

Fair and cooler tonight. Saturday fair and mild.

Power For South Korea Shut Off By Soviet Zone

Partial Brownout In American - Controlled Area; U.S. Soldier Wounded

Seoul, May 14—(AP)—Power from North Korea was shut off abruptly today after an American Army sergeant was wounded superficially near the dividing line between the Russian and U.S. zones.

The sergeant was hit twice in the face, presumably by grenade splinters while riding in a jeep. A pre-dawn patrol did not find his assailants. His name was withheld.

There was no apparent connection between the two incidents.

Seoul is only partially browned out tonight. Auxiliary power units were supplying enough power to keep all but a few non-essential lights burning. Trolleys continued to operate.

All police were on the alert for any new disorders.

The American military governor said North Korean Communists may have hoped to throw South Korea into darkness and thus cloak acts of violence such as have killed 500 Koreans since February.

He said economy in the use of power would continue "until the high handed action of the Soviet masters of North Korea is rectified."

The power went off at noon. American authorities were ready, however, and wheels turned as usual in occupation installations. Two former Navy power barges came to the aid of auxiliary Army units in providing needed electricity.

A continued shutdown of power from the north—which furnishes more than half the supply in South Korea—would force rationing upon Korean factories and residences, U. S. officials warned.

There have been temporary interruptions of the power flow from the north before. Consequently, no one in authority would say the current shutdown was permanent.

North Koreans had sent an ultimatum over the radio at Pyongyang, Soviet occupation headquarters. They said the power would be shut off at noon today unless a South Korean representative was sent to negotiate over an ultimatum.

Propose Quaker Be Appointed To Jerusalem Post

Lake Success, May 14—(AP)—The United Nations has proposed that Harold Evans, an American Quaker from Philadelphia, be appointed Jerusalem's municipal commissioner during the current crisis.

The office would be equivalent to mayor. Both Arabs and Jews agreed on him and the United Nations assembly last night asked Gen. Sir A. Gordon Cunningham, the retiring British high commissioner for Palestine, to appoint him.

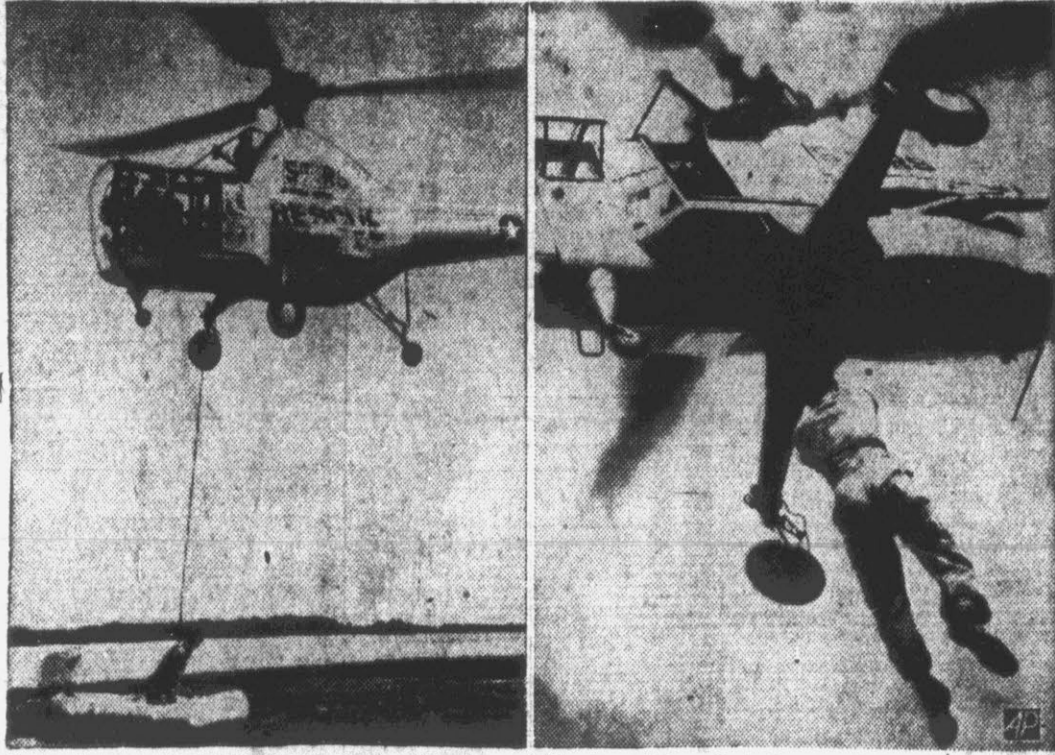

The communications also asked that Pablo Azcarate, a Spanish Republican and a UN secretary of office now in Jerusalem, be appointed to serve until Evans arrives.

Turn To Naming Of New Bishop

Asheville, N. C., May 14—(AP)—The Episcopal Diocese of Western North Carolina turned today to election of a Bishop to succeed the Rt. Rev. Robert Emmet Gribbin, who retired in January.

At its opening session yesterday the convention adopted a budget of \$21,700 for 1948. Other action saw election of the standing committee of the Diocese.

"Rescue" By Helicopter From Fla. Everglades

A helicopter engages in simulated rescue of a downed flier in a life raft during maneuvers of the army's Fifth Rescue Squadron in the heart of the Florida Everglades near Immokalee. Left: The helicopter, flown by Lt. Frank Sico of Westfield, Mass., hovers over Sgt. Frank Hawkins of Lake Trafford on the raft. A line is being dropped to the raft. Right: Sgt. Hawkins holds on to the line and dangles beneath the belly of the helicopter which is lifting him into the air. (AP Wirephotos).

Long Range Farm Program Offered

President Asks Congress For Legislation Geared To Increased Production Of American Farms; Urges Strong Price Support System

Washington, May 14—(AP)—President Truman asked Congress today to pass long range farm legislation geared to the greatly increased productive capacity of American farms.

Such a program, he said in a special message to the legislators, should have a price support system designed to guide farm production to the farmers' market.

He said the "fundamental national policy" of farm legislation should aim to "organize, stabilize, and realize abundance."

A policy of abundance includes some factors that lie outside the field of agriculture. The maintenance of high levels of employment and the maintenance of export outlets are prime essentials.

The government now has a wartime farm program. The major price supporting phases of it will expire December 31 unless Congress acts at this session.

The President gave only a general outline of what he thought the long-range legislation should be. These general proposals were closely in line with provisions of a long-range program approved Thursday by the Republican-dominated Senate Agricultural Committee, and urged last fall by the Agriculture Department.

Mr. Truman did not recommend, as Agriculture Department officials had expected, a boost of \$75,000,000 in the \$225,000,000 soil conservation fund proposed by the GOP-Congress.

In his January budget message, the President urged \$300,000,000 for soil subsidies to farmers.

Tug-Of-War Hits Defense Program

House Committees Clash Over New Draft Proposals

Washington, May 14—(AP)—A new tug-of-war between the rules and armed services committees threatened today to stymie House action on draft legislation.

Even as the clash developed the House received President Truman's request for \$2,344,411,000 (B) more for the expanding defense program.

This brings total defense estimates to over 14 billions for the year starting July 1.

Although Congress generally has been going along with Mr. Truman's requests for military funds, it has not approved his plans for increasing the manpower of the armed forces by a temporary draft and universal military training.

Both manpower plans are favored in the House committees' dispute. The armed services committee has approved both a UMT and a draft bill, but both measures have been blocked by the Rules committee.

Rep. Leo E. Allen (R-IL) chairman of the Rules group, set off the new clash in a letter yesterday to Rep. Walter A. Andrews (R-NY) armed services chairman.

Allen asked for hearings on his draft substitute—a bill which would offer bonuses to volunteers instead of reviving selective service. President Truman has said Allen's plan is the most astute proposition he has yet seen.

Andrews could not be reached immediately for comment on Allen's letter.

The Rules Chairman has set no date for hearings on the draft measure, although he said he would not hold up action on it to get consideration of his bill.

Knutson Revives Oleo Tax Battle

Would End Cotton Import Limits; 'Spite Tactics' Charged

Washington, May 14—(AP)—The oleo-butter battle, still churning around in Congress, broke out in a new sector today. Chairman Knutson (R-Minn.) said the House Ways and Means Committee will act next week on a bill to end limits on cotton imports.

Knutson introduced the measure late yesterday, saying it would mean "cheaper shirts and cheaper bed linen."

But Dixie lawmakers immediately labeled the move "spite tactics" aimed at Southerners who led the fight for House passage of a bill to repeal federal taxes on oleomargarine. Cottonseed oil is a major item in the manufacture of oleo.

The repeal measure is pending in the Senate.

During the House battle on the oleo repealer Knutson, who represents a dairy district, told the Southerners:

"If you are going to pull us down by the eternal, we will pull you down with us."

Knutson's measure would remove the present 120,000 bale quota on cotton imports and substitute a straight 10 per cent duty. He said in a statement his purpose is to lower "exorbitant" costs of cotton and cotton products.

Rep. Rivers (D-SC), author of the oleo tax repealer now awaiting Senate action, told reporters "This is spite work. Knutson will find that retribution never pays, especially when it is not righteous. I don't believe the House will follow his leadership."

Chrysler Strike In Third Day; No Talks Slated

Detroit, May 14—(AP)—A strike of 75,000 Chrysler auto workers entered its third day today with no immediate prospects of any meeting between the disputing parties.

Federal conciliators stood by to offer their services, but Conciliator Leo Kotin said, "There's not much to be done at this time."

Kotin disclosed that he has been in touch with the company and the CIO United Auto Workers since Wednesday's strike.

The Chrysler workers struck when the company turned down their demands for a wage increase. Originally, the UAW had asked a 30 cent boost over the present Chrysler hourly average pay of \$1.50.

Amidst increasing evidence that the strike might be a long drawn-out affair, Michigan and city officials mulled over what relief could be offered to the 65,000 strikers in Michigan.

Asserts Measure 'Misunderstood'

Raleigh, N. C., May 14—(AP)—Governor Cherry asserted today that a bill before Congress to permit Southern States to establish regional schools has been "misunderstood."

The Governor commented at his news conference on action by the Senate yesterday in voting to send the regional school bill back to committee.

He said that the bill "had been misunderstood by a lot of people" and that "many people think it's aimed at the Negro race."

Wallace Attacks Michigan Solon

Detroit, May 14—(AP)—Henry A. Wallace headed for California today after opening a 23-day speaking tour here last night with a bitter attack on Michigan's Republican Senator Arthur H. Vandenberg.

A crowd of about 8,000 heard the Progressive party's presidential candidate charge that Vandenberg "is faithful to the idea of government for the rich and well born."

Mob Forces Way Into Meat Plant Causing Damage

Midnight Raid By Strikers; Take Hostages; Union Defends Actions

Newport, Minn., May 14—(AP)—A mob estimated at 200 men forced its way into the strikebound Cudahy & Co. packing plant at midnight, heavily damaged the interior, set free several thousand dollars worth of hogs and carried away 30 plant workers as hostages.

R. J. Swenson, general manager of the plant, gave this account of the incident:

"About 11:15 p.m. (CST) an estimated 200 men—some of them Cudahy workers on strike—entered the plant."

"First the main power switch was pulled, plunging the plant into darkness. Then a room where some of our men were sleeping was entered. Cots on which they rested were broken up and some windows smashed."

"Locks on some of the stock pens were broken and 110 hogs, valued at about \$6,000, were set free."

"A new car belonging to one of the plant engineers was tipped over and the windows of one side and the windshield were broken."

"The plant boilers were turned off but apparently there was no serious damage done to them."

"Then about 30 of the 50 to 60 men who were on duty in the plant were herded into cars and taken away. (At 6 a.m. (CST) Swenson said all but 11 or 12 of the missing men had been accounted for.)"

"These men were apparently taken out 'into the hills.' A number of men were hurt in the plant. Two of them are hospitalized and several have been treated for cuts and bruises."

Swenson said he would ask Gov. Luther W. Youngdahl to call out the National Guard. "This has exceeded the stage at which we can work through court orders," he added.

The district office, No. 2, UPWA, CIO, issued the following press statement early today:

"The CIO Packinghouse Workers are fighting for their jobs and for their families with only means available. There is no need for the National Guard. The union neither desires nor will it institute violence on picket line, but we will not stand idly by and see our strike smashed, our union wrecked and our working conditions set back a 100 years."

Big Steel Union Bars Reds As Office Holders

Boston, May 14—(AP)—The CIO's biggest union, the steelworkers, today barred Communists from holding office.

The nearly 3,200 delegates changed the union constitution to keep Communists out of any local or international office and to prevent them from serving as delegates or as members of any committee.

The action came as the union's 14-man executive board pondered the major problem of whether they should sign non-Communist affidavits under the Taft-Hartley law.

The major steel companies do not intend to make new wage contracts with the union, if it does not comply. President Philip Murray said yesterday.

Only one or two delegates today opposed the constitutional change to bar Communists from union office.

Soviet Purge Is Said Under Way In German Zone

Berlin, May 14—(AP)—Western Allied authorities said today they have received reports that the Soviet military administration in Germany is undergoing a purge. Dozens of high officers are being recalled to Russia, the reports said.

Details on the extent of the alleged re-shuffle or the reasons for it vary. The American-licensed Dena News Agency estimated that 85 high Soviet officers would be replaced in Germany.

The purge reportedly is being conducted by a political general named Scharnow, who recently was appointed political advisor to Marshal Vasily D. Sokolovsky, Russian commander in Germany.

Rumors have persisted that Sokolovsky himself is in trouble with the Kremlin. He has been summoned twice to Moscow recently for consultations.

Westinghouse Cuts Prices On Its Radios

Sunbury, Pa., May 14—(AP)—Westinghouse today reduced prices from 13 to 20 per cent on five radio sets.

A table model with standard and frequency modulation bands was cut from \$89.95 to \$79.95. The reductions ranged up to \$125 for a console set formerly selling for \$620.

Jews Proclaim Independent Nation As 'Historic Right'

Watching Inauguration Parade

Louisiana's new governor, Earl K. Long, his wife, and their guest, Lois Jean Hood, 10 years old, of East Orange, N. J., watch the inauguration parade in Baton Rouge. The little girl was invited to the inauguration by Long after she wrote him for information about Louisiana. (AP Wirephoto).

Anti-Communist Bill Up In House

Measure Comes Up For Debate; Real Action Next Week

Washington, May 14—(AP)—The House aimed a legislative shotgun at the Communist party today and got set to pull the trigger.

It probably won't fire until next week, when it expects to pass a bill making it a crime to try to set up a Communist dictatorship in this country.

The bill doesn't outlaw the Communist party. But it would crimp the party's operations and expose its members and activities.

The measure came before the House for debate today.

It was introduced by Rep. J. Parnell Thomas (R-NJ) to take firm action to cope with "the foremost menace to democracy today."

