

Partly cloudy and warm tonight.  
Wednesday considerable cloudiness  
and not quite so warm with scattered  
thunderstorms.

## No Policy Changes In Note To Soviet

**President Says Intent  
Was To Make It  
Clear That U.S. Has  
No Hostile Designs;  
Radio Moscow  
Sounds Encouraging  
Note In Comments**

Washington, May 11—(AP)—President Truman said today that the American bid to Soviet Foreign Minister Molotov for "decent and reasonable relations" between the two countries "represented no new departure in American policy."

Its purpose, Mr. Truman said in a formal statement, was to make it "unmistakably clear that the United States has no hostile or aggressive designs whatsoever with respect to the Soviet Union."

The President's statement did not indicate whether the note of Ambassador Walter Bedell Smith to Molotov May 4 might be construed as an American proposal for discussion and settlement of existing differences between the two nations.

The two main points of the statement by Smith, Mr. Truman said, are these:

1. "The policies of the United States Government in international questions have been made amply clear in recent months and weeks. They have the support of the overwhelming majority of the American people. They will continue to be vigorously and firmly prosecuted."

2. "On the other hand this government wishes to make it unmistakably clear that the United States has no hostile or aggressive designs whatsoever with respect to the Soviet Union."

In a response Sunday to Smith's statement, Radio Moscow said the Soviet Union is ready to pursue a "policy of peace and cooperation with the United States."

The Soviet further interpreted the Smith note as a bid for "discussion and settlement" with Russia of differences which have split the post-war world.

The Moscow broadcast said Molotov had agreed to the proposal for talks ascribed to the United States. The State Department today disclosed that Smith gave Molotov 500-word oral response to the Soviet Foreign Minister's reply to the original American note.

At no point in this latest move in Moscow did Smith encourage any hope on the part of the Russians that the American Government would enter at this time into negotiations with the Russians for an overall settlement of differences between the two countries.

## Raise Over Half Of Needed Funds

Winston-Salem, May 11—(AP)—Over half of the \$1,500,000 being raised in Winston-Salem and Forsyth county to help move Wake Forest College here has been procured.

Campaign Chairman Irving Carley said today that \$826,584 had been raised. Nine hundred workers are engaged in the campaign to raise the needed amount.

## Seeks \$3 Bills To Honor F.D.R.

Washington, May 11—(AP)—Congress will be asked to create a \$3 bill to honor the late President Franklin D. Roosevelt.

Rep. Klein (NY), who describes himself as a Roosevelt Democrat, said today he will introduce an authorization measure this week.

Klein said a \$3 bill would perpetuate the name of the late President because—among other things—it would signify his tenure of office. "Three terms, plus three months of his fourth term."

## Correspondent Is Disillusioned By War In Holy Land

**'Exploded Propaganda  
Balloon'; News-  
man Says Jews Control  
Situation**

(The following dispatch represents the considered judgment of an experienced and able correspondent who has visited most of the Arab lands in recent weeks.)

By DANIEL DE LUKE  
Jerusalem, May 11—(AP)—The threatened war between a Jewish state and the Arab world looks more and more today like an exploded propaganda balloon.

This correspondent has come to this conclusion after weeks spent mostly in Arab capitals and after seeing the Jewish setup in Palestine. The Jewish State is now a reality despite diplomatic discussions at Lake Success for the continuation of the British mandate until May 15.

It has an army which has decisively defeated a few thousand poorly led Arab volunteers, the majority of whom came from outside Palestine.

This army, Hagana, in addition to holding that part of Palestine allotted the Jews under the United Nations partition plan, now dominates many Arab districts outside the Jewish boundaries drawn by the U. N.

The Jewish state is totally mobilized for military action. The Palestine Arabs are a military nonentity, and the neighboring Arab powers are squabbling in their high councils instead of uniting.

## Applications Of Negro Students To Be Studied

Raleigh, N. C., May 11—(AP)—Applications of three Negroes for admission to graduate schools of the University of North Carolina probably will be considered next Monday.

The executive committee of the University trustees will meet in Governor Cherry's office at 11 a.m. and is expected to consider the matter.

The applications were filed several weeks ago by James Walker of Statesville and Harold Thomas Epps, law students at the North Carolina college at Durham and Dewey M. Clayton III of Timberlake. Walker and Epps applied for admission to the University Law School and Clayton sought admission to the Medical School.

At the time the applications were filed, President Frank Graham of the Greater University said that "this matter goes to the board of trustees which is an agent of the State Legislature."

## Union Reaches Foundation Goal

Atlantic City, N. J., May 11—(AP)—The CIO Amalgamated Clothing Workers Union announced today it has reached its goal for a \$1,000,000 Sidney Hillman foundation.

"Now it is just a matter of spending the money for the projects of the foundation," a spokesman said. The announcement came as 1,250 delegates to the union's 16th biennial convention participated in a memorial service for Hillman, clothing worker leader who died in 1946.

## U.S. Communist Party Attacked

**House Committee Charges Advocacy Of  
Overthrow 'Of Our Government  
By Force And Violence'**

Washington, May 11—(AP)—The Communist party of the United States was formally accused today of advocating "the overthrow of our government by force and violence."

The House Committee on Un-American Activities made the accusation and called upon the executive branch of the government for "vigorous enforcement" of existing laws to curb Communist activities.

"What the Chinese or Greek Communists are doing today is what the American Communists plan to do tomorrow," the committee declared.

In a 160-page report distributed to members of the House, the committee said it has voluminous evidence that:

1. The teachings of Marx, Engels, Lenin, and Stalin constitute the credo of the Communist party, U. S. A.—in fact of the Communist movement throughout the world. The doctrine of forceful and violent overthrow of anti-Communist governments is a basic premise of these teachings.

2. The model party of the American Communist is the Communist party of the Soviet Union, whose history forms a basic guide or textbook for American Communists on the practice of force and violence.

3. The American party is now

## Compromise Air Force Bill Approved In House

**No Dissents In Voice  
Vote; 70-Group Air  
Force Awaits Senate  
Approval To Com-  
promise Measure**

Washington, May 11—(AP)—The House today passed a compromise bill designed to build up a 70-group Air Force.

No dissent was heard to the voice vote.

The compromise was drafted yesterday by a Senate-House committee after the two branches of Congress had passed different bills.

Only Senate approval is needed now to send the measure to President Truman.

A Senate-House conference committee cleared the way late yesterday for final congressional action on the Air Force measure.

Washington, May 11—(AP)—A volunteer plan for 18 year olds to get training as a military reserve was approved today by the Senate armed services committee.

It earmarks \$822,000,000 to start building a 70-group air fleet of jet fighters and long range bombers. That fund is part of more than \$3,000,000,000 the bill provides for the armed forces, mainly for contract authority to let the Air Force and the Navy's air arm order planes for later delivery.

Both the Senate and the House passed the bill by overwhelming votes, despite the Administration's original program for only 55 groups and its later offer to compromise on 66 groups.

Both branches of Congress voted \$822,000,000 for 70 groups. The conference committee had only minor differences to settle on other aspects of the bill.

## Senate Foreign Relations Body Supporting UN

Washington, May 11—(AP)—The Senate Foreign Relations Committee today is drafting a resolution calling for the United States to seek international peace and security through the United Nations.

Chairman Vandenberg (R-Mich.) said the resolution is in the form of a "working paper" for the advice of the President in pursuing this government's policy in the foreign field.

The working paper advocates voluntary agreement "to remove the veto from all questions involving specific settlements of international disputes and situations, and from the admission of new members."

## 65th Episcopal Meet To Open

Goldboro, N. C., May 11—(AP)—The 65th annual convention of the Episcopal Diocese of East North Carolina gets under way here tonight at 7 with the laymen's league banquet in hotel Goldboro.

Convention proper opens Wednesday morning and continues through noon Thursday. Appearing on the programs will be Bishops Thomas H. Wright of Wilmington of East Carolina, Thomas N. Carruthers of Charleston for South Carolina and Thomas C. Darst, retired Bishop of East Carolina, among others.

**TREMORS IN PERU**  
Lima, Peru, May 11—(AP)—Quakes were cracked and adobe buildings tumbled down by an earthquake early today in southern Peru and northern Chile. Some casualties were reported.

## Stassen Brings His Campaign To Tar Heel State

**N. C. Republicans  
Gather At Winston-  
Salem To Greet GOP  
Candidate**

Winston-Salem, May 11—(AP)—State Republican leaders rallied here today for the formal opening of Harold Stassen's campaign for southern support at the GOP National Convention.

Due by private plane shortly before noon, the energetic former Minnesota governor was awaited by more than 1,000 party members headed by State Chairman Sam A. Delapp.

Although the youthful presidential aspirant has been below the Mason-Dixon line several times, he will be seen and heard for the first time by many from this state.

Fresh from triumphs in Nebraska and Wisconsin, and "at least an even break" in Ohio, Stassen will spend the day in conferences and interviews to be culminated with a speech at the ball park at sundown.

During the day he will appear before several hundred editors of small newspapers of the nation who are touring North Carolina as part of the National Editorial Association convention.

What Stassen seeks is the support of the 26 delegates of this state who will voice their choice for a candidate to represent the GOP in the November presidential election.

North Carolina's 26 delegates are uncommitted—uncommitted, that is. However, lobby talk has been that some favor Robert A. Taft, a few others Thomas Dewey and Arthur Vandenberg.

Throughout his campaign, Stassen has employed the "direct approach." He was first among his fellow-party members to say he definitely wanted the job as president. He has toured the nation (more than 40,000 miles) speaking to large and small groups.

Following each appearance, Stassen has opened the meeting to a question and answer period—an innovation, some have called it.

He leaves here for Birmingham, Ala., where he will make a major speech and then moves on to Atlanta to open a southern headquarters.

## Son Gets Money Contesting Will

New Bern, N. C., May 11—(AP)—A consent judgment signed here yesterday awards \$58,000 to a son of the late James M. West, Seashore Transportation Company president.

The son, Millard Stanley West, Wilmington, O., had sought through court action to break his father's will. The case ended in a mistrial last November after six weeks of hearings.

Judge Henry L. Stevens signed the judgment after a superior court jury had considered the issues in the case.

## Offer Petitions For Third Party

Charleston, W. Va., May 11—(AP)—Petitions to put the names of Henry A. Wallace and Sen. Glen H. Taylor (D-Idaho) on the West Virginia ballot as candidates for President and Vice-President were filed with the Secretary of State here today.

Clive Knowles, chairman of Wallace's West Virginia organization, said the petitions bore 10,189 signatures. The signatures of 7,155 registered voters are required to put the names on the ballot next November.

