New Efforts To Halt Paralyzing Walkouts Tried

Hope Of Early Settlements Appear Dim; Over 115,000 Workers Out

New efforts were made today to end crippling strikes in the oil, shipping and trucking industries but hopes of early settlement appeared dim. Meanwhile, more than 115,000 workers, including 50,000 Detroit auto plant employees, remained idle because of work stoppages. The number included 30,000 CIO longshoremen on the Pacific coast, 15,000 CIO refinery workers and some 15,000 AFL truck drivers in New York City and northern New Jersey.

A Federal Conciliation Service official said the federal agency may enter the negotiations if state conciliation efforts fail to settle the wage dispute. A union leader said: "I don't see any indication of agreement with the oil firms."

The union is asking 21 cents an hour pay increase. The Los Angeles area was the hardest hit in supplies of gasoline but a million gallons was to be sent from Oklahoma.

In New York, leaders of striking Local 807 of the AFL International Brotherhood of Teamsters called a union membership meeting this afternoon to decide whether to reduce their wage demands from 25 cents to 17 1/2 cents an hour.

Find Wild Birds In Big City Area

New York, Sept. 10—(AP)—Long noted for its "beats" and "bulls," the canyons of the downtown financial district also have wild birds. Four financial firm workers kept their eyes on the sides as well as the stock ticker tape over a three year period to count 62 species of bird visitors, they said yesterday.

Chlorine Gas Menaces 13,000 Island Refugees

Manila, Sept. 10—(AP)—Deadly gases again tonight poured from erupting Hibokhibok volcano on Camiguin Island as about 13,000 Filipinos huddled in two southeastern ports awaiting rescue by ship. The Philippine coast guard cutter Anemone messaged briefly that all towns on the tiny southern island were deserted except Sagay and Mahinog on the southern end. Both the cutter said, were jammed with refugees threatened by chlorine gas emitted by the volcano in its tenth consecutive day of eruptions.

The Anemone said there were increasing volcanic explosions from the mile high mountain during the night. Philippine naval authorities considered that with the arrival of the U. S. Army transport General Weigel at dawn sufficient facilities would be on hand to evacuate the islanders. The 17,000 ton General Weigel was en route to Manila from San Francisco when a distress call from the island was broadcast.

Leaf Prices Up On Eastern Belt

Raleigh, N. C., Sept. 10—(AP)—Prices were higher on the eastern North Carolina tobacco belt yesterday, firm on the middle belt, but unsteady on the border belt. The eastern belt, in keeping with Wednesday's stronger trend, reported the majority of grades steady to slightly higher. Most increases were from \$1 to \$2.

ARRIVES IN WASHINGTON Washington, Sept. 10—(AP)—Lt. Gen. John R. Hodge, former commander of United States Army forces in Korea, arrived in Washington early today.

Political Brickbats Tossed As Party Spokesmen Get Into Gear

By the ASSOCIATED PRESS Political brickbats filled the air today as Republicans, Democrats and Progressives all threw fresh momentum behind their presidential campaigns. The CIO Political Action Committee and Chairman J. Howard McGrath of the Democratic National Committee let fly a one-two punch at the GOP. McGrath swung first last night with a statement quoting Senator Wherry of Nebraska as having accused President Truman of "raabie-rousing."

"It is regretful," said McGrath, "that a Republican spokesman talking with the warm approval of the Republican presidential candidate chooses to call any Americans who come out to hear the President 'rabble.'" "Name three!" On the other side GOP National Chairman Hugh D. Scott, Jr., blasted away at the Truman administration as "collective experimenters" who have "literally honeycombed" Washington with "Communists and fellow-travelers."

In a speech to a Baltimore Republican rally Scott said some voters in 1946 were "thwarted by thievery and chicanery" but that any attempt to steal the coming presidential election will be punished by a "new department of justice."

Noting that both Dewey and his running mate, Gov. Earl Warren were once prosecuting attorneys—and so was he, himself, Scott added: "Men disposed to steal elections will do well to take cover in 1948." While Scott reiterated his prediction of a Republican victory, he also took occasion during the day to caution party members against over-confidence.

Indict 'Sally'

Washington, Sept. 10—(AP)—A federal grand jury today indicted Mildred Elizabeth Gillars—"Axis Sally"—of the Nazi radio—on charges of treason. The 47-year-old Portland, Me., native is charged with making wartime propaganda broadcasts for the Germans.

Dewey Backed By Press Majority

Washington, Sept. 10—(AP)—A preliminary survey, the trade magazine Editor and Publisher said yesterday that opinion from two-fifths of the nation's dailies showed 69 per cent of them are backing Dewey. This percentage would give Dewey more newspaper support than any other Presidential candidate has had in five recorded campaigns.

Of the newspapers polled so far, 16 per cent are for President Truman and less than four per cent favor States Rights Democrat J. Strom Thurmond. Only two newspapers are behind Henry A. Wallace. These figures compared with 60 per cent who backed Dewey against President Roosevelt in the magazine's final 1944 survey and 66 per cent who supported Wendell L. Willkie against Mr. Roosevelt in 1940.

The Republican candidates were backed by 56 per cent of the papers in 1932 and 60 per cent in 1936. The 498 newspapers which have indicated they favor Dewey this time have a combined daily circulation of 16,000,000. The 117 pro-Truman papers have a total circulation of 3,000,000.

The New York Governor's main strength came from newspapers in California, New York, Ohio, Pennsylvania and Michigan. EDUCATED SPIDER Thomasville, N. C., Sept. 10—(AP)—T. E. Valentine, a mill foreman, says there is a spider in his front yard that can write. The spider leaves a trail of webs in which Valentine says he has seen the letters N, J, W and U.

About That Spy Ring

If There's One In The Country Right Now, We Hear Nothing About It; Testimony So Far Covers War-Time Ring; Investigator And FBI Mum On Subject

Washington, Sept. 10—(AP)—What about a Russian spy ring in this country right now? Is there one? Maybe. But we don't hear anything about it. So far all the sensations in the Un-American Activities Committee hearings have dealt only with the period before and during the war. All, or nearly all, that has been said to the FBI a long time. But not a word has been said anywhere by anyone about what may be going on now. Elizabeth T. Bentley and Whitaker Chambers have been the committee's star witnesses. They're confessed former Communists. Miss Bentley said she was the messenger for a Soviet spy ring that operated in Washington during the war. Chambers said he worked for a pre-war Communist underground that included government employees. Because they've been out of the Communist party for years, they can't say what may be going on now. With one exception, all the government officials named by either Chambers or Miss Bentley have been out of government service for years. The one exception has been sus-

ended. The Un-American Activities Committee is going to start public hearings on a new investigation next week. This will deal with "atomic espionage," according to Chairman J. Parnell Thomas, New Jersey Republican. In other words, the committee will try to find out whether any of our atomic secrets were given away. But—That, too, will deal with something which may have happened years ago. It still—so far as can be learned—doesn't touch on what may be happening now. When the Canadian government several years ago discovered and broke a Soviet spy ring in Canada it was a ring doing business then, when the discovery was made. This writer called the FBI and asked whether it has any knowledge of a Soviet spy ring operating in the United States now. (This call was made as a routine check before writing this story and not with any expectation that, if

(Continued on Page Eight)

General Groves Gives Testimony In Spy Ring Hunt

Washington, Sept. 10—(AP)—Lt. Gen. Leslie R. Groves, wartime boss of the Army's atomic bomb project, testified today at a House committee's investigation of an alleged atomic espionage plot. The retired Army officer appeared in response to a Un-American Activities Committee subpoena. He was questioned behind closed doors. Asked by newsmen if he had any information of value to give the committee in its spy hunt, Groves said: "I think I can tell them a great deal about everything for which I was responsible. Unlike a good many other people I am not dependent on files."

He said the main objective of the Manhattan project during the war "was to get the bomb so we could end the war and save American lives." Security, he said, "was just a part" of that job. Groves, who lives in Darien, Conn., now is a vice president in charge of advanced research for the Remington Rand Company. Earlier, committee members claimed to have struck pay dirt in their digging into the alleged atomic spy plot. Their findings are being kept secret as they proceed with plans for public hearings beginning next Wednesday.

A seven-hour closed door session yesterday brought from Chairman J. Parnell Thomas (R-NJ) the terse announcement that "this was a very important session" and the House Un-American Activities Committee made "substantial progress."

Thomas said he and Reps. Vall (R-Ill) and McDowell (R-Pa), who conducted the session, delved further into the Hiss-Chambers controversy and "a very important espionage case." They called half a dozen more witnesses for today but would not reveal their identities nor what they were to be questioned about. "We have agreed not to talk," McDowell told reporters, disclosing a new committee policy.

Officials Predict New Big Four Disagreement

Washington, Sept. 10—(AP)—American officials today gloomily predicted a new Big Four disagreement over Italy's war-lost colonies, accompanied by fresh Russian propaganda biases. Diplomatic authorities said they see no chance for success when and if the foreign ministers council tackles the issue briefly in Paris next week.

Secretary of State Marshall cleared the way for such a meeting when he told the Soviet embassy late yesterday that the United States is "wholly agreeable" to Russia's surprise suggestion. But Marshall said Moscow's proposal that the council reconvene today was impossible because of the time element. He offered to have a representative on hand Monday, although he will not arrive in Paris until the following Sunday.

Britain and France previously had agreed to the Russian move. If the Kremlin okayes the new date, it will leave the foreign ministers council only three days to work out agreement on a problem that has defied solution for the past year. Under the Italian peace treaty the four powers must hand the colonies question over to the United Nations General Assembly if they fail to reach an understanding by September 15. That will be one year from the date the pact with Italy went into effect. The UN assembly will meet in Paris September 21. Marshall will head the American delegation.

Those who predicted that only sharper disagreement will result from the proposed new four-power talks said they are convinced that the only Soviet objective is to gain a forum for additional denunciations of the western powers. Marshall himself has said the meeting can serve no useful purpose and will be a waste of time unless Russia has new proposals to present.

