

Acre Surrenders To Jewish Forces

All Arab Town Is Claimed By Zionists After Battle In The Streets; Tel Aviv Is Bombed For Fourth Straight Day; Egyptian Pilot Captured

Tel Aviv, Israel, May 18—(AP)—Jewish army sources said the ancient all-Arab town of Acre surrendered unconditionally early today after a 72-hour battle in the streets.

Haganah said earlier it had some 4,000 Arabs trapped in the old walled city, eight miles north of the Jewish port of Haifa. The Haganah fighters claimed control of the highway through the city, a linke to Jewish settlements in the north.

Acre is just outside the area of Palestine designated as Jewish under the United Nations partition plan.

To the east, Jewish sources in Haifa declared 500 Arabs were drowned when Jews opened a dam and flooded plain lands south of the Sea of Galilee.

Tel Aviv was raided by light bombers just after dawn, for the fourth straight day. The 45-minute attack was the longest yet upon the city. The Jews said they shot down one of the attacking planes and damaged another.

Haganah said one of the attacking planes crashed-landed near Rehov, 15 miles southeast of Tel Aviv, and was taken into custody by two Jewish fighters. They said it identified itself as an Egyptian air force plane. In the first day's air attack Saturday, the Jews also had captured an Egyptian pilot.

The Haifa informant said Arab armored columns were trapped by the Jewish army near the southern tip of the city. The plain lies below the city and the Jordan valley along the Palestine-Trans-Jordan frontier.

The source said Arab tanks were destroyed by the Jewish army. The Jews stopped the historic hill from Jewish domination by the Jewish army. The source said Jewish commandos swooped down upon the Arab positions and captured an estimated 4,000 Arabs. Haganah said it had a protective curtain of fire from the hilltop a Jewish convoy pushed through the outskirts of the city. The vehicles were hit by only a few bullets. A Jewish commander said it was the first time to get through in two months.

Growing Demand In UN To Stop War In Palestine

Belgium, Russia And Ukraine Join U.S. In Arguing For Firm Action

Lake Success, May 18—(AP)—Belgium and the Soviet Ukraine joined with the United States and Russia today in demanding firm United Nations action to stop the war in Palestine.

None of the other members of the 11-nation security council was ready to debate the issue.

Alexandre Parodi of France, this month's council president, said in view of this the council would have to begin discussing a series of questions which the United States proposed should be sent to the parties involved in the fighting.

The specific proposal before the council is a United States resolution proposing that Jews and Arabs be ordered to stop their war within 33 hours after adoption of the resolution.

Vassily A. Tarasenko, delegate for the Soviet Ukraine, repeated arguments made yesterday by Soviet delegate Andrei A. Gromyko that the council should act at once on the American proposal.

"A fight is going on in Palestine," Tarasenko said, "a fight which amounts to war."

The reluctance of the other delegates to debate the U. S. proposal, he said, is due to the serious difficulties it may run into serious difficulties despite the rare instance of U. S.-Soviet agreement.

The accord marked the first time since last fall's assembly vote to partition Palestine that the two great powers have stood shoulder to shoulder on the Holy Land problem. Adding to the sudden solidarity was Moscow's announcement of recognition for the new Jewish state of Israel. The U. S. took the same step last Friday.

Acting on last-minute instructions from Washington, American delegate Warren R. Austin yesterday demanded that the security council order the Jews and Arabs to issue a cease-fire and stand-fast directives to their troops.

Some delegations felt that the United States—as in the recognition of Israel—beat Russia to the punch by getting a stop-war resolution before the council first.

Hail Storm Did Much Damage To Crops In Fields

Widely Separated Areas In County Reportedly Hit By Monday's Storm

By CHESTER WALSH

Hail did considerable damage to growing crops in widely separated areas of Pitt county during yesterday's thunderstorm, reports coming in to insurance agencies here today indicated. Hail did so much damage to 65 acres of tobacco on Guy Smith's farm, several miles beyond the State Prison Camp that he had to plow up about 30 acres and replant, he said.

A report from Grimesland stated that tobacco and corn on the Williams farm near Grimesland, owned by Blount-Harvey and rented to W. G. Dixon was badly damaged by hail.

Sam Pierce of Ayden said wind did considerable damage in that section and that some outbuildings were unroofed. Farmville reported a heavy downpour of rain.

Nearly all of the insurance agencies here were receiving reports of hail-damaged crops in the fields. Guy V. Smith said there are plenty of tobacco plants in the county, and that it is not too late to replant damaged tobacco fields. Corn in many fields was in tatters after the storm. Wherever cotton was damaged by hail, it is now too late to replant, it is understood.

The rainfall in Greenville totaled less than half an inch and the hail was light. On the other side of Tar River there was considerable wind, some rain and hail, especially in the Pactolus and Bethel areas.

Hail was heavy in the northern area, but did little damage to growing crops. The storm, accompanied by hail, also prevailed at Falkland and Fountain, and other areas in the northwestern part of Pitt County. Farmville reported a heavy rainfall.

Court Dismisses Lewis' Conviction

Civil Contempt Conviction Dropped By Government Request; Judge Goldsborough Studies Ending Strike Injunction

Washington, May 18—(AP)—The civil contempt conviction against John L. Lewis and the United Mine Workers was dismissed today at the government's request.

Federal Judge T. Alan Goldsborough, however, took under consideration a government request to end the anti-strike injunction against Lewis and the union.

Goldsborough said the plea for dropping the injunction came as a surprise and he was not prepared to rule on it immediately.

He added he is not convinced that there is no danger of a new coal strike.

The injunction was issued April 21. It replaced a temporary restraining order of April 3.

It was obtained under the Taft-Hartley act to end a six weeks coal strike, touched off by a dispute over pensions for elderly miners.

In seeking the dismissals, Attorney General Tom Clark informed the court the government felt the pension dispute is being handled appropriately, that the miners are at work and the "public interest x x x is secure."

Lewis and the union were convicted of both civil and criminal contempt for failing to obey the restraining order against a work stoppage.

Lewis was fined \$20,000 and the union \$1,400,000 on the criminal contempt conviction, but any penalty on civil contempt was held in abeyance.

In seeking dismissal of the anti-strike order Clark told Judge T. Alan Goldsborough the purposes of the government's actions against the miners—resumption of normal production in the mines—has been achieved.

Clark said therefore the government was not prepared for continuing the 90-day injunction which Judge Goldsborough issued April 21.

The court action came as Lewis and the soft coal operators began talks on a new contract to replace the present agreement expiring June 30.

Contract Battle Starts Today On Soft Coal Front

UMW Boss And Operators Meet For Bargaining; Eleven Issues At Stake

Washington, May 18—(AP)—John L. Lewis and the soft coal operators squared off today for their annual contract battle.

For the preliminary skirmishing, there was a "town meeting" at the Shoreham hotel where representatives of both sides were called on to outline their stands.

The United Mine Workers Chief entered the meeting with a commission from the UMW's 200-man policy committee to bargain for a new contract covering at least 11 subjects. The present agreement expires June 30.

The conferees may hit a snag right off over the right of Joseph E. Moody, president of the Southern Coal Producers Association, to join in.

Lewis challenged Moody's right to sit in because neither he nor the Southern Coal Producers Association signed the present agreement last July 7. Lewis would not allow the Association to sign last summer for the individual companies which make up its membership.

But Moody appeared determined to help bargain out a new contract. He came armed with a written authorization from the members of his group to talk for them.

The 11 issues which the policy committee authorized Lewis to negotiate on are: wages, house, practices, rules, differentials, inequalities, compensation and occupational disease laws, welfare, retirement, health and safety, and—

"All other pertinent matters appertaining to the bituminous industry."

The operators generally are opposed to any more wage of pension royalty increases. They now pay 10 cents a ton royalty to finance the welfare fund.

The miners receive \$13.05 a day for eight hours at work. They spend 6-12 hours of that time digging coal. The balance is allowance for underground travel and meals. The bureau of labor statistics estimates their weekly earnings average \$78.78.

U. S. Minimizes Stalin Proposal

Stalin Willing Accept Wallace Terms For Talks

Prime Minister Says Russia Ready To Negotiate With United States

Moscow, May 18—(AP)—Prime Minister Stalin says Russia is willing, if the United States is, to accept Henry A. Wallace's recent "Open Letter" to him as the foundation for peaceful settlement of Soviet-American quarrels.

In a statement dated yesterday and released by the Soviet press department last night, Stalin replied to proposals made by Wallace at a political rally in New York a week ago today.

"I do not know," Stalin said, in his first public pronouncement in more than a month, "whether the United States government approves of Mr. Wallace's program as a basis for agreement between the USSR and the United States."

"As far as the government of the USSR is concerned, it considers that Mr. Wallace's program should serve as a good and fruitful basis for such an agreement and for the development of international cooperation."

(Wallace said in San Francisco he was "very much surprised" that Stalin had answered him, but added: "If I have done anything that moves the world forward toward peace, I feel that my campaign will have been a success.")

Stalin gave a concise of Wallace's proposals, which he said "are known to everybody," listing them as follows:

1. "A general reduction of armaments and prohibition of atomic weapons."
2. "Conclusion of peace treaties with Germany and Japan and the question of evacuation of troops from their countries."
3. "Evacuation of troops from China and Korea."
4. "Respect for the sovereignty of individual countries and non-interference in their domestic affairs."
5. "The inadmissibility of military bases in member countries of the United Nations."
6. "World development of international trade excluding any sort of discrimination."
7. "In the framework of the United Nations, assistance to and economic restoration of countries which suffered from the war."
8. "Defense of democracy and insuring of civil rights in all countries; and so on."

State Dept. Says Russian Statement 'Encouraging' But Issues Have Been Under Negotiations For Two Years; Blames Soviet For Failure To Agree

Washington, May 18—(AP)—The State department said today Premier Stalin's latest statement on peace "is encouraging" but that the issues proposed for settlement do not stand between the United States and the Soviet Union alone.

Moreover, the department said in this government's first official comment on Stalin's broadcast statement, the issues listed have been under negotiation for two years or more in the United Nations, the Council of Foreign Ministers and elsewhere. Other countries always have been deeply interested.

The department directly blamed the Soviet Union for failure to reach agreement.

For example, it said the Soviet Union and the Soviet Ukraine have blocked agreement on control of atomic energy although the other nine members of the U.N. Atomic Commission were agreed. It added a similar situation exists with regard to other issues mentioned in Premier Stalin's statement.

