Big Four Nearing End Paris Talks

Foreign Ministers Seek Conclusive Decision On East-West Trade In Germany And Austrian Independence; 'Partial Agreement'

Paris, June 14 (AP)—The Foreign Ministers council, reported nearing the end of its Paris session, sought a conclusive decision today on east west trade in Germany and an Austrian independence treaty.

Economic experts of the four occupying powers in Berlin, yesterday handed to the Foreign Ministers the East-West trade in Germany and an Austrian independence treaty.

The Foreign Ministers themselves were reported in partial agreement on a truce in the Berlin difficulties. This appeared to have grown out of secret big four negotiations.

Yet, the Foreign Ministers faced a showdown in their efforts to write a more complete economic agreement for Berlin and an independence treaty for Austria.

The Foreign Ministers decided to meet in a restricted session again today. Only their interpreters and one senior adviser to each was present as the session got under way.

A British spokesman said the ministers were expected to take up two items discussed in a similar secret session Sunday night. Well informed sources said these items were:

1. Limited commercial accord for Germany which would promote east west trade, fix an exchange rate for the west mark and the Soviet zone mark, and assure western powers of transportation access to the city.

2. A treaty for Austria which would mean evacuation of occupation troops in the near future.

Under a tentative schedule, reported by officials in one delegation, the Ministers will try to finish these two topics by Thursday night, then adjourn the present Paris talks until the next session of the Council in New York sometime in September.

Problems, such as Germany's reunification and preparation for a peace treaty for Germany would be submitted to the Foreign Ministers' deputies for study between now and autumn.

Report Decrease In Jobless Pay Claimants Here

Statistics from the local employment office released today show a decrease of 139 in the number of persons receiving payments from the Greenville office for the week ending June 11 as compared with the same week last year.

During the week ending last Saturday approximately 555 persons received unemployment payments, the local office reported.

Recent legislative action has raised the minimum base earnings requirements to receive compensation from \$130 to \$200. In addition the minimum benefits were raised from \$4 to \$6 per week and the maximum benefits were set at \$25 instead of \$20. The duration of payments has been extended from 16 to 20 weeks, it was reported.

Predict Passing Military Pay Bill

Washington, June 14 (AP)—The military pay raise bill, slimmered down by a little over \$100,000,000, returned to the House floor today for a final vote.

Members flatly predicted—and many opponents conceded—that it will pass probably tomorrow.

That was a bold and challenging speech which former President Herbert Hoover made at Ohio Wesleyan University during the weekend, when he took a vigorous dig at the brand of "new era" thinking which substitutes security for self-reliance. It's likely to bring him a good deal of mail, pro and con.

Non-Union Pits Closed As Coal Pickets Parade

Lewis Maintains Silence But Creation Of Industry Czar Said In Making

Pittsburgh, June 14 (AP)—Pickets patrolled the nation's coal fields today, forcing some non-union mines to close as the "stabilization holiday" entered the second day.

John L. Lewis ordered the walk-out of the 480,000 soft and hard coal miners. He said it was in their interest.

Meantime, Lewis, with one contract session over, headed for another. His lieutenants are slated to resume negotiations today with Southern bituminous mine operators at Bluefield, W. Va.

The bushy-browed chieftain of the powerful United Mine Workers union met briefly yesterday in Philadelphia with U.S. Steel Corporation representatives.

Publicly nothing was announced. Lewis said only that he had agreed to meet again with Harry Moses, president of the H. C. Frick Coke Co., coal-producing subsidiary of the steel firm. The new date: June 23.

Lewis, as usual, scowled, smiled, laughed and ignored newsmen's questions. He declined to say anything except "hello" and "goodbye."

(The New York Times said today that Lewis and a vast segment of the northern coal industry are in agreement on creation of an industry "czar.")

(The "czar," said the Times story, would aid in the "permanent stabilization" of the bituminous coal industry. It added that the Southern coal producers are "dead set against" the idea.)

(The dispatch added that "secret negotiations, which are almost completed, indicate that the industry 'coordinator' would be Harry M. Moses.")

(Moses was not immediately available for comment. Other industry officials also could not be reached.)

The UMW contract with the soft coal operators expires June 30. If no new pact is reached, the miners strike. Traditionally their policy is no contract, no work.

Actually the Lewis men have only one work week left in June. Right now the 400,000 bituminous diggers and 80,000 anthracite miners are spending their time fishing or resting. They get a 10-day vacation with pay starting June 26.

Several hundred pickets are patrolling the mine fields in an effort to convince non-union workers that it's a good idea to stay out of the pits this week.

Asks Check-Up On Affidavits

Washington, June 14 (AP)—Robert N. Denham, general counsel of the National Labor Relations Board, today turned over to the Justice Department for investigation the non-communist affidavits made by three officers of the CIO-United Furniture Workers.

Denham said he took the action "because of the publicity" surrounding the affidavit made by Max Perlow, secretary-treasurer of the union.

When Perlow made the affidavit, he was quoted as saying he had resigned from the communist party but was not forswearing its principles.

Tar Heel Credit Rating Has Drop

New York Investment Service Firm Action Follows Approval Of Road And School Bond Issues; Procedure 'Normal'

Raleigh, N. C. June 14—The drop in North Carolina's credit rating was termed "normal procedure" by local bond sources.

Moody's Investment Service of New York, an internationally known investment service, revealed yesterday it had reduced North Carolina's bond rating from "AA" to "A." The highest rating is "AAA."

New York, June 14 (AP)—Here are investment ratings of Southeastern states, released today by Moody's Investment Service:

North Carolina "A"; Maryland and Virginia "AAA"; West Virginia "AA"; South Carolina "AA" on general purpose bonds with sinking fund and "A" on highway bonds; Alabama, six different ratings on various bonds ranging from "AAA" to "AA"; Tennessee "A"; Georgia, Florida and Kentucky have no debt, hence no rating.

Moody's action follows the approval by the Tar Heels of a \$200,000,000 rural road bond issue and a \$25,000,000 school bond issue.

Local bond sources said the action was normal in cases where governmental units, either state or local, undertake huge bond issues.

The reduction probably will have a bearing on the interest rates on the bonds when they are sold. They probably will be slightly higher.

Governor Scott had said he expected to sell the bonds at an interest rate of from 1.50 per cent to 1.75 per cent.

The reduction occurred a little more than a week after voters of the state voted approval of a \$200,000,000 rural bond program and a \$25,000,000 school building bond issue.

Despite the refusal of the spokesman to comment on the change, the New weekly issue of Moody's bond survey said "it is manifest that North Carolina is about to incur a debt which will be sizable in relation to its resources. In reflection of this development (approval of the bond programs), the rating of its bonds has been reduced from AA to A."

The bond survey pointed out that in addition to obtaining approval of \$225,000,000 in new bond issues, the state intends to market shortly \$1,500,000 in bonds for development of port facilities at Wilmington and Morehead City.

An earlier article said that if the electorate approved the new bond program, it would raise the state's overall per capita debt from \$81 to \$146.

Badly Burned In Grease Pit Fire

Two Filling Station Employees Hospitalized By Blast

Two Negro men were hospitalized shortly after 12 o'clock today for treatment for burns they received from an explosion in a grease pit at the Central service station on the corner of Fourth and Washington streets.

Fire Chief George Gardner said the cause of the explosion has not been determined. The filling station was burned, but the extent of the damage could not be estimated immediately.

Witnesses at the scene said William Anderson was in the grease pit cleaning it out and Bob Joyner was standing several feet away outside the pit. The force of the explosion knocked Joyner several feet and burned him, and Anderson apparently was severely burned when he crawled from the pit.

The extent of the victims' injuries could not be learned from Pitt General hospital where they were taken for treatment.

