

Partly cloudy tonight and Tuesday. Warmer and part sun, but much change tonight and Tuesday.

X-Day Revenge On Anti-Reds In Berlin Prepared

Communists Said To Have Purge List For Use If Western Allies Depart

Berlin, Aug. 16 (AP)—Berlin's liberal democratic press declared today the Communists have prepared a purge list of hundreds of thousands of anti-Communists upon whom revenge would be taken if the Western Allies left the city.

The newspaper Montags Echo said a Communist fifth column is working in the blockaded western sectors of Berlin, occupied by the U. S., Britain and France.

"The Communist spy system has wormed its way into industrial workers' councils, into commerce, into postal and telegraph systems of Western Berlin and there makes systematic preparation for 'X-Day'—the day the Communists hope the Western Allies will leave Berlin," the liberal democratic newspaper said.

The socialist Telegraf said that the blockade must be lifted and the roads to Berlin must be guaranteed without restrictions.

Berlin's anti-Communists urged the West to take a firm stand in the Big Four negotiations in Moscow, while the German Communists provided the elected city government of Berlin to quit.

The Montags Echo reported it had learned from Soviet sources here that Russian administrative policies in Germany—even on relatively minor questions—are now dictated directly from Moscow.

The Russian commander in chief here, Marshal Vasily D. Sokolovskiy, had fallen into disfavor with the K. P. because of his administration.

Unsettled Berlin's troubles extended to the public transport system. The anti-Communist press blamed the Russian blockade for a series of accidents which have occurred recently on the city's Soviet-controlled elevated railway. The latest of these occurred yesterday when two trains collided in a tunnel, injuring 17.

The socialists charged the Russians are hoarding equipment of Western Berlin lines and that necessary repair parts cannot be obtained from Western Germany factories because of the blockade.

Farmers Protest Rampaging Bears

Wright City, N.C., Aug. 16 (AP)—This section here has been hit by British tempers over the blockade.

More than 125 farmers from six counties met in the court house here over the weekend and protested that state game laws prohibit them from hunting and killing the bears which they said were causing great damage to crops and livestock.

Bear-hunting is legal only from Oct. 15 to Jan. 10, inclusive, but the farmers complain that the animals enjoy year round open season on their crops and livestock.

ROTC Students To Be Deferred

Washington, Aug. 16 (AP)—Approximately 118,000 college students in reserve officer training courses will be deferred from the draft while they are in training.

The Army and Air Force, announcing this jointly, said eligible students must:

- 1. Have enrolled in ROTC before June 21, 1948; (2) remain in good standing in both military and school studies; (3) agree to take an officer's commission, if and when offered; (4) serve at least two years if called for active duty.

Weak United Nations

After Three Years Of Existence, Global Peace-Enforcing Agency Has Only 49 Civilian Guards; U. S. Wants A Stronger Military Force Than Other Powers

By SIGRID ARNE

Washington, Aug. 16 (AP)—After three years the only force the United Nations has been able to round up to stop a war has been the 49 civilian guards from the U. N. headquarters at Lake Success.

They were shipped to Palestine this summer to bolster the four-week truce. Except for their fists they were unarmed.

The U. N. will have to face the fact of this weakness when the 1948 Assembly session opens in September.

The weakness is not due to lack of resources. U. N. military experts have sweated over a program to give the U. N. some authority. It ran into Russian refusal to agree to what the others want. American experts now feel the Russians want to keep the U. N. weak.

The military staff committee (MSC) of the U. N. tried to determine what kind of world police there should be and how much each nation should contribute. The U. N. charter set up the MSC and named the United States, Britain, France, China and Russia to sit on it.

The charter says part of the U. N.'s force should be regular troops, police and air forces. Part should be part-time forces. It should be able to act quickly.

More Polio

The County Board of Health today reported the third case of polio in the county.

Augusta Haddock, Route 1, Winterville, daughter of Mr. and Mrs. James Albert Haddock, was stricken Sunday. James Haddock, chairman of the Pitt County Chapter of the National Infantile Paralysis Foundation, arranged for the child's hospitalization at Duke hospital in Durham.

A message from the hospital to the County Health Department today stated that the child has polio.

Four polio cases in this county were isolated. The first was a four-month-old baby boy in Greenville; the second, a six-year-old boy of a rural point between Ayden and the Lenoir county line. None of the patients had contact with polio cases, he said.

Truman's Detroit Talk Confirmed

Washington, Aug. 16 (AP)—The White House announced today that President Truman will speak at a Labor Day rally in Detroit.

The confirmed reports which have been current for some time. The speech is expected to be one of his major addresses of the presidential campaign period.

J. Howard McGrath, Democratic National chairman, long has urged the President to open his 1948 campaign in Detroit with an appeal for labor support.

Mr. Truman will go to Michigan in his private railroad car. The trip likely will include platform and other appearances in a number of Michigan cities, but Presidential Secretary Charles Ross said he could not give details at this time.

It seems likely that the President will make talks in Grand Rapids Lansing and possibly other cities.

The Detroit address, under labor organizations' sponsorship, will be made in the afternoon, the exact time to be announced later.

Mr. Truman's charge that Republican tax cuts hurt the middle class appears to be developing into a major issue. It is likely to prompt a campaign demand by Gov. Thomas E. Dewey for a drastic cut in government spending.

Mr. Truman's attack on the Republicans—made in a disputed estimate that the nation faces a \$1,500,000,000 deficit—was due to be broadened with his promised statement on the credit-curbing bill passed by the special session of Congress.

Ring Of Guns Is Keeping Chinese City In Hunger

Peiping, Aug. 16 (AP)—Red anti-aircraft guns ringing Changchun are preventing government planes from dropping food to the starving Manchurian city. Chinese sources here today said.

Some 200 persons are reported starving to death in Changchun daily.

The Red gunners may be Koreans or Japanese, sources said. The weapons are Japanese guns that fell into the hands of Chinese Reds at the end of the war.

For several weeks no government planes have landed at the Changchun airport, although National soldiers control the airport. The presence of the anti-aircraft guns is the reason given for the abandonment of air support to the besieged city.

REWARDS POSTED Cadwell, Ga., Aug. 16 (AP)—Rewards of \$1,000 were posted today for information leading to the arrest of the slayers who budgeoned to death Mrs. Kinch Smith, 72-year-old plantation owner.

Alger Hiss Again Before Committee

Accused Member Of Communist Underground Agrees To Testify In Closed Session; Meeting With Accuser Unlikely

Washington, Aug. 16 (AP)—Alger Hiss, former State Department official, has accepted an invitation to testify to the House Un-American Activities Committee in closed session late today.

Chairman Thomas (R-N), when announcing this, told reporters it is improbable that Whitaker Chambers, asked why Chambers would not be present, Thomas replied, "I expect to have a statement after the hearing (of Hiss)."

Original plans were to have the two men—accused and accuser—face each other today and see whether they would repeat conflicting testimony given the committee in its investigation of alleged Communist spy activities.

Thomas said the committee still hopes to bring the two men together at some time.

Chambers, now a senior editor of Time Magazine, has testified he was an active Communist in the 1930s. He said he knew Hiss as a member of an "elite" Communist underground movement that once operated here.

Chambers also said that after he broke with Communism he pleaded with Hiss to do likewise but Hiss refused.

Hiss, in public testimony, has denied any Communist connections. Chambers declared he does not know Hiss.

The committee plans an early recess of its hearings. But the recess seemed likely to reverberate for a long time to come.

The Hiss-Chambers meeting, if it occurs—could make or break the whole House investigation.

Hiss, a former top State Department official who now heads the Carnegie Endowment for International Peace, has been named by Chambers as a member of an "elite" Communist underground which Chambers insists operated in Washington.

Alabama Truman Followers Meet

Plan Attempt To Crack Stronghold Of States' Righters

Montgomery, Ala., Aug. 16 (AP)—Alabama followers of President Truman, backed by organized labor, met here today to try to crack this state's rights Democratic stronghold.

The President's supporters, headed by state Senator Joseph N. Langston of Mobile, assembled to select a slate of electors pledged to Mr. Truman and map plans for getting their names on Alabama's November ballot.

This state's electors who were nominated in the May and June Democratic primaries are pledged to cast their votes in the electoral college for the state's rights nominees Gov. J. Strom Thurmond of South Carolina and Gov. Fielding L. Wright of Mississippi.

If Langston is successful in getting a pro-Truman slate on the ballot, the voters in the central elections will have a choice between the States' Right Democrats and the National Democrats.

The pro-Truman convention goes into session knowing it has the support of organized labor in the state. Top-level union officials met here yesterday and condemned the States' Rights movement as assurance of a Republican victory at the polls.

The Mobile Senator had two plans in mind: First was to try to get a slate of electors pledged to the Truman-Barkley ticket on the ballot.

If that fails, he has hinted at a court suit to try to force the electors pledged to the States' Right ticket to switch to the National Democratic nominees.

Koenigstein, Germany, Aug. 16 (AP)—Fritz Thyssen, 74, former Ruhr steel king who broke with Adolf Hitler at the outbreak of war went on trial today before a German denazification court.

The aged industrialist said he was without personal property and hopes to go to Argentina where his daughter resides.

He described himself as "stateless," his citizenship having been revoked by Hitler, and announced he has no intention of seeking German citizenship again.

Another 'Rose' Washington, Aug. 16 (AP)—Attorney General Clark today freed the arrest in Tokyo of American-born Iva Toguri O'Connell in connection with wartime broadcasts over Radio Tokyo.

The attorney general said Mrs. O'Connell, native of Los Angeles and the wife of a Portuguese citizen, will be brought back to the United States to answer a treason charge.

Recriminations Follow Violation Palestine Peace

Arabs And Jews Trade Accusations Over Shooting After New Truce

Jerusalem, Aug. 16 (AP)—Arabs and Jews traded accusations of truce breaches today after the biggest outbreak of shooting here since the second cease fire began four weeks ago.

