Pitt Health Board Delays Effective Date In Milk Ban

Amendment Suspended Until Investigation Of Supply Sources For Gardner Dairy Completed; Arguments Heard In Lengthy Meeting

In a lengthy meeting last night, the Pitt County board of health suspended the effective date of an amendment to the local milk ordinance until the county health officers can make an investigation of the source of supply of milk being distributed in Pitt County by Gardner Dairy Products.

The suspended amendment was passed by the board of health at a call meeting Monday and put a ban on the sale of all pasteurized milk in Pitt County which is not pasteurized within the county.

The board met last night for more than two hours in an open meeting to hear arguments for and against the amendment, and then went into an executive session for over an hour before coming to a decision.

During the open meeting representatives of Coble Dairy Products, Inc. of Lexington, Gardner Dairy Products of Rocky Mount, Carolina Dairy Products, Inc. of Greenville and milk producers of Pitt and surrounding counties spoke on the amendment and answered questions of the members of the board relating to the amendment.

Representing the Coble company and the Gardner company were Attorneys W. L. Thorpe of Rocky Mount and Dink James of Greenville, Gardner of Rocky Mount, Howard Goforth, supervisor in charge of quality controls at the Coble Lexington plant, and G. Hancock, manager of bulk sales for the Coble company. Ercell S. Webb and John B. Webb Jr. of Greenville represented Carolina Dairy Products, Inc.

Attorney James presented to the board petitions signed by citizens of Bethel and merchants and dealers from Fountain, Falkland, Ayden, Farmville and Greenville asking that the milk coming in from outside the county be allowed to be distributed as long as it meets the North Carolina health requirements.

County Sanitarian Charles V. Morgan told the board during the hearing that a test never has been made on the Coble milk being shipped into Pitt County by the Gardner company. The company in February was issued a permit to sell the milk in Pitt County.

Ercell Webb, spokesman for the Carolina Dairy Products Inc. of Greenville, stated at the hearing, "Carolina Dairy does not want a monopoly on the milk business, nor does it want a wall around Pitt County. We believe you (the board of health) have rendered a valuable service to the state in bringing to the attention of the people that eastern North Carolina has become a dumping ground for surplus milk from within the state and from as far away as Wisconsin."

A spokesman for the Coble company said the chief source of milk processed by the Lexington plant is from producers within a radius of 50 to 60 miles around Lexington. A few minutes before 10 o'clock, Chairman M. Brown Hodges adjourned the hearing and called the board into executive session with the city and county attorneys and three members of the county health department.

Members of the Pitt County board of health present at the meeting were M. B. Hodges, J. H. Boyd, D. H. Conley, Snod Edwards and Z. Vance Boutwell.

The resolution approved by the Pitt County board of health is as follows: "That the amendment to the milk ordinance passed on Monday, May 15, be suspended as to its effective date until a further investigation is made by our health department to ascertain additional facts as to the purity and the health qualities of the milk that is being sold to our citizens; and the officials of our"

Shanghai's Air Line Is Cut Off By Besiegers

Red Artillery Halts Operations Of Airport; Sea Lane Menaced; Great Fires Blaze To East And North Of Great City

Shanghai, May 21—(AP)—Shanghai today was cut off by air, her sea lane was menaced, and great fires blazed across the river to the east and north where Red Besiegers are on the attack.

One of the fires burned at the Standard Vacuum depot on Gough island, eight miles north of downtown Shanghai. At least one tank was ablaze at biggest oil installation in east Asia.

Lungwa air port, five miles to the south, suspended operations. The menace of nearby Red Artillery was too great. Officials said, however, flights might be resumed later in the day.

Despite the suspension, a Chinese National Aviation Corporation plane from Tokyo made a two-minute landing to the crackle of small arms fire nearby.

It hastily discharged A. S. Brown, Peckskill, N. Y. new fiscal officer

Big Three Open Session In Paris

Prepare Common Front For Monday's Conference

Paris, May 21—(AP)—The foreign ministers of Britain, France and the United States met here today to forge a common front in preparation for Monday's Big Four conference on the future of Germany.

Secretary of State Dean Acheson of the U.S. and Foreign Secretary Ernest Bevin of Britain met in French Foreign Minister Robert Schuman's office in company with their top experts on Germany problems.

They had before them a detailed plan for German policy drafted by their deputies during the week.

The deputies' recommendations are secret and probably will remain so until after the Big Four conference starts. Well-informed officials, however, predict that the ministers will approve it quickly. It was worked out under guidance of the minister themselves.

Well-informed French sources said the report embraces a project for a provisional, semi-unified German regime, which would maintain some liaison between a newly-formed west German state and a regime in process of formation in the Soviet occupation zone.

The plan also is said to contain provisions for exchanging west marks and Soviet zone currency and arrangements to stimulate trade between the two sections of Germany.

The western powers are expected to urge extension of the west German constitution to all of Germany but will offer semi-unification if Russia refuses to put the Soviet zone under the constitution.

Excused Because Of Baby-Sitter

White Plains, N. Y. May 21—(AP)—Mrs. Mary Alves, a housewife, won't have to sit on a jury any longer because a juror gets paid less than a baby-sitter.

State Supreme Court Justice Frank H. Coyne released her from further service yesterday after she explained that for a week it had cost \$5 a day to hire a sitter for her three children while she got only \$3 a day as juror.

Sees Choice Of Spending Cut Or New Tax Increase

Lucas Says He Prefers Spending Cut But Opposes GOP Economy Plan

Washington, May 21—(AP)—Senate Democratic Leader Lucas said today there will have to be either a tax increase or a cut in federal spending. He prefers the spending cut.

But he made it clear he still is against the Republican-led drive—so far unsuccessful—to trim each appropriation bill by at least five per cent.

That economy move was blocked for the fourth straight time late yesterday when the Senate, by voice vote, passed and shipped back to the House a bill carrying \$751,000,000—nearly all of it for flood control and river and harbor projects.

The Senate total is \$158,000,000 more than the House voted and \$21,000,000 less than President Truman wanted.

The Senate batted down a proposed five per cent cut in its figure by a vote of 44 to 33. It killed a 10 per cent reduction amendment, 48 to 29. And it swamped, 59 to 16, a proposal by Democratic Senator Douglas (D-Ill) to slash the fund 40 percent—by \$300,000,000.

The five per cent cut proposal was sponsored by Senator Wherry (Neb.), the Republican leader. Senator Ferguson (R-Mich) proposed the 10 per cent reduction.

Lucas, opposing what he called "piece meal" cuts, told reporters the Democrats on the Senate Appropriations Committee "have indicated to me they will not vote some formula for economy." He added: "The Republicans have no monopoly on economy. There is a great opportunity to work out something before we are finished. I would hope that some way can be found so we can stay within the budget."

The staff of the Joint Congressional Tax Committee recently presented figures forecasting a \$3,000,000,000 budget deficit for the fiscal year starting July 1. In January, Mr. Truman predicted a deficit of about \$900,000,000 on the basis of expenditures contemplated at that time.

The President also asked then for a \$400,000,000 tax boost. Congress has shown very little inclination to go along on that idea.

Announce Closer Ties With Brazil

Washington, May 21—(AP)—The White House announced today that the Presidents of the United States and Brazil have agreed on a new five-point program designed to draw the two nations even closer together.

The program mainly involves U.S. economic, financial and technical help to Brazil, joint efforts to eliminate double taxation, and Brazilian measures to stimulate American private investment in that republic.

It also was decided to negotiate a treaty to expand the present cultural exchange between the two nations.

Details of the program will be worked out later.

Announcement of the agreements was made a few hours before President Eurico Gaspar Dutra of Brazil was scheduled to leave here for New York where he will spend part of a ten-day visit to this country.

Dutra arrived here Wednesday afternoon. He is returning a visit President Truman made to Rio de Janeiro two years ago.

The White House statement said Mr. Truman assured Dutra that Brazilian loan requests to the World Bank and the Export-Import Bank will "in the future, as in the past, receive the most attentive consideration of the United States government."

Two separate but similar statements issued by the two Presidents indicated that they discussed the report of a joint technical mission known as the "Abik Report."

This group of Brazilian and American experts after a six-month study unanimously agreed that Brazil's economic development should be "accelerated" by new governmental spending, balanced development of Brazil's resources by private enterprise, and efforts to control inflation.

Jordan Willing To Accept Position

Raleigh, N. C., May 21—Governor Scott will find Everett Jordan a willing prospect for Democratic state chairman.

The Governor said yesterday he intends to recommend Jordan, Saxapahaw industrialist, to succeed Capus Waynick if and when Waynick resigns.

Shortly afterward, Jordan said at Saxapahaw that he would be glad to accept the chairmanship.

Warren Board Files Allen Suit

Warrenton, N.C., May 21—(AP)—The Warren County Board of Education filed a \$21,357.13 suit yesterday against J. C. Edward Allen, former Warren County school superintendent.

The suit alleges the funds were wrongfully taken by Allen during his term of office as school superintendent.

On May 12, the state filed suit seeking to recover \$28,280.99 in state school funds which it alleged were embezzled by Allen.

Yesterday's action involves county school funds.

Riots Rage In Berlin; 12,000 Rail Workers Strike, Battle With Reds

War Veterans In Vermont Debtors' Prison

These World War II veterans, Bernard Smith, Jr. (left) of Fairhaven, Vt., and Ralph J. Fugatt (right) of Springfield, Mass., are in debtors' prison at Rutland, Vt. And they have no idea when they will be released. In separate cases growing out of automobile accidents, a judgment of \$2,189.52 was ordered by court against Fugatt, and another of \$2,875.96 against Smith. They are held in jail under a Vermont law dating back to the early 1800's. It is known as a "close jail execution" and does not permit bail. The prisoners will not be freed unless they can raise the money to pay the judgments or take pauper's oaths. Fugatt has been in jail seven weeks and Smith nearly as long. (AP Wirephoto).

Four Tornadoes Hit Mid-West In Night

Washington, May 21—(AP)—Two Republican senators, voicing grave fears over atomic security, today blasted the administration of the atomic energy program under Chairman David E. Lilienthal.

They spoke out in the latest of a long series of developments centering around the commission's multi-million dollar scientific educational program and the loss of a small quantity of uranium-235 from the Argonne National Laboratory, Chicago.

The whole lack of security is shocking," asserted Senator Bridges (R-NH).

Senator Wherry (R-Neb.), GOP floor leader, said in a separate interview that "I'm still apprehensive of leaving the atomic energy secrets in the hands they are now in."

Both senators are members of a Senate Appropriations subcommittee investigating the commission's fellowship program. Both opposed Lilienthal when the Senate confirmed him for the chairmanship on April 9, 1947.

The congressional criticism of the commission's security practices didn't keep the Senate from confirming Dr. Henry De Wolf Smyth, Princeton University physics professor, and Gordon Dean, Vista Calif., teacher and attorney, as members of the atomic agency yesterday.

But while the two nominations went through with scarcely a murmur of opposition, Wherry set off a flurry of criticism of the commission when he disclosed that Dr. Leader Edelman was awarded a \$3,750 fellowship to carry on medical research at Harvard University after being denied atomic security clearance.

Blows in Kansas were reported at Chase, Gorham, Rozel, Wilmore and in the countryside near Garden City, Scott City and Salina.

The Colorado tornado whirled up Black Wolf Canyon near Wray in the northeastern corner of the state and vanished into Nebraska.

Far away in Tennessee, an isolated storm injured three persons in the small communities of Goin and Barn Creek.

The small number of casualties apparently was explained by the fact that this in the western Oklahoma and Kansas regions hit hardest are tornado-wise. Most of them sheltered safely in storm cellars.

AMA 'War Chest' Has Over Million

Cleveland, May 21—(AP)—The American Medical Association's war chest for fighting the Truman health insurance proposals already has more than \$1,500,000 in it, Dr. Morris N. Fishbein said today.

Fishbein, editor of the American Medical Association Journal, said collections had reached 80 per cent of a figure predicted last December after the AMA House of Delegates authorized an assessment for their campaign.

"Contributions have been received from doctors outside the United States, and, most surprising, from doctors employed in government service," Fishbein told an interviewer.

Committed

New York, May 21—(AP)—Mental treatment in a state hospital has been ordered for Paul Makushal, the Brooklyn hermit who was sealed in a dark, walled-in cubicle for 10 years, and his mother.

State Supreme Court Justice Charles E. Murphy disclosed yesterday that he had signed commitments for the pair, who are now in Kings County Hospital where they have been under observation.

The 32-year-old Makushal, bearded and ragged, was dug out of his hole-in-the-wall April 26. His self-imposed exile from the world was disclosed after his mother, 58, became ill, and asked a neighbor to take over her task of lowering food into the cubicle.

Hundreds Injured In Fighting; Outbreak Shut Off Rail Shipments To Western Part Of City And Threatens Return Of Blockade Period

By DANIEL DE LUCE

Berlin, May 21—(AP)—Twelve thousand striking railway workers fought young communists today in nearly a dozen strikes of Berlin's elevated railway.

