

Await Statement By Albright On Run-Off Position

Political Question Is: Will Albright Support Either Of Contestants

Raleigh, June 1—(AP)—Political circles tuned in on Wayne Albright's headquarters here today awaiting a statement as to his stand in the Democratic gubernatorial runoff.

It was announced from his headquarters yesterday that he would make a statement late today.

The question was whether Albright, who ran third in Saturday's race, would step into the campaign with support for either of the two runoff contestants or would follow a hands-off policy.

The contenders in the June 26 second primary—State Treasurer Charles M. Johnson and W. Kerr Scott, who held first and second places as returns from Saturday's vote continued to come in.

At next week's meeting the state board also will make official a call for the runoff, which Scott has said he will request if he is No. 2 in the results.

There were prospects of two other runoffs for Democratic nominations.

In the Seventh Congressional district, F. Sirel Carlyle of Lumberton held a sizeable lead over Harry Bellamy of Wilmington and J. Robert Young of Dunn, on the basis of almost complete unofficial returns.

Bellamy, who was holding second place, has said he will request a second primary if he keeps that position.

The other runoff possibility was in the state treasurer's contest.

Brandon Hodges of Asheville held a majority over James B. Vogler of Charlotte and Zack Frazelle of Richlands.

But the chance of a second primary will remain until the count is complete.

Okay Revision For Draft Bill

Washington, June 1—(AP)—The House Armed Services Committee approved unanimously today a draft bill revision which would give the President sole responsibility for starting a draft of men for the armed forces.

The provision, similar to one in early versions of the House bill, would hold off draft operations for at least 75 days after passage of the law.

Drafting then would start only when the President decided the armed forces could not obtain necessary manpower through voluntary enlistments.

Open Greensboro Fat Stock Show

Greensboro, June 1—(AP)—The annual Piedmont fat stock show and sale which opened here today drew approximately 100 baby beavers from 21 North Carolina counties.

The entries were brought here by members of the 4-H and Future Farmer of America clubs, the only owners eligible to participate in the event sponsored by the Greensboro Chamber of Commerce.

Judging started today. State Senator George T. Fenay will act as auctioneer for the sale tomorrow.

RIGHTS FOR WOMEN

Washington, June 1—(AP)—A proposed constitutional amendment to establish equal rights for women was approved today by the house judiciary committee.

Columbia River Flood Forces Mass Evacuation In Farmlands

Portland, Ore., June 1—(AP)—The Columbia river flood, which already had taken a toll of at least 20 lives and property loss of more than \$37,000,000, forced mass evacuation today of a 120-mile section at the lower end of the stream.

The river had already caused the northwest's greatest disaster as its crest approached the rich farmlands from the Portland area to the sea.

Army engineers gave the warning to evacuate, but said many of the thousands of residents already had fled.

The toll of dead will not be known until waters recede. No estimate of damage throughout the area was available, but the Portland housing authority said damage at the crumpled war-housing city of Vanport was \$27,000,000.

The only other estimate was \$10,000,000 damage in the Kelso, woodland and Kalama district of Southwest Washington.

Twenty-Two Missing In Motor Launch Accident

Preliminary Report Says 9 Marines And 13 Navy Men Perished As Small Boat Swamped In Hampton Roads

Norfolk, Va., June 1—(AP)—Twenty-two men—nine Marines and 13 Navy men—perished in Hampton Roads last night when a Navy launch swamped in choppy waters while returning 90 men to their ship after Memorial Day liberty.

Rear Admiral C. A. F. Sprague, commander of the 12th fleet task force whose sailing for the Mediterranean was delayed by the tragedy, issued this statement to newsmen today from his flag ship, the aircraft carrier Kearsarge:

"Preliminary report of loss of life or missing personnel may be placed at 22, nine Marines and 13 Navy."

"Report considered accurate and includes best estimate of possible stragglers (men absent over leave)."

"Further checking now in progress."

The 50-foot open launch was swamped in wind and rain storm at 8:45 p.m. as it was returning a liberty party to the Kearsarge, anchored two miles off the Norfolk naval station. The launch, which was swamped when only 200 yards off the Kearsarge's port beam.

Early today all naval tugs and small craft that had been searching the area were withdrawn, leaving two Coast Guard ships to continue the search.

The Kearsarge, with three cruisers, seven destroyers and a transport, was scheduled to sail at 5 a.m. today for the Mediterranean to relieve a similar force which has been on duty in that area since last winter.

One man who swam ashore from the launch to the naval station is Thomas H. Rowe, boatswain, 3rd class. He is attached to the transport Randall, which is not a part of the task force. Naval officers could not explain how he happened to be aboard the launch.

Poll Workers At Oak Ridge Plant

Oak Ridge, Tenn., June 1—(AP)—A two-day poll to decide whether 875 atomic plant workers want to accept a final contract offer began here today under auspices of the National Labor Relations Board.

Kenneth L. Scott, a union organizer, said he was confident the AFL workers would reject the offer made by the Carbide and Carbon Chemicals Corporation.

Ranking state party leaders met in a caucus last night. Among those present were Governor Lane, who is a national committeeman, Senators Tydings and O'Connor, Mayor D'Alessandro of Baltimore, and George E. Ennis, chairman of the state central committee.

There was no argument in caucus regarding support of Mr. Truman's bid for re-election. A dispute arose, however, with regard to the vice-presidency.

It approved without dissent a recommendation that its committee on union confine its activities to exploring avenues of acquaintance and cooperation only, and complete the proposed plan for union by March 1, 1949 for distribution to all churches.

FLAG DAY REMINDER

Washington, June 1—(AP)—President Truman called today for observance of flag day on June 14.

Those were only two small areas affected.

Before the Vanport disaster, Army engineers had predicted the Columbia and its tributaries would cause a total loss of \$30,000,000.

The river, second largest in the nation in amount of water discharged, is at flood stage for 750 miles. The crest will reach the Portland area tonight or tomorrow.

Part of Portland's downtown area, including the Union Station, was under water today after the Willamette river topped the sea-wall. The station is Portland's only railroad depot, and trains were unable to use it.

In North Portland, where more than 18,000 persons were left homeless in Sunday's Vanport disaster, the flooded area was tripled by the bursting of two more dikes. On top

of these two dikes were the approaches to the Pacific highway, principal north-south route.

The breaking of these dikes left three square miles under water, with houses from Vanport pouring thru both gaps. Some of them turned end-over-end, and all hope of salvaging these was lost.

No bodies have been recovered from Vanport. Some bodies might be swept so far they never would be found.

Army engineers are investigating the "blow out" of the railroad embankment which resulted in the Vanport disaster. The rail fill was constructed 40 years ago. Commenting on the fate of what once was Oregon's second largest city, the Portland housing authority announced the agency "feels terribly, terribly bad that lives possibly were lost, but all you can do is depend on the advice of competent engineers."

Deaths of a violent nature reported from 6 p.m. Friday up to midnight Monday totaled 378—not including the unknown number dead in the Vanport, Ore., flood.

The toll compared to 504 violent deaths over the three-day 1947 Memorial Day holiday and 298 over a similar period in 1948. Last year's big total was boosted considerably because of two serious airplane crashes in which 95 persons were killed and tornadoes in Arkansas and Oklahoma which took the lives of 43.

An estimated 30,000,000 automobiles were on the country's highways over the three-day holiday period and more than 200 persons were killed in traffic mishaps. Of the 378 violent deaths, 208 died in motor accidents, 79 persons drowned, and 105 others lost their lives in incidents of miscellaneous nature—including plane crashes, fires, falls and other causes.

The National Safety Council had estimated that unless caution was exercised by motorists 225 persons would be killed in traffic accidents Saturday, Sunday and Monday.

Announce Arrest Of Communist

Washington, June 1—(AP)—The Justice department today announced the arrest for deportation of Jacob Abekama Stachel, National director of Education for the American Communist party.

The department said Stachel was picked up by immigration agents in front of his residence in New York City, this morning. He was removed to Ellis Island to await deportation proceedings.

Stachel is accused of illegally entering this country and of joining a subversive organization after his entry.

Amusement Park Ride Kills Man

Wilkes-Barre, Pa., June 1—(AP)—Martin E. Kane, 22, was hurled to death from an amusement park "twirler" car last night while trying to comfort two frightened women riding behind him.

John Reh, 21, who was riding with Kane at nearby Harvey's Lake, said Kane extended his arm back to the women and partially raised his body.

The car, traveling in a spiral at times reaching a high rate of speed, went into a curve and he was thrown out, Reh told Police.

Confirmation Of Atomic Officials May Be Held Up

Republicans In Senate Refuse Face Fight Over Two-Year Term Extensions

Washington, June 1—(AP)—Senate Republicans may let Atomic Energy Commission appointees go unconfirmed if Democrats make any lengthy fight against the two-year extension bill.

With Congress watching the clock of a proposed June 19 adjournment, Senator Taft said today his party won't have any time to spare for a long battle over the measure to extend the commissioners' terms until 1950.

"If we can get it passed without too much difficulty Congress can send the bill to President Truman and let him decide whether he wants to veto it or give the commissioners recess appointments," the Ohioan said.

"But if the Democrats are going to fight it, then maybe the bill won't be passed at all. That would bring the appointment question up again next January."

Chairman David E. Lilienthal and his four commission colleagues would continue to serve under their present appointments until Congress either extended their terms or successors were named and confirmed.

Mr. Truman renominated Lilienthal for a full five-year term and the others for terms ranging from one to four years.

The two-year extension was proposed as a compromise between those who want to follow the present law and those who favor keeping the issue open in the event the presidency changes hands in the November election.

The atomic bill is only one of several threatened by the jam of legislation piling up before the Senate. One of them, leaders hoped to dispose of today a bill to let 200,000 displaced persons into this country.

