest and largest Baptist college in the United States, is a record-breaking 2,000 students, of whom approximately 200 are enrolled in Wake Forest's Bowman Gray School of Medicine in Winston-Salem.

Blaze Threatens Wilson Hospital

Wilson, N.C., April 22—(AP)—Firemen yesterday succeeded in halting a fire which threatened for a while to destroy Mercy Hospital here.

Patients of the Negro institution were brought out on hospital porches in preparation for a hasty evacuation as the firemen fought the blaze which started in the basement and crept upward through walls of the building. None of the patients was injured.

There are about 39,138,000 households in the United States.

World's Smallest HEARING AID

The most exciting announcement ever made to the hard-of-hearing was made a few weeks ago by the Beltone Hearing Aid Company, when they announced the world's smallest hearing aid. After years of research, an entirely new concept for hearing aids that means new joy, new comfort, better hearing, completely new and radically different with the magic silver circuit, trouble free, tamper-proof and moisture proof.

The amazing new M-2 receiver, hardly visible in the ear, and yet with 2 to 6 times more power (controlled sound pressure) has increased the performance of the new Beltone, saves batteries because the aid operates on less volume.

The new smaller X-Cell battery, another post-war development, keeps full strength, steady power through 50 hours of use, ends nuisance of daily change and rotation, lengthens life of aid and is far more economical.

Improved marvelous plug-in tubes, invented and patented by Beltone, can be changed instantly by your Beltone Consultant. This eliminates the need for buying a new hearing aid if your hearing changes in the course of time.

The Raleigh Beltone Dealers, Raleigh Hearing Aid Company, Odd Fellows Bldg., Raleigh, N. C., are so proud of this achievement they will gladly send free descriptive booklet and explain how you may get a full demonstration of this remarkable hearing device in your own home without risking a penny. Write Raleigh Hearing Aid Company today. —Adv.

Birth Announcement

Mr. and Mrs. C. E. Carawan announce the birth of a daughter at Pitt General hospital, April 18. Miss Carawan was formerly Miss Ruth Lorang, of Providence, R. I.

Hostesses to T. E. L. Class

Mrs. E. K. Fisher and Mrs. H. R. Goodall were joint hostesses to the T. E. L. class April 20th, at 8 o'clock in the home of Mrs. Goodall. The class was well represented with an attendance of 14.

Mrs. Frank Brooks president of the class requested Mrs. R. E. Hardaway to open the meeting with a prayer. This was followed by a very inspirational devotional given by Mrs. Nan Moore. She chose her thoughts from the 91st Psalm.

After routine business was discussed the guests enjoyed several piano selections given by Mrs. N. O. Howard.

The hostesses served an ice course with cookies.

NEW DRESS—Actress Joan Fontaine wears a cocoa brown shantung jacket dress and flowered hat of brown straw.

Blaze Threatens Wilson Hospital

Wilson, N.C., April 22—(AP)—Firemen yesterday succeeded in halting a fire which threatened for a while to destroy Mercy Hospital here.

Patients of the Negro institution were brought out on hospital porches in preparation for a hasty evacuation as the firemen fought the blaze which started in the basement and crept upward through walls of the building. None of the patients was injured.

Brother And Sister Given Prison Terms For Larceny \$600

By CHESTER WALSH

In Superior Court Thursday Judge Henry L. Stevens of Warsaw sentenced Ida Wilkes, Negro, and her brother, William Holloway, to three to five years in State Prison after the woman pleaded guilty to larceny of about \$600 from William Barrett, 77-year-old Negro, while visiting him in his home a week ago.

Testimony was that Ida Wilkes and her brother visited the approaching octogenarian at his cabin, that the woman assisted him in changing clothes, that he put his wallet with the \$600 in it under the pillow of his cot, and that after they left the money was gone.

A silver dollar with unusual markings on it found on the woman led to the arrest of the couple.

After several days, Holloway accompanied police to his chicken yard in Ayden and dug up \$480 of the loot. The court suspended Holloway's sentence, placed him on probation and ordered him to pay into court \$136 of the missing money. Barrett's life savings are now in a bank on court order.

Walkout Costly For Coal-Users

Washington, April 23—(AP)—The United Mine Workers' pension walk-out cost the nation at least 25,490,000 tons of bituminous coal, a check of production figures showed today. That is about four weeks' supply.

The National Coal Association reported that bituminous production last week was 7,110,000 tons. Production the previous week was only 2,325,000 tons. In the corresponding week of 1947 it was 12,823,000.

The rose apple tree has fruit that tastes like peaches.

Studies Indicate Polio Spreads By Personal Contact Say Investigators

Police Step Up Investigation In Reuther Attack

Detroit, April 23—(AP)—An intensive police probe into the attempted killing of Walter Reuther was stepped up today with the continued questioning of an admitted Communist.

The 52-year-old Negro foundry worker was reported by an unidentified fellow employee at a Ford Motor Company plant to have said he knew who fired the shot that shattered the arm of the CIO United Auto Workers president Tuesday night.

Prosecutor James N. McNally identified the man as Nelson Davis and said he had signed a formal statement that he was a member of the Communist party.

He emphasized, however, that no charge has been placed against Davis. There is conclusive evidence that he was on the job when Reuther was attacked, McNally added.

Davis was taken to police headquarters yesterday along with three other UAW members. McNally informed his attorney Davis would be held without charge for further questioning today "by court order if necessary."

The others, Sheldon Tappes, 37, former secretary of Ford local 600, Percy Llewellyn, ex-president of the local, and Wilfred Grant, left the station after questioning by police officers.

Prosecutor McNally said he had talked to the tipster who gave police news of Davis, and had received "some valuable information. The informant's identity remained a closely-guarded police secret."

"He is the father of six children and leading a respectable life," the prosecutor added. "His name will not be disclosed."

Police Break Up Picket Line And Raid Union Hall

Kansas City, Mo., April 23—(AP)—Police, under orders to "get tough" in the Packing House strike, clashed with CIO strikers in front of the Cudahy & Co. plant today and then cleaned out a union headquarters.

Seventy police, swinging clubs, appeared at the plant, and scattered pickets.

Capt. Elt Dahlin, then parked a safety car in front of the headquarters of the U. P. W. A. local No. 10 and prepared to address the strikers inside the hall.

A battle ensued after someone had grabbed Dahlin and started pushing him around. The police then rushed the strikers and cleared the Union headquarters.

New Attempt By Government To End Meat Strike

Chicago, April 23—(AP)—The government has made a new attempt to end the 39-day old nationwide meat strike.

Representatives of the striking CIO Packing House Workers and the four major packers have been invited to Washington next week for fresh wage negotiations.

The Union has accepted the bid of Cyrus S. Ching, director of the Federal mediation and conciliation service, to meet with the packers. The first session was planned with Armour and Co. on Monday.

About 100,000 members of the Union struck on March 16 in support of demands for wage hikes of 29 cents. The packers had offered nine cents.

SIGN ALLIANCE

Prague, April 23—(AP)—Czechoslovakia and Bulgaria signed a 20-year treaty of military alliance today, pledging each other help if Germany, "or any nations connected with her," attacks either one.

LET'S VOTE FOR AND RE-ELECT To The STATE SENATE Arthur B. Corey

His record shows that he has served his terms well; his experience will count for all of the people of the county and state.

VOTE FOR HIM

Chicago, April 23—(AP)—Person to person transfer of the virus is the most likely cause for spread of infantile paralysis, three medical investigators reported today after a five year study.

However, they added this evidence was reached merely through the elimination of other factors. They declined to flatly rule out all non-human factors, saying:

"Observations have emphasized for years that outbreaks of poliomyelitis are correlated with seasonal influences, such as rainfall, temperature and prevalence of insects and animals."

Their investigations of possible transmitting agents covered mice, rats, muskrats, chickens, cows, hogs, horses, cats, sewage, water, milk and insects of many species.

"The possibility that some insect plays a role in the transmission remains the most likely of all non-human prospects," they said in their report, published in the Journal of the American Medical Association.

The investigators, all from the University of Michigan are Drs. Thomas Francis, Jr., Gordon C. Brown and Lawrence R. Penner.

Hints Action On Air Corridor To Berlin Airports

Berlin, April 23—(AP)—A Russian air force general said today he believes measures will be taken soon to "assure the safety of Soviet planes and protect Soviet fliers" over Russian zone air corridors used by the United States, Britain and France.