A retort from Rep. Isaacson (AL-NY) that the bill repudiates the concept of progress and "regards America as a finished product, rigid and unchangeable."

Isaacson is one of the newest members of Congress. He was elected from the Bronx earlier this year with the support of third party Presidential Candidate Henry A. Wallace.

Thomas is chairman of the House Committee on Un-American Activities. The bill is the first legislative proposal ever drafted by that committee.

In its preamble, it asserts that an international Communist movement is conspiring to set up totalitarianism.

Louisiana Senator Dies Early Today In Hospital

Washington, May 14—(AP)—After lengthy hearings in New Orleans, the committee issued a report blasting the "deplorable and distressing political conditions" in the state under Long's domination, but made no mention of Overton.

He took his seat in the Senate unopposed.

The following year he was elected to the Senate with the support of his close friend, the late Huey P. Long, after a rough political fight against the incumbent, Senator Edwin S. Brousard.

A bitter foe of daylight saving time, Overton in 1947 and again this year fought against bills to set the clocks ahead one hour in the District of Columbia. When he lost, he kept his own Senate office on Standard time.

He ran for his final term in 1944 at the urging of 46 senators who asked him in a letter to reconsider his decision to retire because of ill health.

Navy officials said the senator died at about 5 a.m., EST, this morning.

At the time of his death, Overton was ranking Democratic member of the Senate Public Works Committee and one of the Senate's leading champions of river and navigation projects, especially in the Mississippi River Valley. He also was a member of the Appropriations Committee.

Overton's election to his first Senate term brought charges of fraud and corruption from the defeated candidate and resulted in an investigation by the Senate's special committee on elections.

ASK MOSLEM PRAYERS

Cairo, May 14—(AP)—Moslems throughout Egypt were urged today to pray for "the victory of our armed forces in their struggle to liberate Palestine and save holy places."

An Egyptian army source said a stand-by order was issued to the army.

First Hebrew Nation In 2,000 Years Born Today; Arab League Announces State Of War Exists, Wins First Real Victory; British Commissioner Leaves

Tel Aviv, Palestine, May 14—(AP)—The state of Israel, first Hebrew nation in 2,000 years, was born today in a Jewish declaration of independence asserting the "historic right" of the Jews of Palestine to reconstitute their national home.

The proclamation by the national council is effective at one minute after midnight, when the British's 31-year rule of the Holy Land ends. The British high commissioner already has left Palestine soil for a British cruiser, and the British mandate government has left the Holy City of Jerusalem.

While Jewish forces and soldiers of the surrounding Arab countries prepared for war, the Jews proclaimed their "right to a life of dignity, freedom and labor."

The declaration said this right was recognized by the United Nations.

The Arab League, meanwhile, planned to set up an administration—not a state—of their own in Palestine to function with occupying Arab forces if and when Palestine is invaded.

In London the Arab office declared the termination of the British mandate had created a disastrous situation in the Holy Land, but "will at least give the Arabs the opportunity which they have never had until now of resisting the invaders face to face and without the intervention of a foreign power, which has hitherto given them its protection."

(The general secretary of the Arab League has proclaimed a state of war existing with Palestine since May 14.)

As the Jewish state was born, the Arabs wrested their first real victory in Palestine. Arab, neutral and Jewish sources confirmed that Arab legionnaires, supported by 5,000 tribes from the Hebron hills, wiped out four Jewish colonies in the Efratah bloc south of Jerusalem, against the Arab invasion route from the south.

The informants said 200 Jews died in the battle, which ended last night. A number of prisoners were taken, including four physicians who were paraded to aid the wounded yesterday.

The Jewish agency, declaring the Arabs had killed prisoners of war despite promises of adherence to international law, had urged the United Nations truce commission last night to intervene in the battle.

"The land of Israel was the birthplace of the Jewish people," said the Jewish declaration of independence. "Here the spiritual, religious and national identity was formed. Here they achieved independence and created a culture of national and universal significance. Here they wrote and gave the Bible to the world."

The declaration told of the exile from Palestine, the centuries-old struggle of the Jews to regain the land of their fathers.

"The Nazi holocaust which engulfed millions of Jews in Europe," it said, "proved anew the urgency of reestablishment of a Jewish state which would solve the problem of Jewish homelessness by opening the gates to all Jews and lifting the Jewish people to equality in the family of nations."

RUSSIAN WARNING? London, May 14—(AP)—Tass, the Soviet news agency, said today Russia has protested to Greece against the executions of rebels and has warned they must stop.

Year Extension For Trade Pact

Committee Approves Reciprocal Trade Act In Present Form

Washington, May 14—(AP)—The House Ways and Means Committee today approved a one year extension of the Reciprocal Trade Act.

It carried an amendment giving Congress veto powers if the President exceeds certain bounds in making trade treaties.

The committee approved the Republican-backed measure by a strict party line vote of 15 to 9.

Democrats contended the legislation would "sabotage" the reciprocal trade program.

The committee, also on a 15-9 party line vote, rejected a motion by Rep. Douglas (D-NC) which would have extended the trade act "as is" in conformity with a request by President Truman. Mr. Truman asked for a three year extension.

Hope For A Homeland

The Price Of A National Home For Jews Will Be High, But A Dream, Ages Old, Is Behind Their Crusade For Palestine; Victims Of Persecution Seeking Refuge

By DEWITT MacKENISIE

As the Jews of Palestine move to reestablish the Hebrew state after a lapse of nearly 2,000 years, one frequently hears the query: Just what is the urge behind this disswerving crusade—this willingness to die—for a national home in the Holy Land?

Palestine is small. It isn't blessed with an abundance of natural resources. It is largely undeveloped, and progress must be achieved by sacrifice and sweat of the brow.

Why then this insistence on a national home, and in Palestine?

Well, it strikes me that one of the fundamental reasons for this display of determination is spiritual. This certainly is true of the Orthodox Jew. Palestine has been the spiritual homeland of the Jews for 4,000 years, since the time of the patriarch Abraham who emigrated from Mesopotamia to Canaan. It is the place where many Orthodox Jews would like to be buried if that were feasible.

Naturally there is no thought that the Jewish citizens of America, and of other democratic and upright countries, will flock to Palestine and take up residence there. Still, the little country does provide a refuge for thousands of Jews who have been rendered homeless and set adrift by the Hitlerian aggression which had as one of its horrible objectives the destruction of all Jewish peoples whom the Nazi barbarian could reach.

And these victims of Hitler aren't the only ones who long for new homes. In any of the Eastern European cities which have restricted the Jews to the ghettos conditions have been terrible. Not only that but often the Jewish quarters have been swept by fierce pogroms, due to racial hatreds.

So provision of a refuge for the needy is a second reason for the desire to establish a national home. And then there is yet another—the pride of seeing a Hebrew government once more functioning in the land of Saul and David and Solomon.

Of course, there is another side to the story—the Arab side. The Arabs, who outnumber the Jews in Palestine about two to one and also have their spiritual and nationalistic claims, are dead against a partition of a separate Jewish state. Thus it is that we find the British mandate over Palestine ending in bloody strife between Jews and Arabs, with prospects of an even more ghastly upheaval before the issue is settled.

Anti-Communist Bill

An Outline Of The Measure Now Before House; Does Not Outlaw Communist Party But Does Hamper Activities; Basis Of Proposed Law; Now It Would Work

By JAMES MARLOW

Washington, May 14—(AP)—This is an outline of the bill which the House is expected to pass in a bid to cripple, if not wreck, the Communist party.

It can't become law unless the Senate also approves—it may not—and the President signs it. He's against it.

The bill is too complicated to give more than just the highlights here. This bill does not outlaw the Communist party. If it did and became law the Supreme Court might throw it out as unconstitutional.

So the House Un-American Activities Committee wrote this bill carefully to permit the Communist party to exist, but under rigid limits.

Neither the American Communist party nor Russia is mentioned by name in the bill. But both are meant. The language of the bill is such in spots that some of its critics think it may be more far-reaching than appears on the surface.

They say for example: that it invades civil liberties and may even apply to labor unions.

The whole bill is based on three ideas which the committee members say can be proved in court if it becomes law and is tested:

'Phone Union Is Alerted For Nationwide Strike

New York, May 14—(AP)—About 25,000 long-distance phone operators here alerted today for a coast-to-coast walkout, but union circles estimated it would be at least two weeks before the threatened strike could begin.

The CIO American Union of Telephone workers laid plans yesterday for a 42-state walkout against the American Telephone and Telegraph Company over wage-hour and other contract demands. No date was set for the walkout.

Union spokesmen said it would be at least two weeks before necessary steps could be taken to put the strike into effect.

The AUTW, headed by John J. Moran, claims 25,000 members in 42 states and the District of Columbia. It does not represent longlines workers in Vermont, New Hampshire, Delaware, Oregon, Montana and Washington.

The union announced its strike plans after a mediation session in Washington ended without agreement yesterday.

A. T. and T. officials later said they were willing to resume negotiations in New York, headquarters of the company and Union.

They said they would be glad to meet again today with Union and Federal mediation service officials in New York, but no session was scheduled.

Moran, meanwhile, said he was going to Boston to confer with CIO president Philip Murray, who is attending a steelworkers union convention there.

Senator Assails Note Exchanges

Hartford, Conn., May 14—(AP)—A two-power conference between the United States and Russia, properly arranged, might be a useful weapon for the accomplishment of peace, says U. S. Sen. Robert A. Taft (R-Ohio).

Taft, speaking at the annual dinner of the Connecticut Chamber of Commerce last night, assailed the recent exchange of notes between this country and Russia as a "fiasco."

"This has been a colossal diplomatic blunder which has weakened the cause of peace," he asserted.

Social and Personal

All items for this page received after 10:00 A. M. will be published the following day. Dial 3386 9:00 A. M. to Noon - 1:00 to 4:30 P. M.

Mrs. J. B. Spilman spent yesterday in Raleigh attending a meeting of the Resource-Use Education committee.

Mrs. Robert Morton of Winter Park, Wilmington, is a week-end guest at the home of Rev. and Mrs. J. A. Nelson, 807 Evans street.

Master Leonard Wesley Topping, son of Rev. and Mrs. Leonard W. Topping, returned home Wednesday morning from Pitt General hospital. He was operated on Sunday afternoon.

Birth Announcement
Mr. and Mrs. James Erwin Mills announce the birth of a son on May 12, 1948, in Pitt General hospital.

Birth Announcement
Mr. and Mrs. Ralph C. Parkerson announce the birth of a daughter, Charlotte Ann, on Wednesday, May 12, 1948, in Pitt General hospital. Mrs. Parkerson is the former Miss Ann Sasser of Rocky Mount.

Tacky Party at Methodist Church
The Junior department of the Methodist Church will have a tacky party tonight from 7 until 9 o'clock at the church.

ONE OF MANY

Already thousands of women, experts and beginners alike, have tried and proved an amazing canning and freezing secret that's downright wonderful.

It's the secret of brighter color, firmer texture, finer natural flavor in fruits they put up—yet all you do is make one simple change in your canning and freezing syrups.

Easy—yes. But you get a syrup that penetrates the fruit through and through—plumps it up, brings out its natural flavor and color.

For full details, get the free 28-page 1948 edition of "Finer Canned and Frozen Fruits." In this beautiful book you'll also find exciting recipes, valuable tips on pickles, jellies—a whole treasury of canning and freezing information. Just send postcard to HELEN HOLMES, Dept. 5B, P. O. Box 4871, Atlanta 2, Georgia.

40 Years Ago Today

THE DAILY REFLECTOR
May 14, 1908

Mrs. Whit Hardee is visiting in Snow Hill.

Hugh Ragsdale went to Kinston this morning.

B. B. Sugg returned to Wilmington this morning.

Miss Mary Cobb of Cobdale took the train at Arthur Tuesday morning for Greenville and returned in the evening—Roachdale Items.

A nice rain now would do a vast amount of good. Especially would the crops be greatly benefited.

Mrs. Crisp Entertains Athenium Club

Mrs. S. M. Crisp delightfully entertained the Athenium Book Club members and guests on Tuesday, May 11, at one o'clock in her home on East 5th Street.

A delicious two course luncheon was served amidst a lovely setting of beautiful spring flowers.

The meeting was called to order and the program turned over to the hostess who presented for her program, the play, "Manikin and Minkin," which won first rating when presented by the High School Dramatics Club at the University of North Carolina Dramatics Festival.

Mrs. J. H. Rose gave a few high lights on the presentation in Chapel Hill.

After the program the hostess turned the meeting back to the president, who proceeded with the usual meeting, after which the club was adjourned.

Miss Hadley Hostess to Clio Club

On Tuesday afternoon, Miss Jane Hadley was hostess to the Clio Book Club. After a short business meeting, presided over by the president, Mrs. Clara M. Shackell, the club members participated in a series of contests pertaining to the home. The informality of the program was greatly enjoyed by all members.

At the conclusion Miss Hadley served a delicious salad course, followed by an ice course. Guests for the afternoon were Mrs. Herbert Hadley, and Mrs. H. L. Rivers, club adviser. The books were then distributed and the club adjourned.

Represents Greenville in Gallopade

Miss Joyce Corbett, daughter of Mr. and Mrs. R. E. Corbett has been invited by the Rocky Mount Chamber of Commerce to represent Greenville in the annual Rocky Mount Gallopade this week-end.

Miss Corbett is a senior at the University of North Carolina and a member of Delta Delta Delta sorority. Her escort for the week-end will be Mr. John A. Mayo, Jr. of Washington.

Mass Choir Rehearsal

The mass choir which will sing in the program of sacred music on Sunday evening, May 23, will rehearse Monday night at 8 o'clock in the Christian Church.

SOCIAL CALENDAR

FRIDAY

8:30 p. m.—Kiwanis Club. 7:00 p. m.—Past Matrons and Past Patrons of Greenville chapter No. 149 O. E. S. hold dinner meeting in Masonic Hall.

8:00 p. m.—Final performance of the gay comedy "The Man Who Came to Dinner" by the Senior class and the Teachers' playhouse of East Carolina Teachers College in the Austin auditorium.

SATURDAY

9:30 a. m.—Meeting of Junior Class of Greenville High School at high school auditorium.

Announce New Head Honorary Society Of Women Educators

Grace VanDyke More of Greensboro, retired professor of music education at the Woman's College of the University, has been announced as the new president of the North Carolina organization of Delta Kappa Gamma, honorary society for women education. With other newly elected officers, she will begin her duties on July 1. She succeeds Dr. Lucile Turner of East Carolina Teachers College, who has been state president of DKG for the past two years.