Benes Is Buried At Country Home

Prague, Czechoslovakia, Sept. 10—(AP)—Former President Eduard Benes was buried in a tomb in the garden of his country home at Sedmovo Usti today. President Klement Gottwald, Communist who succeeded Benes after the latter resigned June 7, did not attend the rites. Premier Antonin Zapotocky headed the cabinet delegation. Some of the diplomatic corps were present but the dean, American Ambassador Laurence Steinhardt, did not attend.

Safe Crackers In Daring Robbery Here Last Night

A bold robbery was committed at the Wagner-Marshburn Motor Company's place on Dickinson Avenue, near the junction of the Farmville and Winterville highways, some time last night. Police Chief Lester D. Page, who is investigating the robbery, said the robbers rolled the medium-sized safe into the men's rest room, then used the company's acetylene torch to open the safe door. They got several hundred dollars in currency and threw a lot of checks into a toilet. Police have no clue, they said. Police said the lock on the door of a storage house back of the A&P Store on Dickinson Avenue was broken, but nothing was missing. The place is used for storage of empty bottles.

Four Accused Of Dealing In Bonds Held By Nazis

Boston, Sept. 10—(AP)—A Federal grand jury today indicted three former army airforce officers and one other man on charges of dealing in \$500,000 worth of bonds once held by Nazis that were peddled in a European black market. They were indicted specifically for violating the trading with the enemy act. Federal officers said three of those indicted—Edward R. Ashton of Kenfield, Conn., Kerald A. Rowland of Brooklyn, N. Y., and Seymour Lerner, of Brooklyn—were officers in the air transport command. Indicted with them was Wendell M. Weston of Weston Mass., who federal officials said helped in disposing of many of the bonds.

Twenty Cases Of Polio Reported

Raleigh, Sept. 10—(AP)—Twenty cases of polio—half as many as yesterday—were reported to the State Board of Health today. The state's total of cases for the year mounted to 1,996. So far this week, there have been 104 cases reported as compared with 131 in the same period last week.

Reject Another Soviet Bid To Restrict Berlin Air Lift

Paris, Sept. 10—(AP)—DeGaulleists in the National Assembly promptly rejected another Soviet bid to restrict the Berlin air lift today, virtually assuring him confirmation as Premier. The development came as Queuille, a radical Socialist (conservative) prepared to ask the assembly to approve him as head of the fifth French government since January 1947 and the 14th since the liberation.

"Our members will vote almost unanimously for M. Queuille," said a statement issued by Paul Giacobbi, president of the DeGaulleist Parliamentary group. Queuille announced his acceptance of the Premiership last night, only a few hours before a spokesman for Gen. Charles De Gaulle issued a statement demanding new general elections.

The election call was the first made by the De Gaulleists during a cabinet crisis. A statement released by Jacques Soustelle, secretary-general of De Gaulle's French people's rally (RPF) said: "The French people's rally holds there is no other Democratic solution than to hold general elections as soon as possible. It condemns any and all combinations (of parties) which in delaying elections prolong a system of government crisis which endangers the republic and the very life of France."

The country's labor troubles continued. Workers marched toward the Elysee Palace, residence of President Vincent Auriol, only to be dispersed by police before arriving there. Employees of the Renault Auto Factory left their jobs to march toward the center of the city. They attacked a force of police which met them and a dozen demonstrators and 20 police were reported injured.

Farmers' Assets Climb To Record

Washington, Sept. 10—(AP)—Farmers' assets reached \$122,300,000 the first of this year, nearly \$12,000,000 above the \$110,500,000, listed Jan. 1, 1947, the Agriculture Department reports. In its new balance sheet of agriculture, the department shows farm assets as shaping up this way: On Jan. 1, 1948, farm real estate values totaled \$62,800,000,000, as compared with \$58,600,000,000 that date in 1947.

Other physical assets on farms totaled \$37,200,000,000 this January, a sharp jump over the \$30,700,000,000 of Jan. 1, 1947. Liquid financial assets—currency bank deposits, and U. S. savings bonds—edged upward to \$22,300,000,000 from \$21,200,000,000 last year. Norman J. Wall, department analyst, pointed out that the 1947-48 increase of 11 per cent in total agricultural assets was a little less than the 13 per cent gain registered in the previous year.

Wall noted that the rise in agricultural assets from 1940 has been striking—from \$53,800,000,000 on Jan. 1, 1940, to \$122,300,000,000.

Nearly \$12 Billion Above High Mark Of Jan. 1, 1947

Washington, Sept. 10—(AP)—A newly formed international spiritualists federation got off to a mystic start today. Eya Lees said her father, the late Robert James Lees, sent her a message from the beyond asking her to donate 20 pounds (\$80) a year to the federation in his behalf. She forked it over.

Portable 'Iron Lung' Designed; Cheap, Light

New Haven, Conn., Sept. 10—(AP)—Two Yale University scientists say a cheap, light, portable "iron lung" can be produced for infantile paralysis victims. It would be made from rubberized cloth or transparent plastic, would weigh only a few pounds, and could be folded up and carried in a suitcase. Regular iron lungs weigh 500 to 600 pounds, and cost \$1,000 to \$1-600. Design for cloth or plastic lung is described by Drs. Harold Lamport and Ralph D. Eichhorn in magazine science, published today. Polio victims need the artificial breathing aids when their chest or diaphragm muscles become paralyzed.

Weak Spot For West

France's perpetual-motion political crisis is rapidly developing into a dangerously weak spot in the defenses of western Europe against Communist aggression. Because of its strategic position and its potential strength (a strength now greatly depleted by political and economic ravages) France is the main buttress of the continental Democrats. Yet she is so badly crippled by her continual governmental upheavals that her weakness is a vast encouragement to the Russians to push their offensive. There is no doubt, for example that the French situation is in no small degree responsible for the brazen frontier being displayed by the Reds towards the western allies in Berlin. Washington declares the United States won't allow itself to be pushed out of the German capital—and Wes Gallagher, AP chief of bureau in the strifetorn metropolis, reported yesterday: "Soviet planes prowled the skies of northern Europe today and Soviet ships cruised in the Baltic off Denmark in the greatest show of Russian strength since the end of the war. There is little doubt in military minds here that the Soviet

Record Yield Of Cotton In N. C.

Raleigh, N. C., Sept. 10—(AP)—The Federal-State Crop Reporting Service estimates that North Carolina will have a record yield of 470 pounds of lint-cotton to the acre. In its monthly report issued yesterday, the Service estimated the state's total production will reach 710,000 bales, the largest crop since 1944.

De Gaulleists Will Support Queuille In Assembly Vote

Paris, Sept. 10—(AP)—DeGaulleists in the National Assembly promptly rejected another Soviet bid to restrict the Berlin air lift today, virtually assuring him confirmation as Premier. The development came as Queuille, a radical Socialist (conservative) prepared to ask the assembly to approve him as head of the fifth French government since January 1947 and the 14th since the liberation.

"Our members will vote almost unanimously for M. Queuille," said a statement issued by Paul Giacobbi, president of the DeGaulleist Parliamentary group. Queuille announced his acceptance of the Premiership last night, only a few hours before a spokesman for Gen. Charles De Gaulle issued a statement demanding new general elections.

The election call was the first made by the De Gaulleists during a cabinet crisis. A statement released by Jacques Soustelle, secretary-general of De Gaulle's French people's rally (RPF) said: "The French people's rally holds there is no other Democratic solution than to hold general elections as soon as possible. It condemns any and all combinations (of parties) which in delaying elections prolong a system of government crisis which endangers the republic and the very life of France."

The country's labor troubles continued. Workers marched toward the Elysee Palace, residence of President Vincent Auriol, only to be dispersed by police before arriving there. Employees of the Renault Auto Factory left their jobs to march toward the center of the city. They attacked a force of police which met them and a dozen demonstrators and 20 police were reported injured.

Many short work stoppages were reported around the country, most of them protests against the rising cost of living. There was no immediate indication of what effect the De Gaulleist statement would have on a tentative decision by his followers in the assembly to support Queuille.

Dies Of Grief In Watching Rites

Mansfield, Mass., Sept. 10—(AP)—Stricken by grief at a military funeral for two of his three sons, all of whom gave their lives in World War II, Felix A. Liberatore, 65 died today at his home. The bare-headed father collapsed yesterday beside the graves of Marine sergeant Wilfred L. Liberatore and army staff sergeant John L. Liberatore in St. James cemetery. Aided to an automobile, he remained until tears were washed, then returned to his home where he never fully regained consciousness.

A Mystic Start

London, Sept. 10—(AP)—A newly formed international spiritualists federation got off to a mystic start today. Eya Lees said her father, the late Robert James Lees, sent her a message from the beyond asking her to donate 20 pounds (\$80) a year to the federation in his behalf. She forked it over.

In its monthly report issued yesterday, the Service estimated the state's total production will reach 710,000 bales, the largest crop since 1944.

Substitution

Baton Rouge, La., Sept. 10—(AP)—President Truman's name was taken off Louisiana's ballot today by the Democratic State Central Committee. The committee substituted instead the States' Rights Democratic ticket, headed by Gov. Strom Thurmond of South Carolina for President. The action came when committee members voted unanimously to pledge all ten of Louisiana's electors to Thurmond and Gov. Fielding L. Wright of Mississippi for Vice President. The resolution was introduced by Judge Leander Peres of St. Bernard and Plaquemines parishes. It authorizes the secretary of state to place the names of Thurmond and Wright above the names of the Democratic nominees for presidential electors on the ballot in the Nov. 2 general election. The resolution rescinded a resolution adopted March 6 which left the electors unpledged.

The Russian move came half a day after bloody street fighting in the tense city in which anti-Communist Germans ripped down the Red flag from the Brandenburg gate. Russian and Soviet-controlled police fired into demonstrations on the Red flag. The Russians raised the hammer and sickle flag today over the gate. The Russians sent a formal note to the four power Berlin air safety center demanding from the U. S. detailed prior notice on every flight made to Berlin. They asserted the data is needed "in the interests of safety."