Mortar and heavy machinegun fire resumed throughout the Jerusalem area yesterday only 48 hours after the deadline for a new truce. Count Folke Bernadotte, the United Nations mediator, had asked both sides not to fire after the early morning hours of Friday.

The Jews, listing five casualties, said the Arabs were responsible.

(A spokesman for the trans-Jordan Arab legion said in Amman that the Jews attacked legion forward posts. The Arab spokesman said the attack was launched after U. N. observers notified the legion Saturday night that Israel had accepted Bernadotte's order not to return fire.)

(In Stockholm, Bernadotte's aide said the Jewish commander in the Holy Land had declared to reply to the order until he conferred with top Jewish officials in Tel Aviv. The final Jewish reply still has not been received in Stockholm, the aide said. They added that the report that the Jews had refused to accept a cease fire in Jerusalem was erroneous.)

Dr. Bernard Joseph, Israeli military governor of Jerusalem, said the Jews reserve the right to self-defense. But he said his command had re-issued instructions not to open fire and not to reply to enemy sniping in order that U. N. observers might establish responsibility for violations.

An Israeli army source said: "Arab forces launched a general attack and mortars, also laying a smoke screen in the (Arab-occupied) Sheikh Jarrah sector."

A heavy explosion was heard near the wall of the Old city, which is held by Arabs.

Envoys Again In Kremlin; Confer With Molotov

Moscow, Aug. 16 (AP)—Envoys of the United States, Britain and France conferred again today with Foreign Minister Molotov in the Kremlin.

The series of conferences started July 31.

The western diplomats are seeking a basis for talks to end the east-west differences and to solve the problem of blockaded Berlin.

Ambassador Walter Bedell Smith of the U. S., Special British Envoy Frank Roberts and French Ambassador Yves Chataignier left the British embassy and drove in a heavy rain to the Kremlin.

List 33 Cases On Polio Report

Raleigh, N.C., Aug. 16 (AP)—Thirty-three new cases of infantile paralysis were reported to the State Board of Health today. Total cases for the state for the year mounted to 1,497.

One additional death was reported from Lincoln County, making the state's death toll for the year 78.

Tobacco Now Being Taken To Greenville Warehouses

Farmers of Pitt county and surrounding areas already have begun bringing tobacco to the warehouses of the Greenville market for sale on opening day Thursday.

The influx of tobacco to the Greenville market began during the week-end and amounts of tobacco brought to the warehouses are expected to increase each day until the market opens.

The Greenville market this year, with its 17 warehouses and five sets of buyers, will be able to sell 10,000 baskets of tobacco each sales day, or a maximum of 3,000,000 pounds of tobacco each day.

Sales Supervisor Bill Wedbee commented today that the warehousemen of Greenville expect a maximum sale of 3,000,000 pounds on opening day and all indications are that the tobacco brought in for the opening sales will reach that amount.

Meanwhile prices on practically all grades remain high and farmers are selling their crop while the high prices continue. Prices now prevailing are at least 10 per 100 pounds higher than last year's prices.

On opening day last year the Greenville market sold 1,170,164 pounds for an average of \$42.98 per 100 pounds. This season, however, the maximum weight of a pile of tobacco has been raised from 250 pounds to 300 pounds per basket for the convenience of the farmers and in addition, the floor space of the Greenville market has been increased over 25 per cent.

Red-Ink Fiscal Forecast Is Hit By Republican Barrage

Russian Spy Charge 'Phoney' Says U. S.

State Department Says Affair Was Framed By Soviet Authorities; An Odd Case; Attache Left Moscow In May

Moscow, Aug. 16 (AP)—Pravda charges that an Assistant U. S. naval attache in Moscow was nabbed receiving secret military information from a Soviet official and was hustled out of Russia by demand of the Soviet government.

The charge by the Communist party newspaper exploded amid indications that the three western powers will renew their talks at the Kremlin today on the east-west crisis.

The assistant naval attache, Lt. Robert Dreher of Oil City, Pa., was "caught with the goods in his hand," Pravda said yesterday.

Both Dreher and the Russian officials involved confessed, the newspaper said.

The United States embassy was told that Dreher "had been caught in espionage," Pravda said, adding: "The evidence was so indisputable that the embassy did not even try to conceal it and, without protest, fulfilled the demand of the ministry of foreign affairs that Dreher immediately leave the Soviet Union."

U. S. Ambassador Walter Bedell Smith and the U. S. naval attache, Rear Adm. Leslie C. Stevens, refused to comment on the accusation.

In Washington, however, the State Department charged that the Russian authorities framed the espionage charge against Dreher. The department said the evidence was planted by the Russians after Dreher had applied for a Soviet visa to leave the country.

Dreher, 32, left Moscow May 1 His tour of duty in Moscow began in November, 1947. Before that he was naval representative in Odessa for more than a year.

Clark Says Spy Probe 'Handicap'

Washington Officials Lift Eyebrows At Soviet Tactics

Washington, Aug. 16 (AP)—Attorney General Clark contended today that the congressional spy hearings have handicapped a federal investigation into Communist activities.

Clark, turning down a new request by Senator Ferguson (R-Mich.) for loyalty data on William W. Remington, suspended Commerce Department official, said:

"Just how much damage to these efforts to arrive at a sound basis for prosecution has been done by the open hearings which have been conducted is difficult to say."

Ferguson wanted to know whether government agencies ignored FBI warnings when he said, Remington was transferred to three different confidential positions.

Ferguson, chairman of the Senate investigating subcommittee, said it would be all right to delete names of informants, sources of information and investigative technique in supplying the Remington data. This, he said, would not harm the loyalty program.

In a reply to Ferguson, which Clark made public yesterday, the attorney general said the matter had been taken up with the White House and that Ferguson's request "must be respectfully declined."

A New York federal grand jury, which indicted top officials of the Communist party in this country, "is still serving," Clark wrote Ferguson.

Georgia-Florida Average Prices Drop Last Week

Valdosta, Ga., Aug. 16 (AP)—Almost all grades of tobacco offered on Georgia-Florida futures markets suffered drops in average prices last week. The exceptions were nondescript and common leaf.

Losses ranged from \$2 to \$4, the U. S. Department of Agriculture reported. Increases were from \$1 to \$3. The greater percentage of the market offerings were made up of inferior grades.

For the week ending Aug. 13, Gross sales of 23,367,951 pounds at an average of \$40.47 were reported. This was a volume loss of about 18,000,000 pounds from the previous week, and a drop of \$6.31 in the average.

Sales for the season total 126,258,180 pounds, averaging \$48.04 per hundred pounds.

GOP Lawmakers Insist Treasury Will Wind Up To The Good; Charge Truman Juggled Figures For Political Effect; President Assails Tax Cut

Washington, Aug. 16 (AP)—President Truman's forecast that the government will be \$1,500,000,000 in the red next June loosed an angry flood of Republican charges today that he had deliberately juggled his figures for political effect.

GOP lawmakers insisted the treasury will wind up between five and six billion dollars to the good. They said there definitely will be money left over to pare down the national debt and possibly to cut taxes again.

Mr. Truman's sharply worded mid-year budget review blamed the Republicans "ill-timed" \$5,000,000,000 tax cut for putting the government back in a financial hole.

He said federal spending in the year ending next June 30 will hit a near peacetime record of \$42,200,000,000—more than \$6,000,000,000 over the outlay last year.

And instead of the record \$6,000,000,000 surplus of last June, Mr. Truman declared, the treasury faces an operating deficit of \$1,500,000,000 and a return to "deficit financing."

Actually, even if his figures pan out, the treasury's books will show an "adjusted surplus" of \$1,500,000,000. That's because Congress specified that \$3,000,000,000 of last year's excess funds should be shifted to this year's accounts to help cover foreign aid costs. Mr. Truman called this a "convenient bookkeeping device" to yield a "paper surplus."

"Indeed," the Chief Executive asserted, "as long as the present fiscal outlook prevails, we may face an expanded deficit even in a period of high national income when financial prudence clearly would indicate continuing debt retirement."

Just another campaign speech, said Chairman Bridges (R-Neb.) of the Senate Appropriations Committee. To which Chairman Milliken (R-Conn.) of the Senate Banking Committee added:

"Another of the weird distortions which are coming from the White House while its occupant is a nervous candidate for re-election."

Bridges insisted that instead of the \$1,500,000,000 deficit Mr. Truman predicted, there will be a surplus that will be not less than \$6,000,000,000.

Mr. Truman listed these as the "outstanding facts" of his budget review:

"1. Budget expenditures for the fiscal year 1949 are now estimated at \$42,200,000,000—substantially higher than was estimated in January—largely because of increases in the national defense program, increased benefits for veterans, and increased tax refunds.

"2. The tax reduction enacted in April will cause receipts for the fiscal year 1949 to be substantially lower than was estimated in January. Budget receipts are now estimated at \$40,700,000,000.

"3. As a result, an operating deficit of \$1,500,000,000 is now anticipated for 1949, compared with the record surplus of \$6,000,000,000 in 1948. This sharp reversal eliminates one of the principal forces that have been restraining further inflation.

"4. The public debt was reduced by \$6,000,000,000 in 1948. Present estimates indicate that no further reduction in the total debt will be possible in 1949.

"5. As we look ahead it is clear that our national and international responsibilities make impossible any sharp reduction in government expenditures in 1950—indeed it is likely that there will be some increases. It is plain, therefore, that the ill-timed tax reduction of last spring has left the government facing a period of deficit financing."

Long Delay For Espionage Case

Attorney General Claims Federal Inquiry Is Hindered

Washington, Aug. 16 (AP)—Russia's delayed spy blast at an American naval officer is viewed by officials here today as an attempt to cover up waning Moscow interest in the Kosenkina-Samarine school-teacher case.

Moreover, the State Department insists that the espionage charge against Lt. Robert Dreher is a deliberate Soviet frameup.

The department disclosed that American Ambassador Walter Bedell Smith bluntly told Soviet Deputy Foreign Minister Andre V. Vishinsky last April that he considered the evidence against Dreher had been "arranged" with the connivance of Russia's famous secret police.