Berlin Rail Union Votes For Strike

Hickenlooper To Attack Spending By AEC Chiefs

Washington, June 14 (AP)—Senator Hickenlooper (R-Iowa) is setting out next to attack the atomic energy commission's spending of the taxpayer's dollar.

The Iowa Senator, pressing his charges of "incredible mismanagement" against commission chairman David E. Lilienthal, picked for his first target at tomorrow's hearing a secret atomic installation at the Hanford, Wash., Plutonium plant.

The cost of the Hanford project has stirred up considerable congressional interest. Described as the "capstone" to the whole Hanford operation, the facility originally was expected to cost \$425,000,000. The commission now estimates it will cost \$249,000,000.

Senator McMahon (D-Conn.) chairman of the house senate atomic committee, told reporters yesterday that he had started an investigation into the project as soon as he had heard early this year about the greatly increased cost.

The Senate Appropriations subcommittee on independent offices, to which the AEC must turn for money, also has had it under discussion.

Hickenlooper was told to go ahead on his new line of inquiry at a closed-door meeting of the joint committee yesterday.

And, after consulting with five atomic commissioners, the committee decided that the matter could be discussed in public without "damage to security."

Another aspect of Hickenlooper's case against the commission—its largely unreviewed progress—will be aired behind closed doors at some later date.

None of the committee members, McMahon said, favors a full open hearing on Hickenlooper's contention that key AEC employees have been given access to secret material despite "degrading" information in their loyalty files.

Texas Lists Ten Dead In Floods And Rain Storm

Dallas, Tex., June 14 (AP)—Storms and floods in and near Dallas county took at least ten lives today. One other person was missing.

Four drowned at Garland, north-east of Dallas, trapped by the swirling waters of Duck Creek. Ten inches of rain fell at Dallas.

In northwest Dallas county, a Prisco freight train piled into a washout near Farmers Branch. A bus drowned during a storm in Denton county, north Texas.

Three teenage youths were killed at the outskirts of Fort Worth when their car and a Missouri Pacific freight train collided in a blinding rain storm.

The strikers also demanded that the management recognize the anti-Communist UGO Union as their bargaining agent and pledge job security. They rejected compromise offers for payment of part of their wages in west marks.

FASE SOAP RATIONING Copenhagen—The latest restriction to be lifted in Denmark is the rationing of shaving soap. It is officially predicted that soap rationing will be lifted entirely during the summer.

Lawson-Trumbo Case

House Un-American Activities Committee Has Been Asking People If They Are Or Have Been Communists; Type Of Answer Is Secret To Contests In Court

Washington, June 14 (AP)—The House Un-American Activities committee has asked people "are you or have you been a Communist?"

Those who said flatly "I refuse to answer" were cited for contempt of Congress, tried, found guilty, and sentenced.

Those who said "I refuse to answer" and added "because I might incriminate me" had no trouble at all.

Those extra few words, because it might incriminate me, make a big difference in deciding whether a man is contemptuous.

Two years ago the committee, investigating Communism, called in 10 Hollywood writers and asked them the 864 question.

When all of them flatly refused to answer, they were cited for contempt of Congress.

And two of the 10—John Howard Lawson and Dalton Trumbo—were tried in Federal court, found guilty, and sentenced to a year in jail and a fine of \$1,000.

They wanted to make a test case of it, so they were freed on bond while they appealed to the U. S. Court of Appeals. (Trial of the other eight cases has been held up pending the outcome of the Appeals.)

Yesterday the appellate court said the lower court decision was right. Why hadn't the men answered the committee's question? They argued: the constitution protects a man from being compelled to disclose his private beliefs; and, so, he can't be punished being silent about them.

Not in this kind of case, said the appellate court. Why? It ruled: "The right of free speech is not absolute. The country's welfare comes first. And if the country's welfare is involved, a man can be compelled to speak under penalty of being jailed if he doesn't."

The court reasoned that this country's welfare was involved in this case in the question of Communist influence.

1. The issue of the world, including this country's is at stake in the present struggle between Communism and democracy.

2. Since the Un-American Activities committee was investigating

C-Of-C Directors Talk Up Pitt Grain Elevator

The directors of the Greenville chamber of commerce last night at their regular meeting authorized the publication of the Greenville Guide, and adopted a recommendation of the agricultural committee to sponsor a purebred hog sale and

a junior purebred hog show in the county, next fall.

The report of the agricultural committee was made to the board of directors by Hugh Winslow. The committee also recommended that steps be taken by the Greenville chamber of commerce to interest citizens in this county in considering and supplying storage and drying facilities for grain. The construction of a grain elevator in the county, the committee reported would facilitate the storage of corn and other grain produced in Pitt county and permit the grains produced in this section to compete with grain marketed from other sections of the country.

Navy Plane Said Long Overdue

San Francisco, June 14 (AP)—A Navy transport plane with a crew of seven naval reservists from Memphis, Tenn., has been missing since 8:45 p.m., last night, the Navy announced today.

The plane contacted Clover Field Santa Monica, Calif., at about 8:30 p.m., shortly before its arrival over the field to attempt a landing.

A 1,000-foot ceiling was over the field, and the plane turned back over the Pacific Ocean, a Navy public information officer said. It has not been heard from since.

Was Curious

Steeple Ashton, England, June 14 (AP)—What was in the letters the Vicar wrote to the young ladies? Postmistress Mary Tye had an itch to know.

She was fined 100 sterling (400) yesterday for opening letters to find out—and now there's a new postmistress.

"I was curious," she told the local court.

"I knew I was doing wrong, but the practice grew on me and I found I could not resist it."

She said she went on from opening the Vicar's letters to peeping at others.

Mrs. Tye said she never told anybody what she found out.

'New Era' In Thinking

Herbert Hoover's Dig At Substitution Of Security For Self-Reliance; Even Now, Many Parts Of World Experimenting With Idea; Great Britain And Socialism

That was a bold and challenging speech which former President Herbert Hoover made at Ohio Wesleyan University during the weekend, when he took a vigorous dig at the brand of "new era" thinking which substitutes security for self-reliance. It's likely to bring him a good deal of mail, pro and con.

Certainly the topic is timely, for there are few corners of the world where it isn't being discussed and in many cases experimented with. Even John Bull, who through the generations has stood for solid conservatism, now is up to his neck in socialism.

Hoover said that while "security" eliminates the risks of life, it also kills the joy that lies in competition, in individual adventure, new undertakings and new achievements. These contain moral and intellectual impulses more vital than even profits, for from them alone comes national progress.

This is from a man whose life is a romance of American success. He was orphaned at 10 and was self-supporting by 15. He rose to the top as a mining-engineer, working in many parts of the world. Fame came

Doctors Told Of Advance In Polio

Louisville, Ky., June 14—(AP)—Doctors meeting here have been told of an important step in the fight against infantile paralysis.

Dr. Harry M. Weaver, director of research for the National Foundation for Infantile Paralysis, disclosed yesterday that one of three known viruses which cause the disease has been cultivated artificially.

He added, however, that production of a preventive serum for mass distribution must wait until considerable research and other work is done.

One of the problems ahead, he told more than 300 doctors here for a seminar conducted by the University School of Medicine, is to find out the exact number of virus which cause polio.

Then, said Dr. Weaver, all these viruses must be cultivated outside a living organism, and a method found for accumulating enough cultivations for widespread distribution of a vaccine.

Rotarians Meet Monday Evening

By WYATT BROWN

The nine new members of the Greenville Rotary Club since June 1938 were given special attention last night at the Monday night dinner meeting. Howard McGinnis, program chairman, posed a few questions for them and awarded some prizes for the correct answers. Guests of the club last night were two sons of Rotarians—Charles Pace and Edward Buchanan. Visiting Rotarians were Dr. John Mewborn of the Farmville club and Rotarian Dubois of the Vanceboro club. Ernest Willard, club president, presided.

