Cease-Fire Asked By China's Govm't

Executive Yuan Reveals Peace Negotiations Sought; Chiang's Views Awaited; Action Awaits Approval; Diehards

Nanking, Jan. 19 (AP)—The government today asked for a cease fire order on both sides in the Chinese civil war and immediate peace negotiations.

A formal statement by the government information office announced the move to halt the three year war.

The statement said: "The executive yuan, at a regular meeting, discussed at length the national situation and made the following statement:

"The government, in deference to the general wishes of the people for an early realization of peace hereby makes known its desire for both government and communist forces to cease fire unconditionally and immediately and for both sides to appoint delegates to start peace negotiations."

The executive yuan constitutionally may negotiate for peace. But the legislative yuan must approve the proposals voted today by the executive yuan.

The executive yuan is composed of 11 ministers, four commissions and two administrative bodies. It is powerful but is at the beck and call of the central executive committee of the Kuomintang party which, in turn, takes its orders from President Chiang Kai-Shek.

Chiang's views on the action today are eagerly awaited in the capital. The government announcement, however, was taken to mean that he had at least given tentative approval to the peace move.

The bitterness of the struggle inside the executive yuan was hinted at by a report Premier Sun Fc threatened to resign at today's meeting if a decision to negotiate was not made.

The group gaining the upper hand today includes members of the executive yuan who overcome confusion, panic and inertia as well as strong resistance when they forced the vote through without the visible approval of Chiang.

The opposing group is composed of Kuomintang diehards who, it is reported, seek to make Nanking a second Tianjin by remaining for a communist attack before abandoning the city. The gravity of the problem is shown by fears expressed by some peace seeking officials that they will be assassinated by such elements.

They point to the situation in Peiping, where a bomb wounded a peace delegate, former Mayor Ho Sze-Yuan, before he could leave to confer with the Reds on a cease fire agreement there. A source arriving here from Peiping said an examination of the fragments showed that it was a standard national hand grenade. "This source said that an investigation led to the conclusion the bomb was planted by Kuomintang extremists in order to delay a negotiated peace in Peiping."

Delays Continue In Trial Of Reds

New York, Jan. 19 (AP)—Trial of eleven top Communist leaders went ahead today without party National Chairman William Z. Foster, but as such a slow pace that the presiding jurist remarked:

"I'd like to get down to work." "Several delaying moves still confronted the court."

Chief of these was a defense challenge of the jury system in the Southern Federal District of New York. The defense contended the method of choosing jurors here was biased.

Progressive party, which ran him for President, would stay in business.

And he said "it's needed now more than ever." And then he said he wasn't giving interviews, and that was the end of it.

I thought his voice sounded strained when he spoke, but I can't be sure of that.

I'd still like to know what future Wallace thinks there is for him or his party.

He got only 1,156,000 votes out of the 48,690,000 votes cast last November.

Professional politicians, with no sympathy for Wallace, thought before the election he might get at least 5,000,000 votes.

The smallest of the Wallace vote surprised everyone and must have surprised him, too. But one thing is sure:

If Wallace had been able to pull 5,000,000 votes from Mr. Truman, Wallace wouldn't have won, but neither would Mr. Truman, and Governor Dewey would be taking the Presidential oath tomorrow.

Every time Wallace has suffered a staggering defeat in a great climax of his life, at first it seemed like a nudge toward oblivion but

Proclamation

WHEREAS, during the last past several years, we have had with us the dreaded disease of polio which has taken the lives of quite a number of our young children and left a great many maimed and disabled, possibly for life, and

WHEREAS, money to care for these victims has been raised by private subscription, and the gifts of the people have been used solely for that purpose,

NOW, THEREFORE, I, J. H. Boyd, Jr., Mayor of the City of Greenville, do hereby proclaim Saturday, January 22, as Polio Day, at which time students and young people will solicit funds on the public streets of our city to be used exclusively for that purpose. I, therefore, urge every citizen to be as generous in their contribution as is possible, giving as large amount of money as they feel they can afford, with the knowledge and assurance that this money will be used for this most worthy cause.

J. H. BOYD, Mayor

Fast Start For Polio Fund Drive

Dr. Leo Jenkins Cites Successes And Future Plans

Saturday, January 22, has been proclaimed Polio Day for Greenville by Mayor J. H. Boyd, and he has given permission to students at East Carolina Teachers College to solicit funds on the streets of Greenville for the Pitt county Infantile Paralysis fund.

Dr. Leo Jenkins, director of the Pitt county drive, said today that members of the Baptist Student Union at the college will be in charge of the solicitations on the Greenville streets.

The lecture by Richard Walser, author and English professor from State college, last night at the college netted approximately \$150 for the county polio fund, Jenkins reported. Tonight the BOECC polio dance will be held in the Wright building on the campus beginning at 8 o'clock, with admission being charged according to each person's weight. All girls weighing over 143 pounds and their dates, will be admitted free to the dance, and a prize will be given to the heaviest couple at the dance.

Jenkins spoke yesterday to a group of citizens in Fountain, and said representatives of Fountain pledged to raise \$500 for the county polio fund. "They are showing a fine spirit, because \$500 is a lot of money for a town the size of Fountain to raise," Jenkins said.

Also to be contributed to the county March of Dimes drive are all the dimes which are collected from the city of Greenville's parking meters during an entire week, and the entire proceeds from the city's parking meters for one day.

With more than a week of favorable weather, many of the farmers of Pitt county have begun planting tobacco beds, with some farmers planting their tobacco beds almost two months earlier than they did last season.

During 1948, an unusual amount of snow and freezing weather during January and February held up the planting of most of the tobacco beds of the county until late February and early March.

Frankfurt, Germany, Jan. 19 (AP)—The pilot of an American airlift plane which crashed last night in the British zone while returning from Berlin died today.

The pilot's death brought to 34 the number of American and British airmen who have given their lives to supply the blockaded city.

Two other crewmen were slightly injured with the C-54 "coal wagon" plane crashed in flames six miles east of its British zone base at Fassberg.

They were identified as the copilot, 1st Lt. Ralph H. Walter of Kennett Square, Pa., and S-Sgt. Wilburn M. Smith of Troy, N.C. The name of the dead pilot was withheld pending notification of relatives.

The debate indicated that any effort to back away from the cold war in the months ahead would arouse violent opposition at the Capitol.

Acheson, hearing a definite "no appeasement" label, was confirmed late yesterday by a vote of 83 to 6. The half dozen negative votes were all registered by his Republican critics. He is expected to be sworn in, as the fourth secretary of state to serve under President Truman, tomorrow or Friday.

The resignations of the ailing George C. Marshall as Secretary and Robert A. Lovett as undersecretary are due to become effective tomorrow.

While nearly all the Republicans in the Senate went along in confirming Acheson, they made it plain they reserve the right to oppose administration foreign policy as they see it.

Senator Vandenberg (R-Mich.) the GOP Senate leader on Foreign Policy, praised Acheson highly but said it must be remembered that the policies he executes will be those of President Truman. And the Pres-

ident's policies, the Senator added, may be "impromptu and unpredictable."

What confirmation fight there was developed almost entirely around the question of Acheson's attitude toward Russia and the spread of Soviet Communism.

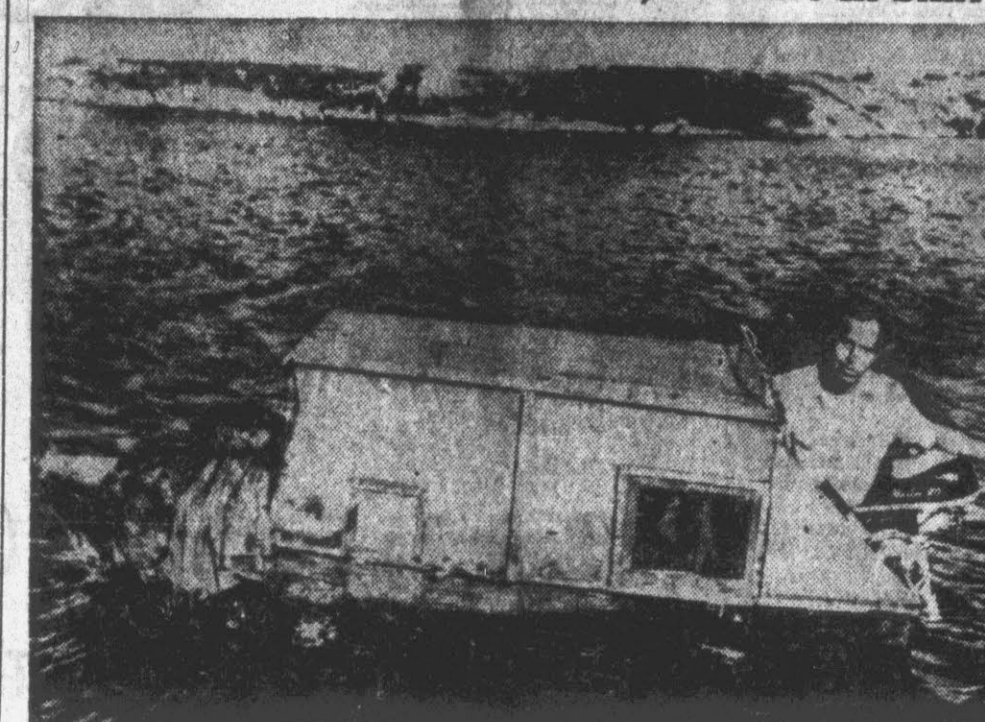

Pitt county champion corn growers will attend a one-day corn school and a banquet at State College in Raleigh, sponsored by the North Carolina Foundation of Seed Producers, Inc.

Mac Harris, son of Mr. and Mrs. Jim Harris of Farmville, county 4-H champion for 1948, and E. L. Didda of Fountain, Pitt county adult corn growing champion for 1948, will represent Pitt county at the meeting.

Winston-Salem, N.C., Jan. 19 (AP)—R. J. Reynolds Tobacco Company's shipment of Camel cigarettes in 1948 was the highest in history, the company's annual report showed today.

Net sales for 1948 of \$718,812,640 also were a new record, the report said. Net sales in 1947 were \$708,494,184.

Disabled Veteran Sails 1,600 Miles In Skiff

Clarence Frix, a disabled war veteran from Alexandria, Ind., arrives at New Orleans aboard the tiny skiff in which he cruised 1,600 miles down the Mississippi river. A distaste for cold weather prompted the 31-year-old ex-corporal to make the 60-day cruise. (AP Wirephoto).

Fifty-Five Face Trial For Theft

Eastern N. C. Merchants Involved In 6-County Probe

Washington, N. C., Jan. 19 (AP)—Solicitor Walter Cochran laid plans today to call 55 defendants to trial early next week on charges growing out of theft of merchandise valued at approximately \$100,000.

