

Joyner Says Party Issues Must Be Settled Within Own Ranks

Raleigh, May 20.—(AP)—North Carolina Democrats were told today that the proper way to settle party differences over the civil rights issue "is by debate and action within the Democratic party."

Col. William T. Joyner, delivering the keynote address to some 4,000 Democrats assembled in state convention, said there has been "no other state of revolt against the National Democratic party," but "I do not think that any revolt is threatened in North Carolina."

Such a revolt, he added, "could only result in aid to the National Republican party," and the Republican party has gone "much, much further in its advocacy of federal interference in racial adjustments than has the Democratic party."

"Before any Democrat even thinks about 'going fishing' on election day, let him look at the Republican record," Joyner said.

Among accomplishments of the

Democratic party nationally in the past 14 years, he listed: (1) "tremendous advance in the welfare of the average man" through the Social Security program; (2) the "greatest stride in history in the improvement of the economic condition of the farmers"; and (3) "towards world organization, world peace and world advancement of democracy and freedom."

He praised the Democratic state administration for its accomplishments in education, health, rural road building, and for paying off the state's bonded debt.

He predicted that teachers' salaries will be increased "in the near future, and pointed out that during Governor Cherry's administration these salaries have been increased 62 per cent."

Joyner said that civil rights issue "is fanned, I think, by the intolerance of ideologists, by the intolerance

of extremists and by the fears of some political leaders with an eye to pressure group votes in very close states."

North Carolinians, he said, believe "racial adjustments can best be left to the state and to the communities in which the racial contact occurs."

In North Carolina "we have abolished the poll tax requirement as a qualification for voting," he said. "So called lynch law has been reduced to the point of practical disappearance. The state deals with absolute equality in its educational expenditures in the public schools—actually spending in its elementary schools more dollars for each Negro child than for each white child, paying Negro teachers on precisely the same basis as white teachers, and incidentally, employing more Negro teachers than are employed in all of the combined states north of the Mason-Dixon line."

Solon Foresees Possible Failure On Civil Rights

Sen. Ball Says Dixie Strategy May Kill Senate Passage Of Measures

Washington, May 20.—(AP)—Senator Ball (R-Minn.) said today a new Southern strategy of attack "may end chances of Senate passage of anti-lynch or anti-poll tax legislation at this session."

The Senate now is pushing to finish its work before the political conventions in June and July. Chairman Taft (R-Ohio) of the GOP Policy Committee has predicted passage of an anti-lynch bill even if it means lengthy day and night sessions to break a promised filibuster.

But Ball said in a statement this chance may never come if the Southerners keep raising civil rights issues on other legislation.

"The tactic is simply for the Southerners to take the offensive wherever possible in raising the issue," he said. As a result it may be "impossible to find time to fight through any of the bills they really want to stop."

The Minnesota senator said Senator Russell (D-Ga.) "tipped off the new tactics when he announced he would offer an amendment to the Selective Service bill to require the armed services to respect the wishes of draftees who signify in writing that they do not want to serve in mixed white and negro outfits."

The Senate will defeat the Russell amendment, Ball predicted, "but it will consume time." And that, he said, will leave less time or consideration of major legislation on civil rights.

Districts Select Party Delegates

Name Representatives To Nat'l Convention And Electors

Raleigh, May 20.—(AP)—At 12 district conventions today, North Carolina Democrats selected 24 delegates to the party's national convention and nominated 12 Democratic presidential electors.

The district meeting preceded the state convention at which 16 delegates at large to the national convention were selected and two additional presidential electors were nominated.

In addition, the district meetings named representatives to the convention's platform and credentials committees and on standing committees of the party, including the State Democratic Executive Committee, and the Congressional District Executive Committee.

Those elected at the first district meeting were:

Delegates to the National Convention: W. Roy Hampton, Plymouth; Noah Burford, Elizabeth City; alternates, J. H. Blount, Greenville; Mrs. Dan Taylor, Washington.

Presidential elector: Hugh Horton of Williamson.

State Executive Committee: S. M. Blount and Elizabeth Warren, Beaufort; Mrs. Annie Forbes, Camden; Cam Byrum, Chowan; Mrs. Dudley Bagley, Currituck; R. Bruce Etheridge, Dare; A. P. Godwin, Jr., Gates; D. C. Barnes, Hertford; Mrs. S. M. Gibbs, Hyde; Hugh Horton, Greenville; Mrs. E. S. Peale, Martin; John H. Hall and Mrs. Ervin Midgett, Pasquotank; Mrs. Jack Kanoy, Perquimans; W. I. Blisset and Dr. Paul Jones, Pitt; Mrs. Earl Cahoon, Tyrrell; Carl Bailey, Washington.

Congressional District Executive Committee: Malcolm C. Paul and Adeline Mayo, Beaufort; W. I. Halstead and Mrs. P. P. Gregory, Camden; R. D. Dixon and E. N. Elliott, Chowan; D. W. Bagley and J. Ward, Currituck; Roy D. Davis and A. B. Hooker, Dare; L. C. Hand and R. E. Miller, Gates; W. L. Daniel and R. H. Underwood, Hertford; M. A. Matthews and J. S. Swindell, Hyde; A. E. James and Clarence Griffin, Martin; J. E. Flora and L. W. Midgett, Pasquotank; W. W. White and Emmett Winslow, Perquimans; W. I. Blisset and Jack Edwards, Pitt; R. L. Spencer and Mrs. Sarah L. Taft, Tyrrell; Harry P. Barnes and Roy Hampton, Washington.

The New Hampshire senator decided to do that after the Senate late yesterday rejected by a 55 to 18 vote a motion to pare \$200,000,000 from a bill to provide a record \$640,253,000 for next year's highway program.

The issue was whether to send the bill back to the Appropriations Committee for pruning.

Twenty five of his Republican colleagues voted against Bridges and 19 other GOP senators. Senator Byrd (D-Va.) was the only Democrat for recommitment.

Byrd laid some harsh figures before the Senate in arguing for the cut. He predicted the government will operate in the red by some \$7,000,000,000 to \$8,000,000,000 in the year beginning July 1, 1949, and that this deficit will amount to \$10,000,000,000 in the following year. He also forecast a deficit for the year beginning this July 1, but he did not estimate the amount.

S.C. Delegates Told To Refuse Backing Truman

Columbia, S. C., May 20.—(AP)—South Carolina's delegates to the Democratic National convention and its electoral college nominees were instructed by the state's biennial convention yesterday to withhold support from President Truman, if he receives the party's nomination for President.

The South Carolina Democrats likewise passed a resolution withholding the state's support from any presidential candidate with views on civil rights similar to those that have been expressed by President Truman.

The convention later selected a "favorite son" candidate for the party's presidential nomination—Gov. J. Strom Thurmond.

South Carolina has 20 national convention and eight electoral college votes.

Progressives In State File Suit

Raleigh, N. C., May 20.—(AP)—The Progressive party of North Carolina filed suit today in its own name to prevent the state board of elections from organizing a third party to be qualified.

The complaint objected to a regulation which required that the 10,000 persons whose names are secured on a petition asking for a third party be registered voters who do not vote in the primary on May 28.

Arabs Bombard Holy City As Advances Are Reported

Cairo May 20.—(AP)—The battle for Jerusalem roared on today. A Jewish communiqué said the Arabs were shelling the Hebrew University and the Hadassah hospital, strong points held by the army of Israel.

Dispatches from inside Jerusalem's old walled city said King Abdullah's trans-Jordan Arab legion and Arab volunteers by last night had battered more than half way through the southern Jewish quarter behind heavy bombardment. Outside the walls, the Arabs cleared Jews from the north, east and south sectors of modern Jerusalem and struck deeply into the western sector.

Egypt announced her troops in southern Palestine occupied the Arab town of Beersheba, Southern most limit of the Holy Land of Bible days. The defense ministry said Egyptian

troops in a 10-hour battle captured the fortified Jewish settlement of Deir Sunaid guarding the road to Tel Aviv.

Deir Sunaid is about seven miles north of Arab Gaza, commanding the road and railway to Tel Aviv. The Egyptians said the strongly fortified settlement was a base for supplying other Jewish defenses in southern Palestine.

Within the old city in Jerusalem, May 20.—(AP)—Arabs expect a decision today or tomorrow in the bitter battle for Jerusalem, a high Arab official said last night.

King Abdullah's trans-Jordan Arab legion and Arab volunteers were fighting Israel's Haganah army and the Jewish Irigun Zvai Leumi and Stern gang inside and outside the old city's walls.

Inside, the legion, home than half-way through the southern Jewish quarter, bombarded a small Haganah garrison spasmodically for 15 hours yesterday.

The Arab official estimated the Jews strength in Jerusalem at 8,000, but only 400 were said to be holding out in the old city. He did not give the number of Arab fighters.

The Arabs say the Jews are hard pressed by a shortage of food and water. The big water main into the city has been broken 11 days. No food convoys are known to have reached the Jews since April 13. The whole city has been without electricity since last Friday.

(Military headquarters in Tel Aviv said food and medical supplies for 1,700 Jews in the old city were rushed in yesterday after a Haganah breakthrough.)

Durham Doctor Reports Findings

New Aid In Treatment Of Glaucoma Told Medical Group

New York, May 20.—(AP)—A new aid in treatment of glaucoma, a serious eye disease, was reported today by Dr. F. W. Stocker of Durham, N. C.

This aid is rutin, a substance found in buckwheat, he told the New York State Medical Society. It's the same substance that some investigators believe may be helpful in combating radiation damage in humans.

Glaucoma is an eye disease marked by excessive pressure of fluids within the eye. It may lead to blindness. One treatment is to give certain drugs that contract the pupil and act to reduce the pressure.

Dr. Stocker, of McPherson hospital in Durham, said experiments showed that rutin in some cases increased the effectiveness of the drug. Improvements were noted in 17 of 26 eyes treated with rutin, he said. Rutin has a vitamin rather than a drug effect, and it takes several weeks at least before it would produce a definite influence. It seems to act by tightening the barrier that separates the blood plasma from the fluids within the eyeball.

Rutin, he said, may be regarded as a valuable aid to the treatment with such drugs and "will make it possible to control a number of cases which would not be controlled by miotics alone, and by that either avert or delay surgery."

Gov't Recovers \$2 Million From Munitions Firm

Greensboro, May 20.—(AP)—Recovery of more than \$2,000,000 was granted the United States government today by two judgments filed in middle district court by Judge John J. Hayes, against the National Munitions Corporation of Durham.

In one case, the federal government was granted recovery of \$1,584,258, and in the second case, the government was granted recovery of \$600,000. Interest will be charged the munitions company at the rate of six percent per year, beginning in May, 1947, and continuing until paid.

Suit was brought by the government against the munitions corporation for recovery of the two sums, allegedly representing the amount of excess profits made by the firm under war contracts with the government.

New Historical Drama To Open

Charlotte, May 20.—(AP)—Charlotte stood ready today to commemorate the signing of the Mecklenburg Declaration of Independence with the opening of an elaborate historical symphonic drama, "Shout Freedom."

The production will have its premiere here tonight on the anniversary of the signing of the declaration in 1775. It will continue each night, except Sundays, through June 3.

Breneman Estate Left To Widow

Los Angeles, May 20.—(AP)—The \$250,000 estate of Radio Master of Ceremonies Tom Breneman has left to his widow, Billie Dunn Breneman, former actress.

Mrs. Breneman, 45, was appointed guardian of their two children, Gloria, 19, and Tom, Jr., 14, as a legal step to insure their inheritance of \$10,000 each under an insurance policy.

Doughton Plans Two More Years

Raleigh, N. C., May 20.—(AP)—Rep. R. L. Doughton, dean of the State delegation in Congress, said today that he would retire after two more years in Congress.

Doughton, speaking at a district convention of Democrats from the ninth district, said that he was anxious to retire from public life this year but that he would seek re-election in order to help defeat the Republicans in his district.

Keynoter

Philadelphia, May 20.—(AP)—Democratic leaders today selected Senator Alben W. Barkley of Kentucky as keynoter for their July 12 National convention. Rep. Sam Rayburn of Texas was named permanent chairman.

Senator J. Howard McGrath, Democratic National Chairman, said in reply to a question the selections were not aimed at appeasing the Southern block opposing to President Truman's civil rights program.

"They are both very liberal men," McGrath said, "who supported in every way the program of Presidents Roosevelt and Truman."

Four Versions Told Court On Prophecy Murder

Greensboro, May 20.—(AP)—The web of his own allegedly conflicting statements was being drawn tightly around Marion Isaac Moore today in Guilford Superior Court as the state piled up evidence to support its contention that the Burly, 38-year-old Greensboro house painter committed the "prophecy" murder of his wife by beating her to death in a lonely woods the night of March 19.

County and city police officers, testifying for the state, related no fewer than four stories which Moore allegedly gave them after he was apprehended. According to one story a complete "lapse of memory" preceded Moore's awaking to find the battered body of his wife beside him in woods just off 21st street.

According to the three others the man, searching for his missing wife, Mary Jackson Moore, went with inexplicable directness to the Woods where he found the woman fatally injured.