Waiting action after the DP measure is out of the way is the two-year draft revival bill. It is snarled now in a series of civil rights amendments offered by Senator Langer (R-ND).

That said there has been some talk of trying to line the Republicans up behind a Langer proposal to ban race segregation in the armed forces.

Doctors Witness Three-Week Fast By Chinese Girl

Chungking, China, June 1—(AP)—Yang Mei, China's medical puzzle—a girl who says she never eats—went happily home today after what doctors swear was a three week fast. She did not look hungry.

With Yang Mei went two nurses. They will continue a constant observation of the 20-year-old peasant girl who insists she hasn't eaten for nine years.

Doctors in Municipal Hospital, where she had been under day and night observation 21 days, say they are certain she had no food in that period.

She shows no ill effects.

Girls Try Hand At Politicking

Greensboro, N.C., June 1—(AP)—Some 225 high school girls took a lesson from their elders today and did some practical politicking.

The girls, all rising seniors from throughout the state, are attending the ninth annual girls' state. Woman's College is the host for the six-day event sponsored by the American Legion Auxiliary.

Two political parties, the Liberal and the Popular, were created last night. The girls will study the processes of government and the techniques of politics through activities of those two groups.

Israel Accepts UN Appeal For Cease-Fire In Palestine

Jewish Airmen Attack Trans-Jordan Capital

Bombing Raid Made As Arabs Report Forces Massing For Encirclement Of Tel Aviv; Truce Prospects May Be Affected

Cairo, June 1—(AP)—Jewish airmen bombed Amman, Trans-Jordan, a few hours before Arab League leaders met there today on a cease fire proposal for the Palestine war.

Dispatches from King Abdullah's little capital across the Jordan from Palestine said the bombing aroused bitterness. Observers there suggested that the raids may have blasted away the faint hope of a United Nations truce.

The attack was made as the Arab allies reported their troops and armor massing on a 40-mile front in an effort to throw a noose around Tel Aviv, the heart of Israel.

The British announced in Haifa that an RAF field near Amman also was struck. Arab officials in Trans-Jordan said six Arab civilians, including two children, were killed. The British put the total dead at 12, and the wounded at 30. Officials in Amman said about 10 bombs, some of them incendiaries, were dropped, but that the only property damage was to a building housing a worker's family. The Brit-

ish said several grounded aircraft at the field were damaged.

Tel Aviv has been the target for Egyptian attacks from the air virtually every day since May 15. One such attack wrecked a bus terminal with a heavy loss of life.

Indications in Cairo had been that the Arabs would accept a four-week truce plan of the Security Council only on condition that the Jews would repudiate their new state of Israel. The Jews have given every indication they would resist such a demand.

While the political leaders talked, there was no sign of a lull in the fighting. Official word from both sides indicated a major battle was brewing along a winding 40-mile front from Jerusalem northwest to Tulkarim, an inland city in Arab territory, equidistant from Haifa and Tel Aviv.

The Jews acknowledged that Iraq troops, moving south, are only nine miles from Tel Aviv at one point. One Arab informant said Iraqi soldiers were only three miles from the city, but this has not been confirmed.

All-Out Aid

Washington, June 1—(AP)—President Truman today ordered "full resources of the Federal government" mobilized for aid in the Pacific Northwest flood disaster.

He directed the army, the interior department and housing officials to investigate and make recommendations for "additional legislative authority to meet emergencies of this character."

Cuba Elects New President Today

Havana, Cuba, June 1—(AP)—Cuba elects a new president today and a hot campaign by the four candidates brought predictions of a heavy vote.

With 2,506,754 Cubans eligible, a vote in the neighborhood of 2,000,000 was expected.

In all, 572 men and women are running for 132 offices—54 seats in the Senate, 70 seats (half the membership) in the House of Representatives, six provincial governorships and the presidency and vice presidency. The four men seeking the presidential chair range in political leanings from the right to the far left.

The polls are open from 8 a. m. to 6 p. m. (EST) today and although presidential returns will be counted first, the official results may not be known before Thursday, unless there is a runaway.

The campaign has been so heated that the government issued a last-minute appeal to citizens for "calmness, patriotism and common sense" to keep the peace. The army was put on 24-hour duty to guard the polls and the sale of liquor was banned for the day.

The issues are national, centering around present and past administrations.

Unification Of Air Transport Is Now In Effect

Washington, June 1—(AP)—The Military Air Transport Service (MATS) took over today air transportation for the Army, Navy and Air Force.

The new single service absorbs the Air Transport Command, established by the Army Air Force in May, 1941, and the Naval Air Transport Service, established Dec. 12, 1941. Full services of both former services will continue.

The consolidation was made under the national defense unification law of 1946.

Maj. Gen. Laurence S. Kuter, MATS commander, said he expects his administrative staff to be slightly smaller than that of the ATC.

Some air bases will be eliminated under the new setup and there will be a single maintenance system for all transport planes.

MATS will be responsible for air transport planning in any future emergency. It also will direct global weather, communications, air rescue and flight services.

FILE CERTIFICATE

Raleigh, N. C., June 1—(AP)—The following certificate of incorporation filed today in the office of Secretary of State Thad Eure:

Brookgreen Realty Company, of Greenville, a real estate business, authorized capital stock \$100,000 with \$300 stock subscribed by E. H. Taft, Jr., M. K. Blount and Thomas Rivers, all of Greenville.

Spokesman Describes Acceptance As Unconditional; Arab League Leaders Still Deciding On Action; Deadline Only Matter Of Hours

Lake Success, June 1—(AP)—The State of Israel announced today it had accepted the United Nations appeal for a Palestine cease-fire.

A spokesman for Israel described the acceptance as unconditional. He said, however, the communication from Tel Aviv contained a Jewish interpretation as to what Israel understood the cease-fire to mean.

The deadline for replies from the Jews and Arabs is 6 p. m. EST, today. Arab League leaders were meeting at Amman, Trans-Jordan, to decide on their course.

The Israel spokesman said: "Our acceptance is being communicated to the Secretary-General of the United Nations as soon as possible. It is unconditional. It does contain our understanding of the terms of the cease-fire."

The cease-fire appeal was voted by the security council last Saturday.

The council thus far has no definite plans beyond a meeting on Palestine scheduled for tomorrow at 1:30 p. m. EST.

But the resolution approved last Saturday warned that if the Arabs or Jews reject the cease fire, the council may consider stronger steps under the U. N. charter.

Warren R. Austin, chief United States delegate, is in Washington today talking with state officials. The delegation here had no word on American plans for the immediate future.

Mundt Bill Foes Planning Protest

Washington, June 1—(AP)—Belligerent opponents of the Mundt-Nixon anti-Communist bill threatened today to lead a protest demonstration Wednesday.

Len Goldsmith of New York, executive secretary of the Committee for Democratic Rights, said "thousands of people" will be on hand to demand a hearing before the Senate Judiciary Committee.

There were angry shouts from the audience when the committee closed public hearings yesterday on the House-passed bill to force registration of Communists. A group of about 30 men and women were waiting to testify.

"We're tired of being shoved around," Goldsmith shouted. "We demand the right to be heard."

But Senator Wiley (R-Wis), committee chairman, already had left the committee room. Acting Chairman Ferguson (R-Mich) said he had no authority to continue the hearings.

Wiley's committee will meet Thursday to decide what to do about two witnesses who refused to say whether they are Communists.

Singer Paul Robeson and Joseph Kehoe, New York union leader (declined to answer when Ferguson asked them if they are members of the Communist party.

Resume Talks In Phone Dispute

New York, June 1—(AP)—Representatives of the long lines department of the American Telephone and Telegraph Co. and the CIO American Union of Telephone Workers resumed negotiations today in the wage dispute affecting 25,000 workers in 42 states.

Speakers for both sides declined comment before meeting with U. S. mediator Bernard J. Forman.

Democracy Wiped Out

Communist-Controlled Czech Election Is Terrible Warning To Other Countries Who Temporize With Reds; Outcome Cut And Dried; Opposition Smothered

By DEWITT MACKENZIE

The democracy of Czechoslovakia was wiped out in last Sunday's Communist-controlled election—a terrible warning to other countries which temporize with the Redism.

This represented the final step in the Bolshevik conquest of the 30-year-old republic which now becomes to all intents a part of the Muscovite empire. Formal "admission" of Czechoslovakia into the Soviet Union may or may not follow in due course, but that makes small difference. The little nation is now under the Russian totalitarian dictatorship.

There was only one ticket of hand-picked National Front candidates, so that the outcome was cut and dried. The sole way opposition could be shown was by casting blank ballots under scrutiny of Red watchers—a dangerous defiance.

Despite the risk, 770,701 citizens are said by the Ministry of the Interior to have cast these blanks. Another 806,941 voters didn't go to the polls or had their ballots declared invalid. Thus a total of at least 1,578,742 didn't vote. This represented about 30 percent of those registered—8,008,887. The Front received 6,429,148 votes.

Here we have a perfect example of the way Communism proceeds in the conquest of a nation. The Reds first began with spurious overtures of comradeship for their Slavic brothers. There was infiltration of Communist agents into Czechoslovakia, the unostentatious creation of a Communist party which gave lip service to the democratic government. Came the war, and the "liberation" from the Germans by the Russian army, after which the Bolsheviks intensified their crusade within the country.

There was no Czechoslovakian FBI announcing subversive Red activities.

There was no Attorney General Tom Clark stating that the Prague government's authority to dismiss employees having Communist connections was established clearly in law and by Supreme Court rulings.

There were no witnesses flitting defying a congressional committee and refusing to disclose whether they are Communists.

There was no House Speaker Joseph Martin, Jr. to declare, as he did yesterday in a speech at Gettysburg:

"It is a strange paradox that when we seek to curb their seditious activities, the subversive seek refuge under the protection of the law."