The department's statement came after a busy morning of conferences among top officials and presumably including White House opinion on Stalin's broadcast reply to an open letter from Henry Wallace.

It was only a week ago that Secretary Marshall and President Truman had to cope with the problem of Russia's "acceptance" of what Foreign Minister Molotov considered an American bid to Soviet-American discussions of outstanding differences.

After a week of trying to knock down the idea that the United States wanted or would agree to any kind of two-nation talks with the Soviet Union, Marshall's ranking advisers thought they had the situation under control. Then Moscow broke out last night with Stalin's public statement on the letter from Presidential Candidate Wallace.

The nature of Premier Stalin's proposals for discussions with the United States gave support to American officials' suspicions that Russia is pressing a "peace offensive" for diplomatic and propaganda advantage.

Since V-E Day the United States and Russia have been at odds on almost every one of the issues Stalin listed in endorsing Henry Wallace's "open letter" of May 11 as a "concrete program" for possible settlement of differences.

There was no immediate hint whether the United States would reply at all—and if so what the nature of the response might be.

Stalin's proposals were not made to the American government. They were made in a statement broadcast by the Moscow radio in reply to an American political candidate's campaign statement. That candidate, Wallace, has long been at odds with the Administration over foreign policy.

The Administration is already on record as to what the Russians can do if they seriously want to work for peace in the world.

Secretary of State Marshall stated it May 12 in his sum-up of the situation after Soviet Foreign Minister Molotov announced readiness to accept an offer he said Ambassador Walter Bedell Smith had made to negotiate.

Marshall said the United States has not offered to enter into any negotiations.

Continue Work At Mystery Well

Goldboro, N.C., May 18—(AP)—Workers continued today to clear up the mystery of an gas blast in a well by the cave in the Ebenezer community 10 miles west of Goldboro. Archie Gurley, on whose place the well is located, said that stifling fumes in the well "several times" drove out workers yesterday who sought to clear out fallen dirt from the bottom.

Former Employe Of U.S. Slated To Die

Belgrade, Yugoslavia, May 18—(AP)—Ilija Mangovic, former employe of an assistant American military attache in Belgrade, was sentenced to death by a court in Chachak today on charges that he was a "Chetnik butcher and war criminal." The American, Lt. Col. Chester M. Stratton, said he knew nothing of Mangovic's war record.

Winterville Bond Issues Are Sold

Raleigh, N. C., May 18—(AP)—The local government commission today sold the following bond issues:

- Winterville, \$20,000 water, curb and gutter bonds, 9-1-2 years average maturity, to Vance Securities Corp. of Greensboro and J. Lee Peeler and Co., of Durham, 3.672 per cent interest.
- Winterville, \$6,000 bond anticipation notes, 1-2 years, to Bank of Winterville, 3 per cent.

Parole Granted To Joe Dawson

Kinston Man Reported In Poor Physical Condition

Raleigh, N.C., May 18—(AP)—Governor Cherry today granted a parole to Joe Dawson, former judge of the Kinston Recorder's Court.

The governor said in granting the parole that doctors had informed him that Dawson "is in extremely bad physical condition and that further confinement will make any improvement very doubtful."

Dawson was convicted of involuntary manslaughter and sentenced from three to five years. The charges grew out of an automobile accident near Kinston in October, 1946, in which R. B. Johnson, a Navy petty officer, was killed.

An appeal to the State Supreme Court delayed Dawson's entry into prison until last October.

The governor said he understood that Dawson would be taken to Chicago for treatment of a condition which doctors diagnosed as cancer of the face.

Witnesses testified at Dawson's trial that he was drunk at the time of the accident and that the car he was driving swerved across the highway and collided with the John-car head-on.

Record Flight

New York, May 18—(AP)—A new all-time commercial airplane speed record between Detroit and Miami was announced today by Eastern Air Lines.

A new type Constellation, carrying 60 prize-winning newspaper boys of the Detroit Times, made the trip non-stop last night in three hours, 30 minutes and 23 seconds.

Blast And Blaze Is Fatal For Ten

Shattering Midnight Tank Explosion At Chemical Plant

Keary, N. J., May 18—(AP)—A shattering tank explosion and fire shortly before midnight last night killed at least 10 persons at the Sprawling Koppers Company Tar and Chemical division plant.

Nine bodies were taken from the ruins of the building along the Hackensack river and a tenth victim died in a hospital. Firemen searched the wreckage for additional victims of the blast that set off a fire in an adjoining building of the plant.

The company's office in Pittsburgh said the explosion occurred when a strong wind blew part of the contents of a 50,000-gallon tank of a distillate against a hot pipe. The distillate, used in making other chemicals, "flashed," and then set the tank afire. A service building, laboratory and machine shop were burned.

Det. Sgt. Charles Schillon had estimated that 11 workers were trapped in the building when the explosion occurred.

The blast, heard over a 15-mile area, sent a sheet of flame into the air over the plant's tar and chemical division. The reflection against low-hanging clouds was reported seen 10 miles away. A series of minor explosions followed the first blast.

Hudson county police Lt. George Kelly, in headquarters a half-mile away, said the intense glare "seemed to envelope the police building. It was the closest thing to an atomic bomb explosion I ever want to see."

Pay Increase At Reynolds Plant

Winston-Salem, N.C., May 18—(AP)—The R. J. Reynolds Tobacco Company announced today that it has given wage increases to its regular hourly-rated and piecework employees. The raise will amount to approximately \$1,750,000 annually, the firm said.

The individual amounts of the raises for each classification were not listed.

APPOINT SENATOR

Baton Rouge, La., May 18—(AP)—Governor Earl K. Long today named William C. Peazel, independent oil and gas producer of Monroe and Shreveport, United States senator from Louisiana to succeed the late Senator John H. Overton.

Light Hail Falls In Wayne, Lenoir

Goldboro, N.C., May 18—(AP)—Hail fell in the Pikeville section of Wayne county and in the LaGrange section of Lenoir county Monday afternoon. The fall was light and damage was small.

In Goldboro power service was disrupted for nearly an hour. Several trees were blown down, railings aton Wayne Memorial Community building were tipped off.

Meat Handlers Refuse Proposal To End Strike

Chicago, May 18—(AP)—CIO Meat Handlers today turned down a major packer's proposal to end the two months old meat strike.

As a result, there was a sharp drop in hopes for quick settlement of the violence-marked dispute.

New negotiations broke off shortly after midnight without any announcement of when they may resume. The talks began yesterday.

Swift Company last night offered three conditions as a basis for settling for nationwide strike which began March 16. The CIO packing-house workers a few hours later rejected the proposal.

The Union president, Ralph Helstein, objected specifically to a Swift proposal which he said would let the companies discharge any striking employe.

He said there is "no point talking about any of the rest" of the Swift suggestions—one of them an offer of a nine cent hourly wage increase effective last May 3.

AFL meat workers accepted the nine cents offer and did not strike. The CIO Union has held out for 29 cents. The present scale paid two thirds of the 100,000 CIO workers is \$1.10 and hour or less.

In Iowa, meanwhile, two CIO local unions voted to end their strike with agreements including nine-cent hourly wage increases.

House Refuses Kill Mundt Bill

Washington, May 18—(AP)—The House refused by a voice vote today to kill a bill to curb Communist activities in this country.

It acted as it drove toward passage tomorrow the Mundt bill that would require the Communist party to register and file financial statements annually and to inform anyone advocating establishments in this country of a totalitarian government controlled from abroad.

Six Men Escape In Prison Break

Raleigh, May 18—(AP)—Authorities in western North Carolina counties today pushed a search for six convicts who downed their guard with a rock and fled in a commandeered car.

The break was announced here by prison director Clyde C. Robinson. He said the six men, while in a road gang near Burnsville in Yancey county, took the guard's shotgun and pistol after knocking him out with the rock. Then, Robinson reported, they stopped a passing motorist, seized his car, and drove away. The direction in which they went was not known, he added.

Blaze Damages Queen's Palace At The Hague

The Hague, May 18—(AP)—A fire severely damaged Queen Wilhelmina's Noordtuin Palace today, raging for an hour before it was brought under control.

The flames, fanned by a strong wind, probably were started by a torch used by painters, who were burning off old paint on the roof.

The 7-year-old Queen and other members of the Royal family were not at the palace, built in 1853 and the residence of the Orange Dynasty for centuries.

The fire broke out about 2:30 p. m. Police reported an hour later that it was under control. Part of the roof fell.

Soldiers carried the many art treasures of the Palace to safety under the direction of Prince Bernhard, the husband of Crown Princess Juliana.

'Bystander' Loses When Shooting Case Is Tried

Oklahoma City, May 18—(AP)—Some quiz program will love this one, or maybe they can use it in the final exams for a law school.

Mrs. Bill Tucker walked into the neighborhood bootlegger's house and said she found her Bill with his arms around blonde Winnie Barnhill—the bootlegger's telephone girl.

This upset Mrs. Tucker. She drew her little .22 and took a pot shot at Winnie.

Maybe emotion spoiled her aim, or maybe somebody jumped. Anyway, she missed Winnie a mile and plugged poor Bill in the side—not too seriously. She swore she aimed at Winnie.

They carted Bill off to the hospital and the sheriff came around for a look-see.

They had the trial yesterday. The judge handed out a \$50 fine and 30 days in jail.

And who got it?

Not Winnie—that ain't no crime anywhere.

Not Bill—he was just an . . . bystander.

And not Mrs. Tucker. Bill, gentleman that he is, used his Anglo-Saxon legal privileges even from his hospital bed and refused to appear against his wife.

Give up?

Test Of Arab Unity

Old Rivalries In Arab World; Opposition To Zionism Has Brought Rulers Together In The Past; Background To Struggle For Supremacy And Crisis

By DEWITT MacKENZIE

Cairo, May 18—(AP)—Arab unity is undergoing an acid test in the current Palestine crisis.

Often in the past the Arab world has been torn with differences and competitions among its rulers. Up to now the fight against Zionism has tended to bring these rulers together. Whether old rivalries would remain buried as Arab armies occupied part of Palestine was a big question in many minds.

The Arab world is governed by four royal dynasties and two heads of republics. The lives of the leaders are almost a modern history of the seven Arab states.

King Farouk of Egypt, 26 years old, granted refuge in Egypt to the aging ruff warrior, Abd El Krim, old foe of France and Spain in northwest Africa, and gave sanctuary to Haj Amin El Hussein, the British-exiled Mufti of Jerusalem.

