TRUMAN WINS ELECTION

Democrats Sweep Control Of Congress In Big Upset

Voters Give Democrats A Majority In Senate And Near Landslide For Lower House; Apparent Endorsement Of Truman's Viewpoint

Washington, Nov. 3—(AP)—Democrats grabbed control of Congress today. The majority in the House approached a landslide. The voters—in a startling upset—unseated 50 or more GOP House members, and gave the Democrats a majority in the Senate, as seemingly they decided to revamp the legislative body the President Truman called "do-nothing," history's second worst—even "idiot."

House—Democrats—242 seats. Republicans—192 seats. American Labor—1 seat. (The GOP controls the 80th Congress House 243 to 185—with two American labor members and five vacancies.)

Senate—Democrats—54 seats. Republicans—42 seats. (The GOP now controls the Senate 51 to 45.)

Up to 6:45 a. m. (EST) The Democrats already had turned out six Republican Senators in winning 14 of the 33 contested seats. They led in six other races. Republicans had elected only seven and were leading in two races. Only one third of the Senate's 96 members had elections this year.

In the battle royal for supremacy in the House—the chamber the Republicans were sure they couldn't lose—Democrats had ousted 40 or more Republicans and one American Labor party member, Rep. Leo Isacson of New York.

Not one Democrat who stood for reelection had been turned down. Among other personalities, Rep. Harold Knutson of Minnesota, author of last year's Republican tax-cutting bill, was trailing in his Minnesota election. He, chairman of the House Ways and Means committee.

Rep. Fred Hartley (R-N.J.), co-author of the Taft-Hartley Labor act, did not stand for re-election. His district elected a Democrat to take his place.

But House speaker Joseph W. Martin, Jr., of Massachusetts, and most other Republican big wheels in the House survived the Democratic onslaught. These included the Republican leader, Rep. Charles A. Halleck of Indiana, chairman John Taber (NY) of the appropriations committee, chairman Leo E. Allen (Ill.) of the Rules committee, chairman Jesse P. Wolcott (Mich.) of the Banking committee and chairman Clifford R. Hope (Kas) of the Agriculture committee.

Chairman J. Parnell Thomas of the House Un-American Activities committee pulled through in New Jersey. But one of his Republican colleagues on that controversial committee, Rep. John McSwain of Pennsylvania, was defeated.

However, if the trends hold, the Republican committee chairmen will have to step aside and let Democrats take the reins. These will include some big name party members identified with the early days of the New Deal.

More than the chairmanships were at stake. The party in control also holds a majority of the committee memberships. With this machinery, if the Democrats stick together, they could say with finality what legislation would be considered and what would be passed.

UN General Assembly To Take Up Appeal For Peace

Paris, Nov. 3—(AP)—The United Nations' General Assembly, most of its attention centered on the United States elections, scheduled a plenary session today to take up Mexico's appeal to the great powers for peace.

A 'Dedication'

Kansas City, Mo., Nov. 3—(AP)—President Truman promised today to dedicate himself "to the cause of peace in the world" and "prosperity and happiness at home" as he won one of history's greatest upset victories. He promised to "serve the American people to the best of my ability" in the four years ahead.

And he acknowledged the congratulations of his defeated opponent, Gov. Thomas E. Dewey, and commended him for his "fine sportsmanship."

"I feel very deeply the responsibility which has fallen to me as the result of the election," said his simple statement. "I shall continue to serve the American people to the best of my ability. All my efforts will be devoted to the cause of peace in the world and the prosperity and happiness of our people here at home."

Thurmond Takes Home State Out Of Demo Column

Raleigh, N. C., Nov. 3—(AP)—North Carolina remained a Democratic party stronghold today. The Democrats disapproving Republican claims to major strength, rolled up a decisive majority for President Truman. The state's voters followed his ticket down the line, electing a Democratic Senator, a Governor and apparently all 12 of the State's Congressmen.

The Truman vote was almost double that for Governor Thomas E. Dewey. The President claimed 423,897 votes to Dewey's 217,357 in 1,690 of the state's 1,289 precincts. Governor J. Strom Thurmond ran third with 61,893 for his States Rights Democrats. Henry A. Wallace, splattered with eggs and tomatoes in the state last summer, drew only 3,451.

Former Governor J. Melville Broughton won handily over Republican John A. Wilkinson in the Senate race, polling 383,131 votes to 148,173.

W. Kerr Scott rode safely into the Governor's office and with him went 10 other Democratic candidates for statewide office.

Only four of the Tar Heel state's 100 counties fell into the Republican column in the Presidential race. Those were Catawba, Madison, Yadkin and Wilkes, situated in the mountainous west where Republican strength traditionally is strongest.

Democratic triumphs were evident in eleven of 12 Congressional races early today. A Democratic candidate was well ahead in the other Congressional district.

Negro Woman Is Killed In Wreck Near Farmville

By CHESTER WALSH Little Mae Knight, 30-year-old Greenville Negro, was fatally injured when her car was driven into a ditch by a Norfolk Southern railroad train at Tugwell's Cross roads near Farmville about 11 a. m. today. She died in an ambulance on the way to Pitt General hospital in Greenville, State Highway Patrolman Ernest Guthrie stated.

The body was taken to Alanagan and Barker's funeral home in Greenville. The car was demolished. James Knight, 47 her husband, who was in the car with her, received a fractured left leg and pelvic and other injuries. He was given first aid treatment at the hospital here and was taken to a bone specialist in Raleigh, the patrolman said.

Pitt County Coroner Griffin H. Rouse will hold an inquest, A. P.

Record Turnout By Pitt County In Tuesday Vote

Local Voters Uphold Tradition In Sweeping Democratic Victories

Voting in greater numbers than ever before in a general election, local voters yesterday upheld Pitt County's tradition as the banner Democratic county of the east. More than 10,000 voters went to the polls and cast a 15 to one choice for election of President Truman over his Republican opponent Thomas E. Dewey who polled the second place vote among the four candidates.