The charges came to light yesterday when the Beaufort County grand jury returned true bills against the 55 defendants, more than half of them Eastern North Carolina merchants. Sixteen, were identified as employees of the Thomas and Howard Wholesale House from which the goods allegedly were stolen.

Sheriff William Runley, whose officers brought the charges following a two-month investigation covering six counties, said the thefts involved the sale of merchandise at marked down prices. The proceeds from the transactions were split among various employees of the company, he added.

The defendants are charged with conspiring to steal and to receive stolen goods from the company. All were placed under \$500 bonds following the grand jury's action.

Employees of the company who were indicted were identified by the Sheriff as: Van Boyd, H. E. Asby, G. P. Douglas, Jr., W. J. Edwards, J. F. Hunt, Robert Kirkley, B. D. Price, Marvin Taylor, J. H. Warren, Wallace O'Neal, Sam Williams, James Latham, Edward Davenport, Fred Sawyer, William Boyd, and J. B. Hodges. All are residents of Washington, he added.

Other defendants, whose home addresses were given in Beaufort county and five adjacent counties, were identified as: Talmadge Hill, Erse James, M. S. Windley, Russell Daniels, B. C. Day, Joe Johnson, Elbert Jones, Joe Moore, Robin Moore, Elias Turkey Moore, Laney McRoy, Mack G. Rogers, Willie Smith, Hugh B. Ward, Therman Webster, Frank White, John Franklin Windley, Joe Johnson, Jack Kirkley, J. Norman Warren, Grover Boyd, J. F. Eborn, L. A. Gray, Walker Jack Johnson, D. A. Campen, Braxton Foster, Frank Jones, Wade Lilly, Oscar L. Woolard, Jimmy Griffin, G. R. Liberman, Ivory Keys, Jonas Reaves, D. L. Robertson, Worth Ross, Daniel Sawyer, Carl Woolard, Sam Woolard, Avis Green and James T. White.

During the past year the local chapter spent \$5,050.98. The largest single expenditure was for \$2,000.00 which was sent to the State Epidemic Committee last summer when the disease was most prevalent. This money was used by the State Committee to help set up convalescent hospitals.

Other major expenditures during the past year were as follows for the victims whose names are listed below: Barbara Britt — \$622.35; Willie

Williams—\$68.76; Arnold Cannon—\$81.32; Donnie Allen—\$35.50; James Bryant—\$22.00; Donald McLawhorn—\$114.75; Hattie Lee Moore—\$110.00; Keith Ted Garris—\$144.75; Frederick Haddock—\$254.94; Charles McAndrew, Jr.—\$152.28; Carolyn May—\$202.80; Alma Whitehurst—\$72.50; Sadie Ray Smith—\$270.95; Robert Brady—\$149.20; Harvey Lee Morris—\$394.00, and Mary Francis Daniels—\$85.50.

Members of the Pitt County chapter in addition to Mr. Rose and Mr. Overton are Dr. Connell Garment of Bethel, Dr. J. M. Barrett, R. T. Futrelle, and Supt. D. H. Conley.

Dr. Leo W. Jenkins, dean of the college, is director of the drive to raise \$11,500 in Pitt County this year.

The children who fell victims to the disease were both white and colored and for the most part came from rural areas.

At Topeka, Kas., hospitals moved some patients into corridors to make room for persons injured in falls on slippery streets and sidewalks.

Commercial airline schedules returned to normal after some delays because of the weather. Some buses and trains were delayed also.

The storm was rapidly moving northeastward out of the midwest early today although it still was snowing in parts of Iowa, Illinois and Wisconsin.

Temperatures headed downward over much of the continent. Dickens, N. D., reported 23 below zero at 1 a. m. (EST) Chadron, Neb. had 18 below at 3:30 a. m. (EST) The mercury also hovered around the zero mark in parts of Oklahoma, Missouri and Kansas.

Public and parochial schools in both Kansas City, Kas., and Kansas City, Mo., were closed today. The highway patrol reported some highways in northwest and central Missouri were virtually impassable.

Hotels were jammed with storm-bound visitors and extra cots were set up in dining rooms and guest rooms.

Great Search

Hamilton, Bermuda, Jan. 19 (AP)—Eighty planes and a score of U. S. warships, including two carriers and the Battleship Missouri, led a great search today for a British airliner down somewhere in the Atlantic.

The giant rescue operation expanded today after scanning 177,000 square miles of sea yesterday for a trace of the British South American Airways four-engine "Ariel" which disappeared with 28 persons Monday while on a 1,600-mile flight from Bermuda to Kingston, Jamaica.

The search was hampered by a one-two punch today, following up a snow that virtually paralyzed some areas with bitter cold.

The Kansas City area was hardest hit by the snow storm which began before dawn yesterday and ended shortly before midnight. The weather bureau recorded eight inches of snow.

'One-Two Punch' In Middle West

Heavy Snowfall Followed By Bitter Cold; Schools Close

Kansas City, Jan. 19 (AP)—The weather handed the midlands a one-two punch today, following up a snow that virtually paralyzed some areas with bitter cold.

The Kansas City area was hardest hit by the snow storm which began before dawn yesterday and ended shortly before midnight. The weather bureau recorded eight inches of snow.

Public and parochial schools in both Kansas City, Kas., and Kansas City, Mo., were closed today. The highway patrol reported some highways in northwest and central Missouri were virtually impassable.

Thousands Jam Washington For Truman's Inauguration

Road Bond Election Bill Offered In House

Introduction Of Measure Is First Step To Carry Out Scott's Program; Increased Gas Tax Legislation Expected Soon

Raleigh, N. C., Jan. 19 (AP)—Legislation to call an election on the issuance of \$200,000,000 in bonds for building rural roads—to carry out Governor Scott's country roads program—was introduced in the General Assembly today.

Rep. Harry Vanderlinden of Catawba and William T. Hatch of Wake sent forward a bill in the House calling for submission to the people of the question of issuing the largest bond issue in state history.

The bill was deferred to the Roads Committee.

Under its provisions a state-wide referendum would be held prior to July 1, 1949 on a date to be fixed by the Governor in a proclamation.

Introduction of the measure resulted from a special message to the Assembly by the Governor Monday night at which he urged an election on issuance of \$200,000,000 in bonds for rural road building and asked for a one-cent per gallon increase in the gasoline tax to finance repayment of the bonds.

The bill introduced today made no provision for increasing the gasoline tax. Informed sources said that it would be proposed in a separate bill which may be introduced tomorrow. These sources predicted that the measure would make the gasoline tax increase contingent upon approval of the bond issue by the people.

The bill provides that the \$200,000,000 shall be used "exclusively for the purpose of the construction of hard-surfaced, all-weather roads which are part of the state highway system and which are known and referred to as secondary roads or farm-to-market roads, as distinguished from the state highways which are known as primary roads."

The funds would be "fairly and equitably divided between the ten highway districts of the state" by the state highway commission.

Bonds issued under the act would mature within 20 years of their issuance and "shall bear interest at a rate to be fixed by the Governor and county of state, not exceeding four cent per annum."

Washington, Jan. 19 (AP)—Gay and carefree thousands poured into Washington today in a holiday mood for Harry S. Truman's Presidential inauguration tomorrow.

They came in a stream of special trains, by plane and automobile to pay tribute to the one-time farm boy whose mother once said he "plowed the straightest row of corn" in all Jackson county, Mo.

The best guesses are that 500,000 to 750,000 people are headed for Washington.

There was one jarring discord thrust into the Democrats' happy affair late yesterday—the Senate defeated a bill to waive the 20 per cent federal tax on all grandstand parade and inaugural ball tickets. This was the Democrats' first defeat in the new Congress.

But the sting of this Republican maneuver was eased by a message to the President from Gov. Thomas E. Dewey, the defeated GOP Presidential candidate.

Dewey wished Mr. Truman "good health and divine guidance" in congratulating him on his forthcoming inauguration. And the President replied that "good wishes such as yours strengthen me for the tasks that lie ahead."

At the White House, Mr. Truman fanned the jubilee spirit by signing a bill giving a Thursday-Friday holiday to federal workers in the Washington area. This gives them a four-day weekend for the festivities.

Even the Weatherman was helpful. We promised no rain or snow when Mr. Truman and vice-President-elect Barkley of Kentucky are sworn into office at noon tomorrow on the platform of the steps of the Capitol. Just what, a cloudy sky and the temperature at 33 to 40 degrees.

Mr. Truman got started on the inaugural events last night at a dinner given by the Truman-Barkley club. Today's schedule started with a speech by the Finance Committee of the Democratic National committee. Later in the afternoon he and Mrs. Truman will be the honor guests at a reception given by Gov. and Mrs. Forrest Smith of Missouri.

British Propose Recognize Israel

London, Jan. 19 (AP)—A government source said today Britain will recognize Israel if the United States joins in a British plan to guarantee peace in the middle east.

Britain is said to have made new and drastic changes in her Holy Land policy in the middle east plan which she is proposing to the United States.

The source said the offer to recognize Israel was made in a series of top-secret Washington talks between the British Ambassador, Sir Oliver Franks, and U. S. Undersecretary of State Robert Lovett.

The development coincided with a meeting of labor party members of Parliament with Foreign Secretary Ernest Bevin. Bevin's articles showed up in force to assist his handling of the Holy Land situation—but the Foreign Secretary himself failed to show up.

The close cause of the 392 labor members was to take up Bevin's policy in the light of his statement yesterday—a statement largely conciliatory to the Foreign Secretary's critics on the middle east situation.

As it turned out, Palestine was not discussed at all at the party meeting, one member said.

The government source said British Foreign Policy planners are insisting that recognition of Israel be granted quickly as part of the overall objective of restoring middle east stability, regarded as vital to Britain. London and Washington both are studying how best to achieve this, he said.

Miss Mabel Morris of Kinston is visiting Miss Mae Schultz. The tobacco coming to market now is bringing good prices. Monday afternoon while Ruff Cobb and Mary Lucy Dupree were riding down Evans street a wagon ran into their buggy and upset the vehicle. Both young ladies were thrown out but fortunately escaped injury.

Mid-Week Worship Service At Jarvis Memorial Methodist Church Dr. Karl Quimby, Cultivation Secretary of the Board of Missions and Church Extension of the Methodist Church, will be the speaker at the regular mid-week worship service at Jarvis Memorial Church this evening, 7:30 o'clock in the Ellington Bible classroom. Dr. Quimby will speak on the new advance program of Methodism and will show a series of Kodachrome slides which were made from pictures which he took last summer in Poland, Czechoslovakia and Germany. During the summer Dr. Quimby attended the World Council of Churches in Amsterdam and then visited Methodist leaders in all parts of Europe. He will have a message of vital interest to all. The public is cordially invited to attend this service.