After the war, when negotiations with Britain for revision of the 1936 treaty failed, his government tried unsuccessfully to get the Security Council to order British troops out of the Suez Canal zone, which is Egyptian territory.

His known ambitions are to achieve complete independence of his Nile Valley kingdom, and to consolidate Egypt's leadership of the Arab world.

Across the Red Sea from Egypt lies powerful King Abdul Aziz Ibn Saud, of Saudi Arabia, who built a kingdom with his sword in years of fighting with Arab tribes.

In the course of this adventure, Ibn Saud defeated King Hussein, then king of the Hejaz, a district which includes the holy places of Arabia. Two of King Hussein's sons, who had aided the British in World War I, found thrones elsewhere—Faisal I in Iraq and Abdullah in Trans Jordan. A third son, Ali, succeeded his father as king of the Hejaz, but lost his throne to Ibn Saud.

In the last decade Ibn Saud's government has come into an income of more than \$20,000,000 a year from oil developed by the Arabian-American Oil Company. The aging monarch's kingdom is now oil supplier of the United States Navy.

King Abdullah of Trans Jordan, whose British-trained Arab Legion is probably the best equipped army in the Arab world, is one of three sons of King Hussein of the Hejaz. After World War I his brother Faisal became prince and later king of Trans Jordan.

Abdullah has inherited from his father the dream of a "greater Syria" which would include Palestine, Syria, Lebanon and Trans Jordan. This plan caused rifts in his relations with many Arab countries. It led also to coolness between Abdullah and the Mufti of Jerusalem.

An Awkward Situation

Stalin Puts U. S. Diplomacy On The Spot With His Second Offer To Talk Of Peace With America; A Bid For World Opinion; A Review Of Past Week

By JAMES MARLOW

Washington, May 18—(AP)—Awkward is a mild word for relations between this country and Russia now.

Premier Josef Stalin of Russia saw to that in the statement he issued last night.

Twice within a week, at United States' expense, Russia has bid for world opinion by saying she was willing to talk peace with this country.

Twice within a week, with the world watching, the U.S. has been put in the position of having to turn down the suggestions, ignore them or do something about them.

You'll be hearing plenty about this for days to come. This will explain how it all happened:

This country's foreign policy is to stop the spread of Communism and Russian power.

For this the United States is building up its armaments—just in case—and helping 16 European nations get on their feet.

On May 4 the American ambassador to Moscow, Gen. Walter Bedell Smith, called on Russia's foreign minister, Molotov, and gave him a note.

In effect that note told the Russians: we mean what we say about our foreign policy.

Away down near the bottom of the note Smith told Molotov:

"As for the U.S., the door always remains open for discussion and set-

tlement of our differences."

On May 9 Molotov answered this note by saying:

"The Soviet government . . . is in agreement with the proposal to begin . . . a discussion and settlement of the differences existing between us."

This was the first the world knew of Smith's note to Molotov. It was pretty embarrassing to the United States, Why?

Because, this government said, Smith's note to Molotov was supposed to have been confidential.

But, by making the notes public, the Russians gave the world the impression we had proposed peace talks and that they were glad to talk about it all happened:

Henry Wallace, candidate for president on a third party ticket, stepped right into the middle of this confused picture.

Wallace, who has been suggesting peace talks with Stalin, addressed a political rally in New York's Madison Square Garden May 11.

There he distributed leaflets outlining a number of points on which he said this country should have talks with Russia. His leaflets were in the form of an "open letter" to Josef Stalin.

And last night Stalin replied. He said Wallace's open letter is the most important political peace document of "recent times."

Stalin brushed aside the Smith-

(Continued on Page Eight)

Angry Rebut By Delegate Austin On Floor Of UN

Lake Success, May 18—(AP)—The United States rebuked Syria today for challenging the right of President Truman to recognize the new state of Israel.

Chief U. S. Delegate Warren R. Austin delivered the blast in the United Nations Security Council after Syrian Delegate Paris El Khoury had criticized the U. S. action.

Angered by El Khoury's charge that the U. S. had humiliated in recognizing Israel, Austin said:

"No country on earth can question the Sovereignty of the United States in its recognition of that state (Israel). No tribunal anywhere can pass upon the legality of that act by any government."

Confirm Larson As WAA Chief

Washington, May 18—(AP)—The Senate today confirmed the nomination of Jess Larson of Oklahoma to be war assets administrator.

It acted by voice vote after defeating, by standing vote, a motion by Senator Tydings (D-Md.) to send the nomination back to the expenditures committee.

Bus License For Big Family Car

Ellendale, N. D., May 18—(AP)—With 14 children in his family, John Bell of Ellendale installed a bus body on a truck chassis and called it a family passenger car.

The State Motor registrar refuses to license it as such. In a letter he asked Bell to use up \$20 for a permit to use the vehicle on North Dakota highways, plus a regular bus license.

"A bus? Heavens, when I get all my family into that car there isn't any room for commercial passengers," commented Bell. He says he will contest the requested extra fees.

New FBI Chief Takes Up Duties

Charlotte, N.C., May 18—(AP)—Charles W. Brown arrived in Charlotte today to take over his duties as new head of the Federal Bureau of Investigation office.

Brown, who was chief of the Richmond bureau for three years, succeeds Joseph E. Thornton, who was recently transferred to Pittsburgh.

Test Of Arab Unity

Old Rivalries In Arab World; Opposition To Zionism Has Brought Rulers Together In The Past; Background To Struggle For Supremacy And Crisis

By DEWITT MacKENZIE

Cairo, May 18—(AP)—Arab unity is undergoing an acid test in the current Palestine crisis.

The Hague, May 18—(AP)—A fire severely damaged Queen Wilhelmina's Noordtuin Palace today, raging for an hour before it was brought under control.

The flames, fanned by a strong wind, probably were started by a torch used by painters, who were burning off old paint on the roof.

The 7-year-old Queen and other members of the Royal family were not at the palace, built in 1853 and the residence of the Orange Dynasty for centuries.

The fire broke out about 2:30 p. m. Police reported an hour later that it was under control. Part of the roof fell.

Soldiers carried the many art treasures of the Palace to safety under the direction of Prince Bernhard, the husband of Crown Princess Juliana.

Miss Cora Redditt arrived Friday from New York to spend two weeks with her mother, Mrs. L. B. Redditt. She had as week-end guests Miss Dorothy Allen, Mr. Al Angarman and Mr. John Gano, also of New York.

Mrs. W. J. Whitman has returned to her home from Pitt General hospital.

Friends of J. O. Teel, district game protector will regret to learn that he has undergone an operation at Duke hospital. His address is Cabell Ward, 3021, 3rd floor.

Mrs. J. O. Teel is spending a few days in Durham to be with her husband who is a patient in Duke hospital.

T. E. L. Class to Meet
The T. E. L. class of Memorial Baptist Church will meet with Mrs. Irma Cobb Dunn Thursday evening at 8 o'clock.

Junior Woman's Club to Meet
The Junior Woman's Club will meet Wednesday evening at 8 o'clock at the club house. Mrs. J. Brooks Tucker will be guest speaker.

Announces Engagement
Mr. Dewey Calvin Daniel of Roxboro, N. C., announces the engagement of his sister, Naomi B. Daniel, to Mr. Harry Bruce Smith, son of Mrs. David S. Smith of Greenville, N. C. The wedding will take place in late summer.

Engagement Announced
Mr. and Mrs. H. B. Neal announce the engagement of their daughter, Janet Elaine, to Emel C. Smith, son of Mr. and Mrs. R. J. Smith of Greenville. The wedding will take place in June.

Announces Engagement
Mr. and Mrs. L. A. Clark, of Everetts announce the engagement of their daughter, Emma Grace, to Robert Paul Hollar, son of Mr. and Mrs. E. C. Hollar, of Greenville. The wedding will take place June 5.

Receives Discharge From Navy
Frank J. Diener, Jr., E. M. 3-c, who has been in the U. S. Navy for 23 months, received his honorable discharge on May 12 and has returned to his home in Greenville.

Serves as Page at Convention
Miss Alef Collins was chosen to serve as Page at the State King's Daughters convention held at Rocky Mount today. Kay Kyser was master of ceremonies at the banquet.

West Greenville P. T. A.
The West Greenville P. T. A. will hold the last meeting of the year in the school auditorium on Wednesday night at 7:45. This meeting is being held at night so that the fathers may attend. The school Glee Club under the direction of Mrs. Jack Gates, and the school band under the direction of Mr. McDowell, will give the program. The public is invited.

Greenville Garden Club
The Greenville Garden Club will hold its annual picnic at the home of Mrs. M. K. Blount on Friday at 1:00 p. m. These picnics are always most enjoyable and all members are urged to attend. Each member will be called and we are asking that the hostesses be notified by Thursday noon if you can attend. The cost of the luncheon will be \$1.00 and if the members desire to bring a guest they may do so. There will be no planned program, just a very short business meeting and a social hour.

End of Century Club Meets
Mrs. James T. Little and Mrs. Ralph Garrett were hostesses to the End of the Century Club for the last meeting of the year at the Airport Inn May 11th.

Many delightful guests from the various clubs added to the festive occasion by their presence. The effective and colorful arrangements of the decorative flowers informed us that the hostesses had an artist's eye for color and form, who could arrange a hundred flowers tastefully and with most witching effects.

After greeting the members and guests, the hostesses invited each to find their respective places at this lovely banquet table. This request did not have to be repeated. We could immediately appreciate Byron's "that all-software, overpowering knell, the tocsin of the soul—the Dinner Bell."

A delightful three course luncheon was served with all its embellishments. This was definitely the quality and quantity of the meat and cheerfulness of the guests that made the feast.

After this delightful repast, the

Christian Science Service
"Mortals and Immortals" was the subject of the lesson-sermon in all Christian Science Churches and Societies on Sunday, May 16.

Golden Text: I Corinthians 15:49. "As we have borne the image of the earthly, we shall also bear the image of the heavenly."

Among the citations comprising the lesson-sermon were the following from the Bible: "But as he which hath called you is holy, so be ye holy in all manner of conversation; because it is written, Be ye holy; for I am holy." (I Peter 1:15, 16). And from "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "God is the Principle of man, and man is the idea of God. Hence man is not mortal nor material. Mortals will disappear, and immortals or the children of God, will appear as the only and eternal verities of man. Learn this, O mortal, and earnestly seek the spiritual status of man, which is outside of all material selfhood." (Page 476).