The Moscow press and radio made a tremendous fuss yesterday about the apprehension of the alleged American spy last April 23 at the very moment when he was receiving secret and "unauthorized" information from a Soviet customs official identified only by the mysterious designation "E."

Officials here immediately raised two questions:

Why had the Russians waited almost four months to break the case and then chosen a moment of great excitement here and abroad over the Kosenkina and Samarine incidents?

Also why should the customs official be designated only with the letter "E" in the public release if the Soviets considered the charges legitimate and were bringing legal action against him?

Cars Damaged In Highway Crash

A Lincoln sedan driven by George Cherry, farmer of the Pacotolis community, and a Buick sedan driven by Shady Clark, elderly Negro preacher of the Fleming's Crossroads community, were badly damaged when they collided on the Bethel highway near the new Farmers Warehouse last Saturday night, a report at police headquarters states. Damage to each car was estimated at \$300. The drivers were not injured.

Police quoted Cherry as saying he was passing Cherry's car when he turned to the left and they collided. Both drivers were cited to Police Court, Cherry on a charge of not keeping proper lookout, and Clark for not giving proper hand signal.

Is America Awakened?

Fate Staged A Startling Eye-Opener For Americans In The Case Of A School Teacher From Russia; Shocking Aspects; May Hammer Home The Truth On Reds

By DeWITT MacKENZIE

Well, if America isn't finally awake to the machinations of Communism it isn't the fault of a fate which staged the amazing escape of the Russian school mistress from Soviet diplomats in the heart of New York City.

Conan Doyle never dreamed up anything more startling than the case of Mrs. Oksana S. Kosenkina. But maybe we had to learn the truths of life by seeing her husband to grave injury from the third story window of the Soviet consulate where she says she was imprisoned.

Perhaps we also had to witness the drama of Michael I. Samarine, another Russian teacher, who fled to asylum with his family, rather than be returned to the Soviet Union.

If we needed anything to cross the T's and dot the I's for us, it was Soviet Foreign Minister Molotov's brusque demand that both these teachers be surrendered immediately to Soviet authorities. This was before the consulate had taken Mrs. Kosenkina away from the White Russians, by whom she had been given refuge near New York. She now is in a hospital, closely guarded by city police.

The most shocking aspect of these cases is that Soviet officials demand to exhibit such brazen effrontery in a foreign country. British broke off diplomatic relations with Moscow for less than this back in the early days of the Soviet Union. And America withheld recognition of the Moscow government until 1933 for smaller sins.

However, the Bolsheviks have been taking advantage of their allies' tolerance since the war. They even have gone to the extent of carrying out wholesale spying in Britain, Canada and the United States, as was brought out by Chamberlain's exposure of the great Red spy ring.

Recriminations Follow Violation Palestine Peace

Arabs And Jews Trade Accusations Over Shooting After New Truce

Jerusalem, Aug. 16 (AP)—Arabs and Jews traded accusations of truce breaches today after the biggest outbreak of shooting here since the second cease fire began four weeks ago.

Mortar and heavy machinegun fire resumed throughout the Jerusalem area yesterday only 48 hours after the deadline for a new truce. Count Folke Bernadotte, the United Nations mediator, had asked both sides not to fire after the early morning hours of Friday.

The Jews, listing five casualties, said the Arabs were responsible.

(A spokesman for the trans-Jordan Arab legion said in Amman that the Jews attacked legion forward posts. The Arab spokesman said the attack was launched after U. N. observers notified the legion Saturday night that Israel had accepted Bernadotte's order not to return fire.)

(In Stockholm, Bernadotte's aide said the Jewish commander in the Holy Land had declared to reply to the order until he conferred with top Jewish officials in Tel Aviv. The final Jewish reply still has not been received in Stockholm, the aide said. They added that the report that the Jews had refused to accept a cease fire in Jerusalem was erroneous.)

Dr. Bernard Joseph, Israeli military governor of Jerusalem, said the Jews reserve the right to self-defense. But he said his command had re-issued instructions not to open fire and not to reply to enemy sniping in order that U. N. observers might establish responsibility for violations.

An Israeli army source said: "Arab forces launched a general attack and mortars, also laying a smoke screen in the (Arab-occupied) Sheikh Jarrah sector."

A heavy explosion was heard near the wall of the Old city, which is held by Arabs.

Envoys Again In Kremlin; Confer With Molotov

Moscow, Aug. 16 (AP)—Envoys of the United States, Britain and France conferred again today with Foreign Minister Molotov in the Kremlin.

The series of conferences started July 31.

Social and Personal

All items for this page received after 10:30 A. M. will be published the following day. Dial 3366 9:30 A. M. to Noon - 1:30 to 4:30 P. M.

Dr. and Mrs. J. K. Long and daughter, Mary Will, have returned from a trip through New England and Canada.

Mr. and Mrs. Tige Gardner have returned from a week's stay in Chicago where Mr. Gardner attended a sales meeting of the Vernon Company.

Miss Louise Baison spent the week-end in Farmville with Miss Gaye Pippin. While there she attended an officers meeting of the Pitt county C. Y. L. of the Christian Church.

Mr. and Mrs. Adrian Savage and son have returned from Adel, Ga., where Mr. Savage was on the tobacco market.

E. T. Regan of Oxford and John B. Regan, Jr. and T. J. Allen, Jr. of St. Paul, N. C., spent the week-end with Mr. and Mrs. Hiram J. Mayo, Sr.

Miss Janet Brown has returned from a visit to her aunt, Mrs. George Edmondson in Scotland Neck.

Carl Whitehurst, who has been visiting his parents, Mr. and Mrs. D. C. Whitehurst, left yesterday for Asheville where he will be coordinator of Distributive Education this coming school year at Lee H. Edwards high school.

Tom German of Richmond came in Thursday evening.

Miss Fannie Hardee returned Friday evening from Seven Springs. R. L. Humber went to Pictious today.

Oscar Greene went to Ayden this morning.
Miss Jamie Bryan left Saturday evening for a visit in Plymouth. There are between 75 and 100 hands at work on the buildings for the Eastern Carolina Teachers Training school and the walls are going up rapidly.

home on West Fourth street. Mr. and Mrs. Daniel Saleed entertained at dinner as a prenuptial courtesy for Miss Jerry Skinner, bride-elect. White flowers, flanked with green candles, centered the table at which covers were laid for close friends of Miss Skinner. Dinner was served in three courses.

Mr. and Mrs. Saleed presented their honor guest a box of beautiful towels.

Miss Williford Honored

Mrs. F. K. Tomlinson honored Miss Hazel Williford at a coca cola party Saturday morning at the home of her mother, Mrs. J. S. Willard. Miss Williford was remembered with a pink calliglad corsage tied with rainbow ribbon, a silver vase and crystal. Mrs. J. B. Kittrell, Jr. was remembered with linen guest towels. Mixed summer flowers centered the dining table where guests were invited to cakes, fancy sandwiches green and white cup cakes, cheese straws and hors d'oeuvres.

W. C. T. U. Notes

Mr. J. C. Waldrop will be the guest speaker on the W. C. T. U. radio program tomorrow at 4:45.

SOCIAL CALENDAR

TUESDAY

8:00 p. m.—Chapter 149 of the Eastern Star will meet.

8:00 p. m.—Mrs. Stuart Page and Miss Eleanor Branch will entertain Miss Geraldine Skinner, bride-elect, at a bridge party.

8:00 p. m.—Mrs. Gherman Taylor and Miss Mary Barden Taylor will entertain at bridge at their home honoring Miss Hennie Ruth Whichard, bride-elect.

WEDNESDAY

8:00 p. m.—Mrs. C. Rex Porter, of Durham will entertain at bridge at the home of her mother, Mrs. W. G. Leggett, honoring Miss Jerry Skinner, bride-elect.

THURSDAY

10:30 a. m.—Mrs. Conrad Getzinger will entertain at a coca cola party at the home of Mrs. S. B. Currin in honor of Miss Hennie Ruth Whichard.

3:00 p. m.—Mr. and Mrs. Clem Garner will entertain at an overnight house party at their camp on Core Point honoring Miss Hennie Ruth Whichard and Mr. Verlin J. Gripp, bridal couple-elect.

8:00 p. m.—Mrs. William Hathaway and Miss Virginia Simpson will be hostesses at bridge at the home of Miss Jerry Skinner, in honor of Miss Jerry Skinner, bride-elect.

FRIDAY

4:30 p. m.—Miss Jerry Skinner, bride-elect, will entertain at tea honoring her bridal attendants.

8:30 p. m.—Kiwans Club.
8:00 p. m.—Rehearsal for Strayhorn-Skinner wedding in Memorial Baptist Church.

8:45 p. m.—Rehearsal for Byrd-Williford wedding in Immanuel Baptist Church.

9:00 p. m.—Mr. and Mrs. Aubrey B. Taylor will entertain the Strayhorn-Skinner wedding party at a cake cutting in the church parlor.

10:00 p. m.—Dr. and Mrs. H. C. Haynes will entertain at a cake cutting honoring the Byrd-Williford wedding party.

SATURDAY

11:00 a. m.—Mrs. Alan Smith and Mrs. Jack Marshburn, of Wilmington will be hostesses at a coca cola party in compliment to Miss Jerry Skinner, bride-elect.

11:30 a. m.—Miss Christine Jordan and Max Williford will entertain the Byrd-Williford wedding party and out of town guests at a wedding breakfast in the Magnolia room of the Proctor Hotel.

5:00 p. m.—Mr. and Mrs. Le Roy Arnold will honor the Byrd-Williford wedding party and out of town guests at dinner at the Airport Inn.

5:00 p. m.—The wedding of Miss Jerry Skinner and Kenneth Strayhorn will take place in Memorial Baptist Church.

5:30 p. m.—Mr. and Mrs. William Rufus Skinner will entertain at a reception, honoring the Strayhorn-Skinner wedding party at their home on West Fourth street.

8:00 p. m.—The wedding of Miss Hazel Williford and Colin Byrd will take place in Immanuel Baptist Church.

