Military Alliance Meeting Planned After Election

Invitations For Drafting Pact Slated; Preliminary Work Finished

By JOHN M. HIGHTOWER Washington, Oct. 25 (AP)—Invitations to a portentous conference to draft a military alliance between North America and Western Europe probably will go out soon after next week's presidential election.

Nations expected to take part in the initial phases are the United States, Canada and Europe's Western Union powers—Britain, France, Belgium, the Netherlands and Luxembourg.

Several other countries in the non-Communist line—Italy, Iceland, Norway and Denmark—may join in the talks at some point.

Officials here say it is not yet clear whether the invitations will be issued formally by the five-nation Western European Union or by the United States. Nor has a city for the conference been chosen, although all preliminary work on the pact has been done in Washington.

Undersecretary of State Robert A. Lovett began conferences early this year with the ambassadors of Canada and the Western European countries on the question: What form should United States military support for Europe take?

This government's only guide for action—aside from Europe's need—was the Senate resolution adopted last spring advocating the association of the United States with nations having common security interests.

Along with the Washington talks, the United States has taken part as an extremely influential observer in the efforts of the Western European nations to link their military resources and lay the basis for a huge new American military aid program.

The proposed North Atlantic alliance has been sketched out in rough outline in the Washington talks. It would commit the United States to military involvement in the affairs of Europe more deeply than it ever before has pledged in peacetime—although not more deeply than it actually is involved now with occupation armies stationed in Germany and Austria.

The treaty is expected to embrace two major provisions dealing with the problem of aggression—by which the western governments mean an attack by Russia.

The first is that an attack upon one nation should be considered an attack upon all. The second is that each government—in accord with its own constitutional process—should decide what appropriate action to take.

Uphold Georgia Refusal To List Progressives Atlanta, Oct. 25 (AP)—A three-judge federal court today upheld Georgia's refusal to place the Progressive party on the ballot for State officers.

The court held that the suit concerned a "purely political matter" and said the Progressive suffered no serious inconvenience because state law permitted write-in candidates.

The Progressive party's Presidential candidate, Henry Wallace, was ruled out under a law requiring a new party to have polled five per cent of the votes in a previous election or submit a petition signed by five per cent of the registered voters.

Entry By Back Door? Outside Chance That United Nations Will Ease Franco Spain Into Closer Ties With That Organization; The Changing Tide; No Full Membership Ahead

By STORIE ARNE Before the current United Nations session ends in Paris there is an outside chance that the back door will be pushed open for Spain.

Three times since mid-1945 Gen. Francisco Franco's government has been declared unacceptable as a UN member. Then, to back the allied world's disapproval, the U.S. government got out a pamphlet in March 1946, publishing part of Franco's war-time correspondence with Adolf Hitler and Benito Mussolini.

It included several expressions of Franco's willingness to join the Axis providing he got the guns and grain.

Within the past few weeks, however, a number of prominent Americans have come away from visits to Madrid with kind words for Franco.

What has started the trend to forgive and forget? A State Department official says "times have changed." He acknowledges that Spain now is eyed from the military standpoint. He says military men must think of Spain in the allied camp should the Russian-western cold war change to a hot one.

Palestine Problem Raised By President In Campaign

Reiterates Support Of Democratic Platform Pledge Of "Full Recognition To The State Of Israel" In Talk

Aboard Truman Campaign Train, Oct. 25 (AP)—The Palestine problem got a top place in 1948 Presidential campaign discussion today as President Truman began a big city wind-up of his "give 'em hell" bid for election.

He chose the Chicago Stadium for a major speech at 10 p. m. (EST) which his associates said would emphasize what he considers the threat to democracy at home of a Republican victory.

The President worked most of Sunday at Washington on this speech, and on others to follow tonight at Cleveland, Boston, New York, Brooklyn and St. Louis. And he worked too, on a statement in which he claimed Gov. Thomas E. Dewey, GOP nominee, had injected the Palestine issue into politics.

This statement, in which he reiterated his support of a Democratic platform pledge of "full recognition to the state of Israel," was released at the White House a few hours before the President, Mrs. Truman and Margaret board the Campaign special train for the last roundup of democratic votes.

Peppery as usual, and apparently none the worse physically despite thousands of miles of travel and 228 speeches from daybreak to dark, the President joshed with reporters.

Mr. Truman's Palestine statement was a reply to a letter which Gov. Dewey wrote dean Alfange, chairman of the American Christian Palestine committee of New York.

"As you know," Dewey wrote on Oct. 23 in response to a letter from Alfange seeking a reaffirmation of a GOP platform pledge, "I have always felt that the Jewish people are entitled to a homeland in Palestine which would be politically and economically stable. My views have been clearly expressed over the years, and I did, indeed, approve the majority report of the United Nations special committee which recommended a partition of Palestine."

He added his position today "is the same."

The President said of this observation: "I had hoped our Foreign Affairs could continue to be handled on a

non-partisan basis without being injected into the Presidential campaign. The Republican candidate's statement, however, makes it necessary for me to reiterate my own position with respect to Palestine.

"I stand squarely on the provision covering Israel in the Democratic platform. I went on to point out this government recognized this independent state of Israel May 14 and said De Jure recognition will follow when a permanent government is elected. He said he had directed government agencies to expedite applications for loans to Israel.

Heavy Seas Slow Rescue Attempt Rescue Craft On Way To Landing Vessel In Distress

Norfolk, Va., Oct. 25 (AP)—Two destroyers and a tug bucked heavy seas today in an attempt to reach a small landing vessel in trouble 140 miles northeast of Cape Henry.

Atlantic Fleet headquarters reported there are between 30 and 40 men on the vessel. A headquarters spokesman said she was in no immediate danger. The vessel is an LCIL (Landing Craft, Infantry, Large). She was enroute from Miami to Boston with naval reservists from the First Naval District aboard.

The Victory ship Junius Smith reached the landing craft at 4 a. m. (EST). She radioed shortly before 8 a. m. (EST) she was steaming to windward of the disabled vessel and pumping oil on the ocean to smooth the heavy seas. The Junius Smith said she would stand by until the destroyers and the tug arrive.

Three patrol bombers were held in readiness at the Norfolk Naval Station in the event it should be necessary to dispatch them to the assistance of the disabled vessel.

Thomas To Talk To Grand Jury Washington, Oct. 25 (AP)—Rep. J. Parnell Thomas (R-N. C.) plans to testify before the Grand Jury investigating his office payroll.

Whether he will appear before or after the November 3 election remained the big question after a brisk exchange of statements by Thomas and Attorney General Clark over the week-end.

The chairman of the House un-American Activities committee touched off the exchange Saturday by calling the timing of the inquiry "despicable" politics.

UN Council To Take Up Protest Over Fighting Paris, Oct. 25 (AP)—The United Nations announced today the Security Council will meet tomorrow to consider an Egyptian protest against continued fighting in the Negev area of Palestine.

The Security Council last week ordered Egyptian and Israeli forces to halt the war in the Southern Palestine desert area.

Mahmoud Fawzi of Egypt asked last Saturday that the Security Council meet on Sunday to consider the continued fighting. Warren Austin of the United States, October president of the Security Council was in London then, however.

Both Egypt and Israel had announced they had ordered their troops in Southern Palestine to cease fire at 7 a. m. EST, Friday, in accordance with the Security Council order.

At the end of tenth week of sales on the Eastern, gross sales were 18,711,988 pounds for an average of \$130. This was \$21.21 below the week before.

Last week's volume on the old belt totaled 21,333,733 pounds for an average of \$187.3, which was 23 cents below the previous week.

On the Middle belt the gross was any week this season.

Union Proposes For Employers To 'Open Books'

AFL Appeals For Cooperation To Cut Costs And Curb Inflation Trend

Washington, Oct. 25 (AP)—A new union appeal for employers to "open books" came today as a proposal to help curb inflation.

The AFL said joint-employer study of an employer's business records could lead to greater production efficiency—and thus better wages and profits without higher prices.