Presents Pupils in Recital
Grifton.—Mrs. May Eure presented her piano pupils in an entertaining recital on Friday night at the Community building with the following program.

The Butterfly, Thompson, by Ted Garris; Mountain Climbing, Thompson, by J. C. Reel, Jr.; Flying to the Moon and Betty and Bill, by Martha Hart; Cobia, Cobia, by Lornell Speight; Dolly's Lullaby, by Peggy Abbott and Ida Clyde Mills; Song of the Seesaw and Wishing Star by Judy Hart; Entertaining Sister's Beau by Lynette Barfield;

The Man in the Moon and My Bonnie by Lou Raye Mewborn; The Long Trail and Vacation Time by Emily Nelson; Sliding and The Postman by Esther Hill; Years and Years Ago by Lib Stallings, Margie Miller and Mary Lee Buck; Under Southern Skies and A Trial Flight by Bette McCotter; Spring Breezes by Adelaide Reaves, Judy Hart and Iva Lou Brunson; Lazy Mary and Rain on the Roof, by Linda Chauncey; One Umbrella Built for Two by Sara Frances Smith and Kenneth Garris; Blue Bells of Scotland and The Seasons Grinder by Sallie Mewborn; The Fly Trap by Vivian Lockhart and Bette McCotter; Original Dance by Pat Stokes; The Streamliner and The Pop Corn Man by Iva Lou Brunson; Starlight Waltz and Jesus Loves Me by Argent Tucker; Spinning Song by Lynette Barfield; The Lion by Argent Tucker and Pat Stokes; My First Dancing Lesson by Sara Frances Smith; Sunbonnet by Faye McGlohon, Frances Smith and Nell McGlohon; The Juggler and From a Wigwag by Mac Chauncey; At Full Tilt by Mrs. Eure and Callie Cox; The Clock by Gay Dixon; Falling Leaves by Kenneth Garris; Swans on the Lake by Mack Humbles; March Waltz by Mrs. Eure and Gay Dixon; Dancing Fairies by Pat Stokes, Kenneth Garris and Lornell Speight; The Fairies Harp by Adelaide Reaves; The Spring Song by Peggy Abbott; Kentucky Babe by Glee Club; The Skyscraper by Faye McGlohon; The Brave Knight by Ida Clyde Mills, Oh Thou Sublime Sweet Evening Star and La Paloma by Callie Cox; Naughty Zella by Lynette Barfield; The Whiffenpoof Song by Lib Stallings, Margie Miller and Mary Lee Buck. Director of the chorus and vocal trios was Miss Betsy Hodges.

During World War II the proportion of U. S. Navy flight surgeons killed was about three times that of other Naval physicians.

VFW Convention Here This Week

The VFW District No. 1 will hold its annual convention in Greenville Saturday and Sunday (May 22, 23.) Delegates and members from VFW posts in Eastern Carolina, which make up the first district, will be here. Delegates and members of VFW auxiliaries will also be present.

The convention will be held at the new VFW club near the airport. General A. H. Lurnage will be the guest speaker at a banquet on Saturday evening at 8 o'clock. District Commander Hugh Marr, of Elizabeth City, will preside.

A dance will be held following the banquet, with music furnished by the Commodores.

Program for the convention will be as follows:
Saturday — Registration of delegates at 6:30; banquet, 8:00; dance at 9:00.
Sunday — Tour of Greenville at 10 a. m.; registration of delegates at 1:00 p. m.; Business session at 1:30. Air show 4 p. m.

Mrs. C. D. Smith's Fairy Operetta Pleased Audience

By CHESTER WALSH
The fairy operetta, "Fairies Are Really Truly," presented by Mrs. C. D. Smith's Kindergarten class at Third Street School last night pleased a large audience and the participating children appeared to enjoy the show as much as the grownups in the audience. The operetta was presented by permission of the Willis Music Company, Cincinnati, O., copyright owner. The costumes were lovely, the little people manifested fine histrionic ability and the results of excellent training, and the lighting effects accentuated the beauty of the forest scene.

Bobby Murphy was Teddy, Camella Anne Hodges was Dotty, Donald Burnette was the Sandman. The fairies swaying in an ensemble was nicely done. Frances Moseley led a dance, "The Dream Fairies," with Joanne Smith, Carole Wilkerson, Goldis Starling, Ruth Cotton Clark and Camella Anne Hodges participating. The kindergarten class presented the theme of the operetta, "Fairies Are Really Truly." Carole Wilkerson was the fairy princess, and was entertaining in a song and dance, "Wake Up." Marvin Jones and George VanNortwick were chariot attendants. Bobby Murphy and Camella Anne Hodges sang a duet "Fairies Are Really Truly."

Frances Moseley was the fairy queen and sang "I Am the Fairy Queen." Then the fairies entered at the call of the queen and sang solos in pleasing manner. Ruth Cotton Clark sang "The Fairies Love You"; Perry Rogers, "Run and Hop"; Tommy Henderson, "The Grasshopper"; Joanne Smith, "Point Lightly, Partner"; Goldis Starling and George VanNortwick sang "Dance With Me." David Cobb and Bob Wemm sang "The Elves." Mother Goose characters were: Boy Blue, Malcolm Griffith; Bo Peep, Betty Ann Carawan; Jack Be Nimble, Jimmy Rogers, and Jack Horner, Donald Burnette. Leo Starling sang "How Do You Get to Fairyland?" Camella Anne Hodges and Bobby Murphy danced and Frances Moseley, the Fairy Queen, sang and danced.

The "Minuet" was danced with colonial charm by Marvin Jones, Carole Wilkerson, George VanNortwick, Goldis Starling, Perry Rogers, Camella Anne Hodges, Ralph Harper, Ruth Cotton Clark, Tommy Henderson, Joanne Smith, Bobby Murphy and Frances Moseley. Camella Anne Hodges and Bobby Murphy made a hit singing a duet, "For These Lovely Gifts." The very entertaining and creditably presented fairyland operetta concluded with the singing of "We Crown You" and "Fairies Are Really Truly" by the class.

Jack Howard was assistant director; Mrs. Arlene Davis was pianist, and the Moseley Electric Company arranged the stage lighting.

Marshals, members of the 1946 class, were Margaret Anne Harrell, Marietta Northrop, Betsy Whedbee, Beth Murray, Ruth Berry Young, Barbara Davis, Anne Parkinson, Joanne Eagles and Rosemary Eagles.

Colored News

For a very special purpose, all members of the C. I. O. union are asked to be present at the Holiness Church, Newtown, Wednesday, May 19, at 7:30.

Junior - Senior Banquet Friday

By CHESTER WALSH
The Greenville High School Junior-Senior banquet at the Woman's Club last Friday night and the dance and floor show at the school afterwards were distinctively the most novel and unique social functions of the spring season. The decorations at the banquet and floor show and dance were beautiful and the marine scheme was carried out in all details. The illumination added much to the scenery and the costumes were entrancing.

One of the big hits of the annual high school events was the singing of "Red Sails In the Sunset," at the floor show by Sam Northrop, Jr., and Dot Stauffer, Emily Rice, Carolyn Rowlette, Lytle Batchelor, Frances Bendall and Bettie Ann Young. Talented and accomplished youngsters—all of them—and a tribute to Miss Ona Shindler, their music teacher.

Supt. June H. Rose and Principal O. E. Dowd and Miss Shindler were as happy as the young people. The audience manifested its approval and enjoyment by generous applause.

The banquet hall at the Woman's Club was decorated with anchors and life preservers made of red roses. Flowers on the tables, interspersed with red, white and blue candles, were lovely. The guests entered the banquet hall through a large life preserver made of red and white roses and streamers of white satin with "SS Junior-Senior" embossed in red letters. Two students in sailor uniforms carried in a huge treasure chest containing gifts and then they stood "watch" at the door. Girls of the Sophomore Class, attired in natty sailor costumes, served the banquet.

The decorations at the school auditorium for the floor show and dance were entirely in marine effect. The High School Orchestra's selections contributed much to the success of the show. It opened with a skit by Jimmy Tanner and Bobby Williams, and a solo by Charles Kittrell. Then followed "Red Sails In the Sunset," by Sam Northrop, Jr., and the girls' sextette. Next was "A-Rovin'," by Carl Denton, Bobby Odum and Sam Northrop, Jr. The "Sailors' Dance" by eight boys and eight girls, in sailor costumes and directed by Mrs. Marie Smith Wallace, was

an intricate terpsichorean presentation and made a hit. Officers of the Junior and Senior classes and chairman of committees participated in the dance.

Punch and cookies were served. Bettie Anne Young was banquet chairman. Howard Proctor was chairman of decorations for the dance. Mrs. Howard Mimmis, Mrs. Clem Utley and Miss Deannie Boone Haskett were advisors, and Mrs. Marie Smith Wallace directed the dance numbers.

Senior Class officers: Al Smith president, Billy Williams vice-president, Lucille Laubhahn secretary and David Jones treasurer. Junior Class officers: ...

Fountain Soldier Is Coming Home With His German Bride

Wiesbaden, Germany, May 15—After 3 1/2 years in the Pacific and European theaters, Sergeant Marvin L. Webb, son of Mr. and Mrs. Thomas Webb of Fountain, N. C., is arriving home from Europe with his German bride, the former Miss Hildegard Busse of Wiesbaden, Germany.

Sergeant Webb, who was a Troop Information and Education lecturer with the 501st Air Service Group in Wiesbaden, is best known as the US Armed Force Institute soldier who won a High School diploma after completion of sixteen USAFI

courses, in his search for entrance to a college seminary to study the Lutheran ministry. Sergeant Webb and his bride of two weeks will make their home in Fountain where he expects to continue his efforts for the ministry.

Strength FOR THE DAY

LIFE IS A SCHOOL

Problems are given us for a purpose. No one particularly likes problems. Occasionally a rare personality may be found whose every energy is so stimulated by opposition that all problems are regarded as a challenge. At times, under the barrage of adverse circumstances.

For most of us, a problem is looked upon as a piece of hard luck. We refer to it as our misfortune. It came about because we or someone else made a bad mistake. Very often we regard problems as punishment sent from God for our misdeeds.