## Dewey And Stassen To Argue Communist Issue

Bend, Ore., May 11—(AP)—Oregon's Republican presidential primary battle moved toward a dramatic climax today with Gov. Thomas E. Dewey agreeing to meet Harold E. Stassen in a radio debate on the issue of Communism.

The New York governor, barnstorming Oregon for the state's May 21 presidential preference, accepted an invitation to tangle with the Minnesota under the auspices of the Multnomah (Portland) County Republican Committee.

The date was yet undetermined. But less than two weeks remain before Oregon casts its ballots in the last popular primary election before the Republican National Convention in Philadelphia next June 21.

Stassen is due in Oregon this week ahead of schedule to meet Dewey's bid for Oregon's 12 convention votes. The political prestige of both candidates is at stake in the spectacular Oregon contest.

The outcome may determine the fate of presidential ambitions of both contenders for the Republican nomination.

Dewey accepted the face-to-face debate in a wire reply to Dr. Peter H. Odegard, president of Reed College of Portland. Dr. Odegard had offered the college as an impartial debate forum.

The New Yorker set the issue—"Shall the Communist Party Be Outlawed." He suggested a nationwide broadcast.

It is an issue on which he and his Minnesota rival are at bitter odds.

## Italian Vice-Premier Now Leading Contender In Race For Presidency

Rome, May 11—(AP)—Vice-Premier Luigi Einaudi emerged today as the leading contender for the presidency of the new Italian Republic. Barring unforeseen developments, his election is expected tonight.

Einaudi, 74, backed by the dominant Christian Democratic party, is a political independent. He is budget minister and Governor of the Bank of Italy.

On the third ballot of a joint session of the Senate and Chamber of Deputies, Einaudi received 462 votes. This was far short of the two-thirds margin required for election on any of the first three ballots. However, the constitution provides that if the

## Railroads Run On Schedule As Union Calls Off Walkout

## Present Proposals World Federalists

**Transformation Of UN Into Global Govern-  
ment Urged By Group In Testimony Be-  
fore House Foreign Affairs Body**

Washington, May 11—(AP)—World Federation advocates called on Congress today to take the lead in seeking to transform the United Nations into a global government.

Cord Meyer, Jr., war veteran president of United World Federalists told the House Foreign Affairs committee such a move is needed "to replace the present rivalry for the methods of collective suicide."

Meyer's stand was seconded by Thomas K. Finletter, chairman of the President's Air Policy Commission, and W. T. Holliday, president of the Standard Oil Company of Ohio.

The Foreign Affairs committee is considering several congressional proposals for revising the U.N. charter to eliminate the veto and to provide a world police force capable of enforcing the peace.

The World Federalists proposals set forth a long range plan under which all nations would forego national sovereignty in favor of a universal peace-keeping assemblage. Such a federation would have con-

## Chrysler Strike Hour Announced

Detroit, May 11—(AP)—The CIO United Auto Workers today set 9 a. m. (EST) Wednesday for a walkout of 75,000 Chrysler Corp. employees in the absence of a wage demand settlement.

Meanwhile, government mediators continued talks with company and union negotiators in efforts to head off a strike of workers in 18 plants.

Norman R. Matthews, national UAW-CIO Chrysler director, announced the hour for the strike with only 24 hours remaining to reach an agreement.

Matthews said the union would continue negotiations until 6:30 p. m. (EST) tonight when the UAW representatives must report to the union's 100-man national Chrysler conference.

The conference was called to meet on a "stand-by" basis to receive any Chrysler offer or map strike strategy.

Matthews did not rule out the possibility of further negotiations with Chrysler following the union report tonight to the conference.

## Soviet Bloc May Recognize New Jewish Nation

Lake Success, May 11—(AP)—A high ranking United Nations delegate said today that Russia and her satellites plan to recognize the new Jewish nation in Palestine.

The delegate told the Associated Press that it is not certain yet whether such diplomatic recognition will be extended immediately upon proclamation of an independent country by the Zionists. He said the decision would be timed with developments and that some Latin-American Republics would join in the move.

The Zionists have announced they will proclaim a new nation in their section of the Holy Land under the United Nations partition decision. The move is expected simultaneously with a British announcement of the end of the old League of Nations mandate at midnight Friday.

## Jungle Animals Arrive On Ship

San Francisco, May 11—(AP)—The freighter President Grant will dock today with what its operators said is one of the largest consignments of jungle animals loaded into one ship since the days of Noah.

The ship is bringing from Siam 2,000 birds, 200 monkeys, 100 Cobras, 200 Gophers and other snakes, 200 Gibbon Apes, seven Elton Jop, six Bears, four Siamese Golden Cats and a pair of Hoopoes.

The American President Lines said America had never before received any Hoopoes birds. Some 50,000 words were air-expressed from California to the Orient to feed the Hoopoes on their three week cruise.

## Warm, Humid In Southeast U.S.

Chicago, May 11—(AP)—More warm and humid weather was in prospect for the south and eastern part of the country today as seasonably cool temperatures prevailed in the Great Lakes and central plains states.

The federal weather bureau said a weak low pressure system extends from Southern Texas northeastward to the lower Great Lakes, serving as a dividing line between the warm and cool weather.

## Army Lifts Emergen- cy Embargo On Ship- ment Of Perishable Goods; White House Withdraws From Di- rect Attempts To Get Strike Settlement

Washington, May 11—(AP)—The railroads ran as usual under government direction today and the Army lifted the emergency embargo on shipment of perishable goods.

The action restoring freight service to normal came after the government forced the engineers, firemen and switchmen to call off a strike set for this morning.

Eighty-eight lines had banned shipments of perishables during the weekend to prevent them from being stranded in event of a walkout. Many cancelled the embargoes last night, however, in advance of the Army order.

The rail unions called off the threatened strike in compliance with a court order from Justice T. Alan Goldsborough—the Federal Judge who twice fined John L. Lewis for contempt in mine strikes.

With the Army in charge of rail operations, the White House withdrew from direct attempts to get the unions and managements to settle their wage dispute.

Presidential Press Secretary Charles G. Ross said he assumed there would be further talks between the operators and brotherhoods. But he said Presidential assistant John R. Steelman will not start any new conferences.

Steelman met for hours with both sides in futile efforts to get a settlement before President Truman seized the roads yesterday.

Ross said Steelman "will be available if either side asks his assistance." He added:

"He is ready to lend his good office in any attempt at a settlement that will permit the return of the railroads to private management."

There appeared to be plenty of stumbling blocks ahead.

Goldsborough's "temporary restraining order" (a type of injunction) expires May 19, eight days from today. The Judge set a hearing for that date on the Government's request for a longer injunction. The three unions will have their chance then to fight back.

There were other question marks too.

President Truman had to seize the railroads to ward off the strike. The Army thus found itself in technical possession of the country's immense network of railroads.

How would it deal with the unions?

When could it turn the properties back to their owners without risking a new deadlock and an actual strike?

The 11-month-old dispute over wages and working rules is not settled. Presidential Assistant John R. Steelman had labored for days to persuade the railroad operators and the unions to come to an agreement.

But he failed and yesterday's seizure order was the result.

Secretary of the Army Royal planned to confer again some time today with the heads of the three unions: David B. Robertson of the Locomotive Firemen and Engineers; Alvanley Johnston of the Locomotive Engineers; and A. J. Glover of the Switchmen's union.

Last night, after facing reporters and cameramen at frequent intervals all through a dramatic and swift-changing day, the three union chiefs cooped themselves up in their hotel rooms and let a young assistant, Eddie Gloss, make the announcement the country was waiting to hear.

**CONDITION CRITICAL**  
Washington, May 11—(AP)—Senator Overton (D-La.) remained in a critical condition today at Bethesda Naval Hospital where he was operated on a week ago for an intestinal obstruction.

## Meat Shortage Ahead

**Experts Say Meat Situation Will Get Worse Before It  
Gets Better; Record Consumption; Breeding Ani-  
mals Slaughtered; A Cycle In Meat Production**

By ROBERT E. GEIGER

Washington—Meat experts say America's meat situation still must get worse before it gets better.

They say the explanation is simple.

"In the past year we have eaten up our cattle and calves at a record rate," says Berryman R. Hurt of the Bureau of Agricultural Economics (BAE) of the U.S. Department of Agriculture.

"Heavy slaughter speeded the decline in the number of cattle on farms. The decline has been under way since 1944."

This means so many breeding animals have been slaughtered that beef herds can't be increased quickly. And this in turn means less meat.

The experts say that if the downward trend in cattle numbers was stopped this year the slaughter would have to be limited to 30,000,000 animals. This would cut the beef supply by one-sixth compared with 1947.

Pork supplies might be boosted to make up for the short supply of beef. But for the price of corn was so high last fall that many farmers found it more profitable, or more desirable, to feed their hogs instead of raising pigs and fattening them with corn. Thus the 1948 spring pig crop was a small one.

If meat production patterns follow their usual course it may be 1954 before there is a substantial upturn in the beef supply.

If the corn crop is a bumper one, the pig crop could be increased next year and thus there would be more pork by 1950, but the number of stock sheep on farms is the lowest in 80 years, so the prospect for more lamb and mutton isn't bright.

The BAE now estimates there will be about 10 percent less meat this year than in 1947. This is a reduction of about 2,000,000,000 pounds of beef, pork and mutton.

In 1947 about 155 pounds were available for each person. This year it is estimated the supply will range between 143 and 145 pounds.

The cattle population runs in a cycle. Usually it's from six to eight years between the peaks and the lows. This has been the marketing pattern for years.

A prewar low point was reached in 1938 when the number of cattle and calves totaled 65,200,000. A peak was reached in 1945. There were then 85,600,000 cattle and calves on U.S. farms, an all-time high.

During 1945 and 1946 the slaughter was so heavy that cattle numbers declined. By the end of 1946 they were down to 81,000,000 head. Now they number 78,500,000, lowest since 1942.

# Social and Personal

All items for this page received after 10:00 A. M. will be published the following day. Dial 3346 9:00 A. M. to Noon — 1:00 to 4:30 P. M.

Mr. and Mrs. M. G. Tucker and Miss Margaret Tucker attended the Mother's Day program Sunday at Edwards Military Institute at Seaboard, N. C.

Mrs. J. F. Harrington and Mrs. J. C. Galloway have returned from a trip to Bermuda, New York and Baltimore.

Mrs. George Sharpe, of Burlington is spending a few days with her mother, Mrs. Susie Warren, at the home of Mrs. H. L. Hodges.

Mr. and Mrs. John G. Ashe and little daughter, Ceila, of Raleigh spent the week-end with Mr. and Mrs. J. Arthur Jones.