The AFL's view was outlined in its economic publication, labor's monthly survey, which added: "If cooperation between management and unions can cut costs and bring wage increases without continuing the price spiral, workers can recoup their postwar losses and management will gain by better labor relations and a better market for their products."

Meanwhile, the National Labor Relations Board announced a set of important new Taft-Hartley law rulings on illegal strike activities and broadened union responsibility.

In a three-to-two decision, the NLRB said a union has general legal responsibility for actions of its authorized representatives.

This is a significant departure from past NLRB findings under the Warner act. Up to now, the board has said a union must have specifically authorized an illegal act of its agent for the union to be held responsible.

Although splitting on this issue, the five-man board agreed unanimously that (a) mass picketing which blocks plant entrance, and (b) pursuing non-strikers in automobiles away from a struck plant, are illegal practices.

Officially Open Red Feather Drive Tomorrow Tomorrow morning at 8 o'clock the special gifts committee of the Community Chest drive will officially open the 1948 campaign for funds with its breakfast meeting at the Proctor Hotel.

The special gifts committee is composed of approximately 50 Greenville businessmen who will solicit the business of the city for donations before the house to house canvasses begin in the city Wednesday.

Louis Gaylord, chairman of the committee, urged all members of the committee to be present at the breakfast to receive assignments and receive instruction for carrying out the campaign.

La Nacion said it had a brief dispatch from its correspondent at Formosa, an Argentine town at the Paraguayan border.

French Police Take Over Nearly Half Struck Mines Paris, Oct. 25 (AP)—Interior Minister Jules Moch announced today police have occupied about half the key northern French minesfields, struck for three weeks.

He said that, within seven hours after beginning their drive, the police took over some 280 square miles. They made about 15 arrests in the process. The areas occupied lie between the Belgian border and the Douai-Lille road, Moch said, and include the whole Valenciennes group of mines and part of the Douai group.

"We do not come to fight against the strike," Moch said in a radio speech. "We come to prevent the destruction of hundreds of billions of francs of national wealth, endangered by the criminal decision to abandon safety machinery."

The Communist-called strike has already cost the country the loss of 3,000,000 tons of coal.

The government last week ordered police and soldiers to use their firearms when attacked by the strikers. In most cases, pickets are leaving when ordered, without resistance.

Limited sympathy strikes have been ordered by the Communist-led National Federation of Labor. In St. Etienne there was a 24-hour general walkout ordered for the funeral of a miner killed Friday when police occupied the Cambefort mine. There were no street cars nor buses this morning in this city and garbage was not collected.

Cowboys Staged Rodeo And Riot For Genevans Geneva, Switzerland, Oct. 25 (AP)—A rodeo company "from the savage west" put on a combination rodeo and riot last night at the Palais Des Expositions. The event left policemen and performers bruised and ruffled and 27 of the cast of 40 under arrest.

The trouble started when a handy Genevan took up the rodeo company's offer of 1,000 Swiss francs (about \$250) to anyone who stayed on the back of a bronco named "Income Tax" for 10 seconds.

The Swiss horseman, whose name was lost in the scuffle, declared he rode "Income Tax" for 10 seconds.

The cowboys—who billed themselves as coming from Texas—said they were up only four seconds and not on any bronco named "Income Tax."

The argument roared into a free-

Dewey Reported Studying Future Cabinet Make-Up

Aides Say No One Yet Certain Of Cabinet Post In Event GOP Victory

Albany, N. Y., Oct. 25 (AP)—Reports circulated here today that Gov. Thomas E. Dewey is giving study to possible cabinet appointments in anticipation of a victory in the presidential election eight days away.

The Republican presidential nominee leaves at midnight tonight for Chicago and the first of four major speeches.

He speaks in Chicago tomorrow night, Cleveland Wednesday, Boston Thursday and New York City Saturday.

Dewey's aides say firmly that no one—including John Foster Dulles, his foreign affairs adviser—is certain of a cabinet post in the event of a Republican victory.

But the names of Dulles and Roger W. Straus, one of the inner circle of Dewey advisers, turn up more often than any other in a presidential candidate's camp.

Talk centers on Straus as a possible appointee for secretary of the treasury. He is president of the American Smelting and Refining Company.

He was one of the top Dewey leaders who decided last week to keep the GOP campaign tied to its "unity" theme, without answering President Truman's attacks.

Most of the speculation about the treasury post previously had centered around Elliott Bell, commissioner of New York State banks. But the back stage gossip is that if Dewey wins Bell might be picked to head the Federal Reserve Bank System, with new broad powers for supervision of the nation's economy added to that job.

The possible loss by the Republicans of Senate control might affect the personnel of Dewey's proposed cabinet.

If Senator Arthur Vandenberg (R-Mich.) lost his chairmanship of the Senate Foreign Relations Committee to a Democrat, some of his friends think he would be more interested in becoming secretary of state than remaining in the Senate.

A great many of Dewey's friends think he would pick Rep. Clifford R. Hope (R-Kan.) for secretary of agriculture.

Dewey has promised publicly to name a secretary of interior from one of the 11 far western states, excluding California and Arizona because of their current water dispute.

Mopping Up Seoul, Oct. 25 (AP)—The Korean army said today it had reduced last week's uprising "to the stage of mopping up separated bands of insurgents."

Troops of the Korean Republic were on the march toward Yosu, southern rebel-held port where the revolt broke out.

These troops moved southward down the peninsula from recaptured Suncheon, 29 miles north of Yosu, brief reports from the scene said. Yosu is near the southern tip of the peninsula. The Korean navy reported capture of two rebel craft in Yosu's harbor Sunday.

Forecast Record Vote In Election Over 51 Million Votes Anticipated; Question Of Ratios

Washington, Oct. 25 (AP)—The Census Bureau says the 48 states figure 51,035,256 persons will vote for president November 2.

This is a record number, but several million below what it would be if ballots were marked in the same population ratio as in the past two elections.

Whether the nation's voters are showing the same degree of interest this year as in 1944 and 1948 has been debated. Some have estimated a vote below 1940's record of 49,820,312 and even under the 1944 total of 47,976,263. But the CIO News says it will be close to 60,000,000.

The 51,035,256 figure is an aggregate of 48 separate estimates made for the Associated Press by state election officials. A few forecasts by party chairmen and experienced newspaper observers are included.

The total is based on an estimated 66,811,617 men and women who have qualified to vote by registering or meeting other requirements stipulated by the various states. The Census Bureau says there are about 95,000,000 "potential" voters—those of legal voting age.

Severe Fighting In North Israel UN Spokesman Reports Israel-Lebanon Border Clashes

Hatfa, Israel, Oct. 25 (AP)—A United Nations spokesman said last night severe fighting had broken out again along the entire northern frontier between Israel and Lebanon.

The spokesman said neither side gained substantially. Israeli forces counter-attacked after claiming the Arabs had broken the truce by attacking. The Jews claimed they took two heights and drove Arab fighters across the Lebanese border.

The Arab forces were said to consist of some Lebanese troops and remnants of the "Liberation Army of Fawzi Pasha El Kaunkji."

The UN spokesman said "Jewish planes bombed Bidla, Meisa El Jebel and Houle, inside Lebanon." He said the Jews also shelled some points in Lebanon.

The UN report, based on word from observers at the front, said "svr fighting" continued yesterday. The Arabs appeared to have cut the Jewish supply route to northern settlements, with capture of the height of Sheikh Abbab which the Jews have not been able to recapture.

(A dispatch from Beirut, Lebanon, said Jewish attacks "in spite of continued reinforcements were repulsed by Lebanese and liberation armies." The report said the Jews withdrew, leaving 160 killed and many wounded.)

AFL Suggests Management Bring Unions Into Consultation To Help Cut Costs So Higher Wages May Be Paid; Idea Explained; Other Side Of The Picture

By JAMES MARLOW Management, truly, might benefit by getting labor's cooperation in cutting costs. It could mean more profits for the management, more pay for the workers.

But where would this kind of cooperation or "consultation" stop? Would it mean labor could tell an employer how to run his business? Management, generally, has fought that idea.