J. Strom Thurmond, carrying the States' Rights banner, polled a poor third and Henry A. Wallace, Progressive party candidate, received only 76 votes.

The complete unofficial vote in the presidential race was Truman 9,086, Dewey 631, Thurmond 341, and Wallace 76.

In the race for United States Senate between former Governor J. Melville Broughton and his Republican opponent of Washington, John A. Wilkinson, unofficial returns from 14 of Pitt County's 20 precincts gave Broughton 4,637 and Wilkinson 317.

In the congressional race Herbert C. Bonner received 4,537 to 171 for Zeno Ratcliff, his Republican opponent.

The entire state ticket received better than a 10 to one vote in this county. There were no contests for any of the county offices.

The first three of the constitutional amendments were turned down by the Pitt County voters with the four amendment "for determining results of special elections by majority vote" receiving approval.

Loss Of Party Status Looms For Wallacites

Raleigh, N. C., Nov. 3—(AP)—The Progressive party of North Carolina apparently lost its recognition as a legal party as a result of yesterday's election.

Attorney General Harry McMillan, in asking the State Supreme Court today to dismiss a suit by the Progressives against the State Board of Elections, told the court that the party no longer exists legally.

State law requires that a party, in order to retain its place on the ballot, must poll at least three per cent of the votes cast either for President or for Governor.

In the suit, the Progressives sought to have ruled unconstitutional of the board of elections regarding formation of a new party.

'A Great Day' Says Governor

Raleigh, N. C., Nov. 3—(AP)—"It's a great day for us," was Governor Cherry's reaction today to the reelection of President Truman and the Democratic victory in the state, and nation.

Democrats Present Solid Front In Congressional Fight

Raleigh, Nov. 3—(P)—Republican efforts to elect the first GOP congressman from North Carolina since 1928 apparently ended in failure today.

Incomplete, but virtually conclusive, returns showed that North Carolinians elected a solid Democratic bloc from the state's 12 congressional districts to represent them in Washington for the next two years.

The tenth district, one of the Republican strongholds, showed incumbent Congressman Hamilton Jones leading his Republican opponent, Roy Harmon, by 45,953 to 30,658 with 168 of the district's 177 precincts reported.

In the eighth district, with 161 of 207 precincts in, Democratic Congressman C. B. Deane led Republican LaFayette Williams by 37,000 to 20,000.

Paris, Nov. 3—(AP)—Secretary of State George C. Marshall will resign next Jan. 20 regardless of the outcome of the presidential election, an informed source in the American United Nations delegation said today.

The source said there had been many recent reports that Marshall might resign.

Marshall, the source said, plans to retire to his farm. There was no confirmation of this statement from Marshall who earlier in the morning appeared at the U.S. delegation headquarters. He posed for photographers and listened to broadcasts of election returns with U.S. Delegate John Foster Dulles, foreign affairs adviser to Gov. Dewey, and Delegate Warren R. Austin.

Secretary Of State Plans Retire To His Farm; Step To Be Taken Despite Election Result

Republican Presidential Nominee's Press Secretary Announces At 11:15 a.m. That Dewey Had Sent Telegram To Mr. Truman Conceding The Election

By the Associated Press President Truman, in an astounding upset of pre-balloting predictions, today won the presidency. He will have a Democratic Senate and House to work with him.

Gov. Thomas E. Dewey, his Republican opponent, conceded Mr. Truman's election at 11:15 a. m. EST. At that time, Mr. Truman was leading in 28 states having 304 electoral votes. Needed to win are 266 electoral votes.

Dewey was leading in 18 states with 189 electoral votes. Four states with 38 electoral votes had been captured, or were leaning to, States' Rights Candidate J. Strom Thurmond.

James Haggerty, Dewey's press secretary announced that Dewey had conceded the election in a telegram to Mr. Truman. It read: "My heartfelt congratulations to you on your election and every good wish for a successful administration, and I urge all Americans to unite behind you in support of every effort to keep our nation strong and free and establish peace in the world."

The last Republican hope that Dewey might lose to Truman in the electoral vote, even though he was trailing well behind in popular balloting, apparently faded when late California returns put Truman in front in that state.

At the time Dewey conceded, Truman was leading in or had won the following states: Arizona, Arkansas, California, Colorado, Florida, Georgia, Idaho, Illinois, Iowa, Kentucky, Massachusetts, Minnesota, Missouri, Montana,

Nevada, New Mexico, North Carolina, Ohio, Oklahoma, Rhode Island, Tennessee, Texas, Utah, Washington, West Virginia, Wisconsin, Wyoming.

Dewey was leading in these: Connecticut, Delaware, Indiana, Kansas, Maine, Maryland, Michigan, Nebraska, New Hampshire, New Jersey, New York, North Dakota, Oregon, Pennsylvania, South Dakota, Vermont.

Thurmond was in front in four states having a total of 38 electoral votes. He had won Alabama, Mississippi and South Carolina, and was leading in Louisiana. In Tennessee, two electoral votes are in doubt between Truman and Thurmond.

Mr. Truman plans to return to Washington from Independence, Mo., tomorrow, then go to Key West, Fla., Sunday, according to Washington friends who have been in touch with his Kansas City headquarters.

Even before the President's victory was assured, the returns had clinched Democratic control of Congress, wresting it away from the Republicans who won it two years ago.

The indicated congressional lineup is: Senate: 54 Democrats and 42 Republicans. House: 285 Democrats and 95 Republicans.

While these may not be the final figures, it is clear that Mr. Truman will have a working majority of his own party in Congress. To this majority he can submit the legislative program over which he and the GOP-run Congress quarreled—quarreled so much that Mr. Truman called Congress "idiot" and the "second worst" in history.