Thurmond Again Attacks FEPC

Lubbock Tex., Sept. 10—(AP)—J. Strom Thurmond, States' Rights Presidential candidate, said last night Communists would use the posed fair employment act "to serve their purposes." Thurmond, Governor of South Carolina, made the statement in a speech at a political meeting here. "By clamoring for their rights under the FEPC," Thurmond said, "they (the Communists) will force their agents and saboteurs into every tool and die room, every machine shop and every industrial plant and labor, they attack us otherwise in America."

Thurmond, who assailed the program Tuesday night in Dallas in a speech accepting the Presidential nomination by the newly organized States' Rights party of Texas, renewed the attack here. He said the "so-called civil rights program" made up of "the very measures which Thaddeus Stevens conceived in his hatred of the south, following the war when the states. "When Congress passed the Thaddeus Stevens program, the supreme court of the United States promptly declared the legislation unconstitutional—even in the atmosphere of reconstruction—and upheld in all its vigor the doctrine of States' rights."

"To these discredited measures have been added proposals which even Thaddeus Stevens himself would not have stood for. "They advocate principles and precedents which, if adopted, will inevitably bring about a change in the very form of our American government."

NOT ON BALLOT Ondianapolis, Sept. 10—(AP)—The States' Rights Democrats party will not be on the Indiana general election ballot. In the last year, said an Air Force summary, 13 new models have been introduced, among them three fighters, two bombers, three transports, a trainer, a pilotless jet target aircraft and a cargo glider. Jet engines are used exclusively on all the new fighter types and in the two bombers. Because of the uncertain world political situation, the Air Force has expanded its strength overseas. Today it has 35,000 more men permanently assigned abroad than it had a year ago—and this presumably doesn't include several thousand bomber crewmen and maintenance experts in nervous Europe on what the Air Force continues to call "training stations."

Air Force Takes Stock Of Its Mounting Strength

It reports its strength now at more than 400,000 men and officers, an increase of 89,000 in the last year. And it expects to have difficulty in attaining the 444,500-man strength the budget will allow by next June 30. Indeed, it has spurned the draft and is relying on volunteer recruiting. Officers of the Greenville battery of the National Guard are Capt. J. B. Tyndall and Lieutenants Clay A. Burnette and Francis L. Joyce.

Observe National Guard Day 16th

Thursday, September 16, will be observed here and all over the country as National Guard Day. The National Guard now has about 320,000 men in it. Within the next few months it should reach its strength for the fiscal year, 341,000 men. To accomplish its M-Day mission, for any national emergency, the National Guard needs 684,000 men. To keep present units at training strength, to fill vacancies and replace losses in the regular service and through change of address, and to be able to expand when authorized, the National Guard needs men. Officers of the Greenville battery of the National Guard are Capt. J. B. Tyndall and Lieutenants Clay A. Burnette and Francis L. Joyce.

Weak Spot For West

France's perpetual-motion political crisis is rapidly developing into a dangerously weak spot in the defenses of western Europe against Communist aggression. Because of its strategic position and its potential strength (a strength now greatly depleted by political and economic ravages) France is the main buttress of the continental Democrats. Yet she is so badly crippled by her continual governmental upheavals that her weakness is a vast encouragement to the Russians to push their offensive. There is no doubt, for example that the French situation is in no small degree responsible for the brazen frontier being displayed by the Reds towards the western allies in Berlin. Social and Personal

All items for this page received after 10:00 A. M. will be published the following day. Dial 3386 9:00 A. M. to Noon - 1:00 to 4:30 P. M.

Miss Janice Owens left yesterday to enter Duke University.

Leon B. Fleming, Jr., left today for Princeton, N. J., to enter the graduate department of the Westminster Choir College. He will major in choral conducting.

Mr. and Mrs. Sam B. Underwood Jr. are spending the week-end in Durham where Mr. Underwood is attending the Estate Tax Planning Institute of the N. C. Bar Association.

Mr. and Mrs. M. W. Wester of Henderson will arrive this afternoon to spend the week end with relatives.

Mrs. H. O. Alden and daughter, Miss Mary Lou, of Beverly Hills, Calif., who have just returned from a tour of European countries, will arrive this afternoon to visit Mr. and Mrs. Matt Long before returning to California. Mrs. Harvey Turnage of Washington, D. C., will accompany them to Greenville.

40 Years Ago Today

THE DAILY REFLECTOR
September 10, 1908

Coon hunting is the sport with the boys now.

The two first bales of cotton of the season were brought to Ayden Tuesday and sold at 10.18 cents.

As the platform of neither party has much to say about it, prohibition may be regarded as a settled question in North Carolina.

Attention Wesleyan Service Guild Members

You are urged to attend the district meeting of the Guild at the Methodist Church Sunday afternoon, September 12, at 2:30 o'clock.

Nurses' Association to Meet
The next meeting of the Nurses' Association, District No. 8, will meet on Tuesday afternoon, September 14, at 3 o'clock at the club Zam Zam in Wilson.

Miss Parkerson Honored At Bridge

On Friday evening Misses Virginia Brooks, Christine Jordan and Ella Frances Viola entertained at a bridge and linen shower at the home of Miss Brooks, complimenting Miss Betty Ross Parkerson, bride-elect.

Upon arrival Miss Parkerson was presented a corsage of calligads. Mrs. Frank Winesette, a recent bride, was also remembered with a corsage.

The home was decorated with a profusion of dahlias and gladioli. The bridal motif in pink and white was carried out in the decorations.

Bridge was played at four tables. Miss Margaret Joyce Clark won high score prize; Miss Jean Hilton won second high and Miss Kathryn Van Nortwick won the floating prize.

During progressions led coca colas and cheese biscuits were served.

At the conclusion of bridge, molded ice cream, bridal cakes and cashew nuts were enjoyed. Mrs. C. B. West, Jr., and Mrs. Joe Parkerson were refreshment guests.

The hostesses presented Miss Parkerson a gift of linen. Mrs. Winesette was also remembered with a gift of linen.

Twenty-five friends of the bride-elect attended the shower.

Joint Hostesses Honor Miss Austin

On Wednesday evening Miss Rachel Brooks and Mrs. Durward Harris honored Miss Mary Elizabeth Austin, bride-elect of October, with a miscellaneous shower at the home of Mrs. Harris. Three tables were set for play amid floral decorations in the traditional green and white.

The mantel was artistically decorated with a bride and groom and trailing ivy. Upon arrival the honor guest was presented a quaint nosegay of white asters.

During the evening the hostesses served coca colas and tid bits. At the conclusion of play the tables were cleared and centered with burning tapers. Assisted by Mrs. Glenn Brooks and Mrs. Preston Cannon, the hostesses served bridal ices, cakes and nuts. Several friends came in for refreshments.

The high score prize was won by Mrs. Paul Scott, Jr., who also held the floating prize, at the termination of play. Mrs. I. J. Edwards, Jr., won the low prize.

The honoree received many useful and attractive gifts from the guests. The guest of honor was presented china in her chosen pattern by Miss Brooks and Mrs. Harris.

Coleman Circle to Meet
The Coleman circle of Memorial Baptist Church will meet Monday night at 8 o'clock with Mrs. W. R. Skinner, 806 W. Fourth street. Assisting hostesses will be Mrs. Howard Simpson and Miss Annie Moore. Mrs. J. B. Spilman will be in charge of the program.

Notice All Pocahontas Members
The Great Pocahontas of North Carolina, Adah Bennett, of Charlotte will visit Tuesday night, September 14. All members are urged to attend.

St. Paul's Episcopal Church
The Sunday school of St. Paul's Episcopal Church will reopen next Sunday morning with the regular service in the church at 9:45 a. m. After this service members will go to their classes and register for the 1948-49 session. Members of the kindergarten department will go straight to their class room in the Parish House.

The Young People's Service League will also reorganize on Sunday evening, meeting in the Parish House at 6:45 p. m. All of the League members and new prospective members should be present for this first meeting of the fall.

Announces Opening of Kindergarten
Mrs. J. A. Collins, Jr., announces the opening of a kindergarten on September 13th for children four to six years old from 9 till 12, Monday through Friday at her home, 511 South Elm Street. Classes will be limited in number so that special attention may be given to speech, poise and self-expression of each individual child. For further information call 4378.

Kansas City Thieves Were Luxury-Loving
Kansas City—(P)—Kansas City thieves are the luxury-loving type. Police reported the following articles stolen in more than a dozen different break-ins one night: Two television sets, carefully selected set of fishing tackle, a set of golf clubs, a cigarette lighter, 12 electric fans, a radio, 30 cartons of cigarettes and a checkered sport shirt.

RAIIONING BY PRICE
Nanking, Sept. 10—(AP)—The government today boosted the retail price of gasoline for private use to 75 cents a gallon as a means of restricting the use of privately owned automobiles. The old price was about 35 cents.

PTA in Belvoir Talks Bond Issue

The Belvoir elementary and high school held an early PTA meeting last night to discuss the conditions of the school and the \$65,000 bond issue which is now standing before the voters.

The purpose of the bond is to provide a better school and better facilities for the students at the Belvoir and Falkland schools.

Ten per cent of the voting citizens in the community must be registered by Saturday, Sept. 11 or the issue will be dropped. Everyone is urged to register in order to fulfill the hopes of the community which have been lingering on the fence for many years.

The opportunity has arrived in which something can be done to get the problem off the fence and put into the correct place. Everyone who is interested in the issue should register in order to carry it through.

Voting will take place Saturday, Sept. 25, at the Falkland school.

W. M. S. of Memorial Baptist Church
The W. M. S. of Memorial Baptist Church meets at 3:30 Monday afternoon at the church.

W. M. S. of Immanuel Church
The general meeting of the Woman's Missionary Society of Immanuel Baptist Church will be held Monday afternoon, September 13, at 3:30 at the church. The Sunbeams will meet at the same time in the Primary department.