Take an example suppose Jones agrees to consult with the Union in his plant and opens his books which show what it costs to run his business and how much profit he makes.

If the Union saw that Jones' profits were 100 per cent in 1946 over 1947, while the Union's wages went up only 10 per cent, it would have a strong bargaining point for a wage increase.

And if it saw that Jones' profits would have been higher—and therefore, his ability to pay higher wages—if he did certain things in his business, the union could suggest changes and improvements.

If Jones agreed to follow the union's advice, his profits might rise, but only because the union was having a hand in running his business.

Young Actress Is Earning More

Hollywood, Oct. 25 (AP)—Financial notes of an 11-year-old: little Margaret O'Brien increased her net holdings by \$18,530.88 in 1947—from \$88,339.47 to \$116,870.35.

An accounting given Superior Court by Mrs. Gladys O'Brien, mother of the young film actress, also said that Margaret's income last year was \$183,848.20 from movies and radio work and other sources; but expenditures totaled \$175,317.34, including \$68,698.97 for income taxes.

Proposed For Ending Berlin Blockade Submitted By Six Security Council 'Neutrals' Runs Into Stone Wall; Vote Was 9-2 In Favor Of Plan

Paris, Oct. 25 (AP)—Russia vetoed tonight the small-power proposal for a compromise ending of the Berlin blockade.

The vote, in the United Nations Security Council, was nine in favor and two against.

Russia and the Ukraine voted against. The Soviet dissent constituted a veto. Acting Council President Juan A. Bramuglia of Argentina ruled, and the resolution was rejected.

Russia's Andrei Y. Vishinsky had told the council he was prepared to veto the small power compromise if it came to a vote.

With both arms flailing the air, Vishinsky denounced a six-nation resolution aimed at settling the crisis arising from the Soviet blockade of Berlin. He said it was unfair to Russia.

Vishinsky said the Berlin question should never have been brought before the Security Council in the first place. Earlier, an authoritative source said the three Western powers had rejected a Russian counter-proposal for ending

"Probation After Death" was the subject of the Lesson-Sermon in all Christian Science Churches and Societies on Sunday, October 24. Golden Text: II Corinthians 5: 17. "If any man be in Christ, he is a new creature: old things are passed away; behold, all things are become new." Among the citations comprising the Lesson-Sermon were the following from the Bible: "... our conversation is in heaven; from whence also we look for the Saviour, the Lord Jesus Christ: Who shall change our vile body, that it may be fashioned like unto his glorious body, according to the working whereby he is able even to subdue all things unto himself" (Phil. 3: 20, 21). And from the Christian Science textbook, by Mary Baker Eddy: "Jesus' unchanged physical condition after what seemed to be death was followed by his exaltation above all material conditions; and this exal-

tation explained his ascension, and revealed unmistakably a probationary and progressive state beyond the grave" (Page 46).

PROVE CAMEL MILDNESS FOR YOURSELF!

In a recent test, hundreds of men and women all across the country smoked Camels—and only Camels—an average of one to two packages a day—for 30 consecutive days. Each week their throats were examined by noted throat specialists—a total of 2470 examinations—and these doctors found not one single case of throat irritation due to smoking Camels.

Fashion Show Delights Audience

The Fashions and Hair Styles on Parade, presented by the Diana Shop and East Carolina Cosmetologist Association, sponsored by Greenville White Shrine No. 7 for the benefit of the blind, was a great success.

About 75 models from Greenville, Bethel, Kinston, Ayden, Robersonville, Belvoir, Grimesland, Fuquay Springs, Everetts, Oxford, Clinton, Winterville and Stokes participated. The audience was delighted with the latest styles in sport clothes, dressy dresses, evening dresses, fur coats and lingerie presented by the Diana Shop. The loveliness of the models was greatly enhanced by their charming hair styles, created by members of E.C.C. Association.

Other highlights of this pleasant program were members of the dance and melody review. First in this line were Greenville's future models—Carole Wilkerson, Ruth Cotten Clark, Joann Smith, Frances Moseley, Goldie Starling and Alice Mae Cannon, representing Mrs. C. D. Smith's kindergarten with a gay, winsome routine. Several students of Mrs. Marie Wallace, owner and manager of Marie's School of the Dance, performed quite artistically. These were Janice Robertson, Edwina McMullen, Joanne Timberlake, Kitty Smith, Martha McKenzie, Ruth Page, Mary Dunn Beatty, Denyse McLawhorn, Betsy Fife Jean Simpson and Jarvis Tripp Jr. They gave a ball room specialty.

A piano duet by Alton Barnhill and Charles Cherry of Stokes accompanied solos by Mrs. Leola Tyson and Mrs. Olivia Ward, solos by Tige Gardner, Greenville, N.C., and Peggy Nelson of Belvoir completed the musical part of the program.

At the close of the entertainment, Mrs. Emogene Duffin, Worthy High Priestess of Greenville White Shrine, thanked Charles Whedbee for doing such a splendid job as master of ceremonies, and introduced Mrs. Louise Carrigan, manager of Diana Shop, and Mrs. Louise McKinney, president of E.C.C. Association. Mrs. Christine Smith, Bill Evans and Don Adcock were recognized and thanked for the lovely and appropriate music they furnished. Mrs. Hilda Laughinghouse had charge of the program.

Jewelry worn by the models was furnished by Lautares Bros. The attractive decorations were by Cox Floral Co.

To Observe Homecoming
The Greenville White Shrine No. 7 will observe homecoming on Wednesday evening, October 27. There will be a dinner at 7 o'clock followed by the ceremonial at 8 o'clock. Mrs. Emogene Duffin, Worthy High Priestess, urges all members to be present as this promises to be the best ceremonial the Shrine has put on.

Faculty Wives to Meet
The E. C. T. C. Faculty Wives Club will meet Tuesday evening, October 26, at 7:45 at the home of Mrs. J. Howard McGinnis, 808 East Third street.

Joy Ann Tilman Becomes Bride Of James Cecil Clark Oct. 17th

Charlottesville, Va.—Miss Joy Ann Tilman, daughter of Mr. and Mrs. Paul Bland Tilman of Charlottesville, became the bride of James Cecil Clark, son of Mrs. J. H. Clark and the late Mr. Clark of Grimesland, N. C., Sunday, October 17th at 4 o'clock in the University Chapel.

The Reverend Richard G. Pullen, pastor of the Hinton Avenue Methodist Church, officiated. The church altar was banked with palms and ferns, against which baskets of white carnations, gladioli and chrysanthemums were placed. Seven-branched candelabra held lighted tapers throughout the chapel.

Mrs. Albert Honaker, organist, and Mr. Gordon Yowell, soloist, rendered a program of nuptial music.

The bride, given in marriage by her father, wore a gown of ivory satin fashioned on princess lines with sweetheart neckline, long pointed sleeves and a full skirt ending in a long train.

Her floor length veil of illusion fell from a Dutch cap of lace, edged with seed pearls.

She carried a bouquet of white roses, showered with stephanotis and orange blossoms.

Mrs. Sidney P. Johnson of Fayetteville, N. C., was matron of honor.