This program includes power to put on price controls, housing legislation, and the so-called "civil rights" measures which led many Southern Democrats to break with Mr. Truman.

Returns Slow On Amendment Vote

Raleigh, N. C., Nov. 3—(AP)—North Carolina voters apparently gave their full approval to the proposed constitutional amendment which would prevent elections to be carried by a simple majority.

Results, however, still were inconclusive on another constitutional amendment which would double the pay of state legislators. Voters, registering their opinions in yesterday's general election, gave apparent loud "nays" to two other constitutional amendments.

One would have prevented state county and city governments from removing a debt limitation, and the other would have given counties the right to increase property taxes for general purposes.

Incomplete, unofficial returns at 11 a. m., were still far below results reported in state races.

They did, however, conform to a trend that became evident when about one-fourth of the votes were reported last night.

North Carolina constitutional amendments: To increase legislative pay, 898 precincts, for 114,071, against 113,600.

To approve debt limit, 924 precincts, for 84,223, against 136,031.

Special elections by majority, 924 precincts, for 126,109, against 98,747.

To increase property levy, 924 precincts, for 74,925, against 154,929.

Methodist Conference In Greenville Now Under Way

By WYATT BROWN The 1948 sessions of the North Carolina Annual Conference of the Methodist Church got under way today at Jarvis Memorial Methodist Church with committee meetings this morning and this afternoon according to schedule. Delegates began arriving before noon and became a deluge during the early afternoon.

This is the fourth time Greenville Methodists have entertained their annual conference since the first church was built in Greenville in 1833. They first entertained conference in 1891; next in 1917; then in 1931 and now this year.

Conferences in Greenville have a way of being significant in the ministry of the family of Rev. Robert W. Bradshaw, host pastor at Jarvis Memorial. His father joined the North Carolina conference in 1891 when the sessions were held in Greenville. In 1931 during the conference sessions here in Greenville

Hook, Mrs. Ray McKemie, Mrs. Kenneth Phillips and Mrs. E. D. Whitley.

Mrs. Richard Evans, on behalf of the members, extended greetings and explained the purpose and ideals of the League as exemplified by its seal and the service cup which will be awarded each year to that member who best has lived up to the objectives of the League. Mrs. E. D. Whitley, speaking for the provisional members, graciously responded and expressed the group's pleasure in becoming a part of the organization. Mrs. Little then issued an invitation to a coffee to be given in honor of the new members at the home of Mrs. R. C. Stokes on November 10 at 11 o'clock.

The projects chairman, Mrs. W. L. Whedbee thanked those who assisted in the house to house canvass for the Community Chest drive and read a letter from Pitt General hospital which thanked the League for all past assistance and expressed the hope that volunteer hospital work would again be a League project this year. Mrs. E. D. Whitley, placement chairman, secured many workers to sign up for regular hours at the hospital; as well as substitute workers for the Thrift Shop. Volunteers were also secured to assist Mrs. John Adams who is in

Community Cooperating With Conference Plans

By WYATT BROWN

Big jobs are easy where there is cooperation and that is just what has happened in Greenville as the whole community has cooperated in helping entertain the large number of delegates to the Methodist Conference. Finding homes for six hundred delegates has been accomplished and without sending of necessity a single delegate to a neighboring town. Mayor Pro Tem L. M. Buchanan said he was proud of the way Greenville is putting the job over with everyone cooperating.

Final plans down to the last detail have been completed. It was announced Sunday night by Rev. Robert W. Bradshaw, host pastor to the Annual North Carolina Conference which is holding its sessions in Greenville this week from Wednesday through Sunday afternoon. There was a final meeting at Jarvis Memorial Methodist Church after church services last night of the full membership of each special Conference committee.

It has been decided to have no Sunday School on Sunday Nov. 7 at Jarvis Memorial Methodist, Sunday school Superintendent announced Sunday morning. At the Sunday school hour there will be an old fashioned Methodist Love Feast conducted by the older preachers of the conference. Love Feasts were a frequent occurrence in the former days of Methodism. But to the modern generation the Love Feast is found only on the occasion of Annual conferences.

The hospitality committee in connection with the conference will

Turkish Woman To Address Club

The Orient will come to Greenville when Ismet Sanli, captivating young Turkish woman will address the First County Executives club on the evening of November 11th at 7:30. The meeting will be held in the dining room at East Carolina Teachers College. Plans have been made for this gala affair and a large attendance is expected.

Since she is in close touch with the Turkish government as well as the leaders of all Moslem countries, Miss Sanli is qualified to bring a capsule of information of present day attitudes toward the United States and world peace that cannot be secured through any other source. She holds the unique position of being the only Turkish woman authority in America.

Because developments between the United States and the middle East have created a curiosity about nations and peoples in that part of the world, Miss Sanli has been asked to interpret the Moslem countries to the local club. For several years, she has been a noted journalist for Ulas, Turkey's leading political newspaper. She is familiar with the struggle of the 18,000,000 inhabitants to adapt themselves to western society's democratic way of life.

Miss Sanli received her early schooling in her native land and completed her preparatory work in France. Later she came to the United States to study at the University of California and at Columbia University where she majored in political science. She was the only woman member of the Turkish delegation at the San Francisco conference and the United Nations conference.

Rep. Halleck Is Indiana Winner

Indianapolis, Nov. 3—(AP)—Charles A. Halleck, the Republican majority leader in the House, won by a safe margin in yesterday's election, but his majority will be about half that of 1942.

Halleck, who is from the second Indiana district, won by 25,000 votes last time he ran. On the basis of incomplete reports he will defeat Theodore J. Smith, city judge of LaFayette and a Democrat, by about 12,500 votes.

Start Hearings On Budget Needs

Raleigh, Nov. 3—(AP)—The Advisory Budget Commission today began its long grind of hearing various state agency heads tell of their budget needs for the next two years.