Other officers of the organization are Kate Parks Kitchin, dean of girls and teacher of English, Rocky Mount High School, first vice president; Minnie Lee Peedin, Gastonia city schools, second vice president; Carrie Phillips, principal of the McIver Elementary School, Greensboro, corresponding secretary; Emma Losen, art department of New Hanover High School, Wilmington, recording secretary; and Annie Knocks, supervising teacher, Western Carolina Teachers College, Collowhee, parliamentarian.

Continuing in their present offices in the organization are Edith F. Gilbert, office manager of the NCEA, Raleigh, executive secretary, and Patty Sprull, associate professor at the Women's College, Greensboro, treasurer.

Are You Tired of God?

This question will be the theme of Pastor J. A. Nelson's message on Sunday morning at the Immanuel Baptist Church. Mrs. Moye Dall, minister of music, will sing Allister's "The Lord Is My Light." In addition, there will be a duet: "It Pays to Serve Jesus," sung by Mrs. Helen Greene and Mr. Dick Evans. This will be the third Sunday in observance of Church Loyalty Month. The response thus far has been very gratifying, and it is hoped that it will continue. Members of the church are asked to show their loyalty by attending Sunday school and church regularly, and to tithe their income for the month. Friends and visitors are cordially invited to worship with us, especially those with no church affiliation.

We now have a nursery for small children where they may be well taken care of while the parents attend church or Sunday school. We also have a playground in the rear of the church for the use of the children in fair weather. More equipment for this playground has been ordered by interested friends and will soon be added. Members of the Sunday school have been asked to bring toys to Sunday school Sunday morning for the use of the children as part of the regular nursery and playground equipment.

Methodist Young People

Members of the Methodist Youth Fellowship of Jarvis Memorial Church will have their fellowship supper and meeting on Sunday evening at Mimosa Shores. All members are asked to meet at the church at 2 o'clock, and cars will be there to take them to the river. Supper is to be furnished by the Woman's Society.

Presbyterian Notice

The High School Glee Club will sing two special selections, "The Lord's Prayer" and "Pierce Was The Wild Billow," during the morning worship service. The pastor will preach on the subject, "Christ, My Only Necessity." The public is cordially invited.

New Member Of College Faculty

Dr. Edgar M. Finck, supervising director of the Toms River schools in New Jersey, will be a member of the faculty at East Carolina Teachers College during the summer, according to an announcement by Dr. Leo W. Jenkins, dean and director of the summer school at the college here.

The Toms River school system under Dr. Finck's leadership has gained national recognition for its progressive program of education. Articles in "Progressive Education," "The New School Educational Review," and "School Management," most widely circulated educational journals in the field of administration in this country, describe some of the courses and projects successfully conducted there. Recently a representative of the Australian government sent to this country to study educational practices here selected the Toms River schools as models and made them the subject of study and observation.

Christian Church Announcements

The Woman's Council will meet for the May session on Monday afternoon at the home of Mrs. T. E. Hooker on West Fifth street at 3:30. At this time the report of the nominating committee will be made. Important problems will be before the session and the status of the year's work ending June 30 will be considered.

The choir under the direction of Mrs. Herbert Carter will sing Sunday morning Stainer's "God So Loved The World" and the pastor speaks on the theme, "It Could Be You."

Some 35 young people of the Christian Youth Fellowship will spend the week end at a cottage on the river under the leadership of Miss Evelyn Lyon, assisted by Mr. and Mrs. Douglas Paige. Appreciation is here and now expressed to the many parents who by the use of their cars and food supplies have made this camping experience possible.

The young people are now being chosen to go to the various conferences this summer. The first conference is the Young People's conference to be held on the campus of Atlantic Christian College in Wilson June 1-6.

Initiated Into Fraternity

Lewis Evans and Bill White, Jr., of Greenville, and Gene Lang of Ayden were recently initiated into the fraternity of Phi Gamma Delta at the University of North Carolina. Mr. White was also initiated into Phi Eta Sigma, honorary freshman scholastic fraternity.

E. C. T. C. Alumni Meet Tonight

The Greenville chapter of E. C. T. C. Alumni Association will meet in the alumni office, Austin 127, tonight at 8 o'clock.

Mr. Eli Bloom will be guest speaker. The hostesses will be Mrs. Arthur B. Corey, Miss Elizabeth Deal and Miss Christine Johnston.

Methodist Young People

Members of the Methodist Youth Fellowship of Jarvis Memorial Church will have their fellowship supper and meeting on Sunday evening at Mimosa Shores. All members are asked to meet at the church at 2 o'clock, and cars will be there to take them to the river. Supper is to be furnished by the Woman's Society.

Presbyterian Notice

The High School Glee Club will sing two special selections, "The Lord's Prayer" and "Pierce Was The Wild Billow," during the morning worship service. The pastor will preach on the subject, "Christ, My Only Necessity." The public is cordially invited.

Dr. Posey Elected Head Lecture Club

Dr. Meredith N. Posey, member of the English department at East Carolina Teachers College, has been elected president of the Faculty Lecture Club of the college and will serve as head of the organization for 1948-49. The club, organized in 1946, presents six programs during each school year, given by members of the group and one by a guest speaker.

Other officers chosen to serve with

Dr. Posey are Lucy Nulton, vice president and chairman of the program committee; Nellie McGee, secretary-treasurer; and Lilah Gaut and J. O. Derrick, members of the program committee.

Ballard's Presbyterian Church

The members of Ballard's Presbyterian Church are happy to announce that the pastor, Rev. Edwin S. Coates, will preach the first sermon in the new church on Sunday, May 16, at 3:30 p. m. The public is invited.

Anti-Communist . . .

(Continued from Page One)

bership known. It's up to their leaders to do that for them.

If the party is ordered to register, but doesn't, then anyone who remains a member of the party violates the law.

But say the party registers and the attorney general has all the names and addresses of the officers and members. Then—

The Communist party can still exist and the officers and members can go on talking about Communism but—

They can be jailed for 10 years, fined \$10,000 and lose their citizenship if—

1. They urge the overthrow of this government by force or violence. (Communists now deny they do that.)

2. Or urge setting up here a totalitarian dictatorship under the control of a foreign power.

The phrase—"under the control of a foreign power"—is stressed in the

Republicans Map Future Strategy On Civil Rights

Washington, May 14—(AP)—A time-consuming battle over civil rights averted by a hair-line decision, Senate Republican leaders gathered today to map strategy for new fights ahead.

The race issue showdown was put off until later in the session by a 38 to 37 vote decided in the final moments of a see-saw roll call. The vote sent back to committee a bill to give Congressional approval to an educational compact drafted by 15 Southern states.

Senators Holland (D-Fla.) and Russell (D-Ga.) leaders in the unsuccessful fight to keep the measure before the senate, said today the recommitment action probably has killed for this year the plan to create a series of regional universities in the south.

The GOP policy committee session called for this morning (9 a. m. EST) by Chairman Taft of Ohio was confronted with at least two other highly controversial measures in addition to one next up for death.

Pending before the Senate today was a battle to cut at least \$200,000,000 out of a \$708,586,666 (M) army civil functions bill.

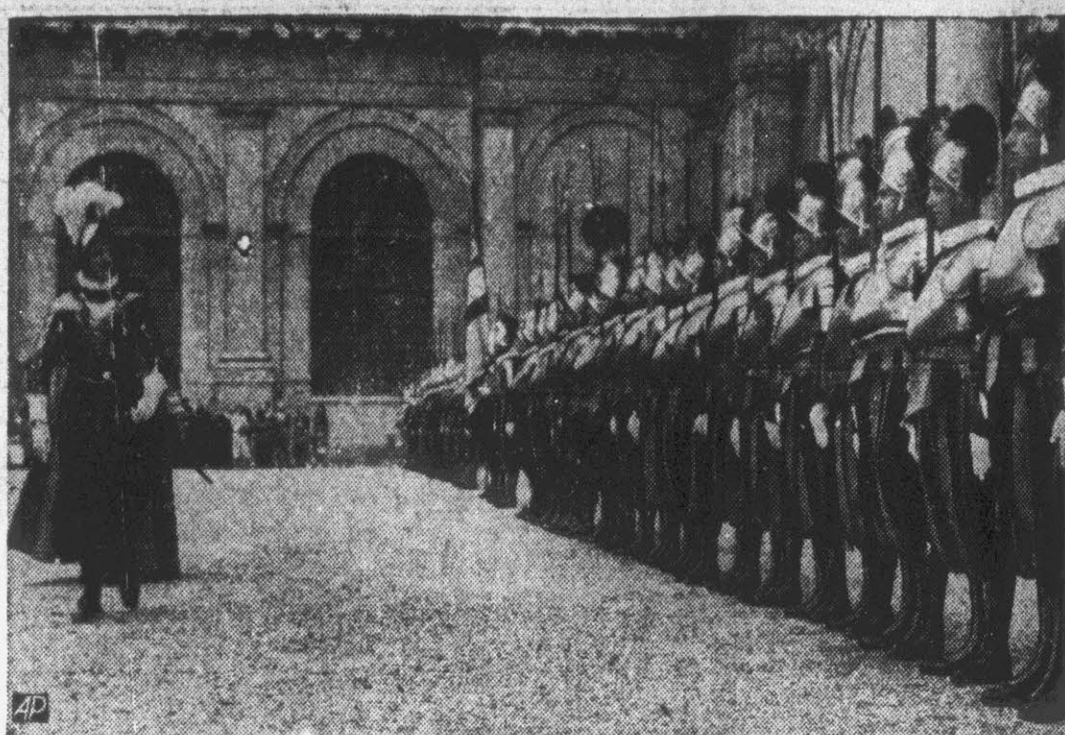

Chairman Bridges (R-NH) of the appropriations committee was teamed with Sen. Reed in an effort to slash the amount from funds earmarked by Bridges' committee for flood control and rivers and harbors projects. Angry debate was expected to carry over into Monday before a decision.

Next on the list are two more controversies:

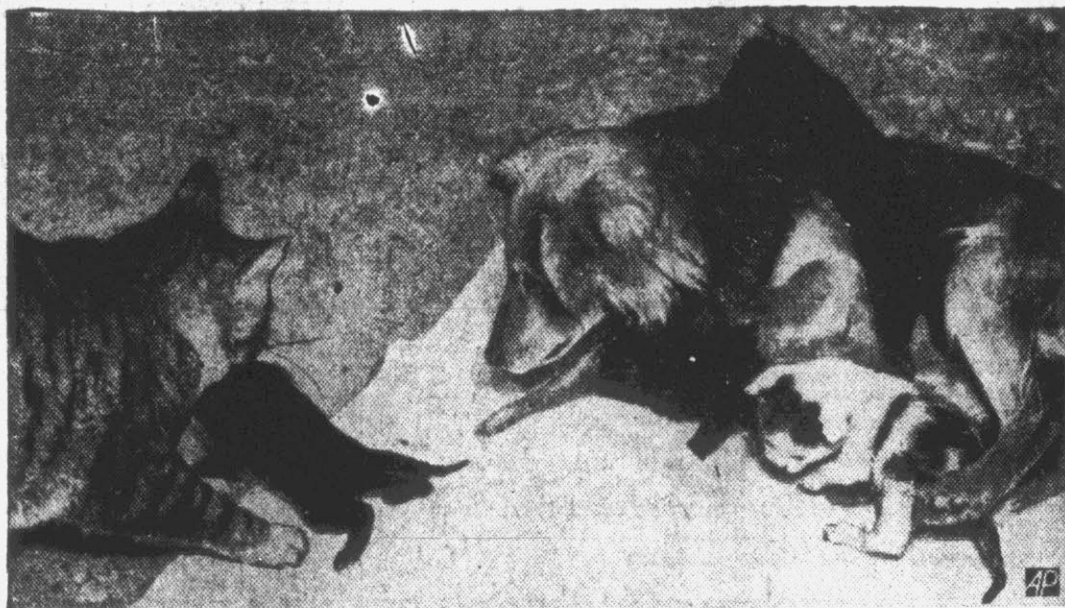

1. The hotly disputed plan for peacetime draft and military training to expand the regular armed services and reserves. This calls for two years service by men 19 through 25 years and one year of voluntary training for 161,000 18-year-olds. Southerners have promised to try to attach a provision that would allow all enlisted men the right to request service in units of their own races.

2. The argument over admission of war refugees from Europe. The Senate judiciary committee has recommended the admission of 100,000 displaced persons in the next two years under strict terms. Senators McGrath (D-RI) and Hatch (D-NM) want to boost this to 200,000 and liberalize the terms.

Among modern innovations being made in Britain's reconstructed House of Commons are air conditioning, loud speakers, and a well-equipped gymnasium.

ANNIVERSARY REVIEW—Col. Enrico de Pfyffer d'Altishofen, commander of the Swiss Guards, reviews his men in the Belvedere Court Yard of the Vatican. The ceremony marked the observance by the 100-man unit of the 421st anniversary of their predecessors' heroic defense of Pope Clement VII during the sacking of Rome by invaders in 1527.

STEALS HER OWN BABY—Tabby drags one of her kittens from under hostile eye of Daisy after dog took over cat's nursing duties and refused to let her near her young. They were made of Mr. and Mrs. Harry Burr of West Collingswood, N. J.

Suggestions For Stable Economy

Washington, May 14—(AP)—The congressional economic committee said today business "can and should adopt moderate price and profits policies" and labor "reasonable wage

attitudes" to cut living costs. "If the private decisions as to wages and prices are not made at the public level, government alone will be largely nullified," the Senate-house group said in its report. The document covers a coast-to-coast study last fall of "the high prices of consumer goods." The committee, headed by Senator Taft (R-Ohio), makes 16 recommendations aimed at achieving a stable economy. The report puts emphasis on voluntary measures and in general steers clear of legal controls at this time. By its stress on voluntary steps, the Republican-controlled group differed once again with President Truman, who repeatedly has asked for standby power to impose wage-price controls and rationing on a limited scale. In fact, the report hints that the committee believes inflation has been checked. It does this by saying at one point: "If inflation trends are resumed . . ."

The purple finch is not at all purple. The male is of an old-rose color and the female has the general sparrow-like appearance. The Manx Church, on the British Isle of Man, recently celebrated what it called its 1,500 anniversary. Chinese tallow trees have no known enemies among insects. Not even goats will eat their foliage.

Solve Series Of Robberies Here

By CHESTER WALSH
"The arrest of Grover Cleveland Moye, 30-year-old Negro tenant farmer, Wednesday by Deputies Loyd Manning and Jasper Lee Mills, solved a series of six robberies at rural points which had been worrying us very much," Sheriff Ruel W. Tyson said today.

The officers arrested Moye Wednesday night and charged him with breaking and entering the home of Frank Phillips, near the city, and the larceny of a ham and side of meat. They used bloodhounds to trail Moye to his home on the Hooker road. He fled, but was captured after a chase across fields. They found the meat in a chicken coop under his house.