The Roman citizen of the First Century A. D. had about twice as much water delivered in the city for his use than had the citizen of Glasgow in 1928, according to one estimate.

Hill-McGowan Vows Spoken June 3rd

The Free Will Baptist church was the scene of a simple but beautiful wedding when Miss Nonia Pearl McGowan, daughter of Mr. and Mrs. W. M. McGowan of Greenville, was married in a candlelight ceremony to Mr. Ralph C. Hill, son of Mr. and Mrs. R. I. Hill of Greenville.

The Rev. C. J. Harris officiated at the ceremony which took place at 8 o'clock, June 3.

Curtis Paul, organist, rendered a program of nuptial music. Mr. Herman Nobles sang "Because," and "I Love You Truly."

The bride, given in marriage by her brother, Carl McGowan, wore an aqua dress with white accessories and carried a white prayer book topped with white rose buds and white satin streamers.

Mrs. Harvey Hill, matron of honor, was the bride's only attendant. She wore a pink dress with white accessories and a corsage of white carnations.

Harvey Hill, cousin of the groom, was best man. The ushers were Joe Clark and John House.

The bride's mother was dressed in navy blue. The groom's mother wore a blue dress with white accessories.

The couple will make their home in Greenville.

21-Gun Salute Is Cut For Israel

Tel Aviv—(AP)—The Argentine embassy in the United States forwarded to Israel a request for information on how many gun salutes are fired here for Israeli President Weizman.

Actually the new state hasn't had time yet to work out a lot of these matters. But its protocol department set to work, drew up a code, and replied: "21 guns, as other states do for their presidents."

But the note added, confidentially, that in fact so far they've only been firing five guns—because of the war munitions supply and all that. (And whether it's five or 21 it is the first time military censorship has passed the fact that Israel has that many guns.)

The term "apothecary" is used in the United States, Scotland and Europe to mean druggist, but it is used in England to mean physician.

Siamese Warned To 'Be Prepared'

Bangkok—(AP)—Military leaders of Thailand (Siam) have been told by Defense Minister Lt. Gen. Luang Chart Nakrob they must not meddle in internal politics because it is their duty to prepare themselves for "the war that lies ahead."

"At present, the struggle is now merely a verbal one between those supporting opposing political doctrines," the minister told 23 lieutenant colonels just graduated from the Army Staff College.

"Each day this verbal struggle can be seen developing into what in the near future will be a real struggle of force. Once the struggle has begun, there can be little question that Siam will be involved. Therefore, we must prepare. We must be on the alert."

"In preparing for this struggle, we must be careful not to meddle in internal politics or allow ourselves to be instruments of politicians."

"Our ideal must be that as soldiers we are not to meddle in politics and to see that politics does not meddle with the armed forces."

Clark Air Force Base, Luzon P.I.—(Special)—Charles Simpkins Jr., son of Mr. and Mrs. Charles Simpkins of Route 2 Greenville, North Carolina has been recently promoted to the grade of Sergeant at this 13th Air Force base in the Philippine Islands.

Sgt. Simpkins has been on duty in the island at this Far East Air Force base for a period of approximately ten months. He is assigned to the Headquarters and Headquarters Squadron 13th Air Force, APO 74 and is detailed to duty in the Squadron Orderly Room as Officers Classification Clerk.

Sgt. Simpkins expects to return to the States sometime in July 1950.

Coffee Hour Honors Three Brides-Elect

Mrs. Knott Proctor was hostess at a coffee hour on Saturday morning at 11 o'clock as a courtesy to Miss Rosamond Nicholson, Miss Ann Morton and Miss Mary Ann Townsend, of Farmville, brides-elect.

The long table arranged in the garden was spread with a pink cloth and centered with a beautiful bowl of mixed summer flowers with pink predominating.

Misses Hannah Proctor and Lou Cheatham assisted the hostess in serving dainty party refreshments.

Misses Nicholson and Townsend were presented gifts in china and Miss Morton was remembered with an honor gift of crystal. The three brides-elect were also presented old fashioned nose gays made with flowers from Mrs. Proctor's garden.

Luncheon Fetes Miss Nicholson

Continuing the prenuptial parties planned to honor Miss Rosamond Nicholson, bride-elect of next week, Mrs. Sam Northrop entertained at luncheon on Monday at 1 o'clock at her home on West Fifth street.

White glads were used to decorate the home and the tables at which covers were laid for eight of Miss Nicholson's intimate friends, were centered with small arrangements of mixed summer flowers.

Luncheon was served in three courses.

The honor guest was remembered with a gift of china in her pattern.

Strength FOR THE DAY

START EARLY The gardener is digging away at the flower beds. "Why so early?" I asked: "This means an added hoing for the summer." "Yes," he replied, "an added hoing now but about half as much time spent on the beds later because we got the weeds early. The only way to handle the weed problem is never let them get started."

Quite a parable on many aspects of life! The way to handle bad habits is not to let them get started. The way to stop worrying is never to start worrying. The way to live a life of calm is never to allow one's self to get into those uncontrolled habits of excitement and anger which, after they have had their way with us for a few decades, can scarcely be broken.

NOT SO GOOD The New York announcement that North Carolina's credit rating has dropped from AA to A indicates that the recent two hundred million dollar road bond issue is not going to be quite so attractive as it was pictured during the campaign.

SAFETY FIRST Mayor J. H. Boyd has proclaimed this week as Safety Week in Greenville. Too often one hears the expression of "Unavoidable Accident."

Accidents cannot be prevented after they happen, so the only way to be safe is to take every precaution against accidents at all times. This applies to accidents on the farms and in the homes as well as on the public streets and highways.

The old adage of "An ounce of prevention is worth a pound of cure," certainly is true in the case of accidents. The way to avoid accidents is to be afraid of them and exercise common sense and precaution in whatever you are doing.

COTTON—The question of what happened to the depression year project of using cotton as base for road pavement bobbed up in a discussion of the forthcoming road building program. The question was relayed to the highway engineering division. The answer was short and conclusive. Cotton is not a suitable road material. Its use does not lessen cost of construction and it adds nothing to the life or utility of its roads.

Boyle's Column By HAL BOYLE Berlin, June 14—(AP)—Americans in Germany have in some ways become the prisoners of the conquered. They are suffering, to a degree at least, the fate of all occupation powers through history—the fate of becoming a captive of the people they captured.

troubles them 'deeply,' one man said. "They start doing things to help German children, and before long they are more active in charity work than they ever were in their own home towns." Many American families are disturbed by the problems of rearing children here. One husband whose child is just learning to talk said: "I don't like the fact he can understand his German nurse better than he can me."

Cotton Senators Fight Big ECA-Buying Slash

Washington, June 14 — (AP) — Senators from the cotton country rallied today against any "drastic slash" in cotton purchases for the European recovery program.

Most of them want a cut in recovery spending — but they are standing firm against cotton being singled out for economy sacrifice by the Senate Appropriations Committee.

But a possible public airing of the cotton problem was postponed temporarily when the committee decided to put off further hearings on the recovery program until tomorrow.

The foreign aid bill was laid aside to let the senators join House members in conference on the civil functions bill. That measure provides money for the rivers and harbors work.

Southerners were quick to voice opposition to an economy plan offered by Senator McCarran (D-Nev). He proposed a reduction of \$740,000,000 in ECA budget estimates—including a cut of \$134,000,000 in Europe's cotton and wool

purchases. The effect of these cuts would be to reduce the volume of ECA purchases in the United States. Senator Connally (D-Tex) said: "I'm opposed to the proposal for radical reductions in wool and cotton exports to Europe. If Europe is to be rehabilitated, her textile industry must be permitted to secure raw material to give employment and maintain her position in world trade."