## Social and Personal

All items for this page received after 10:00 A. M. will be published the following day. Dial 3366 9:00 A. M. to Noon - 1:00 to 4:30 P. M.

Miss Rosamond Flanagan returned today from Southern Seminary, Buena Vista, Va., to spend the summer at her home in Greenville. Mr. W. J. Bundy left yesterday for New Bern to spend this week.

Mrs. L. E. Rountree has returned home from Pitt General hospital where she has been for treatment.

Misses Connie and Bobbie Garrenton of Bethel were the guests of Mrs. Katharine Adams for the week at Atlantic Beach. Dr. and Mrs. Garrenton spent some time at the beach also.

Miss Peggy Mitchell was graduated from Queen's College in Charlotte on May 28 and has returned to her home in Greenville to spend the summer.

Miss Cora Redditt returned to New York yesterday after a two weeks visit here with her mother, Mrs. L. B. Redditt.

## SOCIAL CALENDAR

### WEDNESDAY

11:30 a. m.—Mrs. Charlie James, Jr., and Mrs. Carey Page will entertain the Andrews-Page wedding party at breakfast at the home of Mrs. James, in Stokes.

4:30 p. m.—The wedding of Miss Frances Adelaide Page and Mr. Henry Leland Andrews, Jr., will be solemnized in the Eighth Street Christian Church.

5:00 p. m.—Reception for the Andrews-Page wedding party, out of town guests and friends at the Greenville Woman's Club.

7:00 p. m.—The Junior Woman's Club annual picnic for members and their escorts at the home of Mrs. J. B. Spillman, E. 16th St. Ext.

**Christian Science Service**  
"Ancient and Modern Necromancy, Alas Mesmerism and Hypnotism, Denounced," was the subject of the lesson-sermon in all Christian Science Churches and Societies on Sunday, May 30.

Golden Text: Revelation 21:7. "He that overcometh shall inherit all things; and I will be his God, and he shall be my son."

Among the citations comprising the lesson-sermon were the following from the Bible: "When thou art come into the land which the Lord thy God giveth thee, thou shalt not learn to do after the abominations of those nations. For all that do these things are an abomination unto the Lord; and because of these abominations the Lord thy God doth drive them out before thee." (Deuteronomy 18:9-12). And from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Erring human mind-forces can work only evil under whatever name or pretence they are employed; for spirit and matter, good and evil, light and darkness, cannot mingle. Every mortal must learn that there is neither power nor reality in evil." (Page 186).

**Miss Rose Honored**  
Miss Laura Rose, member of the social studies department at East Carolina Teachers College, has honor guest at a party given on Friday evening by faculty members living in Ragsdale Hall.

At the end of the spring quarter this year Miss Rose will leave Greenville to make her home in Minnesota after a long period of service as a faculty member at the college.

As a token of friendship and of appreciation for her work at East Carolina a silver pitcher was presented to Miss Rose by her hostesses.

A number of off-campus guests were present to enjoy the occasion and to extend good wishes to the honoree.

**Miss Page Honored at Bridge**  
On Monday night, May 31, Misses Jean and Cordella Perkins entertained at bridge at their home in Stokes for Miss Frances Page, bride-elect.

Places were marked with nosegays of mixed summer flowers. The honoree's place was marked with a corsage of yellow roses.

Lime punch and mints were served during play and at conclusion of play ice cream, miniature bridal cakes and nuts were served.

There were four tables in play during the evening, with Miss Page, the honoree, winning high and Miss Ann Woolard winning low. The honoree was given silver and china in her chosen patterns.

Attend Rocky Mount BPW Charter Night

Eight members of the Business and Professional Women's Club attended Charter and Guest Night at the Rocky Mount BPW Club held at Ricks Hotel Friday night at 7 o'clock.

Mrs. S. E. Gates won attendance prize, a corsage of red roses, while Miss Mary Belle Eldridge won a silver bowl in BPW-Bingo contest.

Mrs. Chester Walsh, district director of the Seventh District of the N. C. Federation of BPW Clubs, and Mrs. Ruth Meeks, district secretary, were recognized and presented corsages from the club.

Mrs. Ruby Grant Dougan, program coordination chairman, was in charge of the program which included skits, special music, dance by two children, presentation of awards to outstanding high school students and award to the "Woman of the Year." Rev. T. M. Grant, formerly of Greenville, pronounced the invocation.

Attending from Greenville were: Mesdames Walsh, Meeks, Gates, Louise McKinney, Susie Webb; Misses Augusta Williams, Mary Belle Eldridge and Annie Turner.

**Saint's Delight Church to Have Home-Coming**

We the Saints Delight Church in Greene County, North Carolina, will have a home-coming celebration on Saturday before the third Sunday in June in observance of its 78th birthday. The church was given by Dr. Lemuel Bowen. The general public is cordially invited to attend this occasion. Come and bring with you well-filled baskets or boxes of good things for the spreading of the tables at the church during the noon hour on that day.

We are inviting all former pastors to come and be with us on this occasion. We are hoping to have a good day. We are inviting the employees at the Press to come and be with us also for this home-coming celebration.

This invitation is extended by the church.

Rev. W. B. Nobles, Pastor Winterville, N. C.

**Junior Woman's Club Picnic**

The members of the Junior Woman's club will hold their annual end-of-the-year social in the form of a picnic on Wednesday evening

at 7 o'clock at the home of Mrs. J. B. Spillman on E. 16th Street Ext. All members and their escorts are invited. Those members who plan to attend and have not contacted Mrs. W. H. Pruden, Phone 3821, are asked to do so immediately.

Eels usually burrow during the day and feed principally at night

**Birth Announcement**  
 Mr. and Mrs. Edward Bright announce the birth of a son, Eldon Harvey, Sunday, May 16, in Pitt General Hospital.

**Clio Book Club**  
 The Clio Book Club held its last meeting of the spring at the home of Miss Annie Shields VanDyke on Dickinson Avenue.

Guests of the club were Mrs. E. W. Harvey, Mrs. Nelson, Mrs. Zack VanDyke and Mrs. Carl Pierce.

Miss VanDyke introduced the guest speaker, Mrs. E. W. Harvey, who gave a most interesting and entertaining talk on "Styles, Past and Present." Mrs. Harvey said that fashions come and fashions go but women remain the same. Wherever you find them gathered together you will find them talking about clothes. The one piece dress came into being during World War I. Women had to take the jobs of men, and hence the one piece dress. It was so comfortable that it has stayed with us. The self starter on automobiles and shorter dresses made their debut about the same time. The automobile people realized that if women could drive, they could sell more cars, hence the self-starter. If women were to drive, dresses must be shorter, hence the beginning of the shorter dresses. At the close of her talk, Mrs. Harvey showed some articles of clothing that had been in her family a long time that depicted some of the styles she had been discussing.

A short business meeting was presided over by the president, Mrs. Clara Shackel. The minutes were read and approved and roll called.

At the close of the business session, a delicious salad course with accessories was served by the hostess, assisted by Mrs. Zack VanDyke and Mrs. Pierce.

Books were exchanged and it was decided that all books were to be recorded by the librarian, Mrs. Lang, and exchanged through her during the summer months.

**Wesleyan Service Guild, Circle No. 1**  
 An unusually interesting meeting of the Wesleyan Service Guild, Circle No. 1, of the Jarvis Memorial Methodist Church, was held last night at the beautifully decorated home of Mrs. A. R. House on Tenth Street.

Our devotional leader, Mrs. Scoville, gave an impressive talk on "The Lord's Prayer." She ended her talk with a prayer.

After the transaction of business, Frances Gross was asked to take charge of the program. Using the title, "Women Who Were In War-Torn Europe During the Recent War," the following characters gave us an idea of what the different nations had to endure: Mrs. Scoville, acting as "the daughter from the Netherlands"; Mrs. Alice Keel, acting as "the daughter in Belgium"; Bernice Powell, acting as "the daughter in France"; and Frances Gross, acting as "the daughter in the Philippines."

The program was then turned over to our hostess, Mrs. House, who in turn introduced Mrs. B. L. Tyson, our guest. All of us enjoyed very much Mrs. Tyson's entertainment.

First, she played on her accordion two lovely hymns, "The Old Rugged Cross" and "The Golden Bells." She concluded her playing with "A March." She then had the stage set for a monologue, "A Cheerful Little Earful." Since such an applause was given for that, she gave another entitled, "Sending Daughter Helen Off to College."

Just before adjournment we were served, in buffet style, delicious refreshments, consisting of homemade pineapple cake, punch and mints by the hostesses, Mrs. House, Mrs. Julia Blanchard and Mrs. Kelly Rowe.

We will not have another meeting until September.—Reported.

Hedges were such important parts of the old Roman gardens that those who cared for them and trimmed them were given a special, dignified title.

**Strength FOR THE DAY**

**THE WOLF**

He is his own worst enemy. This is an expression which we often hear applied to an unfortunate man who, though pleasant and popular, seems to have a talent for injuring himself. It is an expression which often foretells tragedy to a person or family, for who can hope to triumph over the obstacles and hardships of daily life if he himself is his own most difficult obstacle.

Our readiness to injure ourselves is reminiscent of the wolf of Greenland. The Greenland wolf is strong, savage, and cunning; the Eskimos have few guns. Yet every year many wolves are slain by the Eskimos who sharpen the ends of flexible pieces of whalebone, bend them double, tie them, and embed them in lumps of fat. These models are frozen then left for the wolf to find. He gulps down the lump, the fat melts in his stomach, and the sharp whalebone, released, springs out to puncture him internally.