Announcement Saturday evening, January 22, at 10 o'clock over WGTG there will be a broadcast called the "University Hour" which will deal with the Commission Report on State Education. The broadcast is named "The State of Education in North Carolina." All people interested in the new education program that is before the present legislature are urged to tune in on "The University Hour."

Francis Lee Neel Paintings In Art Gallery A one man show by Francis Lee Neel, instructor in the art department at East Carolina Teachers College, opened in the local art gallery yesterday and will remain on exhibit until Feb. 1.

The show contains five water colors, the subject matter of which was assembled by Neel in the Philippines and Okinawa while he was serving in World War II; eight oils, divided into landscapes, still lifes and non objective and one tempera. Neel is a graduate of the University of Missouri, majoring in art. He has exhibited his paintings in Missouri and in various galleries in the state of Missouri. Both his water colors and oils have won prizes. One water color prize winner is in his current show.

In the room adjoining the Neel exhibit is a showing of 14 paintings of Indian dancers. These paintings are all the work of Patricia Ferdon and are owned by the Historical and Art Museum of Kenosha, Wisconsin.

SOCIAL CALENDAR

WEDNESDAY
8:00 p. m.—Junior Woman's Club meets at the club house.
8:00 p. m.—Greenville White Shrine will hold its monthly meeting.

7:30 p. m.—Red Men will meet.
8:00 p. m.—Officers Club of the Greenville White Shrine will meet with Mrs. J. B. Jackson, 103 N. Harding street.

which loaned them for exhibition purposes. In this room, too, will be found 25 sepia-tones by Edwin H. Denby architect of New York City. The sepia-tones are all of buildings in France, Italy, Sicily, Russia, Turkey, Spain and Syria. The public is invited to see these interesting exhibits.

Annual Meeting of Auxiliary to Pitt Medical Society The Auxiliary to the Pitt County Medical Society will hold its annual luncheon meeting on Thursday at 1 p. m. at the Proctor hotel. Dr. K. B. Pace will speak on "Socialized Vs. Voluntary Medicine." Mrs. Ben Royal of Morehead City, councillor for the Second District Medical Auxiliary will be a guest.

Joint Hostesses At Supper and Bingo

Grifton.—Misses Esther Hill Coward and Wilma Patrick were joint hostesses on Saturday night at a delightful supper party at the home of Miss Coward. The young people were assisted in receiving and entertaining the guests by their mothers, Mrs. John Coward Jr. and Mrs. Walter Patrick. The home was decorated for the evening with greenery, lighted candles and quince. The approaching St. Valentine season was noted in the table appointments and favors. The supper table was covered with a white cloth and candles interspersed with ivy used as the center decoration. Places were laid for twenty-four. A delectable two course supper was served. After supper bingo was played and prizes won by Judy Hart, Betty Jo Gaskins, Joyce Lee, Frances Bryan Davis and Douglas Smith. John Coward made pictures of the group during the evening.

The guests were Misses Betty Jo Gaskins, Judy Hart, Joyce Lee, Frances Bryan Davis, Emily Nelson, Sara Ann and Frances Coles, Martha Hart, Linda Chauncey, Sallie Newborn, Alice Faye Dixon, Lou Raye Newborn, Billie Faye Summerville, Julia Cow, James Haynes Douglass Smith, Uddy McCotter, Jesse Wade, Bill Tucker, Mae Chauncey, Morris Patrick.

Falkland Social News

Mr. and Mrs. Jenness Moore have moved into their new home which is out on the Falkland-Pinetops highway.
Mr. and Mrs. Marshal Wooten of Baltimore, Md., spent the past week-end with Mr. and Mrs. Henry Wooten at Cedar Lane Drive.
Friends of Mrs. G. H. Pittman will be glad to learn she has returned home from Pitt General hospital and is doing nicely.
Mr. and Mrs. Horace Leonard of Williamston were the guests of Mr. and Mrs. Jimmy Leonard for the week-end.
Mr. Willard Wooten and Master Dan Wooten were in New Bern on business Tuesday.
Friends of Mrs. Theodore Fountain of "Tedwood" will be glad to know she has returned home from the hospital.
Mr. and Mrs. Charles Marston of Hillsdale visited Mr. and Mrs. W. H. Wooten Sunday.
Mr. Atlas Wooten, president of the Ruritan Club, Mr. Marvin Deans and Mr. Harry Little have returned home from Roanoke, Va., where they attended a three day convention of The Ruritan Clubs of North Carolina, South Carolina and Virginia.

Red Oak News

Misses Joan Timberlake and Evelyn Smith of Greenville will entertain at the "kitchen shower" at the club house Thursday night. Mr. R. B. Starling will do a "chalk talk" and many other interesting things have been planned for your entertainment. All of our friends are cordially invited to attend this party.

Mrs. Hauser Gives Reading To Club

A reading of De Profundis, by Oscar Wilde, given by Mrs. Roscoe Hauser to the members of the Inter Se Book Club at the home of Mrs. Sam Northrop was quite a highlight in the club program for the year. This little known book, as Mrs. Hauser brought out in her reading, is the essence of Oscar Wilde's tribulations throughout his years in Reading. It contains much of beauty and spiritual worth which far outweigh the impressions that were felt so keenly in the minds of the public before his trial.
After a short business session a delicious salad course was served by the hostesses.
Guests for the afternoon were Mrs. George Garrett and Mrs. W. H. Northrop.

Mrs. Hart Gives Supper Party

Grifton.—On Friday night Mrs. Claudit Hart entertained at a delightful supper party at her home here. Guests were received in rooms beautifully decorated with red berries and greenery in artistic arrangements. Guests were invited for 7 o'clock and on arrival a delectable two course supper was served at individual tables after which bridge was enjoyed. During the games Mrs. Glendel Tucker compiled the highest score and Mrs. Josh Worthington and Mrs. Ben G. Tucker tied for second place. They were remembered with attractive gifts.
Mrs. Hart's guests were Mesdames Glendel Tucker, Worthington, Ben G. Tucker, Sam Nelson, Elmo Smith, Julius Chauncey, Clay Burney, Norwood Lockhart, Carey Garris, Walter Patrick, Roy Jackson, Milton Hart, Roger Johnson, Wiley Gaskins, Edward Hart, Nannie McGlohon, L. L. Newborn, Jake Worthington, Walter Murphy, Paul Bradley and Miss Betsy Hodges.

Good Friend Of The Blind Undergoes Serious Operation

Frank M. Brown, head of the City Plumbing Company, who was influential while president of the Greenville Lions Club in organizing the Pitt County Association for the Blind and in having the Training School for the Blind established here for a time, is improving after an eye operation at the Baltimore Eye and Ear Hospital, 1214 Eutaw Place, Baltimore, Md.
He underwent a serious operation nearly two weeks ago and his eyes have been bandaged since then. A message from Mrs. Brown stated that the surgeon expects to remove the bandages Thursday, and that he said the patient is recovering satisfactorily.
Incidentally, when the Lions Club and Frank Brown, Paul A. Scott and Godfrey Oakley, as a committee, set out five years ago to organize the association to provide care and relief and medical attention for the sightless and near sightless, there was a wonderful response of support from other civic clubs and organizations.
One important result of this "Good Samaritan" activity was the appointment of a case worker for the blind. And the humane work, sponsored by the Lions Club, goes on and on, and sight has been restored to many and others have been trained to be self-supporting.

Strength FOR THE DAY

SCHEDULES NOT IMPORTANT A college president and the speaker at the commencement exercises had driven out into the country by way of a little relaxation before the exercises. As they started back toward the campus over a winding forest road, a skunk suddenly came out of the woods and began walking down the road before the very automobile. He walked slowly - very, very slowly. He stopped, and they stopped. The time for the exercises arrived, and still they could go no further. Everyone was in a dither when the president and his speaker arrived on the campus a half-hour late. In telling this, the speaker said that this irritating delay reminded him of a thousand and one things which arise in life's experiences and hold back good causes. We are all set and ready to go ahead with something that will help humanity and make the world better; and then some irritating delay arises to hold us back, embarrass us, and fill us with fury. But there is nothing to do about it, and in the end the world seems to move along about as well as if our plan had gone through on schedule. It may be these things that give us to teach us patience. Or what is more probable, the Lord fills our lives with obstacles, delays, frustrations, in order to demonstrate to us that after all our schedules are not so important as we think they are.

PENNY BILL NOT THE ANSWER

After looking into the bill for statewide liquor referendum introduced to the General Assembly by Senator Geo. T. Penny of Guilford county, we feel that the bill is not the answer to the controversial liquor question in North Carolina. The Penny bill calls for a referendum on the liquor question for November 1, 1949, at which time the people of the state will vote the state either all wet or all dry, and the decision of only a portion of the state may well be forced upon the entire state. If the bill were passed and the state should vote dry in the referendum, a "bone dry" law would be in effect after 90 days of the vote; and if the state votes wet, all counties will be required to establish ABC stores. We feel that any referendum on the liquor question in North Carolina should give the people a choice with a reasonable amount of fairness and a reasonable surety that their choice will be carried out. Any referendum which is offered to the people of the state should give three alternatives: (1) all wet, (2) all dry, (3) local option, which would permit each incorporated subdivision of the state to hold its own referendum and decide the liquor question for itself. Any bill for a liquor referendum should carry in it a specific plan for prohibition enforcement and provisions for special taxes to finance the enforcement in case of a dry vote. Past experience has shown that prohibition was not properly enforced either at a state or national level. The solution to the liquor question in North Carolina will not be found in the Penny bill, but more democratically and more practically found in a bill providing for

a referendum on the local option basis.

Around Capitol Square

By LYNN NISBET FAVORABLE—Discussion of Governor Scott's special road message leaves little doubt that the general assembly will submit to vote of the people a two hundred million dollar bond issue to be earmarked for county roads, and supported by an additional one-cent a gallon tax on gasoline. There is wide varying opinion as to fate of the measure at the polls; but practical certainty it will be submitted.

DOUBLE-LOAD—The proposition outlined by the governor is not a double-barreled one as some seem to think; rather, it is a double load in one barrel. In other words, the additional gasoline tax is inextricably linked with issuance of the bonds. Three sentences in the special message make this point clear. The governor said at one place: "I also recommend an increase of one cent a gallon in the gasoline tax to help pay off these bonds as we use the roads." In another sentence he said: "All that I am asking the general assembly to do at this time is to give the governor the privilege of taking to the people this proposed method of building the roads, and levying an additional one cent a gallon on gasoline." Again he said that after conferring with many leaders, "I found almost unanimous agreement that the combination of raising a moderate increase in the gasoline tax would be the best method to do the job in the fairest and least burdensome manner." Several legislators agreed that in light of these statements it would not be keeping faith with the governor for the assembly to submit a bond issue without the tax, or to levy the tax except as contingent upon authorization and issue of the bonds. Indications at present are that the two issues will be joined either on the ballot itself when the election is held, or by legislation making the tax applicable only if the bonds are voted.