Hundreds were injured during the fighting, which raged through the morning. The outbreak shut off rail shipments to western Berlin and threatened to force the city back to the austerity of the blockade period.

An elevated passenger train was set afire during one melee. Clothing was torn from women who got into the fight.

Western Berlin police said Maj. Gen. Pavel Kvashin, transport chief of the Soviet zone, was insulted and threatened by a group of strikers at the Tempelhof elevated station in the American sector.

The police said they gave Kvashin protection from the strikers and he was able to drive away in his staff automobile without physical injury. Another Soviet transport officer of junior rank was stoned by strikers at the Hermannstrasse station, also in the American sector, police said. He was reported not seriously injured.

This is the first situation: the Soviet appointed Reichsbahn management control both zonal railroads and Berlin's entire elevated line. Railway workers went out on strike early today to enforce their demand for payment of wages in west marks instead of east marks. West marks are four times as valuable as the Soviet zone currency. East marks are banned in the west.

Fighting broke out when the Russian-controlled management sent squads of militant young communists, including teen age girls, into the western sectors of the city to "recapture" elevated stations seized by the anti-communist strikers.

The strikers outnumbered the communist strike-breakers. Both sides fought with clubs, showers of stones and their fists.

Western Berlin police fought side by side with the strikers against the communists and Soviet-controlled railway police. In breaking up one fight the policemen fired their pistols into the air. That was the only shooting.

Western allied officials maintained a hands-off attitude in connection with the walkout but were sympathetic toward the strikers. However, one British source said: "This strike can't be allowed to go on too long."

British and American planes of the artist and trucks continued to supply western Berlin. Although the anti-communist railway union which called the strike had pledged itself to operate western allied and German inter-zonal trains, switches and signals in west Berlin yards were left unmanned.

This blocked all incoming supply trains from western Germany. A British military passenger train slipped through by running against untended red signals. It was the only train that moved.

The Russian military command ordered all Berlin-bound trains halted on the outskirts of the city because of the strike.

Two hundred strikers at the Schoenberg elevated station near the airport city hall hurled rocks at four Soviet officers who drove up in a sedan. Boos and jeers accompanied the shower of stones. The officers turned away from the crowd and walked off slowly in the opposite direction as missiles rattled off a brick wall behind them.

The strikers had tried to storm the Schoenberg station. They were stopped when communist guards intervened.

Revenue And Expenses

An Explanation Of Current Talk About Economy In Government; Federal Debt, Increasing Outlays And Income; Trying To Make Income And Outlays Meet

By JAMES MARLOW

Washington, May 21—(AP)—If your shirt's too short to stuff into your pants, you're going around with some skin showing.

And that's about what all the talk of government economy boils down to: How to get your shirt and pants together.

In this case government expenses are the pants, and government revenue is the shirt. It's beginning to look too short.

But the whole picture gets hazier as the days pass and the arguments about economy increase. So here's an ABC on it.

Take the government debt first, since the whole argument revolves around that. The debt now is around \$251,500,000,000.

That debt is the money the government has had to borrow over the years, particularly the war years, to keep going.

It borrowed because government expenses were greater than its revenue—the money collected in taxes from people and businesses.

What President Truman and Congress want is to see revenue greater than expenses. Why?

So that, after paying expenses,

Warren Board Files Allen Suit

Warrenton, N.C., May 21—(AP)—The Warren County Board of Education filed a \$21,357.13 suit yesterday against J. C. Edward Allen, former Warren County school superintendent.

The suit alleges the funds were wrongfully taken by Allen during his term of office as school superintendent.

On May 12, the state filed suit seeking to recover \$28,280.99 in state school funds which it alleged were embezzled by Allen.

Yesterday's action involves county school funds.

Babson Discusses Social 'Security'

New York City, May 20—The general idea of compelling us all to allot a portion of our monthly income to help take care of us at 65 is splendid. No one can take exception to this. I, however, do strenuously object to the Government calling this social "Security."

First, let us consider how this works. We each have deducted from our pay every week one per cent. To this is added an equal amount contributed by our employer, which he adds to the cost of the goods we make and is ultimately paid by us. Hence, in the long run, all of the money collected directly or indirectly from us. All readers should understand this.

Next, where does this money go? It is not invested in a miscellaneous diversified group of safe securities, which would help industry and employment. Rather, the government merely buys its own bonds or gives the Fund a credit on its books. This money when invested might be compared to a note which you or I might give to ourselves; or a better illustration, would be like the endorsing of our own I. O. U.

Grasping At Straws

Some Chinese Nationalists Hopeful Over Acheson's Statement That U. S. Will Not Recognize Communist Regime As Long As Old Government Exists; Waiting

By DeWITT MacKENZIE

There is a tendency in some Chinese nationalist circles to find encouragement in Secretary of State Acheson's statement to a Senate committee that America won't recognize a communist regime in China so long as a nationalist government exists.

However, it strikes me as rather grasping at straws for nationalists to try to extract such satisfaction from such a general remark. True, the statement seems to indicate that Washington has no intention of recognizing a communist regime at this time.

Still, it should be noted that Mr. Acheson didn't pledge himself very far in any direction. He appears to be pursuing a course of watchful waiting.

This much seems clear from recent developments: Washington has no present intention of rushing to the aid of Generalissimo Chiang Kai-Shek's refugee nationalist government. The generalissimo, whose personal stock is below par in Washington, will have to produce a far more liberal and progressive form of government before he can win much further support.

# Social and Personal

All items for this page received after 10 A. M. will be published the following day. Dial 3366-9 A. M. to Noon; 1 to 4:30 P. M.

Mr. and Mrs. A. J. Moore will leave tomorrow for Southern Pines to spend two weeks.

Miss Annie Sue Perry is recovering from an appendectomy in Pitt General hospital.

Mrs. Jesse Hudson is improving from an operation in Pitt General hospital.

Mrs. Julius Ross of Stokes has returned home after a two weeks illness in Pitt General hospital.

Ma) and Mrs. W. M. Shelton and daughter, Carol Lynn, of Riverside, California are visiting Mrs. Shelton's mother, Mrs. R. C. Abbe on Chestnut street.

**F. W. B. Auxiliary**  
The Woman's Auxiliary of the Free Will Baptist church will meet Monday evening at 8 o'clock in the church.

**Music Club Broadcast**  
The Greenville Music club will present The Liebesnacht and Liebestod from Wagner's Tristan and Isolde as recorded by Leopold Stokowski and the Philadelphia orchestra Sunday afternoon at 6 o'clock over radio station WGTC

**Birth Announcement**  
Mr. and Mrs. Horace Cooper of Charlotte announce the birth of a daughter, Georgianna Cheryl, in Mercer Hospital on May 14.  
Mrs. Cooper is the former Miss Aldine Etheridge of Greenville.

Daniel Hunt of Oxford, graduate of East Carolina Teachers College on May 16, is one of seven students of science at the college who will enter graduate schools in the fall to take up work in medicine, dentistry, and science. Hunt has been awarded a fellowship at Ohio State University and will take graduate work in parasitology. He plans to enter medical school later.

## 40 Years Ago Today

**40 YEARS AGO, MAY 21, 1909**

Tuesday afternoon at 3 o'clock a recital was given in the chapel of the graded school by part of the music class. In connection with the recital, the teacher of drawing, Miss Lewis, had quite an attractive exhibit of some work done by the classes in drawing this year.  
People are wondering if they will have to put their stoves back up. Many corduroy walking suits are seen in the new shades.

**Wesley Philathea Class**  
The Wesley Philathea class of the Methodist church will meet Monday night at 8 o'clock with Mrs. K. T. Futrell.

**Lydia Wooten Class**  
The Lydia Wooten class of Jarvis Memorial Methodist church will meet with Mrs. Leon Russell Monday evening at 8 o'clock.

**Service League Luncheon**  
The annual luncheon of the Service League will be held Wednesday, May 25, at 11:30 a. m. at St. Paul's Episcopal church. Members are reminded to bring a gift for the Ellington shelf.

**Card of Appreciation**  
I wish to express my sincere appreciation to the friends who were so kind during the illness and at the time of the death of my husband, and for the beautiful floral tribute.  
**MRS. A. W. FLAKE**

## Mrs. Moye Hostess To Clio Book Club

The Clio Book Club held its last meeting of the year Tuesday afternoon, May 17, at the home of Mrs. James Moye on Evans street.  
Spring flowers decorated the living room. Miss Agnes Fullison presided over the business session and an announcement was made concerning the X-ray mobile unit which will be in Greenville next month. The club will assist with this work.  
Mrs. Moye presented the speaker, Mrs. Clara Moye Shackell, who gave a very interesting biography.  
The hostess, assisted by Mrs. Robert Arthur and Mrs. Jake Hadley served a delicious ice course with cake and nuts. The books were exchanged for the summer.

## Alumni Office At College Will Continue Work

Offices of the Alumni Association of East Carolina Teachers College will remain open during the summer session. Mrs. Ruth Garner, alumni secretary, will continue directing work among graduates of the college, as she has done for the past five years. Mrs. Susie Webb will be her assistant.  
The Association under Mrs. Garner's leadership this year has made much progress. Membership has been increased, and four new chapters have been organized and one reorganized. Mrs. Garner, President John D. Messick, and other staff members at East Carolina have visited many of the chapters. During this year Dr. Messick has made before various alumni groups a series of talks outlining the progress of the college and giving plans of improvement and expansion for the future.  
New chapters have been organized during 1948-1949 in Belhaven, Snow Hill, and Norfolk, Va., and in the area of Anson, Richmond, and Scotland counties. In Guilford county alumni of the college reorganized a chapter which was established there some years ago but which had become inactive.  
The Norfolk, Va., chapter, organized this spring, is the second out-of-state chapter of the group. Last year graduates of East Carolina living in and near Washington, D. C., organized the first such chapter.  
Mrs. Garner has just completed preparation of an issue of the Alumni Bulletin, which will shortly come from the press and which will review events of the 1949 commencement exercises, including reunions of classes, installation of President Mildred Harrison Bullard of Wilson and other officers, and results of the annual business meeting May 14.

## SOCIAL CALENDAR

**SATURDAY**  
1:00 p. m.—The wedding of Miss Ella Frances Viola and Ford McGowan will take place in St. Paul's Episcopal church.  
3:30 p. m.—Dr. and Mrs. Alex Viola, Jr. will entertain the McGowan-Viola wedding party and out-of-town guests at a reception at their home on Eastern street.  
7:30 p. m.—Dinner music at the Country Club.  
**TOMORROW**  
6:00 p. m. to 7:00 p. m.—Open house at St. Paul's parish house to honor Rev. and Mrs. Hauser.  
**MONDAY**  
10:30 a. m.—Executive Board of the Service League meets at the home of Mrs. J. T. Little.  
3:30 p. m.—American Legion Auxiliary meets in the Legion home.  
6:30 p. m.—Rotary club.  
7:00 p. m.—Lions club.  
8:00 p. m.—Ada Cherry class of Jarvis Memorial Sunday school meets with Mrs. Floyd McGowan, 302 E. 9th St.  
8:00 p. m.—Lydia Wooten class of Jarvis Memorial Sunday school meets in the home of Mrs. Leon Russell, 605 E. 10th street.  
8:00 p. m.—Wesley Philathea class of Jarvis Memorial Sunday school meets with Mrs. K. T. Futrell, 1103 Johnston street.  
8:00 p. m.—Woman's Auxiliary of the F. W. B. church meets at the church.  
**TUESDAY**  
1:00 p. m.—Mrs. R. M. Garrett and Mrs. J. T. Little will entertain the members of the End of the Century club at the Country Club.  
8:00 p. m.—The pupils of Miss Eva Hodges will give a recital at the Woman's Club.  
8:00 p. m.—Withia Council Degree of Pochontas meets.  
**WEDNESDAY**  
1:30 a. m.—Luncheon meeting of Service League in St. Paul's parish house.  
**FRIDAY**  
6:30 p. m.—Kiwanis club.  
7:00 p. m.—German club dinner dance at the Country Club.  
7:30 p. m.—Red Men meet.

## Nylon For A Modern Summer Wardrobe In 1949

CAREER GIRL SPECIAL... These nylon blouses are life-savers for busy working girls, who can wash them out at night, wear 'em again next morning with no ironing. Left, plunging neckline, by Weber; right, nylon turtleneck jersey.

BOUDOIR ENSEMBLE... This gauzy negligee and matching gown, designed by Tulsa, is made of nylon sheer, can be washed and dried overnight and needs no ironing.

SHEER ELEGANCE... Will-lattice cocktail gown, in a diam Winkler's nylon net in a

IN THE SWIM... Sleek two-piece suit in quick-drying nylon, for swimmers.

PERMANENT RUFFLES... Pale gray nylon net gown with rows of crisp ruffles.

COCKTAIL HOUR... Nylon brocade by Winkler makes an elegant gown.

CABANA COSTUME... Suede finished nylon designed by Frances Sider.