Song Convention In Wilson Sunday

Wilson, N. C., May 20.—(AP)—More than 100 singers from all over North Carolina will gather in Wilson municipal stadium Sunday for the annual eastern North Carolina singing convention.

Five thousand persons are expected to sit in on the program, which convention leader L. A. Hagwood of Middlesex predicts will be on of the most successful ever held.

Will Discuss Increase In Operating Expense

Davidson, N. C., May 20.—(AP)—A 76 percent increase in overall operating expenses since 1941 will be discussed by Davidson College trustees at their spring meeting tomorrow.

An executive committee meeting this afternoon preceded tomorrow's full session.

Initial Spending On Hospital Is Limited

Greensboro, N. C., May 20.—(AP)—The initial expenditure will be limited to \$5,000,000 for the Moses H. Cone Memorial Hospital building, Nurses' Home, furnishings and equipment.

The bellings was set by the trustees at their annual meeting here yesterday.

Candidates Ease Up As N. C. Convention Opens

Raleigh, N. C., May 20.—(AP)—Candidates for Governor and U. S. Senator gathered in Raleigh today for the state Democratic convention after getting in additional campaign lectures yesterday.

R. Wayne Albright, seeking nomination for Governor, who spoke at a courthouse rally at Danbury in Stokes county, became the first candidate for governor to personally campaign in all 100 North Carolina counties.

He reiterated his platform and declared he is "the only solid anti-machine candidate."

Oscar Barker, also a gubernatorial candidate, issued a statement which said in part "unity will be the keynote of the Democratic convention. I am sure it will continue to be the motivating force of the party through the primary and general election campaigns."

Charles M. Johnson and Kerr Scott, two other candidates for governor, remained in Raleigh for organizational work.

Senator William B. Umstead and his opponent for reelection, former Governor J. Melville Broughton, both in Raleigh today, also put in their tickets yesterday.

Umstead told the Spring Hope Lions club that if the United States is to meet its task of World Leadership, it must move forward with the same unity of purpose and power which was necessary to win the war.

Broughton, challenged by Umstead to give specific answers on how, if he were Senator, he would have voted on the Taft-Hartley act and on pending civil rights legislation, answered last night.

Of the civil rights proposals, Broughton said "it is little short of tragic that the delicate matter of race relationships should be made the subject of political discussions."

4-H CLUBS REPRESENTED

Washington, May 20.—(AP)—Seventeen present or former four-H Club members from 17 states have been selected to take part in an international farm youth exchange project this summer.

That Princess Margaret, as witness to the war, was a sister

No Early Senate Action Ahead On Mundt-Nixon Bill

Discussion Promised, But House-Approved Measure Must Wait For Study

Washington, May 20.—(AP)—Senate Republican leaders today promised discussion—but no early action—on the anti-Communist bill banged through the House by a 319 to 58 vote.

Chairman Wiley (R-Wis.) told a reporter there "certainly" will be a discussion of the measure on the measure sponsored by Reps. Mundt (R-SD) and Nixon (R-Calif.).

It is designed to curb Communist party activities as a "clear and present danger" to the United States.

The Mundt-Nixon bill says an international Communist movement is plotting to set up a dictatorship in this country through Moscow-controlled organizations. It tabs the Communist party here as one of such controlled groups.

With stiff fines and imprisonment the measure makes it illegal to try to create a foreign controlled dictatorship in this country.

Senator Taft of Ohio, who heads the Republican Policy Committee, said he thinks the measure needs "serious study" before the Senate acts on it.

"As I read the bill," Taft said, "it requires the registration of anybody who is trying to set up a dictatorship. But that would be an admission of what becomes a crime under the bill. So there would be no registration. I'm afraid it would merely drive Communists underground."

On the other hand, Senator Ferguson (R-Mich.), a judiciary committee member, said he thinks the measure makes any subversive activity of a Communist a crime.

"I think it will cope with a situation we are facing, if we actually enforce it," he said. "We already have laws on this point, but I think we have fallen down in enforcing them and I'm willing to take this new step."

Senator Kilgore (D-W.Va.), another committee member, said he doesn't like the idea of trying to control a man's thinking by legislation.

"I think that's getting us into the field of Gestapo methods," Kilgore added.

Store Robbed Of Watches, Rings

Wilmington, N. C., May 20.—(AP)—Police were engaged today in a search for clues in the robbery of over \$6,000 worth of watches and rings from the Reed Jewelry Store in downtown Wilmington.

Detective Capt. L. A. Teggie, placing the time of the robbery at between 9 p.m. Monday and 9 a.m. Tuesday, said the burglar or burglars, gained entrance at the rear of the store.

\$8 Million Gift In Chinese Money

New York, May 20.—(AP)—Columbia University has received a gift of eight million dollars but it won't be erecting any new buildings with the money.

The dollars are Chinese, donated by Tung-Li Yuan of Peiping, an alumnus. They are worth about \$25 in American money.

TEST PILOTS KILLED

Rome, May 20.—(AP)—A plane destined for delivery to the Jewish Air Force in Israel crashed at Urbe Airfield today, killing two test pilots.

The plane was a C-47, carrying two test pilots and a mechanic.

TEST PILOTS KILLED

Rome, May 20.—(AP)—A plane destined for delivery to the Jewish Air Force in Israel crashed at Urbe Airfield today, killing two test pilots.

Austerity In Religion

Princess Elizabeth And Phillip Censured For Activities On The Sabbath By Scottish Religious Group; Austerity Not Confined To Scotland; Reasons For Act

By DeWITT MacKENZIE

From the sturdy land of highlands and purple heather, where folk roll their r's and r's-remember the Sabbath, comes word that the Scottish association of the Lord's day observance society has sent Prime Minister Attlee a telegram recording in part:

"We feel constrained to express our profound regret that the itinerary arranged for their royal highnesses, Princess Elizabeth and the Duke of Edinburgh (Prince Philip), while on their official visit to Paris, included attendance to racing, theatre and night club dancing during the Lord's day."

"Too strong mustard? well, whether we agree with this rebuke, or feel it's a wee bit austere, there are many people who will find it encouraging to encounter such a staunch stand for religion, especially in the face of the world-wide Communist drive to deprive humanity of a God."

Of course, probably nobody claims that the charming lady, who one day likely will be Queen, and her husband committed any terrible sin by their activities on Sunday. However members of the Royal family do have a mighty influence on the habits of the rank and file, and must expect criticism at times. For Royalty isn't immune from the afflictions of ordinary man, as witness that Princess Margaret, as sister

of the hearse presumptive to the throne, is suffering with measles.

The Scots as a whole are intensely religious. The Sabbath is a day for worship and contemplation. Scots who believe in the old time religion have no place for sports or recreation on Sunday. Why, the average Scot won't indulge in golf on Sunday, though he loves the game so much that he uses a golf club for a cane so that he always will be ready for play. Many even from on whistling as too frivolous.

But that religious austerity isn't confined to Scotland. You find the same things in parts of England. In the picturesque old fishing village of St. Ives, on the Southwest coast, the fisher folk take their religion so seriously that they won't even permit visitors to break the Sabbath. For example I have known the fishermen to stop a woman from knitting on the rocks by the sea, and a man artist who was painting beside the water was thrown into it.

Still, we don't have to go so far afield as the British Isles to find religious austerity. There's plenty of it right here in the United States—throughout most of the world, for that matter. Even those who aren't intensely religious believe in the Supreme Being and the hereafter.

As a matter of fact the Communists (Continued on Page Two)

Iowa Nat'l Guard Enters Plant Area After Riot

Clear Grounds In Accordance With Injunction; Action Is Taken After Strike-Killing Which Set Off Disorders

Waterloo, Ia., May 20.—(AP)—Iowa National Guard units early today took over the strikebusting plant area, scene of rioting last night, following the fatal shooting of a CIO-Union Packinghouse Workers Union picket.

A contingent of about 500 guardsmen moved into the plant area at 4:15 a.m. (CST) with bayonets fixed. They cleared the area of the plant in accordance with a court injunction issued yesterday. Their first official act was to drive off at bayonet point about 50 pickets who had gathered outside the plant's main gate.

The pickets retreated slowly before the steadily advancing guardsmen and shouted flares but offered no resistance. The injunction allowed only five pickets at each gate and prohibited that other strikers cannot congregate within 500 feet of the plant. It also prohibits use of loud speakers by strike leaders.

Road blocks were set up on all streets leading to the plant. Half-tracks and jeeps patrolled the area. On Col. Frank Williams' orders no more than two men were to be allowed to move around the plant area together. Col. Williams, commander of the guard units in Waterloo, said he expects to have 1,000 guardsmen in Waterloo by noon.

He emphasized that the guard had taken over at the request of Sheriff H. T. Wagner.

The picket killed last night was William J. Farrell, 40, of Waterloo. A woman striker was wounded in the shoulder apparently by the same bullet which killed Farrell.

Authorities announced meantime that the Rath plant would remain closed "at least through Thursday."

Union officials using loud speakers joined with 60 peace officers in quelling the disorder which erupted after Farrell was felled by a gunshot which police said came from the car of a non-striking worker. Pickets had stopped the car as it approached the plant entrance.

County Attorney Blair Wood said the shot was fired by Fred Lee Roberts, 35-year-old Negro from nearby Dunbar. Wood said that Roberts' father of nine children, would be charged with murder. Sheriff H. T. Wagner said Roberts was in custody at an undisclosed location as a precaution against possible mob violence.

Eleven Major Problems

Stalin Posed Eleven Issues That Should Be Settled Between U. S. And Russia; State Department Explodes Myth That Efforts To Solve Questions Were Ignored

By JAMES MARLOW

Washington, May 20.—(AP)—Premier Josef Stalin has listed 11 major problems he thinks this country and Russia can sit down and talk about.

To this idea, the State Department has said in effect:

"Wait a minute. Not so fast. They are not new problems. They're old ones. Let's look at the record on each one."

So the department has made public an answer or explanation on each one of the 11. Why? To show that:

They're long-standing, unsolved problems and, in most cases, Russia has either blocked their solution or refused to help solve them.

Harry Wallace, third party presidential candidate, in an open letter to Stalin had listed a number of problems which he said should be a starting point for American-Russian peace talks.

Stalin chose 11 problems from the Wallace list and, in a public reply, said yes, indeed, they would be good starting points.

Below are the 11 Stalin-Wallace points. Following each is the State Department's explanation. Material in parentheses is the writer's.

1. Nations should reduce their armaments.

The United Nations has been considering this since 1946. Result: zero.

2. Russia's Foreign Minister Molotov

first proposed world disarmament in October, 1946. It's been hanging fire. Since U. N. hasn't solved atomic control, trying to control other armaments would be a joke.

3. International control of atomic weapons—

The U. S. offered U. N. a plan. Russia didn't agree, offered ideas of its own. The U. S. blames Russia for blocking a solution.

3. Reaching a German peace settlement—

The U. S. blames Russia for blocking this.

4. Reaching a Japanese peace settlement—

No real peace talks on Japan have begun. The U. S. wanted the talks handled one way, Russia another. China another. Eight nations mixed up in the Japanese peace talks agreed with the U. S. Result: zero.

5. Getting troops (meaning U. S. troops) out of China—

There are no Russian troops in China but there are about 5,500 American soldiers, sailors and marines there. Why? The Chinese government requested them.

6. Getting troops (U. S. and Russian) out of Korea—

Social and Personal

Mrs. Percy Holden of Snow Hill is the guest of Mrs. R. C. Merritt.

Mrs. Thornton Meeks has returned to her home on Dickinson Avenue from Pitt General Hospital.

Attention Junior Hostesses
The bus for the dance at Cherry Point will leave the Service Men's Home Friday evening at 6 o'clock.

Mass Choir Rehearsal
The final rehearsal of the mass choir, which will sing in the program of sacred music on Sunday evening, May 23, will rehearse Saturday night, beginning at 7:30 in the Christian Church.

Child F. H. A. Leap Year Party
The Future Homemakers of Childhood had a leap year party May 8. Each member was allowed to invite an escort. Instead of the boy being the escort, the girls were, since it was leap year. Much fun was had! Several games were played. Where the boy had to help the girl, it was changed around so the girl had to do it. When everyone was sorted tired, the group was served refreshments which consisted of lemonade, sandwiches, cookies, pickles and potato chips. They were thoroughly enjoyed by all.

Honored guests were Mr. and Mrs. Newman Lewis; Mr. and Mrs. Frank Page; Mr. and Mrs. Jean Dewey; Mr. Burley Smith; Miss Olive McCallum and Miss Wilma Lewis. Shirley Rose Buck, reporter.

Masonic Notice
An Emergent Communication of Greenville Lodge No. 284 A. F. & A. M. will be held Friday night, May 21, at 7:30 for work in the Master Mason Degree. Visiting Master Masons are cordially invited.

A. R. HOUSE, Secretary.

SOCIAL CALENDAR

THURSDAY

8:00 p. m.—The Fidelity class of the Memorial Baptist Church will meet at the home of Mrs. J. L. Winstead.

3:30 p. m.—Third Street P. T. A. meets.

8:00 p. m.—T. E. L. class of Memorial Baptist Church meets with Mrs. Irma Cobb Dunn.