8:30 p. m.—Mr. and Mrs. David Williford will entertain at a reception at the Woman's club honoring the Byrd-Williford wedding party.

Honored at Bridge
Miss Jenny Joyner was hostess at bridge Thursday night in honor of Miss Hazel Williford. Miss Joyner and Mrs. Joyner greeted the guests as they arrived. The living room was tastefully decorated with mixed pastel summer flowers in crystal bowls. On the dining table was a large bowl of pastel flowers with double crystal candlesticks at either side holding white tapers. The same arrangement was carried out on the buffet.

Miss Williford was presented a corsage of white carnations upon her arrival, and then three progressions of bridge were enjoyed by the guests for several hours. At the conclusion of the games Mrs. Ray Wase was presented a beautiful linen lace handkerchief for high score, and Miss Margaret Lee Duke received hand lotion as consolation prize. Mrs. Bob Sharp was the last guest to bid and make a slam. She received novel salt and pepper shakers of plastic roses.

Silver candle holders with white candles decorated with white carnations and ribbon adorned the bridge tables at refreshment time. Individual ice cream molds of wedding rings, shoes, bells and brides and grooms were served with wedding cake and nuts. Mr. Henry Renfrew came in and took informal pictures of the honored and invited guests. After refreshments Miss Williford was surprised with a shower of many beautiful and useful gifts. Mrs. W. C. Byrd, Mrs. David Williford and Mrs. Howard Mims were refreshment guests.

Joint Hostesses at Party
Mrs. Knott Proctor and Mrs. W. F. Young were hostesses at a coca cola party honoring Miss Hazel Williford last Thursday afternoon at the home of Mrs. Proctor on East Fifth Street. Close friends called and enjoyed coca colas, dainty sandwiches, potato chips, hors d'oeuvres, nuts, mints and cookies. The house was decorated with beautiful summer flowers in bloom at this season.

Gone to Niagara Falls
Mrs. Bertha Parker, Mrs. Arlene Davis and Mr. and Mrs. Carlisle L. Dupont left Saturday for Norfolk, Va. from where they were to leave for Philadelphia, Monclair, N. J., New York City and Niagara Falls. They will be away about a week.

Birth Announcement
Dr. and Mrs. Francis Norris of Beaufort announce the birth of a son, David Franklin, on August 6, in Kingston Memorial hospital. Mrs. Norris is the former Miss Eleanor Harrington of Greenville.

The leaning tower of Pisa is 179 feet tall and inclines 18 1-2 feet from the perpendicular.

We Hail Another "North State"

Voters of North Dakota have outlawed parking meters in that whole state.

The Goldsboro News-Argus hails the citizens of that other "North State." We don't have parking meters in Goldsboro, we never have had them, and we're not a-going to have them so long as the News-Argus can put pepper and vinegar in its editorials.

Come and see us — parking free.

Back From Georgia
Billie Branch of Winterville, who auctioneered on the Fitzgerald tobacco market this season, returned Saturday night. His family accompanied him.

Boy In Lonely Vigil Near His 'Sleeping Mother'
Savannah, Ga., Aug. 16—(AP)—A five-year-old boy kept a lonely, five day vigil over the body of his mother, county police reported yesterday after she had shot herself to death in her bedroom.

Chatham county coroner Harold Smith said the woman, Mrs. Marion Anderson, apparently had killed herself Wednesday. Friends, on a chance visit to the Anderson home, found her Saturday night.

Policeman G. B. Brinson said the body was lying across a bed, with a shotgun nearby. The son, Tommy, was holding a fly swatter to protect his "sleeping mother." He had lived on food taken from the ice box.

Mrs. Anderson was the wife of a merchant seaman on the S. S. Pan-American.

The eye is only an instrument of vision. Sight is a brain process dependent for its correct functioning on the normal reaction of the nervous system.

A bird's wing composed of feathers is a much more efficient and elastic instrument of flight than the wing membrane of all other flying creatures, from butterflies to bats.

Blast And Panic In Reno Tragedy

Reno, Nev., Aug. 16—(AP)—Fire, a-shattering explosion and panic among several hundred spectators left a toll of five dead, one missing and 137 injured in Reno's worst tragedy in its history.

The fire broke out about 10 a.m. yesterday in a false-fronted frame and brick building in the old business district. It drew several hundred onlookers, massed around the scene just a few blocks east of the city's gambling quarter.

The sudden explosion and fire killed the fire chief of a nearby city and four men. A sixth, a Reno fireman, was missing. The blast sprayed injury among the spectators. Some were trampled in the rush to get away.

As firemen fought to prevent the blaze from spreading to adjoining buildings, a policeman warned the crowd to get back—that "there's dynamite in there."

"A few of the timid retreated," said John Sanford, city editor of the Reno Gazette. "The rest pushed closer. There was a roar. Smoke, shot through with spurts of flame, blanketed a half block of Laze Street."

The crowd, showered with smoking debris and splinter glass, broke in panic. Some were trampled underfoot. Others were badly cut. All available ambulances were summoned, some racing to Reno from points as distant as Truckee, Calif., 35 miles west of here.

SUMMER LIGHTNING—The brightly-lighted power plant at Iowa City, Ia., is silhouetted against a lightning barrage during a thunderstorm. Three lightning bolts head groundward in this 3-minute exposure by James Showers of the University of Iowa.

tainly intend to keep them from being kidnaped on our own home grounds. Fellow travelers please note!

Alexander Dumas the elder, The Count of Monte Cristo and other novels, was of part Negro blood.

Not a single bird has become extinct in Africa, and only one or two in Asia, South America and Australia.

Cadillac

For almost fifty years, the Cadillac name has been reserved for cars of the very finest character—possessing every good quality the term implies.

DISTINCTION

Small wonder that Cadillac has come to occupy a place of distinction entirely apart—the one name that comes quickly to mind, among people of all ages, when conversation turns to quality in automobiles.

Today, Cadillac enjoys a special distinction—for, in addition to being the world's finest car, it is also the world's smartest. One glance as a new Cadillac glides past on the highway—and you know you have seen the modern trend in automotive design.

Planes To Bring Polio Equipment

Washington, Aug. 16—(AP)—Two Air Force cargo planes were to leave their Greenville, S.C., base today on the first leg of their mercy mission to aid the new Greensboro, N.C., polio hospital.

The big aircraft are headed for a La Crosse, Wis., factory to pick up nearly seven tons of special heating equipment. They will leave La Crosse early tomorrow for the Greensboro-High Point airport where they are due at about noon.

The equipment will be sent the remaining 29 miles to the Greensboro hospital by truck.

The flight is being made in response to an appeal by Municipal-City Court Judge E. Earle Rives of Greensboro.

Meanwhile, construction work on the 136-bed hospital was being pushed 24 hours a day, with workers donating their services and many firms supplying building material at cost. Contributions from citizens in the epidemic area are financing the work.

Weak U.N. . . .

(Continued from Page One) what the world police should be. Russia delayed for three months. The other four nations turned their estimates in right away.

The following estimates are for an over-all force, with no indication how much each nation should contribute to them. They include only the most important contingents listed by the big five:

	U. S.	France	China	and	U. S. S. R.
AIR FORCE					
Bombers	1,250	775	600	600	600
Fighters	2,250	300	400	300	300
GROUND FORCES					
Divisions	20	16	8-12	12	
NAVAL FORCES					
Battleships	1	3	2	0	
Carriers	6	6	4	0	
Cruisers	15	9	6	8-6	
Destroyers	84	18-24	24	24	

The figures tell their own story to military experts here. The United States wants a much stronger U. N. than Russia. And it wants the U. N. markedly stronger at sea than Russia. Russia wants no battleships or carriers at all.

Off-the-record talk points out that Russia's strength is in her great land army.

Is America . . .

(Continued from Page One) Just what desperate lengths Communism is prepared to go, even risking a rupture of diplomatic relations with a friendly country.

Washington has taken a firm stand in the case of the Russian teachers. The State Department has promised asylum for both of them if they want to remain in America, as they are expected to do. American police are guarding them carefully. Mrs. Kosenkina is gravely injured, but the doctors seem to think she will recover, though it will take a long time.

Meantime in Moscow American Ambassador Bedell Smith has denied flatly the Soviet government's charge that official agencies of the United States were involved in kidnaping at least one of the teachers. We don't kidnap them but we est-

Strength FOR THE DAY

FAILURE CAN REGISTER TRIUMPH

A great American inventor was asked last winter to address a scientific group on the topic, "Can We Produce Inventions?" His position was that we can produce inventions provided these men are not unwilling to face perhaps a whole life of failure. He made it plain that most great inventors have built on the negative experiments of a lot of men who worked, apparently, failed, and died without seeing the thing brought forth for which they had hoped.

Are you willing to fail intelligently? In the Epistle to the Hebrews, the author speaks of those who "having had witness borne them through their faith, received not the promise, God having provided some better thing concerning us, that apart from us they should not be made perfect." For centuries men had been contending and dying for certain spiritual values without seeing them bear fruit. The early Christians, and you and I as their successors, entered into the triumph which their sacrifices helped to bring about. They had failed - intelligently.

Jesus failed in the eyes of his generation, but his failure was so cosmic in its significance and so universal in its witness that his spiritual fulfillment has been mirrored every human soul as the result of this apparent failure.