Notice All Pocahontas Members
The Great Pocahontas of North Carolina, Adah Bennett, of Charlotte will visit Tuesday night, September 14. All members are urged to attend.

Pitt County Fair Will Be Held Week Oct. 25th

The Pitt County Fair Association's annual fair will be held at the Fair Grounds, opposite the radio station, the week of October 25-30. Several new departments will be added to the fair this year and the premium money has been increased to \$3,000, considerably more than in previous years.

Departments added for this year include home baked products, house furnishings, needlework, embroidery, amateur painting and home crafts, etc. The greatest increase in premium prizes has been allotted to the livestock department, which, in most cases, have been increased from individual prizes of \$5, as of former years, to \$15 for the current season.

Dr. J. L. Winstead is president. Dr. Paul Jones and Paul A. Scott vice presidents, J. Hicks Corey, secretary-treasurer, Harry J. Burke assistant secretary, Arthur E. Corey counsel, Leroy Rollins superintendent of buildings and L. W. Cherry superintendent of grounds. The Pitt County American Legion Posts sponsor the annual fair.

Ballard's X Roads News
Mesdames Annie Flanagan, Josie McArthur, P. J. Elks, C. C. Harris, Chester Worthington, and J. D. Jones attended a Bible study class at the Presbyterian church in Farmville on Wednesday afternoon and evening. The class was taught by Mrs. Bill Morton. She presented a wonderful study on the Book of Exodus, illustrating it with charts so that everybody could understand it.

At 6 o'clock Friday evening of last week, the members of the Ballard's Home Demonstration club, their families and invited guests met at the Ballards Community building for their annual picnic supper.

The tables were placed in front of the building, covered with white cloths, with a lovely arrangement of gladioli in the center. The tables were then filled with delicious fried chicken, ham, salad, potato chips, pickles, lots of sandwiches, and several lovely home-made cakes. Iced tea and lemonade were served.

This was a very enjoyable get-together, community affair and we hope those members of the club who were absent will try to be there next time.

On Friday evening at 7 o'clock Mrs. Preston Elks and Mrs. C. C. Harris entertained at a dinner party honoring the young people of the Presbyterian church who are going away to school.

A three-course dinner was served. Present for this occasion were Rev. and Mrs. E. S. Coates of Farmville, Mr. and Mrs. Noah Lee Ed-

wards of Greenville, Misses Betty Pearl Joyner, Marianna Holloway, Mary Lib Worthington, Ann Crawford, Jean Crawford, Mrs. C. C. Harris, Mr. and Mrs. P. J. Elks, J. B. Allen of Farmville, Thurman Stocks of Ayden and Henry Dunn. Misses Virginia Dunn and Sue Worthington assisted the hostesses in serving.

After dinner everyone present enjoyed a social hour before saying good-bye.

Mr. and Mrs. J. F. Moye and little son, Franklin, attended a surprise birthday dinner in honor of Mr. Moye's mother at her home in Maury Sunday.

Mrs. Corinne Holloway left Monday for Washington where she will teach in the Chocowinity school this year.

Little Miss Wanda Tripp, daughter of Mr. and Mrs. Lawrence Tripp of Ormondville, spent the week end with her aunt, Mrs. Ray Hart.

Mr. and Mrs. Noah Lee Edwards of Greenville and Miss Jean Hardy of Grimesland were dinner guests of Mr. and Mrs. Willey Crawford Thursday evening.

Mrs. Mamie Ruth Holloway, Misses Corinne and Marianna Holloway and Louis Holloway were guests of Mr. and Mrs. Joe Willard and Miss Doris Willard in Washington Saturday evening.

Mr. and Mrs. O. L. Tyson and daughter, Carol Ann, visited relatives in Greene county Sunday.

Mr. and Mrs. G. T. Tyson and Miss Edith Tyson attended the graduating exercises at East Carolina Teachers College where their son,

Albert Tyson, received his master's degree.

Mr. and Mrs. Rupert Bradley and children of Smithfield spent Saturday at the home of Mr. and Mrs. Mack Ross.

Miss Corinne Holloway and Miss Beulah Rasberry visited friends in Robersonville Friday.

Mrs. Lionel Jones attended the graduation exercises at East Carolina Teachers College on Friday morning. Her son, Douglas, received his master's degree.

Mrs. Lillian Harris of Halifax spent the week end with Mr. and

Mrs. C. C. Harris and attended "The Lost Colony" at Manteo. Miss Betty Pearl Joyner and Henry Flake were guests at a dinner near Henderson in Vance County last Sunday.

DOGS GUARD SINGAPORE
Singapore—(P)—Thirty Alsatian dogs, specially trained for guard duties, have arrived to be "posted" up country where they will take part in the anti-terrorist campaign. They were sent out from England by the War Office.

States' Righters Plan Full-Fledged N. C. Drive

Counterfeiters Get Prison Term

Hendersonville, N.C., Sept. 10—(AP)—States' Rights Democrats plan to set up a full-fledged campaign organization in North Carolina.

Assured of places on the general election ballot, the States Righters will set up headquarters at Charlotte, with regional offices in Raleigh and Hendersonville.

The announcement came from State Co-Chairman Phillip S. Pinn of Hendersonville. He said an executive committee and the requisite officers will be appointed soon. Plans also call for a women's division, university and college division and a veterans division.

The party's presidential nominee, Gov. J. Strom Thurmond of South Carolina, will make several appearances in North Carolina, Pinn said. Other prominent speakers will appear.

As he made his announcements, Pinn charged that the State Board of Elections and other state officials had deliberately held up organization of the new party. He added that those officials included Chairman Capus Wayne of the State Democratic Executive Committee, Governor Cherry, Attorney General Harry McMullan and Chairman Hubert Olive of the State Board of Elections.

The State Supreme Court this week gave the party a place on the ballot.

Judge Gilliam allowed the defendants to go free under existing bonds until later dates when they are to report to the federal marshal to begin serving their time.

Raleigh, N.C., Sept. 10—(AP)—Three men convicted of counterfeiting were sentenced in federal court here yesterday to terms ranging from two to three years.

The defendants were caught in a Bayview with what officers described as a complete counterfeiting plant.

The defendants were Edward Durewood Sparrow, 43, sentenced to three years; Isaac J. (Jaybird) Sparrow, 33, and William L. Davis, 30, both sentenced to two years.

Judge Don Gilliam of Tarboro sentenced all three, who gave their homes as Kinston and pleaded nolo contendere, to terms at Petersburg, Va.

Sparrow was sentenced to six years in 1939 on a similar charge, and got on probation for another count of the same offense.

The probation was revoked yesterday and he was ordered to serve two years to run concurrently with the three years given him for his counterfeiting activities this year.

An FBI agent testified at the trial yesterday that the equipment found in the cabin contained a hand-operated printing press, photographic apparatus, zinc plates, bond paper, ink, and two developed negatives—one of a \$10 bill and one of a \$100

Malaria Fought On Mass-Scale By 'Magic' DDT

New York—(AP)—A careful field test of DDT to control malaria worked so well that it has become a full-time project in the jungles of Venezuela.

During a year's use of the DDT in one area, the number of workers hospitalized with malaria dropped to 77. For years, it had averaged 400.

The test and results are described by "El Parol", publication of the Creole Petroleum Corp., a subsidiary of Standard Oil Company. Malaria in that working district ranked first among diseases that put residents in bed or made them top weak for weeks at a time. The disease is spread by female Anopheles mosquitoes.

Chosen for the DDT war was the Caripito District of Venezuela, a lush jungle area on the San Juan River a short distance inland from the coast. The camp and outlying oil fields are surrounded by rivers, swamps, heavily wooded mountains and plains. Entomologists surveyed the area and studied the habits and kinds of malaria-bearing mosquitoes. There the cooperative program by the government and oil company was launched in April 1947.

Special squads of men sprayed DDT through the work areas, covering every home inside and out. Covering the whole area took three months. Then the process was repeated again.

The number of mosquitoes declined appreciably, along with such other pests as flies, cockroaches, scorpions, spiders and fleas. Records at the year's end showed an 80 percent reduction in the number of malaria cases severe enough to be hospitalized. The saving in health among national employees was estimated at \$16,000.

More Pay For Legislators To Be Decided In Election

By LYNN NISBET
Raleigh, Sept. 10—Since 1929 members of the general assembly have drawn \$600 per term for the regular session, regardless of duration, and eight dollars per day for special sessions with pay limited to 20 days. Presiding officers have drawn \$700 for the regular term and \$10 per day for special sessions with the same limitation.

A constitutional amendment to be voted upon in November proposes to change this compensation rate to \$1200 for members and \$1500 for presiding officers, with \$250 and \$300, respectively, for special sessions, regardless of duration.

Historic incidents leading up to this proposal may prove of interest. Prior to 1928 members of the general assembly received four dollars per day and ten cents per mile for one round trip from and to their homes, with provision that the pay was limited to sixty days. In those days sessions seldom went beyond that limit. Special sessions carried the same pay for not exceeding 20 days.

The 1937 legislature submitted an amendment which was ratified in 1928 and became effective for the 1929 session, fixing compensation at \$600 for the regular term, without mileage, and eight dollars a day for not exceeding twenty days of a special session. Statutory provision limited collections of the regular compensation to \$10 each day, which occasioned the erroneous popular belief that legislators got ten dollars for every day of the session. Actually every session since 1929 has gone well beyond the sixty day period, at least two of them almost twice that length, which cut the per diem far below ten dollars.

In an effort to relieve the situation the 1945 legislature submitted an amendment providing for actual expenses, not exceeding \$10 a day for a limited 60-day period, but the voters turned it down in November, 1946 by a margin of less than 900 votes—48,812 to 143,021.

The general assembly of 1937 increased salaries of all constitutional state officers other than legislators. That assembly and every one since has increased salary scales for non-constitutional state officers and employees. The 1947 session again increased salaries of constitutional officers, effective with the terms beginning January 1, 1949, but because the rate of pay was fixed in the constitution they could not raise legislative compensation.