The commission will wrap up all the requests and submit an overall budget for state operations to the General Assembly when it convenes early in January.

The hearings, which will begin at 9:30 every morning and end at 3:00 each night, will end on Friday of next week, with but two days rest, Saturday and Sunday.

Scheduled to be heard today were the Division of Purchases and Contract, Revenue Department, Department of Tax Research, State Auditor, Confederate Pensions and Specials, State Treasurer, Local Government Commission, Retirement System and Pensions of Teachers, and the N.C. Ports Authority.

Germans Prefer Jungles To Life Inside Europe

Hamburg, Germany—(AP)—Thousands of Germans are so eager to leave Europe they will face wild animals to do so. Two small advertisements in local Ruhr papers asking for men for two big game expeditions brought thousands of replies. Expedition leader Gustav Hanneke said 85 per cent were from people "jumping at a chance to turn their backs on Europe."

He only wants 22 men for each of the two expeditions. But in a few days there were over 3,000 applicants. Emil Wacker, owner of the German "Apollo" circus, hopes to send the two expeditions next year to the Congo and the Amazon. He wants to bring back elephants, tigers and snakes for German circuses and zoos.

Same Stars Will Test Speed And Skill At Durham

Wake Forest, Nov. 3—The fellows who stole the show on offense in last year's hard-fought and exciting Duke-Wake Forest game will test speed, skill, and brawn again at Durham Saturday when the two institutions clash for the 36th time in a 59 year-old series. The kickoff is scheduled for 2:00 o'clock in Duke Stadium.

Tailback Fred Folger of Mt. Airy was the big noise in the Duke attack and led his mates to a 13-6 victory in a game that wasn't decided until the final three minutes of play. Fred gained 46 yards in 10 rushes for a 4.6 average, completed 7 of 14 passes for 124 yards, returned 5 punts for 36 yards, and averaged 41 yards on his punts. Although he scored neither touchdown he set both of them up with his passes.

Tom Petzer and Bill Oregus led the Deacons in their spirited bid for victory. Tom completed 8 of 21 passes for 73 yards and had a 44.7 average on his punts. Oregus made good 5 of 9 passes for 96 yards, and tossed a 15-yard pass to Carl Haggard for Wake Forest's only score of the game.

Folger is the No. 1 offensive ace of the Blue Devils again and he has a fine supporting cast which includes Bill Cox, a fellow townsman; Roland Hodges, Tommy Hughes, Bettis Herlong, Ben Williams, Jack Mounie, Jack Friendland, John Montgomery, Jack Eslick, and George Swartzell. All had a hand in the Blue Devils' impressive victories over Navy, and Maryland and in the fine performance against Georgia Tech.

Oregus and Petzer are again leading the Deacons who are now employing the T formation. Oregus is one of the nation's top-ranking ball carriers and has rolled up 467 yards in 80 rushes for a 5.8 average per play. Petzer is tops in passing and punting. He has completed 29 of 71 passes for 439 yards and four touchdowns and has averaged 39.5 yards on 35 punts. Oregus is also tied with John (Red) O'Quinn, versatile end, for individual scoring honors with 30 points.

Tar Babies Drill For 'Wolflets'

Chapel Hill, Nov. 3—Coach Crowell Little's Tar Babies go after their fourth win of the season Friday when they journey to Raleigh to meet the N.C. State freshmen.

The Carolina yearlings are undefeated, having won from South Carolina, Virginia and Wake Forest, the latter in an upset.

Tough Slate

Tucson, Ariz.—(AP)—Opponents on the University of Arizona's 1948 football schedule last year recorded a total of 45 victories, 38 defeats and four ties. Utah's Redskins, who tied the Cowboys last year, top the '48 opponent list with eight wins one loss and one tie. Three teams—San Diego State, Hardin-Simmons and Michigan State, won seven games in '47.

Carolina's Defense Record To Be Tested On Saturday

Gridiron Gossip

By "BOO BOO" BUTLER

Linemen of the week:

We had no trouble in picking the ECTC linemen of the week. Out of 175 votes that were cast, 142 went to Mickey Wetherington, 180 pound end. He comes to ECTC from Kingston, where he was a three letter man. He won 3 letters in football, baseball, and basketball. In 1941 he entered State College where he played freshman ball. From State Mickey entered service. After his discharge Mickey decided to come to ECTC. He entered ECTC in 1946 and went out for Wingback his regular position on the football team. After a shoulder injury that occurred in the second week of practice, coach Jim Johnson converted the 5 foot 10 inch back into an end, where he has been ever since. He won his starting berth on the Pirates' eleven this year by his fine offensive and defensive skill. Many of his friends think that Mickey reached his peak Friday night in the game with the Duke JV's. He was in on almost every tackle. Everytime you looked he was pulling down a pass—he was all over the field. In the first quarter he took a pass from Frank Mannucci to go all the way for a T. D. This was the first time this year that the Pirates had been ahead in a ball game, ECTC 6—Duke 0. Fifteen cheers for "Mickey" Wetherington, our "Lineman of the week."

Led by Leon Jones, 3rd string quarterback, the "Whites" shutout the "Blues" in a 2 hour scrimmage yesterday afternoon 12 to 0. The Whites consisted of second and third stringers. Coach Johnson said, "Jones handles the ball as well as any quarterback I have. He looked very good this afternoon." Hailing from Thomasville, and weighing only 158 pounds. The 5'11 1/2" Soph is expected to be called upon quite a bit in this weeks encounter with Appalachian. Jones is not only known for his offensive play but his defensive play as well. He handles himself very well on a pass defense and his ability to think fast enables him to throw the ball carrier for a loss, or meet him on the line of scrimmage for no gain. Jones was asked what he thought of the scrimmage in the dressing room, he quoted, "We really had some nice blocking out there today. The White line not only out-charged the Blue line but they also outblocked them."