Gen. Alexandrov made the prediction after ridiculing Britain's investigation of the collision April 8 of a British transport and a Russian fighter plane. He again accused the British of tampering with the wreckage—charges the British have denied.

Alexandrov spoke at a three-hour news conference. It was one of the few times Russian officials have met the Western press since the occupation began.

Surprise Ride In Trunk Of Auto

Everett, Mass., April 23—(AP)—Eugene O'Connell, 7, and his sister, Margaret, 10, climbed into the trunk of Harold W. Flyer's car, parked outside their Wilmington home yesterday. The trunk lock snapped.

They were taken for an unexpected 20-mile ride before Flyer discovered their plight. They were released uninjured—but plenty frightened.

The Spanish conquistador Narvaez overawed several thousand Indians in Cuba simply by appearing on his horse.

JEWISH PRISONERS GUARDED—Four Jewish prisoners (center) are marched to headquarters of Fawzi Bey Al Kaukji, Arab leader, after their capture in northern Palestine. Arabs said the Jews were wearing Arab dress and would be tried as spies.

Melody Revue And Fashion Show Next Thursday Night

The Greenville Business and Professional Women's Club will present a "fashion and melody revue" at Austin auditorium at the college Thursday night, April 29, for the benefit of the proposed Greenville Community recreational center.

The business and professional women have pledged to donate \$1,000 toward the fund. The proceeds of the melody revue and fashion show will be turned over to the community center fund. A small admission fee will be charged. The public is invited.

The Diana Shop will put on the fashion show, featuring fashions for adults and children. The show starts at 8 p.m. Music, dance specialties, instrumental selections and songs are on the program.

Mrs. J. B. Spilman is president of the Business and Professional Women's Club.

Treasury To Cut Bill Production

Washington, April 23—(AP)—The Treasury apparently hopes to save money next year by making less money.

The department ordered 99 fewer tons of paper for its 1949 money-printing job than the 1,503 tons or-

UAW Is Without New Wage Offer

Detroit, April 23—(AP)—The CIO's United Auto Workers, like its Steelworkers, were without a wage offer today.

A six-cent hourly boost proposed to the UAW last week by Chrysler Corp. was withdrawn yesterday as Chrysler and Union negotiators sought to head off a threatened strike.

The action was taken only a few hours after the U. S. Steel Corp. rejected the Steelworkers' demands for any kind of wage increase.

It is estimated that the average U.S. industrial worker had twice as much free time for recreation in 1940 than in 1890.

Mobilization . . .

Strength FOR THE DAY

TRUE MEASURE OF ALL
Is money a measure of anything?
It certainly is—it is a measure of
achievement. It is not, however, a
measure of success. If a man steals
a million dollars, that million dollars
measures his achievement as a thief.
It needs scarcely to be said,
however, that it does not measure
success. In other words, money
measures certain things that admit
of quantitative measurement, but it
never measures the quality of any-
thing.

A man dies and leaves a large fortune.
This measures the achievement
of his efforts. It is an open
question, however, whether the man
was successful or not. If people
hated him while he lived and re-
joiced when he died, he was not
successful. If he held on to his
money and grumbled every time
anyone solicited him for a contribu-
tion, he was not successful. If his
family went to pieces and his
children grew up despising him, he
was not successful. If he gained
the whole world and lost his soul, he
was not successful.

Success has to do with the quality
of one's life, and this cannot
be measured by money or by any
other material thing. Earthly standards
measure only earthly things, and
the trouble is that the things they
measure are really not worth measuring.

WASHINGTON LETTER

By JANE RAPS

Washington—If the United States
is to meet its pledges for food ship-
ments abroad, Americans must eat
more vegetables and cut down on
their cereal consumption. That's
what the U. S. Department of agri-
culture says. In order to produce
enough vegetables to carry out this
program, the department urges citi-
zens everywhere to dig in and plant
home gardens as they did during the
war years.

It estimates that 20,000,000 gardens
should be planted this year to meet
the need. Clinton P. Anderson, sec-
retary of agriculture, says that al-
though the individual gardener may
consider his contribution small, the
total of all gardens can be "tremend-
ously significant" in adding to our
domestic food supply.

Progress in nutrition in this coun-
try is largely due, experts say, to
three programs which have been
sponsored by the Department of Ag-
riculture. These programs are:

1. The school lunch project, through which children have learned to eat a variety of foods which contribute to an adequate diet and have passed the nutrition education on to other members of their families.
2. The bread and flour enrichment program, which was instituted as a war measure, but which now is in everyday practice in nearly all states.
3. The home garden and food processing program, through which many persons have learned the place of fresh and processed fruits and vegetables in the diet.

The Department of Agriculture
says that during peak garden peri-
ods, 42 per cent of all fresh vegeta-
bles consumed in the United States
came from victory gardens. It is es-
timated that 6,620,000 tons of vegeta-
bles were grown during the war
years. Estimating the value per
pound at seven cents the value of
this food totaled \$228,000,000.

Charles Brannan, assistant sec-
retary of agriculture, in discussing the
garden program, says:

"Our task of helping to provide
enough food—at the right place—
and at the right time—is too big to
be done by any small group. Every
American must contribute. For those
of us who can grow a garden, there
is no better or more important way."

Coal Walkout In France Is Ended
Lille, France, April 23—(AP)—The
French news agency said today nearly
all the 130,000 miners who struck
yesterday in France's northern coal
fields are back at work.
The walkout was in protest against
alleged lack of safety devices in the
mines.

Salt may be obtained by three
methods: evaporation of sea water;
evaporation of brine spring water,
and by mining rock salt.

Boyle's Column

By HAL BOYLE

New York—(AP)—Wes Gallagher
lives in what he calls "the world's
biggest air-conditioned prison."
The prison is Berlin, Germany.
Gallagher believes that today is
the keystone of American prestige
in Europe and that the Russians
will exert renewed pressure to force
the western allies out of the Ger-
man capital before the October elec-
tions.

This man Gallagher, who flew
here to address the annual mem-
bership meeting of the Associated
Press, is a real "newspaperman's
newspaperman"—the kind the old-
timers say died out long ago.

Wherever free men in the world
read a free press they have seen his
byline—"By Wes Gallagher." In the
last eight years he has told the story
of war and half-peace in 17 Euro-
pean countries, from the first fox-
holes to the latest conference table.

Here is the man behind the by-
line:
He is a big-shouldered, six-foot,
stubble-headed, soft-hearted Irish-
man with the energy of a cub police
reporter, and the mind of a diplomat.
He peers at people from a pair of
black eyebrows as bushy as John
L. Lewis' in full bloom. He has
only two facial expressions—a glow-
ing from while he's digging out an
exclusive news story, a Cheshire
cat grin when he puts in on the wire.

A foe of hypocrisy and stupidity
—official or otherwise— Gallagher
waged a steady battle of his own
throughout the war against gen-
erals who tried to use censorship to
cover up their blunders.

"In the next war I'm going to
have you made chief censor so you'll
have to do as I say," a three-star
general once told him at a dinner
party.

Gallagher worked him over with
his eyebrows.
"I wouldn't serve under you," he
said flatly. The general shut up. He
was afraid of his military guests
might ask Gallagher why.
But Eisenhower, Simpson and

"Tooley" Spaats had a personal lik-
ing for Gallagher and respected his
rugged judgment. When military
commanders began asking his ad-
vice on whether a "hot" story was
too ticklish to release, he said blunt-
ly:
"Tell it. You don't own the news
—whether it's good or bad. If you
try to suppress it, it'll blow up in
your face."

Covering world crises has become
routine with Gallagher, but he be-
lieves the present Berlin situation
may flare into war.

"The tension has died down a
little," he said. "Only 50 of the
2,500 American dependents have
sailed to go home."

"The trouble is that the Russian
leaders have told their people so
often they won the war single-
handed that they've come to believe
in their own propaganda."

"Allied diplomats there don't be-
lieve the Russians want war now,
but they're afraid the Russians don't
know how to stop short of war."

"The Russians are still determined
to get us out of Berlin. They prob-
ably will make another attempt
after they get the harvest in. They
want to have a free hand by the
October elections, however, to be
able to deal with the 2,000,000 Ber-
liners who voted against commun-
ism last time."

"If we let the Russians run us
out of town, our prestige in Europe
will collapse. No European country
would be willing to put up a fight."