Since his arrest Sheriff Tyson has made the following charges against him: Robbing the home of Raymond Tyson, on the Farmville highway on May 6, 1946 of two watches, a pistol and \$8; robbing Leon Tyson's home, in the same neighborhood, on September 4, 1946 of two pistols; robbing H. P. Tyson's home,

in the same section, of a pistol and some small change; robbing Leon Tyson's smokehouse of four hams; robbing J. H. Tucker's home, on the Hooker road, of two big hams. Moye will be tried in Superior Court in August.

Ninth Grade Pupils Presented One-Act Play For Meeting

Students of the ninth grade at the Greenville High School presented a one-act play, "Not Quite Such a Goose," by Elizabeth Gale, at a meeting of the English Club at East Carolina Teachers College on Tuesday evening.

Helen C. Hardy of La Grange, East Carolina senior and student teacher at the local high school, was director of the play and presented the young actors to members of the English Club.

Students from the Greenville

school who were in the cast of the Ormond, Margaret Fleming. Bobb play were Augusta Overton, Lyman Lee and Mary Spence Bugg.

A FINE CAR MADE EVEN FINER

Not a single thing lacking!

A Product of General Motors

To be completely satisfactory, a motor car must give you many things—and Pontiac gives them all!

It is big and beautiful—so big and beautiful that you can drive it anywhere, on any occasion, with pride and confidence.

It performs magnificently—and is the lowest-price car with General Motors Hydra-Matic Drive.*

It rides and handles so well that the longest journey is a distinct pleasure.

It has a record for dependability that is unsurpassed in the entire automotive industry.

And it is amazingly economical, both to own and to operate. In fact, if you can afford any new car, you can afford a Pontiac.

Truly—from luxury to economy—there is not a single thing lacking in a Pontiac. And this is always true of Pontiac, year after year. So, regardless of when you expect to get your next car, make it a Pontiac—and be completely satisfied!

Strength FOR THE DAY

"THE BLOSSOMING THORN"
II Corinthians 12, 7: "There was
given me a thorn in the flesh."

By the side of a colonial doorway,
there grows a thorn tree. All
the year round, it is a thing of beauty.
In the winter nights the electric
light across the street shines upon
its bare and twisted branches. And
the shadow which the tree now
casts upon the white colonial doorway
is like one of those delicate
iron pictures which one sees so often
in the Orient. There are times before
faster when the tree seems
quite grim with its long sharp
thorns. Then the spring comes, and
with its warmth the thorn tree
bursts into blossoms and stands by
the side of the doorway like a bride
adorned with orange blossoms
awaiting the coming of the bridegroom.

So to every man there comes,
sooner or later, the experience of
the Apostle Paul. "There was given
me a thorn in the flesh," he wrote.
And in his rebellion at the pain and
weakness of his all too human flesh,
he cried out to God that the thorn
might be removed. Again and again
he called. But each time the answer
was the same: "My grace is sufficient
for thee, for my strength is made
perfect in weakness." The thorn
tree had blossomed at last, as blossom
it will for all who will let the
warm spring winds of God bow over
the thorns in their lives. Then indeed
is the strength of God made
perfect in human weakness.

WASHINGTON LETTER

By JANE EADS
By JANE EADS

Washington—Patients who came
from the battlefields of the first
World War to Walter Reed Hospital
dubbed the volunteer Red Cross
workers "Gray Ladies" because they
wore gray dresses and gray veils.
The name stuck. This month the
organization of Gray Ladies is thirty
years old. It has grown into an organization
numbering more than
25,000 members who contribute their
time and services in 851 hospitals
throughout the United States.
The expansion of the Gray Ladies
has not been confined to Federal
hospitals. More and more community
institutions are finding Gray Ladies'
services of value. An outstanding
phase of their work today is
with crippled and hospitalized children.

Every year more than 1,000,000
children are admitted to hospitals in
this country. Hospital officials estimate
that 40 percent of the child
patient's day is taken up with physical
care, leaving 60 percent of his
time free.
Red Cross volunteers know that
each child in a hospital ward must
be kept calm and quiet. They also
know that play, intelligently directed,
can serve as preventive medicine.
It directs the child's attention from
himself and his ills to new creative
ideas.

In Baltimore, Gray Ladies are
serving at the Children's Hospital
School. Ten little patients are completely
encased in "iron lungs." Gray
Ladies feed them—it takes an hour
for each one. They read to them,
cheer them, ease the demanding
tasks of the nurses. Gray Ladies help
children with their school lessons in
hospital wards in DeKalb County,
Ga. When a child leaves the hospital,
a letter is written to the teacher,
telling her what has been done
and the progress the child has made.
Gray Ladies are giving doctors and
nurses a hand, checking the eyesight
of children in Georgia schools.
Child patients in New York's Bellevue
Hospital play musical games and
join in group singing at weekly
parties given by Gray Ladies. Ad-
olescent boys in the psychopathic
wards look forward to weekly movies
shown by the volunteers. Gray Ladies
are teaching leather tooling, oven
clay modeling, spatter painting
typing, music and sewing to young
patients in the Lillian Taylor school
for physically handicapped children
in Galesburg, Ill. In the clinic admin-
istering room of Children's Memorial
Hospital in Chicago, Gray Ladies help
nervous youngsters overcome
their fears by producing toys, mech-
anical animals and picture books to
divert their attention.

SUGAR PRICE CUT
New York, May 13—(AP)—National
Sugar Refining Co. today cut
refined sugar prices 1-5 to 1-4 cent
a pound, reflecting recent weakness
in the raw sugar market. Refined
sugar in paper bags was reduced 25
cents to \$7.50 a hundredweight.
Packaged sugar was cut 20 cents to
\$7.30.

Boyle's Column

By HAL BOYLE
New York, May 14—(AP)—Dorothy
Lamour drinks prune juice for
breakfast.

Dorothy Lamour drinks prune juice
for breakfast. Yep, prune juice.
What's wrong about that? Nothing's
wrong about it. But after all—prune
juice! Dorothy Lamour!
But I don't know why that should
seem odd. One of the first things
you learn about movie stars is that
they are often in real life the reverse
of the characters they portray
on the screen. They'll tell you so
themselves. You can't stop 'em.

Dorothy is what the people in show
business call a good scout—one who
hasn't forgotten the folks who gave
her a lift on the way up.

She likes to talk about what she
calls "the old days." She isn't embar-
rassed at the memory of running
an elevator in a Chicago department
store, and she probably had about
as much fun then as she does now
being a movie star.

"When I was here in the old days
I never had any money to shop,"
she laughed. "Now I haven't any
time."

We were lunching at one of those
places on Central Park South where
you can't make up your mind whether
to order a dessert or save the
money and buy a new suit.

"My hairdresser, Doris Harris,
came with me," said Dorothy. "She's
one of my best friends. I haven't
had a spare moment to go to the
stores, so Doris went shopping for
both of us."

"She brought back about twenty
dresses. We stayed up after mid-
night in the hotel room trying them
on and deciding which we wanted."

Also with Miss Lamour—Mrs.
William Rose Howard III—is her
son, Ridge, 2-1-2, who sometimes
finds it pretty rugged to have a movie
star for a mother.

"He won't let me hug and kiss
him at all if I have lipstick on," she
complained. Silly boy!
She took him to see the rushes

Around Capitol Square

By LYNN NISBET

EXPENDITURES—Early reports
of campaign expenditures filed by
state and district candidates with
the secretary of state show diver-
gence of opinion as to what items
should be included, and re-empha-
sized the need for rewriting the
corrupt practices act. Harry McMullan,
attorney general and next to the
supreme court the ranking authority
on what the law really means, re-
ported the fee for filing with the
state board of elections. Several
other candidates, among them men
who have been or are now superior
court judges, have omitted the filing
fee. The statute exempts from the
report the personal living and travel
expenses of the candidates, but sev-
eral have included these items in
their list of expenditures.

DISCREPANCIES—Theory of those
who do not list the election board
fee is that the expenditure is
required by law as prerequisite to
being a candidate, that it must be
paid before the candidate can be
held amenable to the laws govern-
ing candidates—and so does not
need to be reported. Other discre-
pancies in the act are that only con-
tributions received and expenditures
made during the calendar year are
reportable, although another section
would appear to hold maximum ex-
penditures at any time to the limit
fixed, regardless of when they were
made. That section would limit ex-
penditures in a race for governor
to \$12,000 but would not require re-
porting contributions or expenditures
dated prior to January 1. Many
students of the problem of campaign
spending think the act should be re-
vised and clarified.

REPUBLICANS—The attitude of
Republicans attending the and the
general atmosphere prevailing at the
state Republican convention in Dur-
ham two months ago and the Har-
old Stassen appearance at Winsto-
n-Salem on Tuesday, leaves no
doubt that Tar Heel Republicans
are more active and alert than they
have been for many years. They
seem to be also more realistic in
their approach to problems.

HOPES—The Republican party
will have a more active and thorough
state headquarters organization this
year. They will seek to increase
their party's vote in every district
and county. But there was less talk
heard about probability of immedi-
ate success in these ventures. Party
leaders with whom your reporter
discussed these matters seem to be
more sincerely interested in devel-
oping a long range program, built
on a solid foundation, than in gain-
ing one or two additional county
commissioners or legislators. They
are not blind to the prospects of
federal patronage if the Republican
win the presidency this fall, and
there are some party members who
are counting on a piece of pie right
away. Outstanding leaders, with
apparent support of a majority of
their party, are basing their strategy
on a long range program for a
real two-party system in the state.
And they think they will eventually
get it.

VOTES—Somewhat surprisingly
many of the top flight Republicans
do not care about copying a lot of
overtime votes from temporarily dis-
gruntled Democrats. In that respect
the 1948 campaign is shaping up
very differently from the 1928
episode at this comparable stage. In
other words, there is more evident
desire to build a real Republican
party in North Carolina than to
carry the presidential electoral vote
this year.

See Attempt To Upset Partition

Lake Success, May 13—(AP)—The
Jewish Agency charged today the
new U.S. plan for a Palestine high
commissioner is an attempt to set
aside the United Nations partition
project.

A Jewish Agency spokesman said
in a formal statement that the
American proposal would increase
disorder and conflict in Palestine
instead of bringing peace.

Comic strip panel 4: A BAD HOPE... AND THE TYING AND WINNING RUNS ARE ON BASES!

President Talks To Young Demos

Washington, May 14—(AP)—President Truman is billed for a political address tonight before a dinner of Young Democrats.

The Chief Executive, adhering to his new routine of "off-the-cuff" speaking, will talk only from notes in a 15-minute appearance.

Presidential Press Secretary Charles G. Ross said the address will be a "democratic political speech" on domestic issues.

It will be televised, and broadcast over the NBC, ABC, MBS and CBS networks starting at 9:30 p.m. (EST).

Mr. Truman's political advisers have been urging extemporaneous speeches in the belief that he does better when he does not read from a manuscript.

This procedure will be followed by the President in his frequent platform appearances planned during a railroad trip across the country starting June 3.

Superfort Down In Saudi Arabia

Frankfurt, Germany, May 14—(AP)—The United States Air Force said today a B-29 Superfortress has fallen 120 miles northwest of Dhahran, Saudi Arabia, and 13 persons may have been killed.

Nine bodies have been found, four persons are missing and only one survivor has turned up, said the announcement, issued at Wiesbaden. Names were withheld.

The plane apparently crashed Tuesday, the Air Force said, on the way back from Dhahran to the U.S. Superfortress base at Fuerstenfeldbruck, Germany. The big planes frequently make training flights between those two points.

New ACE Officers Installed Tuesday At Campus Meeting

New officers of the Association for Childhood Education at East Carolina Teachers College were installed and members of the senior class who have belonged to the ACE for four years were given special recognition at a meeting held in the Education Building on the campus Tuesday evening.

Rockie Lee Davis of Seaboard became the new president of the ACE. She succeeds Ellen Joyce Clark of Everett, who conducted the installation ceremonies for new officers. Other students who became officers of the association are Lucille Blacklock, Timberlake, Susan Brinson, New Bern, and Evelyn Kronegay, Seven Springs, vice presidents; Ellen Joyce Clark, Everett; secretary and treasurer; Emma Louise Gurley, Goldsboro, publicity chairman; Vera Scott, Seaboard publications chairman; Margaret Cartledge, Tarboro, historian; and Edna E. Holloman, Watsburg, reporter. Dora E. Coates of the faculty is advisor to the group.

Mrs. Walter Krausnick of Greenville, guest speaker at the meeting discussed with those present the needs of children in a democracy. Senior ACE members were honor

Show Goes On

Lancaster, Pa., May 14—(AP)—Only 15 spectators were under the big top when the King Brothers circus opened nearly three hours late yesterday but the show went on—true to tradition.

Rain turned the grounds into a dismal quagmire of mud and delayed start of the show. There were only a few circus hands on hand at the scheduled starting and all but 15 of them departed before the ringmaster finally gave the go-ahead signal.

But the 15 received a full performance.

Titled Britons Die In Air Crash

London, May 14—(AP)—Skyways Limited announced today that Lady Kathleen Hartington and Lord Fitzwilliam were killed last night in a plane crash in southern France.

Lady Hartington was the daughter of Joseph P. Kennedy, former U.S. ambassador to Great Britain, and the widow of the Marquess of Hartington, who was killed in action during the war.

Sir Drummond Inglis, a director of the Skyways firm, which owned the chartered plane, made the official announcement at noon.

He said both members of the planes' crew, Capt. P. A. Townshend and Radio Officer A. F. Freeman, also died in the crash.

Lord Fitzwilliam, the eighth earl in his line, acceded to his title in 1943. Skyways said earlier that he had chartered the plane.

Skyways said Lady Hartington and Lord Fitzwilliam were the only passengers.

Guests at a social hour held at the close of the program.

State Department Official Visiting Relatives In City

By CHESTER WALSH
Dr. Ralph S. Collins formerly of Ayden, in the United States consular service the past three years, who, with his wife, is visiting his brother, Mr. John Arthur Collins, and Mrs. Collins at their home, 408 Harding street, will leave for Marysville, Tenn., Friday morning to visit at Marysville College, where he taught 10 years before entering government service. Their children are in a Cornwell-on-the-Hudson school. They will return here in about a week.

Dr. Collins will go to the State Department in Washington, D. C., and Columbia University, in New

York, for a year's intensive training for an assignment abroad. He was in the U. S. Office of Political Advisor on German affairs. He was in London, England, for some time; then in Versailles, France, and Berlin, Germany. He was attached to the American Embassy in Rome, Italy, for six months. He was transferred from that assignment to the State Department for training for another mission overseas. The State Department official will go to Washington June 14.

St. Louis began as an American town of 1,000 in 1803 when President Jefferson made the Louisiana Purchase from Napoleon.

The ancient Celtic tongue, Manx, is still spoken by a few of the 51,000 inhabitants of the British Isle of Man.