SMART—It is almost unanimously conceded that Governor Scott played smart politics in dealing with this subject. He had been talking about probable necessity for a three

cents or five cents increase in gasoline taxes, and had several times mentioned prospect of a three hundred million dollar bond issue. Effect of the reduced amounts was to gain considerable support which could not have been had on the larger figures, and perhaps not if he had talked all along in current terms. In fact, some who have still do-opposed the whole plan had feared he might take the course he did. It is also regarded as smart that he tied the elements so closely together, since opposition either to bonds or tax increase without the other would have been much more serious.

ATTRACTION—Seldom has the house of representatives presented a more attractive "amen corner" than it did Monday night. Present for the joint session to hear Governor Scott, and sitting on the front row just left of the speaker's dais, were Miss Laura Reilly, manston hostess; Mrs. Scott, wife of the Governor; Mrs. Kerr Craige Ramsay of Rowan, wife of the speaker; Mrs. D. C. Dunagan, wife of the junior member from Rowan, and Mrs. Nelson Woodson, wife of the senator from Rowan. One of the older observers, looking over this array of charm, quipped: "Rowan county produces able steaks, but its chief honor is beautiful women."

WALKER—Representative E. R. Johnson the 80-year-young member from Currituck, was heading for a committee meeting 'tother morning. Representatives John McMullan of Chowan and Le Whitmire of Henderson, not exactly school boys but lots younger than the gentleman from Currituck, tried to overtake him. Finally they had to call him to halt so they could catch up. The trio was headed for a public welfare committee session, where the subject under discussion was definitely NOT old age benefits.

Boyle's Column

By HAL BOYLE New York—(AP)—Once upon a time there was a serious young man named George. George was the star student in a college class in "World population—its cause and cure." Most of the students took the course because it was an easy way to get three hours' credit toward a degree. But not George. He really worried about world population. When the professor, a genteel old bachelor, warned that the earth

posteriorly problems at home. And they are doing all right. George did have to give up his job at the bank—it didn't pay enough. But he went into business for himself, and business is fine. George runs a diaper delivery service. He is saving up money to send his youngest son to college. "Guess what he told me he wants to be," George told Grace the other day. "He says he wants to be an obstetrician." "George says such cute things," said Grace. Moral: Normal people and healthy rabbits find it hard to change their habits.

Solved A Crime Ahead Of Time

Spartanburg, S. C., Jan. 18—(AP)—Detective Chief Howard P. Smith said today that two of his men solved a crime before it happened. He reported that Detectives W. C. Hayes and J. W. (Nick) Carter arrested a man on Main Street because he had a suspicious bulge under his coat. They removed a brick-bat, wrapped in paper, from beneath the coat. Chief Smith said the man had a record for breakings and other petty crimes.

CBS Announces Crosby Snatched In Talent Raid

Hollywood, Jan. 19—(AP)—Bing Crosby moves to CBS next fall. The "Ol' Groaner" is the third prize radio plum plucked by Columbia Broadcasting System in its talent raid on rival networks. They've snatched him from American Broadcasting Co., less than a month after Jack Benny Switched from National Broadcasting Co., to CBS and a few months since Amos 'n' Andy moved from NBC to CBS. A sudden announcement by William S. Paley, CBS board chairman now in Hollywood, said last night that Crosby and he had reached an agreement whereby the singer will be heard over CBS beginning next fall and for "an extended period."

It added that the arrangement covers radio and television shows, but no immediate television appearances are planned. Paley gave no details as to contract or financial arrangements. CBS spokesmen said they were in the dark too. Presumably the question of whether Bing will be moved from his long-standing Wednesday night spot on the air would be up to his next sponsor, whoever that may be.

Whether Crosby will continue to record his show, as he has done with ABC, or return to live broadcasts is another question so far unanswered.

Lions Hear Talk On Polio Drive

Dr. Leo Jenkins, chairman of the Pitt County March of Dimes Committee, was in charge of the program at the regular Monday evening meeting of the local Lions Club. Dr. Jenkins briefly outlined the methods now being used by his committee to raise money for the Infantile Paralysis Emergency Fund. For the most part, the funds will be raised through various entertainments to be staged by students at the college. "Since," said Dr. Jenkins, "the citizens of Greenville and Pitt County have done so much for the college, the college wishes to successfully carry out this drive for the city and county as a token of its appreciation."

Following Dr. Jenkins, Charles Connor, student body president made a most urgent appeal to all to give their aid towards the successful completion of the drive. "Last year alone," said Connor, "the State of North Carolina received over \$1,300,000 from the National Chapter with which to fight this dreaded disease. As compared with this, the state contributed in 1948 only \$400,000 to the National Chapter." To conclude the program Miss Louise Brooks, accompanied at the piano by Miss Joyce Warren Jeans, both ECTC students, sang several very beautiful selections.

G. C. Frye was inducted as the latest addition to the club by Lion George Wilkerson. David Whichard II was a guest of the meeting, which was presided over by Lion President E. B. Aycock.

Lodge Installed Officers For '49

Farmville, Jan. 19—The Farmville Masonic Lodge in regular meeting last week wound up a year's work and started another in grand style. After a toothsome barbecue supper a group of forty masons met and heard reports of the activities of the lodge for 1948 from the outgoing master, John E. King, and the outgoing secretary, Claude Joyner. A rising vote of thanks was given to these two masons for their untiring efforts during the year 1948.

District Deputy Grand Master Charles Gray of Robersonville then installed the officers for the 1949 year as follows: Worshipful Master Herman Baker; Sam D. Bundy Senior Warden; J. D. Joyner, Junior Warden; C. L. Ivey, senior deacon; Claude Joyner, junior deacon; Joe Plake, steward; Gordon Lee, tiler; Ronald Nichols, secretary; Ed Nash Warren, treasurer. Past Master J. T. Bundy acted as marshal. Visiting masons attended from Greenville and Stantonburg.

AMPHIBIOUS BOAT—Annie Fetter demonstrates plywood, trailer-boat which travels on land and on water. It folds in half for hauling behind an auto. Wheels retract when it is launched. Casper A. Davis of Warren, O., invented it.

daughter and a group of weary-eyed gentlemen who carry loaded revolvers under their civilian jackets. Within a few minutes the man who is about to become the 42nd President of the United States will greet a small group of Congressional leaders come to escort him to a flag-bedecked Capitol.

At the Capitol, where he will stand head bared, with other top dignitaries on a rotunda on the East Side of the building, Harry Truman, Democrat of Missouri, will be sworn in for his first full term in office by Chief Justice Fred M. Vinson.

Some 14,000 important people will witness this solemn ceremony. Thousands more will hear the words over loud speakers. Outside of Washington they will hear the words over the radio. Additional thousands will see the proceedings over television. After Mr. Truman's inaugural address, he and Mr. Barkley will lunch with cronies and political big-wigs at the Capitol. This is to save time and not keep the throngs lining the avenue waiting overlong for the parade to start.

The President and vice-president will head the parade in the block-long stand erected in front of the White House. From there they will review the two to three hour procession. Later the Trumans will cross Pennsylvania Avenue to Blair House, where they are living while the White House is undergoing repairs, and where they will change their attire for something dressier and proceed to the reception planned at the National Art Gallery.

Governors, both Republican and Democratic, electors, Supreme Court members, cabinet officials and their wives will be received by the Presidential party before anyone else. Other groups include prominent Democratic leaders, heads of government agencies, members of the little cabinet, District Commissioners, members of the Joint Congressional Committee and the Inaugural Committee. In addition the list will include families and friends of Mr. Truman and Mr. Barkley. Later in the evening the Trumans expect to attend the big inaugural ball at the Army. It will be the most lavish inaugural ball since the Cleveland administration.

Judge Parker Makes Good Progress In Civil Court Here

By CHESTER WALSH
In civil Superior Court, with Judge R. Hunt Parker of Roanoke Rapids presiding, good progress was made this week on the calendar of 16 divorce suits and other cases the first two days of the week.

Divorce decrees on the grounds of two years' separation were granted the following plaintiffs: Mary Dell H. Seymour vs Harvey Lee Seymour; Alice Ellis Mathis vs William F. Mathis; Geneva Barrow vs Marvin Barrow; Melvin E. Norris vs Janice K. Norris; Nora Lee Joyner vs Henry Joyner; Ella Mae Fields vs Willis Fields; Ella Lee Thigpen vs Tommy Thigpen, and Roberta Taylor Wilks vs Sam Wilks. In the case of J. P. Davenport and Son vs Joe Daniel, for a debt judgment was rendered in favor of the plaintiff for \$469.35.

In the case of Mary Lucille Lane vs the Guaranty Bank and Trust Company, administrator of the estate of Mary E. Randolph, judgment for \$600 was given the plaintiff.

The case of E. F. Randolph vs Mary Lucille Lane was remanded to the clerk of Superior Court on motion of the petitioner and respondent in order to carry out partitioning proceedings under terms of a consent order submitted to the clerk by the parties involved.

Medical Tests Prove Grand Relief For Tired, Letdown Feeling

Yes, this is good news for suffering folks who want to regain energy. Better days will be yours, too. So why wait when there is no need to continually feel miserable when you should really enjoy life again. An appetizing portion of SSS Tonic before meals does wonders for the blood. This famous medicine gets at the seat of the trouble, in nutritional anemia, by building back the blood strength. Thus your blood stream is better able to release energy and freshness to every muscle, fibre, cell. Soon you can tell the difference in the way you feel and look! SSS Tonic has helped hundreds of thousands of people, without any organic trouble or focal infection, to really feel better, more vigorous, better able to enjoy living. Take none less than this effectively-proved medicine to relieve your misery. Take SSS to build up your blood strength, whet the appetite, tone-up your stomach. Get SSS Tonic from any Drug Store today. Take Only The Best

Bank's Officials . . .

(Continued from page one)
quid condition of the bank, and called attention to the substantial increase in capital, surplus and deposits during the past few years. He spoke optimistically of the tobacco situation, but added a word of caution so far as over-production is concerned on account of the upset European market, since tobacco is so largely an export crop. He stated that in comparing the Guaranty Bank statement with other banks it appeared to be well in the lead.