Around Capitol Square

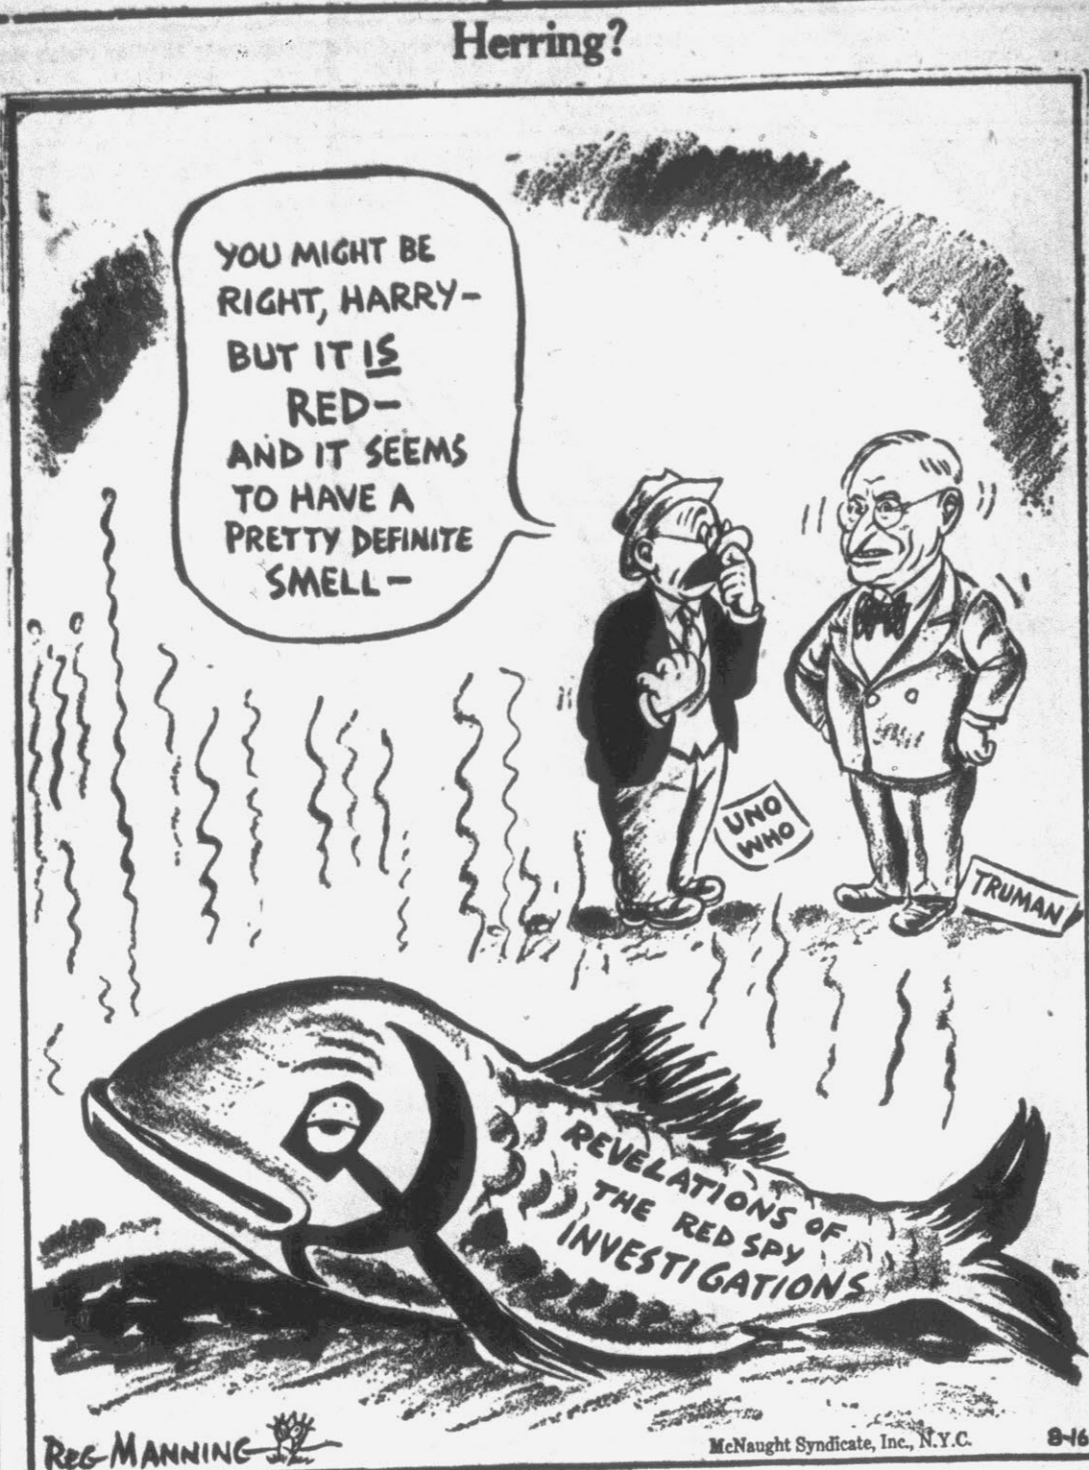

CONCERNED—Democratic leaders from all parts of the state, here to attend the executive committee meeting, did not attempt to hide their concern over prospects of small majorities this fall. Congressman W. P. Horton and Capt. Wyszynski, along with Governor Cherry, Governor-elect Kerr Scott and Senator-elect J. M. Broughton, used optimistic words in their very short talks, and drew applause from the audience. The way the 140 to 150 assembled Democrats cheered the speakers indicated they liked the words, but didn't have too much faith in their accuracy. In private conversations admission was made that a great many people—unless they change their minds.

OPTIMISM—There were scattered notes of optimism on the probability that some who now think they cannot take the full Democratic ticket, will come around before November 2 to conclusion it offers the best chance of accomplishing objectives. This was more noticeable among easterners and westerners than among people in the middle part of the state.

SECTIONAL—Nere Day, Onslow county attorney, commented on his findings during a recent trip across the state. He said there was some disaffection on the coast, and some in the mountains, but most of it he found was in the piedmont. This sectional difference was partially explained by the fact that coastal and mountain counties have always taken their politics straight, Democrats having to fight Republicans out in the open, whereas in the industrial piedmont has traditional Republicanism. The 1948 crop of State's Righters was compared with the 1928 Hoover-Democrats, the 1940 Willkie-Democrats and the 1944 Constitutional Democrats. While not always the same persons, the groups are made up of essentially the same type.

FEELING—Somewhat paradoxically, the anti-Truman, or more accurately the anti-civil-rights, feeling is much deeper in the trade east. Senator Julian Albrooke of Halifax noted that there is bound to be different feeling in counties where Negro population exceeds white, than in counties where the non-white population is in minority, or negligible. Resentment against the national Democratic platform in the piedmont is largely intellectual; in the heavy Negro counties it is more emotional. Evidence is that fewer easterners will actually vote for Dewey (or for Thurmond if he gets on the ballot), but more of them will just stay away from the polls or ignore the presidential ticket.

ATTORNEY—There may be significance in selection of an eastern

attorney, Edwin H. Malone of Franklin county, to file the suit in behalf of the District effort to get Thurmond and Wright on the ballot. This was interpreted in some quarters as inducement for easterners not to stay away from the polls, and thereby cut down the majority for the state Democratic candidates.

Women In The Church

By MARY FOWLER
Miss Clementina Butler, of Boston, Mass., who gave a lifetime of service as a missionary in India, where her father, the late Dr. William Butler, was the founder and pioneer of the work of the Methodist Church, was the guest of honor at the diamond jubilee of Methodist missions in Mexico from August 3 to 8. Miss Butler's father and her

WASHINGTON LETTER

By JANE EADS
Washington—The CARE packages you send to Europe are your own little Marshall Plan. They reach the hungry individual personally and each one knows he has a friend in America. This is what officials of the Economic Corporation Administration believe. They hope the programs of CARE and other voluntary agencies engaged in foreign relief will continue. There has been some confusion on the part of many individuals as to the extent of the ECA program, and CARE officials say the sending of food packages abroad dropped about 50 percent when ECA went into action.

"ECA is NOT distributing relief," says Taylor Wood assistant to Paul G. Hollman, ECA Administrator, explained at a luncheon recently. "We are bankers for recovery using normal channels of private trade to the maximum possible extent. ECA seeks the partnership of individual Amer-

ican in the great undertaking of European recovery. The individual American, through the voluntary agencies, can do the complementary relief job. He can also supply the necessarily impersonal character of government programs."

More than \$50,000,000 in packages has been delivered in 15 countries through the CARE organization since it was founded. About 85 percent of the packages are still sent to friends and relatives, but about 15 percent are now being sent on group-to-group basis or as "general relief."

Paul Comby French, executive director of CARE reports that the students and teachers of America's grade schools, high schools and colleges have sent \$600,000 worth of CARE packages to similar groups in Europe. The AFL and CIO have sent close to a million dollars worth of packages to trade union families in Europe, and numerous religious, rural and civic groups have also participated in the program.

CARE packages cost \$10. "CARE's operation is feasible only if \$10 worth of food or textiles in the United States exceeds that value in any country served," Mr. French explains. "When \$10 will buy equivalent food abroad, in commodities which contribute to health and welfare, CARE service will no longer be needed."

Mr. French adds that CARE is a service organization that responds to changing conditions. Similarly, he says, changes in the basic food packages are made from time to time. Beginning Aug. 1, rice was added, for instance. The works shortage was abated sufficiently to permit it to be included in packages.

There are three "caravans" of Methodist young people in Europe and North Africa this summer serving in reconstruction projects among youthful war victims—classes, clinics, social services. They are there under the joint auspices of the Boards of Missions and Education of the denomination. In Algeria and Tunisia are: John M. Huebner of Minneapolis, Minn., counselors; James A. Sanders of Memphis, Tenn.; Miss Margaret L. Briggs of Newton, Iowa; and Miss Margaret R. Taylor of Asheville, North Carolina. In Poland and Czechoslovakia: the Rev. Milo J. Wondrack of Arlington Heights, Ill., counselors; Miss Jeanne Joyce of Haddonfield, N. J.; Miss Helene Kane Currier of Lawrence, Kansas; and David A. Rodgers of Norman, Oklahoma. In Norway and Sweden: Walter C. Eyster of Oshkosh, Wis., counselor; Miss Nellie F. Howard of Montgomery, Ala.; Miss Mildred A. Smith of Greenville, S. C.; and Robert E. Breihnan of Kerrville, Texas.