## Training Cruise For Duke NROTC

Durham, N. C., May 21—Some 115 midshipmen from the Naval R. O. T. C. unit at Duke University will participate in cruises and special maneuvers this summer. Capt. Ralph Earle, commanding officer, said today.

## Police Training School To Start Here Next Week

A Police Training School, sponsored by the Greenville police department, will start in the courtroom of the City Hall next Tuesday night. Instructors include Federal Bureau of Investigation special agents and two attorneys. Classes will be held on nights specified from 7 to 9 p.m.

## Watch The Clock!

There are 26 North Carolinians in the group, Capt. Earle added. Among those who will take part in the cruise is W. M. Batchelor, of Greenville.

# SPCA Meeting Is Staged Here

By CHESTER WALSH

Mrs. John Von Glahn, president of the Raleigh chapter of the Society for the Prevention of Cruelty to Animals, the main speaker at the first organized meeting of the Pitt County unit of the SPCA at the City Hall last night, gave an interesting and comprehensive outline of the purposes of the society; answered questions and gave excellent advice to the members of the new chapter here on how to make it a success and win public approval. Mrs. Von Glahn is supervisor of the animal shelter in Raleigh. She said Raleigh has one of the most effective city dog ordinances in the state. Miss Mae Hawkins, secretary of the Raleigh SPCA, and Mr. Von Glahn participated in last night's meeting.

Bill Drum is president of the local SPCA. Mrs. J. L. Savage, vice-president; Mrs. Chester Walsh, secretary, and Johnny Overton is treasurer. Mrs. W. L. Allen presented the Nominating Committee's report. Directors are: Bill Drum, Mrs. J. L. Savage, Mrs. Chester Walsh, Johnny Overton, Arthur Tripp, Mrs. Tripp, Mrs. Don H. Conley, Bill Carroll, Mrs. Kenneth Phillips, Dick Rogers, Dr. H. G. Haney, Mrs. W. L. Allen, Bryan Brown and J. Henry Harrell.

Dr. Joseph Bateman, veterinarian, is consultant. Traffic officer Herbert E. Wooten is consulting police officer and E. E. Jones is humane officer.

Jones reported that since April 30, 103 dogs had been taken up on streets, that 32 of them were "put to sleep," and that nine dogs are now in the animal shelter for reclamation.

A public invitation was extended to all citizens of Pitt county who favor "humane treatment for all animals" to join. Annual dues are adults \$1, and children 25c. A representative group of Pitt county men and women compose the membership of the local SPCA.

**FASHION PARADE** — Models in new fashions drive around Rome's Piazza di Siena after appearing at the horse show.

**AMBASSADOR-FISHERMAN** — Javier Najera Torres, Mexican boy ambassador to the U. S., fishes with Karen Ince, his guide for a day at the Gypsy Trail Club, Carmel, N. Y.

**FLYING ELEPHANT** — David Cansdale, son of the London Zoo head, has the first ride on a four-month-old elephant calf that arrived from Calcutta on a British Overseas plane.

# Dr. J. D. Messick To Speak At Many School Closings

Dr. John D. Messick, president of F at Carolina Teachers College, has started on an extensive speaking engagement at high school commencement exercises and other events.

The popular educator delivered the commencement address at the Wallace High School yesterday. He speaks Monday at the Jackson High School; Tuesday, Windsor High School; Wednesday, South Edgemont High School; Thursday, Plymouth High School; Friday, Inter-ville High School; Monday, May 30, Candor High School; May 31, Le-Grange High School; June 1, Elm City High School; June 3, Dunn High School and at the Rotary Club there; June 9, Clinton High School and June 10, Dr. Messick speaks in Memorial Auditorium, Raleigh, to the students of Broughton, Hugh Morson and Methodist, Orphanage high schools.

# Walstonburg Grange Pledges Support To School-Road Bonds

The Walstonburg Grange met Wednesday night in the school gymnasium and pledged its whole-hearted support of the better schools and roads program.

The meeting was presided over by the master, E. Sharpe Newton, who is a prominent Farm Bureau worker in Green county.

When Mr. Newton pointed out that under the proposed road bond program each county's part of roads to be paved would be approximately 20 miles per year, Al Bundy remarked that "that would take a lot of Greens County people out of the mud."

# DDT Spraying In City Concluded

The DDT spraying of homes in Greenville was completed yesterday, John R. Carrington, county sanitarian, said.

The units used for the work in Greenville will be moved to Farmville, he stated, where they will begin spraying homes there Monday.

# Pitt ABC Sales In April Decline

Whiskey and wine sales through the Pitt county ABC stores during April dropped more than \$18,000 below the sales for the previous month according to figures released by Pitt ABC Board Chairman R. H. McLawhorn.

Figures for the last month show total sales of wine and whiskey at \$103,393.15 compared with totals of \$122,229.10 for the month of March and \$113,946.45 for April 1948.

# British Doctor Says Leprosy In Britain Growing

London, May 21—(AP)—A British doctor declared today the number of leprosy cases in Britain is increasing "at a rate which causes us great concern."

Dr. Gordon Rylie, medical secretary of the British Empire Leprosy Association, told reporters there are at least 300 cases of the disease in England, of which only 14 are in a leprosy home.

Dr. Rylie said leprosy is traveling in buses, trains and subways in populous cities, "endangering thousands." A London newspaper recently reported a leper working in the kitchen of a popular restaurant.

Leprosy can be passed on, Dr. Rylie said, only by actual contact. It is curable, he said, with newly developed medicines.

Public libraries in 94 large United States cities house more than 44 million volumes.

# THE BIG OIL INTERESTS VS. THE PEOPLE OF NORTH CAROLINA

North Carolina will not be deceived by the Big Oil Interests and their imported propaganda experts. If Big Oil is so concerned about the people of our State and our pocketbooks, why did they raise the price of gasoline within the last four months? The truth is obvious. They are fighting the Road Bonds because the only increase in taxes to pay for the Bonds will be the 1c per gallon increased gasoline tax. Evidently, if there is any increasing to be done, Big Oil wants it all.

Big Oil attempts to scare-confuse-and-defeat by saying how much money the State will have without the Road Bonds. But they don't tell you that the war-accumulated surplus is about used up. They don't tell you that WITHOUT THE ROAD BONDS, THE HIGHWAY COMMISSION WILL NOT HAVE AS MUCH MONEY TO BUILD ROADS IN THE NEXT THREE YEARS AS IT WILL HAVE SPENT IN THE PAST THREE.

The Road Bonds are absolutely needed if North Carolina is to carry out its PROGRAM OF PROGRESS.

We stand now on the threshold. Every time North Carolina has acted courageously to invest in its own people and future the result has been magnificent. SO SHALL IT BE again on June 4th when the decision of "The Big Oil Interests Vs. The People of North Carolina" is rendered at the polls.

## ROAD FACTS

**What Is The Better Roads Program?**

The plan calls for the paving of 12,000 miles of secondary roads and placing 35,000 miles of roads in all-weather conditions.

**Who Will Benefit From This Program?**

Directly or indirectly, every man, woman and child will benefit. For example, only one-third of the miles traveled by school buses are now paved. Produce to market problems will be eased for thousands. Nor will the city folks who benefited most from the Road Program of the 1920's be helping only their rural fellow citizens. If the financial pressure for secondary road improvements is relieved, the Highway Commission will have more money to spend for primary roads. Good roads are good for everyone.

**Who Will Pay For The Program?**

Highway users. The Road Bonds will not increase land taxes, income taxes, sales taxes, etc. Repayments on the bonds will be made from Highway funds, not the General Fund. We repeat for emphasis. The only increase in taxation will be the 1c per gallon increased gasoline tax.

**Can The Program Be Completed In Four Years?**

The bonds will be issued only as they are needed and only as the money can be used wisely and economically. It is not anticipated that the program can be completed in four years but the authorization for a full program is necessary for sound planning.

**Why Not Authorize The Bonds Gradually?**

Although, as just stated, the money need not be borrowed all at one time, sound planning necessitates its being authorized all at one time. If the Highway Commission knows the money is available, road plans can be projected on a broad scale. Proper planning will enable builders to operate on long stretches at a time. This will speed up construction and save money. The expensive cost of moving heavy equipment from one small job to another can be minimized. Long haul of material from its point of origin can be reduced.

**Who Will Say Where, When, And How The Money Is To Be Spent?**

The law specifies how much is to be spent in each county. There can be no question therefore of equitable distribution. IF THE \$200,000,000 BOND ISSUE IS APPROVED, PITT COUNTY'S SHARE WILL BE \$3,068,000.

THE COUNCIL OF STATE WILL APPROVE THE SALE OF THE BONDS AS THE MONEY IS NEEDED. The State Highway Commission will make the contracts.

Strength FOR THE DAY

ON SLAYING ONE'S ENEMIES If you have an enemy you want to rid yourself of, try killing him off with Christian kindness. Run him through with good wishes; bludgeon him with favors. Return not evil for evil, but try to overcome his evil with good. If he compels you to go with him one mile, show him with what spirit you can go with him twain.

WE ARE PROUD OF OUR COLLEGE

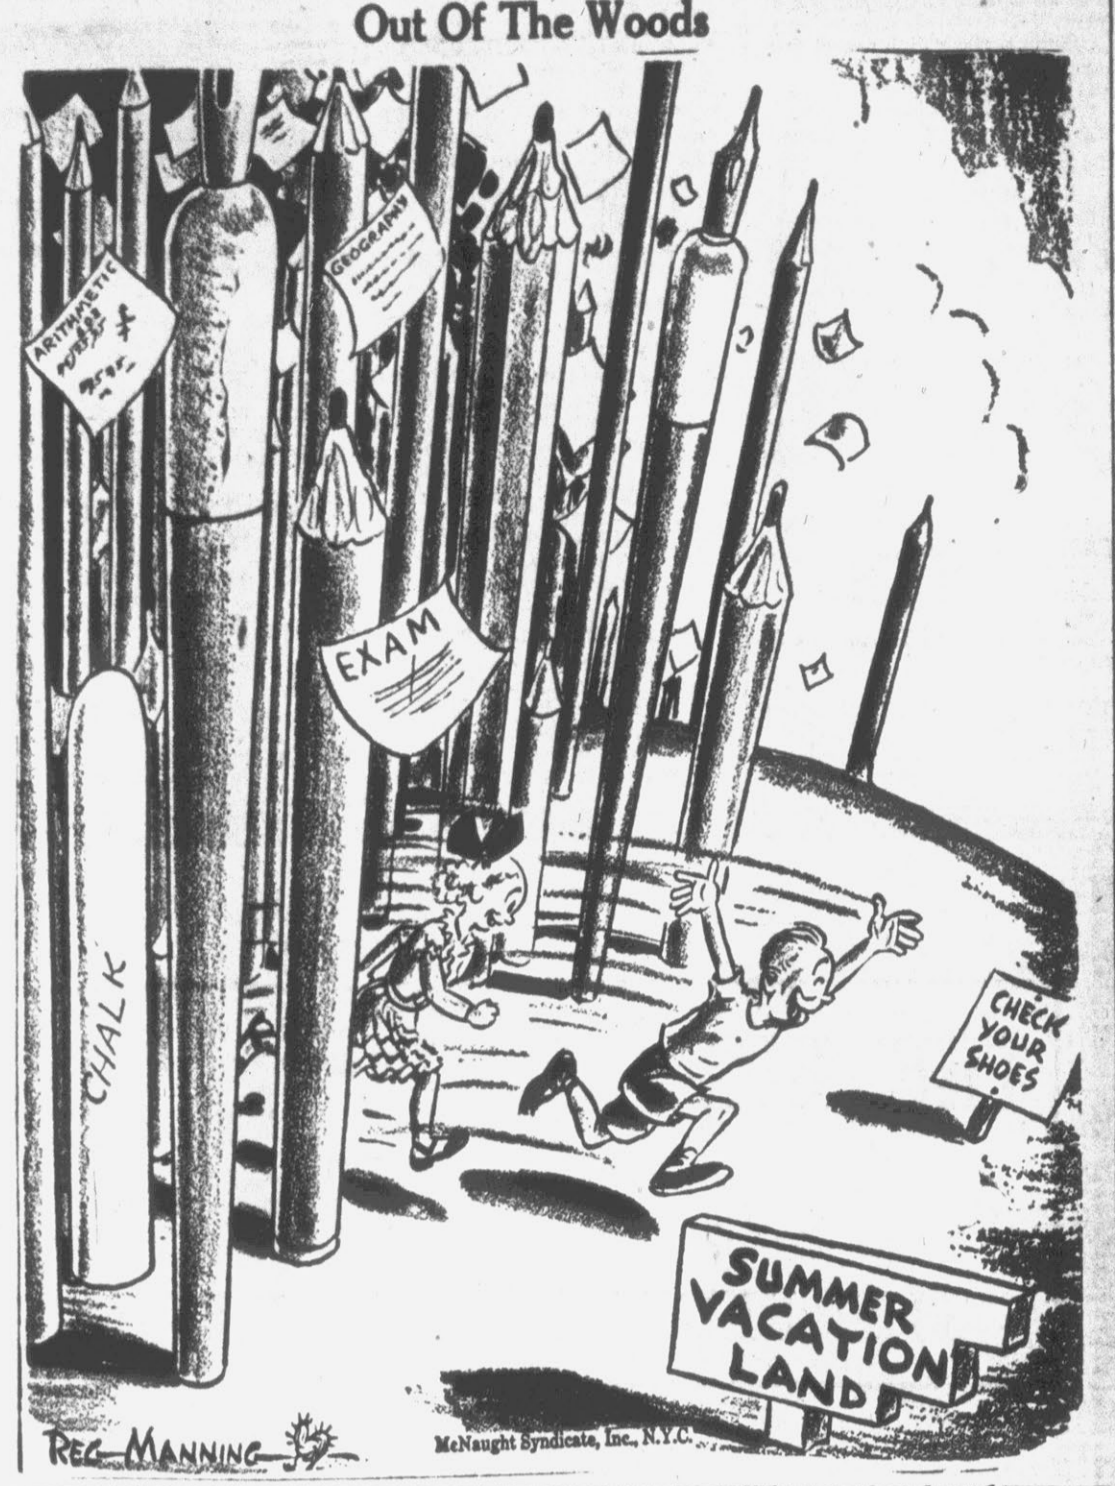

East Carolina Teachers College, subject of feature articles appearing on pages six and seven of this issue, is no doubt one of the greatest assets of this community and we are glad to bring you this information on the college to better acquaint you with some of its activities, accomplishments and plans for even greater service to the community and state.