J. H. Waldrop, vice-president and cashier, presented a detailed statement showing operations and earnings of the home office and branches. Mr. Waldrop stated that the highlight of the year's work was the transfer of \$250,000 from undivided profits to surplus, in addition to cash dividends and substantial reserves. His report indicated that the capital of the bank is \$500,000; surplus \$750,000; undivided profits \$180,000; with total assets of \$2 million dollars.

J. H. Moye, Trust Officer, reported that the bank had in excess of 200 accounts, with Trust assets in

5 doctors prove this plan breaks the laxative habit

If you take laxatives regularly—here's how you can stop!
Because New York doctors now have proved you may break the laxative habit. And establish your natural powers of regularity. Eighty-three per cent of the cases tested did it. So can you.

Stop taking whatever you now take. Instead: Every night for one week take 2 Carter's Pills. Second week—one each night. Third week—one every other night. Then—nothing! Every day: drink eight glasses of water; set a definite time for regularity.

Five New York doctors proved this plan can break the laxative habit.
How can a laxative break the laxative habit? Because Carter's Pills "unblock" the lower digestive tract and from then on let it make use of its own natural powers.

Further—Carter's Pills contain no habit-forming drugs.
Break the laxative habit . . . with Carter's Pills . . . and be regular naturally.

When worry, overeating, overwork make you irregular temporarily—take Carter's Pills temporarily. And never get the laxative habit. Get Carter's Pills at any drugstore for 35¢ today. You'll be grateful the rest of your life.

'Comics Code' Is Set By Industry

New York, Jan. 18—(AP)—A Comics code is ready to be put into effect as "the first organized effort at self-regulation in the industry," the Association of Comic Magazine Publishers announced yesterday.

The Association is screening magazines of publishers willing to subscribe to the code, and the Association's seal of approval will be placed on the magazines that pass the test.

The code provides that members recognize their "responsibility to the millions of readers of Comics magazines and to the public generally." It also provides that the publishers shall not print Comics "that may in any way lower the moral standards of those who read them."

Among things banned by the code are "sexy, wanton comics, female nudity, vulgar or obscene language, attacks on any religious or racial group, and glorification of crime."

Elderly Farmer Has Walked 12,500 Miles In Nearly 50 Years

By CHESTER WALSH

Joe C. Boyd, 75-year-old bachelor farmer, who lives at 508 West Third street, in Greenville and farms across Tar River, has a remarkable constitution and a wonderful record as a pedestrian. Kinchen W. Cobb, prominent Greenville tobacco warehouseman, said last night.

Boyd, tall and slender, but always in the best of health, while being interviewed by Cobb, W. Z. Morton, another warehouseman, and a Daily Reflector reporter, answered questions cheerfully, and declared he did not have a corn on his feet, seldom gets tired, likes to farm and enjoys mixing with people and expressed regret that he had not seen much of his old friend, J. Ficklen Arthur since Christmas.

Incidentally, and unusually, it is a remarkable feat to walk as many miles as the 75-year-old Farmer Boyd has "stepped off" during nearly half a century. Cobb said after he computed the fact that during these 45 years he has walked to and from the farm, 12,496 miles.

Some of the old-timers, including Jack Kilgo, who used to sit on the "old bench" in front of Proctor Hotel and "manage" World War II for the generals and admirals, always greeted Joe Boyd in the circle. He's cheerful, optimistic and always in a good humor, and is "welcome company" in any group," Cobb and Morton told the reporter.

Redden Asked To Head Committee

Washington, Jan. 18—(AP)—Rep. Redden (D-NC) has been asked to accept the chairmanship of the House Public Lands committee's sub-group on territories and insular possessions.

Chairman Somers (D-NY) of the full committee, said today, he is awaiting Redden's reply. The sub-committee will handle statehood bills for Hawaii and Alaska.

Selects Five To Represent State

Raleigh, N. C., Jan. 18—(AP)—Speaker Kerr Crage Ramsey has chosen five members to represent the House at President's inauguration on Thursday.

They are Reps. Walter E. Crisman of Guilford, Harvey Morris of Mecklenburg, H. Clifton Blue of Moore, William T. Hatch of Wake, and Robert W. Dalrymple of Lee.

Onslow School Is Closed By Polio

Wilmington, Jan. 18—(AP)—White Oak School in Onslow County was closed today after Demetra Gray, 14, of Route 1, Maysville was admitted to a hospital here today with infantile paralysis.

Here was the first polio case in southeastern North Carolina this year.

Dr. Eleanor Williams, Onslow-Pender health superintendent, ordered the school closed.

g Of Co-ops Again In N. C. Legislature

Jan. 19—(AP)—The legislature provoked a bitter fight over the financing of the co-ops. The committee on co-ops today reported to the legislature on the problem and session. The committee on co-ops today reported to the legislature on the problem and session. The committee on co-ops today reported to the legislature on the problem and session.

revision of some schedule taxes which do not reduce in all departments the revenue and which increase the revenue cities. The state's present tax with existing "popularly accepted" suggested two per cent "comptions" would meet with public resistance. The proposals for co-op tax-exemptions for cooperatives; inclusion of all dividends in taxable income-exempt cooperatives; cash patronage retained to their reserves; application of the earnings of a retained and added to the tax or the imposition of a tax in lieu of an income tax.

Marking Time In Probe Of Death

Tallahassee, Fla., Jan. 19—(AP)—Authorities today marked time in their investigation of the mysterious night-time death of Greenville banker while they awaited an FBI analysis of evidence surrounding the shooting of the wealthy 27-year-old World War II veteran. Baker, heir to New York banking millions, was found with a fatal pistol wound in his head early Monday a few minutes after the jeep he was driving wrecked on a lonely dirt road on his mother's spacious plantation 12 miles north of here. His companion was dark-haired blue-eyed Thelma Griffin, a 21-year-old divorcee. Both State Attorney William D. Hopkins and Sheriff Frank Stoutmire said they were inclined to believe the young socialite's death was accidental. Hopkins, however, still considered the possibility of suicide though no evidence had been found he said, to indicate that Baker had taken his own life.

Expect Contest For ABC Board Chairmanship

By CHESTER WALSH
The "man on the street" today was discussing prospective candidates for the office of chairman of the Pitt County ABC Board, and from what he hears here and there it appears that there will be a lively contest for the position held so many years by Charles O'Hagan Horn, who died last Sunday. Other members of the ABC Board are Frank Hart of Ayden and Walter Jones of Farmville. Appointment of members of the ABC Board are made by the Pitt County Board of Health, Board of Education and the County Commissioners, and the mayor of Greenville has a vote on this matter, it is understood. The "man on the street" kept the rumor circulating today that two members of the County Commissioners aspire to the chairmanship of the ABC Board, and named J. Vance Perkins of Greenville and Marvin Smith of Chocow. When the three county boards meet to elect a new chairman applications from a dozen or more citizens will be on file, a citizen who keeps up with what's going on in politics told a reporter last night. Date of the meeting has not been announced.

DEATH BY ACCIDENT

Hamlet, Jan. 19—(AP)—Yesterday, Callis Daniel Saunders took his gun and went out in his backyard to kill a stray dog. The gun went off accidentally. A coroner's jury found Saunders' death was accidental.

4-H Boys Attend Tractor School

Two Pitt County 4-H boys, Curtis Lee of Greenville, route five, and Billy Ray Allen of Farmville, route one, will attend a three-day tractor maintenance school at State College in Raleigh beginning Monday. The school is sponsored by the North Carolina extension service, the State College schools of agriculture and engineering, and several oil companies.

Judge Parker Is Impressed With City's Progress

By CHESTER WALSH
Judge R. Hunt Parker of Rutherford County, presiding over civil Superior Court here for Judge Clawson L. Williams of Sanford, was much impressed with improvements made in Greenville in the way of paving, installation of street signs at intersections, and the face-lifting of many buildings on Evans street in the downtown area. This is the first time in five years that the Halifax county jurist has presided here. He said Greenville is one of the progressive towns in the state and that the people here are neighborly and friendly to visitors. In an interview last night with a Daily Reflector reporter, the jurist recalled that in 1943, during the height of World War II, Judge Parker, in a charge to the grand jury here, warned that "the law enforcement agencies of the state would have to be considerably increased at the end of the war, when the men in uniform returned to civilian life." The judge remembered the story. He said, "It is shocking to me in the press of the state the innumerable cases of murder, robbery and other law violations. To me, the crime wave that is affecting all parts of the state, law enforcement agencies must be increased and provided with better facilities to maintain the dignity of the law," he added. Speaking of the robberies and safe-cracking jobs which are alarming the public, Judge Parker said the daring of the criminal element is challenging the authority of the police and sheriff's offices, and that the issue should be met with improved law enforcement facilities. Judge Parker said that during the few days he has been in Greenville he was impressed by improvements in law enforcement agencies in Greenville and Pitt county. He pointed out the installation of radars in police and sheriff's cars; a fine coordination of police agencies in the various towns of the county and the harmonious spirit of cooperation among the State Highway Patrol, sheriff's officers and police. "My visit to Greenville this time has greatly impressed me. Your college, tobacco market and banking facilities are a credit to the people and the state," he said with emphasis. Judge Parker manifested much interest in the Old North State Insurance Company in Greenville, and said establishment of the company will do much for the progress and development of Eastern Carolina. "There is a wonderful opportunity in the insurance field for such a company," he said, "especially with Robert Van Iderstine, nationally known insurance executive, and Robert Lee Humber promoting it," he added.

Much Of Pitt's Peanut Crop Is Still In Fields

Approximately 30 per cent of Pitt County's peanut crop is still in the fields, S. C. Winchester, county agent, estimated today. Winchester estimated that wet weather during the past three months which prevented the housing of the peanuts caused a decrease in the value of the crop between 20 and 25 per cent. A break-down of the losses to the farmers of the county, the agent said, probably will show a value decrease of 20 per cent for the peanuts themselves, and a value decrease of 25 per cent for the peanut hay. Farmers in this area usually take their peanuts out of the fields during those months, wet weather prevented farmers from getting their crop out of the fields. Reports from different sections of the county show that most peanut stacks which were properly capped off with grass or other material suffered only a minimum amount of damage.