Attempt was made by the 1947 assembly to appropriate money for personal expenses of legislators, but an advisory opinion obtained from the supreme court that the device would be held unconstitutional blocked its adoption. (There is some doubt whether it would have obtained majority vote in the senate, anyway, since it was the same proposal which the people had turned down in November.)

Thereupon the pending constitutional amendment was submitted for the people's consideration.

Sponsors of the amendment point out that since 1929 every state official, constitutional and otherwise, every state employee—including school teachers—and all workers in private industry have had from two to a hundred raises in pay, except members of the general assembly. They feel it is time for these officials to get something like approximate worth in the way of compensation.

There is recognition of the fact that candidates for the legislature, who would directly benefit from the raise, may be hesitant about actively supporting it. For that reason there is sentiment for an independent organization to promote the idea among the people.

Time will be allowed for words from our visiting friends. The group leaders will make their final report at 8 p. m.

All pastors and their congregations who are not engaged at 3 p. m. are cordially invited to share in this special service.

I was glad when they said unto me, let us go into the house of the Lord. 122 Psalms, 1st verse.

New York state's highway system covers 83,570 miles, of which almost 64,000 is hard surface roads.

'Went Berserk'
Charlotte, N.C., Sept. 10—(AP)—A Negro who police said went berserk and attacked a Negro woman and a bus driver with a shovel was shot to death here last night.

The shooting was witnessed by scores of horrified spectators on the crowded platform of Charlotte's Union Bus Terminal.

Detective M. H. Thompson said Patrolmen J. E. Youngblood and J. T. Coble shot the Negro after he kept advancing on them.

Thompson, tentatively identifying the Negro as Bob Jones of Buffalo, N.Y., said he apparently "went berserk."

Legionnaires Hold Meet In Asheville

Asheville, N.C., Sept. 10—(AP)—Shouting, fun loving American Legionnaires took over Asheville today as upwards of 5,000 swarmed here for the State Department's annual convention.

As yesterday, highways leading into this resort center were packed with automobiles bringing the Legionnaires and members of their auxiliary to the four-day meeting.

The kickoff meeting for the big convention was held this morning by department administrative and executive committees.

The auxiliary went into session shortly afterwards.

The pranksters were in full charge as the and 8 swung out for a big parade through the city's business area this afternoon. Each vehicle in the state sponsored a train, band, float or marching unit.

Main speakers for the 40 and 8 banquet tonight will be Guy Lan, chef de chemin de fer, and Clarence F. Smith, grand chef de gare.

Night Service For Busiest Car Inspection Lanes

Raleigh, N. C., Sept. 10—(P)—The busiest automobile mechanical inspection lanes will have night service, the State Department of Motor Vehicles announced yesterday.

Effective immediately, according to Arthur E. Moore, head of the inspection division, a two-crew system will be inaugurated temporarily in the larger cities to help relieve congestion.

The first crew will report to work at 6 a. m. and leave at 1 p. m. The second crew will take over and work until 10:00 p. m.

The names of the cities to receive the extra service have not been announced.

Strength FOR THE DAY

FORMULA OF SOCIAL BETTERMENT

One does not have to be a peasant or a crepe hanger to arrive at the conclusion that more conditions in America at the present time are disquieting.

Most moral evils begin in the upper classes and percolate into the lower more humble folk. Likewise, better moral conditions usually have their origin among the humble folk who succeed at last in making the whole life of society more wholesome.

Things have come to such a pass in our country—and perhaps it was only to be expected after a great war—that we confront the prodigious task of making over again the moral life of America.

Around Capitol Square

By LYNN NISBET

CLARIFIED—The supreme court decision in the Dies case has served to clarify and ease the situation for party leaders. Many times since the opinion came down Wednesday afternoon the expression has been heard "That eases things a lot."

PLEASED—Opinion around the square seems to be divided in about the same ratio as the high court—six to one in favor of having the new party recognized.

EFFECT—There remains divided opinion as to effect of the decision upon voting in November. Considerable majority of those who have discussed the matter believe effect will be to increase the votes for Democratic state, district and local candidates.

MODERATING—What will happen when the States' Righters will start campaigning remains to be seen. Reports reaching capitol square from the middle eastern part of the state indicate lessening sentiment for the Thurmond-Wright party.

REPORTS—Reports reaching capitol square from the middle eastern part of the state indicate lessening sentiment for the Thurmond-Wright party. This section has excess Negro population and resentment against Truman's civil rights program was perhaps stronger here than anywhere in the state.

Marriage Licenses

The register of deeds' office issued the following marriage licenses this week:

Colored: Frank Gorham of Farmville and Velma Rodgers of Fountain; Herbert Hunter and Elizabeth Ann Peterson of Greenville; Jesse Mewborn and Evelyn Gardner of Ayden; Willie Donaldson and Eula Mae Hayes of Greenville; and D. C. Davis and Ethel Mae Barnes of Farmville.

White: Thomas G. Jefferson of Fountain and Aileen Flanagan of Farmville.

NOTICE OF SALE OF LAND BY COMMISSIONER In the Superior Court Before the Clerk

North Carolina Pitt County Under and by virtue of authority contained in that certain order of sale made by D. T. House, Jr., Clerk of the Superior Court of Pitt County, on the 8th day of September, 1948, in the above entitled cause, the undersigned Commissioner will offer for sale and sell at public auction for cash before the courthouse door in Pitt County, Greenville, North Carolina on Monday, the 11th day of October, 1948, at 12:00 noon the following described lands to-wit:

That certain tract or parcel of land situate and being in Chitwood Township, Pitt County, North Carolina on both sides of what is known as the John A. Smith road and just East of what is known as Stocks Crossroads, bounded on the West by the lands of J. L. Stocks, on the South by the lands of M. H. McLawhorn, on the East by the Shade Allen lands, and on the North by the lands of Allie Williams et als, containing 90 acres, more or less, and being the home place of the late J. T. Evans and where he resided for many years.

at law. The purchaser will be required to deposit 10 per cent of the amount bid on the day of sale to show good faith.

This the 9th day of September, 1948.

S. O. WORTHINGTON, Commissioner Sept. 10-11w-4wks.

NOTICE OF RE-SALE OF REAL ESTATE BY COMMISSIONER In the Superior Court

North Carolina Pitt County Isaac Kilpatrick, individually; Isaac Kilpatrick, administrator of the estate of Edward Kilpatrick; and Mrs. Isaac Kilpatrick, wife of Isaac Kilpatrick

vs. Pauline Moore Miller and husband, Roy Miller; Edward R. Moore and wife, Mildred Moore; William K. Moore and wife, Dorothy Moore; Francis W. Moore and wife, Mrs. Francis W. Moore; Alton Chapman and wife, Jane Chapman; Fannie Rhem Bell and husband, Johnny Bell; Emma Weatherington and husband, G. W. Weatherington; William Quinley and wife, Kate Quinley; Helen Turnage; Charles Blount Quinley, and Agnes Virginia Quinley.

Under and by virtue of the power vested in me by that certain order entered by Hon. D. T. House, Jr., Clerk of Superior Court of Pitt County, North Carolina, in the above entitled special proceeding, on September 8, 1948, an up-set or raised bid having been filed, as authorized by law, the undersigned commissioner will, on September 24, 1948, at 12:00 noon, at the courthouse door, in Greenville, North Carolina, offer for sale and sell to the highest bidder for cash the following described real property:

That certain tract or parcel of land lying and being in Swift Creek Township, Pitt County, North Carolina, bounded on the east by the land of Alton Chapman; on the west by the land of Willie Brown; known as the Hugh Kirkman land; on the south by the land of F. N. Kilpatrick; containing 35 acres, more or less, and being lot No. 1 in the division of the land of J. B. Kilpatrick and being the identical parcel of land conveyed by N. K.

Winslow and wife to Edward Kilpatrick and Isaac Kilpatrick by deed dated November 15, 1917, and recorded in Book Q-12 at page 247 in the office of the Register of Deeds of Pitt County.

This is the identical tract of land sold by the undersigned commissioner on September 1, 1948, at the courthouse door, in Greenville, North Carolina, and during the time in which the law authorized a raised bid, the bid of September 1, 1948, on said property was raised and the undersigned commissioner was authorized to re-advertise and re-sell said property.

The successful bidder at said sale will be required to deposit ten per cent of his bid with the undersigned, or with the Clerk of the Superior Court of Pitt County, to await confirmation of the sale and to show his good faith in the bidding.

This the 8th day of September, 1948.

J. H. HARRELL, Commissioner Sept. 10-11w-2wks.

NOTICE OF RE-SALE Under and by virtue of the authority contained in that order made in the matter of Curtis Yarrell, et als, vs. Louise Teel Robinson, et als, being Special Proceeding No. 5000, the undersigned will offer for re-sale and sell to the highest bidder for cash, before the court house door in Greenville, North Carolina, between the hours of 12:00 o'clock noon and 1:00 o'clock P. M., on Friday, September 24, 1948, that certain property lying and being in Bethel Township, Pitt County, North Carolina, and more particularly de-

scribed as follows: Lying and being in the Town of Bethel, being Lots No. 34, 35, 36 and 37 in the division of the Anna Whitaker property in Bethel, North Carolina, these being the same lots conveyed to Maniza Yarrell and others by deed of record in Pitt County Registry in Book X-33, page 416. A 10 per cent deposit will be required of the successful bidder. This the 8th day of September 1948.

ARTHUR B. COONEY, Commissioner Sept. 10-11w-2wks.

Boyle's Column

By HAL BOYLE

New York—(AP)—Why doesn't Soviet Russia attack the United States today?

I might if I were ruling Russia, and had committed my country to the presumptuous idea it could conquer the world by force.

Russia is so committed by its clear spoken adherence to marxist revolutionary doctrine. Why doesn't it now launch a full-scale assault against the battered European ramparts of western capitalism? It has the hugest peacetime army in history—and battle-trained.

The answer lies in a cautious man now living and a bold man years dead.