WHAT ABOUT THE OTHER FOUR-FIFTHS

If the proposed \$200,000,000 road bond issue should be approved in the June 4 election we are wondering what a howl is going to be raised when the people in the rural areas realize that less than one fourth of the roads will actually be hard-surfaced as a result of the huge expenditure.

Around Capitol Square

McNaught Syndicate, Inc., N.Y.C.

in the county not included in the school bus routes). Of the 982.7 miles of school bus routes only 198 miles are paved, leaving 784.7 miles of unpaved school bus roads. Conservatively figured, the three million dollars Pitt County would receive out of the bond issue would pave between 185 and 200 miles of road, which would leave nearly 600 miles of unpaved school bus roads in the county after all the bond issue was spent. In view of the fact that school buses would still have to travel two-thirds of their mileage on dirt roads, we certainly can't see how the savings in operation could be sufficient to pay any major part of the interest on the bonds.

As we see the situation, the huge bond issue would pave about one fifth of the dirt roads leaving four fifths of our rural residents still in the mud, and the extra cent gas tax would have to go to help pay off the interest and bonds, with the result that there would be no money with which to build other roads during the lifetime of many of our present-day citizens.

PUZZLED—Neither of the state officials had heard anything about such a bond before, could not understand how it happened to have been issued to the state in the first place, or how it got into the hands of the present holders. They are doing some checking up on the

humor seriously. "I think a guy who can write humor contributes more than 80 per cent of the serious writers," he said. To him the funniest sight beneath the sun is a formal ceremony of any kind, because it shows mankind pretending to be more than it is. The "man" he hates most is stuffed-shirtism. "If I preach at all," he said, "I preach bitterly." I asked him what was the saddest thing he had ever seen. "The human race," he said.

WASHINGTON LETTER

Washington—William Ramsay, a Scottish immigrant who came to Virginia in 1744, was one of the first to realize the importance of the sprawling little village of Bellehaven. He helped develop it into Alexandria, George Washington's home town, which on July 13 celebrates the 200th anniversary of its founding.

Bellehaven, which had grown up around a large tobacco warehouse, is now a section of the city. The little frame house in which Ramsay lived is still standing—the oldest structure left in the area. Almost crumbling to ruin, actually an eyesore, the building was about to be demolished several years ago when the townsfolk rose up in indignation and persuaded the City Council to purchase the property, which had gone through many hands.

# The Sand Lots of America

Baseball has been a healthy and wholesome influence in the lives of American youth. It has taught them the lessons of fair play and obedience to rules in all human relations. Like other clean sports, it has furnished an outlet for youthful energies and enthusiasm.

The delinquency in America today is traceable to idle time spent in street-loafing and back-alley sessions with questionable associates rather than in healthy, constructive activities.

In contrast, it has been said that the character and stamina shown by American boys on the battlefields of the world was built up on the sand lots of this country in clean and invigorating sports.

Only a nation founded on the concepts of Christianity can produce this fair-minded and honest sportsmanship. Only by upholding such standards as the Golden Rule can we expect our youth to engage in constructive spare-time activities.

Thus we find that religion is the true answer to delinquency. So that Christian teachings may become a greater part of our national life, we must bring our youth into the Church where they will learn to live and play by the Golden Rule.

## THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

# New Building Program To Increase Facilities At E.C.T.C.

## Two Terms Of Summer School To Offer Students Varied Curricula

### Several Projects Being Completed

3,000 Seat Stadium Already Finished; Dormitory To Be Ready By November

By MARY GREENE  
Construction of several new buildings and improvements on some of the existing facilities at East Carolina Teachers College will get under way within the next several weeks, according to F. D. Duncan, college business manager.

During the summer, says Mr. Duncan, a number of projects will be started and several, it is hoped will be completed by next fall. Funds for the work to be done immediately and for other permanent improvements at the college were appropriated by the 1947 and the 1949 legislatures.

Slay Hall, new dormitory for men now being built on the west campus near Ninth Street, is rapidly nearing completion. It is expected that it will be ready for occupancy by next November. Men students are already applying for rooms in the new dormitory.

The new college stadium, made possible by funds contributed in a drive headed by E. Rawl of Greenville, has been completed. The athletic field has been graded, and further work will be done before the opening of the football season next fall.

**New Gym**  
A new gymnasium will be started this summer. Eric G. Flanagan of Henderson, architect who designed the Flanagan building and Slay hall, is now working on plans for the building. It will be located just south of the campus athletic field and will face Tenth street. Equipment will be installed and will fit the building for a fine type of work in health and physical education. Included in the plans is a swimming pool, which has long been needed by the health and physical education department for their work among students.

Funds appropriated for the building are \$722,500; and for equipment, \$50,000.

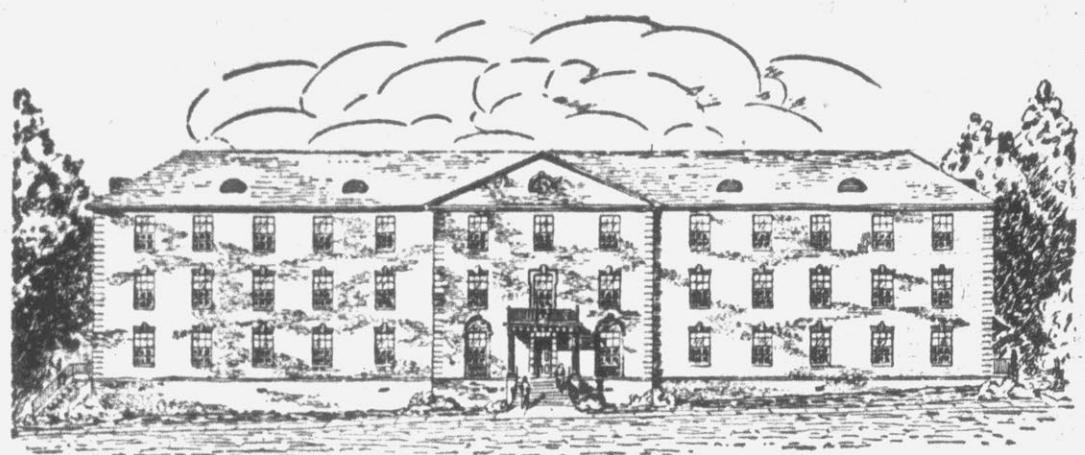

Also to be started during the summer months will be a new workshop and warehouse for the maintenance department at the college. Plans for the buildings are now being drawn, and it is hoped that work will begin soon. New equipment will be bought. The building will be situated south of the Flanagan building near the railroad spur track toward the rear of the campus. The estimated cost of the building is \$119,600.

**Renovations**  
Plans and specifications are now being prepared for improvements in lighting facilities of dormitories on the campus. New fixtures will be installed and other work done in Wilson, Jarvis, Fleming, Cotten, and Ragsdale halls. Work will begin during the summer. Waterpipes in several of the older buildings will be replaced in the immediate future, and windows will be weather-stripped.

Bids for two other projects, which it is hoped will be started this summer are now under consideration. These improvements are re-erecting the baths in Wilson hall, men's dormitory, and constructing additions to the Training School on the east campus.

Plans for enlarging and improving the Training School include the addition of a kindergarten, an industrial arts workshop for elementary school children, a cafeteria, and an auditorium-theatre. Additions to be made to the present building will be located between the Training School and the Wright building.

**Larger Power Plant**  
Additions to the college power plant will also be made. Contracts for part of the work have already been let, and part of the equipment already received, and other work will be contracted within the next month, Mr. Duncan says. Most of the work will involve replacement of old and worn equipment. Two new 600 horse-power boilers and one new 350 horse-power boiler will be

Architect's drawing of Slay Hall, new dormitory for men students at East Carolina Teachers College. The new residence for men, located in a grove near Ninth Street, is expected to be ready for occupancy by November. It was recently named by the Board of Trustees in honor of the late Dr. R. J. Slay, for more than twenty years head of the science department at the college and its first dean of instruction.

installed, along with other needed equipment.

In addition to these buildings and improvements, a long-range program of permanent improvements is planned for East Carolina. New buildings and remodeling of some of the present buildings for different purposes than those now served by them will enable the college to improve its services to students and to the public, to care for its students more efficiently, and to increase the beauty of its campus.

President John D. Messick in a recent talk to students and faculty members outlined some of the progress to be made in adding to and improving present facilities. All work, he stated, should be completed within two and a half years. East Carolina will have a new library, according to present plans. To provide reading space for the growing student body and to house the constantly expanding collection of books and other materials, new quarters for the library are needed. College officials are now working with architects and with Wendell W. Smiley, librarian, on plans for the new building.

**Music Facilities**  
The present library building will become headquarters for the department of music and will be remodeled. The department of music which now offers a major and is doing valuable work in training teachers of public school music for North Carolina schools, has been located in the Wright and the Austin buildings.

A pipe organ will be purchased and will be used for programs and for instruction in the department of music. Investigations leading toward purchase of an organ are now in progress, and it is expected that within the next several months installation of the instrument in the Austin auditorium will be begun. Acquisition of the organ will enable East Carolina to give music students valuable training fitting them for services in many North Carolina communities, especially in churches.

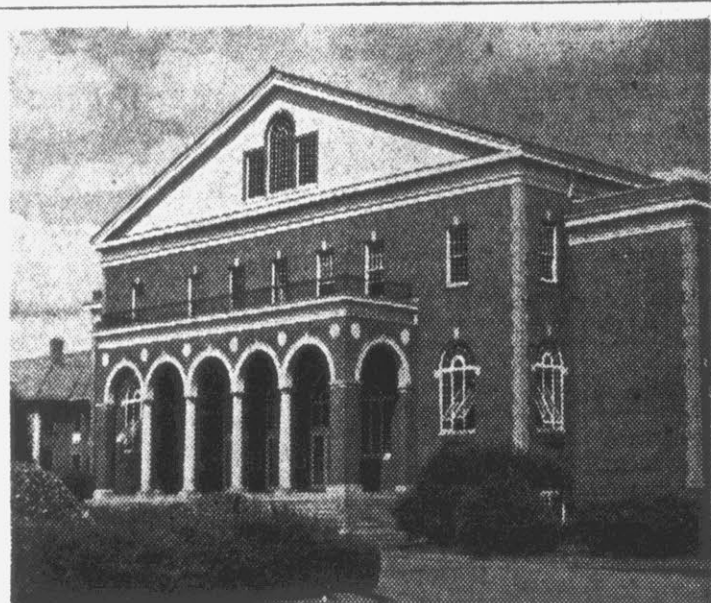

Acoustical treatment of both the Austin and the Wright auditoriums will improve them as centers for entertainments presented on the college campus. Both auditoriums are used throughout the year for college as well as community gatherings.

**Work Shops**  
The industrial arts shop at the college will also be remodeled and equipped for better service. With the improvement of quarters and equipment for industrial arts, the college will be able to give better training to students desiring to teach in the public schools. A recent survey made by President Messick indicated a scarcity of adequately trained teachers in the field of industrial arts and a growing demand for skilled personnel in the field.

The department of home economics will have in the future a new home management house for the training of its students. The present home management house, formerly the college infirmary, will be remodeled into apartments for faculty members.

**Student Union**  
A student union will be located in the basement of the Wright building and will provide quarters for various student activities.