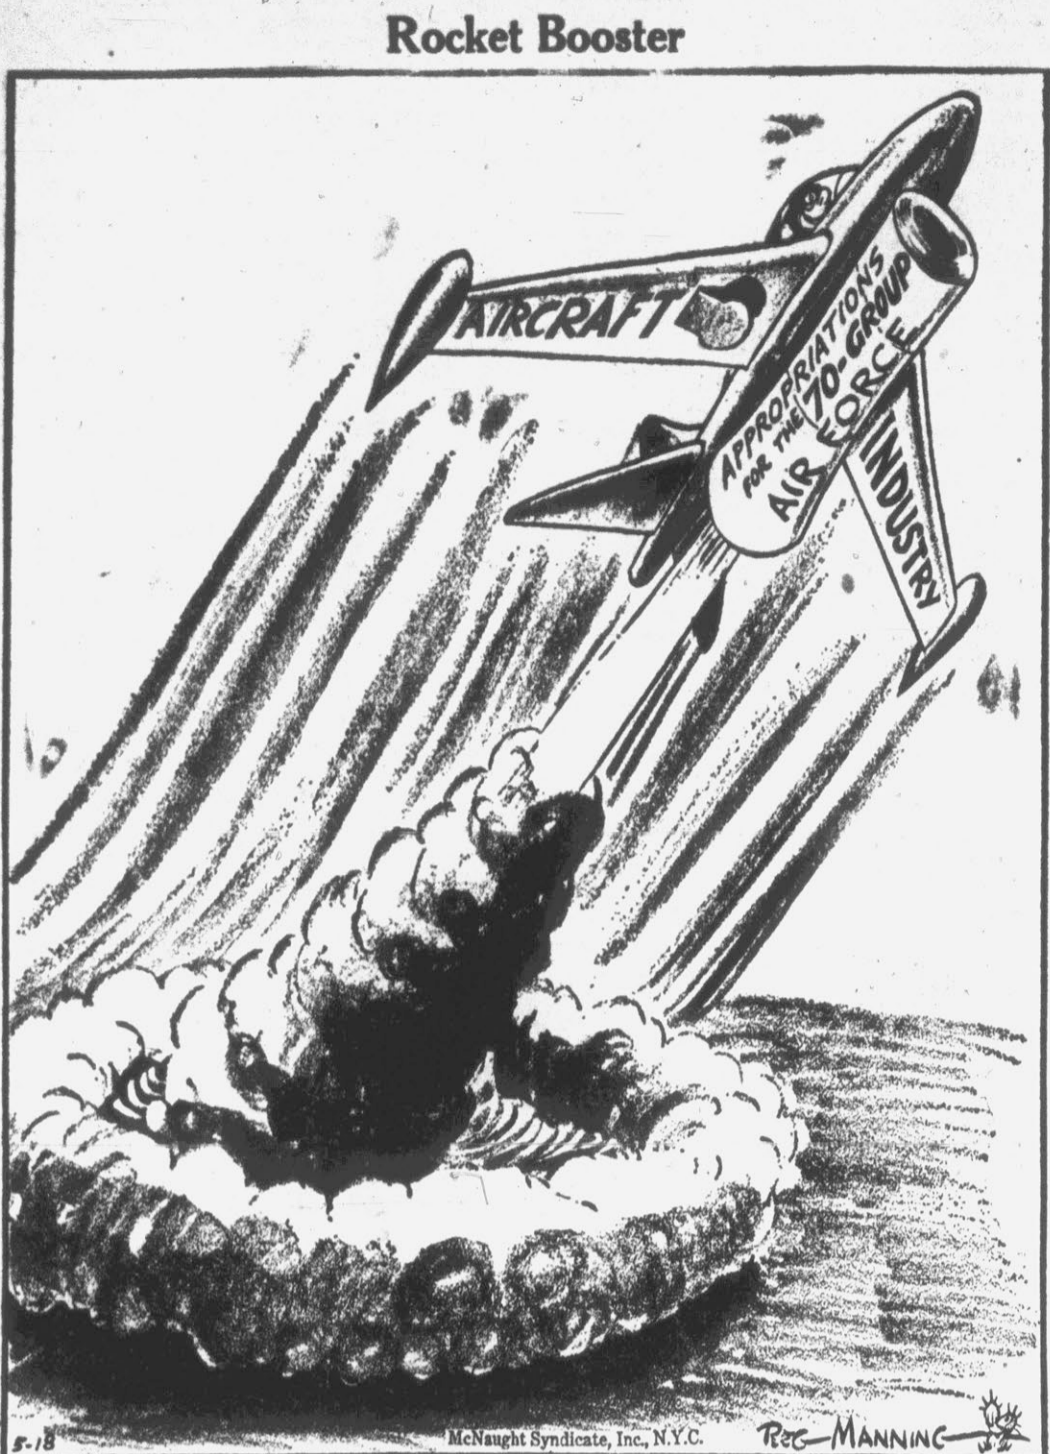

Around Capitol Square

By LYNN NISBET
INDIFFERENT—Tar Heel Democrats may not be for President Truman, but they are not very vigorously against him. That is conclusion capitol square observers reach from newspaper accounts, telephone check-up and limited attendance at various county conventions Saturday.

Perhaps the closest approach to individual endorsement was reported from the Beaufort county meeting, Congressman Herbert Bonner, speaking briefly and informally to his fellow-countymen, said never until this year had he heard a treasurer criticized for having too much money in the bank.

KICK-BACK—One reason experienced politicians frowned upon efforts to endorse or ballyhoo candidates was the danger of back-fire. That almost happened in Raleigh when a group of high school students were parading Kerr Scott banners in front of the Wake county courthouse just before the convention.

INFLUENTIAL—The real scrap in Guilford was over chairmanship of the Democratic executive committee. Pierce Rucker, who got that post in an upset two years ago, lost it in another upset Saturday to Frank Patton. The vote was close, 33 to 32, but was conclusive. In that instance, as in most other

McNaught Syndicate, Inc., N.Y.C. REC-MANNING

Boyle's Column

By HAL BOYLE
New York—(AP)—Many years ago a boy was born in Russia who had a great dream.

His dream was that his people again would come home to Palestine. And into his dream the boy poured his whole long life. But the dream a man gives his life to rarely comes true in the way he wants it.

Nor did it for the boy—now Dr. Chaim Weizmann, provisional president of the world's newest state, Israel. For his entire career was devoted to creating a homeland for the Jews without bloodshed. He thought they had known too much of bloodshed. But already—less than a week after declaring their republic—his people are besieged, clashing with invading armies.

He is a strange genius of many talents—this elderly chemist, statesman and money raiser. To the average American Dr. Weizmann is only a half-familiar figure. But for a generation his name was sounded like a bell to millions of oppressed Jews in many lands—a bell of freedom, a bell to guide them from the dirty ghetto and the fatal Pogrom.

Born in Russia, educated in Germany, local and personal issues were controlling. But because of Chairman Rucker's overt activities in behalf of Charles M. Johnson for governor, 6000 and Albritton folks are getting much comfort out of his defeat.

Impartial observers cannot see that the gubernatorial campaign was involved; but fact is that Johnson partisans around Raleigh showed no happiness over the outcome, while Scott people were making no effort to hide their elation. They say they believe the Guilford result will be influential in other counties.

First in style... first in vision... first by far with a postwar car!

THEY'RE glamor cars that everyone admires, these low-slung new Studebaker pace-setters! All eyes are on them everywhere they go. They've introduced America's best known new look in cars. And they're just as far-advanced in riding comfort, handling ease and wide-range vision as they are in smart design. Come in and take a close-up look at these fabulously fine new Studebaker dream cars. See for yourself how far ahead they are—in quality and value as well as in distinctive style!

Debate In Oregon Settles Nothing

Portland, Ore., May 18—(AP)—The crucial debate that settled nothing was one for the Oregon primary books today.

Neither Gov. Thomas E. Dewey nor Harold E. Stassen, Republican Presidential aspirants, yielded from his prepared position for or against the holy disputed question whether the Communist party should be outlawed in the United States.

The two met last night to air their clashing views over nationwide radio networks in the best tradition of the classic Lincoln-Douglas debate—and on a similarly burning social question of the day.

On the affirmative, the Minnesota called for a halt in "coddling Communists, and asked the enactment of new laws to deny Communism "the blessings of legality" under which it is now permitted to worm its way to power.

Branding Communists "the threat of war" to America, Stassen said the nation "should not stumble along with laws that are out of date."

Dewey took the position that existing Federal laws—"some 27 of them"—were adequate to prosecute criminal Communist undermining of the government.

"I am unalterably, whole-heartedly and unwaveringly against any scheme to write laws outlawing peo-

ple because of their religious, political, social or economic ideas," he declared.

Identify Soldier By His Drawers

Stockholm—(AP)—The Royal Swedish Mail accepts men's drawers as a satisfactory document of identification. At least it did once a young soldier went up to a Stockholm post office, counter to get a registered letter, addressed to himself.

"May I see your credentials?" the clerk asked. The soldier had none.

"You must have some means of identification," the clerk insisted. The soldier's face cleared. Bashfully he loosened his belt and pulled up his drawers. On their waistband, neatly embroidered in red by a loving mother, was his name and draft number.

He got his letter.

Surprise Planned For J. H. Blount At Merchants' Meeting

Judson H. Blount, retiring president of the North Carolina Merchants Association, and Mrs. Blount and L. S. Garris, members of the board of directors of the Greenville Merchants Association, and Mrs. Cora S. Powell, executive secretary, and Curtis Perkins are attending the annual convention in Asheville.

A surprise had been planned for President Blount at the awarding of trophies at today's afternoon session of the convention. Willard S. Dowell, executive secretary of the State Merchants Association, was scheduled to present him with a Hamilton wristwatch, given by the Greenville association in appreciation of his outstanding services, to the local and state associations.

On-The-Job Pay Based On Wages Of Journeymen

The journeyman's wage will be a key factor in determining whether veterans training on the job under the GI Bill will receive an increase in subsistence allowance as a result of the recently-enacted law raising income ceilings.

According to James D. Walters, officer-in-charge of the Greenville Veterans Administration office, if the journeyman's wage is below the new ceiling it will be the determining factor. If the journeyman's wage equals or exceeds the new ceiling, then the ceiling will be the deciding factor.

The principal effect of the new law was to raise the ceilings on the total monthly income a veteran could have before losing the right to draw full subsistence allowances from V.A. For an ex-serviceman without dependents, the ceiling was upped from \$175 to \$210; for a veteran with one dependent, from \$200 to \$270; for one with two or more dependents, from \$200 to \$290.