Friends of John Smith will regret to learn that he is ill in Pitt General Hospital.

Mr. and Mrs. James Briley, Mr. and Mrs. Norman E. Warren and son, Phil, and Mrs. Ruth E. Harris spent Sunday with Mr. and Mrs. W. B. Harris in Chapel Hill.

**May Meeting of Woman's Club**  
The regular meeting of the Greenville Woman's Club was held on Friday at 3:30 at the club house. Mrs. Vance Perkins presided, called the meeting to order and led the group in reading the collected. The minutes were read and approved and the treasurer's report was given. Miss Anne Beatty was introduced by Mrs. Perkins. She thanked the club for the scholarship she had enjoyed the past year. Reports from departments and chairmen were given. Mrs. B. McKay Johnston reported on the cancer drive. Over \$3,000 was contributed. She thanked all who had helped with this project.

Mrs. Arthur Corey introduced Mrs. L. W. Edwards who was in charge of the program for the Junior Woman's Club. Mrs. Clyde Hollowell gave a very interesting report of the Watson Memorial Wing of Pitt General Hospital and told of many valuable purchases made to aid in caring for children. Dr. Malone Irons spoke briefly telling how the contribution made by the Junior Woman's Club had added to the comfort and well being of the patients and the parents. Mrs. L. B. Tyson gave two readings, "The Foot of the Bed" and "A Cheerful Little Earful."

At the conclusion club members and guests were invited to a lovely appointed table centered with red and white spring flowers. Punch, cookies, mints and nuts were served by the hostesses, Mesdames W. H. Taft, John Warner, A. O. Tadlock, J. B. White, P. E. Wells, L. W. Tracy, Robert Van Dine, Claude Tunstall, Harry Ward, DeRoche Vincent, Dan Vornholt, C. W. Willard, E. L. Willard, Maude Swartz, Ray Tyson, Misses Frances Wahl and Mamie Ruth Tunstall.

**Card of Appreciation**  
We wish to express our appreciation to everyone for the many kindnesses shown us at the time of the death of our beloved son, Stanley Lee.

**MR. & MRS. HORACE G. HARDEE**  
German Club Picnic Supper  
The German Club will entertain at a picnic supper and dance on Saturday, May 22, at 7 o'clock at the Country Club.

## SOCIAL CALENDAR

**TUESDAY**  
8:00 p. m.—The King's Daughters meet with Mrs. J. H. Randolph and Mrs. George Renfro at the home of Mrs. Renfro, 402 Greene street.

8:00 p. m.—Witha Council Degree of Pochontas meets.

**WEDNESDAY**  
2:15 p. m.—Meeting of St. Raphael's P. T. A.  
2:40 p. m.—Study Group meets at Training School.

3:30 p. m.—P. T. A. of Training School meets.

4:00 p. m. to 6:00 p. m.—Registration for year 1948-49 at St. Raphael's School.

8:00 p. m.—Carrie Wilson class of Immanuel Baptist Church meets with Mrs. W. G. Rush.

8:00 p. m.—Annual dance recital, "The Magic Garden," by talented students of Miss Margaret Rose in Austin auditorium, sponsored by the Junior Woman's Club. Benefit Watson Memorial Children's Wing of Pitt General Hospital.

8:00 p. m.—Greenville White Shrine No. 7 will meet in the Masonic Hall.

**THURSDAY**  
3:30 p. m.—The Senior class and the Teacher's Playhouse of East Carolina Teachers College will present "The Man Who Came to Dinner," sprightly comedy by Moss Hart and George S. Kaufman, in the Austin auditorium. Two other performances will follow this initial presentation of the play.

4:00 p. m. to 6:00 p. m.—Registration for year 1948-49 at St. Raphael's School.

7:30 p. m.—Bosses' night dinner of the B. & P. Woman's Club in Masonic Hall.

8:00 p. m.—"The Man Who Came to Dinner" will be presented in the Austin auditorium in a second performance by the Senior class and the Teachers' Playhouse of the college.

**FRIDAY**  
4:00 p. m. to 6:00 p. m.—Registration for year 1948-49 at St. Raphael's School.

6:30 p. m.—Kiwanis Club.

8:00 p. m.—Final performance of the gay comedy "The Man Who Came to Dinner" by the Senior class and the Teachers' playhouse of East Carolina Teachers College in the Austin auditorium.

**Dr. Collins and Family Visit Relatives**

Dr. and Mrs. Ralph S. Collins arrived last evening to visit with Mr. and Mrs. John A. Collins, Sr., and his other brothers and sisters. Dr. Collins is a foreign service officer of the State Department and was assigned to Ambassador Murphy's staff in Berlin, Germany. Mrs. Collins and their three children joined him in Berlin in May, 1946. They returned home on the S. S. America on April 29th, and since then have been visiting Mrs. Collins' parents in Cornwall on Hudson, New York. Dr. Collins will next be assigned to the State Department in Washington, D. C.

## Celebrate Birthdays

Griffon—Mrs. Jack Tucker entertained on Thursday and Friday afternoon at two enjoyable parties for her children, Lawrence and Argent who celebrated their fourth and seventh birthdays respectively. At the first party the little folks enjoyed games and for the refreshment hour were invited into the dining room where the table was arranged with a center piece of flowers and festooned with crepe paper streamers in pastel shades. Cup cakes with lighted candles, pop corn, candy and drinks were served, favors were novelty whistles.

On Friday the young people played out door games and had contests and for refreshments a lighted birthday cake with the eleven candles, sandwiches and iced drinks. There were forty odd guests on each occasion.

## Hostess to Contract Club

Griffon—Mrs. Julius Chauncey was hostess on Thursday night to members of her contract club and invited players for four tables of bridge. Bouquets of roses were used as decorations throughout the home. During the progressions Mrs. Ben G. Tucker and Mrs. Walter Patrick were high scorers for club members and Miss Hazel Patrick for the visitors. They were remembered with gifts. Making up the tables were Mrs. Tucker, Mrs. Patrick, Miss Patrick, Mrs. Sam Nelson, Mrs. Roy Jackson, Mrs. Glendel Tucker, Mrs. Milton Hart, Mrs. Roger Johnson, Mrs. Carey Garris, Mrs. Edward Hart, Mrs. Wiley Gaskins, Mrs. Paul Bradley, Mrs. Josh Worthington, Mrs. Elmo Smith, Mrs. Norwood Lockhart, and Mrs. Nannie McGlohon.

## Seniors Entertained

Griffon—On a recent evening Mrs. J. S. Chapman entertained at a delightful party for members of the senior class of the Griffon High School and the faculty, as a compliment to her son, John, who is a member of the class.

Lovely arrangements of roses were used as decorations, place cards and favors were of unique design denoting the approaching graduation. After the delectable barbecue supper singing by the group and "Truth and Consequences" was enjoyed. Members of the class are Mary Lee Buck, Elise Purser, Peggy Jones, Lib Stallings, Edna Westbrook, Margie Miller, John Chapman, John Braxton, Elbert Briley, Sherman McLawhorn, Alton Clemens, Donald Purser, Allen Jones, Willie Lewis.

## Attention Junior Hostesses

All who have registered to go to the dance at Cherry Point on Wednesday night are requested to meet at the Service Men's home at 6 o'clock as Cherry Point is operating on daylight saving time.

## Bake Sale

St. Anne's chapter of St. Paul's Episcopal Church will have a bake sale Friday morning at 10:30 at Folger Buick Co.

## Help relieve distress of MONTHLY FEMALE COMPLAINTS

Are you troubled by distress of female functional periodic disturbances? Does this make you suffer from pain, feel so nervous, tired—at such times? Then try Lydia E. Pinkham's Vegetable Compound to relieve such symptoms. Pinkham's has a grand soothing effect on one of women's most important organs! LYDIA E. PINKHAM'S COMPOUND

## Mr. and Mrs. Cobb Entertain

Griffon—Mr. and Mrs. Cecil Cobb were at home to members of their bridge club for supper on Friday at their home here, throughout the rooms where the guests were received bowls of mixed spring flowers were used as decorations. On arrival a buffet supper was served. During the bridge games which followed high at scores were compiled by Mr. and Mrs. M. B. Hodges. Other players were Mr. and Mrs. W. I. Bissette, Mr. and Mrs. L. L. Mewborn, Mr. and Mrs. Thurman J. Williams, Mr. and Mrs. Glendel Tucker and Miss Hazel Patrick.

## Mother's Day Program at St. Raphael's

The children of Saint Raphael's school presented their annual Mother's Day program on Friday, May 7, at 8 p. m. in the recently completed auditorium of the school. Guests were the families and friends of the pupils.

The program was as follows: Welcome Song, Groups I and II, Medley of Songs and Poems, Nursery.

A Tribute to Mother, Kindergarten.

Humpty Dumpty, Groups I and II, Address, Rev. C. J. Gable.

The children were attractively costumed and the stage and auditorium were decorated with colorful spring flowers.

## At the conclusion of the program

everyone was invited into the classrooms for refreshments, which were served from a beautifully decorated table. A very enjoyable social hour followed, and the program was acclaimed by all as most successful.

## Mrs. Barrett Honored at Luncheon

Mrs. Alton Barrett was honored on Saturday at 1 o'clock when Mrs. J. H. Blount entertained at luncheon at her home on Elizabeth street.

A profusion of spring flowers with red roses predominating decorated the drawing room, sun room and den. An arrangement of foxgloves in the drawing room was especially lovely.

The table in the dining room held a beautiful center piece of pink roses and painted daisies.

Mrs. Burke Standell and Mrs. Adelaide Barrett, seated at either end of the table, served a delightful luncheon. They were assisted by Mesdames H. L. Rivers, Key Brown, Leighton Blount, Marvin Blount, Charles White and Miss Sue Barrett.

**Carrie Wilson Class**  
The Carrie Wilson class of Immanuel Baptist church will meet Wednesday evening at 8 o'clock at the home of Mrs. W. G. Rush on West Third street.

## Promoted

Cadet Opl. Mahlon Tucker, Jr., has been promoted to Sergeant at Edwards Military Institute. He is squadron leader of the 3rd squad of the 1st platoon which won the cup at the best drilled platoon at the Mother's Day parade.

## ELKS MEET THURSDAY

Greenville Lodge No. 1645, Benevolent and Protective Order of Elks, will meet Thursday night at 8 o'clock. Exalted Ruler J. Alvin Bunting will preside.

More than one billion acres of the United States' 1,905,000,000 acres are in farms.

The peregrine falcon, used for centuries in hunting, is a close kin to the American hawk.