DO YOU REMEMBER... POPCORN AT THE CIRCUS?

Of all the sights, sounds, and odors that make the circus such adventure to young and old... what lingers longer in the memory than the fragrance and crunchy goodness of fresh popcorn!

Here's a bread for your table with a flavor that is a pleasant surprise on first acquaintance... becomes your favorite for every bread purpose as you enjoy it day by day. Every slice is a real delight, no matter how you serve it!

This is YOU when you own a General Electric Home Freezer

- Just before dinner time, you pick your food from 280 pounds of fresh, nutritious food...
- You buy most of your food at low cost, because you buy in quantity—at the peak of the season, or when there are sales.
- You never have to let fresh-caught fish or game go to waste. Your General Electric Home Freezer keeps most food delicious up to a year.
- You don't have to shop when the weather's bad, or when the children are sick... or when unexpected company calls.
- You rest secure in the knowledge that your General Electric Home Freezer is a dependable home freezer—one that assures you lowest operating efficiency.
- The sealed-in refrigerating system in your home freezer is the same type as that which has been giving satisfactory service in more than 1,700,000 refrigerators for more than 10 years.

will be mighty proud to own a General Electric Home Freezer. Why not drop in and see these remarkable, dependable Home Freezers today? The price? \$999.00 for the 8-cubic-foot model.

Ray Poat Shutout Against Cards Puts Giants On Top

Young Sensation After Operation

By JACK HAND
(Associated Press Sports Writer)

Ray Poat's spring success takes the heat off New York Giant officials who booted Bill Voiselle to Boston for a sore-armed pitcher, now retired.

The two-hit shutout that Poat threw against the St. Louis Cardinals yesterday boosted the Giants into the National League lead. Despite Voiselle's four straight victories, the Braves still are in the second division.

Pittsburgh, May 14—(AP)—Frankie Gustine isn't talking about his operation—but everybody else is.

The youthful Pittsburgh Pirate veteran underwent an operation during the off-season to correct a double hernia. The condition caused the popular third sacker to slow down during mid-season when the weather and the competition were hottest—so the bleacher fans opined.

Always an earnest young man, Frankie decided to try surgery as possible insurance for a full head of steam.

So far this year he's been fielding and hitting sensationally. He's hitting at a merry 381 pace and his steadiness in the infield has been a big factor in the Pirates' defense. Last night against the Phillies he banged out his first homer of the year with a mate aboard to bring to 11 the number of runs he's accounted for.

"All he needed was that operation," smiled the broadcaster Bucs with whom the 28-year-old star always has been a favorite.

"Maybe they're right," said Frankie, "but I'm not saying anything. You know I've always been a hot spring hitter. Let's wait and see how I go later."

More than half of the world's people gain their living from the soil.

Furthermore, there is no assurance that Voiselle would sport that 4-0 record if he still worked for Manager Mel Ott. "Old Mel" never forgot the \$500 fine that Ott handed out for throwing a wrong pitch at St. Louis in 1946. He developed an anti-Ott complex.

Ott probably has no regrets about the trade that sent Voiselle to the Boston Braves last summer for Mort Cooper, even if Mort never did regain his old form. Cooper finally quit and retired to run his business at St. Louis.

Poat, purchased from Baltimore last summer after failing to make the grade with Cleveland, now has won three of four.

A single by Elroy Slaughter in the second inning and the third were the only St. Louis hits off Poat in his 5-0 win. For five innings it was a scoreless duel between Poat and Red Mungler but the Giants got two in the sixth and knocked out Mungler in the eighth.

Poat, who underwent an operation for varicose veins during the winter, blanked Chicago with four hits, 2-0, to leave Boston at the .500 mark. Bob Elliott drove in both runs with a single and an infield out. It was a fourth loss for hard luck Johnny Schmitz who also gave up only four hits.

Brooklyn broke even in the West by sinking Cincinnati, 9-3, for the Reds' seventh straight loss. Preacher Roe went the route for his first win at the expense of Ken Raffensberger.

Pittsburgh squeezed ahead of St. Louis into second place in the National by a night game win over the Phillies, 5-1. Rookie Bob Cheshnes making his first start in the majors, received credit for the decision although he required relief help in the seventh. Cheshnes helped his own cause with a triple and Frank Gustine contributed a two-run homer.

The Philadelphia Athletics, their 10-game winning streak intact as they were not scheduled yesterday, come into the Yankee Stadium today to open a vital four-game series with New York.

Keesler Leading Tennis Tourney

Winston-Salem, N. C., May 14—(AP)—Top-seeded Dewey Keesler, defending singles champion from Charlotte, led the field today into the first round matches of the North Carolina high school tennis tournament here.

Rain washed out all but three of yesterday's scheduled first round matches and extended the tournament through tomorrow.

The Greens piled up another double-header on its schedule last night as the game at Goldsboro was rained out. Rain really did start falling about 7 o'clock last night. This gives the Greens three double-headers at the present time with the first one to be played in Wilson Saturday night as the result of the 18-inning tie game played there on May 3 then over here at Guy Smith Stadium on Tuesday night the Greens will meet the Rocky Mount Leafs in a twin bill, the game here of May 4th being rained out. The game rained out at Goldsboro last night will be played as a twin bill on the night of May 22nd in Goldsboro.

Manager Bill Phebus' Greensies that virtually bound to take a riding following Wednesday night's game with the Goldbugs of the scattered few of Greensie's baseball public who cannot tolerate a loss, but "the men who know baseball best"—those who have played professional ball themselves and have an understanding of the problems of the game—remarked yesterday that the club has really got to make some changes and that it compared favorably with the clubs that have represented Greenville in the past two years. Looking back over the records for the first twenty games played by the Greensies in the past two years we find that in 1946 the Greensies at that time were in seventh place in the league with eight wins and twelve losses, and in 1947 the Greensies had won six and lost fourteen to have possession of seventh place. Today they are resting in eighth place with five wins and fifteen losses. It is true that new players are coming and going and as one fan expressed it Greenville has three teams—one here, one going and one coming—but at this time of the season it is difficult to get a ball player because the season is well advanced throughout the country and a club is not going to let loose a valuable player—unless a big bonus is paid for him. No doubt Business Manager Doty and Manager Phebus were warned ahead of time of the class ball played in the Coastal Plain and as you readers are aware that this is the fastest Class D league in the country. With the money that has been invested in bringing to Greenville baseball this summer there is not any excuse for the local club to remain on the bottom and stay there as it has since the opening of the season. At the present time they are seven and one-half games from top position and winning one every six days will certainly not put them even in the first division. Of the ten home games played by the Greensies this season they have won three while away from home they have won two and lost seven. They have lost a like number at the local park. They have yet to gain a win over their rivals, the Tarboro Tars and the Rocky Mount Leafs, who are tied for top position in the league at this writing. And with the other top division teams they have won one out of four with New Bern and one out of three with the Goldsboro Goldbugs. They have split their four-game series with the Roanoke Rapids Jays and have defeated Wilson once and tied them up one time, while with the Kinston Eagles they lost both of their opening games. These are just facts on how the Greensies compare with the leading clubs of the league at the present time and these facts plainly speak for themselves. The past two home games have drawn paid admissions slightly below the 800 mark but unless Greenville is given a winning team attendance figures may drop off more and more.

Manager Bill Phebus' Greensies that virtually bound to take a riding following Wednesday night's game with the Goldbugs of the scattered few of Greensie's baseball public who cannot tolerate a loss, but "the men who know baseball best"—those who have played professional ball themselves and have an understanding of the problems of the game—remarked yesterday that the club has really got to make some changes and that it compared favorably with the clubs that have represented Greenville in the past two years. Looking back over the records for the first twenty games played by the Greensies in the past two years we find that in 1946 the Greensies at that time were in seventh place in the league with eight wins and twelve losses, and in 1947 the Greensies had won six and lost fourteen to have possession of seventh place. The past two home games have drawn paid admissions slightly below the 800 mark but unless Greenville is given a winning team attendance figures may drop off more and more.

John Hanley of the Leafs and Jack Hussey of the Goldsboro Goldbugs are now tied for the home run leadership of the Coastal Plain League. Both sluggers have recorded seven this season, with Hussey's latest four-base smash coming over in Rocky Mount Monday night. If the two guys keep up their fast pace, the league record set by Joe Bistrot of Snow Hill in 1939, with 32, seems in for a licking.

The hearing on the protest which Manager Bill Phebus filed against the Tars at the conclusion of the game last Sunday is scheduled in

SURRENDER — A 4-pound large-mouth bass is well hooked in Greenfield Lake, Wilmington, N. C.

GREENIES' SCHEDULE

Barring interference by the weatherman, the Greenville ball club is scheduled to play Wilson here tonight and meet the Tobs in their home park on Saturday evening. Sunday afternoon, the locals oppose the Kinston Eagles in Guy Smith Stadium, playing the second game of their series in Kinston on Monday night.

Hockey Player Makes Debut In Golf Tournament

Philadelphia, May 14—(AP)—Bill Ezinicki, a wing on Toronto's Stanley Cup championship hockey team, makes his debut as a pro golfer in the Philadelphia Inquirer Invitational Tourney today but he isn't cutting all his ties with the ice sport.

In making the change Ezinicki becomes the third athlete in recent years to enter professional golf after establishing a reputation in a different sport.

Before him were Sammy Byrd, one-time New York baseball Yankee outfielder, and Ellsworth Vines, the king-pin of amateur tennis when he decided to become a swing-for-swag golfer.

Byrd and Vines, however, made a complete break from their previous sports. Ezinicki, only 24, hopes to combine the two for a period of years before settling down as a teaching golf pro in his native Canada.

Vic Seixas Tops Maryland Entry

Chapel Hill, N. C., May 14—(AP)—Vic Seixas of North Carolina led the way as top-seeded players moved toward today's quarter-finals in the Southern Conference Tennis Tournament.

Seixas easily disposed of Dave Rothenhofer of Maryland, 6-2, 6-1 in yesterday's second round A downpour halted play before the second round matches were completed yesterday and these were set for this morning.

Only upset recorded was the victory of Don Skalle, North Carolina, over seventh-seeded Arthur Culbertson of North Carolina State. Skalle won 6-1, 6-0—the only triumph over a seeded player.

William and Mary's Fred Kovaleski was well out in front of Pete Kohn, N. C. State, when rain interfered. Kovaleski took the first set 6-0 and had won the first two games of the second when the rain came.

Bernard Bartsen, William and Mary, defeated Jim Wesley of Duke in two love sets, and Eddie Miller, also Maryland, won by default over Jim, Sherrill of N. C. State.

Outfielder Sold To Washington

New York, May 14—(AP)—The New York Yankees today announced the sale of outfielder Ed Stewart to the Washington Senators.

While the amount of cash involved was not disclosed, the Senators will send outfielder Leon Culbertson to the Yankees' Kansas City farm in the American Association as part of the deal.

Stewart, a left-handed hitter, played last season at Kansas City, where his .358 batting average was the second highest in the Association.

Louis Ahead Of Schedule In His Shedding Weight

Bloomingsdale, Mich., May 14—(AP)—Heavyweight champion Joe Louis had another birthday—his 34th—behind him today and although the years are piling up on the brown bomber the pounds are dropping off as he prepares for his June 23 rematch with Jersey Joe Walcott in Yankee Stadium.

Trainer Mennie Seamon took the occasion of Louis' birthday to report that a month of light training at the farm of Bear Lake had Joe's conditioning program running "two pounds" ahead of schedule.

When Louis arrived here in early April following his European appearance he was bulging at 228 pounds with the accumulated "overweight" of nearly four months of virtual inaction.

Seamon's timetable, aiming at 215 for the second Walcott battle, called for Joe to shed three pounds here on a diet of "rest," tapering off into light roadwork, sawing and wood-chopping. Thus the champ would have seven more pounds to lose after he gets into the heavy part of his training routine next week at Pompton Lakes, N. J.

But Seamon said today the bomber already was down to 220, a fact that simplifies the reducing schedule.

Joe leaves here for his Pompton Lakes base next Monday morning and won't start sparring until after his arrival in the East. Starting with four rounds a day and working up to six, Louis plans to put his legs and reflexes in tune with 21 days of boxing.

His spar mates, selected yesterday by manager John Roxborough, will include Richard Hagan, Chicago; Johnny Hubbard, Milwaukee; McKinley English, Detroit, and Henry Taylor, New York.

Terps Favored Take Top Honors In Track Meet

Chapel Hill, N. C., May 14—(AP)—The well-balanced Maryland track team was favored to take top honors in the 24th annual Southern Conference track and field championships which opened here today.

The Terps, who dominated the Carolina relays here early in the season, were tabbed to dethrone the University of North Carolina which a year ago amassed a record 83 points as against 42 for runnerup Duke. Maryland was third and N. C. State fourth.

The same four schools figured to fight it out for the lion's share of the glory this year as 300 athletes from 14 of the 16 conference schools were represented. Only George Washington and the Citadel were not in the field.

After today's trials the decks will be cleared for the 15 championship final events tomorrow afternoon.

Forecupines have been known to nibble on dynamite for the small amount of salt it contains.

Hirsch Hopes Derby Took Too Much Out Of Citation

Baltimore, May 14—(AP)—"Usually you never hear of them again after they win the Derby."

Trainer Max Hirsch said that in April, and it may be a tipoff on why he intends to start King Ranch's better Self against Citation in tomorrow's preakness at Pimlico. Only two others are expected to be as bold—Bovard and Vulcan's Forge.

Hirsch recommended that Better Self skip the Kentucky Derby because "it takes an iron horse to do it. You rush them down to Kentucky, then back to Maryland for the Preakness. And if you're lucky next is the Belmont."

Better Self, the son of Bimelech-Bee Mac, stayed in New York while four other 3-year-olds went down to take a whipping from Citation and Coaltown in the Derby. It is important to note that Citation is the only one of the five to start in the Preakness.

Those looking for coincidence to go with Hirsch's words about winners of the classics are recalling the last four-horse Preakness field was in 1943 when Count Fleet scared off all opposition. After going on to take the Belmont, Count Fleet was through with racing.

The present poor condition of the Hilltop Track, soaked yesterday by rain and with possibly more to come, won't bother Better Self in Hirsch's opinion.

"He likes anything," the King Ranch trainer recalled.

Hirsch also likes the sixteenth of a mile difference between the longer Derby and the Preakness. "The shorter the better for Better Self," he feels about tomorrow's mile and three-sixteenths race.

As for the chances of his charge against the illustrious Citation, Hirsch says only "I'm hoping."

Better Self made only three starts this year. All at Jamaica. He won the Paumonok handicap on a rain drenched track against 12 older horses, finished second in the market wise and third in the Wood Memorial.