Maximum monthly subsistence allowances for veterans training on the job under the GI Bill remain as they were. They are \$65 a month for an ex-serviceman without dependents or \$90 for one with any number of dependents.

If a veteran's income from other sources combined with his allowance exceeds the ceiling figure, his subsistence is restricted proportionately.

YMCA Members At College Make Plans For Coming Summer

Members of the YMCA at East Carolina Teachers College have drawn up plans for summer activities on and off the campus and have selected cabinet officers for the coming school year.

George Morris of Winston-Salem, president, will represent the organization at the YMCA presidents' school, an annual event held at Columbia University in New York City. Maynard A. Dean, vice president, and Daniel A. Hunt, publicity chairman, both of Oxford, will represent the East Carolina YMCA at the southern area conference at Blue Ridge, N. C., during June.

Andrew Garcia of Key West, Fla., has been appointed treasurer of the organization. Faculty advisors chosen for the 1948-1949 school year are Dr. Beecher Flanagan and James L. Fleming.

Cabinet members who will direct the work of the YMCA for the next year and the committees which they will head have been announced. They are Maynard A. Dean, Oxford, programs; Donald Hatch, Mount Olive, finance; Alton Gray, Stokes, membership; Daniel A. Hunt, Oxford, publicity; Coy Brown, Jacksonville, religious education; Floyd

Liquor Sales In State Rise Due To New Stores

Raleigh, May 18—(AP)—Liquor sales in North Carolina ABC stores last month exceeded those of April, 1947—but mark it down to the opening of additional stores.

Last month's sales totaled \$3,583,029.23, according to the monthly report of the State Board of Alcoholic Control. In April, 1947, the figure was \$2,840,937.55.

But, said the board, sales last month in the 25 counties which had stores last year were off 16 per cent from the year before.

Two newcomers led sales. Meck-

lenburg County, which opened stores last fall, rang up \$805,586.15 last month; Asheville, where sales started last December, took in \$357,224.80.

As of June, 1944, mental disease or deficiency had accounted for three out of every 10 rejections of U.S. men for military service in World War II.

Riverside Beach, 3 miles east of Washington on River Road, paved all the way. Admission \$1.00. Also big dance Saturday, May 22, same time, same place, featuring the Commanders Band.

Gamblers Riding Winning Streak

Las Vegas, Nev., May 18—(AP)—Three non-stop gamblers rode a phenomenal winning streak today and reported they were \$39,000 ahead on Las Vegas Roulette wheels in the last eight days.

Their play attracted large crowds. Some bystanders cashed in on the trio's "system" of consistently playing number one.

One spectator who began with \$3 in nickel chips cashed in \$3,800 yesterday.

Bostic-Sugg Furniture Co., Inc.

You knew

the moment you saw it—this was your car. New, all-new, every inch and pound of it. A big, brawny frame under a sweeping, curved-arch silhouette. Longer, wider, lower—with a road-hugging look that beckoned you to get in and go! When you saw it, you said "This is it! This ALL-NEW 1949 Mercury is for me!"

You heard

the proud, soft-spoken, 8-cylinder, V-type engine murmuring gently. You'd heard that sound before. Where? In cars far beyond your budget's reach. But here it was in an engine designed and built exclusively for Mercury... and in a choice of superb body styles, including Mercury's all-new Six-passenger Coupe and Six-passenger Convertible.

You held

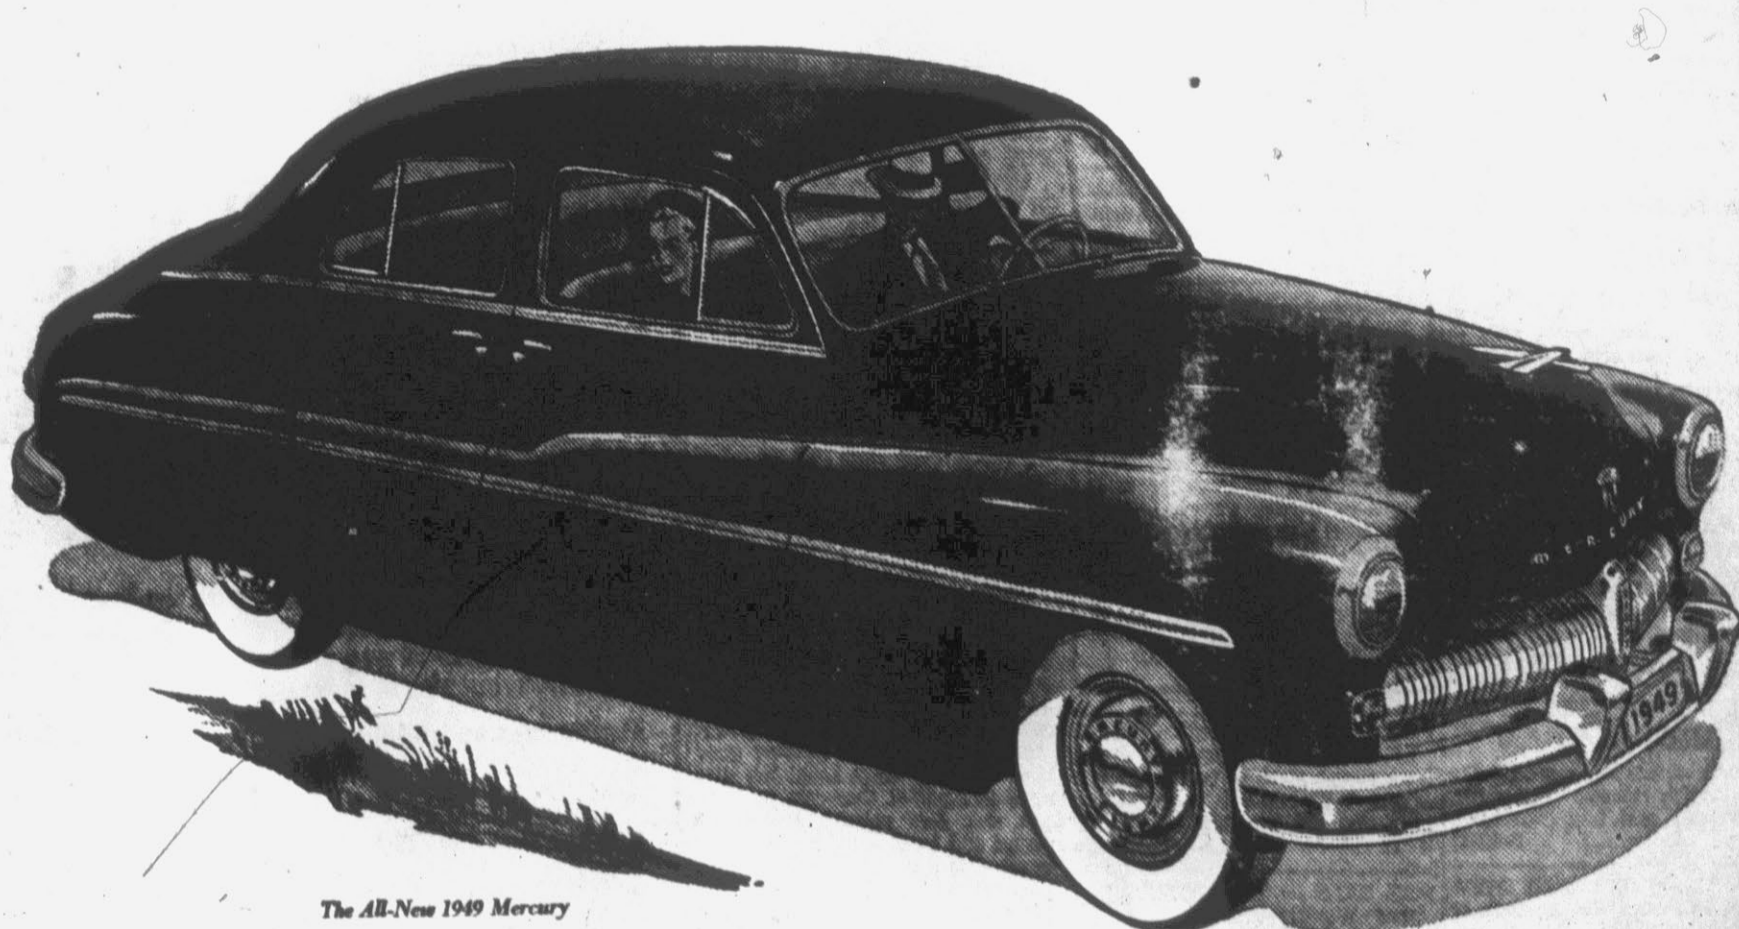

the wheel easily, because Mercury didn't "wind-wander," didn't "over-steer." Its sure-footed balance and down-to-earth roadability let you hold all roads securely. Its new, bigger, super-balloon tires let you skim over the bumps without a tremor.

You sat

in a wide, "comfort-zone" seat that shaped itself to you—above all-new, road-smoothing spring suspension. You filled the car with a controlled flow of fresh, filtered air from the leakproof "Fingertip Weather Control." This was the comfort you wanted in your car. This was Mercury.

Someday your car had to come along...

Not a "new model"...the All-New MERCURY

The All-New 1949 Mercury

THERE OUGHTA BE A LAW! By FAGALY and SHORTEN

Visiting Nurse by Kathleen Harris

Chapter 13

"Is he jealous?" Mamie asked, a knowing gleam in her shrewd eye. "Did it work out like you wanted, your going out with that rich young man? All men are alike..."

"No, Mamie," Hildred shook her head again, emphatically this time. "You're kidding yourself there! The doctor is made of flesh and blood, ain't he? He just don't know it yet; He's that busy practicing on others. What you gotta do, Hildy, is practice on him, and keep on practicing. Don't you—not if you love him—give up."

That was what she had decided was best. But she could be wrong—as she felt Randy was about Jimmy. Maybe Mamie was right. Maybe she did give up too easily. But with Jimmy, she had not given in. That could be a start for practice. Unless she failed with Jimmy and had to admit in the end that Randy had been right. But she could not do that, she mustn't.

"I love him all right," Hildred admitted that without reservation, if a bit wearily. "But it's no use, Mamie. Especially after the argument we just had." If she knew if Randy, as she never quite forgave her, for her instubordination—unless he won in this case of Jimmy and she acknowledged it.

Jimmy looked so badly when Hildred went to fetch him the following day—it was a Saturday afternoon, her half-day off—that Hildred was alarmed.