Other improvements planned for the future include the conversion of Ragsdale hall, dormitory for women teachers and for a small group of students, into a dormitory for students. A dormitory-apartment building for teachers, a home for

Wright Memorial building will be renovated to provide quarters for a student union and various student activities on the ECTO campus. The spacious gymnasium which has been used for the college indoor sports is to be remodeled to improve the acoustics.

DR. JOHN D. MESSICK

Dr. John D. Messick will be on the East Carolina Teachers College campus during the summer session and will carry on his activities as college president as usual. East Carolina's popular president has just completed his second regular session at the institution. During his administration, the college has made rapid progress and has increased its prestige and strengthened its position as one of North Carolina's leading institutions of higher education.

the college president, conversion of the house now used as a president's home into apartments, additions to the laundry and purchase of new equipment for it, work on roads and walks on the campus, and improvements in the athletic field are also among changes planned for East Carolina Teachers College.

**New Stadium**  
East Carolina Teachers College now has a stadium on its athletic field. The structure, recently completed, has 3,000 steel constructed seats and is ready for use when the football season gets under way in the fall.

The field itself has been graded and grass has been planted. Lights for the field will be installed soon. The electric equipment and the poles are now on the campus. When work has been completed, East Carolina will have, accord-

ing to engineers consulted on the project, one of the most satisfactory lighted fields in North Carolina.

Coach "Bill" Dole, who will take up his work with the East Carolina Pirates for the fall training season, will move to Greenville on June 1. During the summer months he will be connected with the recreational program in the city of Greenville. He and his family will live on East Fourth Street.

### Committee Choses Year's Program

The Entertainment Committee of East Carolina Teachers College announces its program for the 1949-1950 season. The series for the coming school year promises to be one of the finest ever to be presented on the campus, according to members of the student-faculty committee in charge of choosing and scheduling the numbers. It will give students, the people of Pitt County, and many patrons from surrounding towns an opportunity to see and hear artists of top rank.

Ticket sales in Greenville and other sections of this county will be conducted this year under the direction of Elen Rion Caldwell, chairman of the Entertainment Committee at the college, and Charles A. White of Greenville.

The Entertainment series has aided in making the college a center of the cultural life of eastern Carolina. For more than a quarter of a century the college has brought to this section a fine type of entertainment. Patrons of the annual series include people from Greenville, Farmville, Ayden, Williams, Tarboro, Rocky Mount, Wilson, Robersonville, New Bern, Washington, Kinston, and other towns and communities in this section.

The series beginning next fall will be initiated by a concert by the U.S. Marine Band on September 19 or 20. Lauritz Melchior Metropolitan star, Wagnerian tenor, and one of the most famous singers of modern times, will appear in a concert January 9. Eugene List, pianist, who will play on November 3; Iva Kitchell, dance satirist and comedienne, in a program February 16; and a nationally known dance orchestra to be scheduled for the spring quarter are the attractions to be offered during the coming season.

It is the plan of the Entertainment committee to book a sixth number if the sale of tickets warrants to additional expenditure. Performances will take place in the Wright auditorium on the campus.

### College Student To Study In Paris

Marguerite Z. Austin of the foreign languages department at East Carolina Teachers College will study abroad during the summer and will travel in several European countries. Miss Austin will be at the Sorbonne, University of Paris, for part of the summer, and will take work in French civilization, literature, and phonetics.

Accompanied by Mrs. Agnes Barrett, secretary to President John D. Messick of the college, she will sail from Montreal May 27. Before going to France, they will visit in London with Miss Austin's brother, Captain Bernard L. Austin of the U. S. Navy, and will later pay brief visits to Belgium, Switzerland, Italy and the Netherlands. Mrs. Barrett will return to the States in June, and Miss Austin will study in Paris and possibly in Spain until September.

Among other faculty members who will travel outside this country during the summer months will be Gladys King of the foreign languages department, who plans to teach in Mexico City, and Francis Lee Neel, who will make a motor trip to various points of interest in Mexico.

### Summer Work Shops

East Carolina Teachers College will offer this summer for the first time two workshops in speech development and correction. Each will carry three quarter hours credit.

First Workshop ..... June 6 to June 24  
Second Workshop ..... June 27 to July 15  
A specialist in speech will be included on the summer school faculty and will direct the work. Special attention will be given to speech handicaps of children.

### Active Air ROTC Unit

Cadet Captain Plummer A. Daniel of Washington, N.C., junior at East Carolina Teachers College for the past three quarters, served during 1948-1949 as commanding officer of the cadet squadron of the Air Force Reserve Officers Training Corps on the campus. Applications for enrollment in the ROTC unit for next fall are now being received.

### Dr. Bing To Head Industrial Arts

Dr. Kenneth Bing of Girardeau, Missouri, will head the industrial arts department at East Carolina Teachers College during the 1949-1950 term. Dr. John D. Messick, college president, has just announced the appointment of Dr. Bing to the position. At present Dr. Bing is head of the department of industrial arts at Southeastern Missouri State Teachers College.

Next year for the first time the college will offer a major in industrial arts to its students. Expansion of the department in number of faculty members and in equipment will accompany the change. The scarcity of well-trained teachers in this field and a demand for them in public schools of the state has caused East Carolina to enlarge its program and to change its industrial arts department from a minor to a major department.

Applications of students who wish to enroll in the ROTC unit at the college are now being received. Those who wish to apply should write to Dr. J. K. Long, college registrar, for further information.

A program of building and improvements in present facilities will bring about many changes on the East Carolina Teachers College campus. The library (shown above) will be converted into a music building after the completion of a new library, which according to present plans will be located just west of the infirmary.

### Sessions Include Courses In Fifteen Departments

DR. LEO W. JENKINS

Dr. Leo W. Jenkins, dean of administration at East Carolina Teachers College, will direct the summer session at the college this year. Since coming to Greenville and to North Carolina in September, 1947, Dean Jenkins has become well-known in educational circles of the state for his energy, his efficiency, and his ability as a speaker and a writer on topics of educational interest.

By MARY GREENE

East Carolina Teachers College will open for the summer quarter of 1949 on Monday, June 6. The entire quarter will be divided into two terms, the dates of which are June 6-July 15 and July 18-August 26. Both graduate and undergraduate instruction will be offered during each of the two terms.

Fifteen departments of instruction will offer courses carrying college credit. Instruction in such fields as music, library science, home economics, art, health and physical education, business education, and industrial arts, as well as in other academic subjects, will be included in the curriculum. In the entire program special attention has been given to the needs and interests of teachers who will come to the college for the summer.

Work offered may be applied toward requirements for the bachelor of science degree, which is a professional degree for teachers; the bachelor of arts degree; and the master of arts degree, also for teachers.

The master's degree at the college may be secured in educational administration, elementary education, and secondary education. In the last of these three areas, certification majors are offered in business education, English, library science, mathematics, science and the social studies. Candidates may submit a thesis as part of the requirements for the master's degree, but are not required to do so.

#### 13 Conferences

Plans for the summer session at East Carolina Teachers College, announced by Dean Leo W. Jenkins, director of the summer school, will include this year, in addition to regular academic work, a number of conferences, workshops, and special courses designed primarily to aid teachers, school officials, and others interested in education in North Carolina.

Twelve conferences and workshops have been planned. They will cover a variety of topics of educational interest.

A resource-use education workshop under the direction of members of the science and the geography departments will be held during the second term of the summer quarter, July 18-August 26. Members of the State Resource-Use Education Commission will cooperate with college staff members in providing instruction and opportunities for observation and discussion.

The work in the resource-use education workshop will be divided into two-week sessions, each carrying three hours' credit. The entire workshop will carry nine hours' credit.

#### Community Analysis

Among topics to be considered will be analysis of the community, programs of community action, evaluation of resource-use programs, and cooperation between schools and non-school agencies. Instructors will include Dean Jenkins, J. B. Cummings of the geography department, and Dr. Harold C. Jones of the science department. Mary Sue Foscience department, Miss Sue Foscience of the Needham Broughton School in Raleigh will serve as coordinator at the workshop.

Initiating the conference and institute program for the first term will be a conference on June 15, at which "The Menace of Communism to American Democracy" will be the topic of discussion. Dr. A. D. Frank, chairman of the department of social studies, will be the director.

A conference of English teachers, sponsored by the North Carolina English Teachers Association and held annually on the campus under the direction of Dr. M. N. Posey of the department of English, will follow on June 16. Principal speaker will be Dr. Ambrose L. Sührle, formerly professor of education at New York University, whose topic will be "Our Mother Tongue."

Dr. John D. Messick, president of East Carolina Teachers College, will direct a conference on "Recent Trends in Higher Education" scheduled for June 17. Dr. Sührle will be present for the conference and will appear on the program.

**Public Relations Conference**  
A public relations conference, at which discussion will center around

the creation of better understanding between the public schools and citizens of the state, has been set for June 21. Mary H. Greene, director of the college News Bureau, Dr. Allan H. Hurlbut, director of the college communications center, and Dean Jenkins are in charge.

An institute held for the benefit of music teachers of the state has been planned for June 28. Dr. Rudolph R. Willmann, chairman of the department of music at East Carolina, is planning the program and making arrangements for the event.

Plans for a conference of members of the Parent-Teachers Association for July 12 are now in progress and will be announced soon.

For the second term, conferences and workshops are planned on Safety Education for July 26-July 30; science for elementary teachers, August 11; communications skills, August 18; and family relations, August 23.

#### Summer Faculty

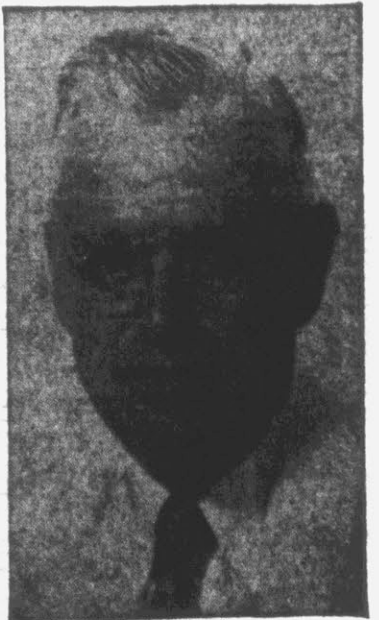

Included among faculty members for the summer session at East Carolina Teachers College this year will be Dr. Edgar M. Finck, author for Parents Magazine and other periodicals and nationally known authority on guidance and family relationships, and Mrs. Dorothy W. Perkins, teacher of speech and specialist in speech and hearing defects of school children. They will offer courses of special interest to teachers attending the college this summer. Mrs. Perkins will be present for the first summer term, and Dr. Finck for the second.

Mrs. Perkins is at present head of the speech correction and hearing department of the Dowagiac city schools in Michigan. A graduate of the University of Michigan and of Iowa State University, she has had ten years of experience in work dealing with the speech handicaps of children. She is a member of the American Speech Association and other similar organizations.

#### Speech Workshop

Two workshops in speech development and correction under Mrs. Perkins' direction have been scheduled for the summer session. The dates are June 6-24 and June 27-July 15. Each clinic will carry three hours college credit. Mrs. Perkins will also teach classes in voice and diction.

Dr. Finck will be a member of the summer school faculty here for the

DR. EDGAR M. FINCK

second time. Last summer he taught at East Carolina, and this year he will be welcomed back by many students who have previously had work with him.

As superintendent of the Toms River Schools in New Jersey, Dr. Finck instituted a plan of guidance and a series of courses in family relationships which received national attention in educational circles. Some of the courses and projects successfully conducted in his system have been discussed in "School Management," most widely circulated educational journal in this country in the field of administration, and in other educational magazines.

He will teach during the second term this summer courses in public school administration and in home, school, and community relations and will participate in several of the conferences and workshops sponsored by the college.

Approximately sixty regular staff members of the college will be on the summer school faculty, and several other additional professors will conduct classes during the two terms.

#### Wilmington Division

East Carolina Teachers College will conduct in Wilmington this summer for the second time a branch of its summer school, and will offer, especially for teachers and principals, courses on both the graduate and the undergraduate levels.

The session will begin with registration of students on Monday, June 13, and will last through July 22. A staff of five members will be connected with the Wilmington branch.

Work offered will include five courses on the graduate level in the fields of administration, education, and psychology; and courses on the undergraduate level in education, psychology, sociology, and English. During the term the student may earn nine quarter hours credit.

Last summer a similar type of work was offered in Wilmington, and the success of the term there has encouraged college authorities to open the branch of the summer school for the second time. In 1948 88 students were enrolled for courses, and a staff of 14 teachers conducted classes.

Early in the spring quarter work was begun at East Carolina Teachers College on a stadium, made possible by the business men of Greenville, other friends of the college, the college staff and faculty and the students. Pictured in the ground-breaking ceremony above are, from left to right, Dr. Howard McGinnis, Dr. N. M. Jørgensen, Mr. F. D. Duncan, Mr. E. E. Rawl, President John D. Messick, Coach Jack Boone, and Mr. C. D. Griffith of the contracting company.