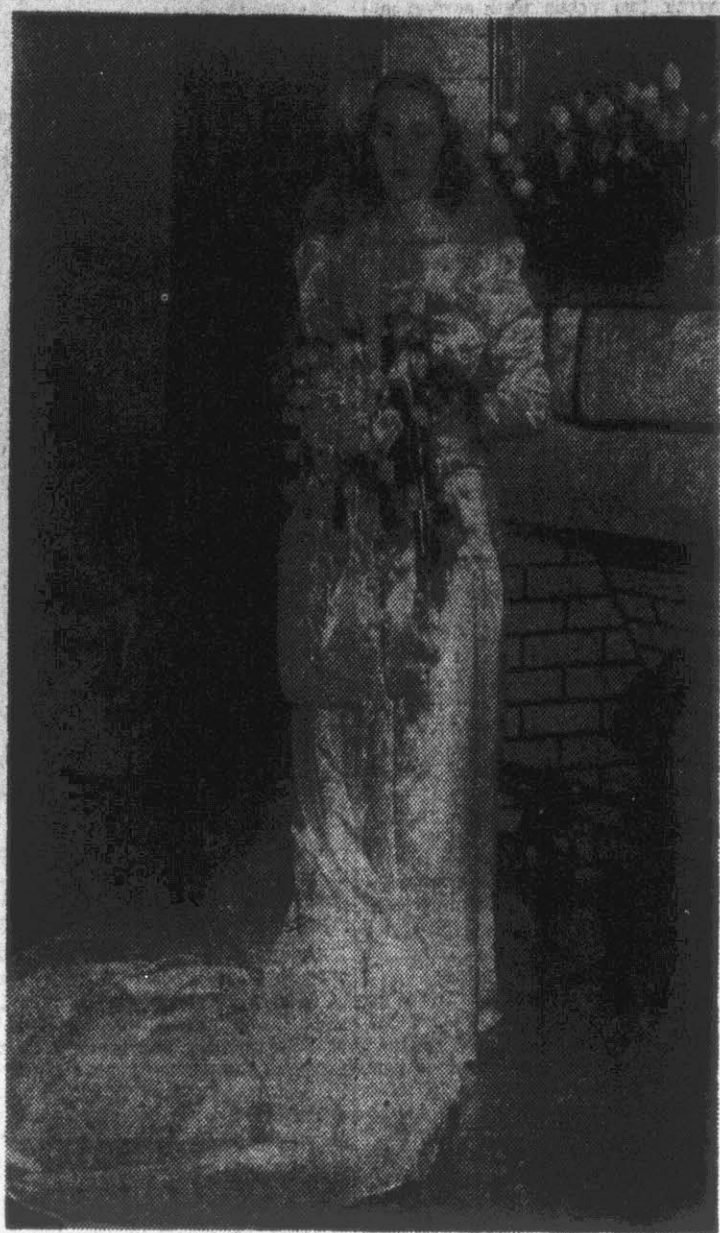

Her dress of white taffeta was styled with off-shoulder neckline, basque waist, full skirt trimmed with velvet ribbon. She wore matching mitts and carried a muff of red carnations and white chrysanthemums. Her headdress was a bandeau of gardenias.

The maid of honor, Miss Jane Wells of Wimber, Pa., was gowned in white taffeta, fashioned with sweetheart neckline, puffed sleeves with matching mitts, tight bodice, full skirt with shirred inset of like material. Her headdress and flowers were the same as those of the matron of honor.

The bridesmaids, Miss May Winston, Rustburg, Virginia, Miss Bobbie Myers, Miss Elsie Franklin, Radford, Va., and Miss Martha Black, Richmond, Va., wore identical gowns of white faille, styled with drop shoulder, cap sleeves, tight bodice, with bouffant skirt. They wore bandeaux of gardenias and their flowers were muffs of red carnations.

Joyce Ann Gann of Rustburg, Va., cousin of the bride was flower girl. Her floor length dress of white taffeta was similar to that worn by the bride. She wore a bandeau of white roses and carried a white basket

Mrs. James Cecil Clark

lined with white lace and tied with bows of red ribbon, from which she scattered rose petals.

Henry Coleman, son of Mr. and Mrs. Clayton Coleman of Charlottesville, was ring bearer.

James S. Sanders of Angier, N. C., brother-in-law of the groom, served as best man.

The ushers were Paul Bland Tilman, II, brother of the bride, Richard B. Jackson, Fodie H. Hodges, Grimesland, N. C., Samuel and John Greenlee Hart of Scottsville, Va.

Following the ceremony a reception was held at the home of the bride's parents on Rugby Avenue. After the wedding trip south, Mr.

and Mrs. Clark will make their home in Grimesland, N. C., where Mr. Clark is engaged in business.

Out of town guests were Mrs. H. J. Clark, Miss Mary Lou Clark, Mr. Donald Clark, Grimesland, N. C.

Mrs. James S. Sanders and son, Angier, N. C., and Mr. and Mrs. E. B. Wilson, Grimesland, N. C., Miss Lillian Watkins, Salisbury, N. C., Mrs. Hillary Chapman, Sandy Ridge, N. C., Mr. and Mrs. Edison Gann, Rustburg, Va., Miss Hilda Woodrum, Richmond, Va., Miss Sadie Mann, Union, W. Va., Mr. and Mrs. Sylvester Fleming, Newport News, Va., Miss Mary E. Black, Baltimore, Md., and Miss Betty Ellis, Alderson, W. Va.

Homecoming Day At Rountree's Church

On Sunday, October 24th, the members of historic Rountree's Church, four miles west of Ayden, celebrated their one hundred and twentieth annual "Homecoming Day".

In the afternoon, the Rountree Family Association gathered within the church for their annual meeting.

Clarence Cannon of Ayden, president of the association, presided.

Opening and closing hymns were "Faith of Our Fathers" and "Blest Be the Tie That Binds." Mrs. Spruill Spain, junior, of Greenville was accompanist.

The prayer of invocation was offered by the Reverend C. C. Ware

of Wilson. Benjamin Bruce Sugg, junior, of Greenville, read the minutes of the last meeting.

The Reverend H. G. Haney, pastor of the Eighth Street Church of Greenville, made a very fine talk on the need of Christian education for the youth of today emphasizing the astounding number of young people whose education is being neglected through the apathy of those of us who should do something about it.

Mrs. Helene Higgs Kirkpatrick of Greenville sang very beautifully a solo, "My Task" by Maude Louise Ray.

Miss Jesse Rountree Moye of Greenville made a short talk in reference to some family notes of interest. After a short business session the benediction was said by the Reverend G. H. Sullivan of Wilson pastor of Rountree Church.

Group Will Ask Legislature For Carolina FEPC

Raleigh, N.C., Oct. 25—(AP)—North Carolina Negroes will stage a "march on Raleigh" after the Legislature meets next January, a meeting of the local chapter of the National Association for the Advancement of Colored People was told yesterday.

Kelly Alexander, president, told the group that the march would be "orderly, peaceful and in keeping with the constitutional rights of citizens to petition."

He said the group would ask the Legislature for a state FEPC, for the abolition of "discriminatory" laws, and for recognition of Negroes in policy-making bodies of the state.

Customer Wanted Plenty Of Rings

Greensboro, Oct. 25—(AP)—The jewelry store clerk asked the customer if she had heard him correctly. Yes, the order was for a dozen wedding rings, inexpensive and large sizes.

The customer explained he was the Rev. Robert Cox, rector of Holy Trinity Episcopal Church here. The Rev. William Gordon, bishop of Alaska, while visiting in his native North Carolina, told Cox many Eskimos he marries don't have rings. The dozen rings were a gift from the Greensboro congregation.

HERE'S NOTARIZED PROOF THAT YOU MAY LOSE UGLY FAT SAFELY!

To: THE KYRON COMPANY
Gentlemen:

I want you to know how thrilled I am with the way your Kyron plan helped me lose fat.

I'm 18 years old and weighed 212 pounds. I had to wear size 44 and could never dress like other girls. I was ashamed to go any place.

Then I took Kyron for 3 weeks and lost 21½ pounds. I felt peppier than ever before. When I went to my doctor, he said my health was improved and I should keep on taking Kyron.

In about 2½ months I was down to 125 pounds. Now I wear size 12 and am I happy. My skin looks so much nicer and I feel wonderful. Now I'm having dates and fun.

I feel like telling everybody who's fat and unhappy to take Kyron like I did so they can look slim and pretty.

Thank you so much for my wonderful results with Kyron.

Republicans Reach New High In Support By Southern Press

Atlanta, Oct. 25 — (AP) — With many editors sitting this election out, Republicans today reached the highest peak in years in newspaper support in the South.

The GOP happily welcomed many of Dixie's most widely read editors, who have kicked over steadfast Democratic traditions and stepped out behind Thomas M. Dewey for president.

There was plenty of trumpeting for President Truman and States Righter Strom Thurmond among middle-sized and smaller towns, however. Republicans still fell short of a majority of all papers.