Excessive Rains Hurt Spud Crop

Raleigh, N. C., June 14—(AP)—Excessive rains have hurt the outlook for commercial early Irish potatoes, according to the federal-state crop report.

The report, issued yesterday, said June 1 reports indicate a production of 4,800,000 bushels, a drop of 480,000 bushels from May 1 estimates.

Burtonwood Air Base, England, June 14—(AP)—The U. S. Air Force announced today that Master Sergeant Louis J. Stephenson, 40 was killed by a bus in nearby Warrenton Sunday.

Stephenson's home address was Box 543, Weldon, N. C. His wife, who had planned to join him here soon, lived at Upper Derby, Penna. The accident occurred when Stephenson's bicycle skidded in front of the bus.

Light Sprinkle Of Rain Monday First In City Since June 6

Although scattered showers varying from sprinkling rain to downpours were reported over several sections of Pitt County yesterday, Greenville had only .02 of an inch of rain, according to Mrs. C. E. Maiden, weather observer here.

The rain in Greenville yesterday was the first the city has had since June 6, Mrs. Maiden stated, and brought the rainfall for the city during June to .99 of an inch. During June last year Greenville had a total of only .72 of an inch. The high temperature recorded here yesterday was 86 degrees and the low was 66 degrees. At 8 o'clock this morning the temperature in Greenville was 77 degrees.

Roosevelt Takes Oath Of Office

Washington, June 14 — (AP) — Franklin D. Roosevelt, Jr., (D-NY), receives his oath of office today as a member of the House of Representatives.

The third son of the late President, to whom he has been compared in political charm, came here from New York to be sworn in by Speaker Rayburn (D-Tex).

Young Roosevelt staged a whirlwind campaign to defeat three other opponents May 17 for the seat left vacant by the death of Rep. Sol Bloom, D-NY. Since the special election, in New York City's 20th district, he has been abroad mainly in Israel.

FALLING LIMBS
Falling limbs from pecan trees at the corner of Fourth and Reade streets caused four high voltage lines to part yesterday about 3:15 shutting off power for a time. Linesmen from the Greenville Water and Light company soon repaired the lines, which carry 7,000 volts, and service was resumed to normal.

LUCKIES PAY MORE

to give you a finer cigarette!

Yes, at tobacco auctions Lucky Strike pays millions of dollars more than official parity prices for fine tobacco!

There's no finer cigarette in the world today than Lucky Strike! To bring you this finer cigarette, the makers of Lucky Strike go after fine, light, naturally mild tobacco—and pay millions of dollars more than official parity prices to get it! So buy a carton of Luckies today. See for yourself how much finer and smoother Luckies really are—how much more real deep-down smoking enjoyment they give you. Yes, smoke a Lucky! You'll agree it's a finer, milder, more enjoyable cigarette!

CURTIS A. WALKER, veteran independent warehouseman of Wendell, N. C., says: "Season after season, I've seen the makers of Luckies buy fine tobacco...tobacco that makes a mild smoke. I've smoked Luckies myself for 20 years." Here's more evidence that Luckies are a finer cigarette.

Note to Mothers:
One out of every three children who die between the ages of five and fifteen years of age die accidentally. The purpose of this contest is to stimulate the interest of your children in safer living. Accidents in the home kill 30,000 and injure four million people every year. The Radio Comedienne, Gracie Allen, has organized the "Don't Be A Gracie" Club to interest mothers in making their homes a safer place to live. The "Don't Be A Gracie" Club is mentioned on almost every Burns and Allen broadcast Thursday evenings.

Look around your home for such common hazards as frayed lamp cords, toys on the stairways, curtains near stoves, loose throw rugs, etc.—and check yourself to see if you're careless about such things as dry cleaning with gasoline, putting pennies in fuse boxes, using matches instead of a flashlight, etc.—if you do these things You're A "Gracie."

Just write a letter telling Miss Allen why you are or are not a "Gracie."

Miss Allen will acknowledge your letter—and make you a member of the "Don't Be A Gracie" Club.

Greenies 'Lower The Boom' On Wilson For 7-3 Victory

Winning And Hitting Streak Holds Up For Fourth In Row

By BEET MOYE
 Manager Pappy Williams' Greenville Greenies cracked base hits like pop corn at Guy Smith Stadium last night as they registered their fourth straight win in a row by defeating the Wilson Tobs, 7 to 3, in the first of a two-game series between the two clubs.

Steve Denier, with a homer, double and a single, and Bob Cohen, with three singles, spearheaded the 13-hit attack off the two Tobs hurlers. Bob Cohen drove in three of the Greenie runs and Denier drove in two. Paul Strausser and Pappy Williams chipped in with two singles each.

The Greenies started meekly scoring once in the first inning when Pete Gillespie singled into center field and advanced to second when Centerfielder Roberts bobbled the ball and Bob Cohen singled to bring home Gillespie from second base. The Tobs came back in their top of the second frame to knot the count at 1-1 by scoring on two walks, an error and a fly to deep left field by Brantley Aycock.

The Greenies picked up momentum in the second, rapping Charlie Nordmeyer for two runs after he had walked Phil Godfrey and Steve Denier homered over the left center field wall to bring in Godfrey ahead of him. In the fifth inning they put across another marker when Cohen walked, Williams walked

Varney was given an intentional pass to load the bases, and Godfrey hit forcing Varney at second with Cohen scoring on the out.

The Greenies' big inning was the sixth when they put across three runs to ice the game and send Charlie Nordmeyer to the showers. Denier led off with a double, Harrison singled, Strausser singled with Denier scoring, Tepedino sacrificed the runners around the bases and Bob Cohen came through with a timely single to bring in Harrison and Strausser.

Bobby Harrison on the mound for the Greenies held the Tobs to their lone three hits in the seven innings which he worked, but was very wild as he walked eight men. He struck out seven, Bill Roberts with a double and a single accounted for two of the three hits with Irv Dickens getting an infield hit to round out the total of three hits off his delivery.

Jim Lewey relieved Harrison in the eighth frame and pitched the final two frames, holding the Tobs scoreless and hitless. He walked two men and struck out one.

Charlie Nordmeyer started on the mound for the Tobs but was sent to the showers in the sixth frame after the Greenies had collected three straight singles. He gave up 11 hits, walked three and struck out three during his term on the mound. Harvey Pittman pitched the three final frames and held the Greenies scoreless after yielding two hits and striking out one man.

The Greenies go to Wilson tonight to play the second game of the series with the Tobs but return home tomorrow night when they meet the Roanoke Rapids Jays.

Robinson Tops National In Hits

New York, June 14—(AP)—Jackie Robinson, star second baseman of the league-leading Brooklyn Dodgers, carried the highest batting average in the National League into St. Louis tonight, where the Brooks open a three-game series with the runner-up St. Louis Cardinals.

Robinson collected 10 hits in 25 trips to the plate during the week to boost his mark seven points to a pace-setting, .349.

The Dodger Flash was fourth a week ago, 24 points back of Pittsburgh's Ralph Kiner.

Close Contests Feature Openers In Boys' League

The Boys League opened yesterday with eight teams playing in midseason form. Two extralining games featured in the days activities. In the senior division, the Braves defeated the Tigers from Third St. in a thriller. In the middle division, the Yankees from the East End ran roughshod over the Dodgers from Third St. In the Junior division the Red Sox from the Training School won an exciting extra inning encounter from the Wolves from West Greenville and in a battle between two Training School teams the Indians were whipped by the Cardinals.