Sometimes, like the wolf, we hasten to our own destruction. We welcome into our lives the very things which will injure us most. Through overindulgence, gluttony, drunkenness, and other weaknesses we make what began as our pleasure and in our downfall. We all may be sure of trouble enough from the outside—so let us be sure that we have a friend, not an enemy, inside us.

**Around Capitol Square**

By LYNN NISBET

**MACHINE**—Machinery of state government as administered from offices around Capitol square was moving smoothly Monday after a virtual suspension for primary election day Saturday. Officials who had gone home to vote were back at their desks. Incumbent winners for re-nomination were being deluged with congratulatory callers and messages. While governmental machinery was running again, topic of conversation in most of the places at which your reporter called was failure of the alleged "political machine" to deliver in Saturday voting. Primary results lend credence to the claim that there is actually no cohesive political group that can properly be called a "machine."

**SENATE**—It has been common knowledge that state officialdom was pretty evenly divided in allegiance to Broughton and Umstead having a slight edge. Throughout the state it was generally conceded that Umstead had more support among local party officials. On the other hand, Broughton was expect-

to reap a rich harvest in counties where organized labor is strong. Casual analysis of the county-by-county vote proves that organized labor did not come through in a big way for Broughton, and that in many "control counties" (that is, counties where the local party organization wields large influence) Umstead trailed his opponent. In the senate race it seems apparent that neither organized workers nor organized politicians had much control over the individual voters. Broughton's wide personal acquaintance established over many years and his excellent record as governor during the late war are the two factors generally credited with winning the victory for him. The "machine" didn't play much part in the overall picture.

**GOVERNORSHIP**—In the race for governor Johnson had support of a big majority of state officials, nearly all the county and city officials throughout the state, and most of the local party organizations. If there were anything like a real political machine that would be it. But this combination of leadership (?) was able to build up a plurality of ten thousand or less, for a total of approximately 40 per cent of the full vote. Meantime Scott and Albright, both of whom vigorously attacked the alleged "machine," came through with about 57 per cent of the total; Barker, Boyd and Stanley getting the rest. At the time this paragraph is written the percentage ratio stands approximately: Johnson 40; Scott 38; Albright 18; Barker 3; Boyd and Stanley 1. Official returns may slightly change these percentages—might conceivably put Scott in the lead or greatly widen the spread between him and Johnson. With two per cent difference and twenty-two per cent to play with, a really hot second primary is indicated.

**ORGANIZATION**—Capitol square opinion is almost unanimous that organization will play a big part in this run-off; but that the organization will be temporary and not permanent. It will not hold over into future political campaigns. What will happen about a permanent statewide political organization which might properly be called a "machine" is a question now receiving some attention. Consensus among most observers is that Broughton is in position to build one—if he wishes. He is perhaps the only man in that position. He could

**Boyle's Column**

By HAL BOYLE

New York, June 1—(AP)—If war comes tomorrow it will only be more of the same old bloody business battle has always been.

This is pointed up by a Primer for total war put out by the defense department's munitions board in Washington.

Should a third world war break out in the immediate future, there could be no reliance on "push button" weapons. You have to have more than a button to win a push button war in that's all we've got today.

No other country has more than the button either. Beyond the button all is design and experiment.

The plain truth is that if war broke out overnight we'd have to fight it pretty much on the basis of the last war. Certainly at the start.

The report of the munitions board emphasizes that another war would require immediate and complete mobilization of National resources, industry and manpower.

Few people in the United States realize what this means. It means absolute and entire devotion of every ounce of the nation's energy toward one aim—support of the armed forces.

It means that war will begin at your own front door, figuratively if not literally. It means war on a 24-hour-a-day basis for everybody.

Only on such a basis could America defeat the only possible present enemy—Russia.

Over-confidence is the greatest enemy of any nation. Optimism thrives at the rear headquarters and on the home front. An enlightened pessimism always rules the courageous men on the actual battlefield. They face and fight the enemy, and then know his worth.

Our semi-remoteness from possible Foreign foes isn't an advantage. It's our biggest disadvantage. There is only one good place to fight a war—the other fellow's soil. To do that you have to get there.

And for all the developments that have taken place in the theory of warfare, there is nothing to indicate that a vast foe such as Russia could be knocked out by anything

**To The Voters Of Pitt County**

I wish to express my heartfelt appreciation to my friends and voters of Pitt County for their support in the recent primary. You have my sincere thanks and best wishes.

### Peace Overtures On Rebel Radios

Athens, June 1—(AP)—The Greek army general staff said today it intercepted a guerrilla radio broadcast last night in which rebel peace overtures were made.

The general staff said the broadcast quoted the "provisional government of Greece" as saying it did not aim to prevail by force.

The radio message, said the general staff, declared Markos Vafliades, leader of the guerrillas and head of the so-called provisional government, is "always ready to accept and encourage any initiative coming from anywhere" which would lead to peace.

Such a peace, the radio broadcast reportedly said, would be only under the condition there would be no "foreign interference."

The broadcast—in Morse—includes demands for the "democratic rights of the people" and "national independence." These latter demands are frequently used in routine Communist propaganda.

### Files Motion To Drop Coal Suit

Washington, June 1 — (AP) — John L. Lewis argued today that he is not required to bargain with the "hostile, arbitrary" Southern Coal Producers Association.

This was his reply to the government's motion for a Taft-Hartley Act injunction to compel his United Mine Workers to seek a contract with the association.

Lewis' lawyers filed a motion to dismiss the injunction suit brought by Robert N. Denham, general counsel of the National Labor Relations Board.

The Taft-Hartley law requires unions and employers to bargain in good faith with each other's chosen representatives. Lewis has refused to bargain with the Southern group on the ground that it did not take part in previous contract talks, and national negotiations for a new soft coal contract have collapsed as a result.

The union, in moving to dismiss the suit, filed a long affidavit from Lewis himself attacking the Southern group and explaining why he won't deal with it.

### Pure Bred Cattle Bring High Prices At Goldsboro Sale

College Station, Raleigh, —June 1—Twenty-three cows and heifers at the fourth annual consignment sale of the Wayne County Guernsey Breeders Association held in Goldsboro recently, according to G. Mark Goforth, Jr., assistant county agent for the State College Extension Service.

The females, including six heifers under eight months of age, averaged \$233.26, and the bulls averaged \$140. The three cows and one fresh heifer averaged \$418.75.

Nine of the 23 females and two of the three bulls were purchased by Wayne County producers. D. C. Worth of Raleigh purchased four heifers to add to the Wake County 4-H Club Foundation. J. E. Shaw and representatives of the Roanoke Rapids Kiwanis Club, purchased four heifers for 4-H club members of Halifax County.

The highest-priced cow was "Eagle Nest Frances," consigned by Guernadel Farm, owned by Dr. H. C. Carr of University and purchased for \$590 by A. W. Aycock of Wayne County. The highest priced bull was "Woodvale May King's Louis," consigned by C. H. Henderson, Jr., Woodvale Farm, Tarboro, and purchased for \$150 by J. A. Hicks of Wayne county.

The sale was managed by W. W. Andrews, president of the Wayne County Guernsey Breeders Association, who was assisted by a sales committee composed of D. Z. Hol-

### CARD OF THANKS

To the Good People of Pitt County

Permit me to express my deep appreciation for your support in Saturday's election. For this confidence I am truly grateful and I wish it were so I could see each one of you in person and shake your hand. I shall welcome your advice and cooperation with respect to legislation which undoubtedly will come up in the next General Assembly to the end that our country and state may continue their progress.

Yours most sinmerely,

# Mayor Proclaims Thursday, June 4, 'Baseball Rally Day'

## Calls On Fans To Back Greenies In Time of Trouble

Mayor J. H. Boyd today called upon Greenville baseball fans to back the Greenies to the limit.

In proclaiming Thursday, June 4, Baseball Rally Day, His Honor the Mayor reminded the community that the local club is in trouble, and needs the support of fans as never before.

There was a note of optimism in the proclamation as the mayor pointed to the new spirit among the players and marked evidence of renewed confidence by fans following the return of control to local hands.

The proclamation is as follows:

A good baseball team is an asset to any town. The loss of our team would be a serious detriment to Greenville.

Our club is in trouble. It needs the support of the fans of this community as never before . . . their attendance, their moral support, and their financial assistance.

Control of our baseball club is now back in the hands of the people. Let us keep it there. Under its new officers, the Greenies have shown remarkable progress in the past few days.

There seems to be a new spirit among the players, and a renewed confidence by the fans not only in the team and its new officers . . . but a confidence that the new spirit will bring to the fans of Greenville a better and winning brand of ball.

I therefore proclaim Thursday, BASEBALL RALLY DAY, and call upon every baseball fan in the community to back our New Greenies to the limit, both by attending their Rally Day game Thursday night, and by financial support in the days to follow.

J. H. BOYD, JR.  
Mayor,  
City of Greenville.

## Franchise Issue Given Hearing

Columbus, O., June 1—(AP)—A dispute over franchise ownership in the three Virginia and Carolina baseball leagues was aired here today before minor league officials.

The names of the clubs involved were not disclosed.

George M. Trautman, president of the National Association of professional baseball leagues, said that Manley Llewellyn of the Tri-State, Carroll T. Brown of the Carolina and Stanley F. Rake of the Blue Ridge had been summoned to appear.

The original Siamese twins came from Bangkok to Boston in 1828 and 11 years later settled down as farmers in North Carolina.

## Greenies' Schedule

If the weatherman permits, the Greenville Greenies will play host tonight to Roanoke Rapids; Wednesday night the locals play in Goldsboro, and on Thursday evening, Goldsboro will play here. Friday night will see another contest between the Greenies and Roanoke Rapids in Guy Smith Stadium.

## Midgets Defeat Goldsboro, 7-5

The Greenville Midgets finished their season in fine style as they defeated Goldsboro 7-5.