Scores of editors were taking no

flat stand as a half-century of one-party rule in most of the South crumbled about them.

At least three papers announced last week they were supporting a Republican presidential candidate for the first time.

The were the Charlotte (N.C.) News, the St. Petersburg (Fla.) Evening Independent, and Pulitzer prize winner Hodding Carter's Greenville (Miss.) Delta Democrat-Times.

President Truman's civil rights program, said in the eyes of many rebellious Southern Democrats, was not advanced as a reason for supporting Dewey.

GOP-backers said there were more

important issues—leadership for world peace and sound government. And on these points they urged their readers to join Dewey, who sponsors a civil rights program too.

One of President Truman's biggest champions in the South is the Louisville Courier-Journal. It said: "Subjected to abuse from right and left, he has steered a steady course with undaunted courage. It has been the fashion to magnify the shortcomings and ignore the achievements which history will see in his shortcomings."

Other larger papers out-and-out for Dewey include the Commercial Appeal and Press-Scimitar in Memphis, the Observer in Charlotte, the

Virginian-Pilot and Ledger Dispatch in Norfolk, the Times and the News-Free Press in Chattanooga, the Times and the World News in Roanoke, Va., and the Eagle in Dothan, Ala.

The Charlotte Observer, departing from its traditional independent Democratic stand for the first time in recent years, said in an editorial yesterday that Dewey is "the best choice that can be made."

The paper said it was unable to support President Truman for election to another term "because it seems to us that the record shows him to have certain shortcomings of both ability and personality that make it inadvisable to entrust the affairs of this nation to him for another four years."

Williams, Jean Paige, Elijah Jenkins, Charlie Parker, Luke Bess, Lucille Joyner, Alex Darden, Jr., Mamie R. Adams, Walter Smith, and Patsy Smith. The guests were served barbecue, chicken, corn bread sticks, garden peas, potato salad on lettuce, and cold slaw. Everyone enjoyed a pleasant evening.

H. L. Harris, party chairman.

Owes Their Lives To Old Barracks

Chanute Airbase, Ill., Oct. 25—(AP)—Three men were killed last night in a crash here of a C-47 Air Forces plane carrying 22 persons.

Nineteen injured taken to the base hospital "probably owe their lives to the fact that the plane first hit two empty barracks," Brigadier General F. R. Uphergrove, commanding general, said.

The twin-engine plane, approaching the base in a heavy ground fog, chopped a corner off one barracks and then plowed through a second barracks before smashing to the ground.

"Those old barracks certainly were worth their price," the general said.

He believed the wooden two-story structures cushioned the crash, saving the 19 passengers in the cargo plane's fuselage. Those killed, he said, were the pilot, co-pilot and crew chief, all in the plane's crumpled cockpit.

The injured, Gen. Uphergrove said, suffered "mostly head injuries and broken bones. The majority are in good shape."

The plane was cleared from Albuquerque, N.M., enroute to Scott Airbase, Ill. It was sent on to Chanute Airbase because of adverse weather at Scott. Normally the craft was stationed at Wright Patterson Airbase, Dayton, O.

Film-Makers Bid To Get Princess To Get Princess

Stockholm—(AP)— Five-year-old Princess Christina may soon become the heroine of a fairy-tale.

The princess, who is the daughter of Sweden's widowed Princess Sibylla and Prince Gustaf Adolf, killed in a plane accident last year has been considered for the lead in a motion picture for Venst Filmindustri, the Swedish artist Einar Nerman said. So far, Princess Sibylla has not decided whether to accept the offer, he added.

Nerman will be co-director of the picture, which will be filmed in color and probably based on a fairy-tale by the Danish Hans Christian Andersen. Princess Christina would play the title role "Liza Thumb," a female equivalent to "Tom Thumb."

Nerman called for the United States aboard the Swedish American liner "Stockholm." He is going to New York to work as a cartoonist.

This year's edition, which Saturday night wound up a five-day stand, brought a total attendance of about 415,000, highest in history according to Fair Manager J. S. Dorton.

Choo-Choo Still Leads Pack In Southern Point-Making

Want Winner At Carnegie Tech

Pittsburgh, Oct. 25—(AP)—Carnegie Tech's football team went to the Sugar Bowl in 1938 and has been bowled over by just about everyone since then.

The current Tech losing streak stretched to 23 straight Saturday when the Tartans were whipped by Case, 26 to 20. The students and the man they don't blame—Coach Bill Donohoe—are disturbed.

The Tartans went in for football emphasis in 1938. Their grid fortunes fell faster than a barometer before a hurricane.

Tech's last football victory was scored in 1942 against the University of Buffalo. In 1946 Tech reversed the usual success formula by failing to win a game, score a point or settle for a tie.

Following Saturday's defeat, painted signs appeared on campus buildings and walks proclaiming "We Want College Football" and "Here Lies College Spirit—Born 1909—Died 1938."

All of this leaves Tech President Robert E. Doherty unmoved.

"There has been no change in our policy since 1938," Dr. Doherty declared today. "There has been no change in practice. There is not going to be any."

Last year the Tech president went before the school's 3,500 students to explain the football situation.

"We cannot have both 'Class A' football and professional education unless we set football up as a side-show with a special educational program for the squad," Dr. Doherty declared. He added emphatically: "This, we will not do."

Air Assist

Buffalo, N. Y., Oct. 25—(AP)—Whitworth Ferguson, president of the Park Country Club, swears this golf story is true—

He was playing in a foursome on the 10th hole when he noticed a helicopter hovering in the neighborhood. As the foursome walked toward the green, the 'copter dropped low and the pilot reached out, plucked the pin from the cap and withdrew discreetly while the foursome yelped out.

As the golfers left the green, the 'copter returned, the pilot replaced the pin and whirled away.

Marksman Found Fussiest Of All

Quantico, Va., Oct. 25—(AP)—The National Rifle and Pistol championships start today, which means the world's fussiest athletes have come to this Marine base.

Normally the meet involves hundreds of shooters, but this year the multitude has been shot down in regional meets. Only the champions are here.

The 25 pistol shooters will be led by the defending champion, Tech-Sgt. Huelet Benner. Appropriately the nation's best shot is stationed where he helps guard the nation's gold at Fort Knox, Ky.

The pistol packers are meticulous enough, but for real attention to minute details, you'll look many a sport over and not find anything like the 29 regional champion rifleman.

For one thing, most of them have been in careful training for two months. No alcohol. Not even any coffee. Even the slightest trace of nervousness means good-bye title.

That's understandable. For in one part of the competition, they'll bang away at a two-inch target from 100 yards.

Series Statistics

New York—(AP)—A statistical study of the last World Series, between the Brooklyn Dodgers and New York Yankees, shows that the 17 pitchers used by the two clubs heaved a total of 1,958 throws, not counting futile tosses to first.

Jack Cloud And Bill Gregus Tied For Runner-Up Spot; This Week May Be Hottest Campaign For Loop's 16 Clubs

Richmond, Va., Oct. 25—(AP)—Charlie (Choo-Choo) Justice scored only once in North Carolina's 34-7 triumph over Louisiana State Saturday but continued today to lead the Southern Conference point making parade. The Carolina Choo Choo had 42 points to his credit—seven touchdowns.

William and Mary's fullback Jack (Flying) Cloud tallied his team's only six-point in the Tribe's 7-6 loss to St. Bonaventure to pull into a two-way tie with Wake Forest's Bill Gregus for the runner-up slot behind Justice. Cloud and Gregus each had 30 points.

Bob Cox, North Carolina's straight-as-an-arrow placekicker, was in fourth with 29 points. Cox had two touchdowns and 17 points-after-touchdown, all from placement.

Although most of the action is scheduled with outside events, this week may be the hottest of the campaign for the league's 16 clubs.

North Carolina plays what may be its toughest tilt of the season Saturday when the Tar Heels, undefeated and untied, travel to Tennessee.

Three other Southern conference squads face foes which rank among the nation's top 10. Twice-tied Duke enters Georgia Tech at Durham, N. C., Washington and Lee goes to Pennsylvania, and Virginia Tech, unable to pick up a single point in five games, journey to Army, all in Saturday afternoon engagements. Clemson's Tigers play Boston College at Boston Friday night.