The King Ranch colt tried out the sloppy track yesterday and ran a mile and a quarter. He worked the last three-eighths in 38 seconds "which was just what we wanted him to do," Hirsch said.

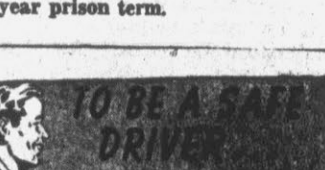

Sande Cleared

New York, May 14—(AP)—Earl Sande, horse owner, trainer and onetime famous jockey, was released yesterday from Federal charges of illegal possession of narcotics.

A Grand Jury which investigated the case returned a no true bill.

The Jockey club said the Grand jury's action would have no effect on his 60-day suspension of Sande, imposed May 4. The day after he was arrested.

The government charged Sande had a drug which he failed to register and on which he failed to pay a tax. Conviction would have meant a two to five year prison term.

BEAR THE BANNER SAFETY

All the driving skill in the world won't save you when your brakes fail to hold, your steering fails or poor headlights blind your way. You can Bear the Banner of Safety by having your headlights, brakes and steering checked at least twice a year. Why not start TODAY!

Ned Ten Eyck is carrying on the Ten Eyck tradition of crew coaching which his father, the Grand Old Man of Rowing, Jim Ten Eyck, inaugurated at Syracuse University in 1903 and continued until his death at the age of 86 in 1938. At that point Ned took over, and has been tutoring the Orange sweep-swingers ever since.

Ned Ten Eyck was only 17 when he went to England and became the first American to win the Diamond Sculls at the Royal Henley on the Thames. He was national singles sculling champion in 1928, '30, '31, and '32, and was doubles champion with Charles Lewis at one time. He was never defeated in a sculling race.

Dixie Governors Disappointed By Senate Actions

Atlanta, May 14 (AP)—Six Southern governors express disappointment or "blame" politics for the Senate move in shelving a bill to give approval to a Southern plan for regional universities.

Governors Millard Caldwell of Florida and M. E. Thompson of Georgia blamed politics.

Said Caldwell, chairman of the Regional Council for Education: "I am sorry to see better higher education for the South fall victim to politics."

Georgia's chief executive said the Senate's action "smacks of politics." Most of the states in the South are not financially able to support higher education in all specialized fields and they need the cooperation of other states in this endeavor."

Tennessee's Jim McCord said that he was disappointed, and added he hopes the plan will be reconsidered.

J. Strom Thurmond of South Carolina said, "I am badly disappointed. This was an opportunity for the South to take another progressive step along educational lines."

Blaming the side tracking of the bill on "minority groups," Gov. Fielding L. Wright of Mississippi charged that, "a few people composing the minority groups in the North, claiming to speak for all the negroes of the nation, apparently have killed the bill that would have provided regional education for negroes of the South."

Gov. William Tuck of Virginia still sees a chance for regional schools. "I am of the opinion that the Southern states can by passing uniform legislation accomplish what they propose to do—establish these regional schools," he said.

British scientists say they have developed a cheap chemical formula which makes wool fibers indigestible to moths and thus prevents wool destruction.

No Reduction Of Support Prices In Leaf Program

Washington, May 14 (AP)—Support prices for tobacco will be equal to or higher than present levels under the new long-range farm program adopted by the Senate Agriculture Committee.

The measure, sent to the Senate by an 8-0 committee vote Wednesday night, will guarantee support prices near 90 percent of parity for at least several years, Senator Aiken (R-Vt) told a newsmen.

Present laws pertaining to acreage quotas will not be changed by the new bill.

Parity is a calculated price aimed at keeping an equitable relationship between the prices of the things the farmer sells and those of the things he buys. It includes hundreds of items, including taxes and interest but not hired labor. The proposed new bill also skips this labor cost.

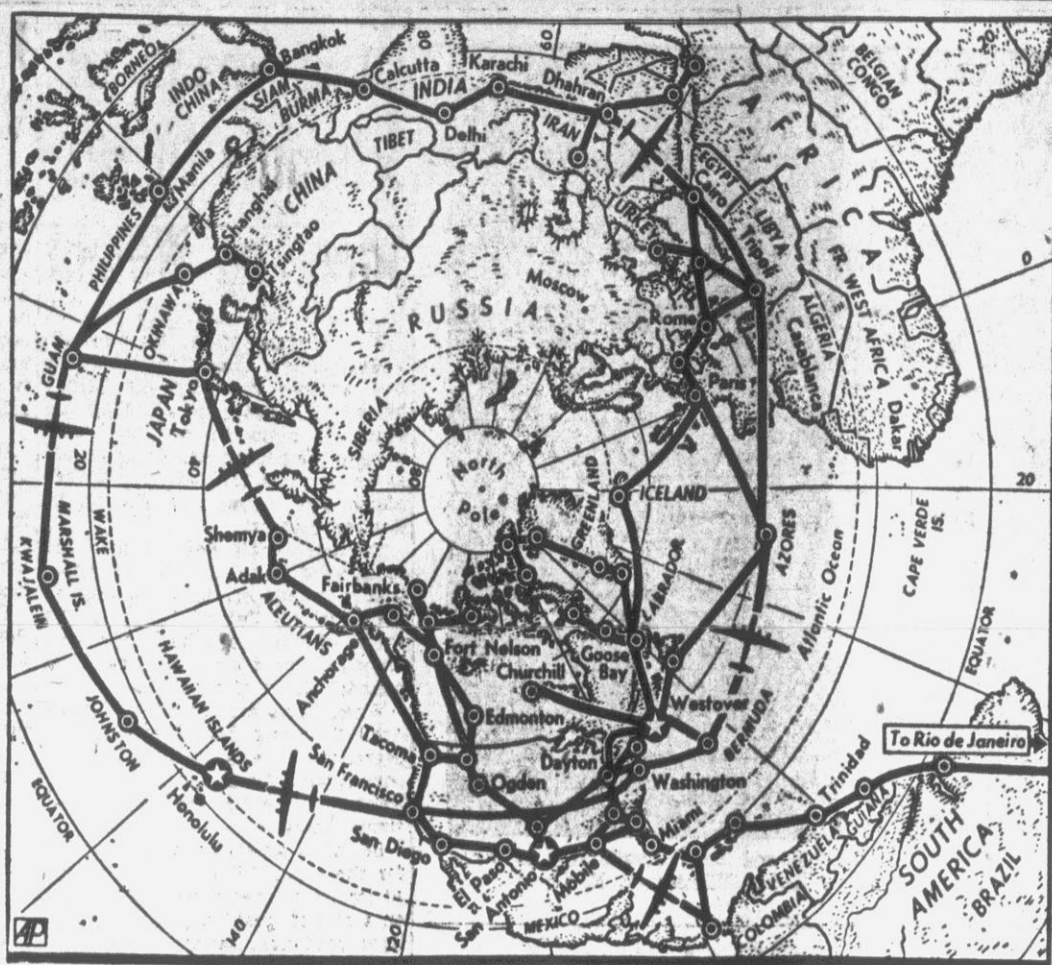

GHS Orchestra Concert May 18

On Tuesday night, May 18, the GHS Orchestra will give its annual Spring Concert. Special numbers will include a violin solo by Juanita Stokes, a violin quartet, and a string ensemble.

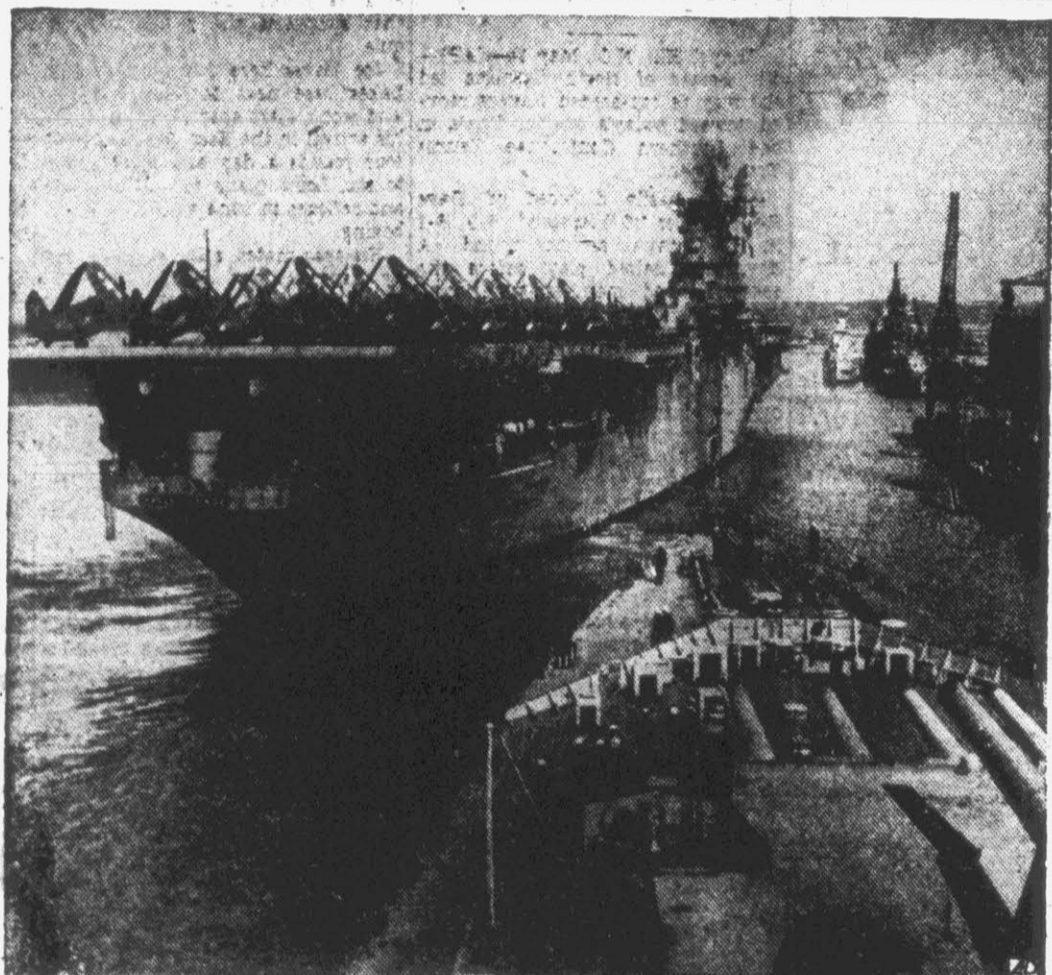

The High School Orchestra has a membership of 36 and with almost complete instrumentation. A varied program is being offered and the public will enjoy this final appearance of the orchestra this year. There is an admission of 15c and 25c to the concert. Tickets may be secured from any member of the orchestra.

ATOMIC STUDY FUND

Ames, Ia., May 14 (AP)—A \$1,850,000 addition to the Ames Laboratory at Iowa State College was authorized today by the Atomic Energy Commission. The funds are for a new atomic research building costing \$1,500,000, with \$350,000 for equipment.

AIR SERVICES MERGED—Merger of the Naval and Air Force air transport services, effective June 1, into Military Air Transport Service (MATS) marks first major unification under National Defense Act. Map traces global routes, totaling 65,000 miles, to be flown. Divisional headquarters will be located at Westover, Mass., San Antonio, Tex., and in Hawaii.

VALLEY FORCE IN ENGLAND—U.S. airplane carrier Valley Forge prepares to moor at naval base at Portsmouth, England. In foreground is forward battery and forecastle of H.M.S. Duke of York. Valley Forge left San Diego on cruise last October.

Sixty-Piece School Band Offers Concert On Campus Sunday

The 60 piece G. H. S. band, under the direction of E. B. McDowell, will give an outdoor concert Sunday afternoon at 4:30 in front of the Austin Building at E. C. T. C. This is a free concert and the public is cordially invited to attend. This will probably be the last appearance of the band in public this year, the only exception being the Commencement program in the High School auditorium on June 2nd.

- A variety of numbers will be given on Sunday's concert including a trumpet trio composed of Herbert Dale, Denny Posey, and Tom Brown. An original composition of Mr. McDowell's will also be performed for the first time by the band.
- 1—Star Spangled Banner.
- 2—Hall of Fame, concert march—Alivadoti.
- 3—Cavatina—Raff.
- 4—High School Pride, march—Holmes.
- 5—Trumpet Trio—The High Flyers—Johnson, Herbert Dale, Denny Posey, and Tom Brown.
- 6—The Midnight Sun, overture—Yoder.
- 7—Hosts of Freedom, march—King.

Hooked Glasses

Roscoe, Tex., May 14 (AP)—Mrs. Lloyd Kelsey felt a slight tug on her fishing line. She reeled it in. On the line was a pair of glasses she had dropped in the water 10 minutes earlier.

- 8—Twilight In The Delta—McDowell.
- 9—Deep In My Heart from "The Student Prince"—Romberg.
- 10—Invercarroll, march—Lithgow.

Edward Arnold Seeking Divorce

San Bernardino, Calif., May 14 (AP)—After 19 years of marriage Actor Edward Arnold has filed suit for divorce from Olive Emerson, former concert singer.

Arnold, 58, charged extreme cruelty yesterday but did not elaborate. He asked the court to settle the division of community property. The actor said he and his wife separated last October. They were married Jan. 15, 1929, at Union City N. J. Arnold filed suit here, listing his orange ranch at nearby East Highlands as his home.

Politicos Plan Heavy Schedule

Raleigh, May 14 (AP)—Gubernatorial and senatorial candidates scheduled themselves another heavy day on the campaign trail today.

Oscar Barker scheduled a speech to Civitan Club members at Wadesboro this afternoon and tonight he will speak before a veterans group at Mebane.

Kerr Scott returned from a tour of the eastern counties to make a talk over a Raleigh radio station and an address at the Wake County courthouse a half hour later.

Charles M. Johnson booked a court house rally in Wilson for tonight and Mayne Albright invaded Warren County.

On the senatorial front, Senator William B. Umstead toured through Cleveland County and scheduled an address at Shelby. His opponent, J. Melville Broughton, spent the day at Myrtle Beach, where he addressed a meeting of the Southern Textile Association. He is scheduled to return to Raleigh in time to make a radio talk.

Yesterday's activity was heavy. In addition to Scott's organizational tour through the east, Barker attended the Junior Chamber of Commerce convention at Winston-Salem, Albright toured Vance County, and Johnson in an address at Lumberton, called on North Carolinians to give whole-hearted support to public and private forest fire control agencies.

Umstead made two talks at Belmont and Lenoir.

Parian marble, the finest sculptor's marble, comes from the Greek Isle of Paros.

drive, into the country. We've a hamper packed with lunch. And we'd be very pleased if you would join us, wouldn't we, Jimmy?"

Until now the little boy had not raised his head, but his eyes, Hildred saw, with a stab of real pain, that he had grown thinner and whiter during his brief stay.