Braves vs. Tigers
 The Braves and Tigers opened the season in the senior division Monday morning at Third St. Park with the Braves taking the decision by the score of 8 to 7, in a game that was not decided until the last out in an extra inning. The Braves built up a 6 to 0 lead by the fifth inning and seemed to be coasting to victory until the Tigers found their batting eye and scored three runs in each of the fifth and sixth innings, while the Braves were scoring singletons to make the score 8 to 6. In the final inning the Tigers scored one run and had what would have been the tying run, tagged out at home. With one out then they got two runners on with still only one out. At this stage the Braves passed Bobby Odum purposely to fill the bases to set up a double play. The strategy worked when Begie Whitehurst lined out to Brady at short who threw to Farley at third to double Garner to end the game.

Bobby Perry got a homer and two singles to account for three of the five hits that the Braves got off the pitching of Larry Flye, the Tiger moundsman. Walter Perry his older brother, led the Tigers at bat with a double and two singles. Julian Vainright, Wiley Gardner Flye and Bobby Odum all got two hits each for the losers.

Dodgers vs. Yankees
 In the other morning game, the Yankees, although out-hit, took advantage of the wildness of the Dodgers pitchers to take an easy 15 to 3 victory.

Bobby Nunn got two of the winners' three hits. Harrington, with three singles and a homer and Cox with a triple and single were the leaders for the losers.

Indians vs. Cardinals
 In a battle of errors, the Cardinals won over the Indians at the Training School diamond by the score of 13 to 6. Both of these teams are from the East End. Blount, Bill Taft and Cannon were the leaders for the winners. Lee with a triple and single and Boyd and Averett with a single apiece were the leaders for the Cards.

Red Sox vs. Wolves
 In the other game of the junior division, the Training School won over the Wolves at the W. Greenville diamond in an exciting game that went into extra innings before gaining a 9 to 8 decision. Playing remarkably well for Juniors, these two teams battled on even terms all the way. Taking a one run lead in the first inning the Red Sox then fell behind 3 to 2 in the third when the Wolves scored once in the second and two in the third. In the fourth the Red Sox came back with five runs to assume a commanding lead only to have the Wolves score a singleton in the fourth and three more in the sixth to draw within one run of a tie. In the final inning the Wolves shoved a tally across to send the game into an extra inning. In the top half of the extra inning, the Red Sox scored the winning run. In this inning Ike Riddick hit to deep left center but was thrown out at home but they were not to be denied and came back to win.

Ike Riddick with two triples and Mike Riddick, Joe Taft and Thomas with two singles were the leaders for the Red Sox. Charles Pollard and Shackleford were the top hitters for the Wolves with three hits each. J. Barnhill starred at shortstop for the Wolves.

Schedules for Wednesday
 Athletics vs. Tigers, Third St., 9:30 a.m.
 Dodgers vs. Reds, W. Greenville, 9:30 a.m.
 Indians vs. Red Sox, Training School, 2:30 p.m.

 New Bern at Roanoke Rapids
 Rocky Mount at Kinston

Sidelights—The win for the Greenies last night was their fourth win over the Tobs this season as against three defeats. . . . Nordmeyer's loss to the Greenies was his second this season. . . . During the past four games the Greenies have collected 62 hits for 94 total bases and have scored 47 runs. . . . The win for Harrison was his second of the season as against three defeats. . . . Wilson had 9 men stranded on the bases; the Greenies had 7. . . . Both teams made one double play. . . . The Greenies were successful on two stolen bases and two men were caught stealing.

Here and There—Merwyn Franke and Ed Mason, both rookie pitchers, have been released by the Greenville club. . . . Clark Gardner, rookie who hails from Concord and who has been playing much semi-pro ball in a textile league up there with Mt. Pleasant, has been added to the Greenville roster. . . . Bunn Hearne, scout for the Boston Red Sox and coach at the University of North Carolina, was here last night watching the Greenies perform. . . . Jake Daniel, the hard-hitting first baseman who is leading the Coastal Plain batters in individual hitting, is no longer with the New Bern Bears and has left town. Club officials refused to go into details about his departure but said that the club still has his contract. Where Daniel has gone and what he is doing remained a mystery in New Bern yesterday. . . . Bill See, who won 25 games in his rookie year last season with the Tarboro club and who transferred to the Bears this season, has been granted a 30-day leave of absence by the Bears and is returning to his home in Keyser, West Virginia, to regain his effectiveness.

—Garland Little who was given his release by the Greenies recently is now hurling for Belhaven in the Beaufort County League. . . . New Bern has two new rookies recently added to their roster. . . . Jim Faulks, a rookie outfielder and catcher, optioned to the Bears by Hagerstown, Md., in the Interstate League and Bob Hess third baseman, who hails from Anyville, Pa., Mack Holland, a limited service outfielder with the Bears has been optioned to Clinton in the Tobacco State League. . . . Joe Nesing, who was with the Greenies a short time last season has returned to action for the Sanford Spinners. . . . Sanford also has Charlie Chute back, he having played with Greenville for a short spell this season. . . . R. W. Hepler, Eagles' second sacker, has been placed on the ineligible list for jumping the club. . . . Shirley Hammack, former shortstop for the Jays, is reported to be hitting the ball at a better than 300 clip with the LaGrange club of the Georgia-Florida league, a class D circuit. . . . Dale Sanner, the Tobs third sacker was injured in a game Friday night when he suffered a badly sprained ankle, and will be out of action for several days. . . . Bobby Hemple, rookie outfielder, has been given his release by the Tobs. . . . Manager Bull Hamons, of the New Bern Bears, ended his ten-day suspension Saturday morning and resumed his job as manager of the Bears Saturday night. . . . Dutch Schlutz, former Rocky Mount flinger, has been working out with the Tarboro A's and hopes to sign a contract with them ere long. . . . Rick Hoot, first baseman of the A's, has been sent to Lexington by Manager Joe An-

under ten years old. Two teams have been organized to date and more are expected to enter soon. The opening game of this division was staged Tuesday afternoon between the Cubs of Third St. and the Giants from the Training School.

Finalist
 New York, June 14—(AP)—One of the four finalists for the National Collegiate Athletic Association baseball tournament had been determined today and the other three will qualify by this weekend.

St. John's University of Brooklyn won the right to represent the east by taking two straight games from Boston College yesterday. The scores were 10-5 and 7-2.

Rocky Mount is reported trying to sign Dick Vander Clute pitcher, and Russ Batchelor, catcher, both of Wake Forest team, just as soon as the NCAA journey is over. . . .

Cubs Start New Frisch 'Regime'

Chicago, June 14—(AP)—The Chicago Cubs, embedded in the National League's seventh place, entered a new baseball regime today under the leadership of fiery Frankie Frisch.

The light touch era of affable Charlie Grimm, steered to the plunishness of a vice president's chair has been supplanted by a man with a whip in his hand.

Frisch is a hard driving graduate of the old John McGraw school whose brilliant playing won him a niche in baseball's Hall of Fame.

He was an acid-tongued "toughie" with the New York Giants and carried his whip-lash playing tactics with him in his managerial role with the St. Louis Cardinals. His hard-riding strategy made the Cards famous in baseball lore as the Gashouse gang.

This is a big day for the old Fordham flash, who moves into a reported \$30,000 a year job from the Giants' coaching lines. The Cubs, 1/2 game ahead of last-place Pittsburgh, which Frankie Frisch managed from 1940 to 1946, launched a two-week home stand in a clash with the Phillies.

In inheriting a club that has won 19 while losing 31, Frisch's first order was for more aggressiveness on the part of the players.

"I demand hustle," he said. "I'd rather have the guy who tried to go from first to third and is thrown out than the one who just loafed down to second base and is safe."

Bums Take 7-Game Win Streak Into Cardinal Camp

By RALPH RODEN
Associated Press Sports Writer

Those two old antagonists, the league-leading Brooklyn Dodgers and the runner-up St. Louis Cardinals, go at each other tonight in the first game of a vital three-game series in St. Louis.

Brooklyn, clicking on all cylinders, leads the Cards and the third place Boston Braves by two games and is sporting a seven-game winning streak.