Goldsboro, who has always held a 'fix' over the Greenville Midgets, finally had it broken as the Mites jumped on Goldsboro's hurler for a five-run rally in the top half of the seventh inning.

Connie Singleton, the ace of the Midget mound staff, pitched fine ball for five innings. In the bottom of the sixth, the first man up greeted Singleton with a single, but the centerfielder made a two-base error.

Then Coach Kittrell pulled Singleton in favor of southpaw Guy Smith, Jr. Smith walked the first two men to face him, loading the bases. Coach Kittrell pulled Smith out and put in Glenn (Sonny) Scott.

Scott threw the ball five times, and the Goldsboros were down, 1, 2, 3.

In the top of the seventh, Briley led off, grounding out to first. Wooten, who has a batting average of over .600, hit through short; Rowland got on by an error. Eddie Farley hit a Texas leaguer over first to load the bases.

Donald Tucker's mighty double scored two men, to tie the score at 5 all. Farley scored on a wild throw by the catcher, and Sam Hux drew a free ticket to first, putting men on first and third. Smith grounded out, then Scott was walked, to load the bases. Wiley Gardner came through with his second hit of the day, bringing in two men, Scott getting out at the plate.

Scott stopped Goldsboro in the bottom of the seventh to wind up as the winning pitcher.

## Over 150 Boxers In Armed Forces Aim At Olympics

Chicago, June 1—(AP)—More than 150 Army and Air Forces boxers from stations throughout the world are ready for the military's championship tournament opening tomorrow. The survivors will gain a chance to battle for Olympic berths.

For three successive days, some 108 bouts will be held in Northwest Army in a series of eliminations trimming the huge field for the finals in Chicago Stadium June 11. Winners in each of the eight weight classes will represent the Army in the Olympic boxing finals in Boston June 28-29.

## Mauri Rose Wins Second Speedway Classic In Row

Indianapolis, June 1—(AP)—Fighting off challenges all the way, Mauri Rose of South Bend, Ind., yesterday won the speediest 500-mile automobile race since the Indianapolis Motor Speedway's first Memorial Day feature in 1911.

Rose crossed the finish line with an average of 119.813 miles an hour for his third speedway victory and his second in a row.

Right behind the wiry little Hoosier were his hard luck teammates, Bill Holland, Reading, Pa., at 119.147; Duke Nalon, Los Angeles, 118.034, and Ted Horn, Paterson, N.J., 117.844.

All four of those times were better than the previous record of 117.2 miles an hour, set 10 years ago by the late Floyd Roberts.

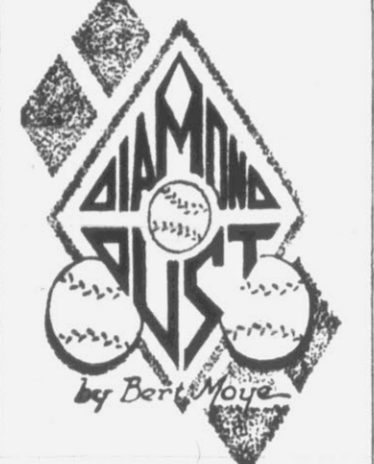

It seemed to be a record crowd as well as a record race, although the speedway management never discloses attendance figures. The crowd appeared to be between 150,000 and 200,000.

Drivers had to fight off challenges from behind all the way and any one of the first four finishers could have won with a few breaks. Rose got them.

Last year Holland led most of the race and surrendered the victory to Rose.

Holland had bad luck again yesterday. He was running strongly near the end when his transmission began kicking out of gear. Duke Nalon also was coming up fast in the Novi grooved piston special when he had to make a pit stop for fuel.

Nalon and Horn both made two pit stops to one apiece for Rose and Holland, and that was the difference at the finish. Horn nevertheless remained the most consistent driver who ever rode the Indianapolis bricks. It was the ninth straight race in which he had placed fourth or better, although he never has won.

Greenie fans were disappointed again last night and yesterday afternoon when rain interfered with the holiday double-header between the Tars and the Greenies and as a consequence that means two more twin bills added to the already long list. The following is the list of twin bills that the Greenies have at the present time—June 5th at Roanoke Rapids; June 8th at Tarboro; June 9th Tarboro at Greenville; June 11th Wilson at Greenville; and June 15th New Bern at Greenville.

Your attention is called to the proclamation appearing in today's paper by Mayor Jack Boyd, in which he calls upon Greenville baseball fans to back the Greenies to the limit. He has proclaimed Thursday as Baseball Rally Day and reminded the community that the local club is in trouble—financially speaking.

That your support is urgently needed in order to keep baseball here was clearly brought out in the article in yesterday's paper in which it is stated that the local club at the present time was about \$10,000 in debt. Greenville must not lose its franchise in the Coastal Plain League for to do this would be one of the worst things that could happen to it, as a good baseball club is a town's best advertisement.

When you are called upon to buy stock in the Greenville Baseball Club do your bit and buy at least one share. Let's help these directors and business leaders of Greenville, who are giving their time, efforts and money to keep baseball in Greenville, the backing they are entitled to by buying shares when we are approached by a member of the committee.

The directors and the steering committee named by the directors at a recent meeting have promised to give Greenville a winning club, but they cannot do it unless you fans give them financial support by buying shares because it takes money to get good players and it really takes money to run a ball club. Start out by attending the games with Roanoke Rapids here tonight and fill up those stands and new bleachers which were built for your comfort. If we let the players know we are behind them by giving them a large crowd of spectators on hand then they will be in their fighting to the last out and by fighting will gradually move up into the first division in standings. The Greenies have four straight wins to their credit so be an hand and pull for them tonight to make it five in a row.

Frank Robinson, right handed hurler for the Tar Heels, is expected to pitch for the Goldbugs after the NCAA play-off . . . Jack Thrush former Greenie, now with the Wilmington Club of the Tobacco State League, is hitting .278 according to the latest figures . . . Willie Mauney, another Greenie now with Concord of the N. C. State League, is

## Statistics Back Up Athletics As League Leaders

Philadelphia, June 1—(AP)—Record breaking figures should convince even the most skeptical baseball fan he's not dreaming—the Philadelphia Athletics are first in the American League in June.

The statistics add up to the fact that the Athletics have leveled their sights on a defensive record. Figures including yesterday's doubleheader with the Boston Red Sox give the A's a .987 team fielding average, five percentage points higher than the major league record of .982 set by the 1944 St. Louis Cardinals.

The bulwark of this defense is the infield which to date has made only eight errors in 894 fielding chances for an average of .991. The current A's' inner cordon has an excellent chance of topping Connie Mack's 1932 club which made only 124 errors in 155 games and holds the American League club fielding mark of .979. The Cardinals of 1944 also hold the major league mark for fewest errors in a season, 112 in 157 games.

The sparkplug of the 1948 Philadelphia infield is little Eddie Joost. The bespectacled shortstop has yet to make a 1948 error and he sets an American League record every time he handles a play cleanly.

## Jerseyite Wins Stock Car Race

Williams Grove, Pa., June 1—(AP)—Pepper Cunningham, Trenton, N.J., speedster, won the Memorial Day stock race at the half-mile Williams Grove Speedway yesterday, covering the distance in 16 minutes and 20.22 seconds.

### FRESH BLOOD A MUST FOR FREE ENERGY

Do you feel like you are tied to a drag every time you try to do something? If so, don't let a low blood count hold you down when you may release vibrant energy to every muscle, fibre, cell.

Every day—every hour—millions of tiny red-blood-cells must pour forth from the marrow of your bones to replace those that are worn-out. A low blood count may affect you in several ways: no appetite, underweight, no energy, a run-down condition, lack of resistance to infection and disease.

To get real relief you must keep up your blood strength. Medical authorities, by analysis of the blood, have by positive proof shown that 855 Tonic is amazingly effective in building up low blood strength in non-organic nutritional anemia. This is due to the 855 Tonic formula which contains special and potent activating ingredients.

Also, 855 Tonic helps you enjoy the food you eat by increasing the gastric digestive juice when it is non-organically too little or scanty—thus the stomach will have little cause to get balky with gas, bloat and give off that sour food taste.

Don't wait! Energize your body with rich, red-blood. Start on 855 Tonic now. As vigorous blood surges throughout your whole body, greater freshness and strength should make you eat better, sleep better, feel better, work better, play better, have a healthy color glow in your skin—*Arm Fresh All out hollow places.* Millions of bottles sold. Get a bottle from your drug store. 855 Tonic helps build sturdy health.

### Convention Of BPW Clubs Will Be Held In June

The 29th annual convention of the North Carolina Federation of Business and Professional Women's Clubs will be held at Mayview Manor, Blowing Rock, June 18-20, with Miss Mabel Bacon of Charlotte, state president, presiding. Dr. K. Frances Scott of Northampton.

DR. K. FRANCES SCOTT Convention Speaker

Mass. is first vice-president of the National Federation, will be the National representative at this meeting.

The theme of the convention will be "We Accept Our Responsibilities" and this theme will be carried out in the following phases of the program:

At the opening session on Friday evening there will be a panel discussion of "Our Federation Responsibilities" in which the participants will be Miss Bacon as leader, Dr. Scott, Dr. Irma Henderson-Smithers of Asheville, Mrs. Arthur P. Wilson of Kinston and Mrs. Ruby Blythe of Rocky Mount. Dr. Fred C. Hubbard of North Wilkesboro will speak at Saturday's luncheon, indicating the state's responsibility toward rural health problems. On Saturday evening, the annual banquet will be held and Dr. Scott will address the convention at that time on the subject, "We Accept Our Citizenship Responsibilities." "Our Responsibility for Improving International Relations" will be discussed at the inspiration breakfast Sunday morning.