# Greenies Divide Twin Bill In Wilson; Lost First, 6-1 Take 2-0 Nightcap

## Lefler Holds Locals To Two Hits In Opener But Lewey Hurls Greenies To Shutout Triumph In Closing Contest

By BERT MOYE  
Manager Pappy Williams' Greenville Greenies split their double-header at Wilson last night with the Tobs turning back the Greenies 6-1 in the first game and the Greenies bouncing back into the win column by blanking the Tobacconists 2-0 in the nightcap.

**First Game.**  
Lefty Nell Lefler held the Greenies to two hits in the opening game of the double-header last night, while his teammates collected an even dozen off the offerings of Junior Yohn, to take the seven-inning game 6 to 1.

The Greenies' two hits came in the fourth inning to give them their only run of the game. Pappy Williams walked, Mauney reached first when the Tobs turned back the Greenies 6-1 in the first game and the Greenies bouncing back into the win column by blanking the Tobacconists 2-0 in the nightcap.

The Tobs scored two runs in each of the third, fourth and fifth frames. Three singles, a double and a walk gave the Tobs two runs in the third frame; a walk, single, a triple gave them two in the fourth; and a single, double and an error gave them their final two runs in the fifth.

Junior Yohn struck the route for the Greenies and gave up a dozen hits, walking two and striking out six. The loss for Yohn was his second of the season as against one when Kibben had a double and a triple in four trips and Morrow hit three for four to lead the Tobs.

**Score by innings:**  
R R E  
Greenville ..... 000 100-2 5 3  
Wilson ..... 002 220-6 12 3

**Second Game.**  
Rookie Jim Lewey hurled the Greenies to a 2-0 three-hit triumph over the Wilson Tobs in the second game of the double-header at Wilson last night to end a four-game losing streak of the Greenies.

The win for Lewey was his second against the Tobs and his third for the season. He has lost one. The shutout against the Tobs was the second at the hands of the Greenies this season.

Bob Mitchell with a double in the second, Dale Sanner with a single in the fourth and Cliff Barnes with a single in the seventh were the only Tobs to reach Lewey for hits. The Greenies scored one run in the fourth when John Tepedino singled into left field and advanced to second on an error by Leftfielder Tom Davis, and crossed the plate when Pappy Williams singled over second base on a line drive.

The other run in the Greenies came in the sixth frame when Tepedino singled, stole second, Pappy Williams singled, advancing Tepedino to third, and then when Tepedino and Williams wild at home the steal Dinger three wild at home with Tepedino scoring on the error.

Cliffon Barnes, who hooked up with Lewey in the last game in which the two teams met, went the route for the Tobs, giving up six hits.

John Tepedino with three singles in four trips and Pappy Williams with two for four led the Greenies' attack. Keith Carraway hit a double for the other hit off Barnes.

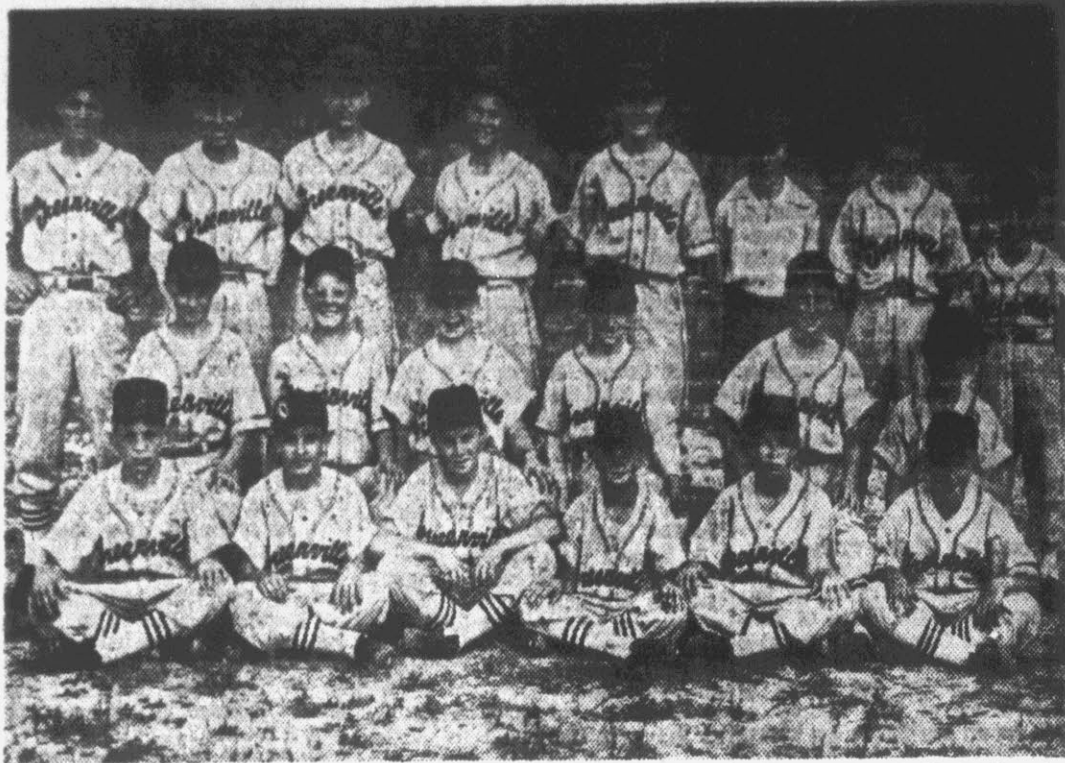

Lewey struck out a total of four men and walked four men in gaining his first shutout of the season and his second win against the Tobs this season.

**NOTES.**—Joe Pasquale has been given his release by the Greenville Club and Karl Helwig, pitcher, has been suspended to comply with rule regulations which require that 17 men be carried on the roster after the first 30 days of the season.

Ted Guinan was forced to retire from the game last night when he received a split finger and will probably be out of action for several days. William Reichmiller, who held down the third sack last night, has been signed by the Rockies after a try-out with the Rockies Monday at the start of the season.

**Score by innings:**

# Intermediates Win And Mites Lose To Kinston

## Joe Clark Hurls 2-Hit Game As Locals Take 8-3 Win; Midgets Drop Night Game By 7-2

By ROY HARDEE  
Joe Clark hurled two-hit ball yesterday afternoon as the Greenville Intermediates scored an easy 8-3 victory over the Kinston Intermediates in a game played in Guy Smith Stadium.

Greenville took a commanding lead in the first inning when they pushed across 7 runs on four consecutive singles, three bases on balls, a fielder's choice and a wild pitch.

Kinston scored their only runs in the top of the first inning on two hits, and from then on the team was held hitless by Pitcher Clark as he coasted to victory with an 8-2 decision.

Clark pitched a total of six scoreless innings of ball and fanned eight men. Coach Bill Kittrell stated that "Clark pitched his best game of the season yesterday."

The Kinston Midgets reached three Greenville hurriers for a total of ten hits as they took a 7-2 decision over the Greenville Midgets in a night contest played under the stars in Guy Smith Stadium.

Guy Smith started on the mound, receiving his first starting assignment of the year. Smith who has been troubled by a sore arm during the year was forced to retire in the fourth after giving up three hits and four runs. Connie Singleton relieved Smith on the mound and gave up four hits and two runs in one and one-half innings. Doug Morgan finished the game for the locals, allowing only three hits and one run, and striking out two men.

Greenville's lone tallies came in the bottom of the fifth innings when Hudson batted his second double of the day, followed by Nunn who reached first base on an error and a single by Doug Morgan scored.

## Pitching Feat

Northfield, Minn., May 21—(AP)—Bob White, Lakeville high school pitcher, hurled all 22 innings in four games yesterday and then slugged a homer to break a tie in the championship tilt of a tournament.

White's pitching marathon included a no-hitter in the first game, against Hanley Falls. The score was 1-0. In all four contests, White allowed only four runs and ten hits.

The preliminary games ran five innings each and the final seven. In that game, Lakeville defeated Kenyon, 4-3, with White driving in the first three runs and capping them with the homer.

Nunn and Hudson. The big gun for the Greenville Midgets in last night's game was Hudson as he collected two doubles in three times at the plate.

Coach Bill Kittrell used sub freely in last night's contest as he sought to give every member of the team a chance to play in the next to last game of the season.

The Greenies play the Scotland Neck team in a return match in Scotland Neck next Saturday. The locals took the game in the first meeting.

The proceeds from the game which was sponsored by the Greenville Chamber of Commerce will go to help pay for the new uniforms recently purchased for the team.

Those who saw action in last night's game were Sawyer, Phillips, Hudson, Nunn, Smith, Singleton, White, Bost, Howell, Tom Smith, Evans, Scott, Briley, Wingate, Smoot and Hendrix.

The Greenville Midgets now boast a record of two victories and three setbacks.

# Promoters List 3 Title Fights Coming In June

New York, May 21—(AP)—Boxing's newest combine showed the power of its muscles today as it tentatively listed three championship fights for June and announced it had gained exclusive use of the Yankee Stadium and the Polo Grounds for fights.

Acting swiftly, the New York-Chicago-Detroit axis virtually tied up world middleweight and welterweight title fights to go with its NBA heavyweight championship show between Exzard Charles and Jersey Joe Walcott in Chicago June 22.

The two world title scraps will send Middleweight Champion Marcel Cerdan of France against Jake La Motta at Detroit June 15, and Welterweight King Ray Robinson against Kid Gavilan of Cuba in the Polo Grounds, either June 17 or 21.

Thus the pattern of boxing's new Gollath showed itself as the one-potential 20th Century Sporting Club and the two-year-old Tournament of Champions folded their tents.

Allied in close working agreements are the Madison Square Garden Corporation, which bought out Mike Jacobs' 20th Century, S. C. and the T. C. and Joe Louis' International Boxing Club, which will promote the Charles-Walcott contest. The I. B. C. also controls the Detroit Olympia and various other arenas around the country.

The Raleigh Tigers of the Negro American Association play the Homestead Grays at Guy Smith Stadium, Monday night at 8:00 p.m. Playing their first season with the American Association, the Grays had been a member of the Negro National League until its disbandment at the end of the 1940 stadium. They are now playing their home games at Griffith Stadium in Washington, D.C.

The Homestead Grays have been a leading Negro baseball club for the last decade, having won more Negro World Championships than any other club. Last year they won the series from Birmingham Black Barons, four out of five games.

This year the Homestead Grays are managed by Sam Bankhead, one of the greatest Negro players of all times.

**More Righties**  
Cincinnati—(AP)—A study of the players used by the Cincinnati Reds since 1876 indicates that about 70 percent of baseball players bat right-handed. Of 734 former Redlegs, 495 hit right-handed, 210 left-handed and 29 swung from both sides of the plate. An even greater number, more than 81 percent, threw right-handed.

Jerry Hennessey, huge end on the Santa Clara football team, served in both the army and the navy in World War II.

According to statistics compiled by the Howe News Bureau covering the first 25 games of the season, John Tepedino, Greenville shortstop, is in third place among the league hitters with an average of .306. Tepedino, in 23 games, has been at bat 81 times and collected 32 hits. Willie Mauney, in 24 games, has collected 35 hits in 98 trips to the plate for an average of .357, and ranks eighth among the league's hitters. Bob Cohen, in 22 games, has collected 31 hits in 99 trips to the plate for 34.8 percent. Manager Pappy Williams in 25 games has collected 26 hits in 91 trips to the plate for an average of .286. Pete Gillespie has 18 hits in 79 trips to the plate for 22.8 percent; Steve Denier has 16 hits in 80 trips for a .200 average; Paul Strausser with 11 hits in 57 trips to the plate has a .193 average; and Joe Pasquale with six hits in 34 trips has a .176 average. Manager Ross Morrow has 22 hits in 54 trips to the plate for a .407 average and is this week's leader in the Coastal Plain.

The entire Greenville team at the present time is hitting at a .258 clip and is third place among the league in team batting. (The Greenies last week were hitting at a .277 clip). New Bern is leading the league in team batting with a .287 mark.

In team fielding the Greenies are currently in seventh place with a .955 percent. (Last week they were in fourth place with a .940 average). The New Bern Bears are also leading in team fielding with .960 percent.

In the pitching department Ed Masonis in two games has one win and no losses thus far; Norman Clark in six games has four wins and two losses; Jim Lewey, who has seen action in seven games has won two and lost one; Junior Yohn has one win and one loss; Garland Little has one win and two losses; and Art Mascarella has one win and three losses. Joe Alusk of Goldsboro tops the pitchers with a record of four wins and no losses.

Among the individual leaders of the Greenies are: Tepedino with 42 total bases; Willie Mauney with the most hits with 35; most two-baggers, Willie Mauney with 8; most triples, Tepedino with two; most home runs, Gillespie with two; most sacrifice hits, Cohen and Gillespie with two each; most stolen bases, Tepedino with 12; most rbi's, Willie Mauney with 26.

In the pitching department: most innings pitched, Clark 36; most hits off, Little 31; most runs off, Little 24; most walks issued, Little 31; most strikeouts, Clark 28.