"I don't like it here," Jimmy returned, but in such a low mumble that it was difficult to distinguish the words. "I don't like it at all. I don't want to stay."

"We'll see about that," Hildred said quickly. She saw the child was ready to burst into tears. Long pent-up tears of horribly repressed emotion.

"You mean maybe I won't have to stay?" The little fellow looked up at her now, his underlip quivering painfully. He had enormous dark eyes and a thick crop of dark hair.

"Maybe not all the time. We'll see about that, too," Hildred promised readily. Her own eyes were misty with tears. "Right now," she continued, straightening to her feet again, "you're going for that drive with Mr. Lanier." She flashed Lucien a smile to show him how much she appreciated what he was doing, how truly wonderful she thought it was of him.

"You must come with us," Lucien said once more. "We shall be greatly disappointed if you don't."

So Hildred found herself being assisted into the back seat by Robin, with Jimmy tucked between her and Lucien.

It was a wonderful picnic, not just because the big wicker hamper was packed so full of appetizing delicacies, but because the company proved so congenial. Once out in the hills with the canopy of blue sky overhead Jimmy turned into a normal little boy. A rowdy little boy, full of fun and pranks and laughter. So that soon Lucien and Hildred—and even Robin who was included in all the merrymaking, were behaving as if they had all been set suddenly free. Then, finally exhausted, they stretched out to rest on a grassy knoll beneath a big spreading oak hung with lacy Spanish moss.

Hildred was too content to seek slumber; she rested her back against the trunk while Lucien stretched out at her feet. A little apart, Jimmy slept soundly, his tumbled head pillowed on Robin's wide chest.

"The end of a perfect day," Hildred said, and meant it. "The wonderful part though, Lucien, is that you would plan it, make it possible." She still could not get over that; it was another side of this strange man of many moods.

"Why not—I am human, if I am a Lanier," Lucien replied. "After you told me about Jimmy last night I suddenly got this inspiration—though I confess I was not confident it would work out as well as it has. At least not until you popped up and joined us—which is what actually has made it the perfect day it has turned out."

(To be continued)

Approve Change
For Tax Filing

Washington, May 13—(AP)—The House Ways and Means Committee has approved a change in the filing of annual income tax returns by farmers.

Present law requires that farmers file preliminary returns by Jan. 15 of any year on the previous year's income. Final returns must be in by March 15.

The House committee now has placed in its general tax revision bill a proposal by Rep. Curtis (R-Neb.) that would provide this new procedure:

Farmers may submit returns on or before Jan. 31 of any year, provided such returns constitute their final ones. In other words, those who wish to use this method would not file a subsequent return on March 15.

But farmers who wish to make their January returns merely preliminary must still get them in by Jan. 15 and submit a final statement on March 15.

Curtis told the committee the greater allowance of time was ad-

Notice Of Sale Of 1947 Real Estate
Taxes; City Of Greenville, N. C.

Pursuant to Section 1715, Chapter 310 Public Laws of North Carolina, Session 1941, and by order of the Board of Aldermen, I will on Monday, June 14, 1948, in front of the courthouse door in the city of Greenville, North Carolina, expose for sale to the highest bidder for cash, the following Real Estate for delinquent taxes for the year 1947. Penalty in the amount of 3 per cent has already accumulated on these taxes, and interest at 6 per cent per annum will be charged until taxes are paid.

Youngsters Send
Hoffman Letters

Washington, May 13—(AP)— With lots of loving effort and very misspelling, the first graders of Colmspelting, the first graders of Colmspelting, South Bend, Ind., have given their blessings to Paul G. Hoffman and his European recovery program.

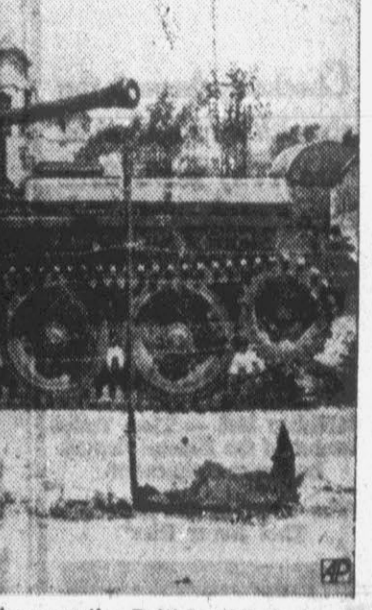

Hoffman today made public 19 letters from the Colfax 6-year-olds, the only congratulatory letters he has released out of thousands sent to him since he became boss of the economic cooperation administration.

British Honduras is smaller than Vermont.

Abandon Project On N. C. History

Raleigh, May 14—(AP)—The Agriculture Department's project to publish a "History of Agriculture in North Carolina" has been dropped, Commissioner D. S. Coltrane announced yesterday.

Jim Robinson, a free lance writer, was employed in November, 1946, to compile the work at an annual salary of \$2,400 and a publishing firm had contracted to deliver 1,000 copies of the book for \$3,888. The material has been partially printed. It is estimated that dropping the project will cause a loss of from \$4,500 to \$5,000.

Coltrane said the Agriculture Department decided against publication after a group of historians had reviewed the volume thoroughly and handed in their report.

Coltrane said the committee was composed of Dr. C. C. Crittenden, state historian; Dr. James W. Patton, head of the Department of History and Political Science at N.C. State, and Dr. Joseph C. Robert, associate professor of history at Duke.

Three men reported, Coltrane said, that the work "does not measure up to the standards that should be met by such a study and we advise against its publication..." They listed seven reasons.

Plane Wreckage In Belgian Congo

Brussels, Belgium, May 14—(AP)—A Sabena airliner carrying 31 persons has been found wrecked in the Belgian Congo, the airline announced today.

The wreckage was found near the village of Magazini, about 20 miles from the Libenge airfield. The airline, a Belgian company, said it had no information yet on casualties among the 25 passengers and crew of six.

Latter-Day Saints Doing Missionary Work Pitt County

The Church of Jesus Christ of Latter-Day Saints has been a very industrious people. One hundred years ago they entered the Salt Lake Valley, which was then a desert. With good honest toil the desert was made to blossom as a rose, through the magic of irrigation, a minister of the church said.

Their members not only believe they should "treat thy neighbor as thyself" but they put it into action. As shown by what is called the "welfare program." This program affords food, clothing, or any other necessity of life for any member who is in need; through some unfortunate circumstance as, fire, unemployment sickness etc. They don't believe in an outright dole. Those who are able to work for the commodities received are provided some kind of employment. While those who may be unable to work are provided for just as well.

These necessary Commodities are provided by the Church membership as a whole. Each geographical area, called a stake comprising eight or ten wards, or Chapels, is assigned the commodity that they can best produce in their community. Rural or farm communities are assigned food they can best produce in their locality. They also have canneries to can the food produced in these areas. They also have clothing factories which are supplied with raw materials by Saints living in the cotton raising areas.

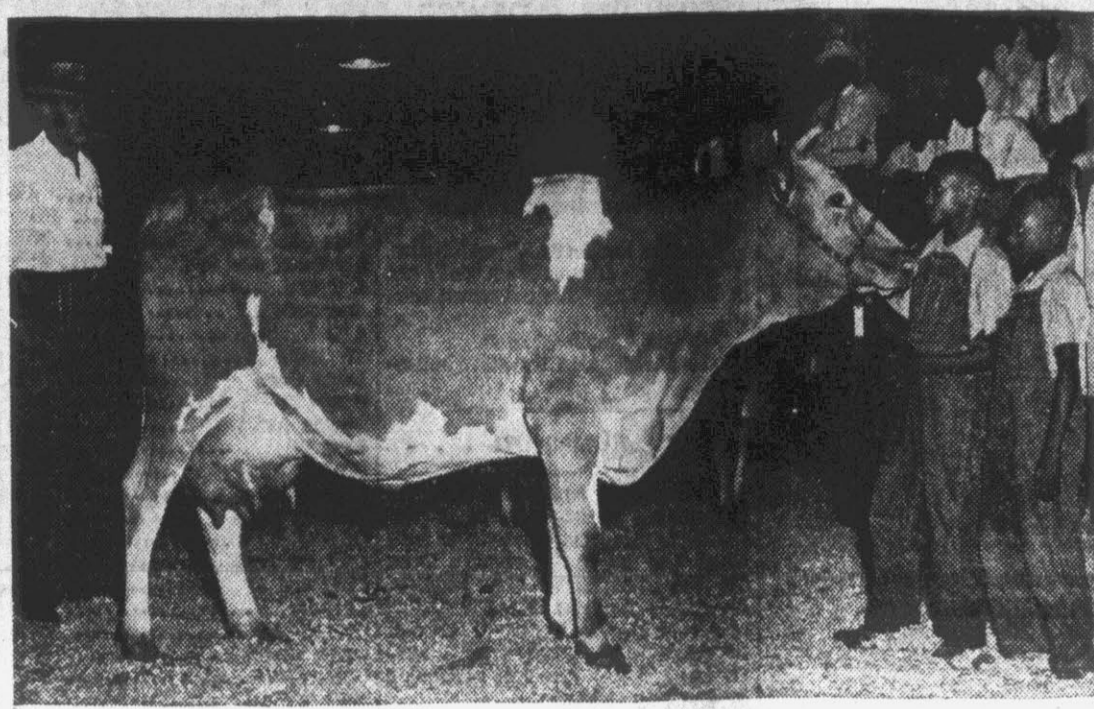

It may sound unbelievable to some, but the work is done voluntarily. Each member gives a day or evening a week, or even more if possible. It is so organized that they have the necessary help when it is needed; be it farm or factory. It helps teach people to work together, to love their fellow men as themselves. It also takes care of all the needy.

Because it is so widely organized a most complete stock of every needful thing is available. Pineapple from Hawaii, oranges from Florida, salmon from Washington etc. These commodities are all sent to a central store house in Salt Lake City, Utah, and from here they are distributed to where ever they are most needed in any part of the globe. A recent display of the efficiency of this plan is shown by some 100 carloads of food and clothing that has been sent to the starving Saints in war-torn Europe.

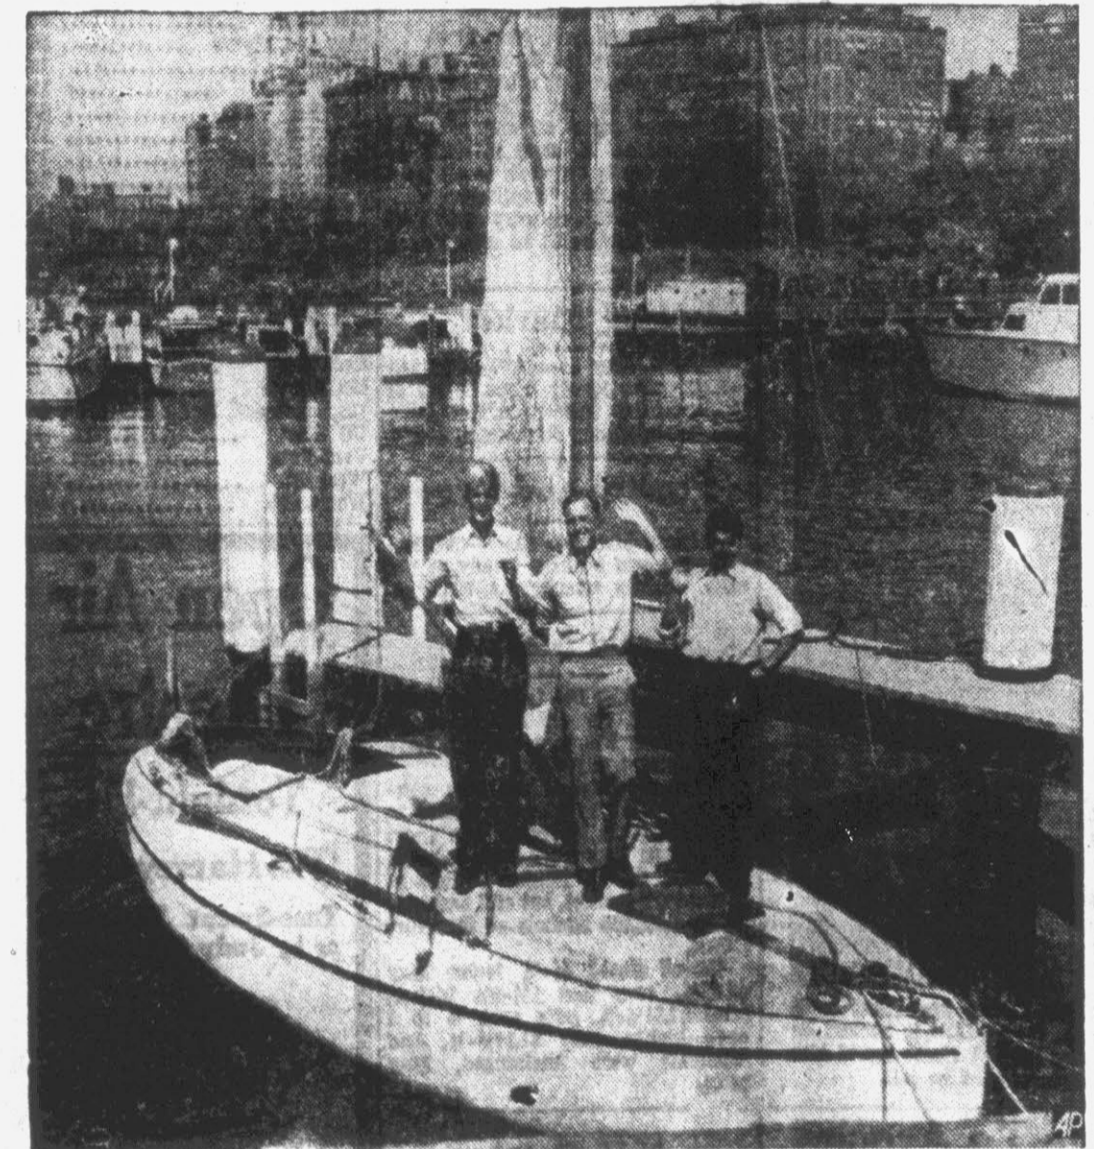

It is the largest, most effective voluntary welfare plan of its kind in existence today. It is operated in all parts of the world where members of the Church are organized, a minister of the church said.

ARRIVE IN PARIS

Paris, May 14—(AP)—Princess Elizabeth and Prince Philip arrived in Paris today for a four-day visit. It is the first time Elizabeth ever has visited a country outside the British Commonwealth.

Out of eighty-five cows at the Rocky Mount Annual Cattle Show, Eimer Leary's cow, Negro 4-H Club boy of the Calico school, Pitt County won the reserve championship and a cash award of eight dollars. The cow now gives five gallons of milke per day.