With the exception of a three-game excursion across the river to the Polo Grounds, Brooklyn has completed a home stand that brought 11 victories in 15 attempts. The Cards also are pretty hot. Stan Musial and company staged a triumphant swing through the east that netted them 10 victories in 13 starts.

Howie Pollet, stylish lefthander who has won five straight games in brilliant fashion, has been selected to oppose Lefty Preacher Roe in the series opener. Roe, whose chief fault is a home run ball, beat Pollet, 2-0, the last time the pair met in St. Louis, May 19. That was the last time Pollet was beaten.

Ralph Branca (8-1) and Don Newcombe (3-0) or Rex Barney (2-4) are expected to work the remaining

games for Brooklyn against Al Biele (6-3) and either Red Mungie (4-2) or Harry Brecheen (5-3).

The Braves, meanwhile, open three-game set with the last place Pirates in Pittsburgh. Rookie Bob Hall is slated to go against the Pirates' Bob Cheshnes tonight.

New York's stumbling Giants launch their second tour of the west in Cincinnati and the up coming Philadelphia Phillies take on the Cubs in Chicago in the major's lone day game.

The American League's front-running New York Yankees return home after a road trip that saw them win only eight of 15 games. The Yanks left the Stadium on May 30 in first place by four and a half games.

Casey Stengel's crew now leads the Detroit Tigers by three games. The Tigers, in fifth place, six games off the pace before Memorial Day games, have captured 11 of their last 15 starts.

Vic Raschi, (9-1), the league's top righthander, will open the Yanks' home stay against the Chicago White Sox tonight. Former Yankee Bill Wight will toss for the Sox who are in for four games.

After the White Sox, the Cleveland Indians come in for three

games followed by the St. Louis Browns. The Tigers arrive after the Browns for an important five-game series.

The Bengals begin their second unt through the east in Philadelphia taking on the Athletics for three games. Righthander Virgil Trucks (8-3) goes against the third place A's Dick Fowler (4-3) tonight. The Tigers then move to Washington for four games and to Boston for three before clashing with the Yanks.

Boston, tied with Washington for fourth place, entertains the Indians in the first of a three-game set tonight while the Senators play host to the Browns in the first of three.

Grapevine Says Futher Player Trading Is Ahead

New York, June 14—(AP)—Five major league baseball players swapped uniforms today amid rumors that maybe a half dozen more would change clubs before the trading deadline at midnight tomorrow.

The Boston Red Sox, in a bid to strengthen their wobbly pitching staff, sent Lefthander Mickey Harris and Outfielder Sam Mele to the Washington Senators for Righthander Walt Masterson. The New York Giants shipped Catcher Walker Cooper to the Cincinnati Reds for Backstop Ray Mueller.

The grapevine has the Giants planning a wholesale shift in their personnel. They departed for Cincinnati last night without Mickey Livingston, who along with Cooper had done their catching.

Livingston said he didn't know why he was left behind "unless a deal is cooking."

Reports had Livingston going to either Pittsburgh or the Chicago White Sox. However, General Manager Roy Haney of the Pirates said "there is nothing" to the report that the Pirates were after Livingston.

Outfielder Willard Marshall and First Baseman Johnny Mize also are reported on the block. The Giants are looking for an established second baseman and according to the boys in the know they have their sights trained on Ed Stanky or Sibby Sisti of the Boston Braves, with Marshall as the pawn. The Braves are seeking an outfielder of Marshall's class.

The rumor mart also was working in the American League, with smoke brewing in the ranks of the peacocking New York Yankees, the runner-up Detroit Tigers and the last place St. Louis Browns.

Peace Comes To Fight Game But No Big Bouts

New York, June 14—(AP)—This town had peace between fight managers and Madison Square Garden today but no big bouts were on tap.

Having settled their differences over television money, the Garden's boxing chieftains and a number of ring pilots headed for the midwest to take in the two championships bouts scheduled for that area.

The Garden, tied up with Joe Louis' International Boxing Club, has more than a rooting interest in the IBC's Detroit and Chicago tilts.

Marcel Cerdan defends his middleweight crown against Jake La Motta in Detroit tomorrow night and Ezzard Charles and Jersey Joe Walcott tangle for the NBA's heavyweight title in Chicago, June 22.

Roanoke Rapids Signs Lockamy As New Manager

Roanoke Rapids, June 14—Glenn Lockamy, veteran infielder, signed a contract Monday afternoon to manage the Roanoke Rapids Jays of the Coastal League. Lockamy, former manager of the Raleigh Capitals, succeeds Russ Meers, who left the club Friday of the past week for a business position in Norfolk, Va.

Lockamy resigned as manager of the Raleigh club last Thursday after the Caps had lost a doubleheader to Greensboro. He had planned to stay as a player, but later was released at his own request.

When Lockamy resigned the Capitals were in third place in the Carolina League with a 26-23 record. According to the latest averages, he was batting .279.

Club officials also announced the signing of Frank Tepedino, veteran shortstop. Another Carolina League player, Tepedino started the season at Danville, but recently obtained his release. He made his first appearance in the Roanoke Rapids lineup Sunday afternoon.

American League Batters Led By .346 For Kell

Chicago, June 14—(AP)—Veteran George Kell, Detroit third sacker, who notched 304 for the Tigers last season, tops American League hitters today with a .346—a 21-point bulge over the rest of the field.

The 26-year-old Kell, a major leaguer since 1943, added five points to his batting percentage during the week while outfielder Dom DiMaggio of Boston slumped 21 points to .318. DiMaggio trailed Kell by only two points last week. His .318 was good for third place.

Philadelphia's Eddie Joost moved to second with a three point increase to .326.

Fourth was Washington's Eddie Robinson with .317. He was followed by Ted Williams of Boston with .316; Cass Michaels, Chicago, .312; Bob Dillinger, St. Louis, .310; Dale Mitchell, Cleveland, .306; Hank Majeski, Philadelphia, .303; and Vic Wertz, Detroit, .301.

Competition To Open In Playground Events

Inter playground competition will begin this week with a sand modeling contest as the first activity.

Each playground will select any theme they wish and make a model in the sand. Judges will visit the playgrounds Friday afternoon and select the best exhibit. Points will be awarded for this and for many other activities during the summer and the playground having the most points at the end of the competition will be proclaimed the winner.

Ezzard Charles Laughs Off Extra Weight Given Walcott For Fight

Momence, Ill., June 14—(AP)—Ezzard Charles, the 27-year-old hard-hitting Negro from Cincinnati says he would rather have youth on his side than an additional 14 or 16 pounds in weight.

That is how many pounds he will give up to Jersey Joe Walcott, the 35-year-old Camden, N. J. veteran who gets his third crack at a world's heavyweight boxing crown. He lost twice in title bouts with Joe Louis.

Charles and Walcott will tangle for the NBA-sanctioned heavyweight bauble June 22 in Chicago's Comiskey Park—the same setting in which Louis blasted Jim Braddock to gain the crown 13 years ago.

Charles plans to enter the ring weighing about 180 to Walcott's 195. "That edge doesn't mean a thing," recites Charles. "I won my last three fights against heavyweights and gave up plenty of pounds. Joe Baksi topped 210 and I scaled 178. I stopped him in 11 rounds. Johnny Hayes was in at 214 and I knocked him out in eight. I had more trouble with 185-pound Joe Maxim than the others. He still had his speed."

Charles already has reached his fighting weight for the big bout. Walcott, whose training camp is 12 miles away, still must shed some eight pounds.

Third Road Gang Escapee Caught In South Carolina

Raleigh, June 14—(AP)—Hubert Watts, one of four armed convicts who escaped last week from Tar Heel road gangs, was picked up yesterday in South Carolina.

His recapture left only one of the four escapees at large, Ed Smith, 48 former Vance county resident.