Three conference struggles are on the program. The No. 1 family feud will be North Carolina State's appearance at Wake Forest. In the other loop tussles, Davidson invades Virginia Military Institute and the University of Richmond moves to William and Mary.

North Carolina and Clemson led the conference standings, each with two victories against no defeats. Duke was third with two wins and a tie. The past weekend's results included Duke's 7-0 triumph over Virginia Tech; St. Bonaventure's 7-6 squeeze by William and Mary; Virginia's 26-14 win over Virginia Military Furman's 9-0 conquest of the Citadel; Maryland's surprising 47-0 decision over George Washington; North Carolina State's 7-0 victory over Chattanooga; the University of Richmond's 28-7 win over Hampden Sydney; West Virginia's downing of Washington and Lee, 14-7; North Carolina's victory over Louisiana State, 34-7; Clemson's 13-7 verdict over South Carolina, and Davidson's 7-7 tie with Wofford.

Salvage Doubles Title In Mexico

Mexico City, Oct. 25—(AP)—Beaten in the singles, Richard Gonzales, the U. S. amateur champion, and Frank Parker salvaged the men's doubles championship in the Pan-American tennis tournament.

The Los Angeles tandem trounced their singles conquerors, Jaroslav Drobný of Czechoslovakia and Eric Strugess of South Africa, 7-9, 6-3, 8-6, 6-2, in yesterday's finals.

Drobný, the lefthanded Davis Cup star, won the singles crown by defeating Sturgess in straight sets 9-7 6-2, 6-2.

Sport Slants by Pap

Solid Spartan... by Pap

The solid man of the Michigan State football team is Warren Huey. The Spartans' candidate for All-America honors this fall. A veteran end, Huey is rated one of the finest wingmen in the Mid-West, equally proficient on offense and defense. Huey's importance in the Michigan State football picture can be judged by the fact that he was voted the most valuable player on the squad by his teammates last fall. He received the Governor of Michigan's award for his contribution to the team's success last season.

Huey is shooting for his fourth football letter this season. As a 17-year-old freshman, he won his letter in 1945 to become one of the youngest gridironers to win a monogram in Michigan State's history. He received honorable mention in the Associated Press All-America selections the past two seasons. He gained considerable stature in the Michigan-Michigan State game this season when he intercepted three forward passes, one of these interceptions leading to the Spartans' touchdown. He is carrying on as the team's leading pass-receiver, an honor he won last year when he snared seven forwards for a total of 160 yards and a pair of touchdowns. One of the touchdowns gave Michigan State a 7-0 victory over Mississippi.

A solid 200-pounder standing two inches over the six-foot mark, Huey hails from Punxsutawney, Pa., and has been a Spartan regular ever since he broke into the line-up in the 1945 Pittsburgh game.

Citation Finding No Competition

Baltimore, Oct. 25—(AP)—Citation probably will never race at his peak as a three-year-old.

Incongruous as this sounds regarding a colt which has won 17 out of 18 starts this year, you have the word for it of his smart trainer, Jimmy Jones.

Jimmy says Citation right now is sharper than ever. He's down for only one more start, the Pimlico Special on Friday, and that shapes up as a walkover for the Calumet star.

Despite Citation's cleanup of all contenders, his own age and old-fashioned Jones said he has never seen the colt run at his best. Even in Chicago where Citation had to be driven to win Jones said he was tapering off.

If no other eligible shows up for Friday's Special, and all signs point to complete fear of Citation, the colt will just gallop around the Pimlico track and take a vacation until next year.

So far, Citation working out at Pimlico is the only one of about 20 eligibles in training named for the Special. If no challengers show up, Calumet will pocket \$10,000 instead of \$25,000 if Citation won against competition.

Chicago, Oct. 25—(AP)—Harry Grabner, who rose from peanut vendor to vice president of the Chicago White Sox, died in a coma yesterday 48 hours after undergoing an operation for brain tumor.

Grabner was with the Comiskey club 41 years before resigning in 1945. In 1946 he became associated with Bill Veck as vice president of the Cleveland Indians.

Although only 57, Grabner was third only to Connie Mack of the Philadelphia Athletics and Clark Griffith of the Washington Senators in years of American League service.

Outsiders In Lineup

Columbia, S.C.—(AP)—Three Georgians are in the starting lineup of the University of South Carolina football team and two others are pushing first string men for berths. Quarterback Bo Hagan of Savannah, End Roger Wilson of Macon and Tackle Phil Alexander of Atlanta are the starters. Phil's brother, Kale, and Ernie Lawhorn of Macon, guard and halfback respectively, are the other two.

Stranahan Takes His Third Crown

Mexico City, Oct. 25—(AP)—Frank Stranahan of Toledo, Ohio, who hasn't been able to win the amateur golf championship on his own United States, today held the highest title of three other countries.

The young Ohioan won the Mexican amateur crown yesterday by defeating Charles Kocsis of Detroit 9 and 7. He previously had, taken the British and Canadian amateur championship.

Oldest Grid Foe

University, Miss.—(AP)—Among Southeastern Conference rivals, Tulane is the University of Mississippi's oldest football foe, with the inaugural game (12-4) dating back to 1893. Following in order are Alabama, Vanderbilt, and Louisiana State. All save Vandy were beaten in the first games.

when baby needs a new pair of shoes

It doesn't pay to gamble with brake shoes, linings and other parts. And when long miles of hard traffic driving have finally taken their toll, there's no gamble in having your Buick baby's brakes brought back to like-new shape by your Buick dealer.

We replace worn shoes and linings with brand-new, factory-engineered Buick brake parts—NOT pick-up replacements. We re-machines and true-up your brake drums, check hydraulic lines and cylinders for leaks and fluid loss.

Using Buick-engineered parts makes certain that your Buick is always a Buick—and all that a Buick ought to be. Particularly when the work is done by the men who know Buicks best.

The major upset last week in the Northeastern Conference was Elizabeth City victory over Washington. "The Yellow Jackets played their best game of the year," Coach Johnston quoted. "The boys had last year's game in mind and they were determined to take the Pam Pack." And they did just that taking Coach Wagner's boys for a ride 12 to 0. It was the first loss in conference play for the Pam Pack.

While Elizabeth City was taking a 12 to 0 victory over Washington the Edenton Aces jumped over into 2nd place in conference standings as they went through Tarboro 40 to 0.

Russ Wheeler, Edenton high school back field Ace is known as "Choo-Choo" the 2nd to many of the fans in that section. In Friday's game with Tarboro Wheeler ran for three touchdowns and passed to Jack Habit for two others. He also accounted for 3 extra points.

The Roanoke Rapids Yellow Jackets came from behind in the second half to defeat the New Bern Bears 28 to 7. Trailing at the half 7 to 0. The Yellow Jackets; went into a huddle and came out a new ball club. During the 3rd period the Yellow Jackets marched up to the field but was unable to push across a TD. In the 4th period the Jackets went wild averaging 2 points a minute. Vance Stewart was the offensive star for the victory while "Boob" Lowder starred on defense.

Question from Greenville: What is the longest run in football history?

The longest run in football was made by Wyllys Terry of Yale in 1884: 115 yards. The field at that time was 110 yards long, and Terry was five yards behind his own goal when he received the ball. Since, runs of over 100 yards have been reported, but none equals Terry's sprint. (Answer from the Carolina and N.C. State, official football program.)

Bearden Loses In Exhibition Tilt

Los Angeles, Oct. 25—(AP)—World series hero Gene Bearden ran into trouble from an unexpected source yesterday. The Kansas City Royals ganged up on him for three runs in five innings and went on to a 4-3 victory.

A crowd of 13,552 saw the Cleveland southpaw lose to his Indian teammate, Satch Paige, in the exhibition. Paige pitched three shut-out innings.

Major Bowl Principals May Emerge This Week

New York, Oct. 25—(AP)—College football swings into the backstretch this week with games that should go a long way toward identifying the major bowl principals.