## Tough Times For Family Budgets

Chapel Hill, N.C., May 11—(AP)—If you're having trouble balancing the family budget, mister, then settle back for some gloomy news. The worst is yet to come.

So says a Duke University economics professor who sees little hope for you to make ends meet in the months—or maybe years—that lie ahead.

Predicting continued inflation for many months, perhaps years, Dr. Robert E. Smith of Duke yesterday told the 11th annual Groves conference on conservation of marriage and the family.

"To all appearances, the problem of family money management should be approached on the assumption of a steadily rising price level.

"Perhaps the safest assumption for the great majority of families is that most of the time money incomes, after taxes, will not match the rising cost of living."

## Family Teams Up In Housing Work

Memphis, Tenn.—(P)—Two sisters and their 80-year-old father are busy building houses here—in the \$14,500 class.

Mrs. Evelyn Jehl gets up early in the morning to order cement. Her sister, Caroline Meadows, pays off the carpenters, plumbers and painters in the family kitchen. And their father, J. B. Meadows, handles the other angles.

The trio teamed up before the war in construction business but quit. Now they've started again. They already have completed two homes, three are nearly finished and five are in the planning stage.

## Speaker Martin In Tar Heel State

Lexington, N. C. May 11—(P)—House Speaker Joe Martin, Jr. (R-Mass.) is scheduled for an address at a barbecue dinner here Saturday.

North Carolina Republican chairman Sam A. Delapp made the announcement yesterday. The state GOP Chairman added that invita-

## Queen Of Rocky Mount Gallopade

Elected by popular vote of the city's residents, Miss Georgia Mayberry (above) will reign as queen of Rocky Mount's ninth annual three-day Gallopade of fun and frolic May 13, 14, and 15. She will preside over a court composed of princesses from eastern Carolina towns (AP Photo).

## 40 Years Ago Today

THE DAILY REFLECTOR May 11, 1908

Another reunion day has been observed by Bryan Grimes Camp of Confederate Veterans of Pitt county. Everything that could be planned for the pleasure of the old soldiers was arranged by the committee and the enjoyment of the day shows how well their work was done.

The first event of interest to the visitors was the marching of the drum corps. The corps was recently organized and this was its first appearance in public. The corps consists of the following: Drum Major W. T. Burton, piccolo G. J. Woodward, color bearer Ben Taylor, drummers Bruce Hooker, Percy Forbes, Whit Brown, Seth Hooker, Ferrell Burch, Earl Forbes and E. H. Foley.

At the conclusion of the exercises the veterans repaired to the court house square where a bounteous dinner was served.

will be in Greenwood cemetery. Mack Lee was born in Greenville and moved to Newport News, Va., in 1943 with his family. He lived there until May, 1945, before returning here. He was in the fourth grade in the Training school.

Surviving are his parents; two brothers, Thomas F. and Bruce Whitaker; a sister, Patricia Ann Whitaker, all of the home, and his grandmother, Mrs. Lena Whitaker of Greenville.

Only about 342,000,000 acres of this country's 1,905,000,000 acres are really good cultivatable land.

## A Difference

Spokane, Wash., May 11—(AP)—A woman called Police Capt. George Freeman from Cape Girardeau, Mo., yesterday. She said a man was giving her some trouble and she wanted an officer. Freeman told her to call her local sheriff.

What she didn't know was that she wasn't talking to near-by Spokane, Mo., but to Spokane, Wash. It makes about 2,000 miles of difference.

## Murray Attacks Many Writs Now Against Unions

Boston, May 11.—(AP)—CIO President Philip Murray said today that nearly every federal court in the land is being petitioned for injunctions against labor.

Murray told a convention of the steelworkers, which he also heads, that since the Taft-Hartley law "more writs of injunction against labor have been issued than ever before in the nation's history."

"The extent to which the federal government will go in the conduct of these enterprises was indicated in the Goldsborough injunction only yesterday against the Railroad Workers of the United States of America," he said.

Murray charged that organized wealth—"the big boys"—is being supported by the courts and the Taft-Hartley act, and added: "The federal courts are being petitioned in almost every one of their jurisdictions for injunctions of one type or another to restrain and prohibit and prevent labor exercising its common rights."

Murray did not give any hint of what the steelworkers may ask in wages in 1949. He charged, however, that the recent price cuts announced by major steel companies were "a mass of psychological sop offered the American people to help the industry overcome the bad publicity of a \$5 a ton steel increase last February."

## Major Interest in RKO Is Sold

Los Angeles, May 11.—(AP)—Floyd B. Odum, head of Alisa Corporation, announced today the sale of the major interest in RKO Studios to Planemaker Howard Hughes. Price of the 929,000 shares was not disclosed but a studio source estimated the amount between \$8,000,000 and \$9,000,000. The stock currently is selling at about \$9. An RKO spokesman said Hughes' shares amount to about 24 per cent of the stock outstanding among some 33,000 shareholders, enough to give him control of the motion picture firm's affairs.

## Cleaning Buses Was Temptation

Detroit, May 11.—(AP)—Months of cleaning city buses and streetcars were too much for 25-year-old Jesse H. Newton.

During lunch hour last Friday he gave in to an "overpowering urge" and drove one of the buses he was vacuuming on a wild trip toward downtown Detroit.

Most pedestrians and motorists ducked out of his way, but police charged Newton's bus clipped two cars before they caught up with him.

## Many Pitt Mothers At Theater Party

About one hundred mothers attended the Pitt Theater-Daily Reflector annual Mothers' Day party at the theater yesterday afternoon. The A A Taxi Company furnished

**PENTHOUSE ON FACTORY** — H. G. Walters of San Francisco solved his housing problem by building a penthouse on top of a factory near the waterfront. Top: Mrs. Walters relaxes near east window which overlooks bay. Bottom: The house is divided into two parts, the main house (right) and the guest house. The guest house contains living room, bedroom, kitchenette and bath. The main house has seven rooms and three baths. Entrance to the penthouse is from a freight elevator under the tower at right.

free transportation for mothers to the show, and upon arrival, representatives of the Greenville Floral Company presented bouquets. Belk-Tyler Company furnished an attractive gift, that went to Mrs. J. C. Taylor as the oldest mother in attendance.

## Son Shoots His Invalid Mother

Chicago, May 11.—(AP)—Earl Cadle, 31-year-old electrician, was held in jail today after, police said, he related how he shot and seriously wounded his invalid mother because he was unable to care for her.

His mother, Mrs. Alice Cadle, 52, a widow, was in a hospital in critical condition. She was shot several times.

Lt. Joseph Kelly said Cadle was being held without charge for further questioning. He said police had been summoned to the Cadle home on the far South Side yesterday. Kelly said Cadle was carrying a .22 caliber pistol from which he admitted firing seven shots.

Kelly said Cadle had been taking care of his mother since she suffered a stroke about three years ago shortly after her husband died.

"I haven't been able to sleep for four days and nights," Kelly quoted Cadle as saying. "I walked the streets all day Mother's Day and through the night. When I came home early this morning she was lying helpless on the floor."

"I couldn't stand it any longer. So I shot her. I emptied the gun on her."

## Meat Shortage . . .

(Continued from Page One)

If the cycle follows its usual course it will reach a low about 1950-51 and then start upward. But the beef supply won't climb back up to today's level until around 1954 if the cycle behaves in the normal way.

Demand for meat is above normal. More people are eating more meat. Another factor complicating

the average man's outlook for more meat is this: U.S. population is on the increase.

This means livestock production in future years will have to be substantially above the prewar level to provide as much meat for each person. The U.S. now has about 13,000,000 more persons than at the start of the war.

## New Aerial . . .

(Continued from Page One)

it with the naked eye. The obvious answer is electronics, or "radar" as it is usually called.

Head-on attacks, such as were not uncommon during the recent war, probably would be suicide. In addition

to the short time allowed for decisions, the wider turning arc would make it next to impossible to avoid hitting an approaching plane—or the debris if bullets caused it to disintegrate.

Side attacks also present serious problems because the deflection of "lead" would have to be greater than is possible with present sights.

In addition to such problems, there are some new complications with which aerial fighters will have to contend: pressurization of the cockpit; the increase in temperature in the cockpit due to air friction at high speed; ejection seats for throwing the pilot clear if necessary to abandon the plane, and developing new guns and rockets which can be used effectively at high speeds.

# Phebus-Men Topped By New Bern Bears By 5-1 Margin

## One Rookie Hits Top Ten Ranks

New York, May 11—(AP)—Only one Phebus was able to break into the National League's top ten hitters to day as veteran Tommy Phebus of Boston took over the No. 1 spot in the batting race after three weeks of play.

The rookie was Harry Schenz, flashy second baseman of the Chicago Cubs, who just managed to sneak into the first ten with a mark of .338. Holmes, runner-up to Phil Cavarretta for the 1945 batting championship, was hitting a gaudy .444.

The stocky Braves' outfielder, who missed a full week of play because of an ankle injury, boasted a .43 point bulge over runnerup Frankie Gustine of the Sunday, May 9, through games of Sunday, May 9, Gustine, always a great "spring hitter," was hitting a neat .431. Only other National League to top 400 is Bruce Edwards of Brooklyn with .465.

Gustine, who played in 17 games to 11 for Holmes, has cracked out 26 hits in 65 times at bat. Holmes, in 36 appearances at the plate, has connected safely 16 times.

Every club with the exception of the cellar-dwelling Cincinnati Reds were represented in the top ten. The Dodgers had the best representation, five. Wee Reese followed close behind Edwards with a fourth place .386. Outfielder Carl Furillo ranked eighth with .349.

## Boxing Matches At Armory Next Thursday Night

On Thursday night, Pitt fistic fans will have an opportunity to witness the first of a series of boxing matches at the local armory.

Earl E. Forbes promoting the event, says he hopes to be able to offer a card of top-grade talent in either boxing or wrestling, one night a week.

Thursday's card offers a main event scheduled to go for eight rounds and two preliminaries at three rounds each.

"Fans can expect good, clean sportmanship," promised Forbes in outlining his plans for the future.

"Any local boys who would like to box on the card can contact me (telephone 3230) and I'll do my best to match them up."

Forbes plans to include wrestling matches in future programs.

"First bout on Thursday night in the armory, starts at 8:00 p. m."

## MISSISSIPPI HOPEFUL

### Play Tonight

Greenville's fighting Phantoms seek their second win of the season here tonight at 7:45 in Guy Smith Stadium against the New Bern Bears. Coach Bo Farley will probably use Glynn Perkins as the starting pitcher for the G-Men.

Perkins hurled a no-hitter against Elizabeth City, but lost 2-4.

The Greenies took their only win against Washington, beating the Pam Pack 2-1 behind the three-hit pitching of Perkins.