**Win LaCrosse Title**  
Durham, N. C., May 21—(AP)—Duke University is the La Crosse champion of the Dixie League.

The Blue Devils won the title here yesterday by defeating Virginia, 3-2. It was the first loss in seven games for the Cavaliers.

**Steers Outstanding**  
Austin, Texas—(AP)—Seven of the Southern Conference track records are held and another is shared by University of Texas performers. Rice next with five marks and partnership in another.

**Tar Heels Still Show Well Though Albans Out**  
Chapel Hill, May 21—(AP)—Minus their ace freshman hurdler and jumper, Bill Albans, who came up with a twisted ankle two days ago, North Carolina's Tar Heels still perform like the Southern Conference track champions they are.

They entered today's finals of the 28th annual conference meet in the driver's seat after an impressive qualifying day performance.

Coach Bob Fetzer's charges, seeking their 13th title and third in a row, dominated yesterday's proceedings in which qualifying competition was held for 10 of the 15 events on today's card.

They had the top performers in five of 10 events and came up with two of the four individual standouts to pave the way for today's showdown.

First and foremost was the near-record javelin toss by Bob Kirk

# Giants Begin Show Dividend On \$25,000 Pitcher Kennedy

## Twelve Schools Of Loop Listed On All-Star Nine

Raleigh, May 21—(AP)—Twelve of the 16 member schools are represented on an all-Southern Conference baseball team announced today.

The 20-player mythical club was picked by the Southern Conference Sports Writers Association. The team included six outfielders, seven infielders, three catchers and four pitchers.

Wake Forest's championship-winning Deacons placed three men. The University of South Carolina led in the number of players with four. North Carolina, Clemson and Richmond placed two each. Those placing one were Maryland, North Carolina State, Furman, William and Mary, V.M.I., Duke and George Washington.

Here is the team:  
Outfielders: Walt Bolen, University of Richmond; Alcey, University of Maryland; Bill Evans, North Carolina State College; Ray Matthews, Clemson College; Harry Parsons and Red Wilson, both of the University of South Carolina.

Infielders: Charles Teague, Wake Forest College; Luther Burnett, Furman University; Frank Gillespie, Clemson College; Stan Goodman, University of North Carolina; Tommy Koracowski, William and Mary; Jim Pinkerton, University of South Carolina, and Bob Stephens University of Richmond.

Catchers: Leroy Stres, Duke University; Sid Varney, University of North Carolina, and Oliver Williford, V.M.I.  
Pitchers: Dick Vanderclute and Moe Bauer, both of Wake Forest; Bill Camp, University of South Carolina, and Tim Shank, George Washington University.

**Loftin, Darden Play At Stadium**  
The Loftin's Store baseball team of the Pitt County League will play Darden's store nine next Thursday evening in Guy Smith Stadium.

Boasting a record of seven wins as against two losses, the Loftin team is composed of the following players:  
Manager W. Heath, catcher; G. Taylor, left field; Junior Butts, 3rd base; J. Tripp, right field; H. J. Hardee, shortstop; J. Hardee, second base; E. H. Avery first base; F. C. Harrington, catcher; M. E. White, center field; C. Beachum, right field; G. Porter, shortstop; N. Butts, J. Speight, A. G. Warren and J. McCloy all pitchers.

By RALPH BODEN  
Associated Press Sports Writer  
The New York Giants are beginning to reap some dividends from the \$25,000 they shelled out to Richmond for pitcher Montis Kennedy in 1946.

After years of frustration Kennedy is making the 26 grand price tag look cheap with some of the finest pitching by a Giant left-hander since the memorable days of King Carl Hubbell.

Well poised and still possessing the stuff that had the Giants and opposition buzzing three years ago, Kennedy has turned in four victories, one more than he recorded for the Giants all last year.

Kennedy pitched the Giants into undisputed possession of first place in the National League yesterday with the finest performance of his career, a 5-0 two-hit triumph over the ambitious Cincinnati Reds.

The 27-year-old native of Amelia, Va., faced only 29 batters, walked none, fanned two and retired the last 14 Reds in order.

Ted Kluessewski beat out a dribbler in the third inning and Jimmy Bloodworth singled to left in the fifth for the only Cincinnati hit.

The Giants decided the game in the very first inning, scoring three runs after Howie Fox disposed of the first two hitters. Two walks and three singles did the damage.

Pittsburgh helped the Giants attain the lead by nosing out the Boston Braves, 2-1, under the lights at Pittsburgh.

Rookie Bill Werle outpitched recruit Bob Hall to post his third victory for the Pirates and doubled home Ed Bockman with what turned

ed out to be the winning run in the fourth inning.

The St. Louis Cardinals turned back the Brooklyn Dodgers, 6-2, behind the steady nine-hit pitching of Red Munger to halt their three game losing streak.

Munger and Dodger rookie Morley Martin were all squared at 2-2 going into the sixth when the Cards scored once and drove Martin out. The Red Birds assured themselves of the decision in the seventh when Enos Slaughter cracked a three run double off Don Newcombe, rookie Negro righthander, who was making his major league bow.

Philadelphia crept to within a half game of the American League's second place Detroit Tigers as Joe Coleman bested the Tigers' Hal Newhouser, 2-1, in a ten inning dual in a night game at Shibe Park.

Ferris Fain singled home Eddie Joost with one out in the extra inning to give Coleman his fifth victory of the year. Joost ended his sixth homer in the opening inning.

A sparkling catch by Valo of a George Kell drive with the bases loaded and two down in the tenth saved Coleman. Coleman yielded six safeties, half of them to Newhouser, and fanned nine.

Al Pappal's knuckle ball was no puzzle to the Washington Senators who pounded his offerings for six hits and five runs in three innings in beating the St. Louis Browns, 5-3 in an after dark game at Washington.

The scheduled games between the Chicago White Sox and New York Yankees, the Cleveland Indians and the Boston Red Sox and the Philadelphia Phillies and the Chicago Cubs were postponed because of rain.

# Locke Sets Out To Prove He's Best Golfer Not Invited To PGA Tourney

Philadelphia, May 21—(AP)—Bobby Locke set out today to prove he is the best professional golfer not invited to the P.G.A. tournament.

The big, soft-spoken South African wasn't saying much about what his friends consider a snub by the United States Professional Golf Association in banning him from playing in the PGA next week at Richmond, Va. But the signs were pretty apparent he was burned to a dark brown crisp and he went so far as to say, for publication, that he considered the decision "very discourteous."

With the "TI show them" possibility as an added incentive, Locke reckoned to be a rugged competitor for the remainder of the sixth annual Inquirer tournament. At the end of the first 18 holes Thursday he was tied for the lead with a comfortable 68, four under par.

Rain washed out yesterday's scheduled second round and forced a program change to 188 holes of play today and two rounds tomorrow. Locke, always in excellent condition, should take the grueling stretch drive without strain, and with a single exception the rest of the field which includes most of the top U.S. golf stars will have to catch Bobby to best him.

The exception is Joe Kirkwood, Jr., Hollywood movie actor and manufacturer of the only other first round 68.

Chapter 26

Felicity felt as though she had been away from her trailer home for months instead of weeks. She flung herself joyously into a terrific bout of housecleaning, reveling in her new freedom. While life in Casa del Mar had been luxurious and smooth, she had felt cramped and ill at ease. You couldn't lift a finger for yourself, she had reflected, without a servant materializing out of nowhere and doing it for you. Garrett was hard at work polishing up the second in his police reporter series. Jason and the others went happily off to school each morning, with Jason hurrying home the minute school was out, to go fishing. Burton said very little, preferring to sit back and watch his children, sometimes with an almost puzzled look in his eyes. Tippy had

definitely cast her lot with Susan Fleming and the first steps towards her legal adoption had taken place, with Burton signing the papers and Felicity trying very hard to be gay about it; and Susan was so happy that it wasn't so very hard at that. By the time six months had elapsed so that the adoption could be made legal and binding, Susan would be married to Chalmers and Tippy's name would be Thorpe. It had already been decided that Chalmers would try diplomatically—and with hard cash, which would be much more effective—to gain the consent of Allan's father to his formal adoption of the baby.

There were weekly letters from Uncle Charles, and then one day there was a long, impressive-looking envelope addressed to Burton Horne. In Felicity's care, and with the return address of Ackerman & Connors in its upper left-hand corner. "It's your contract, Felicity," she told him as she put it into his hand. "I was thinking about you when I wrote it, so it's a nice 'fat' part. Oh, Father, isn't it perfectly swell that you're going back on Broadway—and in my play?"

"Grand, darling," said Burton, and kissed her, as he held the contract in his hand, studying it curiously. He turned and went away, carrying the contract. Felicity stared after him, a little puzzled. That night, when the children were in bed and Garrett was putting in an extra hour rewriting a bit of dialogue before trusting his story to the mails, Burton came to where Felicity sat under shadow of a giant banyan and seated himself beside her.

"I—ah—I've been wanting to have a little talk with you, Fliss," he began awkwardly. Felicity slid her hand into his and squeezed hard. "Begin at the beginning, go to the end—and then stop," she suggested lightly. But Burton didn't seem to hear her. He asked another question instead of answering hers. "When are you and Garry planning to be married?"

Felicity's hand clenched in his and, after a moment, she said huskily, "I—we haven't set a date." "And of course you can't until you have made some plans about the children," said her father quietly. "Had you ever thought, Fliss, that Ma Green is very fond of the children and that they adore her?"

"Do you mean—Father, are you suggesting that the children just stay on-board with Ma Green?" "Well, something like that. What do you think of the idea?" he answered warily. "Do you suppose Ma Green would be willing?"

"I—ah—have reason to believe that she would be delighted," said Burton cautiously. "As a matter of fact, she and I have—ah—discussed the matter, though—well, rather vaguely." "Why, Father, it sounds a marvelous idea."

Burton sat beside her for a moment and then he spoke his thoughts aloud: "Fliss, my dear—would you be very much disappointed if I didn't sign this contract?" "Father, you mean you don't want the party?" she gasped. "I mean I don't want any part again, Fliss," said Burton gravely, as though relieved that he was at last able to bring this out into the open and discuss it. "I don't want to go back to the stage. Fliss, I'm—well, I'm tired."

"Oh, Father," said Felicity shakily. "I didn't know it was like that. I always thought you loved it." "I did—when the going was good," he answered with a very little smile. "Oh, Father, if you don't want to go back, I don't want to know it was like that. You always kept up such a—such a bold front." Her father grinned wryly. "That's

when you want good meats and cut to suit your taste call Honeycut's. We deliver. Dial 3174 and 3173. 21-12

**QUALITY COMES FIRST. USE**  
Benjamin Moore's paints. It spreads further, lasts longer and is guaranteed to give complete satisfaction. Globe Hardware Company, Phone 3232.

show business, darling. I—ah—rather thought I might stay here and help Ma Green look after the kiddies," said her father mildly. "Oh, Father—if you do that, then I needn't hesitate any longer about Garry. Are you sure you won't mind?"

"Mind? I've got the keys of Paradise right here in my fist," said Burton huskily, and kissed her hard. Garrett came towards them across the moonlit space that lay between the two trailers and Burton excused himself and went to bed.

"It's done," said Garrett happily bending to kiss her. "And I don't think it's bad. It's as good as the first one and that was all the editor asked. Love me?"

"With all my heart," said Felicity simply. And then in a little rush of words she added, "And I'll marry you, if you like."

"Oh," said Garrett, "then they've told you." Felicity felt as though she had taken a sudden step in the dark and plunged headlong into space. "That means they haven't," said Garrett. "I talk too much anyway. And now, for Pete's sake—there's a romantic spot and why couldn't we give a little thought to the fact that we're in love? How about marrying me tomorrow?"

"Make it the day after. I have to buy myself a dress." But long after Garrett had kissed her and gone his way, she sat on the steps, puzzled and uneasy. There wasn't anything she could put her finger on—still there had been something disturbing in his words. "Oh, they've told you, then?" Did that mean Ma Green and her father had some plan of which she knew nothing?

(To be continued)

# Two Men Drown In Tar River; Boat Capsized

Two men fishing from a boat in Tar River near Yankee Landing early today were drowned and a third man had a narrow escape.

Clyde Murchison, 42, Negro farmer, and Casey Williams, 41, white tenant on the J. J. Perkins farm on the Creek Road, lost their lives when their boat turned over in the stream, and Joseph Carney, Jr., 20-year-old Negro, escaped with his life by clinging to the overturned boat while it drifted toward shallow water, authorities said.

Deputy Sheriff Loyd Manning and Pitt County Coroner Griffin H. Rouse investigated the accident.

The bodies of Murchison and Williams were recovered by firemen who went to the river with the Greenville Fire Department's rescue truck and its life-saving equipment. They were found not far from Davenport's store at Pictolus.

Carney was suffering from shock and exposure when he reached shore, searchers stated.

# Moves DP's To Farms In North

New Orleans, May 21—(AP)—Nineteen displaced persons have been sent elsewhere to work by a priest who charged their living conditions on Louisiana farms were "worse than DP camps in Germany."