How long could the present Amer-
ican garrison in Berlin hold out if
some "incident" precipitated war?
"Perhaps six hours," he said. "But
they might be important hours."

Just before Wes took off on his
return flight to Berlin I asked him
if covering eight years of world
struggle had taught him anything.
"Only that nothing is more im-
portant than human freedom," he
said.

Students Under GI Bill Should Notify VA To Get Transfer

Student veterans studying under the G. I. Bill who want to transfer to another school this summer should notify the Veterans Administration at least 30 days before they intend to make the change, VA said today.

To enroll at a new school, a veteran needs a supplemental certificate of eligibility. This certificate, showing his remaining educational entitlement, may be obtained from the VA Regional Office having jurisdiction over the area in which his school is located. His application to VA must be accompanied by a statement from his present school showing that his progress has been satisfactory.

Student veterans may not transfer to other schools before the end of any term for which tuition has been paid by the government, VA said.

Nail polish is used consistently by 79 percent of American women, one estimate shows.

Having qualified as administratrix of the estate of J. H. S. (Stancil) Hodges, deceased, late of Ayden, Pitt County, North Carolina, this is to notify all persons having claims against the estate of said deceased to prove and file the same with the undersigned or his attorney, L. G. Cooper, Edwards Building, Greenville, North Carolina, on or before the 26th day of March 1948, or this notice will be pleaded in bar of their recovery. All persons indebted to said estate will please make prompt settlement with the undersigned administrator.

This 24th day of March, 1948.
A. T. BILBRO, Greenville, North Carolina, Administrator of the estate of J. H. S. Hodges, deceased.
March 26-1w-6wks.

NOTICE OF SALE
Under and by virtue of the power of sale contained in that certain deed of trust from Sam King to James L. Evans, Trustee, of record in Pitt County Registry in Book P-24, page 38, default having been made in the payment of the indebtedness therein secured, the undersigned will offer for sale, and sell to the highest bidder, for cash, before the courthouse door in Greenville, between 12:00 o'clock NOON and

1:00 o'clock P. M., on Saturday, May 15th, 1948, the following described tract of land:
Lying and being in Greenville Township, BEGINNING at the William Waldrop's southwest corner on the side of the Atlantic Coast Line Railroad right-of-way; thence eastward with said Waldrop's southern line 32 poles to a stake; thence southward about 20 poles to a stake; thence westward about 32 poles to a stake in Atlantic Coast Line Railroad right-of-way; thence northward with said right of way 20 poles to the corner at the beginning, containing 5 acres, more or less, and being a part of the lands conveyed to L. C. Arthur and wife by John J. Forbes, and being the same lands conveyed to Sam King by Robert Booth, Commissioners.

The successful bidder will be required to make a deposit of 10 per cent.

This 14th day of April, 1948.
JAMES L. EVANS, Trustee
April 17-1w-4wks.

NOTICE OF ELECTION
The Private Laws of the General Assembly of North Carolina, Session 1937, as amended by the Session 1941, require that an election for the selection of four members of the Board of Aldermen, one from the second ward, one from the third ward, one from the fourth ward, and one from the fifth ward, of the City of Greenville, shall be held on the first Monday, the 3rd of May, 1948; that the books for registration of voters who are not already registered for Municipal Elections or who have transferred from one ward to another since last election, shall be kept open for 10 days, exclusive of Sunday, preceding the first Monday in May and that all candidates for Aldermen shall register their candidacy with the City Clerk at least five days prior to the first Monday in May and shall deposit for registration the sum of \$1.00;

Mail Thief And Forger Captured

The Post Office Department today announced the arrest of Raymond J. Karasek, Tacoma, Washington, a house letter box thief and the large scale forger who has been operating on a nationwide pattern.

Karasek, Post Office Inspectors said, had obtained between \$70,000 and \$100,000 during the past two or three years.

Karasek was arrested by Tacoma city police following a four block chase after he had attempted to cash a forged \$300 check at a Tacoma bank. The teller became suspicious when Karasek presented the check at the same bank where he cashed a \$3,600 check the day before. Questioned by postal inspectors Karasek admitted cashing checks amounting to \$3,300, \$6,100 and \$480 at San Francisco, and two checks totaling \$1,340 at Kansas City. He admitted similar transactions, the inspectors said, at Seattle, Washington. Extensive investigation was being made at the time of Karasek's arrest by the Postal Inspection Service, seeking the identity of the San Francisco, Kansas City and Seattle forger, but it was not known until Karasek was arrested and confessed that he was the one being sought. Karasek also admitted to Post Office Inspectors that he had stolen hundreds of Government and other checks from the United States mails.

Inspectors revealed that Karasek had served a term for forgery at San Quentin Penitentiary, that he has been married three times and that his home is at Jackson, Michigan.

20-Year Term For Jap General

Yokohama, April 23—(AP)—Maj. Gen. Ichiro Morimoto, who commanded all Japanese prisoner of war camps in the Philippines, was sentenced to 20 years at hard labor today by a military tribunal. Morimoto was convicted of permitting subordinates to commit murder and atrocities against captives.

In 1905 some serious-minded observers believed the limits of success had been reached in flying.

ON BORDER PATROL IN TRIESTE — United States soldiers in an armored car patrol the northern border between the Free State of Trieste and Yugoslavia, in the background. Trieste police stand guard at the road barrier at the right.

Senator Praises Price Cuts By U.S. Steel Corp.

Washington, April 23 — (AP) — Senator Flanders (R-Vt.) today called the U. S. Steel Corporation price a "contribution to deflation." "The company has done its duty in trying to reduce living costs," Flanders told a reporter. "Now it's squarely up to the union to accept in good grace the company's decision not to increase wages."

President Benjamin J. Fairless announced yesterday that the corporation was reducing steel prices by about \$25,000,000 a year. He said it was an effort to halt rising living costs.

Fairless coupled this announcement with a rejection of the CIO United Steelworkers' demand for a wage boost.

An Oversight

New York, April 23 — (AP) — Police were looking today for one Michael Bane, who made a slight oversight about \$8,000 worth.

Bane's name was found on 17 \$25 government bonds, six \$1,000 bonds, a \$1,000 life insurance policy and a bank book for \$805 all fished out of an old coat bought recently by a Bronx junk dealer.

The junkman, Samuel Elberg, took the articles to police. He found them while rummaging through a collection of old clothes.

Lots Of Liquor Captured In Raid

Hillsboro, N. C., April 22—(P)—A raid early yesterday morning resulted in confiscation of 154 cases of whiskey. Sheriff S. T. Latta of Orange County reported.

The Sheriff said that two men were arrested and that several others who were assisting the pair unloaded a large tractor-trailer truck fled as the officers closed in.

Colored News

The Pastor's Aid Club of Sycamore Hill Baptist Church will meet Monday night, April 26, at the home of Miss Henrietta Brown, 522 W. 3rd street.

The Matron's Social Club met at the home of Mrs. Gracie Anderson April 21. The opening song, "Jesus

Keep Me Near the Cross," was followed by a prayer in unison and a song, "I Am Thine, O Lord." Then the meeting was opened for business. The minutes were read and adopted. Sixteen members were present. This club helped a mother of an unfortunate family of this city with shoes, clothing and food. We want to thank each member for making it possible for the needy family.

The hostess served a delicious course of refreshments.

Arthur's Chapel F. W. B. Church, 9:30—Sunday school, Leander Monk, superintendent. 11—Sermon by the pastor, Rev. S. Hemby. He will speak from this subject, "A Perfect Stand for God and His Kingdom."

7:30—Rev. Hemby will officiate at Warren's Chapel. He will be accompanied by his choir and congregation from Rock Spring.

The public is invited to worship with us.

LIVE UP TO NAME

Seattle, April 23—(AP)—The residential district of Magnolia Bluff, misnamed in 1856 by a federal surveyor who didn't know a magnolia from a madrona tree, has finally overcome an embarrassing civic lack.

Magnolia Bluff's first magnolia tree was planted yesterday in Magnolia Park.

Diver Buried In Mud Is Rescued

New York, April 23—(P)—Tons of mud held a 49-year-old diver a prisoner at the bottom of New York Harbor for three and a half hours yesterday before he was freed and brought to the surface.

Trapped when banks of an underwater ditch caved in on him, the diver, Edward Christiansen, of Oyster Bay, told boat crews of his plight via a helmet telephone.