"Jimmy," she said gently, as soon as they were away from the Home, riding in an open bus that would take them past the park for a stop-over on the way. "Have you been a big boy, as I asked you to?" The child hung his head, refusing to meet her eyes.

"I'm not scolding," Hildred said. "I know you tried. But Jimmy dear, I cannot take you away for week-

Trip For Members Of Canterbury Club

Members of the Canterbury Club, organization of Episcopal students at East Carolina Teachers College, spent the week-end at Camp Leach near Washington. Approximately 25 students made the trip, an annual event in the club, and engaged in a program of recreation and religious services during Saturday and Sunday.

Among those present at the Camp Leach meeting were the recently elected officers of the Canterbury Club for 1948-1949: Leslie Homan, Wilmington, president; Alexander Livesay, Rocky Mount, and Mary Anne Happer, vice presidents; Margaret Mickel, Plymouth, secretary; and Virginia Rowles, Morehead City, treasurer.

Colored News

The Matron's Social Club will meet Wednesday night, May 19, at the home of Mrs. Launa Brewington. The Modernettes met at the home of Mrs. Mattie Staton on Tuesday night. The meeting was opened by the president, Mrs. Marion Edwards. Old and new business was discussed. The meeting was closed by the chaplain, Mrs. Mary Ruth Vines. We were served a chicken dinner by the hostess.

The earth's population is increasing at the rate of 1 percent annually.

Remember the time when you could eat like a horse, bubbled-over with energy, felt happy as a lark? Was it not because you liked to eat—didn't know what indigestion was, felt strong as an ox? As you advance the "old stomach" and the ever-changing blood" need help. Now you may again release vibrant energy to every muscle, fibre, cell.

Every day—every hour—millions of tiny red-blood-cells must pour forth from the marrow of your bones to replace those that are worn-out. A low blood count may affect you in several ways: no appetite, underweight, no energy, a run-down condition, lack of resistance to infection and disease.

To get real relief you must keep up your blood strength. Medical authorities, by analysis of the blood, have by positive proof shown that SSS Tonic is amazingly effective in building up low blood strength in non-organic nutritional anemia. This is due to the SSS Tonic formula which contains special and potent activating ingredients.

Also, SSS Tonic helps you enjoy the food you eat by increasing the gastric digestive juice when it is non-organically too little or scanty—thus the stomach will have little cause to get balky with gas, bloating and give off that sour food taste.

Don't wait! Energize your body with rich, red-blood. Start on SSS Tonic now. As vigorous blood surges throughout your whole body, greater freshness and strength should make you eat better, sleep better, feel better, work better, play better, have a healthy color glow in your skin—firm flesh all over hollow places. Millions of bottles sold. Get a bottle from your drug store. SSS Tonic helps Build Sturdy Health.

BEFORE YOU KNOW IT... MAY 1958... WILL BE HERE

If you don't believe it... just think how fast these last ten years went by.

How much money did you save? Did you buy that house you wanted?

Are you well along the road to financial security? Where will you be in May 1958?

Never mind the answers. They are really your personal affairs... nevertheless... we hope that we can induce you to read one of these advertisements that will bring you in to see us.

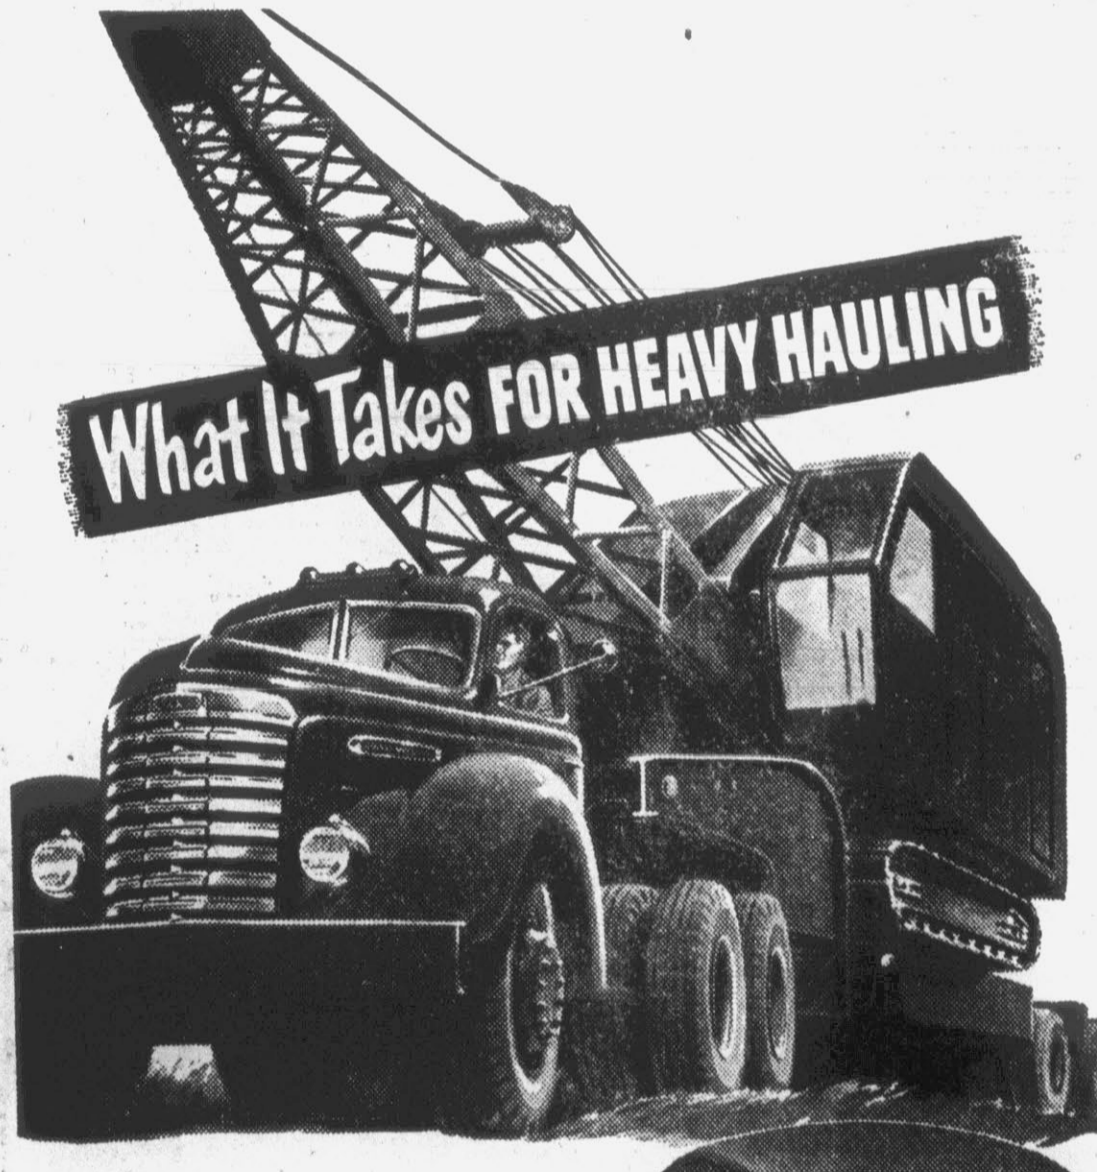

Thrifty men and women, with a belief in the future of their country... and in their own... built this business.

It saves their money and pays them for doing it.

It helps others to buy homes by lending them money.

If you are thinking about your future... you ought to be one of us. Come in and make a start... time's a wastin'!

Phebus Hurls Three-Hitter As Greenies Down Kinston

Hamons, who was on a three-day suspension by President Goodman, was seen on the field down the first base line and claimed by Manager Bill Phebus, who filed the protest, as giving signals to the Tarboro players during the game.

Greenville fans will have an opportunity to see for the price of one, two games at Guy Smith Stadium tonight when the Greenies play the Rocky Mount Leafs in a double-header. The game is the result of a rained out game with Rocky Mount here the night of May 4th. The first game, a seven-inning affair, will get under way at 7 o'clock, with the second game a nine-inning affair following.

Manager Bill Phillips' Greenville Cubs will play the Vanceboro nine here Wednesday night at Guy Smith Stadium at 7:45 p.m. The Cubs are composed of some of Greenville's outstanding players. Two former New Bern players are members of the Vanceboro outfit—Worliss Knowles, an outfielder with the Bears for several seasons, and Red Dedra, a former pitcher of the Bruins. Come out and support the local boys.

Business Manager Bob Doty left town yesterday afternoon following his return from Williamston and has gone out on a scouting trip in an effort to bolster the Greenies' lineup. A call at the hotel stated that he would be out of town for the next three or four days. Charlie Chute who was recently sold to the New Bern Bears has really been hitting the ball during the past few days, getting three for three Saturday night, which included a homer and then Sunday afternoon got two for five and his second straight homer of the season. Larry Baldwin thus far with the Bears has won three and lost two. Johnny Foell has lost one and won none. The Evansville Braves of the Three-I League in games through last Thursday were in fifth place in standings with five wins and five losses. John Hormann, a class catcher and outfielder for the Raleigh Capitals, may play for the Goldsboro Goldbugs according to rumored trade plans and Goldbug fans wouldn't be surprised to see Warren Schroeder teaming up with Zippy Zunno at New Bern.

Braves In Third Place But Still Regarded 'Solid'

By JOE REICHLER Associated Press Sports Writer They may gape in awe at the New York Giants' devastating power. They may admire and envy Brooklyn's depth with its youth and speed. The solid team in the National League, however, is the Boston Braves.

Boston is not in first place. The Cards hold that spot and the Giants are second. The Braves are third, but only because they got off to a miserable start. They dropped six of their first seven games.

Since then Boston has won 11 and lost four, the best record by far in the circuit for the period. Billy Southworth's men haven't lost since May 9.

They open a 14-game home stand tonight, boasting the League's No. 1 pitcher in Bill Voth, No. 3 batter in Tommy Holmes, the best fielding percentage of any club in the circuit and a four-game winning streak.

The Braves ended a successful road trip last night by crushing the Dodgers in Brooklyn, 12-3. It marked their fourth straight win over Brooklyn without a setback. It also gave them a record of eight victories in 11 road games.

No team in the league—and that includes the Cardinals—boasts three front line hurlers such as Boston's Johnny Sain, Warren Spahn, and Voth. This trio has given up only three runs in Boston's last four games.

Thomason, Ga., May 18—(AP)—This small mid-Georgia town claims baseball's kid sensation of 1948—a high school pitcher who strikes out so many men his fielders pinch themselves to stay awake.