The live man is Phlegmatic Joseph

1944. Prime objective of both these previous organizations was to defeat Franklin Roosevelt, and that objective did not appeal to Eastern Carolina. Defeat of Truman does have some appeal to the section, but more and more the question is being asked "What will we get instead?"

REPUBLICANS—Division of opinion among Republicans as to effect of the supreme court decision is almost the same ratio as among Democrats. Most of the Republicans are happy, because they regard every vote for Thurmond and Wright as at least half a vote for Dewey and Warren. But there are some Republicans who believe that deepening resentment against Truman goes deep enough that many who voted in Democratic ticket for other offices would have cast a full vote for the Republican president and vice-president. This group reasons that putting Thurmond and Wright on the ballot will cut the Republicans out of many half-votes.

INTENSE—One long time observer of political activity said it will take about a week for all parties to get adjusted to the prospect of a four-way choice for president—and then until November 2 North Carolina will witness the most intense political campaign in half a century.

has an oriental turn of mind and time isn't so important to him. Perhaps he believes—like the average American working man—that time is only that stuff so far doesn't believe he has reached the main pay day. Like any oriental commander he is more interested in keeping face than losing it in a doubtful gamble.

The record shows Russia—not America or England—took the brunt of casualties in defeating Nazi Germany. Despite his almost endless manpower Stalin was hurt badly—and perhaps he is aware the Russian peasant is a great soldier on his own soil, but not so great in a purely offensive war abroad.

Russia must be having tremendous post-war troubles at home. It is also a tremendous land that needs a half century of internal development to reach its own power peak. For all the current frictions it is causing, I believe they are more than diversionary activities designed deliberately to keep its one-time friends and present potential enemies off balance.

I don't think Stalin wants war now any more than we do. Why should he risk his reputation as the father of modern Russia? But 68-year-old men don't live forever, and no one knows whether his successor will share his caution. That is why the western world has to keep ready.

WASHINGTON LETTER

By JANE EADS

Washington—American mothers are familiar with most of the booklets of the U. S. Children's Bureau gets out to help them raise a family, but there are some they may not know about. "Infant Care," put out by the Bureau since 1914, is Uncle Sam's "best seller" and has helped thousands of mothers see their baby's development and care through from birth to one year. Then there's a publication called "Your Child From One to Six." It discusses how children learn and grow.

There's a pamphlet to help parents deal with teen-agers, too. Currently the Bureau is working on a booklet concerning the "middle-aged" child—the one between the ages of six and the beginning of puberty.

"So You're Expecting A Baby" is fairly new, small folder-type publication, brightly illustrated, forthrightly stated, that should be helpful to all young mothers facing their first great experiment in family building.

"How lucky you are to be having your child at a time when the care an expectant mother now gets makes pregnancy safer," the bulletin starts out. "When shall I go to the doctor?" "How shall I choose him?" "How can I be sure I'm pregnant?" "When shall I expect the baby?" "Is it true I must lose a tooth for every child?" "How about this up-chucking?" "How can I keep from being afraid?" These are some of the questions asked by prospective mothers which are answered by Uncle Sam's specialists.

Some common-sense advice is given on how the husband can share in the planning. "After the baby comes you and your husband will find it surprisingly natural always to think first of the baby's needs," says the booklet. "Before his arrival, make the most of the time when you don't have to think of the baby's schedule or arrange for a "sitter" every time you want to go out. Have a lot of fun together. Take plenty of rest during the day so that you'll be ready to go out in the evening when occasion arises. By taking advantage of these months you can cement a firm and close companionship that your necessary absorption with the baby later on won't damage."

Many husbands, the booklet says, feel a "little hurt" and neglected when the baby makes such insistent demands on their wives' time and attention. The "jealous twinges" are far less likely to occur if husbands are made to feel, before the baby is born "that getting ready to be a father is just important as preparing to be a mother." If you read with your husband how the baby is developing the booklet continues, he will be in no danger of feeling that he is a "forgotten man."

Tars And Bugs Rally, Final Play-Off Now All Tied Up

No Favorites In Men's Singles Title Battle

Forest Hills, N. Y., Sept. 10—(AP)—With the likes of Jack Kramer no longer on the scene, the battle for the men's singles title in the National Tennis championships beginning here today threatens to develop into the wildest scramble since the opening of the Cherokee strip.

Not since 1940, when Don McNeill came along to displace Jimmy Huggs for one season, have favorites been so conspicuous by their absence.

And few championships in the 67-year history of the event have been as wide open as this one promises to be.

Any of the eight seeded domestic stars could grab off the title vacated by Kramer when he turned pro after owning it for two years.

Even a triumph by one of the invaders from the 11 foreign countries represented wouldn't be too great a surprise, although the tide hasn't left these shores since Fred Perry came over from England to capture it for the third time in 1936.

Frankie Parker of Los Angeles, who wore the wartime crown as a sergeant in 1944 and 1945 and was runner-up to Kramer last year, stands at the top of the seedings, making him the normal favorite.

But Parker stubbed his toe at Wimbledon and hasn't looked like the heir apparent to Kramer's throne, except possibly in the recent Davis Cup matches. Second-seeded Billy Talbot of New York bowed out two days ago to Earl Cobell of San Francisco, seeded fifth, in a playoff of the postponed Seabright final.

Champions And Eagles To Play

Philadelphia, Sept. 10—(AP)—It's in the cards that the Philadelphia Eagles have a football game on their hands tonight.

For the champion Chicago Cards of the National Football League will be here to try to pull the tail feathers out of the Eagles in the 11th annual Philadelphia Inquirer Charities, Inc. football game at Municipal Stadium.

More than 60,000 fans are expected in the huge stadium when the two rivals resume piling and smashing at each other.

A fire in Baltimore in 1904 raged through 80 city blocks, causing \$50 millions in damage.

Philadelphia, Sept. 10—(AP)—It's in the cards that the Philadelphia Eagles have a football game on their hands tonight.

Here's the PLOW you need for breaking sod

This Dearborn plow is made for the Ford Tractor... and we think it's the best ever. So simple—it has no wheels, axle, tongue, clutch, springs or levers... but good sturdy beams and as fine bases, cutters and jointers as ever turned a furrow.

With Ford Hydraulic Touch Control, you can "take it easy" while two matching well-turned furrows unroll behind you.

Easy adjustments. Only three grease gun fittings to lubricate. Study the pictures, then see us if you want a new plowing experience. Come in soon!

Bill See Pitches Tarboro To 8-2 Victory Over Rocky Mount; Bill Herring Takes To Mound For 9-5 Win Over Kinston

By BERT MOYE

Tarboro's pennant winners pounded out an 8 to 2 triumph over the Rocky Mount Leafs at Rocky Mount last night and the Goldsboro Bugs took a 9 to 5 win against the Kinston Eagles at Goldsboro to knot the semifinals playoff series at one game each between the four clubs.

Before approximately four thousand fans at Rocky Mount last night Rookie Bill See, Tarboro's sensational pitcher for the current season, matched wits with veteran Red Benton with the result that veteran Benton was driven to the showers in the sixth frame. This marked the second time this season that Benton was driven from the mound.

The Rocky Mount Leafs took a two run lead in the first frame when Pepper Martin singled Dave Fowler and Pappy Williams across. However, this was the only runs made by the Leafs during the night.

The Tars came back in the third frame to score three runs and take the lead and then scored five runs in the sixth frame to clinch the victory. In the third, See walked and Ken Andrews singled to center. Tom Williams fled out. See was caught off second for the second out. Jake Daniel tripled to deep center to bring Andrews across and Caldwell's two-bagger to center brought in Daniels.

In the sixth Jake Richards led off with a single, Eddie Neville followed with a single. Andrews singled scoring Richards. Tomws singled scoring Neville and then Jake Daniel homered to clear the bases.

Jake Daniel with a homer, triple and two singles in five trips to the plate led the 13-hit attack off the two Rocky Mount hurriers.

Pappy Williams with a double and two singles led the eight-hit attack off Bill See.

Score by innings:—

Tarboro	003	005	000—8	13	2
Rocky Mount	200	000	000—3	8	0

See and Caldwell; Benton, Finch and Fowler.

Manager Bill Herring took to the mound last night to pace his Leafs to a 9 to 5 victory over the Kinston Eagles at Goldsboro for their first playoff victory.

The Goldsboro staged a five run rally in the third inning, and when the Bugs added their sixth run in the fourth, that proved the margin of victory. Herring singled through the pitcher's mound, moved to second on Sloboda's sacrifice, and scored when Clyde Whitener singled over second base.

For good measure the Goldsboro added two runs in the sixth frame and another one in the seventh frame.

Joe Turk, first sacker of the Eagles, homered in the eighth frame and two men were out to account for one of the Eagles' runs.

Joe Jeffries, Kinston's center-fielder, with three singles in four trips to the plate, led the 10-hit attack off Manager Herring. Joe Turk in addition to his homer got a single which drove in two more of the Kinston runs.

Clyde Whitener with a double and three singles and Bennie Bengoeches with three singles led the 15-hit attack off the three Kinston hurriers. Charlie Timm, starting hurler for the Eagles, who allowed nine hits in the four and two-third frames he worked, was charged with the loss.

Score by innings:—

Kinston	001	002	110—5	10	9
Goldsboro	005	102	102—9	15	2

Timm, Baston, Cronin and Pilska; Herring and Smith.

Argentine Tuna Team Rates High With Spectators

Wedgeport, N. S., Sept. 10—(AP)—Argentina's team in the fifth International Tuna Cup match here is last in the team standings but it stands first in the respect of its rivals and the spectators.

The South American team is made up of seven Buenos Aires sportsmen, only one of whom had seen a tuna before the present competition started.

All of them are known as anglers in their home country and all of them are famous as athletes, but none ever had participated in a competition such as the international match.

The type of fishing here was so strange to them that all the equipment brought with them has proven too small and they are competing against the world's best with borrowed gear.

After two days of fishing they have landed three tuna.