The principal business session of the convention is scheduled for Saturday morning with election of officers taking place in the afternoon. Entertainment features include a trip to Grandfather Mountain and a reception in honor of Dr. Scott.

A district bus for members of the Seventh District who plan to go to the convention will leave Rocky Mount at 12:01 Friday morning, June 18, and will arrive at Blowing Rock by 10 a. m. Those who wish to travel by bus should have reservations in by June 3 with Mrs. Chester Walsh. A large delegation from Greenville is urged to attend this convention as the program and fun planned will make it a grand vacation for club members.

### Last Rites For Charles James Tomorrow At 3

Funeral services for Charles James 64 who died at his home, 301 Library Street Sunday night at 9:30 o'clock after suffering a heart attack, will be conducted at his home Wednesday afternoon at 3 o'clock by Rev. Robert W. Bradshaw, pastor of Jarvis Memorial Methodist Church. Burial will be in Cherry Hill cemetery.

Mr. James, a son of the late Col. and Mrs. F. G. James, was a native of Greenville and spent all his life here. He attended Oak Ridge Military Institute and was a member of the class of 1904 at the University of North Carolina, and Phi Delta Theta fraternity. As a young man, he was connected with J. B. Cherry and Company, and for a number of years he was with the old National Bank of Greenville. He was a member of Jarvis Memorial Methodist Church and was a choir member for many years.

Surviving are two brothers: J. B. James and L. M. James of Greenville and two sisters; Mrs. W. T. Lipscomb of Greenville, and Mrs. Luther Moore of Chicago, Ill. There were 10 nieces and nephews, among whom are Charles C. Skinner of Greenville, J. G. (Stick) Skinner of Greensboro, and the late Louis C. Skinner, who was killed in World War II, and who were reared in Greenville in the home of their grandparents, Col. and Mrs. F. G. James.

Herb gardens were planted within the cloistered walls of European monasteries during the Renaissance, and the products used to treat ailing people.

### DID YOUR BREAKFAST BRAN TASTE REALLY GOOD?

"So-so," you say—"I eat it to help relieve constipation due to lack of bulk food in my diet." But wait—you'll eat Nabisco 100% Bran because it tastes good, too! And Nabisco's "finer-milling" process insures you milder, easier action! Remember to ask for Nabisco...it's the bran that's tempting-good—finer-flavored! (See a doctor if constipation continues.)

### Personal Matter

Buffalo, N. Y., June 1—(AP)—Police telephoned Ronald Brown 14, that his lost property had been found, but that he'd have to pick it up personally.

### Announce Alumni Heads For Six District Groups

Officers for the six district organizations of the East Carolina Teachers College Alumni Association in North Carolina have been announced by Mrs. Ruth Garner, alumni secretary at the college. The new officers, chosen by ballot of the members of the association, will serve for two years and will supervise work in their districts and help organize new chapters in the state. A meeting of the entire group is held annually to discuss the work of the East Carolina alumni.

Those who will head the district organizations are Grace E. Smith, Greenville, northeastern district; Bessie Fay Hunt, southeastern district; Mrs. J. Y. Lassiter, Goldsboro, central district; Ella Outland, Burlington, Northwestern district; W. Stanley Scarborough, south piedmont district; and Mrs. B. M. Bennett, Forest City, western district.

### Kinston Man Is Guest Speaker At Rotary Club

By William Whitely  
"The One and Only of the South" was the subject of Charles McCallister, Secretary of the Kinston Chamber of Commerce, brief remarks last night to the Greenville Rotarians. He divided and treated his subject in three parts: first, planning a meeting, second, the facts of life. The result is a rare mixture of levity and sound sense on handling the speaker's part in the program.

Rotarian Charlie White presented briefly the matter of the program of entertainment by outstanding artists the college used to put on but felt that it could no longer carry on without community cooperation. Immediately a large number of Rotarians signified their intention of buying season tickets. Mr. White told the Rotarians the idea had had very favorable reception wherever it had been presented in the county. The Rotarians voted last night to give the girl Scouts two Champships of two weeks each for Camp Hardee this summer. Charlie Bissette, chairman of the Rotary Club Camp Hardee committee presented the matter. Guests were visiting Rotarians Bill Shelton and Jack Quinerly of Ayden and Dr. Paul Jones of Farmville.

## TO THE VOERS OF PITT COUNTY

I thank you very, very much for the handsome vote you gave me for Solicitor Saturday, May 29. I shall ever be grateful, and will do my best to justify your loyal support and confidence. Again, thank you.

**WILLIAM J. BUNDY**

## My Sincere Thanks ...

To the voters of Pitt County for their loyal support and votes for me in last Saturday's Primary. I will show my appreciation in the endeavor of Pitt County's interest. I invite you, Mr. and Mrs. Pitt Countian, to consult me at any time on any constructive measure that may be to the advantage of all.

**DR. PAUL JONES**

## Visiting Nurse

by Kathleen Harris

Chapter 25

"You know, my dear," Lucien said, when once more the table had been cleared away and they were preparing to listen to some musical recordings, "you are a most unusual girl. There is no one like you, Hildred."

"On the contrary," she returned, "there is nothing unusual about me. It is, because I am so very ordinary. But no, of course you haven't, and therein lies your power. For you have power, too, my dear—the power to disturb me very much—did you know that?"

He was looking at her so strangely now that she dropped her own glance, forcing herself to laugh lightly. "No, most certainly I did not know that. But aren't we going to say good-night to Jimmy, Lucien, before he goes off to sleep?" She was thankful she could make this suggestion, since it was one that would avert what might have been said next.

"Ellen will tell us when Jimmy is ready for bed," Lucien said now. "She always reads to him—he loves that. He says though he stays up later he sleeps much better. Jimmy has a means of getting his own way, the little beggar!"

There was real affection in his tone, for Lucien was becoming genuinely attached to the boy, as he had told Hildred. "I hope," she said, "you won't spoil him too thoroughly, Lucien."

"He deserves a bit of spoiling—but it is Robin and Ellen who do most of it. Though I believe Liz does her share, too. Maybe you are right, Hildred. But I don't believe it will hurt Jimmy. I believe he has the right stuff in him, that boy, if only given a chance."

"But see here!" He pretended to frown daintily upon her now. "We are not going to spend this whole evening discussing Jimmy. There are other matters and persons I wish to discuss." He switched off the recording that he had only a moment before turned on and crossed the room to sit down be-

side her on the divan.

"Such as?" Hildred asked, though she still felt that Jimmy was a safe topic.

"We might begin with your mother," Lucien said. "I told you I wanted to do something about her. That something has dropped right into my lap—as you Americans would say."

"It so happens," he explained, "that we are to have as our house guest next week a famous surgeon. He comes from abroad, so you would not know his reputation. But I assure you there is no greater brain specialist in any country. And what I have to suggest, my dear, is that you allow him to examine your mother."

"That is very kind, and thoughtful," Hildred spoke slowly. "You cannot refuse," he said, as if reading her thoughts. "If there is the chance that it is a brain tumor that is troubling your mother this man will recognize it. Also he will operate. And since it could be done in a hospital in which we—mother and I—happen to have a great interest you are not to trouble yourself about the expense."

"But I cannot let you do that for us!" He had made it impossible for her to accept, instead of impossible for her to refuse.

"Why do you say that?" Now he took both her hands in his, his dark eyes, holding that deep intense, held hers. "Why must we go on with pretense, my dear? You know that you are everything to me. You know that I am going to marry you, Hildred."

She said, "You sound very positive, Lucien. Have I nothing to say about the matter? Please do not misunderstand me, I appreciate the great honor of a Lanier suggesting marriage with an ordinary working girl like me, but—"

"Now I have bungled!" He raised her hands to his lips in his dramatic fashion, then dropped them. "I have said as always the wrong thing—when I knew I should not have said anything, perhaps, so soon. Yet you must know, Hildred, that I have loved you—madly—since I first saw you. I believe—"

"I know nothing of the kind!" Yet she had guessed as much, she saw now, in those few moments

when she had felt that there was more than friendship in Lucien's mind, in those moments of odd premonition.

"It is true—I only waited until I was free to tell you."

"Has it occurred to you, Lucien, that although I am very fond of you, I do not love you? I am sorry to have to say this, but it is so. It even happens, since I must be perfectly fair with you, that I am in love with someone else."

# THANKS

To all Pitt County voters for their liberal support to me in Saturday's Primary. It is highly appreciated.

## J. T. DUPREE

If she expected this to be a shock to Lucien she was mistaken. He said promptly, "That need not matter. I suppose you mean your young doctor. But surely, my dear, you realize how much more I can give you than he? I am willing to wait—and believe—that because of that you will come to care for me."

"I suppose that is the foreign way of arranging marriages," Hildred said. She shook her blonde head. She felt trapped, almost helpless, as if she knew in spite of any and all her arguments and refusals that Lucien would, as always, have his own way. "It is not mine. You should not insist, Lucien. You—"

He caught her hands in his again this time holding them so that she winced. "I shall not accept your refusal. In fact, Hildred, I give you fair warning that if you do not marry me, I shall kill myself."

(To be continued)

### Pitt County Women Reopen Curb Market

College Station, Raleigh, June 1—Farm women of Pitt County have reopened their curb market in Greenville after a lapse of several months, according to T. T. Brown, poultry specialist, and H. M. Covington, horticulturist, both of the State College Extension Service.

Sales were resumed early in May after a meeting at which the specialists discussed preparation of products for marketing. Brown demonstrated how to grade and prepare eggs and poultry products for sale, and Covington gave suggestions on grading and preparing fruits and vegetables. A representative of the public health service discussed regulations pertaining to milk sales.

Ancient Romans used hedges of myrtle, laurel and box in their gardens.