FRIDAY

1:00 p. m.—Garden Club picnic at the home of Mrs. M. K. Blount.

6:30 p. m.—The last meeting for the year of the Reading Aloud Group will be held at the college in the green room of the Teachers' Playhouse, Austin building. Members of the group from the campus and the city are invited to attend.

6:30 p. m.—Kiwanis Club.

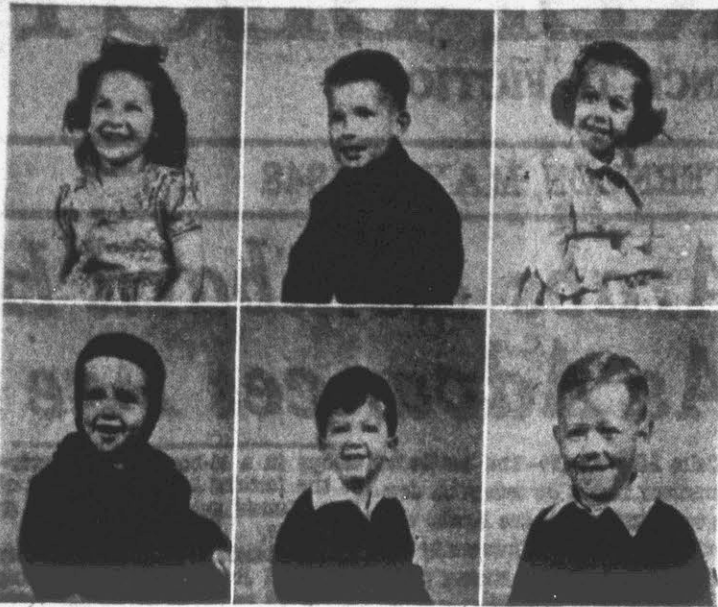

SATURDAY

7:00 p. m.—German Club picnic supper and dance at the Country Club.

District Meeting of Auxiliary

The district meeting of the Woman's Auxiliary met in Ayden May 12. Greenville, Farmville, Grifton, St. John's and Winterville were represented. Mrs. Eleanor W. Gower of Grifton, president, presided. Mrs. Troy Rouse of Greenville is secretary and treasurer. A most interesting talk was made by Mrs. J. Brooks Tucker from Grimesland who has recently returned from England, Holland, France and Belgium. There were also talks by Mrs. Earl Forbes and Miss Hennie Long of Greenville which were very interesting. A most delectable lunch was served by the ladies auxiliary of Ayden in the community building.

Night flying pilots may have their sense of balance so distorted by motions of the plane that when their craft goes into a spin they believe it is spinning in the opposite direction and aggravate the spin when they attempt to correct it.

40 Years Ago Today

THE DAILY REFLECTOR
May 20, 1908

The union missionary meeting held in the Christian Church Wednesday afternoon was voted a splendid success. Mrs. H. L. Carr represented the Methodist Missionary Society in a charming and helpful way and made every woman present feel deeper interest in missions.

At the graded school commencement exercises held on Wednesday evening in the opera house Bruce Hooker was presented a medal as the best individual speaker in the debate, the query, "Resolved, That the next legislature of North Carolina should enact a law requiring all able bodied children between the ages of seven and fourteen to attend school at least four months of the year." Mr. Hooker was one of the affirmative speakers.

W. H. Rogers Head State College Alumni Association

W. H. (Bill) Rogers, prominent Raleigh engineer, has been elected in a mail ballot president of the General Alumni Association of State College. He will succeed retiring President Edwin Pate of Laurinburg at the state association's annual meeting at the college on June 11. Henry A. Kendall of Raleigh was elected first vice-president; M. A. Morgan of Smithfield was named second vice-president.

The five men elected members of the executive committee are John H. Bonita of Greensboro, Neill M. Dalrymple of Fieldale, Va., O. Max Gardner, Jr., of Shelby, Vann S. Watson of Rocky Mount and Lloyd T. Weeks of Raleigh. C. H. Warren of Raleigh was chosen to fill the unexpired term of the late R. V. Terry on the executive committee.

Shrine Ceremonial In Wilson Today

Hundreds of Pitt countians migrated from here today to Raleigh and Wilson for important meetings. It was estimated that nearly 200 Democrats wended their way to the State Democratic Convention at Memorial auditorium in Raleigh.

Shriners in large numbers went to Wilson to attend the spring Shrine ceremonial, which got under way at 4:30 today.

More than 6,000 Shriners converged on Wilson last night and this morning and they were still arriving there at noon.

The potentate's banquet will be held at the Zam Zam tonight.

Potentate Dr. George Erick Bell reviewed all uniformed units at the oriental pageant at a warehouse this afternoon.

Dr. M. A. Pittman, president of the Wilson Shrine Club welcomed the visitors.

After having half their equipment taken for military purposes, U.S. airlines carried more passengers and twice as much air freight in 1942 compared with 1941.

More than one in every ten American workers are employed by the motor trucking industry.

Kiwanis Minstrel Is Great Show; Repeats Tonight

By CHESTER WALSH

The Kiwanis Club's annual minstrel show played to an overflow audience at Austin auditorium at the college last night. The show, produced by Eli Bloom, was the best the club has presented. The Mississippi River steamboat scenery was brilliant. The lighting effects and an excellent orchestra of college boys were wonderful. The endmen's jokes were funny and better than last year. The chorus was composed of talented singers and they pleased the audience. The song and dance numbers were tuneful and sparkling. It's a great show.

President Nathan C. Brooks welcomed the audience and explained that funds derived from the minstrel are used by the Kiwanis Club's Underprivileged Child Committee to give assistance to deserving persons.

Austerity . . .

(Continued from Page One)
list effort to kill religion, as the "dope of the Masses," undoubtedly has reacted against the Reds. Religious folk have been stimulated to battle for their beliefs. Possibly this has had something to do with the exceptionally strong move of the Scottish Association regarding the activities of Elizabeth and Philip in Paris on the Sabbath.

On Nov. 25, St. Catherine's Day, some French spinners dress in their best clothes and patrol the boulevards in groups seeking eligible-looking young men.

Commuters Go Thousand Miles To Honolulu

By KEN LIKES
Honolulu — (AP) — Inflation? Nothing like that plagues residents of this city's most outlying suburb.
That's the report of a commuter who made a 1,000-mile trip downtown recently.
Otto Hournung, Jr., spanned a mighty broad stretch of the Pacific when he flew in from Palmyra atoll to go shopping. But the jaunt was actually from one part of town to another for Honolulu's "city limits" are 960 nautical miles to the southwest—just beyond Palmyra.
"The 57 Americans living out there regard themselves as the forgotten people of the territory," Hournung said.
Once a booming naval airbase, the atoll does now in the backwash of Pacific activity. It is populated by 32 men, 14 women and 11 children who hold down a small weather station and emergency airstrip of the Civil Aeronautics Administration.
Just a string of 52 damp islets, Palmyra boasts no post office, school or night club. There is no dentist and no doctor. There are no office holders—except an unofficial "deputy high sheriff" who serves without pay.
Palmyra hasn't always basked in peace and quiet.
A Japanese cruiser shelled its military installations in 1942, and a wild storm sent high tides over most of its land a year ago.
Since the captain of the ship Palmyra discovered the island group for the United States in 1802, the kingdoms of Hawaii and Great Britain decided they owned Palmyra. American rights were finally settled, but actual title to Palmyra was not confirmed up to last May.
Then the U.S. Navy lost a battle of litigation it had been fighting for years with Leslie Fullard-Leo, a Honolulu resident who said Palmyra was his private atoll. The U.S. Supreme Court sided with Fullard-Leo.
That was seven years after the Navy sailed in with dynamite, built a road and an estimated \$22,000,000 to turn the atoll into an immense airbase.
Since the Navy steamed away bringing, however, a large force

TABBY STEALS THE SHOW—A cat strolling between ranks of Yeomen Warders of the Tower of London, Britain's famed beef-eaters, stole the show as the ancient Ascension Thursday ceremony of the "beating of the bounds" was observed in London. The "beating of the bounds" is performed by boys armed with white wands. It takes place every three years.

Chiang Rules Out Cabinet-Naming

Nanking, May 20 — (AP) — Chiang Kai-Shek became China's first constitutional president today and immediately warned legislators not to meddle with cabinet appointments.
Chiang told an official luncheon for legislators not to challenge individual cabinet members. The cabinet will be chosen by the yet unnamed premier.
Some legislators had even proposed that their constitutional power be expanded to pass on the premier's policies.
Members returned to the legislative halls in a sullen mood. One proposed the solons postpone action on rules and procedure "because the members are too low in spirit."
The legislators finally abandoned all efforts to control cabinet members. However, they asserted themselves to the extent of ordering Chiang's nominee to appear before them to outline his policies before they consider approving him.

Men's Clothing To Be Colorful

Los Angeles, May 20 — (AP) — Old tight, men. Colors for fall clothes will be gold and bronze, hatteries and vermilion.
It's the Mens Wear Manufacturers of Los Angeles throwing the paint pot with wild abandon.
They took the wraps off their new creations at a style show last night. The choicest item was a gold suede sports coat with allippers to match.
Angled itself over abandoned highways, messhalls and barracks.

'Poppy Day' Next Saturday Honors Veterans Of Wars

Organization of a large corps of volunteer workers to distribute memorial poppies on "Poppy Day," Saturday, May 29, was announced today by Mrs. T. K. Fountain, poppy chairman of the Greenville unit of the American Legion Auxiliary.
"More than twenty-five members of the Auxiliary have offered their services as poppy workers," she said.
The "Poppy Day" volunteers will be formed into teams and assigned to various locations in the city. They will be on duty throughout the day, offering poppies to be worn in honor of the dead of both world wars and receiving contributions for the welfare of disabled veterans and dependent families of veterans. Some will be able to give only a few hours to the work while others will give the entire day.
"The response to the call for volunteers for 'Poppy Day' duty has been gratifying," said Mrs. Fountain. "Distributing the poppies is hard, unaccustomed work for most of the women and they deserve the highest credit for this patriotic service. They receive no pay or commission, of course. Their only reward is the knowledge that they are helping to keep bright the memory of those who died in the wars and aiding those who are in need because of war sacrifices."

"This year we will have many younger women, wives and sisters of World War II veterans and women who were in service themselves, distributing poppies for the first time. By their sides will be working older women, wives of World War I veterans and mothers of veterans of the second conflict, for whom 'Poppy Day' duty has been an annual service for many years. Junior members of the Auxiliary will be working, too, as well as high school children and Boy and Girl Scouts. All will be giving their services to make the observance of 'Poppy Day' a complete success in Pitt County."

Clear Patrolman In Highway Death

Swansboro, N. C., May 20 — (AP) — A State Highway patrolman stood absolved today of blame in the death of four-year-old Frances Futrell.
A jury impaneled by coroner P. A. Lewis ruled that patrolman L. J. Parrish's patrol car struck the child yesterday in an unavoidable accident.
The coroner said that Parrish swung out in the highway to avoid a parked car and that the child started across the road in front of the patrol car.

CATCH MAN-EATING SHARK

Hong Kong, May 20 — (AP) — Fishermen said today they caught a giant 450 pound shark containing the remnants of a man's body off Cape De Gullar.

IF STOMACH BALKS DUE TO GAS AND BLOAT

Help Get Food Digested to
Relieve Yourself of This
Nervous Distress

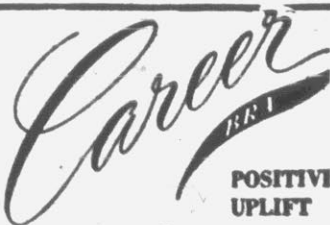

Do you feel all puffed-up and miserable after every meal, taste sour, bitter food? If so, here is how you may get blessed relief in helping your stomach do the job—it should be doing—in the digestion of its food.
Everytime food enters the stomach a vital gastric juice must flow normally to break-up certain food particles; else the food may ferment. Sour food, acid indigestion and gas frequently cause a morbid, lousy, fretful, nervous, nervous condition, loss of appetite, underweight, restless sleep, weakness.
To get real relief you must increase the flow of this vital gastric juice. Medical authorities, in independent laboratory tests on human stomachs, have by positive proof shown that SSS Tonic is amazingly effective in increasing this low when it is too little or scanty due to a non-organic stomach disturbance. This is due to the SSS Tonic formula which contains special and potent acting ingredients.
Also, SSS Tonic helps build-up non-organic, weak, watery blood in nutritional anemia—so with a good flow of this gastric digestive juice, plus rich red blood you should eat better, sleep better, feel better, work better, play better.
Avoid punishing yourself with over-doses of soda and other alkalis to counteract gas and bloating when what you so dearly need is SSS Tonic to help you digest food for body strength and repair. Don't wait! Join the host of happy people SSS Tonic has helped. Millions of bottles sold. Get a bottle of SSS Tonic from your drug store today. SSS Tonic helps Build Sturdy Health.