Bank Resources Disclose Growth

By LYNN NISBET

Raleigh, Aug. 16 — Composite statement of all banks doing business in North Carolina as of June 30 shows aggregate resources of \$1,827,344,194.81. This is more than four times the aggregate bank resources reported in 1933.

Almost three fourths of the total is in state commercial banks, with national banks reporting \$486 million and industrial banks over \$84 million dollars.

There are 153 commercial banks with 158 branches; 5750 national and 29 industrial banks, a total of 398 banking houses—an increase of seven during the year.

Assets of the 96 industrial loan agencies under supervision of the state banking commission were reported at \$5,642,415.33.

Changes noted during the year were small increase in cash in vaults and due from other banks; substantial increase (more than 65 million dollars) in loans and discounts, indicating more money at work; and a substantial decrease in amounts invested in government bonds. There was a twelve million dollar jump in deposits by individuals, partnerships and corporations.

Aggregate resources in North Carolina banks first reached the billion dollar mark five years ago, and the total has increased steadily since the state moved out of the depression in 1935-36.

PUERTO RICO HOUSING PROJECT — These are part of 7,000 five-room concrete homes which are being built near San Juan, Puerto Rico, at the rate of 50 per day. They will sell for \$4,000, with payments of \$25 monthly. Non-veterans must pay \$400 down; veterans nothing. The Insular Government worked out \$30,000,000 project with help of Leonard D. Long, Charleston, S.C.

NOVELIST AILING

San Rafael, Calif., Aug. 16—(AP)—Novelist Peter B. Kyne was taken to a hospital last night suffering from a heart attack. However, doctors said the 68-year-old San Franciscan was not seriously ill and may leave the hospital today.

Gold-bearing sands are found in every river which rises in Tibet.

Police Round Up Marauding Kids

Charleston, W. Va., Aug.—(AP) Police yesterday said they rounded up a marauding band of 20 masked children, who had dubbed themselves "junior Ku Klux Klansmen."

The gang contained 11 white boys, six Negro boys, and three white girls, all between the ages of nine and 15, Sgt. Frank Riddle, head of the juvenile bureau, said.

They told police they donned waist-length white robes marked with crosses and skulls and crossbones, and then ransacked automobiles, stole bicycles, and beat smaller children.

Riddle said they carried "black-jacks" made of wood and metal covered with a thick tape.

Police said most of the children's parents knew about the activities but "didn't seem to pay any attention to it." The kids said they got the idea from a movie about the Ku Klux Klan.

None of them had police records, and after a warning they were turned over to their parents without charges.

Appoint Bryant New Secretary Of Demo Party

Raleigh, N. C., Aug. 16—(AP)—Victor S. Bryant of Durham is the new secretary of the North Carolina Democratic party.

He succeeds Leroy Martin of Raleigh. His appointment was announced Saturday by Capus Waynick, who Friday night was elected chairman of the party's state executive committee.

Bryant took the post after conferring with Chairman Waynick, vice chairman Mrs. D. A. McCormick, Governor nominee W. Kerr Scott, and Senator-nominatee J. Melville Broughton.

The selection maintained the keynote of harmony at the executive committee session Friday at which all factions joined in unanimous approval of Waynick and Mrs. McCormick, who supported Coot and Broughton in the primaries. Bryant backed Charles M. Johnson for the gubernatorial nomination and Sen-

ator William B. Umstead for the Senatorial nomination.

The size of stockings is based on the distance in inches between a point on the toe and a point on the heel measured up in a straight line.

Kinston Wins Clean Sweep Of Weekend Tilts; 22-7, 1-0

Greenies Lacked The Punch To Take Advantage Of Tate's No-Hit Effort Sunday; Saturday's Game A Landslide Affair

By BERT MOYE

Manager Kelly Kee and his Greenville Greenies lost both weekend tilts to the Kinston Eagles, dropping the Saturday night affair, 22-7, and then losing 1-0 over in Kinston Sunday afternoon.

The Kinston Eagles blasted five Greenville hurlers for 21 hits good for 30 total bases, including three doubles and two two-run homers by Bill Jeffries and Charlie Richkus here Saturday night to give the Greenies the worst beating they have had during the entire current season and when the final count was added up the score was 22-7 in favor of the Eagles.

The game was one of the worst exhibitions of baseball (if you could call it that) seen on the local diamond this season and really showed to the local fans Greenville's weaknesses in hitting, fielding and in the pitching departments.

The Eagles flew high as they scored in every frame with the exception of the first, fifth and ninth frames, but really made up for it in the other six innings which they scored.

The Eagles used three hurlers but all three of them allowed the Greenies only eight hits good for nine total bases with Moe Carter getting a double for the only extra base hit of the game.

Score by innings:

R	H	E
Kinston	22	30
Greenville	7	9

Sunday's Game
Playing quite the reverse from their Saturday night affair with Kinston, the Greenies lost a heart-breaker to the Kinston Eagles over in Kinston Sunday afternoon by the score of 1-0.

Johnny Tate, Greenie ace hurler, pitched 12 and one-third frames without allowing a hit, but the 13th proved his downfall when the Eagles collected three singles and a walk to put across the winning marker. With one out in the 13th, Jeffries slashed a clean single to right, and Tepedino followed with a single to center. Collins walked to lead the bases. Deaton then blasted the ball to center to account for the winning run.

During the 12 and one-third frames which Tate pitched he walked four men and struck out five. Charlie Timm, on the mound for the Greenies, blanked the Kinston bats for the 13 innings to give Tate a no-hitter. He walked only two men, both free passes being intentional, and struck out five men. Billy Wood collected four singles in six trips to the bat to lead the Greenies at bat.

The Greenies had 10 men stranded on bases during the game and on five different occasions had a chance to score, but lacked the punch that was necessary to give Tate a no-hitter.

The win for the Eagles was their 12th of the season against the Greenies as against six losses. The loss for Tate was his second against the Eagles this season. He has defeated the Eagles on two occasions. The Greenies will play the Wilson Tobs here tonight at 7:45 o'clock in the first of a two-game series between the two teams. So far this season the Tobs have won nine out of the sixteen games played with the Greenies.

Terps' Big Back Said Ineligible

Richmond, Va., Aug. 16—(AP)—Lucien Gambino, the University of Maryland's All-Southern conference back, won't be eligible for conference football this fall unless the conference's executive committee rules differently.

Colonel William Couper, of Virginia Military Institute and Southern Conference president, said from his home in Lexington last night that Gambino was ineligible to play more football for the TERPS because Gambino entered Indiana when there was no war and when the freshman rule was still in effect.

"Conference rules now allow three years of varsity football," Couper explained. "My records show Gambino entered the University of Indiana in 1941 and played his first season of varsity football the next year."

"He played his second and third at Maryland the last two seasons." But Maryland Coach Jim Tatum, who was in Atlanta to participate in Georgia Tech's football clinic, said Lu's army service, which interrupted his college work, makes him eligible to play four full years.

"We will appeal the case as far as we can," Tatum said. "Of course, if the conference votes against us in the end we will have to abide by the conference ruling."

When Billy Meyer this spring indicated that he was counting on the veteran Fritz Ostermuller for spot pitching, the 41-year-old mound marvel of the Pittsburgh Pirates said that would suit him perfectly provided by the Dodgers and the Cardinals.

Ostermuller has a deep and arduous dislike for the two clubs, and behind it all is the one and only Branch Rickey. It is for Rickey that Fritz carries the grudge.

Rickey has been a "jinx" to Ostermuller. Back when Fritz was an ambitious young hurler he was in the Cardinal chain, and Branch Rickey ruled the chain-gang. Fritz later moved up to the Dodgers and once again it was Branch Rickey, who denied him a real chance. The final straw came when Rickey tried to send him to Syracuse when the veteran hurler had only 14 days to go before becoming a ten-year man, and therefore no longer returnable to the minors unless he so desired.

Fritz took his case to Judge Landis and while the Judge was deliberating Pittsburgh stepped up and bought his contract from Syracuse. Ostermuller has turned in several brilliant pitching performances this season but none equalled his bid for a no-hitter in his -948 bow against the Cincinnati Reds. With two out in the seventh inning, Hank Sauer poled out a home run for the first Cincinnati hit and shattered Ostermuller's dream. At 41, however, a chap can't expect to be around the majors much longer, even if he is Fritz Ostermuller.

Some factories in Sweden which were moved to caves during the war continue to operate there because expenses for heat and maintenance are small.

Fishpower
Lake George, N. Y., Aug. 16—(AP)—Permission has been sought to try out a shark-propelled pontoon boat in Lake George Sunday.

Paul Choteau, veteran long distance swimmer, telegraphed Sheriff E. G. Baker from New York for permission to try out the fish-powered boat here.

Choteau, who will compete in the annual Lake George Marathon swim on Sept. 8, telegraphed to his specialty constructed pontoon craft. Choteau's telegram said that if the experiment worked, he would try it with a 200-pound shark in Florida this fall.

Five-Foot Putt Missed By Babe, Cost Her \$1,000
Northfield, N. J., Aug. 16—(AP)—A five-foot putt missed by Mrs. Mildred (Babe) Zaharias cost her \$1,000 yesterday in the women's national open golf tournament, as she easily captured the event at the Atlantic City Country Club.

As it was, the Ferndale, N. Y., star collected the winner's purse of \$1,200 with an even 30 for 72 holes, eight strokes better than Betty Hicks, Detroit, in second place.

"That's the kind of game I've played, couldn't get a putt down," the Babe said.

A Country Club member offered \$1,000 to any of the 11 professionals in the tournament scoring under 300.

The average serving of roe in restaurants is half of a large shad roe, or from 10,000 to 15,000 eggs. The total number of eggs in the roe taken from a single fish is from 23,000 to 32,000.

The pigeon is the only bird that drinks by suction. All other birds take the water into their mouths and throw their heads back in order to swallow.

Japs Return To Swim Spotlight

Paris, Aug. 16—(AP)—Japan soon may be coming back into world swimming competition via the record books.

There may be more trouble getting the Germans back to the big show-time of water racing. It is a fact there is no immediate prospect the Germans can be reinstated because it now would take a four-power agreement including assent from Russia in the torn up postwar political field.