Arthur Collins Host At Supper Meeting Kiwanis Directors

By CHESTER WALSH

J. Arthur Collins, member of the Kiwanis Club's Board of Directors, was host to the club's officers and directors at a supper meeting at Respas' place, across the river, last night. President Nathan C. Brooks presided. The Underprivileged Child, Attendance and Sponsored Youth Organization committees made gratifying reports. Past Lieut.-Gov. Ed Rawl reported on the Kiwanis International Convention to be held in Los Angeles June 6-10. President Brooks read a letter from Carolinas Kiwanis District Governor Gene Coltrane praising the Greenville club's weekly bulletin and requesting that a copy of it be sent to every club in the two states.

Dr. Ralph Collins of the State Department, Washington, D. C., John A. Collins, Jr., Ed Rawl, Judge Dick James, J. D. Hice, Bryan Brown and John O. Reynolds, the last four named committee chairmen, were special guests.

The officers are Nathan C. Brooks, president; Ed Bloom, immediate past president; W. Arthur Tripp, vice-president; David C. Moore, Jr., secretary-treasurer; Directors, J. Arthur Collins, Tiger Gardner, Milo H. Smith, Tom Willson, W. H. Wooldard, Dr. Melvin P. Hoot, Wyatt R. Highsmith and Hunter B. Keck, and Chester Walsh, public relations chairman.

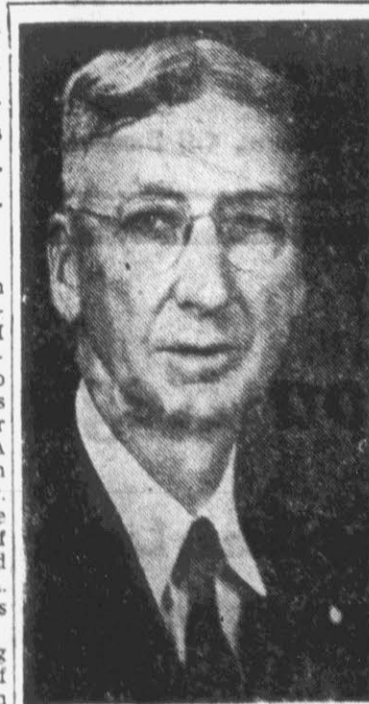

Dr. Melvin P. Hoot will entertain the officers and directors in June and W. H. Wooldard will be host to them in July.

NEW REGENT

The Hague, Netherlands, May 14—(AP)—In a 10-minute ceremony Crown Princess Juliana was sworn in today as regent of the kingdom. She will handle most of the duties of Queen Wilhelmina and become queen when Wilhelmina abdicates.

RAILROAD CONDUCTOR SAYS RELIEF RETONGA GAVE HIM WAS GREAT

Felt So Generally Run-Down And Weakened He Could Hardly Get Out Of Bed. Now Feels Rested, Eats Anything He Wants Without Distress From Nervous Indigestion.

MR. CABELL H. SMITH

"I read what a retired engineer in Nashville, Tenn., said about Retonga and how it helped him, and I figured that what a fellow railroad-conductor recommended had to be good, so I decided to try Retonga," states Mr. Cabell H. Smith, yard conductor and railroad man for 30 years. A home owner and respected citizen of Charlotte, N. C., for 30 years, Mr. Smith lives at 1211 N. Tryon St. He is a member of the Brotherhood of Railway Trainmen, W. O. W., and the Reformed Presbyterian Church. He gratefully continues about his own case:

"When I woke up in the morning I could hardly drag myself out of bed. I felt so generally run-down and weakened. I felt high-strung and on edge most of the time and suffered misery from nervous indigestion and excess gas on my stomach which caused cramping pains and made me feel too full and bloated. Every other night I had to take harsh purgatives to try and clear out the toxic waste.

"The relief Retonga brought me was great! I can even eat good old cabbage just like I could when I was a kid. That distress from gas on my stomach and bloating has been relieved, I no longer suffer from sluggish elimination, and I

sleep sounder than in years. I feel stronger and have more energy, and am no longer bothered by that high-strung feeling. I'm glad to recommend Retonga to others.

Retonga is intended to relieve distress due to insufficient flow of digestive juices in the stomach, loss of appetite, borderline Vitamin B-1 deficiency, and constipation. If the first bottle fails to give you gratifying relief, your money will be refunded. You can get Retonga at Bissette's Drug Store.—Ad.

Jaycees Entertain High School Boys At Supper Meeting

Fifty-four Greenville High school athletes were guests of the Junior Chamber of Commerce at its supper meeting at Clark's Restaurant, across the river and were awarded their "letters" in football, basketball, baseball and track. Everett Case, football coach at State College, Raleigh, made the presentation and delivered an interesting after-dinner speech, complimenting the young athletes for their good work.

Supt. June H. Rose, Principal O. H. Dowd and Coach Boley Farley had a part on the program. President B. B. Sugg, Jr., presided.

"Letters" were given to the following boys:

Football
Vann Morgan, George Minshew, Paul Stokes, Shelley Beard, Alfred Smith, Billy Williams, Clyde Gurganus, Bobby May, Fred Joseph, Glynn Perkins, Sam Northrop, Jimmy Tanner, McRay Bland, Ben Robertson, Bobby Fleming, Raby Edwards, Paul Conway, Jack Morgan, Jimmy Cox, McDonald Bland, Billy Goodson, William McLawhorn, John Farley, Joe Alligood, Carl Denton, R. W. Tyson, Tommy Lupton, Richard Joyner.

Basketball
Glynn Perkins, George Minshew, Hugh Hardee, Denny Posey, David Jones, Fred Joseph, Joe Alligood, John Farley, Jimmy Cox, Joe Sawyer, Howard Procter, Bob Smith, Harvie Ward.

Baseball
Glynn Perkins, Hugh Hardee, Fred Joseph, Eddie Tanner, Bobby Flye, Billy Jordan, Joe Alligood, John Farley, McDonald Bland, Richard Joyner, Fred Joseph, Fufus Stark.

Track
Speedy Siders.

Three-quarters of Canada's population lives in a strip averaging 200 miles wide along the U.S. border.

MODELS—Mrs. B. J. Marshall, who was named model mother of year by New York society of models, holds her 16-months-old daughter, Michele, also a professional model.

PLAY SATURDAY

Two colored baseball teams will play here Saturday night May 15 in Guy Smith Stadium when the Plymouth Black Sox meet the Greenville Veterans All Stars. James Wilkes, a new player, will be at shortstop for the Veterans. Time: 7:45 p.m.

It was a **HARD WINTER** on streets,

but—
CONCRETE PAVEMENTS can take it!

CONCRETE streets are an all-year asset to any city. But you'll appreciate them most when spring "break-ups" have made many streets impassable with mud, ruts, bumps and chuckholes.

Concrete is an all-season pavement: easy-riding; skid-resistant, wet or dry; good for decades with little maintenance. No closing for spring repair!

Concrete not only saves on spring maintenance. It costs less to build than other pavements of equal load-carrying capacity. Be sure your streets are paved with portland cement concrete.

New Hearing On Nominee Warlick

Washington, May 14—(AP)—A North Carolina Republican today persuaded a Senate Judiciary subcommittee to hold another hearing on the nomination of State Superior Court Judge Wilson Warlick for Federal Judge of the Western District of the State.

Fate Beale, of Lenoir, telephoned Senator Langer (R-ND) to oppose the nomination. He told Langer he was unavoidably detained in coming to yesterday's hearing when approximately 75 North Carolina Republicans sent endorsements of Warlick.

Beale asked a new hearing so the secretary of the Republican State committee could be heard. Warlick is a Democrat.

Yesterday Senator Langer told Warlick the committee would take final action today. A committee clerk said the new hearing is set tentatively for Monday, May 17.

of streets, is now installing aluminum numbers on all dwellings and other buildings in the city limits, Mayor Jack Boyd said today. The city employed a Raleigh engineer to survey the city and make a map showing not only the buildings, but vacant lots as well. It was found that many dwellings and business buildings were incorrectly numbered and this was causing considerable confusion. Sometimes several houses had the same number, some streets had the same name. The numbers are being installed by the city by the map. If a person prefers a better quality number plate, they may be procured at hardware stores, but the correct number must be installed.

Mayor Boyd said the city is having made white enamel street signs to be installed at all intersections in the city. The printing is black on white and are easily read at a distance. The street signs will be delivered here in about 30 days.

Senior Members Of Home Ec Class Join Nat'l Organization

A series of talks on careers for which students of home economics are fitted and the installation of seniors as members of the American Home Economics Association were the chief events at a meeting of the Home Economics Club of East Carolina Teachers College held on the campus on Tuesday evening.

In a ceremony conducted by Mrs. Adelaide E. Bixton, director of the home economic department at the college here, nine seniors were affiliated with the national professional organization. These were Anne Atkinson, Elizabethtown; Annie Maude Rivins, Graham; Alma Arrington, Hollister; Doris Dawson, Dunn; Louise Caviness, Holly Springs; Lavina Harper, Pikeville; Yvonne Waters, Rose Hill; Daphne Pake, Beaufort; and Retha Watts, Whiteville.

Graduates of the college who have succeeded in various fields of work took part in a panel discussion on careers.

Lead Nation In Tax Collections

Brennboro, N. C., May 14—(AP)—Deputy Collectors of Federal taxes in North Carolina lead those of the nation.

Charles H. Robertson, collector of Internal Revenue for the district of North Carolina, said today that the collectors have an average monthly take of \$9,712 in delinquent taxes per man.

He stated that the 109 North Carolina Deputy collectors have maintained this record for the past two years.

Long Range . . .

(Continued From Page One)
The President said farm legislation should have these policies:

- (1) Sound and lasting economic well being for the farm population with parity of prices and income in relation to the rewards in other fields.
- (2) An agriculture that will supply ample products for domestic needs, for sufficient reserve stocks and for export under present and rising standards of living.
- (3) Use of farm resources in a manner that will insure their permanent maximum productivity.
- (4) Improved levels of nutrition in living for all the people.
- (5) Ever-increasing efficiency in production and distribution.
- (6) A better living for small farmers, tenant farmers, sharecroppers and farm labor.

The President's message was aimed, Democratic leaders have said, at laying the groundwork for the party's campaign to win the farm vote in November.

Back of the strategy was said to be a belief that Congress will not pass a permanent program at this session, but will enact only a one-year extension of the present program with perhaps some modifications.

Mr. Truman emphasized a permanent program because agriculture officials forecast that farm prices, now high, may run into trouble later on.

Traffic Survey Provides Answer

Wilmington, Del., May 14—(AP)—A state policeman, working on a traffic survey to learn why people leave Delaware for Pennsylvania, stopped a car driven by Pat Nolan, Claymont, Del., high school student, yesterday and inquired where he was going.

"Marcus Hook (Pa.)," said Nolan. "What's in Marcus Hook that's not in Wilmington?" the policeman asked.

"My girl," replied Nolan.

"Go ahead," said the state policeman.

Year Extension . . .

(Continued From Page One)
Secretary of State Marshall appealed to Congress last week to continue the act in its present form. He described it as the basis of America's foreign economic policy and said that to backtrack on this program would amount to a surrender of world economic leadership by the United States.

Ways and Means Chairman Knutson (R-Minn.) said the legislation will be brought to the House floor Tuesday for a vote.

Anti-Communist . . .

(Continued From Page One)
tarian dictatorships through organizations it controls in other countries.

The bill defines the American Communist party as one of these organizations. It says it shall be illegal to try in any way to set up a foreign-controlled "totalitarian dictatorship" in this country or to take part in a movement to create such a dictatorship.

Hog Market

Raleigh, May 14—(AP)—(NCDA)—Hog prices steady. Tops of \$20 at Rocky Mount, Greenville, New Bern and Washington; Richmond, \$20.50.

Poultry and Eggs

Raleigh, May 14—(AP)—(NCDA)—Fryers and broilers steady at 38; eggs, slightly stronger. A large 47.

Grain Market

Chicago, May 14—(AP)—Corn and oats moved up on the board of trade today but wheat had a hard time getting anywhere.

Short covering in the May contracts again was a major factor in the feed grain strength. The short interest in May corn was reduced by more than a million bushels in yesterday's market, but still amounted to 6,758,000 bushels at the start today.

Wheat closed 1/4-1/2 lower, May \$2.47 1/2, corn was 1/4-2/4 higher, May \$2.21 1/2-1/4, oats were 1/4 to 1 cent higher, May \$1.16 1/4-1/4, and soybeans were unchanged, May \$4.04.

N.Y. Cotton

New York, May 14—(AP)—Cotton futures opened 60 cents a bale lower to 15 cents higher.

Noon prices were 25 cents to \$1.00 a bale higher than the previous close. May 38.22, July 37.48 and Oct. 33.81.

Futures closed 10 cents to \$1.00 a bale higher than the previous close.

	Open	Last	Prr. Cl.
May	38.07	38.10	37.17
July	37.33	37.45	37.43
Oct.	33.63	33.79	33.61
Dec.	33.03	33.19	33.06
March	32.80	32.88	32.78
May	32.50	32.56	32.50

N.Y. Stock Market

New York, May 14—(AP)—One of the strongest and fastest advances of the past two years was negotiated

by today's stock market. The overall average hit a peak since August, 1946. Despite profit taking, gains of 1 to 2 or more points were widespread near the close.

Transfers for the full proceedings of around 3,200,000 shares compared with 2,000,000 Thursday and were the best since September, 1946.

our own hall of fame

We would like to create a special hall of fame for good telephone users. These are the folks who use the telephone party line sharing. They respect their neighbors by not talking too long nor too often. They always replace the telephone on the hook after talking. Our hall of fame would include courteous children—considerate teen-agers—neighborly adults. This would be a gallery of really good neighbors—don't you agree?

Vote To Acquire Railway Company

Richmond, Va., May 14—(AP)—Stockholders of the Atlantic Coast Line Railway Company voted almost unanimously today to take over the Florida East Coast Railway Company at a cost of \$40,500,000.

The vote in favor of ACL's acquisition of the 575-mile main track of the Florida road was 689,076 shares in favor to 768 against.

The stockholders by the same vote accepted a plan of reorganization of Florida East Coast which has been approved by the Interstate Commerce Commission.

George Washington's gift to his bride was a tiny watch which she wore on a ribbon bow pinned to her bodice.

MR. FARMER

Let us bring your old Tobacco Barn Stokers or Oil Burners up to date with the POSITIVE SAFETY CUT-OFFS, REQUIRED BY THE N. C. STATE DEPARTMENT OF AGRICULTURE, on all new curers. These POSITIVE SAFETY CUT-OFFS, can be installed at very little cost to you, yet assuring you full protection against possible fire loss. Come in today and let us show you how this POSITIVE SAFETY CUT-OFF WILL GIVE YOU THE PROTECTION YOU NEED IN CURING.