Inventor Is Slow To Accept Prize

London, May 20 — (AP) — The Royal Commission on Awards will meet next week for the task of persuading a reluctant inventor to accept about \$200,000.
The man who hesitates to take the cash, tax free, is Air Commodore Frank Whittle, holder of a number of basic patents for jet propulsion and gas turbine engines.
Whittle has been seeking recognition, not cash. He feels it would be improper for him to claim a monetary reward because he developed his inventions while serving as an officer of the Crown.
"But of course if the Crown takes the initiative there may be another aspect to the case," he conceded.
Whittle started his researches in jet propulsion in 1932. At that time he could get no financial support from the Treasury.
He cherishes two old letters from the Air Ministry. One, in 1935, said:
"The department does not think your invention will be of any practicable value to the service."
A year later the same authority wrote:
"We find it impossible to comment usefully on the value of your project to the service."
Now the whole RA is being outfitted with new engines on the basis of inventions by Whittle.

TAXI AS SCHOOL BUS
Marlow England — (AP) — Marlow's school board has hired a taxi, at \$2.50 per day, to drive disabled Alan Webb, 6 to and from school.

In 1942 the death rate for U.S. Negroes was one-fourth higher than for U.S. whites.

Your Enemy Is A Rat

(P) Newsfeatures Writer

Forget the wolf at the door, for a moment, and consider the rat under the floor.

Government experts regard the rat as a No. 1 enemy. They've got a drive on now to get him more nearly under control.

He costs you two billion dollars a year. He carries ten kinds of disease. He's blamed for some of the worst scourges in history.

What sort of a beast is he? Like you, he has immigrant ancestors.

Unlike you, perhaps, his ancestors did not come over on the Mayflower.

The Mayflower rats presumably were common ship rats, from which few ships were free in those days. Ship rats reached Europe from the Orient in the eleventh century and probably landed here with the first explorers.

The master race of rats in this country today is the brown rat. Also an Oriental out of Europe, he didn't get here until Revolutionary war times. He is a better (or worse) rat than the smaller ship rat, and soon look over the country.

The experts say the United States has as many rats as people. Big cities have slashed their rat populations in recent years through rat-proof construction, extermination, the disappearance of the horse and other factors. On farms especially rats still abound. In one Texas county some years ago 153,720 rat tails were turned in during a six week rat killing contest.

The brown rat may be known also as barn rat, wharf rat, sewer rat, gray rat, Norway rat. He may be brown or gray or black. The white lame rat is an albino variation.

He may weigh 25 ounces but probably weighs about three quarters of a pound. A female rat has as many

as 22 rats in a litter, gives birth as often as 12 times a year. Those are high, but even figuring an average birth rate, one pair of rats might have 350,000 progeny in three years, if the death rate were ignored.

It takes a bushel of grain to support a rat for a year in the style to which it is accustomed. In a single night, rats may destroy hundreds of chicks for the fun of it. A rat will kill even a baby lamb or pig or full grown hens and ducks. He will chew up vegetables, ruin barrels of stored fruit, foul all manner of human food and untold damage by gnawing furniture, doors insulation, even lead pipes.

The fleas and lice that thrive on rats carry diseases that have scourged the human race. Typhus and plague are the most spectacular.

Rats can eat anything that humans eat and live most anywhere humans live. But they have a fatal weakness. They cannot throw up what they have eaten. That lays them wide open to destruction by poison. If they swallow even a mild dose it may be fatal. But there's a catch. When it comes to swallowing poison, rats are choosy. They'd rather live, the rats.

Boost Ceiling In Federal Payroll

Washington, May 20—(AP)—The government today boosted the ceiling on its civilian payroll to 1,968,170 workers for the third quarter of the year, starting July 1.

Budget Director James E. Webb said this boost of 48,247 over the current quarter was mainly due to an increase in civilian jobs in the military establishment.

QUEEN—Janet A. Link (center), Western Springs, Ill., and her court pose at pageant at Mount Holyoke College, South Hadley, Mass. Front (l. to r.): Virginia Merriam, Mountain Lakes, N. J.; Jean Campbell, Minneapolis; Miss Link; Phyllis Thorpe, Villanova, Pa.; Jean Felckert, Summit, N. J. Rear: Alice Deklyn (left), Morristown, N. J., and Virginia Ferris, Philadelphia.

Long, New Head Fellowship Club

M. R. Long was elected president of the J. B. Pierce Fellowship Club at the 29th annual barbeque of the organization held yesterday at Camp Contentment on Contentment Creek near Ayden yesterday. The meeting was presided over by this year's president, W. I. Bissette, of Grifton. Greenville members of the club were hosts at the dinner.

The J. B. Pierce Fellowship Club grew out of the annual birthday celebrations of the late J. B. Pierce, of Ayden. Each year he held an annual barbeque at which time he was host to many of his friends throughout the county and later his friends formed the organization and different groups acted as hosts for the annual affair. Since his death several years ago the organization has continued in memory of its founder and other members who have died. The occasions are purely for fellowship and enjoyment with a view to better acquaintance of citizens of Pitt County out of which may grow a spirit of close cooperation and friendship.

G. W. Prescott, of Ayden, delivered the invocation after which dinner was served. Following the dinner the meeting was called together by the president, W. I. Bissette.

Harry Stillman, present owner of Camp Contentment, officially welcomed the members and their guests. A. V. Rowe, secretary-treasurer, read the minutes of last year's meeting which were approved.

President Bissette called attention to the deaths of J. Raymond Turnage of Ayden and John R. Harvey of Grifton since last year's meeting and eulogies for them were delivered by Judge Albion Dunn and B. B. Sugg, respectively. Greetings from the different communities in the county were brought in brief talks by the following: W. J. Bundy, W. H. Dall and W. L. Wiedbe, Greenville; G. W. Prescott, Ayden; Dr. E. V. Tucker, Grifton; Joe Rasberry, Farmville; Cecil Everett, Bethel; C. D. Langston, Winterville and J. Paul Davenport, Pictolus.

Distinguished guests included Congressman Herbert C. Bonner, General Hal Turnage, native of Farmville, Col. Brinson, of Washington, D.C., and Henry Oglesby, native of Pitt County who is now secretary to Congressman Bonner.

Each of the guests was called upon and responded with brief remarks expressing pleasure at being present and paying tribute to the founders and the spirit of the organization the chief purpose of which is fellowship.

Officers for the coming year are M. R. Long, president; Harry Stillman, vice-president; and A. V. Rowe, secretary-treasurer.

Raleigh, May 20—(AP)—The Parole Commission announced the paroling of five prisoners today. They included: Roosevelt Cox, Negro, sentenced to 25-30 years following his conviction in Pitt Superior Court in January 1936 for burglary.

Voluntary 'Code' By Broadcasters

Los Angeles, May 20—(AP)—The radio industry will begin operating July 1 under a voluntary code which sets up standards for programs and limits the time of commercial announcements.

Directors of the National Association of Broadcasters adopted yesterday the set of practices recommended by delegates to the 26th annual NAB convention.

These include: Regulations on news, public affairs, political, religious, children's and crime programs.

Limitation of advertising to one minute of every five in any given program during the prime listening hours from 6 to 11 p. m. At other hours, limits range from one minute, 15 seconds for five-minute programs, to seven minutes for one hour shows.

The NAB board authorized a committee to study methods of enforcing the code. The only board member to oppose the code was Ed Breen of Fort Dodge, Ia. Breen objected to cutting commercials.

"Freedom of expression of opinion in broadcasts of controversial public issues should be carefully maintained," the broadcasters' new code said, adding:

"If a person has suffered unfavorable attacks by a commentator, analyst or other speaker, a reasonable time for reply shall be made available to him."

EXHIBIT LAYS EGG

Boll Weevil Is Costly Enemy To Cotton Growers

By S. C. WINCHESTER

The boll weevil has searched for and found a place of lodging with meals furnished throughout the cotton belt for many years. This is true also of his associates, the bollworm, cotton leafworm, cotton aphids, thrips, leafhopper, red spider, and all the other insects that take a liking to the cotton plant.

In 1946, these pests ran up a board bill of more than \$250,000,000 in the cotton belt. The cotton farmer

paid this bill. If there are any doubts about this statement ask any farmer who grew cotton that year. In more tragic terms, cotton insects stole from the cotton farmer a full eighth of his 1946 cotton income. Because of insect damage, the farmer's average cost of producing a pound of cotton in the United States was 5.8 cents per pound greater than it should have been.

This loss must be reduced to an absolute minimum to improve the welfare of the cotton farmer. Pitt County this year has planted, and is now cultivating, roughly 100 per cent more cotton than it did in 1947.

More in 1948 than ever before, the cotton producer is in an excellent position to combat these pests that have been "eating him out of house and home."

New proven insecticides and dusting equipment are available. The producer is now, after five decades

of heavy insect damage, on the road to effective control and even extermination of the pests that have been so costly.

In North Carolina, farmers derived \$84,000,000 from cotton in 1946, and they lost \$13,000,000 worth of cotton and seed to the boll weevil and other pests. This heavy loss resulted in an increase of 5.4 cents per pound in the cost of producing

a pound of cotton. How To Fight These Pests: Dust with a 20 percent chlorinated camphene, 4 percent sulphur mixture.

Either of these dusts should be applied at 5-day intervals using 10 lbs. per acre. Either dust will control practically all pests of the cotton plant.

An Important Message To All Watch Owners

Summer is here and with it comes the danger of rust to your watch resulting from perspiration and indulgence in that carelessness we all are guilty of at times; that is—taking showers and going swimming with our watches on. Watches are precision built for years of useful service and will do so if properly taken care of. We are at your service at all times for a free examination of your watch by a trained expert. Safeguard this delicate mechanism from the constant menace of rust and corrosion.

Wilson's Weekly Bulletin

From the Rector Kitchens

The Rector Kitchens, founded by the late George Rector, serve Wilson & Co. Inc. exclusively. From these kitchens come the recipes, menus, nutritional advice, economy suggestions, and housewives' hints that you read in Wilson's Weekly Bulletin.

Make Sunday Dinner Easy

Sunday should be a day of rest for Mother as well as for the rest of the family. Preparing food in advance and using mixes and frozen foods make this possible.

Frying Quick-Frozen Chicken

Wilson's Certified Chicken for Frying is fully dressed all ready to put in the skillet. Allow 12 to 14 hours in the refrigerator to defrost. Then fry as usual. Complete directions are given on each package. It's so easy to do . . . so delicious to eat!

Child's Play

Frying chicken is child's play when it comes to you ready to cook. Here's an easy way to coat chicken with flour. Put 1/2 cup flour mixed with 2 tsp. salt and 1/2 tsp. pepper in a clean paper bag. Drop in a few pieces of chicken and shake gently. Repeat until all is floured.

Take It Easy

Chickens can be dressed more expertly by specialists who have the right tools. You see that at a glance when you buy Wilson's Certified Chicken for Frying, as it is so beautifully done.

You'll be amazed at how very little you pay for the convenience and higher quality of Certified Chicken for Frying. You can figure it up for yourself. A 3 lb. Certified Chicken for Frying (ready to cook) is equivalent to a 4 lb. chicken, New York dressed

(head and feet on). If you multiply each weight by its respective price per lb., you'll find very little difference in the price per chicken.

All the Trimmings

Fluffy mashed potatoes topped with giblet gravy just can't be omitted in a fried chicken dinner. Wilton's leaf lettuce, a fruit gelatin salad, and strawberry sundae will finish your dinner off just right.

Sweet-Sour Wilted Lettuce

Cut 4 slices Certified Bacon in small pieces and fry until crisp. Add 1/2 cup vinegar, 2 tsp. sugar, 2 tsp. minced onion and heat to boiling. Pour over shredded leaf lettuce and mix well. Garnish with hard-cooked Clear Brook Eggs, sliced or chopped. Serves 4.

Greenies Fall, 11-8, Before Loop-Leading Rocky Mount

SPORTS NAMESAKES—Jack Kramer (left), former National Amateur Tennis champion, talks with Jack Kramer, star pitcher of the Red Sox, in dressing room at Boston.

Fireball Feller Shows Old Form

Cleveland, May 20.—(AP)—Bob Feller, pitcher and author, threw the book at the Philadelphia Athletics last night.

Feller's new tome is titled, "How to Pitch," so the Cleveland Indians fireballer proceeded to give the pesky Athletics a practical review of its contents by twirling a three-hit 6 to 1 victory.

The 29-year-old strikeout king was the subject of much debate this spring. Some observers said he had lost his fast ball and had passed the turning point in his storied career.

Well, the Athletics can testify he has a fast ball that still is plenty fast and a curve ball that's difficult to match. Bob had a one-hit shutout until the ninth and faced only 25 batters in the first eight innings, only one more than par for the course.

Up to that final round, 23,871 customers talked of the 10 one-hitters and the two no-hitters Feller has pitched in the past. And they remarked that if it had not been for Buddy Rosar's infield single in the third, they might be witnessing a historic occasion—the third no-hitter.

"I knew from the beginning I had it," Feller said. "About once in every eight or ten games you have exceptional stuff and I had it last night."

Early road laws in the United States required that an automobile driver who met a horse-drawn vehicle must stop, shut off his motor, get out and lead the horse past the car.