California's potent Bears look like a cinch for the Rose Bowl if they can squeeze by Southern Cal Saturday at Los Angeles. The Pasadena guest may be decided at Evanston where Northwestern engages Ohio State.

Down in Dixie, unblemished North Carolina and Georgia Tech, sticking close to their telephones for Sugar, Orange or Cotton Bowl fevers, run into large humps in their schedules.

The N. C. Tar Heels play Tennessee at Knoxville and Vols' Coach Bob Neyland, a renowned pessimist, already has predicted an upset victory for his boys.

Texas' frisky Yellow Jackets meet an undefeated Duke team that has been getting progressively better after two opening season ties.

The Southwest feature is Southern Methodist against Texas at Austin. The victor in this one could well land in the Cotton Bowl although both must reckon with Baylor, which has only a tie on its record.

The job for the bowl promoters was further simplified last Saturday when two of the 11 unblemished teams were stricken from the list.

Army's powerful machine rolled over Cornell, 27-6, handing the big Red its first smudge.

Penn State, riding a victory string that covered the 1947 season, was tied by Michigan State, 14-14.

The nine left without defeat or tie in major ranks are: Michigan Notre Dame, North Carolina, Georgia Tech, Clemson, Army, Pennsylvania, California and Nevada.

Of these, Michigan Notre Dame and Army aren't bowl candidates and Pennsylvania, as an Ivy leaguer, is not overly receptive to bids.

The Wolverines, elevated to the No. 1 spot last week in the Associated poll, justified their selection by overwhelming Minnesota Saturday, 27-14. They are virtually "in" as big nine champions.

Northwestern, beaten only by Michigan, then takes the lead in the Rose Bowl picture on the basis of its 19-16 triumph over Minnesota. But Ohio State also has lost only one game—to Iowa.

California continued its display of offensive power in smashing Washington, 21-0. If they can get by Southern Cal, the Bears wind up with the weaker UCLA, Washington State and Stanford.

Oregon, beaten only by Michigan still is in the running for the Pacific Coast conference crown and the Bowl spot. But the Webfoots' hopes depend on California stubbing a toe.

All the other un-beaten-untied giants came through last week's tests under wraps except Pennsylvania. The Penn forces were handed a tremendous scare by winless Navy before they squeaked through 20-14.

Notre Dame bullied right over Iowa, 27-12.

Real Rivals, Now

New York—(AP)—Jim Henry and Chuck Raynor who are business partners in Ontario, during the summer and have been rivals for the goal tending job with the New York Rangers of the National Hockey League in winter, have been separated. Henry has been traded to the Chicago Black Hawks and will tend the nets for the two partners are facing each other from opposite ends of the rink this season.

Spartan Extremists

East Lansing, Mich.—(AP)—Biggest man on Michigan State College's 1948 football team is sophomore tackle William Miron from Escanaba. He packs 238 pounds on a six foot, three inch frame. The midget is George (Little Dynamite) Guerre, senior tailback star from Flint, who stands only five feet, five and weighs 157.

National League Umpire Bill Stewart had a pitching trial with the Chicago White Sox in 1919. Before the season opened he injured his arm in a fall.

Lynton (Dusty) Bogges, National League umpire, hit 12 home runs for Waco in the Texas League in 1926.

National League Umpire Artie Gore hit one home run in 66 games of organized ball. It came in 1929 with Nashua, N.H.

Jack Kramer, Boston Red Sox pitching ace, won 20 games and lost 11 for San Antonio in the Texas League in 1938.

Form Sheet Says Appalachian 'In' Leading Scorer

New York, Oct. 25—(AP)—Lou Kuserow, Columbia University fullback, scored a touchdown against Princeton Saturday to gain on Washington and Jefferson's Dan Towler as the nation's leading college point-maker.

Towler didn't add to his total but still maintains a good margin with 74 points—11 touchdowns for 69 points, which is tops in the major conferences.

Two smaller college players—Jack Hague of Ft. Hays (Kas.) State and Hank Tresh of Hanover (Ind.)—also have 69 points.

Placement Ace

University, Miss.—(AP)—Bobby Oswalt of Columbia, Miss., quarterback on the University of Mississippi football squad, last season's placement kicker with 26 points on 38 trials through the regular campaign.

He added one for one in the Delta Bowl win scored by Ole Miss. Oswalt also scored a touchdown for six more points during the season.

Al Renfrew, captain of Michigan's NCAA championship hockey team, lives in Toronto. He scored 28 goals last season.

Form Sheet Says Appalachian 'In'

By the Associated Press All Appalachian State's Mountaineers have to do to claim the North State Conference football championship is to follow the form sheet.

Over their last major hurdle with a 40-14 drubbing of High Point Saturday, the big boys from Boone have only two more conference opponents to face. Both of them, Atlantic Christian and East Carolina Teachers, are cellar dwelling clubs with no conference wins to their credit.

Appalachian takes its only breather from conference competition with an appearance at Emory and Henry in Virginia this weekend. Family feuds will send Guilford to High Point and Lenor Rhyne to Atlantic Christian. Non-conference games will pit Western Carolina against Maryville, East Carolina against the Duke freshmen and Elon against Newport News Apprentice.

Catawba, paced by high scoring Lee Spears who's collected 59 points, rebounded from its loss to Appalachian with a 35-0 rout of Elon Saturday. Other Saturday battles gave Western Carolina 9-0 win from Lenor Rhyne and Guilford a triumph over Atlantic Christian, 19-0.

Herman Bryson, Appalachian's fleet footed back, closely trails Spears for the conference leadership in individual scoring. Bryson has 54 points.

ACTOR-RANCHER—Film Actor Preston Foster rides his favorite mount, Raven, at his 400-acre cattle ranch on edge of the Angelus National Forest, 60 miles from Los Angeles.

Humber Asserts World Must Join Federation

By CHESTER WALSH
 "The Political Day of Judgment may be nearer at hand than we realize," declared Robert Lee Humber, distinguished scholar and world traveler, and founder of the World Federation, at a meeting in observance of "United Nations Day" at Memorial Baptist Church last night.

He said the present political organization is inadequate to prevent war, that we must banish international anarchy and establish law and order or civilization will be banished; that diplomacy has failed to prevent wars and that the time has come when the nations of the world must federate to secure and maintain law and order and resultant peace.

"We should not let World War III come because the balance sheets show that the world cannot stand it," the speaker warned. Mr. Humber, in a brilliant and eloquent address before an overflowed audience, gave an impressive narrative history of man's method of defense against warring peoples. The ancient city of Oxford, England, he said was surrounded by walls for protection against other cities. London, Birmingham, etc., and its people felt secure until science made use of gun powder and a cannonball struck the city's wall and warned the people that walls were no longer effective for defense. After this cities were organized into provinces under the barons for protection; then into states and later nations for defense in war, while science, after the industrial revolution, was constantly changing warfare methods until now, when the atomic bomb was perfected to destroy a city and its inhabitants in a few swift seconds.

Mr. Humber declared that diplomacy is not effective in settling disputes and preventing wars, and warned that if man is to survive, the nations of the world must organize a world government to establish and maintain order and peace in the world. He compared the World Federation Plan to the American system of government and declared that this method alone will insure peace in the world. He described cities, countries, states and the American Union of Nations as a pattern for World Federation, and reminded his hearers that the time has come when this plan is the only safeguard against other wars and that freedom must be preserved by law and order and that only a government may make laws.

He pointed out the impotence of the League of Nations after World War I and the United Nations after World War II and said any member nation may drop out of these two groups without notice. "With a World Federation of Nations, with fair and just laws, consistently enforced, individuals who caused war, not entire nations, could be punished, and then civilization will survive," Mr. Humber said. Last night's meeting was sponsored by the Protestant churches of the city and the Woman's Club. Other churches suspended their services

to permit their members to hear Mr. Humber's message. Preceding the service, Mrs. Karl V. Gilbert gave an organ prelude. Mrs. J. Vance Perkins opened the meeting. Rev. Ralph Johnson, master of Pentecostal Holiness Church, said the invocation. The choir and congregation sang "America, The Beautiful." Dr. Dan E. Vornholt sang Goffrey O'Hara's "One World." Rev. Richard E. Hardaway, pastor of the church, introduced Mr. Humber. The hymn, "God Of Our Fathers," and benediction by Mr. Hardaway concluded the services. Mr. Humber was given a warm reception after the meeting.