Watts, 28, of Columbus county was arrested at the home of a married sister in Loris, S.C., by South Carolina officers. The arrest was made on a tip telephoned from Raleigh by Chief Prisons Inspector

Kyle Matthews.

Watts escaped from the Chatham county prison camp last week with Ralph Johnson. Watts was sentenced from Columbus in February 1943, to 15-20 years for second degree murder. Johnson, recaptured Sunday at the home of his mother near Lillington, was sentenced from Wake in January, 1948, to five years for breaking, entering, larceny, receiving, and forgery.

Smith, who had twice before broken out of prison, originally was sentenced from Wake in 1919 to 10 years for train robbery. On one occasion he remained at large 18 years.

Smith and Freddie Martin, 26 of Raleigh, broke away from a Pitt county road gang. Martin was recaptured in Roanoke, Va., last Friday.

Lipstick Saved Burning Train

Lucien O'wla—(AP)—A. D. Schnaltnman found a new use for lipstick—and prevented a train fire.

While on the station platform here, he saw fire shooting from the journal box on one of the wheels of a freight train.

He quickly took his girl friend's lipstick, picked up a piece of cardboard and scrawled "fire" Engineer Otto Brammer and Conductor Dan Wright saw the warning sign and stopped the train in time.

The date at which gunpowder was first used in artillery in battle is uncertain, but is believed to be 1331.

Australia Gets European Dp's

Sydney—(AP)—One hundred thousand and displaced persons will move from Europe to Australia in the next 18 months.

They will come here under two-year contracts to the Australian government to take jobs the government directs. After that they will be free to select their own employment.

The Australian government has issued a booklet to prospective employers of this migrant labor. They will be placed only where they can be accommodated. They can live in hotels and boarding houses in Sydney, Newcastle and Port Kembla if their work helps provide more houses. They can be housed elsewhere if they do not displace a member of the Australian public.

Employers who can provide living room for an entire family of migrants will get first priority on their labor. Domestic help may be assigned to doctors or to families where there are two or more children.

Displaced men work in the production of iron, bricks, tiles, cement, building materials, food processing and rural work.

They are paid ruling rates for Australians.

Cases Tried Monday In Police Court

The major portion of the cases disposed of in the City Police Court Monday morning were on gambling charges in which seven Negroes paid ten dollars and costs.

Those charged with gambling were: George Willoughby, Joseph Chappel, James Dixon, Peyton Atkinson, Jasper Reddick, Vance Swift and Vance Roberson.

Other cases heard were:

Assault with a deadly weapon: Robert Atkinson, colored, paid \$25 costs deducted and required to remain in good behavior for 12 months.

Drunk: Frank D. Drouillon, paid \$15 and costs; Leslie F. Evans, 30 days on the road; Hubert Allen paid \$15 and costs; Earl Forbes colored, paid \$15 and costs; Otis H. Smith, 30 days on the road, also ordered to serve 30 in previous case.

Drunk and disorderly: William B. Herder, paid \$20 costs deducted; and William H. Horne, Jr., paid \$20 costs deducted.

Jesse B. J. Edmondson was found guilty of hit and run and no operators license. He was sentenced to 60 days or pay \$25 and costs in the latter case, and paid \$15 and costs in the former case.

In the record graduating class of 1949 at Chapel Hill, ten Pitt county students received their degrees.

They are: Bethel: Cecil Mayhugh Bland, Jack Oliver Carson, Winterville; Roy Edward Davenport; Fountain: Gordon Earl Trevathan Jr.; Farmville: Troy Worth Rouse Jr., Ben Lewis Rouse, Mary Leah Thorne, Latchlin Bethune Johnson, and William Cabot Monk.

Pitt Boy Scout Leaders Meet In Training Study

Over twenty Boy Scout leaders met last night at the Olde Towne Inn to engage in a three hour session of training in Boy Scout leadership. Brown Mayo of Chocowinity, a former Boy Scout field executive, gave instruction in program building for Scout meetings.

Jack Hogard, East Carolina Council Boy Scout field executive presented a talking movie showing the use of the Patrol method in Boy Scouting. Sherman Parks local Scout Camping and Activities chairman, served as projectionist.

Scoutmasters outside of Greenville present last night were: Kelly Abeyounis of Bethel, Mark McGlohon of Winterville, William R. Stroud of Ayden, Henry S. Wood of Meadowbrook, Rev. E. M. Williamson of Hollywood, Paul Dupree and Willard Gurganus of Belvoir. Meeting with the Scoutmasters were the troop committees of various troops.

Try Scouting In Socialist Style

Warsaw—(AP)—Police Boy Scouts now are being educated in the Socialist way.

Their whole organization has been converted into an "active subsidiary" of the Communist-controlled Polish Youth association.

Both Polish Boy Scouts and Girl Guides organizations have withdrawn from the World Scouts Association because of its alleged reactionary and hostile attitude towards Poland.

Dunn Resigns As Assistant In Paroles Office

Raleigh, N. C., June 14—(AP)—William Dunn, Jr., has resigned as assistant paroles commissioner effective July.

A career man in paroles work, Dunn joined the commission when it was reorganized in its present basis by Governor J. C. B. Ehringhaus in 1935. He handed in his letter of resignation yesterday.

The retiring commissioner was a supporter of Charles M. Johnson in last spring's gubernatorial primary. He is 40 years old, is a graduate of the University of North Carolina, and has temporarily headed the commission on two different occasions.

He served as acting commissioner in 1942 when Hathaway Cross, then the commissioner, joined the department of revenue temporarily, and again in 1944 for a longer period when Cross entered the army.

Chapter 16

Jeff had just finished his work when Jeff King arrived. At sight of Jeff his eyes warmed and he invited the Crown owner to slight and come into the house.

"Glenn told us about the poison of your Herefords," Jeff said. "It's the dirtiest kind of trick, and I can't believe any cattleman, even Chuck Gale, could do such a thing."

"That's right, Mr. King. It doesn't look like the work of a cattleman, yet Chuck's the only man I can think of that owes me a grudge."

Jeff made a tired gesture. "That's all right as a theory, what I've got to have before I can make a move is proof. The best thing to do is to try and trace that poison."

"Find out what it was?"

"Arsenic."

"Meanwhile, what are you aiming to do for a living?"

"I've got to get me a job. Fact is, Mr. King, I intended asking you if you could use another hand on the Crown."

"I sure could; but not you, Jeff. You're cut out for bigger things than just ridin' range. Why not let me stock you up? Business proposition entirely, I'd hold a mortgage on the stock and the homestead."

"No, sir, I appreciate the offer more than I can say, but I'm going to stand on my own feet or not at all."

"Hm-m-m." Jeff observed him from beneath shaggy brows. "Well, here's somethin' else, then. You're worth more than a cowhand job would pay. John Stover's dead and the marshal's job is open. If you take it, you'll have every chance to run down the no-good son who poisoned your cattle. I can land the job for you, and Cougar'll thank me for gettin' such a good man for 'em. It pays a hundred and twenty a month. How does that strike you?"

Jeff straightened in his chair, his eyes brightening. What Jeff had said was true, Cougar needed a marshal and he knew he could fill the job. But what appealed to him was the chance to track down the man who had poisoned the cattle.

"Well—"

"You'll take it?" Jeff got up. "Fine! See me in the bank tomorrow mornin'."

Two of America's Most Popular Motor Cars

Pictured above are typical examples of the two smart and separate lines of cars which bear the current imprint of Pontiac goodness—the Streamliner and the Chieftain DeLuxe Sedan Coupes.

Each is in such demand that, on its own, it ranks among America's most popular cars today. That two cars of such decidedly different appearance should each enjoy such wide acceptance is easy to explain. THEY'RE BOTH PONTIACS!