"Cut my lines," he pleaded at one time. "I can't stand it any longer." Fifteen navy and civilian divers, working in relays, used compressed air lets to remove Christiansen from the mud and silt that almost completely entombed him.

When finally hoisted to the surface 30 feet above, he said weakly: "It was cold down there. Thank God I'm alive. Let's have a cigarette." He was laying a telephone cable in the underwater trench, and had reached down to untangle his air line

when the mud walls collapsed, burying him except for his head and one arm. He was also pinioned by the cable. Hundreds of persons crowded the area near the Bayonne Ferry slip at the northern tip of Staten Island to watch rescue efforts.

Abettors In Escape Prisoners Given Terms On Roads

By CHESTER WALSH

Three men, one an employee of the State Highway Department's bridge building crew, the other two taxicab drivers, pleaded guilty in superior court Wednesday to aiding and abetting in the escape of two prisoners from the State Prison Camp near here last December 23.

The prisoners were John Goode of Virginia, serving time for his part in the robbery of the Ayden Pickle factory more than a year ago, and John Pennington, an upstate convict.

Judge Stevens gave Clifton Perry, the highway employee, two years on the roads. He gave Benjamin Smith 15 months on the roads and Albert

Blalock nine months. Testimony was that Perry, the prison camp employee, approached Smith and he declined the taxicab assignment and put him in touch with Blalock whose taxicab transported the two prisoners on their race for liberty. Both convicts were captured shortly afterwards.

No Takers For New-Built House

Decatur, Ill., April 23—(AP)—A five room house built by the Decatur High School building trades class has turned out to be a white elephant.

A \$12,000 price tag was put on the house by the school board but there were no takers. The Decatur board of realtors, foregoing the usual sales fee, then tried unsuccessfully to find a buyer.

Now the school board has agreed to pay a commission to any real estate salesman who can close a deal. The price still is \$12,000.

In a Tokyo jail an American Red Cross worker has opened a canteen to serve 450 GI guards.

THIS IS ONE DEER WE'LL REALLY ENJOY EATING!

HOME FREEZER

A General Electric Home Freezer keeps game and fish fresh for months!

THIS YEAR you won't have to gorge on venison until you're ready to swear off hunting, and then hunger for the stuff half the winter.

With a General Electric Home Freezer, you just freeze the fish and game you get. You eat the food you want when you want it.

A General Electric Home Freezer is grand for freezing and storing vegetables and fruits, baked goods, and ice cream. Your wife saves work and you save money on these foods.

To be sure of every satisfaction a home freezer can offer, be sure you get a General Electric.

The sealed-in refrigerating system is the same type as that used in General Electric Refrigerators. More than 1,700,000 of these systems have been in service ten years or more.

In repeated laboratory tests, the General Electric exclusive Perfect Seal cabinet construction proved so efficient that it kept food frozen for several days after the current was shut off.

Do this—today!

Put on your hat, and take your wife by the hand to our store. Let us show you how the General Electric Home Freezer can pay for itself over the years... and what a wonderful convenience it is for you—and for her!

Chamber Active On Developing Opportunities

By CHESTER WALSH

The Greenville Chamber of Commerce directors this year is composed of a group of enterprising businessmen who "get out there and do things at the right time and in the right way," a check of the directorate indicates. The board has outlined a program which calls for intensive activity on the part of the directors and the various committees.

Charles B. Bissette, the president, and Willard T. Kyzer, executive secretary, are working together with the aim of getting Greenville more publicity about the city's possibilities for industrial development and to stimulate interest in setting forth the industrial and commercial opportunities available here.

The chamber's directors at their recent meeting manifested their intentions in an impressive manner. For instance, The Agriculture Committee, Alton E. Barrett, chairman, reported that the group is co-sponsoring a purebred hog show next fall, under the auspices of the 4-H club and the Future Farmers of America. Incidentally, the chamber has sponsored the past two years the 4-H and FFA clubs' hybrid corn production contests, and the results were gratifying.

The Chamber of Commerce sponsored the N. C. Bankers Association's soil conservation speaking contests.

Another gesture worthy of special notice is that the Chamber of Commerce, Tobacco Board of Trade and the Junior Chamber of Commerce sponsored a page advertisement in the May edition of "Future," Jaycee official magazine, featuring the city of Greenville.

The Transportation Committee, L. M. Buchanan, chairman, is active about procuring regular franchised air transportation of mail, freight and express for Greenville.

The matter of establishing a

freight terminal here for the distribution of motor truck shipments has received considerable attention. The plan is to facilitate pickup of motor freight and relieve congestion in the business district, and a survey is now being made.

The Chamber of Commerce directors include in the year's program intensive plans to revive water transportation of freight on Tar River and use of the valuable Port Terminal property and docking facilities. A special committee is working on this project.

Try To Enlist In 'Foreign Legion'

Frankfurt, Germany, April 23 — (AP)—Scores of Germans are trying to enlist in a non-existent American "Foreign Legion," military government sources reported today.

The young applicants appear startled and unbelieving when told the United States has no such legion.

The origin of the widespread rumor that America was creating a foreign fighting force was unknown. One theory is that Germans read of such a proposal being made in Congress and misinterpreted it to believe that a Foreign Legion already had been set up.

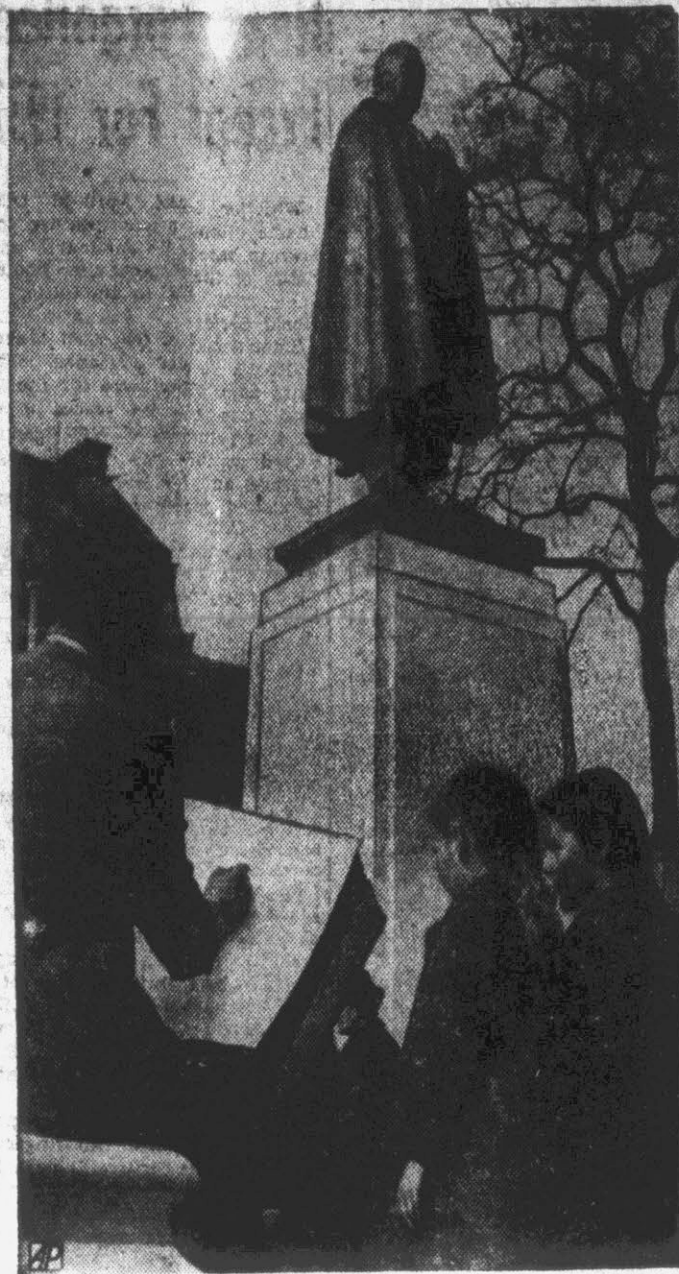

Another likely factor is that the Germans have been told frequently by the Russian-licensed press in Berlin Americans are recruiting Germans for military purposes.

American officials here brand the story "ridiculous."

Westinghouse To Reduce Prices

Pittsburgh, Pa., April 23 — (AP)—The Westinghouse Electric Corporation said today it is putting price reductions into effect on certain products to "save customers approximately \$1,125,000 a year."