In their last home start, the improving G-men lost a close 7-6 decision to the Roanoke Rapids Jays.

## Citadel Topples ECTC Net Team

The Citadel handed the ECTC netters their third straight defeat 6-3, here yesterday afternoon. It was the first match of a four-day invasion of North Carolina for the Citadel.

Before starting the losing streak, the Teachers had won four victories and were undefeated. In the last three matches, they have been playing without the services of their No. 1 man, Wayne Harrison, who is out with a broken ankle.

On Thursday the ECTC netters will play Cherry Point here.

## Luis Arroyo Strikes Out 13 But Loses Pitching Contest With Gaskins; Lone Score Came In First Frame

By BERT MOYE

Denny Gaskins hurled his fourth victory of the season here last night as the New Bern Bears posted a 5-1 win over Manager Bill Phebus' powerless Greenies.

Greenville did all their scoring of the game in the first frame by chalking up their lone tally. Ray Phillips got an infield hit, stole second, went to third on Cohen's infield out and scored on Gaskins' wild pitch.

However, the Greenies had chances to score in three other innings during the game, but just did not have the power to provide a hit at the opportune time. In the fifth frame the bases were loaded with two away, but Bob Cohen hit to short to force a runner at second for the third time.

**GREENIES' SCHEDULE**  
The Greenville ball club plays in New Bern tonight, and Goldsboro meets the locals in Guy Smith Stadium on Wednesday evening. On Thursday, the Greenies play in Goldsboro, with Wilson providing the opposition here on Friday.

out, then in the sixth frame Nash doubled with one man out but when the inning ended Nash was still on second as the next two men popped up to the infield; and in the eighth frame Ramos doubled with one out and was likewise left on the second sack when the inning was over as the next two men went out via the strikeout method and an infield out to retire the side.

The Bears came back in the third frame and knotted the count at one-all when Zunno walked and Hobgood tripled to bring him home; and then scored two runs in the sixth to clinch the victory when Harry Soufas singled and after the next two men had been retired, Sullivan slammed a 330-foot homer over the left field wall to bring home Manager Soufas.

The Bears added their final two runs of the game in the eighth when Stuts reached first on Ramos' error, stole second, went to third on a wild pitch, Sullivan walked and Lee hit a double into deep centerfield to clear the bases.

Gaskins limited the Greenies to six hits, scattered among as many players, with Wiley Nash and Ramos getting doubles for the only extra base hits off his fast ball. He struck out seven Greenies and walked four.

Luis Arroyo, the little Cuban southpaw, who lost the pitcher's battle with Gaskins, lost his fourth game of the season as against one win. He struck out a total of 13 Bears—10 of them being in the first five frames. He walked five men, gave up seven hits—four of them being for extra bases—with Manager Harry Soufas getting three singles in four trips to the plate to lead the Bruins at bat and the only visitor to get more than one hit off the offerings of Arroyo.

The Greenies travel to New Bern tonight to play the Bears in a return game and Wednesday night play the Goldsboro Goldbugs at Guy Smith Stadium in the first of a two game series.

## Sees No Bright Golfer In Offing

New York, May 11—(AP)—Fredie Corcoran, who has had a chubby finger on the pulse of big time golf for years, surveyed the horizon today and said there's not a "promising comer" in sight.

"It's true," the bouncing Bostonian added. "We don't have any future Sarazens, Nelsons and Hogans on the way up. Where they'll come from nobody knows."

"Maybe it'll be necessary to take a tip from baseball—scout around for youngsters with talent, let our top pros instruct them in clinics and then give them a solid start in competition."

Corcoran said in an interview that the absence of bright young hopes in golf probably could be attributed to the war and the resultant inflation which struck a hard blow at caddy ranks, the incubator of links greats.

To devote more time to his personal promotional business, Corcoran recently resigned his post with the Professional Golfers Association. He was PGA tournament manager for 11 years and during the past year has served as promotional director.

"When I began with the PGA 12 years ago I saw four youngsters breaking in," he recalled. "They were Byron Nelson, Ben Hogan, Sammy Snead and Jimmy Demaret. They came along together, went to the top and stayed there. Looking over the present crop of coming golfers, I can't see anybody who promises to take their place."

## Backseat Given Eight-Man Crew

New York, May 11—(P)—"Rowing in America has been stifled by the dominance of eight-oared competition," says coach Allen (Skip) Wals of Yale—and he means to do something about it.

At the final Olympic crew tryouts in Philadelphia June 30-July 10 has been changed from the style followed previously so that now the eight oar finals come first, and America's representative will be chosen July 3.

"That means that the crews that lost out can be broken up and compete in any of the other six rowing events," said Wals. These are four oared shells with and without coxswain, two oared with and without coxswain, and single and double sculls.

"I maintain that in the past we have had as many good oarsmen sitting on the sidelines when the Olympics came along as we have had competing."

"We have always dominated the eight-oared event, but we have let the others go by the boards."

Then he added:

"College men have never been much interested in them. We have left them in the club rowers. A club rower just can't compete at the Olympic level against college kids who are competent, well equipped, and perfectly conditioned."

"I ought to know. I wasn't a college rower. I was always a club man."

## Legion Baseball Given Big Boost

Boston—(AP)—The American Legion's Junior baseball program, now 21 years old, got a big boost in the opening game this season between Philadelphia and Boston. Fifteen of the 18 players who started the contest were graduates of Legion play.

The entire Red Sox infield had Legion ball experience, and three of them—Stan Spence, Vern Stephens and Bobby Doerr—hit successive homers during the tilt.

**TOOK IT SERIOUSLY**  
Lisbon, Portugal—(P)—Luciana Rosa Cavira, 17, was such an avid fan of the football team of Olhao, a town in the south of Portugal, that she suffered a heart attack in an exciting moment during a game against Estrela. Taken outside the stadium, the girl recovered and insisted on going back to watch the finish of the game. Permission was refused. Enraged, the girl suffered another attack and died.

## Baseballs Come From Tennessee

Miss Mary Farrar, an employee of the Lannom Manufacturing Company at Tullahoma, Tenn., displays hundreds of baseballs ready for shipment to all parts of the country. Charles E. Parish, manager of the plant's baseball division, says his department and the nearby Wilson Manufacturing Company plant supply 40 per cent of the world's baseballs. He estimates the Lannom plant produces 3,500 baseballs per day. (AP Photo).

## Sport Slants by Pap

**Very Versatile** ... by Pap

Dave Bolen, Colorado's versatile track ace, gave additional evidence that he is America's leading hope for the Olympic 400-meter title when he defeated Herb McKenley in a special double furlough at the Colorado relays. McKenley had defeated Bolen in the National Collegiate and National A. A. U. championship last summer.

Bolen is just about the most versatile runner to come along in many years. Dave can run any distance from a 100-yard dash through a mile in championship style. His records indicate this—100-yard dash, 9.8 seconds; 220-yard dash, 20-5; 440 yards, 46-7; half mile, 1:52 and the mile run, 4:10. Since he has been concentrating on the quarter mile run, Dave won the event at the 1947 Compton Relays in 46.9 seconds. To further enhance his reputation for versatility, the 150-pound Negro ace stepped out and won the National A. A. U. 600-yard championship in his first race on a board track. He took a fling at the 400-meter hurdles in the Kansas Relays and created a new event record of 53 seconds although his hurdling form left much to be desired. The world mark for the event would be at his mercy if he had time to concentrate on hurdling form for a month or two.

Coach Frank Potts, Colorado's talented track tutor, says he has found in Bolen "not only the perfect athlete—always ready for the toughest sort of race—but one of the best students of the university, as well."

## Indians' Nursery Something New

Cleveland—(AP)—Baseball's newest innovation, the children's play room instituted by the Cleveland Indians so mothers can park their children while watching the ball game, got off to a roaring start this season. Fifty children between the ages of two and six were left in the nursery during the Indians' opening game. The nursery is free and is under the guidance of Miss Elizabeth Fithian, a former school teacher.

Lavishly equipped with toys and games, the nursery will be operated during each of the Cleveland day games.

## New Jersey Cage Fans Play Rough

New Brunswick, N. J.—(P)—When they have a brawl in New Jersey High school basketball games, even the bystanders don't get away unscathed.

## Swiss Bike Team In Pre-Olympics

Zurich, Switzerland—(AP)—Switzerland plans to send a team of bicycle racers to the international races for the Colombo trophy in Milan June 24, which is listed as a pre-Olympic event.

Meanwhile, in May ten Swiss bicyclists are to be selected as probable entries for the London Olympics, with further eliminations planned later. The ten "probables" will be required to compete in six forthcoming race meets in Switzerland in lieu of a routine training program.

## ANOTHER NEWHOUSER?

East Lansing, Mich.—(P)—Dick Dieters, sole letterman pitcher on Michigan State College's baseball team, is a product of the Roosevelt-Vander American Legion team of Detroit which gave Hal Newhouser, star left-hander of the Tigers, to baseball.

**WAIT TILL THURSDAY**

**WHAT DOES A BRAN EATER WANT IN BRAN?**

That's right—you're right when you say "aid in relieving constipation due to insufficient diet-bulk." But Nabisco 100% Bran gives you a taste-treat, too! It's finer flavored...and it's finer-milled—to make this bran gentler—easier on you. (If constipation continues, see a doctor.)

## Active Week For Women Of Pitt

The 22nd District of North Carolina Federation of Home Demonstration Clubs was held in the chapel at Atlantic Christian College, Wilson, on May 6. The meeting was called to order at 10:30 a.m. by Mrs. L. M. Dawson, president, from Snow Hill. F. H. Jeter, agricultural editor from State College, was the principal speaker.

One hundred and twenty Pitt County women attended this meeting. They were awarded the gavel for traveling the most number of miles. Green County was represented with 85 members; Wilson County with 130 members. Mrs. D. N. Nobles, Jr. was elected first vice-president of the district for the coming year. A barbecue lunch was served at the Wilson County Curb Market building by Wilson club women which was enjoyed by all.

A feature of the afternoon program was a visit to the flower show at the Wilson Woman's Club building given by the Garden Department of the Wilson Woman's Club. Twenty-second district officers were: Mrs. L. M. Dawson, Greene County, chairman; Mrs. L. D. Tomlinson, Wilson County, first vice-chairman; Mrs. H. D. Moye, Pitt County, second vice-chairman; and Mrs. B. J. Baker, Greene County, secretary and treasurer.