While each has its own individualized smartness, both offer all the great basic Pontiac virtues. Both are conspicuously beautiful. Both carry the well-known promise of Pontiac quality—long life, dependability, and fine performance. Both afford the smooth, enjoyable performance of Pontiac's two great engines—the power-packed straight eight or its equally famous six-cylinder companion.

Finally, both represent unusual values—a very big product at a very low price. Either one you choose will make you mighty happy.

Nine Of State Highway Commission Engineers Given New Assignments

Raleigh, June 14—(AP)—Nine of the State Highway Commission's division engineers received new assignments yesterday while the 10th was retired. The complete reshuffling was announced following conferences between Governor Scott, the highway commissioners, Dr. Henry Jordan, the highway commission, and W. I. Rogers, chief engineer.

The reassignments, effective July 1, come as the commission prepares to tackle the \$200,000,000 rural road bond program.

Since Scott took office, the commission has been given a new chairman and a full set of new division commissioners.

Jordan said no other personnel changes are under immediate consideration.

The reorganization calls for the following shifts:

W. M. Spruill, second division engineer at Greenville, to the first division at Asheville.

Romulus Markham, fourth division engineer at Wilson, to the second division at Greenville.

L. E. Whitfield, sixth division engineer, to the third division at Fayetteville, replacing Thompson T. Betts.

T. J. McKim, first division engineer at Asheville, to the fourth division at Wilson.

H. E. Noell, ninth division engineer at Shelby, to the fifth division at Greensboro.

T. G. Poindexter, sixth division assistant engineer, to remain at Asheville as division engineer.

T. A. Burton, fifth division engineer at Greensboro, to the seventh division at Albemarle.

J. C. Walker, tenth division engineer at Asheville, to the eighth division at North Wilkesboro.

L. B. Peck, seventh division engineer at Albemarle, to the ninth division at Shelby.

Z. V. Stewart, eighth division engineer at North Wilkesboro, to the tenth division at Asheville.

Con Lanier Is Lions' Speaker

At the weekly meeting of the Greenville Lions Club on Monday evening, J. Con Lanier was the guest speaker. Lanier, who has recently returned from a 6-week trip to Europe, during which he visited eight countries, gave a very interesting talk on the conditions prevailing in Europe today, and the outlook for the future. The speaker said that in his opinion England had the hardest road ahead, economically, and that Holland seemed to be in the best condition economically.

Mr. Lanier returned from his trip very optimistic over the prospects of the market abroad for our own flue cured tobacco. Prior to the last war, only England was a large buyer of flue cured tobacco; however, all countries in Europe are now anxious to buy this type of tobacco but are prevented from buying on a large scale because of the lack of funds.

In answer to a prominent official's statement a few days ago that all civic clubs "piddled" and played with "peanuts," Lion President Aycock stated openly that he had rather belong to a club which stored sight to even one person than pave a 100-foot boulevard from Manteo to Murphy. This statement drew a resounding round of applause from those present.

Lion President E. B. Aycock presided over the meeting.

N.Y. Stock Market

New York, June 14—(AP)—The stock market made a try for higher prices today but the effort didn't have much driving power behind it. Gains running to around a point were in a majority.

At the opening of trade it appeared likely that yesterday's sharp decline, one of the severest of the year, would continue in full force. The Monday drop carried the general price level to a 4 1/2-year low.

Turnover was at the rate of around 1,300,000 shares for the full day, a total well above average.

Communism, it had a right to ask the question.

But suppose the men, instead of saying only "I refuse to answer," had added "because it might incriminate me."

It is impossible to say what then might have happened in this particular case, or what might happen in some future case. But—

No action has ever been taken against anyone who appeared before the un-American Activities committee and refused to answer "might incriminate" him.

Under the constitution a man can't be compelled to say anything about himself if it might incriminate him. Will this always be true? Maybe not. In some future case Congress and the courts may decide this constitutional protection doesn't apply to Communism.

So far, though, the little phrase "because it might incriminate me," has been a good escape hatch for anyone not wanting to say whether he's a Communist.

But there are a couple of things to remember about this appellate court decision:

1. It applied to a particular situation: what happened with the un-American Activities committee. If it was investigating Communism.
2. The same court might not think a man guilty of contempt of Congress at all if—say—he refused to answer about Communism before some committee investigating farming, not Communism.
3. The question is not fully settled anyway. The convicted men will appeal to the Supreme Court for the final word.

Allen Powell, manager of the Junior Chamber of Commerce softball team, today urged all Jaycees to be present tomorrow afternoon at 8 o'clock at the Third Street school where the Jaycee softball team will hold its first practice.

The Jaycee team will be one of the four teams which will make up the civic league which will play in Greenville this summer under the direction of the city recreation department.

Mrs. H. G. Lloyd Dies At Her Home Today

Mrs. Fannie Hodges Lloyd, 75, widow of H. G. Lloyd, died at her home, 813 Washington Street, this morning at 6:25 o'clock after a long illness. Funeral services will be conducted at the chapel of the S. G. Wilkerson and Sons Funeral Home Wednesday morning at 11 o'clock by her pastor, the Rev. J. A. Neilson, pastor of the Immanuel Baptist Church and burial will be in Oakwood cemetery, South Boston, Virginia, with graveside service at 3:30 o'clock.

Mrs. Lloyd, daughter of the late E. R. and Elizabeth Owens Hodges of Virginia, was born and reared in Halifax County, Virginia. She was married to H. G. Lloyd of Halifax County in 1897. In 1920, they came to Greenville where Mr. Lloyd was in the mercantile business until his death in 1939. Mrs. Lloyd was a member of the Immanuel Baptist Church and the South Boston chapter of United Daughters of Confederacy.

Surviving are a son, W. Scott Lloyd of Greenville; three brothers: T. T. Hodges of Durham, John R. Hodges of Greenville, and E. E. Hodges of South Boston, Virginia; and two sisters: Mrs. J. M. Clay of Gladys, Virginia, and Mrs. A. O. King of South Boston, Virginia.

he said approximately 80 Greenville businessmen are expected at the conference.

Kyzer reported to the directors that replies from approximately one-third of the Greenville firms employing more than five persons have indicated the desire to see the city bus service continued. Kyzer said all replies received from questionnaires sent out by the chamber to local businesses have been in favor of continuing the bus service.

The directors authorized Manager W. T. Kyzer to attend the Southeastern institute for commercial organization executives to be held in Chapel Hill June 19 through June 25.

manded thee, saying, thou shalt not eat of it; cursed is the ground for thy sake; in sorrow shalt thou eat of it all the days of thy life.

"Thorns also and thistles shall I bring forth to thee; and thou shalt eat the herb of the field;

"In the sweat of thy face shalt thou eat bread, till thou return unto the ground; for out of it wast thou taken; for dust thou art, and unto dust shalt thou return."

The United States hasn't embraced all the new era ideas, said Mr. Hoover, adding:

"The reactionary notion of equal opportunity with the right of everyone to go as far as his ambitions and abilities will take him, provided he does not trespass on others, still holds in the American dream."

Does it still hold in the dreams of other "capitalist" nations? Well, Britain for one is making a great experiment in socialism. She has had some four years of socialism, going far in nationalization and even daring to socialize medicine.

Another general election is due to be held by July of next year, and then the people will pass their verdict on the question of security versus self-reliance, as Mr. Hoover phrases it.

'Object Lesson' Sought In Probe Of Army Report

Washington, June 14—(AP)—A Senate committee set out today to teach an "object lesson" to government departments with regard to "publishing reports that would do damage to a man's reputation."

An Armed Services subcommittee headed by Senator Kefauver (D-Tenn.), called in three civilian officials of the Army as a starter.

They include Secretary of the Army Gordon Gray and W. W. Webster and Frederick L. Devereaux of the office of Assistant Secretary Tracy Voorhees.