First Frame Lead Of Four Runs Fails To Provide Margin Of Victory As Leafs Scoop Six In Third And Go On From There

By BERT MOYE

Manager Turkey Tyson's league-leading Leafs exploded for six runs in the third inning at Rocky Mount last night to defeat Manager Bill Phebus' Greenies, 11-8, for their fourth straight win of the season over the locals.

After Greenville had taken a four-run lead in the first frame on two walks and three singles and then scored two more in the second on two singles, double, walk and a sacrifice, while holding the Leafs to two runs in the first on two walks and three singles, the Leafs came back in the third to put across six runs on three singles, two doubles and three walks to go out in front, after which they were never headed.

The Leafs put across their winning runs in the fifth frame when they tallied twice on two singles, a double, and then came back in the seventh and scored a singleton on two singles and an error.

The Greenies were held scoreless from the second frame until the seventh when Cohen singled and Wiley Nash homered over the left field wall to bring him home. Kermit Schmidt, the starter for the Greenies, was credited with the loss, his first of the season, and after pitching two and one-third frames in which he gave up five hits, seven runs, four walks, and one strikeout, was relieved by Jerry Chitty who went the rest of the way, giving up eight hits, four runs, three walks and struck out two.

Manager Turkey Tyson used three hurlers in gaining the win last night. Dutch Schurz, the starter, was yanked in the second after yielding four hits and five runs, with Emmett Williams relieving him. After Williams had pitched to only three men and yielded two hits and one run, then Red Benton, who on Monday night shut out the Wilson Tobs, 4-0, entered the game and checked the Greenies with five hits, two runs, striking out eight Greenies and walking two to receive credit for his sixth win of the season as against one defeat.

Wiley Nash with a homer and two singles. Bob Cohen and Schmidt with two singles each led the 11-hit attack off the three Leafs hurlers.

Elite Of Auto Racing Entered In Swiss Opener

Geneva, Switzerland.—(AP)—Some of Europe's elite in professional automobile racing are entered in the season's opener in Geneva this month.

A score of entries, including France's J. P. Wimille and Italy's Luigi Villorosi, entered the Grand Prix des Nations, which is for racers of 1500 cubic centimeters cylinder displacement with compressors, or up to 4500 without compressors. Villorosi, who won the Grand Prix of Lausanne last year, will drive a Maserati again. Wimille, who placed second in the Lausanne event and finished first in the Grand Prix of Bern will again drive a Simca-Gordini.

Other entries here include Raymond Sommer of France (Ferrari 12 cylinder), Louis Cheron of France (Talbot) and Siamese Prince Bira of England (Simca-Gordini).

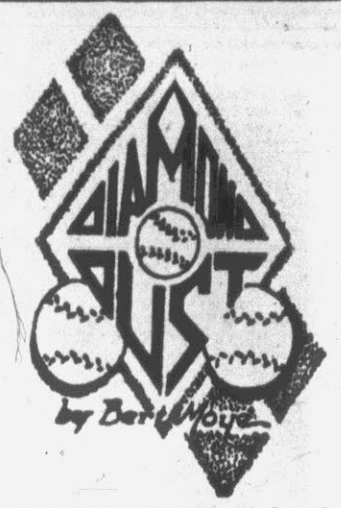

Rivals In Racing Hits Pocketbook

Baltimore, May 20.—(AP)—Garden State's decision to buck Maryland's spring horse racing really hit both right where it hurts—in the pocketbook.

The New Jersey track had its best opening in history on April 15 to compete with both the Havre De Grace and Pimlico meetings. Havre De Grace moved the second half of its spring meeting back to July to cut the competition as much as possible.

THAT'S GRATITUDE

East Lansing, Mich.—(AP)—When baseball coach Art Mansfield of the University of Wisconsin bought a first baseman's glove for his kid brother, Marvin, he had no idea that Marvin, now a candidate for that post of Michigan State's baseball team, would be using it in the Michigan State-Wisconsin game.

Indians Cool Connie Mack's Club And Now Lead League

By JACK HAND
(Associated Press Sports Writer)

Bobby Feller and his Cleveland Tribe have cooled off Connie Mack's Athletics and wrested the actual American League lead from Philadelphia.

By a mathematical freak, the Indians slipped into first place Tuesday night when they really trailed the A's by a half game. No longer is there any freak about it. Feller took care of that.

The fireballing righthander, who was the only American leaguer to win 20 games last season, hung up his fifth victory last night by trimming Philadelphia, 6-1, with three hits.

Feller's brilliant pitching permitted the Tribe to sweep the series from the A's, who came into town on a red hot spree after winning a doubleheader in the Yankee Stadium. They moved on to Detroit in second place.

Last night's crowd of 33,871 saw Feller retire the side in order in seven of the nine innings while the home club routed Bill Dietrich in a five-run fifth.

Hal Newhouser got back on the win path after being knocked out five straight times when he hurried Detroit to a 4-1 decision over Boston. Hal tied a record when he started four of the Tigers' six double plays.

Vic Wertz broke up a 1-1 game when he homered off Ellis Kinder with two on in the last of the ninth. Pat Mullin's home in the fourth accounted for the other run.

The New York Yankees finally got a route-going job from Lefty Ed Lopat, ex-White Soxer, who allowed 12 hits in taking an 8-4 verdict over Fred Sanford and the St. Louis Browns.

Pitcher Early Wynn helped Washington out of trouble with his bat. Coming in as a pinchhitter he singled home two runs that started the Senators to a 4-1 nod over Chicago. Walt Masterson benefitted by the blow off Joe Haynes.

There were some high Shenanigans at Ebbets Field, where the St. Louis Cardinals thumped Brooklyn, 14-7, before a night crowd of 22,888. It lasted for three hours and 28 minutes and consumed five of the Cardinals' seven pitchers. Clyde King, who replaced Starter Rex Barney, caught the loss and the win went to Ted Wilks, the third Card chucker.

While the Dodgers were losing the fourth in a row at home, the Phils were coming from behind to shade Chicago, 2-1. Two in the last of the ninth on a triple by Johnny Blatnik and singles by Del Ems, Eddie Miller and Howie Schultz, turned Cliff Chamber's potential shutout into a decision for reliever Sam Nahem.

The New York Giants took advantage of another fine pitching job by Larry Jansen, who curved the ball past Cincinnati for a 5-0 victory. Whitey Lockman and Bill Rigney hit homers for the Giants. Boston uncovered a new rookie Vern Bickford, who may have an important bearing on the race. Bickford, making his first start, limited Pittsburgh to five hits in a 4-1 victory.

Jack Continues To Trim Riggs

Lewiston, Me., May 20.—(AP)—Jack Kramer beat Bobby Riggs in straight sets last night, 6-2, 6-3, 6-3, in the 1947 amateur champ's 64th win in the 83rd match of their cross country professional tennis tour.

ing written as a slam on the directors or at the ball players, but it is written at the request of many fans to ask the directors to make some changes and make them before it is too late so that the turnstiles at the park will click louder as the season progresses.

Sport Slants by Pap

Barron's Best... by Pap

On the verge of withdrawing from the Goodall Round Robin golf tournament at the Wykagyl Country Club after the first round which he played with a sprained ankle, Herman Barron took the advice of his doctor to play and went on to win the big match play test between 16 of the nation's top professionals. Barron had called Jug McSpaden, the Goodall representative, to inform him that he might not be able to play and asked that McSpaden take over for him in the event he had to withdraw. Barron's doctor gave the ailing ankle a couple of shots of novocaine and told his patient to go out and walk on it. Barron's triumph in the Goodall tournament was achieved in much the same manner as Claude Harmon's victory in the Masters, like and that's what he'll be shooting for.

Ex-Speed King Says Racing Isn't Worth The Risk

Arlington, Tex.—Peter De Paolo, one-time kingpin of automobile racing, wonders if the sport today is worth the risk.

De Paolo, first driver to average more than 100 miles per hour for the 500-mile Indianapolis Speedway classic, is happy because his active days behind the wheel came when they did.

De Paolo, gray at 50 and quite distinguished looking, watched the racers roar around Arlington Downs track from the press box where he was filing a story to a Los Angeles paper as a special favor.

"Auto racing is the one sport in which there isn't the money to be made by the competitor that was his for success two or three decades ago," says De Paolo. "When I won at Indianapolis in 1925 I carried off \$52,000. Last year Mauri Rose got around \$33,000. I grossed \$162,000 in 1925. A substantial part of my reward in the 500-miler was won in lap prizes. I just about swept the boards."

"But drivers today can't approach my figure for the year. Even if they could, they wouldn't have anywhere near as much as I had to take home. Income taxes were relatively small then."

There were other years when De Paolo had a big income. The biggest purse, he points out, were in European road races he won in Germany, France and Italy. "That was the real sugar," he chuckles. "Those were the greatest races on earth from the purse standpoint."

"The boys can't make any big money in these dirt-track races. When I was racing we had eight board tracks in the United States. The promoters put on some great meets. They attracted tremendous crowds and the purses were big. A good man in a good machine could mop up then. Some of the tracks staged several races a year. Others had only one or two big ones, like Altoona, Pa., and Atlantic City, N.J."

"It took a lot of money to build and maintain those board tracks. Somehow, they all faded out. Today there isn't a single one in the United States. The bottom really fell out of racing in the late twenties. The game hasn't been built back up. Facilities aren't available. That's why the present drivers can't make the kind of money we used to make in."

Former Champs Shared Lead In PGA Qualifying

St. Louis, May 20.—(AP)—Two former champions, Bob Hamilton and Little Ben Hogan, shared the lead with five-under-par 66's at the start of today's second and final 18 holes of qualifying play in the 30th Professional Golfers Association tournament.

Sure putting and accurate approaches to the greens of the hilly 6,467 yard Norwood Hills Country Club put the pair in the lead.

Hamilton, the 1944 titlist, turned in a classy 25 putt job as seven of the top 12 shooters showed complete mastery on the fast, true greens yesterday.

Hamilton of Landover, Md., flashed the niftiest series of shots with an eagle and two birdies on successive holes that gave him a four-under-par 32 for the incoming nine.

Athletes Given Awards By UNC

Chapel Hill, May 20.—(AP)—The University of North Carolina had recognized two of its outstanding athletes with coveted awards today. Two of the university's highest awards were given last night to Taylor T. Thorne of Rocky Mount and to Jim Camp of Schoolfield, Va.

Thorne, who completed four years of basketball last winter, was given the Foy Robertson, Jr., award for "contributing to team morale in basketball."

Camp, star football wingback, was presented the Patterson Medal for "excellence in athletics."

Mangrum Is Top Money-Winner

Chicago, May 20.—(AP)—Lloyd Mangrum of Chicago continued to lead Golf's money winners with \$14,564.99 in earnings for 55 rounds of golf to date this year.

Latest official records released today by the PGA tournament bureau show that Bobi Locke of South Africa is No. 2 with \$11,768.33 won, and Ben Hogan, Hershey, Pa., third with \$10,397.50.

Tar Heel Johnny Palmer from Badin is fourth with \$9,534.07, followed by Jimmy Demaret, Ojai, Calif., with \$8,693.33, Cary Middlecoff, Memphis, \$8,220, and Skip Alexander, Lexington, N. C., \$7,852.50.

U.S. Baseball Is Heard In Moscow

Moscow.—(AP)—Excellent atmospheres are enabling American residents in Moscow to hear baseball games broadcast direct from the United States. A Los Angeles short-wave station can be heard here very clearly and in considerable volume.

The station broadcasting an Armed Forces Radio Service program offers the news followed by "recreation" broadcasts, play-by-play of big league ball games. Several Americans are setting their alarm clocks and hearing their baseball—perhaps for the first time—direct from the states.

Margaret Truman Meets Charlie

With Edgar Bergen as chaperon, Charlie McCarthy is introduced to Miss Margaret Truman, daughter of President and Mrs. Truman, at the National Celebrities Golf tournament in Washington. Bergen and Charlie were honorary starters. Margaret was an honorary scorer. The tournament was held for charity. (AP Wirephoto).

Feverish Effort To Trim Rosters

New York, May 20.—(AP)—Rosters of the 16 major league baseball teams were set today after feverish trimming that lopped off 36 players in three days.

At a minute past twelve this morning each club had to be down to 25 men. Most of the managers waited until the final days, and some until late last night, to make the decisions.

Twenty-six of the men dropped were from National League teams with Brooklyn heading the list. The Dodgers toured the west with an overflow squad before letting nine players go in the last three days. Of the American League clubs only Detroit and Cleveland had as many as two to dispose of in the final rush.

Scholastic Achievements Recognized

Seniors at East Carolina Teachers College recently given special recognition by the Greenville chapter of Phi Beta Kappa because of their high scholastic rank are pictured above at a formal dinner given for them by members of the national honor society. Pictured from left to

right, they are (front row), Elizabeth Carter, Greenville; Bettye Jean Whitehurst, Bethel; Dorothy Bennett, Edward; Mattie Harris Mayo, Greenville; Frances Young Whitehurst, Bethel. (Second row), H. Winfield Carter, Greenville; Neil Rose Ellis, Gatesville; Isaac N. Reynolds, Columbia; Annie Maude Bivins, Graham; and Amos Clark, Greenville. Not present for the dinner were four other high-ranking students, James Bullock, Greenville; Joseph Hines, Washington; Ruth M. Lassiter, Four Oaks; and Rith Krank, Poplar Branch.