The officers of the Pitt County Federation of Home Demonstration Clubs, Mrs. D. N. Nobles, Jr., president; Mrs. R. B. Starling, vice-president; Mrs. Jasper Morgan, secretary; and Mrs. J. Brantley Speight, treasurer, entertained the members of the County Board of Commissioners—Mr. W. Jasper Smith, chairman; Mr. Brown Hodges, Mr. Vance Perkins, Mr. G. H. Pittman, Mr. Marvin Smith, and Mr. Charles Gaskins, secretary to the board and Pitt County Register of Deeds, Mrs. Fred Langford, Verna Belle Lowery, Marjorie Shearin, home agents, and Mrs. Ruel W. Tyson, secretary S. C. Winchester, farm agent at a luncheon in the auditorium of the Agricultural Building on May 3 in celebration of National Home Demonstration Week. The luncheon consisted of baked ham, sweet potato top hats, hot rolls, butter, string

## Principals In Cast Of "Man Who Came To Dinner"

Principals in the cast of Moss Hart and George S. Kaufman's "The Man Who Came to Dinner," which will be presented by the Senior class and the Teachers' Playhouse in the Austin auditorium on Thursday and Friday of this week, posed for the picture above during a rehearsal of the play. They are (left to right) back row, Betty Jo Wilson, Greenville; Claude B. West, Jr., Greenville; Lola Carrowan, Pantego; William Torrans, Warsaw; Mat Lou Daniels, Stem; and Jack Howard, North Wilkesboro; front row, Virgil Clark, Greenville; Nell Rose Ellis, Gatesville; Hubert Bergeron, Greenville; Hope, and Rose Force, Greenville. Bergeron will play the title role of Sheridan Whiteside, irascible radio commentator, a part made famous on the stage by Monty Woolley. Bergeron is something of a veteran performer. He has appeared at the college in a number of plays and during the war toured in Europe with a group of experienced actors and actresses in special services. Directing the play is Dr. Lucile H. Charles and her student assistants Helen Winslow of Goldsboro and Thomas K. Larkins of Greenville.

beans, lettuce and tomato, strawberry shortcake and ice tea which was prepared by the hostesses. Mrs. C. L. Tyson of the Reston-Nobles Club and Mrs. Marion Nobles, of the Sweet Gum Grove Club served. Mrs. Obed Castelleo, another special guest, reviewed the highlights of the Home Demonstration Club program for the past year.

The annual dinner meeting of the Pitt County Federation of Home Demonstration Clubs was held on Tuesday evening, May 4, at the Greenville Woman's Club. Mrs. D. N. Nobles, Jr., president of County Council, was toastmaster. Mr. S. C. Winchester, farm agent, gave the invocation. Mrs. L. B. Bennett, president of the Bell Arthur Club, gave the welcome. Marion Nobles responded. Mr. W. Jasper Smith, chairman of the Pitt County Board of Commissioners, brought greetings from the Board of Commissioners. Mrs. Obed Castelleo of the Reston-Nobles Club gave the following report on Home Demonstration Club work in Pitt County for the past year.

Mrs. Burt Green of the Red Banks Club sang "Smiling Through" and "Near You." Mr. Sam D. Bundy, principal of Farmville High School, gave a humorous talk on "Home and Family." Mrs. R. B. Starling led the group in contests and presented prizes to the winners. Edwina McMullen, a high school student, gave a tap dance. Mrs. B. L. Tyson led group singing.

Mrs. Nobles recognized the following guests: Mr. and Mrs. W. Jasper Smith, Mr. and Mrs. John Clark, Mr. and Mrs. Sam D. Bundy, Mrs. Patsy Randolph, first Pitt County Council president. Mrs. Hubert Haynes, and Mr. and Mrs. W. H. Taft. The Woman's Club was decorated by the Pactus Home Demonstration Club and the Cannons Home Demonstration Club. Spring flowers and burning tapers were used on the long banquet tables with green and yellow mint cups. The Pactus Home Demonstration Club was recognized as having the largest number present at the dinner than any club in the county.

More than 55 percent of U.S. 6,096,000 farms in 1940 were less than 50 acres in size.

## Worthingtons Will Entertain Pitt Bar Sunday, May 23

Mr. and Mrs. Sam O. Worthington will be hosts at supper to the Pitt County Bar Association at their cottage at Bayview, on Pamlico River, Wednesday evening. Supper will be served at 7 o'clock. President James A. Evans will preside. Some of the members will go down during the early afternoon.

## Colored News

The date for the "Cotton Ball" sponsored by the alumni of Epps High School has been changed from Friday, May 14, to Saturday, May 15, at 8 p. m.

You are cordially invited to attend a record auction sale of the Wilson Music Company at the Red Rose Social Club Wednesday night.

May 12, 1948. Free prizes! Free refreshments! Come along, and buy some records, "dirt cheap" for your record-player. Admission free!

## REGISTRATION BOOKS OPEN

The registration books are open at the usual places daily for those who want to vote in the Democratic Primary Saturday May 29. The books will close next Saturday at 6 p. m. Saturday May 22 will be challenge day—from 9 a. m. to 3 p. m.

It has been estimated that at any given time one in every four Americans needs some kind of medical attention.

**WAIT TILL THURSDAY**

## Annual Meet Is In Rocky Mount

The 56th Annual State Convention of The North Carolina Branch of The Kings Daughters and Sons will be held in Rocky Mount on next Tuesday and Wednesday, May 18th and 19th, with the Rocky Mount Circle as hostess.

Mrs. Z. A. Rochelle of Durham, State President, will preside over the two day convention. Mrs. George Richardson of Indianapolis, Indiana, Chairman of the Young Women's Division of The International Order of The Kings Daughters and Sons, will be the convention guest.

The Convention will open at 10 o'clock Tuesday morning in the Ricks Hotel at which time Mrs. Rochelle will give her report to the convention to be followed by the reports of the other State officers.

At 1:00 p. m. a luncheon will be held at the hotel honoring Mrs. Richardson the convention guest with Mrs. Clara M. Shackell of Greenville, 3rd vice-president of the

North Carolina Branch, presiding. Miss Ruth Wilkerson of Durham, will give the invocation and following the luncheon short talks by Mrs. W. M. Upchurch, Jr., Mrs. D. J. Amnouth of Durham, and Mrs. C. E. Stout of Kannapolis, will be given on the subject "What Kings Daughters Mean To Me."

At the afternoon session the reports of the various circles throughout the state will be heard to be followed by a talk by Mrs. Richardson.

Following the business session the Rocky Mount Kings Daughters and Sons will be hosts to the convention guest at an informal tea at the Rocky Mount King's Daughters Home at 4:30 p. m.

At 7:00 o'clock in the evening a banquet will be held at the Ricks Hotel at which time Chancellor Robert House and Mrs. House of the University of North Carolina, Chapel Hill, will be the guests, with Chancellor House being the speaker of the evening. Miss Lucile Shine, President of the Rocky Mount Circle, will preside.

On Wednesday morning at 9:00 o'clock the second day of the convention will get under way. At 11:00 a. m. the award of different plaques and cups will be given. This will be followed by the Service of Re-

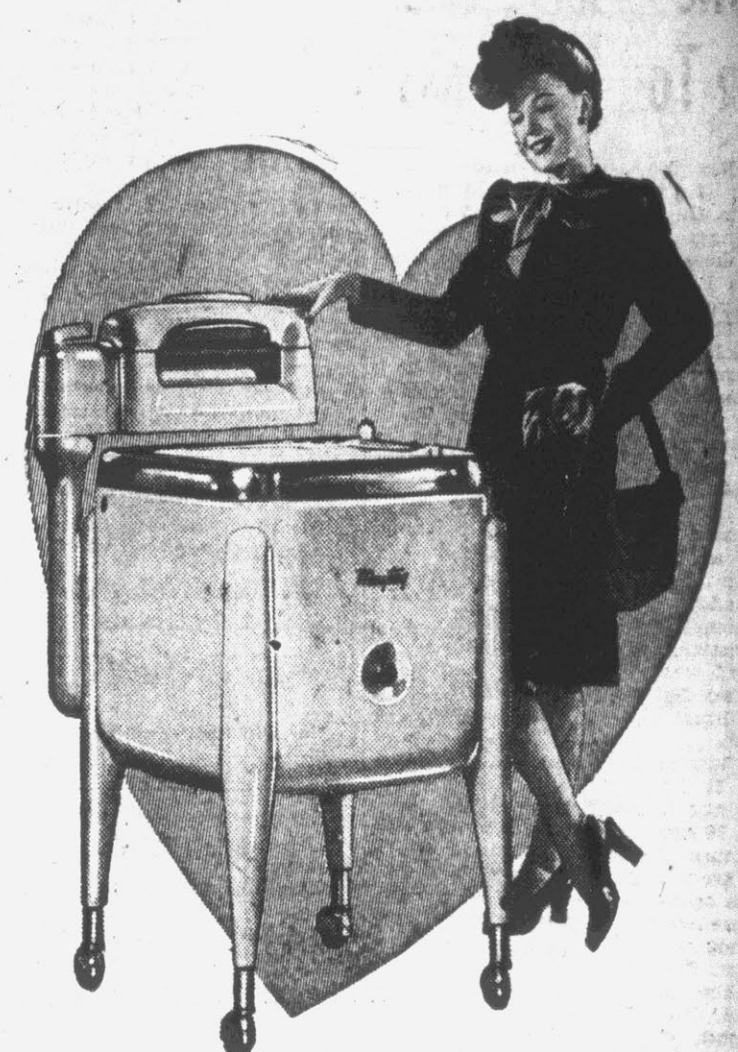

membrance which will be conducted by Mrs. T. W. Young of Durham, assistant chaplain of the State Branch.

The two-day session will be brought to a close with the election of officers and the place of the meeting of the 1949 convention being named.

## LAMENTS LOSS OF HIS DOG

Bert Moye, sports writer, is lamenting the loss of his pet Boston terrier, "Spot," five months old, which was stolen by small boys from his home last Saturday. He is offering a reward for its return.

Costa Rica is smaller than West Virginia.

## THERE OUGHTA BE A LAW!

## By FAGALY and SHORTEN

## Visiting Nurse

Chapter 7  
Mamie had advised Hildred to "do something" about Randy and Hildred herself had decided it was time she made Randy wake up.

At the clinic the following morning Hildred learned that the young doctor had left town to be gone for several days. He had decided to take the child he was to have operated on the day before to Atlanta. It was to be not only a delicate operation but something in the way of an experiment.

Hildred knew that if the operation was a success, it would bring Randy the acclaim and attention he deserved.

"When do you expect your young man back?" her mother asked, when Randy had been gone almost a week. "Have you heard from him, dear?"

Hildred said she had not had any word. She had not expected any, though she did think Randy might have dropped a card.