The corporation said the reductions would average five percent on electrical products used in connection with electric power distribution.

AT ROOSEVELT MEMORIAL—Artist Phillip Poyser sketches the British memorial to the late Franklin D. Roosevelt in Grosvenor Square, London, as little girls watch.

Stassen Brings His Campaign To Winston-Salem

Winston-Salem, N. C., April 23 — (AP)—Harold E. Stassen will bring his Presidential campaign to North Carolina May 11.

The former governor of Minnesota, now sweeping the Midwest in his bid for Republican Convention votes, was to have spoken in Salisbury and Charlotte that day.

But his plans changed and his only speech will be here. So said B. Frank Millikan, Greensboro Republican who is Stassen's pre-convention committee chairman in this state.

The Republican State convention, meeting recently in Durham, did not instruct its delegates as to a nominee.

Cloudy, Warmer Is Predicted For Both Carolinas

By The Associated Press

Partly cloudy and warmer weather was forecast for most parts of the Carolinas today and tomorrow.

The prediction was good news for Carolina farmers. For many of them have not finished preparation of soil for spring crops. A late spring and frequent rains have seriously retarded growers' progress in the winter states.

The only rain expected is scattered showers tomorrow afternoon in the western portion of North Carolina and in the northwest area of South Carolina.

Dr. Messick Invited Serve On Education Legislative Council

Dr. John D. Messick, president of East Carolina Teachers College, has been invited to serve on a committee of the Joint Legislative Council of Educational Organizations, with headquarters in Washington, D. C., and will aid the organization in establishing criteria for the evaluation of administrative services, and public relations in teachers colleges. Dr. Messick was selected on the recommendation of President George W. Dieter of the American Association of Teachers Colleges. Included in the work of the committee will be the preparation of questionnaires to be used in securing data concerning the administration of teacher-education institutions in this country.

Candidates For Governor Again Counted At Six

Raleigh, April 23 — (AP)— The number of men gunning for nomination in the Democratic primary for governor was back to the original six filers today.

William F. Stanley, Sr., of Kinston, who announced Wednesday he was withdrawing from the race, did an about face yesterday and dealt himself back in.

The other five are Olla Ray Boyd of Pinetown, Charles M. Johnson of Burgaw, Mayne Albright of Raleigh, Oscar Barker of Durham, and Kerr Scott of Haw River.

Stanley had said he was withdrawing because his five financial backers, who he declared had promised to put up \$2,000 each, had withdrawn their support.

Ironically, Stanley said his second change of mind was caused by his withdrawal announcement. He said that the report of his supporters' desertion "brought in dozens of new supporters," including one backer who offered financial aid.

In other developments, Barker endorsed a "cash bonus" for North Carolina veterans of the second World War. He told the Roanoke Rapids Junior Chamber of Commerce last night that "the splendid financial condition of the state" now warrants consideration by the Legislature of state financial assistance to veterans.

The Durham candidate said that for sometime he has been holding conferences with an advisory committee composed of veterans of various sections of the state.

HEADS ERP—Paul G. Hoffman resigned as president of the Studebaker Corp. to become chairman of the European Recovery Program. A native of Chicago, Hoffman is 57 years old.

Planes Hunt For Lost Superfort

Guam, April 23 — (AP)— Fifty planes ranged over 54,000 square miles of ocean north of here today in a continued search for a Superfortress missing since Tuesday.

The Superfort has not been heard from since it took off for a practice bomb run on Farallon De Medinilla Island, 350 miles to the north.

THE RALSTON PURINA COMPANY ANNOUNCES THE APPOINTMENT OF

Pitt Milling Company

Owned and Operated By Walter Glenn Garner and John L. Askew

As the PURINA DEALER in Greenville

MAKE THIS STORE YOUR HEADQUARTERS FOR ALL YOUR FARM NEEDS...READY TO SERVE YOU NOW

The Checkerboard Sign on this store means it is now ready to offer a complete one-stop farm supply service designed to meet your every farm and home need.

Whether you raise poultry or livestock you'll find Purina-trained men ready to help you solve any feeding, sanitation and management problems you might have.

Purina's complete programs of feeding, sanitation, and management which have proved so valuable to thousands of farmers year after year are now readily available to you through this Purina Dealer.

You'll find this store ready and anxious not only to supply your farm needs but also to assist you in building a profitable personal program to help you get top production from your poultry and livestock.

Make it a point to visit this friendly store to see the literature and services it has to offer you.

A COMPLETE LINE OF PURINA PRODUCTS

LABORATORY TESTED...FARM PROVED

PURINA CHOWS

Whatever your feeding problem, you'll find the answer in the Chows that come in the famous Checkerboard Bag. Made of the finest ingredients, Purina Chows are scientifically blended for top production from each animal or bird and backed by a feeding program built to give you profitable returns.

SANITATION PRODUCTS

Purina Sanitation Products are built to help reduce losses from disease and parasites. They are preventives that can help you increase production and make the best use of your feed. Especially famous are Purina Chek-R-Tabs, poultry water tablets; Purina Chek-R-Ton, flock wormer and appetizer; Purina DDT Fly Sprays. Ask about the full line.

FARM AND GARDEN SUPPLIES

Poultry, dairy and livestock supplies bearing the Purina Checkerboard trade-mark have been thoroughly tested right on the farm for practicability and length of service. No inferior product will ever bear this trade-mark. Purina Seeds, Plant Food and garden insecticides are also products of Purina's thorough research.

OTHER SERVICES OFFERED BY THIS STORE

Purina Chows, Sanitation Products, Farm and Garden Supplies, are now available at Askew's Market and Askew's Fruit Stand. In the very near future we will have our mill in operation at the corner of Tyson Street and Farmville Boulevard, and will be in position to grind your grain, shell your corn, purchase your corn, and mix Purina Concentrates with your own grain to make a completely balanced ration for any kind of livestock or poultry. We have the most modern and efficient milling equipment available, and will welcome your inspection of it. In addition to the well known Purina Chows, we will have a complete line of Purina Chow Mix Feeds available, which we will manufacture from Purina Concentrates and local grains according to formulas furnished by Purina Mills.

HAUNTED HOLIDAY

By Cameron Dockery

AP Newsfeature

Chapter 23
When Vince accosted Johanson
on the sunlit terrace the next morn-
ing there was an unusual twinkle
in the investigator's eyes. He was
struggling with the cumbersome bulk
of a straw and canvas archery target.
"This is Sophie's stand," he
explained patting it cautiously.
"What are you planning now?"
Vince asked.
"An archery exhibition to be con-
ducted from Hugh's bedroom win-
dow."
"You don't think the murderer
will be fool enough to give himself
away?"
"Not at archery, but he may
emotionally."
"Then you've discarded Hugh as
the killer?" Vince felt relieved.
"More or less," Johanson admitted.
"When I caught him last night he
let out a yip like a frightened child.
After that he just babbled about
his tree house where he'd been hid-
ing, and asked for Sophie. I felt
it was just too damned genuine to
be an act. Besides, look at this!"
From his pocket he extracted a
gold signet ring and held it out on
his spatulate palm. An elaborate D
was set in the seal.
"That letter could have stood for
Dukane, Donovan or Deveraux but
after what you told me about fol-
lowing Sonia last night there doesn't
seem to be much doubt. I found it
yesterday in Manny's bedroom."
"But all it proves is that she lost
it there."
Johanson nodded. "Yes, but if she
didn't connect it with something
unpleasant in her mind why did she
go hunting for it in the middle of
the night?"
"Afraid if you found it it would
incriminate her in the murder, I
suppose. After all she's a foreigner
and in a rather precarious position."
A monosyllabic grunt was Johan-
son's answer to that theory. He
crossed to a wrought-iron bench
and picked up a handful of arrows.
"Found these in the basement with
some of the furniture from Hugh's
room. Say Bonnyay, will you get a
few meat skewers from the Chinese
cook? I want this to be realistic."
After breakfast they all trooped
up to Hugh's old bedroom, all but
the servants—their archery trials
were to come later. Hugh peered at
Vince in his odd gnome-like way.
"Are we going to play a game?"
he asked.
"Yes," the naval officer lied and
suffered a twinge of conscience.
"You were so good the other after-
noon we all want you to show us
how you do it."
"Have you ever shot from this
window before, Hugh?" Johanson
pointed to the window that over-
looked the flagstoned terrace.
"Yes, I have," Hugh's eyes clouded.
"But it wasn't very good."
The others were watching Johan-
son speculatively as though he had
taken leave of his senses. All but
the two Devonans who seemed fas-
cinated by Hugh—they were unable
to take their eyes off him.
"All right Hugh," Johanson hand-
ed him the bow and arrows. "You
show us how it's done. The archery
target is just this side of the pool
excavation."
Realization of the meaning of
this trial dawned on the others'
faces then. Hugh frowned at them.
"This is my only bow, so we must
be careful. I wanted to take it with
me to Clands' but Sophie wouldn't
let me."
Thereby signing her own death
warrant, Vince thought uneasily.
With experienced fingers Hugh
braced the bow, drew back the string
and released the arrow. It fell short
of the target by several yards.
"I missed!" he exclaimed. "The