## ATTENTION

The Travelers Protective Association, Post TT of Farmville, N. C., will sponsor an old time Fiddlers Convention. If you can play a musical instrument, contact A. P. Mewborn or Ronald Nichols of The Turnage Company, Inc., of Farmville.

## New Requirements For Master's Degree Fixed

New requirements for the master's degree have been set up at East Carolina Teachers College and a course of study for candidates outlined.

The degree is designed primarily for teachers, principals, and superintendents of schools. The program of graduate work satisfied the North Carolina requirements for certification of superintendents, both elementary and high school principals, and teachers doing graduate work in elementary and necessary education.

Work leading toward the master's degree will be given in two areas, general academic work and work in the major subject chosen by the student. Courses leading toward the master's degree will be offered in the areas of administration, business education, education and psychology, English, library science, mathematics, science, and social studies.

Background courses required of all students include a number in education, such as statistics, teaching aids, guidance, and educational foundations.

For students in the regular sessions a different program of courses will be offered in each of the fall, winter, and spring quarters. Summer programs have been so arranged that in three consecutive summer sessions all requirements for the master's degree may be fulfilled.

## Eppes Exercises . . .

(Continued From Page One)  
students and the parents, for their loyalty and help in advancing the interests of the school.

Mayor Jack Boyd pledged the school officials and teachers and students the full support of the city administration. He elicited applause when he said, "With such fine people as you who are making a great record for Eppes High School, Greenville has no race problem. All of us are working together to make the city a better place in which to live."

Last night was "homecoming night" at C. M. Eppes High School. It was a community gathering of young people and grown-ups, enjoying an excellent program which demonstrated that the school is on the "forward march."

Alice Jenkins, Jean Johnson and Elwood Streeter presented an interpretation of the school to the community. Their messages were timely and encouraging. They marked exceptional talent in delivering their orations.

Several special awards were made to students and the school. These will be announced in a later story.

James Elwood Streeter was valedictorian. Alice Lee Jenkins was salutatorian. Jean Rosalyn Johnson was the ranking student. Class officers are Elwood Streeter, president; James Wilkes, vice president; Odessa Petteway, secretary; Lola Jones, assistant; Charlotte White, treasurer; J. B. Taft, Jr., business manager, and Virginia Jones was marshal.

Twenty-one graduates received their diplomas. They are: Annie Morris Clark, Allegra Grimes, Mary Clarke Hemby, Mary Elizabeth Hemby, Ada Louise Hunter, Alice Lee Jenkins, Jean Rosalyn Johnson, Lola Nevada Jones, Eugene Harold Maulsby, Margaret Ruth Newton, Sarah Melissa Nichols, Alverda Payton, Odessa Mae Petteway, Doris Novella Sherrod, Evangeline Streeter, James Elwood Streeter, Alice Virginia Suggs, Joseph Benjamin Taft, Morris Lenward Warren, Charlotte Ruth White and James Henry Wilkes.

The musical program included the following: Processional — "God of Our Father" (Warren). Invocation: "Ave Maria" (Gounod) by the mixed chorus. "O, Southland," by Jean Johnson under direction of Mrs. J. H. Davenport. Overture—"Zenith" (Bennett); "Village Chapel" (Ribble), and a march, "Vanguard" (Hollingsworth), by the school band under direction of Robert H. Lewis of New York. Jean Johnson sang "A Spirit Flower" (Campbell-Tipton) like a professional.

Members of the City School Board on the stage, in addition to Vice-Chairman Joseph M. Taft, were Dr. S. M. Crisp, Mrs. L. M. Buchanan, J. Knott Proctor, Mrs. E. W. Harvey and others.

At the conclusion of the commencement exercises the audience was invited to visit the manual labor and home economics departments.

## Contributions Aid Warsaw

Warsaw—(AP)—Voluntary contributions for the reconstruction of war-ravaged Warsaw have reached \$450,000,000. Engineers say the city may be rebuilt by 1965. The cost is estimated at \$25,000,000,000.

## Double Duty

New York, June 1—(AP)—A bugler and a drummer in a police department did double duty yesterday.

Informing that a man in the audience at a Central Park band concert was wanted for car theft, the two musicians stepped out of ranks and arrested him.

## Laboratories Go Up In Explosions And Big Blaze

Pittsburgh, Pa., June 1—(AP)—A blaze and series of explosions destroyed the chemical engineering laboratories of the University of Pittsburgh yesterday, causing damage estimated by Fire Chief William Davis at \$500,000.

Firemen were hampered by several blasts as gasoline, dynamite and other material fed the flames. Cause of the blaze was not determined immediately.

Davis said at least nine explosions were caused by dynamite and 10 were caused by gasoline tanks.

The laboratories were housed in a barracks type building on the Pittsburgh campus, near the university's stadium.

## New Zealand And Science To Wait A Hundred Years

Auckland, New Zealand—(AP)—Thirty New Zealand scientists are debating whether much of New Zealand may blow up. Meeting at Rotorua, they are concerned with the future of thermal and volcanic regions, and some weighty questions are being raised.

Will Rotorua, the center of the thermal area, disappear in a terrific eruption? Will the geysers and hot springs dry up? Is volcanic activity from Ruapehu moving toward the south? Is the North Island of New Zealand really safe to live in?

"It will take 100 years before any degree of certainty can be contained in the answers to those questions," said Director M. Ongley, of the Geological Survey Department. "Now geologists don't know."

## Britain To Display Latest In Air Power

LONDON—(AP)—Britain's latest civil and military aircraft will be displayed publicly Sept. 7 to 12 at the annual exhibition of the Society of British Aircraft Constructors. The event will be staged at the aerodrome of the Royal Aircraft Establishment, Farnborough, where seventy thousand spectators can be accommodated. More than fifty of the most up-to-date aircraft, including new and experimental types, will take part in flying programs.

## Find Movie Fans Who Never Saw A Bible

EDINBURGH—(AP)—A report to the Church of Scotland deplores the finding that some children have never seen a Bible but do know all about the movies. The report observes: "There was a time, not so far distant, when it was safe to assume that most young people came from homes where they received at least some Christian teaching. That is now the exception rather than the rule."

## Highest Court Decides On Who Won Cock Fight

Manila—(AP)—The Philippines Supreme Court has settled a cock fight. A referee had awarded the decision to the rooster that was killed.

Now Senor, protested the owner of the live rooster, that cannot be. Since he had \$450 riding on the decision the owner went to court. The municipal judge didn't see how a dead rooster could win a cock fight either. He reversed the referee.

The owner of the dead rooster appealed right to the Supreme Court.

The learned justices dug back to an old Spanish law. The law said a referee could award a decision to a dead rooster. That is, a referee could if he did it for the reason this referee did: award the victory to the dead rooster because he fell in attacking while the live rooster was so broken in spirit it was ready to retreat.

## TRACTOR DRIVERS TRAINED

Poznan, Poland—(AP)—Nearly 8,000 tractor driver have passed tests for operator licenses here and will be sent into western farmlands.

The name "Electra" is given to three Greek legendary figures: the wife of Oceanus; one of the Pleiads; and to the daughter of Agamemnon. The word means "bright one."

## GHS Exercises . . .

(Continued From Page One)  
of Our Fathers," is played for the entrance of the graduates.

The program: Senior professional, "God of Our Fathers" (Warren) by the high school band.

Invocation by the Rev. Leonard W. Topping, pastor of the First Presbyterian Church.

"My Johann," sung by the Girls' Glee Club (Grieg-Aslanoff).

"The Midnight Sun" (Paul Yoder), by the high school band.

"Send Forth Thy Spirit" (Schuetky), by the mixed chorus and alumni.

Addresses—"The Challenge of Our Southern Heritage" by Alison Hearne and Shelley Beard; in Solo—"Lullaby" (Alison Hearne) by Ann Morton.

"Ode to America" (Noble Cain), by the mixed chorus.

Announcement of Awards by Supt. J. H. Rose.

Piano solo—"Fantasie Impromptu" (Chopin), by Mary Smith.

Awarding of diplomas—J. B. James, chairman of the Board of Trustees, and O. E. Dowd, principal.

"The Star Spangled Banner" (Key).

Chief marshals—Frederick Brooks and Betty Anne Young.

Marshals—Frances Bendall, Dorothy Stauffer, Dorothy Whiteley, Carolyn Rowlett, Sam Northrop, Barbara Clement and Walter Wilson.

Senior Class 1947-1948 — Alfred Smith, president; Billy Williams, vice president; Lucile Laughinghouse, secretary; David Jones, treasurer.

Graduates—Bernadine Ballance, Shelley Beard, Bobby Brady, Louise Tripp Branch, Tom Brown, Eugene Carter, Beulah Causey, Joe Clark, Dorothy Cobb, Alef Collins, Carolyn Corey, Dorothy Cox, Edgar Cox, Jean Dall, Herbert Dale, Clark Davis and Emile Dupree.

Nancy Elks, Joyce Everette, Margie Fussell, Jean Garris, Clyde Gurganus, Lucy Hamnaford, Alton Hardee, Hugh Hardee, Jr., Susan Harrington, Agnes Harris, Alison Hearne, Mary Hendrix, Myrtle Ruth Hill, Ruby Hodges, Alton Howard and Jean Huffstetter.

Louise Johnson, David Jones, Fred

Joseph, Ethelnye Joyner, Mary Ann Keel, Emily Laughinghouse, Lucile Laughinghouse, Ielena Little, Lillian McDaniel, Bobby May, George Minshew, Betty Mobley, Vann Morgan, Ann Morton, Janice Owens, Betay Parrish, Glynn Perkins, Denby Posey and David Pringle.