He is the Rev. Joseph B. Monclus of New York City, president of the United Lithuanian Relief Fund, a non-sectarian unit.

Father Koncius came to Southern Louisiana to investigate complaints that DP's were going hungry on their low wages.

"I visited at least 30 families within a 100-mile radius of New Orleans—most of them farm and sugar plantation workers," he said in an interview yesterday.

"I regret to state that their living facilities in most cases are not fit for animals to live in," the priest added.

He termed the living conditions "disgraceful and shocking."

Father Koncius said he sent five families and a single worker, 19 in all, to farms in Massachusetts and Wisconsin after hearing their complaints.

He said he would file a report with the Governing Board of the Relief Fund and that President Truman and the State Department would be advised of the situation.

Father Koncius reported most DP's in Louisiana said they wanted to remain in hope conditions would improve.

He added that employees expressed full satisfaction with the work the DP's performed.

# Nine Of Eleven German States Back Republic

Frankfurt, Germany, May 21—(AP)—Nine of the 11 West German states have ratified the constitution setting up a federal republic—two more than the two-thirds necessary for adoption.

A tenth state, Wuertemberg-Hohenzollern, is expected to give its approval today.

Traditionally independent Bavaria, the lone holdout state, rejected the constitution earlier but agreed to adhere to it if the other 10 states approved it. Bavaria claimed the constitution gave too much power to the central government.

Under the German-written constitution, approved by Britain, the United States and France, the new West German republic will have a large measure of independence.

Ratification of the constitution was opposed mainly by the Communists and certain small local groups.

# Save Gas Tanks In Depot Blaze

Rockingham, N.C., May 21—(AP)—A fire at the American Oil Company gasoline storage depot here yesterday brought under control before it reached several large tanks of petroleum products.

The fire broke out in small drum building was destroyed. The terminal is a distributing point for the company's operations in the sandhills area.

# Retake One Of Six Fugitives

Macon, Ga., May 21—(AP)—One of the six heavily armed convicts who shot their way to freedom was recaptured without a struggle near Madison today.

Sheriff G. P. Saye said life termer Ed Parker was arrested after he had been spotted hiding in a ditch by a railroad work gang. Parker was sentenced for murder.

Meanwhile, the search for the remaining five centered in a dense swamp 15 miles from Macon.

# Ambassador Will Honor Veterans

Washington, May 21—(AP)—Twenty-one Americans will be decorated for war services by Sir Oliver Franks, British ambassador, at an embassy ceremony May 24.

They include Col. Andrew Howell Harris, Jr., U.S.A. Wilmington, N. C., who will be made an honorary officer of the military division of the Most Excellent Order of the British Empire.

# "FAMILY HONEYMOON" GRAND COMEDY HOWL

Before their honeymoon even started—all their troubles were little ones... it's Claudette Colbert and Fred MacMurray in "Family Honeymoon," a riot of fun showing at the Pitt Sunday—Monday.

# STRANGE ROMANCE HAS GLAMOROUS CAST

John Lund, Paulette Goddard and MacDonald Carey are co-starred in "Bride of Vengeance" feature screen attraction Tuesday—Wednesday at the Pitt.

# Rustlers, B'Gosh!

Waco, Texas, May 21—(AP)—This is the story of the bawling calf, the cow thief and the mama cow.

Not so long ago, Roy Long, McClennan county farmer, bought a cow. The cow not long afterward had a calf. They were contented in a green pasture.

Roy went to a Waco cattle auction sale yesterday.

A cow was run into the ring. He liked the looks of the cow. It reminded him of the little calf's mother at home.

When Roy arrived home he heard the little calf bawling.

"What's the matter with the little calf?" He asked one of his men. "Must have lost his mother," the man said.

Roy turned the new cow loose in the pasture. The cow ran to the calf. The calf ran to the cow. The cow nuzzled the calf. The calf nuzzled the cow.

This made Roy suspicious.

Yes sir, it was the little calf's mother which had been stolen from the pasture and taken to the auction ring. Roy, unknowingly, had bought her twice.

Where does the cow thief come in?

He will—just as soon as McClennan county sheriff C. C. Maxey can lay hands on him.

# Would Impeach Federal Judge In Extradition

Washington, May 21—(AP)—Rep. James C. Davis (D-Ga.) said today that he was "seriously considering" bringing formal impeachment proceedings against Federal Judge John Biggs, Jr., of Philadelphia.

Davis angrily told the House yesterday that Biggs, a judge on the third circuit court of appeals, should be removed from the bench. What's more, he said, Biggs should be tried for "aiding and abetting the escape of a criminal."

Biggs wrote the majority opinion when the third circuit court ruled five to one Wednesday not to permit the extradition of Leon Johnson, 34-year-old Negro who escaped to Pennsylvania while serving a life term for murder in Georgia.

In denying Georgia's demand for Johnson's return, the court ruled that a state cannot extradite a prisoner that it has treated "cruelly and inhumanly."

# Halt Executions For War Crimes

Washington, May 21—(AP)—The army has halted the execution of all war criminals condemned by American war crimes courts at Dechau, Germany, pending the outcome of the senate investigation into the Malmedy trials.

A senate armed service subcommittee is looking into charges that U. S. Army interrogators used brutal methods in obtaining confessions from Nazi soldiers involved in the massacre of American prisoners of war during the battle of the Bulge.

# Grasping At . . .

(Continued from Page One) bankruptcy of his own government.

However, the generalissimo long ago demonstrated that he is a fighter. He has given no indication that he intends to withdraw from the picture, but appears to be exceedingly active in directing the defense against the communist offensive from the north.

# Runaways Found By Army Police

Anderson, S.C., May 21—(AP)—Three teen-age girls who ran away from home after an outing with an ice cream man were back with their parents today.

One of them predicted she "might get a whipping" after the trio was picked up yesterday by Army authorities at Port Jackson near Columbia.

The girls left Anderson Wednesday and police in the two Carolinas were asked to get on their trail.

Anderson officers, meanwhile arrested Jimmy Lee Elgin, 40, on a drunkenness charge. They found the girls' wet underclothes in his automobile.

Elgin told of a twilight swim with the three girls near here. Later, he added, he took them back to Anderson and let them out of his car.

He said he had a date with the oldest girl, Dorothy Hawkins Redding, 14.

Dorothy told a reporter at Columbia that her mother knew she was going with Elgin, who worked at an ice plant across the street from the school the girls attended.

She said she had been out with him "about five times before."

"I wouldn't go with him by myself," she added.

Elgin was released as soon as Anderson police learned that the girls had been found.

Mt. Calvary Quarterly meeting. Saturday night at 8 o'clock, Communion service.

9:30 Sunday morning, Sunday school, W. Joyner, superintendent.

11 a. m.—Sermon by the pastor, Rev. E. M. Hill.

3 p. m.—Rev. S. Hemby will officiate. He will be accompanied by his choir, ushers and congregation of Arthur's Chapel.

8 p. m.—Final service of the quarterly meeting.

We are grateful to have you worship with us.

Mr. and Mrs. Dorsey Sparkman announce the birth of a son, Alvin Gene, May 16, 1949, at the Battle and Kelly clinic. Mrs. Sparkman is the former Miss Daisy Smith.

The State Federation of Negro Women's Clubs held its annual meeting at the J. H. Sampson school in Kingston last Friday and Saturday.

It was largely attended with around 700 women from all sections of North Carolina.

Everyone was intensely interested in the youth program that has been launched statewide by the federated club women. Each one is doing her best to live up to the general motto "Lifting as we climb."

The federated clubs of Kingston spared no pains in making it pleasant for the members present.

Last Saturday all the members toured the Dobbs farm and visited the State Training School for Girls. All were graciously welcomed by both the instructors and the girls at the school.

The girls shared in showing the guests around and telling about life at the school.

After the observations were made the guests were served a delicious repast. Then the girls of the school gave a lovely program. This was responded to by the Federated Youth of Asheville.

Among those attending from Greenville were Mrs. N. W. Cherry, Mrs. Madaline Bradley, Mrs. Lulia Joyner and Mrs. L. R. Taylor. Mrs. Lillian Donaldson and Mrs. Mabel Phillips were delegates.

Funeral services for Mrs. Mary Nobles will be held from A. M. E. Zion Methodist church Sunday at 1:30 p. m., Rev. P. H. Mumford officiating.

Deacons Union will be at Holy Trinity church Sunday at 2 p. m. All members are asked to be present.

The Junior Ladies Auxiliary will meet at the home of Mrs. Pearl Moore on Contentment street Sunday, May 22, at 5 p. m. All members are urged to be present.

The Star of Zion Usher Board No. 2 of York Memorial A. M. E. Zion church met at the home of Mr. Preston Harper, 112 Cotanche

# Dog Gone, So Is His 12 Dollars

London—(AP)—Sad story from Our Dumb Friends' League (Paddington Branch):

A Londoner wanted a puppy. He went to Petticoat Lane, Sunday morning outdoor market. He paid \$12 for what "a peddler described as "a nice pup."

Three days later it got sick. The man took it to a league veterinarian.

The veterinarian identified it as "a very miniature Yorkshire terrier with only two teeth and a growth in its stomach. It's about 12 years old," he said.

Eight weeks later it died.

# Repeal Ban On Sunday Movies

Lexington, N.C., May 21—(AP)—Lexington's new city council last night repealed a city ordinance banning Sunday movies. The vote was 3 to 2. One member did not vote.

The repeal is immediately effective.

The council directed the ordinance to draw up a new ordinance setting forth the time Sunday movies could be held. Dr. J. A. Smith, newly elected mayor, presided at the session.

# N. C. Legislator Will Stay Home For Month

Washington, May 21—(AP)—Rep. Bulwinkle (D-NC) said today that he would spend the next month at his home in Gastonia, N.C.

Bulwinkle recently returned to Congress after spending several months at the Bethesda, Md., naval hospital for treatment of a back ailment.

# May Leave . . .

(Continued from page one)

son at Paris.

A Tass news agency dispatch in Moscow early yesterday gave the first semi-official words that Soviet deputy Foreign Minister Andrei Gromyko had been talking with British and American officials at the United Nations about ending the Greek war. British Minister of State Hector McNeill and Assistant Secretary of State Dean Rusk represented the western powers.

# Pitt Health . . .

health department are instructed to use every means in their power to insure the milk sources to be pure and the milk therefrom to be fit for human consumption and to be as labeled; and that as soon as the officials are ready to make a report to this board, the chairman be requested to call a meeting immediately to set forth the facts of their findings for such action as may then appear necessary to advance and protect the public health.

# Riots Rage . . .

(Continued from Page One)

side unloosed four German police dogs.

Western Berlin police said strikers at the Lichtenrade elevated station in the American sector halted a passenger train from the Soviet zone by tearing up the tracks.

Thirty-six eastern railway police besieged by strikers in western elevated stations, were reported to have turned themselves over to western police for protection. Some had been badly beaten. All were said to have been released later and allowed to return to the Soviet sector.

# Babson . . .

(Continued from Page One)

think that by making this contribution, they will be secure in their old age. If the government wants to call it a "pension," well and good; but to use the word "Security" is absolutely deceptive and wrong. If

any business corporation should attempt such misrepresentation, it would be haled into the federal courts.

Is The Program For Good Or Evil? No doubt the motive for the act was good, but the real question is whether the American people would be better or worse off today without it? I honestly believe the nation is worse off today because this legislation is killing the spirit of saving. People are saying "Uncle Sam will take care of me." Hence, they spend their surplus funds on gambling, horse races, liquor and other wasteful expenditures, instead of saving their money as did their parents.

If the Government was promising to pay us in real things such as food, clothing and shelter, these pensions would be O. K. The government, however, takes our good dollars today and can pay us in bad dollars when we are 65. These may then be worth very little.

How Safely To Save

The above means that if all the readers of this column should reach 65, July 1, 1949, they would get an average of only \$34.50 per month pension. Hence, it is a crime to your family to depend upon this. Instead do these three things:

1. Have a small sustenance farm somewhere to which you can go in an emergency.
2. Give your children and wife an expert knowledge of some trade or profession.
3. Make regular cash savings which can be invested at the right time in a well diversified list of stocks, bonds and good real things.

came up with a prophecy that made Congress cry even louder for chopping down expenses. The experts said:

Because of the drop in business, in the fiscal year beginning July 1, the government will take in only around \$39 billion in taxes, not the \$41 billion Mr. Truman figured on last January.

So whereas Mr. Truman figured revenue \$41 billion) would be about \$1 billion less than expenses \$42 billion) the experts figure it will be \$3 billion less (with revenue only \$39 billion).

Meanwhile, as bill after bill (to pay expenses, starting July 1) goes whirling to the senate, the senators pass them right merrily, not cutting them, but talking loudly of economy.

If at this point you can't figure out what Congress is really going to do about cutting expenses, that's all right. Congress doesn't seem to be making much progress in fighting it out, either.