target's too far, let me try it again."
The results were the same and
Hugh reached for another arrow but
Vince put out a restraining arm.
"Let someone else try it, Hugh."
Sonia's long fingers curved about
the bow. She handled it gingerly
as though it were some explosive
weapon ready to backfire. Her ar-
row merely looped over the window
ledge and fell to the flagstones be-
low. Iris Donovan's attempt was
equally poor. Then Johanson handed
the bow to Julia . . .
Vince found a cigarette and lit it;
it disgusted him to see that his
hand trembled slightly as Julia took
the bow and aimed it competently.
"Just to keep the record straight,
I should tell you that I used to be
captain the University women's ar-
chery team," she said. Her words
were to them all but the mocking
glint in her eyes was for Vince
alone.
Her arrow fell even shorter than
Hugh's had.
"Mr. Dukane next," Johanson said
concealously but his jaw tightened.
The islander picked up the bow.
He was a big man and muscular.
He released the arrow with a rever-
berating twang that sang in their
ears. It went beyond the target into
the pool. The group stared at him
with new interest and his face turned
a dull angry red.
Dr. Palmer, trembling and nerv-
ous, was next. "This is ridiculous!"
he protested weakly and his arrow
wavered and veered off into a flower
bed.
John Blisset took up the bow.
He drew back the string slowly.
Surely he could do better than that!
He held his upper arm close to his
body and let the arrow fly with
a slight widening of his fingers so
that it went no further than Julia's.
It was apparent that he wasn't
trying and didn't care who knew it.
"Archery isn't my forte," he said
sullenly and handed the bow to the
investigator. Johanson's thin silken
brows went up slightly but he was
silent.
To Vince's mind the test had
been a failure and if Johanson had
profited by it, he concealed his re-
ward well. His face was expres-
sionless.
What were they left with—Bud
Donovan, a visibly sick, nervous
little man who swallowed with such
apprehension as he took the bow
that they all heard the sound of
his Adam's apple juggling in his
too dry throat.
And then they all started at an-
other sound! It was Hugh's shrill
cry of dismay as the bow string
snapped in Donovan's hand!
(To be continued)

HOMES PAID-OFF EASILY!

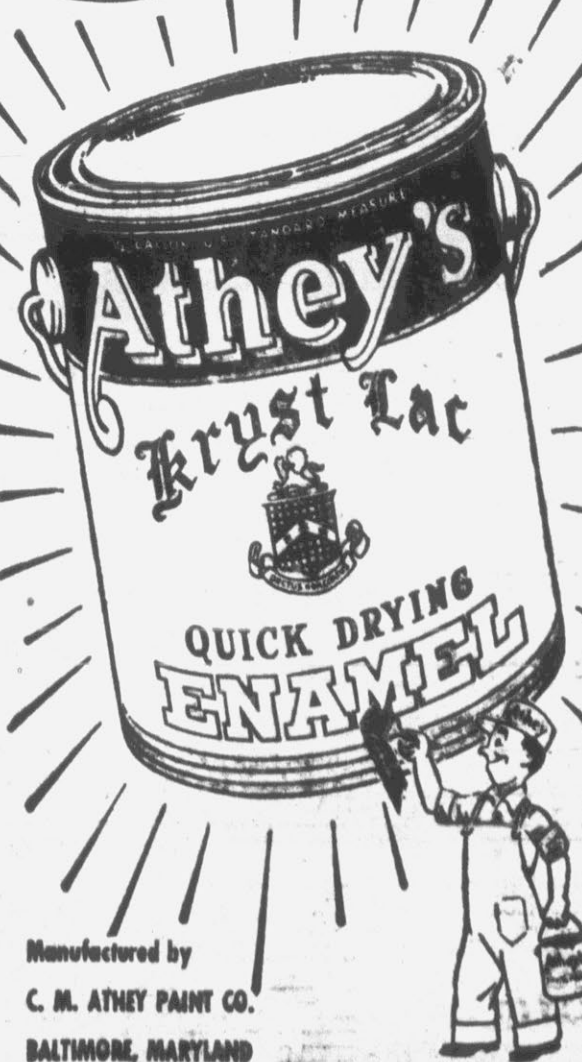

Our Direct Reduction Finance Plan is the surest way to outright
Home Ownership. Small, never-increasing monthly payments, paid
like rent, take care of interest, amortization, everything—and lead,
eventually to ownership, free and clear, of that choicest possession
of all—a HOME. We'll gladly explain the Plan to you.

Senate Housing Bill Encounters Foes In House

Washington, April 23 — (AP) — House members hoisted storm signals today for a Senate-approved program aimed at building 15,000,000 homes in the next 10 years.

As in the Senate, which passed the multi-billion dollar Taft-Hartley-Wagner bill yesterday, the House controversy centers around the measure's 500,000-unit public housing section.

The House Banking Committee pignored a similar Senate bill two years ago. Then, as now, many opponents called the public housing section "socialized housing."

Banking Chairman Wolcott (R-Mich.) set "full hearings" for May 3 and told a reporter "some sort of housing bill" will pass. He declined to say whether it will make any provisions for public housing, where the government would build and operate dwellings for low income families.

But Rep. Frederick C. Smith (R-Ohio), a committee member, told reporters "I am opposed to public housing. I think there is a probability the House will stop this legis-

U. S. TANKS AND GUNS IN TURKEY—Tanks and guns from the United States are lined up on flat cars along a wharf at Istanbul's Golden Horn, ready for movement into Turkey's interior. The equipment was sent to bolster the nation's defense.

lation." Another banking committee member, Rep. Fletcher (R-Calif.), said: "I think there is a 50-50 chance that public housing will pass. I am for welfare housing, to help people who are not able to take care of themselves. But I don't believe in subsidizing a special class in this country through public housing, at the expense of other taxpayers."

Washington BPW Club Had Birthday

Mrs. Chester Walsh and Mrs. Thornton Meeks, district director and secretary of the Seventh District, North Carolina Federation of Business and Professional Women's Clubs, attended the seventh birthday party of the Washington BPW Club Thursday night at Knotty Pine Inn.

Mrs. Walsh told of district activities and projects and stressed attendance at state convention at Mayview Manor, Blowing Rock, June 18-20 and at biennial convention at Fort Worth, Texas, July 4-9.

Mrs. Meeks, also chairman of membership committee of the Greenville club, spoke of membership goals and policies. The program was directed by Miss Clara Braddy, membership chairman of Washington.

Special guest prizes and contest prizes were awarded.

Tax Notice

Pursuant to Section 1715 (b) of the Machinery Act of North Carolina and by order of the Board of Aldermen of the City of Greenville, North Carolina, I will, on the second Monday in May, 1948, advertise all unpaid real estate taxes due the City of Greenville for the year of 1947.

J. O. DUVAL, Tax Collector

U. S. WARSHIPS AT MALTA—The U.S. destroyers S. B. Roberts, C. H. Roan and H. J. Thomas lie in Malta harbor during a visit while escorting aircraft carrier Philippine Sea on a Mediterranean cruise. An ancient lookout post is in center foreground.

Urges Money For Tax Collections

Washington, April 23—(AP)—Rep. Knutson (R-Minn.) today urged more tax collectors with more funds to run down billions lost through tax evasion.

"Too many people are escaping their fair share of taxes, by evasion and otherwise," Knutson said. He is chairman of the tax-framing House Ways and Means Committee and author of the new \$4,800,000,000 income tax reduction law.

Treasury reports indicate that uncollected taxes, some dating back to war years, now amount to about \$5,000,000,000—with the government losing \$1,000,000,000 a year because it lacks enforcement personnel. Knutson urged the House Appropriations Committee to carry out recommendations of a committee of four tax specialists who called for a huge expansion and reorganization of the Internal Revenue Bureau.