History's Greatest Flag Race Spotlights Barney

By JOE REICHLER

Durocher Opines Boston's Teams Have Advantage

Associated Press Sports Writer

The greatest pennant races in major league history were forced to play second fiddle today to a 23-year-old, rosy-cheeked Omaha boy who only a few short months ago was struggling to stay in the big time.

This tall youngster from Nebraska, blond-haired Rex Barney, rapped loudly on the door to pitching greatness last night when he hurled a no-run, no-hit game against the New York Giants. It was the first of the 1948 National League season and the second in the majors.

Barney's superlative pitching enabled the Brooklyn Dodgers to defeat the Giants, 2-0, at the Polo Grounds, and advance to within three and a half games of the league leading Boston Braves.

The strong-armed right-hander's runless and hitless game will long be remembered by the 36,374 fans who braved intermittent showers to witness the game.

There have been 89 other no-hitters tossed in the majors since the turn of the century, but Barney's mound masterpiece is set apart from all others, for it was achieved at the expense of what has generally been rated the hardest hitting club in modern times.

It was virtually this same Giant outfit that crashed out a record-breaking 221 home runs last year. In 132 games this season, the Giants had clouted 149 home runs to lead all clubs in that department.

Yet this heralded wrecking crew did not come close to connecting for a base hit against Barney's fireball delivery. There wasn't a difficult chance handled by a Dodger fielder. Only six balls were hit to the outfield. Only five were hit solidly, two traveling 400 feet or better, but all were routine outs.

"He was uncatchable out there tonight," Manager Leo Durocher of the Giants said after the game. "His speed was simply overpowering. I've never seen him better."

Barney, who was at all times aware that he was in the process of pitching a no-hitter, said he "knew right from the first pitch that I had it tonight."

Only four Giants reached base as Barney faced 29 batters. He fanned four. Five others were out on pop fouls. Two New Yorkers got on via walks and two on Brooklyn errors. Double plays erased two of the runners. Rex retired the last 20 batters to face him.

Even the rain, which came down in earnest in the last two innings, did not disturb him. He got the last six men without a ball being hit out of the infield.

Legion Player Draws Attention

Indianapolis, Sept. 10—(AP)—Seventeen-year-old Leon Carter of Jacksonville, Fla., may pitch or may play third base tonight against Trenton, N. J., in the final session of the American Legion baseball's "Little World Series."

At either spot, he will get a lot of attention from 17 major league scouts in the stands at Victory field.

Carter, 5 foot, 10-inch right hander, has pitched two victories for the Florida nine while getting seven hits in 12 times at bat.

Rich Trotting Mare

Westbury, N. Y.—(AP)—Proximately, 6-year-old trotting mare owned by Ralph and Gordon Verhuren of Victor, N. Y., became the leading money-winner among active harness horses by winning the \$40,000 Roosevelt Raceway two-mile trot. Her lifetime earnings are \$98,592.

Home Run Pitcher

St. Louis—(AP)—Gene Herman'ski's 11th home run of the season marked the 32nd of the year off Murray Dickson of the St. Louis Cardinals and it gave the Red Bird pitcher the unenviable major league record. Bill Vosselle allowed 31 homers when he pitched for the Giants in 1944.

Gridders Lead All

East Lansing, Mich.—(AP)—During the 1947-48 school year, 249 students at Michigan State College played football; 139 played baseball; 114 participated in track; 79 in gymnastics, fencing, tennis and golf. Of the 249 gridgers, 80 were members of the varsity; 56 were jayvees and 118 worked out with the freshman team.

Over-Confidence No Fault Of Snively; Team Material Tops

Talk Of Tough Schedule Not Exaggerated; Two-Team System Again Planned; Imposing Array Of Fine Backs On Hand

Chapel Hill, N. C., Sept. 10—(AP)—There's at least one dissenting voice among the chorus which is singing a song of championships—both Southern Conference and national — for North Carolina's Tar Heels.

That dissenter is Coach Carl Snively, the Tar Heel mentor.

King Carl admits that barring injuries he will be able to field a capable club, but with a shortage of reserves and a sudden death schedule he says he's not hoping to cop the conference crown. Talk of a National championship, he adds, is ridiculous.

North Carolina is short of reserves as compared with last year, but Snively has material that would make life a paradise for most coaches. He's working with a squad that includes 33 lettermen from last year's strong club. He is wading three men deep in lettermen at every position except the two guards, one tackle and center.

The returnees include All-America candidate Charlie Justice at tailback and talented Hosea Rogers at fullback. Snively is building his offense around them. Both can run and pass with the best.

Talk of the Tar Heels' tough schedule is not exaggerated. They open against Texas here on Sept. 25. Then come Georgia, Wake Forest, N. C. State, L. S. U., Tennessee, William and Mary, Maryland, Duke and Virginia in order.

Snively is planning to employ again this year the two-team system that worked so well last year in wearing down the opposition. One eleven is used for offensive and one for defense.

Although Justice and Rogers are the leaders, Snively has an imposing array of fine backs. Behind Justice at tailback are Billy Maceyko, who will play defensively, and Dick Bunting, a soph who has showed up well in practice this year.

Rogers will be understudied by Billy Hayes, a talented passer, and Bob Kennedy, a fine runner. Don Hartig will fill the gap left by Joe Wright at blocking back, and for replacements there are Bobby Weant and Eddie Knox. Johnny Clements is running at wingback and Bill Flamish will be ready to take over on defense.

The squad has seven lettermen at ends, Art Weiner, Joe Romano, Ken Powell, Fred Bauer, Mike Rubish, Bob Cox and Max Cooke. Weiner, who specializes in pass snagging and running end-arounds, and Cox, who is an artist at taking short passes and kicking extra points, probably will be the offensive flankers. Powell or Romano and Rubish will handle the defensive chores.

Chan Highsmith, who returned did not disturb him. He got the last six men without a ball being hit out of the infield.

Important Start For Brooklynite

New York, Sept. 10—(AP)—Paddy De Marco of Brooklyn, a rising star in the lightweight class, makes his most important start tonight at Madison Square Garden against Featherweight Champion Willie Pep of Hartford, Conn., in a non-title 10-rounder.

Winner of 32 fights in 34 starts in a professional career dating back to 1945, De Marco comes up to the Pep scrap with a string of 21 straight victories. The most impressive links in that success chain were two decisions over Terry Young, rugged New York veteran.

De Marco, who finished training at 134 1-2 pounds, will have a weight pull on the 126-pound champ who has lost only once, to Sammy Angott, in 133 outings.

Now 20-year-old Paddy makes the big step taking on Pep, who is one of the best fighting men of our day. A slick boxer who has a good wallop for a featherweight, the Hartford stylist is a solid 5 to 13 choice to back up another scalp.

De Marco figures to carry the battle to Pep in his headlong bullish style, throwing punches at a steady pace without a lull. In this wild rush, it may be that Paddy will leave his chin open for a Pep swat, for Willie isn't the kind of boy who

Gather For Meet Of Boxing Group

Philadelphia, Sept. 10—(AP)—Delegates from 44 states, Hawaii, Canada and Cuba will gather Monday and Tuesday for the 29th annual meeting of the National Boxing Association.

Approximately 130 persons are expected to attend the sessions, which include a dinner at Atlantic City Monday night.

Business meetings are scheduled for Monday afternoon and Tuesday morning and afternoon with President Abe Greene of Paterson, N. J.

There are 22 deaths by fire daily on the average in the United States.

Chapter 18
The bank was an unpretentious affair, a rather ordinary, even drab-looking establishment that wisely made no claims to anything save its purpose in the community's life. The sun and the rain had obliterated the original coat of paint...

...now the wooden structure wore a curious mottled brown color that was, as one townsman described it, neither here nor there. Even the sign that hung over the bank's doorway had suffered...

...there was a wide gap in the letters that formed the word, 'Bank.' A brief study of it disclosed the fact that the letter 'n' had disappeared. A close-up view of the institution's window revealed a red-bordered placard standing in majestic aloofness in the very middle of the window space; it read, 'Jed Oliver, Owner, President and Manager.'

When Gay came in Jed was busy thumbing through a worn ledger. When he finally looked up he pretended to be surprised to find her standing at the counter. He smiled at her, closed the ledger and pushed it aside.

"What can I do for you, Miss?" he asked.

"He had already decided that she was without doubt the prettiest girl he had ever seen.

"I'd like to deposit some money," she said.

He smiled again and Gay's eyes followed the tips of his mustache.

"We like people who deposit money with us," he said. "Specially when they're pretty."

He reached for the ledger, drew it closer, opened it, flipped over some pages, finally found a blank one, then he picked up a pencil.

"Name, please?"

"Hollis," she answered. "Gay Hollis."

"Gay Hollis," he said and looked up again. "Miss, I suppose?"

"Missus."

"I'm a widow," she said and he seemed relieved.

"How much do you want to deposit?" he asked, poised the pencil above the page.

"O-h, five thousand dollars."

He entered the amount in one of the columns.

"I'd like it credited to the account of George Akers," she said suddenly.

"O-h," he said. "George Akers, eh?"

"Yes."

He thumbed through the ledger again, stopped when he came to a page filled with entries.

"Five thousand," he said and entered it.

Thousands of men and women who feel tired, weakened, and run-down without organic reason, turn to Retonga for real relief.

This famous gastric tonic is also praised for pleasantly relieving sour, gassy stomach, nervous indigestion, muscular aches and pains, sluggish elimination, restlessness, and loss of appetite.

Retonga is compounded of carefully blended extracts from many of nature's own medicinal roots, herbs, and barks, plus Vitamin B-1. Retonga is intended to relieve distress due to insufficient flow of digestive juices in the stomach, loss of appetite, borderline Vitamin B-1 deficiency, constipation, and their many miseries.

Why go on feeling tired, weakened, run-down and drabby? Do as thousands of other men and women do and try Retonga.