The youngster is Hugh Frank Radcliffe, who recently set a world record by fanning 28 batters in a single nine-inning game. To date Radcliffe has whiffed 140 batters in 54 2-3 innings this year—about 2.5 strikeouts per inning. He has pitched two no-hitters and two one-hitters in six games. His earned run average is something less than .022 per inning. As word of these feats spread, baseball scouts are pouring into Thomason. Talent hunters from at least a dozen major league clubs, any many more from the minors have watched the 19-year-old operate.

New York, May 18—(AP)—Although pressed by Philadelphia's rookie outfielder Billy Blain, the Boston Braves Tommy Holmes continued to pace the National League batters with a mark of 419 on averages for games through Sunday.

Blain, drafted from the Wilkes-Barre Barons, a farm of the Cleveland Indians, got the same number of hits as Holmes, 18, but went to bat one more time than the Braves outfielder, 44. This cost him 10 points and dropped his bat mark to 908.

Brooklyn, May 18—(AP)—Roy Campanella, promising Negro catcher, was one of eight players on his way to a minor league farm club of the Brooklyn Dodgers today.

Campanella was optioned to the St. Paul Saints of the American Association along with infielder Bob Ramazzotti on a 24-hour recall basis.

Ten Titlests Go In National Open

New York, May 18—(AP)—Ten champions—ranging from present titleholder Lew Wirsham to amateur Charles (Chick) Evans, Jr., who prevailed 33 years ago—will seek to repeat in the National Open golf tournament at Los Angeles next month.

They are listed in the all-time record field of 1,440 who filed entry for the event at the swank Riviera Country Club June 10-12.

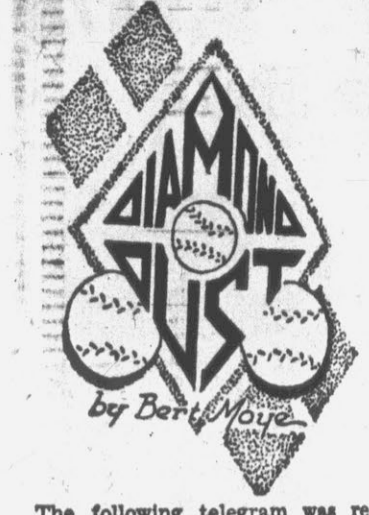

Other past champions entered are Gene Sarazen (1922-32), Tommy Armour (1927), Olin Dutra (1934), Tony Manero (1936), Ralph Guldahl (1937-38), Lawson Little (1940), Craig Wood (1941) and Lloyd Mangrum (1946). Evans, still a crack golfer, won in 1916.

These specialists are exempt from qualifying along with 19 players who finished in the first twenty last year behind Worsham, national amateur champion Robert H. (Skeet) Eichel and the host professional, Willie Hunter, former British amateur king.

Phillies Dispose Of Oscar Judd

Philadelphia, May 18—(AP)—Manager Ben Chapman has decided that Oscar Judd can't be much help to the Philadelphia Phillies this year.

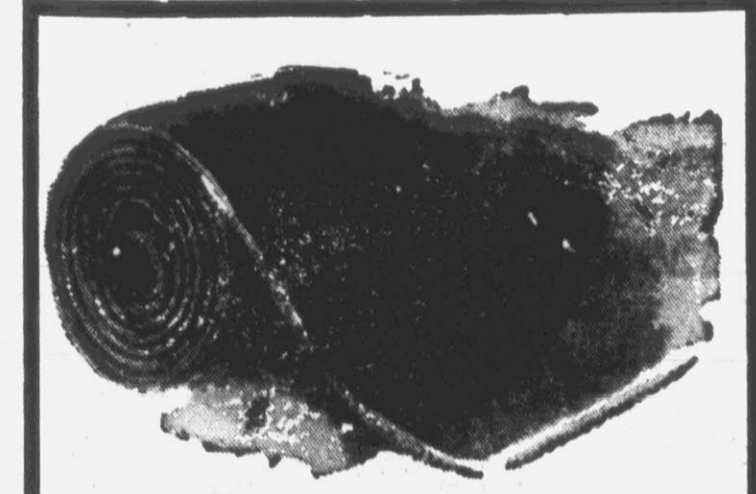

The 33-year old left-hander pitcher, bothered with a sore arm all season, was sold to the Phils' Toronto farm club in the International League yesterday.

The following telegram was received late yesterday afternoon from Mr. Ray H. Goodman, president of the Coastal Plain League: "Greenville protest of game in Tarboro Sunday May 9th sustained. Game awarded to Greenville by score of nine to zero." The hearing was held in President Ray Goodman's office yesterday morning. Greenville protested the game over in Tarboro on last Sunday when Manager Bull

Sues Radio Show For Mob Damage

San Francisco, May 18—(AP)—That red hat Mrs. Kathie Zahn happened to be wearing started the ruckus, but she blames it all on the radio show. So yesterday the Albany, Calif., woman filed suit for \$100,000 damages for the rough handling she received when she alighted from a trans-bay train at the terminal here last December 6.

It seems that the place was jammed with an excited mob, all intent on finding a "Mrs. Raleigh" who was supposed to be wearing a red hat at that time and place. They were hunting Mrs. Raleigh to win a radio-show program.

Mrs. Zahn says they tore her clothing, pulled her to the floor and otherwise mistreated her.

Art Linkletter, radio master of ceremonies, NBC, MNBS and 16 other defendants were named in the suit, which asks \$25,000 for physical damages, \$25,000 for injury to her nerves and reputation and \$50,000 punitive damages.

40 Years Ago Today

THE DAILY REFLECTOR May 18, 1908

During the past few days Speight and Co. have bought \$20,000 worth of cotton at 11 cents and above. There are said to be yet several hundred bales of unsold cotton in the hands of Pitt County farmers, and here it is the middle of May with another crop planted. Times are not so hard after all.

Mr. and Mrs. J. E. Winslow have gone to Indiana to spend the summer.

Mr. W. F. Evans of this town was elected grand conductor by the recent grand lodge of Odd Fellows at Hendersonville.

head of President Truman and the United States government.

And Mr. Truman and Secretary Marshall, who didn't receive the letter from Stalin, since it was made public to the world, probably will have to answer it some way.

Rotarians Meet At Country Club

By WYATT BROWN

The Rotarians entertained their Rotary Annes last night at the Country Club. S. Wade Marr of Elizabeth City, a past District Governor of Rotary International, delivered an inspirational address on the role of Rotary in creating a better world through fellowship which creates better understanding all around the world.

Rotary President Bob Bradshaw welcomed the ladies and the response was made by Mrs. K. B. Pace for the Rotary Annes. Johnny Overton led the singing of numerous songs. At one point the Rotary Annes sang "Our Boys Will Shine" and the Rotarians replied with "I Want a Girl." Under the direction of J. B. Kittrell James Keel, Roy Martin, Beecher Flanagan, Phil Goodson, Bancroft Moseley, and Francis Bowen were inducted into the "Stuck Up" Club. They performed the initiating ritual upon a table in full view of everyone.

The speaker of the evening was introduced by J. B. Kittrell.

Mr. Marr said Rotary began as a group of enthusiastic young men, a seed planted in the soil of men and motives. It has lived a life of vigor and service facing all the problems of men. Rotary has grown up in the ways of friendship and understanding in spite of the hindrances of the evil in the world and has taken root in the hearts of men all around the world. Rotary in the speakers words is more of the heart than of the head.

"Rotarians have been more interested in the living of Rotary than in defining it," declared the speaker, for he said he found it indefinable. "Rotary works because it is simple and refuses to become a complicated thing. It realizes that friendship is the key that unlocks the door of that paradise we all seek."

Lion president Tyson Bibro and Mrs. Bibro, Kiwanis president N. C. Brooks and Mrs. Brooks, and Chief Ed Hainstock of Elizabeth City were special guests of the club last night in addition to the members' wives.

Robert Starling's Mother Died Today

Mrs. George Leggett, 61, mother of Robert B. Starling, member of the Greenville High School faculty, died this morning at her home in Hassell after several months' illness. Mrs. Leggett was the former Magie Lee Spruell.

Funeral services will be held at the Christian Church in Hassell Wednesday afternoon at 3 o'clock. Burial will be in the Robersonville cemetery.

Surviving are her husband, George Leggett; two sons, Robert Belvin Starling of Greenville and Howard Lee Starling of Norfolk, Va.; one sister, Mrs. Lewis H. Harris of New York, and five grandchildren, Anne Starling of East Carolina Teachers College, Barbara and Billy Harris and Goldis and Leo Starling.

Poultry and Eggs

Raleigh, May 18—(AP)—(NCDA)—Fryers and broilers steady at 38. Eggs steady, large 48.

N.Y. Cotton

New York, May 18—(AP)—Cotton futures opened 40 to 75 cents a bale lower.

Noon prices were 5 to 55 cents a bale lower than the previous close. July 37.57, Oct. 34.33 and Dec. 33.69.

Late selling carried cotton futures down almost \$3 a bale in the final hour of trading. The decline was accentuated by the touching off of stop-loss orders and when the pressure eased the market recovered moderately on mill buying.

Futures closed \$1.50 to \$2.80 a bale lower than the previous close.

Month	Open	Last	Prv. Cl.
July	37.40	37.01	37.58
Oct.	34.28	34.04	34.38
Dec.	33.65	33.40	33.80
March	33.28	33.07	33.40
May	32.95	32.74	33.06
July	32.09	31.90	32.15

Middling spot 38.49, off 54.

Grain Market

Chicago, May 18—(AP)—Short covering in the May corn contract strengthened other deliveries in that grain today. Mill buying in the wheat pit, against sales of flour, gave wheat a firm tone. Oats were inclined to drag during the greater part of the session, but soybeans spurred the 8 cent daily limit, when light offerings in the November contract were encountered.

At the finish wheat was 1/4 to 1 1/2 higher than yesterday's close, May \$2.46 1/2-47. Corn was 1/4 to 3/4 higher, May \$2.33 1/2-34. Oats were 1/4 higher to 2 cents lower, May \$1.13 1/2-13. Soybeans were 5 to 8 cents higher, May \$4.20.

N.Y. Stock Market

New York, May 18—(AP)—A hard-hitting selling drive sent the stock market skidding downward in the last half hour of trading today.

Losses piled up to as much as 3 points. Sales were around 2,700,000.