Home Demonstration Agents
County Council Launches Citizenship Program
Members of Pitt County Council of the Federation of Home Demonstration Clubs met in the auditorium of the Agriculture Building on Tuesday, Jan. 11, at 2:30. At that time Mrs. J. B. Spilman gave a most interesting talk on "Citizenship." She opened her subject by stating, "Empty minds can do nothing. We should be open minded and share our responsibility as a citizen. That we cannot learn to be good citizens by listening to lectures on Citizenship. That we must actually be a citizen and practice the skills, knowledge, and attitudes of citizenship. That it is the responsibility of every individual and every family to make the community a better place in which to live. She gave an example of a tragedy that happened in a certain community because the persons concerned did not have fifty cents. Then she asked the question, "What kind of citizens lived in that community?" After Mrs. Spilman's talk the members planned their meetings for February at which time they will have a program on "Take Time to be a Good Citizen—with emphasis on—Know Your County Government." Later in the year they plan to have a program on "Know Your State Government," and also a program on "Know Your National and International Government." The County Council members voted to sponsor a tour to New York the first week in June. This tour will be for Pitt County Home Demonstration Club members and their husbands. The 22 District Meeting of the Federation of Home Demonstration Clubs will be held in Greenville on April 21. Committees for the District meeting were named. The club women again pledged their support to the March of Dimes. Fifty-three members attended this Council meeting. The Home Demonstration Club members started the New Year with a new type program. The subject for the monthly demonstration, "Know Your Organization," has been most informative. During the program the Agents stated the purpose of the January meeting, aims of Home Demonstration Work, names the leaders in Home Demonstration Work, discussed the organization—County, State, National and International. Listed below are two write ups of Club meetings.

State Corn Champ

F. L. Albrington, Lenoir county farmer who produced 148.26 bushels of corn on one acre to win the title of state corn champion for 1948, is the new president of the state's 100-Bushel Corn Club. Albrington was elected at a recent meeting of the club in Concord. The organization, formed three years ago to stimulate interest in better corn yields, now has more than 1,100 members, according to Dr. E. R. Collins, in charge of agronomy for the State College Extension Service.

Bill Designed To Punish Parents

Raleigh, Jan. 19—(AP)—Legislation which would permit juvenile courts to punish parents of delinquent children has been recommended to the legislature. This was one of a number of proposals made yesterday by a commission which made a two-year study of domestic relations. The recommendation would give juvenile courts permissive power to hale into court parents or other adults responsible for juvenile delinquency.

F. L. Albrington, Lenoir county farmer who produced 148.26 bushels of corn on one acre to win the title of state corn champion for 1948, is the new president of the state's 100-Bushel Corn Club.

Mrs. Fannie Braxton has returned from Norfolk where she has been visiting her daughter.

The Pitt County Negro Clinic presents a deluxe fashion review and high hat minstrel Friday night, January 21, at 8 o'clock at Eppes High School auditorium.

Miss Carrie Dupree, daughter of the late Nelson Dupree and Mrs. Matilda Dupree, was married to Mr. Turner, Junior Morgan, son of Mr. and Mrs. Leroy Morgan, on Monday, January 17.

Mrs. Ira Reid and family have moved out on the Falkland-Fountain highway.

Mrs. Betty Morgan is visiting friends in Hampton, Va.

Miss Lillian Swindell of Brooklyn, N. Y., has returned home after having spent some time with her sister, Mrs. Ira Reid.

Miss Lilly Grey Reid has returned from Florida where she spent four months.

The Rose Bud Usher Board of the Mt. Calvary Church held its weekly meeting Sunday afternoon at 4:30 in the home of Mrs. Belle Maye Atkinson, 506 Contentnea Street. Mrs. Maggie Respass Degraffenreid was in ushering, with the president, Mrs. Gertrude Dupree Gardner, presiding.

Following the business group enjoyed a most delightful program with visiting guests. Mrs. A. B. Taft, president of the Missionary Circle, gave an interesting talk on "Temporarily God." Mrs. Taft explained clearly why the why's and what's of making new year resolutions and breaking them. Miss B. Souwell, librarian of the Eppes high school told the Usher Board the right and wrong in ushering. Mrs. B. M. Atkinson, librarian of the G. W. Carver library, recited a poem, "A House by the side of the Road," and Mr. N. Green presented a Bible quiz, which was very interesting. A gift was presented to Mrs. A. B. Taft for giving the highest score.

This program was enjoyed by the

A FAVORITE VIRGINIA RECIPE FOR PREPARING POCAHONTAS BRAND BLACK EYE PEAS

Try several strips of bacon. Then empty a can of Pocahontas brand black-eye peas, drain off excess moisture and wash them with a potato masher. Put them in a skillet with the bacon grease. Mix in the grease, then mash flat in skillet like a cake and fry until brown on bottom side. Then turn it out on a serving dish, brown side up, garnish with bacon and serve. Children love it with stewed tomatoes.

Pirates Bow To Catawba In Hard Fought Tilt By 49-45

Locals Led At Half-Time But Visitors Rally To Gain Nine Point Advantage; Buc's Final Offensive Falls Short

By EUGENE PRICE
Catawba's Indians scored a 49 to 45 triumph over the East Carolina Teachers College Pirates here last night in a close, rough, and hard fought North State conference game.

It was the first home court defeat of the year for Coach Howard Porter's Buccaneers and their fourth conference setback.

The second place Catawba cagers trailing 26 to 24 at halftime, rallied midway the second half to gain a nine point advantage. They led 49 to 40 when the Buccaneers loosed a final offensive attack which fell five points short of a victory.

Three times during the first half and twice after intermission the score was knotted. In the first half the ECTC squad was in the lead three times and Catawba twice.

Coach Earl Ruth's boys were paced by Co-captain Bill Speacht who accounted for 17 points. Jim Walsler scored 11 markers for the visitors. Larry Graham, second high scorer in the North State loop, was held to seven points.

Jack Everton and Fitz Fennell took scoring laurels for the Buc's. Everton scored 14 and Fennell 12 points.

The ECTC squad travels to Atlantic Christian Saturday. Their next home game will be against Lenoir-Rhyne January 29.

High Point Still Holds Loop Lead

By the Associated Press
High Point held its fourth straight North State Conference basketball victory today, but the Panthers coached by Ralph Jones almost had their tail twisted by a stubborn Appalachian team.

The Apps, although never ahead, moved up twice to tie the score in the last four minutes of their game at High Point last night before they went down to a 60-57 defeat.

High Point Center Ted Moran led all scorers with 16 points. Guard Dick Hiatt missed eight free throws but still led App scorers with 14 points. The winning margin came at the three throw line. Outscored on baskets, 22-21, High Point sunk 18 of 23 fouls, while Appalachian made only 13 of 28.

Catawba remained on the heels of High Point, coming from behind in the second half at Greenville for a 49-45 victory over East Carolina Teachers. The win, second in as many nights for the Tribe, gave Catawba a 5-1 conference mark.

Bill Speacht's 17 points led Catawba, a 26-24 halftime trailer. Everton's 14 points topped ECTC.

Only conference team active tonight is Western Carolina Teachers, which meets the independent Monroe Clippers at Enka Gym.

Detroit Hurlers First In Line To Sign Terms

Detroit, Jan. 19—(P)—Detroit Tiger pitchers, scheduled to report a week early at the Tiger's Lakeland, Fla., training camp March 1, are first in line in the contract signing derby too.

Hal Newhouser, only American league flinger to win 21 games in 1943, put his signature on a reported \$50,000 contract last week.

Yesterday righthander Paul (Dizzy) Trout also signed after conferring with general manager Billy Evans and relief pitcher Hal White's signed contract arrived by mail.

Trout, who won 10 games and lost 14 last season while troubled intermittently by an arm ailment, recently had X-rays taken that indicated he would not have to undergo surgery before departing for spring training.

Derby Hopefuls, On Two Coasts, Start Campaigns

Miami, Fla., Jan. 19—(AP)—Two Kentucky Derby hopefuls—Ocean Drive and Olympia—start a two-coast campaign at Hialeah today in the six furlong \$100,000 Hibiscus Stakes for three year olds.

Following the Hibiscus Fred W. Hooper's colts will be flown to California to compete in the \$50,000 Santa Felipe Feb. 5 and the \$100,000 Santa Anita Derby on Feb. 19.

They will return on Feb. 22 to run in Hialeah's \$50,000 Flamingo Stakes on March 3.

In today's race Ocean Drive and Olympia will be carrying top weight of 122 pounds against such well known rivals as Isidor Bieber's Palestine and George D. Widener's Revellee. Both Palestine and Revellee will carry 120 pounds.

Southwood Loses To Bell Arthur

The Bell Arthur Veterans rolled to an impressive victory over Southwood Monday night in the Greenville armory to the tune of 80-49. The Veterans grabbed an early lead and were never headed.

George Allen, with 23 points, and Curtis Nichols with 18 points, led the Veterans to their second straight win. Allen with 16 points led Southwood.

Willing Fighters Clash Tonight In T-of-C Match

New York, Jan. 19—(P)—Two willing heavyweights, Rusty Payne of Pittsburgh and Curtis Sheppard of Baltimore, collide tonight in the tournament of champions' opening fight card at their New London arena—Manhattan center.

The ten-round bout is a sequel to the knock-down, drag-out affair the two hefties staged Oct. 11 in Pittsburgh. On that occasion Payne felled in the fifth round, came back to knock out Curtis in the ninth.

The arena holds 3,500. A sellout is expected.

This is the first show in midtown New York for the new promotional group which is trying to cut in on Jacob's ring dynasty.

Bonus By Bets

Harrisburg, Pa., Jan. 19—(AP)—Pennsylvania's lawmakers were asked today to consider a legislative parley—legalized pari-mutuel betting to finance a \$500,000,000 soldiers bonus.

The idea—offered by Assemblyman Frank Costa, Philadelphia Republican—is to legalize pari-mutuel betting in the state so that an estimated \$10,000,000 a year in revenue might be set aside to pay for the proposed bonus to veterans of World War Two.

Two Quints Tied For First Place

Winterville defeated Greenville, 49-45, Monday night in the Tobacco Belt league to go into a two-way tie for first place.

Blanie Moye lead the Winterville five with 18 points; Dick Palmer with 15 points was high for Greenville.

Arthur got its first league win last week when they defeated Richlands 44-41; Kovach, with 20 points lead Arthur; Trot, with 21 faced the Richlands team; Trot also topped the league record for a single game when he hit the hoop for 28 points in leading his team to a 59-57 victory over Arthur at Richlands.

Last Week's Results

Bethel Cagers Top Grimesland

Grimesland, Jan. 19.—Bethel High defeated Grimesland in both games of a doubleheader played here last night.

The Bethel girls opened the bill with a 22-19 decision. Mary Ella Moore, with 19 points, did almost all of the scoring for the winners. Jane Hardie got nine for Grimesland.

Second Bid For Stock Car Title

Fort Lauderdale, Fla., Jan. 19—(AP)—Marshall Teague, 27-year-old mechanic, will make his second bid for the national stock car championship this year at Broward Speedway on Sunday.

The Miami speedster is entered in the 100-mile race, along with 70 other starters. Last Sunday Teague won at Daytona Beach, finishing the 200-mile grind at an average speed of 88.23 miles per hour.