Alfred Saleed, Bryce Sigmon, Alfred Smith, Mary Smith, Sarah Stancil, Paul Stokes, Ann Sutton, Linda Taylor, Jean Tucker, Katie Lou Vincent, Doris Warren, James Weston, Billy Williams, Coleen Winberry and Roscoe Little.

Keoch Cup winners—Mary Shaw Robeson, 31; Louis Skinner, 32; George Willard, 33; Harold Sugg, 33; Men Herring, 34; Ronald Slay, 35; Leo Burks, 35; Harding Sugg, 36; Pauline Abeyounis, 37; Louise H. Mayo, 38.

William Miller Burks, 39; Mari-belle Robertson, 40 Fenner Corbett, 41; James Worsley, 42; Shirley Warner, 43; Mary Waldrop, 43; Mattie H. Mayo, 44; Gladys Tyn-day, 45; Jack Whitchard, 46; Lewis Evans, 47.

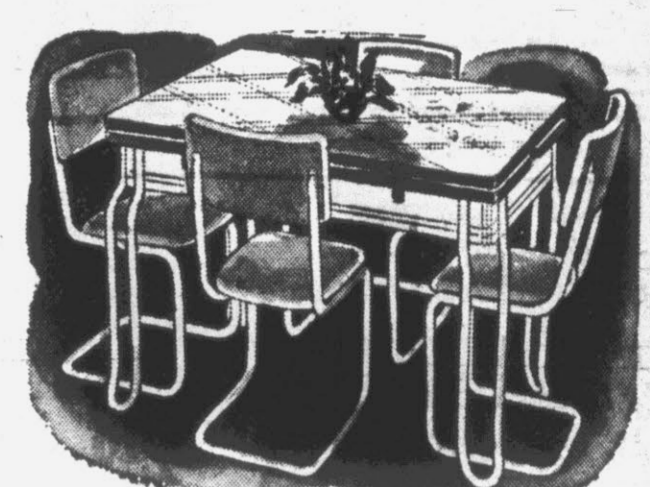

The Keoch Distinguished service award is made at each commencement to a member of the graduating class as an honor to that student who has best conducted himself as a worthy student during his or her four years of high school. His or her worthiness and service to the school is determined by the student's record and by a vote of

the entire faculty. This award is made to that member of the graduating class who has shown the finest attitude, scholarship, leadership, and activity record.

This award was first established by the Senior Class of 1930 in appreciation of Mr. James A. Keech, principal of Greenville High School from 1925-1930.

Doctor's Hours

It has been often said that "A man's work is from sun to sun—A woman's work is never done". The latter part of this adage might well apply to any member of the medical profession, as a Doctor's time is devoted almost entirely to his patients. If we might accompany our family physician on his rounds for a day, we would undoubtedly be quite exhausted long before he had completed his daily task for his day is indeed a long one.

See Your Doctor Regularly.

34

Heavy Damage In Stockyard Blaze

South St. Paul, Minn.—June 1—(AP)—Loss today was estimated at more than \$600,000 in the prairie-like fire which razed a fifth of the stock-yards area here Memorial day. Three firemen were overcome by smoke as flames engulfed the tinder-dry sheds, corrals and stock chutes. Handlers freed 2,000 cattle into swampland along the Mississippi river but 50 head perished in the fast-moving wall of fire. None of the firemen was seriously hurt. Heaviest loss, more than \$400,000, came in destruction of 88 stock cars on tracks adjoining the yards. E. L. Hoppel, general livestock agent for the Northern Pacific railroad, said the cattle cars, owned by various lines, were valued at \$5,000 apiece. A. L. Olson, president of the St. Paul Union Stockyards Co., said one fifth of that firm's facilities was destroyed with a loss of upwards of \$200,000. He said the figure included the 50 head of stock as well as large supplies of hay and straw.

Bert Aycock Is Named President Of Lions Club

The highlight of the regular Monday evening meeting of the Greenville Lions Club was the election of new officers, whose tenure of office begins on July 1. Bert Aycock, who succeeds Tyson Bilbro as President, expressed the hope that by building on the foundations laid by the past presidents, the local club would be able to attain even greater heights in the future, and solicited the continued splendid co-operation of each individual Lion member in all civic and community enterprises. Other newly elected officers were: H. B. Williams, First Vice-President; B. S. Hodges, Second Vice-President; R. C. Hauser, Third Vice-President; Carlton Cosart, Lion Tamer; Bruce Sugg, Jr., Tall Twister; Secretary-Treasurer, Tom Webb, and Jack Neilson and O. L. Alexander are the newly elected directors. It was announced that Withers Harvey, a former President of the local club, had been appointed to the Activities committee of District 31 (c), Lion's International. Tommy Lupton, Junior Lion for the month of May, was a guest of the club.

Another 'Flying Doctor' Named

Elizabeth City, June 1—(AP)—North Carolina's treacherous coast was scheduled to get a new flying mercy doctor today. Dr. Elsworth North, medical officer at the coast guard station here, was to leave today for a new assignment at the Marine hospital, Baltimore, Md. He will be succeeded by Lt. Alan Thometz. The station has a helicopter it uses for mercy flights to the outer banks. Lieut. Tommy Haynes has flown Dr. North on many of his trips to aid sick persons on ships at sea and in isolated banks communities.

City Swimming Pool To Open Tomorrow

The municipal swimming pool, on Fifth street, opposite the High School, will open tomorrow — Wednesday—for the summer season, Alderman Heber B. Tripp, of the Parks and Swimming Pool Committee, announced today. Alderman Tripp, active in Boy and Girl Scout work here, is offering one free hour of swimming pool privileges to all Boy Scouts and Cubs on Thursday, June 3. He is also offering a full hour to the Girl Scouts and Brownies on Friday, June 4. The treat's on the alderman from the First Ward, and he's going to pay for it, he said.

New Drug Tried On Scrub Typhus

Manila—(AP)—A drug from the penicillin family has shown favorable results in treating scrub typhus—the so-called Japanese river bed fever which so far cannot be prevented by present typhus vaccine. This report was made by a 13th Air Force observer with an army medical research team conducting tests in Kuala Lumpur, Malaya. The drug is chloromycetin. Army doctors so far have treated 25 patients with it and none has developed complications or died.

Social Security Legislation Has Initial Success

Washington, June 1—(AP)—A Republican sponsored bill to add 3,500,000 persons to the social security program was approved today by the House Ways and Means committee. This is a much smaller expansion than President Truman proposed. He asked Congress last week to bring 20,000,000 more persons into the program and to raise old age benefits. The President's proposals brought a cry of "election year politics" from Republicans. Rep. Reed (R-NY) said the committee vote today was unanimous. Reed chairman of a subcommittee that drafted the bill, said it would permit employees of states and local governments to join in the old age insurance plan, if the local governments approved.

Police Court

Judge J. W. H. Roberts disposed of the following cases in Police Court Monday: Reckless driving and property damage: Bennie C. Eastwood and Leroy Daniel, the last named colored, each paid \$15 and one-half the cost of a street sign. Kenneth R. Jackson, reckless driving and speeding, paid \$20, costs deducted. John R. Hyman paid \$25 and costs for driving without an operator's license. David Junior Barnes, colored, was given 60 days on the roads for improper use of operator's license and 60 days for not having an operator's license and for improper brakes. James Whitehurst, colored, was given six months on the roads for assaulting a female with a deadly weapon. Willie O. Bullock, convicted of driving drunk, was fined \$100 and costs and his license was ordered revoked for a year. Jesse Bell Bradley, colored, paid \$25 and costs for improper use of operator's license. Drunk: Jim Freeman and Sam Stocks and Charlie Green and Jesse Johnson, the last two named colored, each paid \$15.

Iron Grip Saves Man From Death

Chicago, June 1—(AP)—Dimitry Parhomenko, 59, is a man with an iron grip. He was washing windows on the fifth floor of a North Michigan Avenue building today when his safety rope broke. As he tumbled backward from the sill, his left hand caught the rope end which had slipped through the loops of his belt. For 10 minutes he dangled while firemen rushed to the scene, spread a safety net, and then raised a ladder which he grasped.

SECOND POLIO CASE Fayetteville, N. C., June 1—(AP)—Fayetteville's second case of Polio in a week was reported today by Dr. M. T. Foster, county health officer. All known contacts have been quarantined.

DOZIER APPOINTED TO PUBLIC RELATIONS POST AT DUKE

Durham, June 2—Appointment of John M. Dozier of Rocky Mount as associate to the vice-president in the field of public relations and specifically dealing with the public relations aspect of student admissions has been announced by Charles E. Jordan, vice-president and secretary of Duke University.

Hog Market

Raleigh, June 1—(AP)—(NCDA)—Hog prices steady to slightly weaker. Tops of \$22.50 at Rocky Mount, Greenville, New Bern and Washington.

Poultry and Eggs

Raleigh, June 1—(AP)—(NCDA)—Fryers and broilers steady at 38; eggs stronger. A large 49.

Grain Market

Chicago, June 1—(AP)—Hedging in wheat and profit cashing in feed grains reduced prices from the day's high at the board of trade today. Wheat was heavy during the greater part of the session on preliminary reports of increase in winter wheat production, based on reports of good rains over the southwest. At the close wheat was 7/8 to 1 1/4 lower than Saturday's close, July \$2.33-33 1/2. Corn was 1/2 to 2 cents higher, July \$2.17 1/2-1/4. Oats were unchanged to 1/4 higher, July 92 1/2-1/4. Soybeans were unchanged to 7 cents higher, July \$4.14.

N.Y. Cotton

New York, June 1—(AP)—Cotton futures opened 20 to 60 cents a bale higher. Noon prices were 45 cents a bale lower to 35 cents higher than the previous close, July 47.07, Oct. 33.57 and Dec. 32.97. Futures closed 35 cents a bale lower to 90 cents higher than the previous close.