Retonga is sold with this original money-back guarantee. If the first bottle fails to bring you gratifying and satisfying relief, its small purchase price will be cheerfully refunded. You and you alone are the judge. You can get Retonga at Bissett's Drug Store. (Adv)

The ringing telephone bell is a call to action everywhere. But there are often times when this call cannot be answered immediately. So please always give the person you are calling plenty of time to answer.

The ring of the telephone bell is a call to action everywhere. But there are often times when this call cannot be answered immediately. So please always give the person you are calling plenty of time to answer. This avoids many needless incompletes calls and enables us to furnish better service for everyone.

Carolina Telephone & Telegraph Co., Inc.

She went out. Jed was motionless. He looked down at the package of bills, picked it up, hefted it for a moment, turned it over in his hand, finally put it down on the counter. He stiffened suddenly and his eyes widened. . . he grabbed the money, came whirling around the counter and burst out of the bank. He stopped in his tracks, barely avoiding a horseman who rode past him. . . it was Gay and she twisted around in the saddle and looked back at him. He stared up at her. He watched her for a moment as she clattered away, then he raced down the street, panted into the Sheriff's office. Tod Waters, Loomis' second deputy, was seated at the Sheriff's desk, his booted feet propped up on an opened drawer. Tod looked up.

"Where's the Sheriff?" Jed demanded breathlessly.

"Out."

"When'll he be back?"

"Soon," Tod answered and grinned. "I hope."

"Well, suppose you had to get him in a hurry. What would you do about it?" Jed demanded.

Tod grinned up at him again. "Wouldn't do anything," he replied untruffled. "Wouldn't know where to look for 'im."

"Will you tell him I want him when he gets back?"

"Yeah, sure," Tod said. Jed wheeled and strode out. (To be continued)

Turkey Planning Open Free Port

Istanbul—(AP)—Iskenderun, Turkey's finest deep water port in the Hatay, is to become a "free" port, according to reports from Ankara.

Under the plan, foreign nations will be permitted to unload cargo for transshipment without customs formalities.

The plan would give Turkey additional foreign currency through payments for labor, warehousing space and dock facilities.

Rations Halted For Czech Spivs

Prague—(AP)—Physically fit persons who do not work will no longer get food ration tickets in Bratislava. The official Czechoslovakian news agency reported that the order will not apply to married women, the aged and those unable to work because of their health.

"This decision will put an end to young men, who are able to work, sitting in the coffee houses and similar places," the report said.

Mid-West Holds Edge In Pageant

Atlantic City, N. J., Sept. 10.—(AP)—The mid-west held an edge today in the talent-and-curves race for the 1943 Miss America crown.

Dark-haired, blue-eyed Marilyn Robinson of Ogden, Utah and Beatrice "Bebe" Shopp of Hopkins, Minn., with brown hair and blue-green eyes, won last night's competition before an estimated 8,000 persons in convention hall.

The Utah beauty won the talent competition with a dramatic monologue as a mother talking to her dying son in a hospital. Eighteen-year-old Miss Shopp showed up best among the contestants in bathing suits.

Miss Vera Ralston of Wichita, Kas. won the bathing suit event Wednesday. Talent honors then went to Dorothy Jane Free, 19, of Chattanooga, Tenn.

While victories in preliminary judging do not guarantee a contestant a place in the finals Saturday night, most of them do get the nod of the judges.

Mrs. H. E. Savage Of Tarboro Died Today

Mrs. Irene Brown Savage, 42 wife of H. E. Savage, died at 5:45 o'clock Friday morning at her home on Tarboro street in Rocky Mount following six months of illness. Funeral services will be held at 3 o'clock Sunday afternoon at the First Universalist Church in Rocky Mount, and burial will be in Pine View Cemetery in Rocky Mount.

Mrs. Savage, daughter of the late

Negroes Organize To Establish Clinic In City

By CHESTER WALSH
The Executive Committee of the Battle-Kelly Clinic, at a special meeting recently at Cornerstone Baptist Church, after thorough consideration, stressed the importance of the need of a Negro clinic in Pitt County, and urged that the Negro citizens of the county assume the responsibility of raising funds to finance the project. It was stated that one-third of the county's population is Negro; that hospital facilities are so limited that there is urgent need for the clinic.

It was recommended that a drive be started immediately to raise a minimum of \$2,000 in order that work on the clinic be started as soon as possible. Negro churches, schools, clubs and fraternal organizations will be called on to assist in the drive. It is planned to start the drive September 20. An organizational meeting will be held at C. M. Epes Negro High School September 13 at 8 p.m.

A representative group of men and women attended the meeting. Those participating were Mrs. S. L. Davenport, M. L. Bartlett, G. M. Jones, W. H. Davenport, D. D. Garrett, J. W. Ormond, Rev. J. A. Nimmov, Rev. O. J. Rooks, Mrs. W. E. Flanagan, Mrs. Elizabeth Kearney, J. H. Donaldson, M. A. Murrell, George L. Jenkins, Mrs. P. D. Jones, Mrs. Annie Little, Dr. and Mrs. C. R. Graves, Mrs. Streeter, Mrs. Shivers, Dr. H. B. Kelly and others.

Dollars Bring French Cotton Men Trouble

Lille.—(AP)—French textile men are blaming Egypt for their current ills. They say their factories may have to close for lack of cotton, because of the insistence of Egyptians that they be paid in dollars, rather than in their own money.

Discharged From Wilson Hospital

Mrs. J. N. Hart of Greenville and Miss Evelyn Hart of Washington, D.C. have been discharged from the Carolina Memorial Hospital in Wilson where they were treated several days for injuries received in an automobile accident Sunday night.

Miss Mary Harrison and Miss Nell Carro of Washington, D.C. were in the car but received only minor injuries.

Mrs. Hart suffered from a broken arm and two broken ribs. Miss Hart received a sprained ankle and other minor injuries.

Funeral Services George F. M. Dail

Funeral services for George F. M. Dail, 67, who died at his home, 1104 Ward Street, Thursday afternoon after a long illness, will be held at S. G. Wilkerson & Sons' Funeral Home this afternoon at 5 o'clock. Rev. R. W. Bradshaw, pastor of Jarvis Memorial Methodist Church, and Rev. J. A. Neilson, pastor of Immanuel Baptist Church, will officiate. Burial will be in Greenwood Cemetery.

Surviving are his wife, Mrs. Elizabeth Colman Dail, two stepsons, Dr. Robert Scott of Charlottesville, Va. and William C. Scott of Bristol, Tenn.; three stepdaughters; three sisters, Mrs. Paschal Boyd of Mooresville, Mrs. G. M. Holden of Farmville and Minnie Best Dail of Snow Hill; one brother, W. Haywood, Jr., of Greenville.

Judge Frizzelle To Preside Civil Term Court Next Week

Judge J. Paul Frizzelle of Snow Hill will preside over a one-week civil term of Superior Court here next week.

The Greene county jurist is scheduled to hear next Tuesday a motion to set aside the jury's verdict in the Collins case, which was tried about a week ago.

Another civil term is scheduled for the week of September 27.

The Board of County Commissioners has requested Governor Cherry to order a special two-weeks criminal term of court here beginning the week of October 4. The criminal docket is unusually heavy.

John A. Williamson Died Suddenly

John Ashley Williamson, 24, died suddenly at Pitt General Hospital this morning at 5 o'clock. He was a World War II veteran and had been employed at the Stafford Oldsmobile Company since his release from the U. S. Navy.

Funeral arrangements are incomplete.

Surviving are his wife, Mrs. Thelma Gentry Williamson; two daughters, Shirley Ann and Dorothy Ann; his parents, Mr. and Mrs. C. L. Williamson of Greenville, Route 3; one sister, Mrs. Roger Gray of Greenville; four brothers, Albert Lee and Charles Wesley Williamson of Greenville, James Alfred Williamson of the U. S. Army Air Force, now stationed in England, and Joseph Ralph Williamson of the U. S. Army, now stationed at Fort Bliss.

Fred R. Joseph Now In New Regular Army

Fred R. Joseph, son of Mr. and Mrs. I. R. Joseph, 431 Evans Street, has been accepted in the new regular Army for training in engineering drafting.

Joseph graduated from Greenville High School last June, where he was an outstanding athlete.

America is now growing more trees and removing less than in 1925.

DIETRICH HERE IN ROMANTIC COMEDY

Glamorous Marien Dietrich co-stars with Jean Arthur, John Land in "A Foreign Affair" opening Sunday at the Pitt.

About That Spy . . .

(Continued from Page One) such a current spy ring is under investigation now, the FBI would break the news to a casual questioner.

The FBI said: "No comment." Robert Stripling, chief investigator for the Un-American Activities Committee, was asked the same question.

The answer was the same: "No comment." But a logical question can be asked at this point:

If the Soviets had a spy ring here several years ago—while relations between this country and Russia still were pretty good—now, when those relations are not good, wouldn't Russia be even more anxious to learn what it could through a spy ring?

The Soviets had two spy rings running in Canada at the same time, both headed by Russians, both independent of each other, and both using Canadian Communists or fellow-travelers.

And only a couple of months ago Yugoslavia—until recently a Communist chum of Russia—complained publicly that Russia had been trying to set up a spy ring in Yugoslavia.

Weak Spot . . .

(Continued from Page One) It seems obvious that sufficient collaboration must be established among the numerous French political parties to combat the fearful danger of Communism. The complexion of the parties shows that a great majority of the people are anti-Bolshevik.

That powerful opposition must be allowed to register itself by some sort of coalition as in wartime, to be worked out through the present legislature or in another general election.

Reject Another . . .

(Continued from Page One) vicious communications on this subject. "It looks like they intend a squeeze," he said.

A senior American air officer said the Russians' real aim was to "get control over our flights."

He added: "If they got prior information on everything they demanded, for instance, they could merely tell us 'You can't fly today because we are going to have air maneuvers on those routes.' This looks like just another attempt to muscle in on us, but we can't afford to let them interfere with the air lift."

American pilots said there was no unusual air activity reported today in the corridors or over Berlin.