On one occasion the Whites held the Blues for four downs on the one yard line. Nice going boys.

As we were leaving the dressing room, we heard several of the White team say, "If we beat tomorrow coach may let us start the game this weekend."

Stanley Peel, first string end for the Pirates, was added to the injured list yesterday when he hurt his arm in the scrimmage session. It's not known at this time how long he will be out of action.

The ECTC football team might like to know that the "Appalachian Journal" a paper in Boone, N. C. carried the following paragraph. "Coach E. C. Duggins and his Mountaineers will chalk up another victory this weekend over ECTC. Duggins will probably get a chance to play his entire squad. Duggins stated that "I am going to use my 2nd and 4th teams as much as possible." I hope the Appalachian Journal and Mr. Duggin don't get fooled. I won't have to go overboard to say that if the Pirates play Saturday like they played Friday night, Coach Duggins will probably end up in the game himself.

Do You Know . . .

The most famous intercollegiate football "jink" was the one which plagued Rutgers each time they played Princeton. Rutgers won the first game in 1869, but had to wait for sixty-nine years, until 1938, to again. The victory was timely as Rutgers was dedicating its new stadium. The team came through with a 20 to 18 win.

Will Have To Reckon With William And Mary's Strong Running Jack Cloud; Tar Heel Line Play Highly Rated

Chapel Hill, N.C., Nov. 3—North Carolina's defensive line, which has yielded only 385 yards in six games, tests here Saturday when it has to reckon with William and Mary's Indians, paced by strong running Jack (Flying) Cloud, the highly publicized fullback.

Charlie (Choo Choo) Justice and Hosea Rodgers, Carolina's "Twin Trains," like to point out modestly that their good team couldn't have won 13 games in a row, over two seasons, had it not been for great line play, both offensively and defensively.

The figures bear them out. The defensive forces, led by Tackle Len (Lumbo) Szafaryn, the 205-pound senior and campus leader, are due much of the credit for the Tar Heels' impressive victory skein, the strong men up front.

Szafaryn and his pals held the tough Tennessee Vols to 37 yards on scrimmage plays last week for their second best job of the season. Georgia's Bulldogs were limited to 28. Texas managed only 38 yards running while N.C. State collected 67.

The Tar Heel defensive forwards, now drilling to check William and Mary's Cloud, Tommy Korczowski, Buddy Lex and others, had their worst days against the Wake Forest Deacons, who ran for 109 yards, and the L.S.U. Tigers, who galloped for 103. Ironically Carolina's own ball advancers did their best running in those two games, far better than the opposition. Against Wake Forest they rolled up 248 yards and against L.S.U. 223.

In all, Carolina's opponents have rushed 193 times for 382 yards. Last week, before the stellar rushing defensive performance against Tennessee, the team ranked second in the nation in rushing defense, third in total defense.

In addition to the spirited, hard playing Szafaryn, who last week worked on both offense and defense in spite of an injured leg, the Tar Heels' defensive line usually shows Haywood Fowle at the other tackle, Bill Wardle and Larry Klosterman on the guards, Mike Rubish and Ken Powell on the flanks and Irvin Holdash as the line backing center.

At 20, Bobby Layne of the Chicago Bears is the youngest quarterback ever to direct a team in the National Football League.

More Points

Wake Forest, N. C. Nov. 3—With three games still to go, Wake Forest has already scored more points this season than in the entire '47 campaign. The Deacons, who met Duke at Durham Saturday tallied 138 points.

Banned Player Awarded Trophy

Toronto, Nov. 3—(AP)—Frank Filchock, barred from pro football in the United States, was awarded the Imperial Oil trophy today as the outstanding player in the Ontario Rugby Football Union.

Filchock was barred from pro football in the United States on charges that he failed to report a bribe offer while with the New York Giants of the National Football League. He denied the charge and was permitted to play in this game (against the Chicago Bears) the result of which he had been asked to fix.

Eppes Bulldogs Play Wilmington

Coach Crowder of the C.M. Eppes High School is busy drilling his boys for a game with Williston High School of Wilmington on Friday night, November 5, at 8:00 o'clock in Guy Smith Stadium.

Although the Bulldogs have been on the losing end this season, they have shown a decided improvement over the playing of former years.

Optimistic Outlook

Miami—(AP)—President John C. Clark of Hialeah rac track is optimistic for the Florida horse season, in spite of the national downward trend in the racing business. "There is every indication that Florida will have a banner racing season, and Hialeah one of its best meetings," says President Clark. Hialeah operates Jan. 17-March 3.

Stan Heath Sets Sights On Total Offensive Mark

New York, Nov. 3—(AP)—Stan Heath, University of Nevada's aerial wizard who cracked the collegiate passing yardage record last week, had his sights set today on the total offense mark.

With six games out of the way and three to go, the Wolfpack quarterback has tossed the pigskin for the amazing total of 1,645 yards to break a 10-year-old passing yardage record. He hit with 13 to 18 passes for 327 yards and five touchdowns Saturday against Oklahoma City.

Figures from the National Collegiate Athletic Bureau showed that Heath needs to get only 548 yards to surpass the total offense mark of 2,197 yards piled up in 1942 by Frank Sinkwich, former Georgia All America. Frankie's total came in 11 games.

Heath, who plans to turn professional next year because his collegiate eligibility expires this season, is strictly an "airman."

He has taken the ball from center 104 times, and passed on all but eight of those occasions. He was caught for losses five times before he could throw the ball, but on three occasions ran the ball for enough ground yardage to hold his rushing deficit to five yards. Thus, his total offense mark for the six games is 1,645 yards.

Heath, whose team meets its toughest foe of the year—Santa Clara—Saturday, also can become the fourth player in major collegiate history to complete 100 or more passes in one season. He now has completed 98 in 156 attempts. Charley Conery of Mississippi set the record of 133 last season; Schwenk completed 114 in 1941; Ray Evans of Kansas, 101 in 1941.