Six From Here Will Attend Convention

The Greenville Kiwanis Club will be well represented at the Kiwanis International convention at Los Angeles, Calif., on June 6-10. President N. C. Brooks is the delegate and Hunter Keck is alternate. Their wives will accompany them. Ed Rawl, transportation chairman, and Mrs. Rawl are going.

Some 10,000 business and professional leaders from all sections of the United States, Canada, Alaska and Hawaii are expected to attend the five-day meeting, which will highlight many outstanding speakers, musical features and entertainment attractions.

The convention will open Sunday evening, June 6, at Shrine auditor-

Into The Night

Lancaster, S. C., April 23—(AP)—The marauder who got into a local drive-in after closing hours tinkered with the safe and juke box. But they were too complicated for his ingenuity.

But there was evidence that he prepared himself a "banana split" at the soda fountain. He ate it. And tip-toed away into the night.

um, with Dr. C. Oscar Johnson, a member of the Kiwanis club of St. Louis and president of the World Baptist Alliance, as the principal speaker.

Dr. Charles W. Armstrong of Salisbury, N. C., president of Kiwanis International, will share speaking honors Monday morning, June 7, with Wayne Guthrie, assistant managing editor of the Indianapolis News, who witnessed the atomic bomb test at Bikini.

A celebrated authority on foreign affairs will address delegates to the Kiwanis convention Monday evening, June 7, in Hollywood Bowl. Some 18,000 persons are expected to attend.

CLAIM ESPIONAGE

Moscow, April 23—(AP)—Red Star, the Soviet army newspaper, said today imperialist powers, which it did not name, are sending two to three times as many spies into Russia as into any "Bourgeois State."

PTA Officials Have Been Invited Attend Saturday Conference

Presidents and chairmen of program committees of Parent-Teacher Associations in the eastern section of the state have been invited to attend a conference of East Carolina Teachers College on Saturday, April 24. Plans for a PTA institute to be held at the college in June between the spring and the summer quarters this year will be discussed, and a program of activities and of topics for discussion will be drawn up. The meeting will be held in the Austin building from 9:30 to 11:00 in the morning.

Dr. Leo W. Jenkins, dean and director of the summer school at East Carolina, has announced that Ann Redwine, member of the college faculty and teacher in the Train School on the campus, will direct the PTA institute to be held here in June.

Miss Redwine will be in charge of the meeting at the college on Saturday. All those in this section who are interested in PTA work or in participating in the East Carolina institute in June are invited to be present at the conference.

R. G. BLAND AUTHORIZED AGENT FOR THIS COUNTY
R. G. Bland of Greenville has been appointed the authorized "Rexair" dealer for this territory. The "Rexair" conditioner and hu-

midifier is something new and performs some important functions in the phases of air conditioning, he said.

Salt is the world's most plentiful mineral.

Strength Of . . .

(Continued from Page One)
One of the most hopeful aspects of this situation lies in a fact which isn't generally realized. This is that Great Britain, while in very bad shape economically, has managed to maintain a well balanced military striking force.

Britain's defense policy was outlined a couple of months ago in a white paper which said that in the present situation, where the United Nations isn't yet able to enforce peace, the best deterrent to war is tangible evidence of Britain's intention and ability to withstand attack.

Pursuing that policy, John Bull has strengthened his air force. His navy, which once enabled him to boast that "Britannia Rules the Waves," is getting back in shape. He still maintains conscription and has nearly a million men under arms, including units in various parts of the world.

Thus, all in all, western Europe frames up exceedingly well as a barrier against Communist expansion by aggression. Russia certainly would think long and hard before challenging this coalition militarily.

Disloyalty . . .

(Continued from Page One)
fit which the Attorney-General says comes under one of the following headings:

1. Is "totalitarian; Fascist, Communist or subversive."
2. Favors denying persons "their rights under the constitution." by "acts of force or violence."
3. Seeks to "alter the form of government of the U. S. by unconstitutional means."

These conditions are listed in the president's executive order which started the present loyalty check. KKK comes under heading No. 2.

After fully investigating the former KKK member (only about 200 investigations have been finished so far) the FBI sends its full report to the head of his agency.

The agency's loyalty board (it consists of officials of the agency) gives him a hearing and decides:

1. He's eligible for further employment, or
2. He's ineligible, in which case he's fired.

Enjoy **CAPUDINE'S** quick relief from **HEADACHE!**
You'll agree that Capudine is wonderfully fast and effective. Relieves so quickly because it's liquid. Follow directions on label.

Mary S

Many little girls, like Mary S., miss a lot of fun because their vision is defective. They are nervous and tired and "dull" because their eyes use up so much energy straining to see clearly. If their vision were corrected, they'd feel and act better. And they'd progress much faster in school.

CITY COMMISSIONER PRAISES RETONGA

Outstanding North Carolina Civic Leader, A. F. Futrell, Says Retonga Has Helped Him Regain Strength And Relieve Distress From Excessive Stomach Gases.

"Retonga gave me such wonderful relief that I am glad to pass my experience along to others," states Mr. A. F. Futrell, who is a city commissioner and treasurer of Pine Level, and a life-long resident of this community, owns and operates a 500 acre farm. He gratefully states: "I allowed myself to get in such a rundown condition that I have not yet regained all of my strength, but I seem to be getting it back with the help of Retonga. After

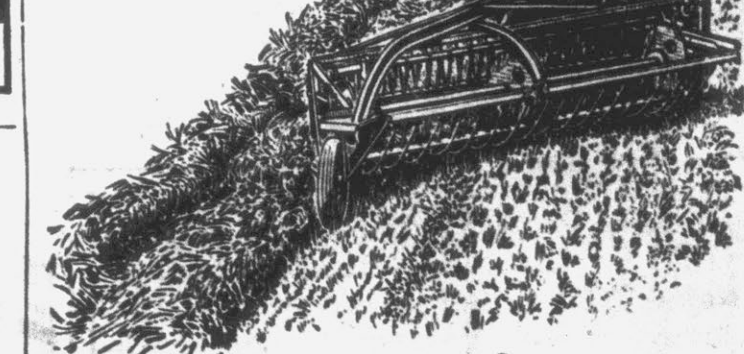

almost every meal I ate food seemed to sour in my stomach and cause excessive gas. I was so worn-out I felt draggy and on edge most of the time. I couldn't sleep soundly at night and I suffered considerably from constipation.

"Retonga has brought me great relief," continues Mr. Futrell. "My food seems to agree with me now and I am delighted with the relief from sour stomach. I haven't missed a sound night's sleep but once in over a year. The relief from constipation has been very gratifying."

Retonga is intended to relieve distress due to insufficient flow of digestive juices in the stomach, loss of appetite, borderline Vitamin B-1 deficiency, and constipation. The active ingredients of Retonga are purely herbal, combined with Vitamin B-1. You can get Retonga at Bissett's Drug Store—Adv.

A Power-Driven TRACTOR RAKE

Now, a real tractor rake developed by Allis-Chalmers to handle the hay gently, but fast — to hasten the job of curing the crop.

It's the New ALLIS-CHALMERS SIDE-DELIVERY RAKE and TEDDER! Look How it Works

- ★ Power take-off operation.
- ★ Two forward reel speeds.
- ★ Reverse gear for tedding.
- ★ Rugged construction.
- ★ Controlled steering — straight windrows.
- ★ Windrows are loose and fluffy, with leaves tucked inside.

Here is a rake with features you have always wanted. Ask us for full information.

★ ★ ★ ★ ★ ★ ★ ★ ★ ★
The Federal tax rate on local telephone service is 15%. The tax rate on long distance service, where the charge is 25c or over, is 25%. Other forms of telephone service are subject to Federal taxes at rates ranging from 5% to 25%.
This tax is imposed by the U. S. Government directly on the user of the telephone. The telephone company, at its own expense, serves as a collector.
Long distance calls and certain other services, being taxed at 25%, are taxed higher than the 20% rate for luxuries such as furs, jewelry, and perfumes.
This form of tax, that is an excise tax on telephone service, has traditionally been resorted to only in national emergencies. Your telephone company believes this form of tax should not be a part of the peace time tax structure. Representatives of the telephone industry have urged and will continue to urge before the proper Congressional committees that these excise taxes now be eliminated; and many users and representatives of users of telephone service are likewise urging that they be repealed by the tax legislation now before the Congress.