W. C. T. U. Notes

The Union Signal is the national W. C. T. U. magazine and is published at Evanston, Ill. It is a weekly publication with one page each week edited by Miss Elizabeth Smart of Washington, D. C. Miss Smart is director of the national legislative department of W. C. T. U. Through this page she keeps the readers of the Signal informed about pending legislation, urging them to write their senators and congressmen regarding the attitude of W. C. T. U. members toward such legislation. The price is only \$1 a year.

Sunday, May 30th, has been designated by the Southern Baptist Convention as commitment day with reference to beverage alcohol. It is expected that millions will on that day sign the following promise:

"Because I love Jesus and because I know what beverage alcohol does I am promising that I will not use beverage alcohol and that I will never sell, give or serve it to others."

Some weeks ago commitment day was observed in many Methodist Churches.

The motto of the Woman's Christian Temperance Union is "For God and Home and Every Land." The committee who arranged the program for the annual meeting of the Woman's Missionary Union, auxiliary to the Southern Baptist Convention, which is to convene in Memphis, Tenn., May 17 and 18, has chosen this motto for the convention theme. It is fitting that Mrs. Leigh D. Calvin of Evanston, Ill., national W. C. T. U. president, will speak at this meeting on the subject "Christian Women and the Liquor Traffic."

The local union is hoping to be represented at the annual W. C. T. U. Y. T. C. and L. T. L. encampment at Mars Hill college, June 21st to 26th.

It is now time to send the annual contribution to the state treasurer for education and promotion work in North Carolina. Any W. C. T. U. member who has not contributed to this fund this year please send, if you will, your contribution to Mrs. Hutch Ward, local treasurer, at 210 Evans street.

The First Baptist Church in Lexington has put tomorrow in its budget. The treasurer of this church recently sent a check to Editor Martin covering the cost of 300 subscriptions and Rev. E. F. Sullivan of Hickory, has sent in 1,000 subscriptions. Last week over one hundred new subscriptions to this magazine were sent from Greenville and Pitt county.

In reply to a petition sent to Senators Hoey and Umstead a few days ago regarding the passage of the Capper Bill, Mr. Umstead has written to a number of Pitt county citizens stating his position thus: "I am opposed to the advertisement of alcoholic beverage in interstate commerce, and I think it should be prohibited. I am therefore in favor of the Capper Bill and I hope that congress will pass it at this session." Senator Hoey also is in favor of the bill and urges its passage.

Pastors of the Raleigh Baptist Association recently passed resolutions urging their people to vote for those

candidates for all offices who are in favor of a state-wide referendum and who are in favor of rescinding the gag rule. The resolutions were signed by F. O. Mixon, C. H. Norris and L. Bun Olive.

Among city dwellers in the United States there are more married women who never have children than among residents of rural areas.

The Azores are known as the "Islands of the Hawks."

Admits Error In Topping Wedding

Los Angeles, May 19—(AP)—The Rev. Stewart P. MacLennan says he "was the victim of an unwitting mistake" in officiating at the marriage of Lana Turner and Henry (Bob) Topping April 26.

"I was unaware that I had breached any rules," the retired pastor of the Hollywood Presbyterian Church said last night in announcing he would stand as his own accuser at a hearing of the case.

MacLennan was accused of violating a Presbyterian Church decree which forbids a clergyman from marrying divorced persons before a year after divorce.

Germans Killed In Soviet Bombing

Berlin, May 19—(AP)—Dispatches in American and British-licensed newspapers today said four Germans were killed and 12 to 20 injured by bombs dropped by a Russian plane during maneuvers in the Soviet zone.

The reports said Soviet bombers were aiming at Kremmen lake but hit a nearby farm house and also injured several passersby.

In Roman times imperial armies reached the western shore of the Caspian Sea while aggressive Chinese emperors were approaching the eastern shores of the same sea, but the two armies never met.

SHE'S UPSET—Sherry Kay Chinn, 2, was all upset when this hapful of pheasant chicks, first of 10,000 being hatched on a Yakima, Wash., game farm, was placed in her lap. She is the daughter of Dale Chinn, manager of the farm.

Most Estimates Count 450,000 Votes In Primary

By LYNN NISBET
Raleigh, May 20 — Much of the off-side conversation during the state Democratic convention dealt with approximate total vote in the May 29 primary. Estimates ranged from less than 400,000 to 600,000, with 450,000 apparently accepted by majority opinion.

Your reporter decided to do a poll, based on modification of the Gallup system. Checking eight counties with populations most nearly approaching one percent of the total state population in the last census and comparing votes in the three last gubernatorial elections brings out some interesting facts.

For instance, the eight counties — Beaufort, Caldwell, Craven, Haywood, Richmond, Union, Vance and Wilkes — have an aggregate population of 287,198, which divided by eight gives an average of 35,899, against a state average in the 100 counties of 35,572. They represent eight percent of the total number of counties and in 1935 and 1940 cast about eight and three quarters percent of the total Democratic primary for governor, and in 1944 about eight and one-third percent. They are fairly well distributed geographically.

Total votes for Democratic candidates for governor in these three last primaries ran 45,409 in 1935; 41,000 in 1940, and 26,785 in 1944. The last time most of the younger men were in the armed services and did not utilize the absentee voting privileges. The state totals for the respective years were 516,868; 469,396, and 321,757 in 1944.

Conversations with persons in position to know as much as anybody can about the 1948 probable vote in these eight counties leads to conclusion they will cast close to 40,000 votes. Applying the same yardstick of proportions, this would indicate a total state vote this year of right around 450,000. How that vote will be distributed among the various candidates is another — and later — story.

Plan Plaque To Honor Roosevelt

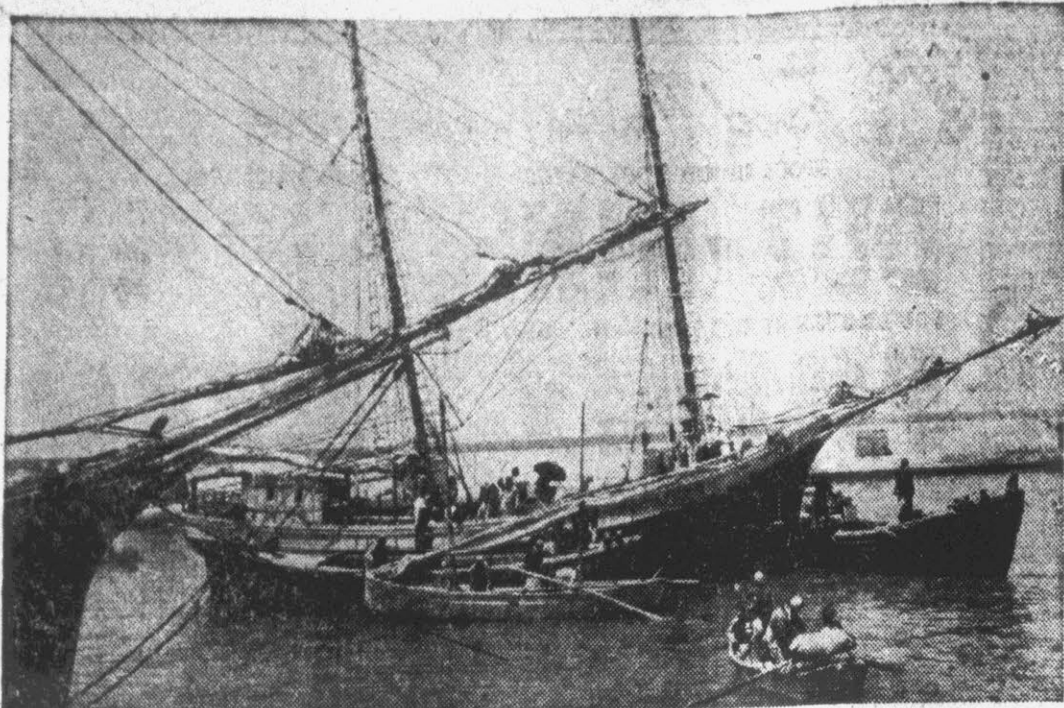

London — (AP) — Plans for a plaque which will make Franklin D. Roosevelt the first head of a foreign state ever honored by a niche in Westminster Abbey are to be executed by Sculptor H. W. Palliser. The design by C. Terry Pledge, ministry of works architect, will be an American eagle carved out of Hopton Wood stone, a form of marble. The carved inscription in Roman lettering, which was suggested jointly by Winston Churchill and Prime Minister Attlee, is still a secret.

The Roosevelt niche, the last remaining on the Abbey walls stands above the roll of honor of civilian casualties in the last war, in a section between the great west door and St. George's Chapel.

Beer 'Essential' In Steel Making

London — (AP) — Manganese may be useful in steel making, but beer is essential. Councillor George Brown, secretary of the Rotherham, Yorkshire Trades Council, wrote Food Minister Strachey: "Send us more beer or steel output will fall."

Steel workers on hot jobs near the furnaces take beer to work in their tea cans. Many drink eight pints a day. Cuts in sugar for brewing are responsible for beer shortages.

ARABS FLEE; JEWS TRAIN — Arabs in rowboats (top) approach sailing ships at Jaffa, Palestine, in exodus from city as Jews move in from Tel Aviv. Jewish Hagannah army recruits (below), including girls, study mortar at camp near Tel Aviv.

Negro 4-H Club News

4-H Club Boys Elimination Contest.

May 15th marked a day of triumph for the 4-H boys of Pitt County when they held their annual county contest in the Agricultural building.

Earl Moore, a very industrious 4-H worker from Pactolus 4-H Club presided over the program. After singing Negro National Anthem and repeating the Lord's prayer, Clayton Gray, Jr., President of Falkland 4-H Club delivered a very warm and hearty welcome address to the approximately 85 guest present.

The spot light of the event was focused on the 4 teams who gave to the audience a demonstration on management and combination for pastures. The teams were: Willie Mack Johnson and Wilbert Joyner from Moyes Chapel, Clifton Grimes and Joseph F. Patrick from Winterville, William J. Stancil and James

Adams from Post Oak and Cleveland Vines and Fred Whitefield of Farmville.

The boys stressed in the demonstration grow more fall and winter pastures to supplement the short corn crop to reduce costs of milk production. In short they encouraged the audience to have a permanent pasture. One guest was so stirred by the demonstration he decided to go back home and take the land he once thought too good for pasture and make it a permanent one.

Winners for the contest were: Clifton Grimes and Joseph F. Patrick Winterville club first place, William J. Stancil and James Adams, Post Oak club second place, Willie Mack Johnson and Wilbert Joyner, Moyes Chapel club third place and Cleveland Vines and Fred Whitefield, Farmville club fourth place.

Dennis D. DuPre, Negro County agent gave recognition to the host of guests. Mr. Richard Leary from Calico community one of our outstanding parents and some of our 4-H boys and girls stated that such a program as was presented helped to train young people to take their place in the world. Mr. S. C. Winchester, County agent stated that he wanted to see a program as was presented given in the communities throughout the county, serving as educational meetings to help the people realize the importance of permanent pastures.

Other encouraging remarks were given by Prof. John Maye from Winterville High School, Mr. Moses Kennedy teacher and 4-H leader from Winterville high school, Mr. Clarence Bembry, principal from Falkland school, Miss Viola Vines teacher and 4-H leader from Falkland school, Mr. Matthew Lewis from Post Oak school and leader and Miss Sallie DuPre teacher and 4-H leader from Moyes Chapel school.

Judges for the contest were: Mr. A. W. Solomon, Negro County agent Washington, N. C., Mr. I. A. Artis Agricultural teacher, Greenville, N. C., and Mr. S. C. Winchester, County Agent, Greenville.

In closing the audience stood and sang 4-H Fire Light song followed by 4-H pledge and motto.

DENNIS D. DUPRE,
Negro County Agent

Fossil Apes Tell Evolution Story

Nairobi, Kenya — (AP) — Aid in untangling the story of evolution for man and apes is expected to come from remains of fossil apes uncovered by the University of California expedition to Turkana province. Wendell Phillips, head of the expedition, says the remains of the apes are among a large number of fossils found.

Used Inspiration To Make Orchids

Fayetteville, Ark. — It takes seven years to grow an orchid. Mrs. Ruth Woodruff Gilbert can create one in a few hours with a pair of scissors and a piece of wood fiber. Even florists are fooled by her product.

It's a hobby with Mrs. Gilbert, who lives near here. She says her only aim is to make other people happy with her flowers. In 1939 Mrs. Gilbert was riding with a friend and noticed an illustrated orchid on a billboard sign. The Arkansas had never seen a live orchid, but was struck by the beauty of the flower on the sign.

Mrs. Gilbert rushed home and started to work with glue and scissors to recapture the billboard image in her mind. Later, when she first saw a real orchid, she was disappointed with her synthetic creation. This spurred her to work harder and achieve an almost lifelike reproduction.