Lindy Berry of Texas Christian

is in second place in total offense, getting fourth with 966 yards, with 1,082 yards in seven games, but several others are close behind.

At the beginning of this National Football League season, Sammy Baugh of the Washington Redskins had tossed 128 touchdown passes since he joined the loop in 1937.

Three New Players Are All-American Hopefuls

Richmond, Va., Nov. 3—(AP)—The Southern Conference came up today with the names of three more players believed worthy of All-American consideration for the 1948 football campaign.

The latest names included: Bernie Watts, North Carolina State guard.

John (Red) O'Quinn, Wake Forest end.

Bill Gregus, Wake Forest halfback.

A week ago, the list included seven players. They were Charlie (Hoo-choo) Justice, halfback; Hosen Rodgers, fullback; Len Swafaryn, tackle, and Art Welner, end, all of the University of North Carolina; Jack (Flying) Cloud, William and Mary fullback; Fred Folger, Jr., Duke halfback, and Bobby Gage, Clemson halfback.

Watts, kingpin in North Carolina State's rugged line, has been praised

Sophomore Stars • Pap

"Sophomore Stars" All of Georgetown's rooters in general, and Dick Hurley in particular are excited about the gridiron deeds of Billy Conn, a talented sophomore who is leading the Gray and Blue back to the football heights. With a pen dripping with enthusiasm young Hurley writes:

"Potentially the finest running back at Georgetown since the days of Jack Hegetry, (the present Georgetown football coach) Billy Conn is certain to win All-America honors before he completes his varsity career. Conn was a star on the Georgetown freshman team of 1947 which lost only one of its nine games. As a student at St. Benedict's Prep in Newark, N. J., Conn won just about every "all" honor pos-

ible in the Metropolitan New York district.

"In carrying the ball Conn runs with a very high knee-action and has a wonderful change of pace. He sidesteps and fakes without losing speed. He hasn't shown much interest in passing although he did toss a pair, his first in intercollegiate competition, against Tulsa and both went for touchdowns. Billy is a colorful youngster with an engaging personality. He has had the lead in several Georgetown theatrical productions, specializes in impersonations and has a fine singing voice. But most important of all—he can carry out football for long gains."

enemy lines for plenty of yardage this season. He tallied 173 yards against George Washington, 75 against William and Mary, 47 in the Boston College game, 94 against Duquesne and 36 against North Carolina. He has scored five touchdowns, thrown one touchdown pass and is among the nation's best in kickoff returns.

Demo Control Of New Congress Gives Southerners Key Posts

Washington, Nov. 3 — (AP) — Democratic control of the new House and Senate will swing many Southerners into all-important committee chairmanships.

The chairmen have a big voice in shaping legislation sent to the House or Senate for action.

By custom, a committee chairmanship goes to the Democrat or Republican — depending on which party is in control—who has served longest on the committee.

Senator Tom Connally, Texas Democrat, is expected to return to the chairmanship of the Foreign Relations Committee which he held during the war.

Other Southern Democrats in line for Senate committee chairmanships, and the Republican senators

they would replace:

McClellan (Ark), Expenditures, replacing Ferguson (Mich); Elmer Thomas (Okla), Agriculture, replacing Capper (Kan); McKeller (Tenn), Appropriations, replacing Bridges (NH); George (Ga), Finance, replacing Millikin (Colo).

In the House, assuming Northern and Southern Democrats don't split as a result of the States' Rights revolt, Southerners are in line for several chairmanships.

Rep. Whittington of Mississippi is now ranking Democrat on the House Public Works Committee and normally could be expected to take the chairmanship.

Other Southern Democrats who are in line for House committee chairmanships and the Republicans

they would succeed:

Vinson (Ga), Armed Services, replacing Andrews (NY); Flannagan (Va), Agriculture, replacing Hope (Kan); Spence (Ky), Banking and Currency, replacing Wolcott (Mich); Doughton (NO), Ways and Means, replacing Knutson (Minn); Wood (Ga), Un-American Activities, replacing Thomas (NJ); Rankin (Miss), Veterans Affairs, replacing Rogers (Mass); McMillan (SC), District of Columbia, replacing Dirksen (Ill); Murray (Tenn), Post Office and Civil Service, replacing Rees (Kan).

Karl Pace Talks To Rotary Club

By WYATT BROWN

Karl Pace talked to his fellow Rotarians last night about reevaluation of human life by Christian standards. He said he had been so impressed by the casualness with which men seem to take their neighbors and their opportunities for helping each other.

At the outset Dr. Pace made the point that each human being is placed on earth by God and with a purpose. Doing for others was indicated as highly desirable.

With a look at the daily press telling of strikes, crime, deaths of violence, wars in the East and threats of World War III, the speaker declared he believed it was all due to the neglect of Christianity, and thought hope for the future hangs only by a thread that God holds that thread.

Affirming that God still takes part in the daily lives of men Dr. Pace said he saw the hand of God in the failure of the Germans to cross the channel to Britain when it would have meant disaster for the British and again it was the hand of God that determined the Japanese to not further press their initial advantage at Pearl Harbor.

Next he warned that people were not doing enough for each other while seeing each other everyday.

Deprecating the tendency of men to value man by the amount of money he can earn, Dr. Pace indicated with scriptural passages the great value placed on man by God—"more precious than fine gold," "little lower than the angels."

Further pointing up the lost opportunities men overlook each day he called the names of several deceased Rotarians who had received the same casual treatment in their day as the present membership was receiving and yet how much everyone felt a great loss in the passing of Gus Fleischman, Bob Crow, Bill Hall, Sam Underwood, Gliss Ellen, Bob Wright and others.

In concluding Dr. Pace urged each Rotarian to resolve to do more for his fellowman and his community with the assurance that God still rules in spite of the cheapness of life among great masses of people throughout the world.