"I'm not at all sure," she said, smiling across the little living room, "that Randy is my young man. As the saying goes he has never declared himself. Maybe he never will. Randy is so absorbed in his work that he is blind to everything and everyone else. And although I could care for him a great deal I am not sure I would want to be married to a man who scarcely knew I existed."

She said this because she knew there was no use, ever, in pretending with her mother. They were too close.

"There could be worse things than that," Mrs. McNaughten put aside her needlepoint a moment. "I believe, unless you do something about it, you will go on waiting another two or three, or even many more years, for Randy to declare himself."

"Oh, I realize it all right!" Hildred's smile was rueful. She was stretched out on the couch, her uniform discarded for a comfortable housecoat, her shoes kicked off. "I have determined to do something about it, Mummy. And in short order, too."

## Tests Determine Road Damage Due To Cold, Frost

St. Paul, Minn.—(AP)—A Minnesota highway engineer has developed a method of determining how much "backbone" is taken out of roads by spring thaws. Highway engineers in the nation's "frost belt" have long known highways are most valuable just after frost leaves the ground. But how much roads are weakened and what load weight restrictions should be imposed have in the past been arrived at by sometimes costly trial and error.

C. L. Motl, chief engineer for the Minnesota highway department, has set up a "bearing test." A metal plate 12 inches in diameter is placed on the highway. The plate serves as a base for a hydraulic jack which is made to lift the rear of a truck loaded with concrete blocks. A meter registers the amount the road surface is depressed.

By making bearing tests in the summer, when roads are dry and least likely to be damaged by heavy vehicles, and again after spring thawing, the per cent the road has been weakened is determined, and restrictions are imposed accordingly. Motl says road surfaces are sometimes 60 per cent less capable of carrying loads just after thawing.

## Government Urging Farmers To Produce More Hogs In 1948

College Station, Raleigh—May 11—The Nation's hog producers are being urged by the U. S. Department of Agriculture to increase pig production this fall by at least 10 per cent to provide a minimum of 34,400,000 pigs—3,000,000 more than the total produced in the fall of 1947. These would be marketed as hogs in the spring and summer of 1949.

Officials also pointed out that with prospective smaller output of other meats and continued high consumer demand in 1948, an increase of even more than 10 per cent in the 1948 fall pig crop would be desirable. Individual producers having favorable conditions are urged, therefore, to expand farrowings by more than 10 per cent increase requested as a national goal.

The increase sought in 1948 fall pigs, together with a larger spring pig crop in 1949 would help to offset the declines expected in the output of beef, veal, lamb and mutton in 1949, and to keep the total supply of all meats from falling below about 140 pounds per capita for U. S. consumers. This compares with 143 to 146 pounds per capita available this year and a 3-year peak of about 155 in 1947.

A more favorable hog feed ratio is in prospect for 1948-49 than during the past several months. Prices of feed grains are expected to be somewhat lower in the 1948-49 feeding year which begins next October and there is the further prospect that hog prices will continue relatively high.

Achievement of the goal for the 1948 fall pig crop would require the farrowing of at least 10 per cent more sows than were farrowed last year to produce the 1947 pig crop.

From 1634 to 1637, speculation in Holland on tulip bulbs reached such proportions that near panic followed collapse of the boom.

## If Stomach Gas or Sour Food Taste Robs You of Sleep

Here's How You May Help, Whether You Eat 500 Pounds or 2000 Pounds of Food in a Year

You can't feel cheerful, be happy and sleep well, if your stomach is always upset. As age advances the "old stomach" needs more help. The reason is this: Everytime food enters the stomach a vital gastric juice must flow normally to break-up certain food particles; else the food may ferment. Sour food, acid indigestion and gas frequently cause a morbid, touchy, fretful, nervous condition, loss of appetite, underweight, restless sleep, weakness.

To get real relief you must increase the flow of this vital gastric juice. Medical authorities, in independent laboratory tests on human stomachs, have by positive proof shown that 888 Tonic is amazingly effective in increasing this flow when it is too little or scanty due to a non-organic stomach disturbance. This is due to the 888 Tonic formula which contains very special and potent activating ingredients.

Also, 888 Tonic helps build-up non-organic, weak, watery blood in nutritional anemia—so with a good flow of this gastric digestive juice, plus rich red blood you should eat better, sleep better, feel better, work better, play better. You so dearly need 888 Tonic to help you digest food for body strength and repair. Don't wait! Join the host of happy people 888 Tonic has helped. Millions of bottles sold. Get a bottle of 888 Tonic from your drug store today. 888 Tonic helps Build Sturdy Health.

## GIANT MUSHROOM

Sydney, Australia—(AP)—A mushroom gathered recently at Mullengandra (New South Wales) in the Riverina, that big expanse of Australian sheep country enclosed between the Murray and Darling Rivers, measured 18 inches in diameter. Its trunk was four inches thick.

Good mushrooms, though not, of course, of this size, invariably are found in sheep country.

## NOTICE OF SALE

Under and by virtue of the powers of sale contained in that certain deed of trust from Sam King to James L. Evans, Trustee, of record in Pitt County Registry in Book P-24, page 38, default having been made in the payment of the indebtedness therein secured, the undersigned will offer for sale, and sell to the highest bidder, for cash, before the courthouse door in Greenville, between 12:00 o'clock NOON and

1:00 o'clock P. M., on Saturday, May 15th, 1948, the following described tract of land:

Lying and being in Greenville Township, BEGINNING at the William Waldrop's southwest corner on the side of the Atlantic Coast Line Railroad right-of-way; thence eastward with said Waldrop's southern line 32 poles to a stake; thence southward about 20 poles to a stake; thence westward about 32 poles to a stake in Atlantic Coast Line Railroad right-of-way; thence northward with said right-of-way 20 poles to the corner at the beginning, containing 5 acres, more or less, and being a part of the lands conveyed to L. C. Arthur and wife by John J. Forbes, and being the same lands conveyed to Sam King by Robert Booth, Commissioner.

The successful bidder will be required to make a deposit of 10 per cent.

This the 14th day of April, 1948. JAMES L. EVANS, Trustee April 17-17w-4wks.

## THE FOREST IS ALL AROUND YOU . . .

Very few people start out a savings account by putting in a thousand dollars or two. Most of them begin with a fairly small sum.

Don't let yourself be overwhelmed with the idea that a forest of dollars is anything more than a collection of trees that all happened to grow in one area.

And don't ever get the idea that it does not pay to plant your own little forest . . . one tree at a time . . . or one sapling at a time. They will grow . . . and fast.

We help your financial trees to grow by a regular addition of dividend payments. Dollars love company . . . and seem to thrive better in a place like this one . . . come on down and plant a few . . . you can have just as big a grove as you wish . . . if you will plant and be persistent about it.

And if you need more home financing . . . come in and let us see what we can work out on that.

## Rotarians Look Back On History

By WYATT BROWN

Rotarians and their contributions to their club and community occupied the attention of the Greenville Rotarians last night as they took time out to look back. All past presidents were mentioned but the five deceased past presidents were eulogized. The local Rotary Club was organized in 1919 and shortly thereafter built their club building for their meetings and a second story equipped for a gymnasium for the young people of the community.

Rotarian Fordice Harding eulogized the late Cicero J. Ellen who was the first president of the Greenville Club with special emphasis on his high character, integrity and individuality with an enthusiasm for serving his fellow man which won for him the high regard of his fellow citizens.

S. B. Underwood was the second president and June H. Rose told about his contribution to Rotary and education in Eastern North Carolina and who died much before his time but left a rich heritage to his club and Eastern Carolina.

J. E. Winslow who was the fourth president and is still a Rotarian told about the early meeting places—in a room above where the Friendly Furniture Store is now, above Key Brown's Drug Store, around at the various churches, until the ladies found the weekly dinners trying—until the Rotarians got busy and built what was for a long time the only Rotary Club building in the United States.

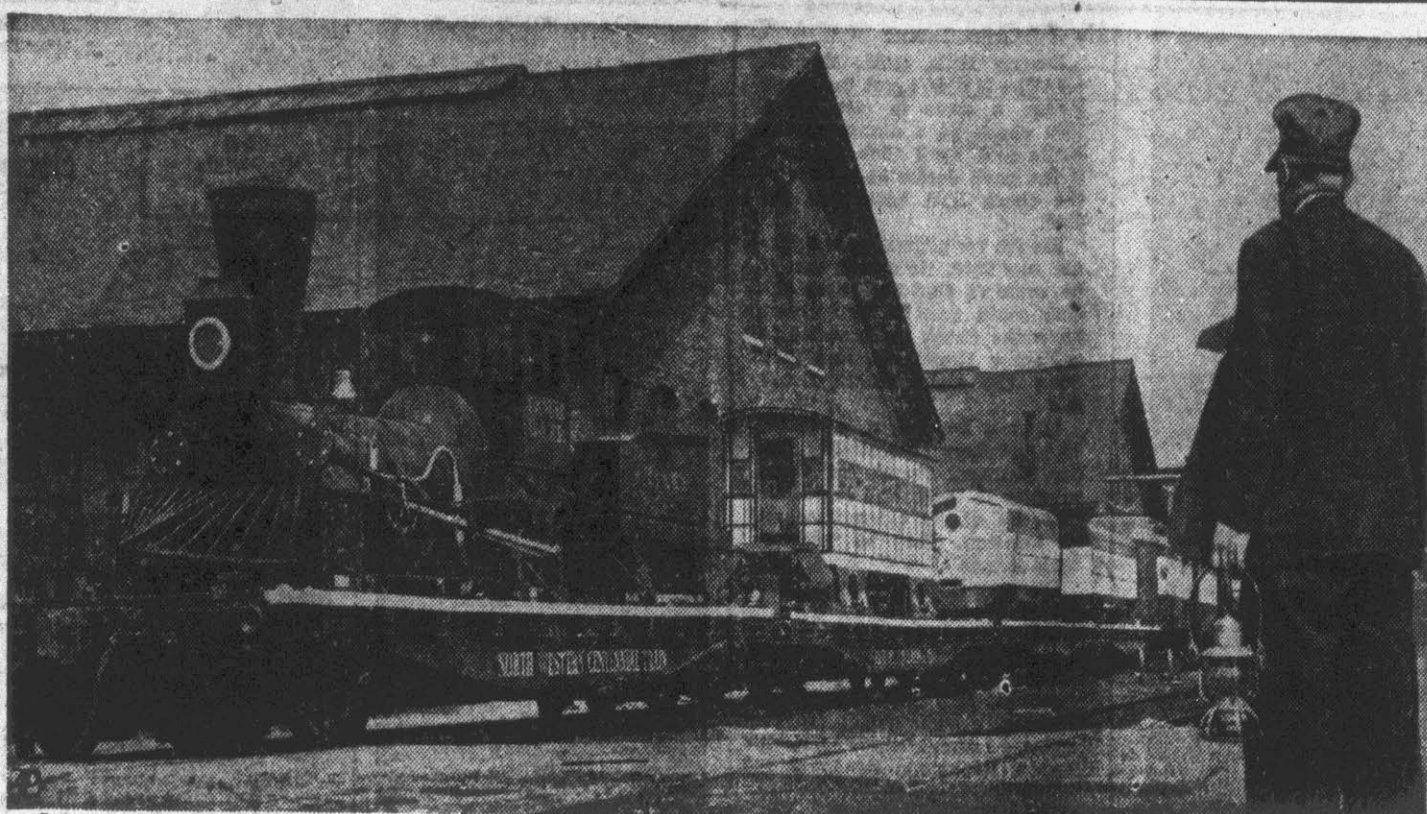

Next Rotarian Herbert Waldrop told of W. L. (Bill) Hall's contribution to the Club as its fifth president, secretary and charter member.