Wolves usually mate for life. There are two major species on this continent, the red wolf and the grey. The grey wolf is much heavier than the red.

Chapter 20
"Why did we come so early?" Kevin asked him.
"I wanted to take a look at the audience this time," Walter James explained. "I don't want to miss the good doctor again tonight." His eyes roved restlessly over the few late comers crouched at the box office. Kevin brushed a small length of thread from the skirt of her chocolate-brown suit.
"Do you think I'll be here tonight?" Her voice held an undercurrent of excitement. Walter James looked at her bent copper head with its ridiculously small cloche of brown felt.
"I hope so." He stroked his head gently. "The stitches come out in another five days." The packed scars showed vividly under the ruthless bulbs of the marquee.
Kevin raised her head. "What did you say, Walter?"
"Never mind," he said. "Here comes Clapp."
The big man came striding up Market Street. He shook hands with Walter James. Clapp's eyes sparkled with excitement. The weariness of the night before seemed to have been shrugged off like a coat.
"Let's go," he said.
"You by yourself?"

Clapp showed his teeth in a grin. "Don't you believe it. This whole block's covered. We're locking the barn door ahead of time tonight."
Walter James said, "Make sure somebody doesn't steal the barn."
As they sat down, Kevin whispered, "I'm glad they didn't have another Filipino taking tickets out there. I almost expected to see him."
A voice behind her said in a soft whisper, "Laura—". She turned slowly in the hard seat. The puzzled frown between her eyes vanished when she saw Bob Newcomb watching her from dark, pained eyes.
Kevin said fiercely, "Bob, why don't you—"
"Don't bawl me out again, Laura." Walter James snapped his head around with a quick movement; the younger man met his gaze with no embarrassment. "I just want to see that you're all right."
A cutting phrase trembled on the girl's lips, then she put her mouth into a firm line and turned her face toward the stage. Walter James squeezed her hand reassuringly.
Kevin looked around at Walter James. The slender detective was sitting very erect, his head turning slowly from side to side. He was watching the audience instead of the performers. After a moment, he felt her eyes on him and turned to her.
"What is it, Walter?" she whispered.
His eyes were gleaming and the corners of his mouth were quirked in a half-smile. "Just checking on our little flock," he whispered back.
Kevin jumped when the tin voice began the familiar cajole: "And now—what every man in San Diego has been dreaming of—the Grand Theater's own—lovely Shasta Lynn!"
The house lights dimmed out. "Walter!" Kevin whispered and put out her hand to him. He was gone.
Walter James jerked open the iron door. Madeline Harms, her back toward him, was standing in the wings looking out onto the stage. Over her shoulder he could see Shasta Lynn, cool and blue-gowned, facing the curtain, waiting for it to go up.
Her dressing room door was ajar. Walter James slipped in and shut it behind him. He looked at the unfinished plywood walls speculatively. Then he began to work purposefully.

brought the 38 out of his coat pocket and held it loosely in his hand. Outside, he could hear Shasta Lynn's cool voice singing, "I cried for you—now it's your turn to cry over me..."
The knock sounded loud on the thin door. Walter James got up, holding the pistol in his right hand. With his left arm, throbbing from the bullet wound, he threw the plywood door open.
"Won't you come in, Dr. Boone?" he asked.
The startled face of Major Rockwell looked at him.

Franz Lehár Dies

Vienna, Oct. 25—(AP)—Composer Franz Lehár, 78, whose lilting light opera music is known and sung throughout the world, died yesterday at his home in Bad Ischl.

Lehár, whose charming melodies and graceful waltz themes were universally loved, was the composer of the Merry Widow and several other operettas that are among the present day's last links with the light-hearted music for which Vienna was famous.

His physician, Dr. Franz Wurmk, said the composer who had been critically ill for six weeks died of cancer. His illness was complicated by gastric ulcers, double pneumonia and a heart ailment.

Although Lehár composed several sonatas and symphonies,

posant, the world knew him best for his great hits, topped by the Merry Widow and including Springtime, Gypsy Love, The Count of Luxembourg, The Land of Smiles, The Man With Three Lives, and The World Is Beautiful.

His funeral will be held next Saturday.

Lehár's estate is estimated at more than \$1,000,000. He recently drew up a will leaving his home to the town of Bad Ischl as a shrine with 10 per cent of the income from his estate to maintain it.

Prison Sentences For Larceny Auto

By CHESTER WALSH

State Highway Patrolman Cpl. John Laws yesterday arrested George Junior Dunn, 20-year-old white youth of Greenville, and Walter Ben Kinion, 22, of Greenville in connection with the temporary larceny of a 1946 Mercury sedan, owned by Jarvis Tripp, Route 2, Greenville.

The patrolmen charged Dunn with driving without an operator's license and driving while drunk and temporary larceny, and Kinion with temporary larceny of a car. The officers found the stolen car, valued at \$1,900, ditched and a total wreck near Bell's Fork. Dunn and Kinion fled after the car was wrecked, but the patrolmen apprehended them.

In Police Court today, Judge J. W. H. Roberts gave George Junior Dunn six months on the roads for driving while drunk and two years for temporary larceny of the car. The court gave Walter Ben Kinion two years on the roads for temporary larceny of the car.

Dunn and Kinion have a long police record, testimony in court today revealed.

Police Court

The following cases were tried in Police Court Friday:

Jarvis Parker, colored, assault on a female, 30 days in jail, suspended on payment of \$15 and he was placed on probation for a year.

Prayer for judgment was continued in the case of Norman F. Smith, reckless driving.

The case of W. E. Flanagan, colored, speeding, was not pressed.

Assault: Willie Jones, colored, 60 days at the county home; Margie Wilson, colored, 15.

Gracie Mae Clark, colored, was given 30 days at the county home for assault with a deadly weapon.

Charles D. Harris paid \$15 for not stopping at a "stop" sign.

Robert L. Harrell, colored, was not guilty of a traffic violation.

James Love, Jr., colored, paid \$25 for driving without an operator's license.

Drunk: George Hadley, \$15; General Hemby, colored, \$20; Norman W. Clark, \$15.

Charge William Green With Attempted Rape

Police arrested William H. Green, 32-year-old Negro, 11 Ford Street, Saturday night and charged him with attempted rape on Clementine Wilkes, colored, eight-year-old daughter of Helen Wilkes, at her mother's home, 511 Ford Street, Saturday afternoon. The warrant was signed by the girl's mother.

Police quoted Clementine's mother as saying that while Green was at her home Saturday afternoon, he attempted to criminally assault her daughter; that when she reported it to her, she had a physician to examine the child and that he said she had been injured, but not raped, and she reported the matter to police. Authorities said Green denied the charge.

In Police Court this morning, counsel for Green asked for a continuance of the case until Friday, and the court agreed.

Judge Frizzelle Is Presiding Over Civil Term Court

Judge J. Paul Frizzelle of Snow Hill is presiding over a one-week civil term of Superior Court at the City Hall.

The Greene county jurist will preside over a mixed civil and criminal term of court here next week. The term, it is understood, will be devoted principally to trial of criminal cases.

satellites states have taken the lead in the United Nations in anti-Franco moves. A Communist minority had supported the infant Spanish republic which Franco overthrew.

In the 1946 UN assembly Poland asked the member states to cut off all economic ties with Spain. That was watered down to an agreement to pull top-ranking diplomats out of Madrid.

Argentina refused to adhere to the UN resolution and has kept an ambassador in the Spanish capital. More recently several other Latin American nations have said they intend to send ambassadors back to Madrid.

There is no talk, however, of granting Spain a full UN membership. That would have to go through the Security Council, where Russia has a veto. And the Russians have supported more bitter anti-Spanish moves than any other nation.