Linwood Blackmon, the Methodist Missionary from Africa, was the only guest last night. Following the program presented by Guy Evans of the Youth Committee Joe Moys had the Rotarians to sign a questionnaire indicating their role in community service. E. L. Willard the club president, presided.

Tenor Opens New Entertainment Series At ECTC

Christopher Lynch, young lyric tenor from Ireland and star of concert and radio, will open the 1948-49 Entertainment Series at East Carolina Teachers College when he sings on the campus Friday evening November 5. The song recital will take place in the Wright auditorium at 8:00 o'clock.

Among other numbers on the Entertainment series at the college this season will be Louis Roney and Edna Phillips in a joint song recital; Rise Stevens, opera star; Jean Casadesus and Dorothy Powell in a piano and violin recital; and the North Carolina Symphony orchestra.

Patrons of the Entertainment Series who hold season tickets may obtain reserved seats between now and Friday at the Telephone Office in the Austin Building between the hours of 10:00 and 12:00 in the morning and 2:00 and 4:00 in the afternoon. Both season tickets and tickets to the Lynch recital may be obtained at the same hours and place. Separate tickets for Friday's concert may also be secured at the door of the Wright auditorium immediately before the concert begins.

a Republican majority in a South Carolina voting precinct. He captured the Rocky Bottom precinct in Pickens County by six votes to five for Gov. J. Strom Thurmond, States' Rights Democratic candidate. President Truman and Henry A. Wallace received no votes there.

A Real Relief For Stomach Distress, Acid Indigestion

Yes, this fact has been time-tested and proved by Doctors. Better days will be yours, too. So why wait when there is no need to continually swell-up like a balloon and feel miserable after every meal.

An appetizing portion of SSS Tonic before meals does wonders for the stomach. This famous medicine contains no soda or other alkalis, which usually retard digestion. Instead, SSS Tonic with its highly potent ingredients works to tone-up the stomach so it may release its own digestive juice (hydrochloric acid) to break-up food for body use and tissue repair.

SSS Tonic has helped hundreds of thousands of people, without any organic trouble or focal infection, to really feel better, more vigorous, better able to enjoy living.

Take none less than this effectively-proved medicine to relieve your misery. Take SSS to tone-up your stomach, whet the appetite, build-up blood strength! Get SSS Tonic from any Drug Store today.

Dewey Received Record Vote For GOP In S. Car.

Columbia, S.C., Nov. 3—(AP)—Gov. Thomas E. Dewey of New York, rolled up yesterday the biggest vote cast in this state for a Republican presidential candidate in many years.

Dewey had 5,101 votes in unofficial returns from 975 of the state's 1,266 precincts. This was already 501 more than he received in South Carolina four years ago when he opposed Franklin D. Roosevelt.

He even accomplished the almost unheard-of achievement of winning

Long Distance Worries For Him

Denver —(AP)—The 'gent who telephoned Police Dispatcher James Lindsay from Mary, Ky., sounded pretty excited. He had been talking with his Denver girl friend by long distance, he said when he heard "sounds like a brawl." Maybe his g.f. was in danger.

Lindsay did some investigating and reported back that it was just one of the girl's male relatives who had been celebrating something or other in noisy but harmless fashion.

When Alabama bowed to Tulane 21-20 last season it marked the first time the Crimson Tide ever lost a football game by one point.

A sweetheart for a winter start!

Want to get off to a good start? Then let your Conoco Mileage Merchant steer you right... He'll tell you that when it comes to fast, smooth winter starts, a lot depends on having the right kind of oil in your engine. He'll tell you, too, the right oil is winter-grade Conoco N# Motor Oil. For two reasons:

First, because winter-grade N# is specially refined for cold-weather performance. It's lighter... freer-flowing. Saves wear on your battery... and on your nerves... because it gives you faster starts.

And second, N# oil extra-protects against "dry" friction starts... saves wear on engine parts... because it contains a special, added ingredient that actually OIL-PLATES metal surfaces. And this extra film of lubricant stays up... won't all drain down, even overnight! So, if you want to start off right—and right off—on the next wintry morning...

See Disaster In Mukden Setback

Peiping, Nov. 3—(AP)—Extent of the Communist victory in Manchuria stunned government supporters in North China today.

Chinese loyal to Chiang Kai-shek called it a "disaster" and a "monumental tragedy." They feared more setbacks now that the Communists can unleash their Manchurian armies for attacks elsewhere.

The government has given no idea of its losses in Manchuria with the fall of Mukden.

There were indications, however, that not a single soldier escaped the Mukden area to the seaport of Yingkow, 115 miles south. No new reports came from Mukden, bombed by government warplanes yesterday for the second straight day.

Chinese looked to Nanking for possible changes in the government. Premier Wong Wen-hao announced yesterday he would resign over "total failure" to balance the budget due to heavy military spending.