### A Fool For a Client

In the legal profession it has long been said that the man pleading his own case, "is a fool for a client," the same adage applies to the person providing self diagnosis and treatment. In what may seem a minor condition there may be serious complications. When you feel out of sorts, play safe by consulting a Medical Doctor immediately. His prompt diagnosis may save you many hours of needless discomfort. See Your Doctor Regularly.

**DISSELT'S**

**OLD-TIME TRAIN ON TOUR**—Centennial train of the Chicago and North Western Railroad is made up at Chicago for a 10,000-mile tour of the railway's lines. The engine on the front flatter is original Pioneer locomotive.

Then Howard McGinnis spoke briefly on the sixth president of the Club Robert H. (Bob) Wright who for twenty-five years was president of East Carolina Teachers College and who as a man embodied the spirit of true Rotary and in addition a keen sense of humor, a man who was a force in the community.

Gus Fleischman was recalled by Lawrence Stroud who told how much the Rotarians and the people in Greenville loved him. Following Rotarian Stroud, vice-president E. L. Willard concluded the program with thanks to the past contribution and the progress of Rotary to be anticipated with such well chosen leaders of the past to look back on.

Joe Tew of Rockingham, a student at ETC was the only guest of the Club last night. W. T. and W. J. Windley of the Washington Rotary Club were visiting Rotarians for the

**MARINE TRIBUTE**—Stained glass windows in the Marine chapel at Camp Lejeune, N. C., were dedicated to leather-necks who died in World War II. Gen. Clifton B. Bates (left) and Maj. Gen. Franklin A. Hart of the Marines pose at windows.

meeting. The program was presented and conducted by Roy Martin Chairman of the program committee.

Ladies Night for the Rotarians will be held next Monday night at 7 p. m. at the Greenville Country Club. Those who cannot attend are urged to advise Secretary Wendell Smiley in advance. Chairman Ercell Webb has planned a good program. The Rotarians voted last night to send a boy to the American Legion's Boy State to be held in June at Chapel Hill.

Conway Quartet of Greenville will participate. The annual contests were formerly held in Middlesex. They were transferred to Wilson after the singers increased beyond the capacity of the Middlesex singing grounds.

## Albright Urges 'Machine' Ouster

Raleigh, May 11.—(AP)—An appeal to voters to "give the death blow" to machine politics was made last night by Mayne Albright.

Albright, speaking by radio from Raleigh in his campaign for governor, said the "machine" should be beaten because it is: "Bankrupt in vision and leadership"; it affects the work of state agencies; and it "cramps, discourages and hinders political thought and action throughout the state."

His speech was one of four delivered yesterday by candidates for the Democratic gubernatorial nomination.

Charles M. Johnson told a veterans' meeting at West Jefferson that the state should lend every assistance to veterans to insure that their loss of time in service does not adversely affect their opportunity for future success.

Oscar Barker addressed the Charlotte Optimist Club, and Kerr Scott spoke at a courthouse meeting at Troy.

## Crack Down On 'Black Gasoline'

London.—(AP)—The government has proposed drastic new penalties to clean up Britain's thriving "black petrol" market.

They include fines totaling up to \$4,000 plus two years imprisonment for motorists or gasoline dealers caught diverting commercial fuel to

private use. The owner of a car could be barred from the roads for a year. If he sold the car after the offense he could be assessed half its value. A dealer could be put out of business for one year.

The proposed new law is part of a government plan to allow a pleasure driving gasoline ration June 1. After that date motorists will get enough to travel 90 miles a month. Since last October they have received none for pleasure.

Candidates File Campaign Costs

Raleigh, N. C., May 11—(P)—Four candidates for political office filed with Secretary of State Thad Eure today reports on their campaign expenditures.

The law requires candidates to make a report 10 days before the primary and a second report within 30 days after the primary.

W. F. Stanley of Kinston, candidate for the Democratic nomination for Governor, reported he had received contributions of \$92 and that his expenditures have totaled \$112.

Rep. Harold D. Cooley, unopposed for the Democratic nomination in the fourth district, and William P. Hodges, unopposed for the Democratic nomination for Insurance commissioner, reported no contributions and no expenditures; John A. Wilkinson, Republican nominee for U. S. Senator reported no contributions and that his filing fee of \$125 was his sole expenditure; and T. D. Bryson Jr., Democratic nominee for Solicitor in the 20th district, reported no contributions and \$50 filing fee as his sole expenditure.

Earl Long Takes Governor's Job

Baton Rouge, La., May 11—(AP)—Earl Kemp Long returned to political power Louisiana today with his inauguration as governor.

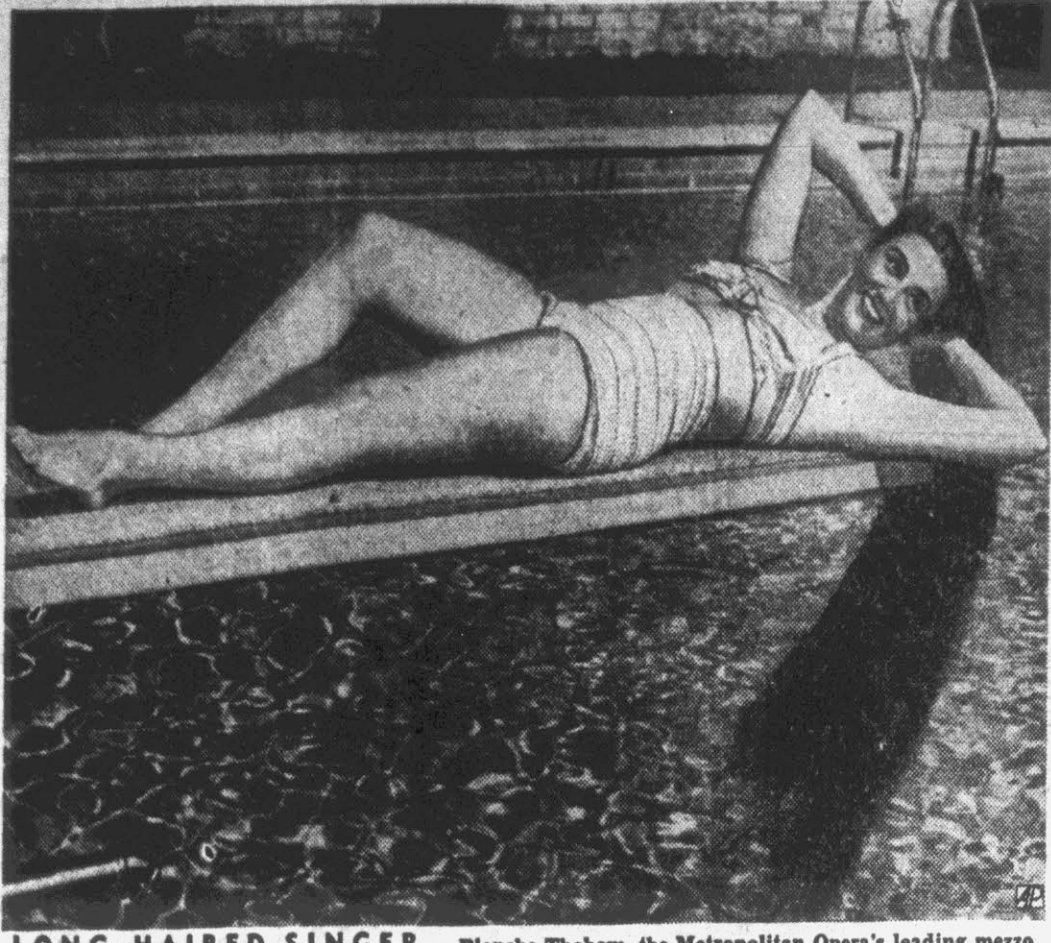

The capital was in holiday attire for the ceremonies which climaxed an eight-year-old struggle by the brother of the late Sen. Huey Long to regain the state's highest office.

Mind Reader

Beverly Hills, Calif., May 11.—(AP)—It didn't cost Dr. Franz Polgar a dime to pick up a \$500 check at a dinner at the Knife and Fork Club. In fact, if the good doctor hadn't found the check he'd have been out \$500.

His fee for addressing the dinner was \$500. He agreed that if he couldn't find the check the club could keep it. The diners knew the check was secreted in a Parker House roll, and they knew the right Parker House roll.

It took Dr. Polgar, a doctor of psychology who studied under Sigmund Freud, just three minutes to locate the check. He had the diners concentrate on its location. Then he "picked" their minds.

It's simple if you know your Parker House rolls.

AD FOR A LOST HEAD — Authorities at Florence, Italy, posted an advertisement (lower right) for the return of the head (picture at upper right) of a statue of "Primavera" (Spring). The head was last seen in mud of Arno river after wartime artillery duel between German and Italian partisans. Officials assume that someone took the head for a souvenir.

Grain Market

Chicago, May 11—(AP)—Corn and oat prices advanced on the board of trade today, but rallies in wheat were not sustained.

Light country offerings of corn, placed at 20,000 bushels, combined with shrinking visible supplies to develop short covering in the yellow cereal. Wheat was under pressure during the greater part of the session but a closing rally brought prices up and the bread grain finished unchanged to 1-2 cent higher than the previous close, May \$2.43 3-4 to 44. Corn was 1 7-8 to 4 1-2 cents higher, May \$2.25 3-4 to 26. Oats were 1.. to 2.. higher, May \$1.15 3-8 to 1-4. Soybeans were 2 1-2 to 8 cents higher, May \$3.93.

Hog Market

Raleigh, May 11—(AP)—(NCDA)