Apparently all Japan has to do is go through simple formalities that may be engineered by the dominant occupying powers in Japan.

The Japanese are the more potent threat to the rest of the world in swimming because they led Olympic competition in the immediate pre-war era by winning most of the races in the 1932 games at Los Angeles, and the 1936 Berlin games.

These are the opinions of Max Ritter, of Philadelphia, secretary and one of the founders in 1908 of the Federation Internationale De Natation Amateur (FINA).

The Japanese, with some world record breakers on their hands, have applied for reinstatement in FINA, ruling body of the Olympic swimming records. The Germans have not yet come along because they lack a central governing body in the postwar period for water sports.

Japan's application is now held in abeyance by FINA, after some deliberation, because of the defeated enemy status of that country.

Americans Won Olympics With Lopsided Score
London, Aug. 16—(AP)—Athletes from Communist-dominated eastern Europe who came to Britain for the Olympics are seeking ways to avoid going home.

A check today showed at least five men—two Czechs and three Hungarians—have announced plans to stay in England. Several Yugoslavs and Poles have asked about their chances of staying here or going to the United States or Canada.

Almost a third of the Hungarian Olympic squad of 125 is still in England. Many Czechs are still here and will remain for the funeral of one of their group, a girl gymnast who died Saturday.

Ted Schroeder Top Seeded In Newport Entry
Newport, R. I., Aug. 16—(AP)—Ted Schroeder of La Crescenta, Calif., seeded number one among the Americans and Tony Mottram of Great Britain was top-seeded among foreign entries today as the annual Newport Casino Invitation tournament got underway.

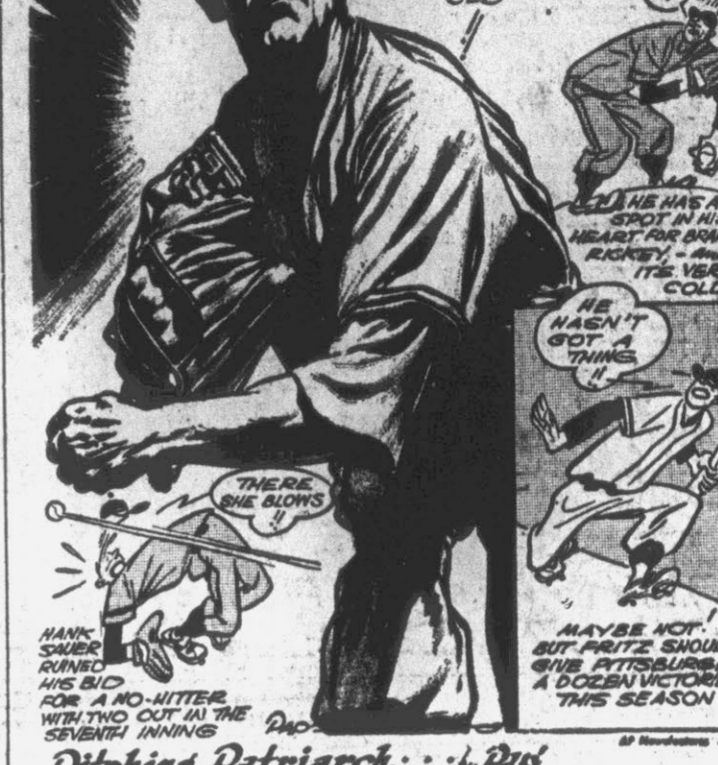

Gardnar Mulloy of Miami, Fla., Billy Talbert of New York and Bob Falkenburg of Hollywood, Calif., follow Schroeder in the listings. Other outstanding players among the field of 84 are the Australians who won the 1948 Wimbledon doubles title—Frank Sedgman and Jack Bromwich.

Other domestic seedings: Richard (Pancho) Gonzales, Los Angeles, Calif., fifth; Victor Seixas, Philadelphia, sixth; Earl Cochell, Los Angeles, seventh; Budgie Patty, Los Angeles, eighth; Tom Brown, San Francisco, ninth; and Jim Brink Seattle, Wash., tenth.

Ruth's Condition Is Unchanged; Spent A Comfortable Night
New York, Aug. 16—(AP)—Babe Ruth, baseball's critically ill slugger, spent a comfortable night but his condition shows no "significant change" today, hospital attaches reported.

Ruth assisted by nurses, walked shakily to an easy chair yesterday, and conversation was kept to a minimum as he sat there for 20 minutes. Only members of his family and two intimate friends were there when he got up.

T' Vs. Wingback Is Still Undecided
Evanston, Ill., Aug. 16—(AP)—Still a moot question among themselves, the College All-Stars will play the Chicago Cardinals decide Friday night whether the T-formation or single wingback attack is hardest to stop when properly engineered.

The All-Stars zigged and zagged well over Dyché Stadium Saturday in an intra-squad game testing the two systems. Although the T-formation squad edged the single wingback, 33-28, you wouldn't bet on the same outcome two-out-of-three. Both attacks will be used against the Cardinals.

The T-formation wingback, operating with Charley Conzelmann of Mississippi, headlined by defender of St. Mary's and Bump Elliott of Michigan in the backfield was every bit as devastating as the Notre-Dame stacked 'T' with All-America Johnny Lujack at the controls.

All that Cardinal scouts got out of Saturday's demonstration was a big headache which they promptly passed onto Coach Jimmy Conzelmann at the Cards' Waukesha, Wis., camp.

Whereupon Conzelmann, who can match crying towel tactics any day with All-Star Coach Frank Leahy of Notre Dame, wept copious tears for the plight of his National Football League champions before some 100,000 fans at Soldier Field Friday night.

"Man for man," moaned Conzelmann, "this is the greatest all-star team ever put together."

Parker Rests On Newly Won Title
South Orange, N. J., Aug. 16—(AP)—Even if he is denied a singles berth on the United States Davis Cup Tennis team, Frank Parker, the new eastern grass courts titlist, will not play in the Newport singles tourney starting today.

Parker, who completely outclassed defending champion Ted Schroeder in winning the title yesterday, 6-2, 6-7, 6-2, said he thought he had earned the right to play in the cup competition.

A MAN IN THE HOUSE

By Florence Stuart

Chapter 37
Jane had the craziest desire to burst into wild sobbing. Carl's tenderness unnerved her; she had an odd feeling that there was some deeper meaning behind his words. A feeling that this might be a terribly important moment. The moment when they might recapture what they had lost. But their guests were arriving and it was not the time to reach back for the past. It was not the time for crying, or for putting their love back together again. So Jane simply smiled and said: "Don't Carl. You'll muss my dress."

And then she went downstairs. It was around ten o'clock when the phone rang. The radio was tuned in to a program of old recordings. Jane was dancing with Carl. She was quietly happy in his arms. This is a wonderful moment, she thought. She remembered the first time she had danced with Carl, the night she had met him. That had been another wonderful moment. Perhaps that was the way life was intended to be. Not all high spots, not forever living at concert pitch, as Carl had once put it. Just a magic-kissed unutterably lovely moment now and again. And in between the still, quiet times, a little dull perhaps, but making the good moments seem all the better when they came.

Carl smiled down at her. "Happy?" he said.
"Yes, very."
Carl smiled. "You want to know something else, honey? You're beautiful and I love you."
"Do you, darling? Oh, do you?"
"Don't you know it? Do you ever really doubt it?"
"Sometimes I do," Jane said honestly. "Sometimes, of late, I'm not sure of anything."
"I know, baby." His arm tightened around her. "Not even of yourself." A brief flicker of sadness crossed his eyes. It may have been pity. For himself. For her?

And that was when the phone rang.
Carl left Jane and went to answer it. A moment later he called her out to the hall. He was putting on his overcoat, pulling up the collar to muffle his face against the storm. Outside the wind was blowing a regular gale. It was not fit to go out in.

NOTICE OF SALE
North Carolina
Pitt County
Pursuant to the provisions of G. S. 18-8, notice is hereby given that one 1938 Chevrolet Town Sedan Motor No. 1570703, Serial No. 14H963, 9360, N. Men Without A Country

Baltimore—(AP)—Six men without a country are sailing the seas aboard the Kegums—only ship in the world still flying a Latvian flag.

The only two surviving ships of the half dozen which escaped when Russia took over Latvia in 1939 are tied up in Baltimore, awaiting orders and cargo.

One of them, the Everaga, now flies the flag of Honduras, and considers Porto Cortes her home port. But the Kegums still has the name of Riga—the Latvian port—painted on her stern.

The ship has not been home in nine years, and none of the crew has hope of returning very soon. Ausis Kerns, radioman, says he hopes instead to be admitted to the United States so he can bring his mother and sister out of a German displaced persons camp to a home—"something we haven't known in a long time."

Both ships are owned by the Grauds Shipping company, a former Latvian firm now operating out of New York.

Denies Discrimination Against Vets In Boards

Raleigh, N. C., Aug. 15—(AP)—Adj. Gen. J. Van B. Metts denied today American Legion charges that World War II veterans are being "discriminated against" in formation of draft boards.

The general, when asked to comment on charges made by Ray Galloway of Wilmington, state commander of the American Legion, said:

"We have not discriminated against World War II veterans by any means. I have expressed myself all along that we would be very happy to have World War II veterans go on boards where there are vacancies.

"It is true that we asked members of the old boards to serve because we wanted their experience and knowledge of operation of the boards.

"However, there are many boards throughout the state for which World War II veterans have been recommended. These recommendations are being sent to Washington, where the appointments are technically made by the President."

Galloway said that American Legion posts throughout the state are passing resolutions protesting that World War II veterans are not being recognized in setting up the new draft boards. These resolutions, he said, will be forwarded to General Metts and Governor Cherry.

Metts pointed out that in most cases members of local boards are recommended by local committees consisting of the clerk of court, chairman of the county board of

Five Bullets In Dead Man's Body

By CHESTER WALSH

Sheriff Ruel W. Tyson was continuing his investigation this afternoon into the murder of Jasper Clemmons, middle-aged Negro tenant farmer whose body, riddled with five pistol bullets, was found in woods less than 100 feet of the Mason school road, in Pactolus township, Sunday night.