High School Will Give Play And Musical Program

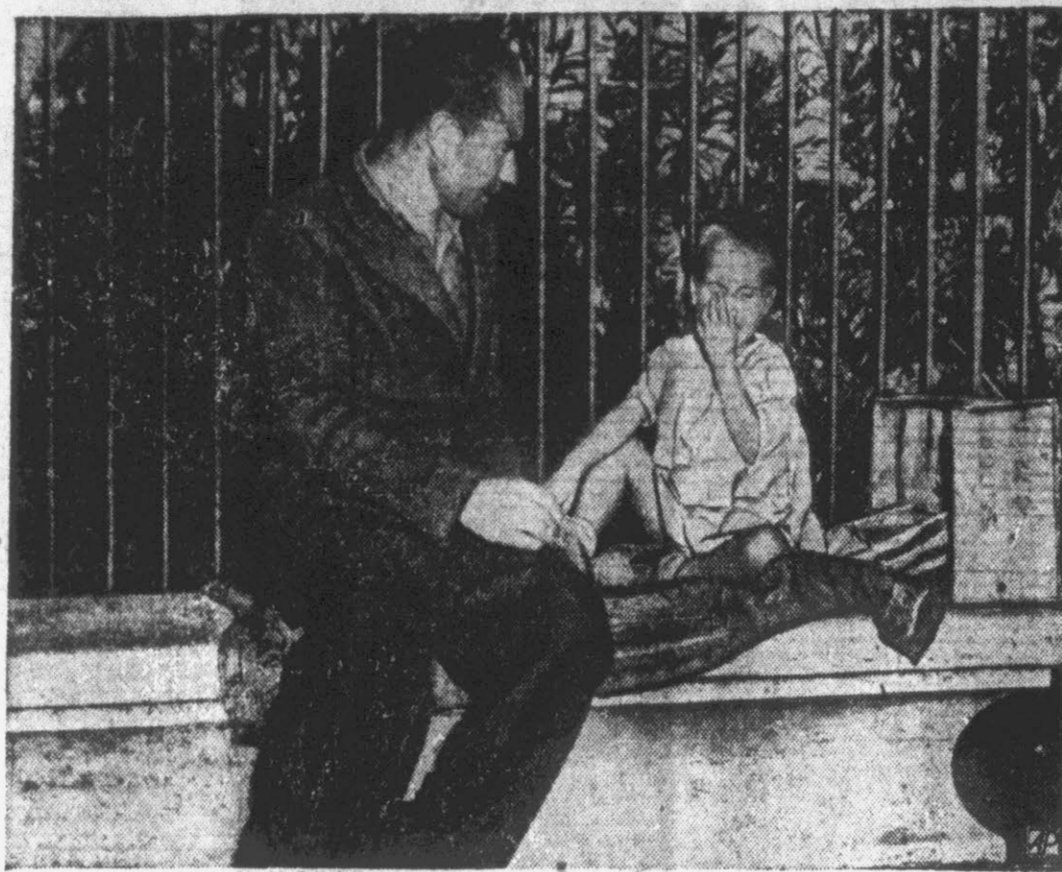

Greenville high school will celebrate American education week November 7-13 with a play and musical program next Wednesday night followed by an open house at the school.

Principal O. E. Dowd said today that plans are being completed for carrying out the week's theme "Visit Your Schools" and that exhibits and displays will be set up in the classrooms and the library at the high school.

A play and a musical program under the direction of Mrs. Howard Mims and Miss Osa Shindler will be presented at 8 o'clock Wednesday night and an open house will follow. Dowd said parents of all high school children will be invited to attend the program and visit with the teachers at the school.

Britain Returns Prisoners Of War

Hamburg, Germany—(AP)—The British Army's two years' task of bringing home hundreds of thousands of German prisoners of war is almost finished. The only Germans left abroad are those who stayed voluntarily and a few in prison. About 25,000 will stay in Britain to work as civilians. A small number will stop in the Middle East until the end of this year to help the British Army clear up its installations there.

At the end of the war Britain had German prisoners all over the globe from Britain to Australia. The top figures were: Britain 404,377; Middle East 103,084; Gibraltar 448; East Africa 130; Canada 33,816; North Africa 56,021; Australia 1,631; Jamaica 545; north-west Europe 194,773.

Gallup 'Explains' Truman Triumph

New York, Nov. 3—(AP)—The Gallup poll, which predicted a safe margin for Gov. Thomas E. Dewey, early today two reasons why President Truman piled up such a big vote.

1. He "recaptured" many votes from Henry A. Wallace.
2. A lot of the "undecided" voters in the poll voted for Truman.

Dr. George Gallup's American Institute of public opinion predicted in its final announcement Monday that Dewey would get 49.5 per cent of the vote and Truman 44.5 per cent.

Dewey Declines To Run Again

New York, Nov. 3—(AP)—Governor Thomas E. Dewey, after conceding defeat, said today he would not consider running for a third time for the Presidency.

His firm answer, in response to a press conference question, was "no."

May Have Voted Out Divorce Ban

Columbia, S. C., Nov. 3—(AP)—South Carolina may have voted yesterday to ditch their unique constitutional ban on divorce. A reported constitutional amendment to legalize divorce on grounds of adultery, desertion, physical cruelty and habitual drunkenness showed nearly a 10,000 majority favorable vote today on unofficial returns from 63 of 1,296 general election precincts.

The vote was 32,792 for the amendment and 23,076 against.

Republicans . . .

(Continued from page one) 360 to 26,157. None of the other races was close.

In the ninth, 84-year-old "Farmer Bob" Doughton led his GOP opponent Clyde Green almost two to one. With the Democrats taking over control of Congress, and committee chairmanships customarily going to the member of the party in control who has served longest on the committee, Doughton is in line to again become chairman of the House Ways and Means Committee. He would replace Rep. Knutson (R-Minn.).

In 1928, Republican George Moore Pritchard of Asheville and Charles A. Jonas of Lincolnton defeated Democratic opponents in the election which found North Carolina in the Republican column. The GOP however, has not elected a man since then.

At the evening sessions tomorrow night there will be the most important business of the session when Rev. Robert W. Following the presentation Dr. Harold Bosley will deliver an inspirational address on "Christ and His Church."

Dewey Concedes . . .

(Continued from page one) wartime tax on "excess profits" of corporations.

For the rest of the world, the outcome meant double assurance that there would be no shift in American foreign policy. The present policy has been called bi-partisan, but some edginess has been evidenced in Europe over the widely held prediction expectation that a change in political administrations was coming.

In Washington, speculation already is running high that Mr. Truman now will make many shifts in his own administration.

This is based on the view that he got little help in his campaign from many Democratic office-holders who had looked on it as a lost cause. Among the cabinet members, Mr. Truman's chief campaign help