Republicans In House Fail Block Trade Agreement

Washington, April 23 — (AP) — Angry House Republicans found themselves up a blind alley today in their hunt for a way to block administration-granted tariff cuts to Czechoslovakia.

But they said they were determined to prevent any future concessions to other Soviet-dominated governments.

President Truman last night proclaimed new, lower import duties for Czech products in return for tariff reductions already put into effect by Prague.

Rep. Harnes (R-Ind.), who had tried in vain to have the agreement held up, told newsmen he sees little chance that the chief executive might reverse his action "in view of past performances."

But Harnes drafted a resolution to put the House formally on record as favoring a withdrawal.

A State Department explanation issued along with Mr. Truman's tariff proclamation said this country had a legal obligation to make good the cuts it promised last October in a general agreement reached at Geneva with 22 other nations. That was before the Communists seized control in Czechoslovakia.

The department said the main Czech products on which duties were cut are household china, table and kitchen glassware, jewelry, certain types of shoes and gloves and hops.

The American products on which Prague reduced its duties include certain types of office machines, passenger automobiles, canned vegetables, fruits and juices and some dried fruits.

Every year enough soil is washed or blown from American fields by erosion to fill a train of freight cars long enough to go around the earth 19 times at the equator.

Armed Reds Put Under Arrest By Italian Police

Rome, April 23 — (AP) — Carabinieri keeping the post-election peace in Italy arrested Communists in three communities last night.

The Communist-dominated popular front lost to the Christian Democrats in the balloting for a Parliament last Sunday and Monday.

Communist leader Palmiro Togliatti subsequently promised his followers would not use force against the government. Some of the front's small fry, however, apparently were not taking the defeat so peacefully.

A flying column of Carabinieri rushed to the Castelli Roman area behind Rome last night and arrested several Communists on charges of preparing punitive expeditions.

Terrified residents had barricaded themselves in their homes and in churches against Communist attacks rumored to be impending.

The Carabinieri picked up seven machineguns, seven automatic rifles, 15 rifles, 10 hand grenades and other assorted weapons.

Carabinieri skirmished with leftists in the village of Russiano near Naples last night, wounding one Communist and jailing 20.

They said they had surprised a Communist gang getting ready to blow up a church and a government building. They seized some hand grenades and 4,000 bullets.

In Arzена, some 25 miles southeast of Rome, one Communist was reported to have slashed at a Christian Democrat and three others to have stoned a Carabinieri patrol. All four were arrested.

Drama Class Offers Program Over Radio

A series of radio programs featuring stories for children was initiated yesterday (Thursday) over the facilities of WGTC in Greenville by the Radio Drama Workshop, a class of thirteen students at East Carolina Teachers College. The series will be continued for the next five weeks on Thursday afternoons.

The stories to be included in the program have been adopted to the microphone by members of the class.

Kremlin's Press Views The News

Moscow, April 23 — (AP) — Moscow newspapers published today dispatches from abroad saying that:

1. United States and British authorities are trying to enlist the services of Germans for military purposes.
2. The United States is trying to create a German air force.
3. German generals, including Field Marshal Karl von Rundstedt, Gen. Albert Kesselring and Col. Gen. Heinz Guderian, are being used as consultants by the United States army in building a German army.
4. Persons arriving in Berlin from Western Germany report the Americans and the British are trying to hire Germans for well-paid work in secret military factories on condition they live in the factory camp and not leave it.
5. U. S. and British officials have created "forbidden air zones" in their German occupation areas in which Czech and Hungarian planes are barred.

Order Of Garter For Royal Pair

Windsor, Eng., April 23 — (AP) — Princess Elizabeth and her husband Prince Philip were received into the Knights of the Order of the Garter by King George VI today in a ceremony of regal splendor.

The princess, in the traditional purple robe lined with white taffeta, bowed low before her father as he bound around her left arm the inch wide blue velvet Garter with its motto, "Honi Soit Qui Mal Y Pense." ("Evil to whom evil thinks.") The order is the Empire's highest rank of Chivalry.

Judge Stevens Clearing Heavy Docket In Court

By CHESTER WALSH

Judge Henry L. Stevens of Warsaw adjourned the criminal term of Superior Court shortly after noon today. The Duplin County jurist, working harmoniously with Solicitor W. J. (Dick) Bundy, did much to reduce an unusually heavy docket.

The next criminal term of court will be held here in August.

In Superior Court yesterday Judge Henry Stevens of Warsaw ordered a non-suit in the case in which J. H. Moye was charged with the larceny of a check from W. F. Phillips. Russell Harris, worthless check, three cases, three months in each case. The court gave Harris 30 days for being drunk and ordered that this sentence be served concurrently with the others.

Edmund Lethworth pleaded guilty to violating the state stock law. Prayer for judgment was continued two years on condition that he pay \$10 and costs of the court action. The court non-suited the case in which Lethworth was charged with assault.

Rudolph Manning pleaded guilty to forgery and he was given three months on the roads. The sentence is to run concurrently with term being served for violating his parole.

Joe Keyes was found not guilty of forgery.

A capias was issued for Lorenzo U. Nobles for non-support.

Charge Attempt Defraud Gov't

Honolulu, April 23 — (AP) — Two Howard Hughes Companies and six individuals were indicted yesterday by a federal grand jury on charges of conspiring to defraud the government in buying surplus planes.

The companies and five of the individuals were accused of using two war veterans as fronts in buying six transport planes valued at more than \$800,000 for \$105,000. The sixth, a former government official, was charged with having approved the sales.

Magie Hot Springs, near Twin Falls, Idaho, are charged with radium and other minerals and were a favorite with Indians for their curative power.

Food Plants In State Expanding

Raleigh, N. C., April 23 — (AP) — New plants for manufacturing or handling food and kindred products led the state in industrial growth last year.

Statistics, announced yesterday by the State Department of Conservation and Development, show that the food industry built or made plans to erect 72 new plants in 1947. The textile industry, which had been leading for two years in new or proposed plants dropped to second with 63.

However, in the realm of expansions, textile plants led in 1947 with 108 projects.

In releasing the figures, Assistant Director Paul Kelly of the conservation department said "we still plead not guilty to abduction, but we're mighty proud of our industrial growth."

He was referring to recent charges by the lieutenant governor of Massachusetts that the South is "kidnapping New England industries."

Kelly said that in the nearly three years since the war ended 1,122 new plants cropped up or are still in the building stage in North Carolina.

Follies Successfully Opens Tour In Ayden

The musical production "Follies of 1948", a presentation by the Veterans Club of East Carolina Teachers College, successfully opened its tour of eastern North Carolina towns with a performance in the Ayden High School auditorium on Thursday evening. A large and enthusiastic audience was present.

Among the stars of the performance was Norma Fay Hooper, student from Elizabeth City, who on short notice replaced Miriam Harper of Spring Hope, when she was forced to be absent because of illness. Miss Hooper appeared in a duet with Robert Mays of Hopewell, Va., and won applause with the solo "When Day is Done."

Two other performances of the "Follies" are scheduled for the tour, on April 27 in Ahoskie and on May 3 in Kinston.

Health appraisals of 150,000 youths participating in the NYA relief programs in the '30s indicated 90 percent had defects calling for medical attention.

Kiwanian Warns Leftists Seek To Warp Youth

Memphis, Tenn., April 23 — (AP) — The President of Kiwanis International asserted today that many youth organizations "now are shot through with Communism."

Dr. Charles W. Armstrong, Salisbury, N. C., said in an address prepared for delivery to the annual convention of Key Club International: "Followers of the party line—these slimy rats—are doing all in their power to poison the minds of our boys and girls against the capitalist system."

He told the youthful delegates that "if our young people allow their minds to become warped by ideologies foreign to our American way of life and form of government, we are doomed."

He urged them to "carefully investigate all so-called youth movements."

Poultry and Eggs

Raleigh, April 23 — (AP) — (NCDA) — Fryers and broilers steady at 38; eggs steady, A large 44-45.

Hog Market

Raleigh, April 23 — (AP) — (NCDA) — Hog prices weaker. Tops of \$20 at Fayetteville, Florence, S. C., Clinton, Warsaw, Lumberton, Chadbourne, Goldsboro, Smithfield and Mt. Olive; \$19.50 at Rocky Mount, Greenville, New Bern, Washington.