Florists say it is difficult to tell, even by touch, that Mrs. Gilbert's orchids are artificial. One woman wore a Gilbert orchid on a plane trip and politely declined when the pilot asked if she wanted it put on ice. The passengers were amazed when the "flower" didn't wilt on the trip. A California bride, who received a Gilbert orchid as a gift, keeps her friends wondering at her husband's extravagance. Mrs. Gilbert says the bride has never disclosed the secret of her ageless flower.

Asks For Drink, Finds Daughter

Manila — (AP) — A house-hunting woman who stopped at a store for a drink of water was handed the glass by a little girl whom she immediately recognized as her long-lost daughter.

BACKACHE, LEG PAINS MAY BE DANGER SIGN Of Tired Kidneys

When disorder of kidney function permits poisonous matter to remain in your blood, it may cause nagging backache, rheumatic pains, leg pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, headaches and dizziness. Frequent or scanty passages with smarting and burning sometimes shows there is something wrong with your kidneys or bladder.

Don't wait! Ask your druggist for Doan's Pills, a stimulant diuretic, used successfully by millions for over 50 years. Doan's give happy relief and will help the 15 million of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.

The reunion was a dramatic climax to a 39-month search for nine-year-old Violeta Ngo by her parents, the police and the Philippine Red Cross. The child, separated from her parents in liberation days, was picked up off the streets and adopted by the Briones family, owners of the shop where Violeta's mother stopped for the water.

Thirty percent of adult Americans in 1940 had not completed grade school.

Here's what the **FARMALL SYSTEM** means to YOU!

The Farmall System of Farming is an American institution. Its roots are in the soil... on your farm, on the farms of your neighbors.

To increase productivity and speed up field work, look to the Farmall System for the answer. A Farmall Tractor and matched machines can mean greater operating economy and efficiency on the family farm — and that brings better living!

Five basic models make up the Farmall lineup. There's a size for every farm, an endless selection of Farmall equipment to work in every crop and soil condition.

The answer to the power problem on your farm can be found in the Farmall System... and we have full details on the model that fits your farm.

Left: Farmall Super-A offers hydraulic Farmall TOUCH-CONTROL and new "combustion control."

Too Many People On Tropical Isle In South Pacific

By HARRIS JACKSON
Singapore—One of the smallest units in Britain's empire, the Cocos Islands, today has 1,000 more people than it needs. This was the estimate of Sir Franklin Gimson, governor of Singapore, after a recent visit to the coral islands 1,100 miles south-west of Singapore.

Also known as the Keelings, the islands have been leased for the past 120 years to the Clunies-Ross family, a member of which originally discovered and settled them. The crop from about one million coconut trees is the only commercial product of the little islands, although an important cable and wireless relay station is located there, and the Royal Air Force built a landing strip which was abandoned after the war.

The governor said the islands now totalled about 1,800, mostly of Malay stock, but the coconut industry as now operated required only about 800. There are no educational facilities, the food supply is "extraordinarily limited," and the community has "no hopes of advancement or improvement in the standard of living or of obtaining a wider educational and political outlook," the governor said.

"The people are simple, very happy, and extraordinarily reluctant to

leave Cocos," he continued, "but however contented they are, they cannot be deprived of the chance to fit themselves into the present-day world."

Emigration, the governor observed, offers several problems other than financial. The islands have no desire to leave the home where they have been happy under the paternal wing of the proprietary family; wherever they go they must settle close to the sea or "they will die of melancholia"; and they are untrained in any except the simplest handicrafts, making employment limited. In addition, he said, the islands are so "very healthy" that the emigrants would be unusually susceptible to diseases of the outside world.

"Work" for the islands consists of picking up coconuts (they don't even climb the trees to shake them down) and delivering them to the copra center. The people keep one-fourth of the coconuts for their own use and are credited at the island commissary with the equivalent of about 25 U.S. cents a day as wages.

The Clunies-Ross family has subsidized food prices, so that costs are held down, and many islands have good credit balances at the commissary. They hope to buy consumer goods in Singapore when present high prices drop.

The governor said an agricultural expert who accompanied him found the soil very poor, suitable only for coconuts, so crop diversification will not solve the problem.

One answer, he said, may be development of coconut byproducts, as the usable husks and fibres now are discarded. He hopes to interest trustees of the Clunies-Ross estate in this possibility.

Home Demonstration Agents

Bethel Home Demonstration Club. The regular meeting of the Bethel Home Demonstration Club was called to order at 2:30 p.m. May 13, in the Teen-Age club room by the president, Mrs. Lucy Whitehurst. The members sang together "Lead On O King Eternal." Mrs. W. R. Bullock gave the devotional. The minutes were read and approved. The roll call showed 23 members and two visitors present. Mrs. Raymond Whitehurst gave a report on "Little Toasts to Remember at the Hotel." Mrs. A. L. Whitley told of plans made for "stunt night" on May 14. The demonstration was given by Miss Verna Belle Lowery, assistant home agent, who gave "Time Saving Methods and Working Posture for Better Health." Delicious refreshments were served by Mrs. Dennis Hardy and Mrs. Raymond Whitehurst. Mrs. A. L. Whitley, secretary-treasurer.

Chile Hunting Jobs For 700 Immigrants

Santiago, Chile—(AP)—Chile is setting up a central office to find jobs for 700 immigrants from Austria. The immigrants were chosen by a Chilean diplomatic agent in Austria from among displaced persons skilled in industry. The government announced plans to lodge and feed them until jobs are found where they can fit into the country's industrialization program.

Tips for thrift—tips for flavor—tips with the men—pot roasts are dinner-time favorites. For something different, try this:

TOMATO POT ROAST

1½ to 3 pounds chuck 1 tablespoon salt
beef 2 cups tomato juice
1 tablespoons lard or fat 5 potatoes
½ clove garlic 5 carrots

Brown meat SLOWLY in hot fat. When well browned, add tomato juice, salt and garlic. Cover tightly and simmer until tender, about 3½ hours. Add vegetables 45 minutes before done. 5 servings.

Economy menu: Tomato pot roast, green salad, rolls or biscuits, chocolate chiffon pie.

by Kathleen Harris

Chapter 15
When it came time for her to go, Lucien accompanied her to the door. He said he would have liked to have driven back with her into town, but his mother had reminded him of his other guests when he had mentioned it.

Couldn't he see how his mother felt about her—that she had taken a distinct dislike to Hildred? Men were blind, Lucien said as Randy, but Hildred just smiled and said that she had not expected Lucien to go. She said, "I did want to talk to you about Jimmy. But it can wait."

"No, it can't," Lucien held her hand in his, looking into her eyes. "I saw that something was troubling you, though I didn't know it was about the boy. Tell me, my dear, it won't take but a few minutes. Robin can wait—as can the others."

She told him, as briefly as she could, omitting nothing. She told him about the attitude Doctor Baird had taken and his handing it over to her as her case. She told him how many Sunday nights he had dropped in for supper, always to find me doing that waiting act. No wonder he takes me for granted, outside of clinic hours as well as during them.

"Men like Randy are that way," her mother agreed. "They depend on their women—but they can be depended upon, too, never forget that. I'm going over to Mrs. Archer's as soon as supper is over."

McNaughton added, "That will give you a clear field, darling. I'm afraid I've been on the battleground too much."

"You have not!" Hildred was indignant because she was aware of how her mother might feel about being in the way. When she was always so tactful and sweet! Randy must accept her mother, if he ever woke up to want to accept the daughter. As of course, being Randy, he would. But just think what a man like Lucien could have done for her mother!

She would have to hurry or Randy would pass in his coupe. That would be a good hint to give Randy, when she could. The part about her mother. Maybe this battle was going to prove quite interesting. A man worth having is worth fighting for. (To be continued)

\$75,000 FACTOLUS SCHOOL DISTRICT, PITT COUNTY, NORTH CAROLINA, SCHOOL BONDS

Sealed bids will be received until 11 o'clock A. M., Eastern Standard Time, June 8, 1948, by the undersigned at its office in the City of Raleigh, N. C., for \$75,000 School Bonds to be issued by Pitt County, North Carolina, for and in behalf of the Factolus School District, dated May 1, 1948, and maturing annually, May 1, in numerical order, lowest numbers first, \$2,000 1951 to 1953, inclusive, \$3,000 1954, \$3,500 1955 to 1957, inclusive, \$4,000 1958 to 1960, inclusive, \$4,500 1961 to 1963, inclusive, and \$5,000 1964 to 1969, inclusive, without option of prior payment. There will be no auction.

Denomination \$1,000; principal and semi-annual interest (M and N) payable in legal tender in New York City or Greenville, North Carolina, at holder's option; coupon bonds, delivery on or about June 22, 1948, at place of purchaser's choice. The bonds are payable from an unlimited tax to be levied upon all taxable property in the Factolus School District. The bonds were authorized at an election in the district, 282 votes for and 29 against.

Bidders are requested to name the interest rate or rates, not exceeding six per cent per annum, in multiples of one-fourth of one per cent. Each bid may name one rate for part of the bonds (having the earliest maturities) and another rate or rates for the balance, but no bid may name more than three rates, and each bidder must specify in his bid the amount of bonds of each rate. Each rate bid must be for bonds of consecutive maturities. The bonds will be awarded to the bidder offering to purchase the bonds at the lowest interest cost, such cost to be determined by deducting the total amount of the premium bid from the aggregate amount of interest upon all of the bonds until their respective maturities. No bid of less than par and accrued interest will be entertained.

Bids must be on a form to be furnished with additional information by the undersigned, enclosed in a sealed envelope marked "Proposal for Bonds," and must be accompanied by a certified check upon an incorporated bank or trust company, payable unconditionally to the order of the State Treasurer of North Carolina, for \$1,500.

The approving opinion of Mitchell and Pershing, New York City, will be furnished to the purchaser. The right to reject all bids is reserved.

LOCAL GOVERNMENT COMMISSION.

By: W. E. Easterling, Secretary of the Commission.

\$65,000 WINTERVILLE SCHOOL DISTRICT, PITT COUNTY, NORTH CAROLINA, SCHOOL BONDS

Sealed bids will be received until 11 o'clock A. M., Eastern Standard Time, June 8, 1948, by the undersigned at its office in the City of Raleigh, N. C., for \$65,000 School Bonds to be issued by Pitt County, North Carolina, for and in behalf of the Winterville School District, dated May 1, 1948, and maturing annually, May 1, in numerical order, lowest numbers first, \$4,000 1950 to 1954, inclusive, and \$5,000 1955 to 1960, inclusive, without option of prior payment. There will be no auction.

Denomination \$1,000; principal and semi-annual interest (M and N) payable in legal tender in New York City or Greenville, North Carolina, at holder's option; coupon bonds; delivery on or about June 22, 1948, at place of purchaser's choice. The bonds are payable from an unlimited tax to be levied upon all taxable property in the Winterville School District. The bonds were authorized at an election in the district, 187 votes for and none against.

Bidders are requested to name the interest rate or rates, not exceeding six per cent per annum, in multiples of one-fourth of one per cent. Each bid may name one rate for part of the bonds (having the earliest maturities) and another rate or rates for the balance, but no bid may name more than three rates, and each bidder must specify in his bid the amount of bonds of each rate. Each rate bid must be for bonds of consecutive maturities. The bonds will be awarded to the bidder offering to purchase the bonds at the lowest interest cost, such cost to be determined by deducting the total amount of the premium bid from the aggregate amount of interest upon all of the bonds until their respective maturities. No bid of less than par and accrued interest will be entertained.

Bids must be on a form to be furnished with additional information by the undersigned, enclosed in a sealed envelope marked "Proposal for Bonds," and must be accompanied by a certified check upon an incorporated bank or trust company, payable unconditionally to the order of the State Treasurer of North Carolina, for \$1,500.

The approving opinion of Mitchell and Pershing, New York City, will be furnished to the purchaser. The right to reject all bids is reserved.

LOCAL GOVERNMENT COMMISSION.

By: W. E. Easterling, Secretary of the Commission.

NOTICE OF 5TH RE-SALE OF CITY LOT

Under and by virtue of an order of re-sale, occasioned by raise of bid obtained at sale held April 14, 1948, made by the superior court of Pitt County in the Special Proceeding entitled "In the matter of Mrs. Archer B. Wilson and others, Ex Parte" the same being No. 4923 up on the Special Proceeding Docket of said court, the undersigned commissioner will on Monday, May 31, 1948, at 12 Noon, at the court house door of Pitt County, Greenville, N. C., offer for sale to the highest bidder for cash that certain vacant lot located in Wilson Acres Subdivision in the city of Greenville, more particularly described as follows:

The beginning bid is \$1441.25. The highest bidder at this sale will be required to deposit 10 per cent of the amount of his bid as guarantee of good faith and compliance with bid upon confirmation of court.

This May 14, 1948.
JAMES L. EVANS, Commissioner
May 19-17-26-48.

AN ORDINANCE LEVYING AN ANNUAL PRIVILEGE LICENSE TAX AGAINST DEALERS OF SWEET WINES

The Board of Aldermen of the City of Greenville Do Ordain:

Section 1. Pursuant to the provisions of Section 160-56 of the General Statutes of North Carolina, there is hereby levied an annual privilege license tax for wholesale dealers of \$75.00, Retail on Premises \$15.00 and Retail off Premises of \$10.00 against all persons, firms and corporations dealing in sweet wines, as defined in Section 18-99 of the General Statutes of North Carolina.