Wolfpack Takes Over Southern Conference Lead; Whip Furman

V. C. State Favored To Capture Third Straight Circuit Championship Following Last Night's 81-57 Victory

By the Associated Press
Last Night's Results
North Carolina State 81 Furman 57
Washington and Lee 66 Virginia Tech 58
Georgia 46 South Carolina 43
Roanoke College 58 Virginia Military 39

North Carolina State's Wolfpack ruled the roost in the Southern Conference today.

The Wolfpack favored to capture its third straight circuit championship, moved into undisputed possession of first place last night by the simple expedient of routing the quint, which was tied with it for the leadership.

State conquered Furman's Purple Paladins, previously unbeaten in family circles, 81-57, to up their loop record to four wins and no losses.

The licking dropped Furman to fourth place, behind the Wolfpack, North Carolina and William & Mary.

The State-Furman tiff was the high spot on a four-game schedule for conference teams last night which saw one upset recorded as Washington and Lee's hot-and-cold Generals knocked off Virginia Tech, surprise conqueror of William and Mary and Duke, 66-58, at Lexington.

In other games, Georgia edged South Carolina's promising Gemenes, 49-43, while little Roanoke College took the measure of the unpromising Virginia Military Institute Keydets, 52-39.

Sam Ranzino and Paul Horvath were the big guns as N.C. State trampled Furman's title hopes at Greenville, S.C. Ranzino had 21 points and Horvath 15. The Purple Paladins took an early lead but were unable to withstand the Wolfpack attack for long.

Not a single game is on tonight's conference schedule. North Carolina plays host to William and Mary and Washington and Lee takes on Roanoke College in games of Thursday.

Leahy Declares One Job Enough

Norfolk, Va., Jan. 19—(P)—The task of turning out a winning football team is a full-time proposition, so Leahy will quit his job as athletic director at Notre Dame this year.

But the nation's winningest grid coach will stay on at South Bend as head coach of football. And reports that he will accept a position as coach of the Washington Redskins, or any other professional team, are "absolutely false," he said here last night.

Ed (Moose) Krause, line coach, head basketball coach and assistant athletic director at Notre Dame, probably will fall heir to the job of Athletic director, Leahy said, adding:

"He's been doing most of the work for the past few months, anyway. I haven't been able to devote much attention to it."

Leahy was most vehement in denying reports that he would join the pro coaching ranks.

"I am very happy at Notre Dame and I contemplate making no change," he said in denying rumors he would confer in Washington today with officials of the Washington Redskins relative to taking over as coach of the team.

He left here late last night for Washington. But he insisted he was going to visit "a friend." The "friend" he said, owned stock in the Redskins but was not an official of the club, and no meeting with Washington owners was scheduled.

Best Collegiate Boxers To Meet In NCAA Bouts

East Lansing, Mich., Jan. 19—(AP)—The pick of America's collegiate boxers will punch it out here April 7-9 for the NCAA boxing championships.

Michigan State College, last year's runner-up to Wisconsin for the team title, will play host to the meet for the first time in its 16,000-seat Jenison Field House.

Eight individual titles in the various weight classes will be decided in four afternoon and evening sessions in a single ring.

MSC Athletic Director Ralph H. Young said between 65 and 80 entries will be chosen on a regional basis.

Famous Families

University, Miss.—(AP)—Two rookie centers on the University of Mississippi basketball squad are carrying on in the athletic tradition set by other members of their families. Ken Terry is the son of Memphis Bill Terry, manager and great hitter of the New York Giants, and Don Blanchard is the cousin of Doc Blanchard, Army fullback.

Ranked Third

East Lansing, Mich.—(AP)—George Smith successfully kicked points after 39 touchdowns for Michigan State University in 1943 tying for third spot in the national ratings. Over a two year span, Smith has 56 conversions in 75 attempts.

Bull fighting is a survival of the ancient Roman wild beast shows.

THANKS

To my many friends and customers who gave me their valued patronage while I was interested in the Friendly Furniture Co.

Announcement

The firm of Friendly Furniture Co. announces a change in its business which goes into effect immediately. Mr. Rufus Dunn has sold his interest to Mr. Rufus Keel and Mr. Robert Elks, who will continue the business along the same lines, at the same location. Mr. Dunn is retiring on account of ill health and Mr. Robert Elks will be manager in charge. The new firm will appreciate the continuance of your patronage.

Friendly Furniture Company

ROBERT ELKS, Manager

THE NEW FUTURAMICS

FUTURAMIC—the most glamorous word in motor cars now applies to two great lines of Oldsmobiles. Not only the newly styled Futuramic '98—but also a brand new Futuramic '76' with a new '49 Fisher Body that's lower, wider and offers greater visibility. And this year, Oldsmobile has struck a new balance of power with two great engines for those Futuramic cars. The new "Big Six" Engine in the '76' is more powerful than ever. And the new "98" is powered by the revolutionary "Rocket" Engine. It's a high-compression, valve-in-head eight—an engineering marvel that steps up horsepower to 135, yet actually cuts down on gas costs. Words can't describe it. You've got to drive it yourself for Oldsmobile's "NEW THRILL!"

HER SECRET STAR

By Bonnie C. Hall

Chapter 10
"Moves like a whirlwind, doesn't
she?" her father would comment to
Betty. "Looks like little Gerlie's
getting to be about the most popular
girl in town. Funny—she never says
where she's going." The anxious look
on his face was cancelled by a note
of pride in his voice.

During his wife's illness David
had been the perfect, solicitous hus-
band. He was always available when
needed, but never underfoot. He
called in Mrs. Bassett to attend to
the cooking and housework, leaving
Betty free to attend to the patient.

There had been no change in
doctors. From the first, young Doc-
tor Newton was obviously quite cap-
able of handling the situation. He
had proved himself as far as the
Warrens were concerned. And now
that he had pulled Minniebelle
through a serious spell of pneu-
monia, David Warren was his
staunch ally.

And Betty had been useful. Doctor
Newton, although he was still
strangely aloof and behaved almost
as if he expected she might bite
him, had come to rely on her. In-
fact, he had condescended to say
so. Last week when he finally dis-
missed the case, he had gone so far
as to say:

"You've been a swell nurse, Betty,
a real trouper. You're looking kind
of peaked, too. Now that your aunt
is well and summer is here, you
should be getting out, going places,
and having a little fun."

Then he had spoiled everything
by adding, "Remind me one of these
days and I'll take you over to Alden,
if I'm not too busy. Finest beach
in the country there. Water's still
too cold to do much swimming. But
I could park you on the sand while
I read a book or something. It would
give you a chance to soak in some
sunshine and get some color into
your face. You're much too pale."
"Remind him!" stormed Betty,
and turned away from the window,
losing interest in the scene before
her. "You'd think he was doing me
a big favor. I never heard of any-
thing so presumptuous!"

She went over to the dressing
table and set down, stared at her
reflection in the mirror. "So I'm too
pale, am I? And I can sun myself
on the beach—like a dope or some-
thing—while he reads a book. Well!"
It annoyed her all the more to
realize that the reflection in the
mirror was not at all reassuring. She
was too pale—but who wouldn't be
after weeks indoors taking care of
a sick woman?

Reluctantly, she had to admit that
Doctor George Newton was right—
to a certain extent. In a manner of
speaking, she was falling apart. Yes,
she could use a little sunshine; she
could use a little fun too.

Mrs. Bassett called up the stair-
well to say that Doctor Newton was
on the phone and wanted to speak
to her. He had remembered. Upon
hearing her carefully casual "Hello,"
he said:

"I'm declaring a half-holiday and
taking a run out to Alden this
afternoon. What to come along?"
Without waiting for an answer, he
added, "So get out your sun suit,
I'll pick you up around one o'clock."
Suddenly it seemed very impor-
tant to Betty that she say "Yes." In
a few minutes he'd get mad and
withdraw the invitation.

"Okay, then. I'll be seeing you
at one o'clock sharp. Be sure you're
ready. Doctor's orders, you know,"
he added in a bantering tone.

His lapse into facetiousness dis-
armed Betty. "Of course I'll be
ready," she said, uncomfortably
aware that a note of eagerness had
crept into her voice.

"Good girl—Betty. Good-bye now,"
he said, and hung up the receiver
before she could say another word.
She spent the rest of the morn-
ing washing and drying her hair
and going through her clothes, as
if trying to decide what to wear. It
was, more or less, a perfunctory
gesture. She knew very well what
she would wear.

Arriving promptly at one o'clock,
he sounded the car horn and, even
as Betty ran down the front steps,
she was conscious of his eyes upon
her. His lips parted and something
that sounded suspiciously like a
wolf-call emerged.

There was no lack of color in
Betty's face now, although she told
herself firmly, "It couldn't be a wolf-
call. It just couldn't." He would
never, never do anything so undig-
nified—or human."

His lapse was brief. Just as Betty
was beginning to suspect that
George Newton, the doctor, and
George Newton, the man, were two
separate personalities, his face went
grim. He started the car with a jerk
that almost threw Betty against the
windshield. She could draw only one
conclusion: he resented her presence
and regretted having asked her to
come along.

He maneuvered the car into the
roadway, then turned north. Alden
Beach was in the other direction,
but he offered no explanation and
Betty resolved to ask no questions.
She would be just as hateful as he
was, she decided. Presently he said:
"Hang it all—I should have
phoned you and called the whole
thing off. I should have my head
examined. I might have known—"

Free-For-All In Church Revealed

Greensboro, Jan. 18 —(AP)— A
free-for-all affray in a local Negro
church began when the musician
and the preacher differed as to
whether it was time to quit blowing
the horn and take collection, ac-
cording to testimony given in a
municipal - county court hearing
yesterday.

The affray took place Sunday
night. The preacher and one of
the brethren began swinging. Then
the flock took sides.

It all began, according to testi-
mony, when the preacher, Rev. Wil-
lie Henry, decreed it was time for
George Heard to quit blowing his
horn and turn the meeting over to
the customary financial period.

Heard asserted he had four more
minutes of playing time. The 58-
year-old preacher said he didn't
and the fight began, witnesses
stated.

Heard stated so many of the fold
were beating him that he could not
see light. He added that he re-
sponded with a bit of prayer.

The judge assessed Heard with
court costs. The preacher was tax-
ed half the court costs.

"Then why didn't you call it off?"
Betty exploded, her voice shaking
with indignation and hurt pride. "If
you think you're doing me a favor—
well, you're very much mistaken. If
I never see your precious Alden
Beach, I can bear it. I'd thank you
to stop right here. I—I'll get out and
walk back."