Authorities are working on several clues. Coroner Griffin H. Rouse ordered an autopsy.

According to authorities, Clemmons' car was found on the road about 9 o'clock last night. Search was started for the missing man, and his body was found nearby shortly afterwards. The body was taken to Flanagan and Parker's funeral home, where the autopsy was to be conducted by Dr. J. L. Winstead, Coroner Rouse said.

Clemmons was a tenant on H. C. Simmons' farm. The tragedy occurred on a dirt road between Blanco Ross' and Milton Ross' farms.

Last Rites For Mrs. Jack Kilgo

Mrs. Susie Kilgo, 59, wife of J. L. Kilgo, died at Pitt General Hospital Saturday night after having been critically ill the past five days and in failing health several months.

Funeral services were conducted at Jarvis Memorial Methodist Church at 4 o'clock this afternoon by the pastor, Rev. R. W. Bradshaw. Burial was in Greenwood Cemetery.

Mrs. Kilgo, daughter of the late R. C. and Annie Beves Cox, was born and reared in Durham and attended the Durham city schools. She was a graduate of Woman's College of the University of North Carolina. She was married on June 7, 1914, and had lived in Greenville since that time. She was a member of Jarvis Memorial Methodist Church and the Sans Souci Book Club.

Surviving are her husband, a son, Jack Kilgo, Jr., of the U.S. Army Air Corps, now stationed at Seema, Ala.; two daughters, Miss Susanne Kilgo of Greenville and Mrs. Sterling Hudson of Greensboro, and a brother, Morris Cox of Sumter, S.C.

Starlight

New York, Aug. 15—(AP)—Light from the star Alloth—some 300,000,000,000,000 miles away—will be employed to help celebrate the golden anniversary of Greater New York.

The light will activate a miniature atomic pile releasing atomic energy to open an anniversary exposition at Grand Central Palace Saturday at 7:30 p.m. (EST).

The light energy from Alloth that will be used began its earthward journey in 1898—the year the five boroughs were consolidated into New York City.

Young Mother To Accept Gamble On Child's Life

Chicago, Aug. 15—(AP)—A young mother who had held out against a long-shot gamble in corrective surgery to save the life of her child has changed her mind.

Mrs. Irene Lamphere, 21, said yesterday that since learning the prescribed delicate operation has been successful in several other cases "I see no use of my holding back. I'm going to leave it to the doctors as to when the operation should be performed."

Her 21-month-old daughter, Pamela, was born with the bladder outside her body and physicians had said the child could not live longer than two years unless the condition is corrected.

At the same time, Mrs. Lamphere said the doctors had given the child only one chance in 100 to survive the operation.

Attendance And Mishap Records Broken At Fair

Springfield, Ill., Aug. 15—(AP)—An all-time record attendance figure was set at the Illinois State Fair here yesterday—along with a record number of minor mishaps.

An estimated 261,000 persons crowded into the Fair grounds and this is what happened to them:

At least 129 children were lost and eventually reunited with their parents by police. There were five to eight lost children at police headquarters at all times.

About 100 persons were treated at the Fair hospital for injuries ranging from a leg fracture to bee stings. Persons were treated for a variety of bites—monkey, dog, hog, dog and human (one small boy bit another). The bee stings were meted out when a bee container broke.

Mob Threatens; Negro Is Moved

Sylacauga, Ala., Aug. 15—(AP)—A Negro, threatened by a mob of his own race for the shooting of a colored Negro cab driver, has been transferred to jail here for safekeeping, police chief Willis Dean said today.

Dean identified the Negro as Harrell Hamilton, 21, of Birmingham, and said he had admitted the shooting of Willie Cole in Talladega Saturday night.

Scientists Seek To Save World

London, Aug. 15—(AP)—Scientists from 10 countries recommended today that the United Nations call a scientific conference to see what science can do about the present state of the world.

It should, they said, convene technically qualified representatives of the social sciences and psychiatry, appointed by their governments, to inquire into existing international tensions and to make relevant proposals.

Five Minutes Later, His Daughter Dead

Nesqueh, Pa., Aug. 15—(AP)—"Come on home," Lawrence Dawson called yesterday to his two-year-old daughter, Ila, who had taken her doll to a small creek 50 yards from their home.

"I'm bathing my baby," Ila called back.

Five minutes later, Dawson walked to the creek. Ila had drowned.

Hog Market

Raleigh, Aug. 15—(AP)—(NCDA) Hogs prices stronger. Tops at \$28.50 at Kinston, Rocky Mount, Smithfield, Mt. Olive, Dunn, Wilson, Goldsboro, Lumberton, Warsaw, Fayetteville, and Florence; \$28.25 at Greenville, Washington, and Jacksonville.

Poultry and Eggs

Raleigh, Aug. 15—(AP)—(NCDA) Fryers and broilers steady at 35; eggs steady, A large 56.

Grain Market

Chicago, Aug. 15—(AP)—The grain market was totally lacking in any definite trend today. With the single exception of September corn, price changes did not amount to anything. News to influence the market was negligible.

Wheat closed unchanged to 1/4 lower, September \$2.23 1/4, corn was 1/4 lower to 1/4 higher, September \$1.67 1/4-\$1.67, oats were unchanged to 1/4 higher, September 78 1/2, rye was 1/4 lower, December \$1.76 1/2, and soybeans were unchanged to 1/4 lower, November \$2.60 1/2.

N.Y. Cotton

New York, Aug. 15—(AP)—Cotton futures opened 15 to 45 cents a bale lower.

Noon prices were 40 cents a bale lower to 10 cents higher than the previous close. Oct. 31.18, Dec. 31.19 and March 31.17.

In late trading the market de-

John W. Hill Died After Long Illness

John W. (Billie) Hill, 73, died at his home in Grifton at 6:20 o'clock Saturday night following six months illness.

Funeral services were conducted at St. Jude's Catholic Church in Grifton at 3 o'clock Sunday afternoon by Rev. Fr. Charles J. Gable. Burial was in the Grifton Cemetery.

Mr. Hill, a native of Deep Run, had lived in that community until he moved to Grifton eight years ago. He was a member of St. Jude's Catholic Church.

Surviving are his wife, Mrs. Minnie Hill; seven sons, Clayton, Jessie, McCoy and Furlie Hill of Kinston, Herbert Hill of Pink Hill, Edgar Hill of Portsmouth, and Albert Hill of Grifton; three daughters, Mrs. Debra Wiley of Grifton and Mrs. Ada Brown and Mrs. Annie Lee Brown of Swansboro; 30 grandchildren, and 23 great-grandchildren.

LUTHERANS GAINING

Philadelphia, Aug. 15—(AP)—The United Lutheran Church in America announced today it added 41,144 new members last year.

The Rev. Dr. F. Eppinger Reinartz, secretary of the church, listed total membership at 1,880,628.

Puerto Rico, about three times the size of Rhode Island, is about 100 miles long and from 30 to 40 miles wide.

Trains Collide; Fourteen Injured

Bucyrus, O., Aug. 15—(AP)—Fourteen persons were injured today when a Pennsylvania railroad troop train collided with a freight train near North Robinson, eight miles east of here.

The trains were coming to a halt when they crashed, and no one was injured critically.

The troop train was carrying 283 soldiers from Fort Dix, N. J., to Fort Riley, Kans.

U.S. Exports To Russia Declines

Washington, Aug. 15—(AP)—American exports to Russia dropped under \$50,000 in June. This compares with \$200,000 in May and a monthly average of \$690,000 earlier in the year.

American purchases from Russia amounted to \$7,400,000 in June, about the same as in May.

The figures were disclosed today in the Commerce Department's regular monthly report on foreign trade.

Averages Rise On Border Belt

Raleigh, N.C., Aug. 15—(AP)—The Carolinas border belt flue-cured tobacco markets started their third week of sales today following another week of high prices.

The U.S. and N.C. Agriculture Departments reported that last week's average of \$55.76 per hundred was \$1.32 higher than the opening week's. Last week, a total 37,008,597 pounds were sold for that average.

Greeks Closing Trap On Rebels

Athens, Aug. 15—(AP)—The Greek army, exploiting a brilliant breakthrough on the guerrillas' southwestern flank, advanced nearly two miles today to within 700 yards of the main Grammos summit along the Albanian border.

A general staff spokesman said national forces are now turning back to snap a trap on the guerrillas in the southwestern and central areas of the Grammos Mountains front.

POSTPONED AGAIN

Lake Success, Aug. 15—(AP)—The United Nations Security Council today again postponed action on Yugoslavia's charges against the United States and Britain over the Trieste question.

"AND HE SHALL STAND BEFORE KINGS"

© Few thoughts ever recorded are more inspiring than the familiar Scriptural truth "Best thou a man diligent in his business and he shall stand before kings." It applies to a business no less than to a man. In the operation of our pharmacy we accept a sincere moral responsibility to both the medical profession and the public. We are not qualified by either education or experience to diagnose disease or prescribe treatment. But we are thoroughly qualified to fill your prescriptions just as they should be filled. When you feel "out-of-sorts" consult a physician. Be sure that he is a licensed M.D. Then bring his prescription to us to be filled. There is no better health insurance.

The Legal Way IS THE SENSIBLE WAY

Defeats the Bootlegger
Assures Needed Revenue
Saves Moderation

In practically all North Carolina counties, beer is sold by licensed dealers—sold the legal way.

This, we know, is the sensible way.

It cuts the ground from under the bootlegger.

It assures to counties and municipalities a steady flow of revenue, without which public services would have to be curtailed or taxes raised.

It serves the cause of moderation by making legally available the beverage of moderation—beer.

Our purpose is to see that beer is sold in clean, law-respecting outlets—and nowhere else. You contribute to this end, and help protect the millions in beer tax revenue, by giving your patronage to those dealers (the overwhelming majority) whose establishments are a credit to their communities.