Section 2. This ordinance shall be and continue in full force and effect from year to year from and after its adoption.

Adopted this 8th day of May, 1948.
J. H. Boyd, Jr., Mayor
Attest: J. O. Duval, Clerk.

NOTICE
Having this day qualified as administrator of the estate of Tom J. Cannon, deceased, this is to notify all persons having claims against said estate to present them to me, the undersigned, or his attorney, J. W. H. Roberts, at Greenville North Carolina within twelve months from the date hereof; otherwise this notice will be pleaded in bar of their recovery. All persons indebted to said estate will please make immediate settlement.

This the 6th day of May, 1948.
WILLIAM T. CANNON, Administrator of the estate of Tom J. Cannon.
J. W. H. Roberts, Attorney
May 19-17-26-48.

NOTICE TO CREDITORS
Having qualified as Administrator of the Estate of Alex Harris, deceased, late of Pitt County, North Carolina, this is to notify all persons having claims against the estate of said deceased to exhibit them to the undersigned on or before the 17th day of May, 1949, or this notice will be pleaded in bar of their recovery. All persons indebted to said estate will please make immediate payment.

This the 17th day of May, 1948.
DERRIS A. HARRIS, Administrator of the estate of Alex Harris.
J. B. James, Attorney.
May 19-17-26-48.

Ask Nations To Find Home For 1200 Refugees

Salonica—(AP)—To help relieve Greece of the burden of supporting more than 1200 political refugees, the United Nations Special Committee on the Balkans will ask the governments of countries to which the refugees are to be sent some of the refugees as immigrants. These countries include Australia, France, Syria, Turkey, Great Britain and the United States.

Notice Of Sale Of 1947 Real Estate Taxes; City Of Greenville, N. C.

Pursuant to Section 1715, Chapter 310 Public Laws of North Carolina Session 1941, and by order of the Board of Aldermen, I will on Monday, June 14, 1948, in front of the courthouse door in the city of Greenville, North Carolina, expose for sale to the highest bidder for cash, the following Real Estate for delinquent taxes for the year 1947. Penalty in the amount of 3 per cent has already accumulated on these taxes, and interest at 6 per cent per annum will be charged until taxes are paid.

J. O. DUVAL, Tax Collector
City of Greenville, N. C.

N. C. High Court Makes Ruling On Fourteen Cases

Raleigh, N. C. May 20.—(P)—The State Supreme Court yesterday upheld death sentences of two men accused of murder, but granted a new trial to an 18-year-old youth sentenced to die for rape.

In another case, the court ruled that osteopath physicians may not legally administer drugs or medicines in their practice.

A new trial was granted to John Thomas Swink, 18, who was convicted in Guilford of raping a nine-year-old girl and sentenced to die. The ruling on osteopaths came in a case in which the court upheld the conviction of Dr. Richard C. Baker who was charged with practicing medicine without a license and fined \$100.

"The conclusion is inescapable that the legislature has denied to licensed osteopaths the privilege of using drugs in their practice," the opinion said. "It necessarily follows that a licensed osteopath x x x is guilty of practicing medicine without being licensed and registered to do so x x x if he administers or prescribes drugs in treating the ailments of his patients."

The list of opinions handed down: Bank vs. Marshburn, Lee, reversed and remanded.

Harrison vs. Southern Railway Co. Rowan, affirmed.

State vs. Baker, Richmond, no error.

State vs. Swink, Guilford, new trial.

State vs. Hammond and Wilson Davidson, no error.

State vs. Love and State vs. West Robeson, new trial in both cases.

LOOK HERE, SON—Flame, movie German shepherd, holds paternal paw around his son, Blaze, at Hollywood.

State vs. Larkin, Robeson, new trial.
Calaway vs. Harris, Hoke, error and remanded.
Starr Electric Co. vs. Motor Lines, Guilford, reversed.
Brown vs. Truck Lines, Guilford, affirmed.

In re: Frank Walters, Robeson, reversed.

Ratley vs. Oliver, Robeson, affirmed.

Coble vs. Coble, Guilford, reversed.

Trawlers Still Feel War Costs

Ramsgate, England.—(P)—Delayed enemy action is costing Ramsgate trawlermen a big slice of the profits from the big catches they are landing this year. Recent trawl damaging catches include a 250 pound bomb head, a phosphorus bomb, smoke canisters and aircraft wreckage.

"The waters in which my trawlers fish regularly are always providing unpleasant surprises for trawler owners. 'A lost trawler' lermen," complains one fleet owner. "A lost trawl means a \$200 outlay."

Chinese Try For Homes In Brazil

Rio De Janeiro.—(P)—"China may soon start immigration to Brazil," says Dr. Quo Tai Chi, new Chinese Ambassador to Brazil. "China is ready to send immigrants as soon as an agreement is reached by both governments. We have farmers who wish to come. Chinese immigration would be very helpful to develop this nation. The Chinese are peaceful and hard working. They get along easily and their productivity stands high." The Chinese ambassador says the Chinese government will open a bank here patterned on those which already exist in New York and London.

Return German War Prisoners

Kutno, Poland.—(P)—Soviet Russia is sending thousands of prisoners of war back to Germany. Railway freight cars, loaded with German soldiers in dirty, tattered green uniforms, are almost daily being transported through this railroad center, halfway between Warsaw and Poznan.

Railway employees estimated as 2,000 prisoners comprise each transport. The Germans are being taken to the Soviet zone in Germany.

Birds 'Shocked' By Electronic Gadget

Syracuse, N. Y.—(P)—An electronic device designed to get rid of pigeons that roost on building ledges is being produced by a newly formed company here. The gadget, said to be 90 per cent effective, creates a field of static electricity along a fine wire. Albert G. Gunn, president of the company, explains that pigeons find the static field "uncomfortable" and fly away.

BUDDIES—Caesar, a Great Dane, and little Spike champion Sydney Silky, pose in Sydney, Australia.

Predicts Suit To Enter University

Raleigh, May 20—(AP)—The issue of admitting Negro students to graduate schools of the University of North Carolina will be taken to the courts, an attorney predicted yesterday.

Herman L. Taylor of Raleigh, lawyer for the National Association for the Advancement of Colored People, said he believed that one or more suits would be filed in federal court soon.

The executive committee of the university's trustees at a meeting here Monday declined to act on

150 Painters Paint A House In Five Minutes

One hundred and fifty painters in Memphis, Tenn., swam over this two-story home which they painted in just five minutes and 31 seconds. They gleefully announced their feat established a new world's record. The exhibition was part of the city's "paint up" campaign. (AP Wirephoto).

Taft To Talk In North Carolina

Charlotte, N. C., May 20—(AP)—U. S. Senator Robert A. Taft of Ohio will bring his bid for the Republican presidential nomination to North Carolina June 4.

He will speak in Statesville at 4 p. m. and in Charlotte at 8 p. m. under the auspices of the Mecklenburg county GOP committee. Announcement was made by Col. H. A. Wells of Charlotte.

Clung To Mast Of Sunken Boat

Norfolk, Va., May 20—(AP)—Two New Jersey men, clinging to the mast of their burned auxiliary sloop for half an hour, were rescued from the waters of Chesapeake bay late yesterday by the tanker Haven Bell. They were reported uninjured, though suffering from shock and exposure.

It was reported to Coast Guard headquarters here that a backfire caused the fire.

Foster Resigns Gov't Position

Washington, May 20—(AP)—The resignation of William C. Foster as undersecretary of commerce was accepted "reluctantly" by President Truman today, effective May 31.

Foster is becoming chief aide to W. Averell Harriman, roving ambassador in the Economic cooperation administration. In leaving the commerce department, formally headed by Harriman, Foster also is giving up the chairmanship of the air coordinating committee.

Can Whip Children For Eating 'Ramps'

Beckley, W. Va., May 20—(AP)—The Raleigh county board of education has upheld a school principal's right to whip children who come to class exhaling the odor of "ramps."

The ramp is a particularly powerful branch of the wild onion family, which children hereabouts sometimes nibble on the way to school.

Poultry and Eggs

Raleigh, May 20—(AP)—(NCDA)—Fryers and broilers steady at 38; eggs steady, A large 48.

Grain Market

Chicago, May 20—(AP)—Most interest in grains today centered around the expiring May contracts, which experienced erratic price movements. Although the market was nervous and lower most of the day, a small buying movement centered in May corn boosted prices before the close.

Wheat was 1/4 lower to 1/2 higher, May \$2.46 1/2-1/2, corn was 1/2 to 2 cents higher, May \$2.33 1/2-\$2.34, oats were 1/4 lower to 1/2 higher, May \$1.13 1/2-\$1.14, and soybeans were 8 cents lower to 1 cent higher, May \$4.17.

Hog Market

Raleigh, May 20—(AP)—(NCDA)—Hogs stronger. Tops of \$21 at Rocky Mount, Greenville, New Bern and Washington; Richmond, \$21.50.

N.Y. Cotton

New York, May 20—(AP)—Cotton futures opened unchanged to 25 cents a bale higher.

Noon prices were 5 to 75 cents a bale lower than the previous close. July 37.05, Oct. 33.92 and Dec. 33.21.

Futures closed \$2.35 a bale higher to 30 cents lower than the previous close.

Stalin: If you're sincere in wanting to settle these problems, then get to work and settle them.

That's the American viewpoint of course. The Russians will argue on their side but as strenuously that they're right and we're wrong.

Farmville Child Dies In Unusual Kitchen Mishap

Phyllis Jean Stocks three-year-old daughter of Mr. and Mrs. W. H. Stocks of near Farmville, died at Pitt General Hospital Tuesday night from a severed artery in her neck received when she fell upon a butcher knife.

The tragedy occurred in the kitchen of her parents home Tuesday afternoon.

The little girl had climbed into a chair opened a drawer to the table removed a knife with the intention of cutting some flowers, and fell as she prepared to get out of the chair.

Funeral services were held from the home Wednesday afternoon conducted by the Rev. E. S. Coats, Presbyterian minister of Farmville.

Surviving in addition to her parents are a brother, James and sister, Barbara Ann.

11 Major . . .

Continued from Page One northern half. Both still are there.)

7. Respecting other nations' rights and not interfering in their internal business.

The State Department is vague on this. It says the facts are too well known to be repeated. Russia has been accused of pressuring its neighbor states which have gone Communist.

(But the U.S. has been accused by Moscow of interfering in Greece's internal affairs by pouring in money and arms to help the present Greek government crush Communists.)

8. It's wrong to set up military bases in member countries of the U.N.—

The U.N. knows where we have set up bases. We've told U.N. it's all in keeping with U.N. rules and regulations. We've set up bases only in those countries which said we could.

9. Developing international trade—

After two big international conferences—at Geneva and Havana in 1947 and 1948—the U.S. and 54 other nations signed agreements for better world trade. Russia refused to take part.

10. Helping countries which suffered from the war—

Under the Marshall Plan the U.S. is helping 16 European nations. They asked us to do it that way. Russia thinks it should be done through U.N. But Russia has refused to take part in the Marshall Plan.

11. Human rights—

The U.N. is working on this now. With the U.S. and Russia taking part.

Adding all these together, the State Department has publicly told

INTERVIEW — Actress Lana Turner meets the press at London where she is honeymooning with Bob Topping.

at 10:30 a. m. and will include a luncheon program, will be held at the Bermuda Country Club. Officers also will be elected at the afternoon session.

Visitors will include James E. Thigpen, director of the Tobacco Branch of the U. S. Department of Agriculture, former Governor J. M. Broughton, counsel; Lloyd T. Weeks, manager of the Blue Cured Tobacco Cooperative Stabilization Corporation; Carl T. Hicks of Winston-Salem, president of the same agency; Tom Scott, director of the Production and Marketing Administration at Raleigh; W. W. (Cap) Eagles of Maclefield, president of the North Carolina Farm Bureau; E. Y. Floyd, director of the Plant Food Institute of North Carolina and Virginia; Dr. Harry B. Caldwell, master of the State Grange; M. A. Morgan of Tobacco Associates, Inc.; J. Henry Vaughan of the Board of Tobacco Associates; and Fred S. Royster, president of the Bright Belt Warehouse Association.

N.C. Chauffeur Licenses Expire By June 30th

Raleigh, May 20—The Motor Vehicle Department announced today that all chauffeurs' licenses in the State must be renewed by June 30.

Department officials said there were approximately 35,500 motorists in the State who held chauffeurs' licenses, and the law states that these licenses must be renewed by midnight of June 30.

The 100 Drivers License Examiners stationed throughout North Carolina have already been mailed the 1948-49 chauffeurs' application blanks, and can begin issuing chauffeur renewals anytime.

The Department urges chauffeurs to get their renewals as early as possible, preferably during the remainder of May. June 30 is also the deadline for persons with surnames beginning with C and D to have their regular driving licenses renewed, and an unprecedented rush is expected to ensue near the end of June. It is estimated there are around 150,000 C and D drivers in the State, and so far only around 16,000 have obtained new licenses.