(To be continued)

Lack of buffalo grass is the reason
bisons did not migrate east of the
Mississippi river.

J. E. Allen Case Is Closing Today

Warrenton, N. C., Jan. 18—(AP)—The state completed testimony this morning in the case in which J. Edward Allen, former Warren county schools superintendent, is charged with false pretense.

The defense offered no testimony, and opposing counsel began their arguments to the jury. The case is expected to reach the jury late this afternoon.

The opening argument was made by William W. Taylor of Warrenton, who is assisting in the prosecution. Julius Basset, Warrenton attorney, was expected to make the sole plea for the defense.

Mrs. Lenora Ransom, testified

that her daughter, Annie Ruth Polson had taught in two Warren county schools but left the state in 1943 to teach in Michigan. The daughter never taught at the Young school in Warren although the State presented checks made out to her for teaching there in 1946 and 1947, she told the jury.

Mrs. Ransom was shown checks issued to her daughter when she did teach in Warren, and she identified her daughter's signature on these. She then was shown checks made out to her daughter in 1946 and 1947 and allegedly endorsed by the daughter. Mrs. Ransom testified the signatures on the later checks were not written by her daughter.

Her testimony was corroborated by an SBI handwriting expert.

State's witnesses testified that the Young school, listed on records in Allen's office as a one-room school operating with 13 pupils in 1946-47, was not operated at all that year.

Two Handles

Nashville, N.C., Jan. 18—(AP)—Sheriff C. V. Faulkner believes there's a moonshine liquor still with two handles on it in Nash County.

The sheriff was roaming about the countryside a few days ago when he came upon a man working in his front yard upon what appeared to be a copper still. The quick-thinking workman told the sheriff that the big container was "a wash-pot."

The sheriff rallied quickly and asked: "Where are the handles?"

The man still had some unused lengths of copper. Without answering the high sheriff's question, he continued at his task until he had attached two handsome handles to the sides.

Employment Service To Help Find Jobs For Boys And Girls

Local Office Manager William B. Dillingham announced today that as a representative from the Employment Service Division of the Employment Security Commission, Mrs. Mary R. McCrary met at East Carolina Teachers College with county high school principals. At this meeting a plan was accepted for counseling of applicants who are planning to enter the labor market by spring or summer.

An appointment was made for the local representative to visit each school at an early date. At this time Mrs. McCrary will meet all seniors, especially those who have made no definite plan for their future. She will talk to them about applying for work and the job possibilities in their locality. A complete registration will be taken, not only giving their complete history, but also their school rates and in a clear, concise manner, various teachers' opinions as to their work attitudes. In any instance warranted, a complete general aptitude test, battery will be administered. This battery of tests has been proven in recent years to be a definite yardstick for measuring aptitudes and abilities.

Employers are requested to assist these deserving boys and girls to find jobs. If you have a job opening, please let us know. We will be glad to send you several qualified workers for you to interview before making your final selection. We have several applicants on file now with the recorded aptitudes listed and in the spring we will have every available entry applicant from the schools of Pitt County—the cream of the crop! This is a public service offered to all employers by the Employment Service Office, telephone number 3147, located at 222 E. 5th Street, in Greenville. Mrs. McCrary said.

SHRINE CLUB TO MEET
The regular meeting of the Greenville Shrine Club will be held Thursday night, January 20th at 7 o'clock at the Proctor hotel dining room. Wear your fez and be on time. Jesse Laughinghouse, Sec.-Treas.

Russia's navigable waterways total about 60,000 miles in length.

Brought Burning Plane To Safety

New Bern, N. C., Jan. 18—(AP)—Al Williams, the flier, rode his burning plane to a stop on a runway here yesterday and walked away without injury.

The veteran Pittsburgh, Pa., speed pilot blamed the failure of his left landing wheel for the crash landing which sent his converted navy F3F Bearcat fighter streaking along the runway on its left wingtip, the right wheel and a blazing belly gas tank.

Williams, who had appeared in the recent Miami air show, was en route from Palm Beach to New York. He said he turned back to New Bern because of thickening weather north of here.

He told reporters later that he made a normal approach to Simons-Knott airport here. His wheels indicator was in "down" position, he added, but when the plane hit the runway the left wing dipped as though there were no support on that side. The belly tank scraped along the runway, igniting the gasoline.

Observers said the plane left a streak of fire as it ground to a stop on the runway. The plane was a total loss.

Railroads Plan New Control On Sale Of Tickets

Washington, Jan. 18—(AP)—A dozen Eastern and Southern railroads will inaugurate a special coach seat reservation charge Feb. 1.

It will be an extra charge above the regular price of the ticket. The railroads will get the extra money if the ticket buyer rides. The carriers also will keep the extra money if the buyer fails to cancel within specified times.

The buyer can get all his money back if he cancels in time, and all but the extra reservation charge if he cancels later.

The lines have filed notice of the plan with the Interstate Commerce commission. The suggestion was advanced at recent ICC hearings on alleged black market operations by persons buying up train space reservations in advance.

Believes Russia Is Using 'Bluff'

Winston-Salem, N. C., Jan. 18—(AP)—The Russians are bluffing 100 percent at every turn, according to Earl O. Shreve, president of the United States Chamber of Commerce.

In an interview today, Shreve said that the United States must call the Russian bluff each time it is made. Only thus, he declared, can we avoid war.

The United States Treasury, 39 states, and 30 municipalities obtain part of their revenue through taxes on tobacco products.

Significant?

Washington, Jan. 18—(AP)—A minor Senate defeat over inaugural ticket taxes cast the shadow of a possible Republican-Dixie Democrat coalition on the doorstep of the Truman Administration today.

With the aid of six Democrats—mostly from the South—Republicans won their first test of strength yesterday in a surprising 47 to 44 vote which killed a bill exempting inaugural parade and ball tickets from excise taxes.

Frozen Body Of Lost Boy Found

Davis, W. Va., Jan. 18—(AP)—The frozen body of nine-year-old Eston Carr was found in a huddled heap high on a mountainside yesterday, completing the search for him and two other boys missing for a week.

The youngster's younger brother, Robert, 7, was found dead Monday.

The third, 16-year-old John Helmick, was rescued Sunday but is in a critical condition with pneumonia.

Wholesale Food Price Index Low

New York, Jan. 18—(AP)—The Dun and Bradstreet wholesale food index this week declined to \$5.02—lowest level in 20 months.

The figure compared with \$6.08 a week ago and \$7.25 a year ago. The index represents the total wholesale cost of a pound each of 31 foods in general use.

The previous low was \$5.95 on May 20, 1947.

W. F. YOUNG UNDERGOES OPERATION IN PHILADELPHIA

Mr. W. F. (Red) Young, prominent Boy Scout executive and businessman of Greenville, who underwent an operation for appendicitis at Jefferson Hospital, Philadelphia, last Monday, is recuperating satisfactorily. Mrs. Young is with him and dividing her time between the hospital and with Mr. Young's mother, Mrs. W. B. Young, at Hotel Chateau Orillon on Rittenhouse Square.

Rita And . . .

(Continued from page one) and he took a considerable part in Indian affairs. Among other things he is credited with exercising a moderating influence on the great Moslem League of India during the political turmoil preceding the granting of independence.

His own followers hold him in deep reverence. We are told that often when he has traveled in India his people have lined the route to fill his shoes with gold. Tribesmen keep as a holy relic the water in which he has bathed.

When the Aga Khan, who now is 72, celebrated his golden jubilee, his 250 pounds was weighed against gold which was presented to him. A decade later he was weighed against diamonds, and this was repeated, the value of the precious stones being paid him in money.

However, what many people don't know is that His Highness is said to have given all this cash to his followers for welfare purposes. He also is reputed to have spent much of his other income in the interests of his people.

Henry Wallace . . .

(Continued from page one) he came back.

In 1944, after four years with him in the vice-Presidency, the Democrats wouldn't let him have the job again. They brushed him aside and gave it to Senator Truman, with President Roosevelt's blessings.

And four years ago tomorrow—Jan. 20, 1945—Wallace performed his last act as vice-President by swearing in Senator Truman as his successor.

What did the future hold for Wallace then? Mr. Roosevelt grinned and told a news conference Henry wouldn't starve.

Sure enough, shortly afterwards, he gave the job of secretary of commerce to Wallace.

In three months Mr. Roosevelt was dead, and Mr. Truman went into the White House—a job that would have been Wallace's if the Democrats had only picked him for vice President.

In another year Mr. Truman fired him from the cabinet for making a Madison Square Garden speech attacking this country's foreign policy. Gradually, then, Wallace became

Mr. Truman's severest critic and finally ran for the Presidency hoping to defeat him.

At this moment Wallace seems further out in left field than he ever was before after his big climaxes. Where can he go now? What can he do? He is not getting younger. He's 60.

If the election blow did any damage to his spirit, he's keeping it to himself, so far. But he won't starve. He has money.

Ten Killed . . .

(Continued from page one) reported she was proceeding to New York under her own power with an uninjured crew of 42. Her bow was damaged.

The freighter Republic of Columbia came alongside the Eastwind and crewmen went aboard to help the cutter's crew fight the flames, the coast guard reported.

The collision occurred about 4:30 a. m. (EST). At 11:10 a. m. (EST) the skipper of the rescue vessel standing by reported the flames were under control.

The S. S. Suzanne, one of several rescue vessels which rushed to the scene through the fog, took 17 injured coast guardmen aboard and rushed at full speed for New York.

Thousands . . .

(Continued from page one) After the reception, a quick change to white tie and tails for a dinner at the Mayflower Hotel with the Presidential electors. And then to a giant "Gala," a musical show-concert in the National Guard Armory.

The gala will feature about 700 entertainers, including a troupe of three stage, screen and radio stars, three dance bands, an orchestra, and four military bands. It was a sell-out a week ago.

Hog Market

Raleigh, Jan. 19—(AP)—(NCDA)—Hog prices steady to slightly stronger. Tops of \$19.75 at Rocky Mount; \$20 at Kinston, Tarboro, Wilson, Goldsboro, Washington and Fayetteville.

Poultry and Eggs

Raleigh, Jan. 19—(AP)—(NCDA)—Fryers and broilers about steady at 28-30, mostly 28; eggs steady, A large 54.

N.Y. Cotton

New York, Jan. 19—(AP)—Cotton futures opened 26 to 55 cents a bale higher.

Noon prices were 50 to 60 cents a bale higher than the previous close. March 32.66, May 32.42 and July 31.35.

N.Y. Stock Market

New York, Jan. 19—(AP)—The stock market dozed along in a narrow price range today. Air line stocks responded to moderate buying interest but elsewhere the trend was obscure. Many key stocks drifted back and forth between the plus and minus columns.
